LOOKING OVER 'PEELED' SAFE - Lefors Constable Charlie Clenennen looks over the Southwestern Public Service Co. safe ripped open by burglars early Saturday. The constable is holding one of the tools used in breaking the safe for an approximate \$175. The other safe, in Foxworth-Galbraith Lumber Co., had only the knob knocked off and the combination worked from inside the door. Bill Watson, lumber company manager, says he has had to buy three safes so far but he thinks the present one can be repaired. In both instances, burglars entered from the northeast windows and left clear sets of footprints in the snow leading up to the windows. (News Photo)

Two Lefors Firms Are Burglarized

Nearly \$500 was taken from two firms at Lefors Saturday in a series of connected early morning robberies. Safes in the Foxworth-Galbraith Lumber and Southwestern Public Service companies were broken into between 1 and 3 a. m. Saturday, local sheriff's officials estimate, marking the second time within eight months that each firm has been entered.

Employment Higher In '51 Than '50

A large difference in employment figures was noticeable during 1951 as compared with those of the previous year. L. P. Fort, office manager of the local Texas Employment commission, said yesterday.

He explained that in 1950 there were 2549 applications for work at the Pampa office as compared with 1623 last year.

Agricultural placements in 1951 doubled previous figures. Although non-agricultural placements were low for the year (3090) there was a strong comeback in the last six months. For 1950, figures for non-agricultural placements reached 3115.

INSURANCE DOWN
Claims for unemployment insurance also were down to 2723 from 1950's high of 4571. At the same time, investigation of claims which determines if they should be paid, lacked only 72 in reaching the total of these in 1950.

Fort explained that reasons for differences may be that agriculture used 695 more workers last year, probably due to a good cotton crop, and that the drop in applications was caused by more local people working.

If warm weather had continued through Christmas, Fort said, placements in 1951 would have been increased 500.

Rites Monday For Mother Of Pampan

Funeral services for Mrs. Sarah Harnley, mother of John Harnley of Pampa, will be held at 2 p. m. Monday in the Church of the Brethren, McPherson, Kan.

Mrs. Harnley died in McPherson hospital following a heart attack during the Christmas holidays.

BULLETIN

WASHINGTON - (AP) - Politicians speculated Saturday that friends may toss Gen. Dwight D. Eisenhower's civilian hat in the presidential ring today.

At the same time, there were some signs that President Truman may be getting ready to bow out of the political field in favor of some other Democrat.

Eddie M. Fitch, Oil Man, Dies Near Winters

Eddie M. Fitch, 53, partner and drilling superintendent of the Fitch and Cree Drilling Co., was found dead in his pickup truck by a fellow workman at 10 a. m. Saturday near Winters, Texas.

Mr. Fitch, who was in charge of a drilling rig near there, lived at 1020 Alcock, Pampa, although he and his wife had lived temporarily in Winters for the last 18 months.

A tool pusher, G. J. Colton, found the body in the pickup parked on the side of the road near Winters. Mr. Fitch was returning from one of the rigs when he died from a heart attack. He had been with the Cree interests for 15 years, starting as production superintendent for Cree and Hoover.

He survived only by his wife, O'essa.

Funeral arrangements are pending at Duenkel - Carmichael Funeral home where the body is being brought today from Winters.

REMOVED DIAL
Jordan said several tools were found at the scene, but that tests on them and the safes produced no evidence of fingerprints.

Several suspects will be rounded up shortly for questioning, the sheriff said. He believes that the recent break-ins and those of several months ago are connected and involve the same persons.

7 Killed In Crash Of 2 U. S. Planes

BURTONWOOD, Eng. - (AP) - Two U. S. service planes crashed in a flaming mass of wreckage on an airport runway here last night. Seven American servicemen were killed and 15 others were injured, five seriously.

The planes were both twin-engine craft. They disintegrated in the flaming explosions of their gasoline tanks. About 24 men in all were believed to have been involved. Officers at Burtonwood, one of the largest American Air Force bases in England, said it was a miracle so many survived.

Burned and shock-stricken men stumbled from blinding flames into the arms of rescue parties. They were taken to the base or hospital.

Names of the victims were withheld, pending notification of next of kin.

McGrath Calls For A Crime Investigation

Political Pot In County Begins To Boil; Two Entered

The Gray county political pot began to boil Saturday when Atty. J. B. "Buff" Maguire, Jr., announced he would seek election as county judge.

A few moments later County Commissioner J. W. "Bill" Graham declared he would seek his third term as county commissioner of Precinct No. 2.

Maguire's action made at least one county race certain since County Judge Bruce Parker has repeatedly said he would run for a third term.

Other candidates for the county bench are expected to enter the race at a later date.

Maguire, a veteran of World War II, was born on May 21, 1921, in Shreveport, La., graduating from Byrd High School there in 1937. He entered LSU and received bachelor's degree in commerce in 1941. He worked for a while with his father in a public accounting office and then entered the U. S. Army in June, 1942. He switched services three times winding up with a first lieutenant's commission with the Eighth Air Force in Europe. He flew 15 missions as pilot of a B-24 bomber, winning several ribbons including the Bronze Star, Air Medal with oak leaf cluster, and European Theater of Operations.

Released from service in Sept. 1945, he entered SMU law school and graduated in Nov., 1947. That same month he came to Pampa and was associated with the law firm of Stearns and Osborne.

Since then he has practiced law here with Atty. William Jarrel Smith, Arthur Teed, Tom Wade, and Curtis Douglass. He is now in private practice by himself.

The young attorney has also taken an active part in several (See ELECTION LAWS Page 11)

BILL GRAHAM

Grand Jury Sessions To Make Probe

WASHINGTON - (AP) - Attorney General McGrath has ordered 93 special grand juries called into session throughout the nation to investigate racketeers, gangsters and organized crime syndicates.

In a dramatic move perhaps unprecedented in its scope, McGrath directed that underworld figures and racketeers be haled before the juries. The secret service, post office inspectors and many other federal police agencies are slated to cooperate in the crackdown, McGrath said.

The orders went out to United States attorneys, who were told to call grand juries in each of the 93 federal judicial districts as soon as possible, and report their findings a brief organized crime to the Justice Dept.

UNDER FIRE
The move comes at a time when McGrath is under fire from critics who assert he has not been vigorous in combating corruption in government. Only Friday McGrath denied a flurry of reports that he was about to leave the cabinet.

The McGrath action is a direct follow-up to last year's Senate Crime committee investigation during which the far-flung activities of the underworld were laid bare in televised hearings.

McGrath, in testimony before the committee headed by Senator Kefauver (D-Tenn.), suggested annual federal grand jury investigations into crime conditions.

The attorney general also announced Saturday that the Justice Department's criminal division, headed by Assistant Attorney General James M. McInerney, is establishing a new "racket unit" to coordinate information on the underworld to be gathered by the 93 special grand juries and other juries.

Small shipment of Browning guns at Lewis Hardware Co.

READY TO GO - Michael Miller, son of Mr. and Mrs. H. R. Miller, 1033 Charles, prepares to leave for Warm Springs, Ga., where doctors will examine his case of polio by which he was stricken five months ago. Appointment was made by the local chapter of the National Foundation for Infantile Paralysis. While there, Mike will receive a set of magnesium braces. (News Photo)

Little Mike Miller Is Ready For A Long Trip

Curly-headed, blue-eyed Michael Miller, stricken with polio five months ago, little realizes that he is the victim of one of the most nefarious and mysterious diseases in the annals of medicine.

The 26-month-old son of Mr. and Mrs. H. R. Miller, 1033 Charles, has fought valiantly and patiently for the partial recovery he has made, and although he cannot stand alone, he assures everyone that "Mike will make it."

Physical therapy utilizes most of Michael's day as well as that of his mother. Besides his regular exercises, the lad dons leg braces and corset three times daily and walks up and down the iron rails which his father built. Probably the highlight of his day occurs when he, aided by his mother, rides his tricycle to the park where he swings.

As Michael has learned to talk during his siege of polio, his vocabulary includes many terms associated with his illness, and he frequently asks his mother if "she is looking for muscles." His eyes brighten when asked where he is going next week; he answers "Warm Springs to see doctors and nurses."

Since September the Pampa chapter of the polio foundation has been assisting in the making of an appointment for Mike at Warm Springs, Ga., for consultation and examination. The length of his stay there depends on the outcome of the diagnosis. One thing for sure; Mike will have a new set of magnesium braces instead of heavy steel ones which he now is wearing.

Michael is only one of the 28,500 victims this year who are family, when the pronouncement of polio was made, has experienced terror and helplessness. This burden upon the victims and their families can be alleviated only by the steadfastness at friends and the promotion of the March of Dimes through which the cause and cure ultimately will be found.

ELECTION LAWS

INTRODUCTION
The year 1952 holds important elections for voters of Texas; important not only because a president of the United States is to be chosen, but also because voters here will be voting under new election laws.

This series, originally started by The Pampa Daily News, has been prepared and written by Atty. Aaron Sturgeon, chairman of the Gray County Democratic committee and Henry S. Gordon of The News' Staff.

"I feel that every voter, especially our new residents, should be thoroughly familiar with the mechanics of voting," Sturgeon said, adding: "I hope Gray County will turn out its heaviest vote in history at all of the elections coming up this year."

By ATTY. AARON STURGEON
and
HENRY S. GORDON

What must I do to vote in Texas?
Do I have to pay a poll tax, and to whom?
How long must I live here before I can vote?
These and many more questions are on the lips of new Texans as election year rolls around; especially since it's presidential election year and most civic minded people don't want to lose a vote.

Here, in layman's language, are the answers to those and other questions concerning the right to vote in the Lone Star State.

First, you must be 21 years old and a native born or naturalized citizen of the United States.

Second, you must be a resident of Texas for one year, or longer, on the day you go to vote; you must also have lived in the county you are voting in for six months before election day.

Third, you must have paid a poll tax of \$1.75 in the county tax office, or obtain a poll tax exemption certificate.

You cannot vote if you are a member of the regular Army, Navy, Marine Corps, or Coast Guard. Nor can you vote if you are a lunatic, a convict, or a pauper on county relief rolls.

However, if you have been (See ELECTION LAWS Page 11)

BOY SCOUT SOLICITORS - Above are shown Gene Fatheree, left, and Leslie Hart who will handle the actual solicitation of funds for the 1952 Adobe Walls Boy Scout council funds in Pampa. The two colonels have appointed 10 team captains each. Pampa chairman for the drive are Joe Key and Ray Evans. The campaign, Feb. 6-12 will be carried out simultaneously in the 30 other communities in the council.

Scout Leaders Muster Forces To Launch Annual Campaign

Key Scout leaders in Pampa are mustering their forces to launch the annual campaign to raise Gray County's share of the operating budget for the 15-county Adobe Walls Boy Scout council.

The drive, scheduled to get underway Feb. 6 and last through Feb. 12, will be carried out simultaneously in the 30 communities in the council.

Named to head the Pampa finance campaign are Joe Key and Ray Evans. The appointments were announced by George Newberry, chairman of the Santa Fe district.

Two colonels who will handle the solicitation of funds were named Friday by Key and Evans. Appointed are Gene Fatheree and Leslie Hart who will be in charge of a division of men each. The divisions will be sub-divided into teams of 10 men.

Team captains under Hart are Dr. Ed Williams, Joe Wells, A. B. Whitten, Jimmy Thompson, Greely Warner, W. S. Fannon, Herman Foster, Warren Dehis, H. M. Mayo, D. L. Allen and G. L. Craddock.

Adair Rites Slated At 2 P. M. Monday

Funeral services for Leo Henry Adair, of Kingmill, who died early Friday, will be held at 2 p. m. Monday in the Duenkel-Carmichael Funeral home chapel with burial in Fairview Cemetery.

Palbearers will be: H. E. Muns, G. L. Harkrader, C. E. Dehis, H. M. Mayo, D. L. Allen and G. L. Craddock.

Country Music Pays Off Big If It Has Authentic Touch

By RICHARD KLEINER
NEA Staff Correspondent

NEW YORK (NEA) — Pull up a guitar and listen to the plaintive lament entitled "The City Slicker What Was Done Wrong By the Hill-Billy, or Those Tin-Pan Alley Blues."

This ballad tells the story of the sophisticated songwriters who used to turn out hit tunes about Love and Moon and Love and Kisses.

Nowadays they are either (a) starving to death or (b) writing about little girls in calico and little boys in Levis and the wind whistling across the plains and such like.

The last five years or so have found the hillbilly songs (now dignified with the name "country songs") growing increasingly popular. Even along the dusty trails of New York, you'll find the buckaroos singing "On Top of Old Smokey" and "Tennessee Waltz" as they herd their taxicabs through the macadam meadows.

Actually, there are three types of country music. There is authentic folk music, like "Old Smoky," which are ballads that have been sung in the mountains for generations.

Then there are the songs turned out by country composers, like "Tennessee Waltz," written by Pee-Wee King and Reid Stewart. Most of these are popularized over the grand-pappy of country-music shows, Nashville's "Grand Ole Opry."

Last and newest entrant in the country music field are the tunes written by Tin-Pan-Alley composers who have gone back to the soil for warm inspiration and cold cash. Typical is "My Truly, Truly Fair," written by Bob Merrill.

But Tin-Pan-Alley is having its troubles. The folksy music requires a knack, like anything else. And many of the successful city songwriters just don't have it.

Pioneer Builder In Canadian Dies; Funeral Is Today

CANADIAN — (Special) — James Harvey Myers, 84, died at his home here early Friday morning after an illness of several years. Mr. Myers was born Jan. 8, 1867 in Ohio.

He came to the Panhandle about 1900.

Mr. Myers was one of the first prominent building contractors in Canadian having built the Baptist church and several of the finest older residences.

Funeral services will be held at 2 p.m. Sunday in Methodist church with Rev. J. J. Kendall officiating. Burial will be in Canadian under the direction of Stuckley Funeral home.

Funeral services will be held at 2 p.m. Sunday in Methodist church with Rev. J. J. Kendall officiating. Burial will be in Canadian under the direction of Stuckley Funeral home.

Germans Look For Good Word To Replace Fuehrer

AP Newsfeatures

BERLIN — The word "fuehrer" is slowly being denazified in Germany but it is a painful process.

Once an ordinary word meaning "leader," the term "fuehrer" took on capital letter size when Adolf Hitler chose it as his most desired title.

After the collapse of the Third Reich, the Germans tried to shed everything associated with Hitler and get along with the occupation powers. In so doing, they neatly sidestepped the use of the word "fuehrer" though at times it was mighty inconvenient.

At first, they adopted the word "leiter" as a capable substitute but soon dropped that one like a warm apron. It reminded them of Reichleiter Martin Bormann, whom nobody ever really liked regardless of how they felt about Hitler.

Little by little, the more daring just stopped worrying about the thing and where a job called for the title "Lokfuehrer" (locomotive engineer), it was called just that.

To everyone's surprise, nobody minded on the Allied side. The Germans were somewhat abashed to discover the Allies knew better how to differentiate between a small "f" and a large "F" than he did.

Today, the word "fuehrer" is in some use but it still has not become general. There is an occasional reluctance among the general public to indulge in it.

In any event, the people are extremely careful to keep their word out of the nomenclature of their political parties. This, they feel, would be edging a little too far.

Frankie Masters To Be At Shamrock

SHAMROCK — (Special) — Frankie Masters' orchestra is slated to play for a dance at the American Legion home here Jan. 11.

He will have with him Phyllis Myles, vocalist, and will present a varied musical program.

Masters is one of a long list of big-name bands to play at the local Legion home. Music will begin at 9 and close at 1 a.m.

Descendant Of Pioneer Dies

BEAUMONT — (Special) — John Randolph Bevil, a descendant of the first American to establish a settlement in Southeast Texas, died Thursday night. He was 97.

His grandfather, John Bevil, established a settlement at Bevilport, near Jasper, in 1826.

John R. was a real estate and lumber man.

Survivors include three sons, A. L. of Kountze, former county judge; Dr. John R. and Dr. Cooper P., both of Beaumont; three daughters, Mrs. L. J. Black of Beaumont, Miss Etelle Bevil and Mrs. Corine McElroy of Kountze.

Students See Films On The Life Of Fish

SHAMROCK — (Special) — B. L. Hill, junior high science teacher, has been showing junior high students a film on the life of fish.

Film concerns the characteristics of the bass family, but lies in with all types of fish life.

To remove mud stains from white clothes, try this trick. Dip the soiled area in kerosene. When this is thoroughly dry, launder in hot, soapy water.

