TAKE NO SLEEP

Airplane Motor Is Set up to Fan Path for Taking of Explosives to Mouth of Roaring Producer.

GLADEWATER, May 1. (P)— Mounted Texas Rangers today took charge of forces patrolling the area adjacent to the flaming Sinclair No. 1 Cole oil well, four miles from Gladewater. M. M. and Harry Kinley, Oklahoma nitroglycerin experts, prepared to use explosives in an effort to extinguish the burning well which had been seething since the explosion and fire Tuesday which resulted in the deaths of eight men.

Rangers M. T. "Lone Wolf" Genaullas and Goss were in charge of the officers who sought to keep everyone excepting employees of the Sinclair company and newspaper men away from the lands surrounding the burning geyser. They were assigned to the work at the request of Sinclair company officials.

Wesley G. Gih, executive in charge of Sinclair East Texas operations, said the Rangers were asked for merely as a safety measure and he wanted it understood there was no desire to "hide anything from the public."

Cost Is Large Glenn Harroun, Sinclair official in charge of production, whose brother Bill perished in the fire, his body never being recovered, said the Kinley brothers were not likely to place the explosive before tomorrow morning.

Glenn estimated the cost to his company of extinguishing the fire would be \$50,000, exclusive of the loss of oil consumed. He said that would be computed later, after the fire was out and the production gauged.

Harroun said he felt certain that not less than 1,500 barrels of oil hourly were feeding the flames. The Kinley brothers have just returned from Rumania, where they went at the call of the Rumanian government in an effort to extinguish an oil and gas fire that had been raging three years, covering nearly three acres. They said the excessive area covered by the Rumanian oil fire made it practically impossible to extinguish the blaze with explosives.

GLADEWATER, May 1. (P)— Preparations went forward today for snuffing out the flaming Sinclair No. 1 Cole, which took eight lives when it caught fire Tuesday night. It was thought possible M. M. and Harry Kinley, nitroglycerin experts from Tulsa, Okla., might be able to drop their explosives sometime today.

J. M. Cleveland, foreman, headed a crew of 50 men with numerous mule teams and tractors yesterday in clearing away debris and iron work from the neighborhood of the burning well. An airplane motor was set up to fan a path for the Kinleys when the time came, and water was pumped into a basin about the well to lower the temperature as much as possible.

Cleveland and his men worked all night in trained unison like a circus crew and today the task of "dressing" the well was almost completed. The airplane motor, a giant Wright whirlwind, was mounted on a truck, the scaffolding holding it in place having been built of ten-by-ten timbers. It was meant to sweep the flames away from the Kinley brothers as they take the explosive to the throat of the roaring monster, thus putting an end to one of the deadliest and most spectacular oil field fires with which they have dealt.

Burns 60 Hours The water line on Prairie creek, half a mile distant, was complete and pumps were in place. Everything was done as speedily as possible to end the waste of oil. The well had been burning more than 60 hours. The eight men who perished were laboring in an effort to bring it under control when the fire broke out.

MRS. JONES IN MORE TROUBLE

Returns to Find Her House in Other Hands—Charge Is Dismissed.

Yesterday, a few hours after she arrived back from Kansas City, where she spent the winter, Mrs. Maude Jones was in what she described as "deep trouble, not of my own making."

Officers, armed with a complaint charging her with using abusive language toward B. V. Miller and disturbing the peace and dignity of the state, sought her several hours. After hours of questioning and explanation, the charge against her was dismissed.

Mrs. Jones told officers and officials of the Welfare Board that she was nervous and worried about losing her house and consequently talked rather loudly. She denied that she made any threats or used any abusive language.

"How can I be calm?" she demanded of the police and welfare workers. "I was as nervous as a pig last night. Why I had a little quilt out at the house and I kicked it full of holes before morning I was so nervous!"

The trouble was, officers learned, that Mrs. Jones returned to Pampa from Kansas City and found herself dispossessed of her house and furniture. It seems she had paid for half of the lot and allowed other payments to lapse. Mrs. Jones declares she will move the house off the lot, that it belongs to her.

Mrs. Jones made her first appearance in court here last fall when her renter had her arrested and placed in jail. He charged she threatened his life. At that time she explained that she built the house herself out of odd bits of lumber and other building materials which local citizens and lumber yards donated. She declared the walls were papered with newspapers, an inch thick.

Mrs. Jones found that the Welfare Board had established headquarters in the city hall since she left. She immediately called upon the board for supplies.

Memphis Golfers Coming Sunday

Thirty members of the Memphis Country club will invade Pampa Sunday to play an 18-hole return match with members of the Pampa Country club. It was announced last night. The Pampa golfers lost a one-point decision to Memphis two weeks ago.

Several members of the Memphis club will be here Saturday to play the local course which has the reputation of being one of the toughest in the country.

Unharmed when allowed to return home, he showed no bad effects from the experience. Members of his family deny that a ransom of \$100,000 was paid.

TWO CONVICTS PLAY GUARD

Insane Men at Lima, Ohio, Strangle Officer and One Makes Escape.

LIMA, Ohio, May 1. (P)— Two insane convicts of the Lima hospital for the criminal insane attacked and strangled to death Louis Kiel, 48, a guard, early today and attempted to escape.

One of the convicts, Samuel Nelson, 19, a negro, eluded the guards and escaped, but the other, John Powell, 24, white, of Columbus, was captured as he attempted to leave the institution.

