

# DEWEY, WARREN FORM GOP TICKET

Gov. Thomas E. Dewey

## Stassen May Be 'Darling Of the Party'

PHILADELPHIA (AP)—Thomas E. Dewey, smiling, suave, and utterly adequate to the occasion, is the official hero of the Republican Convention.

But the man who got the hand at the last, and who may yet emerge as the darling of the party, was Harold E. Stassen.

He came to the convention when the balloting was supposed to start. He was the only candidate there.

He took a seat far back. And as the vote rolled out, he sat there, quietly ticking off his chances, scoring the ebb of his hopes.

It was Dewey all the way. Dewey had 434 votes on the first ballot, 515 on the second.

There was a pause between the appearance of the preceding speaker after the recess and the instant when Stassen came forward.

Then Stassen mounted the rostrum. A terrific, prolonged, and challenging burst of applause greeted him.

Then he spoke, briefly and warmly. He said he was withdrawing, and he asked his people to work as well for Dewey as they had worked for him.

The great majority of Harold Stassen's followers are young people.

They may be too young to understand the beauty of defeat. The big man from Minnesota is not too young for that.

He last like a thoroughbred.

PHILADELPHIA (AP)—George C. Hopkins says he believes Republican Presidential Candidate Thomas E. Dewey can carry Texas.

"He is a fine man and an able leader," the chairman of the Texas Republican Executive Committee said last night after Dewey was nominated.

Gov. Earl Warren

## HST Silent on Dewey Win

WASHINGTON (AP)—Senator James E. Murray (D-Mont) today quoted President Truman as saying the Republican National Convention has shown that "conservative interests" are in control of that party.

Officially Mr. Truman has maintained silence about the GOP convention and the selection of New York's Gov. Thomas E. Dewey as Republican presidential nominee.

Murray was asked about Mr. Truman's reaction to the GOP meeting after he had talked with the President at the White House.

Murray told reporters: "He (Mr. Truman) seemed to think the convention illustrates how the conservative interests of the country are in control of the convention and dominating its actions."

He seemed to regard the platform as a reiteration of promises the Republicans have failed to carry out in the past."

Presidential Secretary Charles G. Ross said Mr. Truman had no comment officially on Dewey's nomination.

Services Set For Capt. Craig

Funereral services for Capt. Newton V. Craig, son of M. M. Craig, Jr., of Miami, whose body was returned to the United States for permanent interment from a military cemetery at Chabau, India, will be held at 3 p. m. Sunday in Miami with the Rev. Joe E. Boyd, pastor of the Methodist Church at Canadian, officiating.

Military services will be conducted by the Miami Post of the American Legion.

Funeral services will be held at 2 p. m. tomorrow in the Baby Gardens of the Fairview Cemetery. The Rev. H. H. Woods, Assembly of God Church, will officiate.

Harold Jeff Wilson, Jr., is survived by his parents, Mr. and Mrs. J. D. Hessey, died at 6 a. m. at the Worley Hospital, and Harold Jeff Wilson, Jr., three-day-old son of Mr. and Mrs. H. J. Wilson, died at 7 a. m. at the Pampa Hospital.

Besides her parents the Hessey baby is survived by her grandparents, Mr. and Mrs. D. E. Hessey, Alansred, and Mr. and Mrs. L. E. Silvers, Amarillo.

Graveside services will be held at 2 p. m. today in the Baby Gardens of the Fairview Cemetery. The Rev. H. H. Woods, Assembly of God Church, will officiate.

Funeral arrangements for both babies have been under the direction of the Clegg Funeral Home.

## Nomination Breaks 90-Year Precedent

CONVENTION HALL, Philadelphia (AP)—Thomas E. Dewey and California's Earl Warren are the 1948 Republican presidential ticket.

The convention adjourned at 11:30 a. m. (CST). Dewey was unanimously nominated by the 24th national convention last night.

He picked Warren to run with him as vice president and the convention today by acclamation confirmed that choice.

No other name than Warren's was presented for the vice-presidency.

Arizona gave notice of nominating Harold E. Stassen but a few minutes later withdrew it.

Chairman Joseph Martin put Warren's name before the convention and declared him nominated by acclamation.

New York's Dewey, getting his second chance at the presidency, made it an East-West all-governor ticket after an all-night series of conferences.

The word quickly spread to Convention Hall and the delegates didn't take long to whoop through Warren's name.

Leaders of camps of other disappointed presidential hopefuls were quick to line up behind the Dewey-Warren combination.

The ticket which Republicans hope will end 16 years of Democratic rule in Washington was completed at a series of conferences that went on most of the night and continued through the morning.

Elsewhere, Ohio Delegate Dudley A. Whit of Norwalk insisted that Bricker already had been agreed upon for the vice presidential nomination.

Others who figured in the Dewey strategists' calculations include Gov. Dwight Green, whose measure became law would not be inducted into the regular forces.

Registration for the draft will get underway about August 15. But new draftees won't start marching off to training camps until September 27, or later.

Dewey took his nomination in stride—as though it were an old story to him.

He had done just about what the campaign strategists had said he would on the first ballot.

The results of that first test were: Dewey 434, Taft 224, Stassen 157, Vandenberg 62.

After the third ballot had sealed the issue, he strode into the convention accompanied by his pretty wife.

