

### The News Proposes Dahlia Show to Be Held in Late Summer, and Will Take "Census" of Flowers

(BY DAHLIA EDITOR)

Opinions and promises of many flower-lovers in Pampa and surrounding territory have convinced The News that there is no reason why a dahlia show should not be held here, and plans have been made accordingly. If the city hall is completed in time, the show will be held in it, if not a suitable place will be chosen, probably the Central auditorium.

Every flower raiser in the city who was consulted on the plan favored it with enthusiasm. All agreed that it would not only be a profitable event but would add greatly to Pampa's name and reputation. Prizes will be given. There will be six prizes, and the awards to be announced later will be ample reward for the producers of beauty. However, the prizes will be only a secondary attraction to exhibitors; it will be more of a show than a contest. The prize list will be announced in the near future.

Approximately a dozen flower-lovers have already agreed to enter dahlias in the show, but The News desires at least 50 exhibitors for the show. At the conclusion of this article will be found two blanks. Persons who would consider exhibiting dahlias are asked to fill out the blanks and return them at once to The News.

Those who have dahlias already planted are asked to fill out the first blank, thereby helping The News to take a "dahlia census" of this territory. Those who would like to raise dahlias and exhibit them in the show, but have not yet made arrangements to secure tubers, are asked to fill out the second blank. Arrangements to furnish those who mail us the second blank tubers in ample time for planting will be made by The News.

The dahlia is one of the most beautiful of our late summer and autumn blooming plants. It is raised from a tuber. Anywhere from the middle of May to early June is the right time to plant them.

Dahlias like sandy soil. Do not plant them too early but wait until the ground is settled. One eye is sufficient to plant, and they do better placed on their sides with an eye five or six inches below the surface of the soil. Distance between dahlias will vary from two to four feet. Some people beginning dahlia planting prefer to plant one

tuber to each place. As dahlias go on growing they must be staked and if some of the buds are picked off, better blooms will result. Dahlias have become so specialized and so many varieties have been worked out that any good catalogue or nursery will give information desired. The Alameda nursery has developed dahlias well suited to the Panhandle.

### A. & M. Grads Hear Advice from Walton

COLLEGE STATION, May 31. (AP)—President T. O. Walton of Texas A. and M. college, invoked 331 graduates to "continue the process of acquiring knowledge" in a commencement address today.

"Never in the history of the race," he said, "has there been time when real leadership was needed more than now."

### Nine Drowned in Louisiana Flood

ALEXANDRIA, La., May 31. (AP)—The life toll exacted by Louisiana's flood rose to nine late today when Harry Bamister, 35, employed by Birmingham, Ala., contractors, and two negroes, were drowned in the swollen waters of Bayou Darrow, in Grant parish.

The men lost their lives when a boat in which they were riding with five other men capsized.

### Propose Wheat Tariff

MEXICO CITY, May 31. (AP)—The Mexican department of agriculture today submitted a proposal to the customs department for a differential tariff on wheat. The customs authorities will give a decision on the proposal next week. The tariff is deemed necessary for the protection of Mexican producers.

### Austin Leads in Texas Permits

DALLAS, May 31. (AP)—Construction of a new court house in Austin, to cost more than \$400,000, put the capital city at the head of Texas cities this week in permits to build issued.

Houston continued to hold its lead for the year, with permits totaling more than \$7,000,000. Its week's total of \$154,918 was reported as the smallest weekly total this year.

### St. Louis Bank Weathers "Run"

ST. LOUIS, May 31. (AP)—The Grand National bank, located of more than \$1,000,000 in cash, securities and other valuables taken from safe deposit boxes a week ago, weathered a run today.

A long line of customers, fearing the institution would fail after disclosure yesterday that its part of the loss would approximate \$400,000 filed through the bank all day with drawing deposits. At times the line extended more than a block down the street.

Twice money trucks arrived with additional cash from the Federal Reserve bank. One delivery, the bank announced, consisted of \$450,000 lent for the emergency by the Chase National bank of New York. Late today President Ed Mays declared that the crisis had passed and that all demands had been met and would continue to be met. He said the bank was solvent.

Miss Nettie Sims of Clarendon spent Friday and Saturday here with her sister, Miss Fannie Florence Sims, who is a member of the summer school faculty.

W. M. Lewright returned Saturday from a business trip to Lamb county.

### Clean-Up Now in Progress in City

Whether you have noticed it or not, many of the alleys and side streets have undergone a cleaning in the last two weeks under the direction of fire Marshal George Latus. Trash and refuse and junk from many more are going to be removed next week, and those responsible had might as well get busy before Mr. Latus pays them a call, he said.

Just at this time of the year, the trash, papers, etc., which litter vacant lots, alleys and streets constitute a serious fire menace, besides being unsightly, Mr. Latus says. The citizens didn't exert themselves very much this year during clean-up week. During the last ten days, many a truck load of trash has been scooped and scraped out of alleys and obscure places.

### Payroll Seized by Three Bandits

NEW ORLEANS, May 31. Three armed bandits in a holdup at the river docks today captured the \$4388.91 payroll of the southern states line steamship Oakwood, fired a stray shot at a couple pursuing them and escaped but police hoped for arrests through the license number of the robbers' automobile.

Just as Captain Henry Johnson and officer Peter Okkelman of the ship reached the wharf in a taxi with the pay satchel the trio in an automobile forced the taxi cab into a wharf shed and menaced the ship officers with revolvers.

Paul K. Haggard of Dallas was a visitor here Saturday.

Charles Moore of Bradford, Pa., is in Pampa today on business.

### YOUNG WOMAN TELLS OF PLOT TO KILL RIVAL

JEFFERSON, Ohio, May 31. (AP)—A young woman's quest for happiness through love of a married man and the slaying of his wife culminated today in the filing of first degree murder charges against Mrs. Maude Lawther, 22-year-old housemaid, and Trilby Smith, 26, the man she loved.

The two were arraigned today before Justice of the Peace T. J. Weatherstone and held for the grand jury June 9 in jail without bond. Both pleaded not guilty.

Calmly and without emotion Mrs. Lawther, a dark-haired woman with sparkling black eyes who says she is a quarter-blood Indian, told officials and newspapermen how Smith plotted with her to slay his 28-year-old wife, who was shot thru the temple on a lonely road west of Ashtabula Thursday night.

Both defendants were said to have confessed yesterday to the plot to slay the woman, each blaming the other.

Mrs. Lawther told her quest for happiness began earlier in her youth on her parents' farm near Ozarkburg, West Virginia, where she was born.

She was the oldest of seven children. There was very little happiness then—mostly just work. Two years ago she met a man 25 years her senior. It was at a dance in Clarksburg. He promised many nice things. They were married and she was happy until he became jealous, she said, and left her.

A little more than two weeks ago she met Smith at a motion picture theatre. She fell in love and happiness returned, she said. He then told her he was married and had two small children.

