

SENATE APPROVES O'NEAL BILL

DOOR IS NOT CLOSED ON PROHIBITION, FESS DECLARES

CENTRAL PRORATION COMMITTEE URGES CUT IN ALLOWABLE

PAMPA TOPIC OF OUR CITY
The appearances are that Ace Pendleton, bandit-ghost of Gray county, will be well enough to go to trial soon, and that he will not, as some have suggested, be admitted to any of the local civic clubs. If he is guilty, he will be sentenced and sent where he should be, even if we have to feed him up in order to give him proper punishment.

Bridge prizes of baskets filled with food are being used in a number of cities. The food is given to the needy. Feeding for one meal a week, with the consequent saving given to charity organizations, is another plan. The Pampa has no problems of diet, but he will join 5,000 other citizens in going without a meal each week and giving the saving to relief work. What say, folks?

PEOPLE EAT TOO MUCH ANYWAY. FASTING WOULD CALL ATTENTION TO THE FACT THAT EATING IS A MANNER OF FEEDING A DELICATE MACHINE—A MACHINE WHICH SHOULD BE GIVEN MORE THOUGHT.

Oil is thicker than politics. Republican petroleum promoters are working with Democratic solons on the measure. If a tariff or embargo succeed, a bi-partisan vote will make it possible. After all, that would be a great victory for the people. Party alignments too often place one section in competition with another. The west is coming into its own, with problems which demand solution without reference to party politics.

A bill has been introduced into the legislature to give women voters free poll taxes. Poll taxes should be based upon constitutional groups of eligibility without reference to sex or payment of a fee. Payment of \$15.00 does not make a citizen any more qualified to have a voice in his government. It is placing a penalty on one of the most important duties. In these depressed times, the tax bill will deprive tens of thousands of citizens of the right to vote. To give the women the right free is illogical—there should be no sex distinctions in this modern age.

LESS THAN A THOUSAND POLL TAXES HAVE BEEN PAID IN GRAY COUNTY UP TO NOW. COLLECTOR BARNES SAID LAST NIGHT. NOT LESS THAN FOUR THOUSAND SHOULD BE PAID BEFORE THE DEADLINE AS THIS MONTH EXPIRES.

With road elections coming up, and unforeseen projects in the making, all residents interested in the future of the community and Gray county should provide themselves with the necessary poll tax receipt. PAY YOUR POLL TAX NOW.

Sometimes we in our egotism imagine we know all about roads and that no other periods in the world's history saw such construction as we now have. This is untrue. Road building, which began in prehistoric days, when the game trail became inadequate.

(See COLUMN, Page 6)

PRESENT CURB TO LAST TILL NEXT SUNDAY

NO OBJECTIONS ARE RAISED BEFORE HEARING
BOARD WILL FIX ORDER
SAY CONSIDERABLE OF WASTED GAS IN BIG LAKE OIL FIELD

AUSTIN, Jan. 22. (AP)—In a hearing marked by the absence of serious controversies, the state central committee on proration today recommended that the allowable output of Texas oil wells be decreased from 680,238 to 644,235 barrels daily.

No objections to the totals recommended for various districts were entered. The Pure Oil company, a heavy producer in the Van field, at first objected to the committee's recommendation on that area, but ironed out the difficulty in a conference between sessions of the hearing, which was held before C. V. Terrell, railroad commissioner, and R. D. Parker, supervisor of oil and gas division of the railroad commission.

Asked Increase
Several oil operators and royalty owners in the Van field were here to ask for an increased allotment, but they, too, apparently were satisfied with the outcome of the conference, the details of which were not made public. R. R. Penn of Dallas, chairman of the central committee, recommended that the output of the Van pool be increased from 27,500 to 30,000 barrels February 27 to 35,000 barrels March 1. He stated as his personal opinion that a 5,000 barrel increase each month thereafter would be recommended until the allowable reached 50,000 barrels. This was what J. A. Cuyler, state attorney for the Pure Oil company, had asked for.

The recommendations were as follows: Panhandle 40,000 barrels, present production 60,350; west central Texas 24,000, present production 25,500; West Texas 245,927, present production 246,650; East central 42,735, production 43,150; southwest 77,447, present production 78,850; Gulf coast 155,000, production 163,000.

Still Wasting
The central committee asked the railroad commission to "clamp down" on operators in the Big Lake field, asserting that there still was considerable waste of gas in the field. Penn said the University of Texas, which has large interests in that field, was losing thousands of dollars weekly because of waste.

The committee also urged that action be taken to ward off over-drilling and open storage in the field which is being opened up in Rusk and Gregg counties.

The new order to be formulated by the railroad commission tomorrow of Saturday, will replace the one which expires Sunday. The new order will be effective until April 1.

Statewide proration was inaugurated the latter part of August, the first order allowing 750,000 barrels daily. The order now in effect was the second one issued.

YOUNG FLIER

NEA New York Bureau
After only one hour and 40 minutes of instruction 17-year-old Henry Biers, above, took a plane up in a solo flight at Roosevelt Field, Long Island. He is believed to have set a record for the time required to learn to fly. The young aviator is a son of John Biers, a Valley Cottage, N. Y., manufacturer.

FARMERS HEAR RELIEF PLANS FROM MARTIN

THIRTY TWO COUNTIES ELIGIBLE FOR AID FROM FUNDS
MEETING AT ABILENE
URGES FULL PAYMENT BACK ON DROUGHT LOANS GIVEN

ABILENE, Tex., Jan. 22. (AP)—Several hundred West Texas farmers, county agents, bankers and others, in Abilene today, heard O. G. Martin and his associates from the Texas A. & M. extension service, outlining the regulations covering the \$45,000,000 federal fund for drought relief. The Texas allotment is computed at about \$3,750,000 and to date 32 West Texas counties have been certified by the secretary of agriculture as eligible to participate.

There will be other certifications, Martin said. He has, in fact, certified to the secretary six additional counties—Archer, Brown, Comanche, Erath, Floyd and McCulloch—but these have not been officially designated as eligible to participate in the fund.

S. C. Evans, a district agent with Martin's party, opening the meeting here, said:

Not A Gift
"This is not a dole or gift, but a loan based on sound values, in the repayment of which our reputation is at stake. It is not the first time the federal government has extended this sort of relief. In certain western states only 20 per cent was finally repaid, but last year, in a group of southeastern states, more than 90 per cent was repaid before date of maturity. Our aim should be to repay the loan.

"We believe that from this situation will come a more scientific method of balanced farming in West Texas. Information at hand indicates only a six per cent decrease in expected cotton acreage for 1931. Russell, across the street from the new city hall, has been completed with the exception of work on the interior. All the wiring and plumbing has been finished.

Fixtures for the La Nora luncheonette have been installed. A fine appearance is made by the color scheme of this store, with its rose-colored fixtures, golden brown walls, and its tile floor.

The two shops on either side of the La Nora theater will soon be ready for occupancy.

Boy Scout Training Saves Life of Youth

SAFELY REACHED BEACHES

SAN ANGELO, Jan. 22. (AP)—A young boy named Jack Simmons, 15, star scout diver to the bottom of a ten-foot icy hole and pulled out a 3-year-old Harry Economidis who had been under the water five minutes.

