

AMERICANS ARE KILLED ON LUZON

MANILA — (AP) — Spears of onetime headhunters ended the lives of two American university professors on a hike in rugged mountains in the Philippines. Their bodies were found in a shallow grave.

Discovery of the bodies of Dr. Robert F. Conklin and Prof. Marvin Pittman was announced today by Col. James L. Meader of the United States Embassy. His information came from a two-week ground and air search.

The bodies were found in the wild mountains of Northern Luzon about 75 miles northeast of Esguio, summer capital of the Philippines. It is the country of the Ifugao, tribesmen of mixed Malay origin who used to be headhunters.

The patrol said three Ifugao admitted robbing the professors, killing them with spears and burying the bodies. The tribesmen said three others helped them. Philippine constabularymen are hunting the other three.

Conklin and Pittman were exchange professors at the University of the Philippines. Dr. Conklin, a professor of English, was on leave from Springfield College, Springfield, Mass. Prof. Pittman, formerly of Chicago, was assistant professor of geography at Miami University, Oxford, Ohio, before coming to the Philippines.

The patrol said they were killed on Christmas Day. They had set out on a ten-day trip, scheduled to return to Manila.

Storm Leaves Worst Cold Wave of Year

(By The Associated Press) The screeching storm which hammered the Northern Plains, Rocky Mountain and Northwest states has veered over into Canada but it left the area with its worst cold wave of the winter.

At least 52 deaths were attributed to the storm, ten of them in Canada. Nine died in the Northwest blizzard, seven in crashes of two small planes in rain and fog, and a woman and her three small daughters in an automobile crash on an icy Michigan highway. Other fatalities were caused by the winds, floods and traffic accidents.

Temperatures were far below normal all the way from the Great Lakes to the Pacific Coast, while the remainder of the nation generally had seasonal or balmy weather.

The gales which caused considerable damage along the northern half of the nation had abated today. Damage included disabled power lines at Buffalo and Syracuse, N.Y., and losses of hundreds of head of livestock in the Northern Plains and Rocky Mountain regions.

Federal Forecaster J. Badner at Chicago said the high winds had cut over into Canada north of the Great Lakes but that the mass of cold air in its wake would continue on a easterly path toward the Atlantic seaboard.

Its forefront was over Northern Indiana and Michigan early today but it was expected to lose most of its punch as it crept toward the Texas coast today.

It probably won't reach the Lower Rio Grande Valley at all, a Weather Bureau spokesman in Dallas said.

Skies were clear over the entire state except for along the coast and in extreme East Texas, where scattered rain and fog prevailed. Occasional rain was predicted for much of East Texas tomorrow with warmer weather in West Texas.

Heavy fog closed in on Houston and Corpus Christi early this morning. At 8:30 it was virtually "ceiling zero." Air traffic at Corpus Christi was delayed more than an hour. But the fog began lifting before mid-morning.

At mid-morning the cold front covered the entire Panhandle and extended south to Fink and Del Rio, then east to San Antonio and Houston and across to Lake Charles, La.

This morning's low temperature was 16 at Dalhart. The low in Pampa was 17 at 8 a. m.

Grass Fire Call Made on Sunday
Firemen were called to Will Wilks' property northeast of Harvester Park at 2:05 p. m. yesterday to extinguish a grass fire.

Fire Chief Ernest Winborne said some children were setting a cow skull afire when the grass fire began. No extensive damage resulted.

Firemen extinguished another grass fire on Wilks' property Saturday.

Senate Still Fighting Over China Policy

WASHINGTON — (AP) — Democrats and Republicans accused each other today of trying to make "hash" out of the nation's foreign policy in the Senate argument over Formosa and China.

Senator Lucas of Illinois, the Democratic leader, told reporters he thinks GOP members storming against President Truman's hands-off policy toward Formosa "have been, in the Senate, making political hash."

"They are trying to create an impression," he said.

The new break came Saturday when the State Department announced that the Communists at Peiping had seized the property housing the American Consulate office, and it had ordered home all American officials remaining in China.

One favorable note in the situation was a report from Gen. Douglas A. MacArthur that the Chinese had been very courteous in all their dealings with the Americans to date. This provided the main basis for hope at the State Department that the U. S. officials would be allowed to leave.

Acheson Is Confronted With Crisis in Far Eastern Policy

WASHINGTON — (AP) — The new break between the United States and Communist China confronted Secretary Acheson today with another crisis in Far Eastern policy.

While all remaining American officials are preparing to withdraw from the Chinese mainland, Acheson's Republican critics in Congress are raising demands for action ranging all the way from an explanation to a resignation.

The resignation demand came from Senator Knowland (R-Calif.) who branding the new American retreat from China as evidence of a "bankrupt China policy." Knowland said that assistant secretary of state for the Far East, W. Walton Butterworth, should get out and that if Acheson approved the present Far Eastern policy, he also should quit.

In addition, there were some signs senatorial criticism is not the end of Acheson's troubles even on this specific issue. His perhaps greater problem is the actual removal of the 135 American diplomats and their families from Red China.

The Chinese Communists have many devices for delaying or halting the withdrawal of foreigners. They have not hesitated to use these devices in the past.

In issuing his recall order Saturday, the State Department had no assurance that when the diplomats actually seek permission to leave it will be given promptly in all cases.

MARCH OF DIMES DRIVE IS OFFICIALLY UNDERWAY

The March of Dimes drive is officially underway as of today. Gene Fatheree, county chairman, said it is hoped \$11,000 can be garnered quickly—at least by the time the national drive closes on Jan. 31.

Results of mailing of 4,300 March of Dimes cards by Girl Scout troops are already becoming evident, he said. Cards are coming back to the postmaster with donations as big as \$50. About \$300 has been collected by that means, with the bulk yet to come.

Form letters are to go out from the Chamber of Commerce office today or tomorrow, Fatheree said. A lot of official hopes are being placed in the cards and the letters, as well as in school collection cards and banks in business houses throughout the county.

Each community is conducting its own drive. Alanreed, McLean, and Lefors, as well as Pampa, Fatheree said, are Pampa Chairman Ray Salmon and Chapter Chairman Ed Henshaw would meet with the McLean Lions Club tomorrow to further the drive in that community. It will be conducted there by that club.

It was announced by Salmon that tickets for the Jan. 30 Elks Club dance at the Country Club would go to the Elks members the latter part of the week. Square dance clubs will sponsor a benefit dance at the High School Cafeteria that same night.

Rescue Crews Renew Efforts To Reach Trapped Coal Miner

MAHANAY CITY, Pa. — (AP) — West Virginia workers, spurred on by their rescue of one trapped coal miner, made a renewed effort today to reach his brother — still entombed by an underground rock slide.

Joe Burda, 30, was brought to the surface yesterday after being trapped 40 hours 55 feet beneath the surface.

Further down the same slope behind tons of rock and debris is his brother, Eddie, 25. Rescuers, despite their feverish efforts, held out little hope that he was still alive.

By early today the rescue crews had reached a point 25 feet from where they believe Eddie is trapped.

The two Burdas and a third brother, Casimir, 32, were working on the slope when a rock slide partially filled the shaft Friday. Casimir, near the entrance, was able to reach safety.

Joe, however, looked back and saw that Eddie was trapped. Rushing to help his brother with timbers, Joe himself was trapped by another rock fall.

From his bed in the state hospital at nearby Ashland, Joe yesterday told his story.

