STATE SCHOOL OFFICIAL SPEAKS TO JUNIOR HIGH P-TA

CHAIRMEN ARE ANNOUNCED AT FIRST MEETING

DR. RHODES TALKS OF THE STUDENT'S PERSONALITY

Dr. Jeremiah Rhodes, assistant superintendent of Texas schools, spoke to Junior High Parent-Teacher association at its first meeting of the term yesterday afternoon. He was a business visitor to Junior high school yesterday.

"Desire to know is the first instinct of a child; the second is to tell what he can, and the third to do something from his learning and see the results," Dr. Rhodes said.

Physical, intellectual and spiritual traits are developed in each person to some extent, but never alike in any two persons. Usefulness to the society is in the uniqueness in personality or development of self, and the approach that is different from that of any other person, he explained.

Dr. Rhodes is state superintendent of the junior high division of schools. He has traveled extensively for several years as superintendent of schools in San Antonio, and has had other official positions in Texas schools.

Mrs. Miskimin was in charge of this interesting program, which opened with songs led by Miss Helen Martin. After Dr. Rhodes' talk, all teachers were introduced by Principal R. A. Selby.

A short business meeting was in charge of the new president, Mrs. Earl Eaton. Chairman of standing committees for the year were named by the executive committee as follows:

Program, Mrs. Miskimin; hospitality, Mrs. L. L. McColm; publicity, Mrs. Claude Lard; finance, Mrs. A. C. Green; membership, Mrs. S. G. Surratt; minutes, J. W. Garman and M. D. Dwight were appointed delegates to the city Parent-Teacher council.

About 80 persons attended the meeting.

Paul Camp underwent an appendectomy at Pampa-Jarratt hospital last night. His condition at noon today was favorable.

Geraldine Back

Evidently travel, instead of a Connecticut garden, supplies Geraldine Farrar with the "delicious sense of soul freedom" in quest of which, 13 years ago, the spectacular prima donna triumphantly quit the opera stage. Hale and happy, Miss Farrar is pictured above in New York on her arrival from her annual vacation in Germany.

Monday Contract Players Meet in New Bridge Club

A new bridge club had its first meeting this week, when Mrs. R. K. Eaton was hostess at her home to the Monday Contract club. Members planned to meet each Monday, and Mrs. H. C. Berry was named hostess for next week.

Orchid and green were the colors stressed at the two tables, where a delicious salad course was served after the game. Mrs. Berry made high score.

Mrs. R. N. Wright and Mrs. H. L. Harkey were club guests. Members playing were Mrs. J. L. Cashman, John Weeks, Al Schaefer, Earle Scheig, Robert L. Freeny, and Berry.

LUNCHEON IN HONOR OF MISS FAULKNER IS APPOINTED IN MORE DELICATE FALL COLORS

MRS. OVERTON NAMES BRIDE-ELECT AS HONOREE

Miss Virginia Faulkner, whose marriage to E. L. Green Jr. on October 5 is the pending social event of greatest interest at present, was complimented at a luncheon given by Mrs. M. C. Overton at her home yesterday.

Giant chrysanthemums in white and yellow and silver fern set the color note for unusually lovely table decorations.

Places were marked for Miss Faulkner, Miss Claudine Pope, Mrs. Lynn Boyd, Mel Davis, W. J. Smith, Clyde Fatheree, Arthur Swanson, Charles Thut, Clarence Barrett, P. O. Sanders, H. H. Hicks, Gilmore Nunn, B. C. Low, Don Conley, T. R. Martin, Clinton Henry, and Gentry Kidd.

Tests Prove New Method in Cheese Making Successful

"It's the best home made American cheese I ever tasted," said Miss Gladys Kimbrough, home economist for Ball Fruit Jar company of Muncie, Ind., while scoring canned American cheese exhibited by Mrs. J. A. Fowler of McLean Home Demonstration club at the Tri-State fair last week.

This was the first canned American cheese tried in Gray county, and the only entry of its type in the fair at Amarillo.

The cheese is made exactly as if it were to be molded in three to five-pound blocks, but it is molded in No. 3 tin cans. After it is pressed and allowed to dry three or four days it is sealed in a new can. There is no mold when cheese is sealed in the cans, and it cures perfectly.

As a result of Mrs. Fowler's successful experiment, much American cheese will be canned by home demonstration club women in this county during the fall. It will be scored prior to the fat stock show in Amarillo in March.

BAND MOTHERS ORGANIZE FOR WORK OF YEAR

Suits To Be Bought For Junior High Musicians

Band mothers of junior high school had their initial meeting of the year Thursday afternoon, and decided that buying suits for band members would be their major project for the year.

Mrs. John Hesse is president of the club, Mrs. H. C. Schoolfield vice president, Mrs. S. G. Surratt secretary and treasurer, Mrs. J. O. Pearce reporter.

Chairmen of the following committees were elected: Membership, Mrs. E. D. Zimmerman; finance, Mrs. Claude Lard; hospitality, Mrs. W. H. Frazier.

Those present were Mrs. Virgil Hill, Burl Graham, W. R. Frazier, Earl Roof, J. W. Staten, J. G. Smith, E. V. Davis, D. Godwin, Surratt, Zimmerman, Pearce, L. J. Harrison, P. O. Anderson, and Hesse.

Fairground-Park Plans Explained By W. A. Bratton

Mayor W. A. Bratton yesterday explained to Pampa Lions the plans made by the city for a fairground and park. He exhibited a colored drawing made by City Manager C. L. Stine, who could not be present because of illness.

The discussion also included questions and answers about WPA, PWA and the relief situation.

Visitors were Jack Jones, Cisco, Cal Dickey, Tulla; Robert Selby; W. B. Weathered; J. D. Wilson of Canyon, and Dr. Jeremiah Rhodes of Austin.

COLUMN

to make a round of night clubs. At one of these the crew tired of waiting for his meal, walked over to a nearby table where a portly lady was starting to eat a bowl of soup. He without explanation seized the soup and remarked, as he started back to his table:

"Madam, you're too fat already, and I'm hungry."

He ate the soup. The woman's escort thought of murder or battery, but decided to treat it as a joke. Maybe the presence of Huey's bodyguard influenced his decision.

THE AMERICAN press generally condemned use of bullets instead of ballots in ending the Long dictatorship. But many readers appeared to be somewhat critical of this attitude, although there were many friends of the senator. Enlightened readers, according to Mr. Pew, who was quoted above, apparently were thinking about as follows:

"The American spirit cannot endure political tyranny. We take all manner of abuse in business or private life, and are no longer dangerously fanatical about religion, but when a politician uses his power so that all the checks and balances of the republican form of government are set at naught, something is bound to break. . . . Long 'asked for it,' even seemed to anticipate violent death as a logical or probable result of his un-American methods. Political tyrants beware!"

