Teen-Talk

By VIVIAN BROWN
AP Newfeatures

You've got to be a man of letters to get along on a high school campus this semester. Newest beau-catcher craze among the school crowd is to advertise love lives by means of initial pins. An easy way to get dates, say the girls. But a man's got to be up on his sign language.

The pins give a tipoff on anything from Susie's current heart-throb to her plans for the weekend. If she wears three pins, for instance, "W.A.D." she undoubtedly means she free for the weekend and wants a date. You can tell almost any sophomore by the way she wears her ABC's.

Some girls spell out their screenland heartthrobs such as Montgomery Clift or Gregory Peck. A neck gimmick on a class numeral pin is two metal numbers connected with a tiny chain. If she wears a '52 on her cardigan, above a '50, you know that Betty co'ed is a smooth sophomore and her steady date is a senior. He wears the same class numeral pins in reverse position on his tie or letter sweater.

Girls make up their own groups of initials into this new love language. Of course they prove great conversational pieces, too, because if a guy doesn't comprehend he's just got to ask.

College playtime can be fun but if you want to make the grade in schoolwork, too, here are some common sense planning hints suggested for high school students and college freshmen by the University of Illinois student committee of freshman advisers:

1. Plan a daily schedule including classes, exercise, fun and sleep. The study habit is a good habit.
2. An upright position at a desk clean of pictures or other distractions is more conducive to studying than lying on a bed or rolling in an easy chair.
3. Keep your work up to date. Don't let it pile up just before exams. Attend classes regularly.
4. Sleep and rest are absolutely necessary for clear thinking. It isn't smart to stay up all night before an exam.
5. Sitting at a desk and day-dreaming is not studying. Too many hours of day-dreaming induce fatigue, not wisdom. It is better to break away from books entirely for a while and then go back to them.
6. If, while you are studying, you find yourself thinking of some little tasks you should take care of, make a list of them to get them off your mind. Then you can concentrate much better on the subject at hand.
7. Don't be frightened by what others may say regarding certain courses, teachers and exams. Form your own opinions. Different people have different likes and dislikes.
8. Don't be afraid of your teacher. If things do not go right, talk to her or an adviser; it may help a lot.

A puzzled young man writes from the Bronx, N. Y., asking how he can persuade his high school crush to leave her forwarding address, as she is moving away from his neighborhood and the school.

He has asked her several times, but she will not tell him. She does not have a phone so he cannot call her. There is very little time left before the moving date and poor J. M. is frantic.

Wouldn't it seem that if the girl really liked him she would leave her forwarding address? Or perhaps her parents object, and she doesn't want to incite their wrath. Or perhaps J. M. is a little too flowery in his notes, and she is embarrassed for fear he will write things that she would be ashamed to have other people see.

If he has been dating her, maybe she has encouraged him just because she wanted dates, and didn't really particularly interested in him. She probably is a little too young to think of him seriously, and perhaps it is better that he doesn't waste his time trying to get in touch with her. But what do other kids think about this?

Married People's Union of the First Baptist Church at a chili supper Friday night.

Halloween decorations were used, the table was centered with a large pumpkin, with doughnuts strung from it, and the centerpiece was flanked by lighted pumpkins. Tablecloth and napkins also carried out the Halloween motif.

The supper was served buffet style, and consisted of a chili dish, vegetable salad, coffee and doughnuts.

A business meeting was held later, with Jim Cantrell, vice president, in charge. The group agreed to hold a monthly business meeting preceding the monthly Training Union Council meeting, which is on Tuesday after the last Sunday in each month. These meetings will be held at the Church, and all officers were urged to attend.

The group also voted to hold a social meeting once each month, any time.

Hawaiian Duck Dish for a King

By GAYNOR MADDOX
NEA Staff Writer

Duckling is abundant now and the colder weather brings luscious appetites. So let's get right down to the business of cooking a duck.

Hawaiian Duck (Serves 4)

Five to 6-pound duckling, dressed weight, 2 tablespoons kitchen bouquet, 2 tablespoons honey, 1 teaspoon salt, dash pepper, 1 clove garlic, minced, 2 tablespoons duck fat, 1 cup pineapple juice or duck broth, 2 medium green peppers sliced, canned pineapple, or 1 package frozen pineapple chunks, 2 tablespoons cornstarch, 1/4 cup pineapple juice or water.

With sharp pointed knife, cut through skin along center of duck breast. Grasping skin with one hand, loosen skin by running knife underneath, close to flesh of duck, peeling skin back at the same time. Cut skin where necessary but keep flesh intact. Cut the skinned duck in serving-size pieces. Place in mixing bowl. Combine and add kitchen bouquet, honey, salt, pepper and garlic. Toss lightly to mix well and let marinate for 45 minutes.

Meanwhile cook duck skin, neck and wing tips with giblets in 3 cups water and 2 teaspoons salt. When giblets are tender, strain broth into measuring cup or pitcher. Let fat rise to top and pour it off. Reserve broth and giblets for other uses. Place 2 tablespoons duck fat in Dutch oven or heavy frying pan over moderate heat. Brown pieces of duck on all sides and add pineapple juice plus any marinade left in the bowl. Cover tightly and simmer gently until duck is tender, about 45 minutes.

Remove seeds from peppers and cut in 1-inch strips. Cut pineapple slices in 1-inch pieces. Add green pepper and pineapple to duck. Cover and cook 15 minutes longer. Blend together and add cornstarch and pineapple juice. Cook, stirring constantly, until juice thickens. Serve immediately with hot cooked rice.