When he realized he was entombed, he said "I just sat and thought and prayed."

Then he made a further effort to reach Eddie, later trying to blast his way out of the shaft with dynamite.

"I had to stop shooting," he said, "I was afraid for the folks above and I was afraid I'd start another fall."

Those dynamite blasts were heard on the surface and spurred the rescue work.

The diggers sank a three-foot shaft at a 60-degree angle down to the rock-filled slope.

A half-inch pipe was driven through to Joe and he was fed milk, eggs and some whiskey through the tube. Gradually, the shaft was enlarged and about dawn yesterday Joe was pulled to safety.

The rescuers believe Eddie may be about 70 feet further down the slope, a total of 120 feet beneath the shaft entrance.

Poll Tax Exemptions Pose Problem

By HENRY GORDON
News Staff Writer
Poll tax exemptions — that intricate problem facing voters each year — is sticking its head up again.

Exemptions go only to certain classes of people — to those who are over 60, to those casting first votes on attaining majority, and to new residents preparing to cast their first ballot.

But, there are regulations to follow in obtaining the exemptions. Here they are:

In cities of 10,000 or over, you must obtain an exemption certificate for over-ages. This certificate is granted only if the applicant was 60 before Jan. 1, 1949.

In cities of less than 10,000 no application for exemption is needed.

To claim an exemption on becoming 21 the applicant must show the county tax assessor-collector's office that he, or she, has become 21 years of age after Jan. 1, 1949.

New residents must be in the state one year and the county six months, prior to the election.

Kidnap Rumor Proves False

Police and Sheriff Department officials yesterday morning dispelled rumors that two little girls were kidnapped by an unidentified man Saturday night out of a local theater.

The rumor circulated around town late Saturday night to the effect that a man approached two little girls and told them their parents had sent him to the movies to bring them home. The man was supposed to have told the children their parents were at a dance.

However, police and Chief Deputy Sheriff Rufe Jordan said they had received no call on any kidnapping — not even on a lost child, — Saturday night.

Smithwick Trial Opens

BELTON — (AP) — Portly Sam Smithwick, nervously fumbling his cowboy hat, went on trial here today on a charge of murdering a crusading radio commentator.

Smithwick entered the courtroom a scant five minutes before the trial opened at 10 a. m.

Judge Wesley Dice overruled a motion by the defense to set aside the order which had transferred the case from Alice to Belton, then selection of the jury began.

Weakened by illness, the 61-year-old defendant, a former peace officer, was down to about 230 pounds — 35 pounds less than he weighed in 1945 when he allegedly killed W. H. (Bill) Mason, veteran radio and newspaper man, at Alice, Texas.

Two minutes before 10 a. m., Judge Dice took his seat on the bench.

The courtroom was packed mainly with 250 veniremen.

The state charges Smithwick deliberately shot Mason in anger after the tart-tongued radio broadcaster had made accusations against Smithwick, then a deputy sheriff of Jim Wells County, on a radio program.

DALLAS — (AP) — A Texas telephone union official said today the long-threatened Southwest-west telephone strike has been averted again.

R. W. Stio, Texas secretary of the CIO Communications workers of America, said he was advised by St. Louis union headquarters that strike action has been postponed for "several weeks."

He said: "International officers have requested that the Southwest live in peace until the strike action is in abeyance until other divisions enter into bargaining procedure with the Bell Telephone System."

Involved in the St. Louis talks are the CWA, embracing Texas, Arkansas, Oklahoma, Kansas, Missouri and Illinois.

"The other 25 or so divisions of CWA will enter into bargaining with Bell within the next few weeks," Staley said.

Wittman Winner of Midget Plane Race

MIAMI, Fla. — (AP) — Steve Wittman of Oshkosh, Wis., won the \$10,000 Continental Motors Trophy Race for midget planes for the second straight year at the All-American Air Maneuvers here yesterday. He whipped his tiny Wittman Bonzo over the 10-lap triangular two-mile course at an average speed of 185.4 miles an hour.

Leave-worth, Kans., and Capt. William E. Arnold, stationed at Bannana River, Fla., were expected today.

Steel Plant Pits Targets Of Strikers

PITTSBURGH — (AP) — At least 64,600 soft coal miners in six states today refused to obey John L. Lewis' suggestion they return to work after a one-week strike.

Western Pennsylvania diggers led the strike into its second week, with 45,000 miners idle out of a total of 56,000.

Over the nation, pits operated by steel companies and the giant Pittsburgh Consolidation Coal Company were the principal targets as they were last week when 68,000 miners walked out in seven states.

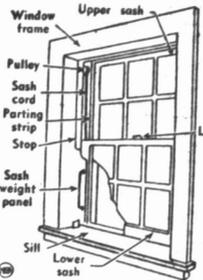

Alabama operators said 5,900 men were idle. Ohio counted 4,000 staying at home and Kentucky listed 5,000.

In West Virginia, the nation's number one soft coal producing state, 5,000 were not "willing to work." Most of the idleness was in the northern fields.

Ups and Downs of Windows

By BOB SCHARFF
Written for NEA Service

There are a few things as annoying as a window that refuses to open — or opens half way and then can't be closed. If you take a good look at a window, you'll find the two sashes move up and down between three strips of wood. The two outer ones are called "stops" and the center one a parting strip. Excess paint on these strips or swelling of the sash cause the window to stick.

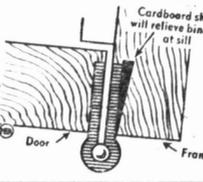

The space between the strips will have a very plain mark showing where the window rubs. To remedy, take a small block of wood that fits in the groove easily, wrap a piece of sand paper around it, and sand until you have removed the rub marks. If the window moves easily now, wipe soap or graphite in the groove as a lubricant. If sanding doesn't help, place the end of the block of wood against the inside edge of each of the stops and give it several sharp blows with a hammer. This should move them far enough from the parting strip to allow proper operation of the sash. When a sash cord breaks, the entire sash must be taken out. To take out a lower sash, remove the stop on both sides of the window casing. You can then pull the sash out and remove the broken cord. Remove the weight pocket cover located between the stop bead and the parting strip.

The weight with the other half of the broken cord will be at the bottom of the pocket. Take it out, pass the new cord through, and fasten it after the cord has been run over the pulley above. Now pass the other end of the new cord through the hole in the sash from which the broken one was taken and allow enough cord to permit the weight to run up and down freely as the window is raised and lowered. If the upper sash is the one with the broken cord, remove the stop on both sides of the window casing. You can then pull the sash out and remove the broken cord. Remove the weight pocket cover located between the stop bead and the parting strip. Steel sash chains are preferable to cords and when possible should be used in replacement.

Make Your Doors Behave

By BOB SCHARFF
Written for NEA Service

Doors stick or bind, they get loose and rattle, or they warp. But they have few troubles that can't be fixed in a few minutes. Slight sticking can be remedied by rubbing the tight surface with paraffin or soap. If sticking demands closing the door with considerable force, the portion at the top, bottom or sides which is causing the trouble will be evident upon inspection and may be eased by using a plane. After a satisfactory fit is established, the top edge of the door should be painted or varnished to prevent further absorption of moisture and swelling.

