Price per single copy 5 cents. No mail orders accepted in localities served by carrier delivery.

An Independent Democratic newspaper, publishing the news fairly and impartially at all times and supporting in its editorial columns the principles which it believes to be right and opposing those questions which it believes to be wrong, regardless of party politics.

Spare-Time Crusade

Eight members of the police force in Huntington, W. Va., got tired of waiting for their superiors to order a cleanup of general vice conditions, and so they simply started raiding known gambling establishments and unlicensed saloons in their spare time.

The Nation's Press

WHERE THE LAW STEPS IN (New York Herald-Tribune) It is not a new revelation that organized labor is subject to the restrictions of the anti-trust laws.

At the time of the latter decision we pointed out the curiously ironical circumstance that the Supreme Court's validation of the Wagner act (labor's "Magna Carta") had greatly broadened labor's liability under the Sherman act.

Every laborer is entitled to get all he produces. For this reason, the employer has no right to make a profit off labor.

Behind The News WASHINGTON, Dec. 2—Every senator spends a good part of his time trying to figure out what the folks back home want.

Sharing The Comforts Of Life

By R. C. Moiles

YES, I AM INTERESTED Judging from the things that I have said in opposition to the government attempting to improve the lot of the working man, some people might get the impression that I did not think the lot of the working man need be improved.

But that is not the case. I have been opposed to the government attempting to help the lot of the average working man because, instead of helping them, it has invariably done them untold harm. I have been opposed to government interference with free enterprise because it seems to me it is impossible for the people to select politicians who are honest and, at the same time, understand the thousands of intricate problems that have to be solved in creating and distributing wealth.

I have faith in the free spirit of mankind, if left alone and not interfered with by reformers or meddlers or charlatans. I know that there are millions of people who are not getting what they produce who need a great deal more of the comforts of life and I believe they could have a great deal more of the comforts if the government did what it was originally intended to do and did it properly.

The government has the Post Office and it has never once made itself self-supporting. It permits newspapers to send their mail in certain cases absolutely free and charges some kinds of services much more than cost. It makes no pretense to charge the citizen in proportion to the cost of the service.

The government has attempted to regulate the railroads and it has practically wrecked the railroads. The government has attempted to tax people and it has done it in a most arbitrary and discriminatory and dictatorial manner.

The government has attempted to regulate monopolies and, instead of eliminating them, it has encouraged and fostered monopolies. In fact, I do not know of a single thing that our national government has done efficiently. For this reason, it seems to me to be absurd to disregard the Biblical advice to the effect that, "You have been faithful over a few things, I will make thee ruler over many things."

Every laborer is entitled to get all he produces. For this reason, the employer has no right to make a profit off labor. The employer, or the entrepreneur, if he pays labor all it can get working for itself or any other employer, then whatever the employer can sell the product from this labor for above what labor is paid as wages is payment for the use of the capital, the use of the land, for the risk of the entrepreneur or employer and is the wages, profit or reward of the employer. He is thus not making a profit off the worker. His profit is the additional wealth resulting from his employing the labor and creating more wealth than would have been created had the worker worked for some other employer or himself.

Behind The News WASHINGTON, Dec. 2—Every senator spends a good part of his time trying to figure out what the folks back home want. Senator Arthur Capper of Kansas has hit upon a direct, fool-proof way to find out: he simply hires a hall and invites 'em to tell him.

Phoenix, Ariz., is a city without debts. As soon as the word gets around, the city hall will be jammed with salesmen. Police in Omaha found slugs in the station pay telephone. Mugs use slugs even in jugs.

Around Hollywood

By PAUL HARRISON HOLLYWOOD, Dec. 2—Thinks for young actresses not to say in interviews: "All my life ever since I was a tiny girl, I've wanted to be an actress."

People You Know By Archer Fullingim "I had rather teach a Sunday school class than do anything else in the world—5 sides be a preacher's wife," said Mrs. C. Gordon Eastley, wife of the First Baptist pastor the other day, and most people who have ever taught a Sunday school class will agree with her statement.

So They Say THE conditions between this government and Japan are the same as they were, if not more aggravated, than at the time our government denounced the commercial treaty of 1911 with Japan.

Tex's Topics

By Tex DeWeese

The boys don't whoop it up in the Golden West these days. Nor do they sprawl around a campfire at night, roasting primitive melodies about getting buried out on the lone prairie. Instead, they crochet.

Maybe it isn't quite as bad as all that. Maybe there still are a few weather-beaten cowhands who preserve something of the rip-snootin', six-shooter days of yore. But John Miller is a California cowboy—and Mr. Miller has recently won the national crocheting competition for men.

There is no record of what Cowboy Miller's colleagues think of his avocation. They are probably glad, saddened by this exhibition on the plains where one rode Buffalo Bill and Deadwood Dick. Under the light of western stars, after a hard day of roping steers, John Miller is likely, at any time, to hold up his latest dolly and murmur, "Poland, again—if the authorities can locate it."

Miners striking for higher pay refused to take Dr. Fishbein on parole, a disease which sometimes follows an attack of syphilis.

The transfer of a celebrated prisoner to a hospital recently, because of paroxysms, has caused many people to inquire as to the nature of that disease.

For many centuries the cause of this condition was unknown. Now it is definitely established that it is due to an organism called a spirochete which causes syphilis. This organism gets into the brain; its effects in the brain are mental and physical deterioration and, in many instances, the loss of mind and paralysis.

The disease usually begins eight and 20 years after the first infection. Men are affected much more frequently than women. The disease is usually first detected between the ages of 30 and 50. It has been estimated that as many as 5 per cent of all people who have syphilis eventually develop this condition. However, less than 1 per cent of those who are given good, modern treatment for syphilis early in the course of the disease will develop the mental complication.

Parents come on insidiously. Many months before the person actually appears to be losing mentality, there are signs of defects of emotional control. Such people are irritable, excitable and likely to have nervous outbursts of temper. Frequently they become moody and cry easily when their emotions are upset by music or by looking at pictures. Other signs are a lack of concentration and an unwillingness to follow any definite job or objective for a long time.

My Personal Opinion Is...

By JUDD

That was a fine Thanksgiving, and I'm awfully glad the President ordered it when he did, on account of that turkey'd of gone another whole week; we'd never of got it in the oven. Well sir, I don't know when I was ever more thankful before, on account of us having all our kids there, besides some that we wasn't to blame for; and all of em the living picture of health, in fact when my wife was looking over the salvage afterwards she remarked, "They couldn't of been staves, what good is more shopping days if you ain't got nothing to shop with? Anybody knows you can't go on no successful shopping trip in that condition, and even the Republicans'll tell you the first thing to think up is an idea on how to make business better, so's to give more feller jobs, so's they kin have more money to shop with, so's to make business better. And that's what we ought to get a better idea of how many days to devote to shopping."

And, now that a compuncher has been crowned croquet king and will meet the women's champion in a dual tournament, we knew the West would come across with a real, two-needle humber.

And, now that a compuncher has been crowned croquet king and will meet the women's champion in a dual tournament, we knew the West would come across with a real, two-needle humber.

Texas A. & M. To Hold Welding Course

Special To THE NEWS COLLEGE STATION, Dec. 2—(A&M)—The first annual welding short course will be held at Texas A. & M. college, Dec. 26-30, according to an announcement by C. W. Crawford, head of the department of mechanical engineering at the college.

The course is designed for beginners in welding work, and only those actually using welding in their trade will be accepted as students. Prof. Crawford said. The course will consist of eight hours daily of acetylene and electrical welding and a two-hour lecture each evening during the five-day course.

As the course will be held during the Christmas holidays, there will be sleeping accommodations available on the campus at a nominal cost. Tuition for the course will be \$15. Further information may be obtained by writing Bob Cook, welding instructor, Texas A. & M. college, College Station.

Texas farmers produced more than 40,000,000 bushels of wheat last year. Endowment funds for colleges decreased by three per cent during 1938-39.

Cranium Crackers

Forgotten Men JOHN N. GARNER is decidedly more vicerious than you were some of his predecessors, so you probably haven't forgotten that he's vice president. But how about the others in the past 40 years? Pick out the vice president who served under each President mentioned below:

- 1. President Harding: (a) Harry Daugherty, (b) Gaston B. Means, (c) Calvin Coolidge, (d) Andrew Mellon. 2. President Theodore Roosevelt (during his own term): (a) James G. Thompson, (b) Charles Fairbanks, (c) Elihu Root, (d) Garrett Hobart. 3. President Hoover: (a) Charles Curtis, (b) Charles D. Wick, (c) Arthur Vandenberg, (d) Carter Glass. 4. President Wilson: (a) William McAdoo, (b) Thomas Marshall, (c) Edward Baruch, (d) Franklin D. Roosevelt. 5. President Taft: (a) Theodore Roosevelt, (b) Albert B. Fall, (c) Joseph G. Cannon, (d) James Sherman.

Church Invites Public To Hear Lecture Friday

Members of First Church of Christ, Scientist are inviting friends to attend a public lecture at the city hall auditorium Friday evening at 8 o'clock.

CITY INVITED

(Continued From Page 1)

candle power of the city's whiteway from 400 to 600, and to increase the size of lamps in the residential district from 75 to 100 watts at no extra cost to the city, as well as to install additional overhead lamps that the city might request in residential districts.

Local Manager Collin's letter of Oct. 25 to the city applying for renewal of the franchise in the name of the company follows:

Colinas' Letter

"Gentlemen:

"The Southwestern Public Service Company has served Pampa with electric light and power since September, 1925. Since that time Pampa has grown from a small town to the fine substantial city that it now is, and we are proud to have had a part in building this city. We have tried to be a good citizen as an organization and have maintained an operating personnel consisting of good individual Pampa citizens.

"We have continually made im-

provements and betterments to our plant and system and have done our best to maintain good service. One of our first undertakings after taking over the electric system at Pampa was to provide reliable twenty-four service of a type now taken for granted but at that time a real accomplishment. In 1925 the Pampa plant had a total generating capacity of 175 horsepower. This plant now has a generating capacity of 3,150 horsepower, all in modern up to date equipment maintained and attended for emergency service; the regular power being received by high voltage transmission line, this being the most economical and reliable type of electric service.

"It has been the long established policy of this company to reduce rates as rapidly as possible and to render service of the highest type and to accomplish both of these ends through the use of trained personnel and the most efficient equipment available. Our rate reduction program is a matter of record. During the past fourteen years we have made ten general rate reductions, resulting in a

startling decrease in top rate from 20 cents per kilowatt hour to the present level of 5 1/2 cents per kilowatt hour, which is a decrease of 72.5%. With a bottom rate of 1 1/2 cents per kilowatt hour in our latest reduced schedule, it is easily seen that the present average rate represents an even greater reduction.