Panhandle Bank Makes Donations

PANHANDLE — Santa Claus came to two Panhandle civic clubs during the holidays through the courtesy of the First National Bank.

The bank presented the Rotary club and the Lions club with checks for \$200 each for their civic work.

The check for the Rotary club was for improvements at the softball park, which the club sponsors. The Lions check was for additions and improvements for the Christmas street lighting project, which the club has sponsored for many years.

You haven't had a real hangover until you can't stand the noise of the Bromo-Seltzer.

Kerrville Hospital Seeks Technicians

Kerrville's Veterans Administration hospital is seeking skilled technicians. Manager Judd H. Kirkham announced this week.

The hospital needs two dietitians, a physical therapist, an occupational therapist and a medical social worker.

Dr. Kirkham's appeal for key personnel for the VA institution points out that the annual salaries for dietitians range from \$3410 to \$5040 and from \$3410 to \$4205 for therapists. Salary for medical social workers is \$4205.

Applications and inquiries should be sent direct to Manager, VA Hospital, Kerrville, Texas.

Name Changed For Army Installation

NEW YORK — (AP) — Pine camp, an Army installation near Watertown, N. Y., has been renamed Camp Drum in honor of Lt. Gen. Hugh A. Drum, the Department of the Army has announced.

Lt. Gen. Drum, who played a prominent role in the expansion of Pine camp, died October 3. He was a former commanding general of the 1st Army and Eastern Defense command with headquarters at Governors Island.

Camp Drum will be the scene of Exercise Snow Fall, a joint Army and Air Force maneuver, in January and February, 1952. With 30,000 troops participating, it will be the most extensive winter maneuver ever undertaken by the Army.

EAT PLENTY AND TAKE OFF UGLY FAT

Many people have reported amazing results with this home recipe. It's easy—no trouble at all and costs little. Just go to your druggist and ask for 4 ounces of liquid Barcostratin. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonfuls twice a day. That's all there is to it. If the very first bottle doesn't show the simple easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic, from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back.

Lost 39 Pounds
"I was really happy and surprised with the results obtained taking Barcostratin," says Mrs. Lillian Flowers, 214 Burnett St., San Antonio, Texas. "I have lost 39 pounds and feel so much better and look 10 years younger."

Lost 15 Pounds
Mrs. D. C. Baker, Box 21, Bryson, Texas, writes us as follows: "I weighed 115 pounds when I commenced to take Barcostratin. After one month I have lost 15 pounds and am going to continue taking it until I get down to 100 pounds. I have several of my friends taking Barcostratin and they are losing weight also."

Surplus Farm Products Set Up By Government Dwindling

WASHINGTON — (AP) — That wall-stocked special sales counter of surplus farm products Uncle Sam set up two years ago is nearly bare — reflecting a heavy volume of sales and government withdrawal of some stocks for possible future emergencies.

Two years ago this month, the Agriculture Dept. hoisted a mounting supply of farm commodities which at that time involved an investment of more than \$4 billion, adopting a policy of offering special items each month for sale. Many of them were at bargain rates. The first sales list included dried milk, cheese, butter, peanuts, linsed oil, dry beans, wheat, flaxseed, oats, barley, corn, potatoes, potato starch, Mexican canned meat, dried eggs, frozen turkeys and cottonseed oil.

The list for this month includes only dry beans, dried eggs, dried milk, linsed oil, flaxseed, and very small quantities of wheat, oats, corn and barley.

Government stocks have dwindled sharply under impact of the Korean war. The conflict has spurred foreign as well as domestic buying.

Furthermore, production of some crops has not kept pace with requirements. Hence, buyers turned to the department surpluses. As a consequence, the government's investment has dropped to about \$2 billion.

For example, it had \$1 billion worth of cotton then and only \$187 million now. Wheat stocks have declined from \$1.01 billion to \$738 million, corn from \$880 million to \$700 million, wool from \$40 million to nothing, dried eggs \$98 million to \$17 million, dried milk from \$55 to \$3 million, flaxseed from \$84 million to nothing, butter from \$62 million to nothing and linsed oil from \$118 to \$60 million.

Officials say it would be relatively easy to sell the bulk of the remaining grain if it was made available. But the department is offering only 5 million bushels of wheat monthly and only 50 million bushels of corn, from stocks and 400 million bushels of the former and 480 million of the latter.

With the nation using grains at a faster rate than they have been produced since 1949, the department believes unlimited sales would result in grain moving into hands of speculators and hoarders. It prefers to follow a policy of doling the grain out.

The department has lost slightly more than \$500 million of its farm stocks during the past two calendar years. The bulk of this was sustained on potatoes, dried eggs and dried milk—all perishable items which were sold at less than cost.

Pampa Jaycees Are Invited To Show

An invitation to Pampa Jaycees to attend the Southwestern Exposition and Fair Stock show on Junior Chamber of commerce day, Jan. 30, has been extended by Lloyd J. Weaver, president of the Fort Worth club.

Richard Dalton, chairman of arrangements, is working on plans with all the enthusiasm and color characterizing the Jaycees and members from all over Texas are expected.

Jaycees day a year ago drew several hundred members and was a highlight of the entire show. The Fort Worth stock show dates are Jan. 25 through Feb. 3.

Mrs. C. L. Burton Dies In Canadian

CANADIAN — (Special) — Mrs. C. L. Burton died in the home of her daughter, Mrs. J. E. Gilbert early Saturday.

Services will be held at 3:30 p.m. Sunday in the First Christian church with Rev. Tom Gray officiating.

Mrs. Burton is survived by two daughters, Mrs. Gilbert and Mrs. Roy Wheeler and a son Everett all of Canadian.

"The Russians must have you mechanics and your repair charges in mind when they call America a capitalistic country!"

Compensation Suits OK'd By Goodrich

Two compensation suits were settled through agreed judgments Friday in 31st District court and approved by Judge Lewis M. Goodrich.

A settlement of \$1250 was made by Lloyds Alliance with Ed Harris who was injured while working with John H. Buckner and Sons on June 27, 1951. Harris suffered fractures and dislocations of the back and hip and muscular injuries in a fall.

King Johnson was awarded \$300 from Liberty Lloyds for injuries he suffered to his foot, ankle and leg on July 6, 1951, while working for James T. Taylor and Sons when a piece of pipe hit him.

Pampan Is Honored By Phillips Pet. Co.

Jan. 1 marked the completion of 25 years of service with Phillips Petroleum Co. for George F. Stephenson. Garage foreman at Pampa, Stephenson was first employed as a pump knocker at the Pantex machine shop in Phillips, Texas. Later he was transferred to gas engine mechanic. His home is near Pampa.

PAMPA NEWS, SUNDAY, JANUARY 6, 1952 Page 3

Scouting In District Grows

Membership in Cubbing, Scouting and Exploring in Pampa and surrounding communities shows an increase of 27.9 percent over a year ago, according to an announcement by George Newberry, chairman of the Santa Fe district.

"Tribute should be paid to Ray Evans, 1951 District Chairman, and to all of the fine Scouters who helped make this growth possible," said Newberry.

The Santa Fe district, which includes Gray, Carson, Hemphill, Roberts, and the Southern half of Lipscomb counties, closed 1951 with a total of 1218 boys and 360 leaders as compared with 952 boys and 283 leaders at the end of 1950.

During 1951 there were 10 new units organized within the district. These new units are: Troop 21, McCullough Methodist church, Pampa; Troop 82, sponsored by the Alameda School board, Alameda; Troop 11, sponsored by the Lions club, Groom; Pack 81, Lions club, White Deer; Pack 79, Miami Council of Churches, Miami; Pack 71, group of citizens, Canadian; Pack 82,

Alameda School board, Alameda; Explorer Post 4, First Christian church, Pampa; Post 25, American Legion post No. 315, McLean; Post 81, Lions club, White Deer.

Plans are now underway for the development of a complete district organization and commissioner staff to serve the 35 units now registered in the district. Fred Neasage, Pampa, is the new district commissioner of the district and is now recruiting a complete corps of men who will serve as neighborhood commissioners for the coming year.

Free Book On Arthritis And Rheumatism HOW TO AVOID CRIPPLING DEFORMITIES

An amazing newly enlarged 64-page book entitled "Rheumatism" will be sent free to anyone who will write for it.

It reveals why drugs and medicines give only temporary relief and fail to remove the causes of the trouble; explains a specialized non-surgical, non-medical treatment which has proven successful for the past 33 years.

You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. Write today to The Ball Clinic, Dept. 2348, Excelsior Springs, Missouri.

Dumas C-C To Name New Officers Friday

DUMAS — A general meeting of the membership of the Dumas Chamber of Commerce is scheduled for 7:30 p.m. Jan. 11, in the county court room. At this meeting, new directors will be elected.

Nominees for directors, six of whom will be elected to serve two-year terms, are: Franklin Baer, Hub Bass, Jesse Bennett, Jimmy Burrage, Dr. R. C. Fowler, T. M. Hipp, Clyde Kohler, Roy Miers, George Murphy, Fritz Schuman, Tucker Teutsch, and Fuqua Younger.

Retiring directors are: Cecil Baer, A. B. Hollabaugh, John R. Williams, J. Bob Cox, J. S. McLaughlin, and Ed Stalowitz. Hold-over directors who serve for one more year are: Ken Duke, Hugh Lyle, Charlie Hastings, Arthur Baer, Oma Glover, and H. S. McMurry.

Following the election of new directors, a business meeting will be held at which time officers will be elected for the 1952 term. Also, a proposed program of work for 1952 will be discussed and submitted for approval by the general membership.

Officers who served during 1951 are: H. S. McMurry, president; Charlie Hastings, vice-president; and Arthur Baer, treasurer. Chamber manager is James C. Hestand.

Inquest Slated Into Mystery Death Of Model

MIAMI BEACH, Fla. — (AP) — An inquest will be held soon into the death of Mrs. Marjorie Heicken, 29-year-old blonde model, whose almost nude body was found on a bed near her baby's crib. Constable William McCrory said.

Jerry Sukin, 26, University of Miami student, was held in \$1,000 bond as a material witness pending outcome of the inquest.

McCrory said a lie detector test indicated Sukin was telling the truth when he said he had not killed the model.

Sukin told police he found the body Wednesday after Mrs. Heicken failed to answer repeated calls and he persuaded the landlady to open the apartment door with a pass key.

The body, clad only in silk panties, was sprawled face down on the bed. Detective Ernest Harrison said blood on her mouth might have come from cuts caused by an upper denture which was lodged in her throat.

He said an investigation disclosed she was subject to epileptic fits and he believes she might have strangled on the dental plate during a seizure.

Harrison said Mrs. Heicken's four-month-old baby, Debra Suzanne, was in her crib and that neighbors had heard the child crying. She was turned over to the welfare department.

Mrs. Heicken was the widow of an Army sergeant killed in 1945 and Harrison said the father of her illegitimate child, who was not identified, lived in Indianapolis and sent her payments regularly.

707 N. CUYLER - PAMPA

Stars and Stripes

ON FURLOUGH — Isaac "Ike" Doom, airman first class, is spending the holidays with his parents and friends in Lefors. The former Pirate athlete was a freshman at West Texas State college before entering service. After completing schooling at Keiser Air Force base, Miss., Doom will be sent to the Far East.

Clyde W. Hill, 24, metallsmith third class USNR, husband of the former Miss Beulah L. Horne, Dalhart, has been assigned duty aboard the USS PCE 874, home-based at Corpus Christi, Texas. Hill will be at Eighth Naval district headquarters for two weeks indoctrination.

He attended Lefors High school until 1945 when he enlisted in the Navy at Dallas. He served until July 1946, when he was released. He spent one year overseas during World War II and wears the American theater campaign, the Asiatic Pacific campaign, and the Victory ribbons.

Pfc. Teddy W. Downs, son of Mr. and Mrs. Oscar O. Downs, Skellytown, recently was transferred to the 38th Strategic Reconnaissance Squadron, McClellan Air Force base, Calif.

This squadron is responsible for gathering weather a thousand

miles off the west coast of the United States. In flight weather data concerning existing temperatures, barometric pressure, and relative humidities, are taken at one hundred nautical mile intervals.

Lt. and Mrs. Grover Crocker left last Tuesday after spending holidays with relatives here. Crocker was graduated from Craig Air Force base, Selma, Ala., last September and completed gunnery school at Luke Field, Phoenix, Ariz. He now will report to the West Coast for assignment to the Far East.

Seaman Monty C. Allison, son of Mr. and Mrs. Mont Allison, 1107 S. Hobart, has returned to Key West, Fla., after spending a 21-day furlough with his parents. Allison is assigned to the submarine, USS Chopper.

HOME RECENTLY — Pfc. Forest Duane Hankins, son of Mr. and Mrs. R. M. Hankins, Phillips Gray camp, visited his family over Christmas holidays. He is stationed at Francis E. Warren Air Force base, Wyo. Hankins enlisted last September and will graduate as a teletype operator Jan. 30. He was graduated from Lefors High school and attended Texas A&M, one year.

CALLS HOME — Cpl. Jimmy S. Crouch, now stationed at the 21st Evacuation hospital, Pusan, Korea, called home from overseas during Christmas and talked to his wife, the former Esauell Johnson, and mother, Mrs. J. T. Crouch. Before entering service in January, 1951, Crouch was graduated from Pampa High school and attended Business college in Amarillo. He is in personal work at the hospital.

SHAMROCK — (Special) — Two Shamrock men have joined the Air force, Sgt. Chambliss of the Childress recruiting station says. Mickey Fogelson, Irish high graduate of 1951, and Jerry Up-ton, a current junior, went to Amarillo last week end and are being sent to Lackland Air Force base, San Antonio for basic training.

Chambliss, stationed in Shamrock for a year, was transferred to Childress last fall and takes applications in Shamrock each Friday.

Pvt. Bill Russell, son of Mr. and Mrs. Ridge Russell, northeast of Pampa, has returned to Aberdeen Proving rounds, Md., after being called home on emergency leave by the death of his grandmother, Mrs. W. G. Lyons. He has been in service six months.

Cpl. and Mrs. Harold Glyn Dougherty, formerly of Pampa, are parents of a son, David Allan, born Dec. 24 and weighing six pounds, 14 ounces. Dougherty is stationed at Yuma Ariz., with the 412th Engineer Construction battalion. His grand N. M. Before entering the Air force, he graduated from Wheeler and Mrs. B. A. Dougherty, south High school.

Agent Resigns At Wheeler

WHEELER — (Special) — Robert Ledbetter, who has served as assistant county agent in Wheeler county for the past nineteen months has resigned. He left Saturday for Breckenridge where he will be associated with his father, R. F. Ledbetter. The Ledbetter farm and ranch is located 17 miles south east of Breckenridge.

Ledbetter has worked with the 4H boys of the county. The boys have made some outstanding records on their projects and in judging contests. His grass and livestock judging teams were entered in the state contest in 1951.

The return to the home place will be for the minimum of one year. After this period he may again join the extension service. He is a graduate of Texas A&M.

Irish Plan St. Pat Day

SHAMROCK — (Special) — Patrick for St. Patrick's day. What could be more appropriate? Thus thought chamber of commerce directors here last week when they named Norman Patrick to direct the gigantic March 17 festival in the Irish city's annual extravaganza.

Patrick is also chairman of the retail merchants' committee which developed the Silver Dollar day program.

St. Patrick's day celebration was held in 1950, but abandoned in 1951 "because of the emergency." Commerce directors decided last fall to revive the event, one of the most colorful in the area.

Among the recent honor graduates from the Air Force Technical Training school, Chanute Air Force base, Rantoul, Ill., was Pfc. Billy H. Erwin, USAF, son of Mr. and Mrs. W. L. Erwin of Wheeler.

Erwin, who entered the Air force last March, transferred to Chanute Air Force base from Highlands university, Las Vegas, N. M. Before entering the Air force, he graduated from Wheeler and Mrs. B. A. Dougherty, south High school.

WARREN'S ARM UP

By Warren Hasso—Sports Editor

QUESTION: Who holds the major league record for the most hits in one season?

IMAGINE OUR SURPRISE and joy when Doug Mills brought Ivy Griffin into the office yesterday and we discovered that the new business manager of the Oilers had performed with several clubs in Wisconsin, among other places he had unpacked his suitcase. You fans are going to like the new Oiler addition, so be sure to get acquainted with him.

He is setting up his office at the ballpark and will be most happy to have anyone stop by and talk baseball with him.