McKENNEY ON BRIDGE

By WILLIAM E. MCKENNEY
America's Card Authority
Written for NEA Service

One of the prettiest pleasures it has ever been my pleasure to receive from a bridge fan comes from Ernest C. Goudsmit of Forest Hills, N. Y. It is a very fascinating smother play.

Mr. Goudsmit said that the

short club bid probably got him into trouble, but without further comment on the bidding, we will go right into the play.

The opening lead of the king of hearts was won in dummy. Declarer then led the eight of clubs, and when East did not cover, he let it ride. When it held, the bad trump distribution was disclosed.

Declarer led the three of spades from dummy and finessed the ten-spot. Then he led the deuce of diamonds and took another finesse. When the queen held, the ace of diamonds was cashed, South discarding a heart from his own hand. Another spade finesse was taken and the ace and king of spades cashed.

At this point declarer led a heart and West was endplayed. He had underlined the four cards remaining in all of the hands. West had to lead a diamond, which was trumped in dummy with the nine of clubs. If East overtrumped with the queen, declarer would trump with the ace and win the last three tricks with the king, jack and ten of trumps in dummy.

If East played the five of clubs, declarer would discard the five of hearts from his own hand, then lead the ten of clubs from dummy. If East played low, declarer would let it ride and lead the jack of clubs. This would be won with the ace and the king of clubs would win the last trick.

The state of Maine is 320 miles long, 210 miles wide at its widest part, and has a total area of 33,040 square miles.

BELONG TOGETHER

Fats and starch are chemical substances belonging to the same group of hydrocarbons and go well together, hence the popularity of fried potatoes.

A cool frothy bubble bath is as refreshing as a dip in the sea.

Chemistry, as a science, originated in Egypt, according to the Encyclopedia Britannica.

Simplicity is the keynote of the film version of John Steinbeck's widely known story about a sensitive boy and his attachment to the red pony. A character study for the entire family, "The Red Pony" is in close pattern with the series of successful films about horses and dogs—the "Lassie" group and those like "Smoky" and "Green Grass of Wyoming"—and so it is we turn to them for comparison.

A Cappella Choir Gives Club Program

The High School A Cappella Choir made its first public appearance of the year yesterday at Lions Club, presenting seven selections.

Under the direction of Kenneth Baumgardner, the choir sang "Prayer," sacred number; "Soon I Will Be Done," Negro spiritual; "Holiday for Strings," popular song; "Skip to Malou, American folk song; "Fireflies," Russian number; an orchestra selection, "Wrap Up Some Red Roses for a Blue Lady."

Members in the ensemble were Norma Manatt, Betty Green, Betty Boswell, Carmelita Dunaway, Helen Blocker and Nina Spearman. Phoebe Osborne accompanied at the piano.

It was announced that the

Board of Directors voted to contribute \$25 toward the 1949 Christmas decorating in Pampa.

President O. E. McDowell said the club has completed seven weeks of perfect attendance. A Lions International perfect attendance contest is being staged for a total of 10 weeks.

McDowell then appointed 18 men to serve on a special committee in connection with the annual SPEBSQSA Parade of Quartets which will be held next Saturday at the Junior High School Auditorium.

The committee, headed by Ernest Winborne and Charlie Thut, will have charge of ushering and door ticket sales.

Committeemen are Billy Clements, Frank Leder, Tom Tipps, W. G. Kinzer, J. C. Roundtree, F. E. Leech, Frank Stallings, Bob Burden, Bob Gordon, A. A. Schumann, W. D. Waters, John F. Studer, John D. Merchant, Harold Miller, O. T. Hendrix, and Jack Back.

Joyce Jones and Wayne Nolan, Club Sweetheart and Club Lion, respectively, were introduced. They will attend the luncheon meetings throughout November.

Prophets Told Tragedy of Rejection

By WILLIAM E. GILROY, D. D.

Beneath and above, everything that the Hebrew prophets thought, said, and wrote, was their conception of God, and their faith in Him. God was not for them an abstraction, nor even an object of worship, distinguishable from the idols their idolatrous neighbors worshipped, only because He had life and intelligence. It was the righteous and holy nature of the life of God in which their vision and their faith centered. The living God was the creator and upholder of the universe.

With this conception of a holy God was that of a holy people—a people called and chosen of God, and responsive to His will and purpose. Why did they believe that God had chosen Israel? Was He not the God of other nations and peoples? One gets in the Old Testament some indications of belief in a tribal God, but these soon pass into belief in the God of the whole earth, of whom Job asked, "Would He not do right. The conception of a national religion in isolation passed before the vision that the later prophets had of Israel as a spiritual nation in which all the nations of the earth should be blessed.

With faith in God, and the worship of God, the prophets associated integrity of character, and righteousness in word and deed. God meant a standard of living, as well as an object of worship. "Be ye holy, for I am holy," was the word He spoke through His prophets. With that conception, faith, and vision, it was inevitable that the prophets should react as they did to sin in the individual life, and to evil in the national and social life. They saw tragedy in the refusal of people to accept God's choice and call. They spoke in denunciation and in words of solemn warning. They made their indictment of evil most specific. Because they rebuked the nation they were charged with disloyalty, though their hearts burned with a patriotic zeal for Israel.

Study, Social Periods Held by Calvary Circles
All circles of the Calvary Baptist WMS met at the Church Monday for Bible study and a social period.
Mrs. E. B. Brown opened the meeting with prayer. The Bible lesson was taken from the book, "A Year's Missionary Tour of the Bible."
During the social hour Mrs. B. Baker, social chairman, served pie and coffee.
The WMS will meet Monday, Nov. 7, at 11 a.m. for an executive business meeting and at 11:30 for a regular monthly business meeting. At 12:30 a covered dish luncheon will be served by the Training Circle and the Winnie McGraw Circle. A Royal Service program will be heard at 2 o'clock. The program subject will be "Christ, the Answer for Moslem Lands."
All women of the Calvary Church have been urged to attend this all day service. The nursery will be open.

