

# Bishop Holt And Cabinet To Draft Methodist Conference Program Today

Pampa becomes the center for 73,000 Methodists of Northwest Texas today as the Northwest Texas conference opens at 3 o'clock this afternoon with Bishop Ivan Lee Holt and his cabinet of nine district superintendents meeting at the Schneider hotel.

At this meeting the complete program for the five days of the conference will be prepared and committees set up under which the conference will operate.

Other business transacted at the meeting will include the discussion of what young ministers come up for admission on trial, preachers to be supernumerated, and a probable announcement by Bishop Holt of new preachers transferred from other conferences and those to be transferred out of the Northwest Texas unit.

An attendance of 500 clergymen and lay members daily is expected at the conference, which officially begins tomorrow with registration in the basement of the First Methodist church.

The Northwest Texas conference has 217 pastoral charges with 417 church organizations and the conference area covers the Panhandle-Plains and below the caprock, such places as Midland, Stanton, Big Spring, Colorado, Abilene, Baird, Albany and Vernon.

A meeting of the executive committee of the conference board on education is scheduled for 7:30 o'clock tonight at the First Methodist church, and the entire board will convene at 10 o'clock tomorrow morning.

Marking the opening of the conference proper, will be the administration of Holy Communion at 3 o'clock tomorrow afternoon at the church by the bishop assisted by the nine district superintendents.

Saturday morning, the Rev. C. Gordon Bayless, on behalf of the Pampa Ministerial alliance, will extend a welcome to the conference.

Headquarters for the conference will be the First Methodist church. The bishop and his cabinet will make their headquarters at the Schneider hotel.

The church has been arranged for the conference with location of the various units designated by a directory posted on the church bulletin board and signs on doors of the different rooms.

First floor, basement, is the location for lay activities, publishing house display, brotherhood, accepted supply pastors, district auditors, conference claimants, temperance, and ministerial training.

Second floor, auditorium, education, conference claimants (south-east corner), ladies lounge (north-east corner).

Third floor (over front entrance), conference treasurer, world service and finance, state of church, (north to back), Sabbath observance, evangelism, hospitals and homes, missions and church extension.

Individual memberships will not support a Red Cross chapter and that is why no quota has been set in the Pampa Red Cross roll call now under way, Chairman Hal H. Lucas said today. The general chairman was jubilant over the response received by women workers who solicited in the residential districts.

With three of the largest groups yet to report, the number of individual memberships reported by the women solicitors had reached 290 up to noon today. Last year the total residential membership was only 283.

Only two men had reported from the business district group up to noon and both said the response was most gratifying. Chairman E. M. Behrman of the business group urges his workers to report to Mrs. J. B. White, executive secretary, by tomorrow noon the progress they are making.

Next week the women's group, of which Frank Monroe is chairman, will visit all oilfield camps in this area giving the women an opportunity to join the Red Cross.

"I hope every merchant in the city will give freely," Chairman Lucas said today. "All the money received excepting the first 50 cents of amount, remains in Pampa for local relief."

Les Roland, his piano and his orchestra will furnish the music for the dance and Dixie Dice will present her "High Flying Revue" at the annual meeting of the Panhandle chapter of the American Petroleum Institute in Pampa the night of December 6. It was announced today by George Berlin, chairman.

The meeting will begin at 8:30 o'clock with election of officers and will be followed at 9 o'clock by the dance and floor show. Each woman attending the dance will be presented with a beautiful corsage.

Combination 1941 membership and admission tickets will be placed on sale Monday by members of the chapter advisory board and at the Schneider hotel. The \$2 combination ticket will allow a couple to attend the dance and floor show and give the man a 1941 membership in the association.

The 1941 spring convention of the Mid-Continent chapter will be held in the Panhandle, at Amarillo.

NEW YORK, Nov. 14 (AP)—Eight theological students who refused to register for selective service were sentenced in federal court today to serve a year and a day in a federal prison to be designated by the attorney general.

The students were "conscientious objectors" from the Union Theological seminary. When they were indicted Oct. 21 for refusing to register in compliance with the selective training and service act, they pleaded guilty.

The court recommended U. S. Attorney John T. Cahill's suggestion for sentence, while noting that the maximum term possible was 5 years imprisonment and a \$10,000 fine.

Federal Judge Samuel Mandelbaum said that if at any time within the period imposed the defendants decided to comply with the act the court would be "only too happy" to moderate the sentences.

Those sentenced were: Richard J. Wichel, 23, of Birmingham, N. Y., a graduate of Syracuse university; William N. Lovell, 26, of Poughkeepsie, N. Y., who was president of the Union Theological seminary body and is a graduate of Yale; Donald Benedict, 23, of Newark, N. Y., Albion college graduate; David Dellinger, 25, of Wakefield, Mass., Yale graduate; Meredith Dallas, 23, of Grose Point, Mich., Albion graduate; George M. Houser, 24, of Denver, Colo., University of Denver graduate; Joseph G. Bevilacqua, 24, of Buffalo, N. Y., Tufts college graduate; and Howard E. Spragg, 23, of Malden, Mass., also a Tufts graduate.

The sentencing was in a courtroom crowded with quiet, grave-faced men and women. Court attaches said it was one of the most solemn scenes they had witnessed.

The eight young men surrendered immediately, and were taken to the office of U. S. Marshal Leo Lowenthal to be fingerprinted before removal to the house of federal detention.

WASHINGTON, Nov. 14 (AP)—President Roosevelt has approved a \$1,000,000,000 increase in the amount of outstanding mortgages which may be insured by the Federal Housing administration.

That action, announced today, raised to the maximum (\$4,000,000,000) the mortgage insurance capacity allowed the housing agency by the FHA act.

In a letter to Stewart McDonald, housing administrator, the President congratulated him on a "remarkable record" and asserted: "You have demonstrated that comfortable homes for people of moderate means can be provided at low cost and without loss to the government, whether the homes are owned by the occupants or rented by them."

WASHINGTON, Nov. 14 (AP)—The Italian navy reported today that it was withdrawing large numbers of troops from the Yugoslav frontier and speeding them to southern Albania in an attempt to halt the Greek advance in that sector.

## The Weather

Fair tonight and Friday; slightly warmer.

## Good Evening

All the scholastic scaffolding falls, as a ruined edifice, before one single word—faith.—Napoleon.

# NAZIS CLAIM NEW GIGANTIC 'SPLIT-UP'

## METHODIST SUPERINTENDENTS

Two more of the district superintendents of the Northwest Texas conference are pictured above, left to right, the Rev. Cal C. Wright of Vernon and the Rev. E. E. White of Plainview. In addition to being superintendent of the Vernon district,

the Rev. Wright is also secretary of the conference, which will open a four-day session in Pampa tomorrow, following a meeting of Bishop Ivan Lee Holt of Dallas and the superintendents who compose his cabinet, this afternoon.

## Hitler Ousts French From Lorraine Area

(By The Associated Press)

British warplanes heavily bombed the heart of Berlin, where Adolf Hitler was conducting mysterious secret negotiations with Russian Premier Molotov, London reported today, and struck another "successful" blow at Italy's big naval base at Taranto.

The British air ministry said RAF bombers, raiding in the face of "extremely adverse weather," showered explosives on Berlin's Schlesischer railroad station and the Grunewald freight yards.

Few details were available on the new attack at Taranto, where earlier this week the British royal navy's air arm reportedly crippled half of the Italian navy's battleships.

"Information officially received in London shows that a successful attack was made by RAF bombers last (Wednesday) night on the docks and harbors at Taranto," a brief communiqué said. "All our aircraft returned safely."

Italy issued a denial of British claims that half the Pacific capital ship strength was disabled, declaring the report was "fantastic."

Meanwhile, an open flare of resentment against Germany's treatment was voiced by the French government today in a formal protest against the expulsion of French-speaking subjects from the province of Lorraine.

An official French communiqué said the Germans had told residents of Lorraine that the action was taken as a result of an alleged accord between Berlin and Premier Marshal Philippe Petain's Vichy government.

"The government issues a most formal denial of this allegation," the French said, adding that there had never been any question of such measures involved in recent French-German conversations.

"As concerns the fact of the expulsion, the French government protests to the German armistice commission," the communiqué said.

The protest marked the first open discord between the fallen French republic and Nazi Germany, and contrasted sharply with the recent elaborately-staged "accord" meetings between Premier Petain and Adolf Hitler.

The expelled residents were reported shunted from their homes into unoccupied France at the rate of seven trainloads daily since Monday.

London's air ministry said "numerous fires" were started in the night raid on Berlin, where Soviet Premier Molotov ended his two-day visit with still no authoritative disclosure of what went on.

An official Nazi communiqué said vaguely: "An exchange of views was carried out in an atmosphere of mutual trust and led to mutual accord on all important questions of interest to Germany and the U. S. S. R."

Informed quarters in Berlin said that as a result of the Hitler-Molotov conversations, it now was up to Britain's friend, Turkey, to decide whether she would join the Axis-proclaimed "new order" in Europe.

In Ankara, a high Turkish official said bluntly that if any decision at Berlin was "unfavorable

## Oil Field Courses Highly Recommended

Tonight at 7:30 o'clock in the high school auditorium, industrial workers of Pampa and from the Pampa oilfields will be given an opportunity to enroll in classes to be held two nights a week. Courses in nearly every line of work will be offered at a cost of \$2 for each 48-hour course, providing as many as 12 persons register for a course.

C. M. Davis, director of diversified occupations in this section of the Panhandle, will describe the various courses to be offered and the method of selecting instructors.

Each man finishing a course will receive a certificate. The courses have been highly recommended by the directors of the Panhandle chapter of the American Petroleum Institute and by most of the company superintendents in the Panhandle field.

Courses in mathematics, both elementary and advanced, science, maintenance and repair of engines of all types, steam power, production practices, blue print reading, natural gasoline, carbon black, workshop and many others will be offered.

## Industrialist Gives Ideas On Economic State Of Nation

NEW YORK, Nov. 14 (AP)—Alfred P. Sloan, Jr., chairman of General Motors corporation, suggests that American industry supplement the five-day with the six-day week as a means of increasing production "when the slack of unemployment has been taken up."

Addressing the Academy of Political Science last night, Sloan asserted the key to national defense "is the strongest, most virile, the most aggressive economy that the creative genius of America can devise."

He said the "penalty for overtime" should be canceled during the emergency to "encourage a longer work week."

Sloan said he saw inflation as the most striking economic danger today.

Thomas W. Lament, partner of J. P. Morgan & Co., told the meeting that Japan must "abandon once and for all in the far east the Nazi theory of racial superiority and the idea of 'Asia's new order.'"

## I Heard . . .

Joe Roche labelling the 20-yard penetration rule in football as absurd. "Why should a team be given a victory by getting inside the other guy's 20-yard line the most times," Joe declared. "Why, it would be just as bad to give a baseball team a victory for having the most players reach third base should the score be tied at the end of nine innings."

## 13 Dive Bombers Downed, Say British

(By The Associated Press)

LONDON, Nov. 14 (AP)—Royal Air Force fighting planes roared to battle off the southeast coast today, the air ministry announced, and shot down 13 German dive bombers and one fighter seeking to cross the channel for daylight raids in Britain.

In all fifteen planes were destroyed, the ministry said.

Two light formations of Nazi planes tried to attack London, but the British said they were repelled by defense fighters before they could reach the capital proper.

From hard-hit Taranto, at the tip of Italy, to Berlin the Royal Air Force's bombers struck last night, wrecking home the offensive which the British say has crippled half of Mussolini's battleships and given the empire's combined sea-air power prestige throughout the world.

At Taranto, where three battleships and four other warcraft of Italy's hoarded battlefleet were reported crippled by naval torpedo planes flying in from aircraft carriers Monday night, planes of the RAF bomber command followed up.

The ministry of information said that they successfully attacked both harbor and docks, and that all returned to their base (perhaps Malta or Crete).

In Berlin, British bombs burst in answer to Hitler's newest stroke of diplomacy. They gave Russia's Premier Molotov his first taste of what an air raid is like. Moreover, the air ministry said that the raiders bombed a railway station, freight yards and other objectives in mid-Berlin, despite miserable flying weather.

