# BRITISH ADMIT GERMANS STILL ADVANCING

## Sky Black With Planes As 3,000 German Tanks Attack

By HENRY C. CASSIDY  
PARIS, May 18 (AP)—Speeding German columns swung west across France tonight toward the Oise valley—the road to Paris—meeting stiffened resistance from Frenchmen fighting under a new government headed by Premier Paul Reynaud and Marshal Henri Philippe Petain, World War "Victor of Verdun."

communicate said the Germans were "advancing in a westerly direction with powerful resources, despite considerable losses."

This was at the end of nine days of the battle in Belgium and northern France which fighters and war correspondents say is like nothing ever witnessed in history.

## Entrada Rehearsals To Begin Tomorrow

Every person in Pampa who wants to be in the cast of the \$100,000 Coronado Entrada which will have its Texas premiere in Pampa June 14 and 15, is invited to be in the high school gym tomorrow night for the opening rehearsal.

The cast will require 700 men and boys and 300 women and girls. Already signed up are about 600 persons. Numerous organizations which have picked members to be in the cast have not announced their representatives.

"We don't want to skip anybody who really wants to be in it," said Postmaster C. H. Walker, head of the special casting committee. "Being in the cast of the Entrada is going to be an unforgettable experience."

Present tomorrow will be nearly 100 ex-service men who will be a unit of Coronado's army.

Also present will be Larry Doyle who will direct the Pampa show for the St. Coronado Quarto Centennial commission which will bring the huge attraction to Pampa for the Top O' Texas Fiesta.

Mr. Walker yesterday emphasized that if any persons from nearby towns such as White Deer, Miami, LeFors want to be in the cast, they are welcome.

Mr. Walker yesterday emphasized that if any persons from nearby towns such as White Deer, Miami, LeFors want to be in the cast, they are welcome.

## The War Today

By KIRKE SIMPSON  
Dark omens from Europe's roaring battlefields in France and Flanders hover over the American national defense front as well as over London and Paris.

Hour by hour the war news is etching a new and tragic background against which a complete recasting of traditional American defense policy has already started.

Stripped to its bones, that is what President Roosevelt has said to congress in presenting a new emergency program aggregating more than a billion dollars for quick expansion of the national defense.

Behind that program lies the conviction of the nation's chosen leaders, its most experienced and service-seasoned military and naval commanders, that eight months of war in Europe have scrapped all American defense theories of the past.

It is not a question merely of controversies over particular types of weapons. This writer can state an unchallenged authority that it is a revision of the whole fabric of national defense planning and preparation against war at which the administration is aiming.

## Masonic Officers To Be Barbecue Guests

Visiting grand lodge officers of Texas and Oklahoma and Masons of the Panhandle will eat barbecue, "Son-of-a-Gun," and all the trimmings under a huge tent at 6 o'clock Tuesday night.

The camp is located on the shore of Lake Marvin in Hemphill county, 65 miles from Pampa. The site was given to the council by the commission of Hemphill county. It will be known as Camp Ki-O-Wah.

More than half of the camping period has been taken up with the first week closed for any more reservations. Reservations for the second week are being received daily while many are seeking to have a third week.

Five boys registered from Las Vegas, N. M., and yesterday three boys enrolled from Beaver, Okla.

Drilling of a deep water well for the camp started Friday. A pump will be set over the hole and an adequate supply of pure water will be available. Hot and cold water for showers will be available.

## HERE'S SCHOOL STAFF THAT PRODUCED TODAY'S PAPER

The very fine graduation supplement of The Little Harvester, Pampa High school newspaper, which appears with today's Sunday News, is the product of the school staff pictured above. Mrs. Hol Wagner, High school English instructor, is the paper's sponsor, and Miss Jeanette Nichols, editor-in-chief.

## Agony Of War Refugees In Europe Grows

Spurred by a telegram from William Baxter, Jr. at area Red Cross headquarters in St. Louis, declaring "every hour brings new and agonizing details of human destruction and misery in Europe far surpassing anything our imagination can conceive," the local Red Cross this week will continue its drive with renewed vigor.

## Earthquake Hits Imperial Valley

EL CENTRO, Calif., May 18 (AP)—The Imperial valley felt the full force of a heavy earthquake tonight as buildings collapsed in El Centro, Brawley, and Imperial, injuring several persons.

## Texan Killed In CCC Truck Crash

MONTROSE, COLO., May 18 (AP)—Eugene Gold, 17, of Clarksville, Texas, died in a Montrose hospital today shortly after he and 15 other CCC enrollees were injured in a truck accident.

## Oklahoma City Trippers And Band To Arrive Here On Streamliner

Pampa will be visited by its second special train of goodwill trippers of the year on June 4 when 100 business executives from Oklahoma City arrive in a streamlined special. The train is scheduled to arrive at the Santa Fe station at 3:45 p. m. and to remain here until 3:30 a. m. the following day.

## Allies Steeled For Bad News As Nazis Near Paris

Germany's wartime of men and machines engulfed Antwerp and was reported by the Nazis to be within 60 miles of Paris last (Sat) night.

## Cardenas Orders 'Fifth Column' Drive

MEXICO CITY, May 18 (AP)—Sources in the National Palace reported today that president Cardenas has issued direct orders to the secretary of the interior to proceed with all vigor against any "communist or fascist" elements conspiring to overthrow the government.

## Princess Expects Child

LONDON, May 19 (Sunday) (AP)—Princess Juliana of the Netherlands, a royal war refugee in England, is reported to be expecting a third child.

MEMBER OF THE ASSOCIATED PRESS (Full Lensed wire). The Associated Press is exclusively entitled to the use for publication of all news dispatches credited to it or otherwise credited to this paper and also the regular news published herein.

Entered as second class matter March 15, 1927, at the post-office at Pampa, Texas, under the act of March 3, 1879, National Advertising Representatives: Texas Daily Press League, New York, St. Louis, Kansas City, Los Angeles, San Francisco and Chicago.

BY CARRIER in Pampa, 20c per week, \$5c per month. Paid in advance, \$3.50 per three months, \$10.00 per six months, \$18.00 per year. BY MAIL, payable in advance, in Gray and adjoining counties, also Hansford, Ochiltree, and Lipscomb counties, \$4.50 per year. Outside above named counties, \$9.00 per year. Price per single copy 5 cents. No mail orders accepted in localities served by carrier delivery.

An independent Democratic newspaper, publishing the news fairly and impartially at all times and supporting in its editorial columns the principles which it believes to be right and opposing those questions which it believes to be wrong, regardless of party politics.

One Thing We Can Do

In times like this, with a world tumbling about our ears, most of us are plagued by a feeling of helplessness. "What can I do?" we mutter to ourselves.

Little enough. But one thing we can do. That is to support the American Red Cross.

This organization of mercy is going to be faced with terrible problems of helping the refugees, the starving and dispossessed victims of Europe's horror. It is going to try to do all it can to relieve suffering.

For the means to do this, it is going to call on the American people. We have been unable to stop the holocaust. But in humility and thankfulness for our own perhaps all-undeserved good fortune, we can do something to bind up the wounds, to feed the starving, to rescue the children.

What we can do, we should do gladly, thankful for an opportunity to help, even a little.

The Nation's Press

ANOTHER GESTURE (Reno Evening Gazette)

The New Deal told the American people in 1932 that it had the cure-all for everything that ailed the nation. It was especially cocksure of its formula for solving the unemployment problem.

"The only hope for improving present conditions, restoring employment," the 1932 New Deal platform stated, "lies in a drastic change in economic and government policies."

So the New Deal instituted the drastic changes. And now after seven years of bungling experimentation, no less an authority than John M. Carmody, the New Deal's federal works administrator, warns that between 1941 and 1945 there will be a 2 1/2 million net addition to the vast army of unemployed.

Of course, Mr. Carmody will not admit that the New Deal has failed, fallen far short of living up to its 1932 platform promise of "bringing the nation back to its former position of domestic happiness and of financial, industrial, agricultural and commercial leadership in the world." His defense, in behalf of the present regime, is that things would have been much worse had it not been for the ministrations of Mr. Roosevelt and his brain trusters.

Mr. Carmody's estimate of the number of unemployed is nine million. Other estimates range from that figure to 11 million. The American Federation of Labor put the number of unemployed at 10 1/2 million the first of this month.

No one will deny the seriousness of the unemployment problem. But with an 9 to 11 million employables futilely seeking an opportunity to work, what is President Roosevelt doing to alleviate the situation?

With all the pomp and dignity of a European dictator ordering an attack on an enemy stronghold, President Roosevelt has proclaimed the first week in May as national employment week. "To the end that interest in the welfare of all the unemployed, and especially the worker over 40, may be stimulated and employment extended to all."

What a gesture, what a demonstration of failure.

FAMINE THREAT OVER EUROPE

Normal Production Dislocated Among Neutrals as Henry Albert Phillips in the American Mercury

In the past, fighting nations relied on their non-combatant neighbors for nourishment. What impressed me most deeply as I went through Europe therefore, was that this time the neutrals are not only unable to sustain those engaged in killing but uncertain of sustaining themselves.

Neutrals are in the same mad-doghouse as non-combatants, bulled and threatened by war on every side, forced to abandon normal life and making ruinous outlays for armaments. "The able-bodied manpower of the neutrals have joined the uniformed 'unemployed,' just loafing and eating their heads off."

Thirty million men are under arms in Europe. It requires the full time of two other workers to keep each man at arms supplied with sustenance, clothing and ammunition. Thus 90 million able-bodied men are forced, out of the orbit of peaceful production, into the orbit of armaments. "The end of adjustment. Above all, the normal planting and production of foodstuffs, their transportation and distribution must suffer. European agrarian economy has always been a tight squeeze under the best conditions. Now manpower and horsepower and fuel for mechanized farming are all being siphoned off for purposes of destruction."

After an acknowledged "best harvest in years," people are already facing breadlines throughout Europe. What will it mean a year from now, if this war of extermination really gets going?

Behind The News

WASHINGTON, May 18—Approximately 35,000 refugees from Hitler's Germany will fall back into the Nazis' grip if Hitler makes good his conquest of Holland and Belgium.

According to the New York offices of the National Refugee Service, Inc., there are about 15,000 German refugees in Holland and nearly 20,000 in Belgium.

About half of the entire number are penniless. A large number of these are in refugee centers or camps. A few have jobs; the rest are either living on their own savings or are being supported by relief funds.

RELIEF INVASION AUGURS PEACE Frederick Libby, veteran head of the National Council for the Prevention of War, must come close to being the only undiscouraged pacifist in the country.

He believes the invasion of Holland and Belgium may actually give new impetus to the move to restore world peace.

"The invasion of Holland and Belgium momentarily

Sharing The Comforts Of Life

By R. C. Hoiles

DO I WANT HIGHER WAGES?

Some of my correspondents seem to get the idea that I want wages to be low. Probably they get that impression because I am opposed to the government establishing wages by law, or by labor unions attempting to establish a prevailing wage or a minimum hourly or weekly wage at less than which no one dares work.

If I am for low wages, I certainly am not working for my own interests. I am in the newspaper business and cater to all kinds of people with all kinds of incomes. So, it certainly would be to my advantage to have every human being have enough income that he could buy a newspaper and buy merchandise that was advertised. This would make me a great deal more profit than it would to have the wealth all in the hands of a few people and only a few people able to buy newspapers or advertised products.

And if I am in any way helping to keep wages down from a purely materialistic standpoint, I am my own worst enemy and need a guardian.

No, it is not because I want wages low that I am against the minimum wage law and maximum hour law and the idea that wages can be established by labor unions, it is because I believe the average wage will be a lot lower as a whole by any interference with free exchanges. And wages are just a form of exchanging services. The more freely they can be exchanged, the more fluidity there is in wages, the easier it will be for each man to find the job in which he can produce the most and, thus, contribute the most to society. And the more each man believes he gets what he produces, the more he will strive to produce. Anything that tends to make a man believe he is not getting what he produces, tends to cause him to slacken his efforts to produce. So labor customs or labor laws that interfere with fluidity, greatly reduce production, and, consequently, greatly reduce the accumulation of capital. Wages are raised only, as proved by all other countries in all other times, by the use of better tools.

It is because I have read history and find that whenever wages are arbitrarily set, as from the time of Solon in Greece and Diocletian in Rome, up to the present time, always has the average wage been reduced or their normal rise retarded.

So I am opposed to these artificial attempts to raise wages from a purely selfish standpoint, let alone from my distaste of seeing unnecessary poverty, because I believe the average wage will be higher and we will sell lots more papers. And again, because I believe if we attempt to set wages arbitrarily and profits arbitrarily, we will sooner or later lose our liberty and become a government controlled by a dictator just as one nation after another in Europe is being controlled by a dictator. They all have had the very same method that we are following, establishing arbitrary wages so high that the great mass of people cannot produce enough to get jobs and paying some so much that there is practically nothing left for other workers thus so discouraging them that they give up trying.

Certainly I want higher wages but I want them because men earn them and thus they will be permanent. And I know the only way of permanently increasing wage levels is by the use of better tools and not by edict or decree of the government or of the majority of the workers.

MEASURING VALUES

Most people have come to believe that measuring values of approbation and esteem can be done by pointing out the number of people who approve and disapprove. This has been put in practice and indulged in for so long that people have forgotten to analyze the fallibility of this method of measuring values.

Quite often the approbation and esteem of one person is worth more than the approbation and esteem of a thousand thoughtless persons who have no conception of eternal principles and would make all actions subject to their arbitrary, unknowable and non-understandable will.

Certainly the approbation of one individual who is in harmony with God's laws is eternal truth—is worth more than the approbation of a million people who would establish their arbitrary social relations without regard to eternal principles.

It makes our job more difficult, of course," he says. "But in the long run it is really harder on our militarists."

"You see, it proves that there is absolutely nothing we can do in a military way to save Great Britain."

Mr. Libby figures that out like this: America can't give Britain immediate help with airplanes—because, as recent testimony before congressional committees by high army officers indicates, U. S. plane production is far behind schedule and the vast numbers of airplanes the British need just aren't available.

America can't extend naval help, because Britain doesn't need it. It can't help with its army because (a) it hasn't got the men available, and (b) the British aren't short of manpower. So, says Mr. Libby: "While we in the peace movement certainly aren't in a position to crow over our incapability to do anything, we can say that this proves that we have been right all along in saying that the war must be mediated."

LIBBY BELIEVES BRITISH EMPIRE WON'T BE SCUTTLED

The common objection to that, of course—from the Allied standpoint—is that any peace which Germany would consent to now could only be a crushing defeat for Great Britain, probably involving the loss of the empire itself. Mr. Libby begs to differ.

"I don't see that it's to Germany's interest to break up the British empire," he says. "What Germany really wants is living room in eastern Europe. And it isn't the British empire which stands in her way there."

U. S. MERCHANT MARINE STANDING DISLOCATIONS

So far the U. S. Merchant Marine has withstood the war-created dislocation of trade routes pretty well. Barred from northern European waters by the neutrality law, some 80 U. S. flag vessels have had to find new routes. They have been diverted to South America, far eastern and around-the-world runs, for the most part, and in general are making money.

Extension of the war to the Mediterranean would, of course, cause further dislocations.

ON THE MARCH

Around Hollywood

Bill Porter is battling for Paul Harrison while the NEA Columnist vacations.

By BILL PORTER MOLLYWOOD, May 18—Reams have been written about the zany writing team of Gene Towne and Graham Baker, but nothing has been said about the gal who sifts the foolishness out of their antics and enables them to produce hit pictures. Her name is Rita Ryan and she's Gene Towne's private secretary.

She's five feet two inches tall and weighs 108 pounds. She works from 9 o'clock in the morning until her boss goes home, sometimes not until 3 a. m. the next morning. She has brown hair with a sprinkling of gray.

She takes the boss' Great Dane for daily walks. She cleans out his shaving mug when he shaves at the office. She plays the leading lady in every script her boss writes, acting out the scenes with him.

She drives to work in a 1934 model sedan. She lives in a four-room apartment with her husband, a hotel manager. She wears a color called chili bean on her fingernails. She does not use perfume, but sprinkles herself with toilet water every morning.

She takes dictation while her boss is swimming in his private pool. She has taken dictation in an ambulance while her boss was being driven to a hospital for an emergency appendicitis operation. Later she took dictation in the hospital room.

SHE'S LIGHT EATER. HARD WORKER. She was born in Hamilton, Ont., Canada on May 15. She won't admit the year. She once ran an electric typewriter in a Chicago railroad office. She eats only a sandwich and drinks a cup of coffee for lunch. She wears medium high heels.

She's awakened at all hours of the night by her boss, who dictates a memo on the phone. She acts as guardian angel and buffer in the office. On dull days she sometimes completes a bridge foursome with the boss. At Christmas time her office is filled with hampers of champagne—presents for the boss' friends. When scripts don't jell the boss cries on her shoulder. At story conferences she has taken dictation standing with her notebook pressed against the wall.

She always has a bouquet of flowers on her desk—she brings them herself. For relaxation she swims and plays tennis. She was once the second fastest typist in Canada. She does not chew gum or smoke in the office but she does at home.

GOES TO BALL GAMES. SCREAMS AT PLAYERS. On Sundays she goes to the local ball games with her husband. She screams at the players, eats hot dogs and drinks beer. She wears two-headed hokey and bets on the horse races, but only when she's at the track in person.

She has taken dictation on the back of menu while her boss was eating dinner in the Brown Derby. She has taken dictation until 3 a. m. But she is well paid and enjoys her work.

She once tried to stop left boss from using off-color words by charging him a dime per such word. The deal was called off when the pot reached \$15 by 11:30 in the morning. She likes modern auto's and swing bands. She goes dancing with her husband often. She likes drama on the screen. She is supposed to know which car her boss has brought to the studio each day and to whom he loaned the Duesenbergs or the Lincoln the night before.

She is supposed to know whether

People You Know

By Archer Fullingim

If it were in order this corner would consider nominating Principal Frank Monroe of Junior High school as the best-dressed man in town. Every time you see him he's slicked up as if he were going on a honeymoon. His clothes and shoes and ties always look new, and the way he keeps that hair of his in place is a constant source of wonderment to this one. But there's one thing you can say for Frank, even Frank Roosevelt hasn't got him beat when it comes to smiling and spreading on the old personality.

If the nations of the world were as generous and humane as most Pampa citizens they might be living in peace today. That sentence is just an introduction to an announcement that Pampa citizens who all year long have provided meals for poor children at Baker school, need not send any more. A \$25 check sent last week by Francis Avenue Church of Christ to the cafeteria fund will be sufficient to take care of expenses until school is out. Thanks Francis Christian church, that was a real Christian act, and on behalf of Principal Aaron Meek and Superintendent L. L. Sone, the News wishes to thank everyone who has helped the cafeteria fund this year. The school is truly grateful, and we know that you the givers are happier because of your generosity.

P. F. Blankenburg of LeFors, world war veteran has a son in the U. S. army. Last week that son fought with the "Blue" army of Texas against the "Reds" in the mock battle on the Louisiana-Texas border. Al the Legion meeting the other night I asked Mr. Blankenburg what he thought about the war, and he replied rather ominously, "I don't want Germany or any other nation to rule us."

Dr. and Mrs. E. R. Groves

IT IS Hitler's alibi for conquest of Poland, published by the so-called German Library of Information. The photos and stories are compiled, says the frontispiece, by Hans Schädewaldt. The book is published by Volk und Reich Verlag, Berlin, and for the German Foreign Office. This is the new mid-1940 "second edition with important additions." Radio Station KPDN, we learn, received two copies of the book.

With a 14-cent postage stamp necessary to get these thousands upon thousands of these books are mailed throughout the United States to places where the Fifth Column headquarters feel the books will do the most good in building up sympathy in this country for the murderous German horror campaign now blighting Europe. What do you suppose would happen to a foreign nation's propaganda office if it were set up in Berlin like the one Germany has set up here in New York? You're right. . . . That's exactly what would happen.

THE Dies committee on un-American activities has been so right all along that it seems to us to be treason to oppose its purposes. . . . And there are plenty of people in the United States, many of them right here in Pampa who will tell you the Dies committee is the bunk. We'd like to have somebody tell us just what is wrong with hunting out un-Americans and sending them where they belong?

500 Participate In Flag Drill At Horace Mann School A flag salute and drill was held at 2 o'clock Friday afternoon at Horace Mann school, with 500 children, and teachers participating. An 8x12 foot flag, gift of Edith Mae Morrow, was used in the ceremony, which opened with the assembly singing of "The Star Spangled Banner."

LOVE, COURTSHIP AND MARRIAGE

DARE TO QUESTION YOUR OWN LOVE AND THAT OF YOUR LOVER

By ERNEST R. AND GLADYS H. GROVES

Noted Authorities on Marriage Relations

"Is this love?" the young girls ask, all eager and earnest. "If an crazy about him and he feels that way about me. But how can we tell if it's the real thing?" "This is love," the older boys say, definite and serious. "But how do we know if it will last?"

Some would scorn those who "do not know their own mind." Many believe that, if love is real and lasting, it brings its own certainty with it. "Being sure is being right," they would say, and to doubt is to deny there is any love.

Yet only unthinking people, or those so optimistic the run to meet Ol' Man Trouble and welcome him as a friend, can never doubt. The surest of their love might seem to be the ones who jump into marriage after knowing each other three days, three weeks or three months or so. Yet these snap-romances are notoriously short-lived. "We married in a hurry, and then we hated in a hurry," is often the secret verdict of those so "sure" of their love that they rushed into marriage.

Actually, those who are more truly sure do not try to prove their love by letting themselves be stamped into marriage. They dare to question their own love and that of the lover.

The difference between a passing love, or infatuation, and a lasting love that grows deeper with time, cannot be told at the first breath of passion or passion-with-love. Even if we could separate physical desire from personality craving, it would never be easy to tell in advance whether any particular John and Mary know each other well enough to be able to count on staying in love.

They may not even know themselves. Mary may develop new interests, a different kind of attractiveness that means nothing to John; or he may become so unlike what he now is that to Mary he is practically a stranger. Only by letting their love grow slowly, while they test out their own possibilities of growth, can John and Mary find out if "This is love," and if it will last.

Five Years Ago Today Members of the Pampa Kiwanis club voted to sponsor a movement to obtain compulsory automotive inspection here.

Pampa Jaycees and business men had lunch at the Bowers plant of the Cabot company and visited the entire plant.

he left his hat in the studio cafe or barber shop as he loses on an average of a hat a week. . . . She takes chances on punchboards but has never won. . . . She hates radios because she hears too much noise around the office. . . . The noise is Gene Towne and Graham Baker, screaming at each other over script problems on their latest production, "Tom Brown's School Days."

And she cannot be considered a martyr because she is typical of hundreds of other secretaries in the movie business.

Tex's Topics

By Tex DeWeese

AFTER an absence from the city for several days, the column returns to find the Germans moving toward Paris and the auditors who audit the city's books, displeased with this newspaper's comment on their annual report. . . . The auditors claim the newspaper was unfair to them. . . . They say everything was in the report and that it was prepared by the way city commissions always had wanted it prepared.

What they were talking about in particular were the news story and subsequent editorial on May 8 and 9 in which we stated that a thorough analysis of their report showed that Pampa water profits were nothing at all like what they appeared to be on first glance at the auditors' report. . . . They object to the usage of the word "admit" in the story and editorial. . . . They say they have admitted nothing, that all the figures were there, and they have no apologies to make.

THE figures may have been there, all right—but what we're interested in seeing is a breakdown report in a manner understandable to the average person who is not an accountant, a report that will show the condition of the water department in its true light. . . . Such a report, of course, reveals that the so-called operating profit of approximately \$100,000 in 1939 is not the actual profit that was made. . . . City Manager Steve Matthews already has stated that when proper deductions are made and charged off to the proper departments, this so-called "profit" may dwindle to as low as \$35,000 instead of \$100,000 as a casual glance at the report would leave the ordinary person to believe.

If we stepped on the auditors' toes we are sorry. . . . What we had in mind was a true picture of water department operations—figures which will be clear to the public at a glance, not figures that have to be looked at on top, below, and from all angles with a microscope in order to find out just exactly what they mean in dollars and cents. . . . We know, too, that the city commission and the city manager are knee deep in figures at the city hall endeavoring to present a false picture of the city's financial status to the people. . . . The breakdown figures should be ready sometime this week.

THE auditors say their report reflects the true picture of the water department, and that deductions from the "operating profit" can be made by going into other divisions and departments of the annual audit. . . . But, would the average person know how to look for these? . . . It seems that the operating profits and the actual profits could all be set together on one page of the report so that the average person could tell at a glance just what was what in any way it is figured. . . . This would not mislead anybody into believing the water department had made around nearly three times as much as it actually did make. . . . Maybe we're wrong about this, but we still believe the best method is to do business in a manner clear and understandable to everybody.

Hitler's "Fifth Column" in the United States has been in his many headquarters in Room 1923 at No. 17 Battery Place, New York City. . . . From this address, his American agents flood the nation with propaganda made up mostly of stolen and false news stories and the Germans have done to date in Europe. . . . Their latest effort in this direction came to our desk yesterday. . . . It is a 260-page book of stories and photos entitled "Fellows Act of Absoluty Against the German Minority in Poland."

IT IS Hitler's alibi for conquest of Poland, published by the so-called German Library of Information. The photos and stories are compiled, says the frontispiece, by Hans Schädewaldt. . . . Radio Station KPDN, we learn, received two copies of the book.

With a 14-cent postage stamp necessary to get these thousands upon thousands of these books are mailed throughout the United States to places where the Fifth Column headquarters feel the books will do the most good in building up sympathy in this country for the murderous German horror campaign now blighting Europe. . . . What do you suppose would happen to a foreign nation's propaganda office if it were set up in Berlin like the one Germany has set up here in New York? . . . You're right. . . . That's exactly what would happen.

THE Dies committee on un-American activities has been so right all along that it seems to us to be treason to oppose its purposes. . . . And there are plenty of people in the United States, many of them right here in Pampa who will tell you the Dies committee is the bunk. We'd like to have somebody tell us just what is wrong with hunting out un-Americans and sending them where they belong?

500 Participate In Flag Drill At Horace Mann School A flag salute and drill was held at 2 o'clock Friday afternoon at Horace Mann school, with 500 children, and teachers participating. An 8x12 foot flag, gift of Edith Mae Morrow, was used in the ceremony, which opened with the assembly singing of "The Star Spangled Banner."

Cranium Crackers Genuine Stumpers Don't feel badly if you miss half of these questions. But if you are a wide reader you should get nearly all. 1. Define a trencher. 2. What is the difference between passion and passion-with-love. 3. What is the difference between ascetic and acetic? 4. Who was Vulcan? 5. Why do you have occasion often to remember Elisha Graves Otis? Answers on Classified Page

My Personal Opinion Is

By JUDD

I always thought there wasn't no bigger scourge on earth than lice. 'Till just the other day, I was talking with a feller. He's another writer, and the only difference between him and me is, he makes a good living at it, just probly on account of his spelling's better'n mine.

He's not only a good writer, but he reads a lot besides, he's even read the whole Bible through, and so he's familiar with lots of things that I ain't, and that's why I think a lot of his opinion. The only thing is, probly he's never been not to tell who he was, on account of he likes to walk around town sort of incognito like, probly on account of us getting out of straw hats is still to high yet.

Well anyways, I says to him, "Alan, how do you account fer this feller Hitler continually keepin' on getting away with murder like he does? he's just about 'rot that whole European country wrecked with his blitzkriegs and fifth columns and things." And he says to me, "Judd, I'll tell you the whole answer in a nut shell, the Lord is just simply punishing us fer forgetting something we should ought to be remembered, jest like he did them Egyptians that time."

And then he went on to tell me that a long time ago the Egyptians offended the Lord, and he punished em by sending a plague of lice down on em. And he says the only difference between us and them Egyptians is, our offense is much greater than theirs was, and so this time he sent Hitler instead of the lice, probly on account of him having the lice beat fer gettin' in everybody's hair.

Well sir, I still couldn't figger why the Lord should favor them Egyptians over us, and he says, "I says, 'Well Mr. Elston, what in the world do you souse it was that we forgot, that could possibly make the Lord get that mad at us?' And then he says to me, "It's jest on account of us getting so selfish and greedy here lately, that we plumb forgot all about Peace on Earth, Good Will Towards Men."

JUDD. P. S.—Anyways, maybe Hitler won't get sent over here, on account of the Lord knows we already got the N. L. R. B.—and hardly no hair left.

STAMP NEWS JOHN JAMES AUDUBON, "citizen of United States," is honored on the 1-cent stamp of design above, released for first-day sale at Francisville, La., April 8. The Audubon stamp is the first of the scientists group of the U. S. Famous Americans series.

The naturalist-artist was born in San Domingo in 1785, educated in France and came to United States as a youth. He began his bird study as a boy, continued it during his residence in Pennsylvania. After his marriage to Lucy Bakewell, he tried several business ventures, failed in all of them. But he kept on sketching and painting birds.

He finally devoted all his time to bird study, traveling over America while his wife supported the family. Audubon paid his way by painting portraits. When he had painted 1650 pictures of birds, he went to England to find a publisher for his work.

Twelve years later his "Birds of America" was complete—485 plates of life-size, hand-painted bird portraits. Subscribers paid \$1000 a set for 165 sets. Audubon also published a seven-volume "Ornithological Biographies," sold more than 1000 sets at \$100.

So They Say It's now or never for the Nazis, while all the Allies have to do is stabilize the situation in the army phrase—short of defeat.

JAMES E. MOFFETT, American oil man.

Country boys get almost all the hiking they want behind a plow. WHEELER McMILLEN, farm journalist, on extension of Boy Scouting in country districts.

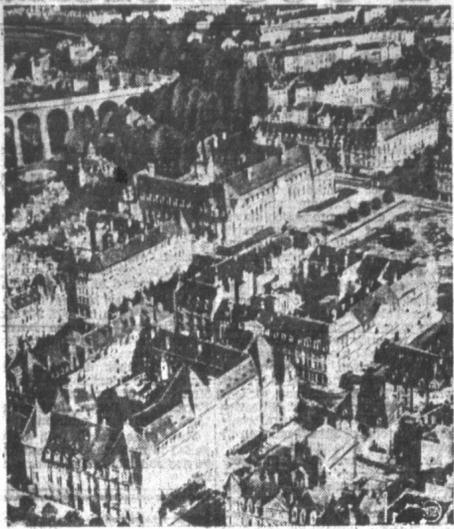

We were taken for a ride on that, and I am perfectly willing to admit it. WPA Administrator HARRINGTON on criticism of the building of a Del Mar, Calif., racetrack.