So the argument rages. In Louisiana, they know that the question is much deeper than it seemed nationally. Long was an influence fighting an influence. A condition gave Long his opportunity. He in a sense was a purge. That Louisiana is in a condition to settle down to peace without Long, even as it was unable with him, we are inclined to doubt.

Buries Romance

Elaine Barrie won't be the bride of John Barrymore, but the striking 19-year-old brunette, shown here as she visited her lawyer in New York, wants the great lower stage and screen to give back the diamond ring and his other gifts with which he is said to have departed after they quarreled. Barrymore is 53.

Sister Mary's Kitchen

BY MARY E. DAGUE
NEA Service Staff Writer

Every Christmas a friend sends me a sack of corn plucked from her garden and dried in her kitchen. It's a good-tasting gift and different, too.

Dried corn is easy to make and simple to store. There are several good driers on the market and one is really an investment because it will work with other foods as well as corn.

Or you can make a drier that will fit your oven or the top of a coal range. Screening is stretched over the frame of the required size and the whole is covered with cheesecloth. Small legs at each corner of the frame elevate it to the proper height. Three to four inches permit free circulation of air between the tray and the warm stove top or oven bottom.

Blanch Before Drying
All vegetables should be blanched before drying. This dipping into boiling water insures perfect cleanliness and induces even evaporation.

To dry corn remove husks and silk as usual. Drop into boiling water and boil five minutes—long enough to set the milk. Cut kernels from cob taking care not to cut deep enough to cut cob. Scrape out pulp. Spread thinly and evenly on tray and dry from three to four hours at a temperature of about 125 degrees F. Stir occasionally while drying. Let air on trays until perfectly dry. Store in dust-proof containers in a dry place.

Soak the corn from two to four hours in lukewarm water before cooking. Use two cups water to one cup corn and cook in the same water in which the corn was soaked. It will take about forty-five minutes to simmer the corn until tender. Season with butter, salt and pepper and serve as you would canned corn.

Dried apples are a famous Pennsylvania dish. The apples are pared, cored and cut in thin slices, then dried. Soak apples over night before using. They make delicious pie and sauce as well as a spicy suet pudding. Early in the spring when fresh fruit is high and scarce a few pounds of dried apples help in meal planning.

Canadian News

CANADIAN, Sept. 20.—Miss Alice Shaller has returned after a three-month visit in South Texas.

Caylor Douglas attended the fair at Amarillo Wednesday.

Mrs. R. B. Pendergraft is reported quite ill.

Mr. and Mrs. Sam Isaacs, Mr. and Mrs. John C. Isaacs, Mr. and Mrs. John Jones, Mr. and Mrs. Thomas Jones, Mr. and Mrs. Frank McMordie were in one party of Canadian visitors to the Tri-State fair at Amarillo yesterday.

Mrs. Bud Thomas is reported very ill at the home of her parents, Mr. and Mrs. E. S. Shoaf.

Mrs. T. D. Moss and Miss Mary Caylor are visitors in Amarillo for the fair Wednesday.

STRIKERS RESTRAINED
BURKBURNETT, Sept. 20 (AP)—Strikers in the northwest oil field, indignant at efforts to prevent violence, were restrained by court orders today from interfering with operations on properties of five companies in the area. Judge Ernest M. Robertson granted a temporary injunction yesterday to the five companies to restrain the strikers from trespassing upon their leases.

The vital British stronghold of Malta in the Mediterranean.

Spurred by these developments, informed sources said, an emergency session of parliament might be called far earlier than the scheduled October 29 meeting.

HOPKINS P-TA INSTALLS NEW OFFICIAL BODY

PUPILS ENTERTAIN IN A PRELIMINARY PROGRAM

Officers headed by Mrs. Emmet Edwards as president were installed at a business meeting of Hopkins Parent-Teacher association Wednesday afternoon. It followed a program presented in school assembly with the association members as guests.

Other officers are Mrs. Dee Partridge, first vice president; Mrs. W. R. Abernathy, second vice president; Mrs. Moore Jones, secretary; Miss Margaret Hamrick, treasurer.

Mrs. W. M. Parker is chairman of publicity; W. M. Parker, Mrs. Harwell and Mrs. Reeves are on the hospitality committee; Mrs. Vera Savage, Mrs. Swindle, and Mrs. Davis on the membership committee.

Nov. 2 was set as the next meeting date for regular business.

The assembly program was directed by Mrs. Irene Beckett and was well attended. It opened with group songs led by Paul Jones. Fifth grade pupils presented a song and the seventh grade an Alcott pageant. Tommie Lou Harwell told a Bible story.

Beans Raised in Home Garden Are Canned at Profit

Attaining a profit of \$19.25 from 275 feet of garden rows is the accomplishment of Mrs. K. L. Burba of Merten Home Demonstration club. She planted 15 cents worth of pinto beans, and Mr. Burba irrigated the small garden plot and assisted in gathering and canning the 97 quarts of beans.

Besides using a large quantity of fresh beans, many were given to friends, and there now are enough beans on the vines to can approximately 15 quarts.

"I canned all I could, since the success of our gardens is so uncertain from year to year," Mrs. Burba said.

There were nice yields of other vegetables in the Burba garden also.

Blood Poison Is Fatal to Worker At Kellerville

Charles Earl Ray, 35, died in a local hospital last night, 13 days after he had fallen from a truck near Kellerville and suffered a compound fracture of his right leg. Blood poison caused death.

Mr. Ray was an employee of the Helena Oil company, operating in the Kellerville area. At the time of the accident, he was loading cement on a truck. The accident happened about 10:30 o'clock on the night of Sept. 7.

Surviving Mr. Ray are one daughter, Wanda Nadine, and one son, Dorman Earl. Other survivors are his mother, Mrs. Ella Ray, Seminole, Okla.; four sisters, Mrs. Eva McKissack, Ada, Okla., Mrs. Jennie Chromster, Mrs. Jessie Harrell and Mrs. Nellie Dye, Seminole; and three brothers, J. A. Ray, A. B. Ray and E. J. Ray, Seminole.

The body was to be sent to Sem-

inoles this afternoon by Pampa Mortuary.

Miss Grace Kite left Sunday for Denton, where she will enter State College for Women (C. I. A.)

HERE IS HOW BLACK-DRAUGHT HELPED SO MANY

At the first warning symptom of constipation, take purely vegetable Black-Draught for the prompt relief so many say it brings them. "I take Black-Draught for biliousness and constipation," writes Mrs. Helen M. Williams of Waco, Texas. "Sometimes I have headaches from this trouble or feel dull and sluggish, and I feel this way until I take Black-Draught and get the impurities out of my system, after which I feel worlds better."

The writer of the above statement has taken Black-Draught, when needed, since she was a child. "Black-Draught, to my mother, was a family medicine," said Mrs. Williams. Get a 25-cent package today. (Adv.)

