## Mules Offense Rolls Past Canyon 32-22

### Dumas Tops Perryton, And District 1-3A

The Mighty Muleshoe Mules racked up their second district win Friday night, defeating the Canyon Eagles, 32-22 in a tug-of-war game.

The Mules hit paydirt first in the first quarter when Quarterback Don Long connected with David Faver on a 35 yard touchdown pass. The PAT failed.

Canyon came right back with a touchdown made by their quarterback, Ed Lair, from one yard out.

The Mules weren't to stand still as Quarterback Long came back again for another score with a five yard touchdown run, which was set up on a fourth down pass interference penalty by Canyon. The Mules had tried for a big fourth down pass play when interference was called on the Eagles.

Soon after the Eagles came back with a touchdown of their own. Lair scored again from

the one yard line. This put the Eagles ahead in the second quarter, 14-13, which they held till halftime.

In the third quarter, Muleshoe came out with a fine running game from Wheat which set up another Long TD. Long scored from the seven yard line and that score put the Mules ahead, 27-14.

A David Wheat interception gave the Mules the ball right back. This set up a Mule drive which culminated in Wh-

## 'Legislation Beyond 73' Theme For Cotton Growers' Meeting

LUBBOCK, -- Two of the most knowledgeable and potent forces on Washington's agricultural front will appear on the annual meeting program of Plains Cotton Growers, Inc., beginning at 9 a.m. Wednesday, November 15. The public meeting will be held at Vann's Catering Service, located seven miles from Lubbock's Tahoka Traffic Circle on the south side of the Slaton Highway.

Theme for the meeting is "Legislation Beyond 73." Addressing themselves to this subject will be Congressman Bob Poage of Waco, Chairman of the House Agriculture Committee where most farm legislation originates, and Representative George Mahon of Lubbock, Chairman of the power-

GRAIN HARVEST IN FULL SWING... This picture of local grain trucks lined up waiting to unload grain at a local elevator is an indication of how the 1972 grain harvest is preceding in this area. The harvest is now in full swing, and it is reported that if the weather holds out, the harvest should be completed in a week's time. Yields look good for the area farmers this year even though some were hurt by the recent ice storm in the area.

## Children's Book Week To Be Observed Here

National Children's Book Week, November 13-19, has been celebrated since 1921 to promote reading and good books for children. The Muleshoe Area Public Library will again use this week to give every parent a special invitation to come and visit the library, bring the children, and if not a regular library patron, to become one, and use the wonderful world of books that have been provided for them. Posters and streamers will be out in town to promote this special observance.

One of the founders of Book Week, Fredric Melcher, emphasized its importance when he wrote "by having this one special week we reaffirm our own interest and catch the attention of others who may think that children's reading is not their concern. It is. It is everyone's concern. To be interested in books for children is not just a duty. It is a delight. And we are lucky, old and young alike, to have this excuse, this occasion to talk about them together, to enjoy again some of the books which

the best of our authors and artists are writing and illustrating."

The need for Book Week today is as essential as it was in 1919. Through each Book Week more libraries, schools, bookstores, parents, and, most importantly, children are involved, and though the celebration has become an international one, the crucial goal of Fredric Melcher's vision of Book Week has yet to be fulfilled. "Book Week brings us together to talk about books and reading and, out of our knowledge and love of books, to put the cause of children's reading squarely before the whole community and, across the whole nation. For a great nation is a reading nation, and in this broad country of ours, books should be freely available for every boy and girl. Until they are freely available we have a great task."

In connection with the celebration, the library will have a NO FINES WEEK. Many children have inadvertently kept books overtime, and many have been unable to pay their fines. For this one week only, anyone who has books that are overdue, no matter for how long, should bring their books back to the library, and no fines will be charged. If anyone has fines accumulated in the past, they may come this week only, and have their re-

ords cleared. This should help many children who may have had to quit using the library due to overdue charges to have their record cleared, so that they will again be able to have the advantage of every library

## Trailer Brake Requirements

With the cotton harvest not far off, the following trailer brake requirements included in the Senate Bill Number 21, Fourth Special Session, 62nd Texas Legislature should be of interest to area farmers.