"The operation of an electric light and power system is necessarily a long term program. Additional investment must constantly be made to provide for improvements, betterments and additions, and these expenditures must be financed over a period of years. The two programs, namely, that of reducing rates as rapidly as possible and that of constantly improving the system, are inter-dependent and in order that we continue our present rate and operating policies during the period between now and the expiration of the present franchise and thereafter, it is desirable that we obtain a new franchise immediately. In accordance with the provisions of the City Charter, we are applying herewith for a new franchise to become effective as soon as possible and to be for a term of twenty years. According to the Charter of the City of Pampa, this franchise cannot be exclusive and in granting the franchise the City will be sacrificing none of its rights under the Charter but will only be recognizing the right of the Southwestern Public Service Company to continue its service to the people of Pampa. This will be of great assistance to the Company in its financing and long time planning program.

"It is our earnest desire to continue the pleasant relationship with the City Government and the citizens of Pampa and to continue our fullest cooperation on all public and civic matters in the future, as we have in the past."

General Manager Cunningham's letter of Nov. 6 to Mayor Carr, designed for enlightenment at the taxpayers meeting to discuss the electric company's request for a franchise renewal, follows:

"At the informal meeting to which you so kindly invited us on the evening of November first, you mentioned your plan to later invite a number of tax payers to meet with the commission to discuss our request for a renewal and extension of franchise in the form of the granting of a new franchise. Feeling that some questions concerning our company's policies and past record might arise in this meeting, we are attempting in this letter to touch on such points as would be interesting to the tax payers and will, if you so desire, be glad to supply any

further information personally at the meeting progresses.

"The franchise under which we are operating at present was granted to the Pampa Water, Light and Power Company on January 9, 1917, Dr. Purviance being mayor and Mr. Finley, city secretary. In May, 1923, this franchise was assigned to F. W. Grogan and on September 3, 1925, the franchise was assigned to the Southwestern Public Service Company.

"We have served Pampa with electric light and power since September, 1925, and have had a definite share in building this community from a small town to a fine substantial city. We are proud to have had this opportunity and have always tried to be good citizens, both individually and as an organization, and to take part and do our share in civic and other community work, and, in asking for a renewal and extension of our franchise, we are asking only for the opportunity to be of further service.

Plant Small in 1925

"When we purchased the Pampa electric system, it was a small isolated plant with a few interruptions in service. The total plant capacity was 175 horsepower, and we have increased this capacity to 3,150 horsepower, all in modern up-to-date equipment, maintained and extended for emergency service, the regular source of power being received by high voltage transmission lines, this being the most economical type of electric service. Our financial program, namely, the creation of reserves for replacements, improvements and betterments, and we keep the system in the best possible condition at all times and install modern equipment as it develops. Thus, by using the most efficient machines and by using trained personnel, we have been able over the past 14 years to build up the Pampa system to a high state of efficiency and reduced rates many times.

"During the past 14 years we have made ten general rate reductions, resulting in a startling decrease in top rate of 72.5 per cent, the rate in 1925 having been 20 cents per kilowatt hour, and the top rate today being 5 1/2 cents. The new rates have a bottom step of 1 1/2 cents per kilowatt hour, and therefore the reduction in average rate is even greater than the reduction in top rate."

As possible. Our entire program is built around this policy. We have, however, worked out a reduced schedule for the water department and in connection with the granting of the franchise, are willing to place this schedule in effect and save the department approximately \$3,200 per year. If preliminary and favorable action is secured on the franchise before the due date of the October bill, the new rate will be made retroactive and will save the department approximately \$275 on the October bill. Believing that an abundance of light has a stimulating effect on business, we will increase the candle power of the whiteway standards from 400 candle power to 600 candle power at no extra cost to the city for the lighting and maintenance of the whiteway system. We will also increase the size of the lamps in the residential sections from 75 watts to 100 watts at no additional cost to the city and will install such additional overhead lights as the city may request in the residential district.

States Tax Attitude

"Mention has been made that our ad valorem tax reduction is too low. We understand that we are already the largest ad valorem tax payer in the city but wish to state that we are willing to accept any reasonable and equitable increase in ad valorem taxes. We do not wish to pay a tax in the nature of a gross receipts tax. We pay no taxes of this nature in any municipality which we serve and the installation of such taxes would naturally affect the extent and frequency of future rate reductions in Pampa. We feel that a reduction in top rate of over 72 per cent since 1925 and 50 per cent since 1930 has directly saved the tax payers money than they would have saved indirectly through our paying additional taxes.

"In view of our past performance in the matter of service, rates and cooperation on all civic matters and the declaration of our intention to continue our present policies, we feel that we have merited the right to ask that the city assist us in our planning and financing program by

granting the franchise extension at this time, especially since the granting of such an extension does not sacrifice any of the city's rights and privileges under the charter, but simply grants us permission to continue to serve the people of Pampa with electric light and power. If favorable action is taken on this matter, we will be glad to institute the reduction of water pumping rate and to increase the intensity of the street lighting system and to enter into discussions of increased ad valorem taxes and, further than this, we will in the future as we have in the past, cooperate with the city on rates, service or other matters, and will do our best to be not only an efficient public service company but to be and remain a useful and valuable part of Pampa's citizenship.

"Very truly yours,
"J. E. CUNNINGHAM,
"General Manager."

President Makeig's letter handed to the city commission Saturday follows:

"Gentlemen:

"We have received a certified copy of the resolution adopted by the city commission at a meeting held November 21, 1939, in which the commission states its purpose to purchase the electric property in Pampa, in accordance with the terms of Section 7 of the existing franchise. The board of directors of our company has adopted a resolution conforming to the city's request. I have been authorized to obtain and furnish information with respect to the determination of the purchase price under the terms of said Section 7 of the franchise as soon as can be done in the exercise of due diligence.

"In our recent application for a new franchise, we evidenced our desire to continue to serve the people of Pampa. It is with regret that we have observed this action on the part of the city officials, leading toward the interruption of our discussions in that connection. If at any time in the future you may desire to resume discussions regard-

Asks Franchise Extension

"Long term planning is necessary for the proper operation of an electric system. Additional investments for improvements, betterments and additions must be made constantly and financed over a period of years. The two programs, namely, the reducing of rates as rapidly as possible and the constant improvement of the system, are inter-dependent, and we are requesting the renewal of our franchise at this time in order that we might continue our present operating and rate policies during the period between now and the expiration of our present franchise and thereafter. We realize that this franchise cannot be exclusive and that in granting the franchise, the city reserves the right to purchase the system at any time or to go into competition with us at any time. These rights being guaranteed by the city charter. The city charter protects the city's interest in every way and the franchise can only recognize the right of the company to continue to do business in Pampa. This is all that we ask.

"The primary obligation of an electric light company is to furnish continuous and reliable service to the citizenship at reasonable rates and to do this courteously and efficiently. We believe that we have done this thing in the past. A definite part of the community and to do its share in building the community, not only in providing proper service facilities but by doing its part in the civic building program. We believe that we have done this.

"During the informal meeting on November first, we were asked what we could do in the way of reducing bills paid for electric power by the water department. Thus, by using the nature of additional taxes in connection with the granting of this franchise. As a definite part of this city and as a tax payer, we are always glad to cooperate with the city in any program. However, we feel that we have been purchasing this franchise for the past 14 years on the installment plan and have been paying for it with courteous rate reductions, building up the system and furnishing good service, not to mention the part which we have played in general civic affairs. We have never refused a reasonable request. We have already reduced the city pumping rate three times since 1929. We have reduced the street lighting rates three times since 1927, the last reduction being one of 50 per cent in 1932, made in order to assist during the depression period. The street lighting rates before the 50 per cent reduction were fair and reasonable and barely covered the cost. We call attention to our past cooperation on these matters to remind you of the things that we have done and wish to assure you that we will continue these policies.

"It is undoubtedly true that the electric bill for the water department is the largest single expense but that is no more than would be expected, because water is pumped from deep wells into overhead tanks, requiring a large amount of power, and we firmly believe that electric power on our rates is the cheapest form of power for this purpose.

Interested in Reductions

"While we feel justified in requesting a renewal and extension of franchise on the basis of our past performance and the continuance of present policies, we also realize that it is natural for the subjects of taxes, water pumping rates and street lighting be brought up at this time. We have just made a general rate reduction and if conditions remain normal and business is not unduly affected by the war or other external influences, we would expect to recover from this reduction in a year or two, but in the meantime our income will be affected by the reduction. Since we are engaged in furnishing electricity to business houses and residences in Pampa, we are primarily interested in reducing rates to these customers as rapidly

Here's How Panhandle Residents 'Acted Up' On Bartlesville Trip

By STAFF WRITER

People have the most fun, 'tis said, and if anyone had more fun than the 340 people who rode a special train out of Pampa last Monday night to Bartlesville, Okla., to celebrate the 66th birthday of one, Frank Phillips, bring 'em on. Pampa was the jumping off place of the train composed of Phillips Petroleum company employes and business men from Phillips, Borger, Amarillo and many other plains towns and cities.

By the time the train reached the Oklahoma line everyone knew everyone else. Busiest men on the train were Garnet Reeves, manager of the Pampa Board of City Development, Emory Smith, chief clerk for Phillips at the Pampa plant, and J. C. Ritchie, local agent for Phillips products, who passed out 300 identification cards furnished by the BCD.

There was no sleep that night, excepting for a few who could sleep through a bombardment if the need arose. But the return Wednesday morning was different. Quiet reigned as the trippers who hadn't had their clothes off or their eyes shut since Monday morning rested.

It was a mighty pleasant trip for Mrs. W. C. Wilson who used to live at Bartlesville and for Pete Nossent, pro at the Pampa Country Club, who used to be professional at the Bartlesville golf course.

Homecoming for Many

Guy McTaggart turned Phillips employes and then started looking for his office—but it wasn't there. Guy saw everyone registering so he joined the line. When asked his department he announced "furnishing" and that was written on his card. Later he learned that only employes were to register. Anyway, Guy went through the 14-story Phillips building but found no "furnishing" department. With

Frank Hood he walked five flights to the penthouse on top of the building—the elevator only went nine stories up—and the pair discovered they weren't in condition. It was homecoming for Miss Bertha Stephens of the Phillips office, Pampa plant, who used to work for "Uncle Frank" as everyone now knows Mr. Phillips, in Bartlesville. Mrs. Vic Williams of the Pampa office knew just about everyone, as did Mrs. Emory Smith who had more stamina than anyone.

If there was anyone at the celebration who knew nearly everyone it was J. L. Pratt, production superintendent at the Pampa camp. He met a host of old time friends from other fields.

And who was on hand shaking hands with nearly everyone who came from the Panhandle but Mr. and Mrs. C. E. Sturdevant and their young son. "Sturdy" was here before Mr. Pratt. A smiling face that was missed was that of Ray E. Huling, now district clerk at the new Dickinson office. Mrs. Huling has been ill and couldn't make the trip.

All eyes turned skyward during the early afternoon when an airplane flew high in the sky, more than 10,000 feet and then dropped like a bullet with thick smoke issuing from the exhaust. When near the ground the ship zoomed as the smoke was cut off. It climbed about 8,000 feet and then a smoke cloud crossed the verticle one and a huge cross was formed in smoke.

