Sharing The Comforts Of Life

By R. C. Hoiles
ANSWERING A DEFENDER OF COLLECTIVE BARGAINING

A contributor, who tries to defend collective bargaining but will not answer specific questions about it, likes to bicker on the meaning of the words "collective bargaining." He contends that the citizens of the United States and of the different subdivisions are collective bargaining groups.

When the words "collective bargaining" are used in making labor contracts, they have an entirely different meaning from entering into a voluntary agreement in making a nation.

Collective Bargaining Means Closed Shop
He has in mind a collective bargaining group whose objective always is a closed shop.

Meaning of Self Preservation
Certainly, self-preservation is the first law of nature. The contributor contends, but when one group, by a collective bargaining agreement, gets together and compels and coerces and robs other groups, that is not preserving the nation; that is creating strife within.

Mexico Demurs On Oil

(Christian Science Monitor)

One cold fact to which American and British public opinion apparently may well accustom itself is that Mexican public opinion, however fairly or unfairly, supports thus far the Cardenas Government in its expropriation of American and British oil properties.

One of the first reactions may have to do with the silver question. Mexicans evidently view the treatment of oil resources south of the Rio Grande purely as an internal question.

Iowan Complains Of Poll Tax Payments

WASHINGTON, April 13 (AP)—Chairman Gillette (D-Iowa) said today that his special Senate Election committee had received complaints that "wholesale payment of poll taxes" were being used to influence selection of delegations to national presidential nominating conventions.

The Senator said the sources of the complaints must remain confidential until after the committee acted, but commented that it appeared to be a "very fertile field" for investigation.

"One factor could be used more to influence the election than these poll tax statistics," he said. "For instance in a state with a poll tax of \$2.00, boosters for a presidential candidate could go in and swing an important bloc of votes by spending \$5,000."

Gillette said investigations had been asked in "all states where payment of poll taxes is a requisite for voting."

There are 30 states which have a poll tax of some sort, but payment of the tax before voting is required in only about half this number, chiefly southern and western states.

Sybil Lee Johnson Passes At Miami

MIAMI, April 13—Funeral services for Sybil Lee Johnson, 8, were conducted at 8 o'clock Saturday afternoon in the Miami Baptist church by the Rev. Harold Cornelison, pastor, and the Rev. W. A. Hitchcock, pastor of the Miami Methodist church.

Burial was in Fairview cemetery, Pampa, by the side of her grandfather, J. A. Lee, under direction of Clay's Funeral home of Pampa.

The child died unexpectedly Friday afternoon at the home of her grandmother, Mrs. J. A. Lee, with whom she made her home.

Survivors are her mother, Mrs. Carrie Bell Christian, and her stepfather, R. L. Christian, Antelope; a brother, Grady Carl Johnson, and sister Ellen Ruth Johnson, Antelope, and her grandmother, Mrs. Lee.

Burial was at 2 o'clock Saturday afternoon in the Miami Baptist church by the Rev. Harold Cornelison, pastor, and the Rev. W. A. Hitchcock, pastor of the Miami Methodist church.

NEW DEAL AND LACK OF CAPITAL FLOW

Mr. Stuart Chase, a consulting economist for the Securities Exchange Commission, has written two articles in Harper's Magazine on the question of the stagnation in the flow of capital.

It is high time that the views typified by these Chase articles be taken apart and revealed for what they are—defeatism, a definite New Deal policy with respect to capital flow, and build-up for more socialism.

Nazis Claim Victories On Land And Sea

By ALVIN J. STEINKOFF
 BERLIN, April 13 (AP)—Germany challenged the full power of her foes tonight to break her steadily-reinforced hold on Norway and Denmark as she consolidated her gains amid furious British thrusts from the air and acclaimed the sinking of two British submarines by her own warships.

"The German position in Scandinavia is impregnable against the mightiest blows the enemy can possibly deliver," authorized commentators proclaimed.

Their cry of defiance came at the end of a day in which main developments recorded by Germans included:

1. Warplanes cruising over the North sea surprised two British submarines as they came to the surface and sank them at the same time.
2. DNB, official news agency, took cognizance of reports abroad that the 8,250-ton British cruiser York had been sunk. It said it was assumed that the York was the vessel which the high command reported had been hit by air bombs and incapacitated two days ago.
3. German crews have taken over all Norwegian war vessels found in the Nazi occupation of the Northern kingdom.
4. Steady stream of German soldiers continued to move across the Skagerrak, reaching Oslo "in large numbers," while heavy artillery went to Trondheim to strengthen the captured Norwegian coast defenses.
5. German penetration of the Norwegian interior continued relentlessly and in the far north their troops took over the Narvik railway which brings Swedish ore to the Arctic.
6. British air attacks were ineffective, raiders losing 12 planes yesterday while the Germans were losing five.

The British navy cannot lay mines in spots which its ships cannot reach," they said.

German Suspicions

Yet, in the midst of all derogatory references in the German press to the British as a fighting nation, many Germans feel Britain is preparing something unusual.

These sources said that Britain's initial naval rally into Narvik last Wednesday and action generally in the North sea has been "planless" and from this they deduced the present activity is desultory only because something methodical is in the offing.

With Denmark under German control and the campaign in Norway proceeding, Sweden was seen by Germans to be veering from what was interpreted here as hostile neutrality toward Germany to benevolent neutrality.

The Swedish government, according to information received in the Wilhelmstrasse, appeared to have given assurances that the press and radio no longer would depend upon news alleged to be of British and French origin and hence hostile to Germany.

Informed sources asserted there was a practical economic side to the question of Sweden's neutrality.

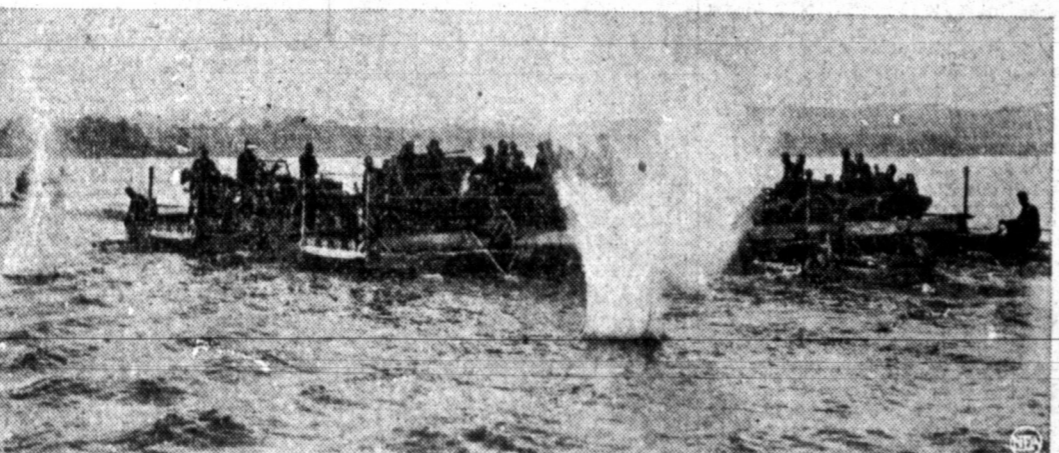

When the Port of Lulea, at the head of the Gulf of Bothnia, becomes ice free next month, it was considered likely that Germany would try to have iron ore from northern Sweden shipped from there rather than along the Norwegian coast regardless of how strongly

Battle Planes Enter the Picture of Modern War at Sea

A new—and perhaps vital—element is present in today's sea battles that naval strategists of the World War did not have to contend with. The new factor is the fighting plane, dropping bombs which may prove more deadly to battleships than the sea's gunfire. The artist's conception, above, where squadrons of bombers have been superimposed upon a painting of the World War Battle of Jutland, gives you a preview of a modern major naval engagement.

Realistic Rehearsal for a Blitzkrieg

Practice makes perfect—especially when it is such realistic practice as that pictured above. A mechanized detachment of the German army, including a tank, T-top cars and motorcycle units, is being ferried across a river during recent maneuvers in Germany. Wartime conditions were simulated by planes which dropped the bombs seen exploding around the pontoon rafts.

Southwestern Has Centennial Birthday

GEORGETOWN, April 13 (AP)—Southwestern University celebrated its centennial anniversary today.

Educational leaders and prominent churchmen throughout the country participated in the services.

German forces may have become entrenched along the latter.

Beyond that, neutral military experts in the German capital said they felt Sweden may yet be the force of circumstances be drawn into Germany's military orbit, despite the present German disavowal of any plans for "protecting" her,

marking 100 years of higher education in Texas.

President Homer P. Rainey, of the University of Texas delivered the principal address at the opening program.

"With a high percentage of youth now pursuing college preparation for the professions, and the natural limit to the number which these professions can absorb, we face a great need for the readjustment of secondary and higher education," Rainey said, "and as we enter the second century of education in Texas we find that a real foundation for a splendid dual system between the church colleges and state institutions has been laid to cope with these necessary changes.

Noted Flier Will Visit Here Thursday

Col. Roger Q. Williams, rated as one of the five leading flyers of the United States, will be a Pampa visitor Thursday.

He will be guest speaker at a joint luncheon meeting of the Pampa Lions club and the Chamber of Commerce at noon in the basement of the First Methodist church.

Pampa, other than members of the Lions club, are urged to make reservations by noon Wednesday at the Chamber of Commerce, telephone 383.

Col. Williams attained world fame 10 years ago by his flight, from New York to Rome. He also made the first pioneering non-stop flight to Bermuda and back. He has 14,000 hours in the air and flown more than 1,500,000 miles.

He is now engaged in a unique educational program, sponsored by Reader's Digest, whose Fairchild four-passenger plane he is flying. The program is to bring aviation to the most people possible which is through clubs and organizations of all types.

Col. Williams will take several persons who have never been in a plane on flights over the city.

Scout Official To Visit Here Tuesday

An expansion program for the Adobe Walls Boy Scout council will be planned at a meeting of the executive board Tuesday night at 7:30 o'clock in the city hall.

The program will be outlined by Earl McClure of Dallas, deputy regional executive, who will pay an official visit to the council.

Executive Fred Roberts of the council will inform the board members that Hemphill county has given the council a beautiful camp site north of Lake Marvin. The land for the camp has already been laid off and fenced. It is in a beautiful grove of trees along a creek. Near the site are hills and a bog filled with nesting ducks.

The camp site is less than a quarter of a mile from the lake.

The 1940 camp will open May 26 and will last as long as enough boys register.

Goodrich And Thompson Enter Race For Marvin Jones' Seat

DISTRIBUTOR

R. E. Gatlin, above, starts a new business venture as Studebaker dealer here. Mr. Gatlin for the past 10 years has owned the Consumers Supply company, located at Gillespie and Atchison. He will continue that business in addition to his Studebaker dealership, and will also handle the agency for the new Ford tractors. Vestal Moseley will be associated with Mr. Gatlin in the new automobile dealership.

Two candidates jumped into the race for Marvin Jones' congressional seat during the week-end. Railroad Commissioner Ernest Thompson definitely decided not to make the race for governor and announced for the 18th district congressional post that pays \$10,000 a year.

Lewis Goodrich, of Shamrock, formerly district attorney, and unsuccessful candidate for state attorney general in 1938, announced today. Yesterday it was reported that Carl Studer of Canadian was considering making the race, and that Dennis Zimmerman of Tulsa would announce for the office soon.

