Sheriff Accepts Dispatcher Duties

Judge Explains County Position

By County Judge Don Cihak

I have read the article in the Muleshoe Journal of the statements made by Sheriff Dee Clements when he appeared before the City Commission and advised them that he was unwilling to take responsibility for administering the dispatcher program at the new Law Enforcement Center. Sheriff Clements had previously advised

me on Friday, September 26, 1969, of his decision.

When the Bailey County budget for 1970 was being prepared, Sheriff Clements met with me and stated that he wanted Mrs. Irene Splawn's salary set at \$300 per month because of "increased responsibility and work." I do not know now and I imagine that the other members of the County Commissioner's Court do not know what more work Mrs. Splawn will be doing as it has not been pointed out specifically to me what items she will be doing that she is not doing now. She will have a new refrigerated air-conditioned office to work in, that we do know, because the Commissioner's Court and a majority of 4 to 1 of the voters in this County voted to build a new Law Enforcement Center at a cost of \$175,000.00. The Sheriff and his deputies will have separate offices therein, and we will have a jail capacity of 50 prisoners.

Nonetheless, I proposed to the Commissioner's Court a budget including a raise for Mrs. Splawn to \$300.00 per month, and \$1000.00 as extra hire for vacations and holidays for dispatchers. This budget Cont'd. on Page 6, Col. 1

Schools Plan

To Observe

Fire Prevention

"Fire Hurts" is the theme of Fire Prevention Week, October 5-11 and plans are being made to make the students and faculty more aware of the dangers of fire.

"Science experiments relative to the fire triangle will be conducted, posters will be made, tapes will be recorded, filmstrips will be shown and fire drills will be conducted on all campuses," announces Neal Dillman.

Mules Stomped

By Mustangs

On Home Field

Failing in their fourth try to get on the scoreboards, the Muleshoe Mules fell in their attempt, 78-0, to the Denver City Mustangs.

A total of 11 Mustang touchdowns overwhelmed the Mules, who were not able to maintain control of the ball long enough to make a first down throughout the game.

Every time the Mustangs took control of the ball, they put another six or eight points on the scoreboard.

They were in complete control of the entire game, making two touchdowns in the first quarter, three in the second, three in the third and three in the fourth.

Injuries and illness had weakened the Mules during the week until Friday night, the starting line up was minus some of the usual Mule starters.

Several errors during the game helped the Mustangs take complete control of the entire game as they gaily romped up and down the field holding the Mules powerless to stop their progress.

Next Friday night, the Mules will go to Portales to meet the Portales Rams.

Following the game, several of the Mules were near their first defeatist attitude noted throughout the young season. One young Mule commented, "Most of the people just don't care, I guess they just expect us to lose every time."

SCIENCE TEACHER EXPLAINS FIRE THEORY--C.E. Fox, center, shows four of his sixth grade science pupils the fire triangle. He explained to the students that in order to have a fire, you have to have fuel, oxygen and fire. He conducted a classroom experiment showing what happens when oxygen is

cut off from a blaze. He proved that the fire is snuffed out when available oxygen is consumed by the fire. He is conducting the experiments in conjunction with Fire Prevention Week. Onlookers include from left, Stephen Grimmsley, Debbie Purcell, Fox, Carey Sudduth and Jana Bruns.

Fire Hurts!

HIGH COST OF HEEDLESSNESS IS LOSS OF LIFE, PROPERTY in conjunction with Fire Prevention Week, which is held this year from Oct. 5-11, Fire Marshal Owen Jones of the Bailey County Volunteer Fire Department says:

"Don't give fire a place to start! is a piece of advice often heard but too little heeded. Result of this heedlessness are starkly outlined in the annual fire records of the United States and Canada.

"In the two countries, more than 1,850 homes are destroyed or damaged by fire each day, in many instances with tragic loss of life. Fire strikes about 500 industrial and commercial places each day, and in addition to the waste of physical resources, there are incalculable costs in temporary or permanent loss of jobs and frequent business failures.

"We have an unfortunate habit of dismissing most fires as 'accidents,' as sort of visitations of bad luck which somehow are unavoidable. But how unavoidable--or predictable--is the fire started by a carelessly discarded cigarette, or overloaded and defective electric wiring, or poorly maintained heating and cooking equipment? As shown by National Fire Protection association studies, these and similar, uncomplicated causes are responsible for the great majority of fires.

"We need to acknowledge the fact that fires are not only wasteful but avoidable, then to go on to reform the habits and remove the hazards which cause them. When each of us as an individual has done this, we will no longer risk our lives, jobs and possessions to the destructive forces of fire."

Representative Talks On Grain Referendum

"Passage of the Grain Sorghum Producer's Referendum is a must in Bailey County," according to State Representative Delwin Jones of Lubbock. Jones, Chairman of the Agriculture Committee of Texas House of Representatives stated, "those of us in the state and national legislative bodies are watching to see if farmers are really concerned about their problems. If farmers are not willing to invest five cents per ton in working on their own problems, why should they expect the legislature to worry about them. Should farmers show enough concern to join together in finding solutions, then I can assure you that my colleagues and I stand ready to assist in any way we can."

"Groups who are not interested in working on their own problems receive very little sympathy from those not related directly to agriculture who are responsible for spending tax money. When insects, disease, and other problems need immediate attention the legislature is usually willing to help solve them when the farmers themselves show enough concern to help with the costs," he said.

For an example, "the boll weevil program would not have gotten off the ground if the farmers had not shown enough concern to help finance it," Jones added.

Representative Jones stated that he was pleased with the peanut growers approving their referendum by an 84 percent majority and looked for the

grain sorghum farmers to do equally well. The Grain Sorghum Producers Association is sponsoring the referendum whereby grain producers within a 29-county area vote on a proposition of collecting five cents per ton at first point of sale or processing to promote the sales Cont'd. on Page 6, Col. 8

Miss Muleshoe Vies For Miss South Plains

A blonde from Muleshoe is the first contestant to enter the Miss South Plains Pageant at Levelland.

Lovely Miss Treena Bryant, who is reigning Miss Muleshoe, and who was also in the top ten finalists of the Miss Grain Sorghum Contest at Dimmitt recently, is sponsored as a contestant by the Muleshoe Jaycees.

She is a senior at Muleshoe High School and plans to further her education at the University of Texas.

She is 17 years old and the daughter of Mr. and Mrs. Don Bryant, who live northeast of Muleshoe.

Treena is the first of an anticipated 12 contestants who will compete in the Miss South Plains Pageant to be held October 18 at Levelland High School under sponsorship of the Levelland Jaycees.

She, or any one of the contestants this year, may well be the new Miss America. The winner of the South Plains Pageant will enter the Miss Texas Pageant to be conducted in July at Fort Worth.

The girl who captures the State crown will carry it to Atlantic City in September to compete in the National Miss America Pageant.