If the front edge of a door strikes the frame and there's space between the back edge and the frame, the hinges can be set deeper in the frame by cutting away the wood behind them with a wood chisel. If there is no space between the front and back edges and the frame, the back edge should be planed down to a fit. This will require the re-setting of the hinges. When a door sticks at the outer corners, it can be tilted by setting pieces of cardboard behind one of the hinges. When the sticking is at the sill, place the cardboard behind the bottom hinge when it hits the top, behind the top hinge.

doorjamb, putting layers of cardboard under them and then replacing the hinge. Should a door warp so that either the top or the bottom of the door edge strikes the stop and prevents closing it, the only remedy is to remove the door. Lay it flat on supports, and place weights on the high part. Within a few days, this should straighten the door out and it can be re-hung. When a door fits properly, but rattles, the position of the striking plate should be changed by moving it closer to the stops. If the latch hits the striking plate instead of entering the hole, the plate should be reset.

Sticking is often the result of the loosening of the hinge screws; one or twice a year it is wise to take the time to tighten these screws. If a door shrinks so that it fits too loosely on the lock edge, it may be set over slightly by removing the hinge leaves from the

Cut Made in Welfare Checks

AUSTIN — (AP) — An 11 percent cut in state aid to dependent children appeared on January checks, State Department of Public Welfare Director John H. Winters announced. Winters said the cut resulted from proration of available funds among eligible recipients which numbered 618 more this month than last. The average January grant to families under the program was \$41.62. Old age assistance checks went to 221,321, an increase of 741 this month. The average check decreased from \$34.14 to \$34.12. Aid to needy blind went to 6,311 recipients, 24 more than a month ago. The average grant dropped from \$38.47 to \$38.44. More than 4,800,000 American farms have electricity.

THE CAXTON can be expanded into a four bedroom house by adding two on the second floor. By leaving out the archway—the dining and living room can be combined. The fireplace is a feature of the front gable but can be substituted with a picture window.

Good circulation is obtained by means of a door from the front vestibule and kitchen. It is possible to reach all rooms, including second floor, from the front entrance, without passing through any other room.

The first floor has a large hall closet and linen cabinet. Bedrooms have wardrobe closets and the second floor has two closets and attic storage.

Cabinets grouped at one end of kitchen provide dining space, with double compartment sink under window.

The exterior has wide siding and asphalt shingle roof. A covered stoop protects front entrance. There is a full basement.

Dimensions are 24 feet by 26 feet with a five and one-half foot projection. Floor area is 988 square feet. Culpage is 20,148.

HOME KITCHEN MAY BE SCENE OF ACCIDENTS

Lurking in the guise of ranges, toasters, irons, furniture, polished floors and countless other kitchen commodities are burns, bruises, dislocations, fractures and even worse for housewives who lapse into careless spells. To reduce kitchen accidents, safety officials advise homeowners to follow a few simple rules.

BUY 'EM BEAT IT

A Redwood City, Calif., lumber company is meeting the demand for low cost housing with two and three bedroom "roll-away" homes produced on an assembly line and moved to the buyers' lots anywhere within a radius of 50 miles.

Texas Building Shows Drop

AUSTIN — (AP) — Texas building slumped the second week in January, the Texas Contractor reported. The week's total of contracts let was \$9,223,203 compared with \$10,288,170 for the week ended Jan. 8, the contractor's trade publication found.

Wash Windows The Easy Way

Window washing is dreaded by home owners and apartment dwellers alike. Yet, if convenient equipment is used, it can be one of the simplest of routine household chores.

Solid Brick Walls Require Full Insulation

Although many owners of homes of solid brick or masonry construction believe otherwise, it is twice as important to insulate the walls of these homes as to insulate the walls of a frame house, and four times as important to insulate the solid walls as the roof, it was asserted today by the Construction Research Bureau.

Shamrock Postal Receipts Increase

SHAMROCK — (Special) — Receipts at the Shamrock Post Office during 1949 were \$1,831.88 greater than the previous year, Postmaster Flake George announced. Income totaled \$27,515.88, as compared with \$25,664.00 in 1948.

Valuable Stamps

A few 24-cent airmail stamps of the United States, which show the airplane in the center flying upside down, now are valued at \$3000 each.

Funny Business

By HERSCHBERGER
From this it should be evident that "side-wall insulation is a must for a solid masonry home and is of even more importance than roof insulation," the bureau said. "A three 5-8 inch layers of mineral wool has the insulating efficiency of 12 feet of concrete."

Convicted Man to Appeal Decision

HOUSTON — (AP) — Attorney W. W. Holland said he would appeal District Judge Langston G. King's decision against a new trial for George Honey Young, Negro convicted of raping an 11-year-old white girl. King overruled a motion for a new trial Friday. Young was given the death penalty Dec. 13.

Light Colors Save Gasoline

Industry is constantly learning new tricks with paint and color. There is, for instance, the matter of the heat contained in sunlight. This heat radiation is subject to control through the use of color. Dark colors absorb heat rays; light colors reflect them and therefore cast them away. Oil companies make use of this knowledge when they select white and light tints for painting tanks to keep their gasoline evaporation as low as possible. In gasoline storage tanks, the U. S. Bureau of Mines reports, a white tank had an evaporation loss of 1.4 percent; a red tank had a loss of 3.54 percent—more than double. This test was made over a four and a half month period.

Historic Stone Still at Boston

BOSTON — The first paint mill in America, known today as the "Boston Stone" was imported from England. It's now embedded in a rear wall of the building at the corner of Hanover and Marshall Streets and serves as a symbol of the beginning of the nation's paint industry. The "Boston Stone" is really a combination of two stones—a ball 18 or 20 inches in diameter resting in a trough in an oblong stone which is perhaps three feet in length. The latter was part of the original stone trough in which paint was ground with the aid of the stone ball.

Report on Building Needs Is Scheduled

HOUSTON — (AP) — A report on the building needs of three state institutions will be given Gov. Allan Shivers this week. A committee has been surveying needs of the M. D. Anderson Hospital for Cancer Research at the Texas Medical Center; the Texas State University for Negroes, and the University of Texas School of Dentistry.

Wheeler County Legal Notes

WHEELER — (Special) — Recent suits filed in 31st District Court in Wheeler include: Jean Pierce vs. George Pierce, divorce. Jack H. Ribble vs. Chas. A. Wedgeworth, et al, suit to foreclose vendor's lien.

First Scholarship in Journalism Given

AUSTIN — (AP) — Maxine Smith of San Antonio was awarded the first annual Marjorie Darlick memorial scholarship in journalism at the University of Texas. The scholarship, sponsored by Theta Sigma Phi, women's honorary journalism organization, is in memory of Marjorie Darlick, a journalism graduate who died in 1948.

Metals in Flakes

Metals, such as copper and aluminum, are stamped out in thin flakes for use as a pigment in paint. The paints thus made are used for their color and also for their mechanical effects. They are highly resistant to moisture and also aid in sealing-in stains which might otherwise "bleed" into subsequent coats of paint of different color.

Pioneering Pooch

Faun, the seeing-eye dog of Anita Blair, 28, above, became the first dog in history to hear a Senate debate, after Sergeant-at-Arms Joseph C. Duke broke an anti-standing Senate rule against animals by permitting Miss Blair and her dog to enter the galleries. Miss Blair, who was blinded 10 years ago in an auto accident at El Paso, Tex., is in Washington to protest a long debate which she fears would put her out of business as a lecturer.