All I can say is, trust in the future, behold your traditions. Long live the fatherland. General WINKELMAN, Netherlands commander-in-chief on surrendering.

Hitler brought Germany to reason, and thereby made us happy. ROBERT LEY, head of the German Labor Front.

A poem, "Your Flag And My Flag," was read by Edith Mae Morrow. A group of eight girls from the fifth grade performed the flag drill and the ceremony was concluded with the singing of "America."

### Capital of Nazi-Invaded Luxembourg

Air view of the heart of city of Luxembourg, capital of the tiny Grand Duchy, which Germans invaded simultaneously with their smash against Holland and Belgium.

### Equipping Of Park Theater To Begin Soon

Work on the amphitheater in Central park, where the summer night recreation program will be held, will start this week according to Jim Edwards, supervisor. The night plan is being sponsored by the Pampa Recreation council and Works Projects Administration which is in charge of the day play program for children.

All game equipment for the lighted play area is being rushed to completion by regular staff workers and interested Pampans who are volunteering their services. Formal opening is scheduled for June 1.

Children are still battling for the lead in the playground programs and the free tickets given by the LaNora theater.

Winners at the Baker ground last week were John McCan and Polly Moses. In the Tether ball ladder tournament the three topping the list were Cecil Bowers, Albert Tucker, and Sid Sanders.

At the Horace Mann ground, Billy McClelland and Rhea Jo Fagan beat the other children out for the high point average in playground activities, winning free tickets to the LaNora theater. In the box hockey tournament those holding down the three top rungs of the ladder were Jerry Stovall, Rhea Jo Fagan, and Mary J. Kelley.

The most unique piece of work turned out at the craft shop was a combination cigarette and match holder made in a porcupine design.

Out-of-town visitors at the grounds were Mr. and Mrs. Joe Davis, Clovis, New Mexico; Caroline Dunaway, Salem, Illinois; Lila Elsie Long, Tulsa, Okla.

One of the largest crowds since its beginning attended the free dancing lessons in folk dancing and old fashioned square dances at the American Legion last Friday night.

### County Buys \$5,054 Diesel Motor Grader

Bid of the R. B. George Tractor & Machinery company of Amarillo, a Diesel motor grader 12 was accepted by the county commissioners at a meeting held here Saturday afternoon.

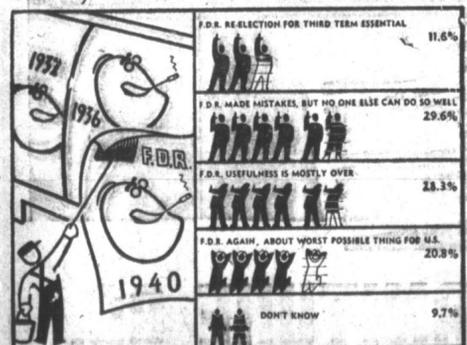

Net bid of the Amarillo firm was \$5,054.28, with the county trading in a Diesel motor grader 12 with a trailer at \$1,500 and getting a cash discount of \$266.02 from the gross of \$6,820.30.

Other business transacted at the meeting was the approval of bills for payment.

The meeting was held with all four commissioners present, but without County Judge Sherman White, who is in Austin with the manager of the Pampa Board of City Development, Garnet Reeves, in the interest of a highway connecting Pampa and Ferris.

Pampans are to attend a meeting of the Texas Highway commission in Austin tomorrow to present their proposition.

### Survey Shows Anti-third Term Trend

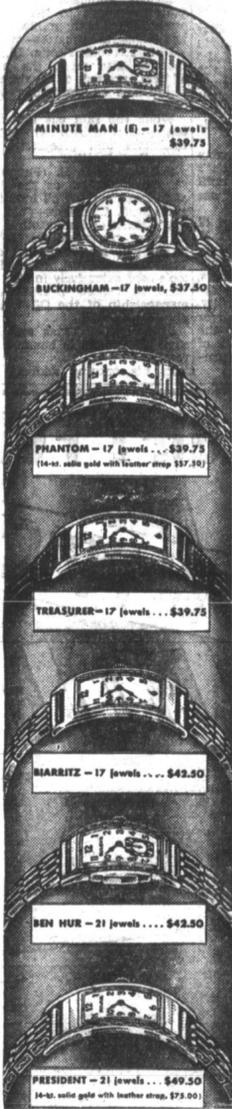

This chart illustrates the results of a poll of popular opinion, recently conducted by Fortune Magazine, on the question of a third term for President Roosevelt. On grounds that a third term is essential, or that no other President could do as well, 41.2 per cent of the replies favored it. Anti-third term-ites polled 49.1 per cent, divided between those who regard a third term as a national calamity, and those who credit the New Deal's good works but think its usefulness about over. Figures indicate that the nation, as a whole, is against third term by a margin of about 8 per cent.

### WPA Projects To Be Library Exhibits

The Pampa Public Library will join in observance of National WPA Week by holding open house and presenting exhibits from the library projects.

Library hours will be from 9 until 12 o'clock in the morning, from 2 until 5 o'clock in the afternoon, and from 7 until 9 o'clock at night. Mrs. James Todd, Jr., librarian, reported at the meeting of the library board last week that 2,486 books had been checked out of the library in April. Miscellaneous magazines were given by Mrs. Rufe Thompson, Mrs. Art Hurst and books were given by Mrs. George Brewer and Mrs. Roy McKernan. Present at the meeting were Mrs. C. P. Buckler, president, Mrs. B. E. Finley, Mrs. S. G. Surratt, Mrs. Roy McKernan, Mrs. D. D. Cochran and Joe Gordon. Tolene Davis, F. P. A. sweetheart, has blonde hair and blue eyes. Doris Taylor, Harvester football queen, has black hair and dark brown eyes. June Marie Amick, Harvester basketball queen, has auburn hair and greenish hazel eyes.

# 16 Panhandle Oil Wells Given Potentials

## 10 Locations Add To Plains Oil Activity

Old times returned to the Panhandle oil field last week when 16 oil wells and one gas well were given potentials by the Texas Railroad commission. The new wells added 4,690 barrels of oil to the field potential.

Ten new locations were staked, four in Hutchinson, three in Gray and one each in Carson, Wheeler, and Moore counties. One of the locations was a semi-wildcat in section 4, block R-2, DP survey, in north central Hutchinson county. The location is a mile south of the Herndon well which gauged 150 barrels. It is two miles southwest of the Dunigan dry hole and four miles south of the J. R. Phillips well which is battling water.

Gray county led in new production with six wells good for 1,147 barrels. Six Hutchinson county wells gauged 1,724 barrels while four Carson county wells tested 1,109 barrels.

Completions by counties follow:  
In Carson County:  
Magnolia Petroleum Co., No. 76 Fee 244, section 110, block 4, I&GN survey, gauged 58 barrels.  
Magnolia Petroleum Co., No. 79, Fee 244, section 200 barrels.  
The Texas Co., No. 9 Cooper, section 5, block 9, I&GN survey, gauged 349 barrels.

Shell Petroleum Corp., No. C-10 Cooper, section 5, block 9, I&GN survey, was given a potential of 412 barrels.  
In Gray County:  
King Oil Co., No. 13 Horner, section 129, block 3, I&GN survey, tested 489 barrels.  
Magnolia Petroleum Co., No. 31, Fee 227, section 15, block 3, I&GN survey, gauged 113 barrels.  
Magnolia Petroleum Co., No. C-2 Morse, section 68, block 25, H&GN survey, was given a potential of 554 barrels.

Skelly Oil Co., No. 107 Schaffer ranch, section 172, block 3, I&GN survey, gauged 266 barrels.  
The Texas Co., No. 19 Davis, section 9, block 1, ACH&B survey, gauged 250 barrels.

W. J. and John J. Moran No. 3 Skidmore, section 164, block 3, I&GN survey, tested 270 barrels.  
In Hutchinson County:  
Stanford Oil and Gas Co., No. B-19 Halle, section 5, block M-21, TCRR survey, gauged 292 barrels.  
Stanford Oil and Gas Co., No. A-14 Pitcher, section 19, block M-21, TCRR survey, gauged 240 barrels.

The Texas Co., No. 27 Pond, section 1, block M-21, TRR survey, gauged 495 barrels.  
The Texas Co., No. 23 Lewis, section 189, block L, ELR survey, gauged 262 barrels.

Keweenaw Oil Co., No. 3 Timms, section 5, block 23, BS&F survey, tested 146 barrels.

In Moore County:  
Shamrock Oil and Gas Co., No. 17 Sneed, tract 6, Owners subdivision, gauged 10,397,000 cubic feet.

Intentions to drill:  
Magnolia Petroleum Co., Fee No. 81, 1,320 feet from the north and east lines of SW 1/4 of section 89, block 4, I&GN, Carson county.  
The Texas Co., D. Pope No. 5, 330 feet from the south and east lines of W 1/2 of SE 1/4 of section 173, block 3, I&GN, Gray county.

Nabob Oil and Gas Co., J. S. Norse A-5, 1,650 feet from the north and 330 feet from the west lines of E 1/2 of section 68, block 25, H&GN, Gray county.

Magnolia Petroleum Co., Fee 227 No. 32, 2,204 feet from the north and 440 feet from the west lines of NW 1/4 of section 15, block 3, I&GN, Gray county.

The Texas Co., J. K. Quinn No. 11, 2,310 feet from the north and 2,970 feet from the west lines of section 7, block 9, I&GN, Hutchinson county.

J. E. Crobie, Inc., Lillian Pitts No. 35, 330 feet from the north and 1,604 feet from the east lines of

## How Nazi Octopus Grips Norway

As an octopus snares its prey, the Nazi invaders have reached out with tentacles of steel to grip southern Norway. Map shows how German mechanized forces have surged along railroads and highways dealing swift, solid blows at the heart of the northern nation.

## Red Cross Has Given Untold Aid To Sufferers

The American Red Cross has already given aid to untold thousands in war torn Europe according to word received at the local chapter headquarters. The information revealed that \$200,000 in cash has been sent besides 293,000 sweaters, dresses and other garments and that 150 fast air-conditioned ambulances, 10 field hospital units and surgical instruments have been ordered to Europe. Locally, several hundred dollars have been raised and the drive continued with the goal in excess of \$800. Guy McTaggart, chairman of

section 9, block M-21, H&TC, Hutchinson county.  
J. M. Huter Corp., J. W. Mayfield No. 1, 330 feet from the south and west lines of section 4, block R-2, D&R, Hutchinson county.

Phillips Petroleum Co., Cockrell No. 48, 2,231 feet from the south and 990 feet from the east lines of section 3, block M-21, TCRR, Hutchinson county.

Elbar Corp., J. M. Noel No. 16, 330 feet from the west and 990 feet from the north lines of SW 1/4 of section 54, block 24, H&GN, Wheeler county.

Texhoma Natural Gas Co., A. Walters No. 1-Par, 1,346 feet from the west line and 1,340 feet from the north of section 29, block PM, EL&RR, Moore county.

the Pampa chapter, yesterday released the following information regarding the National Red Cross relief program in Europe:  
"During the six months ending March 25th, we have shipped abroad 239,000 sweaters, dresses, layettes, and other garments produced by the Red Cross Chapters. 95,000 additional garments are now ready for shipment. The National organization has purchased and shipped medical and hospital supplies, underwear, blankets, etc. The total relief which the American Red Cross has given has been of very substantial help in meeting the most urgent needs in Finland, Poland, England, and France. Although there is a cessation of fighting in Finland, there is actually an increased need among the people as they restore or reestablish their homes. Help from the American Red Cross to the Finnish Red Cross must continue over a period of several months. Our relief activities in Poland will be on an increased scale. We must continue to come to the assistance of the Red Cross societies abroad as our help is requested.  
"We plan to have 100,000 sweaters, 50,000 dresses, and 20,000 layettes ready to ship by June 15th. This can only be done if each Chapter produces its share. No Chapter's share is great but if each of our 3,710 Chapters accepts a relatively small quota of garments, the combined effort will provide the garments needed. The garments produced by June 15th will be shipped abroad for distribution at the points of greatest need early in September. Only the heavier weight garments are requested."

## Judge Orders Anti-Peddling Suit Be Tried

Pampa ordinances covering solicitation by itinerant photographers and assistants, and prohibiting peddlers calling at Pampa residences, except on invitation of the owners, received a setback in a case in 31st district court here Saturday.

A temporary injunction against the city was granted by District Judge W. R. Ewing in the suit in which C. C. Kuykendall of Oklahoma City was the plaintiff. The injunction remains in effect until the case is tried on its merits in the next term of district court, which opens May 27. Ruling of Judge Ewing applies only to this special case. Should the city enforce the ordinances against others, such persons would be required to undergo the same court procedure. Basis of the judge's decision was that the weight of evidence in similar cases, as South Carolina, Virginia, Oklahoma, Florida, Maryland, and California had ruled against the anti-peddling ordinance.

Pampa's anti-peddling ordinance like the others referred to in the

states in which court decisions have been given, was based on the Green River, Wyo., ordinance, and was passed here on June 28, 1938. Penalty for violation of the ordinance is a fine ranging from \$25 to \$200.

The ordinance of February 27, 1933, provided for the licensing of transient photographers and photographic solicitors at a fee of \$10 a day each and set up a penalty of a fine ranging from \$10 to \$200 for violation of the law.

Discrepancy Claimed  
Attorneys for the plaintiff, Cary & Cary of Pampa, contended in court Saturday morning, that the anti-peddling ordinance and the 1933 ordinance were at variance, one permitting a person to solicit under a license fee, while the other provided for no solicitations regardless of license.

The case was heard late yesterday morning, and after about an hour's hearing, court was adjourned until mid-afternoon, and the case was resumed.

Mayor Fred Thompson, Chief of Police J. I. Downs, Recorder C. E. McGrew, City Attorney R. F. Gordon, and City Secretary W. M. Craven, were named as the defendants, with the City of Pampa, City Attorney Gordon represented the City.

A temporary restraining order had been issued on May 11 in the case, after Kuykendall notified of the city ordinance and the penalty for their violation.

## Rain Falls As Oil Show Opens

TULSA, Okla., May 18 (AP)—A pelting rain greeted the 11th International Petroleum exposition's opening ceremony today but the oil men, used to nature's spasms, simply moved indoors for the formalities.

In lifting the eight-day show's curtain, W. G. Skelly, Tulsa, its president, emphasized the United States' strength in the "one vital essential to both military victory and industrial progress—oil."

B. C. Heacock, Peoria, Ill., manufacturer who made the principal address, praised oil engineers and technicians as continuing to cross new frontiers.

While the rain cut first-day attendance, it in turn gave equipment exhibitors and prospective buyers more time together.

Selection of P. H. (Patsy) Mack, 88, Bradford, Pa., as the "pioneer of pioneers" of the oil industry was announced. "Tomorrow—old times' day"—Mack and nine other "grand old men" recognized for their roles in oil will receive formal awards.

The Pennsylvania inventor many tools used extensively in field operations. He retired in 1931 from the management of the Oil Well Supply Co., Pennsylvania. Texas and Mississippi are the states honored tomorrow. In his opening address, Skelly,

## Pampa Oil Men To Receive Awards At Tulsa, Thursday

Two Pampa oil men will be honored Thursday night at a banquet in Tulsa, Okla. The men, L. J. Pratt, district foreman of the Phillips Petroleum company, and J. L. Wheatley, district production superintendent of the Sinclair-Pratt Oil company, will be given second place awards in a company passenger car drivers' safety contest.

The safety driving contest was conducted by the board of managers of the Tulsa Oil Exposition which opens today in Tulsa.

The reason why the two Pampa men will be honored is that Mr. Pratt has driven a company car 810,000 miles during his 20 years with the Phillips company without an accident and that Mr. Wheatley has driven a car, for several companies, a total of 796,887 miles in 23 years without an accident.

Mr. Pratt joined the Phillips organization 20 years ago at Okmulgee, Okla., and has been with the company ever since. He has been in most of the Oklahoma fields. Two years ago he came to Pampa. He maintains offices at the Pampa plant 10 miles south of Pampa. He is the father of two sons, Leon and Leonard, students at Oklahoma A. and M. college, Stillwater, who have a safety record to be proud of also.

Mr. Wheatley started in the oil business in Ohio in 1906. He moved to Oklahoma with the Barnsdall company in 1910. He came to Pampa in 1935 from Ranger. He is the father of three daughters, Janice Louise, Lois Maxine and Mrs. Bill Monahan of Pampa, and a son, Harrison, of Borger, and none of them has had an accident.

First place awards will be presented to men who have had longer service and more miles of safe driving.

HOW CLOSEUP BLITZKRIEG WOULD HIT LONDON

Sketch map shows how Hitler could spring 150-mile blitzkrieg against heart of England after Germans effect complete capture of Rotterdam and establish bases for long-heralded attack on London and environs. Bombers could operate across the narrow seas accompanied by fighter planes, submarines could launch closeup wholesale attack on British shipping around Thames estuary. Another target for Nazis would be Birmingham, hometown of many months.

HITLER CAN'T MAINTAIN KAISER'S PACE

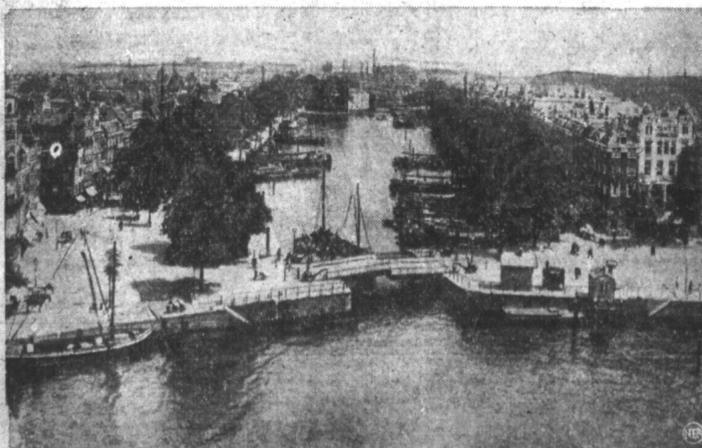

The Germans used the blitzkrieg in 1914 against the Belgians and, considering that they struck with 12 regiments of galloping cavalry, they made better time than have Hitler's highly mechanized legions, equipped with planes, parachutes, tanks and armoured cars. On Aug. 4, 1914, the Germans crossed the Meuse at Liege, moved rapidly to the Dutch frontier and north of Liege, forced crossing of the river and drove back a weak Belgian guard on Liege. The Belgian army was still mobilizing, covering an advance on Brussels and Antwerp. Only about 20,000 men were available at Liege, which with Namur commanded the railway over which the French would come. On Aug. 5, the Germans were pounding at the front of the eastern forts of Liege, but the Belgians at first repulsed them. On Aug. 6, despite heavy losses, the Germans finally drove the Belgians back on their main army west of Liege. At 7:30 on the fourth morning, Aug. 7, the Germans drove between the Liege forts and for all practical purposes the great German advance had begun. Authorities generally agreed Liege was not important as a defense after Aug. 10. The German machine moved almost on schedule and on Aug. 20 turned south, after taking Liege and Namur.

His Bark is Worse Than His Bite

With that gas mask on, this British war dog could bark at a German, but he couldn't bite him. Men of Toronto Scottish Regiment in England are pictured training him to go through smoke of battle. He'll be part of pooch patrol doing sentry and messenger duty at front.

Where Fierce Dutch-Nazi Battle Raged

Waterfront view of Rotterdam, important Dutch North Sea coast town for whose possession German and Netherlands forces battled fiercely. Nazi invaders razed Rotterdam's airport with aerial bombardment and descended on town with parachute troops and huge seaplane transport.

9-Week Court Term To Open Here May 26

Lists of petit and grand jurors for the May term of 31st district court, which opens a nine-week session on May 27, were released today from the office of the district clerk. The 31st district court term here will follow the session to be finished this week at Wheeler. Grand jurors for the May term in Pampa are to report on May 27, and the first panel of petit jurors on June 3. July 15 will be the start of the eighth and final jury week of the term. First and last weeks are non-jury weeks. District Judge W. R. Ewing has not yet prepared the court settings for the term.

Grand jury panel: W. A. Bratton, Oil Crossman, Fred Thompson, William F. Taylor, J. M. Saunders, all of Pampa; Creed Bogan, John Cooper, both of Pampa; Edward Oething, Floyd McLaughlin, both of Laketon; John O'Leary, L. R. Spence, M. E. Harding, all of LeFors; R. M. Gibson, Alanreed; Earl Johnson, S. C. Jones, both of Groon; John Harnley, Miami. Petit jury panel, second week, June 3: from Pampa, O. T. Hendrix, A. R. Randolph, C. W. Lawrence, E. G. Frasher, O. E. Neved, C. P. Coot, R. E. Gatlin, Paul V. Clifford, H. G. Husted, N. M. Kite, Jeff D. Bearden, N. Park Brown, William Carl Jones, Charles H. Mundy, M. K. Griffith, George W. Briggs, Crawford Atkinson, J. R. Spearman, W. Mullinax, J. L. Noel, J. M. Stein, E. J. Ayers. From McLean: Byrd Gull, R. E. Stubblefield, Homer Abbott, Grady N. Pearson.

WPA Week To Open Monday

Starting off the observance of the "This Work Pays Your Community Week," May 20-25, will be a supper to be given at 6:30 o'clock tomorrow night in the high school cafeteria, preceding a program an hour later in the city hall auditorium. The meal will be served to each person at the exact cost of preparing the lunches for children under the hot lunch project. Vocal solos, a community sing, tap dancing, a television broadcast, and listening to a national radio broadcast in connection with the week, designed to acquaint the public with activities of the professional and service division projects of the WPA, will be on the program presented at the city hall auditorium. Jim Edwards, recreational project superintendent, will direct the program.

As will other professional and service division projects of the WPA in Pampa, the sewing project will hold open house during the week starting Monday and ending Thursday. The sewing room is located on the fourth floor of the court house, operates each day from 8 a. m. to 5 p. m. During the week of May 20-25 the project will operate from 9 a. m. to 6 p. m. and will remain open on Thursday night until 9 o'clock in order to accommodate visitors. During the past six months there has been an average of 24 women employed on the Gray county sewing project, who have processed 6,000 garments. The average payroll has been \$1,138 a month. The first WPA sewing projects in district 16, of which Gray county is a part, was started in November, 1935, and over the district 600 women were assigned. Gray county pays for findings, such as needles, thread, buttons, and trim, provide rentals and utilities, while the WPA pays for labor and textiles.

Mrs. Jimmie Drake Dies In Portales

Friends here learned yesterday of the death of Mrs. Jimmie Drake at the Hensley hospital in Portales, N. M. Funeral services were conducted Friday afternoon. Mr. Drake is a former Pampa resident having been a linotype operator at the Pampa News for two years. A three-year-old child also survives. Before her marriage she was Miss Fern Hudson. At that time Mr. Drake was connected with the Portales Daily News, later he was editor of a Tucumcari paper. For the past year they have lived at Dalhart, where Mr. Drake is advertising manager of the Dalhart Texan. In addition to her immediate family, survivors are her uncle and aunt Dr. and Mrs. E. T. Hensley of Portales, her father, B. S. Hudson of Porter, Okla., a sister Mrs. R. E. Cannon of Port Arthur, a brother, E. H. Hudson of Portales.

Entrada Advertised On Huge Billboards

Huge sheets advertising the Coronado Entrada to be held in Pampa on June 13, 14, 15, at the Top O' Texas Fiesta, are being put up on 30 billboards of the Wellington Poster company over the Panhandle and Oklahoma. Some of the sheets have already been displayed on boards at Shamrock, Wellington, Miami, Canadian, Dalhart. The area covered by the 24 sheets will extend as far east as Childress and Memphis, south to Lubbock, north to Perryton and the Oklahoma Panhandle. Contract for the putting up of the posters was signed May 13 between the company and the Pampa Junior Chamber of Commerce, sponsors of the Fiesta.

Revival Begins Today At Church

A revival campaign will begin today at the Pentecostal Church of Jesus Name, South Barnes street, with the Rev. J. V. Pace of Clovis as evangelist. Services are to be held each night at 8 o'clock for two weeks. Special singing will be included at each service. Mrs. Floyd Savage is pastor of the church.

Britain Loses Food, Wood Imports From Scandinavia

Cut off by the Nazi invasion of Scandinavia are Great Britain's imports from the Nordic nations, including the five principal products shown on chart. These represent half of the United Kingdom's foreign bacon supply, a fourth of her dairy imports and a quarter of her wood and paper imports. Most of foodstuffs came from Denmark, wood from Norway and Sweden. Figures show annual imports.

Mainly About People

A building permit for a \$4,700 residence in the Buckler-Merten addition was issued to H. E. "Doc" Schwartz last week. C. F. Smith was named contractor. Other of the \$7,400 in permits issued were for repairs. Total amount of permits for the year to date are \$419,800 plus moving permits of \$9,050 or a total of \$428,850. A group of 20 students from Holy Souls school sang for Pampa Kiwanians at the club's regular weekly luncheon at noon Friday. Attendance at the luncheon was 51, including W. W. Shaddix, Hugh McKimming, Pampa, and Joe Davidson, Amarillo. J. W. Cashion was inducted into the club as a new member. Mr. and Mrs. Thomas H. Elliston and Miss Kathryn Meek of Spokane, Washington, were week-end while his wife and son will remain here until Wednesday. Miss Warner will stay here during the week. A special "welcome" window, showing a display of Tappan stoves, was arranged Saturday morning at the Texas Furniture company, in honor of the vice-president's visit here. The Texas Furniture company is the exclusive agency here for Tappan stoves. Mrs. J. B. McPherson was admitted to Pampa-Jarrat hospital yesterday. Mrs. L. L. Eckman of Skellytown underwent and operation a Pampa-Jarrat hospital Saturday. Dec Partridge was dismissed from Pampa-Jarrat hospital Saturday.

Stove Manufacturer Visits In Pampa

Guests of Mr. and Mrs. Greeley Warner this week-end were Mr. and Mrs. Hubert Tappan and son, Bill, of Arcadia, Calif., and Miss Kerrick Warner of Paris, Tex. Mr. Tappan, a brother-in-law of the Tappan Gas Range company of Mansfield, Ohio, in charge of west coast distribution, with headquarters in Los Angeles. He arrived in Amarillo at 7:40 o'clock last night by plane, where he was met by Mr. Warner and Miss Kerrick Warner, sister of the Pampa. Mr. Tappan is to leave tonight or Monday to return to the west coast.

Khiva Temple Will Hold Birthday Party

As a preliminary to the 20th anniversary party of Khiva Temple in Amarillo Tuesday, the Camel Herders Roundup will be held Monday night at 6:30 o'clock in the Amarillo hotel.

There's One you can't pass by!

They're rolling out fast... and your Buick dealer keeps them rolling by making swell deals!

ENTICING are the offerings flagging your eye from behind the plate glass along Automobile Row—how in the world can a poor mortal pick the best of the bunch?

You can't try them all, it's plain. But there's one thing you can do that makes a lot of sense.

Just give yourself a yardstick to start with.

Take the car that all the talk's about. Give yourself something to go on by trying a Buick first.

Of course, it may be tough on the next fellow once you've sampled Buick's swift and thrifty Dynaflex straight-eight — no other engine made is balanced after assembly to slick-as-watchworks smoothness.

And stout, soft coil springs all around, especially when combined

with ride-steadying torque-tube drive, may spoil you entirely for any other kind of ride.

Again, there are things like recoil-mounted Knee-Action, pressure-sealed cooling systems, Two-Way Direction Signals with automatic cut-off and so on that you simply can't find elsewhere.

But it isn't only Buick's six-dozen new features that make this car you can't pass by—it's also the price.

That puts a really great car within your reach. It buys not only a lot of exclusives and extras, but gives you more of the basic things, such

as power and size and deep-rooted sturdiness — a longer car and the sturdiest frame at the money.

Current prices start at \$895 for the business coupe, delivered at Flint, Mich.—transportation based on rail rates, state and local taxes (if any), and optional equipment and accessories extra.

That adds up to delivered prices that will open your eyes wide—so why not ask your Buick dealer for the whole story and a free demonstration?

Prices subject to change without notice.

Buick prices begin at \$895\* for Business Coupe (Illustrated)

# Boys And Girls May Earn Tickets To Pool

## Hinger Calls Meeting At School Gym

Attention all Pampa boys and girls!

Here's a chance for you to earn a season ticket to the swimming pool which will open June 1.

The city and Oscar Hinger, pool manager, have worked out a plan whereby you can sell both children's and adult tickets, apply 10 per cent of the money you will receive on your tickets.

Every boy and girl in Pampa who meets requirements may sell tickets. For instance if you sell six adult tickets you will receive a season ticket to the pool. If you sell 10 children's tickets you will receive a season ticket should report to Mr. Hinger at 4 o'clock Monday afternoon at the high school gym. Both boys and girls will be required to furnish a recommendation from either their teacher or their Scoutmaster or Scout leader.

The city yesterday announced that a new boiler would be installed at the pool to insure water of the proper temperature. The filter system is being repaired, and the bottom of the pool is being painted white to insure safety.

Season tickets for children 16 and under will cost \$4.50, and for 17 years old and over, \$7.50. These prices show a reduction of 50 cents on each ticket as compared with last year. Twenty swims for children, that are 16 and under, will cost \$2, and the same number of swims for adults will cost \$4. Swim tickets in books will go on sale when the pool opens. Regular swim prices will be 15 and 25 cents. Suits may be rented for 20 cents each, and 10 cents for children under six years.

## Clovis Pioneers Again Jinx Pampa Oilers

CLOVIS, May 18—Hitting the ball at the right time, the Clovis Pioneers made it three in a row over the Pampa Oilers 11 to 4 here Friday night in the last game of their current series. The Pioneers kept up their record of last year when they won eight out of nine games from the Oilers in Clovis.