There was evidence, too, of aggressive British preparation for possession of far eastern bases and defenses.

An air marshal, Sir Robert Brooke-Popham, was made commander-in-chief in the far east with headquarters in Singapore and it was disclosed that reinforcements had reached British bastions in the Orient.

Weather in the Strait of Dover moderated after last night's gale, one of the worst of the year, which hampered the activity of night raiders.

In the 12 months since the first

## Reeves, DeWeese Appointed To Kiwanis Posts

Garnet Reeves, manager of the Pampa Board of City Directors, and Tex DeWeese, managing editor of The Pampa News, today were appointed to district posts for 1941 in the Texas-Oklahoma district of Kiwanis International.

Mr. Reeves will serve as district secretary, and Mr. DeWeese will be the editor of Ki-Notes, Kiwanis International district magazine.

The appointments were announced by Fred Thompson, Pampa, recently elected governor of the Texas-Oklahoma district which includes the supervision of Kiwanis activities in clubs with a membership of nearly 7,000 in 125 cities and towns throughout Oklahoma and Texas.

Governor-elect Thompson who returned last week from a Chicago conference of district governors from over the United States and Canada, also announced that the annual mid-winter conference and training school for district officers and newly elected Kiwanis presidents and secretaries will be held in the Adolphus hotel at Dallas on Dec. 1 and 2.

Mr. Reeves will succeed Day Fessler, of Oklahoma City, as district secretary, and Mr. DeWeese will succeed Richard Miller, of Oklahoma City, as editor of Ki-Notes.

Governor-elect Thompson will preside at the mid-winter district conference in Dallas, and Mr. Reeves and Mr. DeWeese will appear on the program.

Both the new district secretary and editor of the district magazine have been active in Kiwanis service since coming to Pampa in 1936. Mr. DeWeese is president of the club this year, and Mr. Reeves is a member of the board of directors and chairman of the club's public relations and publicity committee.

## Panhandle Oil Group Demands New Oil And Gas Commission

Branding the policies of the Texas Railroad commission as "no longer sound or advisable" and declaring it to be inadequate for the conservation of the petroleum resources of the state, directors of the Panhandle Producers & Royalty Owners association in session in Amarillo Tuesday night voted unanimously to demand of the next legislature a separate oil and gas commission.

Driving in near zero weather, independent producers and royalty owners from all sections of the Panhandle attended the meeting which was called by Mel B. Davis of Pampa, who is president of the Panhandle Producers & Royalty Owners association. Fragrant inequities in allowables, orders and other regulations of the present commission were charged by various members present. An appointive commission to devote its full time and attention to the problems facing the oil and gas industry will be sought at the forthcoming session of the legislature.

In the discussion of the policies of the railroad commission it was charged that in some fields, particularly the Panhandle district, the allowable per well is as low as 15 barrels daily compared with daily allowables in other fields of from 50 or 100, and even as high as 300 barrels per well.

"This and other policies of the commission which were scathingly denounced at the meeting, were outlined in a formal resolution which will be submitted to Governor W. Lee O'Daniel and all members of the law-making body of the state."

"The Texas oil and gas industry," said President Davis, "is the largest of any state in the union and it has grown until it merits the complete attention of some fair, impartial commission. We expect to call this need to the attention of our next legislature."

## 'Christmas Under A Democracy' To Be Theme Of Santa Parade

"Christmas Under A Democracy" will be the theme of the 1940 Santa Day parade here on the morning of December 7, it was decided at a meeting of the parade committee last night in the city hall. The parade will carry out the theme in two divisions—Christianity and Defense.

The parade will form north of the high school gymnasium at 10 o'clock. A few minutes before that time Santa Claus will arrive by plane to take part in the parade. End of the parade will be at Brown street.

Immediately following the parade Santa Claus and his helpers will pass out 7,500 sacks of candy to children. Free picture shows will be presented at local theaters.

Thousands of feet of Christmas decorations and scores of strings of lights will be strung across Pampa streets and lighted on the night of December 1, General Chairman Charlie Lamka announced today. The decorations will be here in a few days, he said.

Present at last night's committee meeting were Chairman Monroe, Jack Johnson, Q. B. Beavers, "Sue" Cobb, Calvin Dittmore and Ed Pohl. General Chairman Charlie Lamka also attended the meeting.

## Women Lead In Red Cross Memberships

Individual memberships will not support a Red Cross chapter and that is why no quota has been set in the Pampa Red Cross roll call now under way, Chairman Hal H. Lucas said today. The general chairman was jubilant over the response received by women workers who solicited in the residential districts.

With three of the largest groups yet to report, the number of individual memberships reported by the women solicitors had reached 290 up to noon today. Last year the total residential membership was only 283.

Only two men had reported from the business district group up to noon and both said the response was most gratifying. Chairman E. M. Behrman of the business group urges his workers to report to Mrs. J. B. White, executive secretary, by tomorrow noon the progress they are making.

Next week the women's group, of which Frank Monroe is chairman, will visit all oilfield camps in this area giving the women an opportunity to join the Red Cross.

"I hope every merchant in the city will give freely," Chairman Lucas said today. "All the money received excepting the first 50 cents of amount, remains in Pampa for local relief."

## API Dance To Be Held December 6

Les Roland, his piano and his orchestra will furnish the music for the dance and Dixie Dice will present her "High Flying Revue" at the annual meeting of the Panhandle chapter of the American Petroleum Institute in Pampa the night of December 6. It was announced today by George Berlin, chairman.

The meeting will begin at 8:30 o'clock with election of officers and will be followed at 9 o'clock by the dance and floor show. Each woman attending the dance will be presented with a beautiful corsage.

Combination 1941 membership and admission tickets will be placed on sale Monday by members of the chapter advisory board and at the Schneider hotel. The \$2 combination ticket will allow a couple to attend the dance and floor show and give the man a 1941 membership in the association.

The 1941 spring convention of the Mid-Continent chapter will be held in the Panhandle, at Amarillo.

## DUCK HUNTERS RESCUED

Their boat sunk by the mid-west gale which developed shortly after they reached a small Mississippi river island, three duck hunters, marooned for 20 hours in 11 degree weather, are shown as they were rescued by Rock Island, Ill., police.

## Theological Students Sentenced To Prison

NEW YORK, Nov. 14 (AP)—Eight theological students who refused to register for selective service were sentenced in federal court today to serve a year and a day in a federal prison to be designated by the attorney general.

The students were "conscientious objectors" from the Union Theological seminary. When they were indicted Oct. 21 for refusing to register in compliance with the selective training and service act, they pleaded guilty.

The court recommended U. S. Attorney John T. Cahill's suggestion for sentence, while noting that the maximum term possible was 5 years imprisonment and a \$10,000 fine.

Federal Judge Samuel Mandelbaum said that if at any time within the period imposed the defendants decided to comply with the act the court would be "only too happy" to moderate the sentences.

Those sentenced were: Richard J. Wichel, 23, of Birmingham, N. Y., a graduate of Syracuse university; William N. Lovell, 26, of Poughkeepsie, N. Y., who was president of the Union Theological seminary body and is a graduate of Yale; Donald Benedict, 23, of Newark, N. Y., Albion college graduate; David Dellinger, 25, of Wakefield, Mass., Yale graduate; Meredith Dallas, 23, of Grose Point, Mich., Albion graduate; George M. Houser, 24, of Denver, Colo., University of Denver graduate; Joseph G. Bevilacqua, 24, of Buffalo, N. Y., Tufts college graduate; and Howard E. Spragg, 23, of Malden, Mass., also a Tufts graduate.

The sentencing was in a courtroom crowded with quiet, grave-faced men and women. Court attaches said it was one of the most solemn scenes they had witnessed.

The eight young men surrendered immediately, and were taken to the office of U. S. Marshal Leo Lowenthal to be fingerprinted before removal to the house of federal detention.

## Pampa Thanksgiving To Be November 28

Pampa, with the exception of the postoffice and banks, will observe Thanksgiving on November 28 despite the fact that Governor W. Lee O'Daniel has issued a proclamation designating November 21 Thanksgiving in Texas.

Mayor Fred Thompson today said that although he did not plan to issue any proclamation, the city hall would be closed November 28. He said he had been notified by the Retail Merchants association of Pampa, the Pampa school board, courthouse officials and ministers that they had designated the original Thanksgiving Day date for observance this year.

Churches will hold their special Thanksgiving Day services on the night of November 27. Schools will close the afternoon of December 27 and not re-open until the morning of December 28.

The Pampa-Amarillo football game will be played in Amarillo the afternoon of November 28.

## President Approves Mortgage Increase

WASHINGTON, Nov. 14 (AP)—President Roosevelt has approved a \$1,000,000,000 increase in the amount of outstanding mortgages which may be insured by the Federal Housing administration.

That action, announced today, raised to the maximum (\$4,000,000,000) the mortgage insurance capacity allowed the housing agency by the FHA act.

In a letter to Stewart McDonald, housing administrator, the President congratulated him on a "remarkable record" and asserted: "You have demonstrated that comfortable homes for people of moderate means can be provided at low cost and without loss to the government, whether the homes are owned by the occupants or rented by them."

## Turks' Place In New Order Not Revealed

Russia Will Keep 'Hands Off,' Say German Leaders

(By The Associated Press)

Another gigantic split-up in world "spheres of interest" was pictured by reliable quarters in Berlin today as the outcome of negotiations between Adolf Hitler and Russian Premier Vyacheslav Molotov.

With British bombs raining on the heart of Berlin shortly after Hitler and Molotov concluded their discussions, these quarters gave a description of the new Soviet-Ritch accord which, boiled down, seems to indicate that Germany, Italy and Japan will not interfere with Russia if Russia does not interfere with the Rome-Berlin-Tokyo triple alliance—in other words, a mutual "hands off" agreement.

Amid this diplomatic fanfare, London reported that Britain has struck another blow at Italy's big naval base at Taranto, following up an earlier attack this week.

Judging from what some informed Germans are offering today, Molotov appears to have given Hitler some reason to think that Russia will help to swing Turkey into the Axis lineup in return for a Russian sphere of domination in between that allotted to Japan and that which Rome and Berlin have marked out for themselves.

Just how much Russia will do is yet to be shown; certainly, Stalin has made no open commitment. Moreover, it appears that no immediate military pressure is to be put upon Turkey.

The Germans seem to have convinced themselves that Russia believes Britain is done for. Yet this is highly debatable. It seems much more likely that Russia will wait for more decisive military developments in the European war before committing herself irrevocably to one side or the other. Russia's collaboration with the axis, then, will be measured by the developments.

Resignation Declined

WASHINGTON, Nov. 14. (AP)—William C. Bullitt announced today that President Roosevelt had declined to accept his resignation as ambassador to France.

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

Turkey Dinner To Be Served This Evening

Beginning at 5 o'clock this evening, the Altar Society of Holy Souls Catholic church will serve a turkey dinner in the parochial school hall. Serving will continue until 8:30 o'clock. A bazaar with fancy work, cub scout booth, fish pond, country store with home-cooked food, an Hawaiian booth, bingo, and other concessions will be featured. Mrs. Floyd Hollenbeck is general chairman of the annual event. Chairmen of the various booths are Mrs. R. A. Chisholm, Hawaiian; Mrs. L. W. Burrows, fancy work; Mrs. W. H. Putnam, country store; Mrs. E. B. Daley, fish pond; and Messrs. F. D. Keim and D. C. Kennedy, bingo.

MARKET OBSERVES ANNIVERSARY

The B. & G. Market, 412 South Cuyler, will celebrate its first anniversary, Friday, Saturday and Monday. Marshal Brooks, manager is shown, left, and Bud Amrey who owns and operates the store's meat market is shown right. Another employee, Reubin Pipkin, has been with the store since its opening. First quality nationally advertised brands of foods are handled at the store. E. L. Coad is Mr. Brooks' partner.