Allie Woodridge, Eagle scout, and Simmons restored breath to the lad by scout methods. The scout's first aid course after two days of training had been the body's ability to float on the surface.

HULL ATTACKS COBBYS-WANTS 3 PER CENT BEER

PRESIDENT HOOVER IS FOR PROHIBITION PHARMA NSAYS
INDICATE LONG BATTLE
CONFLICTING REPORTS COM FROM CAPITOL HILL ON MATTER

By JOHN F. CHESTER
WASHINGTON, Jan. 22. (AP)—President Hoover's emphatic disapproval of the Wickersham commission's proposed revision of the eighteenth amendment was held today by Senator Fess, Republican, Ohio, not to have closed the White House door to all suggestions for revision.

The chairman of the Republican national committee stated carefully however, he did not mean to imply the president had any particular revision or modification in mind. Fess visited the White House yesterday.

It was to this latter view that Republican leader Watson subscribed. He said:

I interpret his message as dry. Didn't discuss.

The Indiana senator added, however that he had not talked with President Hoover about prohibition since the variously interpreted message given to congress along with the law enforcement commission's diverging views on the dry law.

While these statements were coming from Capitol Hill, enough of the story behind the commission's conflicting report was selected to indicate the prolonged dispute and controversy that ended in the writing on this document. It did not disclose, however, any real evidence to support reports President Hoover had helped fashion its recommendations, or that the report had been changed after the members had signed it. These reports twice had been denied by the commission.

Answers Criticism
Meanwhile, Prohibition Director Woodcock was answering the commission's criticism of his request for only 50c additional dry agents by inviting congress to supply an even greater number, and Representative Celler, Democrat, New York, as introducing a resolution to carry out the Wickersham proposal to remove the restrictions on doctors' liquor prescriptions.

At the same time Representative Hull, Republican, Illinois, attacked conditions under the prohibition laws and urged immediate legalization of three per cent beer.

Senator Fess gave his interpretation of the president's message in a talk with newspapermen. He asserted Mr. Hoover had disapproved the revision plan proposed by the commission because he said it would involve prohibition inextricably with politics.

Already it has been disclosed that the differences within the commission were at times so bitter that five drafts of the report were made before one was obtained that even five of the members would sign. The seventh member, Monte Lemmon, New Orleans lawyer, declined to join the signers, and it was explained today that only in the closing hours of the deliberations did another member agree to sign.

SELL CAR?

NEA Washington Bureau
With increased Democratic strength impelling Speaker Nicholas Longworth's position, the question of future ownership of the automobile which the government furnishes to the presiding officer of the house has long been a favorite joke among Republican and Democratic congressmen. Now Representative Tillman B. Parks, above, of Arkansas, proposes to solve the problem by having the car sold to swell the national fund for drought relief. He has introduced a resolution embodying that plan.

The bill was passed to the house and will be considered by the revenue and taxation committee tomorrow afternoon. Dewey Young, chairman, said the house committee would consider substituting a bill drawn by Rep. Weiner of Seguin, which went farther than the O'Neal bill.

The O'Neal bill proposed to allow payment of one half the taxes by January 31 with the remainder carried over to June 30 without penalty.

Weinert's bill proposed that payment of all state, county, special school, school district and levee improvement taxes be deferred until October 15. The 10 per cent penalty would be reduced to 4 per cent and the interest rate would be 6 per cent.

Decline Appointment
The senate declined to approve the appointment of Fred Horton of Greenville as a member of the prison board. Approval was given to 50 other recess appointments of Governor Dan Moody.

Rules committee of paramount importance with the senate and houses free conference committees at loggerheads on the important problems. The senate was holding out for a more modified form of the split session amendment to be introduced during the first 60 days and thereafter only with a four fifths vote of the membership. The house voted to let the bills in after the first 60 days through a two thirds vote, a quorum present, and voting.

Rep. DeWolfe of Goldthwaite, minority member of the house committee said this would not be keeping faith with the voters who had adopted the split session amendment to afford the legislature more time in which to deliberate on bills.

He argued the house rules would let down the bars and would permit the legislature to be swamped by last minute introductions.

The senate committee also was opposed to opening the gates.

A report of the conference committee was expected tomorrow.

The house agriculture committee took favorable action on a resolution offered yesterday by Rep. Pope of Nueces endorsing the Garrett plan of cotton acreage reduction. Under the plan bankers and merchants would refuse credit to cotton farmers unless they agreed to cut their acreage 25 per cent during the next five years.

CASES DECREASE
Smallpox cases in Pampa have decreased from five to two. Dr. T. J. Worrell said yesterday. These two cases will probably be out by the end of the week. Dr. Worrell stated. Dr. Worrell said that he knew of no other cases of contagious diseases in the city.

Mrs. A. L. Dodd and son, Beverly, and Mrs. Jack Mason were the guests of Mrs. J. W. Colgrove at the Schaffer ranch yesterday afternoon.

FIRST MAJOR ACT OF TERM IS PASSED ON

SEMI-ANNUAL TAXES PAYMENT PLAN OF MEASURE
BILL IS SENT TO HOUSE
DECLINE TO APPROVE APPOINTMENT FOR PRISON BOARD

AUSTIN, Jan. 22. (AP)—The first major piece of legislation of the 42nd session of the Texas legislature was passed today by the senate when the upper branch stamped approval of the bill of Senator O'Neal of Wichita Falls to permit the semi-annual payment of taxes.

A rider was tacked on the bill to permit county commissioners' courts to determine if county taxes may be paid on the double payment plan. The bill however, made it mandatory for state taxes to be paid on the deferred plan.

Passed to House
The bill was passed to the house and will be considered by the revenue and taxation committee tomorrow afternoon. Dewey Young, chairman, said the house committee would consider substituting a bill drawn by Rep. Weiner of Seguin, which went farther than the O'Neal bill.

The O'Neal bill proposed to allow payment of one half the taxes by January 31 with the remainder carried over to June 30 without penalty.

Weinert's bill proposed that payment of all state, county, special school, school district and levee improvement taxes be deferred until October 15. The 10 per cent penalty would be reduced to 4 per cent and the interest rate would be 6 per cent.

Decline Appointment
The senate declined to approve the appointment of Fred Horton of Greenville as a member of the prison board. Approval was given to 50 other recess appointments of Governor Dan Moody.

Rules committee of paramount importance with the senate and houses free conference committees at loggerheads on the important problems. The senate was holding out for a more modified form of the split session amendment to be introduced during the first 60 days and thereafter only with a four fifths vote of the membership. The house voted to let the bills in after the first 60 days through a two thirds vote, a quorum present, and voting.

Rep. DeWolfe of Goldthwaite, minority member of the house committee said this would not be keeping faith with the voters who had adopted the split session amendment to afford the legislature more time in which to deliberate on bills.

He argued the house rules would let down the bars and would permit the legislature to be swamped by last minute introductions.

The senate committee also was opposed to opening the gates.

A report of the conference committee was expected tomorrow.

The house agriculture committee took favorable action on a resolution offered yesterday by Rep. Pope of Nueces endorsing the Garrett plan of cotton acreage reduction. Under the plan bankers and merchants would refuse credit to cotton farmers unless they agreed to cut their acreage 25 per cent during the next five years.