DO YOU GO TO CHURCH?

We, the Central Church of Christ, take this means of starting this movement to see that as many as possible attend Church and Bible Study every Lord's Day, which will thereby eliminate some of the Present Sins that are now so outstanding in our fair City.

We, the Central Church of Christ, located on the Corner of Fifth and Somerville, wish to extend to each and every individual in the City of Pampa an invitation to be with us in our Bible Study, and also Church Worship this coming Sunday. We are contemplating on having the House full at these Services. Will You be there? Will you have your Children there?

To those that be Christians and are not attending Bible Study and Lord's Days Worship, let me ask you: Why are you not coming? What can you hope your Children to be if you do not set the right example before them. There is not a Father or Mother in this City that does not want their Child to be a Godly Christian Man or Woman; so why won't you make up your mind that you will start to Church Sunday, thereby making yourself an example unto them.

I am hoping that I will see you Present Sunday Morning at 9:45 at the Central Church of Christ, located 501 N. Somerville.

FIRST CHURCH OF CHRIST, SCIENTIST
901 North Frost.
"Matter" is the subject of the lesson-lesson which will be read in all Churches of Christ, Scientist, on Sunday, Sept. 22. The Golden Text is: "Blow ye the trumpet in Zion, and in Jerusalem, and say, My holy mountain; let all the inhabitants of the land tremble: for the day of the Lord cometh, for it is nigh at hand" (Joel 2:1).
Among the citations which comprise the lesson-lesson is the following from the Bible: "Ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet" (Matthew 24:6).
The lesson-lesson includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "This material world is even now becoming the arena for conflicting forces. . . . These disturbances will continue until the end of error, when all discord will be swallowed up in spiritual Truth" (page 96).

Buffaloes Will Play Panhandle Aggies This Eve
CANYON, Sept. 20.—The Texas State Teachers college Buffaloes will blast the lid off the 1935 football season in Canyon Friday night

Sept. 20 at 8 o'clock, against the blazing threats of Panhandle Aggies of Goodwell, Oklahoma. Coaches Al Baggett and Bob Cox are going to prove to the fans of

West Texas that they have a team that can take the Aggies with plenty to spare. They believe that they have one of the best teams that ever wore a maroon and white jersey, but they are "from Missouri!"

The Teachers will feature a hard running attack starring Wood Dow of Littlefield, Frank Van Noy of Amarillo, Vernon Johnson of Chil-

dress, H. D. Stewart of LeFors, Floyd Murry of Floydada, Bernie and Ronald Davis of Childress, Kotton McGehee of Wayside, Ray Cox of Vernon, Conway Butler of

Turkey, and Lewis Gibson of Crowell. These boys will do plenty of mail carrying, but there will have to be a forward wall. The line will boast

such boys as Toby Waggoner of Hale Center, Silna Cain of Wheeler, Leo Jackson of Floydada, Clinton Meek of Gageby, John Lee of Amarillo, R. D. Wheelock of Silverton, Capt. N. M. John Rankin of Miami, Oscar Hinger of Ende, N. M. Cy Marchbanks of Childress, Craig Walling of Farwell, and Geo. Caviness of Causey, N. M.

FIVE SOUTHWEST CONFERENCE GRID TEAMS PLAY SATURDAY

(By The Associated Press.) Five Southwest conference football teams, conditioned by two weeks training, prepared today for the first games of the season tomorrow.

Injuries made up the chief worry at Texas Christian as Coach Dutch Meyer groomed his Horned Frogs for a tilt with the Howard Payne Yellow Jackets. Jimmy Lawrence nursed an injured leg and there was a possibility he might walk a bench beside Harold McClure, Vernon Brown and Glenn Roberts, also on the injured list.

Coach Homer Norton looked to three sophomores—Johnny Morrow, Orville Puryear, and Roy Young—and one veteran—Taylor Wilkins—to carry the Texas A&M attack against Stephen F. Austin State Teachers college.

Coaches Matty Bell and Vic Hurt

expressed satisfaction with the progress made by the Southern Methodist Mustangs in practice as they tapered off training for their game with the North Texas Teachers.

The Baylor University Bears were reported ready for their first game, and the Bruin camp became more optimistic when it appeared Carl Brazel, hard-blocking sophomore fullback, had recovered from a bruised hip and would be ready to oppose Southwestern university at Waco tomorrow night.

Forty-five Rice Owls planned to go through light practice at San Antonio tonight in preparation for their opening contest with St. Mary's university.

The Texas Longhorns and Arkansas Razorbacks, only teams in the conference without competition on tomorrow's program, continued their practice sessions.

Eddie Risko Is Wearing Teddy Yorosz' Crown

PITTSBURGH, Pa., Sept. 20. (AP)—Eddie (Babe) Risko's beated and battered brow bore the middleweight boxing crown today while Teddy Yorosz, from whom he won it, wondered about his ring future with a "trick" knee.

Risko eked out a 15-round decision from a title-holder performing almost on one leg alone last night.

The Monaca, Pa., boxer's right knee, injured first last new year's day when Risko defeated him at Scranton, with a technical knock-

out in a non-titl go, caved in again last night.

After the fight, however, Yorosz said he began to experience trouble with the knee from the first round, possibly from the rain which drenched the ring and the 13,228 paid customers.

Yorosz weighed 158½ pounds while his conqueror from Syracuse, N. Y., came in at 156.

Risko promised, after the fight, to give the Monaca a chance to win back the middleweight crown whenever the latter's bad knee is recovered sufficiently.

LeFors to Play Canyon Eagles Saturday Night

The LeFors Pirates will play their second game of the season on Saturday night when they meet the Canyon high school Eagles on Buffalo field. It will be the opening of the football year in Canyon.

Coaches Bill Bronson and Francis Smith will take their entire squad of 25 players to Canyon Long workouts with hard scrimmages paramount have been the order of practice during the week. The team looked exceptionally promising against Sayre, Okla., last week at LeFors.

KENNAMER APPEAL SASAILED CAUSTICALLY IN COURT BRIEF

OKLAHOMA CITY, Sept. 20 (AP)—Phil Kennamer's appeal from a 25-year manhusar conviction for the death of John F. Gorrell Jr., at Tulsa last Thanksgiving, was assailed caustically today in a brief by Assistant Attorney General Smith C. Matson to the state criminal court of appeals.

Matson said Kennamer was fortunate in escaping conviction of murder, attacked his twin defenses of insanity and self-defense as inconsistent, and asked the court to force the 19-year-old son of Federal Judge Franklin E. Kennamer back to the McAlester prison.

Oral argument of Kennamer's appeal has been set for October 1.

Kennamer entered the state penitentiary March 4, but was released on bond several weeks later. "The defendant has taken the position that he will serve no time," the state's brief said.

