PAMPA, TEXAS, TUESDAY, OCTOBER 10, 1950

(10 PAGES TODAY)

FIRE PREVENTION

Pampa, along with nearly every other city in the nation, is observing Fire Prevention Week. This, however, is not just one week set aside to watch for fires. Fire prevention, instead, is a year around task. To save grief and money, we must be fire-conscious all year.

NEW OFFICERS — Gene Fatheree, left, Charles B. Cook, center, and Aubrey Steele, have been elected president, vice president and treasurer, respectively, of the Pampa Chamber of Commerce. The election was held at a luncheon meeting in the basement of the Schneider Hotel, Monday. Outgoing officers are G. S. Vineyard, president; Floyd Imel, vice president; Fatheree, treasurer. Installation ceremonies will be held at a formal banquet Oct. 17. (News Photo and Engraving.)

Controls May Be Headed Off

By G. MILTON KELLY WASHINGTON — (AP) — Senator Flanders (R-Vt) said today the government still may head off the need for price controls and rationing if it moves fast enough on other fronts to combat inflation.

On the other hand, Senator Maybank (D-SC) said in a separate interview he believes controls and higher corporation taxes should come soon and as close together as possible.

One new set of drastic curbs — aimed at slowing up the pace of private home building — was in immediate prospect. Interested federal agencies were finishing up work on new regulations, and prospects were that they may be issued tonight.

They were reported in advance to contain restrictions not only on government insured or guaranteed mortgages, but also on privately written mortgages. They are expected to provide for a 10 percent down payment by veterans and down payments ranging from 15 to 30 percent — perhaps as high as 50 percent on luxury housing for non-veterans.

"WE WANT OUT" — called Deputy Sheriff Louis Holmes (above) as he and Atty. Elmer Cary found themselves locked up in the county jail Monday afternoon when the elevator decided to get balky. Holmes had taken Cary up to the jail to talk to a client. Ready to go down, Holmes turned the elevator lever. Nothing happened. All efforts to reach the stranded pair failed. The locksmith couldn't help and electricians couldn't help because they were unable to get through the outer jail door. The only key to the door that would have let the two out is somewhere on a hunting trip in Colorado with Sheriff G. H. "Skinner" Kyle. Finally, about 4:30 p. m., someone handed a fuse through the bean pole (see arrow) to Holmes. After trying several fuses he found one burned out. The elevator worked and the two ascended to the first floor, and freedom. (News Photo and Engraving)

HST, MacArthur Planning Pacific Talk This Week

WASHINGTON — (AP) — President Truman will meet with Gen. Douglas MacArthur in the Pacific this coming weekend.

White House sources said arrangements have just been completed for a conference of the president and the commander of the United Nations forces.

They said it will be held "somewhere in the Pacific" but did not disclose whether it will be aboard a Navy ship or at an island.

Details for the meeting have not been completed, these sources said. When details are complete, the White House will have an announcement.

It was learned the president will go directly to the rendezvous from St. Louis where he is flying tomorrow to witness the installation of his sister, Mary Jane Truman, as worthy grand matron of the Order of the Eastern Star.

Vineyard appointed a decorating committee for the chamber banquet, with D. I. Parker as chairman. Trailor Price and Roy Kay will serve with him on that committee.

Plans for the banquet include the main speech by Gov. Allan Shivers with Delbert Downing, manager of the Midland Chamber of Commerce, installing the new officers and directors. Entertainment will be furnished by Bill Smith and his Melodians and a male quartet from Perryton.

Wedgeworth reported that the 400 tickets are expected to be sold out by today. The banquet will be held at 7:30 p. m. next (See FATHEREE, Page 2)

South Forces Smash Reds To Take Prize Port City

Russians Charge American Planes Fired on Air Field

U.N. Ponders Red Approval Of Peace Plan

LAKE SUCCESS — (AP) — Western diplomats were skeptical today of Russia's surprise acceptance of some parts of U. S. Secretary of State Dean Acheson's four-point anti-veto peace plan.

They speculated on the Soviet Union's motives.

Was it one of Russia's startling diplomatic shifts, they asked? Or was the tentative embrace which Soviet Foreign Minister Andrei Y. Vishinsky gave the plan in the 60-nation political committee intended as the kiss of death?

Puzzled diplomats were waiting for a major Vishinsky policy speech, which may come today, to clarify the situation.

The plan itself, called "United Action for Peace," is a formalization of Acheson's Sept. 20 proposals, which the state department's Republican adviser John Foster Dulles called the "logical sequence" of the lessons learned in Korea.

Its main points are: 1. Emergency sessions of the veto-free general assembly whenever the security council, which has the primary responsibility for preserving peace, is hamstrung by a veto.

2. Peace patrols of observers to report to the assembly on acts of aggression.

3. Designation by U. N. members of specific units of their armed forces to be placed at the disposal of the U. N. in times of crisis.

4. Establishment of a commission to report to the security council and general assembly next year on specific means which might be used to enforce peace.

WASHINGTON — (AP) — Secretary of Defense Marshall said today that while the biggest share of the nation's rearmament program still lies ahead he is confident it will be accomplished.

"The national defense is now gaining in its military phase," the general said in a speech prepared for a rally of capital Community Chest workers.

"We are preparing to mobilize our resources on a tremendous scale to strengthen our combat potential and that of our associates. Much — in fact the most — remains to be done. And it will be done, I am sure."

Wonsan Falls, U.S. Troops Meeting Fierce Resistance

TOKYO — (AP) — South Koreans captured the prize Red Korean port and arsenal city of Wonsan today after smashing the heaviest opposition they have encountered above Parallel 38.

To the Southwest, U.S. first cavalry foot troopers ran into fierce resistance just north of 38. The cavalry's advance with tank, artillery and air support was slowed to a crawl against log pillbox positions set up before the war. This is the line the Communists insisted was for "defense" but which was used as starting blocks for the Red invasion of South Korea June 25.

Non-Defense Spending Cut

WASHINGTON — (AP) — The Budget Bureau announced today a \$580,271,335 cut in non-defense appropriations — \$30,271,335 more than the minimum cut Congress ordered after voting the funds.

The bureau's reductions, for the fiscal year ending next June 30, were approved by President Truman. They were spread over 31 agencies in the executive branch which shared in the \$35,554,600,425 single - package appropriations act to which the cuts applied.

That act made up a large part of the nearly \$54,000,000,000 Congress appropriated this year before recessing until Nov. 27.

The biggest slash of all whacked \$75,000,000, or half, off the \$150,000,000 total voted by Congress for the federal security agency's grants for hospital construction.

Other cuts of \$50,000,000 or more: rural electrification loans of the agriculture department, \$66,427,000; reclamation and power marketing agencies of the interior department, \$56,950,000; Army engineers civil activities, European recovery program (Marshall Plan), and relief in occupied areas abroad, \$50,000,000 each.