200 Receive Social Security Payments

At the end of October, monthly payments totaling \$3,445.46 were being received by 200 persons in the area served by the Amarillo office of the Social Security board according to the statement of Dewey Reed, manager. "Of the 200," Reed said, "96 are fully-insured wage earners aged 65 or over who have retired from covered employment. In addition 40 wives and widows are receiving pay-

ments each month, as well as 65 children of wage earners." Besides the monthly payments, \$5,916.42 has been paid in lump-sum without cost to those desiring to file a claim. Furthermore, Reed pointed out that regular itinerant service is maintained at Borger, Canadian, Childress, Clarendon, Dalhart, Hereford, Memphis, Pampa, Perryton, Shamrock, Tulia, and Wellington, for the purpose of assisting claimants to completely prepare their claims. Arrangements can be made by mail for an appointment at one of these towns if it is not convenient for the claimant to visit the field office, the manager said.

Reception Given As Courtesy To Church Members

A reception honoring all members who have joined the First Christian church in the past six months was given at the church last night.

The fellowship committee, under the leadership of Mrs. Robert Louvier, had charge of the program. After the group was led in several songs by Frank Baird, the following special numbers were given: "Kentucky Philosophy," a reading by Lee Mary Parker; "A Lady Came to Call," a reading by Ann Jordan; a reading by Jane Day; "Without a Song" by Jennings Flathers.

Membership certificates were presented to the new members by the Rev. B. A. Norris, after which several get-acquainted games were enjoyed by the group, led by Mrs. Winston Savage and Mrs. Louvier. Refreshments of doughnuts, coffee, and hot chocolate were served to the following:

Messrs. Moore Jones, B. A. Norris, Earl Cloud, W. G. Kinser, C. F. Bastion, A. W. Frederick, C. W. Masters, Frank Baird, Dave Brummett, R. O. Mangel, L. L. Keyes, B. G. Jordan, C. H. Mundy, and Wiley Day. Meses, J. H. Beach, Rufe Jordan, F. R. Gilchrist, W. O. Prewitt, Hugh Labell, Winston Savage, Guy McTaggart, Robert Louvier, Jesse Sowders, Ruth McCaw, De Lea Viars, C. L. Shearer, Burl Graham, D. L. Brown, G. S. Killebrew, H. H. Huthens, E. B. Smith, Corinne Bell, H. F. Maxey, Emmett Gee, George Neef, and N. G. Thomas. Meses, Mrs. J. H. Flathers, Misses Sylvia Goodwin, Margaret Brummett, Mary Lynn Schofield, Dorothy Southard, Josephine Thomas.

Doctor Describes New Pneumonia Type

By STEPHEN J. McDONOUGH Associated Press Science Writer LOUISVILLE, Ky., Nov. 14. (AP)—A new type of pneumonia caused by a virus instead of bacteria was described today before the annual meeting of the Southern Medical Association. Heretofore pneumonia was believed due entirely to one or more of

33 specific types of the pneumococcus bacteria, but Dr. Warfield T. Longscope of the Johns Hopkins University, Baltimore, Md., declared that the new type of the disease, sometimes fatal, cannot be attributed to any of these. It is an insidious form of the disease, he said, because it may develop for as long as three weeks with a dry cough, irregular fever, sometimes high fever, blueness of the skin and nausea before a chest examination reveals true pneumonia. The disease is highly contagious.

Dr. Longscope declared, many cases having occurred among nurses, physicians and medical students working among infected patients. Neither sulfapyridine or sulfathiazole, the two drugs which have markedly reduced the pneumonia death rate during the past two years, is effective against the "X" or virus type of the disease, he added. It is reported that the motor transport industry employs one-seventh of all the workers in the United States.

THANKS A MILLION...

Yes, thanks a million for the wonderful reception you gave us on the opening of our New Diamond Shop. Although it was the coldest day we had this year, you came by the hundreds and it's impossible for us to tell you just how much we appreciate it. We shall endeavor to make it up to you in greater values... especially during the next two months. Come in and see us... Open your account... You pay no money down and there are absolutely no extras of any kind added for this service. Remember Sam and Mollye place their faith in Pampa and their trust in you. Open your account today and SAVE during our great Pre-Xmas Sale.

Cotton Ballot To Be Discussed

Five representatives of Gray county will attend a district AAA meeting in Amarillo, Monday and Tuesday to study the 1941 AAA program and discuss the cotton situation in connection with the cotton marketing quota referendum to be held December 7. Irvin W. Cole, chairman of the county AAA committee, has announced. Delegates to the meeting from this county will be Ralph R. Thomas, county agent, Irvin W. Cole, chairman of the county AAA committee, B. J. Shaw, vice-chairman, J. M. Carpenter, member of the county committee and Minnie O. Montgomery, secretary of the Gray County ACA.

Chairman for the first day of the two-day meeting will be Parker D. Hanna, extension service agent for this district, while Charlie L. Thomas, the district's member of the state AAA committee, will preside the second day. On the program the first day Fred Remmel, who is in charge of the range conservation program in the state, will discuss the 1941 range program; R. T. Price, state administrative assistant, will report on the "Mattress Program" and "Appeals"; B. F. Vance, assistant state administrator, "Status of the 1940 Program"; Lester Young, state administrative assistant, "1941 Handbook."

Navy Recruiting Officers To Be In Amarillo Friday

Chief Petty Officer A. N. Dearing of the United States navy recruiting service, stationed at Wichita Falls, was a Pampa visitor today. He said he would be in Amarillo at the recruiting headquarters in the post-office building all day Friday and would accept applications for enlistments from anyone in the Pampa area. Registration in the recent draft program will have no bearing on enlistment in the navy, Chief Dearing said. Anyone of registration age can enlist in the navy now. Those who have already made application to enlist in the navy and are called in the draft may enter the navy on the day their number is called for the army, the officer said. During 1939, tractors valued at \$200,561,495 were produced in the United States.

### Open House Will Honor All Methodist Women At Northwest Conference

Honoring women of the three local Methodist churches, Harrah chapel, McCullough Memorial, and First, and all visiting women attending the Northwest Texas conference which begins here on Friday, open house will be held at the home of Mrs. W. Purviance Saturday afternoon between 2 and 5 o'clock.

More than 200 women are expected to attend the conference. All of this group and all Pampa women who work in any of the three Methodist churches are urged to attend the event.

Hostesses will be Meses. John Hesse, H. P. Doer, J. M. Turner, Joe Shelton, Bob McCoy, Horace McFee, J. E. Kirchner, W. D. Waters, and C. E. Hunkapiller.

In the receiving line will be Mrs. Purviance, Mrs. W. M. Pearce, and Mrs. H. E. Bratcher, wives of the pastors of the First and McCullough churches; Mrs. H. H. Woman's Society of Christian Service; and Mrs. G. T. Palmer, wife of the district superintendent in the Clarendon district.

An autumn theme is to be carried out in the decorations and refreshments.

Fouring tea and assisting in the dining room will be Meses Hugh Anderson, E. V. Ward, Joe Wells, Em-

### P-TA SPEAKER

The Rev. B. A. Norris, above, pastor of First Christian church, will speak on "Practical Education" at the father's night program of Horace Mann Parent-Teacher association this evening at 7:15 o'clock in the school. The program will include numbers by the school band, the devotional by Mrs. B. A. Norris, special music by J. H. Flathers and Carl Adams, and a report of the state P-T-A meeting in Dallas by Mrs. H. M. Stokes, president.

### B-PW Club Has Regular Meeting In Club Rooms

A regular meeting of Business and Professional Women's club was held in the city club rooms Tuesday night with Ruth Walstad, president, presiding.

Following the roll call, a report from the Council of Clubs was given by Frances Craver and a report of the district convention of Business and Professional Women's clubs held in Vernon on October 12 and 13 was given by Jess Bumpass.

Opal Wright, chairman of health committee, arranged the program and introduced Dr. Malcolm Brown, speaker of the evening, who talked on cancer. At the close of his talk, the meeting was opened to round table discussion and numerous questions were asked.

A special board meeting was called immediately following the regular meeting and provisions were made for a Thanksgiving basket.

Attending the meeting were Freda Boehm, Jess Bumpass, Frances Craver, Marie Gee, Mary Fleming, Delton Hall, Maurine Jones, Leora Kinard, Gypsy Malloy, Madeline Murray, Letha Northup, Mayme Counselor, Grace Pool, Gladys Robinson, Madge Rusk, Clara Lee Sheenmaker, Margaret Wallace, Ruth Walstad, Mildred Lafferty, Rowena Wasson, and Opal Wright.

### SINGER

Miss LaNell Schelchagen, above, sang two numbers, "The Star" and "Indian Love Call" at the meeting of Junior High school Parent-Teacher association Tuesday night in the high school auditorium. Dr. J. A. Hill, president of West Texas State college at Canyon, was guest speaker.

### Junior Business Women Will Have Buffet Supper

Junior Business Women's club met this week at the Schneider hotel for a regular business session, conducted by Miss Blanche McMillen, president.

The club voted to co-operate with the Red Cross and a number of the members volunteered to assist in the membership drive.

Miss Katherine Ward and Mrs. Mark Vantine conducted a quiz program on Parliamentary Law and after the program, lead in the discussion of questions on the same subject.

Attending the meeting were Meses Sallie Cahill, Helen Morehead, Blanche McMillen, Peggy Johnston, Odessa Kunkel, Mary Elizabeth Fur-long, Helen Montgomery, Katherine Ward, Edna Nordstrom, Marquarte Jones, Ernestine Francis, Mrs. Mark Vantine, and Mrs. John Mitchell.

The next meeting will be a buffet supper at the home of Mrs. Mark Vantine on November 25.

A defense bill now provides funds of \$20,000,000 to start a program of 4,000 civil airports, all of which would have more or less military utility.

### Mrs. Jenks Hostess At All-Day Meeting Of Hopkins Circle

Members of Hopkins circle of Woman's Missionary society of Central Baptist church met this week in the home of Mrs. Paul Jenks for an all-day quilting and business meeting.

A covered dish luncheon was served at the noon hour.

The next meeting will be November 27 in the home of Mrs. R. E. Warren.

### Primary Grades Of Baker School Have Assembly Program

Assembly for primary grades of B. M. Baker school during American Education Week was held Wednesday.

All pupils participated in singing "God Bless America" and the first and fourth stanzas of "America," led by Miss Julia Shackelford. Margaret Jones from the sixth grade played the accompaniment at the piano. The flag salute was given as Virgil Wallin held the flag.

Scripture readings learned at Sunday School were given by LeRoy Brown, Robert Wayne Long, Edna Rose White, Melba Joan Hogsett, Peggy Hamm, and Billie Dee Smith; and Margaret Price led the children in repeating the Lord's Prayer.

A fire prevention playlet, "Sad But True," was presented by Arline Patton, Myrtle Dee Randall, Ruth McNutt, John Henry Clanton, Joe Besse, Jerry Davis, Max Holland, Jimmy Hyatt, C. L. Ritter, and Hershel Langley from Miss Lillian Mullinax's room.

Billy Chapman played a clarinet solo. "Autumn Lullaby," "Flag Song," and "Indian Lullaby" were sung by Norman Covington, Betty Matheny, Charlotte Hayes, Carmalita Dunaway, Ronald Beard, Tom Clark, Maxie McCathern, Emmet Neese, Verna Belle Ritzer, Antonio Arcilans, Billy Chapman, Carroll Lee Smith, Bobbie Brummett, and Delores Bryan of Miss Bernice Lash's room.

"Golden Keys" was given by Jimmy Lee Tucker and Margaret Jones concluded the program by playing a piano solo.

Tom Clark announced the numbers.

Mustard gas was discovered 60 years before the World War.

### Primary Grades Of Baker School Have Assembly Program

Members of Hopkins circle of Woman's Missionary society of Central Baptist church met this week in the home of Mrs. Paul Jenks for an all-day quilting and business meeting.

A covered dish luncheon was served at the noon hour.

The next meeting will be November 27 in the home of Mrs. R. E. Warren.