Treena, active in the band for the past four years, currently serves as vice president. She was elected best marcher, 1968-69; was All Region in 1966-67; All Region, 1968-69 and has competed in the UIL solo contest for the past three years. She is a member of the National Honor Society for 1969-70, serves as Librarian, a Student Council member, was Texas State Student Council Representative in

To Provide Proper County Protection

Commissioner Eubanks Gives Sheriff Clements 'Rough Time'

The Bailey County Commissioners Court met Thursday, October 2 at their regular meeting with all commissioners present, and considered a statement made by Sheriff Dee Clements to the effect that he would not accept the radio dispatcher supervision as it was outlined in the proposed county budget for 1969-70.

First action taken by the Commissioners Court was to ask Sheriff Clements "Will you take the dispatcher position like it is now, Dee?"

The Sheriff answered "No." Without further words, County Judge Don Cihak said "I make a motion that Bailey County advertise for someone to

take the dispatcher's program and said program to be operated under the direct supervision of the Commissioners Court of Bailey County instead of under the direction of the Sheriff's Department." The motion was seconded by Commissioner Eubanks of Precinct Three and carried unanimously.

At that time, the Sheriff asked if there was to be any discussion or consideration given to his thoughts on the matter.

He stated, "Neither time before, when you made the operation agreement with the city, or this time, have I been called in before the commissioners to discuss anything."

The Judge said "Deputy Splawn, will be eliminated. If we hire a head or chief dispatcher, then she can apply to the head dispatcher for a job, just as all the others will do. That, of course, will not guarantee that she will be hired.

"The county budget calls for a sheriff and two deputies, the third deputy will be eliminated. I need a secretary, I cannot operate without a secretary," commented Sheriff Clements, "and I think I am getting hit a pretty big blow not to have any help. I am also upset by not having enough money to pay extra help."

The Sheriff reiterated some of Deputy Splawn's duties and added that more of her job was secretarial than filing at the present time.

He added, "I can't come back in and get any money, I can't get anything changed and I can't get anything I need in here."

W.H. Eubanks criticized the Sheriff for a news story printed Cont. on Page 3, Col. 1

Local School Offers Adult Education Class

"Muleshoe Independent School District will again offer a course in adult basic education without charge to those persons who have not completed high school and who wish to improve themselves in the basic subjects of reading, communication and mathematics," said Ralph Stevenson, supervisor of Special Programs.

"It is proposed that the class will meet on Monday and Thursday nights for two hours per night. The classes will meet for twenty-five nights, making a total of 100 hours of instruction."

The class will be for those who have completed the sixth grade and who are interested in progressing to higher levels of education and perhaps to the successful completion of the General Education Development Test and in obtaining a certificate of equivalency. The class is primarily for those who are eighteen years of age and older, but those as young as sixteen years may be accepted in hardship cases," he added.

Everyone interested in taking this class is asked to meet in the Junior High School building at 8 p.m. on Monday, Oct. 6, at which time further information will be given. Classes will begin at 7:30 p.m. on Thursday, Oct. 9.

Violations Up 350 Cases Over Last Year

Either the area has shown a drastic upswing in minor violations and broken traffic laws, or the county, state and city officers have been extraordinarily busy during the past nine months.

In the first nine months of 1968, Justice of the Peace Joe Vaughn handled 612 cases in his office. This year, during the same period of time, he has logged 962 cases for an increase of 350.

Speeding heads the list of traffic violations for the month of September, with 49 tickets being issued by the Texas Highway Patrol for that violation. Drunk charges filed accounted for eight violations; over registered weight (trucks) showed seven violations; five people were fined for having no commercial operator's license, while during the same period to time, fifteen persons were fined for having no operator's license.

Five people ran stop signs; four were over gross weight; four drove on the wrong side of the highway; three were fined for failing to yield right of way; three for running signal light; and two each were fined on for the following violations: disturbing the peace; over axle weight; violation of driver's license restrictions; permitting an unlicensed minor to drive; failure to appear; failure to drive in single lane; contest for speed; minor in possession; driving wrong way on a divided highway.

On violation was filed for each of the following: shooting (firearm) off roadway; unsafe speed; no Texas registration; cut in after passing; muffler violation; improper turn; consume alcohol in public place; drunk in public place; interfere with officer in the discharge of his duties; illegal possession (liquor); no muffler; no MVI sticker; fail to leave information at accident; no motorcycle operator license; over length load; turn without safety; pass in no passing zone and parking on roadway.

Freshmen Romp On Springlake

The ninth grade Mules took on the Springlake Wolverines Thursday night. The Mules won 16-7.

Springlake scored the first touchdown on a pass from 10 yards out. The PAT was successful.

Then the Mules came back and Charles Ray Young scampers 50 yards for the Mules first touchdown. Jerrell Bara made the conversion. The score at the end of the first quarter stood at 8-7, Mules favor.

Midway in the second quarter, Joe Lopez made the Mules second touchdown from the ten yard line on an option. Charles Ray Young made the conversion and the score stood at 16-7 Cont. on Page 3, Col. 3

**NATIONAL
COOPERATIVE MONTH**

DURING OCTOBER WITH US

60 MILLION OWN CO-OPS

More than 60 million Americans share ownership in cooperatives. City, town, and rural people use these co-ops to get housing, food, health care, credit, insurance, drugs, furniture, and petroleum products. Rural people use cooperatives to get ginning, elevator, fuel, electricity and telephone service, chemicals, and steel products. All of this cooperative business totals \$20 billion dollars a year.

Business men also use cooperatives to serve their special needs — druggists, grocers, hardwaremen, clothiers, and other independent merchants. Associated Press, the world-wide news gathering agency, is a publishers' cooperative.

The distinctive mark of a co-op is that it serves the people who own it: its customers. It's locally-owned, not-for-profit, serving its member-owners at approximate cost. They have a voice in determining the quality of goods and services they get and the prices they pay through their co-ops.

In cooperatives, 60 million persons participate more fully in this country's free enterprise system. They find it a good way to get things done.

Sheriff...

Continued from Page 1

In last Thursday's Muleshoe Journal, During the course of the meeting, he again criticized the Sheriff for the story saying, "You should have come to the commissioners with your problem instead of taking it to the paper."

The Sheriff informed Eubanks he had appeared before the Muleshoe City Council last Tuesday to explain to the Council why he felt he could not accept the dispatcher operation with only \$600 budgeted for extra help during emergencies. He told the commissioner that a Journal representative was at the Council meeting.

During the meeting, Commissioner Loyd Stephens of Precinct Two, left the door open for the Sheriff to accept supervision of the dispatcher.

In the lengthy, sometimes fiery exchange of words, Eubanks asked the Sheriff "how did your salary get as high as is now? It's not legal now. The former Sheriff assessed taxes and you do not. If you did not spend so much time looking after your cows, you would have time to run the radio yourself."

Commissioner Stephens asked the Sheriff again if he would reconsider and accept the dispatcher supervision.

Sheriff Clements said "I would have been happy to take the dispatcher supervision if I would be provided the money I need, but you'll just took that away from me."

Stephens commented "The city budgeted \$600 and it should work another year, we have budgeted \$13,440 for dispatcher salaries and we don't know whether it will work or not, but we've got to try."