White Collar Stands out in Spring Fashion News

A youthful white collar is making its mark on fashions this spring. The blue-and-white checked mix-ture coat (left) is teamed with an overlay collar of white pique. Pique turns the pin-checked rayon jacket and skirt (right) into a snappy double-collared suit for spring.

NEW YORK — (NEA) — Fashion's newest darling is the little white collar boy. His influence on styles is seen all the way from Paris to San Francisco, with New York holding its own in between. Besides putting a youthful rim of white around a woman's neck, the little collar of white pique also hits a practical note. More easily renewable than woolen, a detachable cotton collar guards the collar of coat, coat-dress or suit which it overlays. As used by Nettie Rosenstein, the little boy collar whitens the neckline of simple but smart tweed coats. One collar that gets special treatment is the one's edged with two rows of navy blue soutache braid — frosts a coat of muted blue-and-gray tweed which is self-belted and buttoned to the waistline. Out California way, Stephanie Koret takes over the little boy's collar to give suits a youthful look. One example, a pin-checked black and white suit of rayon suiting, is as simply styled as a little guy's.

Donnie Stroope, Boyd Brown Wed

Mrs. J. L. Stroope announces the marriage of her daughter, Donnie Lee, to Boyd D. Brown, son of W. F. Brown, Rutherford, N. C. The Rev. Douglas Carver read the single ring ceremony at 8 o'clock, Tuesday evening, Jan. 10, in the Stroope home. The bride wore a dress of navy blue with a pink camellia corsage. Her mother was also dressed in navy blue and wore a corsage identical to the bride's. At the wedding reception Mrs. Noah B. Cude, a cousin of the bride, served from a lace covered table, to a few relatives and close friends. The bride grew up in this vicinity and is a graduate of Pampa High School. She has also attended schools at Abilene and Canyon. The young couple will live 18 miles east of Pampa.

BKG Club Begins Spring Dance Plans

The first plans for a spring dance were made by the BKG Club last Wednesday night at their meeting in the City Club Room. Mrs. Raymond Reid, new club president, appointed Mrs. Larry McMurry to arrange for a band. A definite date for the dance has not been set, but plans are for early May. The virtue of prosperity is temperance, but the virtue of adversity is fortitude; and the last is the more sublime attainment.—Bacon.

Press Is Magic Word in Europe; Opens All Doors

SEATTLE — (AP) — If you want to impress some officious somebody in Europe, just flash the word PRESS. At least that's what a Swedish student at the University of Washington learned this year while making a photographic trip through France, Belgium and Denmark. And it brought chuckles to wistful Jack Jarvis, night city editor of the Seattle Post-Intelligencer, when Nils Fritzner, the student, told him about it on his return the other day. "Seems that before Nils headed for a summer in Europe he came across some of Jarvis' screw ball cards. Jarvis has his own basement printshop as a hobby, and delights in issuing membership cards to such zany organizations as 'The What's in It For Me Association,' the 'Don't Let Anybody Tell You Different Association' and scads of others, which he grinds out weekly. Most have 'Press' printed along the end. Jarvis had NO idea that one which he gave to Fritzner would prove such an open sesame. Nils was telling about it. 'We were in Copenhagen. There was a garden party, with the king and queen as guests. I wanted to get in to photograph the guests. The doorman said 'NO.' I flashed some credentials. The doorman happened to look at one card protruding from my billfold. The word PRESS stood out like a beacon. The doorman said 'ah' and bowed from the waist, opened the door and fairly pushed me into the royal presence. 'From then on I was 'in' in a big way. Whenever I discovered that the person trying to keep me out of something didn't understand English, I flashed the card. Everyone knew the word PRESS. Officials at a sailing meet even put me aboard one of the boats so I could get better pictures.' In Belgium a customs official was going to hold his camera. Out came the card. The customs man read the word PRESS and apologized. Managements of Paris night clubs showered him with guest cards. They fell all over themselves to extend the courtesy to the 'American press photographer.' Same thing atop the Arc de Triomphe. A guard demanded a fee for Nils to take photographs. Nils showed the PRESS to a gentleman. The gentleman then gave the guard the French equivalent of What For, for interfering with the 'American press photographer.'

Readers of The Pampa News are invited to send their problems to Grace Friend. Letters not published in the columns will be answered personally provided a self-addressed stamped envelope is enclosed with the question. Writers must sign their names although they will not be printed without the writer's permission.
ON EARLY RISING
Dear Mrs. Friend:
Do you think that I should get up in the morning and get breakfast for my husband and two daughters?
They have never minded doing it but my sister is very critical of me and says that I am a poor wife and mother because I don't get up and cook their breakfast and get the girls off to school.
Dear Sleepyhead:
Whether you get up and cook breakfast for your family depends entirely on you and them. If they feel that you should stay in bed and sleep and if they don't mind getting their own breakfast, and if the breakfast they get is the right kind, I see no reason why you should change your ways. However, if they might not fix it as wholesome a meal as they should have to start the day, you certainly ought to get up and see that they are properly fed before they start out on their day's activities. If they fix juice, cook bacon and eggs, or perhaps cereal, and make toast, then they are just as well off as if you were to get up and prepare it. If they don't take time for a real breakfast but fix a skimpy meal which lacks the necessary vitamins and minerals, then you had better start getting up and preparing their meal yourself. If you are really sleepy in the mornings, I suppose you can go back to bed after your children leave for school and your husband goes to his office. But your first duty is to see that your family is well fed. If they are eating the right kind of breakfast without your help and if the children are properly dressed for school, then continue to sleep in the mornings.

WARREN'S WARMUP

By Warren Hesse—News Sports Editor

QUESTION: What pitcher led the American League in earned run average this past season?

ANSWER: Mike Garcia, hurler with the Cleveland Indians, led the American League in ERA in 1949 with a mark of 2.35.

QUESTION: How are you doing in chemistry?

ANSWER: "Don't worry about my chemistry, coach," the boy replied. "I've figured it all out and I can get a 27 in my semester test and still pass."

Two days later the same boy got his paper back with a big red 21 marked on it.

SMU Back In SWC Lead

By WILBUR MARTIN
Associated Press Staff

It's Southern Methodist in the lead in the Southwest Conference basketball race.

The Mustangs came out on top in a standings shuffle last week, but their first foe this week is potent Arkansas, currently in second place.

Baylor, which fell from the lead Saturday night by bowing to Southern Methodist, 50-47, meets W. H. Dial, post commander; Jack Montgomery, former post commander; Bill Howe, of the Shamrock team; John Kennedy and Ray Kilmann of radio station KEVA; and all of the rest of the bearded Irishmen of Shamrock offered the finest hospitality to all of the visiting fighters and fans.

Thanks to all of you from all of us.

A few incidents of the fights during the three nights of action. Wilbur Smith of Wellington and Robert Mauldin of Pampa both on their knees and swinging at each other after an exchange of blows just the second before had sent both to the kneeling position. Jimmy Pennington of Shamrock catching a right to the face and expectorating over the ropes, showering the radio men broadcasting the fights.

The 50-year old gentleman who wanted to enter the open division. Wonder if he had his parents' permission. Eugene Cooper, former state 147-pound champion, seconding his brother Billy Ed. Duke Nally, regional supervisor of the Golden Gloves, out of Amarillo, enjoying the fights and beaming proudly as he told us about his latest design of the award to be given to the winning team in the regional meet. And then Duke's smile disappearing as he expressed his desire that famous again return to the Golden Gloves by holding a district meet here once again next year. Francis Hunt, former slugging 160-pounder from Pampa, who has given up fighting, unable to keep away from the dressing rooms and wishing audibly that he were fighting again this year.

