SPECTACULAR WRECK--Wednesday night, a spectacular wreck occurred on the "Co-op Gin Road" as an apparently speeding car hit this small dark car in the rear, and slammed the small car into a parked pickup. No serious injuries resulted from the wreck, although all three vehicles received from moderate to very heavy damage. The driver of the speeding car was jailed, charged with driving while intoxicated.

'Top' Awards For FFA Given Spies, Rejino, Black, Whatley

"The mind can perform anything we can program it to perform," Stan Ray, guest speaker at the annual FFA Member/Parent banquet told the group at the Muleshoe High

School cafeteria Thursday night. "The part of our mind we use is only the tip of the iceberg," he reminded the FFA members and their guests.

According to the speaker, who delivered his message in a positive mode, "Tough times never last-but tough people do."

Spicing his message with excerpts from his own life, and citing that he has to "change his attitude and re-program his mind," Ray told the group about experiences he had undergone, especially as a youth in the swine business.

Interspersing a fast-paced talk with poetry, he added, "The Opportunity of a Lifetime is a Lifetime of Opportunity." Concluding, Ray said, "As long as you're here for the FFA; the FFA is here for you."

Opening ceremonies for the banquet were conducted by the officers of the Muleshoe High School FFA, with each citing his office responsibilities.

A large number of special guests, including school administrative officials, school board members, and booster club members as well as the two vo-ag instructors, Carl Wheeler and G.T. Dickerson were introduced by Ricky Rasco.

Top awards at the banquet were awarded to Shawn Wheeler, Star Greenhand; Brent Black, chapter farmer; Kristi Spies, Kenny Henderson Memorial Award and Lupe Rejino, Jr., Star State Farmer.

Honorary awards for employers were given Billy Reese, Mr. and Mrs. Dewey Moore, AVI of Muleshoe, Thurman Myers, Wayne

Tunnell, Buvia Vinson and Steve Wilterding.

Ray Vinson and Kristi Spies were given the FFA Booster Club \$250 scholarships and the Little Hustler award was presented Kasey Whatley.

Honorary Chapter Farmer plaques were presented H. John Fuller and George Whatley, and plaques of appreciation were

4-H Youth To Paint Curbs Here On Sunday

Last Sunday's rain was welcome by almost everyone, but it did create problems for members of the Bailey County 4-H Clubs. They were all prepared to go door to door in Muleshoe, offering to paint house numbers on curbs.

This Sunday, the youth will again attempt to contact as many residents of Muleshoe as possible, according to Kirby Rankin, County Extension Agent-Ag for Bailey County. He said the youth begin around 2 p.m. this Sunday.

This project is designed to help 4-H'ers earn money for the 4-H Exchange trip to Florida. Senior 4-H members will travel to Florida and stay with host families. Next year, Muleshoe will serve as host family for Florida 4-H members.

Rankin explained that this is a community service project for the 4-H members as well. Having the numbers painted legibly will enable the police, fire departments and ambulance personnel to locate a residence in case of emergency.

"Please be ready for them to come by," said Rankin. "If you plan to be away from home on the 5th, and would like to have your curb painted, call Linda Huckaby, JoElla Flowers, Rose Sain or Kirby Rankin."

ADVANCING TO STATE--Polly Harrison, daughter of Jerry and Diana Harrison, won second place in regional golf competition last week, and will now represent Muleshoe High School in state competition in the near future.

Honor Students Named At Three Area Schools

Fair Forces Cancellation Of Concert

On Thursday, around noon, the Muleshoe Chamber of Commerce and Agriculture office was notified that the George Strait concert, booked for Muleshoe on Friday, June 21 had been cancelled.

Toni Eagle, manager of the CofC, was informed that the Panhandle South Plains Fair Board, who had booked the George Strait Show for the fair in late September, exercised an option in the contract and refused to allow Strait to honor his appearance in Muleshoe.