With Sam Malvica hitting the ball hard, the Oilers outslugged the Pioneers who made up in extra base knocks. Smith hitting for the circuit, Hunt for three bases and Poteet for two sacks.

Malvica bagged three hits for the Oilers. Dutch Fraber followed with a brace of doubles while Phil Poteet got his eye on the ball for a double and single.

Hallbour pitched winning ball excepting in the second when Smith got hold of one with the bases clogged, and in the fifth and ninth when the Pioneers bunched hits and took advantage of Oiler errors. Hallbour walked five and fanned seven.

The Oilers had plenty of chances to score but were unable to get their base hits at the right time. Not less than 14 of the Oilers died on base.

## Bimelech Runs Second In Race

NEW YORK, May 18 (AP)—Bimelech didn't work it today.

The great colt of the blue grass ran second to Mrs. Payne Whitney's Corydon in the 65th running of the Withers mile at Belmont park and there appeared to be no excuse for the colt who was touted as the "second man of the year" in the betting. Col. E. R. Bradley's galloper was never in front and had to call on the camera even to take second money from Joseph E. Widener's Roman.

Bimelech was beaten badly by a colt that had won only one race previously in his career, coming home first last October 18 in a mile and sixteenth maiden race.

But today he was a lot of horse. Eleven lengths back, he seemed to have no chance. Then jockey Eddie Arcaro turned him loose and he finally finished two lengths on top in 1:37 1/5 for the mile.

Mrs. E. Graham Lewis, General Manager, was fourth, trailed in order by William Ziegler, Jr., in Charge, Sonny Whitney's Parasang, Jock Whitney's Calory and Mrs. Charles Shipman Payson's Call to Colors.

Corydon returned \$37.00 for each \$2 ticket, \$18.00 for place and \$5.00 for show. Bimelech was \$2.60 for place and \$2.40 for show, and Roman returned \$3.20 for each show ticket.

Malvica paced Oilers at plate with .350 average

Sam Malvica, shortstop, was leading the Pampa Oilers at the plate through Friday with an average of .350. Malvica hiked his average from .321 to the new high in the last four games of the week.

Although in a hitting slump the past week, Phillip Potter, outfielder, ranked second through Friday night's game with a .333 average or enough to nose out Lloyd Summers who was hitting .330.

Potter was also leading the team in home runs, with six, although the league statistician lost two and only gave Potter four. The outfielder had also bagged the most doubles; eight, or one more than Merie Adams.

Lloyd Summers batted in the most runs, 25, to be two ahead of Potter.

Milbert Vannoy had the best pitching record, two wins and one loss with Gus Hallbour and Ben Parrish next with three against two losses.

League batting honors, through last Monday night, show Schreda of Lubbock in first place with an average of .500. Niedzela of the same team was second with a .455 average.

## Red Horses To Play At Skelly This Afternoon

Bob Bailey's Magnolia Red Horses will play their second ball game of the season Sunday afternoon when they meet the Skellytown Independents in Skellytown. Game time will be 2:30 o'clock.

On the mound for the Red Horses will be A. C. Miller, former Pampa Harvester football star who had a trial with the Pampa Oilers this spring. Miller has possibilities but needs coaching. In fact, old time pitchers who saw him work believe he is a big league prospect. Behind the plate will be Harry Stephens.

Pearce May, who used to live here, will be on the mound for Skellytown.

The Red Horses are all employees of the Magnolia Petroleum company in this area. The team has been working out for two weeks under Bailey, former professional who was with the Oilers last year.

## Pampans Will Enter Quanah Golf Tourney

At least a dozen members of the Pampa Country club will compete in the Greenbelt Golf tournament to be played over the Quanah Country club course next week. Qualifying will begin Thursday morning with play Friday, Saturday, and Sunday.

Local players desiring to participate may contact Pete Nossent, pro at the local club.

This year's tournament will be the 15th consecutive one held by the Greenbelt association, one of the outstanding in the state.

History of the tournament and plans for this year's event, as prepared by L. C. "City" Walker of Quanah, follows:

The association was organized in April, 1926, at a meeting of interested clubs held at Quanah. The first tournament was held in May, 1926, over the Quanah Country club course. This initial tournament was highly successful and the association started growing from this date on, until now it is one of the leading tournaments in the state, and is the largest to be held on a sand green course.

At present there are 10 or 12 towns in West Texas and Southern Oklahoma represented. During the 15 years of the association's existence, it has had such golfers as Levi Lynch, Charles Reaser, Frank Foxall, Grover Austin, and others as well known to compete for the championship cup. Its entertainment features are unsurpassed and the prizes offered to flight winners are valued each year at approximately \$500.

This year's tournament will be held over the Quanah Country club, which is one of the best 18-hole sand green courses in the state. The par is 72, length of 6,600 yards, and there is an abundance of natural hazards. The club house is large and modern in every respect, and overlooks the beautiful lake which affords good fishing.

Of the six tournaments which have been held over this course, the par of 72 has been broken only one time in the qualifying round, one hundred and fifty golfers are expected to start their qualifying round Thursday morning, May 23. Match play will come Friday and Saturday, with the 36-hole finals on Sunday.

There will be a stag banquet on the afternoon of the first day and a dance at the clubhouse on the night of the second day. The usual California pool will be held on the night of the first day. There will be other entertainments for visiting ladies.

Pete Nossent, professional at the Pampa Country club will act as the official starter.

Many out-of-town golfers have taken advantage of practice rounds this course in excellent condition. Frank Foxall of Memphis is the defending champion and is in top form for this year's tournament. Several former champions will compete and as usual there will be several dark horses. An unusual fact about this tournament is that the medalist has never won the championship.

Following is a list of former champions and year of tournament:

1926—L. C. Walker, Quanah.  
 1927—L. S. Walker, Quanah.  
 1928—Raines West, Memphis.  
 1929—Frank Foxall, Memphis.  
 1930—Frank Foxall, Memphis.  
 1931—L. S. (City) Walker, Quanah.  
 1932—Babe Holmes, Shamrock.  
 1933—Reginald Greenhaw, Memphis.  
 1934—Thomas Hampton, Memphis.  
 1935—L. H. Harris, Sayre, Okla.  
 1936—Roy Lebus, Electra.  
 1937—Roy Farrell, Vernon.  
 1938—Frank Mitcham, Jr., Shamrock.  
 1939—Frank Foxall, Memphis.

## Girls Softball Team Defeats White Deer 19-8

The Pampa girls softball team played its first 1940 game Thursday afternoon, defeating White Deer 19 to 8. Both teams showed offensive strength but defense was erratic.

Highlight of the game from the Pampa standpoint was the pitching of Virginia Fore who hurled five innings of hitless and scoreless ball while she fanned eight. She finished her tenure on the mound by fanning five of the last six batters to face her.

Wilkinson started the scoring for the Pampa girls when she hit a home run on her first appearance at the plate which scored two teammates ahead of her.

Starring for the visitors was Josephine Overstreet, first base-mann, who figured in two double plays and who went deep into foul territory to make seemingly impossible catches.

The Pampa girls, who need sponsors to purchase uniforms, will not play a regular schedule until after school has been dismissed.

The White Deer lineup for the game was:

Moore, 3b; Russell, lf; Freeman, ss; Overstreet, 1b; Bray, c; Christopher, 2b; Newton, cf; Couch, rf; Bishop, rf; Moore, p.

The Pampa lineup:

Heiskell, 1b; Fore, p; Heiskell, ss; Wilkinson, 2b; Bennett, 3b; Richardson, rf; Allen, cf; Simmons, rf.

## Ben Hogan Leads In Goodall Meet

NEW YORK, May 18 (AP)—It was all Ben Hogan in the Goodall golf tournament at Fresh Meadow club tonight.

The thin young man from Texas was so far ahead of his 14 competitors that it practically was no contest. With two rounds of match play to go tomorrow Hogan couldn't possibly lose unless he fell down stairs again.

Having taken a tumble Thursday night and bruised his back, Hogan went out and shot two beautiful rounds of 66, 71 for his fourth and fifth rounds of the tournament.

These two sparkling rounds—the first matching the competitive record for Fresh Meadow—gave the dauntless Texan a point total of plus 24, while his closest competitor, Gene Sarazen, had only 8. Sammy Snead in third place had 7.

Hogan this morning knocked the eyes off Paul Runyan and Dick Wicks. In the afternoon, with a gallery of 3,900 waiting for him to crack, he won a couple more points from Jimmy Demaret and Sam Snead.

## Supervision and Examination of Banks

This federal or state governmental body which charts and supervises a bank has power to examine it at regular intervals—usually twice a year. In addition to the examinations required by state law of state banks and by the National Bank Act of national banks, both the Federal Reserve banks and the Federal Deposit Insurance Corporation are authorized to examine their members.

The purposes of the examinations are (1) to ascertain that the bank is solvent, (2) to determine that it is operating within legal limitations, and (3) to ascertain that sound policies are being pursued. Through such examinations we obtain a review of our operations, and receive expert suggestions and advice on our policies and practices whereby we may improve our service to our customers.

## THE DIFFERENCE

## Midget Auto Races Saturday Night Canceled

The track at Recreation park was fast after being oiled but only 300 Pampans faced a cold dust-laden wind out of the north Friday night to see the Midget car races. Time made by the drivers was faster than on the former dirt track and competition was hot.

Several new drivers made their appearance and two of them ran in the first two places in the 25 lap race.

"Red" Hodges, Dallas ace, was forced from the races in the third heat when his car broke down.

Saturday night's races were called off because of bad weather. Joe Berry, promoter, announced. He hopes to present more races in two weeks.

Jay Booth won the opening race following qualifying rounds. Loyce Harris took the second race while Cecil Zent, a newcomer from the third event.

Ted Parker opened the long races with a victory and Dick Ward took the second 10-lap event.

Tommy Hays won the feature race over 25 laps with Cecil Zent second and Ted Parker third.

Rabbit Music, whose car broke down, drove one of Delbert Brown's cars.

## Good Shooting Expected At Jaycee Range Today

Clay pigeons will have a hard afternoon Sunday when the Pampa Junior Chamber of Commerce officially opens its skeet range. At least Pampa skeet shooters have been bragging that they're going to scatter clay pigeons all over the airport.

The new range is located at the northwest edge of the municipal airport. Best way to reach the range is to drive east of Francis or Browning avenues to LeFors street and north on LeFors street to the range. LeFors is the last street north of Browning avenue.

Coleman Williams and his Jaycee committee will open the range at 2 o'clock. They'll have a truck load of ammunition on hand and will also have shot guns for rent.

A guest at the opening will be Tommy Templeton of Amarillo, Irish shot artist. He is one of the best known skeet shooters in the southwest, too.

Skeet shooters from Shamrock, Panhandle, Berger and Amarillo are scheduled to be here for the formal opening of the range which has been adjusted and is in perfect condition.

## Sponsors Needed For Six More Girls On Softball Team

The Pampa girls softball team needs sponsors for six more girls, it was announced yesterday.

To date nine Pampa firms have purchased suits and gloves for the girls who will have 15 players on their roster.

Any person or firm desiring to sponsor a girl may call Avis Heiskell, telephone 1089. Cost of a satin uniform and glove is \$10. That entitles the firm to place an advertisement on the back of the uniform.

Sponsoring girls to date are Jones-Everett, Clifford's Service Station, Behrman's Shoppe, Pampa Ice company, Hoffman's Service station, Frazier-Martinas Motor company, Northeast Dairy, Edmondson's Cleaners, and Standard Food Markets.

## Supervision and Examination of Banks

This federal or state governmental body which charts and supervises a bank has power to examine it at regular intervals—usually twice a year. In addition to the examinations required by state law of state banks and by the National Bank Act of national banks, both the Federal Reserve banks and the Federal Deposit Insurance Corporation are authorized to examine their members.

The purposes of the examinations are (1) to ascertain that the bank is solvent, (2) to determine that it is operating within legal limitations, and (3) to ascertain that sound policies are being pursued. Through such examinations we obtain a review of our operations, and receive expert suggestions and advice on our policies and practices whereby we may improve our service to our customers.

# Pampa-Midland Play Doubleheader Today

## Oilers Take First Game By 3-2 Score

Pampa baseball fans will see a doubleheader at Road Runner park this afternoon when the Pampa Oilers and the Midland Cowboys meet in the closing games of the current series. The first game will be called at 2:30 o'clock. The second will be seven innings after the first.

The Oilers capped the opening game from Sam Hale's Cowboys last night by a 3 to 2 score, making their runs in the last three innings after being stymied the first six frames.

Midland's one run in the third looked big as Johnson mowed the Oilers down without trouble. Only Fletcher Vannoy bagged a hit up to the seventh and it was the second hit of the game in the seventh that scored the first Oiler run. Midland scored in the third when Rowden walked, but was forced by Fletcher Johnson, who stole second and scored on Naranjo's single. The Cowboys scored again in the fifth when Johnson was safe on Stephens' error, went to third on Naranjo's single, and scored on Wilson's single.

The Oilers got the turn in the seventh when Jordan and Potter drew walks and Jordan scored on Vannoy's second single. Manager Grover Setz opened the eighth with a double and tied things up when he scored on Summers' single. Summers was out trying to steal second.

Then came the ninth. Jared Jordan got a single, his only hit of the game, and he went to second when Ward, right fielder, let the ball through him. Manager Setz proceeded to call the old squeeze play by ordering Potter to bunt. And Potter did. He laid a perfect one down the third base line and Jordan raced the play and headed for first, where Benites was supposed to cover as Scalling played for a bunt, but neither the second baseman or the ball got any way near first as Rowden heaved it into the farthest corner of the playing field as Jordan scored the winning run.

Vannoy Fields. Specially in a pitchers duel but support on both sides was erratic. Vannoy limited the Cowboys to eight hits while Johnson pitched five-hit ball. Vannoy had a big night in the field, making six assists, one for a double play, and two others to cut off runners at second.

Only one umpire, Mr. Cartwright, arrived and Harvey Hutton was pressed into service and he did a pretty fair job of umpiring. Two of the league umpires are in hospital and one was called to the bedside of his mother during the week.

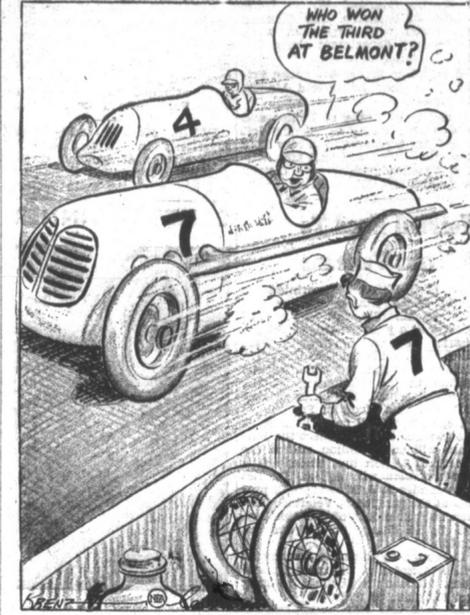

Smith and Mitchell, each with two wins against one defeat, will be in the mound for the Cowboys tomorrow. Manager Sammy Hale announced last night. Pampa's Manager Setz didn't name his starting chunkers but McPortland, new pitcher acquired from Big Spring, Dillbeck, Parrish and Rice will be ready.

Al Mendoza and Woody Cullum were given their releases by the Oiler management last night and Daniels, formerly with St. Joseph, was signed on a five day trial and played in left field in place of Adams who is nursing a sprained ankle. Stephens, with Mt. Pleasant last year, is being given a trial at second.

## Mexican 'Fifth Column' Claimed

HOUSTON, May 18 (AP)—Mayor Mavery asserted he had received his information from an authentic source on a recent trip to Mexico.

## Wallace Seeks To Peg Wheat Prices

WASHINGTON, May 18 (AP)—Taking emergency action to halt modern history's most sensational break in wheat prices, Secretary Wallace asked the nation's grain futures markets to peg prices at not less than today's closing quotations.

The request was telegraphed to market officials after wheat prices, reflecting uncertainty over the European war, tumbled 10 cents a bushel—the limit permitted in any single day by market rules—for the third time this week. The net loss for the week was about 30 cents.

Wallace's request, if accepted by the markets, would establish minimum prices of 79 cents a bushel for May wheat futures and 59¢ for six to eight months' contracts at Chicago, the nation's principal grain market.

At Chicago, Fred H. Clutton, secretary of the Board of Trade, said directors would meet in a special session tomorrow to consider the request. It would be the third time since the turn of the century that such steps have been taken.

Wallace's action came shortly after Canadian authorities had pegged prices at Winnipeg at yesterday's closing figures.

## British In Belgium In Better Position

WITH THE BRITISH EXPEDITIONARY FORCE IN BELGIUM, May 18 (AP)—British troops, weary after eight days of almost continuous movement and action, clung stubbornly today to new lines west of Brussels.

As the Nazi war machine crunched forward there were fears that German successes in the Sedan sector, which sent waves of armored cars and tanks bowling into back areas, might dictate a further Allied withdrawal.

The British, who 72 hours ago occupied the desperate situation running through Louvain to Wavre east of Brussels, now are in a better position to meet the German push, despite the Allied withdrawal.

There is no tendency to minimize the desperate Allied situation here. One comfort to the Allies is that the British and French armies virtually are intact and are well-equipped for the defensive warfare dictated by the German tactics.

The RAF was declared to be holding on to advanced bases in France in spite of the severe battering administered during the first week of the blitzkrieg.

## Mussolini Replies To FDR Efforts

ROME, May 18 (AP)—Premier Mussolini has replied to President Roosevelt's latest efforts to prevent spread of the European war. It was learned from a reliable source tonight. The nature of the reply was not disclosed but it was believed to have been non-committal without being alarming.

The reply, in courteous terms, was said in informed quarters to have been communicated to Mr. Roosevelt through United States Ambassador William Phillips, who delivered a personal message from the President to Il Duce May 15.

With Italy's entry into the war believed by most observers to be awaiting a final death blow to the Allies, the Fascist press tonight openly exulted at the advance of

## Balkans, Near East Tense as War Threatens

Massing of Rumanian, Turkish and Russian troops on their respective borders increases tension in the Balkans and Near Eastern areas, where nearly 5,000,000 men are now under arms. Map shows routes of attack that would be used by allies on offensive or by Nazi-Rief forces if war should spread to this eastern front.

## Nazis Take Antwerp Ahead Of Schedule

By LYNN HEINZLINGER  
BERLIN, May 18 (AP)—The iron legions of Adolf Hitler hoisted the German battle flag today on the city hall of Antwerp, fortified North Sea anchor of the whole Allied line, and swept west and south toward the heart of France and the English channel ports needed for frontal assault on the British Isles.

Antwerp fell to the German motor columns in 9 days, 57 days ahead of world war schedule. The troops of Imperial Germany entered the city on October 9, after shelling it for eleven days. They invaded Belgium on August 4, 1914.

The German plunge through Belgium and through the Netherlands, to the north, is so swiftly fluid that it is difficult to pick out its immediate objectives.

But the thrust through the French fortifications of the Meuse and over Maubeuge and the Sambre, further northwest, seems aimed at Paris.

Authoritative sources said German troops are within 60 miles of the French capital, but they declined to state just where.

What the authorities call complete "pacification" of the Netherlands is proceeding speedily, with Dutch resistance ended on Walcheren Island and more than 200,000 French troops reported captured on the islands of Schouwen and South Beveland, all in Zealand above Antwerp.

To Release 800,000  
When Zealand's cleanup is complete.

Germany's war machine into France.

A declaration by Premier Mussolini's Il Popolo D'Italia that Fascist Italy "must reach its great pre-destined goal, legitimate imperial aspirations and Mediterranean destiny now or never," was interpreted by some as perhaps a sign that Italy was about to strike somewhere.

## Bridwell Elected President Of WTCC

BIG SPRING, May 18 (AP)—Joe S. Bridwell of Wichita Falls was named president and Mineral Wells was chosen for the 1941 meeting at the close of the West Texas Chamber of Commerce convention today.

Bridwell, oil man and rancher, succeeds E. K. Fawcett of Del Rio. Dean J. Thomas Davis of John Tarleton college, Stephenville, was elected first vice president and George Jones, Marfa stockman, second vice president. Re-elected were Treasurer M. M. Meek and Manager D. A. Bandeen.

New district directors named were: Albert L. Clifton of Waco to succeed Davis in District 10 and Wayne West of Ozona to succeed Jones in District 8.

Gov. W. Lee O'Daniel said in an address before the convention that ad valorem taxes were the most burdensome and dangerous of levies and advanced a plan as you go system of financing governmental services.

O'Daniel attacked ad valorem levies as fostering dishonesty and disrespect for law and outmoded as a muzzle-loading shotgun.

"Ad valorem taxes and unfair, unequal and inconsistent," the governor told the convention which was devoted to taxation and public expenditure problems.

## Statewide Hearing To Produce Debate

AUSTIN, May 18 (AP)—Reported mounting crude oil and gasoline stocks, a proposed 15-day statewide production shutdown, a suggested five-day curfew and, for June, a possible 90-day production order and a three-pound pressure drop in the giant East Texas field may produce debate in the statewide production hearing here Monday.

Members of the Texas Railroad Commission, who conduct the regular monthly hearing to take evidence on which to base a production order, apparently were agreed the industry faced a problem of overproduction and admitted they were anxious to get the reaction of operators.

They were disagreed, however, on the method of curtailing production.

Commissioner Jerry Sudler has suggested a 15-day general shut-in.

Commissioner Ernest O. Thompson today proposed five days of closures during June as compared with one day for May.

Chairman Lon A. Smith declared he preferred to hear from operators first.

## Hamburg Raid Claimed

Now that Antwerp, 23 miles from Brussels, is in German hands, authorized Nazi sources expect the Allies to make a stand from below that city to Lille in northwestern France to shield such ports as Belgian Ostend, where the Belgian government has moved; and French Cherbourg, Calais and Boulogne.

The possibilities of bombing attacks on England from such ports as these were underlined today by a DNB report that 29 civilians had been killed and 51 injured in an Allied air raid on Hamburg last night, coupled with high command assertions that raids on "non-military objectives" in Hamburg and Bremen has special significance "in view of subsequent consequences."

DNB tonight said 11 civilians were killed and 93 injured in last night's British air raid on Bremen.

DNB reported that 71 Allied air attacks on Germany since May 10, fifty one were on non-military objects.

# FDR Acts To Speed Planes To The Allies

WASHINGTON, May 18 (AP)—President Roosevelt was said authoritatively today to have decided to put the administration's force behind efforts to speed deliveries of American-made warplanes to the hard-pressed Allies.

Informed sources said means to hasten completion of more than 4,000 planes which Britain and France had ordered since the war started would figure prominently in a conference of industrial leaders with government officials Monday.

The feasibility of turning over to the Allies new planes manufactured for the army probably would be considered also, it was predicted, though officials said no formal requests that this be done had been received thus far.

Mr. Roosevelt's extraordinary program to strengthen defenses at home made swift progress in congress during the day, and word spread that the chief executive might ask still more millions for armament later if he deemed them necessary.

Working with rare speed, a senate appropriations subcommittee approved a \$1,827,491,724 army supply bill carrying the army's share of the special defense fund proposed by the president earlier this week.

The subcommittee provided that the money should be available the moment the law is signed, instead of next July 1 as most appropriation measures specify, and sent the bill to the full appropriations committee for consideration Monday.

Many members of the senate predicted that that chamber would approve the huge fund, and send it back to the house for acceptance of the extraordinary additions, by mid-week.

As Senator Hill (D-La.) told reporters after a White House visit that the defense program would involve "speed, more speed and still more speed," the house naval affairs committee tackled the question of relaxing legislative restrictions on shipbuilders to hasten naval construction.

Tentatively, the committee approved legislation giving the president broad powers to ignore wage and hour regulations, profit limitations and other federal laws in order to hurry construction of fighting ships and planes for the navy.

## SKY BLACK

(Continued from page 1)

have been abandoned, and to the east on the Maginot line where German assaults have been repulsed, tonight's communique said "nothing of importance to report."

**Reynaud's Bombshell**  
German bombers visited the Paris region this afternoon at the very moment Premier Reynaud was dropping a bombshell of his own with announcement of a cabinet shakeup, making himself war minister as well as premier, naming Marshal Petain vice premier and Georges Mandel, former minister of colonies, minister of the interior.

The German squadron of 16 planes was reported to have bombed communication centers outside the capital, but lost four of their number in the attack.

A general speed-up of French arms production was ordered by the armaments ministry, ruling that all factories turning out national defense orders must work 24 hours a day. Aviation plants started 12-hour double shifts.

This is designed to overtake eventually Germany's numerical superiority in planes and tanks, which largely have been responsible for the German's swift advance.

The battle was reported especially heavy tonight from the Sambre to the Aisne river on the west side of the pocket.

(Here 22 words were censored.) It appeared Vervins (here one word was censored) was occupied.

A war ministry spokesman said the Germans appeared to be withholding some talk columns for a new effort.

Fighting at the southern extremity, he said, reached down to the Aisne river (here four words were censored).

The spokesman estimated that at least half of Germany's entire mechanized army had been thrown into the battle in northern France.

**Battle of Tanks**  
The French declared their own lighter tanks had proved superior to the German giants in combat where they met.

Only the formidable French 75's were able to penetrate the heavy armor of the biggest Nazi tanks—and the French were said to have firing point blank at them with good effect.

Accompanied by masses of planes and followed by lighter units and infantry, great numbers of the German tanks struck through the Vervins region toward the Oise and through the Avesnes region toward the Sambre.

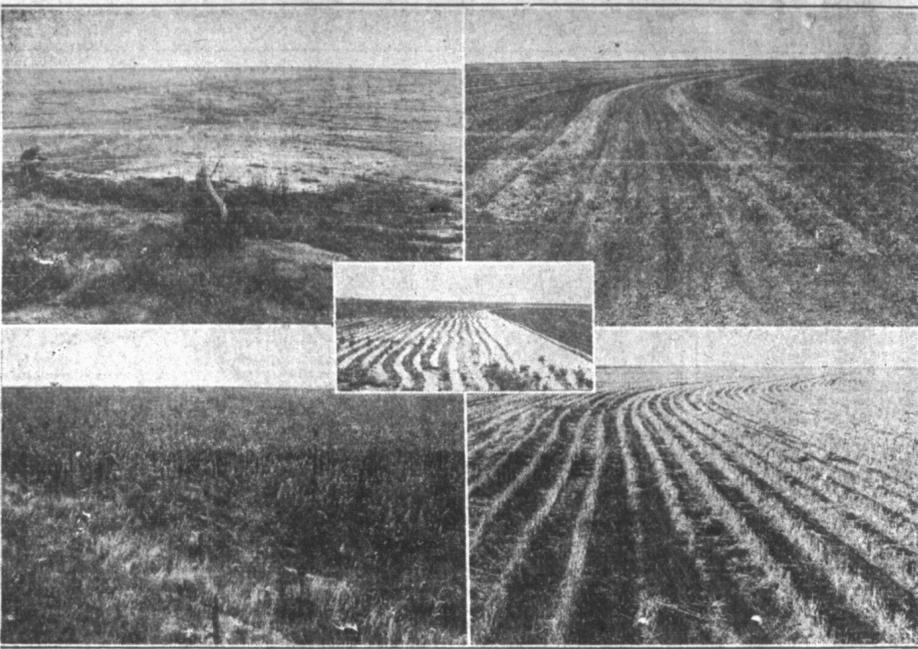

The main Nazi effort appeared to be in the Vervins vicinity. The French there were pouring tons of artillery shells against the enemy tanks and were said to have brought up enough of their own tanks to match the Germans.

The French said the experience of the last few days had taught them how to deal with German tank thrusts.

## These Soil Conservation Practices Can Check Next Year's Dust

Agricultural workers in the wind erosion area of the Southern Great Plains point out that now is the opportune time to start the fight against dust storms of next year. This spring there are many thousand acres of barren land subject to both wind and water erosion like the field at the upper left. Contour tillage, strengthened by terraces where necessary, (upper right) will place the land in condition to catch and hold practically all available moisture during spring and summer. These contour rows and terraces hold the water evenly over the field (center), with the result that a uniform and usually more profitable crop results (lower left). Stubble left on the land when the crop is harvested and properly protected from overgrazing (lower right) provides a safeguard against soil blowing during the winter and spring. The county agricultural agent will furnish additional information about wind erosion control practices which may be seen in actual use in Soil Conservation Service demonstration areas and soil conservation districts, and for which AAA benefit payments may be received.

## Dutch Possession in Western Hemisphere

A huge Dutch passenger plane swoops high over Willemstad Harbor on the Dutch West Indian island of Curacao, symbolically posing a problem for all Americas. What steps must western hemisphere nations take to protect these Indies, just off the Venezuelan coast, from foreign domination, since Germany invaded the Netherlands?

## German Bomber That Didn't Reach Norway

German fliers take to their air-inflated emergency raft after their huge Dornier bomber was shot down over North Sea in 35-second combat with an R.A.F. reconnaissance plane, according to British-approved caption on above photo, which recently reached New York

## Nazis Circumvent Dutch System Of Water Defenses

PARIS, May 18 (AP)—Germany's drastically new methods of invasion, with emphasis on the parachute-fifth column combination, took Holland entirely by surprise and set at naught her great system of water defenses, Dutch and Allied military men said today in reporting on the German conquest of Holland.

These authorities disclosed how the modern blitzkrieg method and complete disregard of "the rules" accomplished the task in five days.

In Poland and Norway the Germans had given no real inkling of what they had in the bag. On Holland they turned loose tricks that in any circumstance short of the actual proof would have been termed fantastic pipe dreams.

At one bold stroke, for instance, the Nazis rendered the flood water defenses of the Rotterdam-The Hague-Amsterdam area useless. After that there was little hope in continuing the fight. The Dutch surrendered.

Parachute troops dumped out of the skies from planes which had detachable bottoms fell by the hundreds in the Rotterdam area.

Big hydroplane transports alighted on canals, rivers and in the ports. German agents discarded their disguise in the city proper and the three forces combined.

## LIEGE IRON RING CRACKS

Above is pictured Ely Fonville of Berger, former Pampa, who is a candidate for Khiva's ring at the Shrine ceremonial in Amarillo Tuesday. He has a platform and a whole string of campaign managers over the Panhandle. Khiva Temple will celebrate its 20th anniversary on Tuesday. Many Pampa Shriners will be present.