Dewey struck a peace chord in his 15-minute talk, to be followed sometime later by a formal campaign opening speech.

"As long as the world is half free," he told the vigorously-paneled delegates, "we must peacefully labor to help men everywhere achieve liberty."

Then, of the choice of a running mate still ahead, Dewey said: "I come to you unfettered by a single obligation or promise to any living person, free to join with you in selecting to serve our nation the finest and best woman in the nation, free to unite our party and our country in meeting the grave challenge of our time."

The crowd yelled. But it really screamed later when Dewey made two appearances at his downtown hotel.

Another was Rep. Charles Halleck of Indiana, floor leader of House Republicans who represent the so-called "nationalist" wing of the party—as opposed to Dewey's

"international" viewpoint. Bricker and Halleck are in the same corner on this score.

Halleck spent nearly an hour and a half closeted with Dewey and Gov. Earl Warren of California in a conference that didn't break up until dawn.

Neither shed any light on the situation when they left. Warren, who has insisted he is not interested in the No. 2 spot, said only that his advice had been sought.

Elsewhere, Ohio Delegate Dudley A. Whit of Norwalk insisted that Bricker already had been agreed upon for the vice presidential nomination.

Others who figured in the Dewey strategists' calculations include Gov. Dwight Green, whose measure became law would not be inducted into the regular forces.

VOL. 47—NO. 67 (8 Pages) PAMPA, TEXAS, FRIDAY, JUNE 25, 1948 AP Leased Wire

## 'Greetings' Dusted Off For Delivery

WASHINGTON (AP)—United States military officials dusted off those "greetings" today for delivery to thousands of youthful draftees next fall.

President Truman signalled the start of the nation's second peacetime draft when he signed the two-year Selective Service Bill into law at 3:40 p. m. (CST) yesterday.

Earlier he okayed a \$10,000,000-rough fund to build up the military force to 2,000,000 men.

Mr. Truman's signature on the Draft Bill shut off the flood of enlistments in the National Guard and other reserve units.

The Draft Bill provided that men 19 through 25 who were in the 181st Division, 18 years old, the measure became law would not be inducted into the regular forces.

Registration for the draft will get underway about August 15. But new draftees won't start marching off to training camps until September 27, or later.

The last youths 18 years old may volunteer for one year's training to escape drafting later.

But the 18-year-old volunteers must put in six extra years in the reserves. All draftees must serve at least three years in the active reserves, or five years in the 181st Division after their 21-month hitch.

Most veterans are exempt. In addition, the President is authorized to defer married men and those in essential occupations or in scientific, industrial and medical research and study.

High school students will be deferred until graduation, or until they are 20, and college students will get a delay until the end of the school year.

Body on Way For Reburial

Word has been received that the body of Lt. Orman F. Harlan of Skellytown is being shipped to the county here for reinterment.

Lt. Harlan was killed in an airplane crash May 30, 1943, while on active duty in England.

Born Dec. 19, 1920, in McLean, Lt. Harlan spent most of his life in Skellytown and White Deer before entering the service. He was a member of the First Baptist Church in Skellytown.

Surviving are his parents, Mr. and Mrs. W. F. Harlan, Skellytown, and one brother, Gene, also of Skellytown.

Funeral services will be announced later by Clegg Funeral Home.

Two Landslides Bury Highway

LITTLETON, N. H. (AP)—Two landslides roared a mile and a half down Mt. Lafayette in the White Mountain chain yesterday. Notch highway under 20 feet of earth.

State officials said early today that it had not been determined whether anyone had been trapped.

New '48 Pampa Lions Club Officers Installed at Ladies' Night Banquet

More than 100 Lions and their wives, attending the Ladies' Night banquet last night in the First Baptist Church basement, saw the new officers of the Pampa Lions Club installed.

After being introduced by Deputy District Governor Roy A. Webb, Rutherford, editor of The Pampa News, gave the principal address of the evening.

He then installed H. P. Dosier, president; Clarence Kennedy, vice president; Frank L. Stallings, secretary-treasurer; H. M. Luna, tail-waiter; Henry Ellis, Lion-tamer; Ray Kuhn, O. E. McDowell and Dale Punsion, directors.

## NEW RAINSTORMS HIT IN FLOODED OKLAHOMA

OKLAHOMA CITY (AP)—New rainstorms crashed over flooded Oklahoma today.

They came just as the tormented state hoped for respite from its summer deluge that has already taken nine lives and made thousands homeless.

Oklahomans Panhandle caught the new fury, even as the Eastern part of the state and neighboring Arkansas sweated out flood crests from the first.

Near-tornado winds combed the small Panhandle town of Gate as a curtain-raiser, damaging almost every building there and knocking down ripe wheat for miles around.

No injuries were reported. Larger Guyton, 80 miles farther west, was under a continuous rainstorm that piled up 1.69 inches from noon to midnight—and kept coming down.

But most important, the Weather Bureau altered its forecast at midnight and called for more thunderstorms in the West during the next 24 hours.

If they arrive on schedule, they will find creeks, lakes and rivers filled to capacity or just barely receding from flood disasters.

The first five days of almost continuous rain is running off the sloping Oklahoma prairie into the Arkansas River. The Little Rock Weather Bureau predicted a major flood in the Fort Smith area today, where the river is expected to crest between 30 and 33 feet.