According to other guards, the insane prisoners seized Guard Kiel while he was making his rounds of the ward and forced him into a lavatory where they strangled him to death with their hands.

Hearing the commotion, the other guards rushed into the ward room and saw Powell attempting to get through a window. They succeeded in dragging him back into the room, but Nelson had disappeared when they reached the hospital grounds.

Dr. W. H. Vorkub, superintendent of the hospital, who immediately started an investigation and search for the missing prisoner, said officers while at present 40 men are held there. He declared housing conditions at the institution were "impossible."

DALLAS MAN HELD TODAY

John Bowen Charged With Forgery of Witness Fee Certificates.

DALLAS, May 1. (P)— John Bowen, Dallas investment and loan man, today was arrested by Sheriff Colby White of Travis county on nine warrants in connection with indictments returned late yesterday by the Travis county grand jury involving forgery of witness fee certificates in Dallas county by which the state allegedly lost between \$50,000 and \$200,000.

Charges for Bowen's arrest were issued late yesterday in district court at Austin, immediately after the grand jury had returned the indictments against the Dallas investment and loan man.

An investigation of the witness fee forgeries in Dallas county resulted in the filing of charges against F. Porter Barnes, former district clerk, who shot himself to death in a summer home at Winona lake, near Tyler, after an officer had served him with a warrant for his arrest.

An injunction subsequently was obtained restraining a bank at Winona and another at Dallas to prevent any money or property comprising Barnes' estate being disposed of pending settlement of the witness fee certificate investigation.

Bowen was arrested as he walked into his office which he has maintained for many years in a small drug store near the courthouse.

He immediately communicated with attorneys who said they would arrange bond for him in the nine cases late today.

Sheriff White said the indictments were returned by the grand jury in 98th district court at Austin late yesterday after Attorney General James V. Alfred, Assistant Attorney General Elbert Hooper, State Auditor Moore Lynn and other witnesses had appeared before the jury.

This announcement was made today by the Music week committee. It has been reported that the two artists would give a joint concert at Amarillo Tuesday night and one in Pampa Wednesday night. It was made known today that music lovers of Amarillo wanted to engage the artists for Tuesday night in that city. The duo may appear in recital in Amarillo after Wednesday night but not before.

Mrs. Rickel will arrive here Monday. In private life she is the wife of a wealthy grain broker of Salina. She has appeared on leading concert stages of the United States.

McIntyre and Vest Want Vindication in Grand Jury Action

Roy Vest and A. T. McIntyre declared in a statement issued today through their attorneys, Stimpert and Wolfe, that they wanted to remain in jail until the grand jury had exonerated them from blame for the death of Vest's young wife here last Sunday night.

Both are charged with murder. "We want the grand jury to make a full investigation, and we are taking no legal steps to obtain release from jail until we are cleared of this terrible and utterly false charge," they said.

McIntyre who issued the statement said "The public has been led to believe that my friend Vest is not only a criminal but heartless. He is neither. Since the death of his wife he has been heart-broken, and the charges that were heaped upon him produced double agony and grief. He is human and he loved his wife."

JUDGE FINES WIFE SHENANDOAH, Ia., May 1. (P)— It cost Judge Frederick Pletcher money to see his wife in court yesterday, \$4.39 to be exact.

Denver Asks Rail Help

NO DELAY IS SEEN IF AID IS ADVANCED

But Construction Might Not Be Begun at Once Without Cooperation of Towns on 110-Mile Route.

UP TO CITIZENS

Value of Starting Work in 1931 Regarded as Huge; B. C. D. Will Investigate How to Meet Situation.

Reasonable assistance in obtaining right-of-way for the proposed line of the Fort Worth and Denver railroad from Childress to Pampa is expected from the five towns along the route by the railway company, it was made known at a meeting of the B. C. D. directors last night.

Belief that the towns of Pampa, LeFors, Shamrock, Wellington, and Childress should give the necessary aid, if construction of the road this summer depended upon it, was expressed by B. C. D. members.

The Denver is anxious and willing to begin laying of the line, and recently made a proposal to organizations in the towns to help them in obtaining right-of-way. Gen. John A. Hulen, vice-president of the Denver, when he was here Tuesday, said that if the towns did not help in securing right-of-way, construction of the road would probably be delayed. He made it clear that the Burlington company of Chicago, which controls the Denver, wants financial cooperation from the towns in securing right-of-way and terminal facilities in order to go ahead with construction of the road.

Can Start at Once It was emphasized that building of the line would begin this summer, almost immediately, if this cooperation materialized, but that only with this necessary assistance would the Burlington permit the Denver to go ahead.

The attitude of the B. C. D. is that construction of the road this year will be worth much more to Pampa than if work is started next year. The board feels that the five towns should cooperate and show a determination to assist in every way possible. However, no definite conclusion was reached last night.

A committee is now being appointed to investigate the community. It was agreed that the importance of starting the road this year is immense. It was made clear that the Burlington had not received an inch from its firm conviction that the line would be a good investment, nor from its decision to build at any cost.

Attitude Is Defined The Burlington's attitude is that present economic conditions do not justify the large investment this year unless the towns can give assistance. The Burlington Railway company is firmly convinced that the road should and will be eventually built, but that construction should be delayed unless the help asked for is given. Denver officials have worked hard to obtain permission to begin building the road this year, and they are anxious to begin construction at once.