## Mainly About People

Phone items for this column. The News Editorial Rooms at 600

Lynn Wall, Skellytown constable, was in Pampa Saturday.

Antonio Sustana, Mexican from Houston, was brought to federal jail here Friday afternoon by U. S. Deputy Marshal W. F. (Bill) Lampe, of Amarillo. The Mexican is charged with forgery of a U. S. Treasury department check, the sheriff's office here said.

A marriage license was issued Friday to Vernon Lewis and Madine Davenport.

Mrs. W. E. Ewing of Pampa and Mrs. Frank Ewing of Higgins left here Saturday on a trip to New York City where they will visit Mrs. William Woolf, daughter of District Judge and Mrs. W. R. Ewing.

## Hospital Head To Address Veterans

Dr. E. O. Herndon, superintendent of the United States Veterans hospital at Amarillo, will be principal speaker at a joint meeting of the 9th district Veterans of Foreign Wars posts and auxiliaries here today. Dr. Herndon will speak at the afternoon session in the auditorium at the parochial school. The other speaker will be Travis Lively of Pampa.

Registration will be at 10 a. m. at the parochial school, where the Veterans will be in session, and at the American Legion hut, where auxiliary members will gather. District Commander E. J. Kennedy will preside at the meeting of Veterans, Mrs. Kennedy, president of the auxiliary, will be in charge of the woman's session.

Delegates to the state convention will be selected at the morning session, following a business meeting and initiation of recruits.

At noon the two groups will be served dinner at the parochial school. The afternoon session will be called at 2 o'clock. Music will be presented by Bill Kenion and his accordion band.

Selection of the next meeting place will close the convention.

## Rome-London Phone Service Interrupted

ROME, May 18 (AP)—Telephone communications with London were interrupted tonight.

Telephone officials said they knew only that "the line is interrupted beyond Paris."

They suggested it might have been cut between London and Paris because of the fighting in France or perhaps that an air raid alarm in London caused operators there to be off duty temporarily.

## FDR On Outing

WASHINGTON, May 18 (AP)—After a busy week which kept him at his desk for many overtime hours, President Roosevelt left the White House tonight for a brief outing.

He took an overnight cruise down the Potomac river aboard the government yacht Potomac.

## German Tanks Throw Flame, Planes Machine Gun Troops

By H. TAYLOR HENRY  
(Editor's Note: H. Taylor Henry is back in Paris after nearly a week under bomb fire in the battle zone of northern France. This 30-year-old war correspondent of the Associated Press with the French armies is a West Point graduate and former Texas-Oklahoma newspaperman, in Palestine and Austin, Tex., and Blackwell, Okla. He has been attached to the Associated Press Paris Bureau for two years.)

PARIS, May 18 (AP)—German superiority in the air, backed by mass attacks of armored divisions of shock troops using flame-throwers, has been the main factor in

carving out the pocket in the French line from Mons to Sedan. During the five days of heavy fighting which I have just seen on the northern front, I have learned how heavily air superiority counts. German tactics have ignored the traditional artillery preparation but have gained the long-sought combined effect of preparation and surprise by substituting attack aviation for artillery.

The Germans made the initial opening in the pocket by attacking on a restricted front and then shifting the force of attack to a neighboring sector so quickly that it seemed almost a simultaneous action.

The action opened almost as soon as the French had rolled into action in Belgium and dug their hasty combat trenches behind rocks and under trees.

Fleets of 300 to 400 German planes dived and bombed French nests in each sector.

As last as they swooped—at some 200 miles an hour—to drop bombs from a height of some times more than 100 yards, they turned and swooped again to machine-gun soldiers who remained.

After the air attack, as many as ten armored divisions of medium and heavy tanks crashed against the narrow front, spewing fire from their flame-throwers.

Trailing the tanks, light motorized infantry rushed to take over the territory.

As soon as the crack blitz divisions had smashed into one sector, they suddenly were shifted in an effort to strike a demoralizing blow against another.

The best defense the French brought against the constant air attacks was individual rifle fire. A staff officer explained that an infantryman in an advanced position had a better chance of using a light rifle, which he could swing about to follow the plane, than the more cumbersome machine-gun.

The general opinion among French military observers is that the German high command is stacking everything on a complete breakthrough before the United States has a chance to realize the situation and bring effective aid to bear (here 43 words were censored).

German air attacks on refugee-lined road system behind the lines have increased the difficulty of the Allied tanks jamming the main French communications with terror-stricken tens of thousands who have to be supplied with valuable gasoline and food so they can keep moving.

At the same time the Germans methodically have bombed railway lines, with large attendant loss of life, to hamper the movement of supplies.

## CONTEST WINNER

Virginia Lee Snyder, above, 10-year-old daughter of Mr. and Mrs. Earl Snyder of Pampa, will see Texas next month. She was one of 43 Texas school children selected to make a 2,000 mile trip sponsored by the Dallas Morning News and the Texas Almanac, sponsors of a "Know Your Texas" contest. She will leave here June 8 with her parents who will be honored at a banquet that night in Dallas. Virginia Lee is the only fourth grade pupil in the state to win in the contest; and only two sixth grade children were winners.

## SIMPSON

(Continued from page 1)

mand circles of the sister services, have for years been shaped to actualities. They reckoned with known and definite military quantities such as fleets, armies and equipment against which this country might have to fight.

The "war plans" that fill closely guarded shelves in the war and navy departments are of that nature. They start with a careful estimate of the clashing interests between this nation and another, whether economic, racial, or philosophic, which could lead to war.

The revolutionary reworking of defense planning may lead eventually to a two-ocean navy, to a vast new government-built but privately operated plane industry, to complete revision of the American military system.

In any event a start has been made toward fashioning of America's defensive war machine to meet any possible world development while yet there is time to act.

## MASONS

(Continued From Page 1)

present at the meeting, as well as Tom Cook, grand master of the state of Oklahoma.

Highlights of the program, as at present arranged, will be addresses by Leo Hart, grand master of Texas; Tom Cook, grand master of Oklahoma; and Rogers Kelley, of Edinburg, present grand junior warden, and past grand orator of the grand lodge of Texas.

Masons of all jurisdictions have been extended an invitation to attend the meeting.

### Girl Scouts Of Troop Two Plan Hike At Meeting

Troop two Girl Scouts met Friday afternoon at the little house to discuss plans for a candy sale and summer camp.

### Members, Guests Of Senior Class Have Wiener Roast

LEFORS, May 18—Members and guests of senior Sunday School class of the First Baptist church in LeFors, were honored with a wiener roast given recently, three miles west of LeFors.

### Bridal Shower Compliments Mrs. Haynes

Mrs. Harvey Waters, Mrs. J. R. Budgeley, Mrs. Robert Burns, and Mrs. O. G. Killingsworth entertained Friday afternoon in the home of the latter with a bridal shower honoring Mrs. Eugene Haynes, the former Miss Dorothy Fischer.

The honoree, as queen of the day wearing a crown of pink rose buds, was seated on a white throne under a canopy of pink and white with streamers fastened to the floor with rose buds.

Little Sarah Nell Pike, dressed in pink and white, approached the throne carrying a basket of gifts which she presented to the honoree. After the gifts were inspected by the guests, Mrs. H. I. Coombes directed the games with a "May romance as the theme."

Refreshments of molded tuna salad, wafers, cookies, and iced tea were served. Plate favors were corsages of sweet peas.

### Eight Circles Of Methodist W. M. S. To Meet Monday

Weekly meetings of the eight circles in Woman's Missionary society of First Methodist church will be held on Monday afternoon at 2:30 o'clock.

Mrs. Clayton Smith, 1029 East Third street, will be hostess to members of circle one while a meeting of circle two is to be held in the Clara Hill class room.

Members of circles three and seven will have a joint meeting in the home of Mrs. Joe Shelton, 523 North Russell street, while a meeting of circle four is to be held in the home of Mrs. J. B. Massa, 1110 Christine street.

Mrs. T. A. Cox will be hostess to members of circle six in the church parlor and members of circle seven are to meet in the home of Mrs. E. H. Johnson, 500 North Hazel street.

The meeting place and time for circle eight will be announced later.

### Mrs. West Hostess At Altar Society Group Meeting

Mrs. J. P. West was hostess to members of Altar Society of Holy Souls Catholic church at a meeting this week when Mrs. Margaret C. Jenkins, clerk on the housekeeping project of the W. P. A., spoke on the observance of W. P. A. week.

### Faithful Workers Class Has Lunch In Dutch Theme

Attractive in a Dutch setting was the May luncheon given by members of the Faithful Workers class of First Baptist church this week in the church.

The tables were centered with streamers in the class colors and bowls of pansies decorated each end of the table. Arrangements of tulips and irises formed the centerpiece. On the main table was a large white cake topped with four candles, symbolic of the four years of service rendered by the teacher, Mrs. R. E. Gatlin. Favors were miniature red and green tulips.

An appropriate song, written on paper Dutch shoes, was sung by the class after which a clever skit, "The Little Dutch Boy and the Little Dutch Girl," was sung by Mrs. Dorothy Dodd Peacock and Mrs. Dan Letch, who wore Dutch costumes, with Mrs. Gatlin playing the accompaniment.

Mrs. William Morris presided over the business session in which Mrs. Lige Huffman, secretary, gave a monthly report for April.

### POPULAR PAIR WEDS THIS MONTH

Pictured above are Mr. and Mrs. Eugene Haynes who were married Sunday, May 15, in a double ring ceremony solemnized in the home of the bride's parents, Mr. and Mrs. Fred C. Fischer, of Bowers City, with the Rev. D. W. Nichol, pastor of Francis Avenue Church of Christ officiating. The couple is at home at Bowers City where he is connected with the Cabot company.

### Miss Wilder And Raymond Johnson To Wed Saturday

To announce the approaching marriage of Miss Ethel Wilder to Raymond Johnson, Mrs. F. L. Stallins entertained with a party in the home of the honoree's parents, Dr. and Mrs. H. L. Wilder, Friday night.

The marriage is to be solemnized Saturday, May 25, in the home of Dr. and Mrs. Wilder.

Decorating the table was a May pole wound in yellow and white with baskets of snapdragons containing cards announcing the wedding date at the end of each ribbon.

Following various games, refreshments of yellow ice cream roses, white individual cakes topped with tiny yellow roses, yellow and white mints, and tea were served.

Guests were Mrs. Freeman Sullivan, Miss Roberta Bell, Miss Ruth Hoffman, Miss Helen Purdy, Mrs. Bert Arney, Mrs. Robert Randolph, Mrs. John Plank, Miss Annie Johnson, Mrs. Allen Wise, Miss Betty Bell, and Miss Petie Cason.

Miss Wilder, who was graduated from Pampa High school in 1937, is employed at the Southwestern Bell Telephone company.

### New Club Meets To Organize And Elect Officers

A newly organized social group, the Viennes club, met recently in the home of Mrs. A. F. Washam to vote in new members, make rules and elect officers. Those named were Mrs. W. S. Brake, secretary and treasurer, and Mrs. L. J. Flaherty, reporter.

At the first meeting in the home of Mrs. O. C. Brandon, seven members and one guest were present. A cake pan was presented to the hostess.

Another meeting was held this week in the home of Mrs. Frank Baird, 408 North Front street, with Mrs. Homer Doggett as hostess. A water set was given to the hostess by the group and following an afternoon of sewing, refreshments were served to Mrs. Lonnie Roundtree, a guest, and Mmes. Lewis Tarpley, L. J. Flaherty, Coy Ford, W. S. Brake, Emmett Forrester, Homer Doggett, O. C. Brandon, Charles Miller, and A. F. Washam.

The next meeting is to be held on May 31 in the home of Mrs. L. J. Flaherty, 929 South Hobart street.

### Pioneer Women Guests At Lunch Given This Week

Mrs. T. D. Hobart was honored at an attractively appointed luncheon given by Mrs. Fred Hobart at the Hobart ranch, 15 miles southeast of Pampa, on Friday.

Mrs. Hobart planned the party as a surprise to Mr. Hobart's mother, who was visiting with her son and family.

Following an hour of conversation after the guests arrived, the hostess, assisted by Mrs. Clinton Henry, served a two-course luncheon. The table was attractive with an array of spring flowers. The centerpiece was an arrangement of blue cornflowers flanked with white snapdragons and fern which was repeated in the corsages presented to the guests.

An informal hour of conversation followed during which some of the pioneer women told stories of early

### Make You Rubber

life and experiences in the Panhandle. Mrs. Hobart, who came to Panhandle as a bride in 1888, mentioned Mrs. G. W. Arrington, one of the guests, as her first caller.

Musical numbers were played by members of the group and a vocal solo was sung by Minerva Hobart, age nine, who played her own accompaniment. Later the group walked through the beautiful grounds of the ranch home.

Attending were Meses. G. W. Arrington, R. H. Stone, C. H. Shaller, Paul Hoffie, E. H. Snyder, Charley Tease, of Canadian; Meses. T. D. Hobart, Clinton Henry, P. C. Ledrick, E. E. Finley, J. E. Corson, W. Purviance, John Andrews, Dave Pope; and Miss Mae Blair of Pampa.

### Poppy Day Fund Makes Possible Child Welfare

When the citizens of Pampa put on their memorial poppies on Poppy Day, May 25, to honor the World War dead, they will be helping children of dead and disabled veterans to a fair start in life, according to Mrs. E. J. Kenney, child welfare chairman of Pampa unit of the American Legion auxiliary.

Money contributed for the poppies will help maintain the auxiliary's child welfare activities during the coming year, she explained. Much of it will go into emergency aid for families left dependent by the death or disability of a veteran, helping keep the home together until a permanent means of support can be found, keeping the children in school and preventing the father's patriotic sacrifices from handicapping their development.

In their joint child welfare program last year, the Legion and auxiliary brought aid to 395,342 children of veterans. A total of \$1,968,632.28 from Legion and auxiliary resources was expended in this program. Much of this money was made up of the dimes, quarters and dollars placed in the contribution boxes on Poppy Day.

"Hardships and exposures of war service are striking down many of our veterans in the prime of life," said Mrs. Kenney. "Almost every veteran now dying or becoming disabled has dependent children. Unless he has established legally that he was disabled in the war, the government can do nothing for his family. The auxiliary is determined that no children shall be left in need because their fathers served the country, and with the help of the patriotic citizens who wear poppies on Poppy Day, we are able to carry out this determination."

### U. S. QUEEN OF POSTURE

Taking a firm stand for graceful carriage, comely Helen Dillard, of New York, was rewarded with the bouquet of orchids she holds and the title of "America's Queen of Posture" at a recent contest at Lido Beach, L. I.

### Mrs. Block Has All-Day Quilting And Luncheon

Mrs. B. F. Block entertained with all-day quilting and covered dish luncheon at home Friday.

Those present were Miss Margaret Pipes, Mrs. Walter Eller, Mrs. J. A. Hatton, Mrs. Bob McNeely, Mrs. Eugene Richardson, Mrs. J. W. Weels, Mrs. H. G. Hynds, Mrs. C. G. Sharp and daughter, Claudette, Mrs. C. D. Hodges, Mrs. Henry Babcock, John Johnson, from White Deer; Mr. and Mrs. Loye Ruckman, Mr. and Mrs. H. W. Waters, Mrs. Annie Moore, Mrs. J. B. Hillman, Paul Klein, Kenneth Block, Mrs. B. F. Block, from Pampa; Mrs. Max Felt, and Wanda and Merle Block from Phillips.

### Picnic Given For Lefors Faculty By School Board

LEFORS, May 18—Faculty members, bus drivers, janitors, and members of their families were entertained with the annual end-of-school picnic, given by the Lefors school board members. The guests were taken to the Collexo picnic grounds, east of Lefors, in a school bus.

Arriving at the ground about 6

o'clock, the group played games of softball, forty-two, bridge, and washer pitching.

Refreshments of steak, bean salads, ice cream and cake was then served to the group by the board members' wives, who also provided all the entertainment for the evening. Approximately eight-five people attended this entertainment.

### AAUW Child Study Will Have Program On "The Family"

Child Study club of American Association of University Women will meet Tuesday afternoon at 2:30 o'clock in the city club rooms.

Roll call will be answered with amusing family traits.

A program on "The Family" is to be given with Mrs. Carlton Nance, Mrs. Fred Lamb, and Mrs. R. H. Nensiel taking part.

Hostesses will be Mrs. R. Byars and Mrs. McCune.

A nursery will be provided in the First Presbyterian church.

Boys of P. H. S. evidently do not have any decided preferences in types of girls, for of the three groups or sweethearts selected by boys only, one is a blonde, one a brunette, and the other a red-head!

### Trece Amigos Club Officers Honored With Luncheon

SHAMROCK, May 18—Trece Amigos club met with Mrs. B. K. Chilson at her home recently. The meeting was a luncheon honoring the officers for the past year and business of the day was the election of officers for the new year.

The entertaining rooms were decorated with cut flowers and the serving table carried out the flower motif in decoration and accessories.

New officers elected were Mrs. Dave Skidmore, president; Mrs. Virgil Agan, vice-president; Mrs. C. Gierhart, secretary-treasurer; Mrs. George Miller, parliamentarian; and Mrs. Matt Lewis, reporter.

Gifts were presented to Mrs. Matt Lewis, retiring president and to Mrs. Fay Snyder, who is leaving to make her home in Weatherford, Okla.

At the games of bridge, Mrs. Roy Reed won high score award for guests; Mrs. Ernest Beggs high for members; and Mrs. Dave Skidmore, low.

Attending were Mesdames Dave Skidmore, Virgil Agan, C. Gierhart, George Miller, Ernest Beggs, Matt Lewis, Wayne Harlow, Lester Hartfield, and Ray Snyder, members; and Mrs. Glen Lile and Mrs. Roy Reed, guests.

Garbed in West Liberian native costumes, comely Ruth Kirkhope (left) and Myrtinge Crory are an eye-catching part of a realistic (?) reproduction of a rubber plantation at a tire company's exhibit in New York.

### Friendship Class Groups Will Have Coffee, Breakfast

Members of the four groups of Friendship class of First Methodist church will meet Wednesday for monthly socials.

Group two will entertain members of group three with a garden breakfast at 9 o'clock at the home of Mrs. W. Purviance, 802 West Francis avenue.

A coffee is to be given by group one for members of group four in the home of Mrs. L. A. Barber, 901 East Francis avenue, at 9:30 o'clock.

### Troop One Girl Scouts Entertained At Home Of Leader

Girl Scouts of Troop one were entertained at a picnic on the ground north of the home of their leader, Mrs. Ralph Thomas, Thursday afternoon.

The girls were divided into groups, each taking part in preparing the lunch, after which games were played with everyone participating.

Those present were Virginia Washington, Della Mae Foster, Mollie Kennedy, Doris Jean Baines, Robbie Lee Russell, Marilyn Hasten, Frances Deering, three visitors, Norma Jo Kennermer, Marjorie Gillis, Faye Lou Thomas; and Mrs. Ralph Thomas.

### Queen of the May

Rebekah Lodge Members Begin Charges Contest

All officers of Rebekah lodge were presented at the weekly meeting held in the I. O. O. F. hall when a contest in giving various charges was begun with Ethel Mae Clay and Tressie Hall as captians.

Leona Burrows presided as noble grand.

Attending were Dorothy Voyles, Ruth Linden, Zola Donald, Ellen Kretzmeier, Ethel Mae Clay, Pearl Stephens, Ruth Roberts, Gladys Rupp, Hattie Day, Cora Kolb, Helen Lambrecht, Ruby Logan, Yelda Dickerson, Katie Beverly, Lola Medford, Eva Howard, Elsie Cone, Beatrice Howard, Lesta Followell, Zelma Blair, Fredella Porter, Tressie Gilbert, Argie Bolin, Sannie Sullivan, Daphna Beer, Elsie Poronto, Mae Phillips, Ariene Neighbors, Mae Forsyth, Ruby Wylie, Etta Orisler, Tressie Hall, Lois King, Helen Langley, Roy Kretzmeier, Pearl Castka, Vessel Castka, Jess Clay, Ned Langley, C. A. Forsyth, Flo Spoonmore, Edna Hult, and Lillye Noblitt.

**Pioneer Study Club Entertained With Recent Breakfast**

Special to The NEWS

McLEAN, May 18—Pioneer Study club of McLean was entertained with a breakfast Thursday morning at the home of Mrs. T. A. Massey. Mrs. June Woods and Mrs. Creed Hogan were co-hostesses assisting.

After the breakfast, an informal initiation of the officers for the coming year was held. Mrs. Jack Van Beber conducted the ceremonies. Mrs. S. A. Cousins is president for the coming year. Other officers are Mrs. C. A. Cryer, vice president; Mrs. Clyde Magee, secretary-treasurer; and Mrs. W. E. Bogan, reporter.

Order officers are Mrs. J. B. Hembree, president; Mrs. S. A. Cousins, vice-president; Mrs. C. B. Batson, secretary-treasurer; and Mrs. W. E. Bogan, reporter.

The tables were decorated with May notes in pastel shades of yellow, pink, blue, and orchid, and each colored ribbon led to a basket crowned with a woman's miniature hat behind the place card. Spring flowers were placed throughout the rooms.

Those attending were Mrs. Bob Black, Mrs. W. E. Bogan, Mrs. C. B. Batson, Mrs. Creed Bogan, Mrs. J. B. Hembree, Mrs. C. A. Cryer, Mrs. Carl Jones, Mrs. Jack Van Beber, Mrs. June Woods, Mrs. T. A. Massey, Mrs. Boyd Meador, Mrs. C. O. Greene, Mrs. H. W. Finley, Mrs. Wayland Floyd, Mrs. A. W. Hicks, Mrs. Clyde Magee, Mrs. Bob Thomas, Mrs. T. J. Coffey, and Mrs. Leroy Brown, a guest of the club.

**Pampa Girl To Attend TSCW At Denton Next Year**

Miss Jeanette Cole of Pampa is planning to attend Texas State College for Women at Denton for the coming school year 1940-41, according to college authorities, who have entered her room reservation.

Largest residential woman's college in the world, with an enrollment of nearly 3000 students this year, TSCW is noted for its wide variety of liberal arts and practical arts courses for women. Dormitories open September 15 with registration for new students beginning September 17.

## Graduation Gifts

Most likely to 'succeed!'

There's plenty of bustle and excitement these days with Graduation only a few days off. But the big problem that parents, relatives and friends have to solve is "what shall I give?" Murree's have come to the rescue! We have assembled an outstanding collection of preferred Graduation Gifts... practical gifts that are appreciated. Select yours right away!

# BENNY EXCHANGES 'MIKE' FOR MUSTANG

## Comedian Stars In LaNora Film; "Irene" At Crown

Another cowhand who never saw a cow but is determined to be another Hopalong Cassidy just the same is Buck Benny. In Paramount's "Buck Benny Rides Again" the film and radio comedian, with a scowl on his face and a glint in his eye, rules the range.

Across the LaNora screen today, tomorrow, and Tuesday, Buck does his best to make Billy the Kid and Wild Bill Hickok look like tenderfeet, the object being to impress the girl friend who adores the west.

Benny's supporting cast includes virtually all the members of his radio program, with the exception of Mary Livingston, who joins his old rival, Fred Allen, in some off-screen heckling.

"Irene," the musical comedy that ran almost two years on Broadway, comes to the Crown screen today for a five-day showing in RKO Radio's film version, with Anna Neagle, British star, in the title role and Ray Milland co-starred as a New York playboy who falls in love with the peppery heroine.

Story deals with the adventures of a fiery little Irish girl, who, sponsored by a pair of wealthy young society men, quits her salesgirl job to become a model at a fashionable gown shop. The four tunes that were featured on the stage, "Alice Blue Gown," "Castle of Dreams," "Irene" and "There's Something in the Air," are stressed in the picture, and a brand new number by the same composers, "You've Got Me Out on a Limb," is also woven into the offering.

Romance and action in the timber country are the basic elements of the rugged northwoods tale "King of the Lumberjacks." Warner Brothers picture, top-billings John Payne, Gloria Dickson, and Stanley Fields. At the Rex Wednesday and Thursday.

Robin Hood-like adventures of the Three Mesquiteers are further chronicled in Republic's "Pioneers of the West," in which Robert Livingston, Raymond Hatton, and Duncan Renaldo, bound on horseback for the 1876 Philadelphia Fair, meet a wagon train headed west and decide to guide the pioneers through the hostile Indian country. At the Rex Friday and Saturday.

Bullets, battles and bandits are the elements of Universal's "Chip of the Flying U," with Johnny Mack Brown, Bob Baker, and Puzzy Knight heading the cast. A bank hold-up, and a kidnaping are a part of the action of this fast-moving western. At the State, Friday and Saturday.

### Myron Johnston Honored At Party Given On Birthday

Special To The NEWS  
LEFORS, May 18—A surprise birthday party was given in honor of Myron Johnston this week in the home of Mr. and Mrs. J. L. Lockard. Betty Lee and Ragina Lockard had charge of the games and were hostesses.

After several games were played, Myron Johnston and Roy Ferguson were presented with graduation gifts.

Ice cream, cake, and iced tea was served to the guests. The three-tiered angel food cake was beautifully decorated in pink letters with lemon frosting.

### Awards Made In Amateur Finals

Loving cups were presented to the three winners of the finals in Rex Amateur Night contest at the Rex theater Friday night. The winners were Anna Lois Alford, 13, first, singing "Little Playmate" with an original verse added; Claudie Denson, 10, second, imitation of Donald Duck; Johnny Haynes, 8,

### STAR OF BROMFIELD FILM

Ann (Clara Lou) Sheridan of Dallas gives a realistic performance and has a highly effective singing voice in Warner's "It All Came True," film version of a Louis Bromfield novel. Humphrey Bogart and Jeffrey Lynn are the other principals in the picture showing Wednesday and Thursday at the LaNora. Story is about a group of

people who live in a New York boarding house, run by two sentimental old women. A gangster, who returns home after an absence of five years to straighten out financial troubles by converting the house into a night club with a "Gay 90s" background. Cleverly worked into the story are the songs "The Gaucho Serenade" and "Angel in Disguise."

### TALENT HUNT STORY STAR

A raven-haired Texas beauty, Linda Darnell, is starred in 20th Century-Fox's "Star Dust," an amiable and enjoyable tale, delving into the talent hunting side of Hollywood. John Payne and Roland Young are the other principals in the cast.

Grauman's Chinese theater, Sid himself, the noted concrete blocks with the footprints and other items are used for decorative purposes and build up the picture's atmosphere. At the LaNora Friday and Saturday.

### CRIME FILM WITH NEW ANGLES

A crime story with some fresh angles is Walter Wanger-United Artists "The House Across the Bay," featuring Walter Pidgeon and Joan Bennett, above, Gladys George, Lloyd Nolan and June Knight. The film is based on an original story by Myles Con-

nolly, and the central figure is played by Miss Bennett as Brenda Bentley, a young girl confronted with the problem of adjusting her life to a strange fate when her husband is sent to prison for income tax evasion. On the Rex screen today, tomorrow, and Tuesday.

### MORNING EXERCISE

"Fred Allen may be lurking in there," Jack Benny explains to Rochester, as he vigorously sprays the mermaid. All of which indicates that the rivalry

between the two comedians is as bitter as ever in Benny's newest picture, "Buck Benny Rides Again," opening today at the LaNora theater.

### IRENE'S GRANNY RECEIVES

Anna Neagle, May Robson and Ray Milland are shown in this scene from "Irene," the important screen musical based on the celebrated stage musical comedy of the same name. Miss Neagle and Milland are co-

starred in this Herbert Wilcox production for RKO Radio. Miss Robson is one of the top-featured group in the supporting cast, which includes Roland Young, Alan Marshall and Billie Burke. At the Crown today through Thursday.

### Dumas Reunion And Rodeo Will Open On May 31

Special To The NEWS  
DUMAS, May 18—A completely filled amusement program awaits visitors to the Dumas Rodeo and Old Settler's reunion to be held here May 31 and June 1.

By special permission of county and city authorities, the entire courthouse square will be transformed into a giant mid-way featuring the very latest in carnival attractions. At 2 p. m. Friday, May 31, and Saturday, June 1, the Dumas Rodeo association will stage a three-hour show featuring strictly amateur ranch-hands from famous outfits from Texas, southern Oklahoma, New Mexico and Colorado.

Keen rivalry has sprung up between many different ranch outfits who are betting their shirts that their boys will top the two-day score of their nearest rival. For the all-round fun of tough competition for \$700 in cash prizes, and for the glory of the outfit for whom they ride, entrants are pouring in from neighboring states and over Texas as far south as Alpine.

Moore county outfits will be hard hit to defend their honor against the invasion of such famous cow-punchers as Matador, Alpine, New Mexico, and some hard-riding Oklahoma outfits.

Old-time dances and symphonies of swing will amuse the more than 10,000 visitors expected for the show. To house the dancers, there will be brought to Dumas and placed under canvas, one of the largest hardwood, maple floors ever used in this section.

expected, but those who attended appreciated the excellent program Director Herbert L. Miller said.

The audience appreciated equally all the 14 selections on the program. There were four songs in a Mozart suite, two vocal solos by J. Wayne Davis, "Roses of Picardy" (Wood) and "Manna-Zucca," "I Love You," and six classical songs were heard.

Davis joined the orchestra in a vocal refrain of Wilson's "Oriental Fantasy" as an innovation of the concert program.

H. T. 2 years, song leader for F. H. T., member of junior play cast, member of one-act play cast, member of one-act play cast 2 years, named district actress 2 years, regional cast 1 year, all-state cast 1 year.

Margery McColm—pep squad 1 year, language club 1 year, member of junior play cast, member of senior play cast.

Alice Marie McConnell—band 1 year, member of Little Harvester staff 1 semester, book room assistant 3 years.

Nell McCullough—member of National Honor society, member of language club 2 years, member of orchestra team 2 years, won third 1 year, won second 1 year.

Mary McHenry—band 1 year, member of Latin club 2 years, library assistant 1 year.

Norma McKinney—pep squad 2 years, A Cappella choir 1 year, secretary of junior class, language club 2 years, office assistant 1 year.

Mary McPherson—none.

Maxine Messer—volley ball team 2 years.

