

## Kirchoff

Cont. from Page 1

gram. What department would oversee payments and where does the money to run that administration come from? Or is my opponent proposing to create a new bureaucracy? As far as I know, we aren't set up for such an undertaking and to do so costs even more money."

"Until the farmer is making profit in the first place a poorly operated and costly federal insurance program is just another liability," said Kirchoff. "You can't borrow your way out of debt."

Kirchoff said that the problem should be tackled at its real root - higher prices for farm commodities. He further stated that the subsidy plan does nothing for agriculture - related businesses which are also affected by crop disasters, but receive no federal support.

As an alternative to an \$8 million subsidy plan, Kirchoff said, "The state of Texas could sponsor commodity trade teams composed of independent producers of food and fiber, who would go to foreign countries and promote the sale of Texas farm commodities. "We need to invest our tax dollars in programs which will give us an expected rate of return," he said. "By assisting the Texas agriculture industry to market their own products as they best know how to do, the state of Texas can help farm profitability. I believe the sponsorship of commodity trade teams would be much greater benefit to not only agriculture but to all Texans," he said.

"I take the attitude that spending by the State government should be an investment in our future. For example, spending money to insure a quality education for Texas youth will prepare them for better jobs. Keeping tax rates low attracts businesses and new industries to Texas and assures us of having plentiful employment and more taxpayers. And investing in a comprehensive state water plan is a must for the fu-

ture of all Texans," Kirchoff said.

He added, "I will certainly continue to work with all farmers and farm organizations to achieve workable changes in the federal crop insurance program. Unlike my opponent, I have had my crops hailed out before and I would like to see an effective crop insurance plan. But let's get the program right before we consider premium subsidies."

## Plow Pans . . .

Cont. from Page 1

the year; but in some fields they are present all the time, especially under disc-type operations."

Hardpans or plowpans are caused by compaction. It destroys the natural soil structure, and closes off the small pores and channels which normally carry soil water. The most frequent cause is tire traffic from cultivation equipment or by the downward pressure from the cutting edge of a plow or disc. Tillage pans and plowpans have developed on many of the fine sandy loams and silt loam soils in our area as the result of management systems that destroy the organic matter in the soil. Running tillage equipment over wet ground also causes severe compaction. Tandem and one-way disc plowed fields are most susceptible to pans because these operation only plow up the top six inches of the soil. A deep chiseling operation will break up the pan and allow water to enter at a much faster rate.

"This was a particularly bad year for pans," says Mike Risinger. "We had unusually heavy rains, wet fields, and lots of trips to fight sand. But we are not suggesting everyone go out and deep chisel. The first thing they need to do is to go dig some holes and find out how bad a problem they have. It may not be cost effective or even necessary for an operator to chisel an entire field. Possibly only the traffic rows need to be chiseled."

Mike suggests pushing a thin metal rod or electric fence post at least 18 inches into the soil at random sites over the field. If the rod cannot penetrate this deep, either conditions are extremely dry or a hardpan exists. Where more than half of the rows in a field are affected, the problem is severe.

A deep chisel operation may only be necessary once every few years over most of the field. It may be needed more often in rows traveled by equipment. But a deep chisel operation can pay for itself in increased stored moisture which reduces runoff and erosion

## MULES 21-CATS 14

Cont. from Page 1

had some fair yardage pickups in this series, but failed to move the ball any further than the Dimmitt 46 yard line, where Alvarado punted and a fair catch was called by Dimmitt on the 15 yard line.

The Bobcats only had the ball for three plays however, getting caught deep in their own territory after being forced back to the 11 yard line by a fired-up Mule squad. They put a boot into the ball for a 40 yard punt, which landed on the Mule 43 yard line and the Mules took over from there. But...after holding the ball from 7:26 left in the second quarter, the Mules finally had to give it up when they failed to make a 4/1 and booted it back with a 27 yard punt by Alvarado. The Cats took possession on the six yard line with 2:36 left in the game and they also failed to move the ball any further than the 36 until the half ended. Super blocking and coverage by Shaw, Gonzales, Ramos, Gleason and Wuerflein, along with a host of other Mules kept the Cats' at bay ending the half with a 7-7 tie game. As the Mules headed for the locker rooms, the atmosphere was charged with Mule power, emanating from the players and coaches.