The B. C. D. recognized the difficulty of the situation at the meeting last night, but immediately decided that reasonable assistance should be given because the value of starting the road this year. It was pointed out that, of course, final decision would be left to the citizens of the community.

WILL REFUSE CUT IN WAGE OF \$2 DAILY

Thirty Construction Jobs Are at Standstill—Work Will Be Resumed Monday, Assert Contractors.

THREAT IS MADE

Open Shop May Be Restored to If New Scale Is Refused; Unions Call Proposal "Lockout" in Reality.

HOUSTON, May 1. (P)— Workers numbering about 800 under the estimate of union officials walked off their jobs here today, refusing to accept a \$2 per day reduction in wages for skilled workers put into effect this morning by the Associated General Contractors, affiliated with the Houston Builders' exchange.

The construction jobs of 25 or 30 local contractors, all members of the association, were at a standstill pending settlement of the differences between organized labor and the Associated General Contractors.

Open Shop Threatened Some of the contractors had threatened to go "open shop" if the workers did not accept the reduction. Leaders of organized labor declared they would fight to a finish for their old wage scale.

Don Hall, member of the Associated General Contractors, said he had eight jobs virtually halted by the walkout of approximately 100 of his skilled workers. Common laborers were continuing on the job, he added.

Hall's two largest jobs involve some \$630,000. "The strike is general," he said. "All skilled workers employed on the jobs of contractors belonging to the association have walked out. The contractors have cut wages \$2 per day in all the crafts."

To Start Work Monday Asked when work will be resumed, Hall replied: "We are going to work very shortly. If the unions don't accept the reduction, we'll have to go open shop. I expect to start my jobs Monday."

I. P. Saunders, president of the Houston Building Trades Council, the central union body for building workers, said it was "a pinch nobody none of those who walked out will work at the reduced rates." He termed the affair a "lockout" rather than a strike, since it was precipitated by a wage reduction.

F. O. Thompson, secretary-manager of the Houston Builders' Exchange, said: "I don't know anything about a strike." Asked if he knew of the \$2 wage reduction, he replied: "No, not a thing."

CLEBURNE MAN IS FOUND DEAD

CLEBURNE, May 1. (P)— John D. Morgan, wealthy Crockett business man, was found dead here this morning in his room at a hotel. Officers investigating the case said a box containing poison tablets was found in the room.

A state ranger sent here took Morgan into custody last night on a warrant issued in connection with purported shortages in state warrants. Morgan was permitted to spend the night at the hotel and when the ranger called for him he was dead.

The purported state irregularities involved about \$60,000 in state witness fees warrants in Houston and Henderson counties.

Morgan was president of the David Crockett Motor Bus company at Crockett and was the owner of large business interests there. He formerly was Crockett's district clerk.

Morgan was arrested at Glen Rose, where he had gone to see a business friend. The ranger who arrested him, C. O. Martin, said he did not search him except to be sure he did not have a pistol. He said, during the investigation conducted by the Johnson county officers, that he was a friend of Morgan's.

Latest Statistics About Aviation Illustrate Fine Growth of Industry

Quietly, excepting for adverse publicity when an occasional accident occurs, the aviation industry is making steady progress toward its ultimate domination of fast transportation.

Back in 1903, Orville Wright made the first flight at a speed of 30 miles per hour. By 1929 Pilot Orlebar of England had reached the astonishing pace of 357 miles per hour. Recently the retractable landing and tail gears have enabled the figure to be boosted to more than that.

Of the 150,000 miles of scheduled air transport routes of the world, 50,000 miles are traversed by planes under the American flag. More than 12,000 persons pay fares and travel on the regular air lines in the United States every day. The average length of their trips is 250 miles. More than 11,000 commercial planes are being operated, with 5,000 of them in the hands of private owners.

Aviation subject are taught in five hundred public schools. Students learn that in 1908 the altitude record was 361 feet, while in 1930 it had mounted to 43,166 feet. Night flying reached 7,534,000 miles last year, or five times the amount of night flying in Europe. A total of 15,280 persons hold pilots' licenses from the bureau of aeronautics, and of that number 385 are women. The army, navy, and marine aviation corps report they flew 59,000,000 miles last year.

Flying is increasing and fares are decreasing in price. The average price is 7 cents per mile. Among the 550 aerial service operators in the United States, 287 do air-taxi, sightseeing, and special delivery, 174 do aerial advertising, 6 are engaged in crop-dusting, 146 do exhibition flying, 100 do mapping and surveying from the air, and 298 give flying instruction.

Flying is becoming safe. There are 500,000 flights for every airplane accident, however trivial. With 20,000,000 miles of scheduled flying operations in the United States for the 8 months prior to March 1, last, only 4 passengers were killed. At that rate, a person flying 20,000 miles a year in regularly scheduled air transport planes might be killed at the end of the 250th year.

The air mail is a big stimulus to the industry. Mail planes carry care aviation letters every 24 hours. Newspapers, to the number of fifth, have planes for reporting or circulation service.

The world is getting smaller every day. Daily transport service has cut the time for crossing the continent to 29 hours. Texas has 49 municipal airports, 17 commercial airports, and a large number of undeveloped landing fields. Aviation's future is secure.

MAD MARRIAGE

by LAURA LOU BROOKMAN Author of HEART HUNGRY, etc.