JUVENILE DELINQUENCY BEGINS IN THE HOME

It may be later than you think!

Time has a way of passing swiftly. Have you noticed how quickly the babies of yesterday have grown up? Those little tikes who were just learning to walk and talk and love have suddenly become young men and women.

The need of our youngsters for parental faith and help is great.

The critical years arrive all too rapidly.

Let's continuously examine our relationship with growing sons and daughters and resolve never to let them down.

Have you checked the time lately?

It may be later than you think!

As Good Parents You Should:

- 1--Give the love and companionship so necessary to your child's welfare;
- 2--Attend church with your children;
- 3--Support personally the many fine organizations that provide recreation for boys and girls;
- 4--Devote some of your time to personal service in the activities that minister to the young;
- 5--Help spread good cheer and human understanding to families not as fortunate as your own.

Wise parents know that duty to their children is more than food, clothing and shelter.

They know that the home life needs to be more attractive to childhood; that wholesome recreation for their own boys and girls and their neighbor's children is the best way to prevent trouble and sorrow when the critical years are upon them.

Harvesters Battle Amarillo Sandies Tomorrow

THESE THREE men have probably spent some restless nights for the past week as they looked forward to tomorrow's bitter battle at Harvester Park. All have primed their grid machines to top performance for this important encounter in District 1-AA. They are, from left to right, Coach Tom Tipps, head coach of the Harvesters; Howard "Bull" Lynch, head coach of the Sandies and Aubra Noonester, assistant Pampa coach.

Guerillas Fall Before Pups

The Pampa Guerillas tasted defeat for the second time this season last night as they were completely outplayed by the Borger Bullpups at Bulldog Stadium in Borger. The final score, 19-13, does not indicate how completely the Bullpups controlled the game. Only once before this season have the Guerillas been beaten. Price College downed them early in the year. They had previously defeated the Bullpups at Pampa. The Guerillas started right off as if they meant business. They took the opening kickoff and three minutes later had 7 points. Billy Davis went around left end on the Borger 44-yard line and went all the way for the score. Eugene Bynum converted and the Guerillas had an early lead. But then the Bullpups started to roll. They took the kickoff and marched down to the Pampa 30 where they momentarily stalled the Guerillas. A right back after a Pampa punt to score. A fourth down pass, batted into the air by the Pampa defenders, touched by several other players, finally settled in the arms of the Borger 44-yard line and went all the way for the score. The Guerillas still led, 7-6. Then, with 20 seconds remaining in the half, the Pups took the lead. Cleburn Bybee smashed over from the four. Sanders converted and the Bullpups led 13-7 at halftime. The third period was scoreless, but Borger hit again one minute into the final quarter. Ronnie Holcomb went 23 yards around left end, unmoisted, to make the score 19-7. Pampa came back with a passing attack and some hard running by Dick Murray to set the ball up on the Borger 14. There a pass from Harold Smith to Roy Pool connected for the final score of the game. Final score 19-13. The next game for the Guerillas is Thursday afternoon. They will go to Amarillo to play the Yanigans. Game time, 7 o'clock. It is also the final game of the year for the "B" team. They were slowed in last night's game by injuries. Several of the co-captains, were able to play because of the passing attack. Tolle Hutchens, fine line-backer, who moved up to the Harvesters this week to replace the injured Gerald Matthews.

AMARILLO — The Golden Sandies now seem ready to play the type of football they are capable of and will be out to prove it on the field against the Harvesters Saturday afternoon at Pampa in the District 1-AA opener. Coach Howard Lynch's gridders have suffered two nonconference defeats for the first time since 1939. Odessa outscored the Sandstorm 34-21, and Lubbock, 47-7. The Sandies fully realize the Harvesters looked much better against the Westerners in losing only 33-20. But they are looking ahead now expecting a triumph over Coach Tom Tipps' footballers who have been the surprise team of the state. Amarillo will be at full strength for the first time since the second game of the campaign in the 21-7 win over Abilene. The Sandies had several youngsters lacking experience when the season opened. All of the gridders have improved greatly. One of the Amarillo's major assets over Pampa is reserve strength. A glance at the Sandie roster of capable talent with the probable starters listed first: Tailback—Jack Newby. Paul Bennett (he also can play full-back or blocking back), Walter Smith. Fullback—Moody Alexander, Leon Evans, Richard Stockton. Ends—E. G. Sanders, Jerry Reese, Kenneth Bailey. Blocking Back—Bob Beverly, Joe Moseley, Donald Neese. Ends—Tommy Curtis, Clyde Israel, George Farrell, Jim Farnham, Jim Anthony, Joe Knight, Warren Spalding. Tackles—Wiley Hicks, Glyn Spearman, Don Fitzgibbon, Bob Harbin, Carlton Barry. Guards—Bill Carter, Bob Combs, Frank Peterson, Tom Edwards, Doc Williams. Center—Harold Swindell, Jimmy Moss. Of course, only 11 of those youngsters can play at one time but the 11 on the other side just get awful tired. Just as Coach Tipps. Pampa has a fine football team. It probably has more spirit and scrap than any other rival in the state. But you can't always stop a back like Newby with desire. He already has grand total 79 in being the No. 1 candidate for all-state honors so far. The Harvesters boast several excellent backs but none of them are in the class with Newby. Center—Harold Swindell, Jimmy Moss.

