STRAIGHT FROM NEW YORK

CHINESE INFLUENCE
Making a bow to a brave ally, a New York designer follows the Chinese silhouette in this vivid purple wool New York creation. Note the high coolie neckline and irregular button closing from neck to hemline.

Mrs. H. B. Alverson and Mrs. E. C. Mason as hostesses.

Fortunes were told and games played during the entertaining hours with prizes given to James McElrath and Joan Hansard for the best costumes. Refreshments were served to 31 members and guests.

A capacity crowd attended the "Feast, Fun, and Frolic" sponsored by the Horace Mann Parent-Teacher Association at the school last Friday night.

Feasting began at six o'clock with a chicken dinner. Other food listed on the menu that disappeared quickly were the apple and pumpkin pies.

After the feast "fun and frolic" reigned. Negro pickaninies in the minstrel show, coupled with the dancing of tiny Joe Dean Little and his sister, Phyllis Jean, made this an enjoyable show.

The picture show also drew many of the Hallowe'en pranksters its way. "Bluebeard" with his hideous laugh, and the darkened room with its mysterious lights, in which this feature was held, made adults and children alike wonder at the spook-nicks that Hallowe'en brings. More nickels were spent for novelties hooked out of the fish pond, hot dogs, ice cream, and pop.

The money taken in by the Association totaled slightly over \$300, and the net income from the affair will be approximately \$200. The Parent-Teacher Association appreciates the work of everyone who participated in the festival, or in any way helped to make it a success.

Miniature radio tubes used in the "Walkie-Talkie" front line portable radio increase the life of the batteries.

B. G. K. Sorority Entertains at Tea
Climaxing rush week activities, Beta Gamma Kappa club entertained with a candlelight tea Saturday night in the home of Mrs. L. C. McMurry with Mmes. Frank Akright, G. G. Pollard and John Heuer assisting.

Refreshments were served from a table centered with yellow chrysanthemums in a black bowl flanked on either side by yellow and black candles stressing a Hallowe'en theme in the decorations.

Members attending were Mmes. N. L. Nicholl, L. E. Grapenthien, Charles Ashby, Charles Cook, Albert Reynolds, Charles Fagan, H. R. Hastings, Bill Gray, Frank Askright, G. G. Pollard, John Heuch, L. C. McMurry, and Miss Marguerite Jones.

Guests were Mrs. J. W. Garman III, and Misses Ann Penny, Varue Dyson, Enne Lively and Missie Hodges.

Blind Persons Get Tax Exemptions
WASHINGTON, Nov. 1. (AP)—house ways and means committee voted to give blind persons an extra \$500 exemption above the regular income tax exemptions. Rep. Cooper (D-Tenn.) explained the action was taken because the blind have added expenses for special care. He estimates that it would mean a \$500,000 reduction in revenue.

Remove All Trace Of Cream To Keep Complexion Clear

JULIE BISHOP: Lovely.
By ALICIA HAERT
NEA Staff Writer

I've had several letters lately asking me what causes those little white bumps under the skin around the nostrils and in the chin.

In most cases it is from over-cleansing the skin with cleansing cream which is also too heavy for their particular skin texture and falling to completely remove all the cream.

Not only is the practice bad for complexions, but it is also costly, because you waste more cream than you use.

To prevent this ugly skin complaint, follow the cleansing routine which petal-skinned Julie Bishop—she's starring in the new film thriller "Action in the North Atlantic"—and many other Hollywood beauties practice.

First, select a cream that suits your type of skin. Many actresses find the clear, greasy theatrical cream penetrative and most satisfactory. Take just a dab, about as much as would fill a teaspoon, and smooth it all over your face. Remove, and cream your face once more, making certain that not a trace of cream remains. To be on the safe side, you might finish with a bit of astringent.

Those who have dry skin can then pat on a bit of night cream.

The present war situation is very complicated. The enemy, who was defeated at the beginning, is trying to overwhelm our nation.—Jap Premier Hideki Tojo.

Gunnery Student Has Fought All over Globe

FORT MYERS, Fla., Nov. 1. (AP)—It's not the 31 campaign ribbons that Pic. Kenneth Bostick, now an aerial gunnery student at Buckingham Army Air Field, is entitled to wear that makes his record amazing.