McCarthy Wants To Buy Browns

HOUSTON — (AP) — Wealthy Glenn McCarthy wants to buy the Cleveland Browns pro football team and move it to Houston. He thinks owners of the club will listen to his proposition.

McCarthy has made application for a franchise in the National American Pro Football League. The circuit is to study the request at its first meeting this week in Philadelphia.

McCarthy said he plans to attend this meeting. But he refused to discuss details of any plans for negotiating with the Cleveland club management.

Champs Named in Shamrock District Golden Gloves Meet

Twenty champions were crowned Saturday night in the final evening of action in the first Shamrock District Golden Gloves Boxing Tournament. The 20 new champs, added to the two crowned in the first two nights of the meet, presented a team of 22 fighters to represent the Shamrock District in the regional Golden Gloves meet at Amarillo, Jan. 24-28.

A capacity crowd of 1,600 fans witnessed the final night's action, which started slow, but increased in tempo right down to the final fight.

Each bout produced just one winner, but in several cases, the fight was matched by two champions.

Pampa had four boys advance to the regional meet in Amarillo. John Lowe, Leon Kelley, Jimmy Hyatt, and Jim Bill Windsor.

Here are the district finalists:

HIGH SCHOOL
85-pounds: Paul Hall, Shamrock, 90-pounds: Stephen O'Gorman, Shamrock.
95-pounds: Kenneth Woods, Shamrock.
100-pounds: Clarence Jones, Shamrock.
105-pounds: L. B. Coberly, Lefors.
112-pounds: Donnie Ray, Shamrock.
118-pounds: Billy Campbell, Shamrock.
126-pounds: Joe Landrum, Shamrock.
135-pounds: Wilbur Smith, Wellington.
147-pounds: Bobby Campbell, Shamrock.
160-pounds: Jimmy Hyatt, Pampa.
175-pounds: Leon Kelley, Pampa.

HEAVYWEIGHT: Gene Hubbard, Wheeler.

OPEN DIVISION
112-pounds: Jimmy Thompson, Wellington.
118-pounds: Mervil Skaggs, Shamrock.
126-pounds: Gene Beard, Wellington.
135-pounds: Jim Bill Windsor, Pampa.
147-pounds: Tom Landrum, Shamrock.
160-pounds: John Lowe, Pampa.
175-pounds: J. Roy Henry, Shamrock.
Heavyweight: Johnny Patterson, Quail.

Awards were presented to the champions. Shamrock was given the team trophy for having the most points. Sly, elusive Wilbur Smith of Wellington was presented the "best sportsman" trophy.

The crowd cried for knockouts and they got them, six in all. Three were KO's while the remaining half were TKO's.

The feature bouts of the evening were matched between Wilbur Smith, Wellington, and Joe Rice, Lefors; and Donnie Ray of Shamrock and Pat McCarthy of Amarillo.

Rice TKO'd Pampa's Jimmy Bennett Friday night while Smith sectioned Jimmy Pennington of Shamrock. The fans showed constant interest by shouting encouragement to the victor. The fighters just felt each other out in the first round, the fighting really starting in the second. Smith, being the faster on his feet, was really the most aggressive, charging in and out before Rice could quite gather his wits. At the end of the second round Rice stunned Smith with a right cross and Smith was forced to clinch. In the clinch Rice came up with a terrific uppercut that caught Smith squarely on the head. Smith went down for an apparent knockout. The bell, however, saved him. He came bounding back in the third, never tiring, to give Rice a beating. Rice was almost out when the bell ended the fight. The decision was awarded to Smith.

The fans got action galore in the Smith-Rice bout, but when Donnie Ray of Shamrock, who had already won in his weight, fought Pat McCarthy of Amarillo in an exhibition bout things were even more exciting. The fight was well matched. McCarthy was the more experienced fighter, but Ray kept in there all the way. McCarthy was the more aggressive and elusive fighter, and had a lightning left that kept finding its mark to Ray's head. The fight was never one-sided, but McCarthy held the upper hand.

A couple of 106-pounders started things off. J. B. Coberly, Lefors, sectioned Leslie Davis of Quail in a fairly slow fight. Coberly's rights to the body decided the outcome.

In the 85-pound division, Paul Hall of Shamrock was a decision over Tom Christner of Shamrock. Hall had a fairly long reach, but Christner kept coming back with left jabs.

Stephan O'Gorman of Shamrock sectioned Wellington's Bob Davis in the 90-pound class. Davis had reach advantage, but O'Gorman kept getting inside his guard and battering him with rights and lefts to win an easy decision.

Kenneth Woods of Shamrock KO'd Wellington's Warner Moore in 1:50 of the first round in the 95-pound class. The boys were well matched but two hard left jabs was more than Moore could take.

Shamrock's Joe Landrum sectioned Ed Carver, also of Shamrock, in the 126-pound class. Landrum dropped Carver in the second round for 8 counts. Landrum, being the most experienced, kept finding Carver's jaw with his left.

A very good fight ended in the 147-pound class when Bobby Campbell of Shamrock was awarded TKO when Dean Mayberry of Perryton suffered a severely cut lip. The bout was a slugfest special all the way. Mayberry

Shamrock Irishmen Take Wheeler Basket Tourney

WHEELER — (Special) — The Shamrock Irishmen, conquerors of the Pampa Guerrillas in an afternoon game, went on to capture the Wheeler Invitational Basketball Tournament here Saturday night. The Irishmen defeated Miami, 33-27, in the final round. The Mobeetic girls team captured honors in their division with a thrilling 50-49 decision over the powerful McLean girls team.

Earl Tarbet led the scoring for the champion Irishmen of Coach Scott McCall, dumping in 11 points. Charley Gill of Miami was high point man for his team with 7.

Frances Totty continued her blistering scoring pace, hooking 20 points through the nets to lead the girls champion team. M. Lively was the leading scorer for McLean, getting 19 points. The members of the all-tour-

being the most aggressive. Mayberry's cut lip came from Campbell's continuous right crosses.

Two Pampa boys, Bill Chapman and Jimmy Hyatt, slugged it out in the 160-pound bracket until Hyatt caught Chapman with a good hard punch to the head in 1:35 of the second round.

Speedy little Clarence Jones of Shamrock won over Wellington's Drew Wyrick by a TKO, in 1:15 of the third in the 100-pound finals. Jones was sent sailing in the first round by a hard left jab to the head. He came back, however, and kept hitting with his right until the referee was forced to stop the fight.

Billy Campbell of Shamrock sectioned Bob Wilhelm of Pampa in a hard fought battle in the 118-pound class. Campbell was a much taller and more experienced, but the local lad was very game and stayed with him until the end. Despite Campbell's advantages, it was still one of the better and closer fights of the evening.

Jimmy Thompson of Wellington KO'd Calvin Aaron, also of Wellington early in the first round when Thompson caught Aaron with two hard left jabs.

In the heavyweight division Ethredal Ross of Pampa lost to Johnny Patterson of Quail in a slow fight. Patterson's aggressiveness and hard punches won him the decision.

In the 160 open class James Stevens of Pampa was TKO'd by another Pampa boy, John Love, 1:30 of the third round. Punches were hard and fast. Stevens went down for 7 and 8 counts in the first while Love went down for eight in the second.