1. Trailers, semitrailers, and pole trailers with a gross weight of 4,500 pounds or less are exempt from brake requirements.
2. Trailers, semitrailers and pole trailers with a gross weight in excess of 4,500 pounds and which do not exceed 15,000 pounds and operated at speeds of 30 miles per hour or less are not required to be equipped with brakes.
3. Trailers, semitrailers and pole trailers with a gross

weight in excess of 4,500 pounds and which do not exceed 15,000 pounds and operated at speeds in excess of 30 miles per hour must have brakes acting on both wheels of the rear axle.

4. Every motor vehicle, trailer, semitrailer, pole trailer, and combination of such vehicles equipped with brakes shall have the braking system so arranged that on control device can be used to operate all service brakes. This does not prohibit the use of additional control devices to operate brakes on towed vehicles.
5. Surge or inertia brake systems may be used on trailers and semitrailers with a gross weight of 15,000 pounds or less to satisfy the require-

ments in paragraph 4.

6. Under all conditions, the combination of vehicles must be capable of complying with the performance requirements contained in subsection(k) of the act. (Generally, if the trailer in the combination is 3,000 pounds or less, the combination must be able to stop within 40 feet when traveling 20 miles per hour; if the trailer in the combination is in excess of 3,000 pounds, the combination must be able to stop within 40 feet when traveling 20 miles per hour; if the trailer in the combination is in excess of 3,000 pounds, the combination must be able to stop within 50 feet when traveling 20 miles per hour.)

WHITE AS FAR AS YOU CAN SEE... This cotton crop east of Muleshoe is typical of the irrigated cotton crops in this area this year. Most cotton farmers are expecting good yields off of their crops. Cotton harvest is still in the not to distant future and if the warm, dry weather holds out for another month, most crops will live up to the farmer's expectations.

## Glen King Attends SPACE Conference

Glen King, manager of the Muleshoe Chamber of Commerce and Agriculture, attended the meeting of the South Plains Association of Chamber Executives Wednesday, November 8, at 10 a.m. in the Chamber of Commerce office at Slaton. Those attending were Earl Bartley, Slaton, president; John Logan, Lubbock, vice-president; Glen King, Muleshoe, secretary; Bill Payne, Littlefield; Art Roberts, Lamesa; Gordan Hoopman, Brownfield; Don Crocker, Tulia; Bill Flynn, Floydada; and a guest, Rep. R. B. (Mac) McAlister of Lubbock.

The meeting was called to order by the president and the discussion for the meeting centered around the legislative conferences that will be held in the near future. Chamber executives from the Panhandle, South Plains and the Permian Basin are in the process of organizing meetings to meet with legislators from each district.

The SPACE is trying to have three different meetings, one

for each of the three areas; and then possibly have a fourth with representatives from all three areas.

State Representative McAlister gave several ideas on how the meeting should establish priorities before the meetings and work towards them.

SPACE is trying to set up what would be called a West Texas Delegation Office, which would be an information office where citizens could meet and talk to their legislators. A full time secretary would be hired and she would be able to answer questions.

John Logan, Lee Dent and Don Crocker are in the process of setting up meetings with the legislators before the West Texas Chamber of Commerce has their next meeting, December 1-2.

Plans for the meeting in this area are not yet finalized, but it will probably be a luncheon in Lubbock.

The next SPACE meeting will be in Floydada on December 13, at 10 a.m.

CHDOWN!... Number 33, David Wheat, is pictured as he went over the goal line from the two line to score another Muleshoe touchdown Friday night. The Mules defeated the Canyon Eagles, 32-22 in the district game. The win Friday gives Muleshoe a 2-1 district record. Next week Mules will play their final game of the season against Perryton, at Perryton beginning at 3 p.m.