Bill Mickimus—golf team 2 years, A Cappella choir 1 year, member of student council 1 year, member of National Honor society, office assistant 1 year, member of senior play cast.

Irvin Moleworth—Gorilla football 1 year, Harvester football 1 year, reporter for student council 1 year, B Harvester basketball 1 year, boxing team 1 year.

Wilma Comer Moore—volley ball team 2 years, member of F. H. T. 2 years, member of Latin club 2 years.

Evelyn Morehead—pep squad 2 years, library assistant 1 year, book room assistant 3 years, alternate on shorthand team.

Mary Lee Morris—pep squad 1 year, band 2 years, glee club 1 semester, member of horn quartet, won second place in horn quartet, member of student council 1 year, reporter for student council 1 year, member of National Honor society, art editor on Little Harvester staff 1 semester, member of F. H. T. 2 years, parliamentary for F. H. T.

Verne Nabors—none.

Glenn Nichols—co-captain of Harvester football team 1 year, Harvester basketball 2 years, secretary-treasurer of senior class first semester.

Vera Norman—volley ball team 2 years, pep squad 1 semester, spelling team 2 years.

Martha Orr—salutatorian, volley ball 3 years, member of National Honor society, president of Latin club 1 year, office assistant 1 year.

Thelma Maye Osborne—member of orchestra 3 months, member of F. H. T. 1 year, member of language club 1 year, member of spelling team 2 years.

Velma Faye Osborn—member of orchestra 3 months, member of F. H. T. 1 year, member of spelling team 2 years, member of language club 1 year.

Leona Parkes—pep squad 3 years, secretary of junior class, member of F. H. T. 2 years.

Raymond Perkins—member of language club 2 years, Gorilla football 1 year, Harvester football 1 year, golf team 3 years, won district in golf, won regional in golf, member of F. F. A. 1 year, secretary of F. F. A. 1 year.

Opal Jane Purvis—none.

Bonnie Lee Ruse—student yell leader 1 year, member of student council 2 years, assistant student councilor-at-large, chairman of student council in committee in committee, member of National Honor society, member of French club 2 years, president of French club 1 year, member of junior play cast, prompter for senior play cast.

Norma Sanders—none.

Willard Salsbury—boxing team 1 year, member of F. F. A. 1 year.

George Saunders—track squad 1 year, band 4 years, orchestra 2 years, member of trombone quartet, won third in national in quartet, member of language club 1 year.

Richard Seix—sophomore basketball 1 year, tennis squad 3 years, exchange editor on Little Harvester 1 year, member of language club 2 years.

Heldi Schneider—member of student council 2 years, member of junior play cast, member of senior play cast, office assistant 1 year.

Jack Smith—band 1 year.

Jerry Smith—pep squad 3 years, leader 2 years, field marshal 1 year, A Cappella choir 2 years, member of mixed quartet, member of student council 1 year, member of National Honor society, society editor on Little Harvester 1 year, member of F. H. T. 3 years, president of French club 1 year, secretary of F. F. A. 1 year, member of junior play cast, member of senior play cast, won second in district declamation, most popular student of sophomore class.

J. B. Snelling—book room assistant 1 year.

Carrie Jean Speed—pep squad 1 year, majorette in band 1 year, member of F. H. T. 1 year.

Edna Spivey—pep squad 3 years, glee club 1 year, member of Latin club 2 years, book room assistant 1 1/2 years, library assistant 1 year.

Irene Stallings—pep squad 3 years.

Wendell Stanley—boxing team 1 year, member of F. F. A. 3 years, treasurer of F. F. A. 3 years, member of F. F. A. judging team.

Douglas Stark—tumbling team 2 years, band 4 years, orchestra 1 year, member of national in horn solo, student conducting, all-state band, tri-state band, West Texas band clinic, member of F. F. A. 1 year.

Lynn Stark—member of F. F. A. 2 years.

Frank Stennis—sophomore basketball 1 year, Gorilla basketball 1 year, track squad 1 year, tennis squad 3 years, won district in tennis 2 years, won regional in tennis 2 years, went to state in tennis 2 years, member of Quill and Scroll 2 years, member of Little Harvester staff 2 years, editor 1 year, sports editor 1 semester.

Louise Stotts—pep squad 2 years, member of student council 1 year, member of student council 1 year, member of senior play cast.

Carolyn Suratt—band 4 years, orchestra 1 year, member of National Honor society, member of junior play cast, member of senior play cast.

## THEY SANG THEIR WAY TO SECOND PLACE IN NATIONAL

### CHAMPION DEBATERS

The two girls to the extreme left and right above are Helen Dudley, 16-year-old daughter of Mr. and Mrs. E. C. Dudley, and Peggy Williamson, 15-year-old daughter of Mr. and Mrs. W. T. (Pete) Williamson, Pampa's debate team which won district and regional and went to state. In front of them is Koma Jo Johnson, 16-year-old daughter of Mr. and Mrs. Frank Johnson, who served as alternate. At the back is O. P. Shewmaker, debate coach. Topic of debate this year was socialized medicine.

### A Cappella Choir Places Second In National Meet

Probably the most active of all Pampa High organizations, or at least the one which represented the school most often before every type of group this year, was the A Cappella choir and its three special groups, the girls' trio, the girls' sextet, and the mixed quartet.

Directed by Miss Helen Martin, music supervisor of the Pampa schools, the choir won first place in the regional contests and second in the national contests, in competition with many larger schools.

In the national meet, the mixed quartet, composed of Jeanne Lively, Vera Lee von Brunow, Betty Plank, and Alene Beville, received a second division rating, after having ranked first in the regional contests. Leon Holloway, baritone soloist, also placed second in the national meet. In the regional contests, the girls' trio, composed of Betty Jean Tiemann, Meribelle Hazard, and Clarael Jones, and the girls' sextet, composed of three girls in the trio, Betty Plank, Anna Belle Lard, and Maxine Holt, both received second division ratings.

Besides the trips to Plainview and Waco for the music contest, the choir went to Wichita Falls in October to sing at the Texas-Oklahoma Kiwanis club convention and early in the spring presented a concert in assembly at West Texas State college at Canyon.

Highlights among the choir's Pampa appearances include the special concert early in December, the Christmas assembly program, the Junior and Senior High school band and choral concert, the spring concert to raise funds for the trip to Waco, and the all-school music concert in observance of National Music Week. In addition, the choir sang its various special groups sang for many regular assembly programs.

Members of the choir who will represent this afternoon, singing for the senior Vesper service, the mixed quartet will sing for the Commencement program next Friday night.

Although some of them were in the choir during only one semester, the following students are included on the choir rolls for this year: Maxine Holt, Charlyne Jaynes, Lucille Johnson, Clarael Jones, Jeanne Knox, Jeanne Lively, Norma Jean McKinney, Janet McMillen, Dorothy Mickimus, Harriet Price, Vera Sackett, Betty Jean Sperry, Orne Alford, Mary Eta Burba, Jimmie Enloe, Dorothy Fischer, Helen Harris, Meribelle Hazard, Anna Belle Lard, Jerry Smith, Betty Jean Tiemann, Clara Mae Lemm, Betty Plank, Junior Barnett, Wayne Coffin, Richard Cox, Melvin Dawson, Ethel Lane, John Edwin McConnell, George Saunders, James Evans, Ray Boyles, Leon Holloway, Herbert Maynard, Bill Mickimus, Irvin Moleworth, Karl Rippe, R. T. Seels, Bill Winchester, Billy Whitsett, and Jim Cox.

Members are selected for the choir by try-outs. Miss Helen Martin conducted try-outs last week to lineup members for next year's choir. More try-outs will be held next fall.

Members of the choir wear dark green robes with gold scrolls.

### Home Economics Girls Give Style Show As Final Project

By JEANETTE NICHOLS

As a final project to complete their work this semester, the girls in the home economics department gave a reception last Tuesday night for their mothers in the combination living room and dining room of the home economics laboratory, and a style show in the auditorium immediately afterwards. This was conducted under the general supervision of Miss Arlean Pattison and Mrs. R. H. Sanford.

Mothers and daughters were served punch and date bars at the reception. Blanche Spaulding presided at the punch bowl.

The next group was school clothes made by the first year clothing class. Girls modeling were Opal Jane Purvis, Ruby Giles, Virginia Wilson, Naomi Van Huse, Bethal Vanderlinden, Norma Lux, Irene Westbrook, Othella Derryberry, Wynona Dunn, Jewel McGregory, Virginia Long, Golda Mae Miller, Katherine Grant, Helen Duckworth, and Olga Cox.

The Co-eds in Blue, Meribelle Hazard, Clarael Jones, Betty Jean Tiemann, accompanied by Maxine Holt at the piano, sang two numbers.

Cast, member of one-act play cast 2 years, declamation 1 year.

Eula Taylor—pep squad 4 years, glee club 2 years, member of F. H. T. 3 years, library assistant 1 semester, member of one-act play 2 years.

Jerry Thomas—sophomore basketball 1 year, track squad 1 year, tennis squad 2 years, member of F. F. A. 1 year.

Betty Jean Tiemann—band 4 years, A Cappella choir 2 years, member of sextet and trio, member of student council 1 year, member of National Honor society, society editor on Little Harvester 1 year, member of F. H. T. 3 years, president of French club 1 year, secretary of F. F. A. 1 year, member of junior play cast, member of senior play cast, won second in district declamation, most popular student of sophomore class.

J. B. Snelling—book room assistant 1 year.

Carrie Jean Speed—pep squad 1 year, majorette in band 1 year, member of F. H. T. 1 year.

Edna Spivey—pep squad 3 years, glee club 1 year, member of Latin club 2 years, book room assistant 1 1/2 years, library assistant 1 year.

Irene Stallings—pep squad 3 years.

Wendell Stanley—boxing team 1 year, member of F. F. A. 3 years, treasurer of F. F. A. 3 years, member of F. F. A. judging team.

Douglas Stark—tumbling team 2 years, band 4 years, orchestra 1 year, member of national in horn solo, student conducting, all-state band, tri-state band, West Texas band clinic, member of F. F. A. 1 year.

Lynn Stark—member of F. F. A. 2 years.

Frank Stennis—sophomore basketball 1 year, Gorilla basketball 1 year, track squad 1 year, tennis squad 3 years, won district in tennis 2 years, won regional in tennis 2 years, went to state in tennis 2 years, member of Quill and Scroll 2 years, member of Little Harvester staff 2 years, editor 1 year, sports editor 1 semester.

Louise Stotts—pep squad 2 years, member of student council 1 year, member of student council 1 year, member of senior play cast.

Carolyn Suratt—band 4 years, orchestra 1 year, member of National Honor society, member of junior play cast, member of senior play cast.

### Sophomores Inactive

By GEORGE REEVE

Pampa High's 125 sophomores elected Joe Blackwood president; Phillip Slocott, vice-president; and Jack Morehead, secretary. Their sponsors were Harry Kelley, head sponsor, Miss Louise Warren, O. P. Shewmaker, and Mrs. J. B. Austin.

The class as a whole did not have any social affairs this year, but Mr. Shewmaker's home room had a picnic during the first semester, and during the second semester Mrs. Austin and Mr. Shewmaker's home rooms had a picnic together. Mr. Warren's home room planned a picnic several times but bad weather interfered.

Summer band, open to all who wish to attend, will be under the direction of A.C. Cox. There will be two sections, one of advanced students and the other of ward school students. Several concerts as a part of the summer recreation program in Pampa and goodwill trips to nearby towns in cooperation with the Chamber of Commerce will be a part of the summer band program.

## Awards Presented In Final Assembly

By JACK JOHNSON

In the final assembly last Wednesday morning, recognition was given to students who have won distinction in various school activities during the year. Awards not previously presented were handed out, or in cases where the awards had not yet arrived, the students were given slips stating that they were entitled to the award.

The annual staff presented an autographed copy of the 1940 Harvester to Principal D. F. Osborne, to whom the yearbook was dedicated, and Miss Margaret Jones announced that the following staff members would receive awards: Anna Belle Lard, Jack Johnson, Joan Gurley, Tolene Davis, John Knott, Kathleen Palmer, Beatrice Stotts, and Jane Crouch.

Bobbe Karr, president of the student council, presented loving cups to Joyce Jackson and Bobby Dan Lane, who were selected as the best citizens.

### 110 Girls Wearing Harvester Colors Cheer For Games

By BILLIE JEAN BUCK

With a membership of 110 girls, the pep squad was the largest organization in Pampa High this year. Leaders were Harriet Price, Peggy Cunningham, Doris Taylor, and Betty Archer. Field marshals were Jeanne Lively, Jerry Smith, and Irene Williams. Miss Evelyn Gregory and Miss Martha Cox sponsored the organization.

The girls practiced one hour daily during the football season and supplied color and pep for all football games. The group made two trips to football games, first to Plainview by school bus, and the second to Lubbock on the special train. To raise money for the trip to Lubbock the girls gave a pie supper, sold football game tickets, gave a party, and had bands, and sponsored a school dance.

Members of the pep squad are: Irene Williams, Jerry Smith, Jeanne Lively, Betty Archer, Doris Taylor, Peggy Cunningham, Harriet Price, Katherine Wait, Geneva Welton, Rovene Johnson, Virginia Simmons, La Vaughn Dixon, Evadne Bennett, Marquetta Payne, Ella Taylor, Beatrice Luster, Eva Marie Rayley, Peggy Wilkinson, Virginia Fore, Billie Kay Coombes, Zonelle Elkins, Edna Helen Blackman, Jean Dodmore.

Wanda Mullin, Thelma Winborne, Bernice Knapp, Sann Barnard, Mildred Kyle, June Rogers, Ethel Lee Allen, Abbie Turner, Modell Johnson, Pearl Leavely, Rachel Hallman, Shirley Anderson, Christine Smart, Betty Elshorn, Mary Edna Burba, Betty Crouch, Doris Archer, Betty Schwind, Mary Alice Higginbotham, Eloise Taylor, Donna Day, Fay Redman, Nadine Woods, June Reed, Ocella Dunn, Billie Ben-Knight, and Loretta Williams.

Edna Spivey, Katherine Kelley, Barbara Mathews, Lucy Mae Walker, Alma Johnson, Loretta Williams, Rovene Johnson, Virginia Lee West, Lois Ben-Knight, Sylvia Richards, Olga Cox, Alma Watkins, Ada Arthur, Mary Coxe, Helen Johnson, Vera Norman, Irene Hays, Marion Cooper, Cleo Lee Loyd, Edna Crouch, Phyllis Moore, Wilma Wooten, Betty Sparks, Louise Stotts, Bonnie Frick, Ruth Delores, Betty Davis, Myrtle Hyatt, Gelves Stein, Fern Simmons, Betty Johnson, Irene Stalling, Leona Parkes, Lela Brethauer, Betty Lou Batten, Elsie Laverty.

Patricia Ann McFarlin, Neoma Snyder, Lorraine Murphy, Dorothy Hollingshead, Betty Smith, Frankie Foster, Inez Shaw, Christine Brewer, Othella Derryberry, Laura Mae Dyles, Beatrice Hicks, Ruth Wilson, and Doris Swearingen.

### Vocational Diplomas

Harry Kelley, coordinator of diversified occupations, presented diplomas to five boys who have completed the two-year training course in their chosen occupation. These were Ray Brown, Clifford Bailey, De Witt Henry, Thomas Smith, and James Foran.

Peggy Williamson and Helen Dudley will receive diplomas because of their winning regional in debate and going to state. O. P. Shewmaker stated, Debaters getting letters will be Jack Morehead and Nell McCullough, who placed second in district.

Those receiving letters in declamation will be Jerry Smith and Aubrey Green; both placed second at the district meet. Jeanne Lively, Vera Lee von Brunow, Betty Plank, and Alene Beville will receive white sweaters for winning first at regional in the one-act play contest and going to state. Curdy Wilson, stage manager, will receive a white sweater, Kenneth Cannon announced the speech awards.

In the commercial department, Miss Zenobia McFarlin announced that Donna Day, Alice Marie McConnell, and Sybil Richards will be awarded for their work. Donna went to state in shorthand. Alice Marie lettered in shorthand and Sybil in typing.

In the essay contest, Ellen Keough tied for third in district. Alternates were Donna Day and Edward Bradford. Miss Anne Louise Jones announced the essay awards.

Miss Loraine Bruce announced that she and Phyllis Moore will receive a gold sweater for spelling and Katherine Kelley will get a letter.

Ellen Keough and Bobby McAllen are to receive letters for extemporaneous speech. Mrs. T. E. Bonnie Smith, Pat Stalling, Betty Johnson, Irene Stalling, Leona Parkes, Lela Brethauer, Betty Lou Batten, Elsie Laverty.

Patricia Ann McFarlin, Neoma Snyder, Lorraine Murphy, Dorothy Hollingshead, Betty Smith, Frankie Foster, Inez Shaw, Christine Brewer, Othella Derryberry, Laura Mae Dyles, Beatrice Hicks, Ruth Wilson, and Doris Swearingen.

### Tennis and Volley Ball

Making the boys' tennis team were Hugh Stennis, Durward Mitchell, Cleo Mitchell, Clinton Stott, Wayne Roby, and Ray Redman. All of them will get gold sweaters except Hugh, whose competing at state makes him eligible for a white sweater. B. G. Gordon coached both tennis and volleyball.

A tennis sweater will also be awarded to Virginia Fore, who won first in district in singles, to Betty Archer and Beatrice Hicks, who represented the school in the district meet in doubles, will go letters.

Girls receiving volley ball sweaters will be Peggy Wilkinson, captain, Virginia Fore, Evadne Bennett, Virginia Mae Prestidge, Maxine Holt, Martha Orr, and Geneya Binion. Letters will go to Alma Joy Franks, Elizabeth Fleming, Lois Castka, Edna Mae Cade, Maxine Messer, and Melba Savage. Miss Kelly announced the girls' athletic awards.

Pep squad leaders who will receive sweaters are Doris Taylor, Peggy Cunningham, Harriet Price, and Betty Music Honors.

Miss Helen Martin announced the names of students to whom musical awards are due. The A Cappella choir won first at regional and second at national. The girls' trio, the girls' sextet, and the mixed quartet will receive a plaque for their efforts. Members of the choir who also received recognition.

Several special groups from the choir also received recognition. The mixed quartet—Jeanne Lively, Jerry Smith, James Evans, and Leon Holloway—won a first at regional and second at national. Leon Holloway also placed first at regional and second at national in solo. The girls' sextet—Maxine Holt, Clarael Jones, Betty Jean Tiemann, Anna Belle Lard, Betty Plank, and Meribelle Hazard—and the girls' trio—Betty Jean Tiemann, Clarael Jones, and Meribelle Hazard—both placed second in the regional contests at Plainview.

A clarinet quartet composed of Minnie Bell Williams, Virginia Harrison, Wayne Coffin, and Davis Graham, placed second in the instrumental contests at regional. Jack Green received a first division rating at regional in the bass solo and third in the national contest. Earl Bell and Joe Nelson received second division ratings at Plainview in the bass solo, and Douglas Stark a second division rating in student conducting.

Mr. Hol Wagner announced that Jeanette Nichols, who is completing her second year as editor-in-chief of the Little Harvester, will receive a pin.

B. R. Nichols announced that golf awards would go to Roy Ray, Roland Phillips, Warner Phillips, and Joe Blackwood.

Names of students who lettered in other sports will be found on the sports page.

New among P. H. S. courses was a boys' class in homemaking, taught by Mrs. R. H. Sanford and composed entirely of seniors. Three times as many boys as there were facilities to accommodate asked to be enrolled in the course. Some of the fellows became quite adept at mixing salads, baking pies, broiling steak, etc.

### COUNCIL

(Continued from Harvester Section)

then nominated by secret ballot by the student body, after which the six officers receiving the highest votes were named as candidates and placed on ballots. The two receiving the highest votes in the election that followed, Bobbe Karr and Betty Archer, became president and vice-president. Three other officers, Ray Boyles, secretary; Anna Belle Lard, treasurer; and Ross Buzzard, parliamentary, were voted on by the student body at the first meeting. Other officers were: Fred Brown, Rose, assistant-councilor-at-large; and Mary Lee Morris, reporter. Aubrey L. Steele and Miss Anne Louise Jones acted as sponsors.

In addition to these offices there were seven council boards. These committees were composed as follows: Social, Bonnie Lee Rose, chairman, Ray Boyles, and Nevvin Johnston; and round, Jack Morehead, chairman, and Geneva Welton; publicity and bulletin board, Junior Frasher, chairman, Blanche Day, Bill Slocott, and Hershell King; assembly, Jack Johnson, chairman, Ross Buzzard, and James Evans; school property, Buddy Wilson, chairman, Gene Cooper, and Edwin Taylor; finance, Anna Belle Lard, chairman, Ross Buzzard, and Kathleen Palmer; and usher, Don Meador, chairman, and Imogene Sperry.

The executive committee, composed of the president, vice-president, and secretary, met on Mondays and mapped out plans for the council meetings which were held each Tuesday at three o'clock.

Members of Council

Presidents and vice-presidents respectively of the various home rooms were as follows: Hershell King, Buddy Simmons, 102; Budd Wilson, Jane Hefield, 105; Mary Nell Minnatre, Evelyn Barnes, 203; Jack Johnson, Hugh Stennis, 205; Bill Fickett, Mary Lee Morris, 206; Carl Brown, Derrell Ford, 207; Doris Taylor, LeRoy Jones, 209; Ross Buzzard, Eugene Brown, 210; Imogene Sperry, Fred Brown, 211; Edwin Taylor, Lanore Stone, 213; Geneva Welton, Sherman Gray, 214; Jack Morehead, Rachel Herman, 301; Gene Cooper, Clarence Simmons, 302; Kathleen Palmer, Betty Jean Myers, 306; Nevvin Johnston, Bill Davis, 307; Anna Belle Lard, Bill Mickimus, 308; Don Meador, Freda Davis, 311; Junior Frasher, Betty Plank, 312; Ray Boyles, Martha Orr, 314; Edna Nelson, Heldi Schneider, 316; Juanita Smith, James Foran, Kelley.

Members who missed only one meeting providing it was for school business and that they were represented by their alternates were entitled to a pin. President Bobbe Karr was presented with a special pin for his faithful service during the year.

### F. F. A. Provides Varied Activities For Farm Boys

By PAT FLANIGAN

Pampa's chapter of the Future Farmers of America, sponsored by J. L. Lester, was one of the school's busiest organizations during the past year. The club has 72 members. The boys have taken part in judging contests, fed calves for marketing, raised baby chicks, gone on picnics, boxed, gone on many field trips, and conducted numerous other activities. They even chose themselves a sweetheart—the lovely blonde, Tolene Davis.

The first contest the club entered was at the Tri-State fair in Amarillo. Oran Rake, Wendell Stanley, and Leon Qualls won fifth place as a team in poultry judging. The dairy cattle judging team, composed of Billy Stockstill, Herndon Sloan, and Thomas Gower, won eleventh place at the fair. Billy West was alternate for the dairy cattle judging team and Donald Stanley and Marvel Rake for the poultry judging team. A theme on "Feeding Baby Calves," written by Billy Stockstill, placed ninth.

#### Delegates to Encampment

Four delegates from the F. F. A. attended the state encampment at the State fair in Dallas in October. These boys were Herndon Sloan, W. C. Epperson, Leonard Hollis, and Oran Rake.

The Hereford club inspected calves fed by Billy Stockstill, Clinton Caylor, Elaine Goad, and Jack and Herndon Sloan. Thirty boys attended the first district meeting of the year held at Perryton. At this meeting Billy Stockstill was elected first vice-president of the Pampa area. Soon after that 35 boys received F. F. A. and G. H. pins.

All boys in the third year agriculture class attended the J. P. Osborne Hereford sale on November 8. That same month Mr. Lester, Billy Stockstill, and Herndon Sloan made a trip to White Deer to inspect pure bred hogs offered for sale by the White Deer F. F. A. and Mr. Lester also took John Rogers, George Converse, Billy Stockstill, and Herndon Sloan to Erick, Oklahoma, to look over some pure bred hogs. Two of the boys made purchases.

#### Uniforms Received

Pampa was host for a judging contest on December 9. Also in December the boys received their official F. F. A. shirts and ties. The shirts were of a bright blue with the club emblems across the pocket, the ties yellow with F. F. A. in blue lettering.

Before boxing got underway as an organized sport, F. F. A. sponsored a boxing team and had matches with Miami and Clarendon. At a judging contest held in Claude, the Pampa teams placed fourth. Leonard Hollis placed second, Billy Stockstill fifth, and W. C. Epperson eighth in judging beef cattle. Billy also placed second in hog judging and Leonard fifth.

#### Champion Calves

Twenty-two calves raised by Pampa F. F. A. boys were shown and sold at the Gray County Junior Livestock show at Recreation park in March. One of Billy Stockstill's calves was judged grand champion and another second junior reserve champion. The junior grand champion was entered by Oran Rake. On March 9 the judging teams and their sponsor attended the Fat Stock show in Amarillo and observed the judging. That month they also had a picnic to which girl guests were invited.

By April the boys were seeking for suitable calves to buy and feed for next year's Junior Livestock show. Also they had started organizing their baby chick club. They raised several thousand chicks.

On April 6-8, Mr. Lester took Billy West, Marvel Rake, and Calvin Skaggs, poultry judging team, and W. C. Epperson, Leonard Hollis, and Herndon Sloan, livestock judging team, to Lubbock to be in the annual district judging contest. In April they also attended a meat cutting demonstration and had another picnic.

Five F. F. A. boys are already feeding calves for next year's show: Calvin Skaggs, two; Herndon Sloan, one; W. C. Epperson, one; Billy Stockstill, four; and Clinton Caylor, two.

In recent weeks the boys have made numerous field trips, visiting creameries, dairies, packing plants, implement companies, livestock sales. Also they have studied trees, shrubs, and flowers in the city park and have made several visits to florists to study plants.

Officers of the club are Herndon Sloan, president; Billy Stockstill, vice-president; Thomas Gower, secretary; Wendell Stanley, treasurer; Oran Rake, reporter; W. C. Epperson, parliamentary; Leonard Hollis, farm watch dog; Donald Stanley, historian; Elaine Goad, song leader; Billy West, club artist.

#### Senior Favorite

On May 7 new officers for the next semester were elected: Joe Jorgale, president; Gene French, vice-president; Sherman Gray, secretary; and Tom Johnston, treasurer.

At various meetings of the organization during the school year, six speakers were on the programs. Harry Kelley, Pampa co-ordinator of diversified occupations, talked on "Boy and Girl Relations." Principal D. F. Osborne spoke to the boys on the subject, "How to Understand the College Catalogue." Oscar Hinger, boys' physical education instructor and Gorilla coach, talked on "Developing Skills in Athletics."

Three HI-Y officials, J. J. McConnell, Jr., executive secretary of the Southwest Area of Y. M. C. A., G. C. Good, state area HI-Y secretary and associate secretary of the Southwest Area Council of Y. M. C. A., and Harold Nickols, district Y. M. C. A. secretary, all addressed the Pampa HI-Y club during the course of the year.

On the club's advising council are Supt. L. L. Sone, Harry Kelley, Judge Sherman White, the Rev. C. Gordon Baylis, and the Rev. Robert Boshen.

### DRAMATIC STARS OF P. H. S.

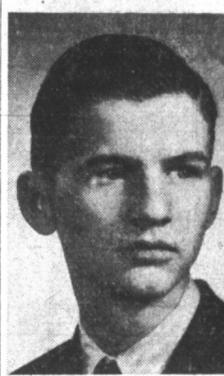

Pictured above is the all-girl cast of Pampa's one-act play, "Overtones," which won first place in the district and regional contests and went to state. From left to

right they are Jeanne Lively, Vera Lee von Brunow, Betty Plank, and Allene Beville. Jeanne, the 17-year-old daughter of Mr. and Mrs. Travis Lively, was named

the best actress in the district and regional tournaments and selected as a member of the all-state cast. Kenneth Carman directed the play. Stage manager was Buddy Wilson.

### Freshman Favorite

Favorite of the freshman class is Leslie Burge, who is also class president. He also was elected captain of the Gorilla football team and the Sophomore and Gorilla basketball teams this year. He is the 16-year-old son of Mr. and Mrs. A. L. Burge.

### Newly Organized Hi-Y Club Has Successful Year

By JOE CARGILE

Organized in the latter part of October last year, the Pampa HI-Y club, under the sponsorship of J. H. Morehead, Jr., has approximately 20 members on its rolls now.

Officers for the club are usually elected every semester, but due to the small membership of the newly organized group, the same officers served through all of the year. Karl Rippl was president, Wayne Coffin, vice-president; Vaughn Darnell, secretary; Jack White, treasurer; Billy Behrman, Mark Bratton, Wayne Coffin, Vaughn Darnell, Jess Hamilton, Carl Hills, Ethel Lane, Jack Morehead, Karl Rippl, Zade Watkins, Jack White, and Billy Whitsell.

The club has 15 charter members. They are Bobby Anderson, Tom Johnston, Gordon Bayless, Jr., Billy Behrman, Mark Bratton, Wayne Coffin, Vaughn Darnell, Jess Hamilton, Carl Hills, Ethel Lane, Jack Morehead, Karl Rippl, Zade Watkins, Jack White, and Billy Whitsell.

On November 21, 1939, the club adopted its constitution. A maximum of five members are taken into the HI-Y each semester, and at the weekly meeting of the group on November 28, 1939, five new members were formally initiated into the club. Dan Lane, Jack Baker, Sherman Gray, and Joe Cargile. At the Father and Son banquet, held by the club in the basement of the First Methodist church, December 19, 1939, formal initiation was held for the new members.

An older boys' conference was held at Wichita Falls during the first part of February of this year, and eight members of the Pampa HI-Y club, together with their sponsor, attended. Tom Johnston, Mark Bratton, Carl Hills, Jack Baker, Wayne Coffin, Zade Watkins, Ethel Lane, Billy Whitsell, and Mr. Morehead were present for the conference.

On February 13, 1940, Gene French, Bobby Sullivan, Ernest James, and Harry Kerbow were four new members who were elected to the club. A scavenger hunt on March 1 and a picnic on April 23 were the social functions which the group had this year.

New Officers

On May 7 new officers for the next semester were elected: Joe Jorgale, president; Gene French, vice-president; Sherman Gray, secretary; and Tom Johnston, treasurer.