Mrs. Lawther said he told her his wife nagged him and he wanted to

### More Gold Star Mothers in France

PARIS, May 31. (AP)—More than 250 gold star mothers of the United States, the fourth group to land, today paid tribute at the Arc de Triomphe to France's unknown soldier.

In traditional fashion they paused at the altar of freedom before beginning their trip to the battle cemeteries where their dead rest in Flanders field.

After a brief ceremony, the mothers went to a restaurant in the center of Paris for tea. There they were guests of honor with Walter E. Edge, American ambassador, who, with Colonel Richard Tellis, and General Bucant, spoke briefly to them.

Mr. and Mrs. J. F. Lane, Arnett, Okla., Mr. and Mrs. L. W. Lane and family, and Mr. and Mrs. W. M. Lane and family returned Thursday from a vacation trip which included Santa Fe, Taos, and Carlsbad, N. M., and Trinidad, Colo.

She said he gave her a revolver and instructed her when to use it.

### Dallas Couple Fatally Injured

DALLAS, May 31. (AP)—Miss Allene Haswell and her companion, Luke Manning, both of Dallas, were fatally injured tonight in a collision on a highway near here.

Miss Haswell was instantly killed. Manning died after he was taken to a hospital.

Three youths in the other car, Beverley Robertson, H. A. Owsley, and F. B. Douglas, all of Celina, were uninjured.

Hart at Rotary 100  
O. O. Harris suffered painful internal injuries and a sprained back when a tong on a rotary near Skellytown threw him from the floor against the rig. He was taken in a G. C. Malone ambulance to Pampa hospital, where attendants said his condition was not serious.  
Mrs. George Eads and son, Pete, are visiting relatives in Farwell.  
Mrs. D. F. Wilson of Sayre, Okla., was a visitor here Friday.

**Pure MILK**

Is the Greatest Body Builder

The medical profession of today calls milk "the perfect food." That term crystallizes and substantiates what everyone has long felt to be true. Milk, as a fundamental part of the diet, is also "the family food." The healthy home uses milk in large quantities, the utmost in purity and richness being assured by Taylor's.

Our pasteurizing system is approved by government and state officials, which means that it is properly pasteurized, (not homogenized, or mechanically processed to fool the public), is clean, pure and healthy, every bottle is up to the standard demanded by the board of health. When you demand "Taylor's" you're playing safe.

Another way we play safe is to have every cow on each farm from which we buy milk inspected by expert veterinarians at regular intervals and often enough that no disease could develop and be transmitted to our customers. Take care, it's sensible to be safe; demand Taylor's for your health's sake.

yond LeFors, was being discussed last night. Roberts county Saturday was voting on a bond issue, which, if carried, would place a light type of hard surfacing westward to the intersection of the north road from Pampa, and the planning committee may decide to match the last lap of Gray paving with the Roberts type.

Under the proposed project, the special district would actually vote \$1,600,000 in bonds, on a 20-year basis with 10-year option, at 5 1-2 per cent. This would, on the basis of a valuation of thirty millions, necessitate a levy of 75 cents. A 9-cent levy would care for the old \$400,000 issue, making a total levy for the proposed \$2,000,000 of 84 cents. The levy for the \$400,000 issue in Precinct 2 is now 30 cents. It is estimated that the oil industry will pay 85 per cent of the taxes and cost of the proposed roads.

Precinct 1 would get 26 per cent of the paving and pay 20 per cent of the taxes.

Precinct 2 would get 50 per cent of the paving and pay 75 per cent of the taxes.

Precinct 3 would get 24 per cent

of the paving and pay 5 per cent of the taxes.

The bulk of the voting strength, as shown by the poll tax list, is in Precinct 2, which has 2,398 qualified voters. Precinct 1 has 348 qualified voters and Precinct 3 has 214, making a total for the three precincts of 2,960.

Commissioners Tom Kirby and Lewis Cox assured the audience that the paving, if voted, would be on the roads specified and that amounts would be set aside for each sector and used for no other purpose. They said that state and federal aid had been assured in advance, contrary to the plan used in voting the old issue in Precinct 2. They estimated that the state and federal governments would pay \$1,236,000—which the county will never get unless it votes some more road bonds. The bonds would be delivered only as needed in actual construction.

It was pointed out that the old bond issue was based on inferior construction costing about \$12,000 per mile, but that this type was found to be a waste of money and concrete was substituted. A. H. Doucette said the bond money was spent as voted as far as the limited sum would go. The proposed paving would be of the best type of

concrete, costing about \$32,000 per mile.

All of the old paving was based on state specifications, and state aid is hoped for on units that will be designated roads.

All of the designated road paving of the proposed bond issue would be let in contracts and supervised by the state highway department.

### GRAVES

(Continued from Page 1)

Bartlett was the owner of the check. It was not until afternoon that the prosecution decided to acquiesce to the motion on the ground that the whole alleged transaction was illegal and that the sheriff could not be tried for conviction of bond money by check when he had no legal right to accept the check.

Sheriff Graves was represented in court by Judge Newton P. Willis, Judge Will Saunders, and Curtis C. G. Engledow were Alex Mood, U. S. District Attorney, and District attorney Edward Thomerson both of Amarillo, and Grady Hazelwood, Mr. Thomerson's assistant.

Sheriff Wanted Trial

Sheriff E. S. Graves last night expressed regret that he had not had an opportunity to have a jury trial. He declared that a statement by state's attorneys that a statute limitations would prevent reopening of the case was erroneous and that the district attorney, the grand jury, or any other person qualified to take an oath may go before a justice of the peace or the county or district judge and make oath to any facts which constitute a violation of the law, and he could be bound over to await the action of the grand jury, and that this would stop limitation.

"Now I do not want anybody to get away with the whispering that they have something on me but that they cannot use it because it is barred by limitation. Come out in the open and make your charges under oath before the world instead of whispering," he said.

"Let me see you face to face and let me ask you some questions. I can't meet whispering.

"In this connection, let me say that I regret very much that I could not get a jury trial of my case so that everybody could hear the evidence. I begged for a trial by a jury as long as I could.

"I did not want an unjust indictment hanging over me, so I then asked that the indictment be quashed. I do not know who is responsible for the witness not being here, but I hope to find out. Somebody has an ax to grind, but I am not now in position to say who it is. Somebody is willing to give me a dig in the back in the dark. Time will tell the story."

### Men Arrested for "Stealing Railroad"

PORT ARTHUR, May 31. (AP)—Two white men were arrested today for "stealing a railroad."

The slaying of his wife culminated two blocks of a Southern Pacific switch near the Gulf Refining company and had carted the steel off and sold it to a local junk dealer. They had returned for the last load which they were leisurely taking up when apprehended. The men were using Kansas City Southern railroad tools to take up the track.

### Graf Zeppelin Lands Safely at Lakehurst Field

LAKEHURST, N. J., May 31. (AP)—After rigging out the most tempestuous squalls of its career, the German dirigible Graf Zeppelin, great rambler of the skies, arrived today at this scene of its first triumphal crossing of the Atlantic.