Lights Turned On for Night Sandie Workout

By JERRY SHERIDAN
Amarillo Times Sports Writer
AMARILLO — (Special) — With most of their injured players back for at least limited work Thursday, Amarillo's Golden Sandies fired up in the heaviest workout of the week. But even with one day between now and the Amarillo-Pampa game, Coach Howard Lynch still has question marks in his starting line-up. If Don Fitzgibbon, tackle, is improved enough, he may start, but Wiley Hicks will see plenty of action in that spot. George Farrell, rapidly developing Sandie end, will start if he has beat the flu. Otherwise, the ends will be Clyde Israel and Tommy Curtis. Lynch is holding Curtis on the limited action list because of his recent hip injury and he will start only to fill the gap. The Sandies worked a full afternoon, turning on the lights for the third night. Tackling and blocking, pass defense and a string of plays occupied most of the afternoon. With his numerous recent switches in players, Lynch probably will settle on a backfield which names Jack Newby, Moody Alexander, E. G. Sanders and Bobby Beverly. Paul Bennett, who worked last week in the tailback spot, may be held in reserve for that assignment again. With Roy Byrd out for the season on defense, Lynch has shifted Jerry Reese to that side and Richard Stockton will handle the defensive play on the left. Harold Swindell, center and tower of strength on both offense and defense for the Sandies, was working full time after a lay-off. Tommy Curtis, pass snagging Sandie end, was doing a fulltime chore and Ray Bingham, wingback, may be in shape to play after a series of injuries. The Sandies worked almost entirely on passing and pass defense against Pampa plays. The passing went fairly good, but defense showed some holes. Defense play by Jimmy Farmer and Glyn Spearman was aggressive and passing by Newby and Walter Smith clicked for yardage.

Reapers Lose To HM, 12-7

The Junior High school Reapers put on a fast last-period attack yesterday, but time ran out on them and they lost to the Horace Mann footballers of Amarillo, 12-7. The first half of the contest was a scoreless tie, but Mann broke loose in the third period. Midway through the period David Gill, a little speedster, went off right, tackle for 17 yards and the first score of the game. A short while later he crashed over from the 2-yard line after Louie Flores had recovered a Pampa fumble on the Pampa 16. In the final period, with Jim Bond chucking, the Pampa attack started to roll through the air. They moved to the five, from where Harold Lewis went over for the score. Ed Dudley converted and Pampa had half a period to get another touchdown. Pampa started another rush down the field, but was stopped by a pass interception on the Amarillo 30 near the end of the period and never had another chance to score. The Reapers will close out their season next week, Thursday, when they go to Borger to play the Borger Junior High in an afternoon game.

WARREN'S WARMUP

By Warren Hesse—News Sports Editor
QUESTION: How many college football teams went through their regular season last year undefeated and untied?
ANSWER: "SUCCESS IS 99 PERCENT PERSPIRATION AND ONE PERCENT INSPIRATION." So said some punster many years ago. Had that fellow been able to watch the Pampa Harvesters this season he would have been forced to more evenly balance the qualities of a successful team. No one can dispute the fact that the Harvesters have been a successful team to date; and no one can deny that inspiration, commonly known as scrap and fight, played a major role in the victories. Somebody else came up with the idea that in order to get a group of linemen ready for a big game they should be chained and caged for a week prior to the game and fed nothing but raw meat. Coach Tipps has never had to get the linemen "up" for a game. He has two different groups of forward walls that are about evenly matched and they all possess that fight. It has been many an oil well since Pampa fans have had as fighting a team as the 1949 Harvesters. Jerry Sheridan, sports writer, the following telegram was received this morning, encouraging the Harvesters to victory: "HARVESTERS: 'CAKE WARREN HASSE, SPORTS EDITOR, PAMPA NEWS, PAMPA, TEX. INTERESTED FOLKS WAY OUT IN WEST TEXAS WILL BE LISTENING TO SATURDAY'S GAME AND ROOTING AND HOPEING FOR A WIN.' 'J. S. NANCE, ELIS McDOUGAL, WALTER PAUL, J. W. HAPPEL, J. D. NICHOLS, RAY TURNER, BUSTIN CANON, FRANK WEIGAND AND BEMER PARKER.' The above telegram comes from Sanderson, Texas, in Terrell County on the Rio Grande, deep in Texas. It is gratifying to note the enthusiastic support being given the Harvesters by fans throughout the state. for the Amarillo Times, is of the opinion that the Harvesters will come out on the short end of the score. He writes that two shattering defeats, but they took hold of their bootstraps and have been giving them a steady pull. The Ysleta performance (Amarillo won, 36-6) indicated they had made progress. Panhandle Star Eligible Again

PANHANDLE — (Special) — Bill Slater, Panhandle star backfield man, was reinstated to the eligible list Wednesday night at a special meeting of school superintendents and the Executive Committee of District 1-AA. Slater was held out of the list last week because he was declared ineligible because of residence, but the action was taken on information that had not been made clear. Three conference games that Panhandle had played were forfeited at the time. Wednesday night the question of Slater's residence was made clear. Slater's parents have lived in Carson County many years and farmed there until their land was taken by the Panhandle Ordnance Plant. Slater moved to Amarillo, but Slater remained in Panhandle with an aunt and uncle and continued school. This evidence was not made clear last week when the hasty action was taken. The three conference games that were taken from the Panhandle Panthers have been returned and Panhandle is now tied with White Deer in District 1-B play.