CASES DECREASE
Smallpox cases in Pampa have decreased from five to two. Dr. T. J. Worrell said yesterday. These two cases will probably be out by the end of the week. Dr. Worrell stated. Dr. Worrell said that he knew of no other cases of contagious diseases in the city.

Mrs. A. L. Dodd and son, Beverly, and Mrs. Jack Mason were the guests of Mrs. J. W. Colgrove at the Schaffer ranch yesterday afternoon.

Former Cowhand Is Watching City Well

Admitting that his former cowhand, Sheriff Lon L. Blaissett, was "watching the town pretty well," F. E. Herring of Oklahoma City and Deputy Claude Roper of Cheyenne, Okla., left here yesterday afternoon on a fresh trail of robbers who looted the Herring & Young store at Reydon, Okla., 10 days ago.

Mr. Herring and Deputy Roper came into Pampa about 5 o'clock Wednesday afternoon, believing that Pampa was "hot." One man was arrested for investigation, and another place was searched. Results were not entirely satisfactory.

Before Mr. Herring went into the clothing store business, he operated a ranch in Beckham county, Okla. A few years ago, Sheriff Blaissett managed the ranch for the merchant.

Ford Company Men Visit Local Firm

W. B. Slagle of Oklahoma City, branch manager, L. M. Stone of Oklahoma City, zone manager, and H. Preston of Detroit, wholesale manager, were in Pampa yesterday afternoon, on a trip among the Ford agencies in this territory.

They came to Pampa yesterday from Amarillo, where they have been attending a meeting, and returned to Amarillo, the same. From Amarillo, they will go by plane to Oklahoma City, where another meeting will be held.

Bandit Suspect Is Held At Clarendon

CLARENDON, Texas, Jan. 22. (AP)—Identified as one of the bandits who June 23 robbed the Doney county state bank of \$7,500 and escaped after locking four officials of the institution in the vault, James Edward Aston today was ordered held without bond for the grand jury, which convenes March 23.

As Aston's preliminary hearings, held before Leon O. Lewis, justice of the peace, all four of the bank officials who were imprisoned in the vault identified the alleged bandit.

No trace of the second suspect has been found, it was said by Sheriff Pierce.

All of the dirt work at Central park is expected to be completed by Saturday, City Manager T. M. Gwin said yesterday.

Begin Movement On Import Curb

WASHINGTON, Jan. 22. (AP)—A movement was started in the senate today to put restrictions on the flow of foreign oil into this country.

Responding to the demands of the independent oil industry for protection, Senators of Shortridge, California, and Capper, of Kansas, both Republicans, introduced restrictive measures.

Chairman Johnson, of the senate commerce committee, to which the bills were referred, promised prompt consideration and advocated "any legitimate, possible remedy to relieve what I know is the very perilous situation of our oil industry."

To Oppose Baldwin Position On Board

ABILENE, Jan. 22. (AP)—Asserting that the appointment "will be intolerable to the people of West Texas," Charles E. Coombes, of Stamford, president of the West Texas Chamber of Commerce, tonight told the Morning News that a referendum will be asked among whether the WTCC shall protest confirmation of the appointment of Frank Baldwin, Waco editor, as a member of the state board of education.

DeBoe Theft Jury Without Verdict

LOS ANGELES, Jan. 22. (AP)—Ending twenty-five and one half hour deliberation, the jury considering the case of Daisy De Boe, told the court at 4:30 p.m., today it had been unable to reach a verdict.

Judge William Dora told the taleman to retire for further deliberation.

Meanwhile a crowded court room awaited patiently for the verdict. Surrounded constantly by friends, Miss De Boe, former secretary of "boy friend," remained in the court room near the witness chair where only a short time before she told her story about the actress and Hollywood.

Of the group none was outwardly less concerned with the possibilities of the verdict than Miss De Boe. She joked and laughed with friends, expressed her confidence in acquittal and posed good naturedly a score of times for the picture hunting camera men.

Spanish Students Riot In Madrid

MADRID, Jan. 22. (AP)—Students at the University of Madrid declared a strike today as a protest against the Brengier government, boycotted their classes and gathered to hear speakers who demanded establishment of a republic in Spain.

The monarchy was denounced at meetings in the University buildings and many professors joined 3,000 student members of the University Scholars' Federation in the strike. One of them asserted that since Spain had no constitution there was no reason for him to lecture his classes on political law.

Two Bandits Loot Loving State Bank

GRAHAM, Texas, Jan. 22. (AP)—Two bandits robbed the Loving State bank, 14 miles from here, of several hundred dollars today, and escaped after H. G. Millican, cashier fired at them. Millican's shot was fired.

Millican was alone when the men came in. They scooped up all the cash they could find in the money drawer and safe. An accurate check of the loss had not been completed.

E. W. Bissett, Skelly Oil company superintendent, left yesterday on a business trip to Oklahoma City.

L. E. Hanson of Wichita Falls, division superintendent of Continental wholesale stations, was in Pampa Thursday.

Justin Devine of Skellytown was in Pampa yesterday.

HOME IS FIRED

OYSTER BAY, N. Y., Jan. 22. (AP)—Fire broke out at Sagamore Hills, the home of former President Theodore Roosevelt at 8:30 o'clock tonight. The Oyster Bay fire department was summoned. Mrs. Roosevelt was at home when flames were discovered on the roof by a patrolman.

Pendleton Shows Some Improvement

Ace Pendleton, charged with robbing the First National bank in March, 1927, was hopeful this morning that he would soon be well enough to go to trial in 114th district court here on the charge. He declared that he felt better yesterday than he had in 10 days. He slept well, too, he reported.

The Ace believes that a change in medicine is responsible for his improved condition.

DANCER SUFFERS

THE HAGUE, Jan. 22. (AP)—Mrs. Anna Pavlova, famous Russian dancer who had been ill with influenza and pleurisy several days, died tonight.

Boy Scout Training Saves Life of Youth

SAFELY REACHED BEACHES

SAN ANGELO, Jan. 22. (AP)—A young boy named Jack Simmons, 15, star scout diver to the bottom of a ten-foot icy hole and pulled out a 3-year-old Harry Economidis who had been under the water five minutes.

Allie Woodridge, Eagle scout, and Simmons restored breath to the lad by scout methods. The scout's first aid course after two days of training had been the body's ability to float on the surface.

NEGRO ATTACKS YOUNG WOMAN

MOB FORMS TO SEARCH FOR BLACK ACCUSED BY WHITE GIRL

BROWNSVILLE, Texas, Jan. 22. (AP)—Seized as she knelt over her mother's grave, a young white girl was brutally attacked by a negro here this afternoon.

In a hysterical condition, the girl went to a nearby house and tried to talk to its Mexican inhabitants, but because of her strange actions she was at first refused admission. Later she was taken to her home in an exclusive residential section, and officers were notified.

A hundred armed officers and private citizens quickly threw a cordon about the city, blocking all roads, and began a man hunt. Feeling ran high, and crowds gathered around the police station and in other places.

Officers said they believed the negro would be caught, because of the few outlets from Brownsville and the small negro population. The man was described as of large stature, and having a disfigured nose.

SELL CAR?