Coming back into the second half of the game, the Mules, deep in their own territory, began to move and on the second play from the 27 yard line, Gonzales let Paez have the ball and he had the way paved by Mules blocking and special teaming for the way to a 73 yard touchdown run, with the whole Bobcat team following the leader all the way to the goal line. The PAT by Alvarado was good, as nearly always and the Mules bucked up in front with a 14-7 lead over the Dimmitt Bobcats.

The next short series by the Cat's after taking the ball on their 34 yard line, was a pressure cooker for quarterback Guzman, as Coleman, Ramos and some other Mules virtually held the Cats to less than seven yards gain. Shaw picked up the Cats punt on the 20 yard line with a fair catch called. Nino, punter for the Cats, however, picked up a good punt on this play with 41 yards to his credit. The Mules next drive was a short one, which left them in their own territory to take a penalty for a personal foul on a 4/8 situation, giving the Cats the ball on Mule's 30 yard line.

The Dimmitt crew took quick advantage of their position moving the ball with Johnny Gonzales, full-

back, 11 yards on the ground and then Guzman opened up with a 59 yard pass to sparkplug Jeff Watts, 6-5, 220 pounder, for the Cats and he took the ball over for the score. The PAT by Nino was good and tied the ballgame 14-14 with less than seven minutes remaining in play.

Shaw took the returning kickoff on the 16 yard line and added 16 to it laying the ball to rest on the 32 yard line. However, the Mules were pushed back by the gigantic Watts to the 29 yard line where a handoff from Gonzales to Hamilton was blown dead as an incompleting forward pass. This led to a 3/14 situation for the Mules on their 29 yard line and Gonzales booted the ball for a 38 yard punt to the 44 yard line of the Cats. That's as far as that went, because Thurman Coleman was there for the Mules, covering all the way.

The Cats took over the ball on the 44 and were covered at every turn by Flowers, Gleason, Shaw, Coleman, and a raft of virtual sea of Mules. The Cats did manage to get a first down out of the series, and were on the 35 yard line of the Mules and threatening with inches to go on a fourth down. Well, fans, the Mules blitzed, held the Cats and drove them back

a little in the bargain. This was a super effort by the defensive squad of the Mules.

With 2:08 left in the game, the Mules took the ball on their own 34 and Paez picked up ten yards; after being drilled by some Cats, breaking tackles and side-stepping blocks, he got up and kept going still, putting out a tremendous effort. On the next play with 1:50 left in the game, Gonzales let fly with a pass from the 44 yard line to Darin Shaw where Shaw again made a super catch running and catching from behind. All in all, picking up 35 yards on the pass and run play. Shaw was a little shaken on this play, but still clung to the ball. This set the Mules up again for a first down play on the 35 yard line. Paez picked up 19 yards in the next two plays and put the Mules into scoring territory on the two yard line on First and 10. Gonzales pulled a quarterback keeper and went into the endzone vertically for a big six points. Alvarado put a super kick into the PAT sending it up over the uprights and way into the endzone for the extra point, giving the Mules the 21-14 over the Dimmitt squad. Macario Reyes, who was playing with a slight injury was a little shaken on the play but went off the field on his own steam.

With 35 seconds left in

the game, Alvarado booted a kickoff from the 45 following a penalty to the Cats on a 'after kick' offense call. Alvarado put it on the eight yard line where Bill Johnson, Cats wingback, fielded it and brought it back to the 21 yard line. In the first down, Coleman for all intents and purposes, 'killed' the quarterback, Guzman, on the 21 yard line with Perry Flowers waiting in the wings for the pass. Also, on the next play, a 2/10 situation, Shaw was withing inches of making a big interception with the same kind of running and handling that he had displayed all night. On 3/10 then, Coleman again dropped the quarterback for a nine yard loss, after the Cat's Gonzalez fell into his own quarterback. Wuerflein was on stand-by call for the play and with nine seconds remaining forced the 4/19 situation to a halt when Guzman on a last ditch attempt to pass missed Dwight McDonald, turning over the ball to the Mules on the Cat 11 yard line. With time for one play left, Gonzales merely fell on the ball ending the game with the Mules victorious over the Dimmitt Bobcats to the tune of 21-14.

## Livestock Virus Disease Warning Issued

A non-fatal virus disease affecting cattle, horses, and swine, has been reported in New Mexico and three other states, and Texas livestock producers should be on the alert for possible outbreaks, according to Dr. James Armstrong, veterinarian for the Texas Agricultural Extension Service, Texas A&M University System.