"The prophecy of Mr. Gilmer (w-

tin like bad boys when they entered his office.

"Jimmy, I thought you and Wade Martin had agreed to do as I said," said the governor in agitation as they entered his office in the state house at Baton Rouge after they had made their announcements in New Orleans.

But Martin and Noe emerged smiling and apparently satisfied and the governor went out of the state house through a rear exit and resumed his conferences at the mansion. There he met Seymour Weiss, one of Long's closest friends, who was reported as looking unfavorably on the Noe candidacy. They engaged in a long conference.

Down in Houma, Speaker of the House Allen Ellender roused himself from a sick bed to express disbelief that Noe had made his announcement. Ellender also is a candidate for governor and believed that Governor Allen had favored his candidacy. He was shocked when Noe issued a statement saying Allen had endorsed him.

Allen holds the whip hand by authority of Huey Long's dictatorial laws and is generally believed to be in a position to make or break any candidate.

Following the Noe-Martin announcement, E. A. Conway, secretary of state; L. B. Baynard, state auditor; Lucile May Grace, registrar of the state land office and H. H. Harris, superintendent of education, declared their candidacies for reelection. Other candidates were expected to announce without delay.

Gerald L. K. Smith, robust organizer of the "share-the-wealth" societies, sat in the all-night conference with Noe and Martin and wielded the influence which resulted in the formal announcements.

Wheat Contracts Will Be Studied

New wheat contracts under the federal allotment plan will be studied in a series of community schools next week. County Agents Ralph Thomas and Clyde Carruth will conduct the schools, assisted by wheat committeemen.

The schedule of meetings follows: Pampa—Monday at 8 p. m., county courtroom.

Laketon—Tuesday at 8 p. m., school house.

Schafer—Wednesday at 8 p. m., school house.

Grandview—Thursday at 8 p. m., school house.

Bell—Friday at 8 p. m., school house.

Hopkins farmers will likely go to the Grandview meeting and Parkington farmers to the Pampa or Laketon sessions.

Wheat planting is under way through this territory. Good stands are reported by those who first started their drills. There is considerable moisture in the ground in most communities.

tary penalties against Italy in the event of war with Ethiopia.

LONDON, Sept. 20. (AP)—Can Europe, still suffering financial pangs from the world war, support another major conflict?

From Rome came today the answer "yes" by an Italian government spokesman, who said Italy was ready to go ahead with its East African program "without economic help from anyone."

A survey in European financial circles disclosed that Italy's fascist legions might be forced to make good that claim, and that what amounts to private financial sanctions already have been virtually applied against Italy by some other nations of Europe.

To borrow Calvin Coolidge's phrase in reference to European war debts, the survey indicated Italy would have to "hire her own money" to carry on an assault against Ethiopia.

French pockets are empty to foreign borrowers, said reports from Paris, especially if money was wanted for war.

"If there is any lending power left in the French pocket, the French government itself needs it," said one financial authority in Paris.

NEW ORLEANS NEEDS VICTORY TO ENTER SOUTHERN PLAYOFF

(By The Associated Press.)

New Orleans needed only one more victory today to enter the finals of the Shaugnessy play-off for the Southern association baseball championship at the expense of Memphis but Manager Larry Gilbert declined to grow optimistic.

Headed for New Orleans and the third game of the play-off series with the Chicks, the Pelican manager said he probably would delegate Wetherell to do the pitching when the teams meet tomorrow.

Then he added, "we aren't out of the woods yet. The Chicks will be tougher." Manager Hoffman of Memphis says he still has "hopes."

New Orleans defeated Memphis for the second straight time yesterday by a score of 9 to 3 while Atlanta and Nashville played to a bitter 7 to 7 tie in an 11-inning deadlock. Atlanta still kept its advantage, however, by virtue of winning the opener.

The New Orleans-Memphis engagement was a pitcher's battle until the fifth inning when the Pels scored three runs off Nelson on three hits, two walks, and a sacrifice. Another three-run attack in the seventh eliminated Nelson from the picture. The Pels got two more runs off Greer who relieved him. Bill Thomas pitched steady baseball for New Orleans throughout.

Byron Speer held Atlanta hopelessly for five innings as Nashville ran up a 6 to 0 lead which sent the Cracker ace hurler, Harry Kelley, to the showers. In the sixth, however, the Crackers bunched five hits for as many runs. The score was knotted at 7-7 in the ninth and nobody was able to break the deadlock before dark.

Atlanta immediately moved on to Nashville with the Vols to play them in their home park tonight.

ALLRED URGES LEGISLATURE TO SPEAK 'SOFTLY, CONSIDERATELY'

AUSTIN, Sept. 20. (AP)—Just what Governor Allred had in mind when he asked the legislature to "speak thoughtfully, considerately and softly at all times" has puzzled members.

In view of the certain pyrotechnics over liquor regulation, the adjournment to speak "softly" caused some amusement. The governor himself laughed during comment on his first message of the special session.

Civic clubs and other groups are studying how children of relief families may be helped as they attend school. The first task will be to provide clothing and shoes for a large number unable to attend school, or who will be unable to do so when cold weather arrives. Scores of children will need school lunches to protect their health. No federal or state funds will be available for such lunches.

Despite the fact that the federal government is spending billions of dollars, and several other countries in this district are faced with the most serious relief problem of all time.

J. R. Green has been appointed captain of the Harvesters for tonight's game. Sheppard, big full-back, will be acting captain of the Wolves.

Officials will be Davis Hill (W. T. S. T. C.), Bill Honey (T.C.U.), and Merle McCasland (Simmons). The officials will agree on assignments upon their arrival tonight.

Mrs. L. H. Nichols of McLean was admitted to Pampa-Jarratt hospital last night.

NEW ORLEANS COTTON (Continued from page 1)

As the morning trading progressed the early gains were almost entirely wiped out. Hedge selling came into the market the buying demand dried up.

Oct. dipped back to within two points of the previous close at 10.56, and Dec. sold at 10.62, while May was holding at 10.80 during the middle of the morning.

The volume of business fell off perceptively on the decline and offerings dried up as the market neared the previous closing levels.

The ultra-modern capitol of Louisiana, built by Senator Huey Long, then governor, was under discussion.

There was talk of the cafeteria, the barber shop, the bronze doors leading to the legislative chambers and the electrical voting apparatus.

It was explained a board similar to that in the legislative halls on which the votes were registered also was installed in the governor's office, giving him quick information on progress of legislation.

"That sounds fine," said a Texas senator. "But what we need here is a machine to show the senate and house what is going on in the governor's office."

Elbert Hooper, former assistant attorney general, was explaining one of the liquor regulations bills to the senate state affairs committee.

He said the bill did not apply to brews of less than four per cent alcohol content by weight, and therefore not to 32 beer.

