## Borden to be host county

Borden County is considered a "safe area" in case of nuclear attack on the United States and would be a "host county" to receive evacuees from the Midland-Odessa area according to present disaster emergency plans being drawn up by the Texas Department of Public Safety.

Jane Van Praag of Austin, nuclear civil protection planner, spoke before the Borden County Commissioners Court on this subject at the regular Commissioners Court Meeting Monday, January 12.

Ms. Van Praag distributed 34-page booklets

entitled "Nuclear Civil Protection and Crisis Relocation Planning" to members of the court, and press.

Ms Van Praag said there are 33 probable target areas in Texas in case of nuclear attack with five of them in category 1, which are strategic military installations.

She pointed out it would cost an estimated \$70 billion today to provide adequate fallout shelters for the entire U.S. population.

While Russia is spending several billion annually for fallout protection for its civilian population, the United States is not even close to a shelter

construction program and is spending but \$100 million annually for civilian defense planning, she said.

The distributed booklet says "at the current level of effort, we estimate completion of the initial planning cycle in nuclear civil protection planning by the late 1980's or possibly a little longer. By that time, the plans first completed would need review and updating."

As a host county, Borden residents would not be asked to take people from the target areas into their own homes, unless they volunteered to do so. Evacuees would be billeted in public and business buildings.

## Draft registration underway in Borden County

Five 18-year olds of Borden County registered here last week for the draft, Postmaster Nicolai Lackey announced.

There has been no protest or any ill feelings displayed, she added.

Federal law requires that all men born in 1962 must register. Registration may be done at any postal service not just his home post office.

Registration began nationwide last Monday and will continue through January 16.

The postal service has nothing to do with the draft or registration other than provide a location and aid in filling in the registration cards.

The week of January 5 1981 was set aside for individuals born in 1962, but beginning January 1981, every male U.S. resident or alien residing in

the USA will be required to register with Selective Service within 30 days before or after his 18th birthday. These forms are available at all post offices, also, available on a continuous basis are Change of Information Forms, in

case registrants need to change their address in the Selective Service files.

The local post office is open from 8:00 a.m. until 4:00 p.m. Monday thru Friday and 11:00 a.m. until 1:00 p.m. on Saturday.

## 5 persons sentenced in Borden

Five guilty pleas were entered Wednesday in Borden County.

Pleading guilty to charges of theft were Wade Reynolds of Odessa, Jim Bob Parvin of Gardendale, and Julian Lee Hudgins of Big Spring. The three men are alleged to have stolen merchandise from the home of Richard Hodnett May 16, 1979.

Each defendant received a five-year probation, fined

\$500, and ordered to make restitution.

On charges of criminal mischief, guilty pleas were entered by Randy Lee Waldon of Carlsbad, N.M., and Preston Joel Bleak of Lovington, N.M. They are alleged to have killed one head of cattle last Aug. 11 owned by Bill Wilson.

Each received a three-year probation, fined \$300, and ordered to pay restitution.

Mrs. Jim McLeroy  
Nee Charlotte Emerson

## Vows Exchanged

The chapel of Highland Baptist Church, Dallas, Texas was the scene of the wedding ceremony uniting Charlotte Emerson and Jim McLeroy December 27, 1980.

Steve McMeans, pastor, read the 7:30 p.m. candle light service before an embankment of greenery, white pedestals topped with fern and floor standard candelabra. Steve is the son of Mr. and Mrs. Mickey McMeans of Gail and was a classmate of the grooms in High School.

The bride is the daughter of Mr. and Mrs. Alvin J.

Lage of Dallas. Parents of the groom are Mr. and Mrs. James McLeroy of Gail.

The bride chose a gown of silk organza fashioned with long sleeves and a natural waistline. The scoop neckline was appliqued with lace and seed pearls, as were the sleeves. The long skirt fell in a short chapel train.

The brides short veil fell from a western style hat of starched silk organza pinned on the left side with a cluster of silk roses. She carried a nosegay of white roses.