Its shimmering skin blanched by tropic suns and washed by subequatorial torrents, the skyship that has crossed the Pacific once and the Atlantic seven times, to say nothing of ringing the world, nosed into sight at 6 o'clock (E. S. T.), this morning as ghostly as the mists from which it came.

Officers and passengers told of

storms in the air and as soon as the ship was berthed workmen began repairs on broken struts holding in place the rear engine gondola.

W. F. von Meister, American representative of the Luftschiffbau Zeppelin, said that the damage was found to be unimportant and to avoid delay the ship was brought on here with no more than jury repairs. He said that the gondola had suffered no additional damage during the flight from Pernambuco, despite the rough weather.

The passengers spoke of the storm casually and smilingly just as one tells of rough but undangerous seas encountered on an ocean liner. Even

the women, Mrs. Mary Pierce of New York City, Mrs. Laura Durston of Syracuse, New York, and Lady Grace Drummond Hay of London, said that they had not been frightened at any time.

Soon after the ship arrived, witnessed by a crowd of scant hundreds instead of the thousands who came to see her on the three other times she was here, the passengers began to scatter. The infant Alfonso, first cousin of the King of Spain, was taken in a navy plane to Washington at invitation of the government. W. B. Leeds, wealthy New Yorker, took Mrs. Pierce to New York in a large plane waiting for him at the field. The others went to New York in a special train.

LYNCHING—

Purcell, neighboring county seat on the information that the negro wanted was there.

As the mob grew more menacing, Guardsmen were ordered out by telephone by Charles F. Barrett, Oklahoma adjutant general. A regular army officer brought tear bombs from Fort Sill, 55 miles away.

The tear bombs were thrown after a considerable blast, set by the rioters, had been extinguished in the jail. As the gas permeated the jail, guardsmen and rioters were driven out and only Argo remained in his second story cell, other prisoners having been removed to the city jail.

Cries of "Lynch"

When the gas cleared the mob again milled into the structure. Guardsmen, who had sent frequent machine gun volleys over the heads of the crowd throughout, shot at the feet of the rioters.

Early in the night in the throng had gathered and cries of "Lynch" went up but the ranks were thinned somewhat after Skinner had agreed to go back to the farm and after County Attorney B. F. Hoidling had made an impassioned plea for order and legal procedure.

Skinner, who had been much in demand during the day among corner crowds for the retelling of his part, collapsed on the jail lawn this afternoon. He was taken to a hospital, where physicians said they believed he had been overcome by fatigue.

Shortly after the attack on his wife, he had returned to the dug-out home and heard her story that the negro had overpowered her after wrestling her 19-month-old baby from her arms.

Skinner, an overall-clad tenant farmer, started in pursuit of the negro, still in sight, and walked some 15 miles. Argo was arrested after Skinner appealed to the sheriff's office.

At about 10 o'clock farmers from the vicinity of the alleged attack and the "rowdy" element of Chickasha led a mob throng of more than one thousand to the jail.

Mystery surrounded the actual shooting of the negro. The mob broke into the building and after the bombing and members climbed ivy-covered walls to fling bricks and to fire into his cell.

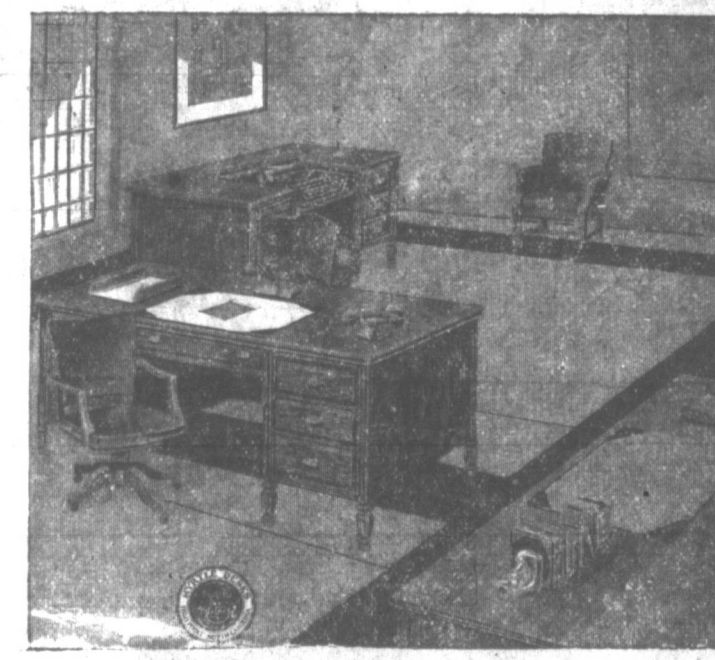

The Rev. W. M. Murrell of Clarendon, Methodist presiding elder, visited the Rev. Tom W. Brabham Saturday.

Maxine Gwin returned Saturday from Lubbock, where she has been attending Texas Technological college.

# BOBBY JONES WINS BRITISH AMATEUR GOLFING CROWN

## TAKES LEAD AND CLINGS TO IT EASILY

ST. ANDREWS, Scotland, May 31. (P)—Bobby Jones today completed his golfing diadem by winning the British amateur championship, which he has long coveted, by a convincing defeat of Roger Wethered, seven up and six to play in the 36-hole final.

All the levels of golf now have sparkled from Bobby's crown. He is the only man who has ever won the open and amateur titles of both the United States and Great Britain.

They gave him the cup on the terrace of the royal and ancient clubhouse this evening with all the patriarchs of golf gathered there. The final between Jones and Wethered, with 12,000 persons trying to see the shots, was a climax of a great week of golf in fine bracing Scottish weather and with enthusiastic galleries trailing over the famous links where putts have been missed for 500 years.

Nearly 300 matches have been played this week—all free—for St. Andrews is a public course and there is no admission fee. Never have the golf loving Scots had such a good time as they have watching Jones climb round by round, over Englishmen, Scotsmen and Americans, including the amateur champions of Great Britain and the United States, and the captain of the British Walker cup team as a final opponent.

Wethered was a worthy opponent and great sportsman. Although the final was against him all the way, he never seemed worried and played the normal game, which was not good enough.

Wethered played 90 holes in two unbroken hours and there is the story of the 1930 British amateur final.

The former British amateur champion held the American open champion level for the first nine holes, with each one under par, Jones won five of the first seven holes and Wethered rallied with a great birdie at the 17th to win and go to luncheon four down, when he had been five behind.

The Briton won the first hole in the afternoon when the American was stymied and seemed about to win the second, when Jones made one of his few bad drives of the week. The victor, however, seemed always to have a great shot in his bag when needed and he recovered with an iron good enough to place him in position to win the hole.

Wethered reduced the lead to three at the sixth, but it was the last chance he had against the machine-like precision of the American's game.

Bee Banes of White Deer was a visitor in Pampa yesterday.