"There's plenty of home brew in my district with 104 per cent alcohol," said Senator Tom DeBerry of Bogata.

Gerald Mann left for Washington and his new job as representative of the Texas planning board without his picture of General Robert E. Lee.

A great admirer of the southern leader, Mann had a portrait hanging just behind his desk in the secretary of state's office.

"I don't want to lose that picture," Mann said, soon after his resignation. "I'm not sure what might happen to it in Washington."

So it still hangs in the secretary's office.

MOONEY (Continued From Page 1)

ported her husband's statement that they were at the Eilers building on Market street, more than a mile from the scene of the bombing, when the tragic explosion occurred.

She was a music teacher and they lived in a studio she had in the Eilers building, she testified.

Mrs. Mooney identified a blue serge suit, with white buttons around the jacket, as the one she wore the day of the bombing.

John F. Finerty of Mooney counsel said the suit was introduced "to impeach the testimony" of Mrs. Mellic Edeau, one of the prosecution witnesses at Mooney's trial.

Mrs. Edeau testified at Mooney's trial that she saw him and Mrs. Mooney going toward the scene of the bombing shortly before it occurred. Finerty declared she described Mrs. Mooney as wearing a different suit than the one offered in evidence at the hearing, being conducted before A. E. Shaw.

A PERSONAL MESSAGE

If a friend asked you to describe the Carlsbad Cavern in one word you probably would say "It's Great!" Well no one has asked us but we want to tell you what we think of the BROADWAY MELODY OF 1936 which starts at the LA NORA—Prevue Saturday night and three days starting Sunday. It's absolutely the tops in musicals, and we don't mean musical operas that very few people understand—but a musical review that embodies all the elements that have made that type of entertainment so popular with American audiences. Comedy—JACK BENNY—all new and original. Dancing—ELEANOR POWELL—the best you'll ever see. Songs and how to sing them, we give you FRANCIS LANGFORD (remember HAVE YOU EVER BEEN BLUE in Every Nite at Eight). Plus a good story that carries you along in a rollicking tempo and leaves you in the merriest mood you've been in in many a month. We were tempted to drag out all the colossal adjectives to impress upon you that here is a picture that has everything but we won't, we just want to say and with the same enthusiasm and sincerity we would use in describing the CARLSBAD CAVERN IN ONE WORD... AND SAY... THE BROADWAY MELODY OF 1936 IS "GREAT"

THE PEOPLE AUTHORIZED IT

Pretty soon, just as soon as the legislature gets through levying taxes, there is going to be a mighty howl ascending from the ranks of the taxpayers.

But the wailers should not blame the legislature. The taxpayers themselves, in voting for the old age pension and other measures, let down the bars.

In opening the whole field of taxation in a special message, Governor Allred merely followed the course indicated by a majority of the electorate in the recent amendment election. One of the first pension bills introduced would call for an appropriation of \$20,000,000 a year, or twice that per biennium. It is going to take a lot of tax money to pay that bill.

That the governor's action in opening the entire field of taxation is justified there can be little doubt. As he pointed out, his administration inherited a large deficit. In addition, the state has \$3,000,000 centennial and \$20,000,000 relief bonds outstanding, to say nothing of a \$2,000,000 boost in the rural aid fund. The state must find the revenue to take care of these increased expenditures. The legislature faces no easy task. It starts off with one inevitable bit of knowledge. It is going to step on many toes and arouse a great deal of opposition in seeking ways and means of financing this huge program.

But the taxpayers should remember that save for the boost in rural aid, every item on the program has been duly authorized by ballot at the polls, including pension, relief and centennial bonds.—Ablene News.

THE NEW DEAL IN WASHINGTON

BY ROONEY BUTNER

NEA Service Staff Correspondent

WASHINGTON—Undoubtedly the most beautiful lobbyist operating here is Miss Mary Bendelari, and undoubtedly the most pious lobbyist is your old friend Joe Tumulty.

Let's tell you about Miss Bendelari first. If there's any member of Congress who doesn't know she's lobbying for a law providing protective copyrights for industrial designs, that member must have been hospitalized a long time in some remote place.

Two years ago she was carrying her war against "design piracy" to NRA and got provisions against it into 72 codes. More lately she has been buttonholing Congress for a law permitting the author of any artistic model or design intended for use in manufacture to copyright same.

Single-handed, she persuaded the Senate to tack this onto the copyright bill. It died in a House committee with the rest of the copyright bill, but probably will go through next session.

Conspicuous about Mary Bendelari, aside from her nut-brown hair, brown eyes, statuesque beauty, and the alacrity with which she repels senators who make passes at her, is her direct method of approach. Working in a cause she had no reason to be ashamed of, she had no fear of tackling a member openly in any lobby, corridor, or room of the Capitol.

Daughter of a successful inventor, she had a spinal injury many years ago and was sent to Europe to be treated by specialists. Lying in a London hospital, she thought up the idea of woven shoes and the result of that was that soon she was setting up a shop in Paris which eventually employed a hundred people and sold no end of fancy woven shoes to people who could afford them in half a dozen countries.

But the design pirates came along and eventually pirated her out of business and into a couple of nervous breakdowns.

That experience led her to come to Washington, and as hops.

(Miss Bendelari has patented an elastic-edge table cloth which snaps down over the table and stays put. Also a sheet which stays rigid on a bed).

Joe Tumulty, who has been practicing "law" here since he and Wilson left the White House—and received \$33,500 in the last year from utility holding companies—owes his piety award to a pamphlet entitled "Statement," which he has sent to his friends. Joe is notoriously sentimental.

The pamphlet offers the Black committee full access to all Tumulty's files and invites investigators to "examine into every cranny of my life." It says he has handled many important matters before the Justice, State, War, Navy, and Postoffice departments, the prohibition unit, NRA, Federal Trade Commission, Labor Department, Court of Claims, and RFC—but never once in 14 years did he surrender a single political or economic conviction.

He attacks the administration for lack of fair play, unwillingness to compromise, defends holding company propaganda methods and insists his clients operated "openly, honorably . . . seeking a square deal." By strong inference he compares advocates of the administration bill with Judas and Benedict Arnold. In fact, Joe, whose honesty nobody questions, gets darned near hysterical with sympathy for those poor abused holding companies.

BARBS

If that "breathing spell" had been available a year ago, it would have required a mirror to determine whether business was taking advantage of it.

Washington wasn't the father of his country. A study of various telephone books suggests that the real parents were Pocahontas and John Smith.

Maybe it's just as well Haile Selassie's oil coup petered out. How could one keep his car shined up if those gas station cadets went to war?

Those Missouri mules were probably glad to go to Ethiopia and leave the state of sales tax bottle caps. A self-respecting mule can stand just so much profanity.