We just missed by a year becoming acquainted with Ivy prior to yesterday. He managed the Eau Claire Bears of the Northern League in 1939 and '40 for the Milwaukee Brewers. The following year, with our aspirations high of being a major league star of Stan Hack's calibre, we trudged off to Eau Claire in the spring for a tryout with the Bears.

We packed our infielder's glove, polished our spikes, took a pen along just in case they didn't have one for us to sign a contract with, and took off. We hit Eau Claire right in the middle of a teacher's convention and no hotel rooms were available, but we managed to get into a private home along with two other hopefuls.

Only two beds were available for the three of us, and of course we lost the dip and had to sleep with a pitcher who finally wound up throwing a little ball in the Wisconsin State League. But back to our tryout.

We trudged out to the park daily for three days, put on our flannels and spikes, took our wags, our turn at third base, and showed up. The fourth day blossomed bright and sunny. And so did our bed partner.

We took one look at him in the morning and hid. His face was so swollen we thought he had had some horsehides driven back down his throat. He had the mumps to the tenth degree. That ended that tryout as we hastened homeward.

That was as close as we came to meeting Ivy prior to yesterday, as we said.

But we have heard plenty about him, read more, and after talking with him yesterday, are convinced that the Oilers are going to be in for a good season.

Not only from the standpoint of league standing, but also at the most important place, the box office.

Ivy has had worlds of experience after knocking around in baseball for nearly 33 years. His list of friends and associates includes some of the biggest names in baseball, including Mr. Baseball himself, Connie Mack, for whom Ivy performed for part of three years. Also, the new circus man of baseball, Bill Veeck, is listed among Ivy's closest friends, and these two boys could likely aid the Oilers in fielding a strong team if the need be to call on them.

Jake Phillips, the newly appointed Oiler field manager, also numbers Branch Rickey among his personal friends, having played with the little Twig several years ago. These three big names in baseball might be a good step toward the Oilers getting a working agreement and player aid from the major clubs.

Welcome to Pampa, Ivy. I know that you will like it here, and that the Friendly City will like you.

What a fine reception Coach Clifton McNeely's grade school basketball program received yesterday morning. We toured the various grade schools and found the youngsters buzzing with basketball fever. It is wholesome recreation for them and will be the starting foundation of a good grade school athletic development program.

"Coach" Marvin Bond, operating at Horace Mann, had about 40 youngsters out. They were running through some of the most intricate warmup drills that the Harvesters perform, including the cagey four-corner drill which even confuses the big boys at times.

Watching the little fellows drive into the basket and shoot was the attentiveness of the youngsters as the boys who they see wearing the Green and Gold explained something to them. They were all eyes and ears, and showed a strong desire and appreciation of the program planned for them.

Once again the Pampa Boys Club isn't getting the type of cooperation it needs to keep an interest going. The Berger Junior Chamber of Commerce scheduled the Boys Club for a team boxing match Friday night, but found that they had picked a

Childress Stronger Than Before

CHILDRESS — The Pampa Harvesters, playing one of their poorer games of the year, Saturday night defeated the Childress Bobcats here, 44-33.

The Bobcats, strengthened by the return of big R. D. Bradshaw, stayed in the ball game all the way in comparison to an earlier 59-32 loss at the hands of the Harvesters.

The Harvesters jumped off to an early lead on the strength of three free throws by Tommy Smith and a basket and a free throw by Duane Jeter to take a six to two lead. But the Bobcats fought back, taking advantage of poor Pampa ball handling and trailed the Harvesters 17-7 at the end of the first quarter. The Pampans extended their lead to 23-15 at half-time.

Coch Clifton McNeely inserted his reserve into the lineup in the second quarter in an effort to improve the Pampa offense.

Coming back in the third quarter, McNeely started his first team, and they ran up a nine-point lead midway through the period. But by the start of the fourth quarter were in front by a 37-29 margin.

Early in the fourth quarter the Bobcats cut the lead to six points. Sophomore Jimmy Bond was held to one of his lowest totals of the season, eight points, by lanky LeRoy Knott. This gave him a share of the scoring honor along with Jimmy Dulaney who also hit four field goals. Bradshaw led the Bobcat scoring with nine points.

It was the final tune-up game for the Harvesters prior to the start of District 1-AAAA season. Next Friday night they open up conference play against the San Angelo Bobcats at San Angelo and Saturday night shift to Abilene to face the Eagles. Their home opener is Jan. 19 against the Borger Bulldogs.

CANCEL MITT MATCH WITH BORGER TEAM

The scheduled boxing match between the Pampa Boys Club, Inc., boxing team and the Borger team was cancelled yesterday morning by the Borger officials.

Inability to obtain the necessary equipment for the match, and the bad roads was given as the reason by Borger's Jaycees, who were sponsoring the event.

It was to have been the final tune-up scrap for the Pampa gloves prior to the Golden Gloves district tournament here Jan. 14, 15 and 16.

Tickets for the Golden Gloves have been printed and will be placed on sale Monday. Reserved seats tickets at \$1.50, adult general admission seats \$1.00, and students general admission \$0.75.

The district tournament will be held in the Junior High school gymnasium each night starting at 8 o'clock.

Boys will be entered in the Pampa tournament from Pampa, Lefors, Shamrock, Wellington, Skellytown, Panhandle and White Deer. District high school and open division winners will advance to the regional tourney at Amarillo. Regional open division champions will be entered in the state tournament at Fort Worth in February.

The Pampa tournament is expected to be sparked by some exhibition bouts between some contestants from the Amarillo Air Force base, including the possibility of a Negro match between the classy and very popular Connie Wilson and another AAEB glove.

WASHINGTON — (AP) — Eleven college presidents met today to work out details on how inter-collegiate sports may be de-emphasized.

The presidents are members of a special committee set up by the influential American Council on Education to study what's wrong with sports.

Raymond Howes of the council old a reporter the presidents hope that by the time they conclude their meetings Monday they will have, in writing, an athletic code which can be enforced.

In previous meetings here the presidents have agreed that 1. Post-season football bowl

FIRST LESSON — Youngsters gathered at all the four ward school gymnasiums Saturday morning to start the weekly supervised basketball training program inaugurated by Coach Clifton McNeely of the Harvesters. Pictured above is the group at Woodrow Wilson grade school watching Tommy Smith, Harvester co-

captain and guard, showing them one of the phases of the game. Other basketballers instructing at Woodrow Wilson and pictured are Ray Cooper, Guerrilla co-captain, and in the background, Harold Lewis and Ken Hinkle of the Reapers. The program will continue each Saturday morning.

Oilers Name New Business Manager

Ivy Griffin, Veteran Ball Player, Manager Signed

Doug Mills, president of the Oilers yesterday announced that Ivy Griffin, veteran ball player and manager, had been hired as business manager of the Oilers for 1952.

Griffin, who has a background of over 30 years in baseball's various capacities, arrived in Pampa from his Mobile, Ala., home Friday to begin his duties immediately. The personable business manager said "I'll be in the office at the ballpark at 8 o'clock Monday morning to start working for this year's season."

Griffin's long baseball career stems back to a beginning as a player in 1919, on through days in the majors with Connie Mack, association with Bill Veeck, managerial duties and front office headaches.

"We plan to give the fans a ball club that they will enjoy watching, and one that will be in the playoffs when the season is finished," said Griffin. And looking at his various connections it would appear that that will be what the baseball fans of Pampa have in store for them in 1952.

Ivy, or "Griff", as he is nicknamed, began his professional career with the Atlanta Crackers in 1919 as a righthanded first baseman. He did so well that he held down the initial sack with the Philadelphia Athletics, managed by Connie Mack, in late 1919 and 1920 and '21. In 17 games of the fall end of the 1919 season he hit .294, in 129 games in 1920 he hit .238, and in 59 games in 1921 he hit .321.

With MILWAUKEE — The next eight years he spent with Milwaukee's Brewers in the American Association, getting his best batting average of .362 while with the Brewers and also his worst, an even .300 pounded out in Borcher Field in 1930. '31 and '32 he played at Little Rock and in 1933 shifted to Williamsport in the old New York-Pennsylvania League, now known as the Eastern League. In 1934 he played at Asheville, N. C., and in 1935 he started taking over the responsibilities of a club by becoming player-manager at Jeanerette, La., in the Evangeline League. That year he won the pennant.

In 1936 he finished second as manager of the Cordele, Ga., team, then associated with the Cincinnati Reds. The next year at Cordele, he was taken over by Brooklyn, Griffin won the pennant and moved on to Selma, Ala., in the Class B Southeastern League for the '37 season, finishing second.

The next year he moved back to Wisconsin, taking over the Eau Claire Bears of the Northern League for the Milwaukee Brewer organization, and finishing fourth. The next season he finished seventh and moved to Madison's Blues of the Three-I League, also Brewer property. In the meanwhile the Brewers were sold to Bill Veeck, who asked Griff to handle the Winnipeg club where he finished second in 1942.

The war years of 1943 and '44 saw Griff heading an athletic program at shipyards in Mobile, but he returned to the professional end of the game again in 1945 upon the insistence of Veeck, and guided Middletown,

Program Off To Good Start

Nearly 200 youngsters below seventh grade age gathered at the four ward school gymnasiums yesterday morning to begin a weekly training program for basketball under the guidance of Coach Clifton McNeely of the Harvesters basketball team.

Harvesters, Guerrilla and Reaper basketball players supervised and instructed the program at each of the schools, starting at 9 a.m. and working until noon. Coach McNeely and Coach Pernell Scoggin of the Junior high school Reapers attended all of the sessions, travelling between the schools to aid in the supervision.

Instructing at Woodrow Wilson were Tommy Smith, Harvester co-captain, Ray Cooper of the Guerrillas and Ken Kinkle and Harold Lewis of the Reapers; at Horace Mann were Marvin Bond and Benny Cartwright; at Sam Houston were Jimmy Bond, Eddie McNamara, Buster Carter, Buddy Sharp and Glen Gilmore; and at Baker school were Duane Jeter and Gary Griffin.

Instruction will continue each Saturday morning the rest of the school year with the various schools being divided into teams to be coached by the player coaches. A pee-wee league will be formed and the teams will oppose each other.

The program is open to all boys from sixth grade through the classes will last three hours and the boys need furnish only their own shoes and other personal equipment they desire to wear.

This was the start of a grade school athletic program designed to not only produce good athletes for the Pampa high school teams, but to offer recreational facilities for the youngsters on Saturdays.

Football Banquet Tickets On Sale

Tickets for the annual Pampa Harvesters football banquet are now on sale at Richard Drug, Noblitt - Coffey, Frank Lederer, Clyde's Pharmacy and the Pampa Chamber of Commerce business office.

Final arrangements for the affair, to be held Jan. 17 in the Senior High school cafeteria, were completed Friday afternoon.

Highlight of the night will be the presentation of the "Fighting Heart" award. This annual award is given to the boy who, in the minds of the Harvesters coaches, has shown the most spirit all season long, during games and practice sessions, as well. Last year's winner was Glenn "Buzzy" Tarpley, who it is hoped will be able to take time from his studies at Oklahoma University to attend the banquet and present the award to this year's winner.

The only other winner of the award, now going on its fourth year, was Pete Cooper, who was the winner off the 1948 and '49 teams.

Jess Neely, head coach of the Rice Owl will be guest speaker for the occasion and he will bring along a film of one of the Rice games to show to the fans following his speech.

Penn State's soccer teams under coach Bill Jeffrey won 75 per cent of their games over a 25-year period.

NIP AND TUCK ALL YEAR—Fred Witt (right) beats Don Gehrmann in Glenn Cunningham Mile at Kansas Relays April 21. Track season was highlighted by their many mile duels.

Michigan Ace Leads North To 20-6 Victory

Company On Sound Basis

MOBILE, Ala. — (AP) — Al Dorow, a passing master from Michigan State, ran 87 yards with an intercepted pass for one touchdown and passed for another to lead the North to a 20-6 victory over the South in the Senior bowl football game here Saturday.

Until Dorow intercepted a pass tossed by Vanderbilt's Bill Wade in the third quarter, victory in this final college football bowl game could have gone to either side. But Dorow's touchdown run-back put the South too far behind to catch up.

The crowd of 20,236 fans — most of them rabid Rebels — got a bit of pleasure late in the game when Kentucky's Babe Parilli finally began hitting with his throws.

Parilli and South Carolina's Steve Wadiak worked the ball in the Yankee goal and Wadiak made the crossing on a three-yard trip over left guard.

The victory was the first for a North squad in this three-year-old competition between senior college stars from every section of the country.

Members of the Yankee team, which included numerous Southerners to help equalize the two squads, became professionals immediately after the game when they accepted \$500 each as their share of proceeds.

Neither Southern passer — Wade of Vanderbilt or Parilli — gained as they were expected to. But neither did Fred Benets of Southern Methodist, a North team member.

Dorow's 87-yard interception run made the score 13-0 for the North, and from then on there was little doubt that the Yanks would win. But then Parilli and Wadiak partially got the Rebels back in the game and Dorow was called on to wrap it up once and all.

Soon after the final quarter opened Dorow, North quarterback John Coatta of Wisconsin, Bill Reichardt of Iowa and Frank Gifford of Southern California got the North to moving again. A Dorow-to-Gifford touchdown pass for three yards capped off the push after a 87-yard downfield drive.

Oklahoma's Jim Weatherall converted twice.

Wade's misfired pass got the second half off in wild style and Parilli and Wadiak kept the festivities going. Wadiak's touchdown ended a 85-yard drive in 11 plays, most of them Parilli passes.

The South's resurgence soon died and Dorow's pass to Gifford followed for the final North score. The play came on a fake draw play executed to perfection by Modzelewski.

The first half was sloppily played by both teams and gave little indication of the great game coming up in the second half. The South did not complete a pass before intermission.

Passing by Benets, Wade and Parilli was off and they were rushed unmercifully.

MOBILE, Ala. — (AP) — Statistics of the Senior bowl all-star football game Saturday.

ON LEAVE—Pvt. John M. McGean was given leave from the Army to try out for the American figure-skating team going to the Winter Olympic Games, to be held near Oslo, Norway, Feb. 14-25. Private McGean shows that form is everything whether in GI uniform or formal costume. He is at home training under Nancy F. Alford, who teaches at the Cleveland Skating Club. (NEA)

Southwest League Leaders To Meet

PHOENIX, Ariz. — (AP) — Members of the Class C Southwest International League will meet here today to elect a new president and decide the future status of the 10-team loop.

There has already been considerable speculation that the circuit will reduce its numbers and component parts of Sunbelt and Arizona — Texas leagues.

The suggestion of dropping out two members, probably as a economy move, appears to have gained some backing. Most likely candidates for the axe are the two on the distant western fringe, Tijuana, Mex., and Las Vegas, Nev.

This would leave Juarez, Mex., El Paso, Texas, Bisbee-Douglas, Ariz., Tucson, Ariz., Phoenix, Yuma, Ariz., Mexicali, Mex., and El Centro, Calif.

Les Powers of Santa Monica, Calif., resigned as Southwest International president several weeks ago.

Soon after the final quarter opened Dorow, North quarterback John Coatta of Wisconsin, Bill Reichardt of Iowa and Frank Gifford of Southern California got the North to moving again. A Dorow-to-Gifford touchdown pass for three yards capped off the push after a 87-yard downfield drive.

Oklahoma's Jim Weatherall converted twice.

Wade's misfired pass got the second half off in wild style and Parilli and Wadiak kept the festivities going. Wadiak's touchdown ended a 85-yard drive in 11 plays, most of them Parilli passes.

The South's resurgence soon died and Dorow's pass to Gifford followed for the final North score. The play came on a fake draw play executed to perfection by Modzelewski.

The first half was sloppily played by both teams and gave little indication of the great game coming up in the second half. The South did not complete a pass before intermission.

Passing by Benets, Wade and Parilli was off and they were rushed unmercifully.

Louise Suggs Leads Jacksonville Open

JACKSONVILLE, Fla. — (AP) — Louise Suggs, who hasn't won a major golf tournament in a year, shared the first day lead with Miss Suggs, skied to 80 and a lead in the Jacksonville Women's open.

Miss Suggs, smooth swinger from Carrollton, Ga., scored 37-38-75 to go with her opening round 73 from 148. She was four under par for the 36 holes over the 6,282 yard Brethren Municipal course.

With only today's 18-hole round left to play, she was three strokes in front of the field.

Mary Lena Faulk, tall Thomasville, Ga., amateur who has come into prominence only in the past year, was second to Miss Suggs two-thirds of the way through the journey. She had a shaky start but came back strongly for 40-37-77 over the par 37-39-76 links for a total of 151.

