Farmers To Provide Complaints Against McLean Phone Hike

McLEAN — The bulk of complaints against an increase in telephone rates in McLean are expected to come from rural subscribers, Mayor E. J. Lander said this morning.

The farmers in the area have complained most of the lines are in poor condition and the service doesn't warrant a rate boost.

Mayor Lander said that, in addition, a majority of the telephone users contend a 41 percent increase is too much. There are some, he said, who believe the boost is too great, but say States Telephone Co., rather than Southwestern Bell Telephone Co. as reported Sunday will need the increase to continue operations in McLean.

The mayor said a special meeting of the city council will probably be called sometime this week to discuss the issue. Next regular meeting is slated Nov. 13. He said commissioners may discuss an open meeting at which time McLean citizens may give their opinions on the raise.

Southwestern States cites a low rate of return on its investment in McLean as the reason for the requested rate increase.

Strikers Ordered Back To Jobs In Tennessee By AFL

OAK RIDGE, Tenn. — (AP) — Carpenters who have remained away from their jobs on an atomic project for three days were expected to cross picket lines today and return to work.

Last night, Joe R. Keith, business agent for AFL Carpenters Local 50 of Knoxville, said members of the union had been ordered back to work even if they must cross picket lines set up by a plumbers' union.

The International Brotherhood of Carpenters requested the action, he said.

The strike started last Friday when the carpenters and members of the AFL Plumbers and Steamfitters union disagreed over assignment of work. The plumbers thought they should have received a special installation job which was given the carpenters.

More than 500 plumbers left work and pickets were posted. The Atomic Energy commission said work on the project halted when about 2,000 of the 4,000 workers honored the picket lines.

Passing motorists were trying to free Russell when the bus tore down on the scene three minutes later. Squared in its path lay one of the concrete blocks, a chunk nearly four feet long and a foot and a half thick.

Highway patrolmen said driver Eishire apparently tried to straddle the concrete block but it was too high. The left front tire blew out. As the massive bus careened, it tore out 40 feet of

Mady Christians Dies Of Hemorrhage

SOUTH NORWALK, Conn. — (AP) — Actress Mady Christians, best known for her portrayal of Mama in the Broadway hit, "I Remember Mama," died last night.

Death came three hours after she was admitted to Norwalk hospital following a cerebral hemorrhage suffered at New Canaan, Conn., where she had been staying recently.

Miss Christians, 49, and a native of Vienna, Austria, appeared in 15 Broadway shows and also in motion pictures.

Miss Christians had been divorced from a German journalist years ago. Her nearest surviving relative is a cousin, Mrs. Max Beckman of New York City.

The actress had a home at 425 east 72nd street in Manhattan.

She had to leave George Brandt's touring company of "Black Chiffon" a month ago when she became ill. She was replaced by Sylvia Sidney.

Miss Christians' most recent Broadway performance was in August Strinberg's "The Father."

Men Lost In Crash Are Still Missing

KANSAS CITY — (AP) — Preliminary salvage operations failed today to uncover the bodies of five men listed as missing in the crash of a B-15 bomber.

The Air Force plane plunged into the Missouri river Saturday. Two of the seven men reported aboard were rescued.

Army engineers recovered about 15 percent of the plane, but no bodies were found.

Listed as missing were: Capt. Edward M. Grey, pilot, Groversville, N. Y.; First Lieut. Charles Hamill, Landover Hills, Md.; Tech. Sgt. Stanley L. Esty of Hebro, N. H., and two passengers, Cpl. Dan K. Knudsen, Fort Lupton, Colo., and Pfc. Smith, 23, Travis Air Force base, Calif.

Two other passengers — Leo Hicks, 21, Navy enlisted man from Dupo, Ill., and Pfc. Nolan P. Lederle, 20, St. Louis—were rescued. Both were hospitalized but reported in good condition.

The plane crashed while attempting an emergency landing at Fairfax airport in Kansas City, Kas. The pilot had reported one of his two engines was out. The plane was enroute from Bolling field, Washington, D.C., to Lowry field, Denver.

Newspapermen To Be Arraigned On Defamation Charge

LAKE CHARLES, La. — (AP) — Five newspapermen will be arraigned today on charges they defamed 16 public officials and three admitted gamblers in a crusade against gambling.

The defendants are: Thomas Shearman, publisher of the Lake Charles American Press; Hugh Shearman, his son and co-publisher; Kenneth Dixon, managing editor; James Norton, city editor, and Carter George, police reporter.

The American Press is the only daily newspaper in this Southwestern Louisiana city with a population of 50,000.

The five were indicted Aug. 27 by a grand jury that had been called to investigate gambling conditions. They have been free on bond.

The indictments were based on stories appearing in the American Press that allegedly defamed District Attorney Griffin Hawkins; Melvin Wetherill, assistant district attorney, Sheriff Henry Reid, and the Parish police jury — governing body of the Parish (county).

They were originally called up for arraignment on Oct. 15, but defense attorneys submitted motions challenging the appointment of a special outside judge and prosecutor to handle the cases.

Oil money helps

In 1950, the value of the crude oil produced in West Texas* was approximately a billion dollars.

That is a lot of money. It pays taxes, salaries and wages; it goes to landowners for royalties and lease payments; a sizable portion of it will be reinvested in West Texas in the further development of its rich petroleum resources.

Furthermore, it is productive money. Some part of it finds its way into the pocket of practically every West Texan. There is a portion of West Texas' oil income

in the dollar your wife spends for groceries, in the check your husband writes for rent. Oil money helps to meet payrolls, pay doctors' fees and hospital bills, buy new farm equipment, send sons and daughters off to school.

Oil money helps on every hand. It is a resource from which all West Texas benefits.

Bewitch Young Halloween Guests

PLAN A "BEWITCHMENT PARTY" for Halloween with a witch-drink cauldron and hobgoblin apples.

By GAYNOR MADDOX

NEA Food and Markets Editor
On Halloween, witches, spooks and small fry must have their fun. So give a "Bewitchment Party."

Let the menu include Hobgoblin Apples, Hot Dog Ghosts, Spook Sandwiches, Doughnuts, and a Soft Drink Magic Cauldron that never dries up.

Here's how to prepare the feast without the help of incantations:
HOBGOBLIN APPLES
Allow one large apple for each guest. Cut off top, remove core, and hollow out apple, leaving shell about 1/2 inch thick. Chop portion of apple removed, combine with raisins or small seedless grapes, walnut meats and mayonnaise.