Italy is a "nation on the march," says Il Duce. Europe is evidently trying to steal a march on the nation on the march.

With Malta in the center of the African trouble, Dora looks for an increase in the price of her malta milk.

CAPITOL CHATTER

BY CHARLES E. SIMONS

AUSTIN, Sept. 20 (AP)—Genial John Redditt, senator from Lufkin, thoroughly enjoyed his role of "governor for a day" and the distinction of being the fifth governor of Texas in less than nine months.

Redditt brought with him to the governor's office an accomplishment not noted in any of his predecessors—the ability to blush. That the ceremonies attending his taking over the office pleased him was apparent; that it was slightly embarrassing was shown by the color that mounted from his collar to his already ruddy forehead.

The acting governor went about his duties with great zest. He received the press corps and presented members with cigars. All questions of policy, except one, he referred to Senator Will Pace of Tyler as his chief lieutenant. The one to which he definitely committed himself concerned pardons.

"I intend to pursue a liberal pardoning policy," he said with a broad grin.

Among the many visitors who crowded the executive offices to greet the new governor was Governor James E. Ferguson.

"I expected Governor Jim to ask for a pardon for someone," he said.

"I've sure tried to get relief for some of my constituents from him."

Among Redditt's first official acts was appointment of a full staff of colonels. On leaving the office he tendered their services to Emperor Haile Selassie.

Redditt succeeded to the governorship in his capacity as president pro tem ad interim of the senate. He is the second interim president to become governor. Q. U. Watson of Lee county served several days during the 33rd legislature.

A banquet sponsored by Pace and Bob Barker, veteran senate secretary, was the social highlight of the inauguration. Redditt was the target of many quips and much praise.

Redditt, inadvertently almost lost his status as a senator when he became governor. An office attaché believed he would be required to take the gubernatorial oath of office and sent for John Sharp, associate justice of the supreme court, to administer it.

"Wait a minute," someone interjected as the ceremony was about to start. "If he takes oath as governor he loses his senate seat."

Blue-Eyed Tot Of Three Amazes District Court

GERING, Neb., Sept. 20. (P)—A blue-eyed tot of three was the talk of the town today after amazing district court officials and spectators with her quick and accurate responses to impromptu questions about American government.

Frightened by spectators and clinging to her father's hand, the child, Mary Reibert, stood beside Judge George Irwin's desk and recited off answers to questions, using words she could barely pronounce.

"Who is speaker of the house?" her father asked.

"Byrnes is," she replied.

"What does congress do?"

"Makes laws."

"What is the twenty-first amendment?"

Mary smoothed the white skirt which billowed out beneath her little red jacket. "Can't drink."

"What is the twenty-first amendment?"

"Repeals eighteenth 'mendment," she shrilled.

She knew the president and vice president, the president's salary, the governor of Nebraska, who discovered America and when the number of senators, names of county and nearby city officers and other things.

Mary's parents, Mr. and Mrs. C. Dave Reichert, were Russian immigrants. The father obtained citizenship papers in 1921, but the mother's were granted yesterday.

The little girl had gone with her mother to an FERA class on citizenship, where she picked up the questions and answers.

Boundary Line Dispute Settled

PERRYTON, Sept. 20.—A boundary line dispute between Ochiltree and Lipscomb counties has been settled by a new survey.

Surveyors representing each of the two counties made the survey, which gave Ochiltree county a small slice of Lipscomb. Ochiltree had claimed that establishment of the new 100th meridian moved the line eastward so as to include most of the town of Booker. Records of the general land office showed that the two counties had been organized with definite boundaries.

INTERNAL EVIDENCE CHARLESTON, S. C. (P)—The police are holding Oscar Scott, a negro, and are charging that the evidence is inside of him.

The evidence is \$40 in bills—a \$50, a \$5 and five \$1 bills—all alleged to have been stolen. Scott is accused of having swallowed them.

A WORD TO THE WIVES IS SUFFICIENT

The meals you serve help keep the family fit. In many homes, constipation results from insufficient "bulk" in the menu. This can be overcome by a delicious cereal.

Research shows that Kellogg's ALL-BRAN furnishes "bulk" in convenient form. ALL-BRAN also provides Vitamin B and iron.

How much better it is to eat this gentle natural food than to risk taking patent medicines. Two tablets daily are usually enough, with each meal served, see your doctor.

All-Time Record Crowd Expected Tuesday Evening

NEW YORK, Sept. 20 (AP)—Mike Jacobs, promoter of the forthcoming Max Baer-Joe Louis heavyweight fight, has the statistically minded boys digging into the records.

The way the tickets are going it appears that the record books will serve only one purpose—determine by what margin, financial and otherwise, the Baer-Louis fight will eclipse previous record-making attendances in New York.

Jacobs intended to have accommodations for only 20,000 ticket-holders, good for a gate of \$700,000, but the prospects today were for a capacity house of nearly 100,000 in the Yankee stadium next Tuesday night and gate receipts in the neighborhood of \$1,200,000, including taxes.

"We've got \$700,000 that we can count right now," said Jacobs. "The way the advance sale is going, it looks like capacity. In fact, to meet the extraordinary demands, we have rearranged the original seating plans to handle a bigger crowd."

If the brisk ticket sale continues—at the present rate \$100 is being offered for a \$25 ring-side seat with the supply said to be far short of the demand—an all-time record for heavyweight fight attendance in the big town will be created.

May Move Sam Houston's Old School Building

MARYVILLE, Tenn., Sept. 20 (AP)—The old school building in which Sam Houston taught may be moved from a farm near here to the Blount county court house grounds.

Mary Blount Chapter, D. A. R. voted yesterday to take steps to effect its removal.

Sam Houston, famous in early history, taught there in Indian days. He charged \$5 a year tuition, one-third cash, one-third in corn, and one-third in cotton cloth.

Later he became district attorney at Nashville, congressman, governor of Tennessee, and led Texans against Mexicans in the latter's fight for independence, becoming the first president of the Texas republic.

Hobson Foresees U. S. In New War

SAN ANTONIO, Sept. 20 (AP)—Rear Admiral Richmond Pearson Hobson, the outstanding hero of the Spanish American war, in a prophetic speech today before the assembly of the annual United States Spanish war veterans' encampment declared he foresees the United States in armed struggle with the autocratic forces of the world.

The admiral said the struggle will be between autocracy as represented by communism, fascism and imperial Japan, against constitutional democracy, as represented by the United States.

"They will give no quarter and we likewise shall give none," he declared. He urged that the United States prepare for such a struggle.

"America should first control the air and sea from the mid-Atlantic to the mid-Pacific ocean," he said. "And we should iron out all internal difficulties."

He urged that labor and capital settle all their disputes "so we can go into the production of that wealth which will be a weapon in our battle with communism and state socialism."

