Mrs. Bengé Gives Review Of Book For BSP Sorority

Miss Dorothy Jo Taylor, Miss Lois Hinton, and Miss Margaret Stockstill were hostesses at a project meeting of Upsilon chapter of Beta Sigma Phi sorority Monday night in the city club rooms when a review of Lorraine Carr's "Mother of the Smiths" was given by Mrs. W. L. Bengé for members and their guests.

The philosophy stressed throughout the book, which is a character study of a pioneer mother, Sade Smith, is that by working hard enough any goal may be reached or almost anything desired may be obtained.

Beginning with the building of the Smith home in Toas, Mrs. Bengé related the problems of the energetic Sade Smith in providing for her six sons and her husband who never had enough energy to stand up to his full height.

Attractive arrangements of chrysanthemums decorated the rooms where refreshments of spiced tea, cake, and nuts were served to the following members and guests:

Mmes. Bob Thompson, R. E. Johnson, Arthur Corse, Fred Thompson, C. A. Vaughn, Roy Osborn, R. W. Curry, R. C. Peeler, Chester Strickland, Kermit Lawson, Bob McCoy, W. L. Davis, R. W. Lane, E. W. Cobe, Charles Thut, R. B. Saxe, J. B. Massa, E. E. Sheilhamer, Jack Stroud, Oscar Klingler, Terry Burns, John Adams, Alvin Bell, Raymond Harrah, Frank Elliott.

Misses Johnnie Hodge, Margaret Stockstill, Dorothy Jo Taylor, Johnnie Davis, Ernestine Francis, Evelyn Gregory, Cleora Stannard, Erma Ludden, Evelyn Bryson, Louise Smith, Doris Hillis, Helen Houston, Burton Tolbert, Lois Hinton, and Jewell Meeks.

A silver offering was given and proceeds will be used in buying lunches for underprivileged children in the ward schools.

700 Visitors Will Attend Methodist Conference Here

Pampa will be the meeting place for an estimated 700 ministers and delegates to the 31st annual session of the Northwest Texas Methodist conference which will begin on November 15. Dr. Ivan Lee Holt of Dallas will preside at the sessions.

On Tuesday, November 19, closing day of the convention, the bishop will assign 220 pastors to charges for the ensuing year.

The conference is expected to begin at 3 o'clock on the afternoon of November 15 with the administration of the Sacrament of the Lord's Supper to more than 700 persons. Dr. W. M. Pearce, host pastor, First Church, announces practically all evangelical church pulpits in Pampa will be occupied Sunday, Nov. 17, by visiting Methodist ministers. Dr. Holt will preach at the morning hour at First Church. In the evening the class of deacons and elders will be ordained. Also Sunday afternoon there will be a mammoth rally of the young people of the conference who will be addressed by J. W. Gamble, Lubbock, president of the Northwest Texas Conference of Young People, and Dr. J. O. Haynes, pastor of First Church, El Paso. Some time during the conference a large group of children from the Methodist Home at Waco will give a program to commemorate the founding of the institution 50 years ago. It was at Abilene when the Northwest Texas Conference set machinery in motion for its establishment.

Reports Are Due
The nine presiding superintendents will give reports of the pastoral charges. Characters of all pastors will be passed. Laymen will meet in groups to plan for the 1941 program.

Pampa laid entertained the conference Nov. 13, 1929, when Bishop John M. Moore, retired, presided. The weather was extremely cold and travel difficult. Dr. Tom W. Bradburn, host pastor at Roswell, N. M., was host pastor. The conference then did not have nearly so many ministers and lay delegates as in 1940.

The Northwest Texas Conference has grown rapidly. It now has nine districts, over each of which presides a district superintendent. Pastoral charges with 417 church organizations. At last session the conference had 73,777 members, 3,364 having been received that year on profession of faith, 573 infants and 2,413 adults were baptized. Sunday schools numbered 335 with 4,784 officers and teachers and 32,477 pupils enrolled, an increase of 1,418 over the preceding year. Of these pupils 2,877 united with the church.

In the conference are 266 Women's Societies of Christian Service, with 7,739 members. There is one higher school of education—McMurry College, Abilene—valued at \$463,920, endowment of \$55,280, indebtedness of \$28,449, and 630 students.

The conference raised last year a total of \$336,000 for all purposes. It had 225 houses of worship valued at \$2,855,887, with indebtedness of \$281,493; eight district parsonages, valued at \$69,000, indebtedness \$21,100; and 207 pastors' parsonages, valued at \$599,100, indebtedness of \$32,689.

Files for the Amarillo District, 1939, latest compiled, showed a total membership of 9,620, an increase of 214 over the preceding year; number of congregations, 35, number of church buildings 24, valued at \$825,500; 21 parsonages valued at \$113,000; 28 women's missionary societies with 977 members; 25 Sunday Schools with 6,469 pupils; pastors were paid a total of \$35,606, an apportionment of \$37,223; total raised in the district during the year, \$134,132.

Many To Attend
Dr. W. C. House is completing his second year as district superintendent. Other ministers from the district and their pastoral charge who will attend the Pampa conference are: Oscar Bruce, Adrian-Wildorado; O. M. Addison, Amarillo; Buchanan Street; Dr. C. C. Grimes, Polk Street, Amarillo; Jordan Grooms, assistant pastor, Polk Street; H. C. Smith, San Jacinto, Amarillo; Hubert Thompson, Amarillo, Tenth Avenue; J. N. Heister, Bovina-Oklahoma Lane; D. L. McCree, Canadian; S. A. Thomas, Canyon; J. F. Michael, Claude; Wallace Roseburg, Dimmitt; J. G. Walker, Dimmitt Circuit; L. L. Hill, Friona; L. H. Jones, Croston; R. B. Gilbreath, Happy; M. B. Norwood, Hereford; H. W. Barnett, Higgins; W. A. Hitchcock, Miami; Robert S. Watkins, Panhandle; R. S. Kendall, Vigo Park; H. B. Standlee, White Deer; J. E. Stephens, Y-L Circuit; M. D. King, Skellytown Community Church; B. J. Osborn, General Evangelist, Frank Neal.