# Borden County School News

The Junior High Girls A Team won the Grady Tournament over the weekend and brought home this beautiful trophy. Team members are Back Row-Kelli Williams, Shawna Vaughn, Tanya Hollis, Becky Massingill, Shana Bradshaw. Front-Nancy Martinez, Jeanette Massingill, Mary Washington, Rhonda King, and Samantha Porter.

## Jr. High Girls Win Grady Tourney

Holding three opponents to a total of 38 points, the Borden Junior High took first place in the Grady Tournament. First victim of the Lady Coyotes was Forsan who fell to Borden 46-14. Riding on a 22-8 halftime lead, the Coyotes were never challenged the second half as they reeled off 16 third quarter points. Shana Bradshaw led the victory with 16 points closely followed by Becky Massingill with 10. Shawna Vaughn and Tanya Hollis each had 6 and Jeanette Massingill and Mary Washington contributed 4.

The next team to fall at the hands of the Coyotes was rival Klondike. Shana Bradshaw banged home 21 points to lead the 39-14 win. Becky Massingill, Tanya Hollis, Kelli Williams each Jeanette Massingill, and Nancy Martinez each had 2.

In the finals, a cold shooting Coyote team had to rely on strong defense to defeat the host team, Grady, 20-10. A fairly balanced attack aided Borden as Shana Bradshaw, Becky Massingill, Shawna Vaughn, Kelli Williams, and Tanya Hollis scored 7, 4, 4, 3, and 2 points

respectively. The Junior High Lady Coyotes and their coach would like to thank all fans who followed them throughout the tournament.

-s- Coach May

## Coyotes Lose District Opener

The 'poor first half' jinx that has plagued the Borden Coyotes boys all season proved to be fatal again last Tuesday. The Sands Mustangs jumped out to a 34-19 halftime lead and then held on to defeat the Coyotes 59-43. The last half the Mustangs outscored the Coyotes by only 25-24.

Poor shooting from the field (31 percent), and free throw line (147 percent),

along with 20 turnovers also played a major part in the loss.

Junior Benavidez played one of his best offensive games of the season and led the Coyotes with 11 points. Jym Rinehart had 10, Bart McMeans 9, Troy King and Mike Peterson 4 each, Kevin Telchik 3, and Keith Martin 2.

The Coyotes play Dawson at Welch Friday and Loop at home on January 13.

## Jr. High Boys Lose to Forsan

The Borden Junior High Boys lost two games in the Grady Tournament this past weekend. The first game saw Forsan beat the Junior Coyotes 38-10. In that game, Dennis Buchanan and Bric Turner shared high point honors with 4 each. Mickey Burkett and Kirby Williams rounded out the scoring

with 1 each.

The second game saw the Loop Longhorns hold off a furious second half Coyote rally to win 25-23. The Junior Coyotes behind Chris Cooley's 9 points outscored Loop 23-12 the last three quarters but it was too little, too late. Jerry Green and Kirby Williams added 6 points each and Mickey Burkett 2.

## Jr. High Takes Two from Klondike

After being held scoreless the first quarter, the 'B' team of Borden came back to overcome Klondike 13-4. Sherry Vaughn led the Coyote attack with 10 points. Dana Gray added 2 points and Cindy Balague added a free throw to round out the scoring. Other members of the team included Cathy York, Julie Ridenour, Kristi Stone, Debbie King and Dana Douglass.

In the Jr. High game, Borden ran its season

record to 8-0 and district record to 4-0 with a win over Klondike A team. Borden jumped out to an 11 to 5 first quarter lead and never trailed and then went on to a 33-23 victory. Becky Massingill led all scorers with 17 points and Shana Bradshaw added 12. Kelli Williams and Tanya Hollis each contributed 2 points to the win. Next action for the Junior High Coyotes will be Thursday, 10:15, against Wilson in the New Home Tournament.

## Cold Coyotes Lose To Dawson

The weatherman had forecast cooler temperatures, but the Borden Coyote boys ran into an old fashion 'blue norther' at Dawson Friday night. The Coyotes could only muster 31 points on 12 of 68 field goal attempts and 7 of 23 free throw attempts. That figures out to a frigid

17 percent from the field and 30 percent from the line.