### The Social Calendar

### Mrs. Johnson Hostess To Club At Bridge-Lunch

Mrs. J. B. Johnson was hostess to members and guest of Wednesday Contract club at a bridge-luncheon in the Schneider hotel yesterday.

Colorful autumn leaves decorated the tables and the tallies and place cards stressed a Thanksgiving theme.

High score was made by Mrs. Robert L. Freeny and second high by Mrs. Glenn Mordy.

Attending were Meses. H. C. Berry, Glenn Mordy, Roy Foundavall, Grey Warner, Robert L. Freeny, H. T. Kelley, and J. B. Johnson, members; and Mrs. Hollis Keys, a guest.

Mrs. Kelley will be hostess to the club on November 27.

### Ester Club Has Luncheon In Home Of Former Member

Members of Ester club went to Canadian Tuesday for a covered dish luncheon served in the home of Mrs. R. S. Walker, a former member.

During the business session which followed the lunch, plans were made for a box supper to be given Friday night to provide funds for re-decorating the I. O. O. F. hall.

The group presented the hostess with a birthday gift.

Making the trip were Meses. Carl Baer, Roy Kretzmeier, Vencel, Castka, W. E. Noblitt, Kelley Neighbors, Roy Sullivan, Charles Stephens, Home Cook, Jess Clay, W. A. Spone-more, and Mr. and Mrs. John Hall.

People in the United States have about 200,000,000 coats annually.

### Johnny Gets His Gun

One of a series taking a draftee into Uncle Sam's new army.

By MILTON BRONNER  
NEA Service Staff Correspondent

WASHINGTON, Nov. 14 (AP)—John Q. Chiles will ultimately get his whack at K. P. duty. In other words, kitchen police. All his life he has heard about K. P. from men who have been in the army.

In some and story he has heard about spending miserable hours under the tyranny of the mess sergeant and saying, "Yes, sir" to the cooks, lest they heave a cleaver at the offender. Also he has heard that, aside from the fact that each private will have to do K. P. duty, this service is also handed out as a minor punishment for slight offenses.

But when he actually goes on K. P. in the new American army, the draftee is likely to find it is not as black as it had been painted. The one thing most soldiers hated was peeling "spuds" all day long. In a good many camps the government has now installed potato-peeling machines.

There is also machinery for washing pots and pans. However, there is no guarantee that a draftee will find a mess so equipped. He may still have to wield the old knife on the "spuds" and scrub pots and pans by hand.

This one consolation will be that K. P. duty does not last long and that, after it is over, a long interval is apt to follow before he is "elected" again.

The rookie will learn how to care for his own mess kit when he's in the field. It must be kept scrupulously clean. Once a day—or oftener—it will be inspected for uncleanness which might lead to dysentery. Each man, of course, must wash his own kit. Three large cans will be provided—one of soapy water, the other two containing hot water for rinsing.

Army cooks are taken from the ranks, each organization supplying its own. In the new army, there may be some novices, but every effort is being made to uphold the tradition that the U. S. army has better food than any other army in the world.

The draftee will also learn that his new life is not that of half soldier, half prisoner. He will usually be free on Saturday afternoons and Sunday. If he is religiously inclined, he will have opportunity to go to church or chapel.

Leave from camp will be fairly liberal. John Q. will be able to go to the nearest town at night, provided he gets back in time for taps. In many cases officers may not require a pass.

The draftee will be encouraged to take part in outdoor games. He will be able to keep up his courses in correspondence schools. In fact, he will be quite surprised to find how much time he can call entirely his own.

### 40 Bombers Will Be Sent To Britain

WASHINGTON, Nov. 14 (AP)—Forty of America's great four-motor bombing airplanes, designed for long range flying, are expected to be on their way to Britain before Christmas.

In line with President Roosevelt's new rule-of-thumb policy for splitting munitions production with the British, the bomber delivery will give the British half of the Boeing Aircraft plant's output of 80 Boeing B-17C bombers by late December. Experts said the planes have range so great they easily could be flown across the Atlantic to England.

Reports persisted, meanwhile, of the release to Britain of one of the secret bombsights developed by American military experts who regarded them as the world's most accurate. Lacking any official confirmation, these reports said that the second and newer of the two sights held by the army and navy would not be released.

The 40 bombers probably will be turned over to the royal air force in exchange for war-plane engines now being manufactured in this country for Britain.

Plans also were said in aeronautical circles to be well advanced for giving primary flight training this winter to 4,000 or more Canadian—and possibly British—flying pilots at United States schools not handicapped by severe winter weather.

### Prices Of Turkeys Increase Slightly

CHICAGO, Nov. 14 (AP)—Wintry weather took an unprecedented toll of turkeys just before Thanksgiving, slowed marketing and raised prices slightly but poultry dealers said today there'll be plenty of gobblers for the nation's festive table.

With movement of turkeys to market normally expanding rapidly at this time of year when the trade gears up activity for the first American eating bout of the winter holiday season, cold and snow have disrupted traffic in many localities, particularly in the West and North-west.

Dressed turkey prices have risen 1 1/2 to 2 1/2 cents a pound during the past few days in the Chicago wholesale market while live turkeys have advanced 1 to 1 1/2 cents. At 25 1/2 cents a pound, top grades of young hens, dressed, were quoted slightly higher than one and two years ago.

The nation had its largest turkey crop on record before the unexpected cold wave. Now dealers don't know exactly what to expect with holiday demand scheduled to expand rapidly this week-end.

Two-thirds of the nation will observe Thanksgiving Day November 22 while in 16 states the date will be November 23.

The turkey class of '40 was estimated about one per cent larger in population than last year, and placed by government census takers at 33,138,000 head.

### Hull Tells Dies To Use Own Judgment On Nazi Schemes

WASHINGTON, Nov. 14 (AP)—The state department has advised the Dies committee to use its own judgment on whether to start public hearings on the activities of German agents and other agents in the United States.

The department made public today an exchange of telegrams between Chairman Dies (D-Tex) of the house committee investigating un-American activities and Secretary of State Hull on the advisability of hearings which Dies said were planned to start November 22.

Dies asked Hull whether this "might embarrass you in the conduct of our international relations or in any serious way complicate the situation."

Hull replied that "the matter of public hearings before your committee is one which concerns the policy of an agency of the legislative branch of the government" and that Dies "as the responsible head of that agency must decide in the exercise of your own discretion and judgment" whether to conduct the hearing.

Hull also expressed appreciation to Dies for having made available to the state department information which the committee had gathered on the activities of German consuls and agents.

The German Junkers 90 transport-bomber, a four-engine plane, is capable of carrying 40 men or a large load of heavy bombs.

The new Focke-Wulf FW 187 twin-engine fighter is reported to have a top speed of 362 miles an hour.

### Now One Woman Lost 26 Lbs. of Fat

—4 inches off Hips  
—3 inches off Bust  
—7 1/2 inches off Waist  
Writes "I Feel Fine and Look 10 Years Younger"

How would you like to lose 10 to 20 pounds of fat in a few weeks? How would you like to lose your double chin and your too-prominent hips and abdomen and along with it feel better perhaps than you have in years? Get on the scales today and see how much you weigh. Take half a teaspoonful of Kruschen Salts in a glass of water first thing every morning. Cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar. After 30 days weigh yourself again—now you'll know the easy, sensible way to lose fat. Start today girls to get a more charming, attractive, slender figure. Kruschen comes in either the new pleasant, bubbling foam or plain bottle usually lasts 4 weeks and is inexpensive. Leading druggists all over America sell Kruschen Salts, if not supremely satisfied—money back.

# 1ST ANNIVERSARY SALE OF HIGH QUALITY FOODS

This being our first anniversary sale we feel that we owe to our many customers who have traded with us and made our store a success, an opportunity to buy food at rock bottom prices. As always is our policy to give the lowest prices in foods but during this anniversary sale we are even going deeper and make it possible for you to really lay in a supply of food at actual cost prices. ### 25 Boys And 24 Girls Born Last Month

Births in Pampa for the month of October numbered 49 of which 25 were boys and 24 were girls. Birth certificates filed with City Recorder W. M. Craven in the city hall have been sent to Austin.

Two sets of twins were born during the month, sons to Mr. and Mrs. Fred Roseman and a son and daughter to Mr. and Mrs. Ernest I. McClung.

Birth certificates filed follow: David Samuel III, son of Mr. and Mrs. David Samuel Bauer II; Roger Lloyd, son of Mr. and Mrs. Lloyd Benson; Retha Laverne, daughter of Mr. and Mrs. Ray E. Black; Charles Lyman, and Joseph Layton, sons of Mr. and Mrs. Fred Roseman; Gary Neal, son of Mr. and Mrs. Neal Byrd; Jackie LaVerne, daughter of Mr. and Mrs. John W. Croul, Jr.; Edward Michael, son of Mr. and Mrs. Edward J. Dunigan; Baby boy,

### No Novelty, Now

The shock of seeing German soldiers in Paris has worn off. Above, Nazi officers sit at ease in one of the city's famed sidewalk cafes as civilians stream by with scarcely a glance at their conquerors.

### KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acids in your blood your 15 miles of kidney tubes may be overworked. These tiny filters and tubes are working day and night to help Nature rid your system of excess acids and poisonous waste.

When disorder of kidney function permits poisonous matter to remain in your blood it may cause nagging headache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with burning and stinging sometimes show there is something wrong with your kidneys or bladder.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Wolford; Garry LaRue, son of Mr. and Mrs. Clifford L. Followell; Richard Dale, son of Mr. and Mrs. Anell T. Day; Harold Dennis, son of Mr. and Mrs. V. E. Maxwell.

The only phase of the defense program standardization attempt definitely announced is the plan for all-steel big engines, 40,000 of which are wanted in the next two years and are about equally divided between two types.

The sale to the British of transport planes by an American airline is reported to be the forerunner of further old-model sales of transport planes.

Japanese kimonos for the dead fold over from right to left; those for the living from left to right.

### GLORIFYING YOURSELF

BY ALICIA HART

Within the past week several readers have asked for directions for an egg shampoo to be given at home. Here they are:

First of all, drop one large fresh egg into a cup and whip it lightly with a fork. Add one-half teaspoon of fresh, strained lemon juice and set the cup within easy reach of the wash bowl in which you intend to shampoo your hair.

#### GIVE HAIR GOOD BRUSHING

Now brush hair and scalp for several minutes. Then, using very warm water and a liquid shampoo (you can make your own shampoo by dissolving small pieces of a bland soap in warm water), give your hair one good soaping and a thorough rinsing. Be sure that water for the final rinse is tepid—not hot.

Now pour the whipped egg and lemon juice mixture over your head. With thumb and fingertips, massage the egg into scalp. Keep on massaging for at least five minutes, adding a few drops of tepid water whenever the mixture seems to be getting dry and stiff. Afterward, rinse with a hand spray until not a trace of egg remains and your hair "speaks" when you run your hands through it.

#### NEVER RINSE WITH HOT WATER

If you do not have a hand spray, at least four rinsings in a bowl are required. Either way, by all means use tepid water for rinsing. Hot water will cook the egg.

If possible, brush your hair in the sunshine until it is dry. Otherwise, set it in loose, wide waves and ringlets pinned flat to the head until dry.

To get the most benefit from a hot oil treatment, vigorously massage hot olive oil into hair and scalp the night before you intend to wash your hair, pin a clean towel around your head and go to bed. Next morning, shampoo in the regular manner, soaping at least three times and rinsing four.

### British Hospitality

Saved from drowning after his plane was downed near Dover, Werner Voigt, Nazi pilot, puffs cigarette given by British soldier.

### New Chief of Army Air Corps

Maj. Gen. George H. Brett, above, is pictured in Washington after his recent appointment as Chief of Army Air Corps to succeed Maj. Gen. Henry H. Arnold. Gen. Arnold was named to newly-created post of Deputy Chief of War Department General Staff.

About 186,000 motor vehicles will be needed by the war department to transport 1,400,000 men.