The Northwest Texas Conference embraces the Panhandle-Plains area, also below the caprock such places as Midland, Stanton, Big Spring, Colorado, Abilene, Baird, Albany, Seymour, Vernon. The Panhandle of Oklahoma which was included in the conference last year has been placed in the West Oklahoma Conference under the reorganization following the uniting of the three branches of Methodism.

German Armaments Unaffected, Claims German Embassy
WASHINGTON, Nov. 5 (AP)—The German embassy made public today a report from the general staff of the German air corps asserting that an average of 50 British planes raided Germany daily in September and October but that they left the German armament industry "virtually unaffected."

The report was issued, it said, to offset reports in "certain neutral countries," which the Germans said "grossly exaggerated" the extent of damage done by R. A. F. raiders.

Summarizing the British air operations for the past two months, the report estimated that more than 50 per cent of the British bombs "fell on open fields," about 25 per cent on "residential districts" and that the remaining 15 to 20 per cent "fell on docks, traffic arteries, industrial, military and other vital points, leaving the German armament industry, however, virtually unaffected."

"The German synthetic oil industry is working without interruption and at full capacity," the report continued, "and not a single attack on German or German occupied airports has been effective, as is proven by the continuous German raids over the British Isles."

In his concluding address, delivered after midnight, he called for a Republican victory at the polls, saying "we must win." Referring to the campaign's close, he declared "this is not the end of our crusade. It is but the beginning."

idea of what's coming up. The people in the cast have fun but they do it in a different way, and we guarantee that you'll laugh at least 117 times, because we had one of our stouges count our merry ha ha's and we went over to the high school auditorium with a terrific headache. We lost the headache.

To give you an idea of how laugh-compelling some of the situations are, Flint Berlin, the supercilious sophisticate of Pampa high school sat by me. Said he at the beginning, "Well, I'm going to smell this through—you see my dad belongs to the Kiwanis club. But he was laughing right away, and he believes it has to be funny if you can make a sophisticated sophisticate laugh at it.

It wouldn't be fair to say that there are stars in the show, because there are songs and dances and acts you are going to like, but do you remember how Doc Jones stole the Lions minstrel? Well, he's going to be one of the stars in this revue. Dr. Jones plays the role of be-wigged Mendelsohn and Johnny Wells, the role of Bach. When they act ends, all the gowned and wigged classical composers are jitterbugging.

One of the highlights of the show will be the music, and all the songs are superbly orchestrated. In the orchestra are Bill Jesse, Margaret Burton, Norma Lee Lane, Winston Savage, Bobb Thomas, Jack Farnum, Jim Nevins, Mr. Erson, Chester Henry, Jack Greene, Finky Powell, Maxine Holt, Mrs. Foster Fletcher.

With the opening tomorrow night, the show will be repeated on Thursday night. Curtain time will be 8 o'clock each night. Proceeds from the show go to the Kiwanis club's underprivileged children's fund.

Banker McGarrath Dies
NEW YORK, Nov. 5 (AP)—Gates W. McGarrath, 77, one of the country's leading bankers for more than 50 years, died in Doctors hospital today after a short illness.

Known at the age of 28 as the youngest bank president in the United States, he served subsequently as chairman of the Federal reserve bank here and as president of the bank for international settlements, Basle, Switzerland.

Johnny Gets His Gun

FIRST FEW DAYS AT ARMY RECEPTION CENTER ARE BUSY ONES FOR ROOKIES.

One of a series taking a draftee into Uncle Sam's new army.

By MILTON BRONNER
NEA Service Staff Correspondent
WASHINGTON, Nov. 4.—John Q. Citizen, after being drafted by his local draft board and passed by the induction station in his region, is sent to the nearest army reception center.

At this place the new private leads a very busy two or three days in which most things will be new and strange and entirely different from his old civilian life.

After a check-up on his papers and the medical report, he with many others like him, is sent to quarters where army clothes, blankets, mess kit, knife, fork and spoon are issued to him.

He is assigned to a dormitory in the barracks. He learns that henceforth he will lose the privacy he had in his room at home. The dormitory is filled with many rows of beds and one of these is his.

He does not stay in the dormitory long. He goes downstairs to be fingerprinted and ultimately this record is sent to Washington where other records are examined to see whether he has ever committed a felony. If so, he would be rejected from the army and subjected to punishment—if he had concealed the facts.

Next, John goes before some doctors to be vaccinated against smallpox and to get the first of a number of shots to immunize him against typhoid fever.

Some time later, either that day or the next, the draftees will go before an army officer who will read them the Articles of War and explain to them the full meaning of that very important document.

A good many of its sections recite the punishments, all the way up to death penalty, for infractions of military law.

The first sale of Christmas seals in the United States occurred at Wilmington, Del., in 1907.

Italian Claim Advances In Greece
ROME, Nov. 5 (AP)—Italian troops in Greece have reached the head of the Voloussa river, the high command announced today, after a series of heavy aerial bombardments yesterday in the vicinity of Florina, Kastoria and Ioannina.

At the same time Italian submarines were officially credited with sinking 34,000 tons of shipping in the Atlantic.

(The Voloussa rises in the Pindus mountains just north of Metsovo and about 35 miles from the Greek-Albanian border, across which it flows in a northwesterly direction. Metsovo is about 15 miles northeast of Ioannina, the industrial city which is the immediate objective of the Italian drive on the Epirus front.)