The disease -- Vesicular Stomatitis -- have not yet been reported in Texas, but it could occur, Armstrong said. Symptoms include increased temperature and blisters in the mouth and soles of feet. Animals become dehydrated and lose weight, he said.

"Human infection can occur in areas where the disease is prevalent," Armstrong said. "A veterinarian should be contacted immediately if the disease is suspected."

A laboratory diagnosis is required to accurately identify the disease. The symptoms are similar to foot and mouth disease, Armstrong said.

Vesicular Stomatitis was first reported to federal officials in June. The majority of infected animals are in Colorado, but Arizona and Utah have also reported the disease.

"Reports from New

Mexico indicate thousands of horses and hundreds of cattle have been affected," Armstrong said. "Canada has requested the U.S. Department of Agriculture not to certify cattle, horses, sheep, goats or pigs from states with the reported disease."

## Economic conditions creating job market for agriculture grads

COLLEGE STATION — The sagging economy, which has forced thousands of American farmers out of business and resulted in declining enrollments in the nation's colleges of agriculture, will ultimately create good opportunities for future farmers, says the dean of agriculture at Texas A&M University.

"Although the current depressed economic condition discourages students from looking at agriculture as a career option," says Dr. H. O. Kunkel, "the situation should create substantially increased needs for agriculturalists within the next decade."

Kunkel said a national manpower assessment study conducted by the U.S. Department of Agriculture's Office of Higher Education indicates a shortage of trained professionals in agriculture will occur by 1985. He said if agriculture enrollment continues to decrease, serious manpower shortages could be acute by 1990.

**POSTER WINNERS...**1982 PTA Halloween poster contest winners were announced Thursday, at both Mary DeShazo and Dillman Elementary Schools. The posters will be posted at the Civic Center. Winners in the second grade are Back row (l-r), Jason Burreson, third; April Hugg, second and Brian Wilhite, first; center row, First graders (L-R), Lori Huges, third; Aaron Buxkemper, second and Casey Fstep, first. Front row, kindergarten (L-R), Heath Eagle, third; Tiffany Copley, second and Jodie Foster, first.

**HALLOWEEN TIME...**Victoria Hendricks, Wanda Lewis and Les Irwin were the judges of the Halloween poster contest at Dillman and Mary DeShazo Elementary Schools. Contest chairman was Linda Marr. Contest winners pictured included (L-R), Michael Pedroza, a third grader won third; Kent Olivar, fourth grader, first; Kimberly Grisby, fourth grade, second place; Tracey Gray, third grade second place; Laura Arzola, fourth grade, third place. Not pictured, Shea Wiibanks, third grade, first place.

**Cindy Purdy Elected To State Office**

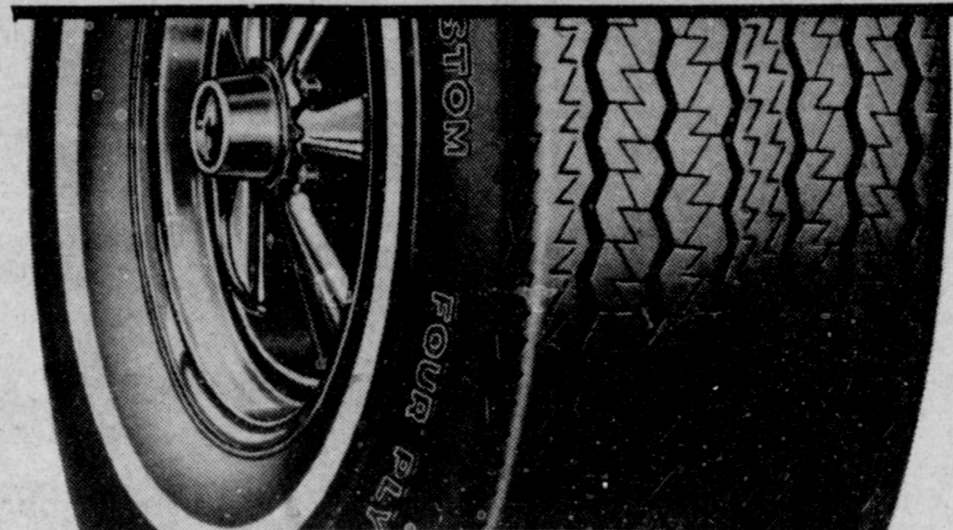

Cindy Purdy, co-owner of Hawkins and Purdy's School of Dance and Gymnastics, was elected to the state office of secretary of the Gymnastic Association of Texas meeting this past weekend in San Antonio. Mrs. Purdy will represent the state of Texas for the 1982-83 gymnastics competitive year. Sheri Hawkins and Coach Drew Oberbeck also attended the meetings at

G.A.T. and everyone attended a seminar given by Coach Dick Mulvihill who is Tracy Talavera and Julianne McNamarra's Olympic Coach. G.A.T. was represented by each club that has a gymnastics program in Texas and also representatives from the United States Gymnastic Federation. Somehow it must be said that the taxpayer is numbered about the fittest. Under the toughest conditions, he manages somehow to survive. -Grit.