The bureau said, however, the cuts will not require stopping power project work already contracted for by the Army engineers and will not cause any halt or slowing down of the interior department's current power projects.

Also, it said the cuts will "limit the number of new hospital projects which can be accepted this fiscal year but will not necessitate delay or cancellation of any projects which already have received final approval of the surgeon general."

WASHINGTON — (AP) — The Defense Department called today for the drafting of 1,522 physicians, dentists and veterinarians for the Army during November, December and January.

The total includes 922 physicians, 500 dentists and 100 veterinarians.

The department acted only four days after President Truman set in motion the machinery for the drafting of medical men. The first registration date is Oct. 16.

The Department's announcement said the Navy and the Air Force have indicated that they do not presently plan to make similar requests to selective service for the induction of the physicians and others.

Induction quotas listed for the Army follow: 300 doctors of medicine by November 15; 300 doctors of surgery, 300 doctors of dental surgery or doctors of medical dentistry, and 50 doctors of veterinary medicine by December 15; 322 medical doctors, 200 doctors of dental surgery or medical dentistry, and 50 doctors of veterinary medicine by Jan. 15.

Rearming Said Hitting Pace

WASHINGTON — (AP) — Secretary of Defense Marshall said today that while the biggest share of the nation's rearmament program still lies ahead he is confident it will be accomplished.

"The national defense is now gaining in its military phase," the general said in a speech prepared for a rally of capital Community Chest workers.

"We are preparing to mobilize our resources on a tremendous scale to strengthen our combat potential and that of our associates. Much — in fact the most — remains to be done. And it will be done, I am sure."

Marshall said that the nation's strength in the days ahead will depend in large part upon the extent to which civilians match the determination of our men in uniform with a spirit of sacrifice.

"All over the world democracy is being forced to prove that it is the finest way of life," he said. "The example we set here at home by our own sense of civic responsibility is the best way to demonstrate the virtues of democracy to the peoples of other lands."

"Let us prove that we here in this country know how to make good use of freedom by doing freely what others are compelled to do."

"So long as we in this nation keep our high regard for the sanctity and dignity of the individual, we can be sure that our democracy is a living institution that will stand up in the face of emergency or trial."

Marshall called upon all communities to devote the same attention to rearmament.

WASHINGTON — (AP) — The Citizens Bank and Trust Co. gained in total deposits while the First National Bank showed a decline in deposits last week when the surprise bank call came through from the U. S. controller of currency's office.

The currency office makes three bank calls a year — on June 30, Dec. 31, and one surprise call.

The surprise call this year came for the close of business Oct. 4. The last surprise call came Nov. 1, 1949.

On this call the Citizens Bank showed total deposits of \$5,704,876.37 as compared to \$5,522,172.78 for the previous surprise call. This was a gain of \$182,703.59.

The First National's total deposits stood at \$11,463,945.47 as compared to \$11,605,910.50 in 1949. This was a loss of \$144,964.03.

On Oct. 3 the United States acknowledged that on Aug. 27 American planes fired by accident on a Communist Chinese airstrip in Antung, Manchuria — far west of the scene of the alleged violation of the Soviet frontier.

The Manchurian incident was protested by the Chinese Communist government. Unlike the Russian notes, its complaint was addressed to the U. N. Security Council rather than to the United States.

Peiping has no diplomatic relations with the United States, which has not recognized the Communist regime.

The U. S. proposed that a U. N. commission be appointed to make a spot investigation of the Chinese charges, but the proposal was vetoed in the security council by Russia.

Crouch Named New Rodeo President

Paul Crouch was elected president of the Top of Texas Rodeo and Horse Show Association, Monday, succeeding W. D. Price. H. L. Ledrick was elected vice president, with A. L. Mills treasurer.

The annual audit prepared by Nestiel and Doggett, accountants, was presented to the assembled members of the association and was studied and approved by them.

The audit showed that the 1950 rodeo cleared about \$1,500. After expenses were paid, however, it was found that the association was overdrawn \$174.18 on operational expenses for the year. The operational expense includes upkeep of the grounds and a yearly salary for a caretaker who lives on the grounds.

A note which had been made by the liquidated Top of Texas Fair Association, in the amount of about \$400, was paid off by the association. Also, \$1,000 was appropriated to help pay for the building being planned by the Top of Texas Hereford Breeders Association.

New committees will be announced at the next meeting by the new president.

George Cree New Pilot President

The Pampa Pilot's Association held its regular meeting Monday night at the Pampa airport and laid the groundwork for organizing a local chapter of the Civil Air Patrol.

Elected as officers were George Cree, president; Ralph Prock, vice president; and Earl McConnell, secretary-treasurer.

The next meeting of the Pampa Pilot's Association will be held Oct. 16, at 8 p. m., at the airport. Plans will then be made for the pilot's breakfast at Berger on Oct. 18, to dedicate the new Berger airport. Plans will also be made for the pilot's breakfast to be held in Pampa Oct. 29.

Army Sets Quota For Medical Men

WASHINGTON — (AP) — The Defense Department called today for the drafting of 1,522 physicians, dentists and veterinarians for the Army during November, December and January.

The total includes 922 physicians, 500 dentists and 100 veterinarians.

The department acted only four days after President Truman set in motion the machinery for the drafting of medical men. The first registration date is Oct. 16.

The Department's announcement said the Navy and the Air Force have indicated that they do not presently plan to make similar requests to selective service for the induction of the physicians and others.

Induction quotas listed for the Army follow: 300 doctors of medicine by November 15; 300 doctors of surgery, 300 doctors of dental surgery or doctors of medical dentistry, and 50 doctors of veterinary medicine by December 15; 322 medical doctors, 200 doctors of dental surgery or medical dentistry, and 50 doctors of veterinary medicine by Jan. 15.

Gray, Roberts Teachers Meet

Dr. Virginia Hufstader will be the principle speaker for the meeting sponsored by the Gray-Roberts County Teachers' Association in the high school auditorium at 7:30 p. m. today.

The speaker is a member of the staff of the Institute of Child Study at the University of Maryland. She was formerly with the Corpus Christi schools and is now working with teachers of this area out of West Texas State College in Canyon.

Accompanying her on this lecture tour is Mrs. Mary Siler, a member of the Canyon faculty, who will be in charge of the dinner. "We are urging parents and others interested in the meeting to attend from Pampa and from outside the local association unit," McHenry Lane, association president, announced.

Better get your heating system checked. Why not make a note to call Bert A. Howell & Co., 119 N. Ward, Ph. 182. Estimates gladly furnished on new units and repairs.—adv.

Citizens Deposits Up in Bank Call

WASHINGTON — (AP) — The Citizens Bank and Trust Co. gained in total deposits while the First National Bank showed a decline in deposits last week when the surprise bank call came through from the U. S. controller of currency's office.

The currency office makes three bank calls a year — on June 30, Dec. 31, and one surprise call.