Present Novel Cross

Piloting the plane was Father Paul Schulte "The Flying Priest of the Arctic" and a great friend of "Uncle Frank's." He flew from Washington for the party and presented Mr. Phillips with a framed plaque composed of 66 small silver crosses arranged to form the digits 66. He is on a lecture tour to raise funds to continue his work

in the far north where he is the only white man in an area of 1,500,000 square miles. His base is in Repulse Bay. During the world war he was a German aviator. Now he's a "true American."

The had a square dance and when it came time for one of the oldest, old timers, the only couple on the floor who could do the dance properly was Mr. and Mrs. B. S. Via and they were cheered long and loud. They were accompanied by their grandson, Eustis Wilkins. Mrs. Inez Carter was also present.

And who went to Bartlesville and didn't fly? It was F. C. Maddox. Believe it or Not, On hand were Jim Hatfield, Chick Hicksman, Charlie Malsel, Frank Culbertson, Raeburn Thompson and Everett Braddock and they'd go next year if Phillips employes throw another birthday party.

Hospitality Outstanding

The number 1 photographer of the Phillips company, H. P. Magerkurth, big boss at the Grayco Booster station, was on hand with his camera, but he drove.

Mr. and Mrs. W. R. Barrett, he's district gasoline superintendent, W. C. Boatwright, superintendent of the Pampa plant, and E. E. Traywick, superintendent of the North plant, were on hand and meeting old friends.

And there large as life were G. C. Blalock, gang foreman and his assistant, J. L. Bevington, J. M. House, district meterman, Glen Pool, district gas tester, J. C. Wells, gas proration engineer, and a host of others. In fact there were about 75 Phillips employes boarded the train here.

All wasn't play on the train because girls of the Jane Phillips Sorority sold sandwiches, coffee, pop, candies, etc. and they sold nearly \$300 worth. Leading the workers was Ruby Williams of Phillips, former Pampa girl.

Even the largest cities in the nation could take lessons on how to stage a parade by checking up on how Phillips employes put on their 66-minute parade of achievement with 20 bands, led by the Phillips Blackhawk band with

IN SEAL DRIVE

W. B. Weathered, past president and present treasurer of the Gray County Tuberculosis Association, today joined in the 33rd annual Christmas seal sale. The campaign is to be concluded on Christmas day.

At 1 o'clock this afternoon a radio program "The Return of Mr. Grisby" is to be broadcast over KPDZ. During the week a motion picture trailer, in connection with the nation wide fight against the white plague, will be exhibited daily at the LaNora.

A poster designed by Rockwell Kent is being used in the campaign, and 50 of these have been put on display in Pampa.

County Benefited

Purpose of the drive is to obtain money for the work of the county association. This work consists of paying for supplies used in giving tuberculin tests of Gray county pupils, paying for X-rays, and aiding persons in obtaining admission to the state tuberculosis hospital.

Mailed from Pampa on Thanksgiving day (Nov. 30) were 2,000 letters, sent to homes over the county. Each letter contains two sheets of Christmas seals, selling for \$1 a sheet. There are 100 seals on each sheet.

To Remit for Seals

Those to whom the letters are sent are supposed to purchase what seals they desire, then return the seals left, with their payment.

If more than \$500 is raised, 65 per cent of the receipts remain in Gray county, if more than \$500, the county association secures a higher per centage, the balance going to the state association.

A total of 500 followup cards are to be mailed on December 15, checking the results of the letters.

Officers of the Gray County Tuberculosis association are: W. E. James, Pampa, president; Mrs. Harold Rippey, McLean, first vice-president; W. B. Weathered, Pampa,

EVANGELIST

Thomas McDonald of Borger will conduct a revival campaign at Francis Avenue Church of Christ beginning this morning. The revival will continue through December 13. The public is invited to attend.

Dickens Man Citizen Of County Since 1881

DICKENS, Dec. 2 (AP)—James (Uncle Jimmy) Askins, 78, is the oldest continuous male resident of Dickens county, having lived near here since 1881. He was a cowboy and a freighter in the early days.

"When I came to Dickens county the only store was the old Dockum store near Espuela," he said. "There were Indians here, or at least they used to come through here and camp here for weeks and months.

"I came with my father and we lived for a long time in a dugout.

Britain Minimizes Her Shipping Losses

LONDON, Dec. 2 (AP)—An authoritative announcement asserted tonight that Britain's big navy had "enabled 21,000,000 tons of British shipping to keep to the seas with a loss of just four per cent of her total naval tonnage" in three months of war.

This declaration followed closely the disclosure of another loss to mines in waters around England, the sinking of the 8,010-ton British tanker San Calisto off the south-east coast. Two of her crew were killed, seven injured, and 35 landed unhurt.

Balanced against this was the capture of two German vessels, the 2,185-ton steamer Ellbek and the 215-ton trawler Sophie Busse, and the reported scuttling of the 9,521-ton German liner Watussi by her own crew.

The crew of an unnamed admiralty trawler reported the sinking of a Nazi submarine and possibly a second off the east coast this week. After sinking the first U-boat, the crew said they attacked another with depth bombs and that oil patches indicated they had been successful.

The Watussi was run ashore south of Cape Point, Union of South Africa, by her German crew after being intercepted by South African bombers. Her 35 passengers and crew of 127 were rescued.

This was the eighth German steamer braced or scuttled to avoid capture.

I first worked for the Matadors, then freighted to Colorado City, our nearest railroad town. It was 90 miles to Colorado City and there was no road, just a sort of a trail the ranchers fixed up for the wagons to get through.

Later a store was started at Soldiers Mound, between Dickens and Spur, where soldiers under Gen. Meade fought Indians in the 70's when he was clearing West Texas of hostile redmen. Settlers came in and made homes near the store.

Mrs. Askins as a small girl, came to the county in 1880, with her parents, Mr. and Mrs. McCarthy. She lived here since.

White Deer Man Freed On Bond

Ray Rames of White Deer charged here in alleged connection with the robbery of four Oklahoma tourists near Alnared on the night of November 16, was released Saturday from county jail on posting \$3,500 bond.

Carlyle Shelton and Hubert Cisco, both of Skellytown, and Frank Agee of White Deer, were still being held in county jail last night, none of the three having posted bond on a charge of robbery with firearms.

The three are being held in alleged connection with the Alnared robbery of filling stations at Spearman, and Claremore.

A Gray county complaint against a 15-year-old girl, whom Sheriff Cal Rose brought to Pampa Thursday night from Odessa, has been dropped. County Attorney Joe Gordon said Saturday afternoon: The girl had been held in alleged connection with the Alnared robbery. She was still being held in county jail early last night, however, pending word from Donley county officers, Sheriff Rose said.

Bishop Will Speak At Episcopal Church

The Rt. Rev. E. Cecil Seaman, bishop of the district of North Texas, will visit St. Matthew's Episcopal church tonight at 7:30 o'clock. At this time a service of evening prayer and confirmation will be conducted.

The public is invited to attend.

CRETNEY'S - Pampa

AMARILLO-DEC. 9

YOU CAN MAKE YOUR HOME SAY:

"Merry Christmas"

Let colored lights give your home the Christmas spirit...inside and out. Decorate trees and shrubbery with strings of colored lights to make a fairy pattern against the velvet black of holiday nights. Light up the Christmas tree with strings of colored lights and watch the youngsters gaze enraptured...thrilled to the core at the play of rainbow hued brilliance. Twine colored lights in holly and mistletoe. Festoon them over mantels and trail them to every corner of the room.

Many new ideas for Christmas lighting—indoors and out—have been developed. There are new type Christmas tree lamps that eliminate hunting for burned-out bulbs—others that look like old-fashioned candles—and many other novelties to make your Christmas more joyous. See them at your dealer's. And be sure to get your Christmas lights early, so that no one, especially the youngsters, will be disappointed. Write or phone for a free pamphlet, "Holiday Lighting For Your Home."

Letors Receives New Fire Truck

Fire Chief Ben White of Pampa was in LeFors yesterday to check the delivery of LeFors new fire truck and make a report to the state insurance commission concerning the condition of the vehicle.

LeFors new truck is a six-cylinder International chassis with body obtained from Dallas. The chassis, Chief White said, had been donated by the Pampa distributor for International, who had originally received it as a trade-in on a LeFors school bus.

The truck is equipped with a 150 gallon booster tank, 90 gallon booster pump with power take-off, all necessary fire fighting equipment, and 1,000 feet of 2 1/2 inch fire hose. D. M. Jones is the fire chief at LeFors.

IN MEMORIAM

In memory of Bill Kelley, Jr., who died on September 2, 1939. Bill Kelley was born December 2, 1922 in Dallas. His family lived in Breckenridge where Bill attended kindergarten and when he was six years old they moved to Borger where Bill entered school. The family came to Pampa in 1936 where Bill entered Junior High school. He entered Culver Military Academy in 1938 where he was a student until the time of his death.

Bill attended the Culver Naval school in the summer of 1937 and a junior counselor at Camp Black-Fox at Huntington Lake, Colorado in 1938.

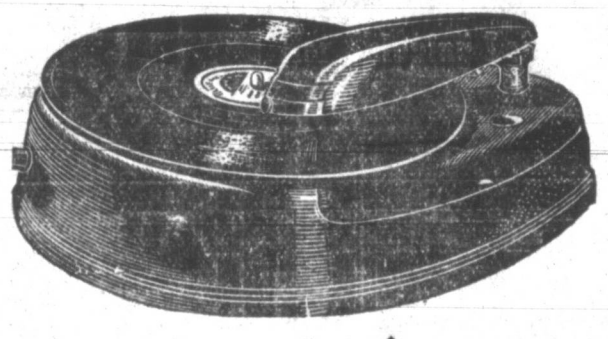

The distinction of being the first plebe on the first Honor Council of Culver Academy came to Bill in January 1938 and he became a member of the Culver Rifles in April, 1938. Bill would have been 17 years old this birthday.

"Let not your heart be altogether lonely Now that the last reluctant words are said, I take away my face and voice, but leave you my heart, instead"

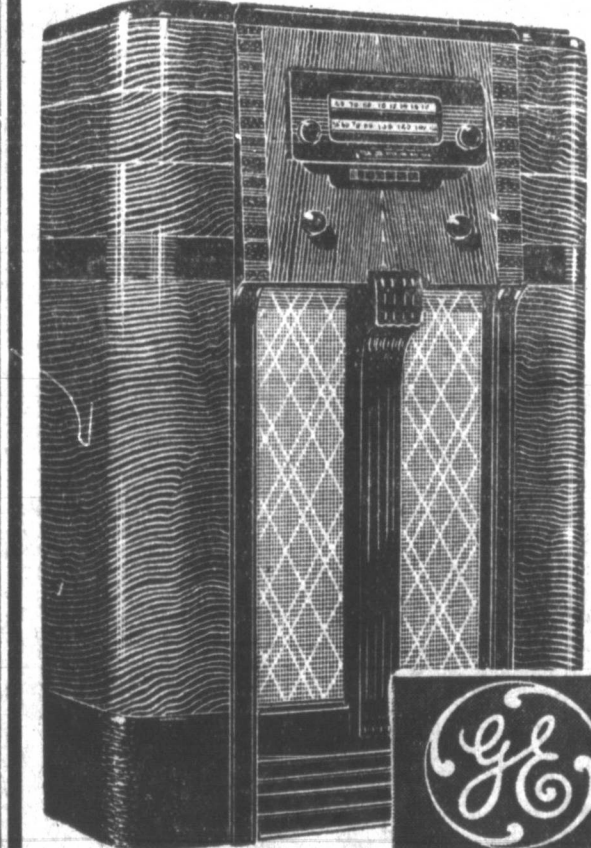

AN OFFER YOU DIDN'T EXPECT TO MEET

SEE WHAT YOU GET IN THIS COMBINATION OFFER OF A G. E. Radio and Record Player

New 1940 G-E Radio—Model H-736, PLUS A \$9.95 G-E Record Player—Model HM-3.