## NEW CONTENDERS UNLIKELY TO FLEE FROM "ONUS" OF HEAVYWEIGHT TITLE

The ambitions of Max Schmeling (left) and Jack Sharkey (right) who are to box for the heavy-weight crown vacated by Gene Tunney (center) indicate that neither intends to abdicate later in favor of other "pursuits".

## Gulf Guns Are Strengthened for Game With Estelline Nine Today

For the last month the hard-hitting Gulf Guns have been practicing for the game they will play at 3 o'clock this afternoon with the Estelline club at Gulf Park. The Guns figure they are a great deal better than they were May 10 when they were defeated for the first and only time this season at Estelline. Since then, the Guns have acquired Left Coop, versatile hurler, and several other good men. Coop and Estelien will pitch the game this afternoon. Sullivan will help them chalk up strike outs from his position behind the bat.

The game has aroused a great deal of interest in both Estelline and Pampa, especially the former town, because fans down there believe that the Guns are the ones their team will be compelled to beat to win the Amarillo tournament. Many an Estelline fan is due in Pampa today. The game has been widely advertised.

The probable line-ups of both teams follow: Estelline—J. Markham, cf.; W. Bacus, 2b; Sims, c; Hale, ss. L. Markham, lf; Williams, 3b; McCullum, rf; J. Bacus, lb; Weathered, p; and Chandler and Perry, utility. Guns—Morgan, lf; Munds, 2b; Hickey, ss; Sullivan, c; Kuhnke, 3b; Reynolds, rf; Hope, cf; Davis, lb; Coop and Edelen, p; and Swafford, emergency fielder.

## TROJANS WIN TRACK MEET

BY ALAN GOULD Associated Press Sports Editor HARVARD STADIUM, Cambridge, Mass., May 31. (P)—The superior all-around strength of Southern California's Trojans triumphed over the individual brilliance of Stanford's Cardinals, defending title holders, today and swept them to victory in the 54th Intercollegiate A. A. A. track and field championships, a sensational battle featured by the greatest collection of performers in the history of the classic.

Three records were shattered and a fourth equaled in the two-day struggle as the two Pacific coast rivals staged a spectacular fight for team honors. For a time, Harvard unexpectedly made it a three-cornered affair with a surprising show of strength but the Crimson was unable to keep up the pace all the way.

Scoring in 11 of the 15 finals, the stalwart band of 16 Southern Californians rolled up an impressive total of 44 1/2 points, an eight point margin over Stanford, which finished second with 36 1/2 points. Harvard finished a good third with 23 1/2 points, Michigan fourth with 14 1/2 and Yale sixth with 12.

Dean Boles, son of Mr. and Mrs. C. C. Boles, will return today from Enid, Okla., where he has been visiting his grandparents.

Robert Pearson and Frank Hunt will leave Tuesday on a ten-day hunting trip in the Kiamichi mountains of Oklahoma.

## PATCHED A'S STILL STRONG WITH BATS

## Action From Big Ten Games

A surprise victory was the one R. Felbinger of Ohio State, top photo, recorded in the high jump of the Big Ten outdoor track and field championships at Evanston. Felbinger leaped 6 feet 3 inches to defeat such favorites as Shaw of Wisconsin and Carr of Illinois. Lower photo shows why George Sidney Simpson of Ohio State rightly deserves his world's "fastest human" title. He won the 100-yard dash (above) on Eddie Tolon of Michigan, recognized world's record holder in the event, and also trounced Tolon in the furlong.

## WILTSE HAS BEST OF DUEL WITH WALKUP

WICHITA FALLS, May 31. (P)—Hal Wiltse bested Jimmy Walkup in a tight southpaw duel here today to win the opener for Wichita Falls over Fort Worth 3 to 1.

The home club broke a 1 and 1 tie when they got Walkup for five hits in the seventh and eighth. Fort Worth 100 000 000-1 7 1 Wichita Falls 100 000 000-3 10 2 Walkup and O'Connell; Wiltse and Crouch.

## Jemcos to Meet Magic City Nine

After receiving a severe drubbing at the hands of Coltex nine Friday the Jemcos are going to try their luck today on the foreign soil of Magic City. The Jemcos will be seeking revenge from the Magic City team also, as this team defeated them earlier in the season by the score of 12 to 8.

Line-up of the Jemcos for today's game with Magic City will be: Wilters, pitcher; Maples, catcher; Barefield, first base; Dillman, second base; Bullock, third base; Holt, left field; Bowden, center field; Horton, right field; and Bibie, short stop.

## Magnolia Next to Play Coltexo

The strong Coltexo nine will play Magnolia on the LeFors diamond this afternoon at 3 o'clock.

Coltexo fans are quite confident since their win this week over the Jemco nine at LeFors, 10 to 0. In that game the Coltexo batteries were Ross and Flynn, while Bituock and Maples performed for the Jemcos.

## Tree Lawn Club to Open June 6

Mrs. Mattie Castleberry of Berger announces the opening Friday night, June 6, of the Tree Lawn club at LeFors to the public. Dancing will begin at 9 o'clock and continue until 12. The Amarillo Sugar Stompers, colored orchestra, will furnish the music. The dance hall has just been repaired and redecorated and a new floor has been installed.

Mrs. Castleberry also announces that contrary to a rumor circulated here last week, her Sunday night dance at St. Francis was not closed by the sheriff's department of Carson county. The dance there will start at 8:30 tonight on scheduled time, she said.

C. E. Marsh, White Deer, Jacob Griffith, Panhandle, Joe Chitwood, Berger, and Virgil Castle of Perry are business visitors here today.

## Jury Is Dismissed

LLANO, May 31. (P)—The jury in the Will Edmundson case was dismissed here today after it had failed to reach a verdict after 24 hours of deliberation. Edmundson was charged with slaying Fred Bolinger at San Saba in 1928.

the paving and pay 5 per cent the taxes.

The bulk of the voting strength, shown by the poll tax list, is in precinct 2, which has 2,398 qualified voters. Precinct 1 has 348 qualified voters and precinct 3 has 215, making a total for the three precincts 2,961.

Commissioners Tom Kirby and Lewis Cox assured the audience that the paving, if voted, would be on roads specified and that accounts would be set aside for each sector and used for no other purpose. They said that state and federal aid had been assured in advance, contrary to the plan used in voting the old issue in Precinct 2.

They estimated that the state and federal governments would pay \$236,000—which the county will never get unless it votes some more bonds. The bonds would be silvered only as needed in actual construction.

It was pointed out that the old issue was based on inferior construction costing about \$12,000 per mile, but that this type was found to be a waste of money and concrete was substituted. A. H. Couette said the bond money was voted as far as the limit of \$1 million would go. The proposed paving would be of the best type of

concrete, costing about \$32,000 per mile.

All of the old paving was based on state specifications, and state aid is hoped for on units that will be designated roads.

All of the designated road paving of the proposed bond issue would be let in contracts and supervised by the state highway department.

Bartlett was the owner of the check. It was not until afternoon that the prosecution decided to acquiesce to the motion on the ground that the whole alleged transaction was illegal and that the sheriff could not be tried for conversion of bond money by check when he had no legal right to accept the check.