According to the Fair Board, anyone they book to appear at the fair cannot appear anywhere on the South Plains prior to the fair. Mrs. Eagle has made trips to Lubbock, as well as made many telephone calls trying to get a waiver on the fair board's decision, but to no avail.

Mrs. Eagle said Strait was told that if he did go ahead and appear in Muleshoe, his contract at the fair would be pulled. The CofC manager expressed regret for any inconvenience to persons who had already mailed checks for tickets to the show in Muleshoe, and said checks are in the process of being returned at this time.

Regretfully, the fair board has chosen to ignore the hundreds of thousands of dollars spent each year by most Muleshoe residents, and businesses who shop regularly in Lubbock, as well as the many local residents who use their extensive medical facilities, dropping more dollars on Lubbock's economy.

Although Strait promised to appear in Muleshoe at some future date, he or his manager, could not venture to name any date within the next year or so.

Red Raiders Will Invade On Thursday

Calling All Men --Calling All Men!! Thursday, May 9, is Red Raider Day in Muleshoe, and all men (and men only) are invited to visit with coaches and staff members from Texas Tech University.

Events for Red Raider Golf Day will begin at 1:30 p.m. with registration and sign in. A shotgun start for the golf action is scheduled for 2 p.m.

Non-golfers are welcome to attend the events and participate in the annual all-male affair, says Max King.

Green fee is \$6, a cart rents for \$6 per person and entry fee is \$15. Name and handicap may be mailed to Irvin St. Clair at 120 North First St., Muleshoe, Texas 79347 or call the Pro Shop 806/272-4250.

At 6 p.m., it will be "Lying About Golf and Attitude Adjustment Hour" followed by dinner at 7.

Sudan CofC Planning Trip

Sudan Chamber of Commerce is sponsoring a bus trip to Palo Duro Canyon to see "Texas." The one day trip will cost \$22 per person, excluding the meal.

Deadline for signing up for the trip is Friday, May 17 and a deposit of \$10 for the trip is due June 1. According to JoNelle Bandy, secretary-treasurer of the CofC, the trip is being planned for July 13 or July 20.

For reservations, call Tom Rigsby at First National Bank in Sudan, 227-2411. Or write the Sudan Chamber of Commerce and Agriculture, P.O. Box 224, Sudan, Tx 79371.

Valedictorian and Salutatorian, along with the honor graduates for the 1984-85 graduating class have been announced. Honor graduates must maintain a 2.5 grade point or a 90 average throughout the four year high school career.

ACR Violations To Carry Penalty

According to information received from the local ASCS office, there are clear rules for haying and grazing ACR acreage.

Danny Noble, Bailey County ASCS executive director, said, Bailey County has been approved for haying and grazing of ACR acreage on an individual basis.

He said the ACR acreage may be grazed by the producer's own livestock or another producer's livestock with permission of the enrolled producer.

Noble said the ACR acreage may be mechanically harvested for hay, green chop, or ensilage for feeding the producer's own livestock or to another producer's livestock.

However, he added that producers cannot charge for grazing ACR or charge for the value of vegetative growth mechanically harvested, when used by another producer.