A communique said the Italian forces had reached the headwaters of the Voloussa after overcoming "lively enemy resistance."

The Fascist air force was said to have supported advancing infantry columns with an intense attack upon Greek positions and lines of communications.

Dive bombers repeatedly scored hits on Greek mountain batteries in the rugged ranges north of Ioannina and along the highway leading eastward from that city to Kalkiki, the communique said.

Other Italian air squadrons were reported to have attacked the naval base of Prevesa on the west coast of Greece and the port of Volos on the east coast.

A fresh burst of action, meanwhile, was reported from the east African front, where the Italians said their artillery had destroyed several British armored motor vehicles near Kassala on the border between Eritrea and the Anglo-Egyptian Sudan.

Reapers To Play LeFors Here Thursday Night

FRANCK IN EARNEST

GEORGE FRANCK
MINNESOTA'S GREAT TRIPLE THREAT AND SIGNAL-CALLER HAS RUN THE 100 YARDS IN 9.7

HIS GREED AND CRASHING BODY BLOCKS DROVE BALL-CARRIERS OUT OF BOUNDS TO SAVE THE WASHINGTON AND OKLA STATE GAMES FOR GOPHERS.

SURE YOU CAN PLAY... YOU HAVE THE ONLY FOOTBALL.

BROKE INTO GAME BY HAVING ONLY FOOTBALL IN NEIGHBORHOOD.

The Pampa junior high school cafeteria fund, for less fortunate children, will receive all proceeds from a football game to be played between the Junior high Reapers and the LeFors Junior high team Thursday night at 7:30 o'clock under the lights at Harvester park. Admission will be 10 cents for everyone.

At 3:30 o'clock Thursday afternoon the Gorillas will play the Phillips Blackhawk "B" squad at Harvester field.

The Reapers have completed their regular conference season, taking second place, where they finished last season. Central junior high of Amarillo again repeated as conference champions.

Coach C. P. McWright has been working his Reapers at top speed since their last game. He has been stressing blocking in order to get a smoother attack.

The future Blackhaws have been giving their seniors plenty of competition in practice this season and most of them have enough time under their names to letter with the Blackhaws, who are now perched on top of the district conference.

Coach Oscar Hinger sent his Gorillas against the Harvesters yesterday afternoon in a torrid scrimmage. Most of the play was against the Harvesters second stringers and the fans who saw the scrimmage now want to see the Gorillas and the Harvesters second-stringers play a full-length game.

The faithfuls who watch the afternoon workouts figure the second-stringers should get some games under their belts. They have played only a few minutes all season and don't know what they can do under fire.

Eagles Handed Cinch Tie For Fifth Crown

(By The Associated Press)

Coach Jack Sisco's North Texas Eagles were handed a cinch for the fifth Lone Star conference crown in the nine-year-old Texas loop Saturday when the Sam Houston Bearkats spilled the East Texas Lions after the Denton eleven had disposed of Southwest Texas in a postponed series.

With only the Exes Lions on November 16 standing in the path to their second straight conference championship, the Denton club deports from league play this week to encounter the dangerous Austin college Kangaroos Friday afternoon at Denton. Only a tie with East Texas is necessary to assure Coach Sisco's club of its fourth undisputed league title, a fifth championship having been shared in '35 with Commerce and Nacogdoches.

East Texas, with still a chance for a tie for the crown provided she downs Southwest Texas and the Denton club, has the edge over these two objectives Friday at San Marcos.

Stephen F. Austin, which surprised Southwestern fans with a 14 to 7 win over strong Louisiana Normal Tuesday, is expected to meet the Denton club in a 16-game winning streak, battles an equally tough non-league rival Friday at Kingsville in Texas A. and I. The club that held Rice to a 6-6 deadlock Saturday before losing out 9-6 in the final five seconds of play.

Sam Houston Teachers encounters the only real "breather" on her 1940 slate Saturday when she entertains little Lamar Junior college of Beaumont.

Conference standing:

Team	W.	L.	Pts.	Op.
North Texas	3	0	56	6
Sam Houston	1	1	25	16
East Texas	1	1	35	25

Nazi Claim 1,500 Bombs Dropped On London Last Night

(By The Associated Press)

BERLIN, Nov. 5.—A nightlong hail of more than 1,500 bombs of "all calibers" on London and, hits on important targets from southern England to Scotland were reported by the German high command today.

London again was the main objective last night, the communiqué said, but day and night attacks were also made throughout the British Isles "despite continued unfavorable weather."

"Between 7 p. m. Monday and 6:30 a. m. Tuesday," it declared, "fighting planes flying in continuous waves over the British capital dropped a total of more than 1,500 bombs of all calibers."

DNB, official German news agency, added that German planes attacked the railroad line between London and Southampton, at the mouth of the Thames, hit the tracks, a station, a factory, and a train.

Airdromes, barracks, munition depots and industrial and traffic facilities were hit, the high command said. It reported "a large number" of planes destroyed on the ground in new attacks on Wathisham and Ford air bases, "big" explosions and fires following night raids on Liverpool and Coventry and violent blasts in industrial areas at Hillington, Leith and other Scottish centers.

Each side lost one plane, it said, the British plane being shot down approaching the channel coast. DNB listed October loss as at least 419 British planes to 138 German planes.

14,000 Civilians Killed In Raids, Reports Churchill

LONDON, Nov. 5 (AP)—Winston Churchill, in his first statement to the house of commons since Italy invaded Greece, today pledged Britain's "utmost" aid to the little kingdom and called upon his own nation to look forward to "the campaigns of 1943 and 1944."