At various meetings of the organization during the school year, six speakers were on the programs. Harry Kelley, Pampa co-ordinator of diversified occupations, talked on "Boy and Girl Relations." Principal D. F. Osborne spoke to the boys on the subject, "How to Understand the College Catalogue." Oscar Hinger, boys' physical education instructor and Gorilla coach, talked on "Developing Skills in Athletics."

Three HI-Y officials, J. J. McConnell, Jr., executive secretary of the Southwest Area of Y. M. C. A., G. C. Good, state area HI-Y secretary and associate secretary of the Southwest Area Council of Y. M. C. A., and Harold Nickols, district Y. M. C. A. secretary, all addressed the Pampa HI-Y club during the course of the year.

On the club's advising council are Supt. L. L. Sone, Harry Kelley, Judge Sherman White, the Rev. C. Gordon Baylis, and the Rev. Robert Boshen.

### FFA SWEETHEART

Sweetheart of P. F. A., Tolene Evelyn "Tolene" Davis, 17, is a member of the National Honor society, secretary-treasurer of the junior class, and a member of the annual staff. She is 5 feet 3 1/2 inches tall, blonde, and has blue eyes. Tennis,

football, volley ball, swimming, and golf are her favorite sports. She likes to sew, prefers blouses. Wonder the Future Farmers of America elected her their sweetheart!

### SENIOR OFFICERS AND SPONSORS

Pictured on the front row are the officers of the senior class of 1940: Ray Boyles, president; Joan Gurley, secretary-treasurer; and James Evans, vice-president. In the back row are the club sponsors, from left to right, Miss Clarine Branom, Miss Zenobia McFarlin, Miss Martha Cox, W. N. Anderson, B. G. Gordon, and Aubrey Steele.

### It Takes Money To Equip High School Athletes

By BOBBY DAN LANE

Few people realize the large number of students that participate each year in organized sports in Pampa schools. Neither do they realize the tremendous cost of the maintenance of these sports.

W. N. Anderson, athletic manager for Junior and Senior High schools, has released some pertinent figures regarding high school athletics in Pampa.

Football Suits

Last fall 130 boys were suited out for football in Junior and Senior High. The average cost of equipping a boy to play football is \$27.50. In addition to that, the Harvester team's playing suits cost \$14 each. New playing suits are bought every two years for the Harvesters. The Gorillas and Reapers use a good deal of handed-down equipment. This spring 100 boys were again suited out for spring football training. In the meantime \$260 was spent for the repairing of football equipment.

Pampa provides athletes with good equipment in order to guard against injuries. In addition, 25 boys who were judged as likely to participate in the regular laundering of sweat shirts, etc. Guards at football games cost on an average of \$25 per game. For the Amarillo game \$120 was spent. The athletic department hopes to build a new fence around Harvester park before fall that will eliminate this expense. At present the playing field is being re-sodded, as most of the grass froze out during the winter. The athletic department uses 150 rolls of tape at \$1.50 per roll, in addition to gauze and bandages. Balls alone are a big item of expense. Cost of trips ran into thousands.

Other Sports

Despite all these expenses, football came out ahead and carried the burden of the expenses of other sports in Pampa. One hundred boys were suited out at the beginning of basketball season at the cost of \$4.50 per player. Ten dollars extra was spent for each of the Harvester playing suits and warm-ups. Basketball did fairly well this year, going in the hole \$100 for the season, after awards were paid for.

An extensive athletic program is also carried on in the ward schools. Track is carried entirely by football. This season 50 reported for

track, and it costs up to \$8.00 to suit out a boy for track. As boxing was an entirely new sport in Pampa schools this year, over \$240.00 was spent on an outlay of equipment to begin the season. But boxing did well for a new sport, going only \$47 in the hole after awards were bought. Fifty reported for boxing, with 25 lasting out the season. The cost of suiting these out and cost of trips figured in.

Awards Big Item

One of the biggest expenses in the athletic department, although few realize it, is the cost of athletic awards. This year 35 Harvester jackets at \$10 each, 24 Gorilla sweaters at \$5.85 each, and 26 Reaper sweaters at \$5.85 were bought for football alone. Also in sports that are carried entirely by other than their own earnings, 46 sweaters were awarded. Twelve basketball sweaters, 18 boxing letters, four golf sweaters, and seven volley ball sweaters will be awarded soon.

An extensive athletic program is also carried on in the ward schools. Track is carried entirely by football. This season 50 reported for

### Student Assistants Do Everything From Typing To Ringing Bells

By BETTY JEAN CARLSON

Maybe you think students around Pampa High school don't work. Of course, being a student myself, I know we all work. What I am getting at right now is that there are many who do their own work and still have time to help others too.

Now there, boys! It's not anything to get excited about. Sure, your best girl friend more than likely got your English for you last night, but that is not what I mean. I am referring to the different assistants and help-

ing school. These students are doing everything from ringing bells to typing letters. I might add that most of these make the honor roll every time and are outstanding in all their work and in addition take a prominent part in activities.

Martha Orr, Bill Miskimins, Ellen Keough, Wayne Coffin, Emma Boone-Todd, and Heidi Schneider are some of the girls working in the office and helping Mrs. Lou Roberts, registrar. They run errands, answer the telephone, put up the mail, make announcements, take up absentee slips, and work on the files.

Tom Herod, assistant principal, has his helpers, too. They are Norma Jean McKinney, Ann Chisholm, Joyce Jackson, Jerry Smith, Helen Dudley, and Beryl Jean Hagood. Their duties are to stamp absentee

slips and tardy permits and to run errands for Mr. Herod. Library assistants keep plenty busy, too. They dust books and shelves, check books out, replace books on the shelves, take care of magazines, and lately have helped make out orders for new books.

These students are Elizabeth King, Maxine Woods, Alma Joy Franks, William Jones, Donald Stanley, Raymond Stevens, Mary Alice Higginbotham, Mary McHenry, Mary Nell Minatre, Evelyn Morehead, Eula Taylor, Katherine Kelley, Bob Stephens, Koma Jo Johnson, Letha Mae Harrelson, and Peggy Williamson.

In the book room we find students doing hectograph work, typing letters, mimeographing tests, checking books in and out, and acting as salesmen for all items sold in the book room. Those who are doing this are Olin Walker, J. B. Snelling, Valmore Stallings, Edna Spivey, Karl Rippl, Zaida Mae Hurst, Alice Marie McConnell, and Evelyn Morehead.

Olga Cox and Edward Bradford type letters and help Harry Kelley, coordinator of diversified occupations. Other students assist in checking workbooks, caring for the laboratories, etc.

Most student assistants work one hour a day at their jobs and say they enjoy it.

### 850 Students Ride School Buses; Average Daily Run 550 Miles

By BETTY JEAN CARLSON

Never a serious accident in 20 years of service is the record of the Pampa Independent School District buses. Seventeen of these years they have been under the supervision of Joe Shelton.

The distance covered this school term has grown to 18 buses, 16 of the buses cover about 550 miles on daily runs carrying an average of 850 students to and from school.

From four model-T buses in 1920, Pampa's school transportation system has grown to 18 buses, 16 of which are used daily. Some of them carry as many as 75 children. Two buses are kept in reserve, in case repairs are needed or in case a bus is being used for an out-of-town trip. Eleven of the buses are steel bodied and equipped with safety glass.

Out-of-Town Trips

This yellow caravan is used not only for transporting students to and from school but also for taking students on out-of-town trips to represent the school in various activities. This year 16,625 miles were covered on five of the major trips, not counting dozens of shorter ones. A distance of 1,571 miles was driven when the football boys went to Casper, Wyoming. The buses carry- ing big students in from outlying districts.

Bus drivers now employed are Bill Green, Jess Morris, Sam Keith, Ike Phillips, Weldon Stewart, Emmett Osborne, Roy Kretzmer, Bill Jarvis, Carl Smith, R. C. Brown, Joe Brown, Harvey Anderson, Frank Hollis, Floyd Young, and Carl Baer.

In addition the Hopkins and Wayside schools each send in a bus daily bringing students to the Senior High school, and four cars are used for bringing students in from outlying districts.

Stamp collecting and reading are Bobby Dan's hobbies.

Each year the council gives the two outstanding citizens a cup or plaque. Pictures of these best citizens appear in the honor section of the annual.

Most popular student in Pampa High school is Anna Belle Lard, who by popular ballot was elected the all-school favorite. She is the 16-year-old daughter of Mr. and Mrs. Claude Lard and has a long list of honors and activities to her credit. She is receiving congratulations at present on the 1940 annual, of which she was co-editor.

Most beautiful and inspiring programs of the year were the special Christmas tree and programs with music in keeping with the season, a Scripture story, and readings. Special lighting effects added to the beauty and solemnity of these two programs.

Most stimulating and thought-provoking programs of the year were the four addresses by speakers brought to Pampa by the Rotary club for their Institute of International Understanding. One was on Russia, one on Germany, one on southeast and central Europe, and one the Scandinavian countries. Students learned much about the war situation and also much about young people in other nations live. Each speaker seemed better than the preceding one to the students, and by the close of the series they were divided in their choice of who they liked best.

Most impressive program of the year was the initiation of the 24 new members of the National Honor society.

Certainly deserving mention was the final assembly last Wednesday when several hundred students were given recognition for their accomplishments in various school activities and presented awards.

Other outstanding programs of

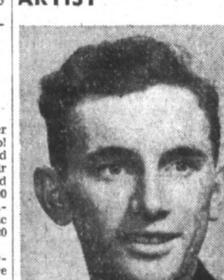

### STATE OFFICER

Jeanette Nichols, who with this issue completes her second year as editor-in-chief of the Little Harvester, was elected vice-president of the Texas High School Press association at the annual convention held in Denton last December. A junior, she is the 18-year-old daughter of Mr. and Mrs. Jack Nichols.

Responsible for all of the cartoons in the 1940 annual—as well as for several years past—and for most of the cartoons which have appeared weekly this year in the Little Harvester is Jack Johnson, 18-year-old son of Mr. and Mrs. Frank Johnson. He is art editor of the Little Harvester and one of the editors-in-chief of the annual.

### ARTIST

Also he served this year as chairman of the student council committee in charge of assembly programs and did a fine job of it.

### Shorthand Expert

Youngest member of the graduating class is Donna Day, 15-year-old daughter of Mrs. Marie Day. As a member of the shorthand team, she placed in both the district and regional meet and represented P. H. S. at the state meet in Austin.

### JOYCEIN JACKSON, BOBBY DAN LANE Selected As Outstanding Citizens

By JACK JOHNSON

Joycein Jackson and Bobby Dan Lane were chosen by the student council to receive the annual citizenship awards after weeks of considering the 127 graduating seniors.

Standards upon which the candidates were measured were scholarship, leadership, "followship," and citizenship.

Joycein Jackson, a 17-year-old member of the National Honor society. Her collection of small shops and their pictures is her hobby. Other recreations which interest her are painting, cosmology.

After attending school in White Deer for seven years, Joycein came to Pampa. Now she is president of Quill and Scroll and secretary-treasurer of the National Honor society. This likable citizenship award winner has worked in the office for the last two years and was a library assistant for one year. For two years she was president of the Latin club.

Bobby Dan Lane, highest ranking boy in the graduating class and sports editor of the Little Harvester, has attended school in Pampa for ten years. Every term he has been in high school his name has been on the honor roll.

Each year the council gives the two outstanding citizens a cup or plaque. Pictures of these best citizens appear in the honor section of the annual.

Youngest member of the graduating class is Donna Day, 15-year-old daughter of Mrs. Marie Day. As a member of the shorthand team, she placed in both the district and regional meet and represented P. H. S. at the state meet in Austin.

### Green And Gold Harvester Band Has 75 Members

By JOE CARGILE

On a trip to the Tri-State fair at Amarillo last September, the 75-piece Harvester band, under the direction of A. C. Cox, made its first appearance in its new green and gold uniforms.

During the football season the band played for numerous pep rallies, two of which were broadcast over K. P. D. N., for five home games, and for two games away from home, at Plainview and Lubbock.

The organization played at Herod during Berger's birthday celebration at Shamrock for the annual 75. Patrick's day celebration held here, and took part in the concert given by the choir and bands of Pampa to help finance the trip to the annual region contest of the Texas Music Educators association held at Plainview.

Enters Contest

Pampa High's Harvester band, playing in class A, received a third division rating in concert playing and a second in sight reading at the contest. A clarinet quartet from Senior High entered in national and received a second division rating.

Wayne Coffin, David Graham, Virginia Harrison, and Minnie Bell Williams were the members of the quartet. Jack green won a first division for a bass solo in national, and Earl Bell and Joe Nelson won second division ratings for bass solos in national. Jack placed third in the national at Waco. Douglas Stark received a second division rating in student conducting.

The band welcomed the Dallas Boosters and also led the parade to celebrate the opening game of the baseball season as well as the parade observing National Music week.

Three assembly programs were given by this organization during the course of the year. Sibyl Osborne, a member of the band, entertained the group with a party at 3:30 on the 11th of May.

Joe Nelson was drum major for this year, and Carrie Jean Speed and Willetta Stark were girl twirlers. Jack Johnson was head twirler of the band, having taken the place of Leonard Ramos, who was head twirler at the beginning of the year. H. T. Hampton, Hoyt Rice, and R. T. Seeds were band managers during the year.

#### Band Members

Members of the band for part of all of the year were Robert Addington, June Marie Amick, Orene Alford, Junior Barnett, Billy Behrman, Earl Bell, Ray Boyles, Troy Boyles, Cecil Bradford, Robert Brandon, Mark Bratton, Cecil Branscum, Charles Bryan, Willie Bunting, Bob Burns, Joe Cargile, Cora Lee Cargill, Wayne Coffin, Junior Comstock, Richard Cox, Vaughn Darnell, Clark Dehnert.

James Evans, Waldine Frazer, Earl Graham, David Graham, Jack Green, Sherman Gray, Jess Hamilton, Virginia Harrison, Meribelle Hazard, Carl Hills, Leon Holloway, Maxine Holt, Mary Jaynes, Clara Belle Jones, Vincent Kersey, Herman Lambrecht, Ethel Lane, Anna Belle Lard, Roy Lackey, Delbert Meek, J. R. Mitchell, Mary Lee Morris, Mary McHenry, Billy McNutt, Joe Nelson, Sibyl Osborne, Betty Plank.

Bill Puckett, Leonard Ramos, Bill Revard, George Saunders, Imogene Sperry, Douglas Stark, J. W. Elston, Betty Jean Tiemann, Bob Thomas, Carolyn Surratt, Jack White, Billy Whitsell, Minnie Bell Williams, Blanche Day, Glenn Dyson, Beatrice Hicks, Carl Story, James Rose, and Earl Green.

Eighteen ninth-grade students played with the Harvester band during part of the year. They were Hal Boynton, Joe Cox, Betty Culbertson, Elaine Carlson, Frank Gun-saltus, Gene Lumsford, John Tom McCoy, Margaret Burton, Martha Pierson, Elaine Qualls, Arlie Sallor, Gene Stepp, Ray Thompson, Joyce Turner, Frank Showwell, Betty Wafers, Frank Yates, and Flint Berlin.

of the federal government; pictures on the prevention of tuberculosis and accidents, shown by Chuck Gaines, representative of the American Life Insurance company; pictures in technicolor showing Colorado mountain scenery and recreational trips made by students of the University of Colorado; and a talk by C. D. West of the Texas Highway patrol on "Problems of Traffic in Texas."

DANGER

ROMANCE AHEAD

BY TOM HORNER

YESTERDAY, Larry's car is found abandoned but undamaged. He talks to Colonel Harris, gets the details of the "motorist's" operation. Larry, driving around town, almost runs down a speeding car, when he crashes a stop sign. Only the expert driving of the other motorist avoids an accident. Larry discovers the driver is a girl, Monnie Miles, daughter of Col. Taylor Miles. And it was on the hills ranch that Hugh and Alice...

CHAPTER III

It took Larry half an hour to buy a pair of cowboy work boots, two pairs of "levis," a few blue shirts and a \$25 sombrero. When he checked out of his hotel, he had lost all resemblance to the Larry Collins who worked for Steve Clark, the Larry Collins whose by-line was familiar to a hundred thousand readers. He was a cowhand—his clothes looked too new, but a few minutes scuffling along the highway, and crawling under the car, would take care of that.

He remembered to buy Texas license plates for his car. Not many cowhands come from New York. Larry pointed his car northward, picked up his highway marker and drove steadily. The picture of the girl, furiously angry, would not be dispelled. What a temper! Monnie. . . . Monica Maria Christina. Must be part Spanish. That accounted for some of the temper. And the black hair and flashing eyes.

COLONEL TAYLOR MILES was mad. He stomped up and down the porch of the ranchhouse, punctuating every step with a few choice words that are found neither in dictionary nor Bible. As a "cussier" the Colonel was without equal. With the Colonel, swearing was an art.

Right now the Colonel was displaying his ability, with undiminished fervor, for the benefit of two sheepish-looking cowhands, who stood a few paces away from the porch.

"And you call yourselves cowhands!" the Colonel was shouting. "Rodeo cowboys! You may know how to rope, but by the seven-foot horns of old Alamo, that's no excuse for breaking the necks of half my calves and rope-burning most of my cows.

"You've got your money—Get your stuff and get out! One of the boys will take you to town. Get out of my sight, you—you—!" He stormed off down to the corral to see how his foreman, Pete Barnes, was going to get along with two less hands.

It was there that Larry found the Colonel an hour later. Larry had read the sign when he met the Hayhook truck, heading for town, a few miles from the ranch. Three cowhands, warbags and a saddle. There'd be at least one job open on the Miles' place, Larry was sure.

The Colonel was cussing. Larry heard him a hundred yards away, telling Pete Barnes in no uncertain terms how the cowpunchin' business had gone to the devil, along with the profits. The Colonel warmed to his subject, and was branching off into politics, when Larry interrupted.

"Colonel Miles? . . . I'm looking for a job. Top cowhand."

"Can you rope?" the Colonel roared back at him.

"Nope. At least, not very well." Larry knew he had to tell the truth. It had been years since he'd ever been on a horse.

"You're hired. Thirty and keep. Pete, here, will tell you anything you need to know. . . . That your car?"

"Paid for."

"You must be all right about you from?"

"El Paso, and points west."

A cloud of dust swirled along the highway, in the wake of a speeding car.

Monnie's laugh tinkled beyond a haze of dust and moving landscape. . . . Larry's hand was jerked loose, he was up in the air . . .

Illustrated by Ed Gunder

"Monnie's home early," the Colonel grunted at Pete. Then to Larry: "Here comes my daughter. Keep away from her if you want to keep your job." He walked up to meet her.

FROM the porch, Monnie Miles watched Larry drive his car into the old carriage shed.

"So you hired that for a cowhand, Dad." Scorn filled her voice. "He's no more cowhand than I am the houseboy."

"You met this fellow already?" the Colonel demanded. "Guess I will fire him, if he's come chasing out here after you."

"Met him?" Monnie's anger flared. "Met him?—He almost wrecked me this morning. Drove through a stop sign, right in front of me—! Almost crashed a filling station trying to keep from killing him—Met him? I'd like to get my hands on him—"

"You didn't wreck anything, did you?"

"Luckily, no, Dad. Can't afford to have any accidents. After that wreck on Dead Man's curve—if I had a smash-up now, people might get to wondering—! But Dad, you're not going to keep that fellow around, are you?"

"Have to, for a while, honey. I already told him he was hired. We need him. But if he's no good, I'll run him off. Go along, now. Change your clothes and we'll drive out to the upper camp."

So he followed me out here, Monnie thought to herself, as she pulled on her boots. "I'll fix that"—! "I'll fix him!"

MONNIE was sitting on the top rail of the corral fence when Pete Barnes and Larry came from the saddle house.

"Some of the boys have their own stuff," Pete was saying, "but we keep a few saddles around for fellows like you. You can use mine. It's over on that black in the corner"—! He nodded toward a black horse tied to a corner

ship" award because the town has met its WTCC membership quota every year for the last 22 years and has oversubscribed its quota for the last three years. WTCC officials pointed out P. B. Ralls, WTCC director for Ralls, has been a director in the regional organization since

it was formed. He has been president of the Ralls Chamber of Commerce, is president of the South Plains Highway association and has been a well known West Texas leader for many years.

WTCC Presents Service Awards

Special To The NEWS
BIG SPRING, May 18—Annual service awards were presented by the West Texas Chamber of Commerce at the closing session of its 22nd annual convention here today. These awards were presented to individuals and cities on the basis of service rendered to West Texas. This year's awards are as follows:
B. Fort Bludworth, Brownwood, most valuable WTCC director; Jerry Debenport, Odessa, most valuable local Chamber of Commerce secretary; Ralls, P. B. Ralls, WTCC director, best membership town.
Mr. Bludworth is president of Brownwood Chamber of Commerce at present and also held that post in 1934. He is also president of Brownwood Rotary club and has been active in community affairs for many years. Mr. Bludworth was a leader in the highly successful outdoor advertising campaign conducted by the WTCC a few months ago in which 200 poster panels were placed in the area for four months.
Mr. Debenport, manager of the Odessa Chamber of Commerce since last September, is vice-president of the Chamber of Commerce Managers Association of West Texas. Before going to Odessa, he was manager of the Children's Chamber of Commerce from 1927 to 1939.
He is past president of the Texas Association of Fairs. Membership in Odessa Chamber of Commerce has been raised from 198 to 771 since Mr. Debenport began his work there. He has cooperated 100 per cent in WTCC activities during the past year. WTCC officials said. Ralls received the "best member-

127 SENIORS TO RECEIVE DIPLOMAS FRIDAY

Ellen Keough, Martha Orr, Bobby Dan Lane Lead Graduating Class

By JEANETTE NICHOLS

Leading the list of 127 graduating seniors are Ellen Keough, Martha Orr, and Bobby Dan Lane, whose scholastic averages make them valedictorian, salutatorian, and highest ranking boy respectively. Grades for all four years in high school were considered in determining these ratings.

VALEDICTORIAN AND SALUTATORIAN

Highest ranking member of the graduating class is Ellen Keough, above left, 17-year-old daughter of Mr. and Mrs. L. F. Keough, 1612 Algock street. She has lived in Pampa nine years. This year she won third place in extemporaneous speaking and tied for third in essay writing in the district meet of the Interscholastic league. She is an office assistant at present and was library assistant last year. In her sophomore year she won first place in the district Latin tournament. She is a former headline editor of the Little Harvester and a charter member of Quill and Scroll, national honorary journalistic organization. She was elected to the National Honor society in her junior year.

Second highest ranking student is Martha Orr, above right, 16-year-old daughter of Mr. and Mrs. R. W. Orr, who has an average of 93.54.

Ellen Keough, the valedictorian, has an average of 94.31. She is the 17-year-old daughter of Mr. and Mrs. L. F. Keough, 1612 Algock street. She has lived in Pampa nine years. This year she won third place in extemporaneous speaking and tied for third in essay writing in the district meet of the Interscholastic league. She is an office assistant at present and was library assistant last year. In her sophomore year she won first place in the district Latin tournament. She is a former headline editor of the Little Harvester and a charter member of Quill and Scroll, national honorary journalistic organization. She was elected to the National Honor society in her junior year.

Martha Orr, the salutatorian, has an average of 93.54. She is the 16-year-old daughter of Mr. and Mrs. R. W. Orr of the Phillips camp at Hopkins. For three years she has played on the volleyball team. In the past two years she has been vice-president of her home room. Last year she made the Latin team. This year she is an office assistant. She is an active worker in City Scouts, is at present senior patrol leader at Hopkins. Martha is a newly elected member of the National Honor society. She hopes to attend Vanderbilt university and study to be either a doctor or a nurse.

Bobby Dan Lane, highest ranking boy in a graduating class that numbers more boys than girls, has an average of 92.61. He is the 17-year-old son of Mr. and Mrs. John Lane of the Slickly Kingmill plant. He has attended school in Pampa for ten years. He is sports editor of the Little Harvester, and a member of Quill and Scroll. His column, Sports Lines, won first place in the Pampa-High School Press Association's contests this spring. He was on the 1939 Harvester football squad and lettered. He was an alternate on the Latin team for two years. Bobby Dan is elected to the National Honor society in his junior year. He plans to study chemical engineering but has not yet definitely decided what college he will attend.

Closest honor to come to Bobby Dan is his selection by the student council to receive the annual award as the outstanding boy citizen.

Buffet Supper Planned For Seniors This Evening

Seniors will be entertained with a buffet supper in the cafeteria immediately following the Vesper service this afternoon. The room will be decorated in red and white, senior colors, with cut flowers on the tables. Senior mothers will serve. All teachers have been sent invitations.

An Explanation

Pictures of seniors throughout this paper include not only the candidates for graduation but all students who had as many as 11 credits at the beginning of the school year and who had their pictures made for the annual. A list of the graduates, together with a record of their activities while in high school, is given under the heading "Senior Activities." All pictures in this special senior edition of the Little Harvester were made by Fletcher's studio. Additional senior news will be found on pages 12 and 13 of the second section of the Pampa News.

24 Received Into National Honor Society

By BOBBY DAN LANE

Fifteen seniors and nine juniors were announced this spring as new members of the National Honor society. The 24 new members were initiated in assembly on May 8 by the eleven members of the society who were elected last year as juniors. Ernest W. Cabe, supervisor of instruction, made the address, and Principal D. F. Osborne presented the pins in the name of the school.

Selection of members is based on scholarship, leadership, character, and service to the school, the four points of the National Honor society. Only those students ranking in the upper third of the class in scholarship are eligible for consideration. Not more than 15 per cent of the senior class and 5 per cent of the junior class can be elected. Selection is made by a faculty committee.

Following are members now in school who were chosen last year as juniors: Ray Boyles, Aubrey Green, Virginia Harrison, Joyce Jackson, Bobbie Karr, Ellen Keough, Bobby Dan Lane, Jeanne Lively, Anna Belle Lard, Neil McCullough, and Peggy Williamson.

President of the organization is Aubrey Green. Virginia Harrison is vice-president and Anna Belle Lard is secretary-treasurer. Miss Clarine Brannon is sponsor.

Next in line was the class play, "Our Town," which proved to be one of the most outstanding dramatic productions ever put on in Pampa. A party was the next event given to entertain the seniors. This party was held in the red brick building and featured dancing and games.

On April 1, Kid day, all the dignified seniors donned short dresses and pantaloons and had the time of their lives. Picnic in the city park at noon and a show afterwards made it a big day for the "kids."

Then came the much looked-forward-to trip to Carlsbad Caverns. More than 100 seniors went on the three-day excursion to behold the wonders of nature. The group left on April 26 and returned April 28. A picnic supper and a dance were among the special entertainment features of the trip.

Biggest social affair of the year was the Junior-Senior banquet and prom held last night carrying out a Dutch theme. This afternoon the graduating seniors will be guests of the senior mothers at a buffet supper following the Senior Vesper service, which is scheduled for 5 o'clock. Tomorrow evening the girls graduates and their mothers will be honored by the American Association of University Women at a tea in the city club rooms.

SENIOR PRESIDENT

Selected by more than 200 seniors of the Class of 1940 to lead them through their busiest year of high school was Ray Boyles, 17-year-old son of Mr. and Mrs. V. L. Boyles. Good-natured, musical, and an honor society student, he has proved to be a popular and capable president.

Ray Boyles Leads Seniors Through Eventful Year

By ED TERRELL

Seniors, more than 200 strong, started the year by electing Ray Boyles president; James Evans vice-president; and Glen Nichols secretary-treasurer. Joan Gurley was made secretary-treasurer the second semester. Glen having completed his work toward graduation.

Head sponsor of the class is Miss Zenobia McFarlin. Other sponsors are Miss Clarine Brannon, Miss Martha Cox, B. G. Gordon, W. N. Anderson, and Aubrey L. Steele.

Next in line was the class play, "Our Town," which proved to be one of the most outstanding dramatic productions ever put on in Pampa.

Then came the much looked-forward-to trip to Carlsbad Caverns. More than 100 seniors went on the three-day excursion to behold the wonders of nature. The group left on April 26 and returned April 28.

Dual System Of Graduation To Be Started

By JEANETTE NICHOLS

Beginning next fall, Pampa High school will organize its curriculum into two programs of study, based upon two different sets of graduation requirements, Principal D. F. Osborne announced last week.

Sophomores entering high school next year will be given a choice of the college preparatory course or the general vocational course. Approval of the parents will be required before students enroll in the general vocational course.

The college preparatory course will follow the same general plan as has been previously required of all students and will be designed to meet college entrance requirements. The general vocational course will aim to better prepare students for employment immediately after graduation from high school.

Requirements for graduation under the college preparatory course will be the same as now in effect outlined in the student handbook. In the general vocational course, only required subjects will be three credits in English, one of which can be earned in Junior High, American history, and advanced arithmetic. The remainder of the 16 solid credits may be electives.

As only incoming sophomores will be affected next year by the new plan, announcements have been sent to the parents of this year's ninth graders to acquaint them with the plan.

81 Freshmen Will Receive Diplomas In Senior High

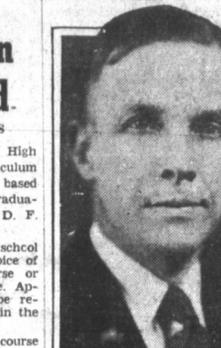

By BETTY JEAN CARLSON

Eighty-one freshmen in Pampa Senior High will receive ninth grade diplomas next Friday if they pass necessary work this semester. No graduation exercises will be held for these students, but diplomas will be handed out along with report cards next Friday morning by Miss Loraine Bruce, Mrs. Hol Wagner, and J. C. Prejean, freshmen home room teachers. Diplomas will be identical to those issued to Junior High graduates.

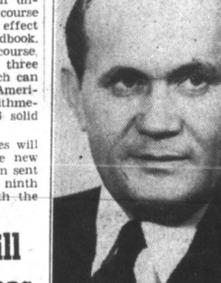

Freshman candidates for graduation are as follows: Robert Addington, Wiley King Bunting, Leslie Burge, Lancel Carter, John Chesher, H. E. Comstock, Jr., Don Edmiston, James Elson, Max Crossman, Harold Henson, Fred James, Hershel King, Albert Mendoza, Kenneth Nelson, Jimmy Sanders, Buddy Simmons, Earl Snyder, Richard S. Stephens, Coy Vandenberg, Forrest Vaughan, Joe Bob Zimmerman.