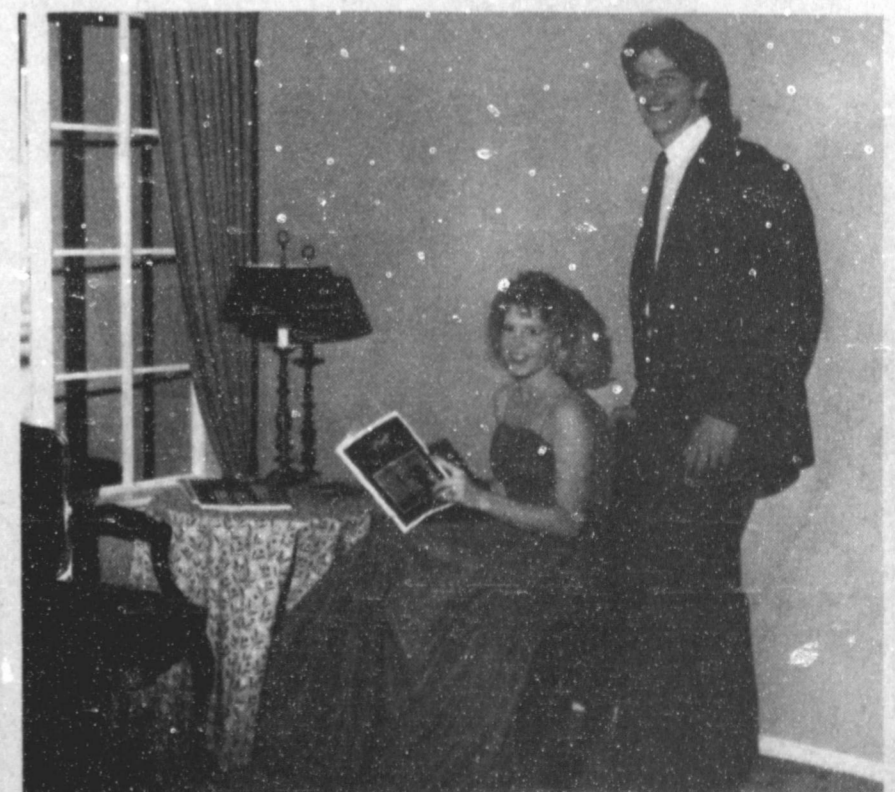

He says if you are going to hay or graze your ACR, you must come into the ASCS office, certify your ACR acreage, pay the \$10 inspection fee, and sign the register.

If the ACR is wheat, rye, barley, or oats, this must be done by May 15, 1985.

The ASCS office has also been notified that corn will be counted as a grain on the farm program.

ACRS office personnel said spot checks will be made on ACR acreage and for violation of the contract, the acreage becomes ineligible for ACR.

Also, for serious violations, the producer could be 'thrown out of the program' and declared not eligible for any farm programs, warned the ASCS personnel.

POLLY HARRISON

Polly Harrison Named May Girl Of The Month

The American Association of University Women has selected as their May Girl of the Month Miss Polly Harrison, a senior at Muleshoe High School and the daughter of Jerry and Diana Harrison. Each month of the school year a senior or junior girl is chosen on the basis of her academic standing, high moral standards, active participation in school, church, and community, and the qualities of leadership she shows.

Miss Harrison has demonstrated these attributes in her active participation in many school activities. She was a member of Future Homemakers her freshman year, has been the secretary of her freshman, sophomore, and senior class, and was a member of the Art Club her junior year. She has been active in Future Teachers of America by serving as the local chapter secretary and the district corresponding secretary.

Polly is the historian of the student Council this year and she is currently the secretary-treasurer of the National Honor Society. She has played basketball all four years and was the captain of the varsity team this year.

During all four years of high school she has been on the golf team and qualified for the state golf tournament this year. Polly contributed to the spirit of her school by serving as the Mule Mascot for the 1984-85 season.

Miss Harrison attends the First Baptist Church. She plans to go to Texas Tech and major in medical technology, biochemistry or pharmacy.

Sudan Athletic Banquet Held Tuesday Night

The 1984-85 Sudan Athletic Banquet was held Tuesday night in the school cafeteria with over 160 persons attending.

Decorations were in the school colors of black and gold accented with white. The head table was covered with a white table cloth and draped with black & gold streamers. White daisy floral arrangements were used for centerpieces. Jerseys belonging to the senior class athletes were on display behind the head tables. Trophies won this year were used as centerpieces on the individual tables. The placemats and napkins were gold.

The invocation was given by Gordon Martin.

M.V. McAlpin, superintendent, gave the welcome and introduced the speaker for the evening, Tony Mason. Mason, a former university coach, spoke on "Food for Thought." He stressed spiritual soundness, thank God each day, live the right code, have courage to say no to what you should say no to, want to win and excel, be the best you can and respect your body and your parents.