Betty Jameson, tall-Texan from San Antonio, shot the day's best round at 39-35-74 to go into a third-place tie with Babe Zaharias, Tampa veteran who still is scrambling for her scores. Mrs. Zaharias had 78. She and Miss Jameson

SPORTSMAN'S DIGEST

By Hal Sharp
USING A DUCK CALL
WHEN DUCKS ACKNOWLEDGE YOUR CALL AND SET THEIR WINGS TO GLIDE IN TO YOUR DECOYS, YOU KNOW YOU'VE GIVEN A CALL...

THEY LIKE SO CONTINUE THE SAME CALL IF THEY WON'T COME IN TRY A DIFFERENT CALL.

DON'T TAKE YOUR EYES OFF THE DUCKS UNLESS THEY'RE DIRECTLY ABOVE WHEN CALLING. THE "HIGHBALL" CALL "QUACK QUACK QUACK QUACK QUACK" MAY ATTRACT PASSING DUCKS. IF SO, DISCONTINUE CALLING. HIGH PITCHED CALLS WORK BEST IN TIMBERED AREAS. USE LOW PITCH IN MORE OPEN AREAS. PLEAD WITH ALL CALLS.

The shortage of strong elastic girdles has revealed just what shape this country is really in.

IT'S COLD INSIDE—Icicles glistening in his mustache, Neville Price, Oklahoma's sprinting broad-jumper, reaches for the baton. He's from South Africa. Coach John Jacobs puts on everything he can find to keep from freezing at Pneumonia Downs, the country's open-air indoor layout under the east stadium at Norman. (NEA)

Russians Entering Summer Olympics

HELSINKI — (AP) — Russia formally announced Saturday it would participate in the summer Olympic games here July 19-Aug. 3 but remained silent about the winter games at Oslo Feb. 14-25.

The summer games thus will bring the first major test in the world of sports between the Russians, who are reputed to have some first class athletes and have claimed scores of world records, and the United States, traditionally the strongest in the Olympic games.

Meanwhile, preparations for the winter games at Oslo Feb. 14-25 went ahead as scheduled. American skiers got in their first day

of practice down the noted Kandahar run at Muerren, Switzerland, and their trainer, Emile Allais, pronounced the results as "satisfactory."

The deadline for entering the winter games was New Year's eve and the Russians let this pass without making application. Norwegians believe the caliber of Russian winter sports athletes is not up to Olympic standard, and rather than make a poor showing, the Soviets will stay on the sidelines.

Russias formal decision to compete in the summer games was conveyed in a cable from the Soviet Olympic Committee Chairman, K. Andreanov, to Baron Erik von Franckell, chairman of the Olympic committee. The Soviet entry increased the number of countries participating in the summer games to 54.

The Russians are known to be strong in many of the Olympic summer sports, such as track and field for both men and women, wrestling and boxing, swimming, and soccer.

MOBILE, Ala. — (AP) — Baseball executives from several leagues in the Southwest will gather here Jan. 17 and 18 for a promotional conference arranged by the National Assn. of Professional Baseball leagues.

It will be one of three meetings conducted by Robert Finch, director of public relations for the minor leagues, in this section. The others will be at Oklahoma City, Jan. 19 and 20 and at Houston Jan. 21 and 22.

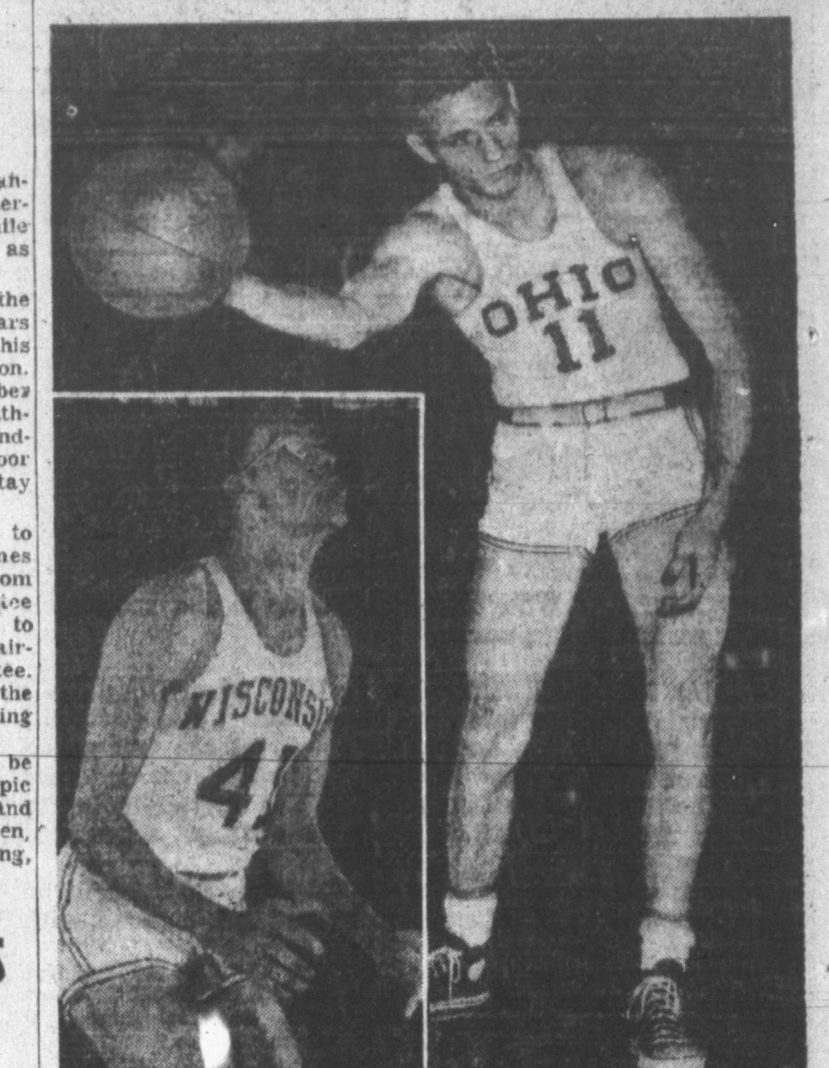

In charge of arrangements for the Abilene session is Hal Sayles, president of the Longhorn League. Baseball men are expected here from the Western, Southwest, International West Texas — New Mexico and Longhorn Leagues, and possibly from some clubs in the Big State and Texas leagues.

Ticket sale plans and other promotional ideas will be formulated during the meetings.

The Pennsylvania State Grass Court tennis championships were shared by Vic Seixas (mens) and Maureen Conolly (womens).

Bucky Walters, Boston Braves coach, has a younger brother (Jack) who now pitches for Charleston in the Class A Central League.

Alberto Peyrano, 44-year-old bicycle salesman, demonstrates the form which won the Bolivian hammer throw finals at the Caracas, Venezuela, "Little Olympics." He won with a toss of 43.71 meters (143 feet, seven inches). (NEA)

BIG SHOTS—Wisconsin's Paul Morrow, inset, is compared with Don Rehfeld, the Badgers' All-America of a few years ago. Ohio State's Bill Ebert performs with the coolness of a veteran. (NEA)

SPORTS MIRROR

Ten years ago — The Navy Relief Society received \$26,684.84 as proceeds from the Chicago Bears-pro football All-Stars exhibition game.
Twenty years ago — Ellsworth Vines, national tennis champion, announced he would take a leave of absence from college in order to prepare for the Davis Cup team tryouts in the spring.

SPORTS AFIELD

By TED KESTING

Not enough hunters know how to keep their game birds once they bag them. They also do not agree on how to hang birds. About 50 percent hang them by the feet, and 50 percent by the head. Either way is good. The most important thing is to keep your game dry and give it plenty of fresh air.

Jimmy Robinson's duck camp is famous and he says: "Usually we dry out our ducks and take them to town the same day, have them cleaned and put in a freezing plant. We never draw a duck or goose until it is ready to be picked and frozen. After you have taken the innards out of a duck, it will spoil quickly if not refrigerated."

Others claim that in mild weather spoilage of ducks is hastened if the intestines are not removed immediately after shooting. Their recommended method is to "buttonhook" them. This is done with a buttonhook or a wood hook by inserting it in the vent and twisting it to catch the inside of the large intestine for removal through the vent. The entire intestine can be drawn out without enlarging the opening. This method should be used on all ducks early in the season. All dipper or puddle ducks, such as mallards and pintails, will spoil more rapidly than diving ducks because of the type of vegetation they feed upon.

Kuharich Spotted For Card Coach

SAN FRANCISCO — (AP) — Joe Kuharich will be named head coach of the Chicago Cardinals, a professional football club he once played for, The Chronicle said yesterday.

The Chronicle said the announcement is not official but private sources are unanimous in naming the recent University of San Francisco head coach to the job. The former Cardinal coach, Curley Lambeau, resigned last season.

The Cardinals managing director, Walter Wolfner, now vacationing in Miami, was quoted by the newspaper as saying: "I'm leaning toward Joe."

Cooper Expected To Aid Irish Ring Squad

SHAMROCK — (Special) — Paul Cooper, 185-pound Irish tackle last fall, will be one of the better boxers at his weight, says H. W. Cailan, boxing coach. Cailan said he expected a great deal of the fiery junior, slated next fall to be a main string tackle.

Cooper won most of his fights last year. He will appear both at the Shamrock invitational boxing tourney and the Pampa tourney, both slated for February. During the latter part of the grid season, Cooper played a great deal at tackle, especially on defense.

Robinson is a great believer in carrying game birds by a strap rather than in a hunting coat. It doesn't take long for a badly shot bird to spoil in your game pocket. After you've shot a bird the natural thing is to shove it in your pocket and, continue the hunt.

You forget that this bird is your hand on by a strap if you have a long hike before you. The sooner you get them back to your car and dry them out, the better the flavor of your game will be.

Plenty Jobs Open For Grid Coaches Who Seek Positions

NEW YORK — (AP) — Football coaches looking for jobs in a major college or professional ranks may apply to at least three schools and two members of the National Football League. And there may be a fourth opening among the nation's top collegiate gridiron powers before another day rolls around.

Jobs are open at Pittsburgh, Indiana and Arizona among the colleges and at Washington and the Chicago Cardinals in the NFL. Forest Evashevski has told Washington State authorities he'll tell them by tomorrow whether he'll be back to the helm of the Cougars.

Actually Pittsburgh still has a coach in athletic director Tom Hamilton but the war time organizer of Navy athletics has announced he doesn't want the job again. He stepped in last season when Len Casanovi resigned in July to take over the coaching reins at the University of Oregon.

Hamilton was scheduled to sit down with the school's athletic committee yesterday to talk over the situation. Some 80 men have applied for the job, including Johnny Michelson, former coach of the Pittsburgh Steelers of the NFL; Red Dawson, backfield coach at Michigan State and Bill Glassford, youthful mentor at Nebraska.

NO ANNOUNCEMENTS
There have been no announcements from either Indiana or Arizona regarding replacements for Clyde Smith and Bob Winslow, respectively. Both stepped out last fall after their teams failed to play up to expectations. The Cardinals are looking for a replacement for Curley Lamb, who quit the pro club before the end of the season. Joseph L. Kuharich, coach of the University of San Francisco's unbeaten eleven last year, is reported to be the No. 1 man in line for the job.

Kuharich announced his resignation at San Francisco before the school dropped football along with Loyola of Los Angeles. George Marshall also is searching for a man to coach his Washington Redskins in the NFL. Dick Todd took over the Redskins late in October when Marshall fired Herman Ball and was unable to obtain Hank Anderson from the Chicago Bears.

There also is a possibility the Philadelphia Eagles will have a new coach. Wayne Milner, who replaced the ailing Doc Miller early in the season, didn't have

Sports Round-Up

BY HUGH FULLERTON, JR.
NEW YORK — (AP) — Wonder if the U. of Kentucky's decision to limit out-of-state football scholarships to five means that the Bluegrass has his "farm system" established? ... Only last spring Perry explained that he had to go so far afield for players because Kentucky high schools didn't produce enough and that he was just beginning to find them in the Bluegrass. ... He also complained rather bitterly about some features of the high school setup which kept many small town boys from playing football. ... He went out in the cedar bush, picked himself a likely spot and climbed a tree to ambush a buck ... Yeah, that's it; he fell out.

HE WAS BUSHED
Byron Townsend, the hard-luck Texas fullback, thought he had suffered every imaginable kind of injury during the football season. ... Week after week he was kept from doing his best by one hurt or another. ... Came the end of the campaign, Byron decided to get away from it all by taking a deer hunting trip. ... He went out in the cedar bush, picked himself a likely spot and climbed a tree to ambush a buck ... Yeah, that's it; he fell out.

SPORTSPOURRI
Phil Bizuto is arranging to have his own television show under the guidance of Frank Scott, former Yankee road secretary who handles the bookings for Tommy Henrich and a lot of other baseballers. ... Charles Burlingame, 80-year-old former jockey who visits Tropical Park regularly, thinks that the stall gate is chiefly responsible for the improvement in racing since his day. ... Jesse Arnette, six-foot-five, 215-pound freshman from New Rochelle, N. Y., may turn out to be the best all-around athlete in Penn State history. ... He easily moved into top spots in football and basketball and is reported to be a first-rate hurdler and quarter-miler. ... Lew Fonseca, narrating the World Series movie, described one play as a "sacrifice fly" — which hasn't been in the rules for some 20 years.

WEAK END NOTES
Two Michigan State co-eds aren't going to let those football and basketball players grab all the fun. ... Elaine Lewicki just won her second national indoor girls' tennis championship and Ginny Baxter made the Olympic figure skating team. ... Florida State U. probably is the only college that keeps all-time volleyball statistics. ... It isn't a mistake that the 1952 national YMCA meet is listed for the York, Pa., YMCA. The girls just have a better pool. ... Final National Collegiate Athletic Bureau statistics reveal that New York U. and Detroit U. were tied for first in one department. ... "Most open season's tumblers recovered." It was an unkind suggestion by a NYU guy, who said: "That just proves our players were always on the ground."

too much success with the club. Two major jobs which became vacant after the close of this season were filled promptly. Murray Warsh, Army line coach, replaced Arthur (Slick) Morton at Mississippi State and Horace Hendrickson moved up from assistant to take Beattie Feathers' job at North Carolina State.

Guerillas Knocked From Claude Meet

The Pampa Guerillas were eliminated from the annual North Plains invitational basketball tournament Friday afternoon, losing a 53-37 decision to Happy's Cowboys.

The Guerillas made a fight of it the first half, trailing by only two points at halftime but the Cowboys came back the second half, rolled to an eight-point lead at the end of the third period and closed out by scoring 23 points to five for the Guerillas. Center Doug Randolph and guard Ed Dudley shared scoring honors with nine points each while Tom Selwege hit 17 to lead the winners.

Hager Honored On All-Southern

SHAMROCK — (Special) — Big Dwayne Hager won one of the highest honors ever to come to an Irish grid star when, last week, he was chosen as one of 30 men on an All-Southern high school team representing five states.

Hager was one of six Texans on the team. As a 210-pound tackle, he was probably the most noticeable on defense and one of the savagest on offense in the area. He saved the Wellington game by blocking an end zone punt in the final moments. He recovered a fumble in the first half and set up the Irish 28-yard drive in the lone TD, and performed yeoman work in many other games.

Hager is a senior. He said he would attend college next year and would be happy to play more football, but would not decide where until he graduates.

Canadian Meet To Be Toughie

SHAMROCK — (Special) — Shamrock expects some of its most difficult competition at the Canadian tourney two weeks hence, reports Scott McCall, Irish head coach.

McCall said many a court giant would appear at the Canadian set-to, always one of the toughest area tourneys. Perryton's tough Rangers are expected to be in the group. Canadian itself has a strong quintet. The Irish mentor said he was not sure how strong his 1952 quintet is, but would know in a hurry at the Canadian tourney. Wellington, McLean and Samnorwood are also expected to test the Irish mettle.

Shamrock will play Kelton Jan. 8, McLean January 11, and enter the Canadian tournament on Jan. 17. They will appear in the pay-off tourney at Perryton Feb. 22-23-24, when the District 1-AA crown is decided. In the 1-AA session, McCall believes the Phillips Blackhawks are the team to stop. Canadian will be good experience for the tougher 1-AA tourney, he said.

Wayland Losses BLOOMINGTON, Ill. — (AP) — Illinois State Normal Friday night defeated Wayland College of Plainview, 88-65. It was the Texas school's third loss of its Midwest basketball tour.