Gypsy McBride, 19-year-old New York girl, marries Jim Wallace the day after she meets him at the home of her wealthy cousin, Anne Trowbridge. Gypsy had been jilted by Alan Crosby, just returned from a year and a half in Paris studying art, and Wallace's fiancée had broken their engagement to marry a wealthier man. There is no romance in the union.

Jim and Gypsy go to Forest City where Jim has a thriving law practice. His relatives, particularly Aunt Ellen, who has kept house for him, are hostile to Gypsy. They snub her. Aunt Ellen moves to a cottage of her own. Alan Crosby writes to Gypsy but she returns the letter unopened. Marc's Loring, Jim's former fiancée, marries Brock Phillips, millionaire's son. Months have passed and now comes the news that Brock Phillips has been killed in a fall from a horse. Then one night Jim announces that Marcia has come back to Forest City.

NOW GO ON WITH THE STORY CHAPTER XXXIII.

Gypsy's face showed her surprise. "You mean she's here?"

Jim nodded. "She's at Aunt Ellen's. Came today. Aunt Ellen telephoned just before I started home. She said Marcia's in bad shape and needs a rest."

"There was a moment's pause. "Of course," Gypsy began, "after

such a shock—

"Yes, I guess she's worn out. Philip's family wanted her to come east. Aunt Ellen said, but Marcia thought Forest City would be quieter and more restful. There really wasn't any place else for her to go. Her mother's in Italy—rented their Long Island place before she left—and Marcia wouldn't hear to having her come back now. Aunt Ellen and Marcia's mother used to be friends" (See STORY, Page 8)

MRS. W. R. CAMPBELL HOSTESS AT BREAKFAST FOR MESDAMES H. H. HICKS, C. T. HUNKAPILLAR

Mrs. C. T. Hunkapillar and Mrs. H. H. Hicks, since their election to the presidency and secretaryship, respectively, of the Seventh district, Texas Federation of Women's clubs, have been the recipients of several social courtesies. Another honor came this morning when Mrs. W. R. Campbell entertained with a May day breakfast in the Schneider hotel dining room.

The breakfast was served from one long table centered with a May-pole in pastel shades and adorned further with flowers, butterflies, and candles.

Two local singers, Mrs. W. A. Bratton, accompanied at the piano by Mrs. Tom E. Rose, and Mrs. A. H. Deurette, accompanied by Mrs. Tom W. Bratton, entertained with a musical program, and Mrs. Raymond Harrah, reader, also entertained the group.

Short talks were made by the guests of honor.

Those attending were Mesdames W. A. Bratton, F. M. Oulberson, A. H. Doucette, H. H. Hicks, I. B. Hunsley, Paul Kasstke, H. D. Lewis, Porter Malone, E. W. Mitchell, T. E. Rose, A. R. Sawyer, Otto Stöder, J. D. Sugg, H. G. Twiford, Edwin S. Vicars, Raymond Harrah, C. T. Hunkapillar, W. Purviance, G. C. Walstad, B. E. Finley, John Andrews, W. J. Smith, Tom W. Bratton, and Lee Harrah.

CHILDREN OF CITY ARE TO BE EXAMINED

By MISS BESS KILLOUGH School Health Supervisor.

A healthy child is approximately average in weight, with due consideration for the size of his bony structure, and he gains in weight steadily each month; he carries himself erect, holding in his abdomen and pressing his neck back against where a rear collar button might be; he feels well and can eat, sleep, and learn well; he breathes freely and sleeps with the mouth shut and without snoring; his skin is free from blemishes, from pallor, puffiness, or circles under the eyes; his teeth are clean and free from cavities; he is not conscious of his eyes and is able to hear a whisper across a fair-sized room. The child who is physically fit is free from coughs and pain in the chest and has no occasion to be aware of his digestion; he has no leg aches or nervous twitchings and can hold a glass of water steadily at arm's length. Like a well-cared-for automobile, his engine runs smoothly, quietly, efficiently.

Is your child 100 per cent free from remedial defects, or will a slight correction make him a healthier and happier child, better able to compete with the best in his room at school? If your child is entering school for the first time next year, bring him to the pre-school clinic next week at the Methodist church and have him examined free of charge. Those children to enter the primary grade at Merien will be examined Monday; Woodrow Wilson, Tuesday; Sam Houston, Wednesday; Baker, Thursday; Horace Mann, Friday.

MRS. OATS IS CLUB HOSTESS TO 'OUR GANG'

Two guests, Mrs. A. Hoffin and Mrs. Lance Dyer, and 10 members attended a meeting of Our Gang Bridge club Thursday afternoon at the home of Mrs. B. B. Oats.

At the close of several games of bridge, Mrs. F. C. Fischer and Mrs. B. L. Moore were favored for high and low scores, respectively, and refreshments were served.

A reporter for a Springfield, Mo., newspaper, discovered J. C. Penney, noted merchant magnate, as the latter was clerking in the Penney store in that city.

LOCAL COUPLE IS TO MARRY THIS EVENING

With the Rev. C. E. Lancaster, pastor of the First Baptist church officiating, Dr. T. J. Worrell, city health officer, and Miss Gussie Elrod will be married this evening at 7 o'clock in their future home, 317 E. Browning.

Friends of the couple have arranged a reception to be held immediately following the reading of the marriage vows. A lovely wedding cake will be cut and other refreshments served.