Sheriff Clements asked if they had found out what the city had actually spent for dispatchers over and above the budgeted amount.

County Judge Don Cihak countered with "I say we have already voted the budget and it should not be changed."

"The city authorized sick leave, which to me, and according to reports I have received, has been abused."

Commissioner Stephens had comments on the fact that there was no sick pay allowance. "If they (the dispatchers) are sick and in the hospital, there comes a time during sickness that you need to treat people like you would want to be treated yourself. Even if you have hospitalization, that won't buy groceries."

The judge said it would be set up on a basis that if dispatchers were sick, they could take it off their vacation time. They will have either two weeks vacation time or two weeks sick leave, but not both.

Stephens again asked the Sheriff if he would reconsider before everything was made final.

Sheriff Clements said "I sure would, if you will sit down and show us how it works, I would much rather to have met with you here than you go out to the Corral and decide what you are going to do and come up here and say so."

"The Judge was told before the budget hearing what was spent last year by the city for dispatchers, did he inform the commissioners court at the budget hearing?"

Eubanks told Clements "Figure it out like you want to, we figured it out."

Stephens added "I know I can't understand it all because I have never served in your office. I am not going to ask anyone to work for nothing, and as far as I am concerned, if extra money is needed, it will be made available."

The Sheriff asked "Would you put that in the form of a motion, that if I get in a bind, I can hire an extra dispatcher?"

He then asked, "Would you give me a little time to think about this? Right now, I am willing to take the dispatcher supervision as it is, at least until you could find someone. But, I would like a little time to think about it. We're all

ready going to have some trouble with the fire department. They have already said some things will have to change in order to provide adequate service for fire protection."

After Stephens said he should make up his mind now, and the commissioners were in agreement for an immediate decision, the Sheriff commented, "I told you all in my office, just a few days ago, that I couldn't accept it the way the emergency dispatcher fund is set up."

"However, in the interest of good law enforcement, I will take the supervision position and try to do the best I can. I have no other choice, as I can't operate without a secretary. Would I have the authority to hire a secretary?"

The Judge said the budget called for a sheriff, two deputies and four dispatchers, so he could not hire a secretary with county funds but would have to use Irene as previously used.

"Eubanks spoke up, 'Will he be nice about it or go blabbing around all the time about what we have done?'"

With apparent reluctance, Judge Cihak said, "We have already voted on it. I would like to see your acceptance in writing."

As the Judge and his secretary drew up an agreement for the Sheriff to sign, side remarks were made to the effect that the Sheriff came into the Commissioners Court too often asking for something. Eubanks commented, "I wish you would wait until you were asked to come in this time."

The written agreement, which was Sheriff Dee Clements' acceptance of the supervision of the four dispatchers, was signed by the sheriff. At that time, the Judge asked that the agreement be included in the minutes of the meeting. He entered a motion to rescind the motion to hire a head dispatcher. Eubanks seconded the motion, and it carried unanimously.

Commissioner Matt Dudley of Precinct One made virtually no comments while the Journal representatives were present.

L.B. Hall, Journal Publisher, asked if it was agreed among the commissioners that additional funds would be made available for emergency dispatchers when the initial \$600 as budgeted was depleted and was assured by the commissioners that emergency funds would be available, and permission was verbally granted the sheriff to hire emergency dispatchers as needed.

Following the meeting, Sheriff Clements was asked if he was aware that under this budget, Deputy Splawn was going to be transferred to dispatcher, answered, "No, sir, I sure wasn't. The only thing I could see was that Ruth (his wife) would be coming down to the law center and running the radio for nothing when I got into a tight. If Irene did transfer to the law center under the way the commissioners had it set up, she would be under a chief dispatcher and would not be available to help me with necessary work. I was never informed at all until today that she would not still be a deputy sheriff."

"Dispatching is only a small

part of Deputy Sheriff Irene Splawn's job," he added. "She writes from two to fourteen letters a day, handles all records, returns citations, makes records or all car registrations for city and county officers, takes statements (confessions) including at night, transfers women mental cases or women prisoners, and the District Judge requires a woman bailiff to be available when a woman is serving on the jury. "She also handles the jail book, citation book, bond book, warrant book, card files on everyone we handle, plus acting as receptionist. Those are all a part of her overall job, in addition to operating the radio."

Freshmen...

fight, I was so lonely and homesick for Texas I could die! Then, over the intercom, the pilot, who later turned out to be about my sixth cousin, said: 'Ladies and gentlemen, we are now approximately 2,864 miles from Muleshoe, Texas! How, that perked me up! You see, towns with odd names are quite common around our household. "John McCay went on to explain that he is from Turkey, Texas, which is between Gasoline and Quitaque."

Dear Editor

Support of the school, and in particular, the football team has always been a purported objective of both the school administration and the student body. During the past two games, however, this purpose has suffered a very weakening blow.

For some reason, the band and students have been divided diluting the strength of the spirit so essential in any team effort.

Whether this is in preference to town patrons of the team because they pay more or because of some other reason, surely the disadvantages of this system outweigh any positive points it may have. Let's all hope that this error will soon be corrected. Name withheld by request--

An Honorable One Personnel Manager: "H-mmm-m, you say you were discharged from your last job?" Applicant (meekly): "Yes sir." "Do you mind telling me why?" "Not at all; my enlistment was up in the navy."

Obituaries

Alice Evans

Mrs. Alice Evans, 88, died about 3 p.m. Friday Oct. 3, in West Plains Memorial Hospital. She had lived in the Muleshoe area for the past 15 years, moving here from Big Fork, Ark. She was a former resident of Lubbock County and the County Line community from 1923 to 1931.

Mrs. Evans was born January 14, 1881 in Chattanooga, Tenn. and was a member of the First Baptist Church, Muleshoe.

Her husband, Henry, preceded her death in October, 1954.

Funeral services will be held at 2 p.m. Monday, Oct. 6 in the First Baptist Church in Muleshoe with the Rev. Doug Dubose, pastor officiating. Burial will be in the City of Lubbock Cemetery under direction of Singleton Funeral Home.

Survivors include three daughters, Mrs. Doyle Turner, Muleshoe; Mrs. Ira Hollingsworth, Lubbock and Mrs.

Irene Brown, Lubbock; one son, Coy of Arlington; three sisters, Mrs. Callie Moore and Mrs. Daisy Martin, both of Comanche and Mrs. J.W. Evans, Chillicothe; 17 grandchildren, 37 great-grandchildren and 12 great-great grandchildren.

Church of Christ Meeting Begins Oct. 6

The 16th and Ave. D. Church of Christ in Muleshoe announces a gospel meeting, beginning Monday night, October 6, and continuing through Sunday night October 12. Services will be held each week day evening at 8:00 p.m. and at 10:30 a.m. and 6:00 p.m. on Sunday.

Frank Duckworth, Evangelist from Lockney, Texas will be the speaker in all of these services. The members of the local congregation invite everyone to come and hear this outstanding speaker, teaching from God's word, and to visit their new building.