With small sharp knife, draw triangular eyes, nose, and a half-moon mouth on side of apple cutting deeply enough so that peel can be removed. Replace peel with cream cheese. Stuff apple with chopped fruit and nut mixture, and replace top as hat.
MAGIC CAULDRON
Use a large preserving kettle or a pan for the cauldron. If desired, cover with orange or dark green crepe paper. Make three "logs" of rolled newspaper and cover with brown crepe pa-

per. Arrange logs in a triangle. Place a low dish upside down in center, on which cauldron can actually rest.

Fill cauldron with bottles of soft drinks, and surround with ice can be omitted and cauldron is well-chilled in advance, ice can be omitted and cauldron can be stuffed with just enough tissue paper to hold bottles in place. Against side of Magic Cauldron, stand a small "witches broom" (you can make one by attaching a rolled paper handle to a clean white broom). Have extra bottles of soft drinks in refrigerator so that cauldron can be kept full.

SPOOK SANDWICHES
Cut rounds from slices of bread with cookie cutter. Cut eyes, nose and mouth in half the rounds using small sharp pointed scissors. Spread remaining rounds of bread with softened butter and jelly, and top with "face."

Mrs. J. B. Barrett Is Hostess To TEL Class
Mrs. J. B. Barrett was hostess to the T.E.L. class of the First Baptist church at a luncheon in her home.

A business session followed with Mrs. Vera Key, president, in charge. Mrs. E. Leach presided at the installation of officers.

A devotional, "Footprints on the sand of time," was given by Mrs. J. H. Richey.

Those present for the meeting were: Mrs. E. H. Richey, W. B. Vandover, Lulu Smith, Eula Stephens, W. B. Henry, T. E. Keeney, Vera Key, Joe Mullins, J. S. Carter, T. L. Byars, A. N. Burleson, T. B. Solomon, W. E. Towe, J. G. Ramsey, W. D. Benton, Cora Patterson, T. H. Baker, R. W. Tucker, Mabel Winter and H. M. Stokes.

Also present were: Mrs. M. E. A. N. Thorne, T. V. Lane, R. C. O'Keefe, W. H. Hawkins, J. McFarlin, G. H. Ayres, G. E. Wilson, B. G. Turner, H. C. Wilkie, N. B. Ellis, D. Anderson and J. F. Hoover.

GIRL SCOUT NOTES

by MRS. BOB ANDIS
Public Relations Chairman

Each girl of Troop 15 brought an article for School-Bags For Overseas last Thursday when they met at the Presbyterian church. Sue Foster, Karen Capps and Sharon Osborne were assisted by Mrs. A. C. Brewer in making cocoa while other members: Sheila Nelson, Ann Bybee, Mildred Radcliff, Joslyn Morgan, Kay Priest, Lynn Brewer, Brenda Brown, Peggy McCurry and Mary Ann Johnson were making up a fairy tale with their leaders, Mrs. Elmer Radcliff and Mrs. Omer Bybee. Mrs. Long brought home - made cookies.

"Lots of excitement" was the report from Mrs. J. C. Steward after Troop 28 met last Thursday to plan a slumber party, pass out calendars, bake cookies and work on their aluminum trays. The recreation committee planned games while Ruth Steward, Carol Carnes and Beth Slagle made cookies of various designs assisted by Mrs. Jerral Slagle. Other than the cooks attending the party Friday night were: June Smith, Jerry Shelton, Martha Skelly, Myrna Mastick, Anita Wedgeworth, Nancy Coley, Wanda Langford, Mary Young, Sheila Chisholm and Pat Johnson.

Troop 25 will not meet at its usual time this week due to PTA. However, Friday will find them at Horace Mann School with President Johnnie Christian and secretary Maxine Crossman leading their troop in preparation to be coming Brownies. Their leader, Mrs. D. M. Christian, has taught the girls some new songs and the magic tunnel goodie game. Halloween treats were served last week to: Karen Lee Johnson, Marion Gray, Freda J. Hardin, Linda J. Barker, Mary Posten and Barbara Graham.

Making canopy beds from a McCall magazine pattern has kept Troop 4 busy. Last week time was taken to distribute calendars which went on sale Oct. 28 to start Girl Scout Week. Mrs. Art Aftergut, Mrs. James Roming and Mrs. George Dick have helped these girls make their own little beds: Marjorie Long, Gaylean Dick, Joyce Dougett, Geraldine McCurry, Judy Ann Roming, Carol Dawson, Frances Aftergut, Patty Foster, Linda Woodall, Willetta Tucker, Ann Hutchins, Patsy Smith, Ola Ruth Beaver, Paula Guytin, Wanda Spence, Patricia McNeill, and Ann Hofstad.

Special meetings were held all last week to complete painting dishes which will be presented to the Central Baptist church which for the girls have been meeting. At the regular Troop 39 meeting, election of officers was held with Donna Forsha, president, Sue Allen, secretary, Annette Potter, treasurer, Marilyn Compton as officer of the day, Lu Ellen Spain as song leader, Patrol leader of No. 1 is Maxine Slater with three officers, and Barbara Spinks, Patrol No. 2, has one officer with Bessie Qualls as leader and Xehsa Kelley, Sandra French and Darlene Riley, Patrol No. 3 also has one officer with Suzahn Massey acting as leader, with Beverly Burns, Geraldine Marlar and Latrice Broxson, Leader of Patrol No. 4 is Jan Langley with Melody Hunter, Dorothy Walker, Gayle Robbins and L. Nora Abbott. The Christmas project - to be a surprised - filled activity time.

President Connie Stokes, vice president Lynda Stevens and song leader Margaret Derryberry led Troop 1 in voting to major in health and safety for First Class badges. About two weeks ago this troop received second class badges which includes work in the eleven fields. The cook badge and the housekeeping badge work has already been completed by this troop toward first-class rating.

These girls: Lois Henson, La Vania Beckerdite, Dell Cornelius, Karen Lewis and their officers with Mrs. Loyd Henson planned a slumber party for the coming Friday. They are looking forward to deer steaks and a hearty breakfast Saturday morning.

Women's Activities

Delores Cramb And Roberta Nicholson Initiated At Encampment In Amarillo

Miss Delores Cramb, president of the Theta Rho Girls clubs of Texas, and Miss Roberta Nicholson, Right Supporter to the president, were initiated into the Ladies' Auxiliary Patriarchs Militant at the Grand Encampment meeting in Amarillo last week.

Pampa and Borger Ladies' Auxiliary and Canton members were in charge of initiation ceremonies. Candidates were presented white carnation corsages and membership pins.

Miss Cramb, who made an all-expense-paid trip to the O.G.D. Fellow's United Nations Pilgrimage for Youth in New York last summer, was recently initiated into the Pampa Rebekah Lodge No. 355.