Later in the evening the couple will leave for a visit of several days to points of interest in West Texas and New Mexico. Dr. Worrell will have been a resident of Pampa for three years next June and has been connected with the city during the entire time. He was born in Missouri, but moved to Crosbyton, Texas, at the age of 16. Miss Elrod, since moving to Pampa a year ago from Valley Mills, has been residing with her sister, Mrs. Don Alcord.

JOLLY 12 CLUB IS FAVORED IN CHRISTY HOME

Mr. and Mrs. J. L. Nance and Mr. and Mrs. J. H. Lutz were winners of high and low score, respectively, when Mr. and Mrs. J. G. Christy entertained Wednesday evening for members of the Jolly 12 Bridge club. Lovely refreshments were served to those mentioned above and to Mr. and Mrs. W. C. Mitchell, Mr. and Mrs. Clem Davis, and Mr. and Mrs. J. H. Hulme.

MRS. LUNSFORD IS HOSTESS AT SURPRISE EVENT

Mrs. R. E. Stonestier, who is leaving tomorrow to make her home in Longview, was complimented with a surprise party yesterday by Mrs. Cecil Lunsford.

The entertainment hour was spent in games, and Mrs. Stonestier was presented with a Bible as a parting gift.

Refreshments were served to Mesdames L. H. Anderson, V. Darnell, Margaret Langford, H. C. Chandler, T. M. Gilliam, W. B. Barton, G. C. Stark, Ray R. Hunsley, O. J. McAlister, A. W. Mann, E. L. Billingsley, J. M. White, O. L. Healy, A. B. Evans, W. B. Davis, D. L. Lunsford, Cecil Lunsford, Miss Mary Burks, Miss Kate Anderson, and Miss Rita Holmes.

Henry Ford refuses to consider or condone wage reduction in his own plants or in more than 5,000 other factories that supply Ford material and parts.

COLORFUL AFFAIR IS GIVEN BY MRS. HARRAH, WHO IS HOSTESS ALSO AT GAY BIRTHDAY EVENT

Mrs. H. G. Twiford, who, with her family, is leaving Saturday for her picturesque ranch home in Wyoming to spend the summer, was complimented yesterday afternoon with a Japanese party in the home of Mrs. Raymond Harrah.

Bridge was the diversion for the afternoon, and Mrs. Twiford was given Japanese utility bowls as a parting gift.

Typical Japanese food was served at refreshment time, with umbrellas as favors.

The guest list follows: Mesdames Edwin S. Vicars, Floyd McConnell, A. H. Doucette, W. A. Bratton, Paul Kasstke, Mel Davis, J. H. Kelley, W. T. Fraser, Tom E. Rose, A. E. Goldstein, L. N. McCullough, J. M. McDonald, J. M. Dodson, Porter Malone, L. B. Hughes, E. B. Emerson, Mary R. Ikard, Arthur Swanson, W. E. Coffee, J. D. Sugg, G. C. Walstad, Otto Stöder, W. J. Smith, C. T. Hunkapillar, Clarence Barrett, Julian Barrett, H. W. Mitchell, H. J. Neely, and Miss Dorothy Pollard.

Hostess Also Gives Birthday Function

Another party was given by Mrs. Harrah on Wednesday when she entertained in honor of Mrs. F. L. Elliott on the latter's birthday. This event will long be remembered by the honoree by means of cup towels on which are embroidered the names of guests. A shower of other gifts also was presented Mrs. Elliott.

Mrs. C. S. Wortman, Mrs. J. M. Dodson, Mrs. Lynn Boyd, and Mrs. A. H. Doucette, vocalists, furnished a pleasing musical program for the afternoon. Mrs. Tom W. Bratton accompanied them at the piano.

As Mrs. Doucette sang "In the Heart of a Rose," little Raymond Harrah Jr. entered the room with a large rose, carrying in his heart the shower of gifts.

Guests then were invited into the dining room for refreshments. Mrs. R. W. Mitchell poured tea, and a lovely birthday cake was cut.

Those attending were the honoree and Mesdames W. R. Campbell, R. W. Mitchell, R. E. Johnson, Jack Mason, O. H. Booth, Tom Rose, Jim White, J. M. Dodson, G. C. Dodd, C. S. Wortman, Lynn Boyd, Phillip Wolf, A. H. Doucette and Tom Bratton.

John Hopkins Dies Of Long Illness

John R. Hopkins, 21 years old, son of a pioneer Gray county family, died yesterday afternoon at 2:30 o'clock at the Hendricks-Law sanitarium, El Paso. He was the son of Mrs. Maggie Hopkins and the late J. A. Hopkins. Mr. Hopkins had been ill for several months.

Mr. Hopkins was born at the Hopkins ranch 14 miles south of Pampa where his parents lived since coming to the county. The late Mr. Hopkins came to Gray county in 1866. In 1894 he married and settled on the ranch which bears his name.

John Hopkins attended Pampa

schools and later Terrell Military college. Mrs. Hopkins was with him at the time of his death. Siler Hopkins, a brother, was unaware of his brother's death last night. He was at one of his ranches in the southwest part of the county and could not be reached.

The body will be taken to Clarendon for burial in the family plot where Mr. Hopkins is buried.

Besides his mother he is survived by four sisters, Mrs. Roger McConnell, and Mrs. Ralph Glascock of Pampa, Mrs. Fwing Williams of Perryton, and Mrs. Carl Adams of Clarendon; also two brothers, Siler and James, Jr., both at home.