He placed the British death toll from air raids at 14,000 civilians and "scarcely 300 soldiers" and said Britain had more to fear from mounting ship sinkings by submarines than from the air siege.

\$25,000 Asked In Suit Against Rock Island Railroad

Damages of \$25,000 are sought in a case filed in 31st district court styled Emma Paddock vs. Frank O. Lowden, James E. Gorman, and Joseph B. Fleming, as representing the Chicago, Rock Island & Gulf, and Chicago, Rock Island & Pacific Railway companies.

The action is based on alleged total disability claimed by the plaintiff to have resulted from an alleged jerking of a train on which she was a passenger.

Plaintiff alleges that the jerking of the train, which she says threw her about and resulted in injuries occurred west of El Reno, Okla., on December 23, 1939.

She states she boarded the train at McAlester, Okla., and was en route to Shamrock, Texas.

Walter E. Rogers is attorney for the plaintiff. The case was filed Saturday.

If the earth's axis were to change from its present position, it would be noticed in a number of ways. The length of the year would be affected, and the seasons would be altered. The sun would be directly above the equator.

HOMEMADE

Both Mustangs And Ags Going At Top Strength

(By The Associated Press)

Regardless of which team wins Saturday's Southwest conference showdown game at Dallas, there will be no alibis in the camps of Texas A. and M. and Southern Methodist respectively.

Because both are going to be at top strength as gauged by last week's games.

The Mustangs came out of their tussle with Texas without much more than a bruise or two.

The Aggies did the same against Arkansas.

The Methodists have some on the "permanently injured" list—boys who won't be back at all, but these all came before the Texas game, and observers declare S. M. U. played its best football of the season in the engagement.

The other conference squads reported a flock of hurts from last week's tilts.

Baylor had backfielder Jim Witt in a hospital with his shoulder injured in the T. C. U. clash.

Texas had Mike Sweeney, regular end, out for the season with a broken ankle bone.

T. C. U. listed Tackle Darrell Palmer and Halfback Gus Bierman as doubtful starters. Several others nursed less severe hurts.

Rice doubted if it would have Billy Heard, regular tackle, this week.

Arkansas found that Co-Captain A. J. Yates, a guard, would be out for the remainder of the season due to an injured knee.

Baylor and Texas play at Austin, T. C. U. goes to Detroit to meet Detroit University and Rice engages Arkansas at Fayetteville.

Texas Aggies Fourth In National Ranking Poll

By HUGH S. FULLERTON, JR.

NEW YORK, Nov. 5 (AP)—The football season is nearing the home stretch, and so is the race for the No. 1 position in the Associated Press ranking for the 1940 campaign.

It's Cornell, Minnesota, Michigan and the Texas Aggies in the first four places this week, with only 375 points separating first place from fourth. Two major contests Saturday will eliminate one or more of these leaders, as Minnesota and Michigan clash at Minneapolis and Texas A. and M. plays Southern Methodist, which is strong enough to win 14th place on the week's list.

Cornell received 119 of the 178 first-place votes. Minnesota drew 18, and was rated second by 82 experts. The Aggies received 14 first places from Michigan and Tennessee, 11 each. Stanford received three and Boston college, two. On the point system, it was much closer, with 1,560 for Cornell, 1,140 for Minnesota, 1,258 for Michigan and 1,165 for Texas A. and M.

That score makes it a cinch that the Minnesota-Michigan game will bring a flock of votes for the winner and send the loser down the list. Northwestern, which lost, 12-12 decision to Minnesota last Saturday, skidded from eighth to tenth place.

The Aggies run into a tied but undefeated opponent in S. M. U., which collected 38 points in the 12-12 decision to Minnesota last Saturday, skidded from eighth to tenth place.

Near And Far

Only kick Texans have registered against Jess Neely so far is that sometimes the boys can't tell who's carrying the ball for Rice. . . . The reviews of Lou Nova's comeback were so disappointing the December 13 Garden date (which had been reserved for Nova) may be turned over to the Overlin-Belloise proposed re-match.

All-American Dep't.

Jock Rogers of Durham, N. C., respectfully submits his All-American backfield nominations: fullback, Kimbrough (Texas Aggies); halves, Harmon (Michigan) and Fox (Tennessee); quarter, Snavely (Cornell).

Poise, perseverance, and determination have marked Minnesota's play so far this season. It has been behind a number of times and on each of those occasions it has shown its best offensive and defensive punch. The team spotted Northwestern to a touchdown early last week and then powered its way back for two scores to win.

As regards Tom Harmon, Michigan's great back, quite a few of Minnesota's players remember him a year ago, when the Gophers came out on top, 20 to 6. In that game Harmon carried the ball 12 times and picked up a net of only 30 yards.

ABILENE, Nov. 5 (AP)—The Hardin-Simmons football team, undefeated and untied in five games this season and their last nine in a row, are really going places from here on.

They travel to Los Angeles to play Loyola next Friday night, meet Catholic university at Washington. The following week, they return home to play the University of San Francisco. The program calls for them to travel 7,000 miles in ten days.

Joe McCarthy Will Continue As Manager

NEW YORK, Nov. 5 (AP)—Joe McCarthy, who has managed the New York Yankees for ten years, will continue in his job next season.

President Edward G. Barrow, returning from a vacation at Tom Yawkey's plantation near Georgetown, S. C., reported he had talked to McCarthy by telephone at his home, and that they had agreed upon terms for 1941.

Texas Flier Alive, Messages Assert

DALLAS, Nov. 5 (AP)—Two cablegrams received by relatives here Monday assured that Harold C. Phillips, former low field army air corps instructor reported killed last week in combat with Nazi attackers over London, is still alive and hopes to see his family in Texas by Christmas.

