

MAY, GARSSON BROTHERS PLEAD INNOCENT

Justice Fixes March 19 as Date for Trial

WASHINGTON (AP)—Andrew J. May, former chairman of the House Military Committee, and the Garsson brothers pleaded innocent today to charges of conspiring to defraud the government.

Chief Justice Bolitha Laws, who received their plea in U.S. District Court, fixed March 19 for trial.

Each of the defendants was released on \$2,000 bond.

Appearing with the former Kentucky Democratic congressman were Henry and Murray Garsson, and Joseph Freeman.

The Garssons were organizers of a wartime munitions combine which received more than \$5,000,000 in war contracts.

Freeman was their Washington representative. An indictment returned by a grand jury yesterday charges that May agreed to receive \$53,534.07 and "other sums" from them and to use his influence to get them profitable contracts.

The 71-year-old former congressman appeared tense but gave no show of emotion as he stood before Justice Laws to answer the charges. "I plead not guilty," he said in a strong voice.

Similar pleas then were entered by the two Garssons and Freeman. The whole court arrangement took less than 15 minutes.

May had traveled most of the night to get here and the Garsson brothers had rushed to Washington from Illinois.

Prosecution in Nip War Trials Rests Its Case

TOKYO (AP)—The prosecution today rested its case against former Premier Tojo and 25 other wartime Japanese leaders in a dramatic race against the clock.

Today was the 16th session of the International War Crimes Tribunal which began hearing the case April 29.

At 1:55 p.m., Associate Prosecutor A. Comyns Carr of Britain paused while racing through a document and informed the judges he could finish in a comparatively short time. He requested permission to continue past the usual 4 o'clock adjournment.

The judges assented and at 4:10 p.m., acting Chief Prosecutor Carlisle W. Higgins of the United States announced "the prosecution has concluded."

Only 25 of the original 28 defendants were in court. Former Foreign Minister Yosuke Matsuoka and Adm. Osami Nagano, chief of the Navy General Staff at the time of Pearl Harbor, died since the trial opened. Dr. Shumei Okawa, a propagandist, was declared insane and confined to a hospital. Okawa however is being tried in absentia on the possibility he later might be pronounced sane.

The trial record totals more than 4,000,000 words. The defense Monday will present a motion for dismissal. If that is denied, the tribunal has promised the defense a two-week adjournment to prepare its case.

'Flour for Poland' Committee to Meet

Members of the committee which will conduct a campaign for "Flour for Poland" here will meet tonight at seven o'clock in the County Court rooms.

Paul D. Hill, publicity chairman for the campaign, said it was important that every member of the committee attend as plans for the drive will be concluded and announced to the public.

Agency and Not Vets to Get Cuts in Appropriation

WASHINGTON (AP)—House Republicans spiced their economy plan to the Veterans Administration today but promised no more than a near miss against the cash actually paid to former G.I.s.

Chairman Taber (R-N.Y.) of the appropriations committee told a reporter that the \$7,000,000,000 budget for veterans can take a trimming. But he said the cuts will be made in the money spent to administer benefits for veterans and not in the benefits themselves.

That raised a statement by another top bracket Republican, Chairman Allen (D) of the Rules Committee that:

"The policy of the Republican party will be to preserve appropriations benefiting veterans, although many bureaucratic functions of the new deal will be eliminated."

"Here's the pitch," Taber amplified. "The Veterans Administration is loaded with a lot of people who aren't keeping busy. On top of that, they have been cutting a lot of capers."

"They have done all sorts of ridiculous things. They have paid ridiculously high prices for instance, to doctors and dentists doing work for them under contract—sometimes double and treble the going price for dental and medical services in the same town."

"That whole set-up requires attention and it's going to get it," Edward Mee Lewis, director of Public Relations for the Veterans Administration, said there would be no immediate action on Taber's assertion.