Dr. C. P. Callison spoke to Pampa Lions yesterday on the subject of "Immunity."

No Jail Breaks Lately, and There Is Reason for It

The public may not have noticed it but there have been no attempts to break out of the Gray county jail in the last two months. Not since "Peavine" Simpson made his exit while the sheriff and his deputies were being photographed with the two men who confessed they robbed the Ainsford bank.

Sheriff Lon L. Blansett says it's not because the prisoners are any better, either. All prisoners average up about alike, the sheriff believes. The attitude of the officers and jailor toward the prisoners has a lot to do with jail-breaks, Sheriff Blansett thinks. Also the food the prisoners are given.

In 1930 there were 13 separate attempts to break out of the new jail from April until January. The steel walls were cut, slashed and unriveted.

The present jailor is Jimmie Olson, 21 years old. Jimmie used to be in the "ring business." That is he was a boxer. He is five feet and nine inches tall and weighs around 140 pounds, but let Deputy Warren Belcher tell you that Jimmie is like lightning when he gets into action. Moreover it appears that his 140 pounds are only bone and muscle. He is that active that he can jump flat-footed on top of a roll-top desk. That is over four feet high. The young jailor is quiet. He says little, and appears to be sleepy a lot of the time. But prisoners have learned not to judge by looks.

**TASTY CEREAL HELPS
STOP CONSTIPATION**

Did you know that you can overcome constipation by simply eating a delicious cereal each day? Read this enthusiastic letter from Mrs. Kiell:

"I have found Kellogg's ALL-BRAN a sure cure for constipation, and know it is a remarkable regulator for the stomach. After using it my family and I certainly will not be without it. I have even gone so far as to tell some of it to my mother in Poland, Europe." Mrs. Anna Kiell, 77 Wolcott Terrace, Newark, N. J.

How easy to prevent constipation by eating Kellogg's ALL-BRAN. Two tablespoons daily. In stubborn cases, serve with each meal. Do this, and banish pills and drugs from your life. Delicious with milk or cream, fruits or honey added. Cook into bran muffins, breads, omelets, etc. Kellogg's ALL-BRAN also adds needed iron to the diet. Made by Kellogg in Battle Creek.

OIL INTERESTS SOLD
OKLAHOMA CITY, May 1. (AP)—Sale of the Century Petroleum company's interests in properties of the Oklahoma City oil field to the Operators Royalty and Producing company of Tulsa was announced today by Roy S. Ram, president and organizer of Century. The consideration was not announced.

ESLICK'S WELL LARGE
LONGVIEW, May 1. (AP)—Revised estimates today placed potential production of the Eslick and Little No. 1 Nicholson well, three miles north and slightly east of the proven Lathrop pool, at 15,000 barrels daily.

RAIL WAGES CUT
HOUSTON, May 1. (AP)—The Chronicle says: "A reduction in working days for all general office and shop employees of the Southern Pacific lines was put into effect today."

FARMER IS ACQUITTED
HUNTSVILLE, May 1. (AP)—Dan Horton, Madison county farmer, was acquitted today by a jury of a murder charge. He was tried for the alleged poison slaying of his wife.

Hens eggs, now recorded on the Kansas City Mercantile Market at 12 cents a dozen, are the lowest they have been in the history of the Kansas City Exchange.

Gregg County Drilling to Show Large Increase

LONGVIEW, May 1. (AP)—Drilling activity in the Gregg county field, which heretofore has been confined to comparatively compact areas, will be broadened considerably during the next two weeks, according to a survey of recent operations started in the county.

A total of 36 new tests were announced the past week. These new tests were not confined to any one

portion of the county, but were scattered over the entire southern, central, western and northern portions.

This spreading out of activity in the new field is expected to be augmented by the production order issued by the railroad commission. Under the new order acreage is cut into 40-acre units and production is

allowed on acreage basis. This will tend to scatter the new wells, according to oil operators.

This organization thoroughly believes in the motto of doing one job and doing it well. Our one thought in business is selling foods. We choose the lines and brands of manufacturers and canners who bear the highest reputation. We believe that when a producer of foods thinks enough of his merchandise to tell you of its quality and merits through high-class national and local publications he is going to be very careful to protect his interests by putting quality in the package. Therefore, our policy is to let the manufacturer worry about the sale of his products. We will put it on the shelf, and you will determine by your selection whether or not we re-order. This week we are featuring Libby's and other nationally advertised brands at prices lower than you'd have to pay for inferior, special brands.

CLINGMAN IS AUDACIOUS IN CHANGING WEIGHT DIVISION TO MEET INVADING MAT MAN

King Elliott of Liverpool is Heavier and Has String of Recent Victories.

An Englishman, King Elliott of Liverpool, will match holds with Otis Clingman at the Majestic tonight in the first bout that the local man has had lately in the light heavyweight class. The Britisher recently wiped the slate at Dallas, where he was a prime favorite.

Clingman has been putting on a little weight recently and will not be at-much of a disadvantage. He has also been training hard and is in great condition. The Englishman will not find a baby faced middleweight opposing him as he expects.

Advance dope gives the Englisher the odds in the battle. The Dallas papers say he is a smooth working proposition who never wastes his

strength with unnecessary holds. His style of wrestling is different from any seen in this country, news dispatches say.