**did you know?**

SPS helps our communities attract new industries and new businesses. We help by advising and working with teams of local leaders who are bent on recruiting the new employers. And we help even more by providing plentiful, economical, and reliable electrical service. That's extremely important to prospective industries. Because of increasing dependence on computers, precision electric tools, and automated machinery, a dependable supply of electricity is fast becoming the single most critical factor in the search for suitable industrial locations.

Jon Krebs, Manager Area Development, Amarillo.

About 8% of all the energy used in the United States goes into running electrical home appliances. So appliance use and selection can make a considerable difference in home utility costs. Buying an energy-efficient appliance may cost a bit more initially, but that expense is more than offset by reduced operating costs over the lifetime of the appliance. Call us. Our consumer services home economics representatives will gladly provide you with information about buying and using efficient appliances.

Connie Moyers, Consumer Services Representative, Home Economics, Clovis.

The logic is airtight. Weatherstripping around doors and windows, caulking in the cracks, extra insulation in the walls and ceilings, and use of space heaters for warmth, all lower heating bills and conserve energy. Contact Southwestern Public Service Company if you'd like help discovering ways to increase the energy efficiency of your home. Our trained energy auditors will be glad to make an inspection and recommend ways to conserve energy.

Lester Brown, Manager, Ralls.

For answers to your questions, call or write your SPS manager.

## Lullaby Shower Fetes Mrs. Stephanie Barrett

Mrs. Stephanie Barrett was feted with a lullaby shower Saturday, October 9 from 10 to 11:30 p.m. in the home of Dani Heathington.

Guests were greeted by Mrs. Heathington, Mary Janice Brantley and the honoree.

Norma Seymore and Margretha Taylor served assorted breads, coffee and lemonade from wicker serving baskets.

The honoree's corsage consisted of yellow carnations with baby pins and ribbons of yellow, pink and blue.

Special guests included Mary Janice Brantley, mother of the honoree; Virginia Barrett, mother-in-law of the honoree; the honoree's grandmothers, Ruby Brantley and Myrtle Puckett; Joyce Scott and Rhonda, Suzan Wheeler and Bren-

na, Shawn and Crystal.

The hostesses gift was a high chair. Hostesses for the occasion included, Savannah Killough, Wanda Shafer, Pat Seymore, Norma Seymore, Maxine Donaldson, Imogene Tiller, Margretha Taylor, June Gore and Dani Heathington.

### WOTS Weekly Meeting

Kay Madry and Lois Martinec were the hostesses for the October 14 WOTS luncheon, which was held at Summit Savings and Loan community room.

Del Aycock was presented a bud vase and silk rose along with a birthday card. Her birthday was October 10.

Two WOTS ladies are hospitalized, they are Shelly Pickering and Pam Thomason.

Hostesses for the October 21 luncheon will be Bettie Moore and Lydia Wright.

Members present included Mildred Williams, Bettie Moore of Earth, Karen Mason, Kay Madry, Kay Moncrief, Pat Mudford, Alice Phillips, Kathy Railsback, Nora Flanary, Bert England, Lydia Wright, Deanna Rasco and Jason, Lois Martinec, Dell Aycock of Sudan, Ramona England of Sudan and Donna Noriega.

New members are Margaret Quintana and Joseph. Mrs. Quintana's husband, David works for S.P.S. and they live in Earth. Adelia Jones was a guest.

For additional information on WOTS you may call either Mildred Williams at 272-5260 or Lois Martinec at 272-3019.

## Fireman Of The Year Named At Sudan

Members of the Sudan Volunteer Fire Department and their families met Saturday evening for a dinner in the Community Center.

Darren Provence, MC for the evening, announced those receiving one year pins, which were Rick Gipson, and Sam Miller. Those receiving five year pins were Mart Davison, Bob Phillips, Craig Doty who is also an active EMT and Larry Bellar. Receiving 10 year pins were Bob Summer, also an active EMT, Donald Powell and Kermit Whitten.

