Oilers Win First Game In Clovis 12 To 10

Sam Malvica Knocks Pair Of Home Runs

With Sam Malvica nailing the attack with a pair of home runs, the Pampa Oilers last night won their first game of the season in Clovis, 12 to 10. Big Gordon Neil hit the Oiler's home with his 43rd four-ply wallop of the season.

Seven times previous to last night the Oilers played in Clovis and seven times they were on the short end of the score. But the story was different last night when Gus Halliburton and Art Verrengia combined to win the first game in Clovis although nicked for 13 base hits. Elliott and Poteet held the Oilers to 11 singles. Verrengia was the winning pitcher, Elliott the losing hurler.

The Oilers had to come from behind to win the ball game. Each team scored once in the first inning and then Clovis added four in the second. Neither team scored in the third and each added one in the fourth. Four Oilers in the fifth tied things up but Clovis went ahead in their half. It wasn't until the seventh that the Oilers established a lead, five runs crossing the plate.

By that time Art Verrengia had taken over the mound assignment for the Oilers. Clovis staged a three-run uprising off him in the eighth but fell short two runs of tying the score, the Oilers having added a run in the first half of the eighth. Jerry Jordan assisted Malvica and Neil in the hitting department with a triple and three singles. Adkins paced the Pioneer attack with a double and two singles while Wagner added two doubles in the 13-hit attack.

The Oilers are scheduled to play a doubleheader in Clovis today, one game this afternoon and the second game tonight. On tomorrow night and Sunday afternoon the Oilers

Grid Practice In 700 Texas Schools Begins

will be in Amarillo for games. Then they return home for a doubleheader Monday night with the Amarillo line to end the official season. Games Monday night will begin at 8 o'clock and each will be of 70-minute duration. Amarillo has been going like a champion aggregation in the past few weeks.

Other games played last night saw Amarillo drop Borger 17 to 15; Big Spring beat Lamesa 7 to 1; Lubbock drop Midland 7 to 4.

'Dutch' Leonard Wins His 16th Game Of Season

By HAROLD V. RATLIFF, Associated Press Staff.

They began tuning up today for the state's greatest sport extravaganza—the Texas Interscholastic League football campaign.

Practice started at more than 700 schools at the league inaugurated its new classification program whereby enrollment is the point considered in ranking the teams.

Scattering skirmishes are scheduled next week but the majority of the clubs swing into the playing grid the following week. Under a new Interscholastic League rule they could not begin fall practice before Sept. 1.

One hundred and one teams will play under the Class AA banner this year. This division is the one that goes through to a state championship, a crown many predict will be won again by Corpus Christi's Buccaneers.

There are 280 teams in the Class A division which decides regional championships and which boasts two outstanding record-holders in Wink and Hull-Dalsetta.

The Class B division has 252 teams and there are 101 in six-man football, which starts its second season in Texas.

Class B extends to bi-district championships and six-man football to district titles only.

Only one district in the top bracket will be divided this season, district 16 where Corpus Christi goes against Robstown and Kingsville, with the winner playing the champion of the lower bracket which takes in Edinburg, McAllen, Brownsville, San Benito and Harlingen.

The Oil Belt has been split up with Abilene, Big Spring, Lamesa, Odessa, San Angelo, and Sweetwater being placed in the original district and Breckenridge, Brownwood, Cisco, Mineral Wells, Ranger and Stephenville going into a district that plays in the lower bracket of the state.

Whenever the boys get around to guarding their gold palms this fall for meritorious service on baseball's firing line they would do well to start with a happy old warrior named Edml (Dutch) Leonard.

Pitching for the sixth-place Washington Senators in the American League, the 39-year-old knuckle-ball expert has out-trumped the aces of a lot of clubs that give their hurlers impressive assistance.

He held the Chicago White Sox to six hits last night to win his 16th game of the season, 4-3.

The Yankees were idle yet nevertheless added half a game to their lead as the nose-diving Boston Red Sox dropped another to Detroit, 11-4.

The Philadelphia Athletics took their third straight from the lowly St. Louis Browns, 4-2.