The Duckworth family formerly lived in the Muleshoe Community from 1961 to 1966. They would like to see their friends and make new acquaintances during this series of meetings.

The 16th and Ave. D. Church of Christ congregation is plan-

ning a special day on Sunday October 12. The morning worship at 10:30 a.m. the dedication of the new building, lunch together at the American Legion Hall, singing at 3:00 p.m. and final service of the series at 6:00 p.m.

Everyone is cordially invited to hear Brother Duckworth in these services and also on KMUL at 10:00 to 10:15 a.m. Monday October 6 through Saturday October 11 and at 8:00 to 8:15, Sunday morning October 12.

Muleshoe...

Mrs. Kennedy's Granddaughter National Merit Semifinalist

Gina L. Garrison

Miss Gina L. Garrison, of Vanderbilt, Texas, 17 year old granddaughter of Mrs. E.H. Kennedy, has been notified that she qualified as a semifinalist in the 1969-1970 National Merit Scholarship. A senior at Industrial high school, she is the daughter of Mr. and Mrs. Harry Garrison.

The semifinalists were the highest scorers in their states on the National Merit Scholarship qualifying test which was given last February to some 750,000 students in 17,250 schools nationwide. They constitute less than one percent of

the graduating seniors in United States. Semifinalists become finalists by receiving the endorsement of their schools, substantiating their high NMSCOT performance on a second examination, and providing information about their achievements and interests. About 97 percent of the semifinalists are expected to become finalists, and each will be considered for one of the 1,000 national merit \$1000 scholarships which are allocated by state.

Powells, Zahns Tour Washington

"I wish more people our age would tour this country," said Owen Powell in discussing a recent tour of eastern States he and Mrs. Powell and Mr. and Mrs. Paul Zahn of Lubbock took. The Powells and Zahns made a trip to Florida last year and enjoyed being travelling companions, so planned another trip. This was the first trip to the area for each of the four and most enjoyable.

For people such as he, who had thought he would enjoy such a tour 'if I could get around here or there', Powell thinks taking guided tours solves the problem nicely.

They were gone about sixteen days and touched or toured nine States, including Oklahoma, Arkansas, Tennessee, West Virginia, Virginia, Washington D.C. and Kentucky. They passed through four mountain ranges, the Allegheny, Smokey, Blue Ridge, and Ozarks.

In Nashville, Tenn. they saw "Grand Ole Opry" one night. Roy Acuff was the star attraction. Minnie Pearl was on program but unable to appear. They waited in line 2 1/2 blocks long but took it all in stride and enjoyed the evening.

Outstanding among the sights in Washington, D.C. to them were Smithsonian Institute where they were particularly impressed by Lindbergh's plane, "The Spirit of St. Louis" and the "owns of President's wives. They only passed by the White House because the tour did not allow them to go in (the White House was preparing for a visit of the astronauts the next day). The travelers thought the model of Mrs. Kennedy more beautiful than her pictures. They were impressed by the figures of the astronauts, particularly that of John Glenn. The grave of President John Kennedy was also an impressive sight.

Congressman George Mahon was not in residence during their visit and Powell regretted not being able to visit with him since they grew up together.

They also saw the Lincoln Memorial, the Ewo Jima memorial, and Unknown Soldier's grave, Arlington National Cemetery, containing 300 acres, sees 25 burials each day. Virginia and Kentucky were the most beautiful states they toured, they thought. They toured Churchill Downs at Louisville, Ky. where the Kentucky Derby is run May 4 each year but of course did not see any races.

The Powells plan other such trips for the future. They think travel for semi-retired people such as they are is to be recommended.

PRIZE WINNERS.....Pictured among prize winning articles and ribbons taken at South Plains and Clovis Fairs are, L to r, Mrs. Charley Phipps, Mrs. Zed Robinson, Mrs. E.V. Bartlett, Mrs. Allie Barbour, Mrs. Bernice Amerson and Mrs. Mable Caldwell.

Hobbyists Display Fair Winners

Muleshoe Hobby Club held a regular meeting Thursday afternoon at Muleshoe State Bank community room and at the same time displayed articles which won ribbons at the recent fairs.

Visitors during the meeting were Mrs. Lud Taylor and Mrs. Roland Bigham of Muleshoe, and from Earth, Mrs. Clyde Parish and Mrs. H.W. Kendrick.

Displaying articles at the meeting were: Mrs. Juanita Snow, bottle; Mrs. Zed Robinson, picture; Mrs. George Chambliss, Mrs. H.G. DeLoach, Mrs. Levina Pitts, pot holders and crocheted pot holders and show bag; Jewel Barry,

scarf, soap and plastic flowers; Mrs. Charley Phipps, egg carton flowers; Mrs. W.W. Evins, vase and hedge balls flowers.

Others attending were Mrs. Maye Evins, Mrs. Ola Pesch, Mrs. Bernice Amerson, Mrs. Allie Barbour, Mrs. Eva Dell Gillis, Mrs. Euna Maye Oswald, Mrs. Verna Dement, Mrs. E.V. Bartlett, Mrs. Lewis Henderson, Mrs. Mabel Caldwell, Mrs. Hallie Briscoe and Mrs. Howard Carlyle.

Mrs. Betty Jackson was a new member. A nominating committee was chosen to present a slate of officers at the next meeting. The committee is composed of

Mrs. Amerson, Mrs. Mae Evins and Mrs. Bartlett.

The next meeting will be held in the Muleshoe State Bank community room, with Mrs. DeLoach as hostess.

The hostess gift was drawn by Mrs. Carlyle, a baking dish.

Friendship Club Meets

Friendship Club met October 2 in the home of Mrs. George Johnson, with Mrs. Jackie Tate as co-hostess.

The opening prayer was given by Mrs. C.M. King. A delicious meal was served from tables decorated with fall flowers.

Mrs. E.W. Johnson, the president, presided over the meeting, during which the club project for October was chosen, to send a donation to Good Will Center. A report was given by Mrs. Tate on the Christmas party. Club members also reported on their trip to Girlstown.

Following the business meeting, games were played.

Attending were Mrs. A.J. Shafer, Mrs. C.M. King, Mrs. Scott Swafford, Mrs. W.E. Young, Mrs. O.D. Ray, Mrs. Bert Mathis, Mrs. E.W. Johnson, Mrs. W.T. Andrews, Mrs. J.W. Witherspoon, Mrs. N.C. Moore, Mrs. Inez Kennedy, Mrs. Mary Young, Mrs. Mae Bustice, Mrs. Lola Bryant, Mrs. Gladys Darsey, the hostesses and one guest, Mrs. Leland Mounts.

The next meeting will be November 6 at 7:00 p.m. in the home of Mrs. Mary Young.

Maxwells Have Daughter

Mr. and Mrs. Virgil Maxwell of Lubbock are parents of a daughter born October 1 at 10:17 a.m. in Methodist Hospital. She weighed six pounds, six ounces and is 21 inches long. She has been named Charlotte Sharmayne and is the first child.