Most of the \$7,000,000,000 for veterans activities in President Truman's budget is tabbed for such things as disability payments, pensions, hospitalization, help for dependents and the like.

Lions Discuss Minstrel Plans

Plans for the presentation of the annual Lions Club Minstrel Show on Thursday and Friday, February 27, 28, in the Junior High School Auditorium were announced at the regular weekly luncheon-meeting of the club yesterday. Rehearsals will begin early next month.

The business meeting also included the installation of six new members into the Lions Club. They were Ell Heskew, Taylor Prier, Ted Ratcliff, H. M. Luna, Andrew Anderson, and J. T. Hoy.

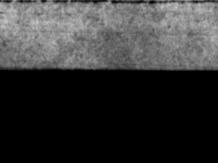

The High School A Cappella Choir, under the direction of Miss Lane Schreihagen and accompanied by Miss Mickey Cassidy, presented a complete program of religious, semi-classical and modern hit songs. Special arrangements were offered by the "Three Hits and a Miss," the "Girls Sextet" and the "Boys Quartet."

FIREMEN BURNED UP ROCKVILLE CENTER, N. Y.

—For the past 51 years, the Eureka Fire Company—oldest of Rockville Center's six volunteer fire groups—has been collecting trophies for its fire fighting skill.

Yesterday, while no one was in the fire house, the trophies, fire records, a pool table and other accessories went up in flames.

JUST AN OLD JAPANESE CUSTOM—With music of flute and samisen, Tokyo girls help out in ceremonial manufacture of rice cakes for Jap New Year celebration, which, on the lunar calendar, comes early in February. Because of the food shortage, few Japanese are fortunate enough to have rice to pound into flour.

Russia Stands Firm Against Equal Powers

LONDON (AP)—Austrian Foreign Minister Karl Gruber said today his country would be unable to pay reparations to anyone.

Gruber told a news conference that if Austria was to be the free and independent nation advocated in the Moscow declaration, the conditions making freedom and independence possible must be provided.

Czechoslovakia has asked the four-power foreign ministers' deputies framing the German and Austrian treaties that Austria be made to pay reparations. That Austria be made to pay for German-Austrian war damages suffered by the Yugoslavs, estimated at \$11,000,000,000.

Gruber said Austria, if made to pay reparations, would not be able to stand alone economically and added categorically: "We deny all claims."

The Foreign Minister, who with other Austrian officials will present their country's views to the deputies Thursday, also denied that Austria could afford to lose any of her territory and hope to survive as an independent nation.

Calling Austria the "first victim of Nazi aggression," Gruber said the peace treaty should preserve the country's 1937 borders, recognize its sovereign status, and end military occupation.

British sources said Col. W. R. Hodson of Australia called today for a separate international peace conference for Austria, declaring that the Austrian treaty should impose no unjustifiable burdens or humiliations.

Russia stood firm in rejecting demands by small nations for an equal voice with the United States, Russia, Britain and France in writing the German and Austrian treaties.

Peodor T. Gousev, Deputy Soviet Foreign Minister sharply challenged claims by Australia and other small nations to the right of full participation in the deputies' conference now preparing preliminary treaty drafts for the Big Four Foreign Ministers meeting in Moscow in March.

"This right to draft treaties was not granted," Gousev snapped at last night's session, authoritative American sources reported. "It was bought with the greatest amount of blood."

Australia's Col. W. R. Hodson, leading the fight of the small Allied belligerents, had protested that the little nations were given scant opportunity to determine what went into the treaties for Italy and other Axis satellites and now were being denied a full voice in the German and Austrian settlements.

Informants said Gousev declared that the Big Four made the major decisions during the war and should continue to do so in the peace treaties.

French, British and American deputies were reported as not averse to the small power demands for seats at the conference table, but no decision was made and, for the present at least, the smaller nations will continue to appear only on invitation.

Vets Should Check Voting Exemptions

Veterans' poll tax exemptions run 18 months from date of discharge, it is pointing out. Therefore many veterans may not have the chance to vote in the forthcoming city elections if they do not check the calendar.