Nor is it his decorations—Croix de Guerre, Distinguished Flying Medal, Order of Parliament and Purple Heart.

It is the fact that he's been in so many war theaters when the show was at its worst.

As an RAF bomber pilot he fought in the battle of France, Dunkirk, Britain, Norway, Greece and Crete. On Dec. 7, 1941, he was with the national coast artillery at Pearl Harbor. And during the Aleutian campaign he was in the Alaska defense command, serving as a gunner on oil barges.

Two of his brothers have been killed in action, and his father, Rear Admiral E. H. Bostick, has been reported missing by the navy department.

Thailand Will Move Capital

NEW YORK, Nov. 1. (AP)—The Japanese radio said today that the Thailand government was moving its capital to the "naturally fortified" city of Petchabun (Bejraburana), about 190 miles north of Bangkok, the present capital.

The broadcast, recorded by the federal communications commission, said that the new capital "nestled in the Pasak river basin, a tributary of the Mekong" and that high mountains flanked the city on both east and west. The move, it added, was expected to be completed by next June.

Texan Still Pro
Passing Prince
CHICAGO, Nov. 1. - (AP) - Slingin'
Saucy Hugh now holds seven all-time
passing records in the National
Football League and is hot
on the trail of another. Sunday
he leads the Washington Redskins
against Phil-Pitt, which has one of
the most porous pass-defenses in
the circuit.

Draw your own conclusions.
If you tabulate Baugh's achieve-
ments since he turned pro seven
years ago, you get these results:
568 completions of 1,084 attempts;
for 7,436 yards and 70 touchdowns -
a batch of records which you
scarcely miss if the twirls 11 more
times in 28 pitches as he remains six
games he will surpass Cecil Isbell's
record of 24 for one season (1942).

Baugh established two single
game records yesterday when Wash-
ington smashed Brooklyn 28-10. The
276 yards he gained on 16 connect-
ions in 28 pitches set a new record.
Isbell's record was 133 in the Green
Bay-Chicago Cardinal game last
year. Baugh also
shot six touchdown passes, beating
the previous mark of five held
jointly by Isbell (1942) and Ray
Buvird of the Chicago Bears (1937).

Lufkin At Top
In Schoolboy
Football Race
By HAROLD Y. RATLIFF
Associated Press Sports Editor
Lufkin's Panthers have reached
the spot delegated to them before the
Texas schoolboy football season
started. They now rank with the top
three teams of the state and appear
to have a claim as strong as any to
No. 1 rating.

In September they were called
championship favorites. They were
lost all-state Jitter McKinney
through ineptitude. The critics
promptly forgot all about them. But
they soon refreshed everyone's mem-
ory by rolling over some good teams.
Last week they got definitely back
into the picture when they removed
a strong Marshall eleven from the
unbeaten ranks 19-7.

This is not saying Lufkin is bet-
ter than Amarillo or San Angelo or
Vernon or Highland Park or North
Side or Breckenridge or other teams
entrenched in the top rankings, but
the Panthers do look as good as any
and appear to be the top team to
stop in the southern bracket. Mean-
ing they are leading candidates for
the state finals.

There are ten undefeated, untied
eleven left but they do not repre-
sent the ten strongest teams. Breck-
enridge, for instance, has lost a game
but the Panthers are the leading
scorers of the state with 279 points
in their seven games. Vernon was
beaten out by Amarillo but the Lions
lost as good as the Sandies. North Side,
which defeated Breckenridge, was
led by Sherman but the Fort Worth
team still rates with the best six or
eight in the state. And so on.

This week will find one of the un-
beaten teams eliminated from the
championship race when North Side
plays Poly. If not only is the state's
top game but it also will virtually
determine the Fort Worth district
championship.

Otherwise, the schedule is rather
slack in Texas as many teams skip
this week for traditional battle on
Armistice Day. There are only 36
games in all with 31 of them confer-
ence affairs.

The undefeated, untied teams ap-
pear in little danger outside of Poly
Amarillo, San Angelo, Longview,
Lufkin and McAllen don't have
games while Sweetwater plays Abilene.
Tahle meets Glass A. Monahan,
Highland Park entertains Ar-
lington and Goose Creek engages
Orange. Defeat for any of these
teams would be a smashing upset.