Tom Landrum of Shamrock sectioned Billie Joe Roden of Shamrock in a somewhat one-sided fight. Roden wouldn't fight but Landrum got through his guard and peppered punches to Roden until he could hardly stand up.

Individual awards were presented to the champions and co-champions of each weight. Weights below Golden Gloves regulations were awarded trophies. The High School Division received orders for jackets and letters, while the runners-up received golden gloves.

Four Share Top Place in Crosby Open

PEBBLE BEACH, Calif. — (AP) — Bing Crosby's personal golf tournament, the one for which he puts up all the money and has as much fun as any, was one of the most unusual in its nine-year history.

The 54-hole invitational affair ended yesterday in a four-way tie for first place among the pros. There will be no playoff. They split the money for the first four places equally.

Among the pros, slugging Sam Snead, national PGA champion, putted himself out of undisputed first place by missing an eight-footer on the final green. His 214 for the three rounds was equalled by Dave Douglas, Wilmington, Del.; Jackie Burke, Jr., White Plains, N.Y.; and Smiley Quick, Culver City, Calif.

The quartet each pocketed \$1,237.50.

In the pro-amateur competition there was a two-way deadlock for top money. Amateur Bud Moe of Spokane, Wash., and pro Ralph Blomquist of Glendale, Calif., tied Don Edwards, San Jose, Calif., and Marty Furgol, Albuquerque, with best ball scores of 201 for the three rounds.

In the passing golf parade was one whose rearward position was strange to the gallery of thousands. He is little Ben Hogan, former triple champion — National Open, PGA and Western Open — who is fighting his way back after a near fatal auto accident eleven months ago.

Hogan's dramatic comeback in the Los Angeles Open last week, when he tied for first place with Sam Snead, was still fresh in the minds of the onlookers who saw him trudging soggy fairways here. Hogan will meet Snead in the playoff Wednesday in Los Angeles. But he was only an also-ran in the classic Bing Crosby scramble.

Hogan couldn't conquer cold, rainy weather and three tough courses — Cypress Point, Monterey Peninsula and Pebble Beach — as he has in the past. He had scores of 77-74-72 for a 223. It didn't even land him among the fifteen money winning places.

Independent 5s Playing Tonight

Harvesters Lace Blackhawks, 54-31, With Last Period Rally

The Pampa Harvesters, one down and five to go in the District 1-AA basketball chase, spend a comparatively easy week this week, only one game being on the schedule. The rest of the time will be devoted to the battling of semester examinations, a more important tilt. Friday night they play Plainview.

Tuesday night the players will probably go to see their Friday night opposition battle the Borger Bulldogs at Borger.

Last Saturday the Green and Gold played through two games at Phillips against the Blackhawk's "A" and "B" teams, and came out victorious in both. The Harvesters defeated the Blackhawk's 54-31, and the Guerrillas, playing their third game of the day, defeated the Hawk "B" five, 35-29.

The Harvester game saw Coach Clifton McNeely starting another revised lineup in an attempt to add scoring punch. The starting quintet was composed of two Seniors, the scoring duo of James Gallemore and Jimmy Howard; two Juniors, Tony Jones and James Claunch; and one Sophomore, Marvin Bond.

This five battled through the first quarter and came out with a 2-point deficit, 9-11, thanks to some sharp shooting by G. H. Bowman and Dale Fisher for the Hawks.

In the second period Coach McNeely again shifted his lineup, inserting Dwain Reno, Jack Sutton, and Elmer Wilson into the game, and the Harvesters pulled into a 21-18 lead at halftime.

Still another lineup started the third period, with Reno, Gallemore, Howard, Wilson and Sutton being the new quintet. This five added another point to the lead to start the fourth period, 30-28.

And then in the final period the Green and Gold went hog-wild, scoring 24 points while holding the Hawks to five.

McNeely had his team switch over from a waiting defense to a pressing type in the final quarter, bounding the Hawks all over the floor, and it paid off with points. Little Elmer Wilson came 8 points in the final period, Buzz Farpley had 5, Gallemore 5, Claunch 3 and Reno 1 and James Reddick, of the Hawks, graciously contributed two points to the Pampa scoring by dumping a neat push shot into the Pampa basket, much to his embarrassment.

Gallemore was high-point man for the Harvesters with 12. Reno and Wilson shared runner-up honors with 10 apiece. Usually high-scoring Jimmy Howard was held to but 3 points. Bowman led the Hawks with 11 counters.

In the preliminary game, the Guerrillas, tired from two earlier games that day at the Wheeler Tournament, fought a nip-and-tuck game with the Phillips "B" team, finally emerging on top by a long end of a 35-29 score. The Guerrillas led a 16-15 lead at halftime, but had to come from behind in the second half several times to gain the victory.

Dwain Jeter was high-point man for the Guerrillas, dumping in 9 points. Billy Davis was a man for the Guerrillas, dumping in 9 points. Billy Davis was runner-up with 6, and Tolle Hutchens had 5. Wells led the Hawks with 4 points.

The Guerrillas will also have a week of rest until Friday night when they will accompany the Harvesters to Plainview.

Woman Athlete Of Year to Boost Midland

MIDLAND — (AP) — Marlene Bauer, 15-year-old nationally famous golfer and the "Woman Athlete of the Year" in the Associated Press poll, is scheduled to list the Midland Country Club as her "home course" in future tournaments.

Roy Minear, retiring club president, said Saturday the young golfer and her sister, Alice, plan to make their home here when not playing.

The two sisters are from Los Angeles, Calif.

Minear said the pair played several exhibition matches here last year and liked the city so well they decided to become semi-permanent residents.

Duquesne and Holy Cross Lone Unbeaten Top 5s

NEW YORK — (AP) — Powerful Holy Cross has just Duquesne left for company today in the undefeated class among the country's top basketball teams.

The Crusaders, fifth in last week's Associated Press poll, keep knocking off the strong ones at home and on the road. Their latest and 13th victim is Georgetown which fell, 77-51, Saturday night.

Only the night before, the D.C. five lost by just one point, 67-66, to St. John's, rated first in the poll. This shot Holy Cross stock up.

Duquesne defeated Loyola of Chicago for its 12th victory Saturday, 62-54. The Dukes are eighth in the poll.

Last week's most startling upset was Tennessee's Saturday arrangement of Kentucky, 66-53. The Wildcats rank second in the poll.

It's the first time since 1945 that a Southeastern Conference five has whipped Kentucky.

Sectional leaders as of today are Holy Cross, Kentucky, Bradley, Colorado, Arizona and UCLA, with a number of fives in each area right on their heels.

NCAA Seeks Punishment For Violators

NEW YORK — (AP) — The National Collegiate Athletic Association, rebuffed in its first efforts to get tough, sought new methods today for cracking down on recalcitrants.

Prof. Hugh C. Willett of Southern California, the NCAA's incoming president, announced violators of the sanity code would still be sought out and punished. He didn't say how.

"It is evident expulsion is felt to be too severe a penalty for such infractions," he said.

"However, we have a peculiar problem. We have these members who admit they are breaking the rules, who have been found guilty by the Compliance Committee and who have been convicted by a majority vote of the convention."

He said it's possible other NCAA members would choose to boycott them.