Friday Rep. Eugene Worley of Shamrock announced. Walter Rogers of Pampa, former city attorney, will throw his hat into the ring in a few days, it was reported last week.

James O. Cade and Mayor Ross Rogers, both of Amarillo, have been mentioned as probable candidates. Grover B. Hill, of Amarillo, announced Saturday that he would not run.

Rep. Worley who was in Pampa Saturday announced that he began his campaign Friday. The day he announced, and was in there to win. He said he would immediately begin a canvass of the district, and said he "hoped to shake the hand of every man" in the 28-county district.

Mr. Goodrich promised a formal announcement in the near future. He said that he had told his friends "for a number of years that when Marvin Jones place became vacant he would appreciate the opportunity of trying to follow Marvin's splendid example as a public servant."

The News has not received a statement from Mr. Thompson who announced for the office in Amarillo.

Polio Center Cornerstones To Be Laid Today

Keith Morgan, below, representing the National Foundation for Infantile Paralysis, today will lay the cornerstone of the first unit of a new Texas Warm Springs Center for crippled children near Gonzales. He will arrive in Texas from New York by plane Saturday and will make a radio address at the cornerstone ceremonies at 2 o'clock afternoon. He is national chairman of the committee for the Celebration of the President's Birthday and is trustee and chairman of the finance committee of the Georgia Warm Springs foundation.

While in Dallas Morgan will be the guest of Waverly Briggs, vice-

chairman of the Texas committee of the National Foundation for Infantile Paralysis, who will accompany him to Gonzales.

Cornerstone-laying ceremonies on the first unit of the Texas Warm Springs Center will be broadcast over radio station WOC at San Antonio and KPRC in Houston, beginning at 2 o'clock. The ceremonies will be held on the Foundation's beautiful 40-acre site 12 miles north of Gonzales adjoining Palmetto State park.

Ray Hopkins, of Houston, Harris county judge, will be master of ceremonies. Short talks will be made by J. C. Kellam, state director of the National Youth Administration; Dr. L. A. Woods, state superintendent of public instruction, and Waverly Briggs, who will introduce Mr. Morgan. The national chairman will make the principal address and cement into place the corner stone of the center's first building, now more than half complete.

Directors to Meet
 Thousands of visitors from over a wide section of Texas are expected to gather for the ceremonies Sunday afternoon and to inspect construction progress on the center which many have helped to bring into being through contributions.

Directors of the Gonzales Warm Springs Foundation, a non-profit organization, will gather for their annual meeting in the morning.

Following the cornerstone ceremonies visitors will be given opportunity to view a spectacle of beauty in the adjoining park, where a wild flower show will be in progress. More than three hundred varieties of wild flowers are to be found growing in the warm springs area, and an unusually beautiful display is being arranged for the sixth annual show sponsored by the Otine Garden club.

The first unit of the crippled children's convalescent and rehabilitation center is being constructed through a \$20,000 NYA project. When completed next month it will provide dormitories for children, nurses quarters, indoor and outdoor warm water pools and other treatment facilities.

QUIZ FOR OWNERS OF LOWEST PRICE CARS

PROF. QUIZ says "O.K. folks, how about answering a few questions?"

LISTEN TO THE ORIGINAL PROF. QUIZ PRESENTED BY TEL. LIQUID SERVICE, FRIDAY, 6:35, 7:30 EST., 4:30 CST.

- Q. Which lowest price car proved its superior gas economy in the Gilmore-Yosemite Sweepstakes?
 A. The car that averaged 29.19 miles per gallon and defeated all the other largest-selling lowest price cars in gas economy by 17% to 29%. This remarkable performance was made, under A.A.A. supervision, by a Studebaker Champion with an expert driver and low-extra-cost overdrive.
- Q. Which lowest price car stands up remarkably under punishing driving?
 A. Night and day, for 15,000 miles each, two cars traveled around Indianapolis Speedway, at better than 60 miles per hour, without a single structural defect showing up. The two cars were Studebaker Champions—soundest, strongest cars in the lowest price field.
- Q. Which lowest price car has the most attractive styling?
 A. The only lowest price car that is designed to perfection, inside and outside, by internationally famous Raymond Loewy—noted for his achievements with streamlined trains, airplanes and steamships. This car is the beautiful, luxurious Studebaker Champion.
- Q. Which lowest price car rides most comfortably?
 A. The only lowest price car that's equipped with self-stabilizing planar suspension and finest hydraulic shock absorbers—the car with an exceptionally low center of gravity that insures steadiness. This lowest price car is the safe, sure-footed, restful riding Studebaker Champion that makes even rough roads seem smooth.
- Q. Is this Champion a real Studebaker?
 A. Yes, every sound, solid inch of it. Come in and go for a 10-mile drive and see for yourself. Low down payment. Easy C. I. T. terms.

In the lowest-price field

Pampa Wins Team Trophy As North Champions Beat South Winners 8-5

Shamrock Wins District Track-Field Meet

Higgins 2nd And Phillips Takes Third

Shamrock won the district two track and field meet here Saturday by taking 15 places for a total of 49 points. Shamrock replaced the Pampa Harvesters as district champions, the Harvesters placing sixth with only four points.

Although winning only three first places, the high jump, the discus and the relay, the Irish had point winners in all but one event. The Irishmen dominated the high jump by placing three men. They put two men in five other events.

Next to the champion Irish was Higgins with 29 points to beat Phillips with 25 points. Other teams placing were Wheeler, Berger and Kelton, with 11 points each, LeFors and Booker with five points. Pampa with four points and Follett with two points.

Only record to fall was the broad jump in which Forbau of Higgins roared 21 feet 11 inches to shatter the old mark of 21 feet 1 1/2 inches. Forbau was high point man of the meet with 12 points. Sickles of Berger placed second with 10 points, followed by Wilson of Shamrock with 8 1/4 points.

Because of a slow track, records were not in any great danger of falling. Weight and distance men came close but only Forbau could beat any of the existing records.

Higgins led the relay for two laps and half way through the third when Shamrock came to the front. Higgins, anchor, coasted into the tape. Reeves of Kelton had an easy time winning the mile run.

Pampa's only points went to Pat Flanagan, who placed third in the shot and fourth in the high hurdles. Qualls won fourth in the high hurdles.

Track and field results follow: 120-yd. high hurdles—Patton, Higgins; Puetz, Shamrock; Clark, Shamrock; Qualls, Pampa. Time 1:2.

100-yd. dash—Sickles, Berger; Southern, Shamrock; Ogle, Phillips; Lanford, Shamrock. Time 10.4.

Pole vault—Earhart, LeFors; Holmes, Shamrock; Groves, Wheeler; Pinegar, Higgins. Height 11 ft.

800-yd. run—Birdsong, Phillips; Newberry, Phillips; Pinegar, Higgins; Chance, Shamrock. Time 2:18.

Shot put—Baker, Phillips; Forbau, Higgins; Flanagan, Pampa; Wilson, Shamrock. Distance 43.2.

220-yd. hurdles—Williams, Higgins; Groves, Wheeler; Laubhan, Follett; Price, Higgins. Time 2:8.

440-yd. dash—Alexander, Phillips; Lawson, Booker; Roden, Shamrock; Whitley, Kelton. Time 54.5.

Broad jump—Forbau, Higgins; Wilson, Shamrock; Holmes, Shamrock; Oates, Booker. Distance 21.11 (new record).

220-yd. dash—Sickles, Berger; Ogle, Phillips; Lanford, Shamrock; Southern, Shamrock. Time 23.5.

High jump—Puetz, Shamrock; Clark, Shamrock; Holmes, Shamrock; Price, Higgins. Tied. Height 5.5.

Mile run—Reeves, Kelton; Metcalf, Shamrock; Casper, Wheeler; Winks, Berger. Time 5:32.

Javelin—Price, Kelton; Groves, Wheeler; Forbau, Higgins; Casper, Wheeler. Distance 156.4.

Mile relay—Shamrock; (Sewell, Wilson, Lanford, Roden); Phillips; Higgins; Booker. Time 9:45.

Discus—Bruce, Shamrock; Wilson, Shamrock; Forbau, Higgins; Flanagan, Pampa. Distance 101.7.

Rural pentathlon—Levon James of Bethel school, Wheeler county (uncontested).

Junior Baseball Players To Work Out On Monday

All junior baseball players are called to practice on the Magnolia diamond on East Foster avenue at 4 o'clock Monday afternoon. Forty boys appeared at the last practice and more are expected to be present Monday.

Because of the large number of boys interested in junior baseball, an effort will be made to have several teams sponsored. The American Legion is sponsoring a team that will be entered in the National Junior Baseball conference.

Any person, firm or company interested in sponsoring one of the many teams that can be organized is urged to contact Joe Roche, chairman of the Baseball committee of the American Legion, or the Sports Editor of the Pampa News.

The Legion can use only 14 boys on their squad and unless other teams are sponsored many boys will not continue to play.

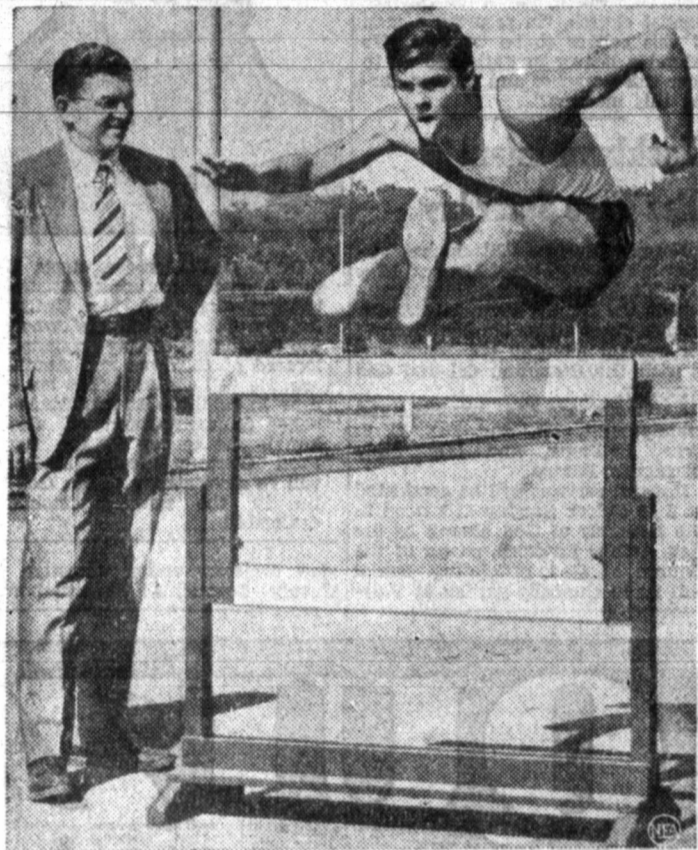

Hopkins Wins From Granview 14 to 12

Special To The NEWS
HOPKINS, April 13—The Hopkins school football team played for Grandview Tuesday afternoon. The team was accompanied by Walter M. Parker, principal, and A. W. Coltharp, coach.

The Hopkins team won by a score of 14 to 12. Those on the Grandview team were Myrel Loper, Bob Babcock, Bud Babcock, Earl Loper, James Gray, John Boone, Donald Ritter, Ike Kuitkendall, Merle and Jim McCracken.