Miss Nicholson has been a member of the Rebekah Lodge since May.

Ruth Millett

If your life seems dull and pointless, one new interest could open up a new world for you. The woman who really needs only one new interest is often discouraged by the thought that in order to lift her life out of its dull routine she will have to take on a great many new interests.

She usually can't think of a lot of things she can do that she would enjoy doing. And likely as not, she hasn't time to take on a string of outside activities.

What she doesn't realize is that one activity is enough - at least one at a time is enough - to open up a whole new world.

How can one new interest make such a difference to a woman? There are a number of ways it can.

To begin with, if she picks something she finds challenging or fascinating, she has something new to think about. She can, while she is working on her hobby, lose herself in it completely.

Then, too, as she discovers that she is good at something she takes a new pride in her own ability.

And she will almost surely make new friends or find a new congeniality with old ones. For once a woman gets interested in a hobby, whether it is gardening, painting, dressmaking, writing or whatever, she is bound to find other women interested in the same thing.

When a woman is interested in something outside herself and her family's needs, she becomes a more interesting person.

So there is a whole new world - a woman can enter just by taking on one new interest.

Just as a woman gets interested in a hobby, whether it is gardening, painting, dressmaking, writing or whatever, she is bound to find other women interested in the same thing.

When a woman is interested in something outside herself and her family's needs, she becomes a more interesting person.

Mrs. A. C. Houchin Leads Discussion At Civic Culture Meeting

Mrs. H. W. Waters was hostess to the Civic Culture Club which met last week for a program on "Each Home of Today, a Workshop."

Mrs. A. C. Houchin led the program, explaining, "There was a time when citizenship brought to our minds only one thing - American citizenship."

"We regarded it with pride as a priceless heritage to Americans," she continued, "but now it has become world citizenship with all the solemn obligations the words imply."

"The cornerstones of citizenship building are obedience to law and social behavior training in the home. We must develop families whose first responsibilities are the development of personalities to fullest capacity for each of its members," Mrs. Houchin said.

During the meeting, eight "johnny-coats" were turned into the Gray County cancer closet, and plans made for the guest tea, Nov. 6.

Mrs. Waters served refreshments with a Halloween theme to the following guests: Mrs. Lloyd Rinehart, H. R. VanSickle, A. D. Hills, Leo Paris, Katie Vincent, E. A. Shackleton, F. W. Shotwell, N. M. Moyer, Emmitt Gee, J. B. Townsend, D. W. Coffman, John Brandon, Willis White, Rogena Thompson and Houchin.

Worthwhile Club To Meet Friday
The Worthwhile Home Demonstration club will meet at 2 p.m. Friday for a program on the development of emotional health in the family.

Mrs. Roy Tinsley, president, will preside at the meeting which will be held in the home of Mrs. A. A. McElrath, northwest of Pampa.

Laughing Larry Leading Bears

WACO — (AP) — Larry Isbell, whose cockiness has exceeded only by his ability, leads Baylor along football's unbeaten trail into the November stretch.

Larry says the team's biggest problem is making the coaches feel free and easy about it. Isbell is Baylor's bid for all-America. There appears no reason at this time why he shouldn't make it.

Laughing Larry, who never doubts but that he will do what he sets out to do, played a typical game Saturday. He carried the golden Bears through two fourth-quarter touchdowns and a 21-21 tie with Texas A&M.

It wasn't necessarily his best day but it was a great one never-the-less. He passed for two touchdowns and his passing, ball-handling and thinking sent the Bears to their other one.

They say at Baylor that Larry throws right, kicks left and thinks down the middle. It may be that you'll comment: "Well, he only passed for one touchdown today — that's not so much." But if you'll just think it over you'll realize the touchdown pass by Isbell was the only one in the game — or at least it was the deciding play. In other words, what it takes to win, Larry usually has it.

BROTHER OF CECIL

The tall, swarthy, handsome Isbell, brother of the immortal Cecil of Purdue and professional football fame, is called the player with the greatest poise, the coolest demeanor and the deepest thinking in the Southwest Conference. He's always a jump ahead of you.

Isbell has accounted for 14 of 17 touchdowns made by Baylor this season. He has passed for seven, scored two himself and engineered five more. He has completed 54 passes in 113 attempts for 755 yards and netted 68 yards rushing to make him the total offense leader of the Southwest Conference. Three times he has brought Baylor from behind to victory or tie. Only once when Baylor got inside the other team's 10-yard line has he failed to produce a touchdown.

Because Larry likes to fool people more than anything else, he has worked out a hocus-pocus routine that hides the ball even from the fans. But he never has fallen into a set pattern. What he's doing is to fool everybody including the coaches. Isbell is tall and wiry — even fragile looking — but he never has been injured sufficiently to leave the game. And he is taking more punishment than any other back in the conference.

They call him the quarterback with the personal touch — he makes all his mates feel that the play depends on each. Once when Baylor had a good lead he was horsing around and bid a big tackle to catch the play. The tackle did so with great pride, but it didn't work. "O.K.," grinned Larry. "Now will you just let me run things?"

Everybody's willing, including Coach George Sauer.

UNANIMOUS VOTE

The unanimous selection of the 31-year old Bonham, Tex. man came only after some split votes. The first vote reportedly eliminated Faulkner and Fauscett and left Sayles and Winkler each holding four votes. The meeting finally elected to go along with Winkler, who has only been on the executive side of the game since 1949 when he served as business manager for Paul Dean at Clovis and then held a similar post last season for Dean with the Hubbers.

Dean said that he had no immediate replacement in mind for Winkler, and that he might not replace him, accepting the duties himself.

Presidents of all of the clubs were present for the meeting with the exception of the Lamarites, which gave its vote to Albuquerque.

In other legislation, the owners accepted the proposal of R. D. Mills, Pampa a Oiler president, that two changes be made to speed up the game. Mills offered the resolution that a manager be allowed to talk to the pitcher but once per inning and that the second time he goes to the mound he must remove the pitcher with the penalty of removing himself from the game for failure to do so; and that pitchers be in the same as any other player, the penalty to be an automatic \$5.00 fine. The resolution passed unanimously.

Amarillo offered a resolution to raise the price ceiling to \$1 and drop the ceiling on the price of cents and to allow all military personnel, upon the presentation of proper identification, to enter the park at a special price. The motion was seconded by Lubbock and passed unanimously. This allowed for the Pampa prices, though, according to Mills, who said that in all probability we will retain the same prices as last year.

VICE PRESIDENTS

Mac Epleen of Abilene and Clyde Crump of Amarillo were reportedly elected to the vice president posts of the league during the closed session, which will reconvene during the winter minor league meeting in Columbus, O., Dec. 3. At that time the league will vote on a playing schedule for the 1952 season.