Jim Kirkland presented awards to the female athletes. Dewayne Sexton recognized and presented awards to the male athletes. Both Kirkland and Sexton acknowledged Son Qualls for his continuing assistance to the athletic program.

The Hustlin Hornette award was presented to Sharla Harrison. Sharla is the daughter of Mr. and Mrs. Al Harrison. The Hustlin Hornet award was presented to Johnny Williams, son of Mrs. Celia Williams.

Edward Fisher spokesman for the booster club presented gift certificates to the coaches, Dewayne Sexton, Mike Smith, David Quisenberry, Jim Kirkland, and Gail Gregg. He also presented a gift to Son Qualls for his assistance during the year.

Lauri Ann Damron was recognized as statistician and manager of the girls basketball team. The benediction was given by Dean Richards.

A meal of chicken fried steak and trimmings was served by the lunchroom ladies.

TOPS CLUB

Muleshoe TOPS Club chapter No. 34 met at 6:30 p.m. Thursday, April 25 in the meeting room of Bailey County Electric.

Clara Lou Jones, leader, called the meeting to order. The TOPS pledge was recited and the fellowship song sung.

Jewel Peeler, weight recorder, called the roll with six members present. Linda Wimberley read the minutes of the previous meeting and they were approved as read.

It was reported that the club will be celebrating their birthday next week with a salad supper.

Mrs. Jones celebrated her birthday and received a gift from the birthday box.

Jewel Peeler was named best loser for the week. The meeting was closed with the singing of the goodnight song.

AAUW Honors Girls Of The Month

AAUW GIRL OF THE MONTH--Each month during the school term AAUW (American Association of University Women) selects a junior or senior girl to honor as their "Girl of the Month". Lauri Burgess To Teach In Moretan, Togo

The Southern Baptist Foreign Mission Board approved 69 young adults for training as journeymen during its April meeting in Nashville, Tenn. Those approved compose the 22nd group of college graduates under 27 years of age going overseas to work two years alongside career missionaries. Coming from more than 35 states and the District of Columbia, candidates will fill assignments as teachers; as youth, music and student workers; in clerical positions, and in the health fields, among other areas of work.

Texas supplied the greatest number, 26. Eleven came from Oklahoma, and 10 each came from Florida and Georgia.

Those who receive medical clearance and successfully complete a five week training session at the Cauthn Missionary Learning Center in Rockville, Va., will be commissioned by the board July 19.

Lauri Burgess, daughter of Mr. and Mrs. Jim Burgess of Muleshoe and a 1985, candidate for graduation with a BS Degree

from West Texas State University in Canyon, made two mission trips to Mexico, sponsored by the Rio Grande River Ministry, has been assigned as an elementary teacher in Moretan, Togo.

She is a member of the Canyon Calvary Baptist Church. Although she was born in Friona and has lived in Lazbuddie and Dimmitt, Texas and Rolla, Kan., she considers Muleshoe her home.

Friends Of The Library

By Rhonda Myers

Wednesday, May 1, the Muleshoe Friends of the Library met for their second meeting of the year.

First order of business discussed was a donation made by the Muleshoe Study Club from their annual book sale. A total of \$392.57 was made. The Friends of the Library greatly appreciate the support of the Study Club to help improve our area library. Books are still for sale for anyone who was not able to attend the book sale.

The Friends would like to invite everyone to come to the

Library and enjoy the use of the new world globe which has recently been added.

New business discussed was a motion to carpet the basement. The library basement is used for several different functions but mainly for story hour for preschool children. Also during the summer Mrs. Camp offers a summer reading program and hopes to have the carpet in before school is out. It was also noted the basement might be used for more functions if the carpet were installed. The group approved the motion and we hope to have it installed this month.