Name Coleman, Newcombe Rooks Of '49 Season

NEW YORK — (AP) — Gerry Coleman, fancy-fielding second baseman of the New York Yankees, was voted today the American League's rookie of the year. The slim 25-year-old played an important part in the Yankees' terrific fight for the American League pennant and was named the hero of their World Series triumph over the Dodgers, joined Brooklyn's Don Newcombe of the National League as the Frosh standouts of their circuits. Both received the accolade in an Associated Press poll of 19 members of the Baseball Writers' Association throughout the major league cities. Whereas Newcombe breezed past all opposition by capturing 105 votes, Coleman had strenuous competition from outfielder Roy Sievers of the St. Louis Browns and southpaw pitcher Alex Kellner of the Philadelphia Athletics. Fourth place went to Mike Garcia, Cleveland Indians' right-hander. Five was Johnny Groth, Detroit; sixth, Gus Zernial, White Sox. The other votes in the National were for Willie Jones, Phillies; Del Crandall, Braves, Eddie Kozak, Cards; Pete Castiglione and Tom Saffel, Pirates, and Mike Gollat, Phils.

Bucks Journey to Groom Tonight

WHITE DEER — (Special) — The White Deer Bucks will journey to Groom tonight at 7:30 o'clock for what is expected to be one of the toughest games of the season. Groom now ranks with Cananda in second place in the district, having lost only one conference game, and the Tigers' star backfield man, Kenneth Anglin, is one of the top scorers of the region. The Tigers outweigh the Bucks seven pounds to the man in the field, and 15 pounds in the backfield. The Bucks will be without the services of Jon Scott, husky and experienced end, who was injured in the game with Spearman last Friday night and is still in a Frisco hospital.

SWC Cagers Due Big Season

(By The Associated Press) — A schedule of 115 games, almost half of them inter-sectional, has been mapped by Southwest Conference basketball teams for the 1949-50 season. Texas A&M has the toughest schedule, meeting Long Island, Niagara, St. Louis, Oklahoma A&M, Arizona, California and Stanford in addition to the regular slate of conference games. The Aggies do it in two tours, one extending into the East and the other to the West Coast. Southern Methodist takes on City College of New York, Niagara, Colorado, Missouri and Navy and the other conference members have games against Midwestern, Southern and Western teams. Baylor, considered a top title contender, engages Kansas City, Nebraska, Tulane, Wichita and St. Louis. Rice plays Tulane, Louisiana State, Colorado, Wichita and Pepperdine.

Mancuso Named To Reds' Staff

CINCINNATI — (AP) — Gus Mancuso, former major league catcher and in recent years a minor league manager, was added to the Cincinnati Reds' coaching staff Thursday. Luke Sewell, new manager, in announcing Mancuso's appointment, said he has retained Tony Cuccinello and Phil A. Page as coaches. Page, however, will devote most of his time in trying out young players. Mancuso will fill the vacancy created when Sewell was released at the end of the 1949 season. Sewell was appointed manager almost two weeks ago, succeeding Bucky Walters, and given a two year contract. Mancuso managed San Antonio in the Texas League the last two seasons, and for two years prior to that was in charge of Tulsa in the same circuit.

Important Weekend in IL Grid Race Starts Tonight

District title hopes and impressive records go on the line tonight in Texas Schoolboy football's big two divisions — the City Conference and Class AA. The District 8-AA title hinges on the result of Grand Prairie's game with Highland Park of Dallas. Grand Prairie is undefeated, but only an even bet against the powerful Scotties. Amarillo stands a good chance to lose its rating as the Panhandle power against Pampa Saturday. The title in District 1-AA will probably go to the victor. There are just five undefeated, untied teams left and two unbeaten but tied elevens. John Reagan of Houston kept its unbeaten, but tied, record last night by beating Jeff Davis of Houston, 32-6. In other games last night, Crozier Tech of Dallas blanked Forest of Dallas, 18-0; Poly (Fort Worth) downed Fort Worth Tech, 46-0; Thomas Jefferson (San Antonio) smashed Alamo Heights (San Antonio) 51-0; and El Paso beat Mesa, Ariz., 1-7. Snead Holds Slim Golf Lead

PINEHURST, N.C. — (AP) — A slam-bang Roman chariot style finish loomed today for the 47th North and South Open golf tournament's 36-hole windup. Leader Sammy Snead's 138 was six under par for two trips over the No. 2 Pinehurst Country Club course, a 6,952-yard strip. But the White Sulphur Springs, W.Va., professional was only a stroke ahead of Johnny Bulla, veteran Pittsburgh pro, and two in front of National Open king Cary Middlecott. Dangerous rivals at 141, three strokes off Snead's pace, were Johnny Palmer, the Bradin, N.C., pro, Denny Shute, and Ted Kroil, Philmont, Pa., professional. There are 300,000 sweat pores to the square inch on the soles of the feet.

Wheeler Battles Canadian Tonight

WHEELER — (Special) — Last Friday night was Homecoming for the Wheeler Mustangs. Before the game, Captains Doyle Waters and J. T. Johnson crowned the beautiful queen, who was Charlotte Weatherly, and escorted her to the throne. Margaret Holdeman escorted by Garland Parks, Sue Farmer escorted by Robert Crossland, Dorothy Esslinger escorted by C. R. Baily, Edwina Brown escorted by George Hibbits students, also went to the throne. After Johnson kissed the queen he went wild and ran for five touchdowns. Johnson also was honored player of the week. This week the Mustangs journey to Canadian. As Wheeler has a fifty-fifty record they will be trying to og overboard. Parks has an injured ankle but will be back in the lineup Friday. ALL AT ONCE — (AP) — Prior to the 56-28 loss to San Francisco recently, which ended a streak of 29 All-America Conference games without defeat, the Cleveland Browns had had only 68 points scored against them in five previous games. Three of those five opponents — Baltimore, Brooklyn-New York and Los Angeles — collected a combined total of 10 points. Then the '49ers lowered the boom.