Grandparents are Mr. and Mrs. V.E. Maxwell and Mr. and Mrs. Earl Petterson of Muleshoe. The mother is the former Pat Petterson and a former employee of the Journal.

Goals and Values Workshop Topic

"Goals and Values" will be the topic of the first workshop in a series of four on Money Management to be held October 14 at 7:30 p.m. Meeting place will be Bailey County Electric Cooperative community room at Avenue B and East Third Street (stairway at the SE corner of the building). Miss Linda Jacobsen, management specialist for the Extension Service assigned to this area, will be the speaker.

A GOAL is an aim, purpose or objective a person strives to obtain.

Everyone needs the purpose and sense of direction that goals provide. They are like landmarks. Each time a landmark or goal is reached, sights are set higher.

People need short range as well as long-range goals.

"Family life could go on for years without anything being done about clarifying values or establishing goals. No landlord requires an accounting of them, no assessor lists them as he does taxable property. The Internal Revenue Service requires no annual report on them. But the family that decided which are important to and best for it and then works toward achieving these goals is the family most likely to get what it really wants from life." Author Unknown.

A VALUE is that which a person holds as important, good or worthwhile. Values and goals are related. Values are the whys behind our goals. For instance, your goal may be to plant a big hedge around your yard. Why? Because you value your property.

This and much more will be discussed by an expert in the field at the Tuesday, October 14, meeting. Mrs. Robin Taylor urges everyone interested to attend. These meetings are not planned only for Home Demonstration members.

P-TA Panel Discussion At DeShazo

Mary DeShazo Parent-Teacher Association will start the fall season with a panel discussion on "Why Have a P-TA?" Mrs. Jack Strong, a member of the State Board, will serve as moderator of the panel. Panel members will be Supt. of Schools Neal Dillman, DeShazo Principal Bill Taylor, Mrs. Jack Obenhaus, a teacher; and Mrs. Bob Solomon, representing the parents.

Mrs. Joel Nowlin's Girl Scout troop will present the flag and Mrs. Josephine Mitchell's fourth grade music class is to sing.

Hospitality time will be at 3:45 p.m. All parents are urged to attend, according to a spokesman.

Muleshoe Baptist Youth Choir

Baptist Youth Group Sings For Glorieta Conference

This summer, the pictured group from First Baptist Church traveled to Glorieta Baptist Assembly in New Mexico, where they joined some 3,600 other Baptists from all over the world for the summer conference on Foreign Missions.

On Saturday night, before a group of the combined conference, the Youth Choir, composed of fifty-four of the fifty-seven youth attending, sang a selection from the folk musical, "Tell It Like It Is, entitled 'Pass It On!'"

This was just another of the thrills of the week spent there. The youth group was re-

vitalized, and came back ready to do things for Christ this year.

In a letter from Dr. Baker James Cauthen to Mack Moore, Minister of Youth Activities at the church, this was stated: "You are to be commended have much to be grateful to the Lord for."

The Youth Group is planning to return to Glorieta for a snow-filled good time this winter, December 30 through January 2. Termed their Mid-Winter Retreat, it will feature attempts at skiing, sledding special music and speakers noted for youth work, and out-standing films. A gala New Year's Celebration will highlight the three days there. The cost for interested parties who might like to join the group during this time, on a first-come first-serve basis, since they will travel by chartered busses, for your fine group of young people who attended the Foreign Missions Conference this year. Their pleasant spirit and willingness to serve was a noticeable thing during the week, and effected many with whom they came into contact. If they speak for the youth of Muleshoe, Texas, then you people there will be \$25.50. This includes

insurance there and back, room and board, and round trip bus fare. The deadline for signing up will be the Sunday following Thanksgiving Day. A five dollar deposit is required which is not refundable. A bus seats only 47 people. It at all possible, two busses might be taken, should at least 87 people wish to go. As many as wish to go may call Mack Moore at First Baptist Church for further information or to sign

Trinity WMS Meets For Study

Trinity WMS met Tuesday morning for another of a series of studies on the book of Revelation, led by Mrs. N.A. Dunlap.

The call to prayer was given by Mrs. J.J. Redwine. Other members present were Mrs. John Harris, Mrs. Odessa Slayden, Mrs. Jewel Glenn, Mrs. Walt Sain, Mrs. Whit Barber, Mrs. Eva Ashford, Mrs. Dorothy Smith, Mrs. Marvin Lewis and Mrs. Gene Sismore.

The Women's Missionary Society meets each Tuesday morning at the church. A nursery is provided.

sign up, then special arrangement will be made for private cars to travel with the bus.

Next on List

"And now gentlemen," continued the congressman, "I wish to tax your memory." "Good heavens," muttered a colleague, "why haven't we thought of that before."

Baptist Graded Choirs Begin Year's Activities

BY REV. MACK MOORE

Sunday, September 28, the first of the First Baptist Church Choirs began rehearsals for the year. The graded choir program of the church included four choirs.

The Sanctuary Choir, which meets each Wednesday Evening following the Mid-Week Prayer Service, is composed of adult membership of the church, from college-and-career age and up. The membership of this choral group, which sings for Morning Worship Services of the Church as well as special cantata presentations, numbers approximately thirty members. Current enrollment is not yet completed; therefore, actual membership is not known at this time.

The Chapel Choir is made up of youth from seventh grade through college-and-career. Its membership totals, at present, near forty high school and junior high school students from the church. During holiday seasons, and during the summer months, when the youth who are away in college come home, the enrollment should reach near seventy-five or eighty. Among plans for the Chapel Choir is a tour to the pioneer missions areas of our United States, hopefully as far as Edmonton, Alberta, Canada, where one of the invitations to appear was extended. Depending on fund raising projects and youth enthusiasm, the tour will feature not only the choir, but the First Baptist Players, the dramatics group of the church. Personal witness will be given along the way, as to the graciousness and glory of knowing Christ as personal Saviour. Hopefully, Vacation Bible Schools will be held for children and youth alike in the toured areas of pioneer Baptist work.

Additionally, one or two Youth Musicals are being planned and rehearsed. The first of these is a new Folk Musical, "A New Kind of Dream", by Gagliardi, a student at Wayland Baptist College in Plainview. All in all, it looks as if our Chapel Choir has its work cut out for itself.

Dinner Fetes Mrs. Evans

Lydia Class of Trinity Baptist Church hosted an appreciation dinner Tuesday evening at Corral Restaurant for their teacher, Mrs. J.D. Evans, who is resigning to work in the junior department. She was presented with a gift.

Attending were Mrs. Bud Barber, Mrs. Gene Sisemore, Mrs. John Blackwell, Mrs. Roy Baker, Mrs. Forest Creamer, Mrs. John Harris, Mrs. Marvin Lewis, Mrs. R.G. Bennett III, and the honoree.

Mrs. Raymond Precure will be the new class teacher.

Chosen from the Chapel Choir by audition will be The Embellishments, composed of eight selected youth (four boys and four girls). They will sing contemporary ballads, folk religious and secular music, using piano, guitar, and string bass accompaniment. Auditions for this select group will take place in the month of November. Because of the size of the group, and the ease of getting together for rehearsing, it is hoped that the future Embellishments will be widely used in church and civic functions in this area and throughout the State.

