ORCHESTRAS AND ADMISSIONS

Some orchestras? play for all the money and the money is all they are interested in. Still they hold down a job and rest up while playing or practicing tunes. which they obtain money for-they calls it musicil

Other real orchestras furnish music, that is music, and practice every day—rehearse—so that at night they really give out with the sweetest music Pampa has had in a long time. That is why the Fran McCarthy Orchestra has been held over for the fifth week!

The owner of the Southern Club brought this noted brass band to Pampa so that you can hear for yourself what an orchestra is, and should be.

LISTEN TO KPDN FRIDAY NIGHT, 8:30 P. M.

When you pay admission to any place where they feature dancing, or claim to have a band, consider the size of the band. Is it a combo or what? Consider next the size of the club and its dance floor. Do they serve cold drinks, beer or set-ups to your tables? Is the place air-conditioned? And is it a respectable place?

Then consider the combo or orchestra. What have they to offer for your dollar? If you pay a dollar you have a right to expect and receive a dollar's entertainment! Or else why not go to some night clubs where you get in free, where the riff-raff also is, and where you can stick slugs in the Victrola, and can even get into a fight, or see three or four any time!

Billy and Al offer you, for your enjoyment, the best and largest dance floor in Pampa, in Pampa's coolest and cleanest night club, where they cater to couples and their friends. Where, of course, they always have beer and serve it and set-ups to your table and conduct the business to obey all laws of the land and furnish the best music, by a real orchestra that money can buy -at or lower than the prices some of these other places charge.

The Southern Club gives you value received for your dollar. You can dance every night of the week to the sweet music of FRAN McCARTHY and his 8-piece modern brass band for the reasonable admission of \$1 per person-all taxes paid and no table charge. On Saturday nights or holidays we charge the tax and collect a small 25c per chair table charge. Above all, we don't close up to renovate every so often! We operate so our place is above reproach and is respectable, and we cater to respectable couples and their friends only.

If you can't afford to dress up, or you are window shopping for a cheap price on admission, we suggest you go some place where you git in free. We feature a high class orchestra! We even enjoy their music-we hired them for a week, now it's the fifth week. \$750.00 a week. Reminds you of a monkey stomping a cash register, soon runs into money!

Results-Over \$3.850.00 beer sales, hall full up every Saturday night-had to open our banquet room. Now come out and be where the crowd is.