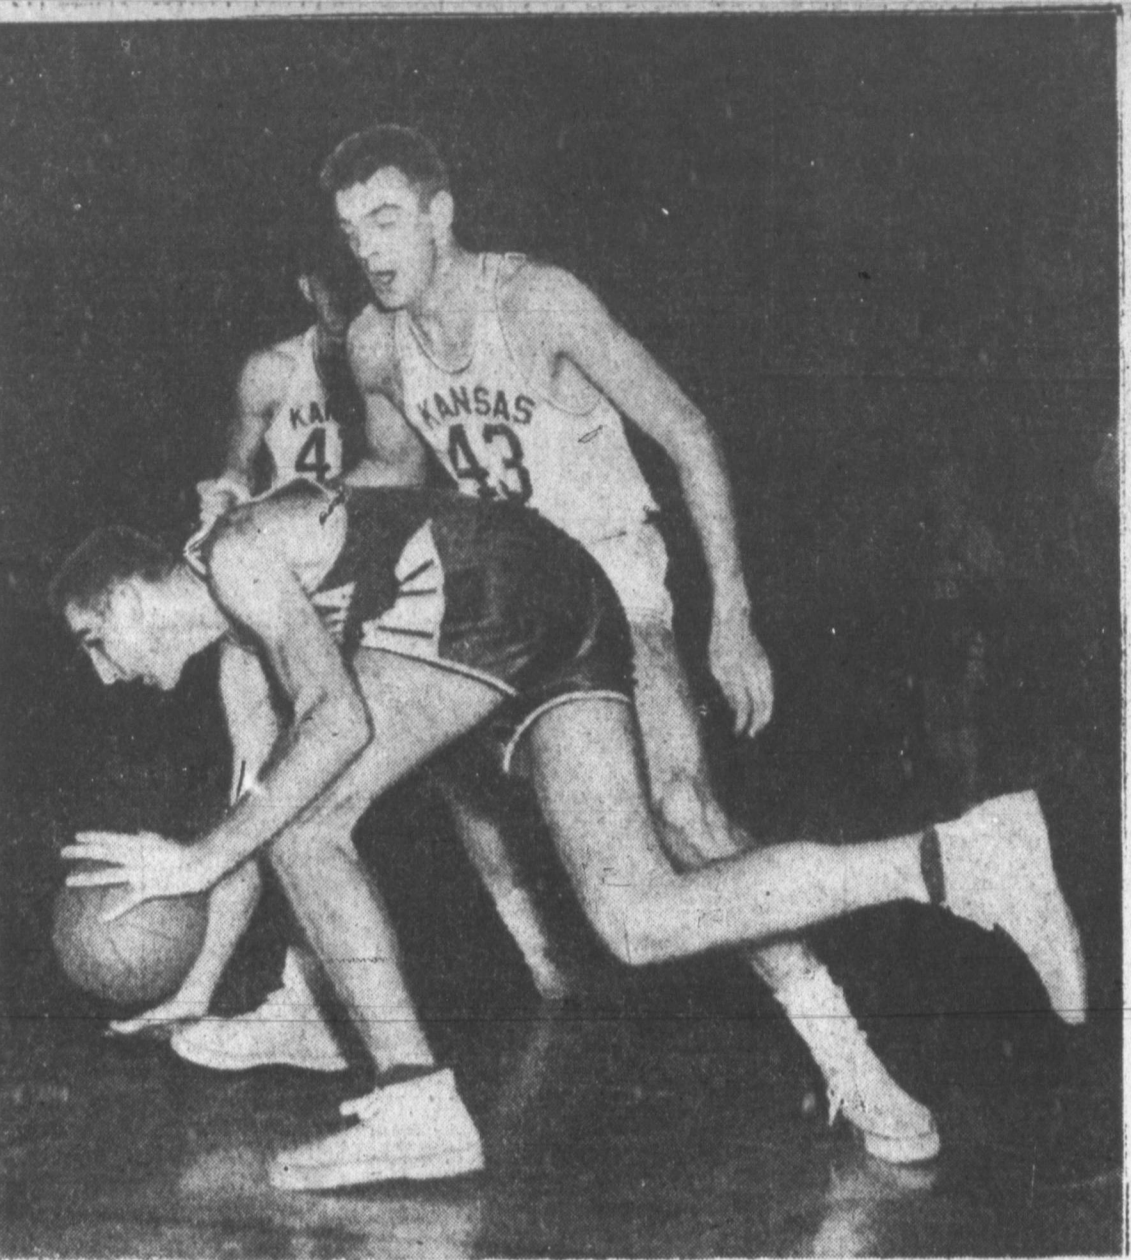

Normal led throughout and had a 43-28 advantage at the half.

Little Rock Into Texas JC Conference

LITTLE ROCK, Ark. — (AP) — A new member of the Texas Junior College Conference will be Little Rock Junior College. Dr. Edwin N. Barron, member of the board of trustees, said yesterday Little Rock would withdraw from the Arkansas Inter-collegiate Conference to accept membership in the TJCC.

Three Bucketees College basketball is loaded with returning All-Americans. Six-foot-six Bob Zawoluk, left, is leading Brooklyn St. John's with a 20.7 scoring average. Six-foot-seven Don Meineke, center, sparks Dayton with a 27-point average. Kansas' six-foot-nine Clyde Lovellette picked up where he left off last season with a 42-point effort against Southern Methodist. (NEA)

Three bucketees: Bob Zawoluk (left), Don Meineke (center), Clyde Lovellette (right).

SOONER PLAYER TAKES A SPILL — Sperm an Norton, Oklahoma star, was so determined to get the ball that he dived for it and took a spill in the process, in the game Saturday in Kansas City, Jesse Friscoe, of Kansas State, stands poised to do some ball-hawking himself as Norton goes into his lunge in the pre-season Big Seven tournament. Kansas State won 84-69. (AP Photo)

The Pampa District Golden Gloves tournament is scheduled for Jan. 14, 15 and 16 in the junior high school gymnasium.

Teams Like NYU Make Fans Forget Basketball Scandals

BY HARRY GRAYSON
NEA Sports Editor
NEW YORK — (NEA) — Nothing foul enough can happen in athletics that fine performance won't erase. Babe Ruth's booming bat brought baseball back like an election repeater after the Black Sox mess. Now we have a smashing New York University team doctoring up basketball at Madison Square Garden, where the college game was given its greatest impetus. This violent Violet varsity captured the public's imagination in games two nights apart, edging Holy Cross, 87-78, and smacking Oklahoma, 78-55.

So it was like old times at the Garden, when on a weekday night 14,194, the largest turnout of the early season, sat in on a double-header between NYU and Arizona and Brooklyn St. John's and Utah. The lads from University Heights definitely were the attraction, and fully lived up to the advance billing by scoring 103 points, the most compiled by a college side at the Eighth Avenue amphitheatre in 12 winters, against a good Arizona squad. All games are won on defense, pundits tell you, but it is also true that a team doesn't lose when it outscores the opposition. The Fallasiders are simply too busy doing that to bother with attempting to check the other fellows.

That would win 96 of 100 so exciting, and Howard Cann's young men have won 12 straight, including three on the road, or more than the 1950-51 band copped all the way along the route. Cincinnati had the highest scoring college average in the nation last trip, 77. That would win 96 of 100 games, but it's not enough to

Pennington On Star-Telegram 11

SHAMROCK — (Special) — Van Pennington has been named all-state end on an all-state team chosen by the Fort Worth Star-Telegram. An outstanding end both in 1950 and 1951, Van was chosen all-district end in the 1-AA conference last fall and all-district in 1950 in old District 2-A. Good on defense, he was stronger on offense, taking TD passes by the game. Against McLean, he snagged three TD passes in 1950 in the game that won the Irish district championship, and two against the weaker Tigers in 1951.

Van scored the first touchdown in the 19-19 Wellington tie, but probably was more valuable against Perryton and Dumas in 1951 conference play. With only 54 seconds left in the Perryton fray, Van took an end zone pass for the extra point in a 7-6 Irish scare. He scored one TD against Dumas and his snagging set up another. These two conference games were vital. He also took a TD pass in the bi-district playoff game with Tulsa here last Turkey day.

Van is also an Irish basketball ace, leading scorer for the current court season. But to Irish fans, they could have just named them all to the all-state crew — Mack Terry, Dwayne Hager, Bill Harris, Billy York, Eugene Collinsworth, Bobby Campbell. Mother nature can't jump from summer to winter without a fall, or winter to summer without a spring.

Champions Battle In SWC Young Basketball Season

(By The Associated Press)
A battle of champions featured Southwest Conference basketball hostilities Saturday night as everybody but Baylor got into action. Two of the loop's three defending champs, Texas Christian and the University of Texas, met in the evening's main event at Fort Worth. The other tri-champ, Texas A&M, met the Arkansas Razorbacks in Fayetteville, and Rice played Southern Methodist in Dallas. Baylor had enough at Waco Friday night. The Bears lightly regarded in the conference race bowed in a 58-56 loss to the strong Southwest Texas State Bobcats in the evening's lone game involving a Southwest Conference quintet.

TCU, A&M, and Texas finished the recent Southwest Conference tourney at Dallas in that order to serve notice they will again probably fight it out among themselves for the loop title. The 1951 race ended with the trio in a triple tie for the crown. Saturday night's action will be the first conference contests for all but TCU and SMU. The Christians licked the Mustangs, 58-45, Wednesday night to jump into the lead.

AGS FAVORED
The Aggies nudged Texas, 52-51, in the Dallas tournament, and TCU knocked the Aggies into second place with a decisive 65-35 lacing that told everybody where the power could be expected.

The Aggies will be slight favorites over Arkansas although Coach Presley Askew's Ozark quint is thirsting for revenge after losing, 49-46, in the first game of the conference tournament.

A&M lost five out of six games before the tournament but showed some superb floor work and sharp shooting until they hit Buster Brannon's potent Frogs in the final. SMU's Ponies take the favorite role in their game with Rice at Dallas. Both teams have identical won-lost records with seven losses and five wins, but the Metabolists have played what is probably a big tougher schedule.

Baylor had only one consolation in dropping their see-saw thriller to the strong Lone Star Conference Bobcats. Until Friday night, the Southwest Texas State team had averaged two points per minute in eight straight victories. The Bears cut that average considerably and led the Bobcats, 56-52, with but four minutes to play. But three Baylor shots went awry as the Bobcats racked up two field goals from close range. Then Tinky Lawrence Berry grabbed a wild ball and shot a field goal in the final 30 seconds for the victory.

Baylor's elusive Ralph Johnson was high-point man with seven field goals and five charities for 19 points. Kelton will return the game Feb. 12. McCall's girls are expected to find the going rough, because the Kelton lasses ended up in the finals with the court giants, McLean Tigrettes, and held the McLeans to a 46-30 win. Kelton boasts one of the top scorers in Joan Shaffer, all-tournament forward, who hit for 13 points against Wheeler, and is paired with another star, Charlene Harris, who hit for 19 against McLean.

McCall will probably start Van Pennington, Norrell Perkins, George Hendrick, Billy Harris and Mack Terry, while his girl openers likely will include Carolyn Dodgen, Madeline Griffin, Betty Flowers, Molly Mayfield, Jennie Ford and Glenda Thompson.

Full Report Due On Killing Of Hi Bithorn
CIUDAD VICTORIA, Mex. — (AP) — A full report on the fatal shooting of former Chicago Cubs pitcher Hiram Bithorn by an El Mante policeman has been asked by the state attorney general. Armando Mancilla of Tamaulipas asked for the record in the case yesterday after an appeal from the Puerto Rican government.

Shamrock Looks Toward McLean

SHAMROCK — (Special) — Coach McCall's boys are looking forward to Jan. 11, when they collide with the McLean Tigers on the Tiger court, because they think they can trim the Tigers. Their reasoning isn't hard to follow: Briscoe beat McLean, 38-30, while Shamrock beat Briscoe, 55-19. Irish think the Pennington-Hendrick-Harris-Terry-Perkins combine will be sufficient, and considerably better than in tourney days.

But the Irish Lassies aren't looking forward to the clash with the Tigrettes. They remember the 43-15 slaughter they suffered at the hands of Bonita Bailey and company, Tigrettes who might as well be incorporated — all business.

McLean last year won second in the state tourney, losing the 43-15 slaughter they suffered at the hands of Bonita Bailey and company, Tigrettes who might as well be incorporated — all business.

After that, the Lassies can take it easier. McLean won't be back at Shamrock, until January 29.

Shamrock Cagers Sweep 2 From Wheeler Basket Meet Thursday

SHAMROCK (Special) — The sixth annual Wheeler Invitational basketball tournament will begin at 7 p. m. on Thursday, Jan. 10. There will be twenty-one games played Thursday night, Friday and Saturday. Principal Cecil Paddock, who with Coach Coleman Huffman is handling all arrangements for the tourney, announced that there will be a total of nine boys' teams and 8 girls' teams participating.

McCall's Irish Lassies won a thriller, 28-27 from the Wheeler girls in the final 35 seconds as Caroline Dodgen hit a long field goal, following three vital free shots by Irish forward Mary Setzler, after Wheeler led by four points with four minutes left.

Modene Griffin hit 10 points for the Irish and Margie Barr made 11 for the Mustang girls. Wheeler's girls jumped into an early lead but then all three Irish forwards began to hit. The lead seasawed and tied three times in the first quarter. Modene Griffin hit for the Irish with five seconds left to tie the count at 12-all.

TIGHT GAME

Wheeler edged upward in the second quarter on Glenda Porter's fancy shooting but the Irish pulled abreast near the half only to drop behind as Barr hit a long one in the final three seconds to give Wheeler a 21-19 halftime margin.

Defensive play marked the third period as Wheeler scored only four points and Shamrock three, ending 25-22. Wheeler's Molly Mayfield, Irish guard, fouled off early in the final quarter and Martha Goode, Wheeler guard, also fouled off. Irish guards Jennie Ford, Lavonne Sheppard and Glenda Thompson handed the Wheelers to two points in the final period.

It was the first victory for the Lassies in five starts, and avenged a 21-35 loss in the December opener.

Groom Settle As 160-Pound Star

SHAMROCK (Special) — Coach H. W. Callan said Thursday he is grooming Ronald Settle for a top position in the 160-pound boxing class.

Settle, who did outstanding work at right halfback for the Irish griddees last fall while ace Don Carlton was out with a wrist injury, was also a good boxer last year. But Callan said he appears to be considerably improved this term.

Settle may be in condition and well-trained enough to tackle other 160-pounders, perhaps the redoubtable Dick Murray of Pampa Boys club. Callan said he was very hopeful Settle would develop as fast as he apparently has up to now.

Coach Callan, a line coach, said he would use the tough Settle as a guard next year, although he is a good back, because the entire Irish line graduates in May.

"Meanwhile, we'll toughen him up with a few good bouts," said Callan. "I think he will prove a match for most fighters in his weight class."

Cougars In Victory

HOUSTON (AP) — The University of Houston won its second Missouri Valley Conference victory of the season Friday night as it edged the University of Tulsa, 12-11.

Center Elton Cotton scored a one-handed shot at the basket for the winning points in the last 11 seconds of play. The victory gave Houston a .500 percentage in the Valley record books with two wins and two losses.

Former Pampa Man Dies in Long Beach
Word has been received here of the death of a former Pampa man, R. L. (Lee) Mounts in Long Beach, Calif. He passed away in his home Christmas eve.
Mr. Mounts left Pampa for California in 1941. He had owned and operated the Pampa News stand across the street from the city hall for several years.
Funeral services and burial were in Long Beach.
He is survived by his wife and eight children. There of the children, Betty and Bill Mounts and Hazel were graduated from Pampa High school about 1940.
Other children surviving are Ruth, San Francisco, Mrs. Herman Cole, Tommy, Leon and Noble, all of Long Beach. Mr. Mounts was about 65.

Irish English Pupils Will Present Program
SHAMROCK (Special)
English department students will present a special assembly program at the high school auditorium here Wednesday, reports Principal E. M. Burkhalter.
Burkhalter said the program, directed by English department teachers, would deal with department features and practices.
Earlier chapel programs presented other departments, including homemaking and library divisions. Other departmental programs slated later this term include athletic and commercial groups.

States Righters Have Campaign Fund
ATKENT, S.C. (AP)—J. Strom Thurmond, the 1948 States' Rights party presidential candidate, says about \$18,000 contributed to that campaign will be available this year "to help reaffirm southern political independence."
Thurmond, a former governor of South Carolina who is practicing law here, said he has kept the funds and all records relating to them since 1948.