The final score was 52-31 after the Coyotes could only score 10 points the second half.

Bart McMeans connected for 10 points to pace the Coyotes. Jym Rinehart had 8, dJunior Benavidez 5, Troy King 4, Van York and Sam Williams 2 each.

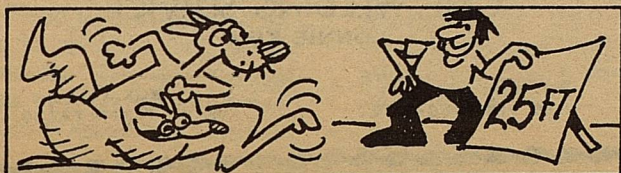

## Borden Tops Sands

A strong first half, which saw Borden jump out to a 36-14 lead, helped to buy the Coyotes a 2-0 district record.

Four players landed in double figures with Talley Griffin leading the way with 22 points. Gena Faught was next with 12 points followed by Jana

Edwards and Gena McLeroy with 10 points and Gayla Newton with 6 points.

Borden jumped to a 21 to 6 point lead in the first quarter and led Sands 36 to 14 at halftime while taking the game 60 to 39.

A large-sized kangaroo can cover 25 feet in a single leap.

Nearly 70 percent of the total land area of Japan is woodland.

## FACTS & FIGURES

A recent survey showed that 75 percent of executives think their firms will measure office worker productivity in the 1980s, and 55 percent of the workers favor this measurement.

\*\*\*

Improvements in comfort, 84 percent of executives surveyed in this Harris poll believed, could enhance employee productivity. Most workers say their on-the-job comfort is affected a great deal by a comfortable chair and the opportunity to stretch and move around.

\*\*\*

The study was commissioned by Steelcase Inc., the world's largest manufacturer of office furniture and furniture systems. Founded in 1912, it has become the leader through, people say, innovative design, quality construction and the development of a highly skilled dealer organization.

\*\*\*

Another finding was that the current trend in types of offices is away from the conventional office, and toward pool-type offices or open-plan offices, like the one pictured here. Now, more than a third of the offices surveyed are arranged in this manner.

\*\*\*

If office workers were allowed to select just one piece of furniture, 52 percent would choose a chair; 62 percent of executives would select a desk.

## Boys Play Best Game

The Borden Junior High Boys played what was probably their best game of the season Monday night. Even though losing to Klondike 34-20, the Junior High Coyotes showed desire, hustle, and perhaps a promise of better times ahead.

The Coyotes trailed 24-8 at the half and played good steady ball to outscore the Cougars 12-10 at the last half.

Kirby Williams and Chris Cooley scored 8 points each for Borden and Bric Turner had the remaining 4 points.

## Girls Varsity Skin Dragons

The Varsity Girls team defeated the Dawson Dragons 59-13 on January 9 to boost their season record to 3-0. Talley Griffin led scoring with 14 points, Gena McLeroy followed with 10 points, Roxie Wolf 9 points, Jana Edwards,

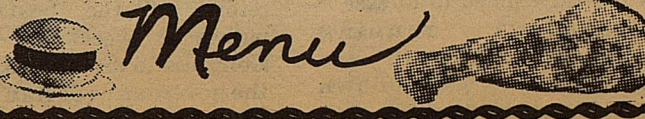

Gena Faught, and Teresa Wimberly each had 6 points. Kay Copeland scored 5 points and Lisa Smith had 3 points.

The girls led 32 to 8 at halftime so the second string played most of the second half.

### LAMESA MUSIC COMPANY

Phone: 806-872-2401 509 S. 1st St.