Rain again washed all the National League games except a doubleheader between the Pittsburgh Pirates and Philadelphia Phillies, which they gravously divided.

Max Baer, the big right-hander acquired by the Buccaneers recently from their tall-order, turned on by their teammates with a five-hit pitching chore which bettered Kirby Huges' six-hit job and won the first game 1-0. In the second contest the Phils unleashed a 1-hit attack on four Pirate pitchers to win 11-6.

All-Stars To Play Packers Monday Night

By FELIX R. McKNIGHT

DALLAS, Sept. 7 (AP)—Passes—long, short, shovel and flat zone—the ones that make Southwest grid machines respected, will clutter the Cotton Bowl come Monday night when the College All-Stars engage the professional Green Bay Packers for charity.

The only way to tag the Pros, insist Coaches Leo Meyer and Matty Bell and the feeling is they are eminently correct.

Two such air-minded fellows as Davey O'Brien and Billy Patterson aren't to be wasted, argue Meyer and Bell. Especially when such receivers as Bill Dewell of Southern Methodist, Dick Todd of Texas A. and M., Sam Boyd of Baylor and Johnny Hall of Texas Christian are lurking downfield.

The Southwest collegians have plastered top professional opposition in three previous Labor Day spectacles—7-6, 6-0, and 13-7—and they didn't do it butting heads with the mountainous professionals, wink Coaches Meyer and Bell.

Battle plans for the Collegians center around the constant appearance of either O'Brien or Patterson, ranked among the nation's best pass throwers last fall in senior appearances with Texas Christian and Baylor, respectively.

Wiry Dick Todd, now a member of the professional Washington Redskins and for three seasons the most feared broken fielder in the Southwest will be shaken loose on the receiving end of passes in an effort to get him past the line of scrimmage—usually all he needs to do is find scoring damage.

Boyd planned in from Chicago yesterday.

With him on the plane were I. B. Hale, T. C. U. tackle; Patterson, Ed Bock of Iowa State, a guard stand-out in Wednesday night's Chicago game; Pat Fay of Stanford, a halfback; Ed Johnke of Michigan, tackle and Jack McDonald, center, of Illinois.

Ki Aldrich, great TCU center, will arrive tomorrow.

O'Brien will arrive by plane Sunday.

The starting lineup was still indefinite.

The Packers, with Cecil Isbell, former Purdue star, doing the passing and Don Hutson, the old Alabama end, the catching, plan a sky raid all of their own.

SEEK THEIR THIRD VICTORY IN GRID DREAM GAME

DUTCH MEYER

MATTY BELL

The only coaches of College All-Stars in history to boast two victories over the powerful pros are Dutch Meyer of T. C. U. and Matty Bell of S. M. U. But they're not satisfied with stopping there. On Labor Day night in the big Cotton Bowl at Dallas, they hope to make it three straight for their combination and four in a row for the Dallas game, when they send a stellar band of 1938 college seniors against the mighty Green Bay Packers in this section's fourth annual football dream game. They've had a sizable squad in training for a week now, report all players in superb physical condition and they've voiced elation over the prospects of keeping their record clean this year despite the fact that they consider the Green Bay juggernaut the toughest pro squad they've ever faced. The largest crowd of the series is expected if weather conditions remain favorable.

Turn To Page 10 For Additional Sports

tacles—7-6, 6-0, and 13-7—and they didn't do it butting heads with the mountainous professionals, wink Coaches Meyer and Bell.

Battle plans for the Collegians center around the constant appearance of either O'Brien or Patterson, ranked among the nation's best pass throwers last fall in senior appearances with Texas Christian and Baylor, respectively.

Wiry Dick Todd, now a member of the professional Washington Redskins and for three seasons the most feared broken fielder in the Southwest will be shaken loose on the receiving end of passes in an effort to get him past the line of scrimmage—usually all he needs to do is find scoring damage.

Boyd planned in from Chicago yesterday.

With him on the plane were I. B. Hale, T. C. U. tackle; Patterson, Ed Bock of Iowa State, a guard stand-out in Wednesday night's Chicago game; Pat Fay of Stanford, a halfback; Ed Johnke of Michigan, tackle and Jack McDonald, center, of Illinois.