Wiley Reynolds is visiting his family this week end from his ranch in Arkansas. He divides time between his Arkansas and Roberts county interests.

Dope Addicts May Become Panicky After Crackdown

WASHINGTON (AP)—A narcotics bureau official said Saturday that sources supplying more than 18 million dollars worth of illicit dope yearly have been dried up in the biggest crackdown ever staged. It came in a series of raids across the nation during the past 36 hours.
N. L. Harney, assistant commissioner of the Treasury's Narcotics bureau, estimated that the more than 500 suspected peddlers who were seized have supplied 8000 addicts.
He indicated that in some cities the shadowy drug underworld may be facing a "panic"—such a tight clampdown on dope supplies as to leave many addicts frantic. Hardened addicts suffer acutely if their supplies are suddenly cut off.
About 250 undercover federal agents, many of whom risked their lives to get evidence by posing as members of dope rings,

Churchill Returns to Land His Ancestors Helped Found

NEW YORK (AP)—A round-faced, cigar-smoking statesman is coming back to the nation some of his ancestors fought to found. His mother's family came to the United States from France—Huguenots seeking sanctuary to practice their religion. Five of them fought with Washington during the Revolution.
His grandfather, an upstate New York farm boy, was a Rochester newspaper publisher who struck it rich in Wall Street. A street bearing his name strings through the populous Bronx. A park is named after him in Yonkers.
The visitor's mother, an international beauty and belle of the eighties, is still remembered in New York and Newport, Paris and London. She was born in Brooklyn almost a century ago.
The man himself? Winston Churchill, Prime Minister of Great Britain.
His grandfather, Leonard Jerome, grew up as a farm boy in New Syracuse, N. Y. He clerked in the village store, studied and then practiced law. After becoming owner of the Rochester "Daily American," Jerome dipped into politics. He did well and when Millard Fillmore became President, he plucked a modest political plum with appointment as U.S. consul in Trieste. In 1884 just as the family was about to leave on his tour of European duty, his daughter, Jennie, was born in Brooklyn.
Four years later, Jerome returned home to begin to speculate in Wall Street. Eventually he struck it rich and became a millionaire rival of the Vanderbilts and Daniel Drew.
Jerome spent his money lavishly. He was a founding father of American horse racing and helped finance Belmont Race track. Jerome Avenue in New York's Bronx county and Jerome Park in Yonkers, N. Y. were named in his honor. He built a private skating rink for his daughter which he called "Jennie's Playground."
His Madison Avenue mansion was a showplace, sporting Victorian black walnut paneling, heavy plate glass and marble. In the enormous second-floor ballroom were two fountains which sprayed eau de Cologne and champagne on gala occasions. Even the stable entrance was carpeted in crimson plush.
Jennie, reared in the sheltered fashion popular with the wealthy, inherited much of her father's impetuous temperament. She was the talk of sedate Newport, where the family summered, racing her horse up Bellevue Ave.

continued the mop-up operation Saturday.
Harney said the drive and its followups ultimately may cut drug addiction about in half.
Narcotics Commissioner Harry J. Anslinger rested after directing the around-the-clock crackdown. Harney, No. 2 man in the drive, said the toll of seized suspects is mounting. But he had no specific total.
The average addict, Harney said, spends about \$10 a day to satisfy his craving for drugs. He estimated half of that money comes from criminal sources—raised by robbery, gambling, prostitution, or other rackets.
Harney said about one out of every 10 of an estimated 50,000 dope addicts in the country lost his source of supply in the current drive, aimed especially at peddlers who sell heroin and marijuana to teenagers.
Total U.S. illegal drug traffic is estimated at about 220 million dollars a year at the retail level.

Engineers Slate First Yearly Meet in Amarillo Monday
The Panhandle Chapter of the Texas Society of Professional Engineers will hold its first yearly meeting in the Potter county courthouse, Amarillo, at 7:30 p. m. Monday.
A film entitled "Walls Without Ceilings" will be a major part of the program, and is presented by National Tube Co. and United States Steel to give a better understanding of the manufacturing methods used in the production of seamless steel pipe and tubing.
A business meeting will instruct delegates how to cast votes at the state convention in Galveston, Jan. 25-27.
An outline of the plans for Engineers week during February will be discussed.
A directors meeting will follow the business meeting.

Markets
NEW ORLEANS SPOT COTTON
NEW ORLEANS (AP)—The average price of middling 19/16 inch spot cotton at 10 designated Southern spot markets Saturday was \$2.54 a pound, up 1 cent from Friday's 41.97; previous day 41.97; week ago 41.74; month ago 43.55; year ago 43.28; average for the past 30 market days was 42.09; middling 1/8-inch average 41.01; sales at the 10 markets Saturday totaled 38,739 bales.
NEW YORK COTTON
NEW YORK (AP)—Cotton futures closed strong Saturday with prices \$2.05 to \$2.70 a bale higher. The rise followed Friday's advance and at times encountered hedging which caused prices to fall somewhat.

SCOUT LEADERS
(Continued from Page 1)
Hasse, Ken Meaders and Carlton Nance.
Under Father's command are Joe Miller, Fred Brooks, J. C. Daniels, Joe Fischer, Paul Camp, Coy Palmer, Charlie Thut, Jack Foster, E. E. Shelhamer and Jack Edmondson.
Each of the team captains are now rounding up a crew of nine men to help in the drive.
When the organization is completed, a total 200 men will have been named to the drive.
According to Newberry, there is no dollar quota. The only quota set is on the number of individuals contacted. Newberry said at least 10 percent of the county population should be given the opportunity to contribute to the Boy Scouts.
"The increase in membership and in the number of units which has now raised the total of boys and men served to more than 5000, has resulted in increased costs which are reflected in the slightly higher budget in the coming year. It is hoped citizens will respond and make possible further increases in 1952," Newberry said.
The budget, set at a budget planning conference held 18-19 November and participated in by representatives of all communities in the council having scouting units, is in excess of \$40,000 for the year.
Finance committee chairman for the district is Harry Wilbur, Jr., of Canadian who will be responsible for community campaigns in Gray, Carson, Hemphill and Roberts counties.
There is no Republican primary in Texas. Those nominees are chosen by conventions.

THIS LITTLE LAMB WENT TO MARKET—William Sergeant, age 4, and his brother, Robert, 2, are happy to be reunited with their pet lamb, "Molly," after the animal was rescued by their dad from a Des Moines, Ia., packing house. Police are searching for the "lamb-stealer" who kidnaped "Molly" and sold her to a Des Moines packer for \$13.

All Of Texas Has Adopted 4-Year-Old Tommy Yates

By MARTHA COLE
DALLAS (AP)—It seems the whole of Texas has adopted little Tommy Yates—a 4-year-old boy with big gray eyes who was beaten unconscious on Christmas Eve.
Tommy's mother and stepfather, Mr. and Mrs. Robert Dale Simpson are being held in an undisclosed jail under charges of assault with intent to murder in his beating.
Police said Tommy had to sleep on the floor and was beaten when he kept trying to crawl onto the foot of the bed in his apartment home in Vernon, Texas. He's lying in big, clean white bed in Baylor hospital now, no longer on the critical list.
His entire right side is paralyzed—brain damage, the two neurosurgeons on his case say, but they won't make any predictions.
Tommy hasn't said a word since he was brought to a Dallas hospital the morning of Dec. 27. But he had a little crooked smile on the left side of his face today when six photographers and two reporters traipsed into his room.
"Great, baby, smile—give a great big smile," said the nurse, Mrs. Pauline Kiles, floor supervisor.
Tommy cut those big gray eyes around at the photographer and gave the lip-sided grin.
Tommy smiled for the photographers for 30 minutes. Twice he gave a faint "k-e-e-e" when he was particularly pleased.
All around him—on his bed and on the tables in his room—were toys folk had sent him. Folks do cloaks, airplanes, cars,

POLITICAL ELECTION LAWS

(Continued from Page 1)
civil projects and drives including Red Cross, Salvation Army, March of Dimes, and this year with the Boy Scouts. He is a past secretary of the Pampa Knife and Fork Club, and a member of the First Methodist Church, Masonic lodge, American Legion, Loyal Order of Moose, and Kiwanis club. He also served as Gray county parole officer until last year.
Maguire is married and has one son, Mike.
SECOND CANDIDATE
Graham, the second candidate to publicly toss his hat in the ring, was born at Mt. Vernon, Texas on Jan. 12, 1883. Following graduation from Mt. Vernon High School he entered Metropolitan Business College, Dallas, graduating in business administration from there at the age of 28.
He turned to farming in and around East Texas until 1912 when he married and moved to the Panhandle, settling in Wheeler County. There he served as county tax collector from 1914 to 1918 and then as a county commissioner from 1918 to 1918.
From 1918 to 1922 he served as cashier of the Mobetels Bank and moved to Pampa following his resignation at the bank. Here he operated the Graham service station at W. Foster and S. Frost until 1947 when he leased the business to another party.
He entered the commissioner race in 1948 against a field of eight; went into the runoff against John Pitts, and was elected. In 1950 he was faced by three opponents, but won over them easily without having to go into a runoff election.
Elsewhere on the political front the rumors began to fly thicker and faster.
Chief among these were the district attorney's race and the state senatorship.
Rumors were rife that Atty. J. E. Thompson will attempt to unseat District Attorney Tom Braly while at the same time Braly will attempt to have his eye on the state senatorship from the 31st District.
Braly, in an interview on his political plans was vague. As to the senatorship, like General Eisenhower, he didn't say "yes" and he didn't say "no."
Thompson, too, was noncommittal.
Virtually all of the elective county and precinct officials have indicated by actions and casual spoken words that they will seek reelection but are withholding making formal announcements at "this early date."

Drive the Dual-Range Pontiac
DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC
Take the wheel yourself. for the Driving Thrill of your life!
We want you to be among the first drivers in America to personally experience a basic advancement in motor car engineering—Pontiac's new Dual-Range* performance.
Dual-Range performance means that Pontiac has combined, for the first time, a powerful high-compression engine, with GM's new Dual-Range Hydra-Matic Drive* and a new high-performance, economy axle to give you selective performance for any driving condition.
In the Traffic Range you have tremendous acceleration and snap and go! At the touch of a finger you can be in the Cruising Range, riding so smoothly, economically and effortlessly you almost feel you're coasting. Come in and drive it—for sensational proof that dollar for dollar you can't beat a Pontiac!
*Optional at Extra Cost.

Newspapermen Organize To Strengthen Freedom Of Press

NEW YORK — (AP) — Newspapermen around the world are now organizing to preserve and strengthen freedom of the press and to broaden the flow of news between nations.

The result is the International Press Institute, which is described as the first international body composed wholly of editors.

Although it has been functioning little more than a month, the institute already has members and national committees in 24 non-Communist countries. It has set up a permanent secretariat in Zurich, Switzerland, supported by three-year grants from the Ford and Rockefeller foundations totaling \$270,000.

The secretariat, headed by E. J. B. Rose of the London Sunday Observer, is planned as a research center and clearing house for problems in international journalism.

By terms of its constitution, the institute seeks to safeguard "free access to the news, free transmission of news, free publication of newspapers, free expressions of views."

Also, it is dedicated to "the achievement of understanding among journalists and so among peoples; the promotion of the free exchange of accurate and balanced news among nations; the improvement of the practices of journalism."

"This is not merely a resolving society," said Lester Markel, Sunday editor of the New York Times, founder of the institute and chairman of its executive board.

"We seek greater understanding between peoples through their mass media. If country A isn't getting a good, accurate picture of country B, we want to know why. Is it the fault of the correspondents who send the news or their editors back home who present the news?"

"For example, I don't think we're getting a proper picture of Britain, or they of us. British editors are inclined to emphasize our crime news. American editors, with perhaps a dozen exceptions, print too much local news and not enough world news. I don't think Americans ever understood British socialism."

To assess the problems of press censorship, coverage and the difficulties of getting news from behind the iron curtain, the institute has sent questionnaires to members around the world.

Its constitution limits membership to editors of papers "dedicated to the principles of freedom of the press." Thus far, it has recruited members in:

Australia, Austria, Belgium, Brazil, Burma, Denmark, Finland, France, Great Britain, India, Italy, Mexico, Norway, Pakistan, Philippines, Sweden, Switzerland, Turkey, Union of South Africa.

GOT IT AT SEARS—This is the new Allstate automobile, now on sale in Sears, Roebuck & Co. stores in several states. The car, built for Sears by Kaiser-Frazer, comes with four- or six-cylinder engine in standard and deluxe models.

United States, West Germany, Japan and Ceylon.

In each of these countries, national committees are operating to recruit members and collect information on press problems which will be forwarded to the secretariat.

Markel heads the American committee. The other members are Carroll Binder, Minneapolis Star and Tribune; Sevelton Brown, Providence Journal and Bulletin; Wright Bryan, Atlanta Journal; Mrs. Oveta Culp Hobby, Houston Post; Paul Miller, The Gannett Newspapers; Hamilton Owens, Bal-

WARWICK, R. I. — (AP) — The long arm of the law happened to be exactly as long as Police Captain Sam Henderson's memory.

When he read that a man had been charged in nearby Providence with driving off with two tons of the city's coal, Henderson's memory guided his hand, to a dusty warrant which had laid in his desk for 10 years.

Result: the culprit paid an old \$5 drunkenness fine, plus \$4.80 costs, plus \$2.60 for extra paper work by the jailer, who collected the old fine in Kent County jail.

It's Leap Year the world over, and here in the Top o' Texas girls are sharpening their wits and re-winding their lassos before beginning the last round-up of Pampa bachelors.

The bachelors should be busy forming a local chapter of the BMPS (Bachelor's Mutual Protective Society) but instead they've been going about their jobs and hobbies as usual during the first week of Leap Year — unmindful that this is the year many girls get their man.

Bachelors in Pampa fill their leisure time with varied hobbies and sports. Many winter evenings, Ray Harrah spends in the local bowling alley. He is the son of Mr. and Mrs. Raymond Harrah, 621 N. Frost.

Even though the runways at the airport are snow-covered, Jack Morgan likes to stop by and talk flying with attendants there. In the picture lower left

he's stepping out of a Beechcraft. He recently sold his plane, but flying is still a favorite hobby.