One message was received by Phillips' mother, Mrs. T. W. Christie, who is in a local hospital. Another came to his wife in Graham. The latter read: "I am all right. Letter follows. Hoping to see you Christmas."

Phillips flew a bomber to England late in August and was scheduled to return and fly at least two bombers a month to the British. Instead he joined the Royal Air Force, relatives said.

It was assumed here that Horace Helsing, reported with Phillips, also was safe although no word has been received from him.

SERIAL STORY

BY W. H. PEARS

GOAL TO GO

COPYRIGHT, 1940, NEA SERVICE, INC.

YESTERDAY, BILL Mentor watches his West High school team lose to Henton, 6-0. With a chance to coach the team called a spectacular razzle-dazzle, lost. Even Helen's kiss fails to cheer Bill up. At home, he reviews the game with his invalid father, Buck. The former coach admits Landis was grandstanding, wishes he could coach the team.

CHAPTER II

BILL MENTOR eased his hard young body into patched pajamas. For a moment he stood listening to Buck toss restlessly in the next room. Then, frowning, he drew from the dresser drawer a packet of yellowed clippings. Some were nearly 20 years old, but he studied them eagerly as if he didn't know every word by heart.

Illustrated by G.P. Whitford

Yesterday, Helen was just the neighbor girl who listened to his problems. Today, he felt like singing.

"BUCK MENTOR PICKED FOR ALL-AMERICAN 'BUCK'. MENTOR STARS IN SEASON'S UPSET." "BUCK MENTOR TO COACH ALL-STARS."

A warm glow spread up through Bill. His dad! It was something for a fellow to live up to, all right.

Slowly, indignation replaced his pride. Those rummies on the board had turned down Buck without an interview. J. Conrad Skilton had written a letter. It would be bad for the team's morale to have an invalid coach, he thought, but if an opening occurred later . . .

Bill gave a scornful snort. Any dope could put the squad through grass drills and stuff like that. It was brains that counted. And there wasn't a fellow on the team, except maybe Bullethead Peskin, who wouldn't fight for Buck.

The last clipping was two years old, but still a fresh sorrow in Bill's mind. He reread the comment of a widely known sports columnist:

" . . . today the driving steel legs of Buck Mentor are still, still because he saved a little Italian workman whose name he didn't even know, from death under a falling beam. We salute you, Buck Mentor, All-American guy. . . ."

Bill remembered those weeks of running from school to the hospital and finally how the doctor had broken the news to him:

"With cancer, your father can walk a little, but your job is to keep him quiet. In a year or so I'd like him to go east and see a famous friend of mine. If anyone can operate successfully on Buck, he can."

With Bill's job and Buck's savings they managed to get along. But now, two years later, Bill realized that Buck's operation was farther away than ever. Slowly the boy replaced the clippings, unashamed of the tears that burned his eyes.

WHEN Bill awakened, Buck had breakfast ready. "Sausages," Bill said, smacking his lips. "You should have called me sooner."

"Nothing doing, fellow. Sunday's your morning to sleep in." Bill finished eating and unfolded the Sunday paper. "Jumping Jacob, Buck, get this!"

The older man read aloud: "Coach Landis defended his boy, but admitted the wrong play had been called."

"What do you think of that?" Bill gasped. "Maybe it's true, Bill. Maybe Calvert did blunder."

"If Landis didn't order the play, why did he replace Peskin?" Bill demanded.

"Buck said thoughtfully, 'If that's true, Landis has managed rather capably to duck the blame.' Bill's black eyes smoldered. "Gee, what a dirty trick! I'll bet those guys won't take it lying down."

"I'm afraid it won't give them too much confidence in Landis."

PHILLIPS, Nov. 5—The Phillips Civic club has completed arrangements for their first dance of the season, to be held in the Community hall, the night of November 15.

This dance will be a benefit affair to provide funds for buying spectacles for needy school children in Phillips.

Fred Huth, in charge of the entertainment committee of the club has arranged for an all-Filipino orchestra, the Manila Swingers, to play for the dance. It will begin at 9:30 and last until 12:30.

Tickets are on sale now at either Briggs pharmacy in Phillips or City drug in Borger.

PHILLIPS, Nov. 5—At a recent election, Miss Beulah Robinson was chosen to reign as queen of Phillips High school for the current school year. Miss Robinson was elected to this honor at the school's annual carnival held last week.

At the coronation ceremony, elaborate stage settings provided the background for Miss Robinson and her court of honor. Those girls, and their escorts, who had been nominated for the honor acted as the queen.

Following the coronation, the coronation selections by students in the Parents and friends were present to witness the gala activities.

GRADUATION, THEN WHAT?

"Seniors at last!" This is a statement that you may hear made by many students who have at last reached the top ranking of the high school ladder.

It is not until a student does become a senior that he realizes what school has meant to him. As long as he can remember, life has been cluttered up with books, blackboards, and teachers who guided his every step and helped him with every problem.

Soon he will be out on his own to face life. The problem that is foremost in his mind is whether or not he will like a success. To many a senior this problem is so big that it almost scares him just to think of it. Each six weeks that slips by brings him a little closer to his fate.

Many a senior has wished that he could go back and be a freshman again. Maybe life wouldn't be so complicated and demanding. He would study harder and prepare himself for this problem that looms up before him.

But one can't go back and life must be faced with the equipment gathered in the days of the past. Your first year in high school, take the advice of many a bewildered senior and take advantage of the chances that are being offered you. Get ready now for the next step.

Assembly Friday Features Clever Skit By Pampans

Highlighting the assembly program which was held Friday afternoon was a skit presented by Dick Hughes, Clifford Braly, Cal Rose, John Wilkerson, and Walter Rogers.

An announcement was made by R. L. Blaine who invited all the students to attend a chili supper and amateur program given by Junior High Friday night.