The summer reading program will begin with sign up the first day school is out. Mrs. Camp hopes to catch all children before they leave for vacations. The Friends of the Library help to present prizes for the children who participate in the reading program. This year the group plans to visit with area merchants to ask for donations for the children as an added incentive to get involved in the program. We hope the merchants will help to promote a worthwhile project of this nature for the Muleshoe young people.

The summer reading program is geared toward school age children, Kindergarten through sixth grade.

We hope all parents will give their children a chance to participate.

PARAMEDIC WELCOMED AT HOSPITAL--Richelle King, left, director of the ambulance service for West Plains Medical Center, welcomed Paramedic Randy Watkins on Monday as he started work for the local hospital. Randy is a native of Muleshoe, but has been residing in Lubbock, New Mexico and the Dallas area as he received training and experience.

New Paramedic Joins Ambulance Crew

Monday of last week, a paramedic started duties with West Plains Medical Center, and is expected to fill several 'shoes' at the hospital.

Although Muleshoe native, Randy Watkins, will be used predominantly on the ambulance service, he will also be utilized in other areas. Randy will be an instructor, helping EMTs keep up with their emergency skills; he will be teaching new skills; helping in the emergency room at the hospital and fill other positions. He has been designated as Coordinator of Instruction for the emergency services of the hospital.

The son of Mary Hicks and Glen Watkins, both of Muleshoe, he graduated from Muleshoe High School in 1979, and received his Emergency Medical Technician training at Lubbock General Hospital, completing the course in December, 1981.

He also received training at Tarrant County Junior College in Para-medicine.

In addition to his Paramedicine certification; Randy Watkins is also certified in Advanced Cardiac Life Support.

Randy Watkins has had experience with emergency medicine, including: administration or intravenous solutions and intubation; and performance of all other Advanced Life Support skills such as interpretation of cardiac system and drug therapy, and is

familiar with dispatching and handling various emergency calls; patient transfers; cardiac monitor interpretation; and supervision of emergency personnel.

He says he enjoys photography, guns, skydiving, golf, racquet ball, reading, records and music and snow skiing.

RALPH GONZALEZ

JUNIOR SANCHEZ

Sanchez, Gonzales In Third Place After Competition

Junior Sanchez, son of Mr. and Mrs. Evaristo Sanchez, and Ralph Gonzalez, son of Mr. and Mrs. Rafael Gonzales, of the Muleshoe area, participated in the Thirty-Seventh Annual Texas VICA (Vocational In-

dustrial Clubs of America) Leadership and Skill Olympics held in Dallas.

Both auto mechanics placed third for repair work on an automatic transmission.

They are attending TSTI-Amarillo.

The danger in ignorance is that so many have it without suspecting it.

By Spencer Tanksley County Extension Agent

Spring planting is at hand, and farmers should have their tractors in good running order to keep operating costs down, says Spencer Tanksley, county agent for the Texas Agricultural Extension Service, The Texas A&M University System.

Attention to a few details can help farmers reduce fuel consumption in farm machinery, whether gasoline or diesel powered, Tanksley says.

Perhaps the most neglected item on any engine is the air cleaner. A dirty air cleaner can cut down the amount of free air flow and change the fuel-air mixture. A tractor operating at full load needs about 1,200 cubic feet of air to burn one gallon of fuel. Anything less cuts down on power and increases fuel consumption.

Tractor engines also should operate at the proper temperature, usually 180 to 190 degrees F. Engines operating at lower temperatures, because of faulty thermostats use more fuel, exert

less power and wear out faster, explains Tanksley.

Farmers can save as much as 400 gallons of fuel a year, based on 800 hours of tractor operation, by cutting down the time an engine idles. Studies show that tractors idle as much as 12 percent of the time and use half a gallon of fuel an hour at idle speed. A fast idle will use 40 percent as much fuel as the tractor engine needs at full load.

So, pay careful attention to idle time when operating a tractor, make sure the engine thermostat is operating properly, and service the air cleaner regularly. These practices can reduce operating costs, and that's critical for 1985, says Tanksley.

