UN Estimates Red Casualties To Be 133,760

U. S. EIGHTH ARMY HEADQUARTERS, Korea — (AP) — An Eighth Army spokesman said Saturday that UN ground troops in Korea have inflicted 133,760 casualties on Chinese and North Korean Reds from Jan. 17 through Feb. 20.

Eighth Army communiques have claimed a total of 120,171 enemy casualties from ground action alone from Jan. 25 through Feb. 23. The spokesman did not try to reconcile the two sets of figures, nor did he say why his latest count dates from Jan. 17.

The figure of 133,760 is the number of Reds officially believed to have been killed, wounded or captured by the Eighth Army in the mentioned period. It does not include Air Force or Navy claims, nor the thousands of Reds who reportedly have died of typhus and other diseases.

The spokesman said the figures were only estimates and could not possibly be accurate. He could neither confirm nor deny an announcement from the Department of Defense in Washington that enemy casualties since the war began totaled 624,000 through Feb. 20.

"I don't know where they got it," he said. "We have no such total here."

Military men in Korea shrink from the mention of enemy casualties, protesting that no figures can be more than guesses.

Here are some of the reasons behind their belief: 1. In the early confused days of the war, there were many days when no estimates of enemy casualties were made at all. 2. Both Chinese and North Koreans, especially the Chinese, try to bury their dead. Graves are not disturbed by allied forces.

3. Aside from bodies left on the battlefield, the count of enemy dead for an average day consists of adding together the guesses of perhaps 200 men. These men march forward as artillery observers, patrol leaders and platoon sergeants.

4. Even in daylight it is highly difficult to estimate the size of an enemy force. The allies commonly resort to such rules of thumb as figuring that an enemy company has two machine guns since it is easier to count firing machine guns than hidden soldiers. When even the size of a company is hard to estimate, it is difficult to estimate the size of a platoon or a company.

5. Meeting with him will be Jack Skelly, assistant district commissioner in charge of Explorers; Harold Weidner, assistant district commissioner in charge of Cubs; and Frank Fata, assistant district commissioner in charge of Scouts.

Neighborhood commissioners meeting with the group, who are in charge of the various scouting units, will be Al Lethcoe, Ed Biggestaff, Charles Powell, Bob Orr, Bob Curry, Russell Kennedy, S. K. Roach, E. E. Foote, Bill Watson, A. B. Whitten, Elmer Kilpatrick, Kent Philpot and Erbin Crowell.

Plans for the year's work will be outlined by the group and introductions will be made. Particular duties of each of the commissioners will be explained to the group.

One Hospitalized; Cars Are Damaged In Weekend Crashes

One man was hospitalized and three cars were heavily damaged in two separate wrecks early this weekend, veered to the right, climbed 15 foot embankment and then rolled two or three times. His 1941 Ford was a mass of twisted wreckage when patrolmen got to the scene about 12:15 a.m.

Earlier Friday a 1941 Ford and a 1950 Buick were heavily damaged on fog shrouded Highway 60 west of Pampa when the Buick crashed into the stalled Ford.

Highway patrolmen said the Ford, driven by Dyle Welch, 31, of Texoma, Okla., had stalled when its driver was attempting to turn it around. Welch stopped just before his rear wheels left the shoulder of the road because the shoulder was muddy. As he attempted to back up his gears locked. Just then

ONLY WAF AMONG 600 MEN—Pretty Air Force Pfc. Stella Banoveris, the only girl among the 600 men at the Greater Air Force Base, N. H., steps to the head of the chow line at the insistence of waiting GIs. Through an Air Force snafu the Waf from Racine, Wis., was transferred to the base on St. Valentine's Day—much to the delight of the soldiers and the confusion of the officers. The Air Force finally untangled themselves by ordering her transferred to Oks Ir Force Base, Mass. "There are Wafs galore down there," sighed Stella at the news. (AP Wirephoto)

Officials Try Again To Reopen Air Base

City and chamber of commerce officials are going to take another shot at reactivating Pampa Air Force Base through the Air Force over the weekend.

Following recent developments of investigations by Washington law makers that revealed overcrowded conditions at air bases, S. Lackland Air Force Base, San Antonio, local officials believed there might be a chance the Air Force will have to increase its facilities.

If so, Pampa wants to be on hand when site selections are made. E. O. Wedgeworth, chamber of commerce manager said Saturday.

At noon Saturday, City Manager Dick Pappin, City Commissioner Crawford Atkinson, C. O. president Gene Fatheree, and Wedgeworth left by automobile for Scott Field, Ill. There they will again confer with Gen. Robert W. Harper, commanding officer of the 8th Air Training Command, on the possibilities of reactivating the Pampa field.

This newest operation on the part of Pampa is not designed to interfere with present negotiations by private contractors to open the field on a contract training program with the government. It means Pampa is putting on a double-broiled offensive to

Two Guard Units Due Japan Duty

WASHINGTON — (AP) — The Army announced Saturday that two National Guard divisions — the 40th of California and the 48th of Oklahoma — are alerted for duty in Japan.

An announcement said that this was to "provide additional security" for Japan, in the far eastern area where Russia's empire borders.

The two divisions are to be ready for movement in "the latter part of March." It is the intention of the Army, it said, to keep these divisions "in contact in Japan for further training."

Food Store Owners Injured In Wreck

Jim and Shelby Blakemore, owners of the Ideal Food Stores, were slightly injured in an automobile wreck early Saturday morning between Liberal, Kans. and Amarillo.

The wreck occurred near Dumas where the two were enroute from Liberal to Amarillo when the accident occurred. There were no other details available by press time Saturday.

Boys Picked Up For Undiscovered Theft

Two teenage boys were picked up Saturday afternoon for a theft the victim didn't know was committed.

The boys, one of them an employee of Ideal Food Store No. 1, and a companion helped themselves to two cases of coffee, one containing 12 two-pound cans of regular grind, the other 21 one-pound cans of drip grind from the rear of the store. They hauled the coffee from place to place trying to sell it at 50 cents per pound. Prospective buyers became suspicious. They called the sheriff's Department and officers there thought they were hot on the trail of thugs that broke into a Lefors store last week and stole over \$400 in merchandise, including coffee.

Although the theft was committed Wednesday, officers weren't able to catch up with them until Saturday. When told of the arrests, Hugh Peoples, manager of the store, told officers he didn't know the coffee was taken.

Americans Take Junction As UN Plods Through Mud

Hoengsong Valley Is No-Man's Land

TOKYO — (AP) — American troops captured the road junction of Pangnim Saturday as the United Nations offensive ground slowly ahead through the mud and thawing snows of central Korea.

Pangnim, 38 miles south of the 38th Parallel, is the junction point of a lateral highway from Hoengsong and a main road that winds 42 miles northeast to the coast.

Hoengsong, 25 road miles west of Pangnim, is the key to the Communist central defense line.

Fire-gutted Hoengsong remained a no-man's land in a valley. American troops were dug in on hills commanding it from the south while Chinese Reds were entrenched in hills to the north.

American tanks Saturday crashed through Hoengsong to slug toe to toe with the enemy to the north. The patrol pulled back after a three-hour fight, but its action was typical of the new Eighth Army tactics. "Strike and kill," was the command, not advance.

(The Eighth Army estimates that 120,171 Chinese and North Korean Reds have been killed, captured or wounded in ground action since its offensive got underway one month ago today. The figure for Friday was 1,635.

The Americans rescued two wounded Americans who had been hiding in Hoengsong since the Chinese Reds seized the town Feb. 13. Seven other Americans were rescued in the vicinity.

Little activity was reported from other sectors of the 60-mile front on a day that marked the end of eight months of fighting in Korea.

It was last June 25 that the North Korean Red army swarmed south across the 38th Parallel, the invisible and arbitrary boundary of the United Nations-sponsored Republic of Korea and the Russian-sponsored North Korean Communist regime.

The UN Saturday lost its fourth general office of the Korean campaign when Major General Moore died.

His helicopter crashed into the Han River north of Yuju on the west-central front 25 miles south of Hoengsong. He walked ashore but died soon afterward. It was not immediately known whether he died of injuries or a heart attack.

Wild Fox Snaps At East Texas Citizens

HUGHES SPRINGS — (AP) — A wild fox appeared in the downtown section of this small East Texas town Saturday and snapped at several residents before it was clubbed to death.

School Board Trustee B. W. Tokelain told a foot posse of about 20 men who finally caught the wild animal and killed it.

RFC Loan To Recreation Spot For Wealthy Due To Be Aired

WASHINGTON — (AP) — Senate investigators Saturday ordered a public airing of the story behind a \$1,500,000 RFC loan to help provide a splendid recreation spot for the wealthy the famed Saxony Hotel at Miami Beach, Fla.

The inquiry conceivably could bring testimony about political figures in influential places who if you believe reports current in Washington — often stay "for free" at the hotel which has a minimum rate of \$35 a day per room.

Under inquiry at the same time, an official announcement said, will be a \$1,000,000 government loan to the Sorrento Hotel of Miami Beach, and an authorized \$1,000,000 loan to the Maxwell Co. of the city, dealer in hotel and restaurant fixtures and equipment, of which the firm has drawn \$500,000.

The investigating Senate subcommittee, headed by Senator Fulbright (D-Ark.) gave every evidence of intention to push ahead with its general inquiry into RFC operations despite President Truman's statement that he himself had found no evidence of "illegal influence" by anybody in government.

The senators were still angry over Mr. Truman's action in collecting a \$200,000 to \$300,000, most of them written to the RFC by members of Congress. The investigators charged "intimidation," although Mr. Truman later explained he merely wanted the letters for a study of RFC reorganization.

As for the hotel loan, the RFC granted them in the face of recommendations by its Jacksonville, Fla., branch office that the applications should be rejected.

Fulbright has indicated he is interested mainly in the answers to two questions: 1. Why did the RFC overlook the judgment of its Florida office? 2. What substantial public interest did such loans serve?

The law requires RFC to use public interest as an important yardstick in deciding whether it should loan public funds.

THEIR OFFENSIVE FAILED—Gen. Matthew Ridgway (right), hand grenades strapped to each shoulder, is grim-faced as he views the bodies of Chinese Communist soldiers who were killed during the Reds' abortive offensive in the Chipyong area. U. S. General Dies Following Plane Mishap

WEST CENTRAL FRONT, Korea — (AP) — Maj. Gen. Bryant E. Moore, 36, commander of the U.S. Ninth Corps, died Saturday shortly after his helicopter crashed in the Han river near the front.

There was no immediate announcement as to whether the general died of crash injuries or of shock as a result of immersion in the icy river.