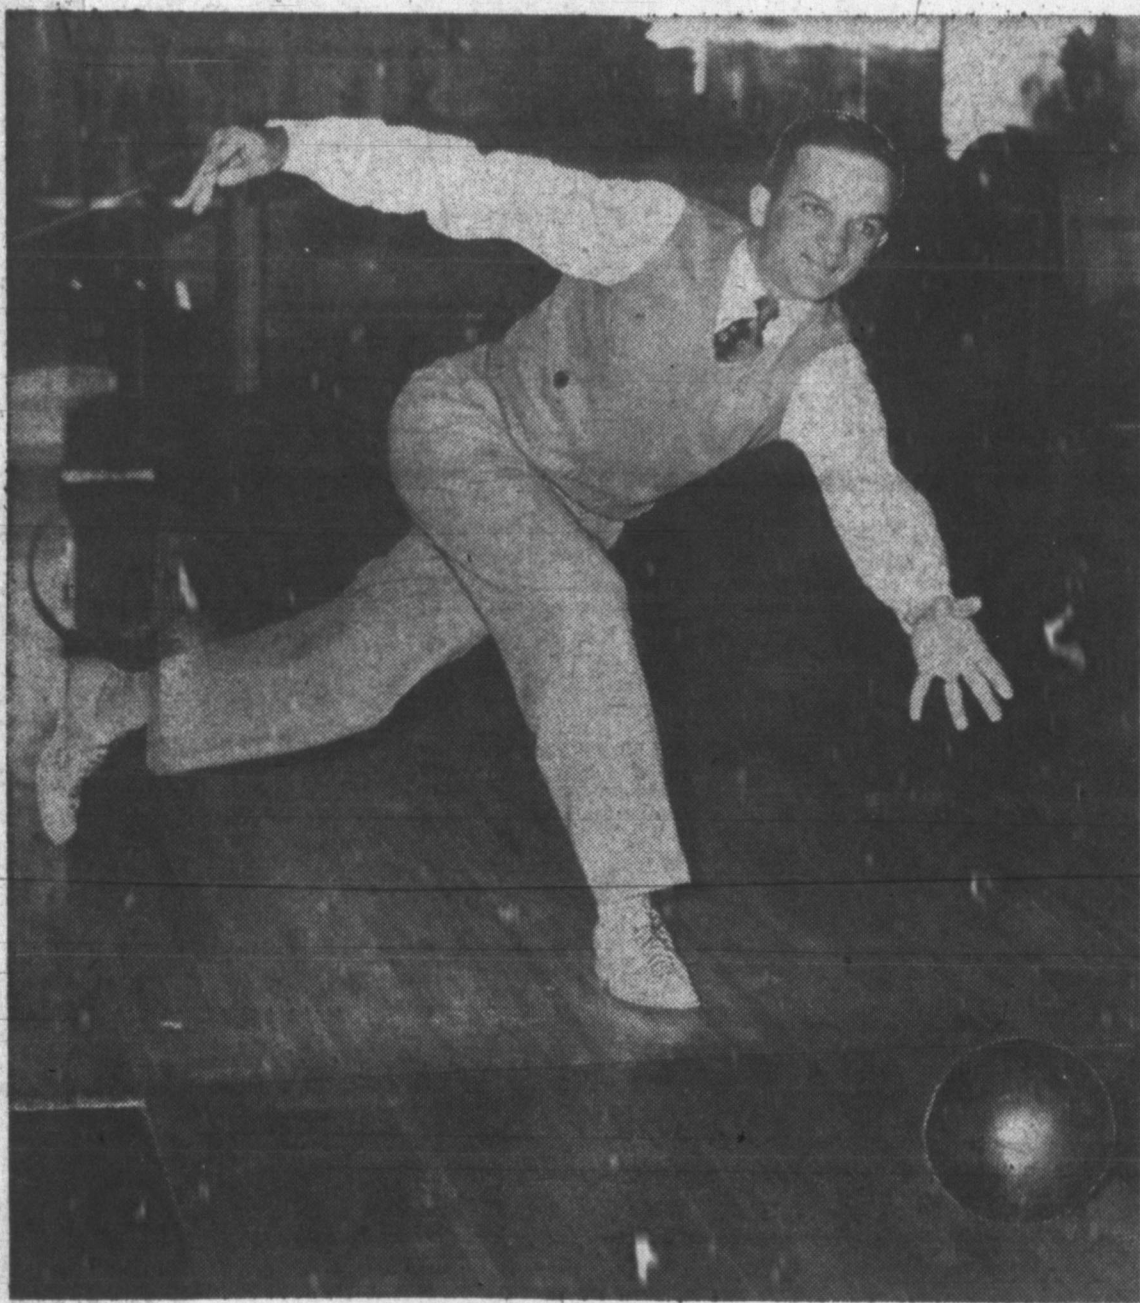

Roger Williams and Ben Fallon are shown lower right loading skis and poles, all set for a drive to Santa Fe and a week end of skiing. Both are petroleum engineers and live together at 1345 Duncan in a house Roger purchased and remodeled last summer.

Building and remodeling is a hobby for Mickey Ledrick and he's devoted the last 10 months to remodeling a farm house he purchased two years ago. He's putting the finishing touches on the house now.

News Photographer Don Duncan caught this group of Pampa bachelors "off-guard" this week in their favorite hobby. The question is: will they be caught off-guard again this year and say, "I do in '52?"

Mrs. Groves is Hostess to Merten Demonstration Club

Miss Helen Dunlap, home demonstration agent, gave the program "Planning the year's clothing" at a meeting of the Merten Home Demonstration club in the home of Mrs. T. G. Groves. Roll call was answered with "Did I remind my neighbor to pay her poll tax?" Mrs. J. C. Steward, club vice-president, explained how to use year books and each member filled out her book for the first six months of the year. Miss Dunlap explained that the first thing to do in planning the wardrobe is to take stock of what you have on hand. "Maybe some repair work needs to be done or something made over," she said. "Always plan your dress making around your color scheme, considering the amount you have to spend on a wardrobe. Careful selection is also important." The four points to remember in buying clothing, are harmony, balance, rhythm and emphasis. "We should look beyond fads because they come and go," she pointed out, "and fads are ex-

Robart St. Mission Circle Has Party

The Maybell Taylor circle of the Robart street mission met in the home of Mrs. John Wilde this week for a luncheon. Two visitors, Mrs. W. S. Vandenberg and Mrs. Leon Foster, were present for the luncheon. Attending were Misses, Mace Keyser, Jack Alexander, J. B. Barrett, Robert McCain, A. R. Harvey, W. N. Stanley, Mildred Stephens, W. O. Coll, O. C. Gist, V. L. Gist, Claude Brock, A. L. Patton, T. D. Boddy, Carl Ammons and Mrs. Violet Brown.

persive at times. Height and size should always be considered in wardrobe selection and you should have one basic dress which can be changed from time to time with different accessories. "The basic colors are dark colors such as navy, black, dark green or beige," she said. Mrs. Groves served a jello salad, cake, coffee and tea to Misses D. A. Rife, V. Smith, H. H. Threalt, V. Day, A. M. Nash, Steward, John Brandon, T. G. Groves, Miss Dunlap and Misses Joan McCracken and Linda K. Day.

First Baptists Plan Royal Service Meet

The First Baptist Royal Service luncheon postponed last week will be held Wednesday according to an announcement by Mrs. R. L. Edmondson, WMU president. The luncheon is scheduled at 1 p.m. and an executive board meeting at 12:20. Each chairman will give a short talk on the circle she represents, giving details of the missionary for whom the circle was named, and telling of the country in which they serve. Mrs. Edmondson urges all members to attend. "It is hoped we will have a 100 percent attendance," she said.

George Howe Home Is Scene Of Party

The home of Mr. and Mrs. George Howe was the scene of a New Year's party this week for the members of the Hobby club. Paper hats and horns were given as favors. Refreshments of sandwiches, pie and coffee were served to Messrs. and Mrs. John Howe, Joe Stone, C. H. Brickey, Charles Gatlin, Elmer Stone, Vern Savage and Misses Mary Joe Stone and Gay Nan Vanderburg.

Calvary Chapel Youth Have Entertainment

Mrs. W. B. Mitchell was hostess at a recent party for a group of young people of the Calvary Chapel. Miss Delores Drake was in charge of the program. Guests included Leta Staus, Emma Lee Poston, Mary Nell Willis, Pearl Posey, Susan Seely, June Posey, Delores Drake, Mary Windsor, Peggy Solomon, Betty Walker, Ralph Townsend, R. T. Richardson, Rosemary Robertson, Charles Hollaway, Bill Studebaker, Pete Richardson, Jack Becker, Tim Siebold, Billy Willis, Tommy Robinson, Russell Seely, Bob Richardson, Don Robb and Rosemary Sheehan. Adults present for the party were Mrs. Mitchell, Mrs. Phil Seely and Mrs. Ruby Richardson.

LESS WASTE What we need in religion, is when you buy ready-to-cook not new light, but new sight; poultry you can afford to pay not new paths, but new strength more a pound than for "dressed" to walk in the old ones; not poultry which includes removable new duties, but new strength waste such as head, feet and in from on high to fulfill those edible organs, advises the De-that are plain before us. Department of Agriculture. —Tryon Edwards

If a task is once begun
Never leave it till it's done.
Be the labor great or small,
Do it well or not at all.

DON'T KNOW WHO wrote that, but it's a motto to keep in mind this year. Seems everywhere folks are using this slogan: "There's much to do in '52." In a message on the First Baptist church bulletin a week or two ago, they used that phrase, and also heard it was mentioned at the Kiwanis banquet recently. How true 'tis. There's lots of big things Peg would like to do... like help fix up the Carver nursery for those cute little tykes or help start a Little Theater here... but those things are a little out of a one-woman realm. So Peg's gonna concentrate on the little things... sending a card to somebody sick, saying welcome to new babies and newcomers, too, and above all, making friends through this corner — and keeping them.

WE'RE MAKING SNOW ice-cream at our house again — it gets better every year. This was such soft, lovely snow and so different from what we usually have. Makes winter so much more fun and makes our streets prettier, too. Like the way the green-house at 1029 E. Browning shows up against the snow. The new paint on the Kirk Duncans' home is a bright contrast to the snow, too. Best of all is the picture made by the green shrubs laden with snow. The only thing about snow is that it adds nothing, absolutely nothing, to the appearance of the living room carpet!

WE'RE TRYING TO DECIDE what toys to leave out and what toys to put up for awhile at our house. Multiply too many toys by too many kids and you have too many troubles. And that's what always faces us just after Christmas and the new has worn off all the toys. It's a wise thing to put up some of the equipment and bring it out a few weeks or a month from now and the children will appreciate them so much more. The nice thing about these new-fangled toys is that they all fold up and are as near the real thing as you could get. Now we should just have a closet for storing toys. It's a practical thing to put things away for awhile — don't we women do that often with our clothes? When we pull a dress that's five years old from the closet and wear it after a few months of retirement, it gives us almost as big a lift as getting something new. But we're always let down again when the lovin' spouse blurts out, "Where'd you get that new dress?" But I can't — I must not — complain about the way of all men — I resolved not to in '52!

PAMPA PANORAMA — Regardless of weather, Peg spied lots 'n lots of folks slipping (not walking) along main street... who was the fellow who slipped crossing the street Thursday morning? ... Peg wasn't far behind you... sometimes the injuries are serious, but many times we just get up laughing... but I always look to see who's seen me!... Muffs and high boots were definitely in vogue... Sweetest thing about the Perkins-Wells wedding (next to the bride) was the big armful of roses Carole carried... Once a tradition, the bouquets are used too seldom any more... Those two will make their home in California... Mrs. T. A. Perkins, Carole's mother, says friends are looking for them an apartment out there... however, we bet there's a little dream house in the not too distant future 'cuz Carole's husband is an architect and she's a fine teammate what with her college training in interior design!... What fun everyone seemed to have at the Johnny Hineses' New Year party... mostly just looking over their scrumptious new home... couldn't begin to mention all the lovely aspects but the furniture is exquisite... their proudest possession is still their little son with his mass of dark hair... and do you blame them?... Two pretty sisters: Mrs. Norman Fulps, who has a smile for every hello, and Mrs. R. L. Edmondson, who rivals her sister's genuine friendliness... One of the proudest grandmas we know is Mrs. R. E. Warren... The Ray Kuhns, lucky people, were off to New Orleans and the Sugar Bowl this week... The Elmer Wilsons head El Paso way, and a dozen and one were down to the Cotton Bowl, including Chet Lander, (like that man) and Russell McCumell... Dr. and Mrs. Carl Lang are 'bout the finest addition to Pampa we've had in many a day... Another fine addition, Peg hears, is the Dr. J. B. Veales' little one... Kitty Veale is a wonderful person, but I've said that afore, huh?... Not long ago caught likeable Dorothy Peacock off-guard at her job... she was straightening her counter and humming a tune, truly whistling while she worked... isn't that wonderful?

CAN'T HELP BUT NOTE the group of women who've joined to form a writer's club. Many school teachers and ex-school teachers among the group, according to The News. Should be a profitable organization for those who write — Mrs. Otis Nace, a published author, is doing a lot to create interest in the group, I bet. Sounds like fun, but me — I'm too busy with cleaning, cooking and baby sitting to write anything 'cept

PEG O' PAMPA

Christian Church CWF Holds Meeting

Recent meetings of the Christian Women's Fellowship of the First Christian church were reported this week.

The Fugate circle met in the home of Mrs. A. A. Tiemann, 311 N. Wynne, for a program on "Ready Like Peter and Paul" which was presented by Mrs. Homer Kees. Mrs. J. B. Zuerker, a guest, gave a program on "Straws in the Wind."

Refreshments were served to six members after a missionary benediction.

Mrs. Buri Graham was hostess to the Cuppie circle for a lesson by Mrs. H. C. Groniger who spoke on "Financing Faith." The group voted to send \$10 each month to the CWF.

Refreshments were served to Mmes. Glen Nichols, Walter Higgenbotham, Bert Stevens, James Washington, H. H. Tyler and Mrs. Groninger.

The Smiley group met with Mrs. M. F. Hethcock. Mrs. Jim King gave the lesson and Mrs. H. J. Pickett, a guest, gave the devotional. Mrs. Ora Wagener was elected president replacing Mrs. Carolyn Lyles who recently moved to Odessa.

Refreshments were served to seven members.

The Nelson group met with Mrs. E. A. Mack for a breakfast and devotional by Mrs. Rector Roberts.

Mrs. Oscar Shearer was hostess to the Betty Ellis group. Mrs. Carol Wood gave a devotional, "Stronger Faith," after which Mrs. DeLea Vicars presided at a short business meeting. The project for the first half of the year will be aid for Jamaica.

DON'T FREEZE STUFFING — Here's a handy tip if you have a freezer. Don't stuff your poultry before freezing it. Stuffed poultry takes longer to freeze, and needs more thawing time, too. Besides, the stuffing may change in flavor in the freezing and after-cooking process.

She who gorges is never gorgeous.

PFC. AND MRS. RICHARD A. WILSON

Miss Barbara Southard Becomes Bride Of Pfc. Richard A. Wilson In Chapel

In a candlelight double-ring ceremony read in the First Methodist chapel here, Miss Barbara Vern Southard, daughter of Mr. and Mrs. E. W. Southard, became the bride of Pfc. Richard A. Wilson, son of Mrs. Henry C. Link. Rev. Bill Claterbaugh, uncle of the bride, read the ceremony before an altar flanked by baskets of white gladioli and double candelabra. Pews were marked with three-tier candelabra tied with white satin bows. Miss Charlotte Allston played a medley of wedding songs and played the traditional wedding marches. She accompanied Miss Carolyn Carver who sang "Becalm" and "The Lord's Prayer." Miss Allston played "Clair de Lune" during the exchange of vows.

The bride's sister, Miss Anita Gail Southard, was maid of honor. She wore a blue imported lace gown over slipper satin. The gown was ballerina length with a low-cut neckline and tight fitting bodice. She wore a halo of white carnations and white lace, and a wristlet of white carnations.

The bridesmaids, Miss Reba Connor, cousin of the bride, and Miss Dorothy Ann Roberts, wore blue taffeta gowns styled similar to the maid of honor's gown. They also wore halos and wristlets of white carnations.

Miss Linda Jay Elsom, cousin of the bride, lighted candles. She wore a blue taffeta dress designed similar to the attendants' dresses. James Wilson, brother of the bridegroom, assisted in lighting candles. Sammy Wampler was best man.

The bride wore a ballerina-length gown styled with a skirt of satin, over lace and overlaid with a third skirt of imported

of the A Capella choir two years. She is a past president of Las Ceras and past worthy advisor of the A Capella choir two years. Girls.

Pfc. Wilson was graduated from Pampa High school in 1947. He attended West Texas State college and Southwestern State college in Oklahoma where he was a pharmacy major. He is a member of the Beta Tau Beta fraternity and is now with the 56th Medical group at Selridge Air Force Base in Michigan.

Among the parties honoring Mrs. Wilson before the wedding was a shower in the home of Miss Dorothy Ann Roberts. Assisting were Miss Carolyn Groninger and Mrs. Cleo Bolton.

The table was centered with an arrangement of white mums in a silver basket, flanked by

blue candles in silver holders. Punch and fruit cake were served to about 60 guests.

Miss Mae Jo Hankhouse and Miss Gloria Combs honored Mrs. Wilson at a linen shower in the Hankhouse home.

The bride's colors of blue and white were carried out in decorations. The table was centered with a white wreath and silver wedding bells. Miniature wedding bells tied in blue ribbon were favors.

Miss Jeannie Johnson assisted in serving. About 30 guests attended.

CHRISTIAN SCIENCE

God's perfection and His invariable love for His image and likeness, man, is stressed in the Lesson-Sermon entitled "God" to be read in all Christian Science churches on Sunday, January 6.

The Golden Text states simply, "As for God, his way is perfect" (11 Samuel 22:31).

From the King James Version of the Bible will be read this reference: "Acquaint now thyself with him, and be at peace; thereby 'good shall come unto thee'" (Job 22:21).

This correlative passage from the Christian Science textbook will also be read: "Unless the harmony and immortality of man are becoming more apparent, we are not gaining the true idea of God; and the body will reflect what governs it, whether it be Truth or error, understanding or belief, Spirit or matter. Therefore 'acquaint now thyself with Him, and be at peace'" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, page 324).