The flood stage at Fort Smith is 22.

The Texas Panhandle was getting the new storm, too. It's central city of Amarillo had a downpour of 3.46 inches of rain in 12 hours last night. Most of this is expected to drain into the Red River.

The windwands of East Central Oklahoma, where the Canadian River meets the Arkansas, were generally under water today. Their residents were evacuated in time, however, and there has been no loss of life there.

But at Hydro, in the West Central section, searchers for bodies were away in a flash flood Tuesday night postponed their hunt until tomorrow. Nine died there in the dark when Deer Creek rose with a wall of water and swept across U. S. transportation Highway 66, trapping 30 cars. A one-year-old baby and a truck driver are still missing, and occupants of abandoned cars have yet to be traced. The search will resume when the waters go down.

In Oklahoma City, police and firemen kept an all-night watch on the Canadian River, which alternately rose and fell from hour to hour but so far stayed within its banks.

Between the fearful East and West, things were getting back to normal—at least for a while.

Okmulgee got most of its 2,000 homes back under their own shelters yesterday and the National Guard stopped its looting patrol. Kingfisher, like Okmulgee, was shoveling mud, tree limbs and all kinds of flood debris from streets, floors and cellars.

Pampa Sprayed Again With DDT

Pampa was thoroughly sprayed with DDT for the third time this summer in an effort to remove the menace of flies and mosquitoes and to reduce the hazard of polio.

The city's new DDT fog applicator finished the spraying job this afternoon.

An unofficial report today stated that one polio case was reported in Pampa. The victim was taken to a Dallas hospital. This is the nearest the disease has come to Pampa so far this year.

In an effort to further control any possible spread of the deadly disease, residents of Pampa are asked to cover their garbage and trash cans to prevent flies from breeding too readily.

The City Health Department has lids available that will fit the 55-gallon oil drum most commonly used for trash disposal, and the garbage collectors will deliver them at cost.

OMAHA (AP)—Five cars of the Union Pacific's eastbound City of San Francisco passenger train, were derailed near Shelton, Neb., today, injuring four persons slightly.

## Russian Group Urges All-German Government

WARSAW (AP)—Russia and seven European satellites urged today that a "provisional democratic, peace-loving all-German government" be set up.

They did so in a communique by their foreign ministers, who ended a two-day conference at midnight in Wilanow Palace, eight miles east of here.

(The communique as broadcast by the Moscow radio and distributed in London by the Soviet News Agency Tass said an all-German government should be created by Big-Four agreement.)

The foreign ministers, including V. M. Molotov of Russia, said the government in Germany should be made up of representatives of democratic parties and organizations and should guarantee against any more German aggression.

Delegates talked over a recent London conference of the United States, Great Britain, France, Belgium, the Netherlands and Luxembourg. The six Western nations agreed to set up a federal government in Western Germany.

Well-informed sources said some in the Warsaw meeting wanted to counter this with an Eastern German state but the conference finally agreed upon one more they said for German unity. They said if this failed the Soviet bloc would create a separate East-German government.

The Warsaw communique as distributed by Tass in London last night said the governments that took part "consider as urgent":

1—German demilitarization by agreement of the Big Four—Russia, the United States, Britain and France.

2—Big-Four control "for a definite period" over the Ruhr's heavy industry.

3—Creation by four-power agreement of a "provisional democratic, all-German government" with the aim of creating guarantees against repetition of German aggression.

4—Conclusion of a peace treaty with Germany and withdrawal of all occupation troops a year later.

5—"Measures on fulfillment by Germany of her reparations obligations towards the states which suffered from German aggression."

Pensioners Get Increase

Dan J. Gribbon, Panhandle District superintendent of The Texas Company, announced this morning the supplementing of pension incomes of certain retired employees.

Mr. Gribbon said the plan would allow pensioners to receive from the company an income of \$75 per month at normal retirement after 20 years' service, or less than \$100 per month at normal retirement after 25 or more years of service.

The statement said: "The company will make supplemental payments sufficient to bring the monthly total including pension to \$75 or \$100, respectively."

The company was quoted through Supt. Gribbon as saying: "We have increased considerably since the Texasco pension plan went into effect in 1937. Our active employees have received several cost-of-living increases over the past few years, and we feel that our pensioners also deserve consideration."

## Hopes Fade For Complete Settlement

WASHINGTON (AP)—John L. Lewis and most of the soft-coal operators today signed a new coal contract providing a 31-day wage increase and twice as much money for the miners' welfare-pension fund.

WASHINGTON (AP)—Hopes for a complete settlement on a new contract between John L. Lewis and the entire soft coal industry faded today when steel company mine interests refused to sign a proposed new agreement.

Harry M. Moses, negotiator for the "captive" mine interests, announced his refusal to go along with the settlement as other operators reportedly were sitting down to sign the new contract with Lewis.

"I'm not in accord with the proposed contract and I'm not going to sign it," Moses told reporters. He added that he is opposed to a union shop clause in the agreement.

Southern operators also had opposed this clause, and has insisted on a strict definition of the union shop provision. The clause would force all their miners to join the United Mine Workers eventually within the provisions of the Taft-Hartley Labor Act.

The Southern operators were understood to be going ahead with plans to sign up with Lewis, however.

Moses had said yesterday that he was accepting the wage boost provisions in the new contract "with reluctance."