Sheriff Graves was represented in court by Judge Newton F. Willis, Judge Will Saunders, and Curtis C. C. Englewood were Alex Mood, U. S. District Attorney, and District attorney Edward Thomerson both of Amarillo, and Grady Hazelwood, Mr. Thomerson's assistant.

**Sheriff's Graves Trial**  
Sheriff E. S. Graves last night expressed regret that he had not had an opportunity to have a jury trial. He declared that a statement by state's attorneys that a statute if limitations would prevent reopening of the case was erroneous, and that the district attorney, the grand jury, or any other person qualified to take an oath may go before a justice of the peace or the county or district judge and make oath to any facts which constitute a violation of the law, and he could be bound over to await the action of the grand jury, and that this would stop limitation.

"Now I do not want anybody to get away with the whispering that they have something on me but that they cannot use it because it is barred by limitation. Come out in the open and make your charges under oath before the world instead of whispering," he said.

"Let me see you face to face and let me ask you some questions. I can't meet whispering.

"In this connection, let me say that I regret very much that I could not get a jury trial of my case so that everybody could hear the evidence. I begged for a trial by a jury as long as I could.

"I did not want an unjust indictment hanging over me, so I then asked that the indictment be quashed. I do not know who is responsible for the witness not being here, but I hope to find out. Somebody has an ax to grind, but I am not now in position to say who it is. Somebody is willing to give me a dig in the back in the dark. Time will tell the story."

Purcell, neighboring county seat on the information that the negro wanted was there.

As the mob grew more menacing, Guardsmen were ordered out by telephone by Charles F. Barrett, Oklahoma adjutant general. A regular army officer brought tear bombs from Fort Sill, 65 miles away.

The tear bombs were thrown after a considerable blaze, set by the rioters, had been extinguished in the jail. As the gas permeated the jail, guardsmen and rioters were driven out and only Argo remained in his second story cell, other prisoners having been removed to the city jail.

**Cries of "Lynch"**  
When the gas cleared the mob again milled into the structure. Guardsmen, who had sent frequent machine gun volleys over the heads of the crowd throughout; shot at the feet of the rioters.

Early in the night in the throng had gathered and cries of "Lynch" went up but the ranks were thinned somewhat after Skinner had agreed to go back to the farm and after County Attorney B. F. Hoiding had made an impassioned plea for order and legal procedure.

Skinner, who had been much in demand during the day among corner crowds for the retelling of his part, collapsed on the jail lawn this afternoon. He was taken to a hospital, where physicians said they believed he had been overcome by fatigue.

Shortly after the attack on his wife, he had returned to the dug-out home and heard her story that the negro had overpowered her after wrestling her 19-month-old baby from her arms.

Skinner, an overall-clad tenant farmer, started in pursuit of the negro, still in sight, and walked some 15 miles. Argo was arrested after Skinner appealed to the sheriff's office.

At about 10 o'clock farmers from the vicinity of the alleged attack and the "rowdy" element of Chickasha led a mob throng of more than one thousand to the jail.

Mystery surrounded the actual shooting of the negro. The mob broke into the building and after the bombing and members climbed ivy-covered walls to fling bricks and to fire into his cell.

**Graf Zeppelin Lands Safely at Lakehurst Field**  
LAKEHURST, N. J., May 31. (AP)—After rigging out the most tempestuous squalls of its career, the German dirigible Graf Zeppelin, great rambler of the skies, arrived today at this scene of its first triumphal crossing of the Atlantic.

Its shimmering skin blanched by tropic suns and washed by subequatorial torrents, the skyship that has crossed the Pacific once and the Atlantic seven times, to say nothing of ringing the world, nosed into sight at 6 o'clock (E. S. T.), this morning as ghostly as the mists from which it came.

Officers and passengers told of storms in the air and as soon as the ship was berthed workmen began repairs on broken struts holding in place the rear engine gondola.

W. F. von Meister, American representative of the Luftschiffbau, said that the struts were broken while the ship was at its mast at Pernambuco. He said that the damage was found to be unimportant and to avoid delay the ship was brought on here with no more than jury repairs. He said that the gondola had suffered no additional damage during the flight from Pernambuco, despite the rough weather.

The passengers spoke of the storm casually and smilingly just as one tells of rough but undangerous seas encountered on an ocean liner. Even the women, Mrs. Mary Pless of New York City, Mrs. Laura Durston of Syracuse, New York, and Lady Grace Drummond Hay of London, said that they had not been frightened at any time.

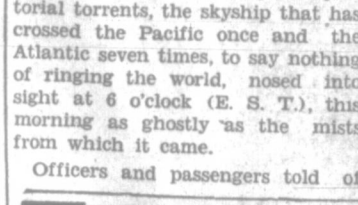

Soon after the ship arrived, witnessed by a crowd of scant hundreds instead of the thousands who came to see her on the three other times she was here, the passengers began to scatter. The infant Alfonso, first cousin of the King of Spain, was taken in a navy plane to Washington at invitation of the government. W. B. Leeds, wealthy New Yorker, took Mrs. Pierce to New York in a large plane waiting for him at the field. The others went to New York in a special train.

**BOBBY JONES TAKES LEAD AND CLINGS TO IT EASILY**

ST. ANDREW'S, Scotland, May 31. (AP)—Bobby Jones today completed his golfing diadem by winning the British amateur championship, which he has long coveted, by a convincing defeat of Roger Wethered, seven up and six to play in the 36-hole final.

All the jewels of golf now have sparkled from Bobby's crown. He is the only man who has ever won the open and amateur titles of both the United States and Great Britain.

They gave him the cup on the terrace of the royal and ancient clubhouse this evening with all the patriarchs of golf gathered there.

The final between Jones and Wethered, with 12,000 persons trying to see the shots, was a climax of a great week of golf in fine bracing Scotch weather and with enthusiastic galleries trailing over the famous links where putts have been missed for 500 years.

Nearly 300 matches have been played this week—all free—for St. Andrews is a public course and there is no admission fee. Never have the golf loving Scots had such a good time as they have watching Jones climb, round by round, over Englishmen, Scotsmen and Americans, including the amateur champions of Great Britain and the United States, and the captain of the British Walker cup team as a final opponent.

Wethered was a worthy opponent and great sportsman. Although the loss was against him all the way, he never seemed worried and played his normal game, which was not so good enough.

Jones played 20 holes in two unbroken hours and there is the story of the 1930 British amateur final.

The former British amateur champion held the American open champion level for the first nine holes, with each one under par, Jones won five of the first seven holes and Wethered rallied with a great birdie at the 17th to win and go to luncheon four down, when he had been five behind.

The Briton won the first hole in the afternoon when the American was stymied and seemed about to win the second when Jones made one of his few bad drives of the week. The visitor, however, seemed always to have a great shot in his bag when needed and he recovered with an iron good enough to place him in position to win the hole.