Many of them will have to buy poll taxes for the first time since they came back from armed forces duty, it has been pointed out.

The deadline for buying poll taxes by all potential voters is Jan. 31.

Amarillo Club Hears Local Rotarians

The Pampa Rotary Club presented a program in Amarillo yesterday at the regular Rotary luncheon meeting held in the Herring Hotel at 12:15. The Inter-Cities Relations Committee was in charge.

L. P. Fort and R. Virgil Mott appeared on the program. Mott sang three selections while Fort spoke on the subject: "Some of My Hobbies."

Government Asks Dismissal Of 'Trifles' of Time Claims

Cause for Acquittal

NEW ALBANY, Ind.—A Federal Court jury acquitted Mrs. Goldie Sutton on a first-degree murder charge in the shooting of her husband, Guy, 46, after hearing her testify he had thrown her collar over a cliff.

Stepped on her neck. Pointed a knife at her and tried to set her clothing afire. Tried to slash her throat with a razor.

Threatened to pour hot grease on her. "Shined" her hair with a shotgun blast.

Recess Called in Negotiations for Steel Contracts

PITTSBURGH (AP)—After conferring with representatives of the U. S. Steel Corp. and the CIO-United Steelworkers today stopped contract negotiations talks until Monday at 9:15 a. m.

Philip Murray, CIO and Steelworker president announced the recess in the long-awaited contract talks between the union and "big steel" which is expected to set the pattern for the steel industry generally.

Murray said the Steelworkers executive board will meet this afternoon as will the union's Wage-Policy Committee. He added: "We may have a statement after that meeting."

Murray said the Steelworkers had submitted their proposals and other matters to the corporation negotiators at today's meeting and that afterwards it was unanimously agreed to recess until Monday.

The union chief said wage proposals presented to the company called for "a substantial increase" but added, "no specific figure was given."

He said the Robert Kahn report which attempts to show that industry could give a 25 percent increase without raising prices, was not introduced at this morning's bargaining session.

When he had completed his remarks, Murray turned to Stephens and asked if he wished to add anything.

Head Parhandle Schools Resigns

PANHANDLE (Special)—Kellus L. Turner, with the schools here for 12 years, resigned today as superintendent of the local system.

Future plans of Supt. Turner, whose resignation will be acted upon at a meeting tonight of the board, were not announced.

Head of the school for the past eight years, he had not been expected to resign, but it was said there was no immediate provocation, and his leaving was in all ways friendly.

In a statement accompanying his resignation, he said "I hope your school will be as pleasant as mine are at Panhandle and its people."

The Shining Hour Tickets Go on Sale

Tickets for the West Theatre production, "The Shining Hour," are going on sale at the Nimmo president of the Junior Chamber of Commerce, said today.

Both general admission and reserved seat tickets are available in the lobby of the Combs-Worley Building. General admission tickets are on sale at Cretney Drug, The Sportsman Shop, Citizens Bank, Pampa Office Supply, Boyles Nash Company and at the booth.

Nimmo said those who had already purchased general admission tickets may exchange them for reserved seats.

Coffee Drinkers Give To March of Dimes

To March of Dimes

BONHAM (AP)—Bonham coffee drinkers will give the March of Dimes a boost Monday. All receipts from coffee sold at Sarg's Cafe from 9 to 12 a. m. and from 1 to 6 p. m. will go to the March of Dimes.

An oaken water keg will replace the cash register, and customers will make their own change, or leave it alone.

Bank Closes Its Doors to Georgia State Business

ATLANTA (AP)—Uncertain over the release of executive funds it has on deposit, an Atlanta bank moved today to institute court action to adjudicate Georgia's gubernatorial squabble which has tied up state revenues.

The Fulton National Bank announced it would refuse to honor checks drawn by either claimant to the office, Herman Talmadge or M. E. Thompson.