Lewis and the operators almost completed work on the agreement last night.

Operators, except the steel mine group, were reported willing (A) (See HOPE, Page 8)

Deadline Set on Absentee Voting

With the deadline for casting absentee ballots on the special \$85,000 hospital equipment bond issue election less than 48 hours away, only three absentee votes were cast in the office of the county clerk by this morning.

The deadline is midnight Saturday.

Midnight Saturday is also the deadline for payment, by each candidate for county and precinct offices, of the first portion of their filing fee.

Candidates have two other deadlines to watch within the next 30 days, those of filing their first and second campaign expense reports. The first day for filing the first report fell yesterday with the deadline Monday, June 28. The second campaign expense report must be filed between July 13 and 15.

In addition to candidates meeting deadlines for the July 24 Democratic primaries, voters themselves have two deadlines to meet—absentee balloting and transfer of poll tax receipts from one precinct to another is July 18. Absentee voting for the primaries will run from July 4 until midnight July 20.

Campaign expense report blanks may be obtained from County Clerk Charlie Thut.

# Oilers Score Six in First To Edge by Gassers, 10-7

## Cleveland Outlook Dark; Yanks Whip Tribe and Feller, 4-0

By the Associated Press  
The Cleveland Indians are ready to be scalped?  
Manager Lou Boudreau's American League pace-setters have lost their first crucial series of the year and Bob Feller shows no signs of returning to the form that made him one of the greatest pitchers in baseball. These two factors have cast a cloud over a once rosy outlook.

## Meeting of Sports Club Set Tonight

The newly organized Pampa Sportsmen's Club will hold a meeting tonight at 8 o'clock in the County Court Room and plans for the McClellan Lake Fish Rodeo will be discussed. This rodeo is slated to be held from July 1 through September 30. Only members and their families can participate in the event, and all children over 16 must have a membership card to be eligible for prizes.

This is the year, shouted Cleveland fans when the Tribe Wade Duncan, temporary president of the organization, opened the season by tearing off six straight triumphs. Their belief that the Indians would win their first pennant since 1920 grew stronger as the Tribe opened Monday night three and a half games off the pace. They knocked off southpaw ace Gene Bearden, lost a 5-2 game to Sam Zoladak Tuesday, beat Don Black in 11-innings Wednesday and yesterday thrashed Feller 4-0. Cleveland now has lost eight out of its last 12 starts.

Feller allowed the Yanks only five hits yesterday, but three of them were home runs. The Philadelphia's third place Athletics pulled to within two games of the Indians by nosing out the Browns, 6-5, at St. Louis. The Boston Red Sox divided a double-header with the White Sox in Chicago, winning the second game, 8-5, after Bill Wright pitched the White Sox to a 3-1 victory in the opener. Ted Williams smashed his 14th and 15th homers of the year and night game between Cincinnati drove in four runs to spark the Red Sox's nightcap triumph.

After jumping to a 6-0 lead in the first inning, the Pampa Oilers pounced on Berger Hurler Jack Crowe for 9 hits to help Lefty Avon Driggers notch his eleventh win of the season in beating the Gassers 10-7 last night in Huber Park.

The visitors to the Carbon Black Capital found the offerings of Bob Glass "easy pickins'" as their big bats pounded out two hits and five runs off him in the first phase of the game. After issuing three consecutive walks to Otey, Bartholomew, and Riley, Joltin' Joe Fortin stepped into the batter's box and drilled a single that scored Otey and Bartholomew. Tony Range, versatile Oiler third-baseman, then lifted one over the left field wall for a home run with Riley and Fortin scoring ahead of him. This ended the short mound stint of Glass as he retired and Jack Crowe took over the duties. Harriman greeted the Gasser hurler with a single and then went to second on a wild pitch. Catcher Dick Samek lined a single, advancing Harriman to third, and the speedy shortstop came home on extra base hit by Driggers. Otey and Bartholomew both failed to hit safely and the inning was over.

The Gassers scored four runs in the second inning and one more in the third inning, while the Oiler lead began to quiver. The Pampa margin tumbled to the fifth inning when the Huber Park nine shined across two more runs and took the spotlight, 7-6.

The Gassers' joy was shortlived, however, when the Oilers scored two more runs in the sixth, one in the seventh, and one more in the ninth to provide their winning margin.

Joe Fortin hit his fourth home run in the last three nights while the portside offerings of Driggers allowed only one extra base hit in the complete nine-inning fracas. The Oilers remain in Gassersland tonight for the second of their three game series.

## Louis and Walcott Weigh In

## Martin Meets Curtis Tonight For Jr. Heavyweight Crown

Pampa's own championship match will be staged tonight when Wayne Martin, champion, meets George Curtis, challenger, for the Southwestern Junior Heavyweight wrestling belt at 8:30 p.m. in the Sportatorium.

The two-and-a-half hour title match will follow the preliminary, in which Billy Weidner, Boston, Mass., will meet Jack Wentworth, Toronto, Canada.

In an eight-week elimination contest to pick the contender, Gil Knutson was top man and was in line to meet the champion when he was defeated by Curtis here last week.