While They Last You Pay Only \$49.95 And Your Old Radio BOTH for the PRICE You Would Expect to Pay FOR THE RADIO ALONE

Trojans Finally Beat Washington 9 To 7

Duquesne Tied By Detroit In No. 1 Unset

By HUGH S. FULLERTON, JR.
NEW YORK, Dec. 2 (AP)—Southern California's mighty Trojans had the closest call of a remarkable season today as Dean McAdams' Washington halfback nearly booted them off the undefeated list and perhaps out of the Rose Bowl.

The Trojans finally passed their way to a 9-7 victory over the Huskies in the last two minutes of a thrilling game and thus remained at the head of the Pacific Coast Conference rankings.

That gas was the climax of football's big day of the 1939 season, a day which saw Duquesne dropped from the ranks of the undefeated and united teams when it was held to a 10-10 deadlock by Detroit, and Navy, Stanford, Boston College, Tulane and Georgia Tech emerge triumphant in some of the other important games.

Tulane won a part interest in the Southeastern Conference title and virtually clinched a bid to the Sugar Bowl by downing Louisiana State 33-20 in a game that matched the Southern California Washington battle for thrills and Georgia Tech earned an invitation to Miami's Orange Bowl by beating Georgia 13-0. The Engineers accepted without hesitation. Both Tulane and Georgia Tech are unbeaten in the conference, but their previous performances had been somewhat overshadowed by Tennessee.

In football's greatest spectacle, Navy redeemed a miserable season by whipping Army 10-0 before 100,000 spectators at Philadelphia. Bob Leonard's field goal and Dick Shafer's touchdown brought the Midshipmen their first triumph in the service game since 1938.

Duquesne, after Detroit's fumble had started Detroit off to a 10-0 first-quarter lead, came back to tie the count in the last period. Stanford's Haggis, victorious in the Coast Conference, conquered Dartmouth, 14-3 in the day's biggest intercollegiate game.

The Boston College Eagles, once beaten, took their place among the unbeaten by defeating Holy Cross 14-0 as a wet field hampered the speedy Crusader backs and Verdham's Rams successfully finished a campaign that had a bad start when they trounced their most important local rival, New York University, 13-7.

Washington University of St. Louis captured the Missouri Valley Conference crown by whipping St. Louis University 21-15 in another city championship battle.

Baylor's Bears earned at least a tie for second place in the Southwest Conference when they downed Rice 10-7 after a couple of bad scares and sophomore Presto Johnson kept Southern Methodist out of the running for a half-interest in that spot with runs of 73 and 21 yards to beat Texas Christian 14-7. Colorado Mines, unbeaten and undefeated champion of the Rocky Mountain Conference, wound up its campaign with a 38-6 victory over Regis.

40 District Class A Champs Named

(By The Associated Press)
Forty district champions of Class A Texas schoolboy football had been certified Saturday night to begin play this week in the battle for regional titles.

Each region is comprised of four districts.

District champions and pairings for the bi-district round follow:

1—Tulla vs. 2—Perryton, 3—Shamrock vs. 4—Lockney, 5—Olton vs. 6—Roscoe, 7—Pecos vs. 8—Brady, 9—Burkburnett vs. 10—Stamford, 11—Decatur vs. 12—Dublin, 13—Arlington vs. 14—Garland, 15—McGregor vs. 16—Ennis, 17—Blanco vs. 18—Cooper, 19—Tulco vs. 20—Mineola, 21—Jefferson vs. 22—Center, 23—White Oak vs. Longview vs. 24—Carter vs. 25—Elkhart vs. 26—Jasper, 27—Humble vs. 28—Nederland, 29—Galena Park vs. 30—Wharton, 31—Midwell vs. 32—Mena, 33—Taylor vs. 34—Fredericksburg, 35—Yokum vs. 36—Burbank (San Antonio), 37—Mudlick vs. 38—Victoria, 39—Alice vs. 40—Demita.

Harvester Cagers Beat Groom In Opening Games

SMU Beats TCU In Stunning Battle Of Breaks 14 to 7

FORT WORTH, Dec. 2 (AP)—Sophomore Presto Johnson made a couple of stunning touchdown runs today, runs badly needed for Southern Methodist to beat defending Texas Christian 14-7 in a tangle battle of breaks, wild passes and runs.

First he sprinted 73 yards with a stolen pass to get his Methodist cut ahead, then he went on a magnificent broken kick, for 21 yards through a clutching Christian team for the ball game in the fourth period.

Two more times Southern Methodist moved down to the TCU goal, but there the crippled shadow of Johnson's unbeaten team must have heard the shrill pleadings of alumnus KI Aldrich, greatest of all Horned Frog line-men, as he squirmed up and down the Christian bench. They held fast.

Destructive on running plays with Johnson, Ray Malloff, Johnny Cleinent and Bobby Brown taking turns at assaulting the shaky Christian line, the Methodists piled up 227 yards on the ground and 131 more in the air for a net of 358 yards.

For Texas Christian, it was all Kyle Gillespie—a sophomore gamecock with a broken knee, a big heat and a passing arm. He stunned the Methodists once with a 59-yard aerial blast for the TCU touchdown that left the score tied, 7-7, at half time, and engineered the aerial business that accumulated 186 yards. But the Christian running was tawdry for the charging SMU line, only 48 yards setting through them.

Both starting guards out with injuries and his backfield soon torn up when Earl Clark, blocker and runner, went cut with a torn shoulder, and fullback Connie Sparks' hobbling around on a bad leg, Texas Christian couldn't hold the Methodist's running game.

Only the fine punting of Gillespie and Spud Taylor kept the Christians from absorbing a thorough beating. Those two boys averaged 46 yards on scrimmage kicks.

Johnson, who kicked for a 39.4 yard average, picked up 122 yards from 18 scrimmage runs outside of the 30 yard effort and just centrally led the Methodist attack.

No longer than the first scrimmage play of the game did Southern Methodist wait to explode its offensive. Johnson, a driving 190-pounder, wheeling off 34 yards in three fake spinners that took him around the stunned Texas Christian flank.

Four minutes later, after the Christians had held on their 31st Clement broke loose for a 33-yard gallop to the Christian 15, but Methodist fumbles stopped them there.

Then came the violent explosion. The Christians, bumped back on their five after end Roland Goss made a spectacular grab of Clement's 32-yard pass, got a break when the Methodist end just right tackle, cut to the right and crossed the goal line just inside the corner flag.

Leonard came in again, made good the extra point kick and stayed in for another play before returning to the side lines.

104,000 See Middies Whip Army 10 To 0

MUNICIPAL STADIUM, Philadelphia, Dec. 2 (AP)—Navy used thirteen backs in its 40th football game with Army today. But three of them were enough to bring the Middies their 15th victory by a score of 10-0 and to send the Municipal stadium's goal posts tumbling down before an onrush of 2,300 midshipmen.

Before a crowd of 104,000—an annual number since the service school moved their series into this tremendous arena—200 pound Cliff Lenz drove through and around and outcharged Army line to put the Sailors in position for a first period field goal.

Then Bob Leonard kicked that field goal from the 29-yard stripe and the same Bob Leonard booted the extra point after Dick Shafer had scored a last quarter touchdown.

These three claimed the Lion's share of the offensive spoils. But they had to share credit for the afternoon's fine work with four of their mates—Umont Whitehead, Ed Gillette, Wes Geber, and Lou Mayo—who transformed Navy's supposedly weak pass defense into an impassable barrier.

They gave Navy almost as much yardage on runbacks of intercepted aerials as Army got all day with its ground attack.

This was the one day and the one game that could save a sad season for Navy, and the Middies made the most of it. With Lenz packing the piggskin on ten out of 14 plays, they drove 50 yards in the first quarter from their own 33 to Army's 17. There Lenz, groggy from the pounding he'd taken from Army tacklers, stumbled to the bench and Leonard came in for him.

The sophomore from Galveston, Texas, stayed in for just one play. He went back to the 25-yard line and, with Whitehead holding the ball, he kicked it square away even though he was aiming from a considerable angle.

Came the third period and Navy started rolling again. Lenz, making one of the Middies' five interceptions, ran the ball back 18 yards to Army's 47. Following a punt exchange and the Middies, taking the ball on their 47 again, scored in eight plays. The last 21 for the touchdown came on the first play of the final quarter as Shafer broke through a hole at his own right tackle, cut to the right and crossed the goal line just inside the corner flag.

Leonard came in again, made good the extra point kick and stayed in for another play before returning to the side lines.

Three Bi-District Football Games To Be Played Friday

Three bi-district football games in which Pampa and Panhandle fans will be interested will be played on Friday afternoon when Electric and Lubbock meet in Lubbock, Tulane and Perryton play in Perryton, and Lockney and Shamrock battle in Shamrock.

The Electric-Lubbock game will be for the championship of District 2. Both teams are big and fast and the game is expected to be a doozy.

In the south half of the Class A region, Shamrock will meet Lockney, old rival. Shamrock went through the season with one win against their record, with McLean, while Lockney is undefeated. Each game will be called at 2:30 o'clock.

Tulane scored on a 72-yard drive ending in a short plunge, a 20-yard pass from Bob Kellott to Paul Krueger that climaxed a 59 yard march, a plunge set up by a 40 yard pass, another which followed Bob Glass' 83-yard off-tackle run, and a 19-yard drive after a blocked kick.

L. S. U. scored on a plunge set up by a blocked kick, a 62-yard end run by Ashford Sims and a pass from Elmes to Charles Anastasio that covered 48 yards.

Tulane scored on a 72-yard drive ending in a short plunge, a 20-yard pass from Bob Kellott to Paul Krueger that climaxed a 59 yard march, a plunge set up by a 40 yard pass, another which followed Bob Glass' 83-yard off-tackle run, and a 19-yard drive after a blocked kick.

Tulane-LSU Battle Wildest In Years

NEW ORLEANS, Dec. 2 (AP)—Tulane's great Green Wave cleared its last hurdle to an expected Sugar Bowl bid and finished its season undefeated by turning back its traditional rival, Louisiana State, 33-20 this afternoon in the wildest football game seen here in years.