Guests Here For Holiday Visit In J. W. Condo Home

Guests in the home of Mrs. J. W. Condo and children for the New Year were Mr. and Mrs. Brady Treadway, Long Beach, Calif.; Mrs. Clyter Sullivan, Bobby and Shirley, Compton, Calif.; Mr. and Mrs. Milton Ford and Tommy, and Mr. Harry Treadway, Berger; and Mr. and Mrs. A. D. Ford, Elbert and Albert, Bunavista.

Guests from Pampa included Mr. and Mrs. Rex Reneau, Dorothy and Loyd, Mr. and Mrs. Dave Lice, Woodrow, Bennie George, Pauline, Lorraine, Gladys, Ralph and Alice, and Mr. and Mrs. Richard Ford, Leo, William and Frankie.

Velvet Pretty, Practical as Well

NEW YORK — (NEA) — When mothers go shopping for coats and leggings sets for small daughters, they look for warmth and practicality. They'll find this year, that velvet can take it.

Once, velvet appeared in small-erl fashions for party wear only. Now, it's still rated dressy, of course, but it cleans and wears beautifully. Further, little girls love it, so everybody's happy.

For a little girl who's getting bigger and thus takes a size five or so, there's a princess coat by Eambury in wine velvet that has real mink trim in the way of buttons and neck bow. Coat has turn back cuffs and a skirt with a wide flare. There's a matching velvet hat with mink pompon.

Leggings zip at the sides for easy donning. A small girl of size three, or four, will love a blue velvet coat, another Eambury design, with a squirrel collar. Velvet bows trim the front of the coat and appear on the bonnet, where they're centered with pompons of squirrel. Coat has an empire-style back and a front yoke.

Velvet trims a miniature pyramid coat in a soft monotone tweed fabric by Stevens. Curved shoulder seams and shining buttons are high style touches. Though it comes in colors to delight a small girl — Bermuda blue, coral, taffy yellow and gold — the tweed will stand up to an active life. And that will please mother.

Times, whose tooth gnaws away against truth, is powerless against truth. — Thomas Huxley

Law-Making System Looks Like Democracy But Isn't

By TOM REEDY
AF Newfeatures
 BERLIN — East German Communists have devised a law-making system that looks . . . on paper . . . like democracy. But it's just as absolute as Hitler's one-man decrees ever were.
 Since October, 1949, the Soviet zone has functioned with a "people's chamber" as a lower house and a "state chamber" as a sort of senate.
 The Communist-controlled government submits bills to the legislature and "debate" follows. The result is somewhat different from what happens in the American Congress and the British House of Commons.
 Fifty-one "laws" have been passed without a single dissent. Two thirds of them were rushed through on calendar reading without the formality of committees considering them, though the committees exist.
 The delegates or deputies have been paid 500 marks a month. Each has now collected 10,000 marks an average of 75 marks an hour for listening to the Communist bosses, then dutifully saying "yes." (The East German mark is artificially pegged at 4.2017 to the American dollar.) They are paid more for one hour of doing nothing than the average German in the east receives for two weeks work.
 In addition, the deputies enjoy free transport on the railways and city elevated and subway trains and have other special privileges for concerts.
 Undesirable conduct in the legislature, such as saying "I disagree" would cost the member his favored position in his party as well as in the law-making body. Such a stigma extends down into commercial life so he would be automatically chopping off his chances for earning a living. Ergo, none do.
 The Communists brag that the legislature's approval of laws and government actions shows the backing of the people. They blandly ignore that the people never had a chance to choose the members of the legislature but were presented a single ballot to say either "yes" or "no" to the whole kit and kaboodle.

Plenty Of Money But It Costs More To Get Loan

NEW YORK — (AP) — Seldom before has there been so much money around. And yet it's going to cost you more to get loans from your bank.
 Interest rates are rising, bankers say, because "money is tight." This paradox may seem doubly strange to the layman. The national income is at a peak. Almost everything expressed in money is at a record high.
 How can money be scarce? Bankers say money isn't scarce, but money for lending purposes is. The pace of business has a lot to do with it, bankers explain. They point to the fact that their loans to business are now at all-time highs. And the demands of business for still more money to finance its record expansion of plant and equipment are making it hard for banks to find the money to lend.
 The defense program also calls for more money to be lent by banks — to finance factories tooling up, to take care of the purchase of raw materials, to carry on payrolls for growing defense employment, to help business meet over-head costs while it waits for

In Olney Even The Soberest Citizens See White Squirrels

By TOM MADDOX
AP Newsfeatures
OLNEY, Ill.—The tourist from Ohio looked, then stared, at squirrels scampering across the street — and jammed on his brakes. The squirrels were white and it was lucky he stopped.
 Only after his double take did he believe his eyes — all the squirrels were pink blue-eyed albinos. It was lucky he stopped for Olney so esteems its squirrel citizens that it's a crime to kill them on purpose.
 No one knows but some believe there may be nearly 1,000 of the rare rodents running freely about this southern Illinois city of 4,500 persons.
 The story behind the white squirrels is that all stemmed from a single albino whose life was saved by a sharpshooter. Tom Tippit tells it:
 Back in 1902 a saloon exhibited a cream squirrel and a white female. Tales differ on their origin. The saloonkeeper sold out and Tom and his brother took the pair home. As Tom released them, a fox squirrel arrived on the scene and killed the male.
 Tom recalls he chased the killer, ran for his shotgun and returned to see the murderer starting to attack the white female. Tom said he got the killer with one shot.
 A short time later the albino had an all white litter and Olney's white squirrel population was on its way.
 Today some albinos have ranged as far as 40 miles north and south of Olney. Curiously they apparently refuse to thrive elsewhere. Cities have asked for pairs for their zoos. Olney has obliged. Each time Olney later was told that the squirrels died in the distant cities. Recently however a few albinos have been reported around Pensacola, Fla.
 One reason why the white squirrels have been increasing faster lately may be because the commissioner of Olney public property, Louis Gassmann, has made the animals his personal

Irish Rotarians Get \$160 For Drive

SHAMROCK — (Special) — Shamrock Rotarians collected \$160 for the Good Samaritans during the pre-holiday and holiday season, reports Gerald Mayfield, club president.
 Mayfield said the group collected the money partly by placing jars in various business houses and partly by the appearance of Santa Claus on collecting missions.
 Last year the Samaritans expended more than \$150 in making ready clothing and shoes for needy children. Mayfield had hoped to raise \$200.

Slight Damage In Auto Collision

Two cars involved in an accident at 11:30 a.m. Friday in the 700 block of W. Foster, received damage estimated by police at \$10.
 Involved were Henry E. Waller, 612 S. Faulkner, and Glen L. Urquhart, Amarillo, who was charged with failure to grant right of way and for not possessing a valid drivers license.
 Police said the two vehicles collided when Urquhart drove from an alley into the line of traffic on Foster. Because of the icy street, Waller was unable to stop before the collision.
 Florence, Italy, probably contains more works of art than any similar area.

Trick Employed In Putting This Ship In Bottle

AP Newsfeatures
LOWELL, Vt.—People who know the old trick of sliding a little ship with masts folded down into the mouth of a bottle — and then pulling the masts erect with a string — are appalled when they see Bob Preston's bottled ships.
 "What did you do," demanded a Navy veteran, "split the bottle?"
 For the hulls of young Bob Preston's ships are far bigger in diameter than the bottle necks. Inside one five-gallon carboy with narrow mouth sits, incredibly, a very chubby tugboat model.
 Bob's answer to the Navy man's bottle-splitting question, was, "No, I split the ship." That's his method and it's self-taught.
 Preston, a recent graduate of the engineering course at the University of Vermont, first builds his ship complete to lines and rigging. Then he takes it apart, slicing it in sections as needed.
 After that, he re-assembles the sections inside, gluing them with the aid of an assortment of long, slender tools averaging two feet in length.
 He had quite a time finding a jug large enough for his latest — a model of Sir Francis Drake's ship, "The Golden Hind." It kept him busy through many spare hours because it was "messy."
 When the glue on a bottled ship model has dried, Preston corks the bottle. And there you have the practical side of ship-bottling, says he. For that's one ship-model that never will need dusting.

Military Man May Replace Cowboy As U. S. Kids' Hero

By CYNTHIA LOWRY
AP Newsfeature Writer
NEW YORK—Young America's next hero may be the military man instead of the hard-riding, straight-shooting cowpoke. There are straws in the wind. The Toy Manufacturers of the U.S.A., a trade organization, reports that, for the first time since 1945, lines of military play-suits — representing all branches of the service, male and female — have appeared on the market. Also appearing are miniatures of military equipment, planes, trucks and tanks. A manufacturer of toiletries for little boys, Arnold Perlmann, has abandoned the western theme in packaging his products in favor of cardboard models of ships, jeeps and fighter planes.
 The toy people feel that the Western had it far from dead, pointing to a "rising interest in Indians," and the fact that little girls have taken to life on the plains. They estimate that around 90 percent of 1952 play-suit sales will be western and Indian costumes (they consider the Indian interest an expansion) of the cowboy phenomenon) and about five percent soldier, sailor, Air Force and Marine set-ups.
 There's also some interest in space ships and adventures on the moon.
 Perlmann, however, is convinced the Western thing is dead. His own three boys have grown bored with being cowboys seven days a week and have taken up war games.

Dutch Gain; Fewer Irish, Report Shows

NEW YORK — There are two Dutchmen today for every one in grandfather's day, according to a World Health Organization (WHO) report. But the news for the Irish is different. The number of Irish people in 1949 than in 1900, were the only European land that lost population during the past two generations, the United Nations agency says.

The present census lists only three million Irishmen where there were 3,000,000 before. This is despite the fact that Europe as a whole gained 103,900,000 people, an increase of well over a third.

The people of nearly every European nation increased in amounts varying about 30 percent to 94 percent. The exceptions, besides Ireland, were France and Czechoslovakia, which remained almost unchanged. Holland, the fastest growing, rose from 5,100,000 to 10,000,000.

The WHO estimated that there are now about 2,377,400,000 people on the face of the earth. One-third of the 825,700,000 increase live in India, Pakistan, and Communist China.

But immigration gave the fastest-growing populations to the Western Hemisphere, with Argentina leading. A growth from 4,800,000 to 16,800,000 means that every Argentinian couple of the turn of the century has an average of seven grandchildren (or immi-

grants) taking their places today. The number of Cubans and Columbian...

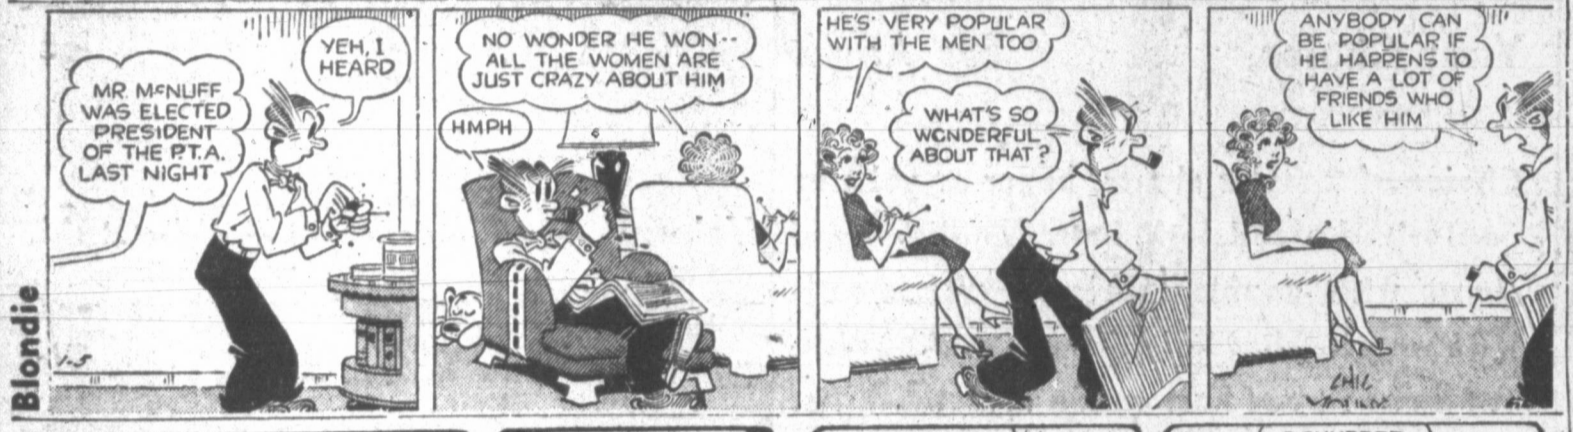

The report pointed out that whether population grows or declines, the theorists have worried. If it goes up, they fear the land may become insufficient to support the people. If it goes down, they fear a smaller proportion of young will have to support a larger proportion of aged.

Warren Said To Be Entering Wisconsin Primary Election

SACRAMENTO, Calif. — (AP) — Some of Gov. Earl Warren's supporters say he will enter the Wisconsin primary election to broaden his campaign for the Republican presidential nomination.

It's purely a guess. Warren has given no hint. However, he is known to be considering entering the Wisconsin primary April 1 — two months ahead of California's on June 3.

The governor also has been urged to go on the Oregon ballot May 17.

Warren backers point out: Wisconsin would give Warren a national showcase as a presidential candidate. There, if it came to a showdown, he'd have a good chance of beating Senator Taft (R-Ohio) or Harold Stassen, former governor of Minnesota.

The dangers are obvious: a defeat would tarnish Warren's record before the national convention in July. By keeping away from other states, he would still command California's 70 votes as a healthy starter.

Two Are Rescued In Remote Jungle

KUALA LUMPUR, Malaya — (AP) — After five days in wildest sections of Kemantan jungles, an R.A.F. pilot and a police cadet reached a little safety in North-east Malaya. They were forced to make a hazardous crash landing.

They salvaged their radio and sent out an SOS which was picked up by British forces. But the damaged battery failed quickly and they were not able to direct rescue operations.

The two men had constructed a raft and were moving down the river where they were spotted. An R.A.F. plane came back the next day and dropped parachutes with emergency supplies — including a portable radio transmitter. The RAF overhead escorted the raft to the remote village of Kuala Betis.

Film Planned On Heroine Of India

BOMBAY, India — (AP) — The life of India's Joan of Arc will provide the plot for an English-language color motion picture filmed in this country.

American and Indian technicians have joined the Minerva Movie-tone Co.'s production of the life of Rani of Jhansi, who gave her life in the anti-British rebellion of 1857.

The Hindu princess, legend runs, fought sword-in-hand mounted on horseback during the rebellion. Faithful subjects burned her remains after her death, lest the foreigners touch her Brahminic body.

Jailed Flier's Father Dies

SYRACUSE, N. Y. — (AP) — John J. Swift, Sr., died Thursday night, three days after his flier-son had reached his bedside from a prison in Communist Hungary.

Capt. John J. Swift, Jr., one of four American airmen "ransomed" by the United States government last week, was with his father when death ended their brief reunion at St. Joseph's hospital.

The elder Swift, a retired railroad engineer, was 65. Death was attributed to cancer.

Capt. Swift, 34, arrived by air from Germany Monday on emergency leave after 39 days in a Hungarian prison. He had been jailed with three other Air Force men when their C-47 transport was forced down in Hungary by Red fighters. The U.S. plane strayed off course on a flight from Germany to Yugoslavia.

Stewards Puzzled On Letter's Answer

NEW YORK — (AP) — After 20 long years it finally happened. Arthur Wagner, a ship's steward, finally got an answer to the bottled notes he's been tossing into the ocean these many years.

He's been using one-gallon bottles for the notes which ask the finder to write him or Sam Finkelstein, another steward. When the Constitution docked recently in New York, Finkelstein received a letter from one Donato Gigianto of Marsala, Italy, which said:

"My dear Sam: I've found it. your bottle with this message in it where you wrote to get it back and I'm doing it as you sed. Well, I've founded it at the seaside. I should like to know why you did it because I never found it anything, but I think it must be something very important."

Sam and Art aren't so sure now just what the point of the whole thing was.

Public Housing Cost May Reach \$1 Million

PORTLAND, Ore. — (AP) — Federal spending for public housing may soon reach a rate of nearly \$1 million annually, Norman Strunk of Chicago told the Oregon Savings and Loan league's recent convention.

"This increased pressure from the subsidized housing program will mean the difference between holding or not holding the line on construction costs and prices in many communities," said Strunk who is executive vice-president of the U. S. Savings and Loan league.

He cited Congressional appropriations authorized for \$2,500 million by the fiscal unit by 12 months ending July 1, 1952. "At a maximum cost per unit of \$8,450," he said, "it is possible that an average for construction alone will total \$200,000,000 while exclusive of land cost."