A lengthy discussion was held yesterday regarding that problem with the owners apparently agreed upon a 140-game schedule to close the Saturday before Labor day, Sept. 6, and try to work the schedule out to coincide with the closing of the Longhorn circuit for playoff purposes.

The league also went on record to support a proposal now under consideration by the National Association of Professional Baseball Players that the "under control" rule which makes limited service ballplayers classroom attend three seasons be extended one year, to four, and rookies to three. They also went on record as requesting that the Class C salary limit be raised to \$4500 per month, and instructed their new president to vote for such a raise at the winter minor league session.

Other announcements hoped for did not come up. Nothing was said about the sale of the Burger franchise, nor was the potential buyer, Dick Nickel of Clovis, at the meeting. None of the clubs announced hiring of a new manager.

Winkler, happy with his victory, said that "this is my biggest break in baseball and I am very happy. We all have to work together and I am thankful to all of you for giving me this opportunity." The league offices, which have been in Dallas since Price makes his home there, will be moved to Lubbock as soon as feasible, Winkler said.

Sports Round-Up

By HUGH FULLERTON, Jr.

NEW YORK — (AP) — Look for baseball to create an "open" classification for leagues who aspire to become majors at this winter's meetings. The main difference between that and the present triple-A setup is that clubs will be allowed to withhold certain players from the draft — it won't be just a sop to the Pacific Coast League, but any circuit which can qualify on population and size of parks can move up to this class — this action will be baseball's defense against monopoly charges and Shag Shaughnessy, ruddy faced international League president, figures it may eventually lead to the formation of two new major leagues — "Five of our cities are prospective major league towns while the Coast League has only two," Shag argues. "Take those and three from the American Association and you'd have a pretty good major league. I think they'd support major league ball, too."

How about players? — "Well," said Shag, "five years ago I wouldn't have thought of putting a club in our league without a major league connection. Now I wouldn't be afraid to operate as an independent. We have just as good players as they have now."

QUOTE, UNQUOTE

Dr. Herman B. Wells, Indiana University president: "I'm not too much concerned about the great cry over the over-emphasis and commercialism of athletics. We want to de-emphasize failure and emphasize victory."

MONDAY MATINEE

Bill Werber, former star Duke athlete and major league ball player and now head of the Duke general alumni association, was chosen to crown Duke's homecoming queen last Saturday. Chances are he sold her some insurance during the ceremony, too — Fay Taylor, a red-headed Irish girl who earns her living by breaking automobile speed records, hesitates to walk into a crowded newspaper office. "I just couldn't go in there alone with all those men," she explains — When Teddy "Red Top" Davis fought at St. Nick's last week, his nickname wasn't even used in the publicity. Seems the brewery which sponsors the broadcasts didn't want any reminder of a rival brand, which uses a red-capped bottle.

DOTS ALL, BROTHERS

Coincidence Dept.: on Tuesday before VMI kicked Virginia, Tommy Elvige, first string VMI fullback, was kicked on the hip by a freshman linebacker and was sidelined for the rest of the week because of a pinched nerve.

Winkler Named President By WTNM Owners

The West Texas-New Mexico league has a new president to lead, only the second in the history of the veteran Class C circuit. Ray Winkler, former radio man and more recently a club official, was named during a four-hour closed session of the directors to replace the retiring Milton E. Price, former Pampa resident, founder of the league, and presently serving as secretary-treasurer and executive vice president of the Texas League.

Winkler was one of four candidates for the job, having campaigned openly since Price first announced his intentions of not serving again. Other candidates were Harry Faulkner, former Lubbock general manager; Buck Fauscett, former Amarillo and Albuquerque owner; and Hal Sayles, Abilene newspaperman and currently president of the Longhorn League.

The unanimous selection of the 31-year old Bonham, Tex. man came only after some split votes. The first vote reportedly eliminated Faulkner and Fauscett and left Sayles and Winkler each holding four votes. The meeting finally elected to go along with Winkler, who has only been on the executive side of the game since 1949 when he served as business manager for Paul Dean at Clovis and then held a similar post last season for Dean with the Hubbers.

Southwest Conference Preps For Bear-Frog Tilt Saturday

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Southwest conference football race can be trimmed to three contenders or thrown into chaos this week.

Headlined by the battle of the two leaders — Texas Christian and Baylor — and the November stretch finds five teams in the running with two just hanging on.

TCU, which wasn't supposed to be there, tops the conference race with two victories and no defeats and can make a giant stride toward the title Saturday if it whips Baylor at Waco.

Baylor had its chances frustrated last week by being tussled to a 21-21 tie by Texas A&M. So, the Bears face the Horned Frogs with a half-game deficit.

STEEERS STILL IN

Texas clumped back into the race by whipping Rice 14-6. This week Texas tangles with Southern Methodist at Dallas and that game will just about eliminate one of the two from title consideration.

Texas A&M dejected over its tie with Baylor journeys to Fayetteville to battle the Arkansas Razorbacks.

Arkansas can be safely counted out of the title race since it lost two conference games.

Baylor is the only undefeated team left in the league, having to come from behind Saturday to win 13 through the season. ISBELL, TOPS OFFENSE

Isbell did replace Benner as the total offense leader. Laughing Larry has gained 68 yards net rushing to make his total yardage 823 on 133 plays. Benner has lost 22 yards carrying the ball and his total is 788 on 151 plays.

Stan Williams of Baylor has caught the most passes, with 19, but Bill Howton of Rice leads in yardage. He has snared 15 throws for 428 yards while Williams has gained 380 yards on his 19.

The most rapid rise of any player in a single week is that of Johnny Cole of Arkansas in punt returns. Cole wasn't even in the top seven until last week when he brought his total for the season to 163 yards on eight puns and thus moved into first place with an average of 20.4 yards. Yale Lary of A&M fell to second place. He has gained 132 yards on 13 returns for an average of 17.5.

Jerry Norton of Southern Methodist leads the punters with 41.4 yards average on 12 boots. McKown is second with 40.8 on 12.

The Aggie-Baylor game produced two stars between whom it would be hard to choose as to effectiveness. Bill Tidwell ran 49 and 66 yards respectively for touchdowns and another long run by him sent A&M on its way to the third. Isbell engineered one touchdown and passed for two.

At Austin Gib Dawson of Texas was the man of the hour. He scored one touchdown, gained 116 yards on 15 carries, passed for 26 yards and caught two passes for 16.

Dawson brought his scoring total for the season to 42 points — well out in front. Bill Howton of Rice is second with 30. However, the conference's top passer, didn't score a single throw or make a point against Texas.