The "Fireman of the Year" award was presented to Rick Hall, who is also an active EMT. His parents, Mr. and Mrs. Theron Hill presented the plaque to him. This honor is selected by secret ballot each year.

The Fireman's Ladies Auxiliary president, Ann Hill, then presented the

MRS. STEPHANIE BARRETT

## XI Omicron XI Met Tuesday In Saylor Home

XI Omicron XI met in the home of Marilyn Saylor Tuesday, October 5 with Judy Wilbanks serving as co-hostess.

A meal of Mexican food with blackberry wine cake, tea and Cokes were served.

Rituals were conducted for Joan Lewis by Gayla Toombs. The business meeting was conducted by the president, Lindy Schuster.

Judy Wilbanks gave a program on Halloween and how it originated. Joan Lewis drew the door prize, which was a blue ginger jar.

Those present were Anita Allgood, Vicki Black, Pat Black, Joan Lewis, Linda Marr, Cindy Purdy, Marilyn Saylor, Lindy Schuster,

Gayla Toombs, Rickie Warren and Judy Wilbanks.

Fire Marshall, Orville Hill, with a check in the amount of \$1300 that the ladies have earned from bake sales and sales of their cook book. This is to go toward the purchase of a new firetruck.

Linda Summer, spokesperson for the Auxiliary, told of achievements done by Ann Hill, naming her the "Outstanding Member of the Auxiliary", and presented her a plaque for this.

Guests included Shirley Martin, Joe and Gordon, Mr. and Mrs. Mark Baker and Kristen of Lubbock, and Mr. and Mrs. Scott Churchman and Scott and Mrs. Ila Ruth Gilreath. Also, Mr. and Mrs. Neal Perry and Pat and Sharon Payne of Ruidoso, N.M., who were visiting Mr. and Mrs. Ansil Locke and Janies.

## Katheline Elrod Muleshoe Art Association Guest Artist

The Muleshoe Art Association met Tuesday, October 12 at 2 p.m. in the community room of the Muleshoe State Bank.

Mildred Williams, president, called the meeting to order. Minutes of the previous meeting were read by Juaree Smallwood. Betty Embry gave a financial report and Cora Juan Schuster explained the lease program.

Each member is asked to take one or more paintings to the next meeting. These will be leased by the finance committee to local or area business people or to homemakers for their home. These paintings will be leased for \$15 each, for one year.

If a leasor wishes to purchase the painting the \$15 may be applied to the purchase price. This is the way the Muleshoe Art Association sponsors the annual spring show and the guest each month.

One of the local artist,

Velma Davis has been honored by being asked to hang 40 paintings in the college library at Portales, N.M. for a month.

The guest artist, Katheline Elrod, painted a watercolor painting of an old house for the program of the day. She also paints in oil. Mrs. Elrod is from Lubbock.

Members attending included Hazel Nowell, Roxie Hoover, Velma Davis, Louva Kersey, Ruth Bates, Theda Cobb, Betty Embry, Juaree Smallwood, Ginnie Seifert, Mildred Williams, Beth Watson, Cara Juan Schuster, Geneva Lemons, Ann Vinson, Dana Arnold.

Three visitors, Katheline Elrod, Mrs. Dick Wagnon and Mrs. Willims were also present.

Facts are better than dreams, if pleasant.

The average student takes too long to learn too little.

KATHELINE ELROD

Jersey, a knitted fabric, is so called because it was originally produced on the island of Jersey, in the English Channel.

## Sudan Holds 30th Annual Homecoming

The 30th annual Homecoming for Sudan Ex-students and Teachers activities have been set for Friday November 5th at 7:30 p.m. when the Sudan Hornets will meet the Lazzbuddie Longhorns at Hornet Stadium for the game.

Activities on Saturday, November 6th will begin with a tour of the newly constructed high school classrooms and remodeled grade school. This will be from 3:00 p.m. - 6:00 p.m. which will be conducted by the Student Council members.

Registration for the homecoming will be from 6:00 - 7:00 p.m. with a reception given by the Sudan Chapter of Future Teachers of America.

The meal will be served by the Band Parents Organization with classes recognized at 7:00 p.m. Classes to be honored this year are 1932, 1942, 1952, 1962, 1972 and 1982.

Contact members of your class whose address you may have or check with Jane Netherland P.O. Box 24, Sudan to make sure the committee has the correct mailing address for your classmates.