Knutson had won over all comers and was in the contender's spot when the eliminations were extended two weeks. Martin, a Tulsa police officer, was injured and was unable to appear for a title match on June 11, as was originally scheduled. Since Knutson was top man, he could have refused to fight anymore and simply waited out Martin's recovery. Instead, he agreed to let Frankie Murdock and Curtis enter the contest. He won over Murdock, but Curtis defeated him last week.

Curtis is a young, able wrestler from Vicksburg, Miss., who got much of his early ring training from his brother, Jack, a professionally heavyweight. He is noted for his clean, quick ring tactics. When he appeared here two weeks ago to meet and defeat Olan Boynton, he won the plaudits of the crowd for the way he stood up to the rough and dirty tricks of the bad boy from Amarillo.

Martin, the champion, is considered one of the top-notch young grapplers in the 190-pound class in the American ring today. Before turning professional, he won 37 medals and 7 trophies as an amateur. He took the Southwestern belt away from Pittsburgh Al Getz in February after losing to him in a title match last year.

Knutson, the defeated contender, will act as referee.

# Title Bout Washed Out Again; Clear Skies Predicted Tonight

NEW YORK—(AP)—The weather man predicted early today that the twice-postponed heavyweight title fight between Joe Louis and Jersey Joe Walcott will go on tonight.

"There'll be a fight tonight," the U. S. Weather Bureau forecast-er said on the basis of 5 a. m. (CST) data.

Tonight will be fair, he said, adding that scattered showers predicted for late afternoon are not expected to continue late enough to force a third postponement.

The veteran fighting men, their nerves strained by two delays, are scheduled to try again in Yankee Stadium at 8 p. m. (CST) in their 15-round world championship bout.

The sporting Twentieth Century Sporting Club has through Monday to get the business out of the way. The New York Yankees come home Tuesday to take over their ball park. Prize-fighting is against the law in New York on Sunday.

The combatants will not be forced to weigh-in again. At the ceremonies Wednesday, Louis weighed 218 1/2 and Walcott 194 1/2.

Both fighters were in their dressing rooms and thousands of fans were either inside the park or milling at the gates last night when the area was struck by the full force of a thunderstorm — pouring rain, sharp lightning and sound effects.

## All-District Banquet Sunday

The Amarillo Globe-News All-District Baseball banquet is scheduled to be held Sunday afternoon in the Thomas Dinner House in Amarillo with one all-district star and three others planning to attend from Pampa.

Charlie Laffoon, brilliant shortstop of last year's Harvester aggregation, will be the only baseballer making the trip. Laffoon was named on the first team all-district which was polled by coaches and sports writers throughout the district.

George Gamblin, standout Harvester pitcher, was selected as second team material although he will be absent from the banquet. Frank Bridges, Chicago White Sox scout, since the curve ball artist is now will be the main speaker.

residing in Oklahoma. Also absent from the banquet will be baseball mentor Clifton McNeely. McNeely is out of town for the summer and is not expected to return until this fall.

The other three attending the affair will be Knox Kinard, superintendent of Pampa Schools, Tom Tipps, head coach at Pampa High, and Gene Garrison, sports editor of The Pampa News.

Proceeding the banquet, the players and guests will attend the game between the Gold Sox and the Oilers. Then the banquet will be held following the game. Frank Bridges, Chicago White Sox scout, since the curve ball artist is now will be the main speaker.

That's what you want, and that's exactly what you get in this smarter, smoother-riding, more dependable and more economical Chevrolet.

You get more value in its trim, tasteful, style-leading Body by Fisher; you get more value in its road-smoothing, road-leveling Unitized Knee-Action Ride; you get more value in the thrilling performance with economy of its world's champion Valve-in-Head engine and in the stopping-power of its Positive-Action Hydraulic Brakes—all exclusive to Chevrolet at lowest prices and with low cost of operation and upkeep!

Yes, CHEVROLET and ONLY CHEVROLET is FIRST in all-round value. That's why more people buy it and more people drive it than any other make. That's why you and your family will be wise to choose a Chevrolet, too!

SPECIAL EXTRA-LOW PRESSURE TIRES on Wide-Rim 15-inch Wheels\* (24-lb. pressure only—all around)

Chevrolet offers you the tire of tires for easy, restful riding. Remarkable new extra-low pressure tires that give a much safer, more comfortable ride; absorb road shocks instead of transmitting them to you and your car; provide safer stopping, greater blow-out protection, and long, more luxurious mileage. All due to larger tire-body, more air at lower pressure, advanced tire design.

\*Optional of small extra cost.

## THE HOPKINS 4-H CLUB GIVES PROGRAM TO HD CLUB IN HALL

The Hopkins Home Demonstration Club met Tuesday afternoon, June 22, in Community Hall, for its regular program, which was presented by the Hopkins 4-H Club girls.

Mrs. W. E. Melton, vice president, was in charge of the business session during which plans were discussed for a pie supper to be held at a time and place to be announced later.

Miss Ann Hastings, county home demonstration agent, was in charge of a program on work simplification. She discussed ways of saving time and effort by using a tray when clearing and setting the table. She suggested making half the bed at a time to save steps and work.

The 4-H Club girls gave their pledge and sang their official song, then presented a skit representing a saleslady and a buyer. The girls also displayed hand-made articles such as laundry bag of chintz and percale, dress protectors, shoe bags, and vanity sets. They modeled dresses they had made from feed sacks.