Stranahan Tops Maxwell In Mexico

MEXICO CITY — (AP) — Frank Stranahan Toledo, O., never trailed in his 36-hole match with Billy Maxwell, Odessa, for his third Mexican Amateur golf title.

Stranahan downed Maxwell 3 and 2 here yesterday in the 6615-yard Mexico City Country club course.

Maxwell's putting was off and the breaks failed to come his way.

Stranahan's play was powerful, even and careful. His approach consistently left him in one-putt positions.

In the next scrimmage, on Wednesday, sub Tim O'Neill was kicked in the same spot by the same linebaker, and pinched the same nerve — They should teach that kid not to tackle with his feet — When someone asked Ace Parker, Duke backfield coach, his opinion of the Tennessee team. At answered: "Bob Neviage has guys selling programs in the stadium who can play on our team." — Gosh, program-selling must be profitable.

Carswell Clips Brooke, 27-13

FORT WORTH — (AP) — Carswell Air Force Base took over the No. 1 spot in Southwest Service football with a 27-13 win yesterday over Brooke Army Medical Center. Both were undefeated beforehand.

Louis Schaufels scored the second Bomber touchdown on a rare, intercepted pitchout.

CONGRATULATIONS and good luck, said that handshake given by retiring president Milton E. Price (left, center) to newly-elected president of the West Texas-New Mexico league, Ray Winkler. Looking on are owners and officials of the league's clubs. Left to right they are D. M. Spector, Borger; R. D. Gulf Coast To Open Conference

(By The Associated Press)

Conference play starts this week in the Gulf Coast Conference. The members of this league haven't been doing so well against competition.

Only Trinity was able to win last week. The Tigers beat Lamar Tech of the Lone Star Conference 41-20 but Midwestern took a 21-13 licking from Abilene Christian of the Texas Conference and North Texas was whammed 34-0 by College of the Pacific.

Lippman, Isbell Challenge SWC Ground, Air Leaders

DALLAS — (AP) — Uneasy lie the heads of a couple of Southwest Conference football leaders. Glenn Lippman of Texas A&M watches his margin in ball-carrying dwindle to six yards. Fred Benner of Southern Methodist now is only 35 yards in front in passing.

Gib Dawson of Texas and Larry Isbell of Baylor are the leaders breathing on the necks of Lippman and Benner respectively.

Lippman has gained 416 yards on 67 carries. Dawson has rolled up 410 on 61 and has a better average — showing 8 yards per carry compared to 6.2 for gliding Glenn.

Benner was idle last week but his 68 completions in 132 attempts for 790 yards kept him in first place. Isbell was making 184 yards against A&M and now has 755 yards on 54 connections with a 13 through the season.

Harvesters In Top Game Again

By HAROLD V. RATLIFF
Associated Press Sports Editor

Pampa goes to Lubbock in the week's top game of Texas school-boy football. It is the only game in the upper classes in which undefeated, untied teams meet. It also will establish the outstanding favorite for the District 1 championship in Class AAAA.

Pampa last week tumbled the top-rated eleven of the state when it licked Odessa 14-7. It removed Odessa from the beaten ranks and probably ruined all chances of the Broncos even sharing the district title.

Featuring Class AAA will be the battle of undefeated, untied Stephenville with Breckenridge in District 2. They are two of three teams unbeaten in conference play. Graham, the other, not considered a strong contender but Stephenville's perfect record will be in grave danger.

Only three districts in Class AAAA have undisputed leaders — Yaleta in District 2, Texarkana in District 5 and Ray (Corpus Christi) in District 6. Texarkana last week bested Wichita Falls 15-7 to become the odds-on favorite for the title of its district and to spell virtual doom for the defending state champions.

UNDEFEATED, UNTIED

There are four undefeated, untied teams in Class AAAA — Pampa, Lubbock, Ray and Lamar (Houston). Lamar shares the lead in District 7 with John Reagan.

Favored to win the championships are: District 1 — Lubbock, District 2 — Yaleta, District 3 — Arlington Heights (Fort Worth), District 4 — Sunset (Dallas), District 5 — Texarkana, District 6 — Ray, District 7 — Lamar, District 8 — Port Arthur.

In Class AAA there are only three undefeated, untied teams — Stephenville, Grand Prairie and Palestine. Favored to win district titles in this class are: District 1 — Midland, District 2 — Breckenridge, District 3 — Grand Prairie, District 4 — Longview, District 5 — Temple, District 6 — Harlandale (San Antonio), District 7 — Brownsville.

There is an undisputed leader in only one district — No. 7, where Harlandale is the only unbeaten team in conference play.

District 6 has the unusual situation of two teams with ties on their records being deadlocked for the lead. They are Comroe and Texas City and they get together at Comroe Friday.

There are 48 games scheduled in the two classes this week. The schedule by districts (all games conference unless otherwise indicated) include: class AAAA

1 — Friday: Amarillo at San Angelo, Odessa at Abilene, Pampa at Lubbock.

WARREN'S ARMUP

By Warren Hanes—News Sports Editor

TIME IS RUNNING OUT for those who are planning on taking the special football train to Lubbock but haven't bought their fares as yet. The railroad company must be notified shortly, so get your tickets right away. You can buy them tonight at several places, including the Quarterback Club meeting.

LEFTY CRAIG getting new staff

Yesterday's baseball meeting in Lubbock was another windy session, as expected, before the new president was selected. It was a situation the league had never before faced and the owners undoubtedly made a good choice in youthful, good-looking Ray Winkler.

Winkler has been in the executive end of baseball but a short while, but he has progressed rapidly. A good share of his progress can be attributed to the fact he is associated with Paul Dean, the quieter, more determined half of "Me and Paul."

For Milton Price it meant the end of a long era, one that began when he formed the league in 1937. One of the youngest and most capable heads in baseball, Price will devote his time to private interests and to running the Texas League. In title he is secretary-treasurer of that circuit, but before long should be elevated to the league presidency to replace J. Alva Gardner, aging president. Gardner asked Price to reduce his outside interests which would tend to indicate that the TL presidency might be forthcoming soon.

In reply to a direct inquiry along those lines yesterday, Price said "that is the farthest from my thoughts right now. I have much personal business to attend to." He is associated with an oil rig concern and a stock and bond company in addition to his baseball duties.

Other bits of information gleaned from the meeting were that we will fortunately see an almost entirely new staff of umpires next year. Lefty Craig, the veteran arbiter who supervises the staff of the West Texas-New Mexico and Longhorn Leagues, said that he may have only two men back. They are Jim Welch and Cliff Hotel. And even these may move up as inquiries have been received on them. Others certain to be elevated include Kermit Cran and Pete Negri. Ross Belbeck was recalled by the Air Force, Leonard Roberts was bought by the Texas League, Charley Crain and Steve Sadowak are reportedly retiring, and Bill Frank, who was in retirement all last season, is apparently going to stay in retirement.