## Speech Department Wins Sweepstakes

### ★★★★★★★★★★★★★★★★★★★★ MHS Students Tried In Kangaroo Court

Guilty or not guilty? That was the question last Thursday when the Student Council held Kangaroo Court. The defendants were tried for violations during twirp week and after much deliberation, the jury found all defendants guilty (of course!).

Kim Black was the first defendant tried, and he was found guilty for not buying a twirp license. He said it was a bunch of bull and he was presented with a bunch of bull!

Three freshmen girls, Diane Vinson, Lana Wagnon and Don Ann Harmon were also found guilty of not buying a license. They were blindfolded and were told to blow pennies out of a cup, but the cup was full of flour and the result.....

Mike Van Zandt was next and he was found guilty for forging a twirp license. His punishment was to dress up like a fish and walk around saying 'I am a fish!'

Kim Bales was then called and he was charged with failure to buy a license. He too was found guilty. He was auctioned off and brought a whole 5¢!

Least to be expected for violating twirp week rules were three seniors John Garth, Chuck Smith, and Perry Hall. They thought it was too childish to

buy a license and their just reward was doing a can-can dance. Who would ever imagine them having so much talent?

Gary Merriott and Lashelle Lewis were charged for not buying a license; and after much arguing by the defense attorney, they were found guilty. For Gary's punishment, Lashelle pinned a diaper on him. Poor Baby!!!

Paul Bell was found guilty for not buying a license and had to sing a song to Prisca. Reminds us of Romeo and Juliet!

Johnny Dean and David Smith, two freshmen, were charged with the crime of seducing each other on campus and were found guilty, of course!! They were presented with a love seat.

Next was Don Long, Terri Crane, Eddie Wilson, and Audree Winn. They had failed to purchase a license and were also found guilty. For punishment, Terri and Audree had to shave Eddie and Don's legs. Don't worry, it will grow back!!

The last and worst case filed was against the whole student body. They were charged for not buying enough twirp licenses. Punishment-return to third period class!!!

CAN-CAN LINE... One of the sentences for Kangaroo Court was a can-can line featuring Chuck Smith, Perry Hall, and John Garth. Defense Attorney, Larry Torres watches as the sentence is carried out. Karen Hamilton is one of the jury.

### MHS Students Win Over 21 Other Schools

This past week end the Speech Department won Sweepstakes at the Lubbock Christian College High School Speech Tournament. Twenty-one schools competed for the coveted Sweepstakes trophy.

Results: Brent Blackman and John Garth first in duet acting; Chuck Smith first in Informative speaking; Perry Hall second in original oratory; Rogelio Puente fourth in original oratory; Danny Vela fifth in original oratory;

Christy Ford sixth in original oratory and third in informative; Brent Blackman fourth in poetry interpretation; Linda Mason and Lawren Hall sixth in debate; David Smith and Johnny Dean sixth in debate.

The Speech Department has won both tournaments entered this fall. The next tournament will be December 8 and 9 in Lubbock at the Hub of the Plains Tournament to be held this year at Estacado High School.

### NHS Honor Students Of Month

Honor students of the month have been selected by the faculty. This program is sponsored by the National Honor Society and the students are featured on the bulletin board.

Senior student is Larry Vinson, son of Mr. and Mrs. Pat Vinson. He is a member of the National Honor Society and plays tackle and defensive end for the Mighty Mules. Larry is very active in 4-H work. David Wheat, a Junior MHS student, is the son of Mr. and Mrs. D. Wheat.

Mrs. D. Wheat. He plays half back for the Mighty Mules and is leading scorer in District 1-AAA.

Sophomore Jan Harlin is the daughter of Rev. and Mrs. Glen Harlin. She is a Junior Varsity Cheerleader, FHA officer, a forward on the Junior Varsity Mullettes and Sophomore Class secretary. Jan attends the West Camp Baptist Church. Johnny Ramage, a freshman at MHS, is the son of Mr. and Mrs. H.D. Ramage of Route 3, Muleshoe. He is a Green-hand member of FFA.