Sudan Major Teams Win First And Second Place

By Evelyn Ritchie

The Sudan Boy and Girl Little Dribbler teams traveled to Whiteface this past weekend and brought home several ribbons. The Major League

boys won the first place ribbon, both girls teams won second and the Junior league boys won fourth in their respective divisions. All four teams played excellent games in route to winning these places.

The Major League boys won the finals over a team from Tatum, N.M. by a score of 38-17. Sudan began to pull away early but really began to mount a lead in the second half when they outscored their opponent 20-6. Monty Edwards made 12 points to lead the Sudan scorers and he got help from Gary Boyles who scored 9; Bryan Baker added 7; Shannon Fisher 4; Jody Dodson and Clay Carr each scored 2; Jeremy Miller and Rickey Weaver each made one free throw.

To reach the finals the Sudan team beat Sundown 28-19. The Sudan boys built a big lead that began to dwindle in the fourth quarter when Sundown began to make a come back. However, Sudan held on with controlled playing to win the game. Once again, Monty led Sudan with 7 points; Baker with 6; Len Kuykendall 4; Fisher 3; Dodson Boyles, Charlie Smith, and Miller each 2. Score by quarters were Sudan 7-10-20-28 and Sundown 02-8-19. Leading rebounders for both games were Edwards, Boyles & Carr, the team members are Tray Baker, Jamie Gatewood & Ricky Weaver.

The Major League girls put up a gallant effort before losing to Tatum in the finals. They lost the game 24-31, which gave them the second place ribbon. Tatum jumped out early to take the lead and although the Sudan girls made several comebacks each effort fell short of victory. There were many exciting moments in the game which was highlighted with a last-second shot made from half court by Tanya Fisher. She led all scorers hitting 9 and Suzanne Reid scored 6; Teresa

Zapata added 4; Nichole Maxfield and Kendra Fisher making 2 each and Ambyr Donnell added a free throw. Maxfield led all girls in rebounding and many of her rebounds resulted in the team making some good fast-break lay-ups.

To reach the finals Sudan blasted Sundown 35-8. Sudan dominated the game from the beginning through their good defense, rebounding and shooting. The girls shot 43% from the floor. Scorers for Sudan were T. Fisher with 12; Zapata 8; Maxfield and Reid 6 each; Michelle Tamplin 2 and K. Fisher with 1. Leading rebounders were Maxfield, Reid and K. Fisher. Other team members are Sarah Davis, Gayla Rasco, Candi Weaver, Sally Smith and Rosa Muniz.

The minor league boys and girls won fourth and second place, respectively, at the Whiteface Tournament this past weekend. It was the first tournament for the girls and the second for the boys. Both teams played very well in spite of the fact they had to play on the regular 10 foot goals in this tournament. It was quite a change at the beginning, but both teams adjusted very quickly.

In the minor league girls game, the Sudan team lost to a very fine team from Whiteface by a score of 3-18. The Whiteface team took a quick lead which they never relinquished. Sudan was led by Heather Harrison who made 2 points. The other point was

made by Terry Ray. In the first game, Sudan won 15-11 to advance to the finals. Sudan took the lead early and held on to win over Sundown. The leading scorers were Kaylenn Nix and Ray. Other members of the team were Brooke Baker, Rondra Tamplin, Mistie Miller, Larena Moto and Heather Houghton.

The Minor League boys played very strong in both games but their efforts fell short as they lost to Sundown and Tatum to win the fourth place ribbon.

In the first game of the tournament, Sudan took an early lead and led throughout the game before losing 12-13 when a boy from Sundown made a shot with 32 seconds left in the game. It was the first and one time Sundown led in this game. Leading scorers for Sudan were Jason Bellar with 6; John Damron, Clint Humphreys and Randy Gregg each making 2. In the second game, Sudan could just never get untracked as they lost 3-18 to a good team from Tatum, N.M. The game was close the first quarter but Tatum began to take control of the game with their fast breaks and went on to win the third place ribbon. Bellar made all three points for Sudan. Other team members of the team were Benny Baker, David Damron, Timmy Williams and Joe Smith.