NEA Washington Bureau
With increased Democratic strength impelling Speaker Nicholas Longworth's position, the question of future ownership of the automobile which the government furnishes to the presiding officer of the house has long been a favorite joke among Republican and Democratic congressmen. QUINN WILL BE BURIED TODAY

LUBBOCK STORES ARE TO CLOSE WHILE FUNERAL HELD

LUBBOCK, Jan. 22. (AP)—Funeral services for L. Herbert Quinn, publisher of the Avalanche-Journal newspapers, will be conducted at the First Presbyterian church here at 2:30 o'clock Friday afternoon. Rev. Jack Lewis will officiate. Burial will be at Terre Haute, Ind.

The 32-year-old publisher's fiancée, Miss Frances Bagot, and her brother, Walter Bagot of Anderson, Ind., will be among out-of-town persons attending the rites. Members of the Avalanche-Journal staff will attend in a body. The bier will be borne by Mr. Quinn's fellow workers.

Virtually all retail stores will be closed from 2:30 to 3:30 p.m. at request of the Retail Merchants Association. Unusual homage will be paid in the closing of the postoffice during that hour, which was announced tonight by Postmaster John L. Vaughan.

Mr. Quinn's body was found face downward on a Yeakum county ranch late Tuesday afternoon. He had become lost after leaving the sand-stalled automobile of his companions, Mr. and Mrs. Charles A. Guy, to obtain aid. Mr. Guy is editor of the Avalanche-Journal publications here.

THE WEATHER

OKLAHOMA: Fair Friday; Saturday, partly cloudy, not much change in temperature.

EAST TEXAS: Partly cloudy, warmer in east portion Friday; becoming partly cloudy. Light southerly winds on the coast, becoming variable.

WEST TEXAS: Generally fair Friday and Saturday, not much change in temperature.

'KID' PARTY IS GAY EVENT FOR FRIENDSHIP CLASS

Trips Near And Far Made By LeFors Residents During Last Few Days

SOCI AND HAIR- AND CHECKED APRONS ARE WORN AT EVENT THURSDAY

STICKS OF CANDY AND APPLES SERVED AS REFRESHMENTS

Frooked in bright socks, hair-ribbons, and checked aprons, members of the Friendship class, First Methodist church, gathered at the church Thursday afternoon for an hour of fun.

The event took the form of a "kid" party, with drop-the-handkerchief and other informal games as diversions. Each member also was required to perform for the group, reciting, playing the piano or singing.

Following a business meeting, for which Mrs. Jerry Beckler presided, apples and stick candy were served to "all good little girls."

Those attending, listed with their given names were as follows: Mai Boston, Atha Beavers, Clara Ann DuVal, Irene Chisum, Jessie Senter, Jennie Siegel, Modell Ferguson, Foyde Spangler, Nell Harris, Kate Lovelady, Mary L. Jones, Edna Doolittle, Gertrude Barber, Pauline Hodges, Mary Bablone, Lydia Kidwell, Desile Cook, Martha Price, Lucille Hurst, Ariana Albert, Eunice Pierson, Pattie Morris, Mary Lou Sawyer (guest), Nina Vicars, Susie Murray, Gwendolyn Powers, Cora Lee Anderson, Fern Goldstein, Beatrice Foster, Ninetta Farrington, Addie Lackey, Annie Thompson, Alyce Lively Minnie Goldston, Elisabeth Haynes, Mary Helen Boston, Minnie Moss, Maudie Smith, and Katherine Wilkerson.

PROGRAM IS GIVEN AT METHODIST MEETING

Forty-five women gathered for a program and business session Wednesday afternoon at the church. The opening devotional, read by Mrs. W. Purviance, was taken from the eighth chapter of Corinthians.

During the business session, the Rev. Tom W. Brabham gave a talk on social service and outlined plans of the church body for the coming year.

Mrs. Purviance then announced the organization of circles to be held next Wednesday afternoon, and named the following temporary chairmen in whose homes the circles will meet: Circle 1, Mrs. H. F. Barnhart; Circle 2, Mrs. Edwin Vicars; Circle 3, Mrs. George Waldstad; Circle 4, Mrs. Joe Smith.

Mothers Attend Chapel Program

Several mothers were special guests during the chapel period at Woodrow Wilson school Tuesday.

Oil Paintings Made By Woodrow Wilson Group

Their mothers are delighted. Sixteen fourth and fifth grade pupils at Woodrow Wilson school who are studying art under Mrs. M. A. Craft have made three lovely oil paintings.

OUT-OF-TOWN GUESTS WILL ATTEND BANQUET

Among out-of-town guests who will attend the A. A. U. W. and College club banquet tonight are Mrs. Harry Garber of Rudolph, Ohio, who is visiting her daughter, Mrs. Paul Kasapke, and Mrs. J. H. Cheatham of Eastland, who is visiting Mrs. Lynn Boyd.

The banquet, which will take the form of "A Night at the Black Lantern," will be one of the largest given by the organization this year. The function will be strictly informal. There will be no place cards in order that guests may select their own places at the tables, and gay hats, confetti and other merry-making devices will be provided.

With a different costume for each number, Miss Maribel Cooper, charming dancer formerly of Washington, D. C., and now of Amarillo, will present the following numbers: a pirate dance, a novelty dance, and interpretative number, an old-fashioned number, and a Dutch dance.

Between courses, a dancer in costume, whose identity will be revealed at the close of the function, will entertain.

Program Given At Church Meet Of Wednesday

Mrs. Walter Wanner was in charge of a program given members of the Presbyterian auxiliary meeting in the home of Mrs. V. E. Fathere Wednesday afternoon with Mrs. C. H. Todd as joint hostess. The opening devotional was led by Mrs. Jim White, president.

The program opened with a talk, "Stop this Landslide Against Prohibition," by Mrs. A. A. Hyde, and Mrs. I. E. Kullman followed with a discussion of "Religion in the United States."

Other talks included the following: "Finding the Sick Indians," Mrs. F. P. McKimling; "Negroes," Mrs. D. W. Canfield; "The Eskimo," Mrs. Dick Walker; "The Mountain Legend," Mrs. Roy Vaughn; "The Mormon's Belief," Mrs. Newton Dilley; "Orientals in America," Mrs. Walter Warner.

Following the program, a social period was enjoyed, during which refreshments were served to 22 members and the following visitors: Mrs. Richard Shields, Mrs. Sneed, Mrs. Ferris Vaughn, Mrs. Newton Dilley, Mrs. H. F. Pepper, Mrs. Sam McCullough, and Mrs. Nelson.

THIRD GRADE PUPILS PRESENT CHAPEL HERE

Third grade pupils under the direction of their teachers, Miss DeLores Vinson and Miss Turitha Henry, presented the program at Baker school Wednesday afternoon at 2 o'clock.

The following numbers were given: reading, "Where the Spunk Weed Grows," Norma Mae Cook; play, "Epanonidas," Miss Henry's room; reading, "Animal Crackers," Glenn Day; play, "Animals and the Mirror," Miss Vincent's room; reading, "Johnny's Appetite," Maxine Jones.

The number of horses and mules in Montana decreased from 400,454 in 1929 to 362,661 in 1930, largely because of increased use of power machinery on farms.

SOCIAL VISITS IN MAJORITY DURING WEEK

BUSINESS INTERESTS AND ILLNESS CALL OTHERS AWAY

Many business trips have been made by LeFors folk during the past few days. While social visits have been in the majority, short business trips also have been made, and a few have gone to other points for their health.