The helicopter suddenly lost power and crashed. Men of a U.S. engineer unit camped along the river helped Moore and his pilot ashore. The pilot's name was not available. He was not seriously hurt.

Moore, who held commands in both the Pacific and European theaters in World War II, was the fourth general officer to be lost by United Nations forces in Korea.

"It was with deep regret that I received word of the death of Maj. Gen. Bryant E. Moore," said Gen. MacArthur at his Tokyo headquarters.

"He was an officer of great skill and courage, and his loss will be keenly felt by this command," the United Nations commander said.

Moore took command of the Ninth Corps less than two weeks ago, during the Chinese Communist offensive against the U. S. Eighth Army central front.

In Washington, the Army high command met immediately after receiving word of Moore's death. A successor to the corps command is expected to be named speedily.

Other generals who have been lost in Korea were Gen. Walter H. Walker, commander of the 8th Army, killed in a jeep accident Dec. 23; Maj. Gen. William F. Dean, 24th Division commander, missing since July 21, and Maj. Gen. Chol Pyung Duk, South Korean army, killed in action July 27.

Neither the mayor nor any of the commissioners said they wished to seek reelection. They said their personal wishes on the matter were tossed aside last week during the regular commission session by a group of about 150 men and women appearing before them and urging them to run again. At that time Mayor Huff thanked the group for the complimentary remarks and said merely they would give it "consideration."

In the meantime phones began to ring and insistence by voters that they run grew stronger. The result was the filing Friday for

Robert LeTourneau To Speak In Pampa

Robert LeTourneau, one of the country's most sought-after speakers, will come to Pampa in late March for two days of talks before laymen of the city's churches. He has become a multi-millionaire through his mechanical genius with land-moving machines. And he has contributed over 90 percent of his wealth and time to the LeTourneau Foundation, the world's largest exclusive religious foundation.

He will speak at a dinner meeting of the Senior High School Cafeteria at 7:30 p.m. Saturday, March 24, a closed meeting of the city's fathers and sons.

Sunday morning, March 25, at 11 he will speak at the morning services of the First Baptist Church, which will also be broadcast over KPDM. At 2:30 Sunday afternoon he will speak to an open meeting in the Junior High School Auditorium.

CHAIN TO BE BROKEN

WASHINGTON — (AP) — The Department of Justice agreed Saturday to a proposal for breaking up a motion picture exhibition trust between United Paramount Pictures, Inc. and two other theater chains in Texas and New Mexico.

Legislature Is Due Showdown On Bills

AUSTIN — (AP) — The 52nd Legislature soon must face a showdown on its biggest problem, the same one most Texas families face: how to pay the bills.

At the same time activity along the school trustee election front began to flicker. Petitions were circulated through the city for the candidacy of Rayburn Thompson, whose three year term expires in April. Thompson, so far has no opposition.

The deadline for filing as a candidate for mayor or commissioner is midnight, March 3. The election will be held on April 3.

Only one change has been made in election plans — the polling place of Ward 3 was changed from McWilliams Motor Co. to Ward's Cabinet Shop, 321 S. Starkweather. The change was made because of the lack of space available for a polling place at the motor company.

Rep. Pearce Johnson of Austin called yesterday for consideration of higher salaries for "worthy" state employees.

In a letter to Rep. Henry Ramo of Winters, chairman of the House Appropriations Committee, Johnson said there exists "a great need for some salary adjustments and cost-of-living increases."

Dr. Walter Prescott Webb, noted professor of history at the University of Texas, urged indirectly that the legislature not cut appropriations for the university the next two years.

He released copies of a letter to members of the House and Senate asking them to remember their responsibility of deciding "what sort of institution of higher learning the people of Texas deserve to have." He emphasized a provision of the Texas Constitution that the legislature shall maintain and support a "university of the first class."

Senator Pat Bullock of Colorado City said earlier last week no new taxes would be needed if the public would cooperate by not demanding more state services.

Senators Howard Carney of Atlanta and Otis E. Lock of Lufkin put it more bluntly. They said Texas is headed for the largest tax bill it has ever passed "unless a sharp reduction is made in state spending."

"There you have it, Johnson and Webb say in effect, the state can not afford to cut the appropriations for departmental and university operations. Bullock, Carney and Lock say, in effect, the state must trim expenses, or you, the taxpayer, must contribute more money to the state."

The situation is double tough for the senators and representatives. They were elected a mid-crisis of "let's economize," but the cost of running the government has gone the same direction as the cost of feeding, clothing and sheltering a family — up.

About the only bright spot is expanding Texas oil production. That means more money for the state treasury. The comptroller may have to revise his pessimistic prediction if the flow of oil remains high.

Miami Marine Is Awarded DSC For Heroism In Korea

T. Sgt. T. A. "Bub" Crowson, son of Mr. and Mrs. Tas Crowson of Miami, has been awarded the nation's second highest award for heroism, the Distinguished Service Cross. The award was made Feb. 14 in San Francisco. He is a brother of W. G. Crowson, 520 N. Ward.

The 22-year old Crowson earned his award while with a Marine rifle company. His company was pinned down by machine gun crossfire, but he set out alone to scout the enemy position.

In full sight of the enemy, he knuckled off both machine gun emplacements so his company could continue the assault. The citation praised his "extreme and extraordinary heroism."

He is married and has one child. He received the award in a wheel chair, after suffering the loss of one leg in the Korean fighting.

# Pampa's Junior High Pupils Flocking To Ceramic Classes

By GEORGIA SMITH

Holding an eighth grader back on something he likes to do is like stopping a fast freight train with a butterfly wing.

And when 300 of these junior high school students have the same interest, there's work to be done.

Miss Roy-Riley, eighth grade art teacher in Pampa Junior High School, finds this morsel of philosophy true in her newly instigated ceramic classes.

"It is not a principle of prodding them into learning the thing, but holding them back, because they have the ability to learn so rapidly; especially this thing which they are so willing to learn," she said.

However, Miss Riley brought this task upon herself. As Jack Edmondson, principal of Junior High, said of her, "If there's any art in anybody, she'll bring it out."

From the appearance of the work her students have turned out in this new course, more young people have artistic talent than might be guessed.

"Self-expression, as in all art, is the purpose of this course," Miss Riley explained. "This is the way in which a student expresses his creativeness. It can also be used in therapy."

Ten ceramics classes are held each day with 30 or more students in each one, but they are not what the popular phrase "ceramics class" might imply.

In January, the students started designing figures that they wished to work on. Then, they were handed a ball of art clay. Miss Riley explained that her method was to simply let the students get the "feel" of this clay, punching it, kneading it and working with it any way they wanted to.

When the ball of clay began to take shape, the student saw in his mind what form he would like for it to take. From there, he was on his own.

The first work of the students, most of which are animal forms, is on display in a show case in the entrance hall of the school house.

When the students' work is seen, it is surprising to find

for the large classes and Miss Riley said that it is no easy task to try to get 300 pieces done by the time the students are ready for them. After the bicque, or first, baking, the pieces are ready for glazing. Glaze is ground and mixed with water and poured over the figures. Then, they are ready for another session in the kiln.

The first batch of figurines that were glazed came out of the kiln in perfect shape with no tragedies of cracking or breaking. In fact, in spite of the disadvantages faced by the classes, no serious accidents have occurred at all.

Tools used by the students in designing their work and working textures into their figurines, were made by the students themselves. Such crude tools as razor blades, wooden picnic forks and spoons and combs are used.

From this, it can be seen that

## Baby Escapes Death By Inches

WICHITA, Kas. —(AP)—Blonde four-year-old Jerry Jacobs, clutching a candy sucker in her hand, skipped across a street on the way home from a store.

She failed to notice a loaded dump truck until it was almost upon her. Then she tripped and fell.

The driver jammed on the brakes and veered slightly to the right. The heavy truck passed over the child.

Harry Bosley, the 50-year-old driver, halted his truck and looked back fearfully. He sighed with relief. The wheels had bracketed Jerry's body as the truck passed over her.

She was tearful but unharmed—still clutching her candy sucker.

because of their interest in the course, the boys and girls have no intention of letting anything stop them from using it to their best advantage.

## Phillips Starts New Pipeline

Phillips Petroleum Co. will begin work this week on a 277-mile oil pipe line from Borger to Yale, Okla. The company has received 28 car loads of 50-foot lengths of 10-inch line pipe for the project expected to be completed by June 1. It is to be connected at Yale with the Kansas City, Chicago line.

Alrey and Phillips, Pampa, have been given contract for 140 miles of the line on the western end. A Tulsa, Okla., firm will assemble the eastern end.

The flow of oil to Yale will be pumped from a single station to be set at Kingsmill. Expected flow will be 25,000 barrels daily. This is possible because of the 2200 foot fall in elevation between the Panhandle and the Oklahoma terminal. The line will pass through the Pampa field just south of town.

**YOUNG, ASPIRING SCULPTORS**—These are scenes from a ceramics class of Miss Roy Riley, art instructor of the eighth grade in Pampa Junior High School. The class is a new one, but the students have gone into it with the spirit of veterans. In the top picture, Jo Tooley works with her ball of clay, which has not yet begun to take shape; Nancie Buntin rolls a piece of clay, preparing a flat type of figure; Floyd Holland pours the liquid glaze over a figure and Betty Osborne touches it up with a brush. Below, left, Leona Ataway and Martha Ann Carlile place the glazed figures in the kiln for their second baking. Below, right, Jerry Green shapes a piece of the clay into an animal shape and Kermit Harmon paints one of the ceramic jewelry pins, which is the present project of the students. ## Bald Men Given A Chance With New Hormone Therapy

NEW YORK — (AP)—A scientist reported here that a new hormone has grown hair on two men who had been bald for five years.

Albert Roberts, president of the United Research Laboratories,

of Philadelphia said the hormone was rubbed on in a cream, starting five weeks ago.

Each man now has hair about an inch long on the once bald areas. The hair — although apparently normal — is only about

one-sixth as heavy as the normal amount for a young man. But more hair may grow.

The new hair hormone is close allied with ACTH, one of the hormones for rheumatic arthritis and several other ailments.

Look out Harry, there's a female after your presidency job up there in Washington!

Her name is Mrs. Nora E. Gover, 4236 Guardia Ave., Los Angeles, Calif., in case you're interested.

Mrs. Gover, apparently, is circulating county election officials over the nation since her application was a printed form. It was dated Feb. 17 and addressed to "Registrar of Gray County Voters."

Somehow the Pampa Post Office crew decided the letter should be placed in Atty. Aaron Sturgeon's box since he is chairman of the Gray County Democratic Committee.