Ki Aldrich, great TCU center, will arrive tomorrow.

O'Brien will arrive by plane Sunday.

The starting lineup was still indefinite.

The Packers, with Cecil Isbell, former Purdue star, doing the passing and Don Hutson, the old Alabama end, the catching, plan a sky raid all of their own.

Borger Defeated In Softball Meet

HOUSTON, Sept. 7 (AP)—The state amateur softball tournament enters its second round tonight with the El Paso 7-Uppers, runners-up last year, and American Liberty Pipeliners of Kilgore, meeting in the feature games.

Other games send Brokenridge Hannion Oilers against Galveston's Moody club, Baytown Boosters against the Wichita Falls Merchants and Denton 1-Up against Texas Pipeliners.

Seale Service station of Houston was eliminated last night by Fort Worth Davis-Lydney 3-2; Austin forfeited to New York Oil Field Supply of Houston, Corsicans Dr. Pepper won a forfeit game over Graham and Abilene's West Texas Utilities, defending champions, beat Borger Jaycees, 3-1.

Kilgore Creeping Up On Henderson

By The Associated Press.

Henderson's Oilers, long-time leaders in the East Texas league race, cast more than a side glance in the direction of the Kilgore Boomers today.

The Boomers have moved within 3 1/2 games of the Oilers and during the past few weeks their losses have been far between.

Henderson at the present time is getting a lot of trouble from the seventh-place Longview White Sox who have taken two out of three. Last night the Sox won another one-run victory by beating the Oilers 5-4.

Meanwhile Kilgore was taking out Tyler, 6-4, Texarkana was trimming Jacksonville 9-8 and Palestine beat Marshall 13-6.

 (Only games scheduled).

With a total population of some 120,000,000, there are in the United States 118,000,000 insurance policies of all types, 42,000,000 savings accounts and 14,000,000 family-owned homes.

Gulf Coast Fishometer

By The Associated Press.

Tons of fish were caught by vacationers along the Texas Gulf coast during the past week, and the outlook for the week-end continued to be universally promising.

The report by areas:

Port Arthur—Fishing tops, everything biting everywhere. Big catches, daily. Junior Chamber of Commerce fishing festival starts Saturday.

Galveston—Fishing excellent except around beach front. Mackerel catches best of season. Kingfish biting offshore.

Freeport—Mackerel and trout caught in large quantities inshore. Kingfishing excellent on banks. Five jewfish caught from jetties.

Corpus Christi—Mackerel, tarpon and king biting on wholesale scale. Good weather in prospect. Port Aransas conditions excellent.

Dove Season To Last Until Nov. 1

Dove hunters in the Texas Panhandle and in North Texas began firing today and may continue to hunt until Nov. 1 from 7 a. m. to sunset, provided they kill only 15 birds daily and never have more than 15 in their possession at any time.

The federal government, which has power to regulate hunting of all migratory game birds, recently issued dove regulations that differ from the state regulations previously administered.

Texas has been divided into three dove hunting zones and the seasons are:

Zone 1, Panhandle and North Texas, Sept. 1 to Nov. 1.

Zone 2, West and Central Texas, Sept. 15 to Nov. 15.

Zone 3, Rio Grande Valley, Sept. 15 to Nov. 15, but hunting allowed only on Tuesdays, Thursdays, Saturdays, Sundays. Counties in this zone are Kleberg, Brooks, Kennedy, Jim Hogg, Starr, Willacy, Cameron Hidalgo.

The dividing line between Zones 1 and 2 takes in counties of and north of Yorkum, Terry, Lynn, Garza, Kent, Stonewall, Haskell, Young, Throckmorton, Jack, Wise, Parker, Tarrant, Johnson, Dallas, Kaufman, Rockwall, Hunt, Franklin, Hopkins, Delta and Pannett.

The new regulations will be of benefit to the birds and hunters as well. Recent studies conducted by the Biological Survey showed that many young doves were still in the nest in the first two weeks of September. By delaying the season two weeks these young will have become able to shift for themselves. The hunter is benefitted by a later season because the main migration of doves from the north does not reach Texas until October.