#### Helps You Overcome FALSE TEETH

Looseness and Worry

No longer be annoyed or feel ill at ease because of loose, wobbly false teeth. FASTEETH, an improved alkaline (non-acid) powder sprinkled on your plates holds them firmer so they feel more comfortable. Soothing and cooling to gums made sore by excessive acid mouth. Avoid embarrassment caused by loose plates. Get FASTEETH today at any drug store.

### Lothian Appeals For More Aid To Britain

LONDON, Nov. 14. (AP)—British sources disclosed today that Lord Lothian, British ambassador to Washington, was en route from London to Lisbon, where he was expected to meet Sir Samuel Hoare, British ambassador to Madrid.

In a message broadcast to the United States last night from London, Lord Lothian, who is on his way back to Washington, said England needs "planes, finance and ships if we are to be sure of defeating the Nazi threat to liberty."

"The next year of the war may be as dangerous, perhaps more dangerous, both to us and to you than the last," he added. "Without adequate assistance from you in the three spheres that I have described, we cannot be sure of victory."

The ambassador expressed his nation's thanks to the U. S. for aid already given.

The U. S. army air corps is training 2,500 men a year in bombing meteorology, and in long-range navigation. All of the men being trained are enlisted cadets.

### Japanese Withdraw From Yanchow Port

TOKYO, Nov. 14. (AP)—Imperial headquarters announced today that the Japanese army had completed its withdrawal from Kwangsi province and southwestern Kwangtung province, dropping the curtain on a year-long chapter in the Japanese-Chinese war.

The announcement said Japanese forces finally withdrew yesterday from Yanchow, port on the Kwangtung coast through which the expedition which drove last November into Kwangsi and captured Nanning, the capital, was supplied.

The withdrawal was said to have been accomplished "without casualties." (Chinese dispatches had reported recapture of Yanchow after stiff fighting.) A war office spokesman denied that the withdrawal from the Kwangsi theater was a prelude to a wholesale evacuation of South China. The Japanese army continues to hold a considerable portion of eastern Kwangtung province, around Canton.

A new safety device for drivers is an automatic tuning control for auto radios which is operated electrically by the means of a foot button.

### Why Didn't They Want You, Mommy?

Obtain... and Hold Their Admiration—DON'T be a Wallflower Mother—Serve Admiration Coffee!

"Why didn't they want you, Mommy?" Poor little darling... wise beyond her years, she'd noticed the silent... that greeted her mother's eager proposal to prepare coffee for the Mother's Club. But she didn't know... and Mommy didn't know... how different it would have been—if only Mommy had known about the goodness of Admiration Coffee before. Hostess—or wallflower... the choice is yours.

So don't you risk it—not even once. Don't be known as a poor coffee maker—don't expect just any coffee to satisfy any more than you would expect just any size shoe to fit. Avoid embarrassment... avoid being a wallflower mother—serve Admiration Coffee!

Admiration Coffee! It's foolproof. Remember... more Southwestern housewives use Admiration than any other coffee. Admiration is so dependable! IT SAVES—Admiration's blend of full-bodied and more expensive coffees makes it economical to use. Many housewives report that they get more cups per pound. A Tip to remember. IT SATISFIES—Men... yes, and women, too... go for Admiration's extra rich and extra mellow flavor. A Tip to remember. IT PROTECTS—Scientific vacuum packing and modern cellophane packaging, etc., bring you Admiration protected from coffee staleness. A Tip to remember.

THERE'S HAPPINESS AHEAD... WITH ADMIRATION Admiration \$3000.00 WILL GIVE IN CASH FREE

A NEW CONTEST EACH WEEK! First Prize \$100.00 Third Prize 20.00 Second Prize 40.00 Next 20 Prizes 2.00

RULES: 1. Using a plain sheet of paper, tell us in about twenty-five words why you prefer Admiration Coffee. 2. Print plainly on official entry blank your name and address and the name and address of the dealer from whom you buy Admiration. Attach one Admiration coupon, or facsimile, and mail with your contest entry to Admiration, Department C69, Box 2079, Houston, Texas. Admiration coupons are packed with every can, jar, and package of Admiration Coffee. 3. Send in as many entries as you wish, provided each is accompanied by an Admiration coupon or facsimile. 4. Judges will award prizes to the entries which, in their opinion, give the most appropriate reasons for preferring Admiration Coffee. The decision of the judges will be final. No contest entries will be returned and all become the property of the Duncan Coffee Company. 5. Anyone may enter except employees of the Duncan Coffee Company, their advertising agency, and their families. 6. Entries are eligible from any place where Admiration is sold. WATCH NEXT WEEK FOR NAMES OF CONTEST WINNERS.

# Sherman, Paris To Clash In Feature Game

## Corsicana And Temple Will Also Battle

By HAROLD V. RATLIFF  
Associated Press Staff

The blue chips go on the line at Paris tomorrow night as Sherman's mighty Bears meet Raymond Berry's defensive wonders in the top game of Texas schoolboy football.

It is a battle for the state quarter-finalist is expected to emerge—a game matching the high-scoring machine of the year with an eleven whose granite line has allowed but six points in eight tests. Sherman had its first Pete Odum—84-point backfield speedster—in the harness but was doubtful if its battering fullback, Howard Rodgers, who has run up 72, would be able to play, due to an injury.

Paris worried over whether its touchdown manufacturer, Byrl Batty, would be up to form because of a shoulder hurt. Batty ranks just behind Odum and Rodgers in District 5 scoring, with 43 points.

After this game, Paris will have only Denison left on the schedule and Sherman will play Gainesville. Each will be highly favored to win the remaining game.

The week-end schedule starts off with an important tilt in the Fort Worth district tonight with Masonic Home's unbeaten, untied and unscored on little rascals meeting Arlington Heights for the undisputed leadership. A crowd of more than 15,000 was forecast.

The team that wins will be an odds-on favorite to take the title—and to reach the quarter-finals against either Paris or Sherman.

Two other district titles will be in the balance tomorrow. Wichita Falls' Coyotes, who lost their first two games when they had been picked to win the state championship, then began playing real football to capture five straight, tangled with the surprise of District 2—Graham's Steers—in a night game. Tied for the leadership, this tilt will establish the outstanding favorite for the championship.

Two star comebacks—Corsicana's Tigers and Temple's Wildcats—who couldn't beat a carpet in early season, battle it out tomorrow afternoon at Temple. The winner will take the lead in District 10 and become the central Texas favorite.

Of the state's eleven undefeated, untied teams, only Paris, Sherman and Masonic Home appear to be in danger of falling. Amarillo, Lubbock, Stephenville, Lufkin and Corpus Christi do not have week-end games. Jeff Davis (Houston) meets off-beaten San Jacinto (Houston), Kerrville plays thirteenth at Laredo and Harlingen engages Class A Mission.

The week-end schedule by districts:

- 1—No games.
- 2—Friday: Olney at Childress (conference), Graham at Wichita Falls (conference), Vernon at Quanah (conference).
- 3—Friday: Lamesa at Abilene (conference).
- 4—Thursday: Cathedral (El Paso) vs. Bowie (El Paso); Friday: Hobbs, N. M., at El Paso High; Saturday: Austin (El Paso) at Albuquerque, N. M.
- 5—Thursday: Denison at Gainesville; Friday: Sherman at Paris.
- 6—Friday: Arlington at Greenville (conference), Denton at Highland Park (Dallas) (conference).
- 7—Thursday: Arlington Heights (Fort Worth) vs. Masonic Home (Fort Worth) (conference); Friday: North Side (Fort Worth) vs. Riverside (Fort Worth) (conference); Saturday: Paschal (Fort Worth) vs. Fort Worth Tech (conference).
- 8—Friday: North Dallas vs. Woodrow Wilson (Dallas) (conference); Saturday: Sunset (Dallas) vs. Adamson (Dallas) (conference).
- 9—Friday: Electra at Mineral Wells.
- 10—Friday: Mexia at Waco, Corsicana at Temple (conference), Bryan at Cleburne (conference).
- 11—Friday—Dallas Tech at Kilgore, Bonham at Gladewater.
- 12—Friday: Forest (Dallas) at Palestine.
- 13—Thursday: Austin (Houston) vs. Sam Houston (Houston) (conference); Friday: Jeff Davis (Houston) vs. San Jacinto (Houston) (conference); Saturday: Reagan (Houston) vs. Milby (Houston) (conference).

## Phillips Jubilant Over Their 1940 Blackhawk Football Team

By MRS. A. M. STEVENS  
Special To The News

PHILLIPS, Nov. 14.—Inasmuch as the Phillips Blackhawks are the leading contenders for the Conference title, we feel that they deserve a bit more space than is usually the need for such football stories. Before going into the Hawks' tale of how they are about to win their last year of the season, a brief resume of the school's football history might throw some light upon the reason for the town's jubilation at the present state of affairs. And the town is jubilant!

Five years ago this fall, in 1935, Phillips high school opened its doors to its first crop of some 200 students. With the smell of paint still in their nostrils the first Blackhawk got into their uniforms and helmets and gave their all for good old Phillips High. Their coach, Mike Hale, had the worst kind of a handicap—a new school, a new group of boys, and a new game to teach to them. Coach Hale, now employed at the Alamo Refinery in Phillips, gave the school its first team which did as much as could be expected of such a group of neophytes.

## Marquette Now Leads Nation's Grid Scoring

SEATTLE, Nov. 14 (AP)—Jimmy Richardson, the "one man gang" from Milwaukee's Marquette university, soared from twelfth to first place as the nation's leading gridiron ground gainer with his sensational showing against Manhattan in last week's 45-41 track meet.

All he did against Manhattan was run the ball 175 yards and pass it 163 for a total of 338 yards of his team's 400 yard net. He threw eight of his team's nine pass completions, then dangled down the fairway to catch the other one.

His total of 1,055 yards for six games placed him ahead of a couple of 1939 leaders—Johnny Knollis of Creighton and Paul Christman of Missouri. Knollis ranks second with 986 yards and Christman rose from eighth to third by boosting his total offensive yardage to 980.

## Wellington To Invade LeFors For Last Game

Special To The News

LEFORS, Nov. 14.—The sun is going down on this football season. This week will be the last game for the LeFors Pirates. The game will be a conference game with Wellington and is to be played at LeFors Friday afternoon at 2:30.

Coaches Smith and Rankin expressed the belief that they can take the Wellington Skyrockets into camp if all the Pirates remain eligible. If some of the players are ineligible as last week against Lakeview, the Rockets are likely to win the game.

Wellington has been running all year off the double-wing back formation but of late they have taken up the old box formation that Austin and Estes made famous a few years back.

Practically all the injured Pirates have recovered and this week should end the season in a blaze of glory for the Pirates, yatus far the Pirates have a .500 average in both conference games and in outside or non-conference games.

Fans are being discussed to send the Pirates to the Oklahoma-Temple game at Norman Nov. 22. This undertaking is being sponsored by the Big Brothers of LeFors.

## Wilson, Meyer May Succeed Hartnett As Cubs' Manager

CHICAGO, Nov. 14 (AP)—The man most likely to succeed Gabby Hartnett as Chicago manager? Cub fandom and observers say it's either Jimmy Wilson or Billy Meyer.

They digested yesterday's sudden announcement that Hartnett was fired after 19 years with the Cubs as catcher and manager, slept on a formal statement by Owner P. K. Wrigley, woke up today reflecting on several new turns in the baseball world, then based their nominations on:

1. The report that Jimmy Wilson, catcher and world series hero with the Cincinnati Reds, already had reached an agreement with the Cubs following a surprise visit here last week.
2. A remark by Wrigley, who responded to a statement that Wilson would "make a good manager," by saying "I think so too."
3. The fact that a few days ago

## Stanford May Begin Looking For Bowl Foe

By RUSSELL NEWLAND  
SAN FRANCISCO, Nov. 14 (AP)—Fourteen blondes and a redhead couldn't drag confirmation of this from Stanford, but—if the Indians whip Oregon State in their football game Saturday they probably will begin beating the bush immediately for a standout Rose Bowl opponent.

Alfred R. Masters wouldn't say "Yes," but he didn't say "No," either. As athletic boss of Stanford he will be charged with the duty of rounding up the other half of the New Year's day classic. And all that stands in the way is for his team to flash the "go" signal with a win.