Forty-five thousand spectators yelled themselves into a frenzy as one team and then the other broke loose with long passes, blocked punts and long runs in the see-saw game.

L. S. U. opened up a bag on the oldest and newest tricks in football which kept the Tulane defense gasping. Twice the Wave had to come from behind, then forged ahead. L. S. U. led the score, and finally in the last period Tulane pushed over two touchdowns to sew up the game and a state of the Southeastern Conference championship.

L. S. U. scored on a plunge set up by a blocked kick, a 62-yard end run by Ashford Sims and a pass from Elmes to Charles Anastasio that covered 48 yards.

15 of 16 Schoolboy Champions Decided

(By The Associated Press)
Fifteen of the sixteen district champions of Texas schoolboy football had been decided Saturday

Hoare Names All-District Grid Eleven

By HARRY E. HOARE
There comes a time of year when a sports writer sticks his neck out—way out—and that is at the close of the football season when he names an All-District team. Now that time has arrived and here goes.

The job is a particularly hard one in District 1-AA this year because so many brilliant stars have dotted the horizon. There are a few unanimous choices, however, but they are mighty few considering 11 boys must be named.

A team must have a most valuable player, or two or three, but the most valuable player award this year must go to Pete Dunaway of the Pampa Harvesters. There was left a better punter or passer in the district and there wasn't a much better ground gainer. Defensively, Dunaway also stood at the top of the list. So Pete Dunaway is a unanimous choice.

Left guard, Ed Lubbock is on the list and some will wonder why because of his long absence with a leg injury but his early showing and his work against Berger and Aprillo surely justifies his name being placed on the list.

So here goes:

First Team:
Left end—Boyer, Amarillo.
Left Tackle—Farris, Lubbock.
Left Guard—Gill, Amarillo.
Center—Storrs, Lubbock.
Right Guard—Fade, Pampa.
Right Tackle—Cazzell, Amarillo.
Right End—Trotter, Berger.
Quarter—Graham, Plainview.
Left Half—Jackson, Lubbock.
Right Half—Dunaway, Pampa.
Fullback—Tyson, Lubbock.
Second Team:
Left end—Hill, Lubbock.
Left tackle—Gandier, Pampa.
Left guard, Bob, Berger.
Center—Maynard, Pampa.
Right guard—Merriman, Lubbock.
Right tackle—Sullivan, Berger.
Right end—Redus, Amarillo.
Quarter—Hessell, Pampa.
Left half—Cawthon, Lubbock.
Right half—Barry, Plainview.
Fullback—Andrews, Amarillo.

Curlice Appointed WTSC Head Coach

CANYON, Dec. 2 (AP)—Jack Curlice, present assistant, has been appointed head football coach at West Texas State College, President J. A. Hill announced tonight.

Curlice's appointment came after Al Baggett, who for six years was head coach and athletic director, recommended him to the athletic committee.

Dr. Hill also announced that Baggett would remain athletic director and have complete charge of the physical education department in addition to coaching basketball.

Curlice's elevation came as a part of the school's announced plan of expansion in athletics. Mitchell Jones, former West Texas Buffalo star line-man and present director of inter-mural athletics, was named freshman coach and Leslie Van Meter, an Owensboro, Kentucky, high school mentor, was elected first assistant to Curlice in football and head track coach.

Stanford Upsets Dartmouth 14 to 3

NEW YORK, Dec. 2 (AP)—Pushed around all season and for two quarters of its final game today, the Stanford football team exploded in the third period to match 68 yards for a touchdown which paved the way for a 14 to 3 victory over Dartmouth.

Victorious until today, the West-erners appeared well on the road to perpetuating their record as Dartmouth, registering a field goal the first time it got the ball, shoved its opponent up and down the field and stymied every offensive thrust.

50 Cage Teams Invited To Tournament Here

Invitations have been extended 50 high school basketball teams in the Panhandle to attend a big tournament in Pampa December 22 and 23. Although the invitations were mailed until Thursday, several teams have already signified their intention of entering the tournament.

If enough teams accept the invitation, play will begin the night of December 21. The Pampa high school gymnasium will be the scene of the district tournament next spring it is believed and teams in this district would like to play on the local floor in advance of the turn-in.

A large trophy will be presented the winning team. Individual trophies will also be awarded at the close of the tournament.

School planning to enter a team in the tournament are urged to contact Coach Odus Mitchell immediately in order that final plans can be made.

Baylor Beats Rice To Tie For Second

By WILLIAM T. RIVES
HOUSTON, Dec. 2 (AP)—The Baylor Bears, chugging along right behind mighty Texas A. and M. in the Southwest Conference scramble, finished their season today with a 10-7 victory over Rice, but only after the Owls' sophomores had startled them into the fifth.

The win meant that Baylor was certain of seeing the race wind up no worse than a tie for second place behind the champion Aggies.

Southern Methodist could tie the Bears by defeating the Owls in Dallas next week-end.

Through the first half of the game, the Owls were sadly outclassed, winding up with only one yard, net, gained on the ground compared to Baylor's 78.

Three times Baylor drove goalward, with big Jack Wilson from Paris leading the way, but Rice's youngsters braced. Finally the Owls came back in the third and tied the score with a powerhouse attack, the likes of which they had not shown all season.

Then, with two minutes to go, Robert Nelson, great Baylor center, kicked a 14-yard field goal that sewed up the game.

Baylor ran up 13 first downs to Rice's 6 and 131 yards rushing to the Owls' 99. It also held the passing edge, 68 yards to 35.

The game marked the finale on Rice field for Olie Cordill, a superb back who once more did his stint of great running and kicking which time after time brought the Owls out of danger.

Early in the second period, Baylor seized a break and drove to the first score, after threatening three times earlier.

Cordill made one of his few misfires, fumbling on the Rice 19, and Pat Miekler, Baylor guard, dived on the ball. Miekler, Bear quarterback, blasted through tackle for six and Wilson bulled across in three jobs at the line. Nelson converted. Unruffled, the sophomores of Rice came back in the third.

Taking a pass on the Baylor 41, Rice drove to a touchdown in ten

Rutgers Or Catholic May Be Arizona Foe

EL PASO, Texas, Dec. 2 (AP)—The Sun Bowl weather vane swung east today after a week of uncertain veerings.

It appeared likely Rutgers University or Catholic University of Washington, D. C., might get a bid to meet Arizona State College of Tempe, border conference champions, in the Sun Bowl here Nov. 25.

Not once did Rice, a team known for its passing, hurl the ball in the assault.

Two sophomore backs, E. F. Wood, a little speedster, and Calvin McDugle, 175-pound halfback, pounded the good old Baylor line to bits. Nine of their efforts carried to the three, and on the tenth, Wood pounded over.

Livy Basset, guard, converted to tie the score.

Three Bi-District Football Games To Be Played Friday

Three bi-district football games in which Pampa and Panhandle fans will be interested will be played on Friday afternoon when Electric and Lubbock meet in Lubbock, Tulane and Perryton play in Perryton, and Lockney and Shamrock battle in Shamrock.

The Electric-Lubbock game will be for the championship of District 2. Both teams are big and fast and the game is expected to be a doozy.

In the south half of the Class A region, Shamrock will meet Lockney, old rival. Shamrock went through the season with one win against their record, with McLean, while Lockney is undefeated. Each game will be called at 2:30 o'clock.

Tulane scored on a 72-yard drive ending in a short plunge, a 20-yard pass from Bob Kellott to Paul Krueger that climaxed a 59 yard march, a plunge set up by a 40 yard pass, another which followed Bob Glass' 83-yard off-tackle run, and a 19-yard drive after a blocked kick.

L. S. U. scored on a plunge set up by a blocked kick, a 62-yard end run by Ashford Sims and a pass from Elmes to Charles Anastasio that covered 48 yards.

Tulane scored on a 72-yard drive ending in a short plunge, a 20-yard pass from Bob Kellott to Paul Krueger that climaxed a 59 yard march, a plunge set up by a 40 yard pass, another which followed Bob Glass' 83-yard off-tackle run, and a 19-yard drive after a blocked kick.

14 Wells Completed In Panhandle Field

Six Locations Reported In Gray County

Water encroachment following a shot of 400 quarts of nitroglycerine has delayed development of the E. J. Dunigan, Jr. Trustee No. 1 Parks in section 1, block R-2, DP&R survey, Hutchinson county wildcat located two miles southwest of Pringle in the north section of the county.

Drilling is routine in other Panhandle wildcats with one in southeast Gray county, another in the north Hutchinson county near Pringle, and one in Moore county being watched closely.

One of the busiest weeks in development was recorded last week when Texas Railroad commission employees from the Pampa office tested 14 oil wells and one gasser. New oil totaled 4,846 barrels with the gas well good for 13,000 cubic feet.

Six of the new wells gauged were in Hutchinson county and they were checked for a total of 2,006 barrels. Five Gray county wells gauged 1,659 barrels. Carson county reported two completions and Wheeler one.

New locations were lower than at any time during the past two months, only nine being staked,

six in Gray county and one each in Wheeler, Carson and Hutchinson counties. The Bell Oil & Gas company returned to active drilling in the field after a long period of activity by announcing two new locations, one in Gray and one in Wheeler county. The Skelly Oil company made locations No. 103 and 104 on the Schafer ranch in Gray county.

Completions by counties follow:

In Carson County
The Texas co., No. 13 Boney, section 110, block 4, I&GN survey, gauged 518 barrels with lime pay from 3,014 to 3,084 feet.
Magnolia Petroleum co., No. 65 Fee Land 244, section 89, block 4, I&GN survey, tested 514 barrels. Pay was between 3,050 and 3,104 feet in lime.

In Gray County
Gulf Production co., No. 2 Merten, section 87, block 3, I&GN survey, tested 379 barrels with pay from 3,190 to 3,280 feet in lime.
Humble Oil co., No. 11 Merten, section 87, block 3, I&GN survey, was given a potential of 465 barrels with lime pay between 3,134 and 4,288 feet.

Stanford Oil & Gas co., No. A-6 Cobb, section 165, block 3, I&GN survey, tested 169 barrels. Pay was in lime formation from 3,292 to 3,327 feet.
The same company's No. 6 Hood, section 33, block 3, I&GN survey, gauged 483 barrels. Pay was between 3,017 and 3,106 feet in lime.
The same company's No. 11 Mer-

TO BE FEATURED AT FLOOR SHOW

The American beauty of sophisticated songs, Miss Gayle Robbins, above, will be featured in a floor show to be presented by the Panhandle Chamber of Commerce of the American Petroleum Institute the night of December 11 at the Southern club. Music for the show and for a big dance will be presented by Lloyd Wells and his

orchestra which will appear here for the one night only. Miss Robbins has just completed a successful 11-week engagement at the Cocktail lounge at Grand Hotel, Mackinac Island, Michigan. She has appeared at the St. Francis and Ambassador hotels in San Francisco and other large hotels. A 20-act floor show will be staged by Kathryn Duffy of Oklahoma City.

middle west including engagements at Chicago, Cincinnati, Minneapolis, Kansas City, Des Moines and other large cities. It will be Lloyd Wells' only appearance here.