I'm trying hard to give James Earle Carter, President, credit for trying right down to the last minute of his presidency to effect a release of the kidnapped Americans in Iran. The fact that is appears that he is attempting to expiate their release rather than demand a release rather than demand a release with no strings attached makes it more difficult to give credit. And the fact that the momentum has only recently increased makes it seem as tho Mr. Carter is expiating only for personal acclaim. Even tho the release might be a year too late, the fact that it might be James Earle who accomplished it would certainly be to his credit. He would leave office a hero in the eyes of the naive and trusting folk. Why, he could even turn January 20th into his day once again. It isn't too far fetched to foresee a parade running concurrently with the Inaugural one--down Massachusetts Ave., let's say. There would march the returning hostages--led by ex-president and Mrs. Jimmy Carter--hand in hand. It would be just like four years ago. Red blooded Americans would be hard put as to which parade they should give their undivided attention--paid for seats or not.

I do not mean to make light of the plight of the captives in Iran but it is becoming more and more apparent that they have become political pawns. And this is sickening. It

isn't that James Earle, Pres., wasn't reading The Star a year ago. Many voices were saying the same think, "--get those captives--give Iran 10 days to have them home--or we'll blow up every damn oil field in Iran--." But he obviously was listening more intently to those voices who were advising him to cool it--play it safe--and to cover-up the real reasons for our lack of effective action. According to more and more publications, (Internation Money-Line for one) the principle reason for a cover-up has been financial problems of the Rockefeller Chase Manhattan Bank.

Even if President Carter fails to get the captives home, Jimmy will be remembered for having tried right down to 12 noon, January 20, 1981. And last memories are the lasting memories. But then the job is up to President Ronald Reagan. He can move decisively as Carter was advised a year ago or he can cover-up as apparently carter was advised a year ago.

William Buckley has outlined decisive steps for President Reagan should the situation be his to handle. "Demand the return of the hostages within 2 weeks." "--ask Congress to declare was on the government of Iran"--if the deadline is not met. Mr. Buckley reminds us that a declaration of war is not tantamount to a physical confrontation. But it would give US leverage. All those questionable Iranian assets would be confiscated; Iranian citizens residing in this country could be interned. The hostages would immediately become prisoners of war--just as the interned Iranians would--and they would then know that their country was recognizing that their "continued detention as a casus belli".

Another report I read alluded to a secret meeting between Reagan and his chief advisers in December. The outcome of that meeting is rumored to be that Reagan will move to settle this hostage situation quickly after his inauguration. Further rumor--that those same coverup advisers now fear that unless the revolutionary government of Iran is promptly destroyed, "the truth about Rockefeller's culpability for the crisis will emerge publicly". Well, whatever the reason--or whoever the advisers--The Borden Star or the Trilateralists--let's get the captives home and regain respect for US around the world.

### Hospitalized

Nan (Clayton) Martin has been hospitalized at Highland Hospital in Lubbock for nearly four weeks following an automobile accident.

Nan sustained back and facial injuries when the van she was driving went out of control on an icy road.

Surgery was performed on her back on December 23 and reports are that she is improving although she does not know when she will be released from the hospital.

### Thank You

We would like to thank the Kings for donating the 20 gallons of gas and to all who bought chances and to Frank Herridge for donating the gas after he won it.

Thanks again to all of you.