Stanford, if it knocks off Oregon State, has another slambang rival round the corner—California. The Bears have been getting tougher than their namesake every week.

With a win over Oregon State, Stanford could lose to California and still contend at least for the coast conference title. Washington, with a sweep of its remaining three games, could tie Stanford.

The ten conference members vote the western team into the Rose Bowl. Stanford punched out a 20-10 victory over Washington last week. Official wells are dry on the subject of an opponent "if and when" Stanford lands in the Rose Bowl. In the speculative field, however, appears ready for a boom. At present there are Cornell, Minnesota, Texas A. and M., Tennessee, Notre Dame, Boston College, and Georgetown among the bigger name colleges with unblemished records.

There are indications Boston or Georgetown would be a second choice. Notre Dame and Cornell are expected to be opposed to post-season contest.

This leaves the Texas Aggies and Tennessee, with two and three games respectively to play but both hot favorites to finish with perfect records. Tennessee lost to Southern California in the last Rose bowl, which may or not be an influencing factor in the ultimate selection.

Texas A. and M. by this sketchy process of elimination, becomes the bet to wind up in the big bowl if Stanford gains the right to move into football's best producing gold mine.

The Texans, if they come through this time, will be crowned Southwest conference champions for the second successive time, which never happened before. Last New Year's day they lapped a good Tulane team into submission in the Sugar Bowl.

## Pirates' Unsung Hero Is Little Cotton Ferguson

Special To The News

LEFORS, Nov. 14.—On every football team there's a boy who is a star but who is seldom flashy or outstanding. But when the going is the toughest or the need the greatest he is always in there plugging away and holding the team together. That boy on the LeFors Pirates is "Cotton" Ferguson.

Fans could spend a mighty profitable afternoon Friday watching Ferguson perform his duties against the Wellington Skyrockets. He's a top blocker and that is why he doesn't carry the ball much. He is also a great pass receiver.

Captain Kenneth Twigg is a dangerous triple-threat man, respected by his coaches, team mates, and opponents. Melton Oldham, who has been crippled for the past two games, should be a power on defense Friday night. "Maf" is a big, powerful boy who delights in literally smashing the interference of opponents.

The bulldog-jawed tackles for LeFors, Cecil Stracener and Paul Barrick, have improved all year and are expected to turn in their best performance of the year with this final act of football for the season. Robert Matteson and Windy Fite, guards on the well-balanced Pirates forward wall, have been consistent standouts all year and receiving little credit for the hard knocks that have acquired to open holes for the fleet backs to jog over the goal line to glory.

Many fans are expected to attend the game Friday from Amarillo, Pampa and McLean.

## Wilson, Meyer May Succeed Hartnett As Cubs' Manager

CHICAGO, Nov. 14 (AP)—The man most likely to succeed Gabby Hartnett as Chicago manager? Cub fandom and observers say it's either Jimmy Wilson or Billy Meyer.

They digested yesterday's sudden announcement that Hartnett was fired after 19 years with the Cubs as catcher and manager, slept on a formal statement by Owner P. K. Wrigley, woke up today reflecting on several new turns in the baseball world, then based their nominations on:

1. The report that Jimmy Wilson, catcher and world series hero with the Cincinnati Reds, already had reached an agreement with the Cubs following a surprise visit here last week.
2. A remark by Wrigley, who responded to a statement that Wilson would "make a good manager," by saying "I think so too."
3. The fact that a few days ago

## BAKER SCHOOL GRID CHAMPIONS

Members of the B. M. Baker ward school football team, which won the ward school conference this year, will be honored at a banquet Friday night at 6 o'clock in the high school cafeteria. The boys will eat all the steak, potatoes, vegetables, salad, dessert, and sweet milk they can hold. Following the dinner the Dan McGrew trophy will be presented to Coach Dick Livingston. This is the first year the winning team has received a trophy. It is a 16-inch statue trophy and is being donated by Dan McGrew, who is planning the banquet for the boys. The cup becomes the permanent possession of the team winning it three times.

Members of the Baker championship team, pictured above, are:

Bottom row: left to right: Edgar Paronto, Noel DeWitt, Bob Coffee, James Bowers, Roy Claxton, Carl Mays, Billy Van-Russ, Wilbur Blair, Mark Bunsard, Don Tillman, Roger Hemling.

Top row, left to right: Coach Dick Livingston (Texas Wesleyan college), Lawrence Jonts, Lloyd King, Jimmie Asher, Harold Bell, Charlie Huffines, J. T. Morrison, Laddie Mays, Billie Parker, Kelly Anderson, and Managers Thomas Vickery and Ray Hemling.

## Fans Looking Forward To Hartman-Pannell Encounter

HOUSTON, Nov. 14.—A couple of football fans, a favored power and a rugged, surprising underdog, shoot the works Saturday at College Station.

Rice Institute, the underdog, will unleash everything at its command against the bulwark that is Texas A. & M., the nation's No. 1 team of 1939 and close to becoming the first Southwest conference team ever to win two successive football titles.

It's one of the Southwest Texas' biggest games annually, and the 25th contest of this long series Saturday is expected to draw 25,000 or more fans. The Houston A. & M. Ex-students club is the largest in existence, and Aggie followers in this section are legion.

Two months ago, before the Neelymen started operating, the Owls weren't given a chance. They're still the underdog, but they have found supporters on the merits of wins over L. S. U., Texas, Centenary and Texas A. & I. Four wins are more than the Owls were expected to accomplish all season.

Man-to-man comparisons of some leading candidates for All-Southwest conference selection will be one of the sidelights of the game, headed by the meeting between Ernie Pannell of A. & M. and Fred (Moose) Hartman of Rice, rival left tackles. Both have been mentioned for All-American honors, and, although they will be on opposite sides of the line, their efforts will be watched.

Further, the Aggies' Marshall Robnett, one of the country's outstanding guards, may have a full afternoon opposite Lavy Bassett of Rice, who has given a standout performance in every Owl game to date. Of course, in Aggieland it amounts

## Speakers Named For Press Clinic

Special To The News

LUBBOCK, Nov. 13.—Principal speakers at the West Texas Scholastic Press clinic on Texas Tech campus November 15-16 will be Herschel Schooley, director of journalism at Hardin-Simmons university, and J. Edward Connor, director of public relations at New Mexico Normal university in Las Vegas, N. M.

Professor Schooley will discuss the problems of getting a high school paper out, and Mr. Connor will speak on the place of journalism in present day world affairs. Both men are graduates of the University of Missouri school of journalism.

It is reported that 300 pilots from the British R.A.F. recently arrived in Canada to participate in the Dominion's training program.

### Education Week Program Held By Pampa Rotarians

American Education week was the theme of the Pampa Rotary club's regular weekly luncheon program at noon Wednesday.

Speakers were W. A. McIntosh, superintendent of the Borger schools, and Travis Lively.

Supt. McIntosh reviewed the history of the special week, telling how an educational survey was started in 1915, completed five years later. This survey showed only a small

percentage of grade school pupils entered high school.

Also revealed was the fact that 29 per cent of high school students were not physically fit. Among the draftees of 1917-18, it was found that 25 per cent could not read beyond the fourth grade.

Lively told of his visit to Pampa schools as a Rotary representative. He was conducted on the trip by E. W. Cabe, supervisor of instruction in the Pampa schools, as a part of the local observance of American Education week.

"When De Banjo Plays" (Wilson) and "America" were sung by the 50 students comprising the eighth and ninth grade choir, directed by Mrs. Clifford Braly, Jr.

Attendance at the luncheon was 46, including P. E. Hobgood of Am-

### L. A., San Francisco Reported Slipping

LOS ANGELES, Nov. 14 (AP)—The Pacific coast's largest cities, San Francisco and Los Angeles, rest on land which has a tendency to slip inward with the result that some day the cities may slide toward each other a bit, a Pasadena geologist has reported.

Since the cities are 500 miles apart his audience, members of Sigma Xi professional science fraternity, agreed there was little danger of a municipal collision.

### Spain Now Asks For \$100,000,000

By LLOYD LEHRBAS

WASHINGTON, Nov. 14 (AP)—A Spanish request to the United States for a loan of \$100,000,000 was reported today in informed diplomatic quarters.

No decision on the loan request has yet been reached, it was stated, and ultimate action was expected to await pending events in the European war and clarification of Spain's position in the conflict.

Some administration officials, it was understood, look askance at the Spanish request for financial as-

sistance in view of the bitter attacks made in the government-controlled Spanish press against the United States, particularly in regard to this country's relations with other American republics, and the Philippines, once a Spanish colony.

The \$100,000,000 loan is desired by General Francisco Franco's government. It was said, to feed and rehabilitate a hungry and impoverished Spain, which has been unable to achieve recovery from its long and destructive civil war.

American officials made no comment.

Sumner Welles, acting secretary of state disclosed, however, that ways and means of assisting Spain were under consideration by American officials.

He added that Spain's economic

problems appeared to be a question for the American Red Cross.

Even under severe rationing, there is a serious shortage in Spain in many daily necessities. When I passed through Spain recently I found supplies of many foodstuffs exhausted, many other articles extremely scarce, and all prices excessive.

tionwide clubs, announced yesterday after a conference with the defeated Republican Presidential candidate that the clubs would

continue to function, although under a different name in deference to Willkie's wishes.

4. Suzanna was originally a part of the Book of Daniel, but was set apart as apocryphal.

5. Chaplin speaks in "The Great Dictator."

#### Groom and Booker 6-Man Teams Battle On Saturday

Special To The NEWS

**GROOM, Nov. 14**—When the Groom Kiowas meet the Groom Tigers on the latter's home field Saturday afternoon at 2 o'clock, there will be either some fancy scalping or a good fight. Tiger hunting take place. Both teams are out to "shoot the works" Saturday, for the winner of this all-crucial game becomes champion of District 15 for six-man Kiowa in full warpath regalia are out for revenge this time as the local boys won handily on the

#### Wake Forest Big Objective Of Texas Tech This Season

By FELIX E. MCKNIGHT

**LUBBOCK, Nov. 15 (P)** — Out here on a bald Texas plain a football game will be played Saturday, and the natives refer to it as "the greatest game ever played in Lubbock."

The natives are just certain that their undefeated, unafraid Texas Tech Red Raiders, winners of six rowdy games, will make it "the greatest game" when they duel the Wake Forest's Deacons from the deep South.

Scared only by the 6-6 tie played with Oklahoma Aggies in the season opener, the Techs are really quite a football club. Recognition comes hard for them, and they play "em all. It took a coast. Two years ago they were unbeaten—until St. Mary's Galloping Geels got hold of them in the New Year's day Cotton bowl classic.

Old Pete isn't always sad, like most coaches, but it isn't always that his rip-snorting fullback Charlie Dvoracek, is a'illin'. Charlie's nose got thorough remodeling in Tech's 26-6 triumph over Centenary Monday. To quote Peter Willis on the subject:

"Charlie is a football playah. He runs wiv his nose to the ground, like a wolf on a trail. It is jus like kisin' the bumpah of a moving truck to tackle Charlie."

Incidentally, the date on that Centenary game was correct—Monday. It's no stunt at all for the Techs to play two football games, including Wake Forest, in five days.

Why only a few years ago they licked a team in the afternoon and scrimmaged a couple of more hours that night because Peter Willis wasn't too pleased with their conduct of the afternoon.

Peter Willis Cawthon is a very hard man to please. His first stringers were idling against Centenary, held only a 7-4 lead at half-time. So Coach Cawthon benched them "for the duration." Second and third stringers pounced on the second half, made the regulars wince

#### Tech Meets Powerhouse On Saturday

**LUBBOCK, Tex., Nov. 14**—This bruising gridiron tussle between the undefeated Texas Red Raiders and the Wake Forest Deacons scheduled here Saturday afternoon at 2:30 o'clock will be something more than just an ordinary football game. In the Deacons it will show one of the most powerful grid juggernauts in these United States. A team that is a throwback to the days when brute power won ball games, and still wins them for Wake Forest. It will show the versatile Red Raiders as one of the fastest major teams in the nation. Plus all this, it will be Texas Tech's home-coming.