Miss Duffy will present Miss Gayle as master of ceremonies for her largest review, "Red Hot and Beautiful." The show will consist of songs, dances, skits, novelty numbers and choruses.

The king cobra is the world's most dangerous serpent, and the largest of all poisonous snakes. The largest ever recorded was 18 feet long.

Special Program To Be Presented By Baptist Union

Challenger Union of First Baptist church will give a special program tonight at 6:30 o'clock in the form of an illustrated panel.

Men's night is to be observed. Topic of the program to be given is "World Responsibility."

The world contains 200 distinct species of ducks. About 50 varieties are found in North America.

400 Couples Expected At API's Dance

With nearly 100 tickets already sold, officers of the Panhandle chapter of the American Petroleum Institute anticipate a crowd of 400 couples at the annual dance and floor show to be staged at the Southern club the night of December 11. The tickets, at \$2 each, include 1940 membership in the chapter, are available at the Schneider hotel and from members of the advisory board.

The program will open at 8:45 o'clock with a 15-minute business session for the purpose of electing and installing new officers. The dance will begin promptly at 9 o'clock and one hour later Kathryn Duffy of Oklahoma City will present a 20-act floor show featuring two dozen beautiful and talented girls. The business session will be so brief that women may accompany their escorts to the meeting.

Each woman attending the dance will be presented with an unusual favor at the door. There will be plenty of confetti, serpentine and other carnival features available.

The chapter has been fortunate enough to secure Lloyd Wells and his orchestra for the dance. Lloyd Wells will be passing through Pampa on that night en route to points west for winter engagements. The orchestra has just completed a successful summer season in the

In Wheeler County
Magnolia Petroleum co., No. 5 Worley, section 39, block 24, H&GN survey, tested 167 barrels with pay in granite wash formation between 2,397 and 2,406 feet.

Weddings Climax Social Events Of Holiday Week-End

Miss Moyar And Dr. Kelley Wed In Fort Worth

The marriage of Miss Mary Ann Moyar, daughter of Mr. and Mrs. J. H. Moyar, 2413 College avenue, Fort Worth, formerly of Pampa, to Dr. Frank Whitney Kelley of Dallas, son of Dr. and Mrs. J. H. Kelley of Pampa, took place Saturday evening in St. John's Episcopal church in Fort Worth with the Rev. Sherwood S. Clayton, rector, officiating.

Forming the background for the candlelight ceremony were palms and calla lilies and smilax covered the arches throughout the church. Pre-nuptial music and selections through the ceremony were played by Miss Evelyn Bevan, organist, who also played the wedding march and accompanied Miss Carolyn Webster, who sang Schubert's "Ave Maria."

The bride, who was given in marriage by her father, wore a Fox-Browning dress in ivory blue. A panel of satin and lace from the wedding dress of her maternal grandmother was used in her frock. Her hat with a fingertip will match the dress. The bridal bouquet was of bride's roses and gardenias.

Miss Emma Moyar attended her sister as maid of honor. Her dress was a Madame Wynn model in crushed raspberry with shoes and hat to match. She carried an arm bouquet of delphinium and carnations.

William Kelley of Kermit, was his brother's best man and the ushers were John B. Moyar, brother of the bride, Thomas C. Borison of Beaumont, cousin of the bride, Hogue Williams, Hamilton Wilburn Collins, and Audrey Brown, Lubbock, Robert B. Mitchell, Houston, and Eugene Faltner, Pampa.

Immediately following the wedding, a reception was held at River Crest Country club. The bride is a member of a Pennsylvania pioneer family. She was educated in the preparatory school of Gulf Park college and was graduated from University of Colorado. She is a member of the Kappa Kappa Gamma sorority.

Dr. Kelley was graduated from Texas Technological college and Baylor university medical school. He is a member of the Samuel clinic. The couple will live in Dallas after a wedding trip to the coast.

Couple Entertains With Dinner And Forty-Two Party

Mr. and Mrs. H. H. Keahey entertained with a holiday dinner and forty-two party in their home southwest of town this week. A prize was awarded to Melvin Whittechurch for high score in the games.

Attending were Mr. and Mrs. Billy Taylor and Mr. and Mrs. Tom Dean of Pampa, Jeff Earp, P. Earp, Mrs. Naomi Pleasant of Amarillo, Mrs. L. C. O'Neal, Billie, Betty, Joyce, and LaDonna, Mr. and Mrs. Melvin Whitechurch and son, Mr. and Mrs. Henry Urbanczyk, Mr. and Mrs. Vern Wyatt of Skellytown, Mr. and Mrs. T. S. Skibinski and Daniel, Mr. and Mrs. Jess Morris and Jack and Wilburn, Mr. and Mrs. McKnight, Mr. and Mrs. Roland Dauer, Johnnie Mae and Jimmy, Mr. and Mrs. Elbert Keahey and Herman, W. L. Walker, Ernest McKnight, Ray Kurtz, Lawrence Kurtz, C. C. Branch, Margaret Kurtz, Gertrude Kurtz, and Mr. and Mrs. H. H. Keahey.

Open House Held For Theta Kappa Gamma Sorority

Theta Kappa Gamma sorority entertained club members and friends with an open house and dance in the home of Betty and Gene Sperry this week. Thanksgiving decorations were used throughout the house and refreshments were served buffet style by candlelight.

Chaperoning the group were Mr. and Mrs. J. L. Sperry. Those attending were Elsie Pearl Smith, Billy Mounts, Betty Jane Sperry, Kenneth Mullings, Lucie Verna Wilkins, Bert Isbell, Rosey Brown, Imogene Sperry, Jack Morris, John Thompson, Garrie Jean Speed, Albert Kohn, Darrell Ford, Herton, Sloan, Betty Roundtree, Harold Smith, Bert Prigmore, LaVerne Luton, Clyde Luton, Jeanne Knox, Zeb Watkins, Howard Williamson, and Junior Brown.

Popular Couple Will Continue Studies At Tech

Announcement has been made of the marriage of Miss Margaret Spangler, daughter of Mr. and Mrs. I. W. Spangler of Pampa, and Burl Brooks Bickham, son of Mr. and Mrs. L. L. Brooks of Odessa, which was solemnized in the Lubbock Methodist church parlor at 11 o'clock Thursday morning.

Before an altar decorated with palms, white candles in candelabra, and all baskets of white mums, the Rev. Cecil R. Matthews, assistant pastor, read the double ring ceremony. Both circles of Woman's Missionary society of Calvary Baptist church will meet at 2:30 o'clock in the church for a Royal Service program.

Women's Missionary society of First Methodist church will meet at 2:30 o'clock in the church for a Royal Service program. Central Baptist Woman's Missionary society will meet at 2:30 o'clock in the church for a Royal Service program.

Women's Council of First Christian church will meet in groups. One, Mrs. Ora Wagner, 109 North Wynn, 2:30 o'clock; two, Mrs. Ebbey Gantz, 509 East Francis, 2 o'clock; three, Mrs. Don Hurst, 2 o'clock; four, at the church at 2:30 o'clock; five, Mrs. J. L. Love, 1005 West Wilks, at 2 o'clock.

Order of Rainbow for Girls will meet at 7:30 o'clock in the Masonic hall. Order of Eastern Star will meet at 2:30 o'clock in the home of Mrs. H. T. Hampton.

Miss Betty Jo Thurman will be hostess at the weekly meeting of Beta Gamma Kappa at 1:30 o'clock. Nasarene Woman's Missionary society will meet at 2 o'clock in the church. Ladies' Bible class, Francis Avenue Church of Christ will meet at 9:30 o'clock in the church.

WEDNESDAY Kilt Klub will meet at 4:15 o'clock in the home of Miss Patricia Bielt. Group one of Friendship class of First Methodist church will be hostess to the entire membership of the four groups at a Christmas party in the home of Mrs. Bob Hurst, 1409 North Wynn street, at 2:30 o'clock.

THURSDAY Contract Bridge club will meet with Mrs. W. C. Mitchell as hostess. Mrs. Jim White will be hostess to Triple Four Bridge club at 2:30 o'clock. Foursome club will meet with Mrs. Dave Taylor at 2 o'clock.

Susannah Wesley class of First Methodist church will meet in the home of Mrs. McIntire, 800 North Somerville street. A monthly meeting of the Council of Clubs will be held at 9:30 o'clock in the city club room.

A weekly meeting of Rebekah lodge is to be held at 7:30 o'clock in the I. O. O. F. hall. Young adult Christian Endeavor of First Christian church will meet at 7:45 o'clock.

SOLOISTS TO BE FEATURED IN MESSIAH

Among the soloists who will be featured in the annual presentation of The Messiah on December 14 in the First Methodist church are Mrs. Otis Truelove, left, and Fidel Reyes, right, both of Amarillo. Mrs. Truelove is to sing "Rejoice Greatly O Daughter of Zion," and Mr. Reyes' numbers are to be "Thus Saith the Lord" and "But Whom May Abide the Day of His Coming."

The couple left on a short trip after the reception and upon their return they will be at home at 219 Sunset Drive. Mrs. Daugherty was graduated from Sellers Beauty college in Ft. Worth.

Mr. Daugherty, son of Mr. and Mrs. J. L. Daugherty, 415 West Buckner avenue, was graduated from Estancia, New Mexico, high school and later attended West Texas State college in Canyon. He is employed at the Danziger refineries.

Mr. Daugherty, son of Mr. and Mrs. J. L. Daugherty, 415 West Buckner avenue, was graduated from Estancia, New Mexico, high school and later attended West Texas State college in Canyon. He is employed at the Danziger refineries.

Marion Wells Becomes Bride Of Bob Daugherty

Miss Marion Wells, niece of Mr. and Mrs. Claude Campbell, became the bride of Robert S. Daugherty Saturday morning at 10 o'clock in the home of the officiating minister, the Rev. Robert B. Shen, minister of the First Presbyterian church.

The impressive ring ceremony was read before a group of relatives and friends. The bride was attractive in a green suit trimmed with fox fur. She wore brown accessories and a corsage of yellow roses.

An informal reception in the home of the bridegroom's sister, Mrs. Rufe Thompson, 420 North Gray street, followed the ceremony. An arrangement of chrysanthemums and snapdragons centered the table. The couple left on a short trip after the reception and upon their return they will be at home at 219 Sunset Drive.

Mrs. Daugherty was graduated from Sellers Beauty college in Ft. Worth. Mr. Daugherty, son of Mr. and Mrs. J. L. Daugherty, 415 West Buckner avenue, was graduated from Estancia, New Mexico, high school and later attended West Texas State college in Canyon. He is employed at the Danziger refineries.

Dinner Given By Pair For Children At Home This Week

Mr. and Mrs. J. G. Gantz entertained with a holiday dinner at home, 306 North Somerville street, for their children.