-s Joe & Sybil Gilmore

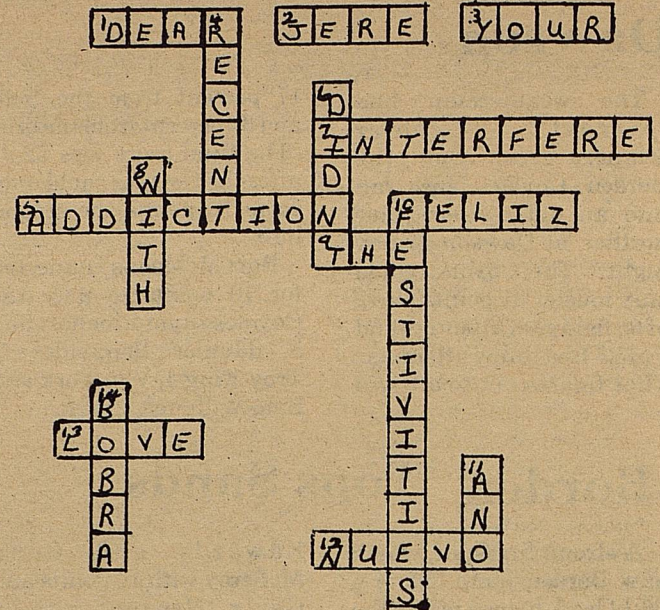

### E.M.S. Meeting

Ten of the eleven EMT's for the Borden County Emergency Medical Service attended a teleconference on Monday, January 5, 1981, from 7:30 - 9:00 p.m. at the Cogdell Memorial Hospital in Snyder. The teleconference was entitled "Pediatric Medical Emergencies" and was presented by John Hellerstedt, M.D., Department of Pediatrics, The University of Texas Health Science Center at San Antonio. A slide presentation depicting several pediatric emergencies was shown during the teleconference.

EMT's attending were Buster Taylor, Bob Bagley, Steve Hillhouse, Dorothy Browne, Frances Burkett, Gerald Boyd, Jim Mac Burkett, Nelva Jones, Carol Lewis and Lisa Ludecke.

**WOOL SWEATER CARE**  
Hand-wash wool sweaters at home to keep care costs down.

Although most woollens require dry cleaning, wool sweaters are an exception.

Before washing a sweater for the first time, trace an outline of it on heavy paper. Use a pencil or pen that will not fade or run when wet.

Label the paper pattern, and keep it to use each time the sweater is washed.

To wash a sweater, use lukewarm water and a mild detergent. Avoid using too much detergent—it's hard to rinse out of the sweater.

Never use chlorine bleach on wool.

Pretreat many spots with a diluted detergent solution.

Soak the sweater for five to 10 minutes, then gently squeeze the suds through the sweater several times. Avoid scrubbing, twisting

or stretching the sweater while it is wet.

Squeeze out suds. Rinse the sweater at least twice in clear, lukewarm water. Handle the garment carefully.

Squeeze out scus water after last rinsing. Lay the sweater on a dry terry cloth towel, and roll the towel up. Let towel absorb water for a few minutes.

Place the paper pattern of the sweater on a dry towel or sweater drying rack. Place the sweater on the pattern, gently shaping the sweater to match the pattern.

Let the sweater dry away from direct heat and sunlight.

When sweater is almost dry, turn it over to allow underside to dry more rapidly. Handle with care, and do not stretch sweater while turning it.

## \$20.4 Million To Cotton Research

Secretary of Agriculture Bob Bergland today approved a 1981 budget of \$20.4 million for a cotton research and promotion program.

This producer-funded program is authorized under the Cotton Research and Promotion Act and is administered by a 10 member Cotton Board appointed by the secretary of agriculture.

Research and promotion projects are designed to strengthen the competitive position of cotton and expand its uses. The projects are planned and carried out by Cotton Incorporated, a producer governed organization under contract to the Cotton Board. Cotton Incorporated is headquartered in New York City and has research facilities in Raleigh, N.C.

The program is funded entirely by producer assessments averaging about \$2.40 per bale. Individual producers who do not wish to take part may obtain refunds of their assessments upon request to the Cotton Board.

P. R. Smith, assistant secretary of agriculture for marketing and transportation services, said the program had provided the industry with many tools for competing with synthetic fabrics and recapturing cotton's share of the textile market. Contributions listed by Smith included:

Marketing of durable press cotton shirts and sheets, and development of additional new durable press products. The cotton industry had lost a considerable share of the market to synthetic fabrics with durable press capabilities.

Development of energy efficient dyeing and finishing techniques for cotton.

Development and marketing of fire-retardant cotton fabrics for apparel and home furnishings.

A new fiber processing line for non-woven cotton suitable for medical uses and personal care products.

Marketing projects that encourage mill and manufacturers to use more cotton.

Effort to expand the export market for U.S. cotton.

The program has also funded intensive research on problems of byssinosis, a disabling lung ailment that affects some workers after prolonged exposure to dust generated in handling and processing such natural fibers as cotton, flax, and hemp.