The Red Raiders will be seeking their seventh consecutive win but fully realize they are going against the Duke Blue Devils, and those two have been against this season. The Raiders chalked off their sixth straight win here Monday when they beat Centenary, 26 to 6, but lost the service of Big Charlie Dvoracek, fullback, who went 555 yards with a badly broken nose. Walter "Jumbo" Webster, sophomore, probably will start at fullback against the Deacons.

The Deacons have won six of their eight games this year. They turned in the season's greatest upset when they smothered the husky North Carolina University, 12 to 0. The Deacons lost to Clemson and the Duke Blue Devils, and those two teams are tops in the 1940 grid marathon.

The Deacons will show two of the greatest halfbacks in their Southern conference in Joltin John Polanski and Tom Gallovich. Polanski led the nation last season in yardage gained and Gallovich is among the first five major leaders this season. In eight games this season, Polanski has carried the ball 118 times and netted 555 yards, or a gain of 4.7 per try. Gallovich has gained the leather 99 times and netted 617 yards, or a gain of 6.3 per try. Gallovich is also a fine passer and punter.

When Julius Koshlap isn't splitting the defense wide with passes, he is running for magnificent distances for Georgetown.

#### By HARRY GRAYSON NEA Service Sports Editor

**WASHINGTON, Nov. 14**—Georgetown tackles the Boston College behemoths at Fenway Park, Boston, Nov. 16, but John L. Hagerty isn't lying awake nights counting flying eagles scampering across the Hoyas' goal line.

Jack Hagerty has a number of stable kids himself... is three deep with a line averaging 292 pounds and a backfield coming in at 188.

The battle between Georgetown and Boston College has developed into one of the high spots of the campaign. Both are untied and undefeated. The Washington institution hasn't been repulsed since its final game of 1937. Syracuse—last, fall, score 13-13—is the only club that has held the Blue and Gray even in three years... in 23 engagements.

Even though accomplished Auburn and Holy Cross remain on the Boston College schedule, following its engagement with Georgetown, everybody in New England will be astonished if the giants of Chestnut Hill fail to finish with a clear record.

But those who have met and seen Georgetown have a hunch that there will be a grand reshuffling of the nation's first 10 when the last shot is fired in the home of the Red Sox.

#### SEVENTEEN STRAPPING SOPHS SPUR VETERANS

Giving a rough idea of the strength of the Georgetown forwards, Al Blois has a tough time crashing through the picture at tackle.

He stands six feet six inches, 240, and holds the world indoor shotput and the I. C. 4-A shot and discus marks.

A squad of 45, the largest since Hagerty, an alum who starred in the backfield for the New York professional Giants, took charge at the Hilltop in 1932, reported this autumn.

Jack Hagerty has seniors backing up a senior team, but 17 strapping sophomores make life miserable for upper classmen.

So—win, lose or draw in the Boston College scrap—life isn't going to be tea and crumpets for Georgetown's opponents for the next couple of seasons.

#### SYRACUSE PLAYERS WOULD PICK HOYS OVER CORNELL

Neither club has played a schedule worthy of its mettle, although Boston College's smashing victory over Tulane gives it an edge in performance to date. Both smacked Temple, Boston College also ran rough-shod over Centre, Idaho, St. Anselm, Manhattan and Boston University.

Georgetown this season has been extended only by Waynesburg, a fine little outfit which put up a brave fight before losing 26-12. The Hoyas disposed of Roanoke, Virginia Tech, New York University, Syracuse and Maryland... as they pleased.

Syracuse players, who opposed

#### Christman Can't Eat Day Of Game

By HAROLD CLAASSEN

**COLUMBIA, Mo., Nov. 14 (P)**—You'd never guess as he lounges about during a football battle, his number "44" reminding you all the time of his pistol-like passing accuracy, that Paul Christman of Missouri is a nervous young man.

You'd never suspect that this Tiger pass master, who also has a reputation for the flippancy quip, doesn't eat the day of a game because he did "it feels like the entire Russian army is encamped in my stomach."

And you'd never realize, watching him pass three times from behind his own goal line—he did it against Colorado—that he was the fellow who spent an hour in church that morning.

His fasting and his meditation are as much a part of his gridiron training as Boulder Saturday credit hours. He began fasting Dec. 26... ever since he was a St. Louis prep player.

Last year during the Nebraska game Christman was dumped to the ground, only to bounce up with an aside to Bill Jones, Husker coach, "What do you teach 'em, Bliff, tough football?"

Oklahoma scouts who watched him at Boulder Saturday credit him with "the impossible"—lacking an official out of a decision.

"He was so cool and nonchalant and knew so well everything that was going on out there that he even talked an official into reversing his decision," they reported. "The Sooners had better watch him Saturday or he'll talk them right out of the game."

is all sham. Underneath Paul was as jumpy as a co-ed at a sorority rushing party.

#### Sports Roundup

**By EDDIE BRIEZE**

**NEW YORK, Nov. 14 (P)**—Boston College is 5-7 over Georgetown in Saturday's football headlines... La Marble's first official act as a pro was to accept a week's engagement to warble in a Broadway theater at Boulder Saturday credit hours. Yanks and Giants: Both Hank Greenberg and Frank McCormick, voted most valuable players in the two big leagues, are products of New York's Bronx... Another back, boys think Jimmy Wilson already has signed to manage the Cubs, despite denials from both sides... Glad to see the P. G. A. finally got around to letting down the bars for Ed Oliver.

#### Names Is Names

SERIAL STORY

GOAL TO GO

BY W. H. PEARS

Copyright, 1940, NEA Service, Inc.

YESTERDAY, Bill's efforts to arrange the voice of the people in a successful, Black gets a chance to show his movies to the Board members. He explains that the team has ability, lacks confidence and spirit. Three board members are impressed. Peakin's interest "How can you inspire boys when your son is constantly in trouble?"

CHAPTER X  
BACK at Peakin's drug store, Helen and Drowsy waited eagerly for news. Drowsy figured behind the counter; Helen played with the cracked ice in her coke. As Bill came slowly through the door, they rushed at him.

"What's the news, kid?" Drowsy demanded.

"Oh, Bill, is it good?" Helen asked.

"I don't know," Bill said gloomily. "But I'm afraid not." He told them about the meeting. "Mr. Skelton wasn't so bad, but old Peakin's still sore as a boiled owl. Gosh, I wish I'd let Bullethead knock the tar out of me!"

Helen looked at the clock. It was nearly 10. "I'm awfully nervous, Bill."

"Just the same, I'm glad you're here," Bill said. "I'll mix up some cocoa." Drowsy moved to let him behind the fountain.

They sat in silence, sipping their drinks. Each time the door opened they jumped. In a daze, Bill waited on customers. He made the wrong change twice and put cherry syrup in a chocolate soda. A loud, familiar voice broke in on Bill's thoughts. Bullethead Peakin swaggered into the store with Dot Skelton. She froze Bill and his friends with a haughty glance.

Bullethead hammered on the table and made himself generally obnoxious. But tonight Bill could not be baited. He waited on them quietly, making no retort to their fibs.

Helen's eyes blazed. "They ought to be ashamed to treat Bill like that!"

Drowsy said, "Look, Helen, here comes Peakin now! J. Conrad is with him."

The two men strode importantly into the store, joining Dot and Bullethead at their table. Julius Peakin's dour face was as close to a smile as it ever came. He jerked his finger at Bill.

"Two chocolate sodas," he ordered, turning a magnanimous smile on Skelton. "This is my treat."

"Thank you," J. Conrad Skelton said pompously. "All that talking has made my throat dry."

"Why don't they say something?" Drowsy whispered. "Why do they want to make Bill suffer?"

The four talked in low tones,

Peakin Loses a Bout When the Sack Bandit Meets a Flying Tackle

There was an instant's silence in which Bill could hear the bandit's heavy breathing. Then the silence was broken by a strange sound. It was like the sobbing note of a harmonica.

Bill shot a glance over his shoulder. He saw Dot Skelton jump to her feet, her mouth open in terror. The bandit whirled on her with a snarl. His trigger finger tightened.

Bill crouched, the money in his hand raining to the floor. Then he drove forward in a flying tackle. The bandit turned too late. Bill caught him hard and low. The gun, jarred from his hand, went clattering across the floor.

Steel fingers closed around Bill's throat. Gasping, the boy rammed his fist into the bandit's stomach, but the fingers pressed relentlessly. As the room began to swim before his eyes, Bill heard a bony thud. The fingers relaxed.

BILL shook his head to clear it. He saw Drowsy Peters, still clutching the jagged neck of a broken bottle, looking down at the bandit, who lay senseless in a pool of rubbing alcohol.

"D-did I kill him?" Drowsy asked weakly.

Bill hugged his friend. "You were swell, Drowsy," he choked. "That guy almost had me."

With a grin of admiration, both boys turned toward the rear of the store. Helen Welch was at the telephone calling the police. "That's keeping your head," Bill called to her.

A squad car arrived promptly. Julius Peakin sulkily refused to answer questions, but J. Conrad Skelton surprised Bill with his statements to the police:

"These boys deserve credit. They were just as frightened as we were, but, unlike ourselves, acted in spite of their fear."

When the police had gone, Bill began to sweep up the broken glass. Skelton and Peakin were in a huddle at the rear of the store. Finally Bill heard Skelton say emphatically:

"I must go against you, Julius. Young Mentor saved my daughter's life. You can't tell me that a boy who acts that bravely is a bully. I don't propose to insult him by offering money. There is but one way to repay the boy, and I intend to take it!"

Skelton crossed the store with brisk steps. His composit had vanished for the moment. He took Bill's arm.

"You're a brave lad," he said kindly. "You can forget what I said before that bandit entered. I'll drop in and have a talk with your father tomorrow morning."

U. S. Companies To Export Oil To Japs

BATAVIA, Netherlands East Indies, Nov. 13 (AP)—An agreement under which Japan obtains an increase of her annual oil imports from the Netherlands East Indies from 484,000 to 1,800,000 tons, with the United States and British companies acting as importing agents, was announced here today.

The agreement was concluded between Dutch Colonial and oil company officials and Tadaharu Mukai, chairman of the huge Mitsui interests and representative of Japanese oil companies, but the Standard Vacuum Oil company and the Rising Sun Petroleum company, Japan subsidiary of the British Shell interests, will act as importers for the Japanese.

Officials of the Standard and Shell interests, extensive owners of East Indies oil properties and largest exporters from these islands, were consulted in the long, difficult negotiations which produced the accord.

Japan long has desired to increase her oil imports from the Dutch islands so as to lessen her dependence on United States and British sources of supply.

(In view of the large American and British interests in the East Indies oil fields, the oil issue threatened to raise new frictions in the Orient, especially between Britain and Japan. The Batavia agreement apparently has postponed any clash of interests.)

American Scientific Wizardry Saving Lives In London

By STEPHEN J. McDONOUGH  
Associated Press Science Writer  
LOUISVILLE, Ky., Nov. 14—American scientific wizardry which produced a glass-like substance to make light turn corners was declared today to be saving the lives of thousands of Londoners during the current bombings.

The material made out of coal, water and air, is synthetic glass known technically as a methyl methacrylate resin and commercially as curvite, and has come into wide use in surgical operations.

Light at one end of a retractor used to pull open surgical incisions is carried around the bend of the instrument and directly into the operating field.

In the total blackness of London nights these instruments are making it possible for surgeons to operate on emergency cases when bright overhead lights are forbidden and the patients could not otherwise live until morning according to a report before members of the Southern Medical Association at its annual meeting.

Jerome Bayer of the Curvite company said more than 2,000 of the instruments are in daily use in London.

The same material made into transparent balls of varying size is

### 20,000 Of Italy's Finest Troops Cut To Pieces Or Routed By Greeks

By MAX HARRELSON  
 ATHENS, Nov. 14 (AP)—Some 20,000 of Italy's finest mountaineer troops who marched gaily into Greece on Oct. 28 were cut to pieces and routed by a comparative handful of 2,000 Greeks in an eight-day battle which began on the 30th, a wounded Greek captain declared today.