Both teams will be playing the Farwell Tournament this weekend. Then the minor girls will play at home on Tuesday April 30 at 5:30.

Healthful Hints From Your Ambulance Service

It's almost summer, for some that means the best time of year. The word "summer" in Webster's dictionary means the warmest season of the year and summer in West Texas can get pretty down-right hot. Summer can be great fun with lots of outdoor activities, but it can also be very dangerous if you allow yourself to become overheated. A few symptoms to watch for include muscle cramps, weakness, cool moist skin, profuse sweating and pale skin. These signs are an indication of heat cramps. For this type of heat disorder move the victim to a cool place. (In an air-conditioned house or under a shade tree). Give him sips of salted water (1 tablespoon of salt to 1 quart of water).

Another type of heat disorder called heat stroke is an extreme emergency. The patient with heat stroke may have hot and flushed skin, pupils dilated, may lose consciousness, and may have convulsions. If you see anyone having these symptoms you should call the ambulance or transport the victim to the hospital immediately. If the patient is not cooled quickly the heat can cause permanent brain damage. You should try to cool this person in any way possible. Apply sheets that have been soaked in water and fan the person vigorously. If there is ice or cold packs available, place them under the arms, around the neck and around the ankles. Use whatever is available, but get the patient cooled off fast.

To keep summer safe when playing or working outdoors, drink plenty of water or Gatorade and periodically rest in a cool place to keep from overheating.

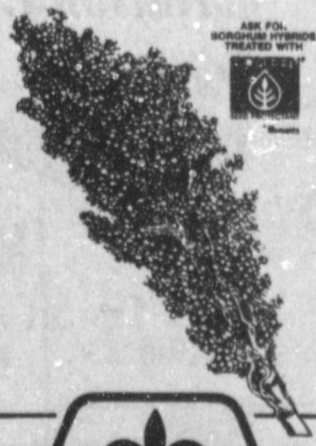

Have a great summer

BIBLE VERSE

Follow peace with all men, and holiness, without which no man shall see the Lord.

1. Who made the above statement?
2. To whom was he writing?
3. Of what race was the author?

Answers to Bible Verse

1. Paul the Apostle is believed to have been the author.
2. To the Hebrew Christians of his day.
3. Paul was a Jew.

REMEMBER THESE SAFETY TIPS

- Watch for power lines when climbing in trees.
- Do not climb electrical poles, towers or structures.
- Do not trim trees near power lines.
- Do not set ladders or scaffolds near power lines.
- Do not shoot at insulators on poles, towers or structures.
- Never climb on or go inside a substation fence. Call SPS to help you retrieve anything thrown into the substation or caught in its fence.
- Avoid using electrical tools like lawn mowers or hedge clippers when grass and leaves are wet.
- Be careful when digging. Call SPS to find out if there are any buried electrical lines in the area.
- Electrical cords should not be spliced or taped. Repair by shortening them or replace them entirely.
- Beware of exposed wires.
- Don't touch portable appliances (coffee makers, radios, hair dryers, etc.) with wet hands or while standing or sitting in water.
- Don't post signs on utility poles. A lineman, hitting a nail with his cleat could slip and fall! Also, nails can snag protective gloves and destroy their insulation value.

STATEMENT OF NONDISCRIMINATION

"Bailey County Electric Cooperative Association has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964, and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color, or national origin in its policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization."

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself, or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250; or the Rural Electrification Administration, Washington, D.C. 20250; or this organization; or all; a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations." b18-18s-1tc

**NOTES---
COMMENTS**

You can save time and worry if you will not try to solve your problems until they arrive.

Has anyone run across the person who boasted that the weather never got too cold for them?

There are so many good books to be read and studied that it is strange the time people waste on trash.

