Solons Ready Subpoena for Jaffa Violence

JERUSALEM -- P -- Rescuers dug today into the debris of the Semiramis Hotel for 16 persons missing after the three-story stone structure was levelled by a bomb which police said the Jewish underground had planted. Three persons were known dead.

One informant said the hotel was one of five district headquarters for an Arab military group. The known dead included Manuel Salazar Travesedo, acting Spanish consul. Some 17 were inpured.

A similar act of violence occurred Sunday in Jaffa, where Arab headquarters was bombed and 15 persons were killed and about 100 injured. Police blamed the Stern Gang, the most extreme element of the Jewish underground.

Kimball Sanborn and Earl W. ground defense force, said committee.

Common Ground

By R. C. HOILES

A Meeting I Would Like to Attend

received an Invitation the other day to attend the annual general meeting of the Society of Individualists of London, England to be held on December 11, e been a member of this or ganization, for some time and ould have liked very much to attend and hear the address by its

With the invitation came a message to the nation over the sig-nature of the Society of Individualists. Remember this is an organiin England. I quote this message:

of the business commu-

"That we have been responsible making available every material amenity know to civilisation. "That without our work mankind would still be in a state of primitive barbarism. "That labour labours to no ef-

exchange of its products. "That recent experience has proved the inability ments to perform our functions and satisfy the economic needs of the people.

fect unless we arrange for the

That supplies of the means of life, whether from at home of from abroad, are steadily and rapidly diminishing, because ernments are not subject to those beneficent economic forces which govern and control the work of individual enterprise.

"We claim no personal credit for obedience to natural laws which, unlike Acts of Parliament need no human force to command "We claim the right to shoulder

responsibility.
"We have worked for profit on the terms that we paid the losses, and have thus ensured to the whole of Society the maximum of

economy,
"We have done well for ourselves by doing well for our cus-tomers; and have provided through our taxes the means to help the inefficient. The black sheep amongst us are less numerous than in other sections of society, if only the reason that honesty was the best policy. No such claim can for life under planning

"Our traditional freedom acted a spur to effort. Controls shackle all endeavour. Considered of millions of individuals, the difference between freedom and control is more than sufficient to balance our national deficit.

'We claim that the economic freedom upon which our national supremacy was founded, offers the only way out of our present dis-"We recognize that a return to

as. It is for the nation to choose between these temporary troubles and permadestruction by political methods.

Would that we had an organization of this kind in America. If England is to discard most of its practices of using force instead of persuasion, it will be done by or-ganization and individuals such as this Society of Individualists and the National League of Freedom date to see Butler and Dennis

Morgan, the star of the picture.

His agents took him on the country and government of the sheepishly added, "but led both the White House and prounds of the studio.

The sheepishly added, "but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added, but led both the White House and provided by the sheepishly added by the sheepishly proof been guilty as charged, but no been guilty as charged, but no violence or military harm had "George," they said, "you don't said, "That's the guy."

American aid without justifying their position beyond saying that it would cost too much.

Limit Is Placed

On Oil Exports

We Needn't Be Seriously Pessimistic About 1948, Says AP Foreign Analyst

By DEWITT MACKENZIE AP Foreign Affairs Analyst Comes the beginning of a new ward the right.

The most important phase of this conflict in '48 is likely to be the battle for Western Europe. The outcome will hinge on the degree of success of the Marshall Plan for rehabilitation—a program against which Moscow has declared open and bitter warfare.

As this is written the chances are good for success of the Marshall of history, and a guick recovery is only a guick recovery is the most important phase of this go from bad to worse, barring biggord by the sum and toworse, barring biggord by the stricting exports of major petrostimated foreign demand, but is scale military assistance from outside.

Taking it all in all, I see no reastricting exports of major petrostem and bitter warfare.

We mustn't forget that the world still is suffering grievously from the effects of the most destructive war warfare.

As this is written the chances are good for success of the Marshall of history, and a guick recovery is the most urgent needs."

Things in China will continue to go from bad to worse, barring biggord that a policy of "restricting exports of major petrostem and the with a policy of "restricting exports of major petrostem and the current domestic shortages are alleviated." It added that export licenses will be approved only on a basis of history, and a guick recovery is the most urgent needs."

For Meat Rationing

Says U. S. Official WASHINGTON- (P)-Americans

He told a radio audience (WOL Mutal) that he does not know whose job it would be to prepare ration forms if Congress passes such a program, but he said the Agriculture Department is preparing to do so if asked. "I hope we won't have to ration anything except meat," he said. "I believe rationing of this important food will have a strong effect on other food commodities and it will not be necessary to have any other controls

He added that rationing "must have a general voluntary accept-ance to be successful."

Asked about the effect of grain speculation on high meat prices, Anderson said it is hard to tell whether speculation caused high prices for meat, or meat prices encouraged speculation. But he "In my opinion, speculation is

MILLER PHARMACY

WHAT'S THE MOST VITAL THING ADVERTISING DOES FOR YOU?

* BRINGS INFORMATION TO MAKE SHOPPING EASY. * GIVES YOU BETTER GOODS FOR LESS MONEY. * RAISES STANDARD OF LIVING. * MAKES JOBS MORE SECURE. * ENTERTAINS AND AMUSES.

TAKE this actual case of a brand of soap. A big company had developed a better, faster-acting soap powder that washes dishes faster, makes clothes whiter with less work.

How could they sell it at such a low cost as to be able to sell it cheaply? Only through advertis-

Today they sell millions of dollars of this soap powder per year -making hundreds of new jobs in a huge factory, hundreds of jobs with firms who supply the raw materials, more and better jobs in stores that handle that soap-and in banks, railroads, truck lines, insurance companies, all of whom have more work to do -and more money coming inbecause of this added soap busi-

Nobody Lost

For the amazing fact is-this new brand of soap didn't take money from other soap companies. The product and its advertising increased the total consumption of soap. So there was more business, better business-more and better jobs.

You're More Secure

Apply this very prosaic soap story to the more glamorous fields of automobiles, refrigerators, clothing, furniture-everything you buy. You'll see plainly how advertising acts as the spark plug of business. You'll see how advertising-today and tomorrow-is creating opportunity for you, and making your present job more

What Others Say:

LABORER-There are no layoffs when things are busy. A rush means overtime for me. So when advertising sells goods for my firm, I get more in my pay

HOUSEWIFE-It's a perfect circle. When advertising makes us women go to the store to buy, we stimulate business. And it's when business is good that our husbands are secure in their jobs. So let's be grateful for ad-

EXPRESSMAN-My job depends on goods being shipped. And the main reason goods are shipped is because they are sold. So by selling goods, advertising helps me be sure of steady work.

SAILOR-A ship's business is to transport goods. Always there has to be a buyer-or we tie up. So advertising to sell goods is important in giving sailors steady work and a chance to get ahead.

Advertising... BY SEELING MORE GOODS TO MORE PEOPLE Makes your job more secure