Wethered reduced the lead to three at the sixth, but it was the last chance he had against the machine-like precision of the American's game.

The ambitions of Max Schmeling (left) and Jack Sharkey (right) who are to box for the heavy-weight crown vacated by Gene Tunney (center) indicate that neither intends to abdicate later in favor of other "pursuits".

## Gulf Guns Are Strengthened for Game With Estelline Nine Today

For the last month the hard-hitting Gulf Guns have been practicing for the game they will play at 3 o'clock this afternoon with the Estelline club at Gulf Park. The Guns figure they are a great deal better than they were May 10 when they were defeated for the first and only time this season at Estelline. Since then, the Guns have acquired Left Coop, versatile hurler, and several other good men. Coop and Edelen will pitch the game this afternoon. Sullivan will help them chalk up strike outs from his position behind the bat.

The game has aroused a great deal of interest in both Estelline and Pampa, especially the former town, because fans down there believe that the Guns are the ones their team will be compelled to beat to win the Amarillo tournament. Many an Estelline fan is due in Pampa today. The game has been widely advertised.

The probable line-ups of both teams follow:  
Estelline—J. Markham, cf.; W. Baccus, 2b; Sims, c; Hale, ss. L. Markham, lf; Williams, 3b; McCollum, rf; J. Baccus, lb; Weathered, p; and Chandler and Perry, utility.  
Guns—Morgan, lf; Munds, 2b; Hickey, ss; Sullivan, c; Kuhnke, 3b; Reynolds, rf; Hope, cf; Davis, lb; Coop and Edelen, p; and Swafford, emergency fielder.

## Trojans Win Track Meet

BY ALAN GOULD Associated Press Sports Editor HARVARD STADIUM, Cambridge, Mass., May 31. (AP)—The superior all-around strength of Southern California's Trojans triumphed over the individual brilliance of Stanford's Cardinals, defending title holders, today and swept them to victory in the 54th Intercollegiate A. A. A. track and field championships, a sensational battle featured by the greatest collection of performers in the history of the classic.

Three records were shattered and a fourth equalled in the two-day struggle as the two Pacific coast rivals staged a spectacular fight for team honors. For a time, Harvard unexpectedly made it a three-cornered affair with a surprising show of strength but the Crimson was unable to keep up the pace all the way.

Scoring in 11 of the 15 finals, the stalwart band of 16 Southern Californians rolled up the impressive total of 44 1/2 points, and eight point margin over Stanford, which finished second with 36 1/2 points. Harvard finished a good third with 23 1/2 points, Michigan fourth with 14 1/2 and Yale sixth with 12.

Dean Boles, son of Mr. and Mrs. C. C. Boles, will return today from Enid, Okla., where he has been visiting his grandparents.

Robert Pearson and Frank Hunt will leave Tuesday on a ten-day fishing trip in the Kiamichi mountains of Oklahoma.

## PATCHED A'S STILL STRONG WITH BATS

PHILADELPHIA, May 31. (AP)—The world's champion Philadelphia Athletics presented a makeshift lineup today but had little trouble taking their third straight from Washington 7 to 3. The Athletics had Al Simmons, Mickey Cochrane, Jimmy Dykes, and Max Bishop on the bench nursing injuries.

Yanks Hit and Win NEW YORK, May 31. (AP)—The Yanks pounded out eleven hits today to defeat Boston, 5 to 2. Ruth got a double and a triple. Boston 000 000 110—2 8 0 New York 140 000 00x—5 11 2 Russell, Morris and Berry; Wells, and Dickey.

He Stole Home ST. LOUIS, May 31. (AP)—Oscar Melillo stole home in the ninth inning to give the St. Louis Browns a 3 to 2 victory over the Chicago White Sox. Dave Harris hit a home run for the White Sox in the fifth inning.

Indians Scalp Tigers CLEVELAND, May 31. (AP)—The Cleveland Indians won the third game of the series with the Detroit Tigers here today, 7 to 4.

## Jemcos to Meet Magic City Nine

After receiving a severe drubbing at the hands of Coltexo nine Friday the Jemcos are going to try their luck today on the foreign soil of Magic City. The Jemcos will be seeking revenge from the Magic City team also, as this team defeated them earlier in the season by the score of 12 to 8.

## Magnolia Next to Play Coltexo

The strong Coltexo nine will play Magnolia on the LeFors diamond this afternoon at 3 o'clock. Coltexo fans are quite confident since their win this week over the Jemco nine at LeFors, 10 to 0. In that game the Coltexo batteries were Ross and Flynn, while Blincock and Maples performed for the Jemcos.

## Action From Big Ten Games

A surprise victory was the one R. Felbinger of Ohio State, top photo, recorded in the high jump of the Big Ten outdoor track and field championships at Evanston. Felbinger leaped 6 feet 3 inches to defeat such favorites as Shaw of Wisconsin and Carr of Illinois. Lower photo shows why George Sidney Simpson of Ohio State rightly deserves his world's "fastest human" title. He won the 100-yard dash (above) from Eddie Tolan of Michigan, recognized world's record holder in the event, and also trounced Tolan in the furlong.

## Tree Lawn Club to Open June 6

Mrs. Mattie Castleberry of Berger announces the opening Friday night, June 6, of the Tree Lawn club at LeFors to the public. Dancing will begin at 9 o'clock and continue until 12. The Amarillo Sugar Stompers, colored orchestra, will furnish the music. The dance hall has just been repainted and redecorated and a new floor has been installed.

Mrs. Castleberry also announces that contrary to a rumor circulated here last week, her Sunday night dance at St. Francis was not closed by the sheriff's department of Carson county. The dance there will start at 8:30 tonight on scheduled time, she said.

C. E. Marsh, White Deer, Jack Griffith, Panhandle, Joe Chitwood, order, and Virgil Castle of Perry ton are business visitors here today.

## WILTSE HAS BEST OF DUEL WITH WALKUP

WICHITA FALLS, May 31. (AP)—Hal Wiltse bested Jimmy Walkup in a tight southpaw duel here today to win the opener for Wichita Falls over Fort Worth 3 to 1. The home club broke a 1 and 1 tie when they got Walkup for five hits in the seventh and eighth.

Indians Hit Homers SAN ANTONIO, May 31. (AP)—Home run wallows by Joe Moore and Ad Schinkel as George Malicky held Houston gave San Antonio the opening game of the series 7 to 5.

Shills Luckless SHREVEPORT, La., May 31. (AP)—Dallas continued its losing way when Shreveport jumped on Paul Wachtel here today and drove him to the showers, winning the opening game of the series 7 to 2. Morrell had little trouble with the visitors.

Hurlers Are Wild WACO, May 31. (AP)—Beaumont won the first game of the series from Waco 8 to 3. Both starting pitchers were wild and ineffective but Manager Pratt let his stay too long and Manager Baker got Martin out in time.

Elks and Painters Will Clash Today Two comparatively new teams, the Elks and Painters, will clash on the Jones-Everett diamond here this afternoon. The game will be called at 3 p.m. Batteries for the Elks will be Friedman and Teague. The public is invited to see the game.