EVERYONE
WANTS

THE WORLD

**AT THEIR
FINGERTIPS!
READ
THE
CLASSIFIEDS**

and you're guaranteed a spin around the world of buying and selling...jobs and homes, choice business opportunities and sometimes just a friend...

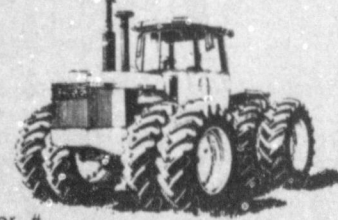

**If you haven't checked
John Deere's deal, you haven't
gotten the best deal**

Shop around. There are all kinds of "deals" floating around out there. And most of the benefits of those "deals" disappear after the dollar sign. Our "better" deals go far beyond the dollar sign. We're going to

be very competitive price wise, but we can offer you so much more. We're ready to show you just how sweet a deal you can make—right now.

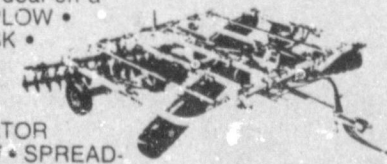

**DEAL 1. 4WD
TRACTORS**

Thousands of dollars in pass-along savings on every new John Deere 4WD tractor in stock. No interest for 9 months from date of sale, (or 1 May, 1986 depending on Ser. #... See us for details) with John Deere financing. Or in lieu of the finance waiver take an extra discount worth thousands more!

DEAL 5. IMPLEMENTS

Make your best deal on a MOLDBOARD PLOW • STANDARD DISK • DuraCushion DISK • ROLLER • HARROW • FIELD CULTIVATOR • CHISEL PLOW • SPREADER. Then we'll add a pass-along discount allowed by the John Deere factories.

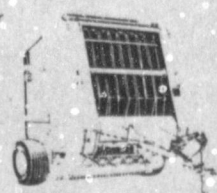

**DEAL 2. 100- TO 190-HP
TRACTORS**

Huge pass-along savings on new 100- to 190-hp tractors plus interest-free financing for 9 months from date of sale. If you prefer, take an additional discount in lieu of finance waiver.

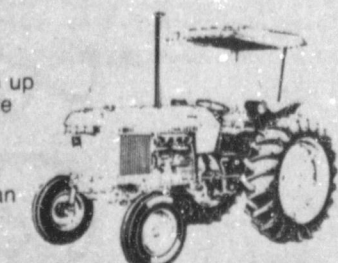

**DEAL 6. HAY AND
FORAGE EQUIPMENT**

Buy a new baler, mower-conditioner or PTO forage harvester and get pass-along discounts worth hundreds of dollars. Discounts on self-propelled windrowers are worth up to \$3000. Save even more with interest-free financing from John Deere until July 1, 1985, on new and used hay equipment, and until September 1, 1985, on new and used forage equipment. There are discounts in lieu of waivers on new equipment.

**DEAL 3. 40- TO 85-HP
TRACTORS**

Get unheard of savings - like factory-direct discounts worth up to \$2700 - on new John Deere 40 to 85-hp utility tractors. Then get interest-free John Deere financing for 9 months from date of sale. Or, take an additional discount in lieu of finance waiver.

DEAL 7. PLANTERS

Make your best deal on a new John Deere planter, and then get an additional discount worth as much as \$7500! Special finance waivers are available, too.

We're ready to write the most competitive deals around on any new John Deere equipment. Stop by today for all the details.

DEAL 4. COMBINES

Take advantage now of fabulous off-season savings worth thousands of dollars on new Titan combines. Plus, on all new combines and attachments sold with them, you get interest-free financing from now until 6 months after the first of the month in which it is next used in the 1985 use season (3 months on used combines). There's also a discount in lieu of finance waiver available. (Combine offers end June 30, 1985)

*Availability of John Deere financing subject to approval of credit. All tractor offers end June 15, 1985 and others may be withdrawn at any time.