"Everyone needs to make sure to tell your classmates and make this the best Homecoming ever," said Evelyn Ritchie.

**Theda Cobb  
Named Library  
Artist Of Month**

Theda Cobb of Clovis, N.M., has been named October "Artist of the Month", at the Muleshoe Public Library. Some of her paintings will be on display for a month.

Mrs. Cobb began painting eight years ago when she moved from Fort Worth to Clovis. Although she paints in all media watercolor is her favorite.

She is a member of Pintores in Clovis and the Muleshoe Art Association. Some of the well known artists she has studied under include Stephan Kramer, Dr. Kincaid and Ben Konis.

Her husband, D.C. Cobb, is employed by General Dynamics. They have three children, Roland Cobb of Fort Worth, Candace Castillo of Arlington, Va., and Richard Smith of Dallas, the two grandsons.

THEDA COBB

**TOPS Club  
Chapter 34**

Muleshoe TOPS Club chapter No. 34 met Thursday, September 30, in the meeting room of Bailey County Electric with Clara Lou Jones, leader, in charge.

The TOPS pledge was recited and the fellowship song sung. Clara Crain called the roll with 16 members present. Minutes of the previous meeting were read and approved.

Lou Knowles was named weekly best loser. First runner up was Skeet Bradshaw and second runner up was a tie between Lena Gartin and Clara Lou Jones.

The meeting was closed with the singing of the goodnight song.

TOPS Club chapter No. 34 also met on Thursday, September 23, with Clara Lou Jones in charge of the meeting. Following the singing of the fellowship song and the TOPS pledge, Evelene Harris called the roll with 16 members present.

Weekly best loser was Rose Sain. First runner up was a tie between Lou Knowles and Evelene Harris. Second runner up was Ruth Clements.

**Sudan TEL  
Class Holds  
Salad Supper**

Members of the T.E.L. Sunday School class of the Sudan First Baptist Church held their October social, Tuesday, October 5, with a salad supper in the fellowship hall of the church.

Alma Burnett gave the opening prayer and Ouida Parrish presided over the business meeting. Following the meal, the ladies worked on their new year books.

Attending were Ida Rene DeLoach, Thelma Vinson, Ayla Sturdivant, Rosie Snow, Grace Patterson, Hazel Savage, Marie Beckett, and Louise Parrish.

**YOU HAVE TIME TO PLAY & WIN THOUSANDS OF INSTANT WINNERS MUST BE AGE 16 OR OVER TO PLAY**

### Deposits, Loans Up

*Cont. from Page 1*

down for the year by \$184,958 when 1982's figure of \$5,843,796 was compared to 1981's figures of \$6,028,754. A spokesman for the bank reported that a number of agricultural loans had been moved to the FmHA, but that the Farwell bank had handled a lot of subordination loans for farmers.

Most bank officials consulted during the compilation of the eight bank report, indicated from fair to no crops and expressed doubts as to the ability of farmers to repay farm loans. While some will be paid in part, some will have little or nothing with which to repay this year. Several bankers indicated that the general outlook, however, was better this year and felt that a 'turn-around' would be forthcoming within the next two years. One banker particularly commented that farm prices would have to become more desirable before any change could occur. Most of the area towns surveyed depend upon agriculture and related businesses for their economic mainstay.

Total deposits for the Citizens' Bank at Earth for the period ending 9/30/82 reached \$10,789,473, which was up by \$1,326,473 from the \$9,463,000 of September 30, 1981. Loans at the Earth bank were down by \$828,247 at the close of business 9/30/82 with the total loans resting at \$8,060,247 for 1982, in comparison to \$7,232,000 in September, 1981.

Deposits at the Friona State Bank, which were the largest of the eight banks, showed \$37,779,312 at close of business September 30, 1982. Comparing the 1982 figure to 1981's of \$35,026,000, Friona State is up in deposits by \$2,753,312. Loans for 9/30/82 in Friona amounted to \$26,699,486 up by \$5,780,486 from the \$20,919,000 of September 30, 1981.

The First State Bank of Bovina, at the close of business 9/30/82 reported \$12,857,284 up by \$949,927 in deposits from the \$11,907,357 reported for the same period in 1981. Loans at the Bovina bank for 9/30/82 were \$9,515,134, as compared to \$8,147,366 in 1981 at the same time. This shows an increase of \$1,367,768 for the year's period at the Bovina bank.

