Mrs. John Robert Anderson
nee-Kevva Lynn Tucker

Vows exchanged in afternoon ceremony

The First Baptist Church of LaGrange, Texas was the setting for the June 13 wedding of Kevva Tucker and John Robert Anderson.

The bride is the daughter of Mr. and Mrs. E. T. Tucker of West Point, Texas. The groom is the son of Mr. and Mrs. Rich Anderson of Borden County.

The Rev. Harlan Birdwell of St. Andrews Episcopal Church, Roswell, New Mexico, performed the 4:00 p.m. ceremony. He was assisted by Rev. James Shugart, pastor of the First Baptist Church, LaGrange, Texas.

The couple exchanged vows before an altar decorated with two large standards of pink and white gladiola, interspersed with white daises and baby's breath. Embankments of greenery completed the decorations.

Pre nuptial music was performed on the harp by Mary Anderson, sister of the groom. Miss Anderson was joined by Mr. Gayle Orsak who played the traditional wedding marches on the organ.

The bride chose to wear a floor length gown of white

19th annual Borden Co. Junior Rodeo

The 19th annual Borden County Junior Rodeo was held June 12 and 13 in the Gail arena.

This years annual event had a total of 121 contestants making a total of 260 runs during the two night affair. As in the past all proceeds from the rodeo, will go to the Borden Junior Livestock Association to help finance the Livestock Show in the spring.

Buffalo riding was a new event added to the program this year and proved to be a good "rodeo spirit" arouser.

Riley Miller of Justiceburg drove his oxen team around the arena before each performance as the audience watched in awe at the control he has with only voice command of these enormous animals.

Special attraction this year was young Dan Coates, Jr. of Ft. Worth with his trick and fancy roping. The young mans father, Mr. Dan Coats served as this years rodeo announcer.

Lone Star Ranch of Baird and Miller Brothers of Justiceburg and Fluvanna furnished the bucking stock for the rodeo with Bobby Estes of Baird acting as arena director.

The Borden County Livestock Association would like to thak everyone who worked to make the rodeo a success.

The 1981 rodeo results are as follows:

16-19 BAREBACK RIDING-Ron Belew, Steve Nail, Tommy Browne.

13-15 TIEDOWN-Shawn Chambers, Michael Cunningham.

organza. The bodice of the gown was overlaid in Chantilly lace. Lace edged ruffles encircled the off-the-shoulder neckline. A satin bow and streamers highlighted the skirt and chapel length train.

The gown was completed by a two tier veil of illusion. The longer fingertip tier was edged in Chantilly lace with the shorter elbow length blusher untrimmed. The veil was held in place by a bandeau headpiece accented by seed pearls. For something borrowed, the bride wore a pearl choker belonging to the grooms mother.

A cascading bouquet of pink sweet heart roses, baby's breath and stephanotis completed the bridal ensemble.

Mrs. Monte Smith, sister of the bride served as matron of honor. Deidre is from Vealmoor, Texas.

Bridesmaids were Miss Lesa Hensley, O'Donnell, Texas and Miss Rebecca Bumpass from Houston.

The attendants dresses were in shades of pink accented with wide satin ribbon around the off-the-shoulder bodice, fitted waist and full hem line of the long skirts. They carried cascades of blush pink glamilias.

The grooms attendants wore black morning coats. Mr. Monte Smith of Vealmoor served as bestman. Groomsmen were Mr. Dick O'Brien and Mr. Mick O'Brien, both from Beeville, Texas. Ushers were Jeff Anderson, Refugio, Texas and Bruce Barker, O'Donnell.

A reception honoring the couple was held immediately following the family ceremony at the Frisch Auf Country Club in

LaGrange. The brides table was covered with a white lace cloth holding a three tiered white brides cake, arrangements of pink roses, and silver appointments. The groom table held the traditional chocolate cake. A basket of baby caladeums and pink roses were the decoration.

Champaign and Hor d'oeuvres were served. Assisting at the reception were Miss Martha Anderson, sister of the groom and Miss Caryn Flynn from Houston. Mrs. Bruce Barker registered the guests.

The bride is a graduate of Borden County High School and attended Southwest Texas State University at San Marcos, Texas.

The groom is also a graduate of Borden County High School and earned his degree at Texas A&M University. He is currently engaged in the family ranching operation in Borden County.

After a wedding trip to the Hawaiian Islands the couple will be at home in Gail, Texas.

Thank You

The Concession Stand at the 1981 Borden County Jr. Rodeo was a tremendous success! We would like to take this opportunity to say thank you to everyone who helped.

Cattleman Enrolls Herd

Charles C. Canon of Lamesa recently enrolled his herd in the Angus Herd Improvement Records program of the American Angus Association.