Keeping Form in the Family

Bob Strehle, Pomona College track coach, turns a critical eye on son Bob as he takes a hurdle at Claremont, Calif. Bob, a sophomore, is iron man of the team, running the 100, 440, high and low hurdles and participating in the high jump and pole vault. The elder Strehle who serves as starter at the Drake Relays, N. C. A. A. and Coast Conference meets, also was a track star at Pomona in his undergraduate days.

First Lineup Selected By Canyon Coach

CANYON, April 13—Despite gusty, cold weather, spring football training continued at Texas State College, where Jack Curtice and Leslie Van Meter constitute the new coaching regime.

Two squads are being drilled for heavy scrimmages and for demonstrations at the first annual spring coaching school May 11. A shower of enthusiastic responses has indicated the gridiron clinic will attract a large crowd of high school coaches and their picked men.

If the mentors should pick a starting lineup at this time it might include the following: Left end, Dewey Johnson of Abernathy, co-captain, 180 pounds; left tackle, J. F. Meek of Gageby, 212 pounds; left guard, R. V. Wood of Floydada, 230 pounds; center, Pat Toombs of Amarillo, 190 pounds; right guard, Elwin Ricketts of Amarillo, 220 pounds; right tackle, Willard Childers of Canyon, 218 pounds; right end, Earl Stagner of Dimmitt, 185 pounds; left halfback, Jesse Cornell, Cleburne, 175 pounds; right halfback, Borden Price, Springlake, 175 pounds; quarterback, Lee McLaury, Amarillo, 200 pounds; fullback, Jim Foust, Littlefield, 185 pounds. Under the Curtice system, McLaury has been moved out of the line to the traditional quarterback post, where his aggressiveness is expected to make him an effective blocking back.

Almost as powerful, but showing less varsity experience would be another team as follows: Left end, Lance Kidwell, Vernon, 195 pounds; left tackle, Cletus Kuehler, Group, 205 pounds; left guard, Oil Red, Abernathy, 205 pounds; center, Ernest Kelly, Petersburg, 195 pounds; right guard, Jotd Porbus, Happy, 195 pounds; right tackle, W. J. House, Wichita Falls, 230 pounds; right end, Dalbert Barron, Berger, 200 pounds; left halfback, Ben Collins, Wichita Falls, 175 pounds of Bill Thompson, Amarillo, 190 pounds; right halfback, Pauly Hill, Canyon, 165 pounds; quarterback, Roy Lee Jones, Pampa, 197 pounds; or Dupaway Martin, Seagraves, 175 pounds; fullback, Eugene Brannon, Grane, 180 pounds.

Larry Sanders, regular fullback last year, is being shielded while recuperating from an operation for appendicitis.

The big squad now includes four teams in number but two squads in practice.

After heavy scrimmages in the early part of the week, Curtice and Van Meter turned to passing and pass plays as a lighter form of training.

Pampa Golfers Win District Tourney

Pampa's high school golf team won that division of the district two interscholastic league meet here yesterday without competition.

Roy Ray led the local golfers, turning in a score of 76. Warner Phillips shot an 86 for second, Roff and Phillips an 88 for third, and Joe Blackwell a 92 for fourth place.

The team will compete in the regional meet in Canyon next week.

BITS ABOUT BOWLING

Dr. Pepper and Texas company each won two out of three games in the Oil Belt Bowling league Friday night. Dr. Pepper taking the Kiwanis club and the oilmen the Gunn-Hinerman team.

Two squads are being drilled for heavy scrimmages and for demonstrations at the first annual spring coaching school May 11. A shower of enthusiastic responses has indicated the gridiron clinic will attract a large crowd of high school coaches and their picked men.

If the mentors should pick a starting lineup at this time it might include the following: Left end, Dewey Johnson of Abernathy, co-captain, 180 pounds; left tackle, J. F. Bobby Riggs Out To Win Houston Meet

By WILLIAM T. RIVES
HOUSTON, April 13 (AP)—A faithful believer in "try, try again," Bobby Riggs, cocky champion of world tennis, tightened his game today for the River Oaks Tennis tournament—one of the few competitions he hasn't been able to win.

Twice he's entered and twice he's been bounced.

Looking over the field which starts Monday, Riggs found opposing him will be a group of some of the strongest netters in international play.

Charles Hare, England's No. 2 man; Frank Guertsey, national intercollegiate and defending champion; Bryan (Bitsy) Grant, who has won the tournament thrice; Ellwood Cooke of Portland, Ore.; Xavier Fernandez of Lima, Peru; and Wilmer Allison of Austin, Texas—these are a few who will be out for Riggs' scalp.

A dark horse will be a young gentleman who already has beaten Riggs—Tom Kelly of Portland. Kelly won the western indoor title at Chicago last week, eliminating Riggs.

Allison, old warhorse of international play, first intended to confine his play to the doubles, teaming with his ex-Davis' cup partner, Johnny Van Ryn of Austin. But after some test-tube work on his game at home, Allison decided he also would meet the younger bloods man-to-man.

Phillips shot an 86 for second, Roff and Phillips an 88 for third, and Joe Blackwell a 92 for fourth place.

The team will compete in the regional meet in Canyon next week.

Close Fights, 2 Knockouts Feature Card

More than 1,000 wild-eyed boxing fans filled every nook and corner of the Pampa high school gymnasium Friday night to see the north champions of the Panhandle Plains High School Boxing League defeat the south winners eight bouts to three. Pampa's boxers, coached by Oscar Hinger, won the team trophy by taking five fights.

Although only two fights were won by the knockout route, fans saw plenty of leather in the air and several bloody noses. Excepting for the two knockouts there wasn't a lopsided fight on the card. In fact, competitors were close that several of the bouts were on split decisions of the judges.

When the ninth fight of the night, between Callaway of Canadian and Bowen of Wellington, ended the judges couldn't make up their minds, two of them turning in draw decisions. When informed that a draw was against the rules, the judges conferred and Callaway was given the nod on a split decision.

Biggest upset of the night was registered in the 95-pound class when Roland Berger of Stinnett lost his first fight, in 13 starts, to McKeney of Wellington. The wild-swinging McKeney dropped Berger for a seven count in the first round but the Stinnett youngster came back strong to carry the fight. It was not until the closing round, however, that he was able to solve McKeney's odd form.

Richard Stephens of Pampa staged one of the most vicious attacks of the card to win from Cobb of LeFors. He dropped Cobb for a nine count near the end of the round and had Cobb on the floor in the second round when Coach Toby Waggoner threw in the towel.

Pampa's Kenneth Mullings started out like a wildcat and had Thompson of Wellington almost out at the end of the first round but the LeFors youngster came back to win on a technical knockout in the second.

Blood flowed freely from the nose of L. V. McDonald of Pampa when it got in the way of a flicking left time after time as Hughes of LeFors staged a game battle but McDonald staged a wild two-fisted attack to get the nod.

Smart boxing gave Strother of Stinnett a hairline decision over Kivlehen of Miami who has as pretty a left as a fan would want to see.

Other bouts drew rounds of applause from the fans who filled the gymnasium.

The Panhandle Plains High School Boxing League was formed in January with Toby Waggoner of LeFors as president. The league was divided into north and south divisions. Each city held a tournament and the boy in each weight division with the most victories was decided champion. On Friday night the champions met. Winners will be given beautiful jackets and losers trophies.

Interest in boxing has been so great that an effort will be made

Pampa Wins Both Singles Matches In Tennis Meet

Hugh Stennis, boys district and regional singles tennis champion last year, repeated yesterday in the district two interscholastic league meet here. Another repeater for district honors was Virginia Fore of Pampa, who won the girls singles.

Follett's crack boys doubles team had little difficulty repeating but the 1939 girls doubles champions from Follett fell before Panhandle's ladies.

Most of the matches were closely contested. Play started Friday morning after snow had been swept from the courts. The weather warmed during the afternoon.

Boys singles—Hugh Stennis of Pampa defeated Bob Griffin of Phillips, 6-2, 6-3, 6-2.

Boys doubles—Winton and Imke of Follett beat McClung and Woodworth of Perryton 6-1, 6-3, 6-2.

Girls singles—Virginia Fore of Pampa defeated Helen Dunn of Shamrock 6-2, 6-2.

Girls doubles—Emma Jane White and Norma Jean Franklin of Panhandle won from Mary Trenfield and Ouida Laubhan of Follett 6-3, 6-6.

to have it adopted by the Texas Interscholastic League.

Team coaches are John Lee of Wellington, G. B. Rush of Miami, Toby Waggoner of LeFors, Floyd Murry of Stinnett, Wiley Hudeck of Canadian and Oscar Hinger of Pampa.

Judges, selected by the coaches, were C. E. McGrew and Paul Hill of Pampa and Oran Grays of Canadian. Referee was J. H. Duncan of LeFors.

Ogden Stroud of LeFors did a fine job of announcing the fights.

Results, north-entrants named first.

65 pounds—White of Canadian defeated Ferguson of LeFors.

75 pounds—Campbell of Pampa defeated Osborne of LeFors.

115 pounds—Gie of Pampa lost to J. B. Shipman of LeFors.

95 pounds—Berger of Stinnett lost to McKeney of Wellington.

105 pounds—Stephens of Pampa won on a technical knockout from Cobb of LeFors in second round.

115 pounds—Strother of Stinnett defeated Kivlehen of Miami.

125 pounds—McDonald of Pampa defeated Hughes of LeFors.

135 pounds—Ray of Pampa defeated Cook of Wellington.

145 pounds—Callaway of Canadian defeated Bowen of Wellington.

165 pounds—Briggs of Canadian lost to Jack Shipman of LeFors.

165 pounds—Mullins of Pampa lost on a technical knockout to Thompson of Wellington.

175 pounds—Bussell of Canadian lost to Osborne of Miami.

Heavyweight—Carlisle of Pampa won on a forfeit from Bruce of Miami.

Reaper Football Scrimmage Set For Tuesday Afternoon

A junior high intra-squad football scrimmage will be staged Tuesday afternoon at 4:30 o'clock at Harvest-er field Coach C. P. McWright announced, yesterday. Fans are invited to see the scrimmage at no cost.

Coach McWright, assisted by Coach Jack Davis of the Peewees, Coach Terrell Davis of Woodrow Wilson, Coach Dick Livingston of Baker and Robert Carter of junior high, has been working 35 boys for the past two weeks. Several stellar prospects have been uncovered during stiff workouts Coach McWright reported.

Starting lineups have not been named because three or four boys who have been taking part in boxing will report Monday and some of them might make one of the teams.

Among the star backfield prospects are Neef, White, Campbell, Charles Boyles, Berry, Dunham and Taylor. Most of them are experienced boys with plenty of weight.

The line is what is worrying Coach McWright but he believes he can salvage a pretty fair forward line from among Martin, Tibbetts, H. Boyles, Paronto, Myers, Noblitt, Hopkins, Allan, McKinley, Robbins and others.

Horned Frogs Drop Texas Aggies 4 to 1

FORT WORTH, April 13 (AP)—The TCU Horned Frogs dropped the Texas Aggies out of the undefeated class in the southwest conference basketball race here today 4-1.

Durward Horner, big righthander, held the Aggies to three hits. The Frogs fell on Lefty Bumpers, who started for A. and M. for two runs in the first. They added another in the second before Charlie Stevenson came in. The final Frog run came in the fifth.