Al Kubski was released as manager of the Lubbock Hubbers at the end of the season as provided for in his contract, not because Paul Dean wasn't satisfied with his play and managerial abilities. In fact, Dean said that it wouldn't surprise him to see Kubski get the manager's job at Shreveport, where Salty Parker, a former WT-NM manager, was released a short while ago. Kubski took over the helm of the Hubbers in mid-season when Don Moore was released.

Bill Hannah, young catcher with the Albuquerque Dukes, was reportedly killed a few days ago during an accident on a ranch, according to Cy Fauscett, president and owner of the Albuquerque ball club. Hannah was a regular starting catcher for the Dukes and appeared to have a good future in front of him.

Lubbock had no comment to make about a field manager and Albuquerque was taking its time and hunting a good man to replace Hershel Martin. "We have a big job and a big responsibility to find someone to replace Hershel," said Fauscett, "and we are taking our time doing it." A manager will probably be obtained at the Columbus meeting in December.

Among those present at the meeting yesterday were Doug Lewis, the former Gold Sox fancy fielding first baseman who had a fine year with Denver; I. B. Palmer, Lubbock catcher (and possible candidate for the Hubber manager's post); Ray Faust, Lubbock pitcher wintering in Amarillo; Gordon Nell, just visiting; and Larry Gilchrist, former Berger infielder, doing likewise.

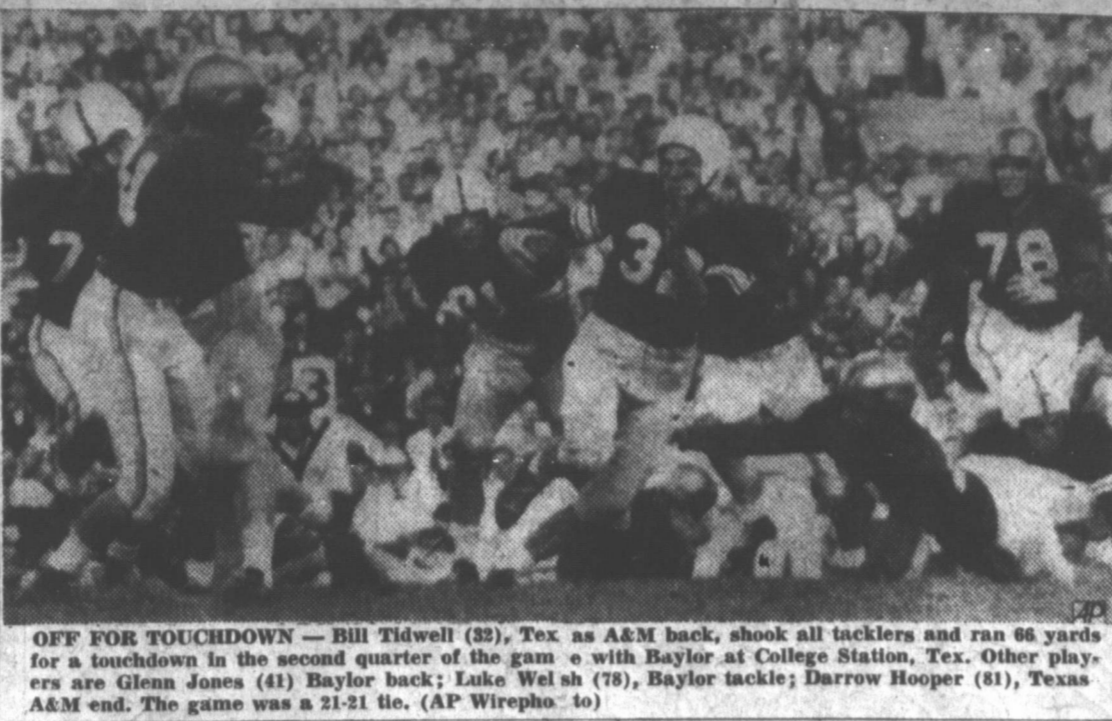

Nell and Earl Perry, business manager of the Gassers, are working together on a new book to contain the history and records of the WT-NM plus the 1951 batting and fielding averages of all the other leagues in Texas. It will be on sale next year.

And the Lubbock fans think that they can beat the Harvesters, but they respect them highly.

1942: Amarillo 87, Berger 6. "Bloodthirsty?"

Hog Receiver Out
LITTLE ROCK, Ark. — (AP) — Bill Jurney, 20, leading Arkansas pass receiver, probably is lost to the Razorbacks for the rest of the season.

Jurney was injured in the Arkansas - Santa Clara football game Saturday night and underwent an operation for removal of a ruptured spleen yesterday.

OFF FOR TOUCHDOWN — Bill Tidwell (32), Tex. Ag & M back, shook all tacklers and ran 66 yards for a touchdown in the second quarter of the game with Baylor at College Station, Tex. Other players are Glenn Jones (41) Baylor back; Luke Welsh (78), Baylor tackle; Darrow Hooper (81), Texas A&M end. The game was a 21-21 tie. (AP Wirephoto)

Raiders Bidding For Border Conference

PHOENIX, Ariz. — (AP) — Texas Tech moves its explosive split-T attack to El Paso Saturday in another bid to keep its Border conference victory record unscathed.

The Raiders who crushed Arizona 41-0 at Lubbock in their last outing, are highly favored to give Western's Miners another football lesson.

Two other all-conference tilts are docketed. The Arizona State Sun Devils tangle with West Texas State at Tempe, and Arizona State at Flagstaff moves to Las Cruces, N. M., to meet New Mexico A&M.

Tempe and West Texas are rated about even. West Texas, last year's loop champions, will be seeking its first conference win. It has lost to three conference foes.

Other games scheduled are New Mexico at Arizona and Cincinnati at Hardin-Simmons.

Hardin-Simmons hit paydirt in each quarter with its strong running game to trip West Texas 27-6 last Saturday.

Arizona State at Tempe sank New Mexico A&M 46-0 in another lopsided engagement. Flagstaff lost a heartbreaker to Idaho State 34-20 and Cincinnati walloped Texas Western 53-18.

Arizona's defeat by Tech was the worst it has ever suffered at the hands of the Raiders.

Missed Conversions Costly For Giants; Lions Beaten

NEW YORK — (AP) — A missed point after a touchdown, something seldom seen among the professionals, could prove mighty costly for the New York Giants in quest of the American Conference title in the National Football League.