Sturgeon, reporting the story Friday morning, said her letter requested the "registrar" to place past week.

## SPECK SPECULATES

By SPECK REYNOLDS

If Manager Jay Haney of the Lamesa Lobos is successful, Negro baseballers may be playing in Texas organized baseball for the first time. The Lamesa Manager of the West Texas-New Mexico Baseball League is trying to land two Cuban Negroes through arrangements with a scout for the Washington Senators. Haney said he had discussed the matter with Cy Faucett, owner of the Albuquerque club. Haney told the Albuquerque boss that if he would use Negroes he would too.

Haney is a native Texan and is not opposed to the Negro playing in the WT-NM loop. He said he dropped his opposition to them when he played with and against them in service ball. I don't know what the response will be in Pampa, Amarillo, Lubbock, Borger, Clovis and Abilene if Negroes join the Lamesa and Albuquerque clubs. Lubbock cancelled a track meet because Negroes were on the competing team, and it's hard to tell what the reaction of the baseball fans will be if the Negro starts playing in this loop.

I see nothing wrong with it myself. If a player is good enough to make the team, whether he be Japanese, Chinese, Mexican, Irish or Negro—I believe in letting 'em play. It stunned the sports world when Jackie Robinson hooked up with the Brooklyn Dodgers, but it now seems every team in the National and American Leagues are signing up Negro baseballers.

You baseball fans drop me a line and let me know whether you favor Haney's plan of Negroes playing in the West Texas-New Mexico League. I'm 100 per cent for it, but I would like to hear from the Pampa fans whether they favor it or not.

Johnny Austin, country club pro, has planted two trees east of the club house. Austin has a redwood growing north of the putting green and an apple tree east of the green. Workmen are enlarging green number 11 and it will be ready for sod when growing season starts in April. Austin is also planning to build the putting green north of the clubhouse. Work will start around April 1.

Boxing fans get an opportunity to see two of the top boxing teams in the Panhandle clash here at 8 o'clock in the junior high gym next Saturday night. The Pampa Boys Club battles the Shamrock Irish. The Reapers meet Sam Houston at 3:30 Monday afternoon in the junior high gym. Pampa is battling for a first place tie with Horace Mann. You will see some good junior high basketball if you see this one.

Putt Powell lost his bet to Coach Cliff McNeely. The veteran sports writer picked Thomas Jefferson of Amarillo to take the Lubbock Westerners in a bit district playoff. Lubbock took two straight games.

### Weatherall Named Co-Captain At OU

NORMAN, Ok.—Where do you suppose the proud Oklahoma Sooners had to go to get their co-captain for 1951?

Why, Texas, of course. The nation's top team in the AP poll picked linebacker Bert Clark of Wichita Falls and All-America tackle Jim Weatherall of White Deer.

Transmission of pictures over telephone wires first was demonstrated on May 19, 1924.

**BATTLING FOR FIRST PLACE**—The Pampa Reapers are battling for first place tie with Horace Mann of Amarillo in the Panhandle Junior High Basketball League. McIvain, Gayle Trollering and Harold Lewis. (News Photo and Engraving)

## Reapers Play Sam Houston Here Monday In Cage Tilt

With two tough basketball games left with Sam Houston of Amarillo, the Pampa Reapers close out conference play this week. Coach Pernal Scoggin's second place quintet meets the Amarillo cagers at 3:30 Monday afternoon in the junior high gym and then play in Amarillo Thursday afternoon.

The Reapers are a half game out of first place. Horace Mann is leading the loop with a 10-3 record, and a win for Horace Mann over Price College Monday will force the Reapers to capture both games from Sam Houston. The local cagers have a 9-3 season conference record. Six-foot two-inch Jimmy Bond

is the big wheel for the Pampans. The freshman hoopster has hit the 31-point scoring mark twice this season. He looped in 21 against Horace Mann here and then scored the nets for 31 markers against Elizabeth Nixon there.

Along with Bond, the Reapers have Harold Lewis, Gayle Trollering, Ray Cooper, E. J. McIvain and Jimmy Spencer. These six cagers have sparked the locals to nine victories.

## Boys Club Clouters Battle Irish Team Saturday Night

Ring action is scheduled at 8 o'clock Saturday night, March 3, in junior high gym when the Shamrock Irish basketball team tangles with the Pampa Boys Club clouters. The two teams battled to a seven-seven tie at Shamrock.

The two teams fought a close battle for the team trophy at the Amarillo Regional Golden Gloves, but the Irish squeaked out a one-point victory, 22-21.

A bout that will draw a lot of interest is the Bobby Wilhelm-Billy Campbell card. Wilhelm of Pampa won the 135-pound championship at the regional golden gloves but has been stopped by Campbell. The Irish clouter took a decision from Wilhelm. But Bobby came back to score a TKO over the Irish puncher in their last outing.

## Joe Louis Blasts Walker In Tenth Round At Frisco

SAN FRANCISCO (AP)—Joe Louis, the winner of his toughest fight since he came out of retirement last September, said he was ready for a return match for the heavyweight championship with Ezzard Charles.

The Brown Bomber scored a technical knockout over a tough-hearted Andy Walker in the final round of their scheduled 10-rounder at the Cow Palace Friday night.

A sell-out crowd of 18,000 fans, accounting for official gate receipts of \$92,007.50, saw Louis batter the rangy San Francisco Negro round after round until he was arm-weary. It was his fourth win in his campaign to come back after being soundly drubbed by Charles in a 15-round bout for the title he once held.

Louis hit Walker with about every punch in the book but he couldn't floor him. He knocked the San Francisco fighter, who holds the California state title, into the ropes four times. In the final session, he caught Walker with a flurry of blows that had the California champ reeling. Referee Frankie Brown stopped the contest in 1:49 of the tenth. There was some booing by Walker fans, who thought he could have finished the battle.

## Pampa Pepettes Volleyball Team Beats White Deer Does

The Pampa Pepettes captured a volleyball doubleheader from the White Deer Does in the Pampa High School gym Friday night. Coach Peggy McNeely's B team took the floor first, and the Pepettes took a 2-1 decision from the B Does. The Pampa A volleys also annexed a 2-1 victory.

In the B game, White Deer took the first game 15-12 in a slam-bang fray. Pampa scored a 15-5 win in the second game and then went on to win the third 15-8.

Coach McNeely's A squad routed the Does in the first game 15-2, but the Does bounced back to take the second clash 15-14. The Pepettes took the deciding game 15-5. Beverly Williams of Pampa suffered a sprained ankle in the Friday night clash in the A game.

## Want more THRILL per dollar?

What are the things you hope some day to have in an automobile?  
Is it power that rises to every challenge?  
Is it the satisfied feeling of being a very important person there at the wheel?  
Is it day-long comfort and ample dimensions that make every trip a pleasure?  
Is it the durable goodness of sound construction — the sturdy strength that will outlast the years?  
Well, sir, the time has come for you to take to heart these three words of sensible advice—"SMART BUY'S BUICK."  
Every Buick has Fireball power—an exclusive combustion principle that makes each drop of fuel do extra duty.  
Every Buick has coil springs on all four wheels—that add to your comfort and never need service.  
Every Buick can be had with Dynaflo Drive,\* which lends extra smoothness to all the miles you drive and saves wear on tires, engine and transmission for long-run economy.  
Every Buick sparkles with added conveniences, refinements, appointments that lift these 1951 beauties far above the "utility" level and make them a special joy to own.  
And when it comes to price—we ask you to compare Buick with the field. Come see us soon. Lots of folks are comparing and finding there's no buy like a Buick.

### NO OTHER CAR PROVIDES ALL THIS!

- DYNAFLOW DRIVE—saves strain on driver and car
- FIREBALL POWER — high-compression, valve-in-head engine gets more good from every drop of fuel
- PUSH-BAR FOREFRONT — combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS—greater clarity at night
- TORQUE-TUBE DRIVE—steadies ride, improves driving control
- SELF-ENERGIZING BRAKES—hydraulic—multiply pedal-pressure five times at brake drum
- DUAL VENTILATION—outside air fed separately to right or left of front compartment
- DREAMLINE STYLING—tapered, car-length fenders, gleaming sweepers on most models
- 4-WHEEL COIL SPRINGING—cushions ride, saves servicing costs
- Plus! Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Posed engine mounting, Body by Fisher

**PALM SPRINGS, Calif. — (AP)** — Traveling secretary Frank McMahon and four Chicago White Sox players are fighting off the flu bug.

There are 7,600,000 acres of productive forest land in the world, according to the Encyclopedia Britannica.

## Lefors Boxers Punch Past Panhandle Mitt Team, 9-1

**LEFORS** — Coach Robert Callan's Lefors Pirates boxing team out-punched Panhandle High School clouters here Friday night in the high school gym. 9-1. Two technical knockouts and two knockouts featured the boxing card.

James Warner and Johnny Quarles, Lefors, scored TKO's and the two knockouts were notched by Don Maple and Bob Mayberry of the Pirates. The TKO's and KO's came in the first round.

One of the outstanding bouts of the evening was an exhibition between Walter Martin of Panhandle and Friday Todd of Lefors. Martin captured the decision in a 150-pound slug fest.

**Results:**  
 65 pounds — James Warner, Lefors, TKO over Glen Axe, Panhandle first round.  
 85 pounds — J. D. Wigginton, Panhandle, decided Raymond Heygood, Lefors.  
 70 pounds — Johnny Cannon, Lefors, decided Pat Maroney, Panhandle.  
 75 pounds — Charles Lane, Lefors, decided Chuck Starr, Panhandle.  
 80 pounds — Dan Maple, Lefors, KO over Kenneth Wischart, Panhandle, first round.  
 85 pounds — Pewee Crutcher, Lefors, decided Bill Hopper, Panhandle.  
 95 pounds — Ronnie Rice, Lefors, decided M. Moss, Panhandle.  
 105 pounds — Darwin Teeters, Lefors, decided Wilbur Clason, Panhandle.  
 105 pounds — Johnny Quarles, Lefors, TKO over Alton Axe, Panhandle, first round.  
 125 pounds — Bob Mayberry, Lefors, KO over Artie Prall, Panhandle, first round.

**EXHIBITIONS**  
 105 pounds — Driggs, Panhandle, decided Rametex, Panhandle.  
 150 pounds — Walter Martin, Panhandle, decided Friday Todd, Lefors.  
 155 pounds — Jim Howard, Panhandle, decided Don Rice, Lefors.