### Coaches Comments

The Mules victory over Levelland was led by four seniors. Delmer Bleeker had an exceptional night as middle line-backer by making ten unassisted tackles and aiding on five more. Senior tackle Larry Vinson had the most impressive offensive game of any Mule tackle in recent years. Larry's blocking continually cut off inside pursuit to allow the Mules to run outside. Senior guard Charlie Vela had an outstanding offensive and defensive game and continues to be one of the Mules' most solid players. Of all the seniors, the coaches were especially pleased with fullback Gerald Bara. Gerald has given support to what Don Long emphasized in last week's pep rally: 'that the Mules must have faith.' Gerald has come back from two knee operations to give the Mules added strength offensively.

The Mules faced a tough Canyon Eagle team this week that has size and speed. Although Canyon had won only one game this season, their opponents in pre-district play were among the top teams in the Panhandle. Either Perryton or Levelland must beat Dumas and the Mules must win over Canyon and Perryton if they are to have a chance for a district championship. With the senior leadership the Mules have, there is no doubt it will be a fight to the final whistle.

The people are so friendly here and really made us feel welcome and at home!' Congratulations to Linda on her recent selection to 'Who's Who Among Students in American Universities and Colleges.'

She is one of 36 Teachers selected on the basis of academic achievement, service

to the community, leadership in extracurricular activities; and future potential.

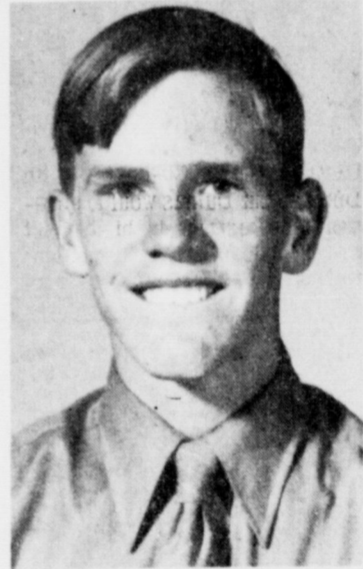

### J. V. Rally Falls Short

Billy Wimberly and Linda Hernandez

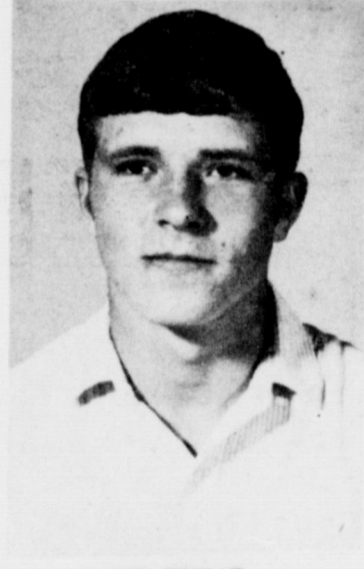

After a dismal first half the Junior Varsity rallied from a 27 to 0 deficit to barely fall short to the Levelland Lobos 33 to 26.

At one point in the fourth quarter, it appeared that the Mules would come out victorious. With the Mules in possession with one minute left, the Lobos held them on their 35 yard line.

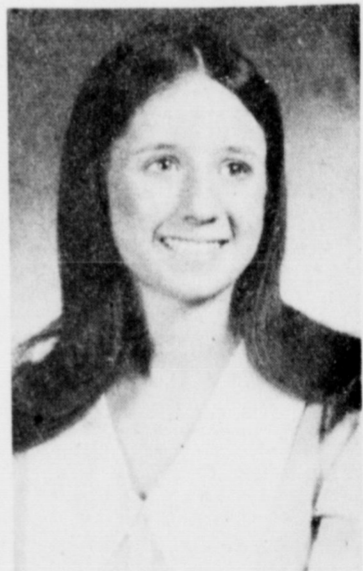

Scoring for the Mules was Gary White with two touchdowns. Ollie Kirven and Eddie Waggoner had one TD apiece. A special word of thanks should go out to the Freshman Cheerleaders for their efforts in helping Susan Murray lead cheers at the game.