Angus Herd Improvement Records (AHIR) is a comprehensive within herd evaluation program used by cattlemen to help them keep records of reproduction, and growth rate on individual animals. Each year hundreds of Angus breeders use AHIR records to produce more profitable, efficient Angus seedstock.

THRIP PROBLEMS IN COTTON

Thrips have been extremely bad this year. They started about 3 weeks ago and are still in high numbers. Late planted cotton and cotton that is under stress from hail damage could be in trouble.

Thrip damage is easily spotted as leaves will be curled and knarled in appearance. Thrips are rarely enough of a problem to warrant chemical control. Treatment maybe necessary if thrips number 15 or more per plant. If your plants have 4 to 6 good looking true leaves, you are most likely past the thrip damage stage.

There are a lot of beneficial insect running around out in the cotton fields, (lady beetles, minute pirate xugs, big eyed bugs). Their number one food source at this time are the thrips! Make sure your infestation rate is high enough to cause economic damage before spraying. You want to leave your beneficials out there for fleahoppers and bollworms.

If your cotton is approaching the 6 rune leaf stage, start checking for cotton fleahoppers!

GRASSHOPPER PROBLEMS

Grasshoppers continue to move from rangeland into cotton and other field crops. The most common grasshopper is the jumbo but other winged forms are present. Toxaphen, Sevin XLR, Seven 4 Oil and Toxaphene bait seem to be giving the best control. Only as a last resort should you use methyl parathion as this will sterilize your cotton field by killing anything that's there including beneficials.

If you are having grasshopper problems, give me a call.

HOME CARE

Provide your own home care.

Be ready for emergencies with an adequate first aid kit at home and in the car.

When possible, care for a convalescing family member at home.

It's much more pleasant and less expensive than a hospital or nursing facility.

Most communities have home health care services to provide you with backup support.

GENERIC DRUGS

Consider buying drugs by their generic name.

Generic name prescription drugs are usually cheaper to buy than brand name prescription drugs, so when your doctor prescribes a drug, talk to him or your pharmacist about the least expensive way to buy the drug.

Invitation To Bid

Borden County Commissioner's Court will consider bids to purchase one 15 ft. Flexible Bat Wing Type Shredder for use in Precinct 2 on July 13, 1981 at 10:00 a.m. at the Courthouse in Gail, Texas. Specifications may be obtained from the Office of the County Judge, Borden County Courthouse, Phone 915-856-4255.

For more information contact Larry Smith, Commissioner, Precinct 2, phone 915-856-4541.

Borden County Commissioners' Court reserves the right to reject any and all bids.

CRAFT AND IDEA EXCHANGE FAIR

Over 40 people attended the Craft & Idea Exchange Fair on Tuesday, June 9th. Thanks to the Family Living Committee members who worked so hard getting this afternoon together. Tammy Telchik did a wonderful job on her Calligraphy Demonstration. Our thanks also goes to Teri McElroy for coming from Tahoka to have a stained glass exhibit and demonstration. LaRhea Pepper, CEA had a Microwave demonstration and served micro refreshments.

The next activity the Family Living Committee will sponsor is the Fall Fashion Finale. "Back to School" is the theme so be sure to put a red star on Monday September 14th!

COMMODITY GRAIN LOAN

Loans are available for all small grains. The basic loan rates for 1981 are: Wheat-\$3.21 per bushel, Barley-\$1.85 per bushel, and Oats-\$1.40 per Bushel. They must be stored in an approved warehouse or in an acceptable place on the far. If you are interested please contact this office for more details.

DISASTER

I know most of you have planted your cotton or you have planted and lost part or all of the acreage to the recent hail. June 15th is the final date you are required to plant or replant your cotton, and you have until June 30th to file a prevented planting request. The final planting date for grain sorghum is June 20th and you have until July 5th to file a prevented request for grain sorghum.

All failed acreage regulations remain the same. Do Not make any other use of the acreage until it has been reported

and inspected, or if harvested, you must file an application for disaster credit within 15 days after harvest is complete. 1981 Disaster rates are: Wheat-\$1.91 per bushel, Cotton-\$2.362 per pound, Grain Sorghum-\$2.28 per hundred. Nothing different than in prior years except rates have increase.

COMPLIANCE

Skip row cotton in prior years must again be skip row or a yield reduction will be considered. A 3 percent standard deduction will be used for crops planted in normal row widths and zero deductions will be used for close sown crops.

Tessie is our new 24 hour teller serving our customers around the clock.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective July 21, 1981, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 15.8 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 21 de Julio de 1981, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 15.8 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell.