The surprise call this year came for the close of business Oct. 4. The last surprise call came Nov. 1, 1949.

On this call the Citizens Bank showed total deposits of \$5,704,876.37 as compared to \$5,522,172.78 for the previous surprise call. This was a gain of \$182,703.59.

The First National's total deposits stood at \$11,463,945.47 as compared to \$11,605,910.50 in 1949. This was a loss of \$144,964.03.

Girl Scout '51 Fund Drive Underway as Quotas Assigned

The annual Girl Scout drive for 1951 fund drive was underway today with a kick-off breakfast in the Palm Room of the city hall. Jimmy McCune directed the business session.

Harold Miller, director of the advance drive to secure individual donations, passed out cards to the twelve men present who will solicit part of the donations. A total of 27 men will work in the advance drive, excluding Miller.

Ed Cleveland, chairman of the entire drive, expressed his thanks to those present for volunteering to work on the drive and stated that only through plenty of hard work could the goal of \$6600 be attained.

Mrs. Pat Burleson, Girl Scout secretary, requested that the solicitation cards and cash donations and checks be returned to the office in the envelopes they were in when distributed to workers.

Mrs. Carl J. Wright, Girl Scout treasurer, made a brief statement concerning the importance of the campaign, stressing the fact that solicitors must attain their quotas and, if possible, exceed them. She said every bit of extra money can be used during 1951 to pay the expenses incurred by the Scouts.

The advance drive will be carried on through Tuesday, Oct. 17, at which time a 10-day general drive will begin. Dr. Julian Key will direct the general campaign.

Chairmen have been appointed for Lefors, Wheeler, White Deer and Hopkins. R. C. Wilson, Lefors, Mr. and Mrs. Bill Owens, Wheeler, W. O. Franklin, White Deer and Mrs. Siler Hopkins, (See GIRL SCOUT, Page 2)

Six Pampa Men Among 14 Called for Army Induction

Fourteen men from Gray, Roberts, Wheeler and Donley Counties left for induction into the armed forces at 10:50 a. m. Monday at Amarillo.

The group, including six Pampans, left from the Trailways bus station on a regularly scheduled bus. The induction call did not include a sufficient number of men to warrant a chartered bus.

Originally, 17 men were scheduled to leave, but two were given deferments and another man missed the 10:50 bus. He will leave today on a later bus.

U. S. Selective Service officials of local board 52 said 26 men from the four-county area will be inducted Nov. 16, and 69 men will report for physicals on Oct. 19.

Hearing Scheduled On Independent Gas

A third hearing has been scheduled Oct. 25 in Washington by the Power Commission on the joint application of Independent Natural Gas Co., Pampa, and Northern Natural Gas Co., Omaha, Neb., for a transfer of pipe facilities in Texas.

For \$225,000, Northern proposes to acquire the facilities, including 21 miles of pipe line and the Grayco compressor station, four miles west of Lefors, from Independent.

Independent is owned by Hugh Burdette and E. L. Green, Jr. The two men Cabot Carbon Co. officials, independently purchased the properties from Phillips Petroleum Co. March 10.

Independent has been buying gas from Phillips and transmitting it to Northern facilities near Skellytown in Carson County. The gas is sent to the East and Midwest by Northern which has main offices in Omaha, Neb.

Eight Gray County Students Enrolled At Hardin-Simmons

ABILENE — Three students from Pampa and five from Lefors are among the 1,650 enrolled at Hardin-Simmons university for the fall semester.

They are Douglas MacDonald, Robert McDonald, and Ronald Waters, all of Pampa; LaQuette Joy Browning, Joel Ray Combs, James Doyle Guthrie, Joe Carroll Rice and Mariene Swafford, of Lefors.

Classes began September 15 and will continue through January 26. University officials reported veteran enrollment has decreased, and non-veteran registrants have increased.

Douglas MacDonald, junior student at the university, is the son of Mr. and Mrs. O. H. McDonald. He is a veteran and a member of the Rangers (yell squad) and the Players club.

Robert McDonald, a freshman, is the son of Mr. and Mrs. William Paul McDonald. He is a cornet player in the Cowboy band.

Waters, a senior, is the son of Mr. and Mrs. S. E. Waters. He is a member of the Alpha Psi Omega (service organization) and the Future Teachers of America.

Miss Browning, daughter of Mr. and Mrs. Fred H. Browning is a freshman. She is a member of the Life Service Band.

Combs, son of Mr. and Mrs. W. R. Combs, is a freshman. Guthrie, a sophomore, is the son of Mr. and Mrs. J. V. Guthrie.

Rice, son of Mr. and Mrs. Gus Rice, is a freshman.

Miss Swafford, daughter of Mr. and Mrs. Audell Swafford, is a freshman. She is a member of the Baptist Student Union and the Life Service Band.

CONTROLS

(Continued from Page 1)

workers, some 1,000,000 strong, Monday launched a campaign for wage boosts throughout the industry, including the giant U. S. Steel Corp.

The little steel formula acted generally to hold workers up until 10:30 a. m. to a 15 percent increase over their wage level of \$17.15 in 1949.

On the question of other anti-inflation moves, Senator Flanders said the government might head off the need for price controls by sharply boosting corporation taxes again and offering special incentives to stimulate the purchase of U. S. savings bonds.

Flanders said he believes that if price controls and rationing do become necessary, "they might have to be applied more or less immediately. But I think that won't happen until after the election."

He said he is convinced excess profits taxes on corporations, as now proposed in Congress, would all but shut off the nation's steel industry. He contended they would produce neither the revenue to take the braking power against inflation that some senators have predicted.

FATHEREE

(Continued from Page 1)

Tuesday in the high school cafeteria. Delegates from neighboring towns will be guests also. Wedgeworth stated.

Stinson reported that Highland General Hospital came out about \$1,300 to the good at the end of September. He stated that, as chairman of the committee appointed to study hospitals before bonds were issued for construction of the institution, he and his committee found that new hospitals seldom break even the first year. He complimented the hospital staff for its excellent service during this, its first year of operation.

The outgoing president, Vineyard, expressed his appreciation to outgoing officers and directors for their cooperation and assistance during his year as president of the organization.

"It has been fun and a real pleasure to have been your president," Vineyard stated. "I can't single out any certain persons, but I wish to thank each of you, including those not present, for a very fine job." He gave special mention to E. O. Wedgeworth for his cooperation and hard work during the past year as manager and secretary of the chamber of commerce and expressed his best wishes to the new officers.

Local Schoolmen Attending Meeting

Knox Kinard, Pampa school superintendent, Huelyn Laycock, county school superintendent, and Herman Whately, representative member of the board of education, are attending a state school administrators meeting in Austin this week.

The group attended the inaugural ceremonies for the Texas Education Agency and Commissioner of Education on Monday night. This is the fall meeting of the Texas Association of School Administrators.