Marion Pugh got the Aggies' only run in the second when he tripped to left and scored on a long fly.

Harvesters Will Begin Spring Training Monday

First call for spring football training will be issued for Pampa Harvester prospects on Monday afternoon, Coach Ochs Mitchell revealed yesterday. Mitchell and Line Coach J. C. Frejan will conduct a 30-day training period at Harvester field.

When uniforms are issued Monday by Business Manager Bill Anderson, only two boys from last year's regulars will be eligible to wear the green and gold. They are Co-Captains Wayne Fade, guard, and Grover Heisickel, quarterback.

Only five other boys—Roland Phillips, Jearl Nichols, Fowler, Burnett, and Thompson— from last year's squad will be eligible. All other boys will be up from the Junior High Repeaters or newcomers who have had no previous football experience.

Not only will experience be lacking next fall, but once more the Harvesters will have to depend on speed instead of weight. Big Roland Phillips, who now weighs 210 pounds, and Bob Louvier, 230-pound transfer who has had no previous experience, will be the heavyweights but from there the drop will be to about 170 pounds. And there'll be mighty few over 150 pounds unless they pick up a lot of weight during the summer months.

"We may be able to develop a fair first string, but we'll have few if any reserves," Coach Mitchell predicted yesterday. "We expect some of the Repeaters to show up well but they'll lack experience. Many of the boys will have another year, and some two years more of eligibility, so we'll be building up for a big 1941."

Coach Mitchell expects between 40 and 50 candidates to report for training.

Baylor Hands Rice Third Straight Loss

WACO, April 13 (AP)—The Baylor Bears made their hits count today as they handed the Rice Owls their third straight loss in three days, 10 to 4.

Sherman Barnes, righthander, went the route for the Bears and was nipped for 11 bingles, but he was tight in pinches and left 10 Owls stranded on bases.

Howard Heigel started for Houston and set the Bruins down in order in the first, but Baylor struck back with five base blows for five runs in the second and then added one more in the third and two more in the fourth before Russell Vogt came in for Rice. Vogt held the Bruins to four hits and two tallies.

Kemper Kaiser led the hitting with four hits in five trips while Joe Terry had two for three, for the Bruins.

Twins Win Kid Day Prize At Panhandle

PANHANDLE, April 13—The Kimble twins, Bernice and Brice were voted the "Cutest Kids," on the annual Senior Kid Day Friday. They were dressed in twin costumes of red checked gingham.

The "Kids" presented an assembly program consisting of antics of the contestants, kid songs, nursery rhymes and musical numbers.

The dignified seniors came to school attired in short dresses, knee pants, little boy and girl hats, and riding tricycles, bicycles, and little red wagons. Childhood toys such as pop guns, tops and dolls were in evidence.

Yankees Cinch To Win Flag, Experts Say

NEW YORK, April 13 (AP)—The New York Yankees are a cinch to win their fifth straight American League pennant in the opinion of a majority of the experts but there are still a few die-hards who foresee the breaking up of Joe McCarthy's powerful machine.

The 77 baseball writers participating in the Associated Press' annual poll followed last year's order of finish pretty much, in making their 1940 predictions. Sixty-six of them placed the Yankees in the No. 1 slot. Nine selected the Boston Red Sox as the new league champions while the Cleveland Indians and Chicago White Sox each received the confidence of one writer.

Receiving no votes for below second and on the basis of eight points for first place, seven for second, etc., the Yanks piled up a total of 605 points. The Red Sox were just as firmly entrenched in second place with 523 points, the majority of which were garnered from the 57 runner-up votes.

The Indians, polling votes for the first five places, received 438 points, placing them in third place, but where they finished last fall. They came the only transposition in the order of 1939's final standings—the placing of Detroit over Chicago. But the margin between the two teams was small—339 to 346.

Washington, Philadelphia and St. Louis took over the last three positions without much competition. The Senators polled votes for each of the last five places but generally were selected for sixth. The Athletics moved into seventh, a promotion from the cellar in last year's selections.

Only one writer dared to select the Browns for as high as sixth, but he was in the minority and the remainder saw no hopes for better than eighth.

Funeral Conducted For James W. Dodd

Funeral services for James W. Dodd, 66, were conducted yesterday afternoon at Clay's funeral home chapel by the Rev. D. W. Nichols, pastor of the Francis Avenue church of Christ. Burial followed in Fairview cemetery.

Conley To Attend Safety School At Austin This Week

Don Conley, safety director of the Cabot company, and President of the Pampa Safety Council, will be in Austin this week attending a state safety school and program. There will be no meeting of the local safety council this week but Mr. Conley will make a report at a called meeting next week, he said yesterday.

President Conley urges all clubs and organizations in Pampa having safety programs to designate what phase of safety work they desire to carry out and to appoint a chairman.

Evangelist Speaks At Kiwanis Club

Dr. James W. Kramer, evangelist who concludes a revival today at the First Baptist church, was the principal speaker on the program of the Pampa Kiwanis luncheon club at noon Friday.

In the absence of President Tex DeWeese, Joe W. Gordon, vice-president, was in charge.

Tom Braly was inducted into the club as a new member.

The program opened with group singing, led by Dr. Calvin Jones.

Major League Season Will Open Tuesday

NEW YORK, April 13 (AP)—The deck is stacked, with every baseball kibitzer in the country knowing in advance who holds all the aces, but that won't keep everybody from having a lot of fun when the major league clubs start dealing Tuesday.

Since this is a friendly game in which the inclination to hold a royal flush up the sleeve is frowned upon, the New York Yankees are sure to be the big winners when the chips are cashed six months from now.

In the meantime some team is going to have to win the National league pot as a sort of semi-final to the world series and there are signs that the scuffling for the lesser positions in both leagues will be more boisterous than ever.

While the Yankees are overwhelming favorites to take their fifth consecutive American league pennant, it's as much as one's life is worth to try to separate the grain from the grit in the National league.

The Cincinnati Reds look strong enough to repeat, from this perspective, but the St. Louis Cardinals and at least four other clubs have a chance. Putting them all in their proper places is like that party game of pinning the tail on the donkey.

One thing is certain—on opening day they'll line up this way:

National League
Chicago at Cincinnati,
Pittsburgh at St. Louis,
Brooklyn at Boston,
Philadelphia at New York,
American League
New York at Philadelphia,
Boston at Washington,
Cleveland at Chicago,
St. Louis at Detroit.

They are: Seniors: Evelyn Diew, La Verne Ketchum, Mary Lemons, George Mensley, Frank Murray, Helen Robinson, and Hartwell Williams.

Juniors: Paul Lewis, Mary Anna Roberts, Leta Robinson, Robert Walters, Viola Vance, and Weldon York.

Sophomores: Jean Burrow, Blanche Dettin, Marie Durrett, Wilbur Hart, and Ernest Russell.

Freshmen: Opal Callihan, Jim McCabe, Nova Jean McDaniel, Joyce Powell, Martha Gail Parr, and Mary Joe Watkins.

The Pampa government has opened a textile school to teach folk handicrafts.

Shoulder Fire Extinguishers Used

Shoulder fire extinguishers, equipment on the city's new fire truck, were used for the first time yesterday afternoon to extinguish a grass fire in the 1000 block on North Russell street.

A second call was received to North Hobart street where a small outbuilding was on fire. Little damage resulted.

KNOW YOUR BANK

Who Owns This Bank?

You probably know the answer, yet it's one of those simple, obvious facts that are often lost sight of. The stockholders who own this bank are your neighbors and ours—average citizens who take part in the home, social and business life of this community.

They invested their money in our capital stock because they had faith in the community's future, and in the progressiveness of their fellow men. Often the money they invested was part of their hard-earned life savings.

This confidence on the part of our stockholders, who in turn enjoy the confidence and respect of many others, is a good-will-building force which we value highly. To quote a familiar saying, it means that we are "of the people, for the people and by the people".

Want "in" on next year's "Big News" Now?

Buick prices begin at \$895* for Business Coupe (illustrated)

YOU can figure it out for yourself from what you see in daily traffic and what you hear when the talk turns to automobiles.

Springing, now in its third year. So where's a more logical place to look for next year's "big news" than in this year's big and roomy Buick?

Buick's pacing the pack. Has been for several years. It may be smoother engines. Buick is the only car that now balances power plants after assembly.

It called this year's style turn a year ago. It set current performance standards in '38 with its Dynaflex engine. It still leads the crowd for riding qualities with its BuicCoil.

You get all of these things now in Buick. Get them with the plus of Buick quality of materials and workmanship—get them at a price that suggests a six instead of an eight.

So it's easy to start enjoying future "new features" right now. Just go try a Buick. Look it over, inside and out. And get the prices.

Even if you've been buying in the lowest-price field you'll find it takes less than you think to step up to a Buick. Prices begin at \$895 * delivered at Flint, Mich.; transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

Maybe it'll be heavier frames — Buick has the heaviest of any car of its price. Or maybe many of the "extra touches" Buick so freely applies — safety-latches on rear doors and Two-Way Direction Signals with automatic cut-off.

Best buy's Buick!

Prison Band May Play In Pampa

One of the nation's greatest prison bands may play in Pampa, if plans made by Sheriff Cal Rose and other peace officers are fulfilled.
The band is that of the Oklahoma reformatory at Granite. Last week Sheriff Rose, Jess Menesco, editor of the convention journal, went to Granite. There they met Pat Allen, Wichita sheriff, Oran Ke, Wilbarger sheriff, and Sidney Williams, Wichita Falls deskman and discussed a plan to have the band appear here during the South Oklahoma-North Texas Peace Officers convention to be held in Pampa on May 8-9.

DIES CLAIMS

(Continued from Page 1)
In this country for their coup, just as volunteers were recruited here for service in the Spanish Civil war. Urging that all federal law enforcement agencies be on guard against such recruiting, Dies said that the sources of his information included "selective officials" in the republic and "one or two United States senators."
Dies asserted that 10,000 communists already had moved into Mexico from Spain and France and "the same crowd is perfecting plans to do in Mexico the same thing they did in Spain."
He said the outside forces would attempt to swing the July National election and thus win their objective by civil means but were prepared to resort to open revolt.
For use in the latter eventuality, the chairman declared, Russia is keeping alive "the same organizations" which were active in this country during the Spanish Civil war.

MEXICO CITY, April 13 (AP)

—The assertion of Rep. Dies (D-Tex) that he had information that Russia and Germany were plotting to bring about a revolution in Mexico and set up a puppet government were received in official quarters here with a mixture of belief and denial.
An authorized spokesman for the department of the interior said, "It is possible there are in Mexico some foreign communists assigned here as promoters of a conspiracy" and added that his department is making a careful investigation of their activities.
Colonel Ledro Sanchez Salazar, chief of the capital secret police, however, said his office was "making no investigation of any communist activity in Mexico."
A spokesman at the German legation flatly denied any German agents were active in Mexico or engaged in any plot with the Russians against the government.
Sources in the department of National Defense placed little credence or importance on the Dies charges, pointing out that they felt the loyalty of the army was absolutely unquestioned, thus assuring failure of any revolutionary attempts.