"Germany, Italy and Russia with millions of men are ready for war," he said. "We are almost totally unprepared."

"Communism and state socialism are getting in the biggest blows right now," he warned. "Communism's paid hirelings are in our schools, churches, in every organization, civil, military and fraternal all over the country," he charged. "Like a bunch of rats they are gnawing at the ship of state and I call on you to bring out the fumigation squad."

STARTING HARVESTER AND LAWTON LEAGUES FOR TONIGHT ARE ANNOUNCED

WOLVES HAVE DECIDED EDGE IN EXPERIENCE

PAMPA ELEVEN WILL BE HEAVIEST IN GAME THIS EVENING

WHAT—Opening football game of the 1935 season. WHEN—At 8 o'clock tonight. WHERE—Harvester field north of city limits.

BETWEEN—Pampa Harvesters and Lawton, Okla., Wolves. ADMISSION—Adults 50 cents, students 25 cents.

The 1935 Pampa high school football team will fire its baptism of fire tonight at 8 o'clock at Harvester field when the Lawton, Okla., Wolves take the field against the heavier, but inexperienced Pampans.

Although on the light end of the weights, the Wolves will have a wide edge in experience. Ten of the starting 11 players were on the team last year.

Little information regarding the strength of the Wolves has been received here. Coaches of the team appeared reluctant to send "dope."

Harvester coaches and many fans believe the Wolves have prepared plays for this special occasion.

Phillips Nines Battle Sunday At Local Park

BIERMAN WILL STRESS SPEED AND BLOCKING

GOPHER COACH WAILS LOSS OF KOSTA AND LUND

MINNEAPOLIS, Sept. 20 (AP)—Speed, plus more speed and precise blocking, with a liberal sprinkling of forward laterals was the formula decreed for Minnesota's galloping gophers this fall by Head Coach Bernie Bierman.

"There isn't anything else to do," said the noted "blues singer" with a trace of real sincerity in his voice.

There is no All-America "Pug" Lund at left half this season nor an All-America "Butch" Larson at end nor a battering ram Stan Kosta at full nor a Genestons, Bevans, or Tenners in that forward wall.

Minnesota lost 17 lettermen from that unbeaten eleven last fall. Minnesota will have back three of their four regular backs—Captain Glen Seidel at quarter, Julius Aljones at right half, and Sheldon Beise at full—and will toss in a triple threat 195-pound left half in the vacancy created by Lund, Geo. Roscoe. Three sophomore replacements, "Tuffy" Thompson, Andy Uram and Bill Matheny are exceptionally speedy and are all "spot" runners.

Bierman indicated that forwards, laterals and downfield laterals will be freely used but not in place of a powerful running game—rather to supplement the famous Minnesota power plays.

Blocking is the No. 1 essential in the Bierman system. "If a man can't block, those perfectly timed plays are rained at the source," Bernie said. "Perfect blocking and precise timing will make most plays click."

The schedule: Sept. 28—North Dakota State. Oct. 5—Open date at Lincoln.

Oct. 12—Nebraska at Lincoln. Oct. 19—Tulane. Oct. 26—Northwestern.

Nov. 2—Purdue. Nov. 9—Iowa at Iowa City. Nov. 16—Michigan at Ann Arbor.

Nov. 23—Wisconsin.

Phillips of Pampa, the surprise team of the Pampa Junior chamber of commerce baseball tournament, will meet the team that eliminated it from the event at 2:30 o'clock Sunday afternoon at Road Runner park.

The Pampa team, playing great baseball, had its going namesakes defeated 2 to 1 before into the final game of the tournament elimination tussle.

Since the tournament, Phillips of Pampa has been strengthened considerably. Braly, ace pitcher of the Coltexo Gasers, Roberts, hurler for the same team, and Dingman, flashy second baseman, have all joined the Phillips team.

Lefty Winkler, voted the most promising prospect in the Jaycee tournament, will probably be manager R. R. "Red" Kirkpatrick's selection for mound work.

Evans probably will work the opener at Oklahoma City tomorrow night. Manager "Dutch" Lorbeer of the Shippers indicated he would rely on Steve Larkin, although he might start George Gill.

The Exportors won yesterday's overtime contest with only four hits. They made two off Jack Brillheart before he was removed for a pinch hitter in the eighth and two off Eddie Marleau. Joe Hare turned in a nifty bit of hurling for Beaumont.

Only 19 men faced Brillheart in the first six innings. Cullenbine drew a pass to start the Shippers' half of the seventh.

Erwin by Tabbets paved the way for the Indians' only score in the eighth. Bilgere tried to steal second after he had singled.

The former Road Runner was called to do relief pitching in the opening game of the series and allowed only two hits in four innings.

The game had been lost before Berry took the mound. On Sept. 8, Ponca City took a double leading. Springfield took the opener.

Berry allowed Springfield only two hits, both of them home runs, and lost the game. He fanned three batters.

On Sept. 11, Berry came back and held Springfield to five hits, getting beaten by a score of 3 to 2. He fanned 11 batters. The loss tied the count in games won and lost.

Ponca City, with Carnett on the mound, took the final game and the league title. Berry played left field for the Angels in the game.

The "Tiger" accompanied the Pampa Road Runners to Denver and won two games in the Denver Post tournament.

SOONERS LOSE TO BEAUMONT 2-1 IN 12TH

SHIPPERS TRAVEL TO OKLAHOMA CITY TODAY

BEAUMONT, Sept. 20. (AP)—As the Beaumont Exporters traveled northward today for a resumption of their series with Oklahoma City's Indians for the Texas league championship, they were earnestly hoping that the trip would effect a marked improvement in their batting eyes.

The Shippers salvaged one of the first two games of the series in Beaumont but made only six hits in 21 innings. They well realized they could not hope to win the title with that kind of hitting.

Flood's error in the twelfth gave the Exporters the second game, 2 to 1, after they had dropped the opener, 4-1. Although the contenders were even in victories, the Redskins held an advantage because the next three contests will be played in their home park, and their ace, "Red" Evans, was held out of the game here.

Evans probably will work the opener at Oklahoma City tomorrow night. Manager "Dutch" Lorbeer of the Shippers indicated he would rely on Steve Larkin, although he might start George Gill.

BAER IN BEST CONDITION OF FIGHT CAREER

INTIMATES SAY CROUCH IS ONLY A GAG TO FOOL 'EM

By EDWARD J. NEIL, Associated Press Sports Writer. So there's no need of delaying analysis of what's gone on here.

No one ever saw Max in finer physical condition. No one ever saw him more serious, more determined. All but a faint trace, now and then, of his old, high-spirited clowning is gone.

He talks the seriousness of the fight all the time, of the act that this is the cross-roads for him, that \$50,000 rests in the balance in future earnings.