### MILK AS A FOOD AND A MENACE

The value of milk as a health drink, especially for children, is stressed continually. At this season of the year it is necessary, however, to point out that impure milk can be the source of many epidemics.

Some of the diseases spread by impure milk are well known. Typhoid fever is the most common. Tuberculosis is another. Milk ordinances are designed to protect the source of supply, first by thorough cleanliness, and second by testing of cows for t. b.

There is another disease sometimes carried in milk that is not well known—septic sore throat. In Portland, Ore., several years ago a milker infected a cow's udder, says the Northwestern Health Journal, and before the resulting epidemic was quelled 487 persons sickened and 22 died of it.

Pure milk, then, is a vital problem for every community. In Europe it is a common custom to boil milk as soon as it is delivered to keep it from souring. The common folk of the continent do not have ice. But in this country we have ice and we do not like the taste of boiled milk. We do not wish to put chemicals into our milk to kill any bacteria and to ruin the taste. Thus far science has found only one generally used solution—pasteurization.

Pasteurization of milk means heating it to 145 degrees F. for thirty minutes and then cooling it rapidly. Pasteurized milk is not boiled milk, for the pasteurizing temperature is seventy degrees lower than the boiling

### American Netters Win in France

AUTEUIL, France, May 30. (P)—America's standard-bearers outdid themselves in the French tennis championships today, creating an all-California final for the women's title and landing Big Bill Tilden in the title round against Henri Cochet for the men's singles crown. Mrs. Helen Wills Moody mowed down Fraulein Cecilie Aussem of Germany, 6-2, 6-1, in a match interrupted by rain, and Big Bill Tilden turned back his old rival Jean Borotra of France, 2-6, 6-2, 6-4, 4-6, 6-3, but the biggest surprise was the smashing victory of Helen Jacobs over Senorita Elia de Alvarez of Spain, 6-1, 6-0.

### Frazier to Meet Class Tomorrow

R. E. "Pop" Frazier will hold the first meeting with his future band and orchestra classes at 9 o'clock tomorrow morning, and he expects immediately afterward to start intensive practice with regular rehearsals.

Every school boy and girl who plays an instrument whether a beginner or an advanced student, is asked to be at the auditorium for the meeting. Two orchestras and two bands will be organized. The junior organizations furnishing training for the less experienced players.

Mr. and Mrs. Frazier and Supt. R. B. Fisher expect both bands to be "ready to go" when school opens in the fall and the football season gets into swing.

W. G. Grayson, Dallas, has taken employment with Montgomery Ward & company, as first floor manager.

WHAT WILL THE BOYS SAY?

He could induce her to return to him immediately? Wouldn't she consider that she had won a decisive victory? Perhaps she would go so far as to think his conscience had driven him to grovel at her feet.

Alan started his letter despite his misgiving. "Darling Natalie," he wrote. Then he stopped. He had a vision of Natalie smiling in triumph over the salutation.

He crumpled the sheet of paper, and threw it into the waste basket. "Dear Natalie," he wrote on a second sheet. Again he stopped. He didn't know exactly what he wanted to say to her. Apologies? Tell her he was sorry? It wouldn't do. He had too little to be sorry for.

"It isn't up to me to get this mess straightened out; it's up to Natalie," he told himself. "If I beg her to come back, things will go on as they were before, and that's impossible. Perhaps I'd better wait a day or two before writing. She may come to her senses when she's had time to think it over."

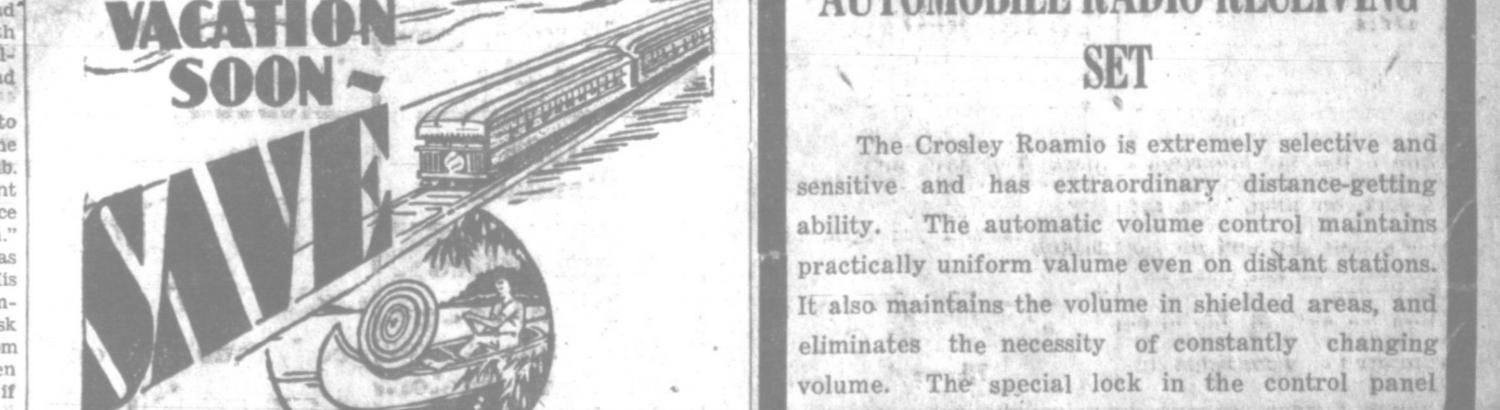

He closed the desk with a bang. But it did not shut out the first sound of the telephone, ringing in the hall below. Alan wondered, as he went down, how many of Natalie's friends knew that she had left him. It wasn't like her to spread the news he granted. But she might have told Gladys. He hoped this was not someone calling to offer condolence, or a chance to attend a party and forget. He was not in a mood for it; he thought irritably.

He snapped the lights out quickly and retreated. His own room was less forsaken. Things were just as usual there; all but his slippers and bathrobe. He had to get them from the closet himself. Not always, but quite often, Natalie had them out for him.

Suddenly Alan realized that he was missing the many comforts Natalie had provided for him. He did not like it. "It's her companionship that I ought to miss," he chided himself. And then he had to admit that companionship with Natalie had been of doubtful quality. For a moment he was glad that they were apart for a while.

"Hang it all; maybe I was to blame," he said aloud to the tune of the running water in his tub. "I might have been more patient with her, tried harder to convince her there wasn't any other woman."

He decided to write to her as soon as he finished his bath. His resolution held until he found himself seated at his desk—the desk Natalie had brought down from Vermont for his last birthday. Then he was seized with doubt: What if

### Ranch Scenes Are Photographed by W. A. Alcock

Typical scenes on the JA ranch and Palo Duro canyon were preserved for posterity last week by one of the most famous photographers of the world—William A. Alcock of New York who left yesterday for Globe, Ariz., after spending two weeks here. Mr. Alcock is attorney for the Foster interests, including the White Deer Land company. He has served in that capacity for more than 20 years.