Games were played after which children attending were the Rev. and Mrs. Hallie Gantz of Lubbock, Mr. and Mrs. H. T. Gantz of Pampa, Mr. and Mrs. Emil Stueben of Skelly, Mr. and Mrs. S. S. Gantz of Pampa, Mrs. Bessie Jones of Laketon, Mr. and Mrs. Jimmie Garrett of Pampa.

Grandchildren present were Billie Rogers, Don Ronald, Joan Lanell, Julia Jean, Mary Lou, Richard Dale, Charles Baker, David Kent, and Dorothea Ann.

H. A. Gilliland Has 21st Holiday Dinner At Hotel

For the twenty-first consecutive year, H. A. Gilliland entertained with a Thanksgiving dinner in the Hotel Schneider on Thursday. Thanksgiving baskets marked the places and centering the table was an arrangement of chrysanthemums, autumn leaves, and yellow candles.

Mr. and Mrs. Gilliland were host and hostess to Carl Benefield, Mr. and Mrs. D. B. Jamison and children, Nancy and D. B., Jr., Mr. and Mrs. Alfred Gilliland, Mr. and Mrs. J. P. Wehrung, Jimmy Avery, Alice Marie McConnell, and the Rev. James Todd, Jr. Mr. Todd has been a guest of Mr. Gilliland at Thanksgiving dinner for the past 14 years.

Review Of Book Given At Meeting Of Shamrock B-PW

Special To THE NEWS SHAMROCK, Dec. 2.—Business and Professional Women's club had as their guest entertainer this week Mrs. Bedford Harrison who reviewed the book, "April was When It Began," by Barry Benefield.

At the business meeting the club decided to hold its annual Christmas party for the underprivileged children of the city at the community house on the night of Dec. 22. Misses Nell Adams, Lois Buice, and LeLammus were appointed as a committee to make arrangements for the party. A good program will be provided and each child attending will receive a bag of fruit, candy, and nuts.

The regular club Christmas tree was voted for Dec. 13, when club members will exchange presents and hold their own Christmas tree. Twenty-two members and guests attended the meeting.

Bastion-Barrett Nuptial Vows Solemnized Here

In an impressive double ring ceremony solemnized Friday night at 7 o'clock in the home of Mr. and Mrs. C. F. Bastion, Miss Lorene Bastion became the bride of Radford J. Barrett of Amarillo.

The Rev. B. A. Norris, pastor of First Christian church, officiated at the service which was read before an impressive altar banked with ferns, palms, and American beauty roses.

As the bridal party entered, Mrs. B. A. Norris played "I Love You Truly" at the piano. The bride, who was given in marriage by her father, was dressed in a black and white ensemble with a white chiffon blouse shirred at the neckline, waist, and cuffs, and a red velvet girdle. Her corsage was of American beauty rose buds.

Dinner was served following the ceremony at a lace covered table centered with red roses and white sweet peas. The bride served the three-tiered wedding cake after dinner. The couple left for their home in Amarillo at 10:05 Buchanan street. They will take a trip during the holidays.

Guests were Mr. and Mrs. Dave Bauer, Mr. and Mrs. S. A. Duckworth, Mr. and Mrs. Wallace Barrett of Shamrock, Mrs. H. C. Jones, and Dr. C. H. Schulkey. Miss Bastion was graduated from Pampa High school in 1931 where she was a member of the high school quartet and glee club. She has won high honors in the annual music contests held in Amarillo and was one of the charter members of Treble Clef club. Also Miss Bastion is contra alto soloist at the First Christian church. She was employed at the local Griffith Amusement company theaters for some time and for the past year she has been dental assistant to Dr. C. H. Schulkey.

Miss Bastion was employed at the Star Lumber company in Amarillo. The regular club Christmas tree was voted for Dec. 13, when club members will exchange presents and hold their own Christmas tree. Twenty-two members and guests attended the meeting.

Eighth District Radio Program Given In Amarillo

By KATHERINE SIMMONS
Under the sponsorship of the radio chairman, O. A. Schuster, Huntton, Mrs. C. E. Vincent, president of the LeFors local unit, presented the monthly program over KGNC, Wednesday, November 30, 7:15, from Amarillo. Producer and author of the safety skit, "The Doctor Takes a Holiday," was R. E. Falge, principal of the high school in LeFors. The last Wednesday night in each month is the scheduled

This is election year for district officers. On the nominating committee are Mrs. Hugh Cypber, Berger, chairman; Supt. W. C. Davis, Memphis; Supt. L. L. Sone, Pampa; Mrs. H. P. Clemmons, Dimmitt; and Mrs. Wesley Izzard, Amarillo. Any one who has a suggestion for the ten officers to be elected, send in names to this committee before the middle of January. The committee meets the last of that month.

Pampa Junior High Parent-Teacher utilized an entertainment given by the magician, Bob Clark, as the second money-raising event of the year, last week. Three-fourths of the 733 students attended the program.

The 1940 Parent-Teacher convention will be held in Dallas. Mrs. Weesendorf begins her second year as state president.

The district luncheon held in the Buccaneer hotel in Galveston during the state convention and attended by representatives from this district was acclaimed a success. W. C. Davis, Memphis, gave the invocation. Mrs. W. B. Lamaster, P. P. Fryton, was in charge of the program which featured Mrs. Scott Wood, Hot Springs, Arkansas, on the Coordinating Council. This topic is a division of Mrs. Lamaster's work as chairman of character education in this state. As special guest, Mrs. Joseph M. Perkins, Eastland, president of women's federated clubs, spoke briefly.

Judge W. N. Stokes, Amarillo, spoke on "Juvenile Protection" at the Weatherly Parent-Teacher meeting of Burger, last week.

Mind Your Manners

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. Should the parents of both the bride and groom be permitted to kiss the bride before other guests rush in?
2. Who sees to it that the mothers of both the bride and groom receive corsages?
3. Who pays for the bouquet of the maid of honor?
4. When a girl is walking down the street with two men, where is her place?
5. If you are a man and you bump into a woman in a crowd, should you lift your hat as you say "I beg your pardon"?
6. What would you do if—
(a) The woman in front of you in a theater has on a hat that obstructs your view. Would you—
(1) Lean forward and ask her if she would mind taking it off?
(2) Say in a voice loud enough for her to hear: "Why in the world don't women take off their hats in theaters?"

Answers

1. Yes.
2. The groom.
3. The bride's family.
4. Between them.
5. Best "What Would You Do" solution—(a).

Convention Report Given At Meeting Of Skellytown P-TA

Special To The News
SKELLYTOWN, Dec. 2—A brief report of the Parent-Teacher Association convention held in Galveston recently was given by Mrs. H. E. Crocker, president of the Skellytown P-T-A, and delegate to the convention this week when a regular meeting of the local organization was held at the school.

The program included several numbers by the Girls' Chorus, under the direction of Miss Fredda Charles Bills. The minutes of the previous meeting were read by Mrs. S. C. Dickey, secretary. A treasurer report of \$60.86 was given by Mrs. Beck, treasurer.

A motion was made by Principal Strickland to buy a used piano for the cafeteria in order to have music during the lunch hour by the pupils and on other occasions. Motion carried and a committee of Mrs. J. A. Arwood, Miss Fredda Charles Bills and Mrs. Strickland were appointed by the president to buy the piano.

One hundred and five paid members were reported in the Skellytown organization. Leaflets from the national parent of Parents and Teachers were distributed by the local president.

The meeting was dismissed and the parents visited in the respective rooms. A Thanksgiving program was carried by the second and third grade pupils of Miss Mildred Hochland and Miss Vivian Walters.

After the program refreshments of sandwiches, wafers, hot chocolate, and coffee were served by the second and third grade mothers, in the cafeteria.

Rubinoff To Give Concert Saturday In Amarillo Hall

MUSIC lovers here and from every other city in the Panhandle-Plains region are expected to be in Amarillo the night of Dec. 9 to hear Rubinoff and his violin.

According to word from Amarillo, many from this section are ordering reservations for the Rubinoff concert at Municipal auditorium there.

MUSIC lovers know the "Rubinoff Magic." When this artist of the radio and concert stage draws the bow over the strings of his Stradivarius, it is as though a human voice were speaking—a voice that runs the gamut of human emotions.

When Rubinoff appeared as soloist with the Chicago Philharmonic Orchestra he drew the largest crowd ever to attend a concert in the United States. . . . 225,000 by official estimate. This achievement became international news at the time.

Rubinoff came to America as a boy prodigy. Then the world-famous caption of "Rubinoff and his violin" had not been imagined. It was years later, on his rare debut, that it was introduced and since then has captivated millions of admirers.

The piano team of Jacques Fray and Mario Braggiotti, who will appear with Rubinoff, was formed in Paris in 1928 and is today recognized as being the world's most brilliant and versatile piano duo.

With a background of classical training and a flair for modern showmanship, these two young men entertain a New York theatre audience one night and the next day they hold the attention of Carnegie Hall listeners, and then again they "fill thrill the sophisticated tastes of an exclusive salon.

Tickets are on sale at Cretney's Drug Store in Amarillo, Pampa and Elmer, City Drug, Maxon Drug, J. Levy's, Freeman's Flower Shop, Amarillo Garage and Storage Co., Bush & Donnell in Amarillo, and at the Plains Drug Store in Dumas. Prices range from 50 cents to \$2. Tickets may be ordered by mail from Dave Kaufman, in care of Radio Station KGNC, Amarillo.

The blood vessels of an adult have a combined length of about 100,000 miles.

Cormorants dive more than 100 feet below the surface of the water in their search for fish.

Motion carried and a committee of Mrs. J. A. Arwood, Miss Fredda Charles Bills and Mrs. Strickland were appointed by the president to buy the piano.

One hundred and five paid members were reported in the Skellytown organization. Leaflets from the national parent of Parents and Teachers were distributed by the local president.

The meeting was dismissed and the parents visited in the respective rooms. A Thanksgiving program was carried by the second and third grade pupils of Miss Mildred Hochland and Miss Vivian Walters.

After the program refreshments of sandwiches, wafers, hot chocolate, and coffee were served by the second and third grade mothers, in the cafeteria.

Two Hostesses Entertain With Bridge-Luncheon

Special To The News
SKELLYTOWN, Dec. 2—Mrs. Mabel Ellsworth and Mrs. Howard Patton entertained members of Amigo club with a Thanksgiving bridge-luncheon Thursday afternoon at the home of Mrs. Ellsworth.

Cut flowers, place cards, tallies, and other table arrangements carried out the Thanksgiving motif. The turkey dinner was served at 1 o'clock to the twelve members, followed by bridge in which the following received the awards: Mrs. J. C. Jarvis, high and traveling, and Mrs. S. C. Dickey consolation.

Those attending were Mesdames Chester Strickland, Marshall Coulson, Ike Hughes, J. C. Jarvis, S. C. Dickey, L. R. Jones, Toward Patton, Alene Black, Joe Miller, Bill Harlan, Mary Ayres, Bill Price, and the hostesses.

The next meeting will be in the form of a Christmas party with a gift exchange in the home of Mrs. Bill Harlan with Mrs. Alene Black as hostess.