Mr. Jack Williams, oil contractor of Bristow, Oklahoma, spent Tuesday night in LeFors. Mr. Williams is looking over some oil leases in the western part of Wheeler county.

W. E. James and Jim Darnell of Alameda, were in LeFors Wednesday evening.

Mr. and Mrs. C. C. Fish and family left Wednesday evening for Tulsa, Okla., to spend the rest of the week visiting with relatives.

Prof. H. C. Robertson of Alameda was transacting business in LeFors Monday evening.

Mr. and Mrs. C. C. Wafford and family had at their dinner guests last Sunday, Mr. and Mrs. Miller, Mrs. Gordon Nall, and Doris Fish.

Sherman White, county attorney, was in LeFors Monday night looking after county interests.

Mrs. Miriam Wilson and Mrs. Ralph Ogden were visiting in McLean Friday.

E. O. Vanwinkle and R. S. Jones were in Amarillo Monday taking treatment for their eyes.

Mrs. E. Bacchus, Mrs. E. O. Vanwinkle and Mrs. Neely were shopping in Paden Monday.

Mrs. Gordon Nall is spending this week in Shamrock with her mother, who is sick and in the hospital.

Mr. and Mrs. Raymond Ward of Los Vegas, New Mexico, are visiting Mr. and Mrs. D. E. Davis.

Mrs. Lewis's father and mother of Ponca City, Okla., returned to their home after visiting here several weeks.

Bill Beavers, D. Willis, M. E. Monson were in Clayton, New Mexico, Saturday on business.

Mrs. W. C. Breining was shopping in Pampa Thursday.

George Trout transacted business

Social Calendar

FRIDAY

All mothers having children in the first or second grades of Horace Mann school are asked to attend a meeting at the school at 2:30 o'clock. A Mothers' club is to be organized.

"A Night at the Black Lantern," annual Founders day banquet, will be given by the American Association of University Women and the College club at 8 p. m. in the banquet hall of the Schneider hotel.

Order of the Eastern Star will hold an initiatory service at 7:30 o'clock at the Masonic hall Friday.

T. E. L. class, First Baptist church, will hold a business and social meeting in the classroom at the church at 2:30 p. m. Friday.

Pampa Little Theatre will hold an evening meeting in the clubroom of the city hall.

SATURDAY

The Gray county council of Parent-Teacher associations will meet at 2 p. m. in Laketon.

HOOVER TO BROADCAST

WASHINGTON, Jan. 22 (AP)—President Hoover, as president of the American Red Cross, today accepted an invitation to participate in the special drought relief program arranged by the Red Cross and the National Broadcasting company to be broadcast tonight from 8 to 9 o'clock (CST).

"Uncle Dave" Faulk, veteran Oklahoma legislator, put on a necktie to mark the opening of the 1931 session, but discarded it next day.

In Borger Thursday, Mr. and Mrs. R. K. Hext, H. C. Duncan and Mrs. J. E. Anderson left for Hot Springs, New Mexico, Friday. Mr. Hext went there for his health.

Mr. and Mrs. T. H. Byrd were in Amarillo Sunday.

Emmet Sinclair left this week for Oklahoma City.

Mrs. Sikes received word of the death of her son, Maurice Franklin, at Fort Baird, New Mexico, Saturday.

Little Joyce Turner Is 'Hit' Over Radio

"Had the name not been announced I'd have thought it was Mitz Green."

That was the sentiment expressed in a telegram received at the Pampa radio station Wednesday evening.

The artist? None other than Joyce Turner, little daughter of Mrs. Helen Turner of this city.

Indebtedness of Montana counties has been reduced \$10,000, or about 40 per cent, since 1923.

Public schools in Montana received more than 43 per cent of the total property tax collections of 1930.

PAMPA GROUP ATTENDS BORGER OES MEETING

The following Pampa people attended an initiation meeting held by the order of the Eastern Star in Borger Tuesday evening: Mrs. W. D. Ripley, Mrs. J. A. Coolbaugh, Mrs. Murphy, Mrs. Paul Gray, Mrs. W. C. de Cordova, Mr. and Mrs. J. H. Lutz, Mrs. I. E. Kullman, Mrs. O. L. Beatty, Mr. and Mrs. M. H. Downs, Mrs. Hogsatt, Mrs. S. A. Burns, Mrs. E. B. Broughton, Mrs. O. K. Gaylor, Mrs. Roy Sewell, Mr. and Mrs. T. H. Barnard, and Mr. and Mrs. L. C. Gomillion.

Members of the Stinnett chapter also were in attendance. Mrs. Pauline Hash of Stinnett, deputy matron, and Mrs. W. D. Ripley of Pampa, grand examiner, were special guests for the occasion.

Refreshments were served to 150 persons.

Mrs. Hesse's Room Is Winner of Award

The room taught by Mrs. John Hesse at Sa mHouston school will be given one-fourth holiday today as a reward for having the best attendance record for the last six weeks.

Public schools in Montana received more than 43 per cent of the total property tax collections of 1930.

MRS. S. F. THORNTON IS NAMED DELEGATE

Meeting in the home of Mrs. E. A. Palmer Wednesday afternoon, members of the Episcopal auxiliary elected Mrs. S. F. Thornton as their representative at the 21st annual convocation to be held in San Angelo Jan. 25, 26 and 27.

Mrs. William M. Craven gave the scripture reading for the afternoon and plans were furthered for the Valentine tea which will be held Feb. 14 in the home of Mrs. C. P. Buckler.

Members present were Mrs. W. M. Craven, Mrs. C. P. Buckler, Mrs. E. H. Hamlett, Mrs. M. K. Brown, Mrs. S. G. Surratt, Mrs. J. L. Peake, Mrs. C. M. Merrivether, Mrs. F. M. Perry, Mrs. Newton C. Smith, Mrs. J. E. Morgan, Mrs. Don Wakeman, Mrs. S. F. Thornton, and the hostess, who was assisted in entertaining by her daughter, Mrs. Subetkin. Special guests were Mrs. George, Mrs. Jenkins, and Mrs. Hickey.

Refreshments were served during a social half hour.

A pueblo containing 500 rooms is now included in the Aztec ruins national monument in New Mexico.

Piles Go Quick

Without Salves or Cutting Thousands of Pile sufferers have learned that quick and permanent relief can only be accomplished with an internal medicine. Neither salves or cutting remove the cause. Bad circulation of the blood in the lower bowel causes piles. The veins are flabby, the bowel walls weak, the parts almost dead. To cure Piles an internal medicine must be used to stimulate the circulation and strengthen the affected parts.

Dr. J. S. Leonard was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for 1000 patients with the marvelous record of success in 99 cases, and then decided every Pile sufferer should be able to get HEM-ROID from their own druggist with a rigid money-back guarantee.

Dr. Leonard's prescription has a wonderful record of success right in this city and Father's Drug Company invites every Pile sufferer to try HEM-ROID and guarantee to refund the purchase price if it does not end all Pile misery. No. 3

Pampa Daily News-Post

FOR GINGER'S SAKE

BEGIN HERE TODAY
Life in the little town of Red Thrush, Iowa, was too unexciting to suit GINGER ELLA TOLLIVER.