The Chapel choir rehearses Sunday afternoons from 5:00 p.m. until 5:45 p.m. in the Choir Room of the Church. Two children's choirs are featured this year in the First Baptist Church Choral Division.

Holmes, Hall TOPS Queens

Twenty-eight members weighed in at TOPS Club meeting Thursday evening in the community room of Bailey County Electric Cooperative. The pledge was recited and the Club song was led by Mrs. Raleigh Mason. Members responded to roll call with the amount gained or lost during the week.

Final plans were made for the Area Recognition Day meeting at Sunray October 18.

The Club discussed plans for getting red dresses to be made alike as group dresses.

Four members had birthdays Mrs. George Province, Mrs. Ed Harp, Mrs. C.W. Crain and Mrs. H.G. DeLoach. They were each given birthday gifts.

Weekly queen was Mrs. Claude Don Holmes, who gave a report on what she had done this week to lose weight. First runner-up was Mrs. Bob Solomon and second runner-up was Lillie Rodriguez.

Monthly queen was Essie Hall. Mrs. John Payne was first runner-up and second was Mrs. Tommy Whatley.

Mrs. Raleigh Mason entertained with two special songs. Judy Lambert was awarded

a TOPS pin for attending eight consecutive weeks. Mrs. Mabel Wolfe and Mrs. DeLoach received bracelets for attending sixteen weeks. Mrs. DeLoach also had reached her goal. Receiving charms for attending 24 weeks were Mrs. D.E. Bellar, Mrs. Jeff Peeler, Mrs. Lewis Vinson, Mrs. Victor Foss, Mrs. Ed Harp, Mrs. Selma Redwine, Mrs. George Province and Mrs. Wolfe.

Mrs. Peeler, Mrs. Vinson and Mrs. Foss also received charms for having attended 32 consecutive weeks. Mrs. Peeler and Mrs. Vinson also won bracelets for 40 weeks perfect attendance.

Mrs. Aurora Mata received a stork club pin. Judy Lambert received two charms for losing ten pounds twice; Celia Lopez, one charm; Lillie Rodriguez, one charm; Mrs. Bob Solomon, one charm; Mrs. John Payne, two charms; Mrs. J.M. Hefner, one charm, and Mrs. Claude Don Holmes, one charm. The Club lost a total of 21 pounds last week.

The fruit basket was given to Essie Hall for being the monthly queen. Group 'C' is ahead in the weight losing contest.

Bruce Shafers Parents of Son

Mr. and Mrs. Bruce Shafer of Friona are parents of a son born September 30 at 3:00 p.m. in Parmer County Community Hospital. He is their first child and has been named Shawn Roy. He weighed six pounds, 14 ounces.

Grandparents are Mr. and Mrs. W.L. Shafer of the Needmore community and Mr. and Mrs. E.A. Kelly of Friona. The father is self employed.

Continued from Page 1
request did NOT pass.
The salaries of the dispatchers as now paid by the City of Muleshoe are \$290.00, \$280.00 and \$258.00 per month, and the city budgeted \$600.00 per year for extra hire, although it was stated that this figure of \$600.00 has been exceeded. The Commissioner's Court then voted unanimously to accept these salary figures, and raise Mrs.

Splawn's position from \$285.00 per month to \$290.00 per month, at least up to the highest paid City dispatcher. This County does not have a retirement program and one reason that we do not have such a program is that based upon our total payroll, tax money in the amount of some \$8000.00 would have to be spent in matching the contribution of employees. This County does not have an extra \$8000.00 at the present time in the Officer's Salary Fund.

Now, this County is relatively poor compared with other counties, although the people living within the County are not necessarily poor, but the less the County takes in taxes, then the more the persons owning taxable property will have, and I for one do not believe that government, state, local or federal should raise taxes and tell us how we are going to get the money back in services, if at all. I also do not feel that the taxing citizens of this County

would long stand for an arbitrary increase in assessed valuation from 1/8th of market value on real property to say 1/4th of market value just so that we can afford a general increase of 10% or 15% in ALL salaries. Granted, if this was done, we would then have enough tax money to give everybody a raise, and maybe in the long run, you only get what you pay for, but all these employees knew what the salary was when they accepted employment.
Sheriff Clements has advised

me that his deputies are underpaid, and perhaps they are, but he did not advise that his salary from County Funds is \$871.00 more per year than the County Judge, the County Clerk, the Tax Assessor, and the County Attorney, and \$1171.00 per year more than the District Clerk and the Treasurer, plus all out of County expenses when travel is necessary. Sheriff Clements mentioned that the 15¢ per prisoner per day or a total of some \$600.00 per year was deleted

from his salary, but he failed to mention that this \$600.00 per year is an illegal payment under the law of the State of Texas according to an opinion of the State Attorney General, and that your tax money had been illegally paid out for as long as this County has been paying its officials on a salary, rather than on a fee basis, or some twenty (20) years. In February of 1968, I wrote for a copy of the opinion of the Attorney General, and this payment was stopped.

The last time the Sheriff asked for a raise for his deputies was in February of 1968. At that time, the male deputies were Buddy Black and Bob Henderson. Sheriff Clements met with the Commissioner's Court and stated that Deputy Black had secured a job at a salary of \$500.00 per month and was going to quit. Both Bob Henderson and Buddy Black were good officers with approximately the same amount of experience, and there was no reason to raise one man and not the other, EXCEPT what the Sheriff had advised. The salary of Bob Henderson was raised from \$350.00 to \$400.00 per month. Accepting as true what the Sheriff had advised concerning Deputy Black, the Commissioner's Court reasoned, and not without cause, that when Deputy Black quit, the man who was hired to replace him would not be entitled to the same starting salary. After the salary of Deputy Henderson was raised, the Sheriff met again with the Commissioner's Court and advised that Deputy Black would stay if his salary was raised to that of Deputy Henderson. Although I did not then, I do not now feel that was any way to obtain a raise for employees, I voted for an increase for Deputy Black, and the vote was two for, three against. If it had been known that both deputies would have stayed if we had raised both, there would have been no reason not to have given each of the then deputies an increase of \$25.00 per month, and we would have spent the same amount of tax money. The public should be aware, however, that the highest paid road hands in this County now draw approximately \$425.00 per month. The maintenance of public roads is also an important function of this County.

for this, or a total of \$540.00 as is mentioned, we HAVE budgeted \$600.00 for this expense.

I suppose \$4000.00 could have been budgeted for extra help, but there are other functions of County Government besides law enforcement, and it should not be necessary for the Sheriff and the members of the Commissioner's Court to be continuously bickering, asking for salary increases when we have already voted the budget, telling stories on who said what, and who is or is not doing his or her job properly, and who is in favor of this or that, all of which seems to me to be a crying shame that grown men and women should indulge in petty griping and arguing. The Bailey County budget for 1970 has been voted upon and approved. I say, LET IT BE.

Grain...