PRORATION

son was not one of the signers of the new order.
Boyd Urges Postponement
President Boyd also talked with Commissioner Jerry Sadler in Austin Friday and he stated that he would recommend that the order date be postponed.
The delegation of operators will be in Austin Thursday, date of the state wide oil hearing, to protest the order and to submit a substitute order. Not only independent but most of the major companies are against the new production order, it was reported yesterday.
Some operators went so far as to say that granite wash wells in the field would be ruined if forced to produce under the new order. They pointed out that granite wash wells with low bottom hole pressure might make double the amount of dolomite wells with high bottom hole pressure.
The Panhandle association has prepared a plan showing how unjust the new order would be. The table shows that a marginal well capable of producing 19 barrels would be allowed to produce only 11 barrels. A well with a potential of between 267 and 324 barrels would be allowed to produce 18 barrels. A well with a potential of between 325 and 367 barrels would be allowed to produce 19 barrels of the same as a 19-barrel marginal well.

BATTLESHIP

(Continued From Page 1)
field howitzer which had been mounted ashore was put out of action by the destroyer Cossack. It was the Cossack which forced her way in February into Norwegian waters and liberated 300 British sailors from the Nazi prison ship Altmarr.
In other areas, the British said they had bombed the Stavanger airdrome, damaging a hangar and planes; destroyed a Nazi munitions depot at Bergen; bombed three German supply - transport ships; machine-gunned a German destroyer and motor torpedo boat, and destroyed at least four other German fighting planes.
The British admitted the loss of eleven planes since early Friday while the Germans put the figure at 12. The Nazis put their plane losses at five.
For Germany, the Nazis claimed that warplanes cruising over the North Sea bombed and sank two British submarines. They also said a steady stream of German soldiers was moving across the Skagerrak and reaching Oslo in "large numbers" while heavy artillery went to Trondheim to augment the captured Norwegian coast defenses.
The Germans also said their troops in the far north had taken over the Narvik railway which brings Swedish ore to the port.

FRESH TROOPS LAND

In Stockholm, refugees from the area south of Oslo reported that fresh German expeditionary forces had landed at the head of the Skagerrak and had smashed their way toward Oslo through the hastily-formed Norwegian defense ring around the capital.
Oslo has been German hands since Tuesday, when the invasion of Scandinavia began.
In the Western front action, the French high command said a strong German attack against the French line near the Luxembourg border was repulsed. French barbed wire broke the wave of Nazi infantrymen, whose attack was accompanied by an artillery barrage.
Europe's low countries, the Netherlands and Belgium, faced a critical period fully prepared for any eventuality.
The Netherlands put new strategic areas under martial law and the government reiterated its determination to maintain a completely independent policy despite pressure from the belligerents.
Belgium posted military guards at all public properties, radio stations, ministries and airdromes.
There were both Chinese and Japanese air raids in the far east.

RUMANIA JITTERY

Tension heightened between Germany and Rumania over Rumania's virtual embargo on exports to Germany. At the same time, Bucharest heard reports from German sources that the Soviet - Russian government had handed a note to the Rumanian minister at Moscow protesting against a number of incidents on the Rumanian side of the Rumania-Rumanian frontier.
Rumania's cabinet economic council was unable to decide on the complete list of products to be banned for export and adjourned until next week without lifting an order forbidding the loading of freight cars and river barges with products for Germany. The embargo followed a German order prohibiting the export to Rumania of a number of German articles.
Pursuing the administration's policy of stressing American opposition to the rule of force, President Roosevelt, in a formal statement condemned the German invasion of Denmark and Norway. He declared that "if civilization is to survive the rights of smaller nations to independence, to their territorial integrity and to the unimpeded opportunity for self government must be respected by their more powerful neighbors."
Mr. Roosevelt's statement, the first formal expression by the United States on the Nazi thrust into Scandinavia, was given out in Germany too late for comment, a propaganda ministry official said in Berlin.

Newspaper and political luminaries of the Plains were taken to a sound, good-natured roasting Friday night in a banquet given by Col. Ernest O. Thompson. It was the 14th time Colonel Thompson had been host to the editors.
Members of the Globe-News and KGNU staffs made up the cast.
Saturday's activities started with West Texas chapter of Sigma Delta Chi breakfast at 8:30 o'clock in the Herring hotel.
1940 officers of the association were Ed. Bishop, Dalhart Texan, president; Mrs. Ann Hill Holman, Hereford, first vice-president; Tex DeWesse, Pampa News, second vice-president; Clyde W. Warwick, Canyon News, secretary.
Last year's directors were W. H. Graham, Farwell Tribune, Frank P. Hill, Tahoka News; Homer Steen, Floydada Hesperian; Vance Johnson, Amarillo Globe-News; Richard Hindley, Clovis News-Journal.
New directors are Ed Bishop, Herbert Hilburn, Plainview Herald; I. D. Divine, Texoma Times, Herschel Montgomery, Memphis Democrat; and R. B. Haynes, Miami Chief.

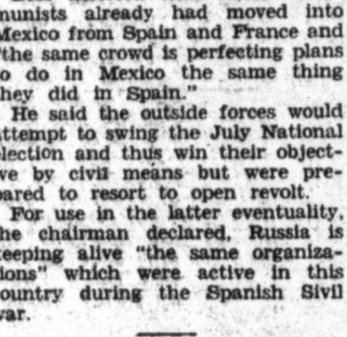

Trade Promotion Award Won By Pampa Jaycees

Pampa's trade promotion campaign, sponsored by the Junior Chamber of Commerce, won the trade promotion award at the Jaycees annual convention at Galveston held this week-end.
Pampans who attended the convention were President D. D. Parker, Vice-President Jimmy Dodge and George Grammas.
Elnford Arney of Amarillo was elected to the presidency of the Texas Junior Chamber of Commerce, and El Paso was named the 1941 convention city.
The convention ended with the president's banquet and inaugural ball last night, at which W. O. Cooper of Dallas, retiring president, gave his farewell address.
Other officers named included: Mark Fuchs of New Braunfels and Howard Carrell of Fort Worth, national directors.
Vice presidents by districts for Texas include: Fred Morgan of Corpus Christi, No. 1; Raymond Dusek of Galveston No. 2; Johnny Wright of Tyler, No. 3; D. B. Johnson of Austin, No. 4; Bill House of Denton, No. 5; A. M. Minton of Borger, No. 6; and Malver McDonald of Odessa, No. 7.
The award committee named Fred Erisman of Kilgore the most efficient state district vice president for the year. Joe Pacheco of Kerrville was acclaimed the outstanding director, and Buddy Fisher of Brennan group, the most efficient local president.
Other awards went to: Waco, Christmas activities.
Dallas was awarded the Giesenberg memorial trophy for carrying out the best all-around program during the year. El Paso won the men-miled award for sending 11 delegates 882 miles to the convention.

DOG SHOW

(Continued From Page 1)
The kennels will be visible from every seat in the grandstand and before the show begins, spectators, if they arrive before 2:15 may walk down the promenade in front of the kennels and see every dog on exhibit.
\$750 Dog To Perform
One of the dogs everybody will want to see will be Frank Diaz's \$750 Chesapeake Bay retriever which will do tricks that will give a hint why he's valued so highly.
Dogs have been entered from Amarillo (about 20), Panhandle, LeFors (A. St. Bernard), White Deer, Borger, Skellytown, Canadian, Miami, Perryton, Shamrock, Groom (a dachshund), and many from Pampa.
Interest in the show continued high last week, despite the fact that it was postponed due to bad weather. More than a dozen dogs were entered yesterday.
Message To Entrants
The Pampa News, sponsors of the show, today issued this message to all persons who have entered dogs in the show:
"... are counting on you to bring your dogs to the grandstand by 1:30 o'clock. We have contacted many owners and not a single one has withdrawn their entry. Six persons with blanks will be at the grandstand at 12 o'clock to take information on the dogs. Deadline for centering will be 1:30 o'clock. If you have not yet entered your dog by telephone or by blank in person bring it to the fairground by that time. Each of the 100 kennels will be tagged, and the tags will give the name of the dog, breed and the name of the owner."
Persons in all stations of life have entered. John McCarthy, editor of the Amarillo News, has entered a fine registered collie and eight pups, and Mayor W. H. Walker of Shamrock has entered a registered white collie. A beautiful Irish setter was entered by a Pampa negro who will handle a Chihuahua dog for Mrs. A. V. Holland. A Mexican hairless dog has been entered by Mike Shelton of Miami. There will be all kinds of hounds, bulldogs, spaniels, pekingses, Doberman Pinschers, shepherds, Mrs. W. C. Mitchell has entered her Dalmation.

Pampans To Take Part On P-TA Program At Memphis This Week

Perhaps the most colorful event of the Memphis Parent-Teacher conference, April 16, 17, and 18, will be the check wagon dinner at 5:30 o'clock on Wednesday afternoon open to all delegates. The program will carry out the idea of western ranch life, different from any convention banquet "under the sun," says the Memphis Chamber of Commerce, who contend that it will be staged "under the moon."

Mrs. Roy Guthrie, conference publicity chairman, reports that material is coming in fast for the special edition which will be distributed the first morning of the convention.

Wednesday night when Roy Hefel, county judge of Harris county, Houston, addresses the assembly, he will speak on the pertinent issue "Can We Do More to Prevent Juvenile Delinquency?" This night's session will possibly be the climax of the conference, and should be attended by every Parent-Teacher member within driving distance.

Topics for the panel on guidance directed by Charles M. Rogers, of Amarillo schools, will include the following discussions: Guidance in Personal Relations, Educational Guidance, Character and Citizenship Guidance, Guidance in Leisure Time Activities, Guidance in Health and Safety, and Mental and Emotional Guidance.

A discussion on the occupational survey possible through the class in diversified occupation will be a new note on the program given by Harry Kelley of the Pampa system.

The visual demonstration given by W. C. Davis of Memphis will be worth the teacher's time spent out of school to see this interpretation of this quite usable medium for teaching in the school of tomorrow—the screen. This will take place Wednesday afternoon. The state president's message will be heard on that same afternoon program.

Mrs. Joe Wastendorf represents the state as president and the national organization as well.

Something new in the way of a radio demonstration will be presented Thursday morning by Frank Monroe, of the Pampa schools. Mr. Monroe will base his program on material procured from a program originated down state the Texas School of the Air which schools of the Pampa handle generally being unable to hear.

Mrs. West Izzard and Mrs. Vogel from Amarillo promise some practical information to those who would have their problems solved as to procedure, parliamentary practice, precedent, and such. This takes place at eight o'clock Thursday morning. Delegates are urged to bring their questions to this conference or place them in the question box.

Delegates To P-TA Council Named At Woodrow Wilson

Woodrow Wilson Parent-Teacher Association met at the school Thursday afternoon with Mrs. E. L. Anderson, president, presiding.

In the business session Mrs. T. E. Allen and Mrs. Robert Louvier were elected as delegates to the City Council and Miss. Espar Stover, Roseburn Thompson and L. M. Barton were named as County Council delegates.

The unit accepted the resolution to support Mrs. C. T. Hunkapiller as president of the state P-T. A., and Mrs. Adrian Owens presented a report on the clean literature drive.

Mrs. Fred Roberts had charge of the program which was opened with the invocation by Mrs. T. B. Barron. Miss. Boyce Park presented the boys' and girls' glee club in three numbers.

In keeping with the theme for the year, Roy McMullen spoke on "Know How Your Schools are Financed." This talk was followed with a general discussion led by Mrs. Tom Duval.