**IT'S A HABIT** — Don Gehrmann, shown breaking the tape, won 38 consecutive mile races. So the Wisconsin Wonder elected to run 1000 yards in the National Amateur Athletic Union Indoor Championships at Madison Square Garden. That gave his sparring partner, Fred Witt, a chance at the mile. (NEA)

## Keglers Enter Amarillo Meet

**AMARILLO** — Last-minute entries for the first annual Tri-State Singles Classic, richest bowling jackpot south of St. Louis, began pouring into Amarillo this week, and a star-studded field of 280 pin tusters is in prospect for the \$2,000 maple massacre.

The entry list already has swelled to the 150 mark during the closing days before the March 1 deadline. Tournament play begins March 10 and continues through March 24.

The Tri-State pin powwow has received words of praise from Dr. E. C. Effert of Hutchinson, Kansas, president of the Southwest Bowling Association. Dr. Effert last week commended the tournament's sponsors for several new innovations.

Among them are: The guaranteed prize list of \$2,000, including \$500 first place and \$25 to both the high game and high series out of the money on each squad. A new precedent also has been set by the sponsors' contract with the Amarillo Globe-News to send all of the tournament news papers — without extra charge — to every out-of-town bowler competing in the tournament.

March 1 is the final entry deadline. Entry fee is \$12.50 and may be mailed to tournament secretary Browning Higgs, 805 Harrison, Amarillo.

## Culberson Plays In Cage Finals

**MIAMI** — Culberson Independent of Pampa and Higgins entered the Miami Invitational Basketball Tournament finals here with victories Friday night. In the girls bracket, Panhandle and Miami roared into the finals.

Culberson eliminated Miami Friday night 48-37. Crump hit 14 points for Pampa, and Duniyan was high point for Miami with 13.

Higgins handed Arnett a 27-21 loss. Hill and Brown each earned 10 points for Higgins, and Miller looped in 11 points for Arnett.

In the semifinal girls game, Miami defeated Higgins, 35-27. Duniyan singled the nets for 18 for Miami, and Willard pushed in 17 points for Higgins.

## Golf Tournament Committee To Meet

The Pampa Country Club Tournament Committee will meet around March 1 to name golf dates for the three tournaments to be held here this year.

The three golf meets to be held at the country club course are the Top of Texas, City Tourney and the Junior Tournament.

Helm Luna is chairman of the committee which includes Charles Duenkel, Clare Freeman, Melvin Watkins, Cletus Mitchell, Gene Fatheree, Jack Merchant, Charles Douglass and Harry Wilbur.

## Cage Tourney Set For Feb. 26-27

**DENTON** — The Texas Junior College Conference basketball champion will be decided here Feb. 26-27 in a tournament of the four zone champions.

Lon Morris, winner of zone one, is the defending champion. Henderson County Junior College has won zone two. The other titlists will be decided this week.

## Chicago Cubs Arrive

**AVAILON, Calif. — (AP)** — A contingent of 33 Cubs arrived on Catalina and planned light drills Saturday.

## Now's Pulling For Fowler's Comeback

**WEST PALM BEACH, Fla. — (AP)** — The Philadelphia Athletics hoped that Dick Fowler's pitching comeback is the real thing.

Fowler was sidelined last season by a burst attack on his pitching arm. He won 15 games in 1949.

Manager Jimmy Dykes said Fowler "looked good" in his first workouts, while Coach Chief Bender said "he's throwing with an easy motion, without laboring. He's not holding back, favoring his arm as so many fellows do when they come back."

## Bankhead Is Late Because Of Housing

**VERO BEACH, Fla. — (AP)** — There no longer is any mystery in the Booklyn Dodgers camp as to what happened to pitcher Dan Bankhead.

The right-hander had been due to report last Monday and when he failed to put in an appearance, club officials reported the hurler missing. They had tried by telegraph and telephone to locate him at his Gonzales, Tex., home.

Then, last night, Bankhead reached camp. He explained he had been held up in Birmingham, Ala., trying to find a place for his wife and three children.

## Epidemic Hits Camp

**BRADENTON, Fla. — (AP)** — A mild epidemic has hit the Boon Braves training camp control. Each of the trio worked about eight minutes, displaying not only surprising speed but some curves as well.

## ARMY MAN

— Harold Wort will represent the Army and Camp Atterbury, Ind., in the National Three-Cushion Billiard Tournament at Chicago's Navy Pier, Feb. 16-25. Worst 22-year-old phenomenon of Grand Rapids, Mich., finished second in the 1950 competition, defeated Willie Hoppe several times in exhibitions.

### Choir Names King, Queen

Ray Ousley and Nancy Huvall have been named king and queen of the Pampa High School A Cappella Choir.

Ousley is the son of Mr. and Mrs. E. H. Ousley and Miss Huvall is the daughter of Mr. and Mrs. I. J. Huvall.

The couple was elected on the basis of their choir activity and their popularity with members of the group.

Miss Huvall has been a member of the choir for two years and is a member of the Spanish and Latin clubs.

The king is president of his senior class and has been a member of the choir just this year.

Harold Comer is president of the choir and Kenneth Baumgardner is the director.

**FLOUR SLASH LIKELY**

**BUFFALO — (AP)** — A drastic slash in flour mill production appeared likely today because of a growing box car shortage.

General Mills, Inc., which operates the world's largest flour mill here, cut production in half yesterday. A full shut-down was imminent.

### Mass Mobilization Rally To Be Held By National Red Cross

A mass mobilization rally to be held in Madison Square Garden, New York City, Tuesday night will dramatize over the nation's radio networks this year's Red Cross needs for \$85,000,000.

From 9:30 to 10 p.m. the show will be broadcast, featuring stars of stage, screen, radio and television with a closing message by President Truman. This will be the most extensive radio coverage in Red Cross history.

The show opens the National Red Cross drive and President Truman has proclaimed the month of March, 1951 as Red Cross Month.

### Kiwanis Governor To Be Guest Here At Meeting Friday

Luman W. Holman of Jacksonville, governor of the Texas-Oklahoma District of Kiwanis, will be a guest of the Pampa club next Friday night. The meeting will be held in the Fellowship Hall of the First Methodist Church, starting at 7:30. The meeting will be open to the ladies of the club.

### Criminal Mind Examined In New Volume

Two Book-of-the-Month selections came in to the Pampa Public Library this week.

"My Six Convicts," by Donald Powell Wilson, is the truth-and-fiction story of a psychologist's three years in Fort Leavenworth. The story is written with a great deal of humor, yet leads to new discoveries in the criminal mind.

"A Breath of Air" by Rumer Godden is the story of an island and its inhabitants. The island is a fictitious one, but has lived in a million imaginations.

Not on the best-seller list or selected by critics as a free gift, but worthy of loud acclaim, is "The Lusty Texans of Dallas," This is the story of frontier Dallas by John William Rogers. From pioneer beginnings of Dallas in the Three Forks of the Trinity River, the story takes the city into its present place where it ranks as the oil and cotton capital and the culture and fashion center of the Southwest.

"Morning Journey" by James Hilton, author of "Lost Horizon" and "Goodbye, Mr. Chips," brings another unforgettable man, Paul Saffron, to Hilton readers.

In memory of the late Judge E. S. Via, a book, both fiction and truth, has been placed on the shelf this week. It is an

form. He should believe in equality of opportunity and status for all. He should be a believer in inter-communal unity and have respect for the faiths of others.

Quality Home Furnishings

WHEN THE BANKS and post office closed for Washington's birthday, I got a lift. We always consider those two establishments pretty important, but maybe the home is a more essential business after all—like to see us Moms close up shop and stop housekeeping for a whole day! Truthfully, there's not a plutocrat among us!

LET'S ALL STAY on this seven-day diet in The News. Easter is just so-o-o close. Bet it will be cold, too, coming so early, and that will mean a new lightweight coat. Been figuring on how to squeeze a coat in the budget. We're taking that "lightweight" to heart because there are so many toppers in linen, taffeta and shantung. If they're that light we'll be able to use them far into the summer 'cause our nights are usually cool. Saw Mrs. H. W. Waddell in a handsome plaid topper the other day. On to heavier jackets, Jo Young has a white one with a touch of color. Very warm looking.

HAD A VERY nice note from a friend of mine this week. (You're welcome, E. L.). Always enjoy opening my mailbox—best source in the world for palaver. Some of my mail, of course, corrects the misspelled names or sets the straight on an anecdote. But I always do my darndest to get names straight because it's like my editor is always saying, "The only thing worse than spelling somebody's name wrong is not to mention them in the first place!" Gotta get these names and events and my bear hat is hearing from you. Started to say drop me a penny postcard, but there's talk of postcards going up to two cents—and don't tell me that what you have to contribute is not worth two cents. Nary a word of truth in that!

WHILE POSTCARDS ARE still a penny, though, why don't you rustle up a few and cast some votes in the "Queen for a Day" premier contest? The town sending in the most cards per population is the world-premier city for the new movie. Gotta get us in the limelight—send as many cards as you like—just mention KPDM as your Mutual station and send to "Queen for a Day," Hollywood, Calif.

AMARILLO IS GROWING so that they're stretching nearly to our town. I'm going to hurry and call them a suburb of Pampa before they say it of us. They don't know what fun they're missing not having a town like ours—a place where you know the butcher, the baker, and the garageman—we're just big enough and "small town" enough.

THEY DO HAVE good ideas over there, though. They're contemplating putting women traffic officers in school zones. We have men officers at our grade schools, but the idea must be that junior high schoolers can take care of themselves. I can't help but worry about that group, though, with the junior high right in the heart of town. With spring pushing in we must be more careful because the kiddoes take to the school ground. Really, during a fast baseball game, a fly ball sailing right over the street, and the fellows all watching the ball, hollering "Home!" Waiting for the just the sound of the ball as it hits the old glove, well traffic can seem awfully far away. I keep remembering, even while I'm driving, that I was taught to stop, look, listen, too!