Students were asked not to bring outside friends into the student section during football games by Tom Herod, assistant principal. This is being done in order to keep out all undesirables.

The Gorilla game which was held Friday afternoon was announced by Herbert Maynard who explained that the game had been postponed due to bad weather.

Immediately following the announcement, Mr. Aubrey Steele, director of the student council, turned the program over to L. L. Sone, superintendent of public schools. He gave a short talk concerning enthusiasm and pep of the school.

Coach Mitchell was called upon by Mr. Sone to make a few statements about the Lubbock game.

Several yells were led by the pep leaders including cheers for Coach Prejan, Coach Mitchell and the Harvesters.

During the skit which was presented during the latter part of the program, Kathryn Vincent Steele presented four of her puppets who did dance numbers.

The Girls Trio, which includes June Marie Amick, Harriet Price, and Editha Charles, with the Crab Apple Face, Maxine Holt accompanied the trio on the piano.

Science Department Receives Motion Picture Projector

The Pampa High school science department, under the direction of C. H. Alexander, has received a silent 16-millimeter motion picture projector, which will cost 175 dollars. This projector can be converted into a sound model with an added expense of 185 dollars, Mrs. Alexander announced.

Flower Boxes Made For Pampa Schools

W. R. Flanigan, one of the high school janitors, made flower boxes for two Pampa grade schools last week.

Horace Mann ordered eight white Baker ordered two.

The flower boxes are twenty-eight inches long, six inches high, seven inches at the bottom, and eight at the top.

The boxes will be painted at these schools the color each room prefers.

Certain rooms will have these flower boxes where house plants will be placed to beautify the room. This plan also helps to make the students observe flowers more than they usually do.

Little Harvester Staff Will Go To Lubbock Clinic

The Little Harvester, classes, and all other worries will be forgotten as journalism students enjoy a new clinic in Lubbock, Nov. 15. Staffs from both high school papers, The Little Harvester and the Reeper will make the trip. They will enjoy informative discussions on journalism, receive criticism of their papers, and exchange experiences with the veterans of other journalistic wars.

The delegates will be guests at a banquet sponsored by the Lubbock Chamber of Commerce, the Tech-Wake Forest football game and college dances. Those who do not care to dance may go to any of the clubs.

Bill of publications will be substituted for awards this year and plaques will be awarded to the paper showing the most progress by the end of the year.

The clinic will be divided into five sections: The yearbook, commercially printed papers, page one, newspaper combination yearbook and paper, and mimeographed papers.

David Bergin, Tech Journalism instructor and director of the clinic, has asked W. R. Swann, Pampa High school Journalism and English instructor, to take charge of the downtown page section.

This program, under the supervision of Mr. Swann, will be in the form of a round-table discussion with staffs of other downtown papers. Common difficulties will be discussed.

Student officers who will preside are: Stuart Condon of Canyon, president; Henry Ray of the Reeper, vice-president; Louise Willson of Floydada, corresponding secretary; and Glenn Curry of Snyder, recording secretary.

Those journalism students who do not go to this meeting may attend a meeting in Canyon, next spring.

CENTER

Leslie Burge, 145-pound center on the Pampa Harvesters, is a first-class center despite his weight. Centers are generally thought of as out-weighting any other member of the team. Leslie, however, manages to step just about everything that comes his way. He has played one year each on the Gorillas, Reapers, and Peepees. He is only 16, so he has another year of football ahead of him.

In the way of "lecticals" he prefers fried chicken and pie in general. When it comes to girls, he's a brunette. At the present, it is a brunette in particular, not general.

HALFBACK

Bill Arthur, 145-pound right half on the Pampa Harvesters, will be in point of service, almost a professional when he graduates from school. Bill has played one year on the Peepees and two on the Reapers. As Bill is only 15 and this is his first year on the Harvesters, he has two more years of eligibility.

His favorite sports are football and swimming. He would rather kick his pants with ice cream, chicken-fried steak, and chocolate pie than to eat any of the other luscious vibrants. His favorite "dish," however, is blondes.

Gorillas Smear Stinnett Team, Win Game 20-0

On Friday of last week the Gorillas gave Stinnett Rattlers a chance at first bits and then pulled their fangs for a 20 to 0 win.

Halter, Gorilla quarterback, was the feature attraction of the game. He directly responsible for two touchdowns and setting the stage for the other.

On the defense it was Abernathy, right guard, who went through the Stinnett line like an inspired tornado. King, fullback, was the mainstay of both the offense and defense for Stinnett.

In the first quarter, after Stinnett had driven to the Gorilla 20-yard line, Halter intercepted a pass on his own 10 to stop the Rattlers' scoring threat. Pampa then fumbled on the first play and Stinnett recovered as the quarter ended.

The Rattlers made threatened twice in the second quarter when Halter got loose and ran 83 yards behind superb blocking to count for the first score. Edson failed to convert. The rest of the quarter was a series of kicks and passes with the ball in Stinnett's possession on the Gorilla 32 at the end of the half.

The third quarter was scoreless with Halter intercepting another pass on his own 5-yard line to stop a Rattlers' touchdown drive.

In the fourth the Gorillas scored twice. L. Halter threw a pass to Bobby Lane on the 2-yard line for another touchdown. Edson converted. For the second count of the fourth quarter the Gorillas drove from the Stinnett 33 to the 2-yard line where Stevens, fullback, went through the line for another six points. Edson converted. The game ended with the ball in Stinnett's possession on their own 20.

HELEN DUDLEY

Helen Dudley, popular high school senior, has collected scrapbooks for her hobby, and "I got a gillion," she states.

Who is Helen? Well, she is pretty, tallish, brown-eyed, brown-haired girl who is making a neat niche in the local hall of fame.