Continued from Page 1
and carry on research vital to grain production. Representative Jones encourages all farmers to be sure to mark their ballots. Ballots must be returned by Monday Oct. 6 to (GSPA) offices. Additional ballots may be obtained at the local county agent's office or at GSPA's office in Lubbock.

The total hours in one year is 8760, and the total amount of money allocated to dispatchers salaries is \$13,440.00. Dividing the hours into the money budgeted comes out to approximately \$1.50 per hour, and there are three other authorized dispatchers who will be given 15 days paid vacation per year, and they will most likely be working night shifts, so we will need \$360.00 to pay for extra help during these paid vacations. If the County also pays for extra help for the 5 authorized holidays a year, we will need an additional \$180.00

SUNDAY, OCTOBER 5, 1969

* FHA is on the Move, Cassie Precure, President * Heavens Close Gap In Frosh Victories

The stars led the fantastic freshmen to heaven's peak and a victory over the upper-classmen for the first time in eleven years. This truly fantastic class was declared first place winners in the Spirit Club's hall decorating contest for homecoming on Friday, September 26, at the pep rally.

A heavenly atmosphere was created by using blue, purple, and black streamers adorned with sparkling stars. Posters from the band hall down to and including the chorus and cafeteria corridor helped carry out the "Homecoming Horoscope" theme.

rell, Sherry Wagnon, Johnny Williams, Shirley Ashely, Bill Chapman, Debbie Kerr, Stephanie Bryant, Preston Wilson, Benny Cousatte, Roldon Sanchez, Dennis Parker, Roger Williams, Lizan Gunter, and Boyd McCamish.

The freshman horoscope says in a captivating way "we're behind you all the way Mules!"

Junior-Senior Powder Puff Team Working

Work on the enchanting mood in the hall was done after school on Wednesday and Thursday. Some of the fantastic fish who decorated and have a lot of Super Mule Spirit are: Brent Blackman, Kathleen Jennings, Tracy Cowan, David Harris, Debbie Glover, Audrey Winn, Garry Hooten, Jennifer Cock-

The Junior and Senior girls that are playing are: Ann Douglass, Karen St. Clair, Janet Ellis, Kathy Darsey, Brenda Scott, Debra Hayes, Gayette Gable, Diane Washington, Vicky Julian, Nedra Woodard, Linda Washington, Susan Wood, Janice Head, Debbie Barron, Margaret Hetta, Jeanie Freeman, the coaches are Gary Ethridge, Delton Bass, and J.C. Slaughter.

Varsity Girls Practice For Vengeance

Monday, September 22, the Freshman-Sophomore girls started their Powder Puff football practice. The girls have chosen the name Blazers for their team and have been practicing almost every night from 6:00 to about 8:00.

Members of the team are: Jenny Melborn, Debby Parks, Judy Woodard, Brenda Kimbrough, Kay Douglass, Mitzl Bass, Penny Griffin, Marilyn Pool, Judy Winn, Francis Guterrez, Janis St. Clair, Adrea Winn, Rhonda Bland, Stephanie Bryant, Jaque Turner, Cynthia Puckett, Vanda Spurgeon, Shirley Ashley, Donna Grimsley, Janice Claybrook, Ella Jo Myers, Tant Murrain, Jan Cockrell, Melita King, Cynthia Gable, Lou Ann Cole, Donna Woodard. The coaches are Keith Turner, Lance Puckett, and Tommy Clements.

The girls are practicing very hard to get vengeance on the Junior-Senior team of last year. The girls were beaten 24-0 by the Junior-Senior girls last year.

MR. AND MISS SPIRIT FOR THE OLTON GAME--Jim Putman, left, and Lou Ann Cole were chosen as Mr. and Miss Spirit for

the Olton game. New names are chosen each week for the students who display the most spirit for the upcoming game.

Various Activities Keep Members Busy

by Tracy Cowan
The school year has gotten off to a bang! bang! start. And that means that those busy F.H.A. members are really on the move.

To begin our activities, the Rose Chapter fetted the Rosebud Chapter with a sandhill party. We had great participation and loads of fun!

On September 24, we elected officers. Those elected were: Cassie Precure, president; first vice president, Christy Ford; second vice president, Lizan Gunter; third vice president, Debbie Kerr; fourth vice president, Rhonda Bland; fifth vice president, Tracy Cowan; secretary, Kathy Pena; treasurer, Debbie Glover; historian, Milita King; parliamentarian, Jennifer Davis. We are terribly proud of our officers and know they will do a fine job.

We will have installation of officers on Wednesday, October 8, 1969. All parents are invited to attend.

This year we have two money-making projects which will get under way in the very near future. First we begin our sales

of cookbooks. Anyone interested in buying one of these great cookbooks should contact any F.H.A. girl. They will sell for \$3.50 a small price to pay for such fabulous recipes.

Our second project will be selling Stanley Products. Everyone will want to buy lots of these well-known products. So be sure to let these girls know, if you would like any of these articles.

With these officers and projects, this is going to be an outstanding year for F.H.A. and all the people connected with it.

Annual Party 'A Blast' Say Guests

Arlene Brown
Wednesday night was a night to remember. The party was kicked off with the delicious sounds of steak on the grill. Everything was fabulous. Games were played after the main course. Then vanilla ice cream was served for dessert. Everyone left stuffed and lazy.

Our divine thanks to Mr. and Mrs. Ethridge for such a wonderful party.

Coaches Comments
Fred Hedgecock

The flu and injuries took their toll on the Mule starting lineup for this week. Starting against Denver City at Quick Side End in place of J.C. Slaughter will be Jerry Scoggins and at Quick side guard Rick Tanager will take the work for Lance Puckett. Puckett and Slaughter both were victims of flu and will probably see limited duty Friday. Prinnie Griffiths strong end position will be filled by Jessie Clemmons. Griffiths received a shoulder injury early in the week. Gary Ethridge will start at Wing Back a position usually shared with Clemmons. Sophomore, Randy Field will not see duty for several weeks because of muscles in his left leg that have not gotten back their strength after a break last year.

Sophomore Don Heathington will handle the Quick side tackle this week for senior Keith Turner who received a bruised stomach muscle in the early part of the week.

Five seniors, three juniors and three sophomores are the basic for the Mule attack this week. The Mules realize the strength of Denver City but there would never be great men if there weren't great challenges.

MHS Students Tell of Summer

by Karen St. Clair, Senior
This summer I really didn't do anything too exciting. We went to Lake L.E.J. skiing a couple of times and I antiqued my furniture. Most of the time I just enjoyed doing only what I enjoyed.

The cheerleaders all worked hard this summer getting ready for this season. We had a bake sell, car wash, and a rummage sell, that we did real well on.

We went to camp at Roswell and learned all we could. We competed with girls from Oklahoma, New Mexico, and Texas in an all camp competition. In these competitions we got two superior ribbons and three excellent ribbons. We represented the state of Texas in a gymnastic program held for the public in Roswell. We all considered this a very big honor. On the final day we were awarded with the Spirit Stick.