Laycock is expected to return tonight for the Gray - Roberts County local unit of the teachers' association at the high school. Kinard and Whately will return later in the week.

GIRL SCOUT

(Continued from Page 1)

Hopkins, will direct the drives in their respective communities. A quota of \$200 each has been set for Lefors, White Deer and Wheeler. Money collected exceeding the quota will be retained by the local Girl Scout group in each town.

Workers who are assisting in the advance drive include R. H. Neustiel, Frank Dial, Don Foster, O. E. McDowell, Frank Smith, Joe Wells, Pinky Sims, Howard Buckingham, Walter Eller, Ray Salmon.

Also, Price Dozier, Jr., James O. Evans, Dr. Douglas Nelson, Bill Waters, Joe Tooley, Farris Oden, Bruce Parker, Raymond Harrah, Verl Hartman, Aaron Sturgeon, Henry Ellis, Russell Kennedy.

And Billy Clements, Don Conley, Benny Waller, Fred Myers, Bob Quick, James Hopkins and Shelby S. Gantz.

The kick-off breakfast was served by Girl Scout Troop 28, of which Mrs. Joe Wells is leader.

PORT CITY

(Continued from Page 1)

but AP Correspondent William Jordan, with the South Koreans, said the defense was not as strong as had been expected.

From Wonsan, the Roks are in position to swing 95 miles straight west across the narrow waist of the peninsula to Pyongyang.

U. S. first cavalry troops who clawed across the border on a 25-mile front near Kaesong were 80-odd air line miles from the Red capital.

Organized Red Korean troops blocking the armored cavalry drive on the main road from Seoul toward Pyongyang and the South Korean thrusts in the center of the peninsula were showing no signs of giving up.

AP Correspondent Leif Erickson reported from western Korea that Reds holed-up in their pre-war "defense" chain forced American foot troopers to fight for every yard.

U. N. PONDERS

(Continued from Page 1)

Canada, France, the Philippines, Turkey, Britain and Uruguay.

The plan was introduced to the political committee Monday by Dulles, who left the door open for possible Soviet participation. His said:

"The representatives of the Soviet Union profess to believe that the United States now has aggressive and war-like intentions which frighten them. If they really believe that, then they will want the protection that these proposals will afford."

Vishinsky immediately took the floor on a point of order and astounded delegates by declaring Russia favored some of the points in the sweeping program. He added, however, that there would have to be many amendments and alterations.

Dulles, in a radio interview later, said speculation about Vishinsky's motives for his latest stand might be "dangerous" or "unkind."

Local Lumberman Attends Session

Lynn Boyd of the Boyd Lumber Co. is attending the National Retail Lumber Dealers Association convention in Houston this week, which opened Monday. He is a regional director of the association.

Other Pampa members of the association are Acme Lumber Co., Fox Rig and Lumber Co., Foxworth-Galbraith Lumber Co., and Monarch Lumber Co. These concerns did not send delegates.

Ways of meeting the defense program without hampering essential civilian construction was the principal topic for the opening of the convention.

MARKETS

FORT WORTH LIVESTOCK
 Cattle steady to weak, most sales about \$1 below Friday. Good fed yearlings 27.50-29.00; common to medium steers and yearlings at 20.00; choice slaughter calves 25.50-27.00; common and medium grades 17.00-22.50; stocker steer calves 20.00-20.00; heifer calves 25.00 down. QUESTION: Who was the "statutory girl," the child turning to stone, medically surrendered to death, but restored to health through Chiropractic adjustments?

ANSWER: Daisy Waller, of Atlanta, Georgia, suffering from a strange malady and given up as incurable by medical authorities, was restored to normal health by Chiropractic. The story of her strange illness was portrayed in the American press, and Chiropractic was given complete credit for her recovery in the American Medical Journal of Nov. 27, 1937.

CHIROPRACTIC BRINGS RADIANT HEALTH TO WEAK, SICKLY, NERVOUS CHILD IN TEXAS

Before seven-year-old Becky Jan Brogdon of Quitman, Texas, came to the Chiropractor, her health was in such a state that to call it "poor" was an understatement.

She had suffered from what was called chronic tonsillitis, and constant high fever since Thanksgiving of 1949. In addition, she was extremely nervous and when this condition manifested itself she also had a weakness of the eyes.

The 250,000 units of penicillin shot into her legs had only served to give her a paralyzing weakness of those limbs.

Happily for little Becky, her parents then took her to a Chiropractor who, after making an spinal X-ray, went after the real cause of her trouble.

Today little Becky is as healthy as any child could be, her maladies gone, thanks to the Chiropractor. The adjustments also relieved her from her lifelong susceptibility to colds, poor appetite and weakened, run-down conditions. Miracle? No, this Chiropractor accomplished what many other Chiropractors are doing for their patients every day from one end of the United States to the other.

Chiropractic Training Above Average Required

Claims that Chiropractors do not receive professional training equal to that given other practitioners fall apart when an examination of graduation requirements from Chiropractic schools is made.

The famous Johns Hopkins Medical school gives its students only 3,800 hours, some 180 of which are spent learning the names and uses of 12,000 drugs — 99% of which can be rated as useless and 90% of which can be downright harmful.

A check of the Chiropractic colleges shows that an average of 4,500 hours spent in the classroom are required for completion of the course.

Spencer Was Right

Herbert Spencer was a great scientist, but he was more. He was a common sense philosopher. "There is a principle," he said, "which is a bar against all information; which is proof against all argument; and which cannot fail to keep man in everlasting ignorance. That principle is condemnation before investigation."

You are nominated for an office in an organization and you feel you could not accept it if you were elected.

WRONG: Say nothing until after the votes are cast, thinking that if you are elected you can turn down the job.

RIGHT: Stand up right after the nomination is made and seconded and say that you appreciate the honor but must ask to have your name removed as you could not take the job if you were elected.

You receive an engraved invitation written in the third person.

WRONG: Answer it with an informal note.

FIGHT: Phrase your answer in the third person: "Mr. and Mrs. Howard Emerson Smith accept with pleasure. . . ."

You do not wish to accept an invitation and are wondering just how to refuse it.

WRONG: Feel you must make up some elaborate excuse for not being able to accept.

RIGHT: Say that you are sorry but that you have already made other plans.

Party Fare: Franks on a Stick

FOR INDOOR-OUTDOOR BUFFET assemble a case of soda pop, franks on a stick or on rolls and a "mess" of beans.

By GAYNOR MADDOX

NEA Staff Writer

Ever try franks on a stick? Good fun for a teen-age indoor-outdoor buffet. But be certain you have lots of carbonated beverages, too. They are always a teen-age favorite. You might even put a case right on the table. Decorate it gaily with crepe paper.

FRANKS ON A STICK

(Serves 8)

Eight frankfurters, whole or sectioned, 8 skewers of long narrow clean sticks.

Skewer frankfurters through center lengthwise. Hold over a high flame for 30 seconds. If additional cooking is desired, hold over lower heat, or raise frankfurter from the flame. Serve with Bar-b-q-sauce.