PANORAMICALLY: Thursday evening was the highlight of the week. Pampans welcomed the ballet troupe enthusiastically... another good show coming up is the "Cheaper by the Dozen" production at the high school... hear the properties manager is scouting around for furniture from the early 20's... my furniture is slightly older than that, but believe me, it looks like it has roared through the 20's... All favorable comment on the Wednesday meeting of the Presbyterian ladies... it's beside the point, but some of the most fashion-wise women in town attend services there... they also bring the most luscious dishes to their church dinners... Horace Mann P-TA had a real good time Friday night... homemade pies, too!... Mrs. Grace Brown has the most attractive gold mailbox... she lives across from the junior high... Surely am glad to see those "walking guards" down at the First National Bank building are down... She's so friendly... I mean Mrs. W. S. Brake, who seems like such a nice person... So is Mrs. Bob Sanford who visits relatives in Amarillo frequently... Mrs. Wallace Fahle has the gayest red and white wallpaper in her kitchen... also some tiny, tiny flower pots on her window sill... Mrs. Russell West has a real healthy ivy in her kitchen... Believe I'll put a sweet potato in a dark corner of the post office the other day... noticed his snappy little tie... Mr. H. E. McCaskey is another I've noticed with a new lilt to his walk... spring's busting out all over in people... But it wasn't spring that had Jeff Bearden on clouds this weekend... it was that new daughter born Thursday... Spied Gene Green out peering at the black clouds that looked so menacing Tuesday... The H. O. Darbys are adding an upstairs to their home... been meaning to mention that... it's going to be nice... the Ham Lunas are building on, too... Another good thing was the Jaycee-Elite bake sale Saturday morning... Cutest cowboy I spied all week was the one with Mrs. Russell Holloway... her son in a regular black "ten gallon" job.

BETTER GOVERNMENT is the slogan of today's women, and Pampa women are joining in by organizing a local unit of the League of Women Voters. They have already joined the Amarillo league, and are meeting at 8 o'clock tomorrow night in Parish Hall to talk over the matter. I'll see you there, gals. And another thing about tomorrow, it starts off Smile Week. Joe E. Brown is chairman of the special week and you can be a member. You can be a Joy Scout by only smiling your smile around freely this week, despite the world's troubles and the income tax man.

WE LIKE THE appearance of lace, net, embroidered batiste and lots of ribbon on the fashion scene. These frothy fabrics make perfect aprons and redingotes for your summer sheath. All this daintiness calls for just a scant bit of shoe, like we pointed out before—the sandal is the shoe. Oh, yes, that "white wine" is spreading to the men's fashions. Do I remember correctly that Jean Duenkel has a suit that can pass for that shade? Like I said before, the color is good for all, but I'm partial to it when worn by someone dark and sun-kissed like Jean always is in the spring and summer.

DON'T MISS THE Kiwanis show Monday and Tuesday nights at 8 o'clock. We're especially anxious to hear the band in its pre-curtain entertainment. E. O. Wedgeworth, Coy Palmer and Mack Hiatt, to name a few, have never had such an opportunity for musical eminence. Lotza fun. See seeing you there, so watch for PEG O'PAMPA.

### Miss Helen Newman Becomes Bride Of Frank Hinds In Clovis Rites

Mr. and Mrs. A. R. Newman, 1077 S. Hobart, announce the marriage of their daughter, Helen, to Frank Hinds, son of Mr. and Mrs. Jack Hinds, east of Pampa. The ceremony was read in Clovis, N. M.

The bride wore a navy gabardine suit with navy and white accessories and carried out the tradition of "something old, new, borrowed and blue."

Mrs. Newman is a senior student in Pampa High School and is continuing her school work.

Mr. Newman is a graduate of Pampa High School and was in the United States Air Force two years, eight months of which were spent in Germany with the air lift.

Mr. and Mrs. Newman live at 506 N. Carr.

WEDDING SET—Mr. and Mrs. Daniel D. Armer of Dallas have announced the approaching marriage of their daughter, Zell, to Roland Blalock, son of Mrs. Josephine Blalock, 800 E. Browning, Pampa, and the late Mr. Blalock. Miss Armer is a graduate of Sunset High School and Mr. Blalock is a graduate of Tulane University, New Orleans, La. The ceremony will be read March 18 in Dallas.

### Helen Marie Hughes And Donald Oden Marry In Amarillo Double-Ring Rites

A ceremony in the chapel of the Polk Street Methodist Church in Amarillo united in marriage Miss Helen Marie Hughes and Donald Carter Oden. The bride is the daughter of Mr. and Mrs. C. Don Hughes, Amarillo, and the bridegroom is the son of the Rev. and Mrs. J. W. Oden of Garber, Okla., and a nephew of Farris Oden of Pampa. The bridegroom's father read the double-ring ceremony.

Vows were exchanged before an altar banked with ferns and palms. Floor vases holding sunburst arrangements of white gladioli were used on either side, and white cathedral tapers marked the length of the bridal aisle.

At the far end of the table coffee and tea were served from a silver service. Individual cakes were dipped in delicate pink centers with a rose of deeper pink and surrounded with leaves and greenery. Tea napkins in the bridal theme with gold and silver wedding bells on a white background were used. Heart shaped mints of pink carried out the pink and white of the appointments.

### ESA Takes Four New Members In Initiation Rites

Initiation ceremonies were held at 7:30 Thursday evening in the newly decorated banquet room of the Schneider Hotel by Epsilon Sigma Alpha Sorority. The rites were preceded by a dinner.

New members include Mrs. Joe Donaldson, Mrs. A. E. Hickman, Mrs. Frank Morris and Mrs. Dorothy Nelson. ESA president, Mrs. Bert Arney, was in charge of the meeting. A short business session followed the initiation ceremony.

Corages were pinned on the new members and the room was gaily decorated with yellow jonquils and yellow-tapers.

Those present for the banquet were the four new members and Mrs. Charles Ware, Guy LeMond, Tom Lindsey, John Nutting, Herman Foster, Oran Payne, Albert Doucette, Burton Doucette, Parks Brumley, Charles Robison, Harvey Longren, Bruck Parker, William Ragsdale, Bud Boyle, Margaret Dial, Florene Duke and Bert Arney.

The next meeting of ESA will be at 8 p. m. March 8 in the City Club Room.

Mrs. Joe Donaldson, A. E. Hickman, Frank Morris and Dorothy Nelson have been feted with a series of rush parties during the winter season. These included an informal dance at Recreation Park, a chop suey dinner and an apron and overall dance.

The home of Mrs. Harvey Longren, 1133 Starkweather, was scene of the chop suey dinner. The four pledges were presented to the club at an apron and overall dance at the American Legion Hall.

A huge pair of overalls were hung at one end of the hall and the pledges were rolled into the room in a wheelbarrow for the club presentation.

### Work Of Texas Extension Service Discussed At Merten HD Meeting

Mrs. H. H. Threatt of the Merten Home Demonstration Club gave a 10 minute demonstration on THDA recommendations in the home of Mrs. T. G. Groves on the Humble Lease Tuesday afternoon.

She said "The Texas Extension Service has had many years experience in aiding and stimulating farm people to build their own programs in communities, counties, regions and states, and in forming agricultural policies of these various levels. This experience has also included program building by commodity groups, farming groups and others."

Home demonstration work, the other administrative group, gives special training to women and girls in their particular responsibility to the home and the family. The basis of the work is home economics, beginning in the home at whatever stage of development the women or girl may be.

Roll call was answered by "My curtain problems."

Recreation was a magazine exchange.

The agent, Mrs. Mary Anne Duke, gave a demonstration on window treatment. She said "First of all our windows should be for light and ventilation."

Speaking of the proper place for windows in the room, Mrs. Duke mentioned that many windows are now placed in room corners.

She said that all windows should be weather-stripped, and that

they should be made to let down from the top as well as up from the bottom.

She said "Screens are a very important part of the window. In order to keep out flies, the frames should fit well." She showed a sample of a new metal for frames and also showed a metal storm window frame, saying "your screen is put up with your storm window."

Speaking of interior window treatment, Mrs. Duke said "Our draperies should be in harmony with our living. We should think of lines and colors that will fit in with our decorative plan. In selecting drapes keep in mind your color, your line and texture. Beautiful drapes can be made from inexpensive material."

Mrs. Duke concluded "Let's keep our drapes in harmony with everything else in our rooms."

A salad plate and coffee were served. One new member, Mrs. J. C. Steward, was present. Others present were Mrs. Clyde Edmondson, Mrs. P. J. Boyd, Mrs. H. H. Threatt, Mrs. Volney Day, Mrs. Frank Prather, Mrs. V. Smith, Mrs. A. M. Nash, Mrs. D. A. Rife, Mrs. C. A. Jones, Mrs. C. J. Casselman, Mrs. A. Swackhamer, Mrs. T. G. Groves, Mrs. W. E. McCracken, members, and three children, Joan McCracken, Connie Casselman and Linda K. Day.

The next meeting will be in the home of Mrs. W. E. McCracken, on the Humble-Merten Lease, on March 8.

### 20th Century Allegro Club Women Discuss 'Guardians Of Public Health'

Mrs. J. W. Graham led a program on "Guardians of Public Health" at a meeting of the Twentieth Century Allegro in the home of Mrs. G. M. Walls, 1001 E. Browning, on Tuesday. Mrs. Walls and Mrs. John Garman were co-hostesses.

Mrs. Graham, who was assisted by Mrs. Bill Davis, and Mrs. Malcolm Wyatt, began her talk by saying "Medicine has made great strides in the fight against disease. However, one of the greatest problems today is mental health. With proper treatment one-half of the mental cases today could be cured."

Mrs. Bill Davis, who was introduced by Mrs. Graham, spoke on "Mental Illness." She said "Mental illness is the number one health problem today. We all talk about it, but do nothing."

She continued "The need for money and proper housing is acute however there is a big need for psychiatric clinics and psychiatrists. It costs more to maintain a patient in our poorly equipped hospitals than it would to give early treatment by a psychiatrist. In most cases the patient is lost in the head and fed and clothed, but not helped in getting well. Most of them need something to do with their time, and they also need companionship."

Mrs. Davis said that facilities for the care of such patients in Texas are inadequate and concluded "the blame for these deplorable conditions rests with us, the public. Do not put the mentally ill out of sight and out of mind."

Mrs. Graham also spoke briefly on this topic, then introduced Mrs. Malcolm Wyatt, who spoke on "Our Veterans Hospitals."

She said "For the first time in the history of our country the disabled American veteran is getting the attention and medical treatment he deserves. Until 1945 the conditions in the

veterans' hospitals were very bad.

"When General Omar Bradley was put in charge of all veterans' hospitals in 1945, he had a tough job. At that time there were only 95 hospitals. There are now 124. General Bradley brought in a special advisory staff to aid him in revamping the whole set-up of the hospitals. The first change was to make plans to locate the new hospitals near medical centers. The canteens in the hospitals were changed to run like PX's, and recreational and educational facilities were enormously expanded."

General Bradley realized that improvement of the hospitals must depend on good doctors. The medical schools were asked to supervise interne training in the hospitals and good doctors were urged to join the staffs.