In the last of the eight banks surveyed, the Sudan First National Bank reported a decrease in deposits of \$2,259,100. At close of business on September 30, 1982 total deposits were \$8,324,000 and when compared to the 1981 deposit figures of \$10,583,100, reflected the deposit decrease. Loans at the bank, however were up, showing \$2,406,000 for 9/30/82 as compared to \$2,298,361 in 1981--an increase of \$107,639.

Consumer loans not expected to decrease yet.

Reagan calls for abortion restrictions.

### New Airport

*Cont. from Page 1*

The items of development contained in the first FAA grant offer do not constitute a functional airport system. The following additional items of development are required as a minimum to render the facility operational under the staged requirements set out in the master plan:

Aircraft apron, access road, perimeter fencing, and medium intensity lighting system including runway edge and threshold lights, lighted wind cone, airport beacon and related vault equipment and primary service. All of these are set forth in the Engineer's report by Mr. Cook.

According to records, the City of Muleshoe began looking at improvements to the present Edward Warren Field in the early 1970's, which were opposed to mainly because of encroachment of residential and commercial areas of development. These elements made it impossible to expand the existing airport. And, according to Dave Marr, City Manager, these findings were documented in the Airport Master Plan Completion in July, 81.

The proposed new airport location is approximately 4.7 miles south of Muleshoe on Highway 214 and 1/2 mile east on property

Cont. from Page 1 german sausage, and all the trimmings. Slaton's Famous German Sausage will be sold for \$2.50 per pound.

The Catholic Daughters of America will also hold their annual bazaar at St. Joseph's school...The variety of homemade goodies, Joseph's school...The country store will feature a variety of homemade goodies, while the bazaar specialties in fancy handicrafts... Also drawings will be held at 4:00 p.m. for a cedar chest, three quilts, and a baby quilt. It's all here in Slaton, on November 7th.. 20th and Division, Slaton, Tx.

### Treadwell Campaign

*Cont. from Page 1*

my part-time job as a nurse with a home health agency and at the law office, I am constantly asked, 'Where is my tax money going?' The County Budget shows some of these excesses we as taxpayers are obligated to pay for.

As County Treasurer, I would, of course, not have the authority to correct any of these excesses, but I would be in a position to insist that the salary of this office be decreased to a less embarrassing figure. I cannot see the logic in having a clerical position pay nearly as much as our County Sheriff's job, upon whom we depend for 24-hr law enforcement.

I am offering you competent service and I intend, if elected, to do my part to put things back in perspective with regard to runaway spending on the County level. I am asking for a salary decrease! Its time we break up the conspiracy that mandates that county personnel 'take care of each other.' Let's look at the job and what it warrants, and also, let's have a peak at what we have available to spend and to what better uses our tax money could be put. I would suggest that with extra money taken off of the County Treasurer's salary, we update the Sheriff's de-

partment, including salaries, or provide extra money to those County positions deserving an increase, but passed over due to the 10 years of raises the Commissioners Court has provided for themselves. This money could be better spent. I would appreciate your vote.

/s/ Jean Treadwell

### Local Woman's Sister Dies In Morton

Services for Begnina Bautista, 53, of Morton were held at 2 p.m., Thursday, October 14, in the Spanish Mission Baptist Church of Morton, with the Rev. Hugo Avila, pastor, officiating.

Interment was in Morton Memorial Park under the direction of Morton Funeral Home. Mrs. Bautista died at 8:15 a.m., Tuesday, in Methodist Hospital in Lubbock.

She was born on January 24, 1929, in Colorado.

Survivors include her husband, Joe, of Morton; four daughters, Aurora Dominguez and Lucia Lovington, both of Hereford, De-lore Acosta of Plains and Ana Marie of Morton; two sons, Joe, of Morton and Arnold of Levelland; five sisters, Pilar Soliz and Dominga Artega, both of Morton, Annie Flores of Muleshoe, Patsy Gonzales of Nebraska, and Concha of Arizona; two brothers, Augustine Sabala and Esperion Sabala, both of Morton; her mother, Prinedad Sabala of Morton; and five grandchildren.

### Sudan CofC Meeting Held Tuesday

The Sudan Chamber of Commerce met Tuesday night October 5 at the First National Bank. President, Terry Tennyson presided over the meeting.

Several items of business were discussed. Plans are beginning to be made for the Chamber of Commerce Banquet to be held some time in the spring. The theme for the banquet will be "Community Participation in Action".

More information will be published later on this.