The missed point came yesterday and permitted the Cleveland Browns to pass the Giants in the American Conference standings as the National League champions won 14-13 for their fourth victory in five games. It was the Giants' first setback after winning three straight following a tie.

While Ray Poole missed the try for the extra point after the Giants' second touchdown, Lou (The Toe) Groza converted twice for the Browns for the margin of victory.

BEARS TAKE LEAD
The Chicago Bears took undisputed possession of first place in the National Conference, beating Detroit's Lions 28-23. A game back of the Bears, tied for runner-up honors with 3-2-0 records, are Los Angeles, San Francisco and Green Bay.

The lopsided deadlock came about when San Francisco walloped Los Angeles, 44-17, and Green Bay edged the winless New York Yanks, 29-27, on three last-quarter touchdowns and Fred Come's field goal with only 11 seconds left to play.

The Washington Redskins edged Philadelphia, 27-23, to go into a tie with the Eagles for third place in the American Conference. Pittsburgh defeated the Chicago Cardinals, 29-14, in the other American Conference game.

Irish B Team Nips Ranger B's
SHAMROCK — (Special) — Coach B. L. Hill's Irish "B" team defeated Perryton Ranger "B's" here Thursday night at Denver field, 13-6.

Kenneth Woods, Irish halfback, raced 9 yards through the line for the first Shamrock score in the first canto, and Bobby Burrell, back, kicked goal.

Perryton drove 40 yards in the second stanza for their lone touchdown, but the extra point try failed.

Shamrock scored the decisive TD in the third, then Burrell he and President Asa Knowles kicked off. Perryton drove 60 yards. The TD was set up by Morris Pillars, Irish half, who raced 40 yards around left end to the 9 yard line.

James Turnbow was a wheel-horse on defense for the Irish.

Lubbock Tickets On Sale Today
Tickets for the Pampa Harvester - Lubbock Westerner game went on sale at 9 a.m. today in the school business office in the hall. Over 1100 tickets will be between the two 42-yard lines in massive Tech Stadium, were allotted to Pampa by Lubbock school officials.

In addition to the adult tickets, 500 student tickets were also made available for Friday night's game.

RED SOX
HIS TURN — Steve O'Neill, right, turns over the management of the Red Sox to Lou Boudreau, whom the old-time catcher broke into Triple A baseball with Buffalo in 1939. Boudreau, who started the Red Sox as the Boston Americans' shortstop, guided the Indians for nine years. O'Neill will scout for the Sox. (NEA)

Grid Special Is Assured

Pampa football fans, showing their pride in the Fighting Pampa Harvesters, purchased enough tickets over the weekend to insure the special football train and Lubbock Friday afternoon. Over 150 had been sold up to Saturday night and over Sunday this morning most tickets were sold out.

If you desire a ticket on the special train, and can't find one at the following places, you may purchase it at the Santa Fe depot. The fare is \$5.00 for adults and \$3.33 for children 12 and under. Friday afternoon and return immediately after the game. Transportation to the football stadium will be provided.

Quarterbacks Meet Tonight

The Pampa Quarterback Club will hold its regular weekly meeting tonight in the auditorium of the Woodrow Wilson school on East Browning. The meeting tonight in the auditorium will see the members of the Pampa-Odesa game and hear the coaches report on that game as well as a preview of next Friday night's game with the Lubbock Westerners.

It is also expected that another film will be shown in addition to the Pampa-Odesa contest. Tickets for the football special to Lubbock Friday night will be available at the meeting.

Investigate Riot At Bowling Green

BOWLING GREEN, O. — (AP) — The play-fight slugging which followed Saturday's Bowling Green-Toledo football game will be investigated by presidents of both schools.

Dr. R. W. McDonald, Bowling Green president, said yesterday he and President Asa Knowles of Toledo have agreed to conduct separate inquiries into the brawl. The incident, which came after Toledo beat Bowling Green 12-6, resulted in about 20 black eyes and numerous cuts and bruises. Both dressing rooms looked like slaughter houses after the melee.

Few Upsets Recorded Over Weekend Collegiate Card

NEW YORK — (AP) — It was a strong reminder of the date. Princeton swamped Georgia Tech, 53-15; Wisconsin washed over Northwestern, 41-0; Oklahoma drowned Colorado in touchdowns, 35-14 and Tennessee drydocked poor little Tennessee Tech, 68-0.

Then there were these scoring salvos: Michigan State 53, Pitt 20; Michigan 64, Minnesota 27; and Ohio State 47, Iowa 21.

The Southwest conference was the sole exception to the torrent of touchdowns. In the cattle country's key games, rebounding Texas halted Rice's vaunted air attack, 14-6, and Baylor scored twice in the last quarter to tie Texas A&M, 21-21, and remain unbeaten.

Two last-period touchdowns also figured in another Southwest conference school's game, but these were scored by Southern California, which edged Texas Christian, 28-28.

VILLANOVA WINS
The USC-TCU extra point battle highlighted an intersectional program, which was marked by Princeton's 14-6 and Baylor's 28-28. Villanova had one touchdown too many for Houston, 33-27.

Otherwise there were few upsets, however, and the top teams in the Associated Press poll had a perfect record save for the tie played by Baylor, No. 7. Third-ranked Georgia Tech

utilized a blocked punt for a touchdown, then added a safety for an 8-7 win over Vanderbilt. Illinois, No. 4, shut out Indiana, 21-0, on three touchdowns by Johnny Karras. Maryland No. 5, trounced Louisiana State 27-0, and California, No. 9, whipped Oregon State, 35-14.

Other top ten winners were Tennessee, No. 1; Michigan State, No. 2; USC, No. 6; Princeton, No. 8 and Texas, No. 10.

Navy lost again even if it was Navy day, when Penn punched out a 14-0 victory in the last quarter.

TRADITIONAL BATTLES
As the teams head into November and the traditional battles for conference honors, next Saturday's schedule shows three games matching teams undefeated in conference play.

Princeton, headed for its second straight Ivy League title and working on a string of 13 straight after the amazingly one-sided trouncing of Cornell, plays host to Brown. The Bruins, who won their only league game against Yale, should be easy meat for Dick Kazmaier and his mates.

BUSINESS REVIEW AND FORECAST

Dave Caldwell's Sportsman's Store Truly Pampa's Sports Headquarters

DAVID CALDWELL'S SPORTSMAN'S STORE, 115 East Kingsmill, is the place to get your hunting and fishing equipment. Dave has assembled just about anything you might need to take that long-awaited hunting trip including some of the best in clothing. You can also do your Christmas shopping for your youngsters, your husband, friend or yourself.