Walt Whitman To Be Topic Of Delphian Lesson

Walt Whitman, poet of the People, is the topic of a program to be presented at a meeting of Alpha Mu chapter of Delphian society Friday afternoon at 2:30 o'clock in the city club rooms with Mrs. Tom Duvall as leader.

Opening the discussion Mrs. Monroe Neely is to give "Ideal Poetry for the Poem, 'America,'" after which Mrs. Garnet Reeves will present "Innovation in Whitman's Theory." After Mrs. T. F. Morison discusses "Concuring and Dissenting Opinion," Mrs. N. F. Maddux is to give "Whitman's Theories and Philosophic Anarchism."

Other topics on the program will include "Starting From Pampa" by Mrs. O. E. Cary; "Becoming a Writer" by Mrs. J. R. Sparran; "Whitman, Skillful Artist or Posturing Ecstasist" by Mrs. E. B. Tracey; "The Effect of His Book Upon Whitman" by Mrs. Wiley Pealce; and "The Artistic Reaction of the Public to 'Leaves of Grass'" by Mrs. Lee Harrah.

Preceding the discussion of "Assaying the Judgment of the Public" by Mrs. W. A. Breining, Mrs. H. B. Landrum is to give "The Moral Reaction," Mrs. M. P. Downs is to give "Public Service and Public Requisition" after which Mrs. Roy McMillen will discuss "A Poet for an Age or for the Ages" and Mrs. J. C. Volmert is to give "Whitman and the People."

The average horse lives to be about 20 years old if properly taken care of and normally worked.

Henry V was the first British monarch to pay a state visit to Paris; this occurred in 1420.

Convention Report Given At Meeting Of Skellytown P-TA

Special To The News
SKELLYTOWN, Dec. 2—A brief report of the Parent-Teacher Association convention held in Galveston recently was given by Mrs. H. E. Crocker, president of the Skellytown P-T-A, and delegate to the convention this week when a regular meeting of the local organization was held at the school.

The program included several numbers by the Girls' Chorus, under the direction of Miss Fredda Charles Bills. The minutes of the previous meeting were read by Mrs. S. C. Dickey, secretary. A treasurer report of \$60.86 was given by Mrs. Beck, treasurer.

A motion was made by Principal Strickland to buy a used piano for the cafeteria in order to have music during the lunch hour by the pupils and on other occasions. Motion carried and a committee of Mrs. J. A. Arwood, Miss Fredda Charles Bills and Mrs. Strickland were appointed by the president to buy the piano.

One hundred and five paid members were reported in the Skellytown organization. Leaflets from the national parent of Parents and Teachers were distributed by the local president.

'Elizabeth And Essex' Opens Here Friday

Colonial Days, Great War Theme Of Other Fine Films

By BROWNWOOD EMERSON

Action, color, glamor: each of these elements are salient in photoplays booked for this week in Pampa theaters.

Warner Brothers magnificent screen presentation in Technicolor of Maxwell Anderson's stage drama, "The Private Lives of Elizabeth and Essex" shows Bette Davis as England's Queen Elizabeth in 1598, and her performance in that role makes the film a vital, vivid thing.

Personal tragedies are blended with political intrigue, and all are overshadowed by uncontrolled ambitions. Pageantry occasionally brightens this sombre tapestry on which a queen's romance is woven, but for the most part the theme is grim.

The musical score, composed by Erich Wolfgang Korngold, is a masterpiece.

Errol Flynn as the Earl of Essex, is co-starred with Academy Award winner Davis. The film is showing at the LaNora Friday and Saturday.

Another Technicolor film, Darryl F. Zanuck's 20th Century-Fox screen version of the Walter D. Edmond novel, "Drums Along the Mohawk," opens at the LaNora today for a three-day run. Claudette Colbert and Henry Fonda top the cast in this stirring story of New York's beautiful Mohawk valley and the colonists there who faced the onslaughts of the Iroquois and the British at the time of the American Revolution.

England Of 1499

The Rex picture today shows another England from that of Elizabeth's, the England of a century before Good Queen Bess' time. Universal's "Tower of London" has John Sutton and Nan Grey, the latter of Houston, Texas, as the romantic leads. The pair is instrumental in saving England from treachery at the hands of Richard III. Basil Rathbone is starred. Boris Karloff, Barbara O'Neil, Ian Hunter, and Vincent Price are other principals of the cast of thousands.

France Of 1918

Jumping from the tight little isle in the days before Columbus, another film opening today shows the present. It's a significant photoplay, especially at this time when Russia, Finland, Germany, England and France are once more fighting a war that technically ended in 1918.

"The Road to Glory," at the Crown, shows men at war with realism in this 20th Century-Fox film of the drama of a soldier father and a hero son—and lovers who dared not care. Warner Baxter is cast as the war-weary commander of a war-torn sector. Fredric March is seen as his chief aide, and Lionel Barrymore as the aged soldier-father who doggedly returns to the front, no matter how often he is sent back. June Lang and Gregory Ratoff are featured by Darryl F. Zanuck, production chief. Direction is by Howard Hawks.

REX

Warner Brothers "Pride of the Bluegrass" is, as the title indicates, a horse racing story, with Edith Fellows and James McCallion heading the cast, but with the 15-year-old blind horse Elmer Canty that jumps steeply over hurdles with the sureness of sure-sighted hunter as

ROMANCE IN TECHNICOLOR

Technicolor debut is marked by Claudette Colbert in Darryl F. Zanuck's production of "Drums Along the Mohawk," which co-stars her with Henry Fonda (the two pictured above)

FIFTEENTH CENTURY DRAMA

Basil Rathbone is seen as King Richard III and Ian Hunter as Edward IV in Universal's "Tower of London," a story of 15th century England, opening a three-day run today at the Rex.

the central figure in the story. The Baltimore Stakes, Kentucky Derby, and Aintree Grand National races are shown in the film. Wednesday at Thursday.

STATE

What happens when a man leaves his wife and four small daughters, then returns 20 years later is the basis of the plot of First National's "Daughters Courageous," which has Priscilla Lane, Rosemary Lane, John Garfield and Claude Rains as principals in the cast. Today and tomorrow.

"Zenobia," Hal Roach-United Artists comedy, is a story of an elephant named Zenobia that becomes so attached to a doctor who has been kind to her that her owner tries for alienation of affections. Oliver Hardy, Billie Burke, Jean Parker, Harry Langdon, and Alice Brady are in the cast. Tuesday.

THIS WEEK IN PAMPA THEATERS

CROWN

Today, tomorrow, and Tuesday: "The Road to Glory," Fredric March, Warner Baxter, Lionel Barrymore and June Lang; Walt Disney cartoon "Donald's Penguin," and news.

Supt. Cryer Attends Teachers Convention

Special To The NEWS

McLEAN, Dec. 2.—C. A. Cryer superintendent of the McLean Independent School District, is in San Antonio and Austin this week attending the annual teacher's convention.

In Austin, he will serve as a member of a committee called by Gov. W. Lee O'Daniel to discuss various phases of the state school system.

Other teachers making the trip are Mary Lou McElhenny, Mota Mae Shaw, and Ruth Anslay.

Irish Band Parents Discuss Band Clinic

Special To The NEWS

SHAMROCK, Dec. 2.—At the called meeting of the Shamrock Irish Band Parent's association on Monday night plans for the band clinic to be held in Shamrock on Dec. 8 and 9, was the chief topic of discussion.

New music, of the contest type, which most schools cannot afford to purchase in quantities, has been

ordered for the clinic. The contest pieces include five numbers each for class A, B, C, D and E bands which has been selected for the spring contest.

FUR MITTENS

Winter sports gloves must have both warmth and smartness. New mittens of soft natural gray rabbits' fur lined with knitted wool have both these requisites, and are practical as well as good looking, since the natural gray pelt shows practically no soil. They come in large and medium sizes.

British Fleets To Be Shown In March Of Time

The American people will have an opportunity to see an especially significant film story of the British Navy this month with the release of the March of Time entitled "The Battle Fleets of England." The film will be shown at the LaNora here on December 22-23.

Production of "The Battle Fleets of England" was begun two months ago when Lord Mountbatten and the late Sir Roger Backhouse, after negotiations with the British Admiralty, made it possible for The

March of Time to be the first motion picture company ever permitted to film the complete activities of the British Navy.

An March of Time cameraman completed each phase of their assignment, their undeveloped film was immediately shipped to New York. They were still shooting aboard British Naval vessels in the North Atlantic and in the Mediterranean when England declared war on Germany. Some scenes, filmed in the fortified British colony of Hong Kong, China, were sent to the United States by Trans-Pacific Clipper plane after war broke out.

Cecil John Rhodes, South African statesman, founded the system of Rhodes scholarships for "the enlightenment and union of mankind to secure universal peace."

SERIAL STORY 5 WOULD KILL BY TOM HORNER

Yesterday Joey Al Torino... he might have had some indication of where to search.

CHAPTER XVI JOHN DOUGLAS waited until he could no longer hear Jameson's voice as the butler led Ara up-stairs, then swiftly went to work.

That eliminated the two top shelves. Too high. And the bottom row too. Douglas knew that the book he sought was not on the left of the fireplace.

He could hear Dawson's voice, and the Italian's, just outside the door, but he couldn't make out the words. If Dawson should come back! That was a chance he had to take.

As he worked he pondered Ara's reaction to the detective's accusation. Had she actually planned to blame Benthorne's murder on him?

Even if she had put him on the "spot," he couldn't stop loving her. He'd loved her from the first moment he spoke to her, in the coffee shop.

Love battled doubt as his thoughts raced on. He couldn't hope to go through every book in the room. There were hundreds. If only some of them were dusty.

Receipts. Notations. Memoranda. And almost on the bottom of the pile, a letter from the Great Northern Mining company.

Douglas shoved the clock back in place, gently started the pendulum once more. Tic-tac, tic-tac. Funny how soft it sounded now.

Where could he hide this stuff? Mrs. Benthorne might know of the mantel hiding place, but he doubted it. No use taking fly chances.

He glanced around the lawn below him. That watering can, half hidden behind a clump of evergreens.

"I WAS just coming in the doorway here, when I heard the cop's whistle," Joey was explaining to Dawson as they stood at the street entrance of the passageway.

How about the wall panels? He tapped several, cautiously, afraid that the detective might hear him. No hollow sounds there.

The fireplace? He pulled at its projections, pushed its ornaments, hoping against hope that one might give or snap open a concealed strong box.

And it was getting louder with every stroke. He'd fix it, stop it. Maybe Dawson would not notice.

A MOMENT later he was reading through Ara's letters, her pictures and the marriage certificate were in his pocket. Clever of Benthorne to have the clock over that recess in the mantel. There were other papers too. Re-

ceipts. Notations. Memoranda. And almost on the bottom of the pile, a letter from the Great Northern Mining company.

Douglas shoved the clock back in place, gently started the pendulum once more. Tic-tac, tic-tac. Funny how soft it sounded now.