JACK NEWBY brilliant tripe-threat Sandie captain and all-state back, has been the power in the Amarillo attack all season. His terrific running and passing will be main object of the Pampa defense tomorrow. He has been the Sandie team. The Harvesters must stop him.

Harvesters Seek First Win In Eight Years Over 'Storm

Tomorrow afternoon the Pampa Harvesters have a chance to become one of the outstanding clubs in Pampa High School history as they encounter the Amarillo Golden Sandstorm at Harvester Park. Only three times previously has a Pampa grid machine been able to send the Sandies back to Amarillo with their tails dragging. Never have the Pampans been in a win in Amarillo. The three Harvester wins came in 1931, 1941 and 1943. Each time the winning margin has been no more than one touchdown. In '31 it was 13-6; in '42 the score was a memorable 16-12; and in 1943 the score was 7-0. And tomorrow's game looks like another nip and tuck battle. The complete history of the series between the two schools is as follows: 1931—Amarillo 2, Pampa 0 1932—Pampa 13, Amarillo 6 1933—Amarillo 7, Pampa 0 1934—Amarillo 13, Pampa 6 1935—Amarillo 13, Pampa 0 1936—Amarillo 20, Pampa 6 1937—Amarillo 6, Pampa 0 1938—Amarillo 14, Pampa 0 1939—Amarillo 14, Pampa 6 1940—Amarillo 27, Pampa 0 1941—Pampa 16, Amarillo 12 1942—Amarillo 39, Pampa 7 1943—Pampa 7, Amarillo 0 1944—Amarillo 13, Pampa 0 1945—Amarillo 24, Pampa 10 1946—Amarillo 27, Pampa 0 1947—Amarillo 21, Pampa 6 1948—Amarillo 32, Pampa 7

Golden Bears Bump Into Texas Saturday

By HAROLD V. RATLAFF
Associated Press Sports Editor
Baylor's Golden Bears hit the stretch in the bruising Southwest Conference gridiron trail tomorrow, facing the first member of that terrible triumvirate that stands between them and championship glory they haven't known in 25 years.

It's a rough and rocky road the undefeated Bears must travel—Texas, Southern Methodist and Rice. Tomorrow it's Texas.

There are those who think Baylor will be in a second place battle of the air with F. A. I. Campbell going against that great marksmen, Adrian Burk, whose percentage of completions is amazing.

This game sends the leading offensive team of the conference—Texas—against the top defensive outfit. It is due to be a battle of the air with F. A. I. Campbell going against that great marksmen, Adrian Burk, whose percentage of completions is amazing.

At Houston Rice meets a re-bounding Arkansas team that came back from a heart-breaking defeat to Texas to lick Vanderbilt and Texas A&M. It is dangerous to the Owl hopes although they are figured as 14 points better than Arkansas.

Baylor is the last undefeated, untied team in the conference but Rice also is unbeaten in conference play.

Southern Methodist will be seeking to keep its title hopes alive against the hapless Aggies at College Station. SMU has lost only to Rice and by going unbeaten the rest of the way could tie for the championship in the event Baylor and Rice both lose.

The Methodists are rated 19 points better than the Aggies. Texas Christian is idle.

Having not missed a game in two weeks and boasting a record of 24 wins, five losses and one tie for the season, we hereby give

you the benefit of our phenomenal (that's what the man said in the fan letter) foresight: Texas vs. Baylor at Austin—a tight game but we'll cast a shabby ballot for Baylor to win by a touchdown.

Hunters Out After Ducks At Noon

DALLAS — (AP) — Noon today saw thousands of nimrods welcome the 1949 duck season with blasts from thousands of shotguns—and from all indications they'll have plenty to shoot at.

Reports from sportsmen throughout the North Texas area, and throughout the entire state for that matter, show that ducks and geese have invaded Texas by droves.

Gang Warden Allie Lewis whose area of observation includes all of North Texas, says he has seen thousands of birds.

The first half of the split season, which opened at noon today, continues through Nov. 21. The season opens on Dec. 21 and closes again on Jan. 7.

The daily limit on ducks is four, including not more than one wood duck. On geese it is five, all of which may be snow geese, or two Canada geese or two white-fronted geese, or one each of Canada and white-fronted geese.

The daily bag limit on coot is 10.

DALLAS — (AP) — Southwest Conference football officials, who have been suffering in silence from the jibes of coaches, fans and sports writers, had a champion today.

Coach Matty Bell of Southern Methodist, irritated by statements that the officiating made it difficult to beat SMU in the Cotton Bowl, declared that if "their unjustified criticism of officials" didn't stop the time will soon come when "capable men will not be willing to work our games."

"I have been coaching college football since 1920 and I think the officiating this year is just as fair and efficient as ever in the past," Bell said. He added that a close study of moving pictures of Southern Methodist's football games with Texas Kentucky and Rice fail to show that the officiating affected the outcome of the games.

It was after Southern Methodist beat Kentucky 20-7 that Coach Paul (Bear) Bryant of Kentucky said the officials lost the game for him Johnny Vaught, coach of Mississippi, criticized the officiating in his game with Texas Christian at Fort Worth when Mississippi lost 35-37. Coach Blair Cherry of Texas did not comment but the fans and sports writers lashed out at the officials for their work in the game with Southern Methodist here last Saturday, criticizing particularly a ruling that Texas didn't make a first down at SMU's 10-yard line, thus halting a Texas drive.