Miss Jeanne Bowers was selected by the club to represent it at the club camp to be held at Canadian, July 20-22.

Miss Frances Bobb was selected to attend the round-up at College Station August 18-19.

It was announced that the 4-H Club Dress Revue will be held at 2:30 p.m. June 26 in the City Club Rooms.

Girls taking part on Tuesday's program were Shirley Johnston, Jennie Bowers, Lois Nell Dodd, Francis Bobb, Doris and Elizabeth Mann, Carolyn Minniear, Eleanor Martin, and the sponsor, Mrs. Joe Stone.

Refreshments of punch and cookies were served at the close of the program.

It was announced that the next meeting will be with Mrs. Melton on yard demonstration, July 13.

## Farm Wife Sees Hen House Carried Off

DALHART — (P) — Mrs. Leroy Hughes, farm wife living three miles east of Dalhart, was surprised to see the 20 by 60-foot hen house lift above her and sail away as she was gathering eggs recently.

The building, hit by a small twister, landed 20 feet away and was demolished. It missed by inches Mrs. Hughes' 13-year-old sister, Barbara Williams, who was outside.

## Emma Haiduk, Peter Francis Kuehler Are Married in Sacred Heart Church

**WHITE DEER** — (Special) — The marriage of Miss Emma Haiduk, daughter of Mr. and Mrs. Ben Haiduk of White Deer, and Peter Francis Kuehler, Jr., son of Mr. and Mrs. Peter F. Kuehler, Sr. of Panhandle, was solemnized Tuesday morning, June 22, at nine o'clock in the Sacred Heart Church here, with the Rev. Peter Morsch reading the double-verse.

Mrs. Laddie Kotara played a prelude of nuptial music and accompanied the choir during the Nuptial High Mass.

The altar was decorated with bouquets of pink gladiol and palms. Fabian Haiduk and Jerry Kotara lighted the candles and attended the altar.

The ushers were Adrian Haiduk, brother of the bride, and Samuel Ruthowski.

Bridesmaids were Miss Bernice Kuehler, sister of the bridegroom, and Miss Mary Ann Britten. Miss Kuehler was attired in pink; Miss Britten, in blue. Their veils, floor-length dresses were made in shirtwaist style with tiny collars, lace yokes and lace insertion at the waistline. They wore matching halo headaddresses and carried colonial bouquets of carnations tied with white satin ribbons.

Entering with her father, the bride wore a white satin gown with sheer yoke outlined by a wide lace bertha, long pointed sleeves, and fitted waist with tiny covered buttons at the back and on the sleeves. The hoop skirt was edged in front with lace caught up over a lace petticoat by a bouquet of pearlized orange blossoms and extended into a wide circular train. Her two-tiered finger-tip length veil fell from a shirred halo edged with orange blossoms; and she carried a shower bouquet of white carnations tied with white satin ribbons.

A wedding supper held at the home of the bride's parents at five-thirty o'clock was followed by a dance at Panhandle.

The bride was graduated from White Deer High School in 1941, and the bridegroom attended high school in Groom and Panhandle.

After a wedding trip, they will be at home in Panhandle, where Mr. Kuehler is engaged in farming.

Henry Jaeger, two former teammates of mine and two really great card players. We were discussing the famous Western Reserve team, who won the Ohio State team-of-four title this year. The team consisted of Elmer J. Babin, Sidney Pink, A. S. Goldsmith and O. S. Emrich of Cleveland, and Charles H. Goren of Philadelphia. Today's lesson hand is the result of our discussion.

You can see that the declarer has to lose two diamonds and the ace of hearts quickly. He cannot afford to lose any spades. Everybody agreed that he should play the ace of spades at once. Now should he play the jack of spades from dummy, hoping to find the ten and one on the left?

Emrich, who played this hand, advanced the theory that the best percentage play is to bang down the ace and king of spades. This protects the declarer against a spade loser if the queen and one are doubtless on the left or the right. The only time he will win by leading the jack on the second round of spades is when the ten and one are on the left.

This is a neat safety play that can be missed easily, but is never missed by good, careful players.

## Take Off Ugly Fat With Grape Fruit Juice Recipe

It's simple. It's amazing. How quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy — no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of Liquid Barcostrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonsful twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly fat disappears how much better you feel. More alive, youthful appearing and active.

"Christian Science" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 27.

The Golden Text is: "O house of Jacob, come ye and let us walk in the light of the Lord" (Isaiah 2:5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined" (Isaiah 9:2).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Is it error which is restoring an essential element of Christianity, — namely, apostolic, divine healing? No; it is the Science of Christianity which is restoring it, and is the light shining in darkness, which the darkness comprehends not" (page 347).

DALLAS — (P) — Deaf-mute Harry R. Ayers had been sentenced to 10 years in prison for forging two checks but he had asked to be locked up for life.

Ayers, 64, told Judge Robert A. Hall "I can't make a living on the outside. No one will give me a job."

Judge Hall sentenced Ayers to five years for each forgery, four years under the maximum penalty. He granted Ayers' request that the sentences be served one after the other instead of at the same time, thus giving him 10 years in prison.

"Christian Science" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 27.

The Golden Text is: "O house of Jacob, come ye and let us walk in the light of the Lord" (Isaiah 2:5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined" (Isaiah 9:2).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Is it error which is restoring an essential element of Christianity, — namely, apostolic, divine healing? No; it is the Science of Christianity which is restoring it, and is the light shining in darkness, which the darkness comprehends not" (page 347).