The NCAA executive referred to seven institutions who won a battle against expulsion Saturday. Virginia, Virginia Tech, VMI, The Citadel and Maryland stood up and said out loud they were not complying with the code and didn't intend to. It is "unworkable and impractical," they argued.

Boston College and Villanova, also charged with violations, said they were singled out through misunderstanding and are now complying.

The Citadel quit the NCAA in a huff and Col. D. S. McAllister, director of student activities, declared, "I doubt if we'll ever come back."

The convention, using a single ballot, voted 111 to 93 to expel the seven schools. This was 25 short of the two-thirds majority necessary.

St. Louis Boy After Feather Crown Today

ST. LOUIS — (AP) — Charley Riley, young St. Louis Negro, will attempt to lift the featherweight crown from Champion Willie Pep of Hartford, Conn., in a scheduled 15-round bout at the Kiel Auditorium tonight.

Bookmakers do not give the St. Louis challenger much of a chance. They have made Pep the favorite at 1 to 4 1/2. Odds on Riley have been quoted at 3 1/2 to 1.

DO WE HAVE TO ALLOW THAT RUNT TO RUN OUR LIVES? CAN'T YOU CLOSE THE WINDOW JUST FOR A WHILE?

NO, HE RAISES TH' DICKENS—HE WANTS IT THAT WAY OR I GET NO PEACE!

WHAT KIND OF AN ACTOR IS THE MAJOR TWIGGS? I ASKED HIM TO JOIN ME IN A COMEDY TEAM ON TELEVISION AND HE SWINELED HIS NOSE 90 DEGREES NORTH! HE BROKE THE FIRST RULE, TOO—DIDN'T ASK HOW MUCH WE'D GET!

HE'S AN OLIVER TWIST PERFORMER, PIKE! FOR HIM IT'S NO SHOW UNLESS A MAN WITH A MUSTACHE GETS STABBED, OR A DOLL GOES OVER THE FALLS ON A CAKE OF ICE!

BUT THOSE JOKE—WOULDN'T THEY KILL SOMEBODY?

HEROES ARE MADE—NOT BORN

Blondie

I'LL WEAR MY NEW HAT IN THE KITCHEN—DINGWOD WILL BE SURE TO NOTICE IT WHEN HE GETS HOME.

GEE, IT'S GOOD TO GET HOME.

WELL, ANYWAY HE NOTICED IT!

Wash Tibbs

COON THE "DEACON" HAS THE BIG DOOR OPEN... AND RAPIDLY CUTS THE LAST BAR TO THE WALK.

I'VE GOT 'N SOUP AN' FUSES, JOE. BRING THOSE PERK KIDS—WE'RE READY TO MOVE INTO TH' BIG BOX!

NO NEWS YET, EASY! PROWL CARS HAVE COVERED EVER' STREET IN TOWN WITHOUT EVEN SPOTTIN' TH' PUP!

OF COURSE SOMEBODY COULD'VE ALREADY PICKED IT UP!

TH' PUP WAS OUR ONLY LEAD! IF THAT FIZZLES OUT I'D HAD NO NOTICED IT!

WE'RE NOT GIVIN' UP ON IT YET! WASH! IF IT WAS FOUND, THE PARTY MIGHT BE PLACED AN AD IN ONE O' THE PAPERS TONIGHT! ANYWAY I'M GOING TO FIND OUT!

Red Rider

OPEN ONLY ONE WEEK AND ALREADY YOU'VE TAKEN NEARLY ALL OF PARSONS' BUSINESS AWAY FROM HIM!

I KNOW, RED—AND I FEEL SORRY ABOUT THAT!

SAVES ALIVE CAL—SORRY FOR PARSONS! THINK IT'S WHO DYA THINK SHOT YOUR UNCLE!

WE CAN ALL THINK IT—BUT THAT'S NOT PROVIN' IT!

Boots

IT'S BAD ENOUGH KNOWING YOUR OWN FAULTS, MUCH LESS DISCUSSIN' 'EM WITH SOME PSY-WHOZIT!

PUG, I'M GOING TO DROP IN ON FREEDRINKER FOR A FEW SECS THIS EVENING! WANT TO GO ALONG? EVERYBODY'S DOIN' IT!

WELL—LL, IT MIGHT BE U-E-R-Y INTERESTING—

OH, GOOD! I'LL DROP BY FOR YOU.

BUT, LANS—I DO WISH YOU'D KEEP IT A SECRET! SOMETIMES PARENTS DON'T UNDERSTAND SUCH THINGS!

Tex Austin

LARRY DEXTER'S FLYIN' ANTICS HAVE BROUGHT PANIC TERROR TO TEX'S HERD OF CATTLE...

GET BACK TO TH' DRAG, BALDY!—I'LL TRY AN' TURN TH' LEADERS!

LAY OFF THAT CRAZY FLYIN', LARRY! DO YOU WANT TO START A STAMPEDE?

DON'T YOU WANT A CLOSER LOOK, H.H.?

BUT BY NOW, THE HORROR—LASHED

Bo

HEY, I'VE GOT THIS STRAY POOCH—BRING ME ANOTHER SANDWICH SO I CAN HOLD 'EM.

PHOOIE ON THAT MUTT—WE'RE GOING OVER AND PLAY WITH RICHARD, THE RADIO PARROT.

I THOUGHT YOU WERE TALKING TO YOURSELF TILL I SAW THE PARROT.

LISTEN TO HIM!

OPEN THE DOOR!

COME ON, LET'S BEAT IT, BO. WHO WANTS TO PLAY SECOND-FIDDLE TO A PARROT? LIKE TO SEE WHAT HE'S LIKE...

Mickey Finn

WHEN DO YOU THINK MICKEY AND KITTY WILL BE GETTIN' MARRIED, PHIL?

PRETTY SOON NOW, CLANCY! BUT I IMAGINE THEY'LL WAIT UNTIL LARRY KING IS WELL RESTED UP!

OH, SURE! AND I'M GONNA BE THE HEAD USHER—KITTY WANTS TO HAVE A REAL NICE WEDDIN'.

WELL, I HOPE THE DATE WILL SOON BE SET, PHIL!

IT WILL, CLANCY! AND I'LL LET YOU KNOW THE MINUTE I FIND OUT!

WHO IS THIS GUY, LARRY KING, THAT YOU TWO HAVE BEEN TALKING ABOUT SO MUCH LATELY?

IT'S EASY TO SEE THAT YOU HAVEN'T LIVED HERE VERY LONG, SCHLITZ! OKAY—I'LL TELL YOU!

Penny

HOW'S YOUR REPORT CARD THIS MONTH, SHAUN?

MY MARKS ARE FINE, PENNY.

I GOT 'C' IN SOME SUBJECTS, I GOT 'D' IN OTHERS—

AND THEN OF COURSE I GOT SOME LOW ONES!

Mainly About People

John Lyons, field representative of the Community Concert Service, arrived here at noon today to confer with the Executive Committee of the Pampa Community Concert Association and make plans for the 1950-51 membership drive.

1950 Forecast For Hunting and Fishing Is Good

Because Americans are becoming more conservation-conscious as well as more expert in management of natural resources, including fish and wildlife, there is every indication that 1950 will be a record year for participation in hunting and fishing.

Start Study of Rule Changes

PINEHURST, N. C. (AP) — Three days of meetings on possible football rule changes began today for the Football Rules Committee of the National Collegiate Athletic Association.