BAR-B-Q-SAUCE

(Makes about 1 cup sauce) One finely chopped onion, 2 tablespoons chopped green pepper, 1-4 cup pickle relish, 2 tablespoons vinegar, 1-3 cup catsup, 1-2 tablespoons dark brown sugar, 2 teaspoons prepared mustard.

Combine all ingredients and simmer 10 minutes in a saucepan. Pour sauce over franks or dip them in. Makes about 1 cup sauce.

MULTI-COLOR POPCORN

One and one-half cups granulated sugar, 3-4 cup light corn syrup, 1-2 cup water, 1-4 teaspoon salt, 3 tablespoons butter, red, blue and yellow food coloring, 2 to 2 1-2 quarts unsalted popcorn.

Combine sugar, sirup, water and salt in saucepan. Place over low heat and stir until mixture begins to boil. Cook without stirring to 270 degrees F. (or hard ball stage). Remove from heat, add butter and divide into three portions. Pour a few drops of food coloring into each of the three sugar sirup portions to make three different colors. Pour each portion over popcorn in three separate bowls. Stir until each kernel is coated and separated. To serve, combine all colored popcorn together in one bowl.

CHOCOLATE MALLOWS

For each portion, toast 2 marshmallows over an open fire until crisp and golden brown. Place on

PAMPA NEWS, TUESDAY, OCTOBER 10, 1950 PAGE 3

'Christian Symbolism' Is Subject Of Meeting of Methodist Women

Circles Five, Six and Eight of the WSCS of the First Methodist Church held a joint morning meeting Wednesday. Entertaining in the church parlor were Mrs. Clinton Evans, Mrs. G. W. Cone, Mrs. George Newberry, Mrs. George Nensle and Mrs. Gene Interline. Coffee and doughnuts were served to 32 members.

Mrs. Joe Wilkinson presided at the business meeting. For the devotional, Mrs. John Wilkinson sketched a representation of the devotionality depicted by the music and the scriptural reading. Mrs. Kenneth Irwin, Mrs. W. H. Mosley and Mrs. M. E. Cooper assisted.

Mrs. M. E. Cooper presented the study on "Christian Symbolism." Mrs. Joe Wilkinson closed the meeting with a prayer.

Circle One met in the church parlor with Mrs. G. B. Barron as hostess. Mrs. A. F. Johnston, chairman, presided over the business session. A Bake Sale was planned for Oct. 21, at Creney Drug.

Mrs. R. I. Davis gave the devotional on the "Lord's Prayer" and Mrs. Walstad read the 24th Psalm.

The program on "Symbols," taken from the study "We Seek Him Together" was led by Mrs. Henry Jordan. Assisting Mrs. Jordan, Mrs. Epps gave a talk on "How To Use Our Hymnals In Our Worship."

Nineteen members and one visitor, Mrs. Fred Moore of Fort Worth, were present.

Mrs. H. H. Butler was hostess to Circle Two. Mrs. Doyle Osborne presided over the business session. Further plans were made and discussed for the book review which is to be Oct. 25. Mrs. Taylor Bowers is to review "The Gauntlet."

Mrs. R. W. Lane and Mrs. Claud Byrd had charge of the devotional. On the worship table to carry out the theme of the devotional "Christ the Light of the World," Mrs. J. E. Kirchner brought the study on "Characteristics of a Good Worship Service." Mrs. Emmett Osborne compared several scripture readings from the

chocolate covered graham cracker and cover with a second chocolate graham cracker. Serve immediately.

Mrs. W. Purviance lead the study "We Seek Him Together." The topic of the meeting was "Preparation for a Good Worship Program." Included was the study of symbols, which opened a new field of understanding of the Bible to many of the group. Mrs. A. D. Pruitt gave the passage concerning "Crosses" and explained the origin of various crosses.

Mrs. Irwin gave the devotional. Her subject was "The Praying Hands." On the worship table was a picture of the praying hands, a candle and a tray of colorful fall leaves.

Central Baptist Women Hold Luncheon Meeting

The Women's Missionary Society of the Central Baptist Church met at the church Wednesday for luncheon and a Royal Service Program.

After the service the Rev. Hal Upchurch held installation services for incoming officers.

New officers are Mrs. W. L. Hubbard, president; Mrs. S. M. Bateas, corresponding secretary and treasurer; Mrs. A. P. Holligan, recording secretary; Mrs. A. L. Moore, young people's secretary; Mrs. Hal Upchurch, pianist and Mrs. James Silcott, chorister.

Committee chairmen are Mrs. Jack Killian, benevolence; Mrs. Hal Upchurch, mission and Bible study; Mrs. E. P. Sheriff, program and literature; Mrs. G. C. Stark, community mission; Mrs. Leah Brown, publicity; Mrs. L. O. Roenfeldt, stewardship; Mrs. Roberta Wood, periodicals; Freda Worley, scholarship; Mrs. James Silcott, social; Mrs. V. W. White and Mrs. A. P. Holligan, YWA; Mrs. Hal Upchurch, piano; Mrs. Patterson, intermediate GA; Mrs. Jack Crites and Mrs. A. L. Sikes, junior GA; Roberta Woods, Sunbeams.

Circle chairmen: Geneva Wilson, Mrs. J. E. Flynn; Vada Waldron, Mrs. H. P. Taylor; Blanche Groves, Mrs. J. C. Flowers; Mary Martha, Mrs. Ralph Prock; Annie Sallee, Mrs. E. R. Gower.

The Rev. Upchurch dismissed the meeting with prayer.

Circle Seven will meet in the home of Mrs. Eil McCauley, 822 N. Frost, on Oct. 18.

Mrs. H. H. Boynton entertained Circle Seven of the WSCS in her home recently. A breakfast of melon, doughnuts and coffee was served to 14 members of the Circle, and Mrs. F. W. Shotwell, WSCS president.

Since the party marked the end of the project, "Increase Your Dollar," each member told how she had increased her dollar. The increase, which was \$67.20, will go into the Ladies' Parlor Fund.

Mrs. W. Purviance lead the study "We Seek Him Together." The topic of the meeting was "Preparation for a Good Worship Program." Included was the study of symbols, which opened a new field of understanding of the Bible to many of the group. Mrs. A. D. Pruitt gave the passage concerning "Crosses" and explained the origin of various crosses.

Mrs. Irwin gave the devotional. Her subject was "The Praying Hands." On the worship table was a picture of the praying hands, a candle and a tray of colorful fall leaves.

Reservist Father Is Called Back

PHILADELPHIA — (AP) — A 41-year-old father of seven children and veteran of nearly 11 years Army service is back on military duty today as a cook.

Staff Sgt. Abe Freemer, a member of the active reserve, left home recently to join his outfit, the 318th heavy tank battalion at Reading, Pa., which is expected to move to a training area within several days. A member of the active reserve, he was recalled Oct. 5.