After that, every afternoon at 4:30 and again at 5 o'clock, Iry northeast corner of the square to Ford's old taxicab stood at the northeast corner of the square to convey to Mill Rush aspirants for evening labor.

He carried forward by GINGER Ella right at the start by asking, and following her advice in regard to rates, she deciding after careful consideration that 25 cents each way or 40 cents the round trip would be about right.

Day after day the fascinating work of rehabilitation went merrily on as soon as the rooms were in fairly habitable condition.

Cars that had been relegated principally to the graveyard of old motels years before, were towed out, oiled up a bit and forced back into noisy service.

expensive ingredients that the sale price was prohibitive—the only market being the financially handicapped juniors—and cheap cookies and plain cakes were adopted as a substitute.

Ginger's early training stood her in good stead. She had a recipe for a particularly good and inexpensive brand of fruit-cookies, one which had been a prime favorite with the Tollivers in the frugal old parsonage days.

By a strict mathematical process she figured out that these cookies if made up in large quantities on the gas stove at Doorndee—with Goody cutting the raisins—cost exactly one and one-half cents each.

On a balmy morning during the first week of May she was so engaged. Goody, at her direction, was chopping raisins by the pound.

Ginger was carefully measuring ingredients into the mixing-bowl. There was a smudge of flour upon her flushed face, a streak of it across the red handkerchief that bound her brow.

DALHART QUINNET DEFEATS PAMPA HARVESTERS 39-11

TRINIDAD IS NEXT TUSSLE FOR PAMPA 5

DALHART IN LEAD ALL WAY THROUGH GAME THURSDAY

Dalhart, Jan. 22. (Special)—The Pampa Harvesters, using ten men led by the Dalhart cagers here this afternoon who rang up a 39 to 11 victory over the visitors.

Dalhart gained the lead from the start and led all the way through the tussle. At the end of the first quarter the tally stood 10 to 1 for Dalhart. In the second period the Pampa five held Dalhart slightly and gained three points for themselves. The score then stood 18 to 4.

During the final half of the game, Pampa staged a rally to garner seven points but the Dalhart crew went into a scoring spree and ran its count up to 39 when the game ended.

Both coaches viewed the game as a practice one and both sides substituted freely to allow all the men to stay in shape.

Coach Mitchell of Pampa said he wanted his men in good shape for the game with Trinidad Friday. He said the long trip today, the small court and low ceiling handicapped the Pampa team in the game today.

Langhorne was Dalhart's high point man with 14 to his credit. Yarberry, also of Dalhart, was second with 12 points. Saulsbury and Ayres topped the scoring men on Pampa's quintet.

CLINGMAN-WATKINS WIN MAT CONTESTS IN DOUBLE-HEADER

Ex-sailors, according to results of last night's wrestling matches at the Pla-Mor, are superior to other forms of the genus homo.

Or perhaps more accurately, they are superior to some forms of the genus who come this way. At any rate, Tex Watkins had his fun for a few minutes with Jack O'Hara then beat him easily, and in the finale Otis Clingman won two falls out of three from bar ex-marine, Jack Edwards.

Watkins' victory was obvious from the start, but Clingman's was not. Tex won his two straight falls in 8 and 7 minutes with a toe hold and arm stretch, respectively. He once more demonstrated he is one of the roughest and toughest gent's who come this way.

The Edwards-Clingman match was disappointing in that it did not turn out to be a grueling bout that had been expected. The former marines' chummy nature was evident, which had Clingman in deepest trouble repeatedly, and the latter suddenly used a rolling or drop toe hold to take the first fall in 12 minutes.

Edwards won the second flip in 10 minutes. He tied out of bounds, he caught Clingman in a split, hurled him around a bit with arm holds, then airpinned him and pinned him with a reverse body hold.

They came back for the third period and Clingman grabbed a headlock. He slammed Edwards three times gave him a few air turns free of charge, dashed him to the canvas, and it was all over in less than a minute.

Both Clingman and Edwards looked somewhat taut. They were almost twins as to build and the match did not last long enough to show what Edwards could do if he should wipe off that dirt and settle down to work. Clingman's holds, as usual were very punishing.

HITCHCOCK HEADS POLO RATING LIST

NEW YORK, Jan. 22. (AP)—With Tommy Hitchcock, the world's only 10-goal player, once again heading the list, the United States Polo association, today officially recognized the brilliant international play of Winston Guinness of New York and Eric Pedley of Los Angeles as announcing the 1931 handicap ratings.

The two internationalists, who teamed with Hitchcock and Earle A. S. Hopping in the defeat of England in the international cup series last September, were rated from an eight to nine goal rating. Hitchcock, considered the perfect polo player, was left at 10 goals while Hopping continued to hold an eight-goal rating.

The bid of Cecil Smith and H. W. (Rube) Williams, the two Texans, for a position on the international quartet was recognized by raising of their handicap rating one goal each. Smith's rating was boosted from seven to eight goals and Williams was made a seven-goal player.

MURRAY OPPOSES BOXING OKLAHOMA CITY, Jan. 22. (AP)—Gov. W. H. Murray objects to "legislating pugilism," he said today in announcing his intention to veto a boxing commission bill introduced in the house if the bill reaches his desk.

E. J. Cofline of Amarillo, Continental Oil company auditor, was in Pampa Tuesday.

The county commissioners will have their next regular meeting tomorrow morning.

BILLIARD TOURNAMENT TO OPEN IN NEW YORK

NEW YORK, Jan. 22. (AP)—An international 18.2-bankline billiard tournament, bringing together four of the world's leading players, will open at the Strand Billiard academy February 23 under the auspices of the federation of billiard players.

The field will be made up of Will Hays and Walter Cochrane of the United States, Eric Hagenucher, Germany, and Matsuyama, the diminutive Japanese cue artist. All except Matsuyama are former titleholders. Each player will meet his three opponents twice in a 400-point game.

Jacob Sphaer II, present holder of the title, was invited to compete but did not enter.

CAMPBELL TO TRY AUTO ON BEACH SANDS

BRITISH RACING CAR ACE TO ATTEMPT SPEED RECORD

By FOSTER HAILEY Associated Press Sports Writer NEW YORK, Jan. 22. (AP)—Captain Malcolm Campbell, soft-spoken British racing driver, and his slim, streamlined machine, named for a bird but more powerful than a thousand horses, arrived in the United States today for an assault on the world's automobile speed record.

Some time after Feb. 1, Captain Campbell will hurl his Blue Bullet along the sands of Daytona Beach, Fla., with a speed he hopes will take him over a measured mile in less than 15 seconds.

The 1,450 horsepower harnessed in the motor of his Blue Bird must carry him past the mile markers twice at that speed if he is to break the record of 231 miles an hour set on the same course in 1929 by the late Sir Henry Segrave, fellow Englishman.

Will he do it? Captain Campbell himself would not say today on his arrival on the liner Homeric.

"I really don't know what my machine will do," he said. "I've had no opportunity to test it. The margin is so small that no one can say they are going to break a record. The difference between Sir Henry's record of 231 miles an hour and 240 is only two fifths of a second. That's not very much, you know. No, I wouldn't want to say what my Blue Bird will do."

And then he added: "My tires are tested for 300 miles an hour."

Captain Campbell was asked if he didn't hesitate some times because of the danger involved; he had just said Mrs. Campbell had not accompanied him because she "didn't feel quite up to it."