NEW CLOTHES FOR 'TEEN-AGERS

Completely modern, without being too sophisticated for the very young girl, is Deanna Durbin's evening gown of white silk crepe with hand-embroidered gold leaves spiraling from the

white silk crepe bodice down over the tulle skirt. The artful application of the embroidery makes the dress appear to be a one-piece princess type instead of a low-waisted, two-piece model.

Ladies' Golf Association Will Have Bridge-Luncheon At Country Club

Twenty-eight new members were welcomed at the meeting of the Ladies' Golf Association this week in the local Country Club.

Mrs. H. H. Hicks, newly elected president of the association, conducted the business session at the club house. Sixteen members took part in the handicap tournament with Mrs. William Mistisim winning a golf ball.

A bridge-luncheon will be held at the club Wednesday for all women of the city who are interested in playing bridge or golf. Lunch is to be served at 12:30 o'clock and reservations should be made by calling the Country club, telephone 1393, by Tuesday.

Those wishing to play bridge are asked to bring their own cards and they may invite enough guests to complete a table if they wish.

A putting contest is to be conducted for the golfers. Nine holes will be played in the morning beginning at 10 o'clock and the remaining nine holes are to be played following the luncheon.

Membership in the association is not limited to members of the Country club; therefore, anyone who is interested in bridge or golf, whether or not they can already play, is invited to attend. Golf clubs can be rented at the club house.

Arrangements are being made for the teams, which will be organized at the local club, to compete with Amarillo and Borger.

First Baptist WMS To Meet In Circles Monday Afternoon

Weekly meetings of the four circles of Women's Missionary society of First Baptist church will be held Monday afternoon at 2:30 o'clock.

Mrs. Robert Carr will be hostess to members of circle one while a meeting of circle two is to be held in the home of Mrs. Fred Brownlee, 611 Nadia street.

Members of circle three are to meet with Mrs. L. H. Greene and a meeting of circle four is to be conducted in the home of Mrs. Ella Brake.

Oscar Hinger gave some facts regarding the activities of school children. He pointed out that "outstanding among the many problems of the child is that of physical activity and development. We can think of the body as a machine and the type of mental work which comes from it depends entirely on the condition of the machine. The people who have good bodies have a better chance for mental development than those who are weak. It is estimated that fifty percent of pupils in high school take part in no physical activity. Some reasons for this might be that the school does not present the right kind of a program or that parents have not given enough thought to physical activity. Whatever reason we might give for this, I hope that you seriously think about guiding your boy and girl through high school. With whatever remedy is necessary we must have a closer cooperation between parents and teachers and by that cooperation we can gain the end we are looking for."

Special guests were J. A. Meek of Baker school and Ernest Cabe, supervisor of instruction. Refreshments were served in the cafeteria during the social hour.

Guest Speaks On Spring Bulbs At Garden Meeting

At the meeting of Pampa Garden club in the city club rooms Friday morning, the tree committee, composed of Mrs. Bob McCoy, Mrs. L. H. Johnson, and Mrs. Fred Thompson, reported that ash seedling trees have been furnished each first grade pupil in Pampa.

The exchange committee, composed of Mrs. Charlie Burton, Mrs. J. E. Lyles, and Mrs. W. E. Riggin, gave a report on plants which had been exchanged. The services of this committee are available to non-club members, as well as club members and persons having plants which they wish to give away or persons wishing plants are asked to call any member of this committee.

The president, Mrs. F. M. Perry, asked that anyone having plants to give away call the Homekeeping Aid, telephone 2030, located at 210 East Brown street, as those in charge desire to identify their yard. Tuesday and Thursday afternoons are open house day at this project and they prefer that flowers be brought on these days.

Mrs. J. B. Massa gave a talk on "What Should Be Done in April." She suggested that perennials be divided and new plants set out. Perennials which may be divided are chrysanthemums, harty phlox, yuccas, Rhazia dasiles, delphiniums, harty carnations, harty fever few, azaleas, pyrethrum daisies, and pansies. Many annual seeds, such as petunias and phlox, may be planted now if covered with burlap to prevent washing of the seeds. Gladioli may be planted now and at intervals until July 1 for continuous bloom. Mrs. Massa also advised that roses not be trimmed until after all danger of freezing has passed but that shrubs and trees may still be set out. Cheese cloth makes an excellent protection for sweet peas, putting it on the windward side. She pointed out that if the beds should be flooded and it

Election Of New Officers To Top Club Convention

NATIONAL OFFICER Mrs. Corwith Leads National Legion Auxiliary

Mrs. William Corwith, above, national president, American Legion auxiliary, who will visit in Amarello on April 29 and 30, and May 1, was elected to her current position at the auxiliary's national convention in Chicago, Illinois, September 25 to 28. She has risen rapidly to national prominence in a relatively short span of years. She is most widely known for her development and expansion of the Auxiliary's radio broadcasting activities.

Mrs. Corwith is a New Yorker by birth, born in Hillsdale in 1888. She was graduated from the Hillsdale high school at the age of 15, then attended the New York State College for Teachers, receiving her Bachelor of Arts degree in 1918. She was a member of Phi Gamma Sorority and vice-president of her senior class. Following graduation, she taught in the high schools of Fayetteville, Port Plain and Rockville Centre, New York, until her marriage to William Corwith, of Rockville Centre.

The first "widening" becoming a charter member of Rockville Centre Unit of the Auxiliary in 1926, Mrs. Corwith has in various capacities and demonstrated her ability for leadership. In 1932, upon the death of the Unit president, Mrs. Corwith, as first vice-president, succeeded to the office. Service as treasurer and membership chairman and then vice-chairman of the Nassau County Auxiliary organization was the first broadening of her horizon beyond her local Unit. From there she advanced to chairmanship of the second district, embracing five counties with a membership of 6,000. She also served as Chairman of the Department Trophies and Awards committee.

In 1934, Mrs. Corwith was elected as one of the three department vice-presidents and entrusted with supervision of the department's popular poppy program. A year later she was unanimously elected president of the New York department. Her administration was marked by strong membership growth and important achievements in many activities. She served the department as chairman of its Legislative committee.

For the past three years, Mrs. Corwith has been chairman of the National Radio committee. She has improved and expanded the Auxiliary's radio broadcasting from local stations and on national chains and has personally directed many national broadcasts.

In New York City

When the Auxiliary's national convention was held in New York City in 1937, Mrs. Corwith was chairman of the National Convention committee, directing the efforts of 1,000 New York women who arranged for and conducted the entertainment of the thousands of Auxiliary women who attended.

Mrs. Corwith gains her Auxiliary eligibility through her husband, William H. Corwith, who serves in the Quartermaster's Corps detachment at Camp Dix, New Jersey. He is a charter member of the Rockville Centre Post of The American Legion and a member of the Department Finance committee. A practicing attorney in Jamaica, New York, he is also a member of the real estate firm of Corwith Brothers, Inc.

New Zealand scientists have discovered native forests in the Andes are suited to fibroboard processing, and have imported American equipment for a wall-board plant.

Leap-year or Bissextile, originated with the astronomers of Julius Caesar in 48 B. C.

After the tulips have bloomed, they should not be allowed to go to seed. The blossoms should be snapped off; this is also true of narcissus and daffodils. Tulips should be lifted and divided at least every two years and daffodils and narcissus every four or five years.

Mr. Wehrung recommended the King Alfred for giant trumpet narcissus. A crocus as the medium trumpet daffodil. Darwin tulips grow 21 to 34 inches high and he recommended Clara Butt and King Harold as well as crocus and grape hyacinths. He also explained that narcissus, daffodils and jonquils are all the same, but there are various species. He also stressed the Dutch Breeder tulips for the lower growing tulip and variety of color.

The club was complimented by Mr. Wehrung upon the large attendance and its interest. After the plants had been discussed, he urged them to carry on with their work.

Review Of Book Given At Home Progress Club

Special To The NEWS

MIAMI, April 13—Motoring to the country home of Mrs. Clarence Bowers in the Lakeland section, Thursday afternoon, members of the Home Progress club met in regular session.

The president, Mrs. J. G. Ramsey, presided over the roll-call, which was answered by each member with her individual subject, and a short business session. The program was turned over to Mrs. J. B. Saul, who reviewed the book, "Russia, My Home," by Emma Cochran Ponsaffine. The author, a refugee in America from her own country, gives an enlightening picture of conditions forced upon the aristocratic class in Russia by the revolution, as well as a glimpse into the situation today.

A gold coin-current in the reign of Henry VIII of England was called a "Georgina."

Baptist WMS of Claude Presents Study At Panhandle

Special To The NEWS

PANHANDLE, April 13—Members of Claude Baptist W. M. U. presented a program, "The Christian Moral Standards" for members of the Panhandle W. M. U. this week in the Baptist church parlor.

Mrs. D. R. Wade, who was leader, said "God's laws have never changed, neither have His moral standards. Men's standards change; they make new laws and repeal old ones, but God's standards are never repealed. His philosophies are never altered, and they are the only right standards of living today," continued Mrs. Wade.

The program continued with Mrs. B. J. Long giving the devotional on "The Old Olive Tree," by Miss Wanell Church; "God's Standards for the Individual," by Mrs. Myrel Nelson; a duet, "Drifting," by Mrs. Tom Osborne and Mrs. Collier Gobin; "God's Standards for the Home," by Mrs. J. D. Caldwell; vocal solo by Mrs. John Luther; "God's Standards for the Nation," by Mrs. Charles Bagwell; piano solo, "Meditation," by Floyd Panelli; closing prayer by Mrs. D. R. Wade; Mrs. S. Bobbitt; of Panhandle read "The Lost Purse," by Edgar A. Guest, and "Mizpah" by Julia Baker.

An ice cream social in a pink and white motif was served.

Attending from Claude were Mmes. Art McIntire, Jane Jackson, Chas. W. Stewart, M. L. Hughtett, M. E. Nelson, Ralph Stephenson, Mansel Gwyn, B. J. Long, Chas. Dye, F. J. Powell, Ida E. Dye, John Luther, J. L. Johnson, Francis Hood, Harold Cobb, Tom Osborn, Collier Corbin, G. D. Caldwell, Chas. Bagwell, Don Ransom, John McClure, John Bentley, Ethel Wade, M. C. Sims, Y. G. Egan, E. THREE ACE PICTURES ON WEEK'S BILL

Social Dramas, Spy Story Superb Screen Productions

By BROWNWOOD EMERSON

There's a triple punch in three motion pictures booked for this week in Pampa theaters. Each one of these salient films has powerful dramatic action, a significant plot and able direction of splendid casts.

Opening a five-day run at the Crown today is RKO's "Primrose Path," produced and directed by Gregory La Cava from the play by Robert L. Buckner and Walter Hart.

It's an absorbing dramatic story with Ginger Rogers giving a splendid characterization as the young girl who wants to escape from her family and surroundings even though she is truly fond of them.

Characters are realistic, backgrounds typical, and action honest, says The Film Daily. Briefly, the story is about Ginger, the daughter of a drunken father and a fly-by-night mother, who tries to take care of her family, but has to do it the hard way in order to keep them fed. Joel McCrea ably fills the bill as the fresh young waterfront filling station and hamburger stand attendant, whom Ginger meets and marries.

Warner Brothers reveal a hitherto neglected chapter in American history in the picture "Virginia City," a War Between the States spy romance combined with western melodramatic action.