Jeanne Cox, Bettye Glendenning, Betty Johnson, Virginia Long, Norma Lux, Jewell McGregor, Mary Jo Melear, Beatrice Stotts, Dorothy Welborn, Irene Westbrook, Troy Boyles, Donald Charters, Charles Clemmons, Jane Crouch, Margie Dumas, Ruby Giles, Wanda Giles, Cecil Hamady, Emmett Jenkins, Elsie Lunge, Golda Mae Miller, Inogene Nabors, Naomi Nichols, Evelyn Quillen, Louise Pitcher, Nadine Smart, Lanore Stone, Edwin Taylor, Vickie Tejada, Beulah Mae Vanderlinde, Myrtle Bell Williams, Desevy Wilson, Virginia Lee Wilson, Elmer D. Young, J. V. Adams, Charles Aker, Ethel Lee Allen, Floyd Allen.

SPEAKERS

Dr. M. A. Nash, pictured at top, will deliver the address at the graduation exercises Friday evening, speaking on the subject "Minimum Essentials." He is president of Oklahoma College for Women at Chickasha.

The Rev. Gordon Bayless, lower picture, will preach the sermon at the Senior Vesper service this afternoon. He is pastor of the First Baptist church.

Dr. M. A. Nash, pictured at top, will deliver the address at the graduation exercises Friday evening, speaking on the subject "Minimum Essentials." He is pastor of the First Baptist church.

Summer School To Open May 27, Herod In Charge

By GENEVA NICHOLS

Summer school will open the Monday following the close of school, May 27, and continue for eight weeks, closing July 19, with Assistant Principal Tom Herod in charge. Classes will be held in the mornings only, from 7:30 to 12 o'clock, five days a week. There will be one hour and a half class periods daily. The Fourth-of-July weekend, July 4-7, will be a holiday period.

Classes will be offered in English, science, mathematics, social sciences, and other subjects there is sufficient demand for. Cost of taking one half-unit course will be \$10; for two half-unit courses \$18. Students will not be permitted to take an in whole unit in one subject, or in any one except special cases approved by Principal D. F. Osborne to enroll for more than two half-unit courses.

Besides Mr. Herod, teachers in the summer school will be Aubrey L. Steele, head of the social science department; Miss Anne Louise Jones, of the English department; and Mrs. G. H. Alexander, head of the science department.

The summer school is offered for the purpose of helping those who are behind in the required number of credits or grade points to get their work in line so that they can graduate at the proper time. For example, it offers an opportunity for a student who has six credits to make an additional credit during the summer so that he will be classified as a junior instead of a sophomore all next year, and for a student who has ten credits to earn an additional unit to attain senior classification.

Summer schools are regulated by the State Department of Education the same as long terms, and only those schools which have secured special permission from the department can conduct a regularly accredited summer school. Pampa's summer school will be completely affiliated.

Vesper Service To Be Held This Afternoon

By JOE CARGILE

Commencement week begins today with Vesper service for 127 Pampa High School seniors. Graduation exercises next Friday night will complete the Commencement activities.

The Senior Vesper service will be held this afternoon in the high school auditorium at 5 o'clock. The Rev. Gordon Bayless, pastor of the First Baptist church, will deliver the sermon. Following the Vesper service, mothers of the graduating seniors will have a buffet supper for the graduates in the school cafeteria.

The graduation program will begin at 8 o'clock next Friday evening in the high school auditorium. Dr. M. A. Nash, president of Oklahoma College for Women at Chickasha, Oklahoma, will deliver the address, using as his subject "Minimum Essentials."

Dr. Nash, a graduate of Central State Teachers College of Oklahoma, received his A. B. and M. A. degrees from the University of Oklahoma, his LL. D. from Oklahoma Baptist university, and studied in the University of Michigan. He was at one time president of the Oklahoma State Board of Education and was also state Superintendent of Public Instruction in Oklahoma.

Program for the Vesper service this afternoon is as follows: Professional-Tannhäuser March, (Wagner)—Pampa High School and Civic Orchestra. Invocation—The Rev. Robert Boshen.

Address—Dr. M. A. Nash. A Cappella Choir. Sermon—The Rev. Gordon Bayless. Cherubim Song—(Tschakowsky)—A Cappella Choir. Benediction—The Rev. Robert Price.

Recessional—Festiva! March (Berger)—Pampa High School and Civic Orchestra. Address—James Archer, L. C. Buijle, Jim Barnard, Sanny Sue Barnard, Bob Bowman, Lindsey Boyd, Ray Boyles, Edward Bradford, Cecil Brannon, Junior Browne, J. L. Burba, Beta Cagle, R. G. Candler, Lucille Carlock, Chester Carpenter, Ann Chishom, Bob Clemmons, Pearl Cochran, Wayne Coffin, Olga Cox, Sead Cox, Peggy Cunningham.

Bill Davis, Donna Day, Opal Dewey, Irene DeWitt, Leonard Dull, Bobby Dunlap, Robert Duvall, George Edwards, James Evans, Leonard Finney, James Foran, Alva Franks, Herbert Friddle, Wayne Giddens, Virginia Giles, Aubrey Green, Joan Gurley, Jess Hamilton, H. T. Hampton, Lecha Harrelson, Helen Harris, Virginia Harrison, Merbelle Hazard, Claude Helton, J. B. Hicks, Leon Holloway, Zelda Mae Hurst. Bernice Jackson, Joyce Jackson, Lillie Mae Jackson, Ernest James, Charlyne Jaynes, Mary Jaynes, Sorra Jensen, Jack Johnson, Lowanda Johnson, Rovene Johnson, Nevin Johnston, Clarabel Jones, Don Jones, Bobbie Karr, Katherine Kelley, Ellen Keough, Elizabeth King, Faye Kitchens, Bernice Knapp, Jeanne Knox. Roy Lackey, Bobby Dan Lane, Anna Belle Lard, Jeanne Lively, Margery McCollm, Alice Marie McConnell, Neil McCullough, Mary McConnell, Norma Jean McKinney, Ruby McPherson, Maxine Messer, Bill McKimins, Irvine Molesworth, Wilma Comer, Edna Moore, Evelyn Moorehead, Mary Lee Morris, Maxine Nabors, Glenn Nichols, Vera Norman, Martha Orr, Thelma Maye Osborn, Velma Faye Osborn, Leona Parks, Raymond Persins, Warner Phillips, Opal Purvis. Bonnie Rose, Willard Roy, Norma Sanders, George Saunders, Richard Saxe, Heidi Schneider, Jack Smith, Jerry Smith, J. B. Snelling, Carrie Jean Speed, Edna Spivey, Irene Stallings, Wendell Stanley, Douglas Stark, Lynn Stark, Hugh Stennis, Louise Stotts, Carolyn Surratt. Bobbie Karr Leads Student Council In Year Of Many Accomplishments

By MARY LEE MORRIS

Under the leadership of Bobbie Karr, the student council this year has served a definite function in the life of the school. Most outstanding of the council's activities were providing the weekly assembly programs, the selection of each month's Junior Rotarian, school dances, the lost and found department, student cheer leaders, sponsoring special group meetings, and selection of and presenting awards to the two outstanding citizens.

Five representatives from P. H. S. attended the state meeting of student councils held in Tyler this year. Those making the trip were Ross Buzzard, who was elected counselor-at-large for next year, Ray Boyles, Doris Taylor, Betty Plank, and Aubrey L. Steele. These delegates brought back many ideas which can be used to improve the council next year.

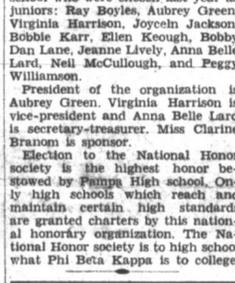

This year's lost and found department was a distinct improvement over that of last year. It was located in the small glassed in room in the lower hall and was kept open with some one in charge during the entire school day. A proposed student activity ticket for next year was the latest development of the council.

Bobby Dan Lane and Joyce Jackson were selected by the council as outstanding citizens and presented cups in the final assembly program. The group meetings sponsored by the council this year were very effective. General matters concerning chiefly school matters and conduct and care of school property were discussed at separate meetings of boys and girls.

For the first time this year the council sponsored a student section at ball games with yell leaders elected by the entire student body instead of leaving the cheering to the girls' pep squad. This was to promote school spirit and interest in ball games.

In September the organization of the council was set in motion by Bobbie Karr, who was elected counselor-at-large last year for that purpose. Each home room elected a president to serve as its representative on the council and a vice-president to act as alternate. The president of the council was

ANOTHER YEAR

(Rondeau) By JACK JOHNSON

The echo tramps of passing days Rechant, at last, in singing thought The frolics that by time were wrought. With speed and truth in short relays, Almost a circuit—a real daze— Was time with truth, with work, well wrought. Has truth passed on in its short phrase, Another year? Tell what, gone past, was amply sought. A score, a grade, or broader view? With what, for whom, should life be fought? So that, by wits, one might learn too. Another year?

By BILLIE JEAN BUCHER Dedicated to Principal D. F. Osborne, the 1940 yearbook was released last Wednesday. Jack Johnson and Anna Belle Lard were named as co-editors of the annual. Other members of the staff are Joan Gurley, Billy Behrman, Tolene Davis, John Knox, Kathleen Palmer, Beatrice Stotts, and Jane Crouch. Miss Margaret Jones is faculty adviser.

In keeping with its name, "The Harvester," the theme of the book is "That which ye soweth, that shall ye also reap." The 100-page book has a buff cover with matching plastic binding. Touches of green are used throughout the book to lend color.

The book is divided into eight sections: Administration, classes, honors, favorites, athletics, activities, calendar, and snapshots. Among outstanding features in the book are the six large cartoons drawn by Jack Johnson for the title pages. Sixteen pages of snapshots perhaps are the most generally liked section of the book, since so many students are represented in them. As a whole, the pictures throughout the book have more natural settings and are more filled with action than in the past few annuals. Also there is more variety in the make-up of pages.

Individual pictures of seniors are included in the book, while the other classes are pictured in home room groups. Group pictures of the class officers and sponsors head the class sections.

Yearbook Dedicated To Principal Osborne

By BILLIE JEAN BUCHER

Best Boy Citizen

By BOBBY DAN LANE

Tom Herod is to be in charge of the guidance and counseling program. He will not teach any classes next year, but will retain his position as assistant principal. The opening left in the commercial department by Mr. Anderson's going into the science department will be filled by O. C. Allen, now with the commercial department at Wellington.

Mrs. Hol Wagner, faculty adviser of the Little Harvester and English teacher, does not plan to teach next year. Her position has not yet been filled. In the home economics department, Miss Arlean Pattison, clothing instructor, has resigned to accept a position in the home economics department of the Iowa State college. Her position will be filled by Miss Charles Hill, Junior High physical education instructor, who filled in for Miss Pattison last year while she held a fellowship at Iowa State.

The American Association of University Women will hold their annual tea for graduating senior girls and their mothers tomorrow evening in the city club rooms at 8 o'clock. Mrs. Sam Irwin is chairman of the refreshment committee. Those helping her are Mrs. J. B. White, Miss Vida Cox, and Miss Mildred Slater. On the decorations are Mrs. A. J. Black, Miss Helen Montgomery, and Mrs. George Friauf.

Best Girl Citizen

By BOBBY DAN LANE

Full page pictures of the favorites elected by the student body are included: Anna Belle Lard, all-school favorite; Grover Heiskell, senior; Ross Buzzard, junior; Kathleen Palmer, sophomore; and Leslie Lewis, freshman.

Also a full page picture of Doris Taylor, the Harvester football queen, and a smaller picture of Yvonne Marie Amick, Harvester basketball queen, are included in the athletic section. Another favorite whose picture graces the book is Tolene Davis, sweetheart of the F. F. A. club.

Included in the honors section are large pictures of Ellen Keough, valedictorian; Martha Orr, salutatorian; Joyce Jackson, best girl citizen; Bobby Dan Lane, best boy citizen; and group pictures of the National Honor society, Quill and Scroll, and the student council.

Activities Represented Pictures of all athletic teams and of all organizations and activities of the school are included in the annual, together with summaries of their accomplishments. Athletic teams pictured are Harvester football, Gorilla football, boys' tennis, girls' tennis, golf, Harvester basketball, Gorilla basketball, boxing, girls' volleyball, and track.

**Thanks A Million**

For the past eight years during the school term the personnel of the Pampa News has "put up" with the Little Harvester staff each week for approximately three days each week they have been "bothered" with us without grumbling whatsoever.

During these years we have had the kindly advice of the editor and all those under him. They have "handed down" knowledge to us which we have in turn "handed down" to the incoming class. We have profited greatly by this. Ordinarily the amount of space allotted to the Little Harvester each

week would cost more than a school could afford, yet the News gives this space to us for nothing. This is done to help promote community interest. We appreciate this more than we will ever be able to express in words or in actions.

To you at the News we want to express our deepest appreciation with the hope that we do not put you to very many inconveniences for what you have done for us.

**Banquet And Play Highlights Of Junior Year**

By JUNE MARIE AMICK

Ross Buzzard was elected president of the junior class, numbering 286 members, at the first class meeting. Other officers are Billy Mounis, vice-president, and Tolene Davis, secretary-treasurer. Class sponsors are Miss Evelyn Gregory, head sponsor, Miss Anne Louise Jones, Mrs. E. L. Norman, J. H. Morehead, Jr., Kenneth Carman, and Henry Siler.

Highlight of the juniors' year was the annual Junior-Senior banquet and prom held last night, with all

arrangements in charge of the juniors. A Dutch theme was carried out in the decorations and program. In March a party was given in the gymnasium. Dancing and games were featured throughout the evening with refreshments of pop and chili bars served at the half-way mark. Bobby McClendon received a

prize for having the greatest number of junior signatures. A picnic on May 10 was the last social function of the year before the banquet. The class play, "The Adorable

Spendthrift," played to two good houses with Betty Plank taking the leading role. Other members of the cast were Jack Baker, Melvin Dawson, Ross Buzzard, June Rose

Hodge, Vera Lee von Brunow, Clara Mae Lemm, Helen Durham, Billy Mounis, Mark Bratton, Bert Isbell, Vaughn Darnell, Betty Cree, and Marguerite Kirchman.

**USEFUL GIFTS for the GRADUATES of 1940**

For Her

China, pottery, silverware, electric irons, toasters, and waffle irons. Pyrex glassware. Everything for the housekeeper of tomorrow.

For Him

Guns, fishing tackle, tennis rackets, pocket knives. Everything for the sportsman and we all like some sport.

**CONGRATULATIONS**

We are proud to be a part of a community that can point with admiration to our schools.

To the graduates of 1940; keep the same clear, unblurred visions ahead of you and work with the same determination as you have in completing this first step.

We recognize your achievements with our printed message and offer our sincere congratulations on a job well done.

thur Teed, Frank Culberson, and A. B. Green, and four credit committees as follows: doctor's office assistants—Mrs. Lillian McNitt, Alberta Latus, Miss Drescher; machinists—E. L. Layne, H. H. Boyington, Dewey Palmier; auto mechanics—Hulon Cooper, W. E. Riley, E. E. Shook; store managers—Mr. Johnson, Frank Hood, and Frank Smith.

Diversified occupations students held two employe-employer banquets this year, one in the fall and one in the early spring. Mr. Kelley has had four visits from Pascal Buckner, district supervisor of industrial education, and one visit from M. A. Browning, teacher trainer for industrial education, Austin. Mr. Kelley has observed the diversified occupations programs at Borger, Amarillo, Plainview, Lubbock, and Memphis, and attended conferences at Amarillo and Lubbock for coordinators. During six weeks of the summer, Mr. Kelley will study industrial education for coordinators at Texas A. and M. college.

During the school year Mr. Kelley has prepared and contributed to the state department two manuals, one for doctor's office assistants and the other for show card writers. In addition he has turned in five lesson sheets a week for doctor's office assistants.

Besides the diversified occupations program, Mr. Kelley introduced a business occupations course for students who want to know about a great many occupations. Among other things students in this class made an occupational survey of Pampa as to number and type of occupations represented, number of employes, average wages, etc. Also several Pampa business men spoke to the class on requirements and training for their chosen occupations.

Five students this year completed their two-year period of training

and received occupational training certificates. They are Ray Brown, store manager; Thomas Smith, building supply; Clifford Bailey, meat cutter; DeWitt Henry, theater manager; and James Foran, dry cleaners.

Other students enrolled in the course are Verona Anderson, doctor's office assistant; Lloyd Black-

wood, machinist; Norville Blake, telegraph operator; Don Board, store manager; Theo Cummings, machinist; N. L. Cummings, auto mechanic; Dorothy Gibson, dental assistant; Helen Harris, doctor's office assistant; Juanita Smith, dental assistant; Beryl Foster, shoe store manager; Glenn Wilkie, machinist; and Bert Prigmore, printer.

Your earnest endeavor has been rewarded... nothing brings greater joy than acknowledgement of success. Look to the future now and continue to strive for new laurels that will provide you greater joy throughout your life.

Again CONGRATULATIONS and BEST WISHES.

**17 Students Receive Vocational Training While Attending School**

By JUNE MARIE AMICK

Through the diversified occupations program, directed by Harry Kelley, coordinator, 17 P. H. S. students this year have actually worked on the job and have received training at school in the technical phases of their chosen occupations in addition to their other school work. Originally 22 students were

per day studying their occupation under the supervision of Mr. Kelley. Next year there will be openings for at least 42 more boys and girls. Mr. Kelley has been receiving applications during the past few weeks. Diversified occupations is open only to juniors, seniors, and post-graduates 18 years of age or older. This is the third year diversified occupations has been offered in Pampa High school but Mr. Kelley's first year as coordinator.

Organization of the diversified occupations program includes a general advisory committee composed of L. L. McCollm, Hol Wagner, Ar-

### Survey Reveals Interesting Facts About Senior Plans

By JACK JOHNSON  
Ernest Cabe, supervisor of instruction, recently conducted a survey among the graduating seniors to find out their plans for the future.  
There are 41 boys and 25 girls who want to attend a college or university for four years. Nine seniors want to attend a teachers' college for four years. Only three boys and three girls want to attend a junior college. Thirty-six students are undecided, and eight want to stop their formal education.  
Professions were the vocational choices of 40 seniors. Only nine girls wanted to be homemakers. Three boys wanted to be manager or proprietors and eight wanted to take up agriculture.  
Five boys and two girls listed sales work as their choice. In office work the girls outnumbered the boys ten to one. Graduating seniors

wanting to take up skilled labor and be mechanics, technical experts and machinists were 25 boys and one girl. Only 14 were undecided.  
**Most Valuable Activity**  
In a survey all the fourth year students were asked to suggest the extra curricular activity which had been the most valuable to them. The boys chose F. F. A. and band; and the girls said F. H. A. and A Cappella choir.  
There were many choices in colleges and universities chosen by the students, but the favorites for the boys were Texas A. and M. and Texas Tech, and for the girls were Denton's T. S. C. W. and Draughton's Business college.  
Only two girls thought they would like to be teachers. One wanted to be a stenographer, one a pharmacist, and two interior decorators; many wanted to work in offices. Four boys wanted to be aviators.

One wanted to be a minister and one a hobo. Another wanted to be a character actor.  
Most of the boys agreed that mathematics, English and physics had helped them most in preparing for their vocations. But the girls insisted that typing, chemistry and home economics helped them the most.  
English, with a 41 vote by the boys and a 63 vote by the girls, was chosen the most valuable course in high school. As a second choice the girls picked home economics and the boys chose mathematics.  
**Incomes Desired**  
The average boy wants to make \$3,543 yearly at his vocation while the average girl wants to earn \$2,161.  
The last part of the survey asked the students at what jobs had they worked while attending high school. Some of the girls listed telephone operator, N. Y. A. work, typing, housekeeping, bakery work, and dress shop.  
Boys listed such jobs as mechanic's assistant, soda jerk, paper boy, Western Union messenger, ranching, floral work, clerk, filling

station operator, truck driver, drummer in dance band, fireman, night watchman, pipe line worker, butcher, janitor, painter, and ditch digger.  
On being asked what could a high school do to better assist students in choosing and preparing for a vocation, one girl said, "The high school might offer a course for this purpose—to give graduating seniors an idea of what different vocations are like."  
One boy, asked how much he

eventually expected to make at farming, replied, "It depends on the weather!"  
Another boy answered, "Enough to live on and raise a family."  
Among this year's graduates are one set of twins, Thelma Maye and Velma Faye Osborne; a pair of sisters, Bernice and Joyce Jackson; and a brother and a sister, Jim and Sanny Barnard. Also, although they are the same age, Charlyne Jaynes is the aunt of Mary Jaynes.

#### School And Civic Orchestra Presents Two Concerts

By JOE CARGILE  
Activities of the Pampa High school and Civic orchestra under the direction of Herbert L. Miller, for its first year, are as follows: two concerts, one given around Christmas, the other, a spring concert,

given last Friday; and playing for the senior play in December. It will play for the Vesper service today, opening Commencement week, and will also play for Commencement next Friday.  
Members of the orchestra are Wipona Wise, Margaret Burton, Mary Lamarr, Norma Lee Lane, Mary Dean Wilkinson, Clarence Simmons, Jackie Fletcher, Jimma Searby, Sharon Rose Focock, Michael Sheple, Maybelle Taylor, Sherman Gray, Joe Cargile, Marion

Reichling, Foster Fletcher, Clarence Coffin, Wayne Coffin, John Humphreys, Mildred Martin, Carl Storey, Bob Thomas, Carl F. Hills, Charles Bryan.  
Archer Fullington presented a bass violin and two cellos to Pampa Senior High school for use in the orchestra during an assembly period. The instruments were presented in the name of the Pampa News and were bought with proceeds from a Deepatch review sponsored by the News.

# Three Plays Given During Year

## 'Overtones' Wins Regional And Goes To State

### Jeanne Lively Named On All-State Cast

By ED TERRELL  
A new high was hit by the dramatic department of P. H. S. during the year of 1939-1940. Three plays were presented, the senior play, the junior play, and the one-act play. Kenneth Carman, head of the dramatic department, was director of each play.

**Senior Play**  
The senior play, "Our Town," proved to be one of the best senior productions ever presented in Pampa. The play was supernatural, for it showed the main characters in their life after death. Students who took part in the presentation of "Our Town" were Bill Miskimins, Norma Jean McKinney, Pooy Green, Chester Carpenter, Jeanne Lively, Carolyn Surratt, James Foran, Ed Terrell, Bill Winchester, Heidi Schneider, Ann Chisholm, Leon Holloway, Bobbie Karr, Joe Nelson, Jack Johnson, Donna Day, Zede Watkins, Nevlin Johnston, and Durward Mitchell.

**Junior Play**  
A comedy was selected for the junior play this year. "The Adorable Spendthrift" with a cast of 14, played before two well satisfied audiences in their two night run. The members of the cast were Bert Isbell, Bill Mounts, Betty Plank, Ross Buzza, Clara Mae Lemm, Vaughn Darnell, Mark Bratton, Marguerite Kirchner, June Reed, Helen Vera Lee von Brunow, Helen Durham, Betty Cree, and Melvin Dawson.

**Contest Play**  
Four girls made up the final play of the year, the one-act contest play. The play placed first in district and regional but failed to place at state. Jeanne Lively achieved the unusual honor of being picked as a member of the all-district, the all-regional, and the all-state cast. The play was an odd play, as the senior production was, for it dealt with two women and their consciences. The cast of "Overtones" was Jeanne Lively, Vera Lee von Brunow, Betty Plank, and Alene Beville. Buddy Wilson was stage manager.

## EXCALIBUR

By HERMAN LAMBRECHT, JR.  
Many the battle,  
Many the fray,  
Yet they were not won  
In any one day.  
  
Many the enemies,  
Mighty the foe,  
Many a head  
Did I cleave in one blow.

Gallant and loyal,  
To my cause was I true,  
But there's many a day  
In my memory I rue.

Bloodshed and screams  
From the wounded I hear,  
And grief-stricken mothers  
Shedding sorrowful tears.

No more do I wander  
With knight brave and true,  
I lie in still peace,  
Neath the rippling blue.

The American Association of University Women sponsored a high school girls' group this year with monthly meetings to discuss girls' problems and interests. Miss Helen Montgomery was chairman. Beta Sigma Phi and the Business and Professional Women's club assisted in providing speakers.

Most popular piece of equipment added to the home economics department this year was a buttonhole attachment for a sewing machine. Hundreds of machine-finished buttonholes went into dresses made by the girls this spring.

of school. Boys have worked improving the campuses of the ward schools and high school. They have set out trees, shrubs, and grass. Level off the high school grounds. 300 loads of dirt were hauled in. An average of 20 boys have worked on this project monthly, receiving \$14.40 for 60 hours work.

In the other project wages and hours are the same. Eight girls and one boy between the ages of 18 and 25 have been employed in preparing and serving free lunches in the school cafeteria.

The government surplus commodities which take care of approximately 25 per cent of the cost of free lunches for more than 150 ward school children daily. The remainder of the cost is dependent upon donations. This project was begun in February and is expected to be continued next year.

Two types of adult assistance in the schools have been made possible through the W. P. A. Matrons have been assigned to care for the girls' rest rooms in all of the ward schools, the Junior and Senior High schools, and the locker and shower rooms in the gymnasium.

Library assistants have been assigned to each school to repair books, catalogues new books, etc. The high school library will remain open during the summer school under the supervision of one of these women.

Besides giving jobs to all these persons with the schools reaping the benefit of their work, the W. P. A. has allowed Pampa a grant of approximately \$52,000 for labor and material for the new high school under construction. This is providing employment for quite a number of unskilled laborers. The government allows \$6 worth of materials for each "man-month" of labor.

Also the schools have received the same benefits as citizens of Pampa in paving and sidewalk projects. Paving and sidewalks have been laid at three of the ward schools, Baker, Sam Houston, and Horace Mann.

## To The Seniors

I hope that the members of the Class of 1940 will leave this school ready to face life with sincerity, resourcefulness, courage, and determination. The late Calvin Coolidge said: "Nothing in the world can take the place of persistence. Talent will not; for nothing is so common as unsuccess at men with talent. Genius will not; for unrewarded genius is almost a proverb. Education will not take the place of persistence for the world is full of educated derelicts. Persistence and determination alone are all-powerful." If you make up your mind to achieve something and go after it with hard work and perseverance you will find you are getting ahead almost before you know it. You have my best wishes for a future filled with happiness and success.

L. L. SONE

Each year when asked to write a few words for the senior edition of the Little Harvesters I unconsciously review in my own mind the four-year history of the senior class. Two questions invariably present themselves. First, in what respect have we as faculty members succeeded in helping members of the senior class? Second, in what respects have we failed the students? No doubt we as faculty members have failed the students in many instances. We will feel however that we have earned our keep if we have helped the members of the senior class, in some small degree, to develop certain ideas which will make you into happy and useful citizens. If during the past four years you have developed the ability to assume responsibility, a willingness to cooperate with each other, and a character which will lead people to give you responsibility, then my work has been successful.

D. F. OSBORNE

## Freshmen Number 104

By BETTY JEAN CARLSON  
For the first time in several years Pampa Senior High had a freshman class this year, 104 in number. Officers elected by the group were Leslie Burge, president; Norma Lux, vice-president; and Beatrice Stotts, secretary. Miss Loraine Bruce was head sponsor, assisted by J. L. Lester, and during the first semester, Miss Opal McKay.

The class had two social affairs, a theater party during the first semester and a picnic last week.

## 300 Attend Junior-Senior Banquet; 'In An Old Dutch Garden' Theme

By JEANETTE NICHOLS

P. H. S. steps out! Yes, 300 seniors and seniors stepped out in Dutch fashion (not literally) last night at the Junior-Senior banquet got under way with Ken Bennett's orchestra providing the music for the evening. As they came into the gymnasium at the east entrance their names, which were written on Dutch shoes, were pinned on them. These supplemented for place cards. The theme was "In an Old Dutch Garden." They found seats and waited for the program to begin.

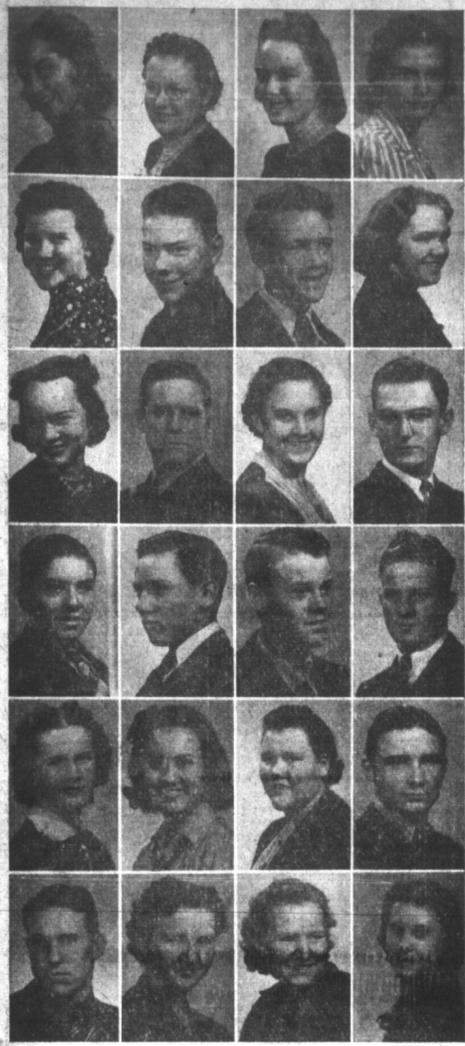

On the south side of the gymnasium was fixed the stage. On each side of the stage were windmills with revolving lights on each blade of the propeller. In front of the stage was a tulip bed. The room was decorated in dike-like manner with tulip beds along the walls which were strung with blue and red crepe paper.

The programs were little Dutch girls, whose aprons could be lifted revealing the programs printed in Dutch brogue. Mynheer Ross Buzard was toastmaster. President van de Yuyertze gave De Velcom and De Lettie Ray Poyles made De Responce (get it?).