The captain, 37-year-old Panos Kyriakou, propped up in a hospital bed to tell his Homeric tale, said his men toiled 64 miles through the Pindus mountains in a continual downpour of rain for two days to make victorious contact with the invaders.

The Italians were caught flat-footed, he said, and that that moment the story was one of deadly Greek bayonet charges up craggy slopes, of close-quarter battles with rifles and machine-guns in ravines and passes, and of a panicky Italian retreat.

On Nov. 6, Greek reinforcements took over the job and the weary 2,000 got a rest.

Here is Captain Kyriakou's account of the savage battle:

"The encounter took place on Oct. 30 in the early morning on Mount Goumari, a peak 5,900 feet high, west of Mount Smolika, x x x

"The Italians were taken completely by surprise.

"They were marching in four columns of three battalions each. As soon as the fight began and the first machine-gun bursts were fired, the Italians were thrown back and started retreating in a northeasterly direction.

"A company of Greek cavalry under Captain Tavoularis simultaneously attacked Samarina (a Greek town in Epirus) and forced about 2,000 Italians there to leave in the direction of Mount Smolika, taking the difficult pass which leads toward Distrato.

"In a ravine locally called Pri-onia, we took our first 11 Italian prisoners without resistance. They raised their hands and shouted 'Viva Grecia.'

"Our march forward was delayed by material, such as machine-guns, automatic guns, and boxes of hand grenades and ammunition, strewn over the pass.

"At 3 p. m. my battalion attacked, pressing around Distrato. A fight developed in the ravine while I was trying to climb Mount Smolika to gain a dominant firing position.

"A night attack launched by more battalions drove the Italians back north of Smolika and threw them into the ravine.

"There the fighting continued for six days. The Italians, being chased back from hilltop to hilltop, managed to take advantage of the terrain to circle about.

"At 1 p. m. on Nov. 5, I received orders to attack and occupy a strategic height with one company of infantry. The height was held by about 100 Italians with full equipment. They were supported by batteries on a hill 1,000 yards away, but by 2:10 p. m. the height was taken, with the Italians driven back, leaving 64 dead and wounded and 27 prisoners.

"I was wounded in this engagement. The Italians, fighting in small groups of about 25, retreated in panic. My forces carried on the fight through Nov. 6 when reinforcements arrived. My men were so enthusiastic that I could not hold them back.

"On Nov. 6 the Italians still were being hotly pursued in the direction of Koritza when the retreat developed into an irregular flight, the Italians throwing away their equipment.

"Up to 8 o'clock that night, we had taken about 800 Italian prisoners and killed about 1,100.

"On the snow-covered summit of Mount Smolika, which is 8,500 feet high (highest in that region), about 250 Italians were killed by bayonet charges and machine-gun fire.

"At 9 o'clock on the night of Nov. 6, an Italian cavalry column coming

### The Great Comic In Serious Mood

Charlie Chaplin looks excited. He was, he was talking about Hitler's policies of hatred. "Only those who do not love and are therefore unloved can hate like that," the great screen actor declared. He's pictured in New York, where he viewed the premiere of "The Great Dictator," his film satire on totalitarian rules.

From the direction of Koritza to assist the retreat was held and dispersed and itself retreated in disorder.

"Panic spread to the whole column. They threw away everything they had in order to flee more quickly.

"We tied our prisoners together with ropes in groups of 18 and led them back, each group being escorted by two Greeks.

"They made no resistance. On the contrary, they seemed pleased at their capture.

"Throughout the fighting, Italian planes with Greek colors machine-gunned and bombed the Greeks."

The figures given by Kyriakou did not cover the period since Nov. 6, during which the government has announced annihilation of the greater part of an Italian division.

### Baptists Claim Gains For Sunday Schools

HOUSTON, Nov. 14 (AP)—The Baptist convention of Texas was told today that Southern Baptists have had a half-million more people come into their Sunday schools in the last 20 years than any nine other denominations in the nation.

The report said a table in the Southern Baptist handbook revealed the Southern Baptist Sunday schools had a net gain of 1,347,189, compared with a net gain of 873,208 by "the other nine main denominations."

The paper was prepared by the Baptist Sunday school board of Nashville, Tenn.

Declaring "it would certainly seem" there was "a deliberate effort on the part of some groups in the United States to belittle the Baptists and even to besmirch their good name," the report asserted "God has marvelously blessed these 'hated' Baptists."

In the last two decades, the report showed, the southern church membership had a net gain of 2,130,828.

The report of the Baptist Foundation of Texas, delivered by Executive Secretary George J. Mason of Dallas, pleaded for more endowments.

"Baptist institutions are getting it," he said, "but it is coming too slow."

The Foundation's assets are listed now at \$4,885,216, he said, although the figure does not include all endowment assets.

Motion for rehearing submitted: State Nat'l Bank of Corpus Christi vs. R. Morgan et al, Nueces.

Motions to advance submitted: Texas Unemployment Compensation Commission et al, vs. H. J. Bass et al, Taylor.

### Not Single Pampan At Budget Hearing

Rumored true to form, the annual budget hearing of the city was held Tuesday without a single Pampan, other than members of the city commission, being present.

Estimated expenditures for the fiscal year March 31, 1940-March 31, 1941 are \$260,813.52. The estimated total available funds are \$297,453.62.

The money is available, according to the budget, from the water department, \$151,834.92, and \$10,628.52 from taxes, as the principal sources of revenue.

Beer licenses and health certificates are estimated to net \$1,000 each.

Other sources are building permits, the entrance proceeds, dog tax, occupation tax, and garbage collections.

Estimated surplus for the end of the fiscal year, to go into the interest and sinking fund, will be \$36,640.10.

### America Shelters Another Anti-Nazi

Czech author Franz Werfel has joined the many European literary lights finding refuge in America from the Nazis. Werfel, whose epic novel, "The Forty Days of Musa Dagh" aroused Nazi ire, is pictured on his recent arrival in New York.

### WOMEN RALLY TO NATION'S DEFENSE IN RED CROSS VOLUNTEER SERVICES

### Training Courses Fit Them for Duties Vital in Present Emergency

WITH the call to the colors of more than a million of the nation's young men, American women everywhere ask how they can volunteer their services to aid in the emergency. What part can women and girls play in national defense?

The American Red Cross, through its 3,700 Chapters and their branches, provides the answer. More than a half million women already have enrolled to give their time in Red Cross volunteer services, according to Mrs. Dwight F. Davis of Washington, D. C., Chairman of Red Cross Volunteer Special Services.

Through sewing and knitting a million garments for Europe's war victims, and making millions of surgical dressings for war wounded and sick, they have gained efficiency and experience which can be readily diverted to the work for home defenses should the need arise, Mrs. Davis said.

In order to prepare most efficiently for any emergency which may come, the Red Cross is extending its training courses through its Chapters. Women motorists are trained for the Red Cross Motor Corps; girls who wish to volunteer for office work, train for the Staff Assistance Corps; other thousands join the Canteen Corps; women and girls who wish to learn to protect the health of their families,

take Home Hygiene and Care of the Sick Courses; those who wish to learn how to aid the victim of an accident, enroll in the First Aid classes.

The Gray Lady Corps is composed of volunteers who require no prior specialized training and this is available only in those chapters near military hospitals. The Gray Ladies are the visitors in military and civilian hospitals giving those aids and comforts to sustain the morale of the sick. Nurse's Aides are trained to assist doctors and expert registered nurses in clinics and hospitals and this training is limited at present to regions where there are many hospitals.

The Red Cross "preparation for humanity" program is supported by the memberships of the American public and every patriotic man and woman is urged to join his local Red Cross Chapter during the Roll Call, November 11 to 30.

### College Miss Has Plenty Of Poise But English Is Terrible

By JOSEPH A. RAWLINGS  
 CHICAGO, Nov. 14 (AP)—The average college girl of today has what it takes for a successful venture in business or the professions—poise—but she doesn't know her English, a career school official concluded today.

She's a rather sophisticated miss who doesn't blush too easily, but her spelling is bad and she uses a comma for decorative purposes only.

She's not afraid of the dark and she doesn't have trouble with those moody spells, but when it comes to knowing when to use "who" or "whom" she usually picks the wrong word.

But emotionally, she has balance, neither over-estimating nor under-estimating her importance, and she's in deadly earnest once she embarks on a course of training for a career.

These conclusions were drawn by M. P. Nelson, co-director of the Career Institute, dedicated to the task of training college women for secretarial positions they hope to use as stepping stones for executive positions in business and the professions.

Only girls with two or more years of college work or its equivalent are eligible to enroll. They come from approximately 50 colleges and universities from all parts of the country and present what Director Nelson described as a "good cross section of educational experience."

"On the whole," he asserted, "we find that college girls of today are

### Temperature Dips To 10 At Borger

(By The Associated Press)  
 Records for low temperatures in November, set yesterday, tumbled anew today as a biting, still cold gripped Texas for the second successive day.

There was little wind, but the penetrating chill burst water pipes and radiators, and in East Texas the damage to tomatoes and roses was heavy. All the way to Beaumont on the upper coast freezing temperatures were reported and expected to continue.

At Dallas the temperature dipped to 21, setting a new all-time record for low readings in November. Yesterday's 25 was the lowest since 1917. Tyler's 23 was the lowest recorded for November in the ten-year history of the weather bureau there. Cordonia had 23, a new low for November in modern weather bureau records.

Longview's 23 minimum was the coldest of any November date in

### Farley Visits Frank Phillips

TULSA, Okla., Nov. 14 (AP)—James A. Farley stopped briefly in Tulsa today and refused comment on whether his visits with wealthy Oklahoma oil men concern purchase of the New York Yankees.

The former postmaster general will stay overnight with Frank Phillips, Bartlesville, Okla., oil man and at dinner in Phillips' Woolaroc lodge tonight will be Lew Wentz, Ponca City, Okla., oil man and a long time baseball enthusiast.

### McDonald Asks Horse And Mule Breeding Program Be Discontinued

AUSTIN, Nov. 14 (AP)—In his annual report, J. E. McDonald, Commissioner of agriculture, today recommended that the legislature abolish the state program of horse and mule breeding, set up about six years ago.

Inadequate state support was the reason given for the recommendation.

In 1934, the legislature authorized the agriculture department to purchase fine jacks and stallions for service at small fees, financing the project with a portion of the state tax on parimutuel wagering on horse racing. When in 1937 horse race betting was banned, the animals were leased to caretakers.

"The number of such animals is being gradually reduced through death and otherwise," McDonald reported.

"With no means for adding to and replacing animals no longer fit for service, since many have reached too great age for profitable service, and because funds received through the leasing program are inadequate to meet the placement and inspection expense, I urge that the legislature

### Texas Exes Plan Dance At Amarillo

Announcement has been made by the Panhandle club of University of Texas to the Gray-Wheeler Ex-Students association on plans for a Texas All-College dance to be held on the night of December 26 at the Nat in Amarillo.

The dance is for all present University of Texas students, ex-students interested in or acquainted with present students, and friends of these two groups.

F. L. Stallings of Pampa is reporter and Sol Blomstein of Shamrock is president of the Gray-Wheeler unit. President of the Panhandle club, organization of students from the Plains attending the University of Texas, is E. C. Carver of Borger. W. S. Shaller is chairman of the Panhandle club dance committee planning the Amarillo event.

### Prepare NOW for quick starts and real driving power

### Winterproof

When a fullback ducks his head, takes a flying start and drives into the line with all his power, he's prepared for the smash with protection for his shoulders, chest, knees, hips and head.

Cold morning starts and quick drives to work can make equally hard smashes on your car's vital, moving parts. Prepare them with the correct lubrication that complete Winterproof Service provides to withstand the extra strain of cold-weather driving.

**ALL CARS NEED THESE WINTERPROOF SERVICES**

- 1 CRANKCASE—Drained and refilled with winter Mobiloil.
- 2 RADIATOR—Drained, flushed, Mobil Frezzone added.