One other important regulation makes baiting and shooting doves illegal regardless of the distance between the bait and the hunter.

Pairings For Tournament Will Be Posted Tonight

Pairings for the first round of play in the Gray County Tennis tournament which will begin tomorrow morning here will be made and posted at Father's Drug by 8 o'clock tonight. Deadline for entering the tournament is 6 p. m.

Tournament headquarters will be at the courts at Woodrow Wilson school instead of at the Central park courts which will not be used, tournament officials announced today. All pairings and posting of results will be at the Woodrow Wilson courts.

The Central park courts have become unsuitable for play, officials said, therefore the Woodrow Wilson and Baker school courts and the new court at the Cabot offices will be used. Finals will be played on the Cabot court which has been loaned to the tournament committee.

Up to today 24 entries had been received in the men's singles event and 12 in the men's doubles. The number was expected to reach 30 players by deadline.

Women entries were not as great as anticipated but six or eight of the fair sex were expected to play and to join men in the mixed doubles.

First round of play in the men's singles and doubles must be completed by tomorrow night. Other brackets must be down to the semifinals by Sunday night.

Trophies will be awarded each

5 Texas League Teams Battle To Be In Playoff

By The Associated Press.

The Texas league race thinned down the stretch today with five teams waging a merry battle to decide Houston's company in the Shaughnessy play-off.

The Buffs are definitely "in," boasting a 13-game margin over fourth-place Fort Worth with only nine games left to play.

Five teams jockeyed for the other three positions with San Antonio, Dallas and Fort Worth holding the inside track.

The schedule ends a week from tomorrow and the play-off begins Sept. 10.

Tulsa's chances were given a jolt last night when the Oilers dropped a doubleheader to Houston 6-1 and

2-1. San Antonio took a 6-5 decision over Dallas.

Fort Worth nosed out Beaumont 9-7, with a four-run rally in the eighth.

Shreveport and Oklahoma City did not play.

Americans spent \$647,621,000 on postage in 1938.

CHILDREN SHOULD BE SEEN and not HURT!

In the typical American family of three children, the probability is that one will be killed or injured in an automobile accident before he has lived out his normal life span.

With the grim truth of the above fact so dominant . . . Pampa motorists would do well to heed the warning.

This school year approximately 3,400 children will die because of reckless driving on city streets of America.

Should the statement, "The Bumper is More Deadly than the Bayonet," be further exemplified in Pampa? Certainly not!

Do your part in making Pampa streets safe. . . "Don't Drive Over 20 Miles Per Hour!" "Join the 20 Club" with the thousands of other Pampans. . . and remember. . . "Children Should Be Seen and not HURTI!"

"I know that's valuable, but I'll give you five dollars if you manage to drop it on the way out."

SERIAL STORY Murder on the Boardwalk BY ELINORE COWAN STONE

Yesterday, Inspector Parsons... The little man also adjusted his glasses, tilted the paper to a more favorable light, and perused it slowly, nodding once or twice as he did so.

...I think Mr. Chandra is right, Inspector," he said. "This should have been handed to you at once. Whatever Christine had expected, it was anything but this. For the part written in a small, but clear script, with ink barely dry, had read: 'You will find that one person in this room will be unable to read this. He will pretend to, and may offer some harmless comment; because of all those here, he cannot allow it to be guessed that his vision is very bad. He will have no reason to suspect that this is not actually one of the messages he sent to Mrs. Talbert. The paper and the arrangement on the sheet are identical with those of one of the extortion notes. Mrs. Talbert showed me. Have you noticed that Mr. Wilmet stumbled in finding a chair, and almost fell over a footstool?'

OUT OUR WAY BY J. R. WILLIAMS

PARIS, Sept. 1 (AP)—Notes on Paris: Nearly 2,000 of the Americans fleeing Europe finally got out of France... Paris embassy officials reported a drop to only 1,400 emergency registrations after a peak of more than 2,000 a few days ago.

FLAPPER FANNY By Sylvia

SAN ANTONIO, Sept. 1 (AP)—Federal and city officers acting on a tip, today raided a downtown apartment house and confiscated narcotics, estimated by officers to be worth \$10,000 at "black" prices.

