Universal Peace Good Health To Man

Man has now reached out farther than his own earth. Peace on earth is therefore no longer a sufficient phrase for our times. Universal peace is now much more apt. The emphasis the astronauts have put on spiritual guidance and physical health shows that science and technology are not incompatible

As pharmacists we see this every time a new drug is released for public use and we stock it in our pharmacy. It gives us great per-sonal satisfaction that man has been given the knowledge to seek out new medicines which can eventually give good health to all. YOU OR YOUR DOCTOR CAN PHONE US