The lawyer-photographer took 132 pictures of JA ranch scenes and of the Palo Duro canyon. He said that he obtained some unusually good studies of the chuck wagon and of the cowboys. Last week was the climax of the round-up season and he had opportunity to get excellent shots. He was guest of T. D. Hobart at the ranch for three days. One of the best photographs he made was a branding scene. He said he was able to develop unusual detail.

Upon leaving Pampa, yesterday Mr. Alcock presented Mr. Hobart with a complete set of the prints.

Photography is purely a hobby with Mr. Alcock, and he classes himself as an amateur, refusing to sell his pictures. He belongs to the leading photography societies of the U. S. and Europe. He is well-known to old timers here. In 1908 he drew the original plan of Pampa. Alcock street in the city is named for him.

### Honor Student to Become Nurse

Miss Eileen Pengra, niece of Mr. and Mrs. George Briggs, is to enter nurses training Monday at St. Paul's hospital of Dallas. She was graduated this spring from Central high school as salutatorian of her class, after attending school here two years. She came here from Chicago to make her home with her aunt and uncle.

Mr. and Mrs. Briggs are to take their niece to Dallas today. They will return home tomorrow, accompanied by their son Burnham, and Billy Hyde, son of the Rev. and Mrs. A. A. Hyde, both of whom are students in Texas A. & M. college at College Station.

### Seeds Again Has Oldsmobile Agency

C. O. Seeds, who was the first Oldsmobile and Viking dealer in Pampa, has again taken the agency for these cars. He will open in his new location at 515 South Cuyler tomorrow morning where he will handle the complete line. The new models of both cars will be on display.

Mr. Seeds will continue to handle Durant, which was introduced in Pampa this spring by the Hill Motor company. Mr. Seeds has been located in the new Saunders building, corner Ballard and Kingsmill.

### Hundreds to Come for Dollar Day

Plans are under way to entertain hundreds of out-of-town visitors Thursday when Pampa merchants offer their second Dollar Day. The first Thursday of each month has been designated as Dollar Day, when items are selected from each merchant's stock to be sold for one dollar. More savings on merchandise are promised for Thursday this week, according to the merchandise.

### Returns From Spearman

Mrs. C. W. Stowell returned Friday evening from a ten-day visit at Spearman. She was accompanied home by her parents, Mr. and Mrs. D. B. Kirk, her sister, Doris, and her brother, Winifred, who are making a short visit with Mr. and Mrs. Stowell and Judge and Mrs. Ivy E. Duncan.

During her stay in Spearman, Mrs. Stowell attended graduation exercises for a class she taught several years ago.

### Burglars Loot Carnival Here

Thieves have been busy in Pampa this week. In addition to the safe robbery at Your Laundry Friday night, burglars made a bulky haul at Vernon Brothers carnival, taking blankets and Spanish shawls valued at \$300. A number of dolls, trinkets and other knick-knacks were taken.

A half dozen tires were stolen from parked cars at night during the week. Four automobiles were stolen but two were recovered. A tire was stolen Friday night from a car at the Western Supply company.

**Develop Films Free**  
Richards Drug store will develop films free all this week and through next Sunday. Through an error their advertisement Friday read as if the limit would be today.

Mr. and Mrs. George E. Walker of Dalhart are guests in the home of Mr. and Mrs. C. Herbert Walker this week-end.

Mrs. C. L. Craig returned last night from a trip on which she accompanied her parents, Mr. and Mrs. F. G. Patching of Clarendon, to Corpus Christi, Galveston, Houston, San Antonio, and points in Mexico. She had been away three weeks.

### The Nail Keg

A column of news and views for Pampa people and our farmer friends.

June brides are being showered in every conceivable way. But we think a kitchen shower is the measure of all—such a painful reminder of what is to come.

But there is a very beautiful sentiment behind these showers. A great many of us can bear witness that they are appreciated by the "showeree" and never forgotten.

If ignorance is bliss why is bliss so scarce?

We are showing right now the new patterns in 647 Rogers and Community Silver. Nothing makes a more appropriate gift for the new bride.

It looks very much as if we are to have the earliest harvest we have had since combines have become generally used. Some farmers say they will be cutting from the 15th to the 20th of the month. Here's hoping we are all agreeably surprised at the yield.

Males are sensitive things, and it must hurt a rooster's vanity to see a lot of publicity given to an egg-laying contest.

During the rush of harvest, we want to stress our desire to be of the greatest service in our parts department. We have a complete stock of McCormick-Deering parts, and invite you to use this department of our business.

Sometimes a sense of humor is just an ability to enjoy the other fellows flat tire.

Less Saltzman and J. O. Reed are two of the boys who have had their new combines delivered already. They were anxious to get them tuned up and ready for harvest.

We'll be with you again next Sunday.

# Gigantic 3-Day Used Car AUCTION SALE

## THURSDAY-FRIDAY-SATURDAY JUNE 5, 6, 7

# 90 CARS AND TRUCKS

### WILL BE SOLD TO THE HIGHEST BIDDER, ONE AT A TIME, REGARDLESS OF PRICE

Almost any make of car will be offered at auction. Each car has been numbered on the windshield with a plain white figure. Come in and select your car, try it out, remember the number, and ask to have it offered the day of sale. These cars are now on display at the Pampa Buick Co. We will demonstrate any car to anyone before the sale, Thursday, June 5, 10 a. m., and 2 and 7:30 p. m. Three days only.

## Commencing Thurs. June 5, 10 a.m.

BEGINS PROMPTLY AT 10 a. m., 2 p. m., and 7:30 p. m., rain or shine, 3 days only—Coupes, Sedans, Coaches, Roadsters, Tourings, Trucks, all models, every car accurately described.

## 90 Fine Used Cars at Auction-3 Sales Daily

Including Buicks, Fords, Chevrolets, Whippets, Chryslers, Oaklands, Pontiacs, Oldsmobiles, Plymouths, Dodges, Studebakers, etc., in all models. Look over this partial list—Then come to this auction and buy the car of your choice at your own price. Ninety cars will be sold to the highest bidder.

### OUR REPUTATION IS YOUR PROTECTION

We want you to know that you can buy at this auction sale with the same assurance of lasting satisfaction that you would have on buying at private sale. You will be told the truth about every car brought up to the selling block. The auctioneer will give a detailed honest report regarding its condition, mechanical and otherwise.

Every Car You See on the Road is a Used Car

### WE MUST MAKE ROOM FOR NEW BUICKS

Due to the large number of sales on our new Buicks we have accumulated an over supply of high class used cars and not desiring to carry these cars as we do not have space enough to accommodate the new cars coming in. We want to start the Summer with a clean slate.

We have decided to take a quick loss and dispose of them at one selling and let the public buy them at their own price by auction method. Practically all of the cars have been reconditioned and carry our used car guarantee. This is an opportunity rarely presented the public to buy high quality cars at their own price.