Former Gov. Ellis Arnall had control of the fund of about \$97,000 when he resigned last Saturday. He turned it over to Thompson when the latter was sworn in as lieutenant governor and became a claimant to executive authority as acting governor.

Talmadge, elected by the Legislature, has made no public move to gain control of the fund but said yesterday he would hold its custody in time to meet his Feb. 1 payroll.

The bank's announcement did not say what course its appeal to the courts would take but financial circles said it probably would be a petition for a declaratory judgment filed in the Fulton Superior (Circuit) Court. Such a suit could be heard within 20 days and in all probability would be followed by a prompt appeal to the State Supreme Court.

Meanwhile, State Treasurer George B. Hamilton declared he had stopped disbursement of funds to the highway and revenue departments because of the legal tangles over conflicting appointments by Talmadge and Thompson to fill the same offices.

Competition Develops For Ward 3 City Post

Competition for City Commissioner from Ward 3 came out of the talk stage yesterday and into the open when the petition for candidacy of J. C. Daniels, owner of Daniels & Rebuilding Co., was filed with 17 signatures in the office of the City Secretary.

Later yesterday afternoon city officials gave out four blank petition forms and three more this morning. Tomorrow, Saturday, January 25, going for filing petitions, the City Secretary's office will remain open until 5 p. m. instead of closing at noon so that last minute petitions may be filed. City Manager Garland Franks said today. After 5 p. m. any person or group of persons wishing to file a petition of candidacy will have to get in touch with the City Secretary or some one designated by him to open the office and file the petition. In this case City Engineer George Thompson would be that man since he is acting city secretary.

Last day for paying poll tax or securing exemptions is January 31. Seat covers, to fit any car, Lloyd's Magnolia Service Station. (Adv.)

They Hawk Wares Tomorrow

Civic clubs, veterans organizations, and the U.S. Army Recruiting sub-station here will ask for your dimes tomorrow.

Their barrels will be on the streets, and someone will be in charge at each, hawking their wares.

Their wares? Wares, one might say, are such facts as: dimes make dollars, and dollars buy the work of scientists, who can make little children, afflicted with infantile paralysis, walk again.

The March of Dimes is currently on the minds of Americans everywhere, for through this "march" money is collected for the individual counties and the national drive to stamp out this disease.

Taking part in the drive tomorrow are the Lions, Kiwanis, and Rotary Clubs, the Jaycees, the American Legion and the YFW, and the Army Recruiting station.

A local 10-minute program on the March of Dimes can be heard on KPFD at 6:15.

Novel Closed Shop Measure Offered

WASHINGTON (AP)—The Senate Labor Committee got a new bill today to study during its five weeks of hearings a closed shop measure with novel features written by Freshman Senator McCarthy (R-Wis.).

McCarthy, who announced the proposal in general terms last week, completed the bill today, handed it to reporters and said he would introduce it in the Senate this afternoon.

Proposing amendments to the Wagner Labor Relations Act, the bill among other things would grant employers the right to state opinions frankly to their workers on all labor questions as no threat of force was involved.

The bill would leave "preferential hiring" as matters to be decided in collective bargaining, as at present, but the "union shop" and "closed shop" would be taken out of the realm of bargaining, and each would depend entirely in any plant—on whether two-thirds of the employees want it.

A bill by Senator Bill (R-Minn.) already before the committee, would outlaw all four of these forms of union security.

The committee, after starting its hearings yesterday, called a recess until Tuesday morning, when Secretary of Labor Schwelb is scheduled to testify. A cold prevented his scheduled first-day appearance.

Here's what happened on the opening day: Senator James Murray (D-Mont.) urged caution in changing the labor law.

Officers Secure New Clues in Case

LODI, Calif.—The J. Edward Devines and their 17-year-old daughter, Alice, were in strict seclusion today while police broadened their search for man who kidnapped her and struggled with her but did not otherwise molest her in a 20-hour abduction last Monday.