Texans Associate Santa Anna As Kindred Spirit Of 1939 Dictators

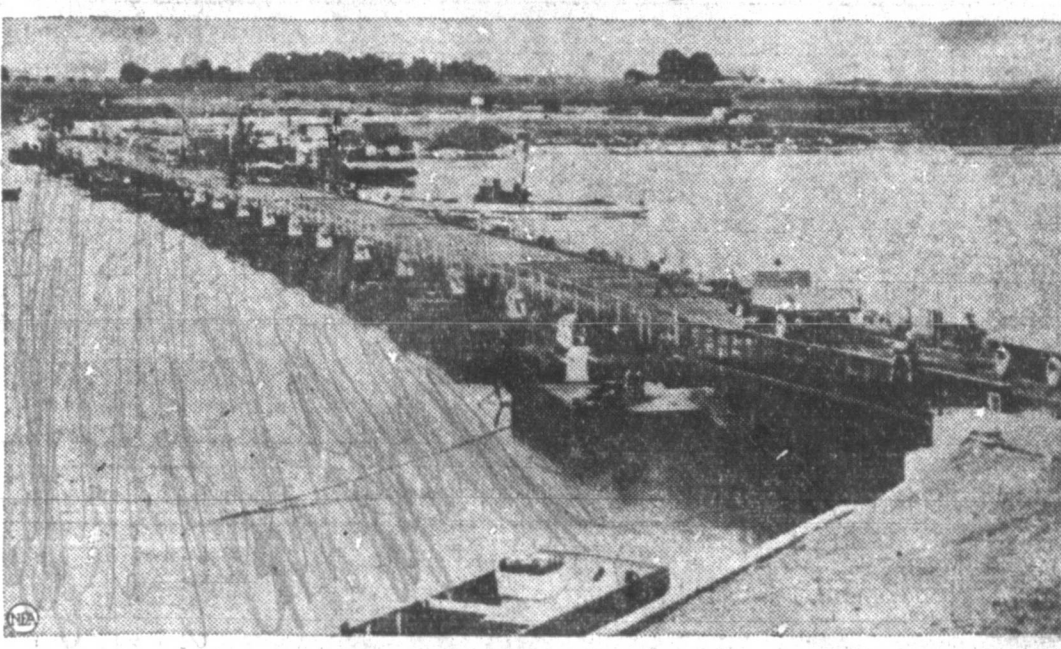

(By The Associated Press.)
 Texas seeking a personality compared to the bustling dictators of today, instinctively would name the Mexican, Santa Anna. That instinct springs from sagacious dealings with the post-1835 "Napoleon of the West" who won that brief by military achievements in his youth. He was idolized by a large segment of his people, as portions of other races have, and do, idealized their oppressors, and this affect followed him into exile. There comparison of appreciation by the home folks pauses until 20th century dictators seek their inevitable sanctuary.
 Santa Anna had a physical resemblance to Napoleon—short, paunchy, and a large head. But despite these similarities he lost nearly as much territory for Mexico as the Corsican at the height of his power had won for France. Santa Anna's ego was his generating plant and his love of power cause of this power to exceed reason, which, incidentally, hurried his downfall.
 He was young when he rose to fame. Born in 1792 at Jalapa, Mexico, he early espoused the cause of the republicans and aided Turbidine in driving out the Spanish ruler. His part in the overthrow of monarchical rule paralleled Napoleon's role in the French revolution, but unlike the positive action of the latter in squelching opponents and taking No. 1 seat himself, Santa Anna went into seclusion after quarreling with Turbidine. The people, however, did not forget the fame he won in the revolution.
 In 1832 he accepted an "invitation" at Vera Cruz to lead a revolt against Bustamante's government. Because of this opposition to the despotic ruler, even Texas rallied to his cause though in spirit only (Turtle Bayou Resolutions).
 In a series of rapid victories, Santa Anna soon placed himself at the head of the Mexican government in the role of President, but this did not satisfy his ego. By intrigue he had himself captured by the army ostensibly kidnapped which made necessary the drastic actions he pursued. He obtained his own release and declared himself dictator to "stamp out" such evidences of revolution and disorder.
 He called an election of the congress at a time he was certain of victory, but to his surprise the Centralists defeated his own party. Santa Anna knew his control over congress would be difficult so he retired to his plantation at Vera Cruz dictated the policies of the government through Barabas, his vice president. This system left

This London crowd, waiting anxiously in the shadow of war outside the British Foreign Office, broke into cheers when U. S. Ambassador Joseph Kennedy (arrow) emerged. He had been conferring on the war crisis.