## Deaf-Mute Asks for Life; Gets 10 Years

DALLAS — (P) — Deaf-mute Harry R. Ayers had been sentenced to 10 years in prison for forging two checks but he had asked to be locked up for life.

Ayers, 64, told Judge Robert A. Hall "I can't make a living on the outside. No one will give me a job."

Judge Hall sentenced Ayers to five years for each forgery, four years under the maximum penalty. He granted Ayers' request that the sentences be served one after the other instead of at the same time, thus giving him 10 years in prison.

## Mexican Plan Booms Native Industries

MEXICO CITY (AP)—Mexican industry is booming under the impetus of President Miguel Aleman's six-year industrialization program, the Department of Statistics reveals.

The department said the paper industry was working 85 percent of capacity, beer manufacturers 83 percent, shoe factories 77 percent, rubber products 90 percent, iron industry 95 percent, cigars and cigarettes 85 percent and glass plants 91 percent.

Other industries are operating on about the same percentage. Profits, the department said, are less than in previous years.

## Texas Today

By WILLIAM C. BARNARD  
Associated Press Staff

Ward Mayborn, handsome, silver-topped publisher of the Sherman Democrat, has an interesting past and a promising future. This year is his fiftieth in the newspaper business and he says:

"I'd sell about 35 of those years cheap but I wouldn't take a million dollars for the ones coming up."

At 68, the Sherman publisher is alert, aggressive, works around the clock and scowls at the 40-hour week as "the curse of the newspaper business."

"How do they expect a reporter to learn anything in an eight-hour day? When I started out, it was an 18-hour day at \$6 per week."

He does his work right out in the big front office of the Democrat where no partitions separate the advertising, business and editorial departments.

"I don't want any strangers working for me."

While we talked to Mayborn, an employe came to his desk with the news that a city group contemplated a secret meeting with newspapermen barred.

"Tell them," said the publisher, "that either we get the story straight or we get it the best we can. Tell them that we'd much prefer a straight story and that if they're smart, so would they."

The reporter got in.

Here are some Mayborn observations on journalism:

"Newspapers are getting better all the time, feeling their responsibility to the public and sincerely wanting to give service. Any newspaper worthy of the name is founded on integrity and thrives on integrity."

"In days to come, newspapers will spend more time educating their employes in all departments. There is considerable literature today on how to put out a newspaper. In my early days, you had to feel your way."

He wasn't kidding. Once he managed a newspaper that didn't gain circulation. So he got out and knocked on 500 doors and asked 500 families: "Why don't you read my newspaper?" When he took the answers and put some suggested changes into effect. Circulation zoomed.

"Newspaper ethics of today are a fine thing," said Mayborn. "I've seen a lot of muckraking in my time. It was exciting but not healthy. Newspapering today is a self-respecting business that a young man with imagination, boundless energy and hustle can join with pride. But clockwatchers please stay out."

Native of Kinsman, Ohio, Mayborn attended a night school and business college but "never got a diploma in anything." Most of his career was with the Scripps newspaper group. He started as office boy with the Akon Press, was graduated to the Cleveland Press and, in 1906, established the Evansville, Ind., Press. By 1909, the Evansville paper had a circulation of 8,000—a circulation sold by teen-age boys. "I made a game out of it, giving them plenty of prizes, picnics and free shows. Harness the energy of 16-year-olds and they'll pick up a building and move it to the other side of the street."

Mayborn became general manager of the Evansville paper, the Terra Haute Post, the Denver Express and the Scripps paper in Memphis. At Dallas, in 1919, he established a regional office to

operate Scripps papers in the Southwest. He started the Fort Worth Press in 1921 and in 1922 founded the El Paso Post. From 1923 to 1929 he operated the El Paso Post, Albuquerque State Tribune, Houston Press, Fort Worth Press and Oklahoma City News, all at one time.

He left Scripps in 1929 and bought the Temple Telegram. From 1937 to 1941 he was general manager of the Nashville Banner and Tennessee. And from 1941 through 1944 he was assistant publisher of the Chicago Sun. He came to Sherman in 1945.

Mayborn, a friendly fellow with a large charge of sentiment, finds his biggest reward in the successes made by men he trained. He is to almost any section of the U. S. and you'll find a newspaper executive Mayborn hired as an office boy.

And as for Mayborn: "I feel like a big leaguer who has come back to the minors. And I'm having fun."

## Budget Surplus Tops Eight Billion

WASHINGTON (AP)—The government's budget surplus has topped \$8,000,000,000 for the first time in nearly 100 years of U. S. history.

Treasury records showed the surplus—which is the excess of income over spending—reached \$8,251,084,534.55 on June 21. Responsible for the upsurge

were heavy receipts of quarterly tax receipts tallying will be completed by then and heavy year-end expenses will show up on the balance sheets.

Before the fiscal year ends June 30, however, the surplus is expected to go down nearer to President Truman's January estimate of \$7,482,000,000. Quarterly ages vary from 300 to 2,300 feet.

## Notice to All Liquor Stores!

Unless all of you agree among yourselves at once as to a fair price on beer to be sold to a customer, and quit kicking the price of beer around, using it as a bait to get someone into your place to sell him whiskey—same time—not allowing him the right to drink beer or whiskey—in your place—Oh, no!