75,000 To See Army Play Irish

NEW YORK, Nov. 1. - (AP) - Notre Dame vs. Army - regarded as the game of the year - headlines this week's college football program as the season swings into November, traditionally a month for upsets.

Although the unbeaten and untied Irish - proclaimed the best team in the country - will be minus George Bertelli, their nifty forward passer, and the Cadets lost a degree of prestige in being tied by Pennsylvania, the game will unfold before a capacity 75,000 crowd at the Yankee stadium. It was sold out weeks ago.

Another sellout crowd of some 72,000 is expected at Franklin field in Philadelphia where Navy, crushed by Notre Dame, seeks to rebound against Penn. This game ranks second in billing for the week.

Bertelli bowed out in great style before 82,000 at Cleveland Saturday, throwing three touchdown passes and scoring a fourth himself as the Irish routed Navy, previously un- beaten, 33-6.

The most exciting game of the day though, was at Philadelphia, where 72,000 thrilled as Penn, a 2-1 to one underdog, came from behind twice to tie Army. Not since Penn beat Cornell, 22-20, in 1940 has a game been so exciting at Franklin Field.

So defeated, untied Purdue chalked up its seventh in a row by trouncing Wisconsin, 32-0.

Indiana and Ohio State, two all-evil teams that should develop fast this month, waged a 20-14 thriller at Columbus with the Hoosiers on top for the first time in six years.

Holy Cross came through with a mild upset of the day in beating Colgate, 14-7.

In other leading games Michigan, with Bill Ducey playing his last game, defeated Illinois, 42-6; North- western crushed Minnesota by the score of 27-0; Georgia Tech, 14-7; Georgia Pre-Flight edged Tulane, 14-13; Dartmouth beat Yale, 20-6; and Southern California kept its goal line uncrossed with a 13-0 victory over California.

Elsewhere Tulsa held to a 6-6 tie by Southwestern of Texas; Iowa State beat Fort Riley, 19-2; Missouri crushed Nebraska, 54-20; Louisiana State humbled Texas as Christian 14-0; Texas beat Southern Methodist, 20-0; Texas A&M defeated Arkansas, 13-0; Oklahoma took Iowa State 27-0; and North Carolina whacked North Carolina State, 27-13.

Overshadowed by the Notre Dame-Army and Penn-Navy meetings this week-end are these other games: Penn State-Cornell; Ohio State-Brit; Tenny 1943; Illinois-Iowa; Indiana-Michigan; Purdue-Minnesota; Camp Grant-Grant Lakes; LSU-Columbia Tech; SMU-Texas A&G; and USC-San Diego Naval.

Gardner Urges Texas League Play Renewal
DALLAS, Nov. 1. - (AP) - Serious consideration to resumption of Texas League operations next year will be urged by Alvin Gardner, president, when representatives of his eight-member clubs assemble here at his call Nov. 13 for their first official meeting since the Shreveport gathering last February.

Aside from being optimistic over the prospects for an early favorable turn in the war, Gardner is thoroughly convinced that the public wants baseball and needs it for its recreational and morale stimulating qualities.

"Last year I thought the people wouldn't want baseball," he ex- plained. "Now I see that I was wrong. The professional leagues that did operate last season drew well."

The manpower situation presents a problem, the league president ad- mitted, "but I believe it can be solved. I don't think we'll have too much trouble rounding up enough talent to operate a very good league."

Gardner will not insist upon a definite commitment at the Nov. 13 meeting. He does think the magnates should go on record, how- ever, as being agreeable to resump- tion of play in 1944 if world condi- tions permit and have tentative plans laid before the national con- vention in New York in December.

Sports Roundup

By HUGH FULLERTON, JR.
NEW YORK, Nov. 1. - (AP) - The United States Golf association is initiating a move to have golf clubs provide employment, that will re- habilitate war veterans - and in- cidentally help the clubs, too.

Employment seems to be what the clubs can provide best, judging from the trouble some courses had keeping the fairways trimmed - this sum- mer. It's healthy outdoor work and probably the hardest part of it is listening to members alibi.

OBSERVATION POST
Gunder Haeg, like Pasvo Nur- mi, is going into the hibernation- ers' line. That doesn't neces- sarily mean he's breaking off with the sports world.