Strategic Bridge Links Danzig, East Prussia

Important link in the Nazi war chain is this 800-yard pontoon bridge, between Danzig and Elbing, East Prussia. Opened by Albert Forster, Nazi "Fuehrer" in Danzig, the span is strong enough to carry heavy tanks and artillery from German garrisons across the Wisla river.

FDR Asks Nations Not To Bomb Populations

WASHINGTON, Sept. 1 (AP)—White House sources said today there would be no immediate action looking to invocation of the neutrality act or the calling of a special session of congress.
 There were indications it might be a matter of days before any definite steps along those lines were taken and reporters were advised not "to get out on a limb" with stories there would be immediate developments.
 The President arranged to hold his regular Friday morning press conference (9:30 a. m. CST).
 The President appealed to the European powers to soften the horrors of modern warfare from the skies.
 "To Great Britain, France, Germany, Italy, and Poland, he addressed before daybreak identical messages asking each for a public pledge that it would not bombard civilian populations and unfortified cities during 'the tragic conflagration with which the world is now confronted.'"
 "Otherwise Mr. Roosevelt said, 'hundreds of thousands of innocent human beings who have no responsibility for, and who are not even remotely participating in the hostilities which have now broken out will lose their lives.'"
 "Slept But Little." Mr. Roosevelt, was expected to call congress into special session to revise the neutrality laws.
 The President slept but little last night.
 One of the earliest steps was to order all naval vessels and army posts notified of hostilities.
 In his message about aerial bombing, Mr. Roosevelt said:
 "The ruthless bombing from the air of civilians in unfortified centers of population during the course of the hostilities which have raged in various quarters of the earth during

the past few years which have resulted in the maiming and in the death of thousands of defenseless women and children," the President said, "has sickened the hearts of every civilized man and woman, and has profoundly shocked the conscience of humanity."
 "If resort is had to this form of inhuman barbarism during the period of the tragic conflagration with which the world is now confronted, hundreds of thousands of innocent human beings who have no responsibility for, and who are not even remotely participating in, the hostilities which have now broken out will lose their lives."
 "I am therefore addressing this urgent appeal to every government which may be engaged in hostilities publicly to affirm its determination that its armed forces shall in no event and under no circumstances undertake the bombing of cities or of civilian populations or of unfortified cities, upon the understanding that these same rules of warfare will be scrupulously observed by all of their opponents. I request an immediate reply."
 One factor creating immediate concern in the capital was the presence of many Americans in Europe who have been unable to obtain passage home.
 There was speculation naval vessels in European waters might be ordered to lend a hand to merchant ships in evacuating Americans.
 Preparations were going forward, too, to keep American industry stable in a general European war.
 A stack of orders designed to cushion the shock of a conflict of the financial and commodity markets and business in general was in readiness.
 Attorney General Murphy disclosed a broadening of the justice department's campaign against spies in the United States.
 Government agencies said today this country had these surplus commodities for possible sale:
 1. More than 10,000,000 bushels of cotton.
 2. Approximately 200,000,000 bushels of corn.
 3. 92,500,000 bushels of wheat.

A 12-mile, five-strand wire fence across the 60-section pasture of the Frank L. Harris estate ranch in Crockett county, south of Big Lake, required a month to build and cost \$40 a mile. The Harris estate operates 150 sections, equivalent to the acreage of Rockwall county.

W. B. Sams, irrigation farmer near Lockney, Floyd county, reports a profit of \$23.83 an acre on 13.1 acres of sugar beets grown last year. He shipped 145 net tons to a Colorado sugar mill.