Dyer Seeks County Superintendent Post

WHEELER — (Special) — Jesse J. Dyer, who has been acting county superintendent of schools since the resignation of Allen Kavenaugh last year, has announced his candidacy for that office.

Today Is 'M-Day' For Polio Drive

NEW YORK — (AP) — The annual March of Dimes, seeking a record \$22,000,000, began today. Today was proclaimed "M-Day" — mobilization against polio — in a radio talk yesterday by Basil O'Connor, president of the National Foundation for Infantile Paralysis.

Q: Is the original charter granted to William Penn still in existence?

A: The original charter of Charles II to William Penn is in the archives of the Pennsylvania State Museum at Harrisburg, Pa.

Q: What major league baseball team holds the record for winning the greatest number of doubleheaders in a single season?

A: The Chicago Cubs of the National League won 20 doubleheaders in 1945, a major league record for capturing twin bills.

Q: Where is the world's official standard meter kept?

A: The International Prototype Meter is measured on a platinum-iridium bar, kept by the International Bureau of Weights and Measures at Sevres, France, a suburb of Paris.

Q: What was the full name of Rembrandt, the famous Dutch painter?

A: Rembrandt was his first name, Van Rijn his family name.

Q: Where was the first non-sectarian college established in the United States?

A: Union College, Schenectady, New York, was the first non-sectarian college in the United States. Chartered in 1795, it was the first college west of the Hudson.

Q: When is the danger of forest fires greatest?

A: Generally speaking, the worst fire season in the eastern half of the country are in the spring and fall; in the West, late summer. But at no time of the year is every section of the United States completely free of the danger.

Q: What is the fastest speed ever traveled by man on land?

A: On one of his speed car runs at Bonneville, Utah, September 16, 1927, John R. Cobb was timed at 403.135 miles an hour, the fastest ever traveled by man on land.

Q: When was the first national forest in the United States created?

A: The first forest reserve—the Yellowstone Park Timberland Reserve—was created by President Harrison on September 16, 1891. The land included within this reserve is now forming part of several national forests in Montana, Idaho, and Wyoming, adjacent to the Yellowstone National Park.

Q: How did the city of Beacon, New York, receive its name?

A: The city takes its name from the beacon fires which were burned on the summit of Mount Beacon to warn Washington, at Newburgh, of British movements up the Hudson.

Q: Is grazing by livestock harmful to hardwood forests?

A: Yes. Hardwood forests should be protected from grazing, because livestock browse the young trees to the point of destruction.

Q: Who was the first president to give a public reception at the White House on New Year's Day?

A: Thomas Jefferson, on January 1, 1802.

Q: In what year was Susan B. Anthony arrested for voting in an election?

A: In 1872 Susan B. Anthony led the women of Rochester, N. Y., to the polls and insisted on voting. She was arrested, tried and sentenced to pay a fine which she refused to pay.

Q: What is the real name of the bird known as the "Laughing Jackass"?

A: Laughing jackass or settler's-crow is the name given the large inland jackass kingfisher of Australia because, instead of singing, it emits a loud, coarse laugh.

HIS BUDDIES PUT THE HEAT ON—Gas heat in the new house he is building cost veteran coal miner Charles Waichukauskas of Collinsville, Ill., his job, but he and his wife look over the new home proudly. Waichukauskas, a miner 37 years, ran into trouble with his union and his fellow workers because the house is heated with gas instead of coal. He was discharged when the other miners refused to work with him.

Wheeler

WHEELER — (Special) — Mrs. Bessie Robertson was hostess last week to Mr. and Mrs. Clint Smart and children of Cortez, Colo.

Mr. and Mrs. Richard Kidwell of Santa Ana, Calif., were guests last week of her sister, Mrs. R. G. Russ, and family.

Mr. and Mrs. Otis Ford and children have returned from Bakersfield, Calif., where they visited his mother.

Dr. and Mrs. Royce Dennis and daughter of Memphis, Texas, were recent guests of Mr. and Mrs. Jesse J. Dyer.

Mrs. B. F. Holland of Briscoe is a patient in the Wheeler hospital.

Guests of Mr. and Mrs. Fred Farmer last week were her father, J. P. Meek of Childress, her sister, Mrs. Jack Kealy of Pampa, and Mr. and Mrs. A. R. Meek and Mrs. Henry Franagan of Meeker.

AMERICANS

(Continued From Page 1) Igor trackers with the Air Force patrol found the grave yesterday. They led American patrol members through dark jungle to the bottom of a deep canyon seven air miles east of Tokukan.

Conklin, 55, was a veteran hiker. He had explored the Mount Pulog area to the south when he taught at the University of the Philippines from 1929 to 1932.

SENATE

(Continued From Page 1) issue on foreign policy without being united in any way on what should be done as an alternative to the administration's course," Lucas said.

"They are condemning the State Department and pleading ancient history. Yet not one of them agrees with another on what ought to be done about Formosa or anything else," Lucas upheld the administration's decision to withdraw all American consular officials from Communist China after the Communists had invaded the U. S. consular quarters in Peiping.

"That's all there was left to do," he said. Senator Brewster of Maine, chairman of the Republican Senatorial Campaign Committee, said Lucas is off base.

"The Democrats are the ones who have made hash out of our foreign policy," Brewster said. "That policy apparently seeks to 'fish in Europe and fowl in Asia' — and I don't care how you spell the 'fowl.'"

Republicans are expected to reopen the Chinese question in the Senate tomorrow with charges that the withdrawal from the Communist-controlled area represents only another result of what they have called the administration's policy of "appeasement" there.

GOP members apparently think they have President Truman over a political barrel because of the failure of U. S. efforts to halt communism in Asia.

STORM

(Continued From Page 1) early today but Los Angeles had a safe 42.

The Pacific Northwest, hard hit by a record blizzard over the weekend, had the gloomy prospect of at least two more days of snow and cold. Property damage was placed at millions of dollars. Temperatures still were at sub-zero levels today in Central Washington.

POLL TAX

(Continued From Page 1) before they can be granted exemptions for their first votes.

In changing residence from one county to another in the state the new voter must be in the county for six months and must have paid the poll tax to the county where he formerly lived. Then he presents the tax receipt and secures a transfer after which he is regarded as a qualified voter.

By this morning 1,500 poll tax receipts were made out and 800 exemptions granted, Chief Deputy Tax Assessor-Collector Jack Back reported.

Knights Templar Install Officers At Canadian

CANADIAN — (Special) — Tom Abraham is the new commander of the Canadian Commandery No. 83, Knights Templar.

Other officers for 1950, installed at a meeting of the commandery last Thursday are: Dale Nix, generalissimo; George E. Tubb, senior warden; Grover Lee Mitchell, junior warden; and H. S. Wilbur, captain-general. Those elected were H. M. Wood, recorder, and Paul Bryant, treasurer.

Bryant was the installing officer, and Jack King was installing marshal.

The Canadian commandery was organized about 35 years ago, and its territory originally embraced most of the Panhandle east of Amarillo, including Pampa, Shamrock, and Perryton. The late Walter C. Teague was a prominent figure in the parent commandery and was its recorder for many years.

Within the past few years, commanderies have been organized at Shamrock and Pampa and Perryton is now in the process of organizing one there.

Among the objectives of the Canadian group this year is a special Easter service, Abraham said.

Some 10,000,000 gallons of frozen concentrated orange juice were produced in the 1949 season.