The Gazebo is nearly completed and many clubs and organizations and businesses have donated to this project.

Everyone is welcome to come and attend these meetings held each month. All are needed.

### Houses of the past are shown to be most energy efficient

COLLEGE STATION -- A return to the architectural standards of the pre-1940s would be a step forward in energy efficiency, says a Texas A&M University architecture expert.

In the days when cool air came with a change of the seasons rather than with a flip of a switch, architects knew how to design buildings that stayed relatively cool on their own, said R. D. Reed, a professor of architecture and a member of the American Institute of Architects (AIA) national energy committee.

The committee is conducting a \$1.5 million program to re-educate the nation's architects regarding how to design more energy-efficient buildings. So far, more than 3,000 architects have participated in special workshops that are scheduled to continue through 1983, said Reed, one of 18 workshop instructors across the country.

**BRICK UPON BRICK**

Quickly and accurately this workman lays the bricks in this wall. He knows that the manner in which he lays bricks will determine the strength and beauty of the completed wall.

Day by day we build our lives in just the same fashion as the bricklayer builds his wall. What we put into our lives and the way in which we do so will make us what we are to become. No worthwhile life can be built without the stone of faith and the mortar of love, all of it crowned by hope. The Church has specialized in these three essentials of life for centuries.

Go to Church Sunday and begin to learn from the only Masterbuilder, God our Creator.

**Scientists seek cure for oak tree blight**

COLLEGE STATION — A team of federal, state and university scientists has joined forces against the blight that is killing thousands of beautiful oak trees throughout Central Texas.

Pathologists and entomologists from the Texas Forest Service, Texas A&M University and the U.S. Department of Agriculture Forest Service, are collaborating in an effort to find a cause and, they hope, a cure for the oak problem.

The scientists say it is unclear what disease or set of diseases is causing the problem. Two potential culprits which are caused by a fungus, oak wilt and oak decline, have been implicated.

"No doubt other diseases are involved in this complex problem," said project coordinator Dr. Ronald F. Billings of the Texas Forest Service.

**Driver education doesn't turn out perfect drivers**

COLLEGE STATION — High school driver education courses are useful in teaching youngsters the basics of safe driving, but it is unrealistic to expect the programs to turn out perfect drivers, says a Texas A&M University safety education professor.

"That's where driver education has gotten into trouble — by saying it can guarantee students won't have any accidents," said Dr. Maurice Dennis, director of the safety education program in the university's Department of Industrial Education.

By Evelyn Ritchie

Visiting last week in the home of Dorothy Jones were her aunt and uncle, Mr. and Mrs. C.T. Mayo of Stockton, Calif. They also visited with Mr. and Mrs. Roy Bacus and Mrs. J.V. Hill.

An FHA meeting was held Monday night, Sept. 20, with officers being installed for the 1982 - 83 year. Dora Black was installed as President; Sandra Hill - Vice President of Programs; Danene Cox - Vice President of Recreation and Historian; Tammy Gore - Sec./Treas. and Reporter; and Sherri Powell - Parliamentarian.

Band practice is being held on Tuesday nights. Come on and attend these practices so we can have a Sweepstake band again!

Pep rallies are held each Friday at 3:25 in the gym. Come on out and back the Hornets to victory!!!

Attend Booster Club on Monday nights at 7:30 in the school cafeteria.

Junior High pep rallies are held on Thursdays at noon. Back the Hornets.

Keevan Masten was elected 1982-83 FHA Beau and Jamie Ingle was elected FHA Buddy.

Mr. and Mrs. Wilson Drake of Dobbins visited this past week with his brother, Mr. and Mrs. Bob Drake.

Mr. and Mrs. Marvin Warren of Dallas visited Tuesday and Wednesday with her aunt and uncle, Mr. and Mrs. R.C. Williams. Mrs. Warren is the former Trina Williams.

Janet Nix, a student at Texas Tech, was home during the weekend to visit her parents, Mr. and Mrs. James Mike Nix and girls.

Lee Markham, a student at SPC, in Levelland, spent the weekend at the home of his parents, Mr. and Mrs. Bobby Jack Markham. The Markhams have moved their house in to town and it's located at Ave. N and Highway 303. They hope to get it finished and moved into in the near future.

Bob Newton received word that his brother-in-law, Jimmy Barns, had a stroke and he went to be with him and his sister, at the Methodist Hospital in Lubbock, during the weekend.

Sammie Nichols of Guy-