We hope that we will be able

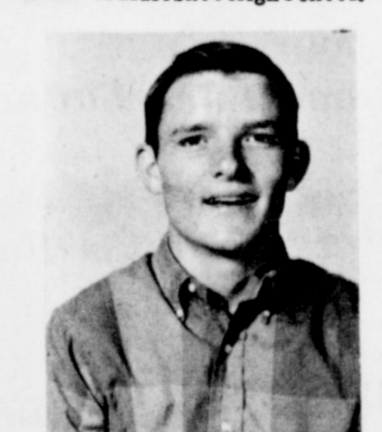

to represent M.H.S. in the best way possible. I hope that everyone will support the Mules, because to have a winning team, we have to have everyone doing their best to support our team!! Let's make this year the best season ever!!

by Richard Fox, Senior
This summer Richard Fox attended 4-H Leadership Lab at Levelland, While at the Leadership Lab, he learned many valuable points on leadership. As he is a District II 4-H Council Delegate, time was spent in discussing the State 4-H meeting and the election of officers.

Richard attended Electric Camp. The camp was held high in the Sacramento Mountains near Cloudercroft, New Mexico. Richard gave a talk on KSEL-TV Farm Show on July 25.

It was not all camps though, he did work part of the summer. He works for his father on their farm 8 miles east of Muleshoe. He also hauled hay for a dairy. He was installed as Senior Councilor Muleshoe Order of DeMolay. He also said he was anticipating the start of band. He said "This appears to be the year that the 'Mighty M' Band can rank and glorify the name of Muleshoe High School."

by Jerry Scoggin, Junior
Through the summer I had no trouble keeping occupied between working for my Dad as a mechanic and farmhand and running around vacationing. The month of June was full of nothing but work for me as

well as most of the other farm boys around. However, in July, I goofed off as much as I worked. It started with our annual vacation from the sixth to the thirteenth which led us fishing in Colorado in the cool mountains around Creede. After our return home we hardly had time to unpack till it was time to leave again. This time only for a fun filled three days at the Sacramento Methodist Assembly in northern New Mexico with 72 other relatives at our family reunion. Last but not least August the last month before school started was a busy one. After football and chore time at home little time was left for running around, but I managed to get along. All in all it turned out a well rounded summer for a typical farm boy.

by Brent Blackman, Freshman
This summer, not much went on around my house. Actually nothing ever does, but this summer, I did a few things, mostly swimming.

First, I worked for my father at our fertilizer plant on the Clovis Highway. Some of the time, not much went on

FHA Rosebuds Are Blooming

by Tracy Cowan
What? In the middle of the fall? Rosebuds blooming? Impossible!!!

No, not impossible, not for the Rosebuds of the Rosebud Chapter of the F.H.A.

These Rosebud officers had their first meeting October 1, 1969. The purpose of this meeting was to discuss the duties of each officer and her committee. Also discussed were the plans for future activities such as the installation of officers to be held October 8, 1969. Discussion was also begun on community projects and Chapter Parents. These subjects will be discussed more thoroughly at our next meeting.

there, so I painted some oil miniatures. My grandmother sold these pictures for me. I also made some gifts which my mother and grandmother requested of me.

On Tuesday nights, our church group worked cleaning up our church lawn to raise money for a trip to Six Flags over Texas. This went on for several weeks and the trip was in the latter part of summer.

I attended a speech workshop on Tuesday and Thursday nights to prepare for Speech II in school. This also went on 'till the latter summer months. Two weeks before school started, the Mighty "M" Band started its pre-school practice. I attended this until school started keeping up with my other activities.

As you can see, my summer was an active one!

Freshman Girls In Competition For BB Team

Muleshoe High School has eighteen girls from the Freshmen class competing for positions on this year's Freshmen basketball team.

As eighth graders, the team compiled a seasons record of 14 wins and 3 losses.

At the present time the girls are working on drills and fundamentals that will enable each girl to play the offensive and defensive patterns effectively.

Under the handicap of learning new offensive and defensive plays, the team has shown rapid progression thus far.

The Freshmen open their season Nov. 11 against Olton here in Muleshoe.

UM-UM GOOD! Dennis Beene congratulates Karen St. Clair after she was named Homecoming Queen.

Muletrain On Sale Until October 15

The 1969-70 "Muletrain," Muleshoe High School's Annual will be sold until October 15. All students and interested citizens are urged to purchase their books as soon as possible!

The thirteen-member staff has promised plans for the most outstanding and comprehensive yearbook ever published in M.H.S. It will feature 208 pages, which will be delivered in May.

Sophomores Lower Dues; Elect Officers

by Sue Darsey
Second meeting of the sophomore class was held in the cafeteria at orientation period on September 30, 1969.

The class elected Martha Chapman as Sophomore parliamentarian.

Class president, Lonnie Ferris, reminded sophomores of class dues of \$2.00 to be paid to Janis St. Clair.

A sophomore student council representative, Bryan Brady, suggested a system of tutoring for students needing academic help.

We discussed plans for a Halloween booth. One idea was to build a "western booth." All sophomores willing to help in this project should meet at Vanda Spurgeon's home Sunday afternoon at 2 o'clock.

plus a supplement to be delivered in August. Since Muleshoe Jr. High has its own journalism staff this year, the high school students and their activities.

Those who purchase annuals can look forward to added color, extensive coverage of all activities, and exciting creative artwork.

When the yearbooks arrive in May, students will be dismissed from classes early in order to have an Annual-signing party in the gym.

Last year, all students had a wonderful time at the party, so everyone should make plans to be included by purchasing his annual now!

Junior Class Has Sponsored Western Day

Jerry Putman Nedra Woodard
Last Thursday, Oct. 25 the Junior class held a meeting in the lunchroom. It was decided to wear cowboy clothes on Friday. Decorating the halls was also discussed. Debbie Baron gave a report on the financial standing of the Junior class. The dues were lowered to \$2.00. Committees were chosen to deliver mums Friday afternoon.

The Junior class is backing the Mules, all the way.

GEE' WONDER WHO'LL GET IT?--Left to right, Alford Bleeker, Ronnie Barrett, Dennis Beene, Karen St. Clair, Gayetta Gable and Ann Douglass are anticipating who will be Homecoming King and Queen.

I WON! I WON!--Dennis Beene and Karen St. Clair are proud to be named MHS Homecoming King and Queen for 1970. The honor was presented at halftime in the Muleshoe-Olton game.

4-H WEEK

OCTOBER 5-11

NOW IS THE TIME
TO CONGRATULATE OUR 4-H'ers
AND THEIR LEADERS
FOR A JOB WELL DONE

4-H club work is a kind of training in which youths learn better ways of farming and homemaking. It also stresses the importance of self-reliance, character, and helps in many ways to promote better lives for young people.

We Salute Our 4-H'ers Today.

Argument Stopped
Two opposing political candidates argued on a busy street, while a crowd of spectators listened.
"There are hundreds of ways of making money," one of the campaigners declared, "but only one honest one."
"And what's that?" jeered the other.
"Ah, ha!" rejoined the first. "I thought you wouldn't know!"