Matty Bell Comes to Rescue of Officials Whose Work in SWC Has Been Under Fire

It was after Southern Methodist beat Kentucky 20-7 that Coach Paul (Bear) Bryant of Kentucky said the officials lost the game for him Johnny Vaught, coach of Mississippi, criticized the officiating in his game with Texas Christian at Fort Worth when Mississippi lost 35-37. Coach Blair Cherry of Texas did not comment but the fans and sports writers lashed out at the officials for their work in the game with Southern Methodist here last Saturday, criticizing particularly a ruling that Texas didn't make a first down at SMU's 10-yard line, thus halting a Texas drive.

Nons of the officials commented. They are forbidden to by James H. Stewart, executive secretary of the conference, who will not comment publicly himself.

Apparently the climaxing words were those of Jim Tucker, Waco sports writer, who said it seemed "that this year and last year, teams playing Southern Methodist University in the Cotton Bowl have been victims of terrible officiating."

Tucker said he knew a touchdown was taken away from Baylor last year because interference by a Baylor player in the end zone was not called by the official on top of the play.

Quoting Dr. Edward D. Mouson, Jr., chairman of SMU's Athletic Committee, as saying "God is still a Methodist" after SMU's 7-4, Tucker added: "From Texas we hear from various neutral critics and coaches, particularly Paul Bryant, the University of Kentucky coach, we are beginning to fear that some of the officials are also devout Methodists."

Bell declared that the officials have to make countless decisions in a game "and maybe some of those decisions are errors in judgment, but a study of the movies will show that these errors hurt the football players as much as their opponents. Their decisions didn't have any more to do with our victories over Texas and Kentucky than they did with our loss to Rice, and I honestly don't believe that the officials have been the deciding influence in any of the games."

The football team of the University of Arizona was outscored 154 points to 232 in 1948, yet posted a record of six wins and four defeats.

That aggregation would be bound to use the single-wink formation.

Glenn Davis, West Point's famous back of 1943-44-45-46, wants to play major league baseball when he becomes eligible for discharge from the Army in June.

PETE COOPER AND LEON TAYLOR, Pampa Harvesters co-captains, will get their chance to each their names in Harvesters history if they can lead their squad to a victory tomorrow afternoon over the Amarillo Sandies. Cooper is a hard running halfback; Taylor a fine linebacker and center.

Possibly Six Bowl Games In Texas, Topped by Cotton

(By The Associated Press)
Five and possibly six college bowl games will be played in Texas in December and January—that is, according to the first survey.

New ones can be expected to start popping into the picture any day now.

Texas is the scene of a gold—or, bowl—rush every year. There are five established bowl games.

The Cotton Bowl in Dallas will be in its fourteenth year Jan. 2 when 75,000 jam their way into the big stadium to see the Southwest Conference champion play somebody. The take per team will be about \$120,000.

The Sun Bowl at El Paso will be playing its fifteenth time Jan. 2. The Border Conference champion is sought as host team. The visitors get \$13,000 and the host team \$12,000. Seating capacity is 18,000.

The Cleverland Bowl at Galveston will be in its second year. Last Dec. 29 it was between Junior College teams but they're going after the Senior Colleges this time. Each team got \$4,000 but no decision has been made this year as to the division to the recipients.

The greater Galveston Beach Association puts on this game. Seating capacity will be 14,000.

The Texas Rose Bowl at Tyler will be held Dec. 10. It will be the third year for this game, which matches Junior Colleges. The southwestern Junior College Conference champion will be sought as the host team unless the Little Rose Bowl in Pasadena gets that team first. Each team receives 40 percent of the gate with the other 20 percent going to the Junior Chamber of Commerce, which sponsors the classic. Seating capacity is 14,500.

The Prairie View Bowl—second oldest bowl in the nation (only the Rose Bowl outranks it in age)—will be played at Houston Dec. 21. It will be in Buff Stadium, the Texas League park where 11,500 can be seated. This game, matching Prairie View College against some other Negro college team from over the nation, will be in its twenty-second year.

In 1947 and 1948 the Cattle Bowl, for Negro teams, was held in the Texas League park at Fort Worth where 8,500 can now be seated (capacity was 18,000 until a fire this year destroyed part of the stands). Jan. 1, 1948, it was freezing and snowing and only about 800 fans turned out. The game was not played in 1949, being skipped with the an-

Sports Round-Up

By HUGH FULLERTON, JR.
NEW YORK — (AP) — As if the Boston Braves weren't having enough trouble, they're now reported having training camp difficulties.

Last week there were 58 on the right side of the ledger and 17 on the wrong side for 774. Here are this week's selections: Notre Dame over Michigan State; Notre Dame's long winning streak must end sometime but it is not likely to happen in this game. The Irish should win by two touchdowns.

Michigan over Purdue: Minnesota lost to both by the same margin but the indications are that Michigan will win this with relative ease.

Tulane over Navy: Each has tangled with Notre Dame but Tulane has had the longer time to recover.

Oklahoma over Kansas State: Sooners too good for the Kansans even if Darrell Royal is on the bench.

California over Washington State: The spot for an upset but Bob Celest will quarterback the unbeaten Californians to another victory.

Statistician's Night(mare)

ARILENE — It will be "statistician's night" at Monahans when the Sul Ross Lobos and the McMurry Indians tangle Saturday night.

Defending champions of the New Mexico Conference and the Texas Conference, respectively, the Lobos and the Indians occupy significant spots in the season's statistical round-up. Latest National Collegiate Athletic Bureau figures show McMurry to be the leading team in rushing among the nation's small colleges and Sul Ross to be seventh. In total offense, the Indians are seventh; Sul Ross, eighth.

McMurry also boasts the nation's leading rusher, Brad Rowland. Close behind him are Ted Scown of Sul Ross, seventh, and Floyd Sampson of McMurry, ninth.