The Borden Star, Wed., January 14, 1981...5

## WEDDING

Con't from P. 1

Mary Ellen Emerson of Dallas attended her sister as maid of honor. The grooms brother Bob McLeroy served as best man.

Bridesmaids were Dixie Siso, Tulsa gkla., Kathy Kierbow, Houston, and Margaret Andrews of Dallas. They wore formal dresses of pink brick color styled with A line skirts in Organsa. They wore babies breath in their hair and carried small hurricane lamps with pink Sonica roses cascading from the base.

Attending the groom were: Randy Shannon of Midland, Matt Hutchins of Portland, Maine, and Steve Johnson of Kansas City, Mo., John Montgomery of Eules, Tex. and John Lage of Dallas and brother of the bride served as ushers. The male attendants wore gray strollers with pinstriped trousers and gray ascots.

Preneputal music were vocal selections sung by Dixie Sisco, a cousin of the bride who sang a solo and the grooms sifers, Gena and Lisa who sang a duet. Karen Kidneigh, also a cousin sang The Lord's Prayer during the ceremony. She was accompanied by Banny Hutchins on piano and April Montgomery violinist. Gena and Lisa sang "Welcome to My World" following the ceremony.

A reception was held immediately following the ceremony at the Twin Sixties Inn in Dallas.

Out of town guests included Mr. and Mrs. Ben Jarrett and Mr. and Mrs. Mickey McMeans from Gail.

The bride is a 1977 High School graduate. She earned her B.S. degree in Accounting and Marketing

from Texas Tech in 1980.

The groom, a 1975 graduate of Borden Co. High School, recieved his B.S. degree in Accounting from Tech in 1979. Presently he is attending law school at Tech.

After a short wedding trip to Galveston the newlyweds are at home in Lubbock.

Mr. and Mrs. James McLeroy hosted a rehearsal dinner in honor of their son and his bride on Friday night December 26. The seated dinner was held at Ojedas Restuarant in Dallas. Thirty guests attended.

# Courthouse News

The Commissioners' Court of Borden County, Texas, convened in Special Session December 22 in the Courthouse. All members were present.

Minutes of the December 8, 1980 meeting were read and approved.

Operation of the County owned dozer was discussed.

Commissioner Ledbetter made a motion to advertise for bids to purchase a hydraulic controlled ripper and a cab to be used on the Caterpillar D6C tractor, with bids to be opened on January 26, 1981 at 10:00 a.m. Commissioner Rinehart seconded the motion. The motion passed unanimously.

Bids will also be considered for the purchase of a carpet for the courthouse and Extension Offices.

Commissioner Rinehart made a motion to approve the contract with O'Donnell Fire department, and pay the \$500.00 consideration for their services. Motion was seconded by Commissioner Ledbetter. The motion passed unanimously.

Commissioner Smith made a motion to approve the bond of Herman

Ledbetter, Commissioner Precinct No. 1 and Vernon Wolf, Commissioner Precinct No. 3. Bonds are recorded in the Bond Records in the County Clerk's Office.

Commissioner Rinehart seconded the motion. Motion passed unanimously.

Current accounts were examined and the motion carried to pay said accounts.

A motion was made by Commissioner Wolf and passed unanimously to approve Holidays for 1981 according to the following list:

New Years Day, Thursday, January; Washington's Birthday, Monday, February 16; Memorial Day, Monday, May 25; Independence Day, Friday, July 3; Labor Day, Monday, September 7; Thanksgiving, Thursday and Friday, November 26 and 27; and Christmas, Thursday and Friday, December 24 and 25.

A motion was made by Commissioner Smith to adjourn. The motion was seconded by Commissioner Ledbetter and carried unanimously.

## Your County Agent Says by Alan Day

### 4-H YOUTHS PLACE AT ODESSA

Two Borden County 4-Her's recently participated at the Sand Hill Hereford and Quarter Horse Show in Odessa.