Of course, she is not just collecting scrapbooks and looking pretty, but she has been quite prominent in high school affairs.

Helen has worked in Mr. Herod's office for two years, been on the debate team for two years, club cheer, two years, she is also a member of the staff, has a part in the senior play, and is a student representative at P-T-A meetings.

Helen has four large scrap books. One of her most important is a book on the football season, covering year in high school, a huge one on the Gene Worley campaign in which she played so prominent a part. She has a scrapbook on the Entada, and one of her own personal souvenirs.

Helen's chief ambition is to be a politician and the outlook for her opponents is pretty dark.

She likes San Antonio Rose, red, Clark Gable, and football boys. She likes to see the boys to be on the tall, dark and handsome side, and go to TCU.

Jackson, Heiskell, Daugherty Star; McBrayer Hurt

Heiskell's 80-yd. Run Highlight Of Game

The Lubbock Westerners, last year's state champions and winner in 16 straight games, romped up and down Harvesters field Saturday to down Pampa 20-0. With Jackson and McKinnon carrying the ball, Lubbock made 14 first downs to the Harvesters' 9.

McBrayer, star Lubbock tackle, was injured in the first Pampa offensive play. Both bones in the lower part of his leg were broken just below the knee.

The Harvester backfield turned in a stellar performance with Heiskell leading the way. In the line it was Phillips, Burge, and Wade with Daugherty, reserve end, shining on both offense and defense.

Maxine Holt Leads First Year Typists, Gets 80 Per Minute

Miss Zenobia McFarlin's typing class has been stressing speed tests these past few weeks.

Miss McFarlin said that Maxine Holt was making 80 words per minute which is far above average. The average is 25 words per minute for a five-minute speed test.

Those making at least one perfect timed test are: Cleatus Mitchell, Omer Miller, Sybil Osborne, Alma Watkins, Billy Knapp, Cecil Bradford, Marie Mitchell, Modell Johnson, Bill Whitsett, Imogene Owens, Betty Jo Taylor, Hudson Meador, Katherine Wall, Orene Alford, Sarah Bird, Peggy Jean McKinstry, Burd Mitchell, Floyd Hatcher, L. J. Halter, and Charles Bryan.

'Common Defense' Theme For National Education Week

This year during American Education week, Nov. 10-16, the public schools of America will be concentrating on the theme, "Education for the Common Defense."

In Pampa we are planning an ambitious program for interpreting the theme to the community. E. W. C. Jr., director of instruction, said yesterday.

In discussing American Education week, Mr. C. Jr. said the following points will be discussed: Monday, Enriching Spiritual Life; Monday, Strengthening Civic Loyalties; Tuesday, Financing Public Education; Wednesday, Developing Human Resources; Thursday, Safeguarding Our National Resources; Friday, Perpetuating Individual Liberties, and Saturday, Building Economic Security.

That Pampa High school will enter whole heartedly into the coming event is shown by the following plan: A special high school assembly will see a patriotic play by Kenneth Carman's group, teachers are preparing articles for newspaper publication, and displays of high school work will be in J. E. Murfee's windows.

These displays will be arranged by Phillip F. Gruber, of the department of industrial arts; Mrs. Leslie H. Hart, of the home economics department; and Miss Roy Riley, of the art department.

Phil Gruber Attends Industrial Arts Meet

Phillip H. Gruber, instructor of industrial arts, attended the North-eastern Oklahoma Teachers association meeting at Alva, Oklahoma, which was held from October 24 through 30.

Mr. Gruber is chairman of the industrial arts division of the association and was one of the principal speakers.

Mr. Gruber is interested primarily in plastics and is very skillful in the line. Plastics are being used today for many different things, such as airplanes, houses, wallboard, parts of automobiles, and many different articles. One large manufacturer claims to be able to build an entire automobile from plastics.

P. E. Boys Playing Six-Man Football

Boys physical education classes, under the direction of Coach Oscar Hinger, have been playing six-man football in the classes. The winning captains will pick a team out of his class and have a tournament between the different classes. The tournament will be played during the noon hour, Mr. Hinger says.

The boys are starting to play basketball in the classes and will have a tournament next week, the coach said.

The following boys were captains and coaches of the winning team. In the junior and senior classes, Charles Sexton, Belton Bearden, Kenneth Kyle, and Kenneth Mullins. For the freshmen and sophomores, Harry Qualls, James Enloes, Donald Stagg, L. C. Butler, and Tom King.

Panhandle Hi School Press Association Announces Officers

The Panhandle High School Press association has announced its officers for this term. They are: Boyd Gene Purr of Plainview, vice-president; E. W. Woods of Canyon, secretary-treasurer; and Virginia Bygones of Panhandle, president.

The officers will meet soon to plan the 1941 convention, which will be held in Canyon, February 1 at West Texas State college. Each of the officers selected is a high-ranking senior.

Sponsors and delegates to the annual convention pay a registration fee of fifty cents. This sum is used for the noon luncheon, favors, decorations, and programs.

By action of the Panhandle High School association at the annual convention early this year, this association is an affiliated unit of the Texas High School Press association. The state sponsor is Dr. F. L. McDonald of Texas State College for Women at Denton.

Miss Gregory Checks Girls' Health Charts

It is supposed that only boys have dirty ears, but Miss Evelyn Gregory knows differently because she inspected the girls in her classes last week.

It was part of a check on general health conditions.

She compared the record of each girl to the records that have been kept for the previous years. Many changes were made. Some girls have gained as much as 2 pounds and some have lost a great deal. It is very interesting to go through these records and find changes that have been made. There were no girls

Pollock, Tooley Get Autographs On Casts

Aubrey Pollock, Gorilla guard, broke his foot in a recent scrimmage game. While he was running with the ball he was tackled and fell on his foot.