The plot centers around efforts of Confederate sympathizers in Virginia City to ship \$5,000,000 in gold to the cause of the South.

While the Nevada town looms importantly, the author contrives to introduce such backgrounds as Libby Prison, the office of President Jeff Davis, General Meade's field headquarters, and the covered wagon trail from Nevada to Texas, and even to the White House.

Errol Flynn, Miriam Hopkins, and Randolph Scott have the chief roles. Directed by Michael Curtiz. Showing today, tomorrow and Tuesday, at the LaNora.

Similar in down-to-earth honesty to "Primrose Path" is Hal Roach's newest film, United Artists production "Of Mice and Men," from the book by John Steinbeck, author of "The Grapes of Wrath." It tells the story of two "bottle stiff," migratory workers and their friendship, the story of the wandering tribe of homeless, family-less men who follow the seasons, picking up work where they find it and having a vague dream of owning their own place someday.

Reviews of the book, on which the picture is based, are significant. Harry Hansen in the New York World-Telegram describes the novel as "the finest bit of prose fiction of this decade."

Clifton Fadiman in "The New Yorker" comments: "Of all Steinbeck's variant defenses of living letism, I think the most touching is this strange little tale 'Of Mice and Men.'"

Burgess Meredith, Betty Field, Roman Bohnen, Charles Bickford and Lon Chaney, Jr., top the excellent cast. Directed by Lewis Milestone. Showing at the LaNora Friday and Saturday.

Paramount's crime melodrama "Adventure in Diamonds" is described by The Film Daily as having a good locale, suspenseful action and a capable cast, headed by George Brent, Isa Miranda, and John Loder. Diamond thieves, the fabulous Kimberly mines in South Africa, suspense, romance, comedy, and action have been rolled up in this picture. Showing Wednesday and Thursday.

1940 rolled back to 1922 when the writer saw the title of the Rex's opening film this week, "Ma! He's Making Eyes at Me," which was the title of a smash tune of nearly two decades ago. There's nothing old about the picture, though, it's as up-to-the-minute as tomorrow's newspaper.

Tom Brown, Constance Moore and Jerome Cowan are the principals in the Universal musical film. Brown has the role of the press agent, Constance Moore as a Broadway model, and action revolves around Brown's efforts to save a swanky Fifth Avenue shop from bankruptcy by making American girls more fashion conscious. Showing today, tomorrow, and Tuesday.

A New England town is the locale for Republic's "Main Street Lawyer," with Edward Ellis as the brilliant attorney who prefers dispensing justice in a small town to winning headlines in the metropolis. Anita Louise has the feminine lead. On the screen Wednesday and Thursday.

Charles Starrett smashes a border gang bound to grab a silver mine

STARRING TRIO IN "OF MICE AND MEN"

Lon Chaney, Jr., Betty Field, and Burgess Meredith meet under strange and exciting circumstances during the action of "Of Mice and Men," the new Hal Roach production based on the great John Steinbeck novel and slated for its first showing at the LaNora theater on Friday and Saturday.

ROMANCE OF THE WEST

Miriam Hopkins and Errol Flynn are co-starring for the first time in Warner Brothers "Virginia City," picture dealing with gold-smuggling during the final stages of the War Between the States. The picture is showing today, tomorrow, and Tuesday at the LaNora.

TEXAS GIRL IN STATE FILM

Linda Darnell, dark-eyed screen lovely from Dallas, and a cousin of Gene Fatheree of Pampa, is co-starred with Tyrone Power in 20th Century-Fox's "Day-Time Wife," showing today and tomorrow at the State.

MERRY FILM FROLIC

Tom Brown and Constance Moore appear with a galaxy of stage, screen and radio talent in Universal's "Ma! He's Making Eyes at Me," opening a three-day run today at the Rex.

American Youth Topic Of Next March Of Time

NEW YORK, April 13—As their next issue, to be released within a few weeks, the editors of The March of Time are now reading an important and entertaining film on "Youth in America."

During the past two months, camera units of The March of Time have been active on the campuses and in the classrooms of many of the nation's leading universities, and the work of practically every U. S. organization devoted to the welfare of American youth has already been photographed for this issue.

The film will be an ambitious treatment of the education, business, and social life of the wealthy, the middle class, and the underprivileged among America's youth.

CAA Transferred To Commerce Department

WASHINGTON, April 14 (AP)—President Roosevelt, discussing criticism of his fourth government reorganization plan, stressed today that work of the Civil Aeronautics Authority and its air safety board would be carried on as before except that the authority would be under the commerce department.

Under the reorganization order announced yesterday the air safety board was abolished and the CAA transferred to Secretary Hopkins' department.

Senator McCarran (D-Nev.) co-author of the act, creating the CAA, said he would fight the new plan on the ground it would destroy the authority's effectiveness. Unless Congress disapproves the organization becomes effective in 60 days.

The President told his press conference that the principal advantage involved in the new CAA set-up was that it would save much time and a few jobs. Instead of having to talk to many agencies, he said he would merely have to discuss aeronautical questions with a few.

The Senate continued work today on minor cotton legislation and received from the House an amended bill providing for aeronautical reappointment of the House membership on the basis of the 1940 census. Leaders said the House changes probably would be approved without much debate.

White Deer Juniors Postpone Class Play

WHITE DEER, April 13—Presentations of the junior class play, "Miss Jimmy," which had been scheduled for Friday, April 12, has been postponed until Thursday, April 18, according to Wendell Cain, director. This play deals with the amusing experiences of a young man who goes into a girls' dormitory to get a dress for an initiation stunt, but is kidnapped and held for an unusual ransom.

Members of the cast are Jean Couch, the heroine, Louise; Nathan Edwards, the hero, Jimmy; Dolores Bishop, Jo Simmons, Dorothy Colgrove, and Martha Jo Freeman, college girls; Jean Beth Culbertson, the dean of women, Miss Watkins; Bill Hinkley, the negro janitor, Droopy; and Merle Johnston, Professor Frazier. The play will be presented at the

MR. AND MRS.

One kiss caused Joel McCrea to propose to Ginger Rogers—but what they had to go through to remain Mr. and Mrs. Smith! The popular stars are teamed in "Primrose Path," RKO Radio's appealing romance produced from the Broadway hit by Gregory La Cava. At the Crown today through Thursday.

"Ramparts We Watch" Nears Final Stages

NEW YORK, April 13—The March of Time staff has returned to New London, Conn., to complete the last few weeks' shooting on the company's first full-length feature picture, "The Ramparts We Watch," it was announced at March of Time studios today.

The feature picture, which has been in production for more than a year, will introduce a new idea in picture making. In addition to the shooting in the vicinity of New London, much material for the film has been gathered during the past year by production units of The March of Time in the Caribbean, Panama, Hawaii, Guam, and along the Atlantic and Pacific coasts of the U. S.

Louis de Rochemont, producer of The March of Time, and his staff, have already edited all the material thus far shot for "The Ramparts We Watch" and several important motion picture executives who have seen their ten-reel "rough cut" predict unusual success for the film, which is expected to become one of the top feature pictures of this year.

New German Troops Smash Oslo Forces

STOCKHOLM, April 13 (AP)-Germany today landed new expeditionary troops in southeast Norway and began a brisk drive northward toward Oslo in fierce fighting with Norwegian defenders.

Refugees from the region reaching Stockholm said that throughout large areas in this part of Norway civilians had fled, leaving their homes to be fought over by the opposing armies.

The newly-landed Germans, commandeering buses and motor cars, smashed their way through a hastily-formed defense ring which the Norwegians had built around Oslo to prevent the Germans from augmenting the forces which captured the capital Tuesday.

The Germans, according to refugees arriving here, smashed the Norwegian ring between Høien, 25 miles south of Oslo, and Moss, 40 miles further south, on the east side of Oslo Fjord. The invaders were heading northward.

The Norwegians fought hard but unsuccessfully to repel them, at one point dynamiting a bridge as the first German bus crossed the stream.

To prevent just such a maneuver the Norwegians had built their ring to isolate German troops in a semi-circle from Moss to Høien, east of Mysen, northward to 30 miles further south, on the east side of Oslo and then south to the Tyri Fjord and Vikesund, about 30 miles west of Oslo.

How Troops Landed
Tonight the Germans were said to hold all the area within this zone. The Norwegians, in addition to trying to prevent the new German forces from getting in also were trying to keep the Germans already there from thrusting outward.

The newest German troops were said to have landed at Skieberg, at the end of the Skagerrak near the Swedish frontier.

The Norwegians tonight still were reported holding the border town of Halden (Fredrikshald), however, despite earlier reports the Germans had occupied it.

Further north sharp street fighting was reported at Sarpsborg, about 20 miles away, where Norwegian Nazis were reported numerous.

The town of Kongsvinger, 50 miles northeast of Oslo near the Swedish frontier, still was held by the Norwegians.

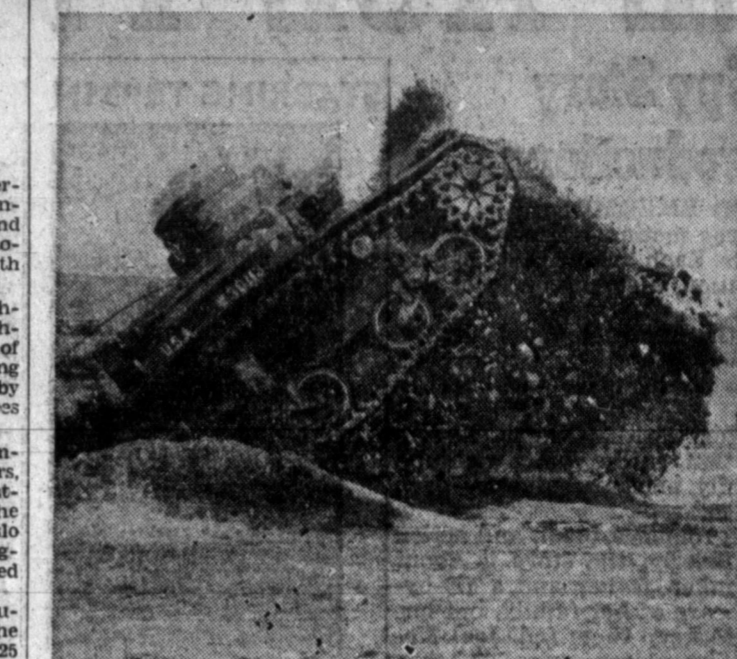

The newspaper Lens Tidningen at Osterund, in central Sweden opposite the important Norwegian port of Trondheim, which the Germans held, said today that a telephone dispatch from Stjorland, 15 miles east of Trondheim, disclosed that 28 German bombing planes were stationed there. In addition, 22 more were reported on their way there.

Fort Capture Explained
This newspaper also brought to light a story which may solve the mystery of how the Germans on Tuesday were able to pass so easily by the Fortress Agdenes which guards the outer entrance to the narrow Trondheim Fjord.

This report was that the fortress had stopped the German fleet and was holding them off until received an order from Major Vikden Quisen, head of the Norwegian "Nazi" party, ostensibly issued in the name of the Norwegian government and ordering the defenders not to resist.