### Stock Show Entries Ahead Of Last Year

FORT WORTH--Entries for the 1973 Southwestern Exposition and Fat Stock Show, Jan. 26 through Feb. 4, are ahead of this time a year ago, reports W. R. Watt, Jr., general manager.  
Watt noted one principal reason for the early increase is that Polled Hereford exhibitors have until Nov. 15 to enter breeding cattle in the 50th Anniversary National Show of the American Polled Hereford Association being held in conjunction with the annual Stock Show.  
Other cattle, all Junior divisions, horses, sheep and swine entries will close Dec. 15. Exhibitors of poultry, rabbits and

pegeons have until Jan. 15 to make their entries.  
"Entries are being processed daily by the Stock Show offices," Watt said. "We expect to have over 500 entries in the Polled Hereford Show and over 11,000 for the entire Stock Show."  
New breeds in the Stock Show for 1973 include Simmental and Limousin steers in the Junior Show, Gelbvieh cattle at auction, and Peruvian Paso horses in the Horse Show classes.  
Premiums have been boosted to a record of over \$260,000 in the various divisions.  
Guest entertainment for the 55th edition of the World's Original Indoor Rodeo, held in conjunction with the Stock Show, will be LeRoy Van Dyke and the "Auctioneers," popular country and western singing group from Nashville.  
Shortly after the Korean conflict Van Dyke broke into the country and western music field with "Auctioneer," his first hit song and a million-seller. He followed it with "Walk On By," one of three

tunes ever to hit the top of the country and western and pop charts at the time.

## Auxiliary Plans To Purchase Isolette Infant Incubator

Plans were made to purchase an Isolette Infant Incubator for the West Plains Memorial Hospital Nursery at the Wednesday afternoon meeting of the Muleshoe Hospital and Nursing Home Auxiliary. This incubator features uniform heat distribution over the mattress area, permits effective isolation of the infant from airborne contaminants, allows controlled oxygen concentration and humidity. Money to purchase this incubator will be raised by the annual 'Project: Christmas Card' sales, now underway. Mrs. Haney Poyner, who is chairman will take donations or donations can be made by contacting any Auxiliary member. Each year, at Christmas time, the Auxiliary suggests that the people of Muleshoe and the surrounding area give donations to the Muleshoe Hospital and Nursing Home Auxiliary in lieu of buying Christmas cards. Then a few days before Christmas, the names of all donors will appear on a page ad in the Muleshoe Journal greeting friends with a Merry Christmas. This worthwhile project is a way to greeting friends while helping the Auxiliary purchase the much needed Isolette Infant incubator.

Sunday afternoon, November 19, the Auxiliary Pink Ladies, Mrs. Pauline Stevens and Mrs. Margaret White will be hostesses for a Tea and Reception honoring Dr. B.O. McDaniel when an oil portrait of him will be unveiled. The affair will be at 3 p.m. in the Day Room of the Nursing Home.

Mrs. McVicker, president, announced that a new color TV has been purchased and placed in the Day Room of the Nursing Home for the use of the residents. The TV was purchased with special gifts and memorials, and with some of the proceeds from the Junk Sale sponsored

recently by the Auxiliary. The remainder of the Junk Sale proceeds will be used to buy a shower-transportation chair to be used in the Nursing Home and to purchase pictures to be hung in the Dining Room. Plans have also been made to have a glass panel put in the now solid front door opening into the Dining Room. The Auxiliary also plans to put new curtains in the nursery in the Hospital.

Mrs. Gene McGlaun, chairman of the baby photo committee, reported that pictures are being taken of all the babies born in the hospital and are being sold for \$2 each. She stated that this service has been quite successful and well accepted.