Michael Murphy, son of Mr. and Mrs. Brent Murphy, showed two finewool wether lambs. One placed 14th out of 71 in the light middleweight class and the other placed 17th out of 58 in the light weight class.

Kristi Sone, daughter of Mr. and Mrs. Jerry Stone, exhibited a finewool wethers with one placing 20th in the light middle weight class. This was out of 71 in the class.

These two youths should be congratulated on the fine job they did representing the Borden County 4-H program at Odessa.

### PECAN MANAGEMENT SHORT COURSE SCHEDULED

The 1981 Texas Pecan Orchard Management Short Course will be held at the J. Earl Rudder Conference Tower January 26-30 at Texas A & M University.

Registration fees for pecan producers will be \$25.00 per producer or man and wife. Programs for the short course will be available the first of next week in the Extension office. If you need further information call our office, 856-4201.

### CONTROL PHYLLOXERA ON PECANS NOW

It's that time of year again!! Now is the time to control phylloxera on pecans for next years ggmwing season.

Phylloxera are tiny yellow, soft bodies insects that look like aphids and can severely damage pecans if not controlled this time of year. The phylloxera attack leaves, tender shoots, leaf stems, catkins and nutlets.

Phylloxera can be controlled by using dormant oil or the insecticides malathion and phosalone (zolone).

Apply dormant oil at a rate of 4 gallons of 97 percent oil emulsion per 100 gallons of water. Spray prior to bud-break and when the temperature is between 40 degrees and 70 degrees F. Be sure to

thoroughly cover the tree's trunk and branches.

Malathion and phosalone may also be applied at bud-break. Use 25 percent WP malathion at the rate of 3lbs per 100 gallons of water. Apply 34.4 percent EC phosalone at 1 1-3 pints per 100 gallons of water at 3 day intervals until leaves are 1-3 grown or until egg hatch ceases.

Phylloxera overwinter in the egg stage and can be found in protected areas on pecan trees. Overwintered eggs hatch in early spring and migrate to newly developing leaves and twigs. The insects causes galls to form on leaves and branches.

Inside the galls female phylloxera lay many eggs which hatch in just a few days. Adult and nymphs continue to feed inside galls for one to three weeks. Galls then split, releasing phylloxera to migrate and to lay eggs for a second generation. Second

generation females produce eggs which lie dormant on the tree until the following spring.

### LAMESA COTTON CLASSING OFFICE OPEN HOUSE

The Lamesa Cotton Classing Office will hold an open house on January 16, 9181 from 9:00 a.m. to 4:00 p.m.. The location is in the Lamesa Industrial Park, 906 North Elgin, in the northeastern section of Lamesa.

This facility is the most modern cotton classing office in the nation and is the only one that will be classing cotton completely by instrumentation in 1981.

I will be attending the open house and anyone interested in going is welcome to get with me. This will be a great opportunity to see a modern facility and meet the people there at the Lamesa Office.

**1981 UPLAND COTTON PROGRAM PROVISIONS**  
The National program acreage is 14,021,538.

The 1981 target is expected to be between 68.5 and 75.5 cents per pound. The target price will be announced next spring when 1980 yields and estimated production costs become available.

The National loan rate is 52.46 cents per pound.

Deficiency payment, if any, is guaranteed on all planted acreage when the acreage does not exceed the 1980 planted and considered planted acreage.

NCA, offsetting compliance, cross compliance, set-aside, and voluntary diversion will not be applicable for 1981 crop cotton.

**FEDERAL CROP INSURANCE (FCIC)**

You will be receiving a letter concerning FCIC in the near future. We expect to have additional information concerning the FCIC Program, as to the amount of protection available, percent of loss

insurable, established rates, ect., but this information is not available at this time.

**EMERGENCY FEED PROGRAM (EFP)**

All producers with active EFP applications are reminded to timely submit all receipts for feed purchases. Remember, receipts must show kind of feed, weight, price, date delivered or picked up, and be signed by the seller.

It is also your responsibility to report changes in livestock numbers (increases and decreases) and any additional feed or grazing that becomes available.