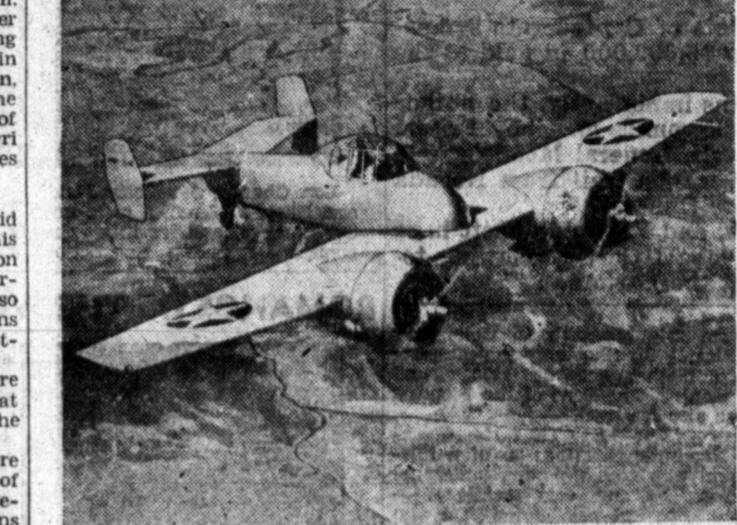

Later, according to this story, contradictory order came from the regular government of Premier Johan Nygardsvold, but it then was too late. The German ships were inside the fortress.

Bankruptcy Laws Subject Of Ben Stone's Address

Starting changes in bankruptcy laws make it imperative that lawyers be informed on the subject, Ben Stone of Amarillo referee in bankruptcy, told members of the Gray County Bar Association at the regular monthly luncheon held at 1:30 o'clock Saturday afternoon at the Schneider hotel.

Referee Stone explained that his talk dealt on the ideal of the bankruptcy law's application in daily affairs and practice, rather than dogmatic statements defining the law.

Bankruptcy cases are not popular with lawyers as they are unpopular, and therefore held in "pothole contempt," and as the work of the court is bound by arbitrary rulings in many cases there is no chance to argue.

Up to 1933 there 72 sections of the bankruptcy law, whereas today the total is 786, the speaker said.

There were 18 items listed by the speaker in explaining changes that had been made in the law.

Most important of these three were: priority of statutory liens is in this order, city taxes, landlord wages, state and county; bankruptcy court has power and jurisdiction to order the sale of property, real or personal outside the district in which it sits; a referee may enjoy a plaintiff against a foreclosure action.

Banks, insurance policies, corporate and railroad organization wages, automobile finance, were among topics listed by the speaker as having a connection with cases heard in bankruptcy courts.

Attending the luncheon yesterday were County Judge Sherman White, County Attorney Joe Gordon, Ennis

Dr. Vliet Will Be Speaker At Local Church This Morning

Dr. C. K. Vliet of Nashville, Tenn., who is to preach at the First Methodist church this morning at 11 o'clock, was the preacher for the Glendon district conference which convened at Quitaque last Tuesday where approximately 200 Methodist pastors and laymen met in annual session.

Dr. Vliet spoke on "Partners With God" and emphasized man's part in redeeming and making the world, in which Christ is honored and His Kingdom is promoted.

A cordial invitation is extended to all from the Rev. W. M. Pearce, minister, to hear this Christian leader at the First Methodist church Sunday morning at 11 o'clock. He will not preach at night for he must leave Sunday afternoon by plane from Amarillo en route to an engagement in North Carolina Tuesday morning.

SERIAL STORY

K. O. CAVALIER BY JERRY BRONDFIELD

COPYRIGHT 1940, NEA SERVICE, INC.

YESTERDAY: When Val is washed overboard, Eddie plunges in after her. He rights his way to the girl, supports her until a boat is put out to save them. Back on the ship, Eddie swakens, finds Duffy and Grimes anxiously watching him. The girl is all right, Grimes explains.

CHAPTER XV
POP GRIMES breathed a sigh of relief next morning when Eddie slid his feet out of bed, grinned and inhaled deeply. "Looks like the storm's over," he observed, nodding toward the porthole.

"Yeah! I'm sure glad," said Pop. "And I'm also plenty glad you didn't take cold or anything. Can't have you going into that ring next week on crutches."

"Where's Duffy?" Eddie asked, looking around. They were alone in the crew's quarters.

"It's almost noon. They wanted you to sleep it out and you sure did just that. You've been poundin' your ear for a good 14 hours."

"Say, Pop...uh..."

"Yeah, she snapped out of it too, if that's what you're tryin' to say. She's still in bed, though...and she sent word she'd like to see you just as soon's you got up and had somethin' to eat."

Eddie got into his clothes and went straight to her cabin. She lay propped up against a couple of pillows when he entered.

They looked at each other. His look was a little challenging, and perhaps a bit reproachful.

She motioned to a chair. "Please sit down," she said in a low voice.

"I'll stand."

"No," she said firmly. "Sit down. I can talk to you better that way."

"About what?"

He sat down, facing her.

"About what a dunce I was for slapping you last night."

"Oh...that?"

"It's awfully inadequate to tell you I'm sorry...and it's just as inadequate to thank you for saving my life."

She extended her hand. "But won't you let me try?"

He took her hand in his. It was the first time he had ever touched her in more than a casual, accidental fashion. He wondered why he got the sudden electric shock

that surged through him.

"Sure," he said easily. "I think I know how you feel. You don't have to eat crow."

She shook her head. "I'm not...I don't think you'd want me to. But Eddie...why did you do it? Last night, I mean—Steve Hansen says he doesn't know how anyone could live in that sea."

"We were lucky. The ship had almost stopped and we didn't drift far."

"You haven't answered my question."

He shrugged. "I don't know. Ask me again sometime when I've had a chance to think about it."

"I will," she promised.

"By the way, what did we run into?" he asked.

"Some tanker out of Seattle. Outside of a couple plates stove in nothing serious happened. We'll be able to make port in good shape tonight. Which reminds me," she said thoughtfully. "There's nothing to prevent you from jumping ship once we get to Prince Rupert. Unless we keep you a virtual prisoner below decks," she added.

"What do you mean?"

"Just what I said. Once you and Duffy and Pop get ashore we won't be able to keep an eye on you every second. What's to prevent you from walking out on us? You could grab a train, or even a plane back to Frisco."

"You mean you're giving us our release if we want it?"

She nodded again. "Why not? You've earned it, haven't you? Besides, we probably can pick up all the men we want in Prince Rupert. We'll be in port for a couple of days, you know. Won't be any trouble at all."

"Just like Lincoln freeing the slaves," he murmured. "That'll be a big sacrifice on your part, you know. What about the stories you're sending back to your office?"

"You wouldn't want to give up a good thing like that, would you?"

"Must you rub it in? Why don't you decide on my offer as it stands?"

"Might not Captain Hansen have something to say about this?"

"Steve Hansen will do anything I say."

"That was the trouble in the first place," he reminded her, getting to his feet. "Now if you don't mind, I'll go get myself some breakfast."

She was surprised. "Why, I told

them to be sure you ate first, before coming here."

"I didn't," he said. "See you later."

It wasn't until well along in the afternoon that Steve Hansen would permit Val to get up. When she finally came on deck she found Eddie beating a tattoo on the bag. There was still a heavy ground swell that made any sparring impossible.

Duffy Kelso bit down on his cigar and jerked his head toward her. "Here comes the eighth plague," he said to Pop. "Sam Golden should only know how close he come to promotin' a funeral at sea instead of a fight."

She looked at her watch. "Sam Golden will be reading the entire story in about an hour. I'd say. I just filed a yarn that'll leave him limp with exhaustion when it hits the streets."

SHE wasn't far from the truth. Sam Golden, a fat little fellow with a pair of sad brown eyes, paced back and forth and mopped a perspiring bald spot.

Sam had broken out two bottles of his best liquor but the half dozen sports writers who were cluttering up his office at the moment didn't let up on him for a minute.

Sam stopped his pacing. "I ask you—could I help it, boys? Is it my fault that crazy Duffy Kelso decides he wants to become a sailor all of a sudden? Is it my fault this dame falls overboard? Here, Kenmy, have another drink."

Ken Bradley, boxing writer for the Express, growled in his grog and held his glass out to be replenished.

"Scooped within an inch of our lives. Every day for a week and another week to come. And then this—!" He tapped the paper containing Val Douglas' story of her own rescue. "Sam," he mumbled, "we've been jobbed like never before in our lives."

"Don't I know it," said Sam. And then dreamily: "But already I ain't got 300 seats left in the joint. And they ain't coming to see Massini!"

A couple news hounds sitting on his desk snorted. The telephone rang and one of them answered.

"For you, Sam," he said.

Sam took it. The party at the other end had spoken only a half dozen words when Sam Golden went white as a sheet.

"Boys," he gasped, hanging up. "It's awful. They just called from the gym...that dope Massini...he just tripped over a dumbbell and sprained his ankle."

Panhandle To Hold Pre-School Classes

Special To The NEWS
PANHANDLE, April 13--Classes in pre-first grade work will begin Monday for all children who will enter the first grade next fall.

The object of the pre-first grade work is to develop social attitudes, reading-readiness and acquaint the child with class room habits.

They have social lunch, playground and rest periods in connection with class room activity, which consists of standard kindergarten work.

This is the second year the Panhandle elementary school has adopted this plan for the pre-school child.

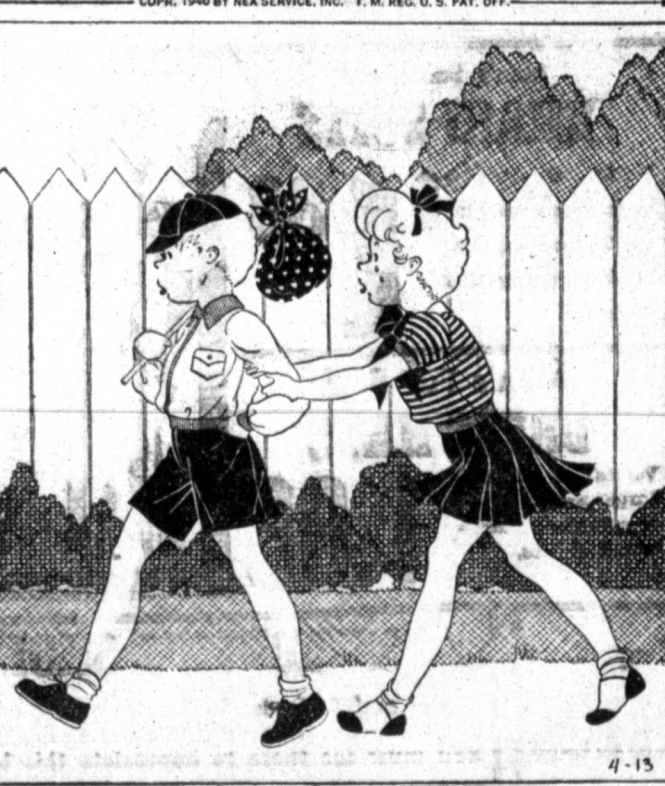

It is a new trend in primary education and parents and educators are well pleased with the results.

Miss Louise Orr, grade school principal, will teach the course. She has done outstanding work in primary education, having taught the primary grade in Panhandle for 12 years. She has served two years as principal of the grade school. Miss Orr received her degree in education from W. T. S. C. at Canyon and has done extra primary work at the University of Iowa. She will receive her master's degree this summer.