After De Responce, they settled down to eating Vruit Chulce Kocktaal, Frizzeil Zelery, Rosos von Radishes, Binapple Zalad, Chikkeen vit Kreem, Nieu Bataator, Sting Vax Peens, Hod Rooiz, Willem Van Orange Sberpert, Queen Wilmelmina Kaak, and Nuts Awl Kanfused.

First number on the program was "De Dutch Kwarrell" given by Anne Sidwell and Phyllis Shag. "En un Leetle Dutch Kindergarten" was sung by Vrauklein Wiladean Ellis. Following this came "Dutch Klog" and "Du Froelchon Vrauklein" by Bupils van Kathryn Vincent Steele.

cleared away and dancing continued until 11 o'clock. The waitresses were girls from the home economics classes who were dressed in blue and white Dutch costumes. They were Jeanne Cox, Nads Beth Rabun, Ruby Faye Johnson, Sarah Bjrd, Wanda Baker, Margie Sutton, Betty Jean Myers, Kathleen Palmer, Christine Smart, Phyllis Davis, Elaine Dawson, Mary Alice Elbert, La Verne Covington, Loretta McArthur, and Billie Jean Buck.

## Government Aid To Pampa Schools Varied And Extensive

By BETTY JEAN CARLSON  
Fed persons realize how varied and how extensive has been the aid received by the Pampa schools from the federal government during the past year—from free lunches to ground improvements, library assistants, employment for many stu-

dent, and a grant for labor and material for the new building—mention only a few things. On the average 20 boys and girls between the ages of 18 and 19 from Junior and Senior High school have been employed monthly through N. Y. A. For 24 hours of work they have received \$6 per month, enough to assure some of them of necessary clothing and supplies to use in school. Types of work done by these students includes assisting in the book-room and library and in the chemistry, physics, and home economics laboratories; helping teachers check papers; typing letters and cutting stencils; assisting with janitorial work. In addition the schools have benefited greatly from two other N. Y. A. projects for older youths from 18 to 25 years of age who are out-

# Boxing Newly Organized Sport In P.H.S.

## Five Harvesters Win Championship Titles In League

By BOBBY DAN LANE

Boxing was conducted as an organized sport in Pampa Senior High school for the first time this year with Pampa's entry into the newly formed Panhandle Plains Boxing league. The Harvester team, coached by Oscar Hinger and captained by Roy Ray, ended the season as champions of the league.

The Harvesters made a clean sweep of all the north division tournaments in the Panhandle Plains School Boxing league, and placed five boxers as champions to pace the north division to its win over the south division in the tournament of champions. The team also won two dual meets with neighboring teams, lost three, and tied one.

Harvester boxers fought 148 bouts during the season, winning 86 and losing 62. Dual meets were lost to LeFors and Stinnett. The Harvesters beat McLean and Stinnett in dual meets and tied McLean in another.

The Stinnett, Pampa, and Canadian tournaments in the north division in the boxing league were all won by the Harvesters. Seven Pampa boxers won in two or more of these tournaments and represented the north division in their weights against the south division in the tournament of champions.

**Tournament of Champions**  
Johnny Campbell, 75 pounds; Bill Gise, 95; Richard Stephens, 105; L. V. McDonald, 125; Roy Ray, 135; Kenneth Mullings, 165; and James Carlisle, heavyweight, participated in the tournament of champions. Gise and Carlisle won three division tournaments, while the rest won two each. Aubrey Green and W. C. Pendleton each won in one division tournament. Green was out during considerable of the season because of a broken hand sustained in a bout.

Campbell, Stephens, McDonald, Ray, and Carlisle won their fights in the tournament of champions and were presented with crimson and silver satin jackets by the league. Mullings and Gise received league trophies as runner-ups in the tournament.

Following is a summary of the bouts won and lost by Harvesters participating in the tournament of champions:

Stevens won nine and lost one; Carlisle won four and lost none; McDonald won nine and lost two; Campbell won nine and lost three; Gise won seven and lost two; Mullings won two and lost two; Ray, captain of the team, won eight and lost two and led the team in knockouts with five kayos.

Boxers who lettered on the school team are Roy Ray, Douglas Loveless, Charles Brethauer, Red Brett-hauer, Harold Mitchell, Irvin Molesworth, Everette Sparks, Richard Stephens, Johnny Campbell, W. C. Pendleton, Bill Gise, Murry McPherson, L. V. McDonald, Aubrey Green, Wendell Stanley, Kenneth Mullings, and James Carlisle.

## Track Team Fails To Retain District Championship

By BOBBY DAN LANE

Due to unfavorable weather conditions, the 1940 track and field team had little time for practice before the district meet. Consequently they failed to repeat as district champions, and qualified only two members to go to regional at Canyon. Shamrock won first in the district meet, while Pampa ranked sixth. The Harvesters won only three places for a total of four points. Pat Flanagan made three of those points with a third in shot put and a fourth in the discus throw. Leon Qualls won fourth in the 120-yard high hurdles for the other point.

Most of this year's team, however, will be eligible next year, and Coach Mitchell expects to have an excellent team in 1941. Following are the track and field men who made up the Harvester team that participated in the district meet here: Leon Qualls, Pat Flanagan, Jack Lane, Bill Arthur, Andy Smith, L. J. Halter, Basil Arnold, Wayne Pade, Thomas Dewey, Bill Abernathy, Ed Terrell, Aubrey Green, Leroy Giles, A. C. Eakle, Bill Stockstill, W. C. Epperson, W. C. Pendleton, Wayne Otis, and Don Meador.

## Varried Sports Program Offered To Girls Of P. H. S.

By GEORGIE REEVE

Major sports played by girls of P. H. S. this year under the direction of Miss Evelyn Gregory, girls' physical education instructor, were basketball, volleyball, playground ball, and tennis.

Other sports introduced into the physical education classes included tumbling, archery, shuffleboard, aerial darts, ping pong, and folk dancing.

Next year's program, says Miss Gregory, will be even more varied, with more intramural tournaments, more games for after school and adult life, more games which will develop skill and better play and fewer team games. Regular gym suits will be required next year.

In addition to sponsoring an active sports program, the girls' physical education department has been especially concerned about health. All students were given free dental examinations and many students have had defects corrected during the year. Two checks were made on posture, weight, height, eyes, and ears. Many girls have shown improvements in posture and in keep-

## THEY REALLY WERE TOUGH

## Health, Recreation Stressed In Boys' Physical Education

By BOBBIE DAN LANE

This year saw the introduction of an entirely new and well organized program in the boys' department of physical education in Pampa Senior High school under the direction of Oscar Hinger, who also is coach of boxing and Gorilla football.

The program was devised primarily to cope with the vital problems of health and to provide interesting activities which lead to health. This year every boy in Pampa High school, in fact every student, had the advantage of a free dental inspection and was encouraged to correct any defects found. Also through the physical education classes extreme eye weaknesses were detected and students encouraged to have them corrected.

According to Mr. Hinger, this is only a starting point, for Pampa High hopes in time to have a competent physician to examine each student for a thorough physical check-up in order that defects can be detected and corrected before they lead to more serious conditions.

Activities participated in were such as to provide interest and at the same time instruct the boys in cooperative play and sportsmanship. Also games that the boy will value after school days or during summer as recreation were stressed by Mr. Hinger, who says that the list of activities is by no means exhausted and will be doubled during the ensuing school year.

Games for Fun  
Games played in the physical education classes during the past school year include softball, touch football, speed ball, hand ball, basketball, boxing, aerial tennis, volleyball, paddle tennis, archery, and ping pong. Intramural tournaments in softball, hand ball, basketball, volleyball, and aerial tennis created high interest among the classes in these sports.

Commenting on this year's program and the department's plans for next year, Mr. Hinger said: "We hope to expand our program until every student in school will be anxious to take part."

ing their weight normal. As a result of the eye examinations, several girls have been fitted for glasses. When the new building is completed, facilities for girls' physical education will be greatly improved and a much more comprehensive program can be undertaken.

## TENNIS CHAMP

## Hugh Stennis Goes To State Meet In Tennis Singles

By BOBBY DAN LANE

Pampa High school's boys' tennis team, coached by B. G. Gordon, participated in three dual meets this year, failing to win any of them. However, the team produced a singles player in Hugh Stennis who won his way to the quarter-finals in the state meet at Austin.

Dual meets were held with Amarillo and Cordell, Oklahoma. In these meets, the doubles teams failed to win a match. However, in the Cordell meet, Durward Mitchell won his singles match, and in one of the Amarillo matches, Hugh won in singles. This was the extent of the Pampa team's winnings until the district meet.

Durward Mitchell and Cletus Mitchell represented Pampa in tennis doubles in the district meet. However, they failed to survive through the finals. In the singles department, Hugh won his way through both the district and the regional meets to enter the state meet at Austin for the second consecutive year. At Austin, Hugh lost out in the quarter-finals.

Following are the members of the tennis team who lettered: Hugh Stennis, Durward Mitchell, Cletus Mitchell, Ray Redman, Wayne Roby, and Clinton Stone.

## Volley Ball Girls Win Nine And Lose Five Games

By GEORGIE REEVE

Fourteen matches were played by Pampa Senior High's girls' volleyball team under the supervision of Miss Evelyn Gregory this season. Nine of these were won, and five were lost. First two matches of the season were lost to Groom, the first one being played here and the other there.

At Amarillo Pampa's girls won over the Amarillo girls. Another game was won by the girls when they played LeFors at LeFors.

Borger won over Pampa when they played the team there March 12. Six games were won in rapid succession by the Pampa team when they played White Deer at White Deer March 15, Borger at Pampa March 19, White Deer at Pampa March 27, the tournament at Miami March 29, and LeFors at Pampa April 2.

When the girls played their next game with Groom at Groom April 4, they lost. They lost another one following this one at Borger April 9. Ending a successful season, the girls won over Borger when they played here April 10.

Girls who received sweaters for volleyball are Peggy Wilkinson, captain, Virginia Foe, Evadean Bennett, Virginia Mae Prestidge, Marcene Berry, Martha Orr, and Geneva Binion. Letters went to Alma Joy Franks, Melba Savage, Elizabeth Fleming, Lois Castika, Edna Mae Cade, and Maxine Messer.

## Sophomore Cagers Win League Title

By PAT FLANIGAN

Undeafed during the season, Pampa's Sophomore basketball team, coached by Oscar Hinger, won the championship of the Panhandle Junior High School Basketball league. They made a total of 252 points to their opponents' 129.

Sophomores in the main made up the Gorilla basketball team, which included also boys above sophomore rank not on the Harvester squad and having another year of eligibil-

ity. In ten games the Gorillas made 229 points to their opponents' 203. Scores of two other games were not available. Chief rival of the Gorillas was the Harvester reserves, nicknamed the "Glamor Pants."

Teams played by the Gorillas, in addition to the "Glamor" Pants, were Allison, White Deer, Canadian, Price Memorial of Amarillo, Stin-

nett, Borger B team, Spearman, and Plennons. Members of the Gorilla and Sophomore squads were Billy Brady, L. J. Halter, Jack Morehead, Leslie, Eugene French, Pat Flanagan, Charles Clemmons, Wayne Otis, Bill Abernathy, Tom Johnston, and Calvin Shaw. Leslie Burge was captain of both teams.

## GAS Has Made Housekeeping Easy For FUTURE HOMEMAKERS

The training which most of you girl graduates have received in school will make you skillful, appreciative users of our modern gas service. You will find that with modern, automatic gas appliances doing the 4 BIG jobs . . . cooking, water heating . . . refrigeration and house-heating, kitchen work will be almost effortless.

You graduates who will become heads of families will find that because of the extremely low rate in Pampa, gas will be your least expensive household servant.

We look forward with pleasure to the day when you will be added to our list of customers.

# Harvester Football Team Breaks Even

## Five Wins, Five Losses Record For 1939 Season

By **BOBBY DAN LANE**  
 Winning five and losing five games, the Harvester football team captained by Glenn Nichols and Grover Heiskell, broke even in the 1939 season. In conference play the Harvesters won two and lost two games. They defeated three out of state teams and lost to two.

In the opening game of the season the Vernon Lions defeated the Harvesters 13 to 7. Ed Terrell, first string center, received a broken bone in the knee in this game and was out for most of the season.

Longest road trip of the year was made to Casper, Wyoming, where the Harvesters were beaten 18 to 6. Heiskell made a 32-yard run to the Casper three-yard line, and James Carlisle plunged the ball over.

**Terrell, Carlisle Injured**  
 In the first home game of the season the Pampa team defeated the Central High Cardinals of Oklahoma City 7 to 6. The visitors had the ball on the Pampa one-yard line as the game ended.

Against Olney Carlisle was put out for the rest of the season when he injured his foot. Although the Harvesters showed improvement, they lost 7 to 6. The loss of Carlisle was harder on the team than the loss of the game.

In the first conference game of the season the Harvesters defeated Plainview 16 to 6. Pete Dunaway led the Harvester attack in this game. Over 200 fans followed the team on a special train, and the band and pep squad were there in full force.

**Two Special Trains**  
 Driving the Van Buren, Arkansas, team all over the field, the Harvesters won 36 to 6. A 50-piece band followed the Van Buren team and entertained the fans with their swing music and jitterbugging.

Lubbock beat the Harvesters 6 to 0 to put the first blemish on the Pampa conference record. In this game the Harvesters made their gains through the air, as they were unable to penetrate the mighty Westerner line. Dunaway's field kicking helped keep the Lubbock score from being larger. A special train carried about 500 fans, including the band and pep squad, to Lubbock.

Hobbs, New Mexico, was the third out of state victim of the Harvesters. The Pampa team scored in every period and almost at will while the first string was in the game to win 42 to 12. Both of the Hobbs touchdowns came on long runs.

**Sandies Win**  
 Leading 6 to 0 at the half on Dunaway's two field goals, the Harvesters were overcome in the second half of the Amarillo game and were defeated 14 to 6. The Sandies blocked a kick in the middle of the third quarter and were in command for the rest of the game.

In the closing game of the season the Harvesters defeated Borger 21 to 0. Pete Dunaway scored two of the touchdowns on runs of 62 and 15 yards, and Grover Heiskell made the other on a 47-yard run through the Bulldog line.

**Lettermen**  
 Harvesters who lettered are Grover Heiskell, Glenn Nichols, Ed Terrell, Pete Dunaway, A. C. Enloe, Warner Phillips, Roland Phillips, Bobby Dan Lane, John Thompson, Seth Cox, Herbert Maynard, Wayne Giddens, Leroy Giles, Ralph Burnett, Irvin Molesworth, Lindsey Boyd, Wayne Fade, James Carlisle, Aubrey Green, Kenneth Mullings, Carroll Montgomery, Bob Clemmons, Soren Jensen, Jearl Nichols.

## 1939 HARVESTER FOOTBALL TEAM

## 1940 Football Prospects End Thirty-Day Training Period

### Gorilla Football Team Wins Five Out Of Eight

By **BOBBY DAN LANE**  
 Five wins out of eight games played is the record set by Coach Oscar Hinger's Gorillas for the 1939 football season. These five wins were straight, the last five played. This is the best record made by the team in recent years. In 1937 the Gorillas won four of seven games, and last year they won only one game during the entire season.

Opening the season against the Stinnett Rattlers, the Gorillas showed little promise by losing to the light Stinnett team 6-0. The next two Gorilla starts were also marked by defeat. A much heavier Canadian team swamped them 45-6 in a game in which the Gorillas folded up completely. In their next game a decisive defeat by Kellon brought the Gorilla record to three losses in three starts.

**Travelers to Raton, New Mexico,** for the longest trip a Gorilla team has ever made, the team at last broke into the win column by taking a close 6-0 game from the Raton sophis in the closing minutes of play. However in a return game played here next week, the Gorillas took a more decisive win over the Raton boys by a score of 19-7. These wins started the Gorillas on a string of victories that ran to the close of the season. These games also brought to the front several outstanding players that were to spark the following Gorillas games.

**Players Show Improvement**  
 After these wins the Gorillas gained power steadily and took their next two games easily. Perryton fell before them 32-0, and Shamrock was powerless in a game the Gorillas took 33-6. Both games showed improvement in the players and the team as a whole. Probably the strongest competition of their last five games was faced by the Gorillas in the final game of the year. Only by scoring after a blocked punt late in the fourth quarter did the Gorillas manage to defeat the strong class A Lakeview team 6-0.

**Players Who Lettered**  
 Gorillas who lettered are Leslie Burge, captain; Charles Beach and Clinton Stone, managers; Bob Bray, Arthur Moyer, Eddie Riley, Billy Abernathy, Tox Cox, Joe Bob Zimmerman, Earl Snyder, M. D. Simms.

## 1940 Football Prospects End Thirty-Day Training Period

### FOOTBALL QUEEN

By **BOBBY DAN LANE**  
 With the completion of the 30-day spring training period for football last Tuesday, 30 prospects for the 1940 Harvester squad were still out. Seven of the prospects are back from the 1939 Harvesters, four are up from the Junior High Reapers while most of the others had some experience with the Gorillas.

The 1940 Harvester squad will be made up in the main from these prospects. Although under interscholastic league rules they were allowed only 30 days for spring training, Coach Olaus Mitchell and J. C. Prejean have already selected a tentative starting line-up. Players who have shown up as first string prospects are Wayne Otis and Jearl Nichols, ends; Ralph Burnett and Roland Phillips, tackles; Wayne Fade and John Thompson, guards; Leslie Burge, center; Grover Heiskell and Bill Arthur, halves; Andy Smith quarterback; and W. C. Pendleton, fullback.

However, the above line-up is by no means settled. In the backfield, A. C. Enloe, Ralph Proper, W. C. Epperson, and Frank Daugherty are making the starters' race to keep their positions. Ed Louvier and John Chesher are also making several starters in the line keep working hard.

Other players out for the Harvester squad are Herndon Sloan, Richard Bynum, Earl Snyder, Basil Arnold, Eddie Riley, M. D. Sims, Tom Cox, Billy Brady, linemen; Roy Mann, Tom Johnston, R. L. Edmondson, Don Meador, and Leonard Hollis, backfield men. Ed Terrell and Billy Stockstill failed to finish the season due to injuries but will undoubtedly be back in the fall.

The 1940 Harvester schedule as released by Coach Mitchell recently is as follows:  
 Sept. 20—Childress, here.  
 Sept. 27—Vernon, here.  
 Oct. 4—Olney, here.  
 Oct. 11—Bowie of El Paso, there.  
 Oct. 18—Paso High, here.  
 Oct. 25—Plainview, here.  
 Nov. 2—Lubbock, here.  
 Nov. 11—Borger, there.  
 Nov. 21—North East High of Oklahoma City, here.  
 Nov. 28—Amarillo, here.

The schedule includes seven home games and only three away from home, with the Amarillo game falling on Thanksgiving.

Floyd Allen, Tom Johnston, R. L. Edmondson, Bill Brady, Douglas Loveless, Pat Flanigan, J. J. Halter, Frank Daugherty, Bob Louvier, and Andrew Smith. Three other boys will receive sweaters if they pass their work this semester.

## Harvesters Play In Cage Finals At Regional Meet

By **BOBBY DAN LANE**  
 Although the Harvester basketball team fell a game short of winning the regional interscholastic league tournament and entering the state finals, the team left an excellent record behind it, losing only 7 of the 36 games played.

Belton Bearden led the scoring for the season with an average of seven points per game. Pete Dunaway followed with a six-point average. Ed Terrell, Seth Cox, and James Carlisle ranked third, fourth, and fifth in scoring.

As a team, the Harvesters scored 1,087 points to their opponents' 771. Bearden ran up the largest individual score for a single game by scoring 21 points against Childress.

The Harvesters took their own invitation tournament, the Shamrock tournament, the district interscholastic league tournament, and the Big Five championship. In every tournament they entered, the Harvesters placed two men on the all-tournament team. Dunaway was named on the all-tourney team in every tournament the Harvesters entered, and Bearden was placed on all but the district tourney team, Terrell placing on it.

Harvester cagers lost games to Crowell, White Deer, Canyon, Lubbock, Turkey, and the House of David.

Following are the 12 Harvesters who lettered on the 1940 basketball squad: Ed Terrell, Pete Dunaway, Seth Cox, James Carlisle, and Belton Bearden, first-string Harvesters; and A. C. Enloe, Bill Mounts, Junior Frasher, Thomas Dewey, Durward Mitchell, Tox Cox, and Cletus Mitchell, reserves, nicknamed this year the "Glamor Pants."

All of the "Glamor Pants" will be back next year. Only Ed Terrell will be back from the regulars.

**Four P. H. S. Golfers Receive Awards**  
 By **PAT FLANIGAN**  
 During the 1940 season, Pampa High's golf team played three matches with Amarillo, only one nearby town having a school golf team. They won one, lost one, and tied the other. They were scheduled to meet the Lubbock team yesterday.

Golf is not a regularly organized interscholastic league sport, throughout the state but is included as a part of the district and regional meets in this section. Without any competition, the Pampa team, composed of four players, took all four places in the district, their respective order being Roy Ray, Warner Phillips, Roland Phillips, and Joe

## HARVESTER BASKETBALL TEAM

Blackwood. In the regional meet the Pampa boys placed third. Captain Roy Ray and the other

three members of his team received golf awards. B. R. Nuchols is sponsor of golf.

## A Message To The Graduates

CONGRATULATIONS TO THE CLASS OF 1940

May you all continue on toward the coveted goal of happiness and success. To those of you who will embrace a college career, our admonition is to take full advantage of your privilege—learn with a purpose. To the many who plan to enter into business, industry and agriculture, we recommend initiative, alertness—and above all, WORK HARD! To all, we remind that a savings account will help to achieve your goal—no matter what it may be!

# First National Bank

IN PAMPA

CAPITAL ACCOUNT OVER \$300,000 MEMBER F. D. I. C.

# New Building To Be Ready Feb. 1

## Designed For Convenience And Safety Of Pupils

### Located South Of Harvester Park

By JOE CARGILE  
 Located on 35 acres of ground south of Harvester park and facing south, Pampa's new \$250,000 high school building will have its main entrance at the end of Mary Ellen street and its southern entrance in the east wing at the end of Christine street.

Under terms of the \$52,000 grant received from the Works Projects Administration, the building is being constructed on a cost-plus basis. Bonds voted in 1938 and sold at a profit will provide \$193,000 of the construction cost.

Construction of the new building, under the supervision of O. L. Boyington, local contractor who built the high school auditorium and the Sam Houston and Woodrow Wilson schools, is progressing rapidly, and Mr. Boyington estimates that if normal weather conditions prevail, the building will be ready for occupancy by February 1, 1941.

**Safety Features**  
 Constructed of concrete and light brick, the building will be semi-fireproof, will be 512 feet long and 66 feet wide, exclusive of the gymnasium at the rear, which will extend 127 feet north. The architectural style of the building will be along plain modernistic lines, and a whole side will be of solid glass. Floors will be of concrete finished in the tile on steel joists, according to Roy McMillen, business manager of the Pampa Independent School district.

Three stairways and halls 12 feet wide should eliminate the present crowded conditions of the high school. Lockers will be provided in the halls but will be set in the walls. About 900 lockers will be installed.

**Ample Light**  
 All classrooms and laboratories will have one outside exposure practically all glass to provide ample light; the library and study halls will have two.

In addition to the construction cost, at least \$25,000 will be required to furnish the building. All equipment will be modern. Among the furnishings being considered are movable chair desks instead of the old-fashioned stationary desks; white "blackboards" instead of the traditional black; bulletin boards for all rooms; and the latest laboratory and office equipment. Colored chalk would be used on the white "blackboards," which have the advantage of reflecting more light, thereby making the room lighter than the black ones do. All rooms will have to meet the state requirements as far as lighting is concerned, said Supt. L. L. Sone.

**Band Room**  
 West of the main entrance, on the first floor, will be the auditorium with a seating capacity of 1,000. In the extreme west wing will be the half-circle band room, which will be 50 feet wide and have three different levels. Offices of the principal, assistant principal, and registrar, the foods and clothing laboratories; 11 classrooms; boys' and girls' rest-rooms, and the lady teachers' lounge will be located on the first floor.

"The administrative set-up is well located and can be made much more efficient than it is now," said Mr. Sone.

On the second floor will be the speech arts room with stage; five laboratories for typing, bookkeeping, chemistry, physics, and biology; the art room; 11 classrooms; and the men teachers' lounge. Just off the teachers' lounge on both floors will be small glassed-in porches with southeast exposures.

Girls' lounges will be located on the east end of the first floor and

### Basketball Queen

Unanimously elected by the team, June Marie Amick was crowned Harvester basketball queen. A junior, she was chosen because of her friendliness with the team mem-

bers, her backing of the team, and her personal appearance. June is 5 feet, 2 inches tall, has naturally curly auburn hair, and greenish hazel eyes.

High school and will make from 750 to 800 students who will move out to the new school building where all facilities will be better.

"A plan for transportation from the central campus to the new school building has been worked out and can be used by those students who wish it," he said.

**Debate Teams Active; Girls Go To State Meet**  
 By PEGGY WILLIAMSON  
 Possibly the most active of Pampa's interscholastic league groups were the debate teams. During the year, two boys' teams and a girls' team debated numerous other teams on the question. Resolved: That Texas should adopt a system of complete medical service available to all citizens at public expense.

The Pampa boys' team, Neil McCullough and Jack Morehead, placed second in the district meet, while the girls' team, Peggy Williamson and Helen Dudley, won district by defeating Higgins, Groover, and Moelette, and progressed to the regional meet at Canyon, where they defeated Chillicothe and Lubbock to take the regional championship. They went to the state meet at Austin, but were defeated in the preliminaries.

Two trips were made to Abilene, one to the speech clinic, January 30, and the other on March 2, to a tournament. The Pampa teams went to Berger on March 7, while Berger came here for two practice meets during March. The teams debated before two men's clubs, the Pampa Rotary club on February 28, and Peggy Williamson and Helen

Dudley debated before the Amarillo Kiwanis club, March 26. On March 16, the teams, together with other speech contestants, entered the annual Lubbock high school tournament.

On April 13, the teams debated in the district meet; on April 20, Peggy Williamson and Helen Dudley debated in the regional meet at Canyon, and ended their debates for this year by attending the state meet at Austin on May 3.

O. P. Shewmaker coached the debate teams and during the second semester taught a debate class com-

posed of Lindsey Boyd, Soren Jensen, Neil McCullough, Jack Morehead, Peggy Williamson, Helen Dudley, and Koma Jo Johnson. All members of the class debated before the public at least once during the semester.

The three youngest members of the graduating class are Donna Day, Evelyn Morehead, and Peggy Williamson, all of whom are 15. None of them will be 16 before the latter part of July, and there is less than a month's differences in their ages.

## Five Favorites Selected By Students Of P.H.S.

By JOE CARGILE  
 In popular elections conducted by the annual Anna Belle Lard was named all-school favorite, and Grover Heiskell, Ross Buzzard, Kathleen Palmer, and Leslie Borge were chosen as favorites of the senior, junior, sophomore, and freshman classes, respectively. Full page pictures of all five favorites appear in the annual.

Anna Belle Lard  
 Anna Belle was elected over four other seniors who were nominated for all-school favorite. She is the 16-year-old daughter of Mr. and Mrs. Claude Lard, and has attended school in Pampa ever since she started in the first grade. She has been a member of the annual staff for three years, was co-editor last year and this year, has served on the Little Harvester staff, played in the band for three years, and sung in the A Cappella choir for two years. She is a member of the National Honor society and Quill and Scroll, and is area president of the Future Homemakers club. As the result of her election, she was chosen to represent Pampa as an Irish colleen at the annual St. Patrick's day celebration.

Grover Heiskell  
 Grover Heiskell, the seniors' choice, is one of the best athletes in school. During his sophomore year he was captain of the Gorilla football team. He has played two years on the Harvester football team. He was co-captain of the Harvester football team this year and has been re-elected co-captain for next year. He also has played basketball for two years and been a member of the track team. Grover has been one of the leading contributors in every popularity contest

## 50 Students Out For Mixed Chorus

By GENEVA NICHOLS  
 Training ground for Pampa High's widely-acclaimed A Cappella choir is the mixed chorus, also directed by Miss Helen Martin.

The first semester the group was only a girls' glee club, but was turned into a mixed chorus at the beginning of the second semester.

One of the outstanding assembly programs of the year was put on by the girls' glee club. It consisted entirely of songs about girls, and girls costumed in keeping with the songs were spotlighted for solo numbers or while the chorus sang in the background.

The mixed chorus took part in the Junior and Senior High band concert, and in the all-school music concert.

Members of the chorus for one or both semesters include: Lela Pearl Baldwin, Evelyn Barnes, Lois Benton, Vera Lee von Brunow, Billie Jean Buck, Lois Castka, Edna Cery, Edna Densmore, Jannie Jean Dodd, Zonelle Eising, Fay Fitzmaurice, Frankie Foster, Katherine Grant, Faye Kitchens, Jewell McGregor, Betty Jean Myers, Marquette Payne, Willetta Stark, Wanda Baker.

Edwin Vollmert, Floyd Allen, William Bronson, Jacqueline Kinsey, Betty Lou Batten, Geraldine Carter, Helen Durham, Peggy Kenoyer, Virgie Miller, Elsie Pearl Smith, Naomi Snyder, Doris Taylor, Vickie Tejada, Naomi Van Hiss, Virginia Lee West, Carol Winget, M. D. Sims, Harold Henson, Carl Ragan, Charles Clemmons, Emmett Jenkins, Hershel King, Wayne Otis, Calvin Shaw, Earl Snyder, Marshall White, Elmer D. Young, Gertrude Ingram, Clara Mae Lemm, Sibyl Richards, and Mildred Calloway.

**GRADUATES OF 1940**  
 We Extend to You CONGRATULATIONS AND BEST WISHES

This organization feels that in recognizing your achievements it is saluting the future of tomorrow.

1940... today, planning, analyzing and hard work brings greater success. We are aware of your achievements, realizing the effort and faith you have proven... to become a better man or woman.

Our entire staff extends heartfelt congratulations and best wishes for your future years.

After graduation if you plan for a vacation, travel, or immediate business and an automobile is needed, we invite you to personally come and see us and let us help you with your individual need. "You Get a Better Used Car From a Buick Dealer."