"I've seen it in front of me many times," he answered, his face grave. "I'm a fatalist. You never go before your time. If my time is up I'm ready to go, there's no use groaning."

Captain Campbell has been driving one kind or another of a racing machine since 1905 when he won his first gold medal in a motorcycle race in England. He built an airplane and flew it in 1909. During the war he was in the Royal Flying Corps. He is the only man living who has driven an automobile faster than 200 miles an hour. The others—Segrave, Keech, Leckhart—already have gone to the racing driver's Valhalla, gone as Captain Campbell would like to go when his time comes, in full flight, the tingle of great speed in their veins, the whine of an open-throated engine in their ears. He is 46 and probably the oldest of the front rank drivers.

Plans for the Seventh Annual Texas Relay Games to be held at Austin March 27, took on a business-like appearance here this week when invitations to attend were mailed to 88 universities, 99 colleges, 59 junior colleges, and some 900 high schools.

The invitations went to practically every part of the United States, announcing both the Texas games and the Rice Relays, which will be resumed this spring after a lapse of three years while Southern Methodist University sponsored the event.

The Rice Relays are set for March 28, the day following the games at Texas.

For the last two seasons the south western games, which are the first major outdoor sporting event of their kind each spring, have drawn upwards of 1,000 of the best athletes in the nation, and this year officials at both Rice and Texas have started early in an effort to boost the attendance record even above this figure. Ideal weather conditions that cannot be found in the north and east early in the year have made the meets popular with teams from these sections.

SOUTHERN METHODIST CAGERS LEADING SOUTHWESTERN LOOP WITH THREE STRAIGHT WINS

TEXAS CHRISTIANS ARE SECOND WITH TWO VICTORIES

By GAYLE TALBOT, Jr. Associated Press Sports Writer DALLAS, Jan. 22. (AP)—Thanks to the sensational goaling of their two marksmen, Rhea Williams and Jake Reynolds, and superb guarding by Bill Skeeters and Etis McLaughlin, the Southern Methodist Mustangs find themselves pacing the Southwest Conference basketball pack at the race swings into the January stretch.

By turning back the Baylor Bears 47 to 37, here Tuesday night, the Ponies marked up their third straight victory and went a step ahead of the Texas Christian Horned Frogs, who have recorded two wins in as many starts. They were the only undefeated units in the chase, four of the remaining five having received at least two setbacks.

Just how long the Methodists will outpace the impending "big" series at Fort Worth between the unbeaten Horned Frogs and the University of Arkansas Razorbacks, five-time champions, they clash tomorrow and Saturday nights in the Frog Field House, with the title perhaps hanging on the result.

Should the Christians stop the Ozarkians both nights, as they are favored to do by a majority of critics, they will take over the pinnacle and become even heavier favorites for the crown.

Due to the crucial nature of the series, the two tiffs at Fort Worth are expected to attract the biggest crowd of the season. Texas fans, long accustomed to seeing their teams trampled by the tall Arkansas, relish the prospect of watching them to an about-face.

By the manner in which they polished off Baylor here in the only conference tilt played so far this week, the Southern Methodist cagers left no doubt of their status in the race. The consensus was that the Mustangs would finish no worse than second, and there were numbers of critics ready to give them an even chance against T. C. U. The Mustangs will be idle until February 2, when they meet the Frogs here.

Williams, Methodist forward, took over the individual scoring leadership with 55 points in three games when he tossed 14 against Baylor. Jake Reynolds, center, scored 31 against the Bears to run his total to 52 and occupy second place. Of 53 field goals credited to the Mustangs so far, Williams and Reynolds have accounted for 43.

Reynolds was an all-state center for Athens high school three years ago, but Williams was "discovered" by Coach Jimmy St. Clair while playing intramural basketball early last season. They make a wicked pair.

The long passing game used in such success by Southern Methodist on the football field has been transplanted to the basketball court with almost startling effect. The Mustangs repeatedly whiz the ball the length of the court, catching opposing guards off balance and giving Reynolds or Williams perfect "set-ups" for baskets.

Two contests apparently minor import complete the week's conference schedule. Baylor and Texas, rather definitely out of the race, meet Saturday night at Austin. The Texas Aggies, who got off to a promising start by splitting with Arkansas last week at Fayetteville, entertain the lowly Rice Owls at College Station.

S. M. U. 3 0 1,000
Texas C. U. 2 0 1,009
Arkansas 4 2 667
Texas A. & M. 1 1 500
Texas 1 3 250
Rice 1 4 290
Baylor 0 2 200

ed that this year there will be a slight change in the relay program, calling for some of the high schools events to be run off in the morning and leaving most of the afternoon for competition between universities, colleges and junior colleges. Formerly the games began at 1 o'clock in the afternoon, and although several events were run off at the same time by utilizing both sides of the oval track for short distance events, the last competition was completed in near-darkness.

In the meantime, Coach Clyde Littlefield is giving his track aspirants at Texas a short vacation, while they spend all of their spare time in study for semester examinations which begin January 26. Hard work will be resumed after the first of next month, and weekly inter-squad competition will begin February 6.

Frog farming clubs have been organized in Hawaii by the department of agriculture to supply the demand for frog legs.

There were 85,199 dairy cows in Montana in 1930, a slight increase over the number for 1929.

GRAINWAGONS TO MEET FACULTY BASKETEERS

Pampa's Grainwagons will meet the Panhandle faculty team on the local court at 8:30 o'clock tomorrow night, following the last game of the girls tournament.

The absence of Coach Mitchell, who left Thursday with nine Harvesters on a tour into Colorado, may have the effect of reducing the big scores the Grainwagons have a habit of making.

Starting lineup of the Grainwagons will be: Kelley, center, Weathered and Workman, guards, Selby and Sore forwards.

The Grainwagons are attempting to schedule games with Mobeetle, LeFors, Amarillo and Miami independents.

SMITH-BARRON LEAD PROS IN TOURNAMENT

LOS ANGELES, Jan. 22. (AP)—Horton Smith, New York professional, and Herman Barron, professional of Port Chester, N. Y., topped the qualifiers in the motion picture industries \$4,000 match play golf tournament here today with aggregating 140 for 36 holes.

Smith had a 67-73-140 and Barron a 69-71-140. Behind the two came Abe Espinosa, Chicago professional, with 74-66-142. One stroke behind Espinosa was Eddie Loos, also from Chicago with 71-72-143.

Among the 83 starters who failed to win places in the list of 32 who qualified for the match play beginning tomorrow were Charles Lacey, New York, with a 154, Wifry Cox, Brooklyn, 154, and Leo Diegel, Arpa Caliente, Mexico, pro, with 151.

A box supper will be given at Merten school.

PORKERS ARE RATED UNDER DOGS IN TILT

WILL PLAY FROGS IN TWO-GAME SERIES THIS WEEK

FORT WORTH, Jan. 22. (Special)—For the first time in many moons, an Arkansas basketball quintet is invading Fort Worth as the underdogs for a two-game basketball series. By virtue of the splitting a dual with Texas, Rice and A. & M., the five-time champions are practically out of the running to repeat as the best in the conference.

In the Frog series, the Bassetmen will be fighting to win from a Schmidt-coached team and to stay in the first division of the percentage column.