MONDAY MATINEE
All four big radio networks will broadcast the Army-Notre Dame game Saturday - indicating that the manpower shortage is worse on the gridiron than in the broadcasting booth. Two of the best players in Saturday's Yale-Dartmouth game were Don Kasprek, the Dartmouth passer and Ed Strype, Yale tackle, both of whom were at Columbia last year. No wonder Lou Little is in the hospital.

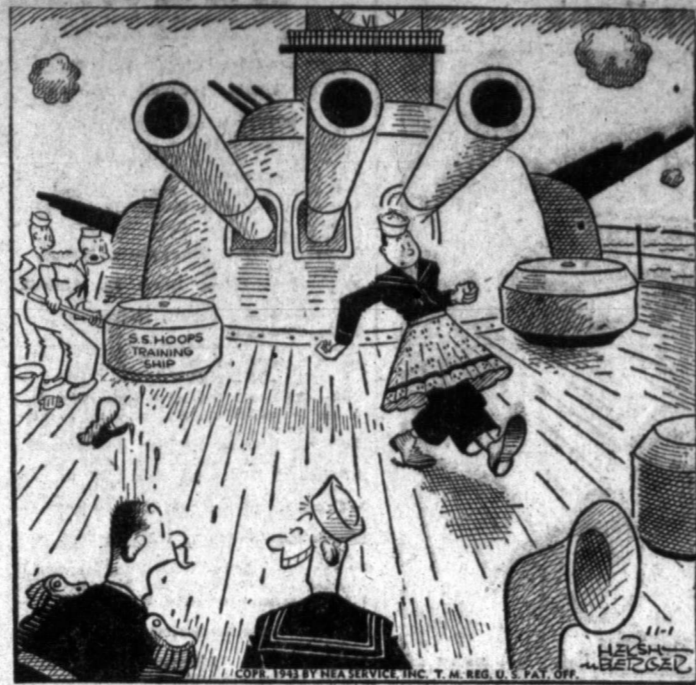

LUCK OF THE IRISH
With Angie Bertelli doing the chunkin', the Irish could probably score with a pumpkin and you say, "That's not the only way only nyons that Army is glad he'll be at Parris Island. Notre Dame must depend on Substitute Lu- jack, who also can pass and hit like a Beau Jack.

SERVICE DEPT.
Proving that the Marines can do almost anything including reusing the Army from Bertelli, Capt. Orin W. Todd, Jr., has been teaching his Marines in the Southwest Pacific to play British Rugby and the local fans to appreciate American base- ball. When he staged a game that drew 35,000 spectators, Capt. Todd received a note from J. Tay- lor Spink of the Sporting News say- ing that club owners all over the country soon would be writing to ask how he did it.

More Weather News Assured

WASHINGTON, Nov. 1.—(AP)—Those sketchy weather forecasts which have been the rule since the war started are going back to normalcy today.

even longer. Since Dec. 7, 1941, for now-fading security reasons, the bureau hardly looked a day ahead for the public and then in only the most general terms.

The change is another demonstration of progress in keeping the war away from American shores; another result was the lifting this week of coastal lighting restrictions.

The bureau said there will be no further restrictions on the release of weather forecasts, reports or other weather information to newspapers. Radio stations are requested not to broadcast reports of wind direction or barometric pressure, or to give out technical information regarding cloud ceilings and general visibility except when this information is required for aircraft operation.

The Doctor's Daughters

By FAITH BALDWIN

There had been cruises . . . marvelous cruises, dancing under the stars, attentive young men and pretty clothes.

CHAPTER I
A YEAR ago Nancy Hall sat on the steps of the Hall house with her pointed chin in her hand and told herself bravely that she was bored to death, that she might as well be dead as live in Cranberry for the rest of her life.

The old Hall house is on Atlantic Street, which as everyone who has ever been to Cranberry knows is THE street. Every three years Doctor Hall has the house repainted. It shone, white and gracious, in its setting of ancient, tended trees, and velvet green lawn. It was June, the roses were out, and the garden, which was the doctor's love and relaxation, was flowering into delicate, sturdy beauty, delphinium, fox glove, shasta daisy and verbenas, lupine and sweet William . . .

she had earned it willingly enough, she waned in essence faintly. "Sez you," said Nancy gloomily. "Look, Emily, what am I supposed to do . . . in Cranberry?" "You might work," Emily suggested. "It has been done."