Bidding his wife, Mary, and their five daughters and two sons farewell, Freemer jocularly observed: "I guess I'll probably be turning over hot cakes for the boys in the morning."

Crippled Children Head Is Elected

HOUSTON — (AP) — Dr. J. J. Flowers of San Marcos is the new president of the Texas Society for Crippled Children, Inc. New directors include John W. Broome, Lubbock; Jack Roe, Kerrville; George Confield, Beaumont and J. T. Canales, Brownsville.

An inexpensive shoe rack can be made by tacking a towel rack on the closet door. Hang your shoes upon it by their heels.

TRIPLE THREAT TRIO—Each an all-America candidate from a ranking midwestern team, any one of these players could be the nation's outstanding back in 1950. Johnny Karras, left, Illinois halfback, averaged 6.5 yards rushing last season. Ohio State's Vic Janowicz plays quarterback and halfback, is one of the Big Ten's best. Bob Williams, right, quarterbacked Notre Dame to a national title last time around, may repeat.

Injury Bug Bites Pampa; Westerners Watch Movie

Tarpley Has Pneumonia, Walker Hurt

Cochman Tom Tipps was scraping the bottom of the grid barrel Monday trying to find replacements for regulars injured in the Wichita Falls contest.

Buzz Tarpley, 170-pound tackle, who is hospitalized with pneumonia, will miss Friday night's contest. Tarpley played most of the game last Friday night with 103 degree fever.

Tarpley's running mate, Tackle Jerry Walker, is out with a knee injury. The 198-pound tackle was limping around the field Monday and it's doubtful if he'll be ready to go when the Lubbock Westerners invade Harvester Park Friday night.

Richards Has Inside Track For Sox Job

CHICAGO — (AP) — The Chicago White Sox front office still is keeping the identity of the club's 1951 manager a secret.

General Manager Frank Lane and Vice President Chuck Comiskey, who have been given the green light by the board of directors for straightening out managerial problems, plan an announcement "within 48 hours."

There was plenty of unofficial word that the Sox next pilot will be Paul Richards, former major league catcher and manager of Seattle in the Pacific Coast League. Richards almost had the job a year ago after Jack Onslow was fired.

In the meantime, John (Red) Corriden is still the skipper and the Sox front office will not confirm whether he will be out or in.

Richards was reported enroute by auto from Los Angeles to his home in Waxahatchie, Texas. Another source said he was holding a plane ticket for Chicago.

Westerners Have Potent Backfield

By CHOC HUTCHESON
LUBBOCK — (Special) — Lubbock's Westerners went through a lengthy mental drill and light physical workout Monday as they began preparations for Friday night's game with the Pampa Harvesters.

Coach Pat Pattison devoted much of the practice time to a study of movies of last week's Lubbock-San Angelo game. Pattison thoroughly reviewed the film for the benefit of his players, pointing out good and bad features of the Westerners play against the Bobcats.

Later the entire squad romped through a non-contact drill designed to improve offensive timing. Pattison directed the backs who worked separately while Assistant Coaches Bill Floyd and Fred Taylor supervised the line-men.

Pattison emphasized to his players that they face a real test in the undefeated, united Harvesters. He appeared particularly concerned by the weak defensive play of the Lubbock ends against San Angelo, indicating that considerable attention would be given this matter in workouts this week.

Halfback Jack Weldon, who missed last week's game because of a broken hand, worked out Monday with his hand in a cast. (Pattison said Weldon possibly will see action against Pampa, depending on the condition of the injured hand when the cast is removed later this week.)

It appeared likely, however, that six other injured Westerners would remain sidelined this week. These included linemen Oliver Harrell, Bill Waters, Ross Craig and Jimmy Crawford, and backs Duane Rampy and Bill "Toe" Davis.

Davis, the team's punting and place kicking specialist, was hospitalized Saturday with a mild case of pneumonia.

"Since Davis was used only as a kicker, he was the last man I would have expected to be on the injury list," Pattison said Monday. The Lubbock mentor indicated that Charles Brewer, regular quarterback, would handle kicking duties against Pampa.

Latest individual statistics show that Left Halfback Mack Taylor is the team's leading ground gainer, with 318 net yards in 48 carries in four games for an average of 6.6 yards per try.

Three other backs, however, boast better rushing averages. James Eider, 185-pound fullback, has netted 289 yards in 28 trips for 9.6 yards per carry. Weldon has carried 14 times for 131 yards, an average of 9.3 and Right Halfback Cecil Austin has an 8.7 average with 122 yards gained in 14 attempts. The only other back with more than 100 yards is Fullback Donnie Rawls who has gained 103 yards in 24 efforts for a 4.2 average.

Brewer, the team's top passer, has completed 19 of 41 passes for 391 yards. Three of his tosses, produced touchdowns, while two were intercepted, both by San Angelo.

Pattison said the Westerners would be sent through stiff workouts Tuesday and Wednesday, before winding up the week's practice with light drill Thursday.

Betsy Leads Pack In Golf Tourney

FORT WORTH — (AP) — Match play opened today in the Women's Texas Open golf tournament here with Betsy Rawls leading the way at the River Crest Country Club.

The Austin golfer captured medal honors yesterday by sinking a birdie putt on the final hole for a 69.

A stroke behind was Louise Suges of Carrollton, Ga.

Defending Champion Beverly Hanson of Fargo, N.D., and Indio, Calif., and Pro Betty Jameson of San Antonio carded 71's. Marjorie Lindsay of Decatur, Ill., and Marjorie Bauer of Midland, each had 75.

Injury List Stares at SW Conference Grid Mentors

(By The Associated Press)

Southwest Conference football coaches tried to keep from looking at their injury lists today as they pushed training for one of the toughest Saturdays on the schedule.

At stake is the high prestige game nationally last Saturday night — or near-wins — over top ranking squads.

Topping the schedule is the Cotton Bowl at Dallas starring the second, third and fourth place college teams of the nation.

Southern Methodist, No. 2 in Associated Press rankings, meets Oklahoma A&M in a night game, while Oklahoma, No. 3, and Texas, No. 4, playing the afternoon.

Bluest note of the training camps comes from the University of Texas. Byron Townsend, hard hitting fullback who gained more than 150 yards against Purdue, wrenched his knee in practice yesterday. Coach Blair Cherry said Townsend may play Saturday but the full extent of his injury won't be known until later today.

Things look brighter at Southern Methodist. Dr. Robert Morgan, team physician, says that Quarterback Rusty Russell, Jr., with a torn cartilage near one of his ribs, and Halfback Johnny Champion, with a sprained ankle, may see action if needed against Oklahoma A&M. Both stars were injured in the Missouri game.

However, Henry Stollenwerk, a substitute back injured in the Missouri game, may be out a month with a broken leg bone.