Lester Tooley broke his wrist about two weeks ago while playing touch football during a physical education period.

Both boys are very interested in getting autographs on their casts. At the present Aubrey is leading with 50 autographs. Lester has 21.

Those whose casts had not been changed in some way in the last three years.

Jerry Stinson Gives Alligator To P.H.S. Science Department

Jerry Stinson received a 10-inch alligator from his uncle that lives at Homan, Louisiana, Monday afternoon. Jerry says his uncle ships alligators for an occupation. This alligator has yellow stripes on his sides and back. Martha Cox, biology teacher, said.

According to the world book encyclopedia, alligators eat fish, small animals, and waste meat. The alligator hides are used to make shoes, handbags, purses, bill cases, belts, and suitcases. They dwell in tropical waters of America and may reach maturity in four or five years. They may live to be several hundred years old, and will not attack people but they will defend themselves furiously when attacked. They can twist their body and knock a man off his feet, and the larger ones can crush a man's arm or leg off when attacked.

In winter they stay below water or hide in mud, although it has been said that you could trap them by walking near their hiding place and grunting real big. The alligators think you are their friend and come out to greet you.

Ruth rode in my cycle car
In a seat in back of me.
I took a bump at fifty,
And rode on Ruth-lessly.

Harvester Mothers Give Chicken Fry

Mothers of the Harvesters football players gave a chicken fry, at Mr. and Mrs. H. H. Heiskell's home, at 7 o'clock, October 27. Eighty-seven footballers, mothers, fathers, and guests were present at the occasion, Mrs. Heiskell reported.

The Harvesters started the ball rolling as they helped themselves to the chicken and salads. The mothers, fathers, and guests followed the players helping themselves to the food of the mothers, assisted by Avis Heiskell, served milk or coffee.

After they had finished eating L. L. Sone and Mrs. Heiskell served ice cream and cake.

After the ice cream and cake was served Grover Lee Heiskell introduced the players and in turn the boys told if they would be back next year, and introduced their parents.

Guests and parents discussed the football team and coaches, and several persons gave speeches on what they thought about the team and coaches. The Bowling Reports demonstrated how the substitutes warm up to go into the game.

The cake was covered with gold icing with green around the edges, and Pampa Harvesters' 1940 was written in green letters in the center. The men sang the school song "Dear Old Pampa High School," and the women sang it next.

The mothers will meet at 3 o'clock in front of the high school, and go to P-T-A meeting in the first week of November. This will be a group time they have ever done this, Mrs. Heiskell said.

National Book Week Will Be Observed In Pampa Schools

"National Book Week" is to be observed in Pampa High school from the 10th to the 16th of November.

Miss Riley's first and second year art classes are making posters to celebrate the occasion. They are using drawing pens and India ink to illustrate the new books which the library has received in the last month. These will be used in the junior high and high school halls.

All students who visit the library during "National Book Week" will receive book marks from Miss Maybelle Taylor. Miss Taylor is also in charge of displays in the library which will carry out the theme "Good Books, Good Friends."

Senior English classes of Miss Clarine Branom, Miss Margaret Jones, and Miss Anna Louise Jones are writing themes on "National Book Week." The students were presented with several different topics from which one could be chosen. The best themes are to be published in "The Little Harvester."

Geography Students Visit Pampa News

Twenty-one commercial geography students of Pampa High school completed their third field trip on Monday afternoon, after an inspection of the Northeast Dairy, 501 Sloan, and the Dr. Pepper Bottling company, 420 South Hobart.

Miss Ruby Foster, teacher, led the class on the trip.

The pupils were shown the business office.

Students making the trip were J. R. Ragan, Scott Rafferty, Blaine Green, Betty Lou Leonard, Junior Comstock, Albert Stokes, Dale Harwell, Jo Thomas, Mary Jean McCurtley, Warren Morris, W. L. McCreary, Charles Clemmons, Beulah Vanderlander, Thomas Dewey, Glen Day, Eugene Winger, Janice Bond, J. T. Refflin, and Jack Hummel.

Home Ec Girls Entertain With An Informal Buffet Luncheon

An informal luncheon was given Tuesday, Oct. 29, as part of Mrs. R. H. Sanford's food course. It was in the dining room of the home economics department.

The color scheme was green, yellow and white. The center piece was a yellow vase filled with green and white chrysanthemums.

The table was covered with white linen on which four candles were placed. The yellow candles in their green holders dimly illuminated the room which was made beautiful with colors in the fall motif.

The first course consisted of meat loaf, fried potatoes, pea salad and corn bread.

The second course was fruit nut butter and oatmeal cookies.

Miss Annie Lyle Heard was hostess. Guests were Earlene Turner, "Little Harvester" reporter, Frances Deering, Mary Gurley, Martha Pierson, Lucille Mathus, Mary Bell, Bertha Willis, Juanita Osborn, Joyce Fanner, Grace Mae Hines, Betty Johnson, Grace Huff, Mary Jean Wilkinson, Ava Chesler, Betty Jo Dewey, Betty Jean Seals, Ruby Bagerman.

Esmae Carlson, Dorothy Stone, Vendell Alexander, Helen Johnson, and June Rogers Bailey served.

L. L. Sone Announces Holiday, November 11

L. L. Sone announces that students of Pampa High school will be given a holiday, November 11.

Many students will take advantage of this day off by attending the Pampa vs. Borger football game.

On Friday, undenourished lads must listen to admiring lasses who marvel at the muscles man. That kicks the punts and throws the passes. Comes Monday and admires. Tots forth its few advantages—With bones still whole, while football heroes limp around in bandages.
—R. U. H. S. High Tide.