A committee was appointed to plan the annual Holiday Tables. Mrs. Oscar Allison will be chairman and members of her committee will be Mrs. Herb Ramage and Mrs. Harold Allison. Christmas decorated tables will be set up in the lobby of the hospital and in the Day Room of the Nursing Home on December 18. The Auxiliary ladies will serve refreshments all day to visitors, residents, and the staff.

It was also planned that the Auxiliary will decorate both the hospital and Nursing home again this Christmas. Big red Christmas stockings will be made to send all new babies home in who are born during Christmas week.

## Muleshoe Art Assn. To Meet Tuesday

The Muleshoe Art Association will meet Tuesday morning, November 14, at 9:30 am in the community room of the Muleshoe State Bank.

The guest artist will be James R. Whiteman of Clovis, N.M., who spent a month in Italy recently and studied there under a noted painter. Whiteman recently retired from working in the Indian village at Knott's Berry Farm in California. His work was done under his Indian name, Ospana Powhapan. His past few years were spent in the general store.

Whiteman and his son-in-law, Don McAlay, of Clovis, will open a gallery at Portaire, five miles west of Clovis.

Whiteman was born in Portales, N.M., and studied art at the University of New Mexico in Albuquerque under the European portrait painter, Neil Hogmer. He studied sculpture under Brice Sewell and was also a commercial art

student. After study in Oklahoma he went to California and attended the Academy of Fine Arts by Ted Lukits in Los Angeles.

He worked on a federal art project five years and helped print a book on Spanish and Colonial Art of New Mexico, which contained 50 hand-colored plates. There are only a few copies of the book found in museums and libraries.

Whiteman worked on commercial 60 foot banners during the early days of screen processing. He worked on one Nativity scene that had life size camels, wise men, Mary and Baby Jesus. The scene cost \$50,000 for one display.

Whiteman's paintings are in oils and acrylics, many with hand carved frames. His earlier works reveal romance of the West with cowboys, Indians, the desert and adobe buildings.

## Muleshoe Area Public Library Qualifies For Membership

Muleshoe Area Public Library is one of 17 libraries in the 29-county area that surrounds Lubbock that have qualified for membership in the Lubbock Major Resource System organized under provisions of the Texas Library Systems Act. Administered by the Texas State Library, the Systems Act gives public libraries that meet certain standards of local support the right to join a system for carrying out cooperative programs of various kinds.

Lubbock City-County Library serves as the Major Resource Center for the system. Serving as area libraries are Midland County Public Library, Ector County Public Library, and Unger Memorial Library. Community libraries are Andrews County Library, Kendrick Memorial Library, Crosby County Library, Floyd County Library, Dawson County Library, Hockley County Memorial Library, Lamb County Library, Wark County Library, Cochran County Library, Muleshoe Area Public Library, Post

Public Library, Rankin Public Library, and Gaines County Library.

Under the Statewide Plan for Library Development, Texas has been divided into ten areas. The largest library in each serves as the Major Resource Center. Other libraries serving more than 25,000 persons and meeting other qualifications are area libraries. Smaller libraries are designated community libraries.

A total of 195 libraries throughout the state qualified for system membership. "We are particularly gratified that 29 libraries that did not qualify for membership last year joined the systems this year," said Dr. Dorman H. Winfrey, director of the Texas State Library. "This not only means that local support for libraries is improving but also that libraries are recognizing the benefits of system membership to their patrons."

During the spring all system members will select delegates who will meet to elect two members of the six-member

Advisory Council to replace the members whose terms are expiring.

In recent years, library systems have been organized in many states.

The Texas legislation differs from that enacted in some states in that Texas systems draw upon existing strength in libraries or for areas with a tax base so low that funds are not available for library service,

emphasis is upon the development of programs that are best carried out by a group of libraries. For example, one system might employ a children's specialist who would work to improve service in all system libraries, another might decide that inter-library referral of reference questions is vital, and still another might develop a special collection of books that would be available to all members.