**FARM OPERATOR CHANGES**

Changes made in farming operations, such as change of operator, sale of land and address changes

should be reported to the ASCS Office in order that our records be kept current.

**1980 WHEAT AND BARLEY**

There will be no 1980 deficiency payments under the wheat and barley programs as the national average price exceeded the target level.

**1980 WOOL INCENTIVE PAYMENTS**

Shorn wool payments are based on a percentage of each producer's returns from sales. The percentage is the amount required to raise the national average price received by all producers for shorn wool in 1980 up to the support price of \$1.23 a pound. Shorn wool prices fluctuated between 82 and 94 cents per pound in 1980.

Producers have until January 31, to file applications for incentive payments on wool and unshorn lambs marketed during the 1980 calendar year.

## Happy Birthday

Last week was cause for celebration at the Vaughn home. Mr. Vaughn celebrated his eighty-fourth birthday.

### DISASTER PAYMENTS

Remember to file ASCS-574, within 15 days from the date harvest is complete. ASCS-503 Record of Cotton Production, should be submitted as soon as warehouse weights are available. Be sure this includes all remnants and any green bolls.

Eligibility for participation in all programs administered by ASCS is established under law without regard to race, color, religion, sex, or National origin.

Very early man had thumbs which were considerably shorter than ours, and thus could not perform delicate manipulations easily.

# Obituaries

## Sarah Ellen Davidson

Graveside services for Sarah Ellen Davidson, 86 of Snyder were held at 10:00 a.m. Friday at the Gail Cemetery with the Rev. David Robertson, pastor of Snyder First United Methodist Church, officiating.

Burial was under direction of Bell-Seale Funeral Home of Snyder.

Mrs. Davidson died at 2:30 p.m. Wednesday at Cogdell Memorial Hospital after a lengthy illness.

She was a Borden County native. The former Sarah Ellen Johnson married Creed Davidson on April 15, 1915 in Gail. He died Oct. 12, 1916. Mrs. Davidson, who lived in Scurry County most of her life, was a member of Snyder First United Methodist Church.

Survivors include a sister, Pearl Kathey Keen of Snyder; a brother, John T. Johnson of Lubbock; and several nieces and nephews.

## LEGAL NOTICE

The Borden County Commissioners' Court will consider bids for the purchase of the following described equipment on January 26, 1981 at 10:00 a.m. in the Commissioners Courtroom in the Courthouse at Gail, Texas:

One Hydraulic controlled ripper to be mounted on the County's Caterpillar D-6C Tractor, Serial Number 99J2285. This Ripper must meet the following specifications: Ripper Beam must not be less than 7' 8" Long, and must be capable of accommodating three (3) Shanks. Maximum penetration must be 21 inches. Ripper must consist of Mounting Bracket, Linkage Assemble, Hydraulic Cylinder, Beam Assembly and three (3) teeth.

One Cab for D6C Tractor with sound package and heater, installed on the county's D6C SN99J2285.

Borden County reserves the right to reject any or all bids.

For Borden County Commissioners' Court -s- Jim M. Burkett County Judge, Borden County

A Texas cat named Dusty copped the kitten record in June, 1952 when she had her 420th.

## Jimmy Proctor

Memorial services were held for Jimmy Proctor, 32, at First Baptist Church in Little River Wednesday with Rev. C.W. Copeland, pastor of First Baptist Church of Flat officiating, assisted by the Rev. Glen Foster, pastor.

Proctor apparently drowned at 2:30 p.m. Saturday on Lake Belton after a collision of two boats.

A veteran of the Vietnam conflict, Proctor was born in O'Donnell and grew up in the O'Donnell area. He was employed at the Veterans Hospital in Temple.

Survivors include his wife, Patsy of Little River; two sons, Jim and Chad, both of the home; two daughters, Dana and Amber, both of the home; his parents, Mr. and Mrs. Jimmy A. Proctor of Big Spring; a brother, Ronnie of Temple; and a sister, Susie Gross of Big Spring.

If you find your initials in the threads of a spider's web, it is said, you will be lucky forever.