Baylor, facing Arkansas this Saturday, has the biggest injury list of the season. The new in-juried include Bill Athey, Walter Bates, Gale Galloway, Jim Jeffrey and Harold Riley. Stan Williams, out two games with an injured elbow, is back in the lineup.

Arkansas reports its squad in good condition. The Razorbacks scrimmaged until dark yesterday, with Don Logue, as first string quarterback. Coach Otis Douglas is looking for a more consistent ground-gaining combination and better protection for passers.

The Texas A&M Aggies, who almost dumped undefeated Oklahoma last Saturday, has several injured but all are expected to be ready for Virginia Military Institute this week.

Rice and Texas Christian also are happy over light injury lists.

Rice Head Coach Jess Neely was confident today that Fullback George Clauser, injured in last week's win over Louisiana State, would be ready to meet Pittsburgh this week.

At TCU, Center Max Eubank and Guards Bill Willingham and Tom Evans joined in a routine practice yesterday. They had been out with knee injuries the past two weeks. The Horned Frogs entertain Texas Tech of the Border Conference this Saturday.

Canadian Group Has Officer Election

CANADIAN — (Special) — In a meeting Friday, members of the Canadian chapter of the National Honor Society elected new officers for the year. Elected were Lura Mae Morrow, president; Buddy Gross, vice president; Norma Bernson, secretary-treasurer, and Ann Molloy, reporter. Mrs. Marion Karr and Mr. and Mrs. H. W. Truitt are sponsors of the group.

Grass Gets Priority

MIAMI, Fla. — (AP) — The stadium advisory board has shifted all football games from the Orange Bowl until Oct. 18 to give the grass a chance to grow.

Two games scheduled this week were shifted to Gerry Curtis field, where bleacher seats for 6,500 will be set up.

Missions Stole Dixie Series

SAN ANTONIO — (AP) — Now it can be told.

The San Antonio Missions literally "stole" the Dixie Series from Nashville.

The Missions' ability to steal Catcher Eddie Fernandez signals to the Nashville pitchers helped the Texas Leagueers sweep those last three games when San Antonio came from far behind to win the series.

San Antonio players made the revelation when they returned to San Antonio to receive a hero's welcome.

They said Lou Steater, a pitcher serving as first base coach, noted that the position in which Fernandez held his mitt tipped off whether a fast ball or a curve was upcoming from the mound.

So the San Antonio players knew what was coming and acted accordingly.

Punching Irishman

LOS ANGELES — (AP) — Bob Murphy, the deadly Irishman from San Diego, goes against his 14th knockout tonight, against Dolph Quijano of El Paso, in the 10-round feature at the Olympic Auditorium. Both boys are light heavies.

Quijano has decked 39 foes in 57 engagements.

Gridiron Duel Between Hand, Foot Scheduled for Abilene Saturday

ABILENE — (AP) — They're billing it as the duel between the hand and foot of Border Conference football — this clash of Hardin-Simmons with Arizona State of Tempe here Saturday night.

John (Model T) Ford, gifted Hardin-Simmons passer who holds the collegiate record for touchdown throws, meets Wilford (Whizzer) White, the great running back of Arizona State.

Ford last year was named on the All-Border Conference for the second time because of his superb passing record—26 touchdowns passes in one season.

White is rated one of the nation's greatest half backs by George Halas of the Chicago Bears.

Coach Ed Doherty says the five-foot, nine-inch, 170 pound Whizzer is "as good as any back I've ever seen."

That's high praise from a man who quarterbacked Boston College helped Frank Leahy with the unbeaten Notre Dame varsity of 1946 and drilled the Boston College backfield.

Between them—Whizzer White and Model T Ford — things are shaping up for a mighty good football game in Abilene.

Wonderful the way VICKS VAPORUB IN STEAM works when Baby catches a Croupy Cold

DEEP-ACTION RELIEF from coughs, stuffings with every breath!

It's easy! Use famous Vicks Vaporub in steam. It brings relief in a hurry!

Put 2 good spoonfuls of bowl of boiling water as directed in package. Then let your child breathe in the medicated vapors.

PROVED FOR YOU by millions of modern mothers! Every single breath carries Vaporub's combination of soothing medications deep into cold-congested large bronchial tubes... brings special deep-action relief right where croupy colds cause so much misery!

To keep up relief, rub Vicks Vaporub on throat, chest and back. It works for hours!

Grid Action Centers in Texas This Week

(By The Associated Press)

Twenty games this week bring 30 of Texas' 30 senior college football teams into action.

Five of the teams are undated and untied. They are Texas Southern Methodist, Rice, Abilene Christian College and West Texas State.

Three of those face tough foes this week. Texas plays Oklahoma at Dallas, Southern Methodist meets Oklahoma A. & M. at Dallas and Abilene Christian takes on East Texas State at Stamford.

Rice plays a weak Pittsburgh team at Pittsburgh and West Texas State isn't expected to have much trouble with New Mexico at Amarillo.

The week's Texas College schedule:

Friday — Midwestern vs North Texas State at Wichita Falls (night).

Saturday — Texas A. & M. vs Arkansas at Fayetteville, Rice vs Pittsburgh at Pittsburgh, Texas vs Oklahoma at Dallas, Southern Methodist vs Oklahoma A. & M. at Dallas (night), Texas Christian vs Texas Tech at Fort Worth (night), Sam Houston State vs Lamar at Huntsville (night), East Texas State vs Abilene Christian College at Stamford (night) Howard Payne vs

FAMILY TEAM—Col. Earl Blaik, Army football coach, has a word with his first-string quarterback, Robert Blaik, on the practice field at West Point. Young Blaik is the boss' son.

Major Hoop's Picks Texas Over Oklahoma 21-20 in Cotton Bowl

By MAJOR AMOS B. HOOPLE
Grid Seer Without Peer

Egad! Innate modesty forbids my mentioning the name of the football forecaster whose name tops all the rest as far as upsets are concerned. The initials of this peerless prognosticator, however, are A. B. H., just the same as my own — heh-heh!

Indeed, I deem it proper to crow a bit, even though I did receive a scurrilous letter from a reader charging that the reason I picked so many upsets was because I was ignorant. Imagine that!

It was Hoopie who gave you Southern Methodist to beat a six-point favorite in Ohio State, who gave you Iowa to surprise Southern California, Yale to overcome Brown, and Alabama to smear the champs from Tulane.

This week's main juicy morsels are Texas to nose out Oklahoma, Michigan to set Army back on its heels, Iowa to puncture Wisconsin's bubble and Syracuse to clout Penn State right between the eyes. Pay no attention to other selectors with their endless, jumbled charts of statistics. Get on the bandwagon with Hoopie, who picks them according to Dr. Zlobotny's laws of inter-stellar con-

Major Hoopie... the world's upset champion looks 'em over.

Army Takes Over Number One Spot in AP Grid Poll

By WILL GRIMSLEY

NEW YORK — (AP)—The Midwest's post-war stranglehold was broken today and a wide open battle shaped up for national college football honors.