Mrs. Wyatt said "There are three types of veterans' hospitals, general neuro-psychiatric and tuberculosis hospitals. The mental hospitals take care of 62 percent of all veterans."

In conclusion she said "Today many veterans are treated as honored men and women. They get good care, good doctors and more nurses."

Mrs. J. W. Garman III announced that the state convention will be held in Amarillo April 9, 10 and 11.

Mrs. Robert Duket, president was in charge of the business meeting. Members present were Mrs. Robert Duket, Bill Davis, Harold Rinehart, Robert Karr, Malcolm Wyatt, John Garman, R. E. Reid, Jerry Thomas, Betty Brock, Robert Edmondson, Creel Grady, J. W. Graham, Jr., George Cree, J. Charles Hickman, Jr., J. W. Garman III, Price Doster, Jr., and G. M. Walls.

The next meeting of Allegro will be March 6 at the home of Mrs. Harold Rinehart.

### What's Cookin' In Gray County HD Club Work

By MARY ANNE DUKE  
McLEAN CLUB

In talking with a group of McLean homemakers about what home demonstration work had to offer, many of their own problems were soon being discussed. One wanted to re-do her living room. Another had just moved and in the new location, the house needed to be painted outside, and completely re-done on the inside. Also, the place needed landscaping. This problem will take time, but planting a windbreak and remodeling the kitchen into a new U-type model will be attempted first. Also in keeping with the one crafts project each year, the group is getting aluminum for making aluminum trays.

Mrs. Doris Windom's home was the place for the meeting and the following women were present: Mmes. Hubert Waldrop, Odie Claborn, Lois Page, Eleanor Kritzler, Mary Sitter, Margaret Grogan, Ruth Kemp, and Dusty Rhodes. The next meeting is planned for March 7.

Mrs. G. B. Reeve drives 34 miles to attend her home demonstration club twice each month. Mrs. Reeve lived at Hopkins until recently. Now she lives 12 miles below Lefors, but continues to drive the 17 miles to attend the Hopkins Home Demonstration Club.

Five-year-old Joan McCracken, daughter of Mr. and Mrs. W. E. McCracken of the Merten Lease, says she's not going to school next year, "cause she wants to stay home and go to the home demonstration club meetings!"

Mrs. Ray L. Anderson of Roberts County is driving 30 miles to attend some of the demonstrations and leader training meetings in Gray County. The beautiful box Mrs. Joe Keel made for the 4-H box supper, and the unusual box made by Billie Mae Osborne were both prize winning boxes. They're on exhibit in the hall case, in the courthouse main floor hall.

### 'Women's Property Rights' Club Topic

CANADIAN (Special)  
Twenty-eight members were present for the regular meeting of the Canadian Woman's Club, held Tuesday evening in the home of Mrs. Paul Bryant.

Mrs. A. R. King spoke on "Women's Property Rights in Texas," and suggested some needed legislation.

A one-act play, "How a Bill Becomes a Law," directed by Mrs. John Waters, was presented with the following cast: Mmes. Paul Bryant, John Waters, H. S. Wilbur, G. F. Hoover, W. A. Kessie, Sr., E. H. Morris, Furman Williams, R. M. Hobdy, Emery Vignal, Morris Bennett, and Misses Daisy Childers and Rita Austin.

The next meeting of the club will be held March 6 in the home of Mrs. John Waters.

### Reception

salted nuts completed the refreshments.

Corages of pink roses were worn by members of the house party who assisted in receiving and serving. Members of the house party included: Mrs. John Isaacs, Sr., Mrs. F. D. T. & A., Mrs. R. H. Stone, Mrs. C. A. Studer, Mrs. C. W. Allen, Mrs. W. D. Fisher, Mrs. John McMordie, Mrs. Warren Hill, Mrs. Jack King, Mrs. Quentin Isaacs, and Mrs. W. R. Hext.

Mrs. Dorsey Tubb is the former Virginia Kelley of Pampa, before her marriage Jan. 27. The Tubbs are making their home on the Tubb Ranch 17 miles north of Canadian.

### Nordyke To Speak At B & FW Meeting

Guest speaker at a meeting of the Business and Professional Women's Club Tuesday evening will be Lewis Nordyke of the Amarillo Globe-News. The meeting will be in the City Club Room at 7:30.

Mr. Nordyke was scheduled to speak to the club at the Feb. 13 meeting, but was unable to be present. The social meeting originally set for next Tuesday evening will be held at a later date. Mr. Nordyke's talk will be available to the public.

Tough plastic material, developed to bridge the gap between soft and hard rubber, is suitable for low-cost gears to replace metal gears in devices ranging from lathes to washing machines. The plastic gears can be accurately molded and are resistant to chemicals and abrasion.

### Seven Day Diet

By ANN WILLIAMS-HELLER  
Written for NEA Service

A temptation to nibble descends upon many women after a couple of days of dieting. By all means, resist with all your might. That tiny tidbit that appears much too small to do any damage may be richer in calories than foodstuffs many times its weight. And remember, you can't make up, with extra strictness tomorrow, if you stray from your menu today. Diets just don't work that way.

If, however, you feel it's absolutely necessary to quell between-meal hunger, try munching a tart apple. This healthful fruit offers enough bulk to fill empty space without adding too many weight-building calories.

Another good hunger-killer is a raw carrot. Slice it into thin shoestrings. A few sprigs of watercress or celery leaves will do the same trick. You'll find these crisps tasty for nibbling even after your diet's a memory.

Actually, it's better to resort to these harmless snacks than to allow too overpowering a desire for rich foods to build up. It's in such moments of crisis that reducing programs are broken.

Listed below is your menu for the third day. Not listed is a dash of determination — a very necessary ingredient for anyone's weight-trimming diet.

### Double Ring

(Continued from Page 9)  
flowers tied with streamers.

Lynn Dupree, daughter of Mr. and Mrs. George Dupree, was flower girl. Her dress was of rose taffeta.

Lowell W. Oden, brother of the bridegroom, was best man. Groomsman were Louis Shaw and Herman Smith, Norman, Okla., and Charles and Dick Oden, brothers of the bride. Dick Oden of Pampa and Roger Hickok of Norman were ushers.

Given in marriage by her father, the bride was attired in a white satin gown fashioned with fitted bodice of heirloom Chantilly lace, and long, fitted sleeves ending in points at the hands. The full, bouffant skirt extended into a chapel train. Her veil of illusion fell from a Juliet cap of matching lace trimmed with seed pearls. She carried a bouquet of white camellias in tufts of nylon net and circled by a frill of silk lace.

Mrs. Hughes chose a dress of cornflower blue Chantilly lace with matching hat and a corsage of roses. Mrs. Oden wore rose with crystal bead trimming and matching accessories. Her corsage was of cornflowers and roses.

At the reception, held in the church parlor after the ceremony, a silver candelabra entwined with cornflowers and a silver punch bowl appointed the lace-covered serving table.

Assisting in the house party were Mmes. George Erlandson, I. H. Davies, R. A. Burnett, George Talbot, C. T. Crowe, George Ordway, William Ordway, R. L. Jones of Dodge City, Kansas, Farris Oden of Pampa, J. Wilkey Talbert of Lubbock and Misses Jeannie Mustgrove of Muskogee, Okla., Martha Hatchett, Marilyn Reagan and Doryce Talbot.

The couple will live in Amarillo.

Since it breathes atmospheric air, the electric eel must have access to the surface of the water two or three times a minute. Eels have been drowned when they accidentally were submerged for only ten minutes. They can, however, withstand periods of 72 hours out of water, as long as their mouths are kept moist.

### Baptist Martha Class Has Social Meeting

The Rev. Douglas Carver spoke at a meeting of the Martha Class of the First Baptist Church, held in the Cities Service Club Room, west of Pampa. He also sang several songs, accompanied at the piano by Mrs. Carver.

Refreshments were served and 42 was played.

Those present were Mr. and Mrs. Bill Estes, Mr. and Mrs. Emmett Forrester, Mr. and Mrs. Ernest Edwards, Mr. and Mrs. Bill Dunn, Mr. and Mrs. Lee Epps, Rev. and Mrs. Carver, Mr. and Mrs. Eaton and Mrs. Mabel Teague. Mr. and Mrs. E. E. Leland were guests.

Never taste home-canned non-acid foods to test their condition. Even a taste of "spillage" can cause serious illness, so be sure to boil them first before eating.

### Mrs. Curry Hosts Parent Education Club Meeting

Mrs. Robert Curry was hostess to Parent Education Club in her home on Tuesday.

A paper, "Don't be Afraid of your Children," was given by Mrs. J. B. Veale, in which she used clever drawings to illustrate her talk. Mrs. Charles Cook spoke on "Is Rivalry Good for Your Boy or Girl?" She brought out that with good guidance in early life you can lay a good foundation for competition later on.

Refreshments were served to the following: Mrs. John Hines, Mrs. Tom Braly, Mrs. Gene Fatheree, Mrs. Frank Kelley, Mrs. J. R. Holloway, Mrs. Albert Reynolds, Mrs. Charles Cook, Mrs. E. E. Sheilhamer, Mrs. Bob Gordon, Mrs. J. B. Veale, Mrs. Julian Key, Mrs. N. Dudley Steele, Mrs. Rex Rose, Mrs. Tom Rose, Mrs. Robert Curry, and one guest, Mrs. John N. Bradley of Boston.

### Bridal Shower Honors Mrs. Roy Gettel

LEFORS (Special) — Mrs. Roy Gettel, the former Miss Zona May, was honored with a bridal shower in the home of Mrs. Arlie Carpenter. The calling hours were from 4 to 6 p. m.

The honoree was presented a corsage of pink carnations by the hostesses, Mmes. Walter V. O'Kelly, Arlie Carpenter, Bob Bright, Bernard Johnson, W. C. Breining, and E. D. Ross.

Miss Barbara Ross presided at the guest book. Soft piano music was played by Misses Barbara Chastain, Mary Beth Hammond and Rebecca Breining. Presiding at the tea table were Misses Peggie Starr and Sherry Newsum.

Table appointments were a silver tea and coffee service. A bouquet of mixed spring flowers formed the centerpiece. The guests were served tea or coffee, cookies, minis, and small sandwiches.

About 48 guests called during the 2 hour period.

### Pythian Sisters Plan Birthday Party

Pythian Sisters of Pampa Temple 41 met Monday evening, and planned a party for all members having birthdays in February, the party to be held in the home of Mary Katherine Burch.

The group voted to send a donation to the Pythian Home, to be added to the endowment fund.