We never harbor ill feelings against individuals who disagree with our views, although we often regret that so many people can be

## LAND OF PLENTY

★ THANKSGIVING FOR...  
• PROSPEROUS NATION  
• FOOD  
• A STRONG NATION  
• FREEDOM OF WORSHIP

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

### Nursing Home News by Myrtle Guinn

Between the two wings of our Nursing Home is a lovely sight. A sweet gum tree, in all the glorious colors of Fall, stands in a dense circle of maroon asters -- it's beautiful.

Mrs. Lena Belle Thomas visited her sister, Mrs. Neva Lloyd, Tuesday.

Mrs. Bryant came one day this week and took her father, Mr. Denny, to the barber shop for a hair cut.

Almon Whitford visited his mother, Mrs. Whitford, this week.

Misses Della and Oja Seals come as often as they can to see their sister, Mrs. Williams. Mr. Williams comes every day to stay with his wife.

Thurlo Branscum came to see Mrs. Whitford and Mrs. Witterding on Wednesday of this week.

Mrs. Motheral still isn't feeling very well and neither is Mrs. Davis.

Rev. and Mrs. Roy Haven from YL were here to visit Mrs. Lewis on Thursday.

We're sorry that George Mitchell, the janitor and everyone's friend, has been sick. We hope he'll be back on the job very soon.

Mrs. Lewis went to her son's home, the Leon Lewises, for the afternoon Sunday.

Mrs. Dorothy Brock and her daughter, Carolyn, and Carolyn's baby, Laurel, visited Mrs. Maggie Emanuel Monday afternoon.

Mrs. Finely was calling on several friends in the Home on Monday afternoon.

Mrs. Epperly has been suffering with pleurisy pain this week, so isn't feeling well.

Mrs. Bill Sullivan comes to see her husband, Bill, every day. He isn't well and hasn't been for a long time. We hope he improves.

Mrs. Lura Northcutt came on Tuesday afternoon to visit her sister, Mrs. Emanuel.

Mr. and Mrs. Bill Moore called on several of us Tuesday afternoon.

Mrs. Timms came to see her mother, Mrs. Perry, one afternoon this week.

Mrs. Brown's daughter, Mrs.

Sybil Simpson of Clovis, N.M., visited her Friday.

Mrs. Epperly's daughter, Mrs. Clara Hillard, and her son, A.C. Edgin and his wife and four children of Clovis, N.M., visited her on Sunday.

Mrs. Coppadge came Sunday morning and took her mother, Mrs. Hawkins, with her to church and to her own home for the day.

Mrs. Sammy Allison, an Auxiliary Lady, came around with the juices on Monday.

The Needmore Singers came Sunday afternoon to sing for us, which we enjoyed very much. Our thanks to them.

Edd Neichler and Bud Huff brought their guitars and played and sang songs.

Mrs. O'Hair of Bovina came to see her mother, Mrs. Miller, on Monday.

Mrs. Eunice Bales visited Mrs. Wiseman on Wednesday of this week.

Mr. and Mrs. Nicholson and Mr. and Mrs. Merle Stevens visited their mother, Mrs. Nicholson, Thursday afternoon.

Mrs. Mabel Caldwell, Auxiliary member, decorated the Day Room for Thanksgiving. She has put a very interesting dried arrangement in an old dough board -- a miniature stalk of feed and a clever little turkey

that she made set beside it. It's very unusual and we are enjoying her efforts to make us aware of the coming Thanksgiving holidays.

Mrs. Claudine Lite is still in Methodist Hospital suffering from a broken hip. Her daughter, Mrs. Dorothy Green, reports that she is recuperating nicely and will be back in a few weeks.

I read this little verse once that I have tried to apply to my daily life. It reads like this, "God grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference".

Mental vacations are more necessary than physical rest.