Four-time champion Notre Dame plummeted to tenth place in the weekly Associated Press poll while Army took over as the No. 1 team in the country.

The midlands, which have furnished the mythical titleholder nine of the 15 times since 1936 and continuously since the last war, were out of contention.

Their best showing in the top ten was No. 9, held down by the Purdue team that splintered Notre Dame's reign with a 28-14 victory last Saturday at South Bend.

The stoutest challenge to Army's position came from the Southwest, which put three unbeaten titans — Southern Methodist, Oklahoma and Texas — on the Cadets' heels.

Here's the latest rundown of gridiron might, with every section represented:

Army, SMU, Oklahoma, Texas, Kentucky, Stanford, California, Maryland, Purdue and Notre Dame.

Army, recognized national champion in 1945, will risk its nearly gained height in New York's Yankee Stadium Saturday against Michigan, co-champion of the Big Ten and tops in the nation in 1948.

The standings are bound to get another good shaking as the result of the big doubleheader show in Dallas.

Oklahoma, No. 3, and Texas, No. 4, collide in a Saturday afternoon game in the Cotton Bowl, while SMU, No. 2, entertains unbeaten but once-tied Oklahoma A&M there that night.

The rest of the top ten plays lower level opponents, like this: Kentucky vs. Cincinnati; Stanford vs. Santa Clara, California vs. Southern California, Maryland vs. Georgetown, Purdue vs. Miami (Fla.), Notre Dame vs. Tulane.

The top teams (first place votes in parentheses):

TOP TEN

1. Army (115) 2,101
2. SMU (83) 1,990
3. Oklahoma (29) 1,387
4. Texas (9) 1,212
5. Kentucky (11) 857
6. Stanford (4) 765
7. California (3) 754
8. Maryland (1) 684
9. Purdue (1) 616
10. Notre Dame (1) 554

Series Pay Off

Price, secretary of the Texas League, reports that the Dixie Series between San Antonio of the Texas League and Nashville of the Southern Association drew 37,296 paid admissions.

The gross gate, after taxes, for the seven games was \$60,871. San Antonio players, the winners, received \$20,093 and Nashville, \$8,062.

SECOND TEN

11. Washington (2) 444
12. Ohio State 254
13. Clemson (4) 211
14. Tennessee 205
15. J.C. (1) 178
16. Wisconsin 178
17. Cornell (2) 174

New Local Radio Station Waiting On FCC Permit

Pampa's second radio station, KPAT, will be a reality about 60 days after the Federal Communications Commission approves an application for assignment of a construction permit for the station to J. C. Daniels, local automobile dealer. That was the word of Daniels yesterday. The station will broadcast on 1,230 kilocycles with a power of 250 watts.

As soon as the construction permit is issued, which is expected to be about the first of December, Daniels will purchase the interest of Ross B. McAlister, Albuquerque and Hugh DeWitt Landis, Lubbock, who now own the license.

The new \$60,000 80 x 50-foot structure which will house the new station is to be built of glass brick and rock near the new Pampa-Perryton highway north of Pampa.

And Here Is Another Successful Business Man Helped by HADACOL

He Suffered Deficiencies of Vitamins B1, B2, Niacin and Iron

Jacob Goldberg should have been a very happy man. At an age when most men are still struggling to make a living, he was able to retire from his Chicago metal business to his beautiful 150 acre estate of Music Mountain, near Hot Springs National Park, Ark.

But at a time when life should have showered its greatest blessings on him, he met with unhappiness. He became run down through a deficiency of Vitamins B-1, B-2, Niacin, and Iron and as a result food had no appeal to him and he tried many expensive ways of overcoming his discomfort.

Then he saw the blessing that inexpensive HADACOL had brought to his daughter and many of his friends, who had such deficiencies. Life is more pleasant for Mr. Goldberg today, but let him tell you about it, himself. Here is how he overcame these deficiencies:

"I was generally run down some time ago. I lost appetite and my food just did not digest. I knew I needed food but even the tastiest dishes had no appeal to me. I have been coming to Hot Springs since 1937 and now make my home in that city. Recently I just about gave up hope of feeling well and happy again. I had tried almost every thing I could find on HADACOL because it had helped by daughter and many friends. I have never regretted the decision. I am hungry all the time after taking only four bottles of HADACOL. I have back my old pep and vigor and all food agrees with me. I have recommended HADACOL to many of my friends and see the good it is doing."

Yes, HADACOL Does Help thousands and thousands of fine folks who are suffering from deficiencies of Vitamins B-1, B-2, Niacin, and Iron. HADACOL is wonderful in the way it builds up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs. Today, even hundreds of doctors are recommending HADACOL to their patients.

You Owe It to Yourself... to give HADACOL a chance. Refuse substitutes, don't let anyone tell you something else is "just as good." Insist on genuine HADACOL. You risk nothing because HADACOL is sold only on a strict money-back guarantee. You'll feel better with the first few bottles you take or your money back. Trial size only \$1.25. Large Family or Hospital size, \$3.50. adv.

Drive it 5 minutes - see how you can save \$1000!

GYRO-MATIC—AMERICA'S LOWEST PRICED AUTOMATIC TRANSMISSION

Enjoy the thrill of Gyro-Matic that lets you drive all day without shifting... that gives you important advantages not found in many other transmissions. Gyro-Matic is optional on Coronet models at moderate extra cost. But, remember, you still get the matchless smoothness of gyro! Fluid Drive on all Dodge models at no extra cost. Try Gyro-Matic with Fluid Drive today!

Now more than ever, you'll want Dodge ruggedness and dependability

IT TAKES but 5 short minutes for you to get the revealing facts that show how the new bigger value Dodge can save you \$1,000!

So come and see us today. See for yourself why Dodge owners say you could pay \$1,000 more for a car and not get all the extra room Dodge gives you... all the wonderful ease of handling that lets you drive all day long without tiring... all the famous rugged dependability that belongs to Dodge, and to Dodge alone!

Start enjoying all the big advantages Dodge gives you. The extra room for your head, legs, shoulders. The brilliant performance of the big, high compression "Get-Away" engine. The smoother starts and stops of Fluid Drive.

Come in Today!

So, don't wait—come in now! Let us show you how easy it is to own a big, dependable Dodge. Learn why you'll be money and miles ahead by buying now.

NEW BIGGER VALUE DODGE
Just a few dollars more than the lowest-priced cars!

Case of Dynamite Said Cause of Blast LYNCHBURG, Va. — (AP) — State police believe a dynamite blast caused the violent explosion which threw Lynchburgers into a frenzy of activity for an hour or so Saturday night. A large hole where dynamite apparently had been detonated was discovered Sunday by State Police Sgt. C. E. Rives atop Candler's Mountain, about five miles southeast of Lynchburg. The size of the cavity and the number of uprooted, split and de-