Present were Jean Turner, MEC; Beatrice Stone, Syble Dudley, Allene Weathered, Lucille Weathered, Dorothy Cox, Marie Farsley, Lucille Turner, Mary K. Burch, Bernice Goodlett and Hazel Richardson.

### Party Is Favor For Mary Ellen Tepe

CANADIAN (Special) — Mary Ellen Tepe was honored Tuesday afternoon with an informal party given by her mother, Mrs. Pearl Tepe. The occasion was her 17th birthday.

Mrs. Dean Cook assisted Mrs. Tepe with the party.

Refreshments were served to the following: Barbara Hall, Janet Conley, Jeanie Job, Nancy Alexander, Louise Zybach, Joyce Curritt, Dorothy Bernson, Opal Pyeatt, Norma Bernson, Leslynn Webb, Shirley Jones, and the honoree.

### Stassen Gives Education Tips

ATLANTIC CITY, N. J. — (AP) — Harold E. Stassen says the American education system has "some serious deficiencies." He says disloyalty convictions of college graduates and recent arrests of student athletes on sedition charges are partly the fault of U. S. education. These reflect "a moral and ethical weakness" and "are very serious," he added.

Stassen, president of the University of Pennsylvania and a former governor of Minnesota, says these failings can be corrected by:

1. "Greater teaching and emphasis to the youth of the land of the moral and ethical values in human life."
2. "Increased stimulation and preparation of the students of today for a role as active, informed citizens of the free society of tomorrow."
3. "Definite education of numbers of the most gifted and competent youth of today for top policy leadership of the nation in the half century ahead."

### Announce Winners In Canadian Show

CANADIAN — (Special) — The grand champion calf in the annual Hemphill County Junior Livestock Show at City Auditorium Thursday was shown by Gilbert Forrest, a veteran 4-H clubber. But a first-year member, Ralph Holloway, had the reserve champion and second-place winner in the "heavy" division.

Melvin Waiser of the Canadian FFA Club showed both grand champion and reserve champion with his two entries in the "heavy" class in the swine division. Gilbert Forrest who won both grand and reserve champion honors in the calf show here two years ago was also awarded first prize for "best showmanship."

### PEACHY PLUMBER — Lillian Ann Baumbach, 21 and pretty, is the first lady master plumber in Arlington, Va. Lillian began tinkering with wrenches at age six, and is now service manager of her father's plumbing and heating business.

### Midget Sub To Be Shown

A captured midget German submarine, the "Speerhund," is on display in Pampa today and all day Monday on the 100 block of N. Cuyler. The U-boat is touring the country under the sponsorship of the A. V. C. Club of America and is shown free in various communities. A voluntary donation will be accepted to carry on the extensive welfare and rehabilitation program of the Navy Club.

### Two Pampa Girls Participating In TSCW Class Stunts

DENTON — (Special) — Two Pampa girls, Misses Gloria Jay, daughter of Mrs. E. R. Jay, and Carole Perkins, daughter of Mr. and Mrs. Thomas A. Perkins, are cheerleader and stage manager respectively of the senior class stunt to be presented February 23-24 at Texas State College for Women.

### Malayan Gold Sales Flourish

SINGAPORE — (AP) — A Chinese goldsmith in Johore Bahru feared the worst when 10 Chinese women, dressed in black, entered his shop and ordered him to shut the front door. He was sure they were women bandits and that he was going to be robbed when one of them asked him to go into the back room. The woman ordered him to bring out his gold ornaments from a showcase, then produced \$1,000 in \$10 bills and said, "Give me gold bangles to that amount." The awe-stricken goldsmith complied, and each of the other nine produced \$1,000 and asked for gold.

### Blockade Runners Avoid Nationalists

SINGAPORE — (AP) — Ships carrying Malayan rubber to the Chinese Communist ports of Tientsin and Tsingtao are switching to the Panamanian flag to avoid interception by Chinese Nationalist Patrols. Some of the blockade-runners are former Nationalist vessels, according to local shipping sources. The sources named the La Carmela, La Colerada, La Campana, and La Chorrera chartered by the Jebwah Company of Bangkok and the Tai Tong Steamship Company of Hong Kong. All of them are regular on the North China run.

PETE WELBORN

The curtain goes up at 8 p.m. tomorrow on the annual Pampa Kiwanis Club benefit show. This year's show is scheduled for two nights, Monday and Tuesday, in the Junior High School Auditorium.

A "Toby-type" comedy, this year's show is under the direction of Bunny Shultz. It is a four-act play, designed for laughs. The title, "Texas 'n' Trouble," tells most of the story of the tale of mystery, love and comedy which centers in Texas around a character (and we do mean character) named "Texas," a part played by Pete Welborn, radio star of KPDN.

Others in the cast include Irma Morris, Walter Eller, Jenne Willingham, Dorothy Peacock, Charlie Madeira, E. E. Shultz and Bunny Shultz.

Specialty acts will be done by Jeanne Willingham's dance chorus, Charlie Madeira, Humpty Matheny, Dorothy Peacock, Ruhl Samples, Jr., and Pete Welborn.

A local eight-piece Dixieland band will be on hand to furnish special music. The band is composed of Irving Schwartz, Wes Geiger, Coy Palmer, Pete Welborn, E. O. Wedgeworth, Mack Hiatt, Don Means and Jerry Thomas.

Tickets are on sale at Clyde's Pharmacy or from any member of the Pampa Kiwanis Club. Reserved seats may be obtained at Clyde's.

Proceeds from the show go to the underprivileged children's fund, coming right back to work for Pampa. This is one of two fund-raising programs sponsored by the Kiwanis Club each year. The other, an Oiler baseball game, is used to raise money for the summer softball program.

### Edwina Emerson In College Play

Miss Edwina Emerson, niece of Mr. and Mrs. Lynn Boyd of Pampa, will take part in "Soaring Upwards," the annual production of the Incarnate Word College Dramatic Club, in matinee and evening performances on Feb. 26 and 27 respectively.

Miss Emerson is a sophomore in college and is active in campus organizations. She is a member of Alpha Psi Omega, honorary dramatic society.

### 4 Pampans On Tech Honor Roll

Four students from Pampa won places on the honor roll for the fall semester at Texas Technological College at Lubbock. They are Jack Lee Murphy, Arts and Sciences sophomore; Don Jay Lusher, Engineering senior; Jean Pratt, Home Economics senior; and Twila M. Smith, Arts and Sciences junior.

Time to open that radio listening notebook again... the weeks sure go by fast nowadays. We've got some listening notes to review this week. These are a couple of shows that we've mentioned before but we want to throw some more bouquets their way. First of all we want to congratulate our Gray County Agent Ralph Thomas for keeping his **FARM NEIGHBOR SHOW** one of the most interesting that we have on the air. If you haven't already become listener to this show, you'd better tune in one of these mornings at 6:30 and catch it.

Ralph always picks a very interesting interviewee... and brings out a lot of very valuable information for everyone. The show is beamed to all of our farm friends but there is information that is interesting for everyone.

Another show that is being followed by our farm listening audience is the feature that follows **Your Farm Neighbor** called **Sagebrush Serenade**. Bert Conway is the fellow who handles this show and it is jam-packed with wonderful bargains for the fellow who may need farm machinery or information.

Bert gives you the latest farm market reports and the weather, and lets you in on the long range forecasts. He also gives you farm news and hints on what other farmers are doing to improve their farms, stock and

do at least one big good turn a day for someone. Our sincere thanks, go out to Frank Leder, and I know that many of his friends will sure miss the program. Well done Frank, and we will see you in April.

Well, last Thursday night, as KPFD hiked themselves over to the Broadhurst Skating Rink and really had ourselves a time. And we are really making progress, we finally got Uncle Coy on skates and he did all right.

This skating business is turning into a regular thing for the staff and has proved to us that you can have lots of fun with the gang you work with all day long. We are a happy bunch up here at KPFD and when we're happy it makes for better programming and we sound better on the air.

After the skating party we journeyed over to my house for a little coffee and cake. Each week we go to a different home and this time it hit at my house. Beverly (Baines) Fancher spent most of her time in the kitchen and the results were sure worth it.

She made her appearance with "soups on" and presented her specialty "Persian rolls." They're sure tasty and this is the way the recipe goes: sharp cheese, chopped hard boiled egg, chopped olives, chopped pimiento. Oh, well, it's a secret recipe or something, but it sure hit the spot. Next week the gang goes to the Phil Solbergs and the cook there will be Jan (Olson) Solberg. Well, it's lots of fun and I might say here that I think we are the happiest staff there could be at a radio station.

# REMEMBER the Sabbath Day to keep it HOLY

In the Ten Commandments, which do you suppose gets the larger treatment? Reverent observance of the divine order for a day of rest and of worship gets chief emphasis. A moment's reflection makes the reason clear. The man who does not take time to keep the Sabbath will likely forget to worship the God of his fathers; he who does not reverence God cannot be expected to regard his neighbor and his neighbor's goods. Sabbath observance stands, therefore, at the very center of religion and of morality. Then if you disregard the Sabbath you do it at the peril of your soul!

NOTICE the argument of Moses. God could get His work done in six days, even the creation of a universe and all its creatures. Surely you do not need the seventh day for the lesser tasks of your doing.

You are under the command of God; you are a part of His creation; there is nothing more important for you than that you remember God and your relation to Him. The Sabbath is such a time of remembrance. The church bell, the rest from daily toil, the quietness in the busy street, the need of your own soul, unite to remind you of your God and His day. The law giver commanded His people to keep this one day sacred to the Lord; to use it for one's own profit is to rob God of the time which belongs to Him.

HERE is an ancient command, never more important than today. The press of the material and the secular was never more insistent; things want to get in the saddle and ride mankind. Remember the Sabbath; then you will worship God and know that you are the eternal child of the Highest. He who remembers the Sabbath most is most likely to remember to attend his church.

**PAMPAN RECEIVES AWARD**—P. G. Mangham, well service and maintenance superintendent in the Pampa area for Phillips Petroleum Co., receives a safety award for the Pampa area from J. N. Perkins, division superintendent. The Pampa group completed 1950 without a disabling injury. Presentation was made at a safety banquet in Sunavista last week. (News Engraving)

**Phillips Makes Safety Awards**  
 Seven groups received Safety Awards at a meeting last week of the Panhandle District of the Production Department of Phillips Petroleum Co.  
 The seven groups were without a disabling injury during 1950. They were Panley Water System, Borger Well Service, Borger Maintenance, Borger Area Pumpers, Stinnett Area Pumpers, South Pampa Pumpers and Pampa Area Maintenance.  
 Approximately 150 persons attended the annual safety award dinner in the Sunavista Cafeteria in Borger. R. W. O'Neill, superintendent of the Panhandle District, spoke on the safety achievements and D. C. Basinger, safety coordinator for the production department, commented on the importance of safety in the company's operations and their safety program.