It won't be long until the duck season settles down to a normal pace, and most of the boys will be slowed down to simply methodical hunting. So now would be a good time to do a bit of telling about the boys that do the background work to make your hunting trips possible.

Take the Sportsman's Store for example. Think of all the planning it took to gather all of the gear, ammunition, firearms, stamps, licenses and general directions ready for Mr. Hunter. Most hunters are prone to put off until later, what they should be doing now. No one says much about this, but it takes a well-managed store to be prepared for the horde of last minute buyers who usually don't even know what they're after when they enter the store.

David Caldwell did a good job of getting ready for the hunting season. In addition, he anticipated your recurring needs and is ready to supply you with additional materials for your continued good hunting. For those of you who intend to do your hunting later in the season, Dave is well supplied.

There is a good selection of a variety of guns at the Sportsman's Store. If any of you are looking for some high-class guns in smaller calibers, you'll find an excellent line of twenty and sixteen gauge shotguns awaiting you. Now that so many of the veteran hunters have discovered the desirability and effectiveness of smaller gauges, you'd better hurry and get one of these beauties before the oldtimers decide to acquire several of them for themselves.

Dave Caldwell has everything you could think of for your hunting trips. If it's guns, he has them; if it's hunting clothes, don't look any further; he might even be able to furnish you with a boat you may need to replace the old, leaky-bottom one you have or for the winter that would like to try hunting on the water for a change.

If you are having any difficulty deciding what to get for your "offspring," or if you are in a tizzy over that list of items he has penned for Santa, your troubles will come to an end after visiting the Sportsman's Store at 115 East Kingsmill. Dave has assembled some of the most outstanding and unique gifts that can be found in any place.

While watching, junior express his preference for motorized and ingeniously designed toys, dad can get a few licks in for himself.

From the complete line of clew wheel toys through Lionel electric trains and more adult hobby supplies, there is a wonderful gift for everyone. Girls and boys can both be outfitted with high quality merchandise

'Do Your Christmas Shopping Early' Is Good Advice, Says Cretney Drug!

CRETNEY DRUG COMPANY, located right in the middle of Pampa's shopping district, is your Christmas shopping headquarters. Come in when ever you are downtown, have a coke or coffee and gaze at the many gift displays at Cretney's. You can find a gift for almost any occasion at Cretney Drug Company. Come in early while selections are complete.

The old phrase "Do your Christmas shopping early" isn't such bad advice according to the management of Cretney Drug Company. It is one of the best pieces of reasoning that the local merchant ever tossed out for public consumption. Unfortunately, many of the rank and file never stop to consider why the local merchant insists that holiday gift buyers attempt to make selection and purchase at an early date.

Any merchandising organization, especially one such as Cretney's, can do a better job of customer pleasing if the customer will only realize that early shopping tends to allow more leisure of selection. Clerical staffs are more able to take time in better service to the customer and especially, items not in stock can be procured before the last minute rush starts.

However, anticipating the heavy holiday traffic in these few years, Cretney is prepared to stem the tide of the rush season.

No matter where you are in Cretney's, it isn't difficult to sit and sip a coke or a coffee while casting a glance or two around the many departments of the Cretney store. From the convenience and comfort of the Fountain area the many hundreds of gift items at Cretney's can be located for closer examination when the tired shopper feels like further inspection.

It would be pointless to attempt to list even the various categories of Cretney Merchandise. Name almost everything from jewels to jumping jacks, albums to atlases, monkeys to marionettes, and you'll find it at Cretney's.

If you are one of those unfortunate souls unable to break away for leisurely shopping, don't go into hysterics. Run down to Cretney's and let them do the worrying for you. You can't go wrong if you let Cretney's have your shopping problems to solve.

from the Sportsman's Store.

For the ever-suffering parent, David Caldwell has provided an outstanding selection of merchandise. His supply of camping equipment is virtually unlimited. Camp stools, stoves, cooking kits, cutlery sets for outdoor use, sleeping bags, tents and many other items provide ideal family gifts for this or any other holiday.

The line of hunting and fishing equipment to be found in that department is second to none in the area. Many famous brands are represented in clothing for the hunter and the fisherman. Fishing equipment is up-to-date, reasonably priced and of the highest quality and in good supply. Guns and ammunition are not too scarce yet, but you'd better quit thinking and start buying if you want that favorite gun for Christmas. REMEMBER... the Sportsman's Store is located at 115 E. Kingsmill.

Ralph Kiner of the Pittsburgh Pirates has hit 40 or more home runs for five consecutive seasons. This is a National League record.

Jonas Says Need For Seasonal Fabric Care

Not too long ago Oliver Jonas of Service Cleaners, 312 South Cuyler, gave out warning that it was time to get out the winter duds and bed clothing and have them cleaned and ready to use against the coming of heavy winter weather.

Although this may a short-lived sample of what is to come, it's time you heeded the warning and started going through your articles of clothing, bed wear and other winter items with an eye toward getting them ready for hard winter wear.

As important as readying winter articles for use is the task of getting summer clothing and summer utility articles prepared for winter storage. Cleaning, mending, mothproofing are all cardinal needs in preserving the life of valuable fabrics. You'll have plenty of time to get the job done, but will your cleaner have the time.

Give Service Cleaners an early call in order that they may give you uninterrupted service and undivided attention. Both of you will profit by taking advantage of early orders and intelligent preparation for the long winter months to come. A well placed stitch in repairing garments before they're cleaned and stored for winter will save time and money. Call Service Cleaners, now.

Roaches Unfamiliar In Modern Businesses

The cockroach used to be a familiar sight, even in hospitals, restaurants, and other public places. Today, progressive institutions use JOHNSON'S NO-ROACH, and solve the roach and ant problem simply, quickly, and surely. Johnson's NO-ROACH is a new product, but it has already become a standby in public places as well as homes. Recent research has indicated that the roach may be a possible carrier of polio. Sanitation engineers in all public places should be doubly sure that no roach or ant can live in their establishments.

Science has just produced this new discovery that kills roaches, ants and waterbugs, and that stays effective for months. Johnson's NO-ROACH is very simple and easy to use. Just brush this colorless, odorless, stainless coating on the kitchen cabinets, baseboards, near the stove, icebox, sink, etc. Brushed across window sills and floor sills, NO-ROACH kills the ants and insects that crawl into the home from the outside.

Johnson's NO-ROACH contains no DDT, no sodium fluoride and no phosphorus. You apply it just where you want it, without having to move all your dishes and pots and pans. No more messy powder sprinkling, or all-over spraying when you start controlling roaches, ants and waterbugs this modern NO-ROACH way.