In the training ring, where Baer looked horrible preparing for his torrid fight against Schmaling and Carnier, he has shown late flashes, sustained bursts of savagery and punching power that were tremendously impressive.

Dr. William Walker of the New York State Athletic commission has pronounced Baer in superb condition. His blood pressure is lower. His reflexes faster. His muscles are sharper; his huge body is trim, hard as cement.

On the debit side, he's still the easiest man in the fight game to hit with either hand. No amount of boxing or training, apparently, ever will change that. He has boxed a great deal from a crouch from which he can neither hit nor defend himself.

Those close to him say that's strictly a gag, that he'll roar down on Louis, as he smashed into Schmaling and Carnier, hitting the negro everywhere he can get a hand hold, from his knees to the top of his head.

How much of that Louis can take is one major question. How much of Louis' terrific punching iron jaw will change that? He has boxed a great deal from a crouch from which he can neither hit nor defend himself.

Cubs Stretch Victory Wave To 16 As Dizzy Wins 27th

Chicago Breaks All Records of Last 19 Years

BY HUGH S. FULLERTON JR., Associated Press Sports Writer.

The Chicago Cubs, riding on the crest of a victory wave big enough to give almost any club the jitters, must be hoping that a certain part of baseball history won't be repeated.

The Cubs extended their winning streak to 16 straight yesterday by walloping the third-place Giants 6 to 1 to make a grand slam of their games against the four east-coast clubs.

No National league team has won that many games in succession since 1916, when the Giants set the major league record of 26 straight at home and added 17 triumphs on the road.

While they were ripping the Giants to pieces yesterday behind big Bill Lee, the second-place Cardinals put Dizzy Dean on the hill against Brooklyn and belted out a 9 to 1 victory to remain 2½ games behind the Cubs.

The Giants, 7½ games behind, still have a chance, but the prospects didn't look especially bright for New York yesterday. Lee turned in a brilliant six-hit game, not allowing a solid hit until the seventh nor a run until the eighth.

While the Cubs batted out an easy victory against Carl Hubbell, Dizzy Dean, hanging up his 27th victory, was just as effective against Brooklyn. He gave only six blows and fanned nine batters while the Cards overcame an early disadvantage.

DIRIKSON IS COMPETING IN MEN'S EVENT

BABE SAYS IT WON'T BE HER LAST ONE EITHER

HOT SPRINGS, Va., Sept. 20. (AP)—Imagine a girl battling for the National Open golf championship.

It's not as farfetched a thought as it might seem, for the "Babe," Mildred Babe Dirikson of Dallas, Tex., already has crashed into an open tournament hitherto reserved for the male professionals and amateurs.

Today she enters the 72-hole medal play cascades open with her own promise that she "won't be last" and with the word of several stars that she'll finish ahead of a large portion of the professionals.

And in a couple of years, unless the United States Golf association refuses her entrance, Babe may be ready to enter the National Open. One veteran who thinks she'll be able to take most of the pros into camp in a couple of years is Bobby Cruikshank of Richmond.

"I've never seen such an improvement in a golfer," he said. "She's going to be hard for anyone to stop in a few years. Her short game needs polishing and she has got to learn where to gamble and where to save shots, but she'll pick that up and when she does she is going to be plenty tough."

Detroit's Tigers, coasting along toward the American league flag, lost another one to Boston, 4-1, as a late attack headed by Roy Johnson and Babe Dahlgren broke up a mound duel between Lefty Grove and Al Crowder.

ball tournament here yesterday. Babe outdrove consistently the men professionals with whom she played. She shot a 74 for a new women's course record and she fired a 77 in Thursday's tournament.

"I was astonished at the way she played," said Johnny Revolita, "She's great."

It's a Dream to Manager Grimm—16 Games in Row

CHICAGO, Sept. 20 (AP)—It's all a dream to Charlie Grimm, manager of the Chicago Cubs—16 games in a row, two and a half games in front of the Cardinals and only seven more to play.

"Who'd a'thought we would beat the four eastern clubs 16 games in a row?" Grimm mused. "Four straight games over the Giants. I didn't think it could happen. Neither did anybody else, but it did. Boy, I really have a ball club and am immensely proud."

Grimm, clad only in a baseball shirt that reached to his knees, plopped himself down in a chair after the Cubs had walloped the Giants, 6-1, yesterday to hang up the longest winning streak in the National league in 19 years, to relax and think things over.

"It seems like a dream to me," Grimm muttered to himself. "The sweeping victories were so delicate that the Cubs overflew with confidence. Grimm has no set plan for beating the Cardinals when the Cubs open their all-important series next Wednesday."

"We're going to play the first game, then the second game, then the third game," Grimm explained. "Yeh, and inning by inning," piped Freddy Lindstrom, the Cub centerfielder.

Tiger Joe Berry Voted Tough Luck Player of League

Tiger Joe Berry, former ace of the Road Runner pitching staff, has been voted the tough luck player of the Western association.

Berry, playing in the championship series for the Ponca City Angels, lost two ball games despite the fact that he allowed only one hit in one and five in the other.

The former Road Runner was called to do relief pitching in the opening game of the series and allowed only two hits in four innings.

The game had been lost before Berry took the mound. On Sept. 8, Ponca City took a double leading. Springfield took the opener.

Berry allowed Springfield only two hits, both of them home runs, and lost the game. He fanned three batters.

On Sept. 11, Berry came back and held Springfield to five hits, getting beaten by a score of 3 to 2. He fanned 11 batters. The loss tied the count in games won and lost.

Ponca City, with Carnett on the mound, took the final game and the league title. Berry played left field for the Angels in the game.

Coltexo Gas and Road Runners Play Rubber Tilt

The count will be standing at 6 all when the Pampa Road Runners and Coltexo Gas of LeFors meet Sunday afternoon at Metro park in Amarillo for the playoff game.

The neutral site was acceptable to both managers when Amarillo extended the invitation Wednesday night.

Game time will be 2:30 o'clock. Umpires have not been selected. Managers of the two teams and the Amarillo sponsors were scheduled to get together tonight and settle the question.

Coltexo will have to pick up a couple of additional players for the game. They will probably be from the Amarillo Shamrocks, which have disbanded for the year.

Neither manager appeared doubtful of the game outcome. Manager Fred Brickell figured that Dancy could get the job done or that Bill Hardin could win if he pitched the brand of ball he displayed against the House of David Monday night.

Manager Sam Hale will pin his hopes on Jim Parker, the big righthander who won the Pampa Junior chamber of commerce tournament for the Gasers.

Large numbers of Pampa and LeFors fans will accompany the teams to Amarillo. It will be the first game played in Amarillo for more than a month and a record crowd is expected to see the two visiting clubs meet.

PHILADELPHIA (AP)—A robber held up a store across the street from a police station.

The police heard about it after the manager and two customers chased him four blocks and captured him.