**Mentor Falls Down On What He Teaches**  
**BOZEMAN, Mont.**—(AP)—Coach Wally Eagle, skiing mentor at Bozeman High School, couldn't alibi his way out of it. He fell and broke his leg while demonstrating slalom turns to a full gallery of Bozeman High School skiers.

**Watches Given By Humble For Service**  
 Humble Oil and Humble Pipe Line Companies gave service awards to employees recently, who had been with the companies 30 years or more. The awards were 21 jewel, solid gold watches.

Receiving watches from the production department were Walter Dean, district superintendent, K. R. Dawson and C. B. Haney. In the pipe line division, watches were given to H. V. McCorkle, superintendent, B. I. Abernathy, Charles Alford, Charles Fowler, J. B. Wilson and W. E. Holmes.

The Capitol building in Washington, D.C., required 70 years to complete.

# API Makes Concerted Effort To Defend Depletion Clause

The American Petroleum Institute, a nationwide organization of businessmen teamed with the oil industry, is making a concerted effort to defend the 27 1/2 percent depletion allowance. This allowance is an income tax consideration granted by Congress to compensate for decline in oil reserves. This allowance is now being attacked by the President and Secretary of the Treasury Snyder as a tax loophole. They maintain the oil industry is being allowed to deduct 27 1/2 percent of their gross profits each year to an extent that pays many times over, the actual worth of the oil property.

However, oil men charge the President and Treasury Department have created a false impression. "The oil industry neither asks for nor receives special privileges with respect to taxes," explains C. A. Young, director of the institute's Division of Production. In a statement from the Mid-Continent Oil and Gas Association, the allowance is pointed out as a companion to the depreciation allowances in any other type of business. Depletion deductions from gross income of oil properties are allowed so that the tax on income doesn't apply to the amount derived through the liquidation of the value of the business.

In explaining this, the statement says if a machine initially worth \$1 million lasts twenty years, \$50,000 per year the machine produces is not real income but is made through liquidation of the value of the machine. "Like a machine, an oil field wears out," says the association. A new field is a new resource, previously unknown, made available to the nation by discovery, it is pointed out. This field, too, will be depleted in a number of years and still another new field will have to be discovered. Those are costly operations and it is estimated approximately one out of nine wildcats is an oil producer. The remainder are dry holes into which have been poured many thousands of dollars for each hole.

Only through the continuance of the depletion allowance can this exploration be continued, oilmen insist. The nation depends upon petroleum products and it is only through the discovery of new reserves can the nation continue to operate as it now is. The association points out that the establishment of these provisions have been reviewed in detail by committees of the Congress on a number of occasions, but after thorough and repeated discussions, no important changes have been made. This is given in support of a good foundation for the allowance established by the Revenue Act of 1926.

It has been said by local oilmen, that should the allowance be cut to 15 percent as proposed by the President and Secretary Snyder, fields such as the old Panhandle field would be abandoned because of the higher percentage of cost per barrel as compared to the cost of younger and more productive fields.

**Rig Activity Shows Decline**  
**DALLAS**—Rotary drilling operations in oilfields of the United States and Canada showed a net decline of 82 rigs during the week of February 19. In the report to American Association of Oilwell Drilling Contractors by Hughes Tool Co., the greatest drop in activity was in the Illinois area, down 33 rigs, followed by Oklahoma, down 15 and Canada, down 11. Small increases were reported in the Gulf Coast, Rocky Mountain and Pacific Coast areas.

For the week, a total of 2175 rigs were reported busy, which compares with 2227 a week ago, 2161 a month ago and with 1961 in the comparable week of 1950.

Following is a comparison by principal areas for the past two weeks.  
 Pacific Coast, 135, up 3; Oklahoma, 244, down 15; Kansas, 144, down 8; Rocky Mountain, 104, up 3; Canada, 102, down 11; Ark-La-Tex, 127, down 1; West Texas & New Mexico, 745, down 1; Gulf Coast, 501, up 8; Illinois, 73, down 33.

Although the cheetah is cat-like in appearance, it is more closely related to dogs.

**Charles Alford Retires April 1 From Humble**  
 Retirement for Charles Alford, longtime chief gauger and scout for the Humble Pipe Line Co., will be effective April 1, according to an announcement from the company.

Also on the retirement list is Fritz Waechter, carpenter with Humble 25 years, five months. He was retired Feb. 15 and was given a retirement supper at the Humble camp.

The company gave Waechter a solid gold, 21 jewel watch; leather, billfold; seniority plaque and a gold retirement emblem with one diamond.

His fellow workers gave Waechter an automatic shotgun and luggage for him and his wife.

Alford is being given a disability and premature retirement after 31 years with the pipe line. He began with the company Nov. 19, 1919 at Oiden, Tex., as clerk and moved to Pampa in December of 1936 as chief gauger and scout.

His position is to be taken by D. A. Caldwell of Pampa.

Alford, who has one daughter, Sally, 14, served in the armed forces from 1943 until 1946 with a pipe line detachment in North Africa. He was discharged as a captain.

He says he plans to move to Boulder, Colo., after school is out here this spring. He will enter lease brokerage business in Colorado.

# Refiners Preparing For Heavy Demand

By MAX B. SHELTON  
**HOUSTON**—(AP)—Oil refiners are making an early start in preparing to meet a heavy summer gasoline season. United States gasoline storage a week ago Saturday approximated 134,598,000 barrels, only 988,000 below the all-time high established last April.

The heavy gasoline consumption season generally is considered to extend from April 1 to September 1. Storage climbed 1,464,000 barrels last week. Should this rate continue gasoline stocks would exceed 140,000,000 by April.

Heavy production in recent weeks of gasoline and light heating fuel oil has found refineries operating at near capacity. Crude oil in above-ground storage has dropped sharply.

Last week the nation's refineries processed a record 6,444,000 barrels of crude a day. This average exceeded domestic crude production by 807,100 barrels daily.

During the previous week crude stocks dropped 3,925,000 barrels to 238,873,000, the lowest level since mid-September.

This is below the level most refiners consider to be the minimum crude stocks needed to permit efficient processing of petroleum's four principal products.

Representatives of the refining industry last fall advised the Texas Railroad Commission crude stocks should be maintained between 240,000,000 to 245,000,000 barrels.

Gasoline production week before last approximated 20,426,000 barrels. Last week the nation's refineries processed a record 6,444,000 barrels, compared to a week earlier, 20,009,000. Heavy fuel oil output dropped 505,000 to a total of 9,209,000 barrels.

Declines in fuel stocks reflect the switch from emphasis on heating oil output to gasoline. Light gasoline stocks declined 3,645,000 barrels week before last, with heavy oils falling 332,000.

Refinery operations this winter have been in sharp contrast to the comparatively mild 1948-49 and 1949-50 seasons. Demand for heating oils has been heavy all winter.

The Chicago edition of the Wall Street Journal last week said the heating oil - consuming season in 20 key eastern and midwestern cities has been 19.6 percent colder this year than last year.

Domestic crude production a week ago averaged 5,936,000 barrels a day, an increase of 75,650 daily. Crude output should pass the 6,000,000 barrels a day average for the second time in history shortly after March production allowances become effective.

## SPEAKING OF Furniture

By DON FOSTER

**HAVE YOU A PROBLEM ROOM?**

A long, narrow, inside living room (with windows in just one end) is undoubtedly the home-planner's most difficult room to decorate. But it need not be hopeless. There are a number of decorator tricks which may be employed to modify the apparent structural faults of the room—to give the illusion of added width, make it appear more spacious.

The ingenious use of a combination of wallpapers used in the room sketched above has transformed it into a pleasing, balanced setting, rich in individuality and colorful charm.

Wallpaper simulating shutters used entirely across one end wall and extending over onto a side wall gives the effect of continuous windows—relieves closed-in feeling.

Further wall interest has been achieved and room made to appear larger by the use of wallpaper of brick design in pale sandy beige on one side wall. Other walls have been painted a soft green to match shutter paper.

This setting—Modern in feeling—is especially receptive to the compact grouping of the sectional sofa and corner table of blond finish mahogany. Other sofa opens into a full-size bed when needed. Cotton shag rug is sandy beige.

If you have a problem room, come in and let's talk about it. We're sure we can be helpful.

### STRICTLY REAL - ESTATE

... I ought not to do this but here goes, and may the good Lord have mercy on the telephone operators, and me — A small 160 (Quarter Section) of Panhandle land with a good five room house on it... its located on the pavement, not to far from Pampa, and the farming land is good and the grass cant be beat—in fact its an ideal little stock farm as well improved as anyone would want — and the price is only 9500.00.

... And heres a letter from one of the BUREAUS... (its in answer to a letter I wrote them sometime back in regard to selling a little 3 room house for 1800 dollars, with a down payment of 500—All I wanted to do was stay within the law and not get the down payment to low.)

Washington DC  
February 9, 1951

Dear Mr. Duncan you dirty rat:  
Your letter of inquiry in regard to selling a house for 1800 with a down payment of 500 received and filed. We regret to advise you that we dont know what kind of a regulation you would be in violation of, just at the present time, but we do know this, that you would be making some kind of a violation. As for selling the house for 1800, what kind of a house is it. Here in Washington a 3 room house facing the alley would bring from 15,000 on up, but of course small houses like that are financed through the Reconstruction Finance Corp. If we can be of further service to you, let us know, but allways refer to file No: 6243 J53. As for calling you a dirty rat think nothing of it. Everybody's doing it in Washington now.

Yours very truly,  
etc. etc.

Well the Hadacol ad didnt help me sell anymore houses than the free grocery ad the week before. I sold my average two houses... Mr. and Mrs. Clements are certainly going to be a proud family when I take them out their 25.00 worth of Hadacol—they bought the little 3 room house on E. Browning—But I dont no about this one—Isold the Dick Steddum family,, Claude Wilsons house on Charles—Mrs. Steddum tells me she just as soon have 25.00 worth of something else, but Dick is holding out for the Hadacol—says he needs the iron thats in it—dont no how Im going to come out on this deal, but I'll keep you informed.

Im practically out of houses to sell folks, and Im not kidding—if you want to sell your home, and want a live wire to work on it—just list it with me—I buy, sell, swap, or what have you—anything for an honest dollar.

WHEN YOU READ THIS — GO TO CHURCH YOU'LL  
FEEL BETTER THE REST OF THE DAY