## WHICH WILL YOU BE CATCHING WHEN YOU'RE 55?

MOST FOLKS dream of being able to take things easy after 55... of being able to pursue a life of leisure while they're young enough to enjoy it.

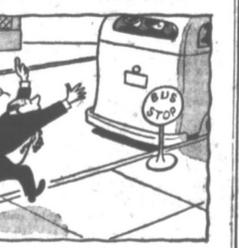

But unfortunately, many of us find ourselves at 55 still catching the bus to the job instead.

The reason: lack of enough money to retire on.

Lucky for you, however, there's a safe, sound way to protect your future financial security today—U. S. Security Bonds!

Security Bonds require only a little spare cash every week—yet return you a whopping big nest egg in ten years. For example: as little as \$3.75 invested regularly every week will bring you \$2,163.45 by 1958!

And there are two easy, automatic ways to get your Bonds.

1. If you work for wages or salary, you can get your Security Bonds through Payroll Savings—the only installment buying plan.

2. If you are in business, or in a profession, and the Payroll Savings Plan is not available, you can sign up for the Bond-A-Month Plan at your local bank.

Choose the sum you can afford and sign up today. Then, at 55 perhaps you can start catching fish—and forget about catching that bus every morning!

P. S. Your Security Bond dollars do more than give YOU security. They help you fight inflation. For wise saving means more sensible spending—fewer dollars to bid up prices on scarce goods. Also every dollar invested in Bonds retires an equal amount in inflationary credit.

**Mystery Light Seen Over Texas Town**  
 MINEOLA, Tex. (AP)—The mystery of the phantom lights, which caused reports of an airplane crash in Wood County Sunday night, is a mystery on longer.  
 The lights were from Army Airforce parachute flares.  
 Buford Harris, farmer living four miles east of Golden, cleared up most of the mystery.  
 His son-in-law, Ed Baker, a Highway Department employe, found a sachel while cutting weeds along the roadside east of Mineola Saturday. In it was a gun of a type unfamiliar to him. Baker took the gun home and fired it into the air Sunday night. The flare was seen by residents over a wide area in western Wood County, who reported it apparently was a burning airplane. A search and a CAA investigation produced no result.  
 Baker fired the gun again last night, and again there were reports of a mysterious light.  
 Still a mystery was the ownership of the gun.

**Friendship Kit Goes to Europe**  
 Eighteen girls of Girl Scout Troop 1 are sending a friendship kit to outfit completely a six-year-old girl in Europe. Mrs. E. Thornton, executive of Pampa Girl Scout Association, said today.  
 Under the leadership of Mrs. R. C. Rowden and Mrs. Clifford Lewis, the girls will send a coat, suit, underwear, dresses, blouse, pajamas and mittens to the American Friends Service Committee in Chicago to be sent to the girl.  
 The girls in Troop 1 are Joanna Barron, La Vancia Beckerdite, Kathleen Claunch, Jimma Joy Garrett, Peggy Hawpe, Martha Lee Hulsey, Carolyn King, Virginia Langston, Karen Lewis, Dorothy Lynch, Mardella Miller, Jovena Morgan, Syble Phares, Bonnie Rowden, Sherilan Sikes, Marcie De Simms, Seba Simonton and Lynda Stevens.  
 According to his household records, George Washington paid as high as 15 cents a piece for pins.

**Wading Pool Ready At Lions Club Park**  
 The new concrete wading pool for youngsters at Lions Club Park has been painted, and will be ready for use Saturday, Lee Roberts, city park superintendent, said today.  
 Club members donated the concrete and materials for building the pool, and the city laid water lines, painted the pool in club colors and planted grass seed in the pool area.

**THE STATE OF TEXAS**  
 TO: Leslie W. Quarles, Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of this Citation, the same being Monday the 2nd day of August, A. D. 1948, at or before 10 o'clock A. M., before the Honorable District Court of Gray County, at the Court House in Pampa, Texas. Said plaintiff's petition was filed on the 13th day of April, 1948. The file number of said suit being No. 9022. The names of the parties in said suit are: Florence Bernese Quarles as Plaintiff, and Leslie W. Quarles, as Defendant. The nature of said suit being substantially as follows: to-wit: Plaintiff alleges that defendant was guilty of harsh, cruel, and inhuman treatment toward her and such conduct was of such a nature as to render her further living together as husband and wife insupportable. Plaintiff further asks for custody of minor child. If this Citation is not served within 30 days after the date of its issuance, it shall be returned unserved. Issued this 16th day of June, A. D. 1948, given under my hand and seal of said Court, at office in Pampa, Texas, this 16th day of June, A. D. 1948.  
 DEE PATTERSON, Clerk District Court Gray County, Texas.  
 By Louise Stuart, Deputy.  
 June 18-25, July 2-9.

**MRS. DEWEY**

 was completely honest when she said she hoped her husband would get it. Her man, after all, had given years trying to build an America and a one-world-for-all he believed in. She knew he would keep on doing that.  
 To her and to him, fighting for international unity is more important than to head one segment of a world—even our own big segment. I think she thought that the last best gift of life to her was his:  
 "Here, you're my presidency—and I've had you a long time. Now we can have more time together."