Fisher Uses Land For "Guinea Pig"

TYLER, Sept. 1 (AP)—F. W. Fischer, East Texas oilman and former candidate for governor, is using his 440-acre bottom land farm as a guinea pig to prove that East Texas pasture land is the best in the country for raising beef cattle.
 Fischer bought the property several years ago after it had been farmed unsuccessfully, and after exchanging with a herd of beef cattle pronounces his venture a success. His first act after obtaining the land was planting hairy vetch and peas to build up the soil on the uplands, subsequently clearing the bottom land of pin oaks, willows and other growth.
 He bought a herd of registered Herefords and also stocked hogs, geese, ducks, guineas and goats. Although a comparatively small part of the bottom land has been cleared, the herd has been fattened and a few herefords are being raised to provide for the stock, excepting a small amount of special feed for the hogs.
 "It is necessary to feed cattle only two months with pasture land like this," he said.
 The Fischer family lives on the products of the farm in a home in Tyler that is a copy of old country homes in Virginia. Nearby is a smokehouse where at times 25 hams are butchered on the Fischer farm may be found curing.
 The estate also has an herb house, elaborate formal garden and swimming pool. Within the house are books from the private library of an Englishman, antiques from a Saxon castle and early American furniture. The kitchen has an old fashion type fireplace large enough to cook a whole beef on a spit, and cabinets where Mrs. Fischer keeps dried sage, thyme, mint, lemon verbena and other herbs raised on the place.
 It takes the planet Neptune 165 years to travel its orbit around the sun.

men who approach Him in that spirit. Rather, it is they whom He chooses to be his servants and prophets.
 Thus it was that the lips of Isaiah were touched with a coal, symbolizing the taking away of his iniquities and the forgiveness of his sins. In his vision he heard the voice of the Lord saying, "Whom shall I send, and who will go for us? Isaiah's response to the visit was prompt: "Here am I; send me."
 But what was most noteworthy was not merely the response in the vision, but the response in his life. He made the dream a reality. It was the call of the man to serve a people in a day when above all things they needed a prophet to lead them from the fatness of their prosperity and the materialism of their sensual living back to the realities of spiritual life and health. It is at times when the prophet is most forgotten or neglected that he is most needed. Isaiah stands as the type of the true spiritual reformer leading a wayward nation back to the realities upon which his very life depends.

• SUNDAY SCHOOL LESSON
ISAIAH: A LIFE DEDICATED TO GOD
 Text: Isaiah 6:1-13
 By WILLIAM E. GILROY, D. D., Editor of Advance
 In the simple, direct words of our lesson, though the narrative is adorned with symbolism, and vision, we have the story of the call of a great prophet to his life work.
 Perhaps it would be found that the call of every prophet comes in some form of a vision, a dream, or waking, Isaiah's vision evidently came in the form of a dream. It was in the year that King Uzziah died, after his long and prosperous reign of 52 years. In the dream, Isaiah saw the Lord sitting upon a throne "high and lifted up." The figure is not very clear, but Isaiah speaks of the seraphim which stood above the Lord. We do not know what sort of beings these six-winged figures were. This is the only place in the Bible where the word occurs.
 While we may not understand the details of the vision, its full effect is very plain. The seraphim cried one unto another, "Holy, holy, holy, is Jehovah of hosts; the whole earth is full of his glory." It was this impression of holiness that was dominant in the mind of Isaiah, and that remained with him to dominate his life after the vision had disappeared.
 What is holiness? It consists in relationship, but its essence is the idea of consecration and devotion. When Moses was ordered in his vision on the Mount to take his shoes off because the place on which he was standing was holy ground, it was the relationship that made the ground holy. Ground in itself has no character, either holy or unholy. But man has character, and his character is determined by his relationship. Holiness has the sense of righteousness, and it was this that was overpowering in the effect of the vision upon Isaiah.
 In the presence of such a revelation of holiness and goodness, Isaiah felt his own weakness and his own sinfulness. We must not take his profession of unholiness too literally. He cried out, "Woe is me! for I am undone, because I am a man of unclean lips," in much the same way in which another man, conscious of his lack and weakness and in deep humility, was to say, "Depart from me for I am a sinful man, O Lord!"
 "The Lord does not depart from