"New or old, that boy is going to get the surprise of his life tonight," Clingman said yesterday afternoon following his final work out before the match. "I am in great shape and all ready for that tea-drinking mauler from the 'jolly old island,'" sailor remarked.

The semi-main battle will bring Pampa and LeFors to the mat. Red Michaels, one of Clingman's understudies, will meet Wildcat Willis

from LeFors. The wildcat is one of the strong-man types and will be hard to handle.

The wildcat's brother, Young Warford, will meet Andy Gump in the preliminary. Andy is getting better all the time, at least at making faces like Dutch Mantel and others.

TYLER, May 1. (AP)—Fire starting in an oil stove today razed the Wideman building at Chandler, near Tyler, the loss exceeding \$10,000. The postoffice, a drug store, barber shop and meat market were housed in the building. The fire started in the barber shop where the stove had been left burning.

GANADO, May 1. (AP)—Funeral services were planned today for the oldest practicing physician in Texas, Dr. William H. Lancaster, 82. He had followed his profession in Jackson county for 55 years. He died yesterday of a heart attack as he was advising a patient.

EIGHT MEN IN TITLE ROLES AFTER BOUTS

Defending Champion of Heavy Class Wins Quickly in Fight Last Night.

NEW YORK, May 1. (AP)—Out of the milling crowd of 144 youngsters who started to fling leather Monday night, eight survivors were left today, each the proud possessor of a golden belt symbolizing the national amateur championship in his class.

Jack Pallet of Cleveland has two such trophies. The only champion of 1930 who defended his title this year, Pallet swept through the ranks of contending heavyweights to win his second championship with a final flourish. The husky Clevelander scored a technical knockout over Earl Sather of Minneapolis in a minute and 40 seconds of the final last night after defeating Homer Brandes of San Francisco in the semi-final.

Pallet's victory gave Cleveland two champions. Babe Triscano, chunky little flyweight, gained a decision over Eddie Cercose of Oakland, Calif., to win the 112-pound title. New York, holding its first national championship in 26 years, also had two winners. The other four championships were distributed among Boston, San Francisco, New Orleans, and Reno, Nev.

In addition to the two Clevelanders, the newly crowned champions are 118-pounds, Joseph Ferrate, 123-pounds, Anthony Scarpitti, New York; 135-pounds, Al Gomez, San Francisco; 147-pounds, Edward Flynn, New Orleans; 160-pounds, Frank Fullam, New York; and 175-pounds, Antone Poloni, Reno.

TENNIS MEN START PLAY WITH MEXICO

Shields, Allison, and Wood Expected to Win But With Difficulty.

MEXICO CITY, May 1. (AP)—The tennis journey that is expected to end in the Davis cup challenge round in France begins today as the United States faces Mexico in the first matches of the opening North American zone tie.

The youthful team of Frank X. Shields of New York, Wilmer Allison of Austin, Texas, and Sidney L. Wood, New York boy who is a student at the University of Arizona, is expected to come through the first matches, perhaps with some difficulty, and to go on to meet Canada in the zone final at Montreal, May 21, 22 and 23. The play-off from the north have been practicing here for several days and are reported to have become accustomed to the altitude.

Two singles matches are scheduled for the opening day. Shields meets Mexico's first ranking player, Alfonso Tapia, and Allison plays Alfonso Urdarraz. The general opinion here is that the Mexican players will put up good struggles against their stronger opponents but have little chance to win.

A one-day interval will follow the first matches. The concluding singles matches are scheduled for Tuesday, Allison playing Tapia and Shields meeting Urdarraz.

YESTERDAY'S STARS

By The Associated Press

Fred Fitzsimmons, Giants—Held back two hits and scored one run for 2 to 1 victory.

Pie Trajnor, Pirates—Made four singles in four times at bat, driving in three runs, to beat Cincinnati 8-3.

Bill Cissell, White Sox—Drove 73 winning run in eleventh inning for 10 to 9 victory over Browns.

Henry Johnson, Yankees—Stopped pitched Athletics with six hits and seven strikeouts to win, 7 to 2.

Johnny Frederick, Robins—Hit home run with two on base to help beat Phillies, 6-1.

Low Foresta, Indians—Had perfect day at bat against Tigers with two doubles and a single in three times up.

Four Women Golfers Will Fight for Pot of Gold at San Antonio

Associated Press Sports Writer.

SAN ANTONIO COUNTRY CLUB, San Antonio, May 1. (AP)—The gold of the end of a golden rainbow was within sight of four golfers today in the semi-finals of the fifteenth annual Texas Woman's Golf association state tournament here but from the four who started their championship treasure hunt today, only two will remain for the 36-hole climax tomorrow in which a new champion will be crowned.

Mrs. Ruth Hunter of Dallas, Mrs. R. E. Winger of Fort Worth, Mrs. F. C. Pharr of Texarkana, and Mrs. F. R. Fisk of Wichita Falls, emerged victorious yesterday in quarterfinal combats, and today Mrs. Hunter plays Mrs. Winger and Mrs. Pharr meets Mrs. Fisk.

Mrs. Ruth Hunter, in reality a San Antonio girl who is competing as a non-residence member from Cedar Crest Country club, Dallas, gave the gallery its biggest wallop yesterday when she staged a brilliant comeback on the homeward nine to defeat Mrs. F. C. Rochon of Wichita Falls one up.