The entire Frog squad is intact and ready both physically and mentally for the Razorbacks. In diet, the Frogs have one of the most remarkable sophomore tip-off men that the conference has ever seen. In Summer, Coach Schmidt has a highly polished and finished product that would be a credit to any team in the nation. Roberson, the other probable starting forward, has been a good ball hustler and floorman for three years, but has had a weakness at the basket. In his last two appearances he has shown a world of improvement and has been playing a remarkable game.

Capt. Atkins will start at one guard position. Green, a veteran and Brannon, a sophomore, are still

GORILLAS DEFEAT HOPKINS CAGERS

Continuing their winning stride the Gorillas defeated the Hopkins basketball team here Tuesday night, 19 to 11. The Hopkins team will probably return here at 4 o'clock Saturday for other games with the Nubbins and the Gorillas.

Starting lineup for the Gorillas: Woodward and Heard, forwards; Max Marbough, center; Stout and Kitchen, guards. Substitutes: Blanton, center; Weedman, guard; Taylor and Adair, forwards.

The Arkansas scoring attack is centered around Kenny Holt, 6-foot 4-inch center, and Capt. Pickens, who is one inch over the 6 foot mark. In Sexton, the Razorbacks have probably the best guard in the conference. Although tabled as a guard, he plays forward after the tip-off, which probably accounts for his being so far ahead of the other guards in the conference in scoring.

Murphy a sophomore at the other guard, both of whom are remarkable cagers, complete the Razorbacks probable starting five. Jelke, a forward, and Gibson, a guard are Basset's most capable reserves.

Although the men from the Ozarks made an unsuccessful middle west barnstorming tour during the holidays and got off to a bad start in the conference race, the Arkansas mentor thinks he has lightened up the loose cogs and now has a well oiled and smoothly functioning quintet to put on the floor against the Frogs.

The gross farm value of all crops in Minnesota on Dec. 1, 1930, was \$233,263,000, compared with \$320,551,000 in 1929, according to the state statistician.

It is estimated 5,000 men have been kept on St. Louis payrolls this winter through employers' cooperation with relief agencies.

COLLEGE STUDENT IS AGAINST GOLF WINNER

ST. AUGUSTINE, Fla., Jan. 22. (AP)—Carl Dann, Jr., youthful Rollins college student and medalist, shot par golf today to defeat Eddie Conner, Philadelphia, and 3 in the first round of the Florida East Coast Golf tournament here. He left his classes at Winter Park yesterday to enter the classic.

H. A. Henderson, St. Augustine, finalist in the tournament last year, eliminated W. F. Souder, Charlottesville, Va., 3 and 2, while E. T. MacGovern, club champion from Great Barrington, Mass., nosed out W. T. Gundelfinger, Pittsburgh, 2 and 1.

Dann meets Henderson tomorrow in the quarter finals.

THE CORN SUGAR RULING

Secretary of Agriculture Hyde's recent ruling that it is no longer necessary to indicate on the labels of food products the fact that they have been sweetened with corn sugar, instead of with cane sugar, has provoked an unusual amount of comment.

The secretary defends this action as an aid to agriculture. It will increase the consumption of corn sugar enormously, he asserts, and will thereby be a great boon to the farmers of the corn belt.

On the other hand, there have been charges that the ruling weakens the whole food and drugs act, and goes contrary to its spirit by refusing to give the purchaser the chance to know exactly what ingredients go into his food.

A recent editorial in the Journal of the American Medical Association is of considerable interest, presenting as it does the viewpoint of medical science on the matter. It is worth quoting from here.

"Legislation and the administration of laws," says the editorial, "are usually years behind scientific progress in their application to human life."

"However, if such a decision should in any way undermine the purpose of the food and drugs act, if it should encourage sophistication and adulteration of food without reasonable declaration, so that the purchaser may be suitably warned, the gain will be more than offset by the loss."

And that seems to sum it up very well. The corn sugar ruling in itself seems fair enough; but care must be taken that it does not lead to a relaxation of the operation of the food and drugs act in other lines.

FIFTH WEEK JURORS IN COURT ANNOUNCED

Jurors for the fifth week of the January term of the 114th district court, who are to appear at 10 o'clock on the morning of February 2.

IN CONGRESS

By The Associated Press President Hoover's disapproval of a Senate commission's proposed revision of eighteenth amendment interpreted by Senator Fess of Ohio as not closing White House door to suggestions for modification.

GROUP COMPLIMENTED IN BRASHEARS HOME

BRIGHTER OIL OUTLOOK SEEN FOR INDUSTRY

WRITERS DECLARES IT IS BEST SINCE 3 YEARS AGO

By BENNETT WOLFE (Associated Press Staff Writer) TULSA, Okla., Jan. 22. (AP)—Statistics offered the petroleum industry a note of encouragement today.

Both figures are well under the amount at which H. J. Struth, economist for the Oil Weekly, places the daily average demand for 1931. His estimate of the demand is 2,577,000 barrels.

Economists for the Mid-Continent Oil and Gas association described the industry's statistical position as a "decided improvement" over the conditions a year ago.

A note of caution was available from E. B. Reiser, president of the American Petroleum Institute. He warned that the battle is not ended and that vigilance must be maintained if supply is to be held in balance with consumption.

The efforts of the crude oil producers to reduce the output to a demand basis have been followed by an attempt on the part of refiners to curtail the manufacture of gasoline so that stocks will not exceed 40,000,000 barrels on April 1, when consumption of the motor fuel is expected to begin its annual upward swing.

WILL ROGERS, HAWKS LAND IN ARKANSAS TO BEGIN RELIEF TOUR

LITTLE ROCK, Ark., Jan. 22. (AP) Will Rogers, cowboy humorist, and Captain Frank Hawks, speed flier, flew here from Washington this afternoon on an aerial errand of mercy into Arkansas, where last summer's sun left barren acres and empty barns for the winter.

The unique vaudeville team made the hop from Washington in about nine and a half hours. They made a stop at Sky Harbor, Tenn., to refuel.

Malakoff Bank Is Looted By Robbers MALAKOFF, Texas, Jan. 22. (AP)—Robbers entered the First National bank here last night, looting the safe of approximately \$3,000.

England developed the toll road idea to place cost of construction and maintenance upon the traffic. The system, spread to this country, has been gradually abandoned because of its well known disadvantages.

Several Mid-Continent oil men have expressed the belief the present level of crude oil production is at or near the bottom of the downward trend and that a gradual upward movement is at hand.

A different view of proration as practiced in Oklahoma was expressed by Harry P. Sinclair, chairman of the board of the Sinclair Consolidated Oil Corporation, following his arrival here last night for an indefinite stay.

"I do not believe that it is within the proper function of our laws to pro-rate this state into a condition of helplessness to meet competition, to ruin properties representing millions of investment and to lose millions of barrels of oil. This is not conservation. It is industrial suicide."

Six Bandits Rob Train Passengers BELLEFONTAINE, Ohio, Jan. 22. (AP)—Every community in this section was on watch tonight for trace of six bandits who shot one passenger and robbed five others on a Big Four pullman car as the train sped between Carey, Ohio, and here early today.

2,000 ROOMS IN PAMPA need repainting and new wallpaper. If only half of them were done it would give one hundred painters at least ten days work.