Last year Scown was the nation's leading scorer, with 168 points. This season, Rowland is making a bold bid to replace him. Through last week, Rowland's 78 points led the nation, and his three touchdowns scored in a 34-19 win over Austin College Saturday night aren't expected to hurt his standing particularly.

McMurry and Sul Ross have each won five and lost two. McMurry has amassed 244 points and allowed 184. Sul Ross has totalled 199, permitted 99.

Football teams are not respecters of proverbs.

When Tennessee beat North Carolina and Pittsburgh edged Pennsylvania, it proved that Justice doesn't always triumph, and the Penn isn't always a mightier.

Sounds Awful, but It's Not Really Bad
LONDON — (AP) — If the Mos cow cops find you drunk in the street they put you in a vestra- veslele punk.
This isn't as bad as it sounds. Dr. M. T. Gillies reported in the British Medical Journal. It just means "sobering institution."

Editors to Hear AP Writer

FORT WORTH — (AP) — Larry Allen, Associated Press correspondent in Warsaw, Poland, addresses the 18th annual meeting of the Associated Press Managing Editors Association here today.
Allen is one of the two AP foreign correspondents to address the convention. Seymour Topping, formerly AP correspondent in Nanking and recently attached to the Hong Kong Bureau, will speak Saturday, final day of the meeting.
Robert McLean, publisher of The Philadelphia Bulletin and president of the Associated Press, told the managing editors yesterday that each member paper of the AP, having proprietary interest, becomes a guardian of the news report.
"Since the membership represents, within itself, almost every conceivable view — political, economic, social, religious — there is a constant check against even unconscious bias or partiality."
Last night approximately 300 editors and their wives were dinner guests of Mr. and Mrs. James H. North at their farm, Northwoods. North is editor of the Fort Worth Star-Telegram. Following the dinner, the guests witnessed an exhibition of Texas-style square dancing at Northwoods.

German Problems

LONDON — (AP) — The British Foreign Office announced today the foreign ministers of the United States, Great Britain and France will meet in Paris next week to discuss German problems.
The spokesman said the meeting probably would begin Wednesday or Thursday, depending on when U. S. Secretary of State Dean Acheson could reach Paris.

is likely within the next 24 hours. Some operators said they expected to be called soon to government-sponsored talks.
Lewis told Stevenson that he was proposing a two-state agreement because "it may be more acceptable to some operators who have overlapping mining interests in both states."
The proposed Chicago meeting, Lewis said, "could be a embled in Chicago tomorrow afternoon" with Governor Stevenson and Gov. Henry F. Schriker of Indiana attending as "moderators and representatives of the public interest."
"The parties could work intensively over the week in an effort to accomplish the desired results," the wire added.

view, was named second vice president.

Dr. D. B. South, San Antonio, and Roy L. Johnson, Canyon, were reelected secretaries.
Reelected secretary of the Baptist Corporation was J. E. A. F. Mead, minister of education for Cliff Temple Baptist Church, Dallas.

The convention voted to ask the Governor and Legislature for a liquor referendum in Texas. A committee to study methods to meet certain moral and spiritual problems was ordered to report at the next convention.
Committee included Dr. A. B. Rutledge of Marshall, Rev. J. A. Ellis, Sherman, and Rev. Jesse Northcutt, Abilene. Dr. W. R. White, president of Baylor University; A. C. Miller, Dallas, and T. D. Maston, professor of social ethics at Southwestern Baptist Theological Seminary, Fort Worth, already had been named.
The committee is to consider methods to meet these problems: To keep up the evangelistic record of the Baptist Church. Failure to establish moral ideals of Christianity in the world. A broader application of the gospel in everyday life.

The fact that some Christians are oppressed by conditions around them making it difficult to live as Christians. Among these were named racial prejudice, beverage alcohol, gambling, divorce, employer-employee relations, communism, and the threat of war.

The Rev. E. Douglas Carver, pastor of the First Baptist Church of Pampa, was elected one of six trustees of Mary Hardin Baylor College at Belton.

The Revs. E. C. Derr of Shamrock and Hal Upchurch of Pampa were elected to one-year terms on the Board of Trustees of Wayland Baptist College, Plainview. Carver was elected to a two-year term on the board, as was Lon McCroy of Dalhart, and Oscar Flower of Perryton was named to a three-year term as trustee.

Man Is Held in Death of Wife

JACKSON, Miss. — (AP) — An 18-year-old unemployed bricklayer was held today in the death of his wife, 21-year-old cafe waitress.
Detective Lieut. J. P. Shipp said that Jimmy Lowe was held for investigation after Mrs. Hazel Lowe, a native of Meridan, had been found choked to death in their two-room basement apartment.

Shipp said Lowe had attempted to kill himself by cutting the inside of his arms. Mrs. T. J. Jones, the couple's landlady, said she found Lowe with his face by a gas jet. Lowe was treated at Baptist Hospital and taken to the Jackson City Jail.

The coroner's jury said that Mrs. Lowe died "at the hands of her husband, Jimmy Lowe, upon his own statement and admission."

Carnival Swells Cafeteria Fund

SHAMROCK — (Special) — The treasury of the Lela school cafeteria was increased \$284.65 recently as the result of the community carnival held in the school building.

A large crowd gathered for the festivities, highlighted by the crowning of the king and queen, Jimmy Dale Anderson, son of Mr. and Mrs. Dick Anderson, and Kay Purcell, daughter of Mr. and Mrs. Troy Purcell. The two were attended by princes and princesses from other classes.

Approximately 100 were served chicken dinners by Lela women. About 80 students are fed at the Lela cafeteria each day.