In meeting Mrs. Winger today, Mrs. Hunter plays a Fort Worth star who has eliminated three Fort Worth golfers from the championship bracket. Mrs. Winger, playing her best golf of the tournament, gave her critics a jolt yesterday when she led by two strokes, 18 holes, over Mrs. Pharr and Mrs. Fisk. Mrs. Pharr, 1929 state champion, continued her determination to win this year's title when she stopped Mrs. F. C. Simpson, Dallas Country club champion, 5 and 4.

Mrs. Fisk, Wichita Falls champion, moved into the semi-finals by eliminating Mrs. C. O. Gillins of Fort Worth, 6 and 5. Mrs. Fisk, who plays a slow, steady game, finished the front nine two up, and on the back nine played even better to halt the match at the 13th green.

Championship play in several minor flights will be concluded today in order to clear the course for the 36 holes of championship golf Saturday.

COURT ROW PRELUDE FOR BIG BATTLE

Illinois Corporation Will Try To Restrict Carnera to Its Contract.

NEW YORK, May 1. (AP)—If there is anything to the "gag" that it takes a dozen injunctions to make one heavyweight championship fight, the two "title" bouts scheduled for this summer are off to a good start.

Whether to protect its interests in the championship struggle between Max Schmeling and Young Stribling, scheduled for Cleveland, July 3, or, as his rivals claimed, to get some publicity for the bout, the Madison Square Garden corporation of Illinois yesterday applied for an injunction restraining Primo Carnera from engaging Jack Sharkey at Ebbets field in June. The Sharkey-Carnera affair has not yet been officially named as a championship affair but it is considered likely that the winner will be recognized as champion or will make a strong claim for the title.

The Illinois corporation asks a permanent injunction restraining the huge Italian from engaging in a "major bout" before he meets the winner of the Schmeling-Stribling fight, claiming to hold a contract with Carnera which prohibits him from fighting before that time. It also asks that he be enjoined from entering into any bouts without the consent of the Illinois Garden, which, the petition says, he did not have when he signed to meet Sharkey.

James J. Johnston, leading figure in the Dodger Athletic club which is promoting the Ebbets field fight, said he did not believe the Garden authorities had a good claim on Carnera's services.

M'GRAW IS VERY PLEASSED WITH CHANGE

But St. Louis Browns Flop To Cellar—Yankees Beat Athletics, 7 to 2.

BY GAYLE TALBOT, JR. Associated Press Sports Writer.

Of the two principal "noble experiments" conducted by the big league foremen this year, one gives every promise of being a howling success. The other fast is proving a keen disappointment to its sponsor.

John McGraw appears to have made a wise move in shifting Freddie Lindstrom from third base to the outfield and posting the rookie Johnny Vergez at the warm corner. At least, the Giants were in third place in the National league today, the result of their third straight victory. Both Lindstrom and Vergez are clicking in their new positions.

Bill Killefer, on the other hand, has had no such luck with the "Pony" infield he installed this spring on St. Louis Browns. For a week the Browns went great, winning three of their first four, but since then they haven't done anything except lose seven straight ball games. Today found them resting at the bottom of the American league standing, having ousted even the Boston Red Sox.

The Chicago White Sox handed the Browns their latest jolt yesterday, 10 to 9, in 11 innings. The victory, Chicago's third straight, pushed the Sox into a tie with Detroit for fourth and fifth places.

So relieved were the Yankees to get out of Washington after dropping three to the Senators, that they drove Rube Walberg from the mound and beat the Athletics, 7 to 2, in their opener at Philadelphia. Henry Johnson held the champions.

INDIANS AND BUFFS MOVE UP SLIGHTLY

Houston Goes Into Tie for Fifth and Sixth Rungs With Galveston.

By The Associated Press

The Houston Buffaloes and the San Antonio Indians split a double-header and struck out seven of them.

Detroit hopped on Willis Huddlin for four runs in the first inning and got four more off Miller in the sixth to halt Cleveland's winning streak, 9 to 4.

Fred Fitzsimmons was almost the whole show as the Giants downed the Boston Braves, 2 to-1, at the Polo Grounds. The veteran right-hander held Boston to two singles, scored one Giant run and drove in the other. It was the first defeat of the year for Tom Zachary.

They finally fed one too many outpaws to the Brooklyn Robins. After having lost three games to the Phillies, the men of Robinson jumped Jumbo Jim Elliott for four runs in the early innings, drove him from the hill and defeated the Phillies, 6 to 1. Frederick hit a homer with two on in the third. Pittsburgh extended Cincinnati's losing streak to four straight. The score was 8 to 3.

Ohio Meet Now Holds Attention

Coming as it does as a climax to the 1931 relay season, the Ohio event has attracted all of the outstanding stars in the country.

Coming as it does as a climax to the 1931 relay season, the Ohio event has attracted all of the outstanding stars in the country. Last week they were split between Penn and Drake, but this week they meet here to settle the supremacy.

header yesterday to their mutual advantage and profit. Being second division teams, they both advanced a bit in the percentage column, the Bisons picking up a dozen points and the Indians 15.

The Buffs accordingly rose to a tie with Galveston for fifth and sixth places in the league, while remaining just half a game ahead of the San Antonio entry.

All the other contests were rained-out. In the opener yesterday, the Indians blew a 4-0 lead in the fifth and never got it back. In the final, Tom Estell mastered the visitors, giving them seven hits in the seven innings and only one run while his teammates were collecting seven runs.