Alice guided officers yesterday over the trail she said her captor had followed, and District Attorney Chester Watson said the inspection yielded "several pieces of evidence" substantiating her story and some new "leads" in the case. He did not amplify on the clues.

Watson obtained a detailed statement from the Lodi High School honor student and from it told this story—which he said he believed "truthful in every respect."

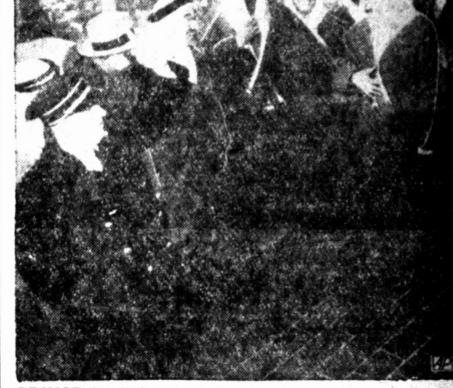

A man using the name "Giles" changed with the Devines to have Alice's photograph taken at a local studio for a national publication. She left the studio with the man at 7:30 p. m. Monday. He drove her to a rural lane, stopped the car, bound her and gagged her, then took her to a tourist cabin near Sacramento where he held her prisoner overnight. Next day, when he left to make a telephone call she freed herself from her bonds and escaped.

One man whom officers had questioned was exonerated. He was Earl Shelton, operator of a San Francisco modeling studio, who accompanied police to Lodi so that Alice might see him. She said when she studied his face in the glare of automobile headlights: "That is not the man."

Woman Admits To Bank Robberies

DES MOINES (AP)—An attractive 35 year old mother of two teen-ager daughters was seized yesterday less than an hour after she staged a daring daylight holdup of a downtown bank using as a weapon a hypodermic syringe filled with a mouthwash.

Police Chief Jack Brophy said the woman, Mrs. Opal Dixon, a waitress, signed a statement admitting the \$2,500 holdup of the Des Moines Bank and Trust Company and also the \$582 armed holdup of the United Bank and Trust Co. in St. Louis last Dec. 26.

City Obtains Top Rating for WAA Purchases

The preferential directive for several pieces of heavy equipment sought for the city by City Manager Garland Franks in Austin has been obtained.

It was authorized by the War Assets Administration on January 20. This directive takes the municipal government of Pampa from a fourth priority place to a first priority rating insofar as purchasing the specified equipment is concerned.

Franks in his application for the directive specifically asked for: A D-6 or D-7 type hauling tractor; two one and one-half ton dump trucks; two one and one-half ton flat bed trucks; one two and one-half ton cab over engine truck equipped with a garbage packer unit and a tandem wheel grader equipped with a 12-foot blade. When this equipment is available for sale Pampa will have first choice in purchasing it even over the federal government. The WAA, Franks said, instead of issuing a bulletin, will make a special search and notify the city when and where the equipment is available.

When purchased it will run approximately 40 percent of the cost of new equipment on the open market, Franks added.

Regular priority rating places the federal government first, veteran second, Reconstruction Finance Corporation for Small Businesses third and local governments fourth.

The city manager also reported favorable progress on obtaining a public health center for the city and the construction of an underpass at the Hobart St. crossing of the Santa Fe Railroad.

Should the health center be obtained it will be the only one in the entire Panhandle of Texas. Franks said a health center of this type will enter the services of a city health department plus a laboratory, full time doctors and nurses and will have a revenue from five separate sources.

Franks also stated that the green light for the underpass has been given to the city by the State Highway Commission and the Santa Fe Railroad. The underpass project, detailed paper work will have to be attended to before the actual work can be done. According to the records in the city manager's office three persons have been killed at this crossing within the past five years.

Longhorns Take Off for Exams; Have 14-1 Record

AUSTIN—(AP)—The University of Texas Longhorns taking time off from basketball to tangle with final examinations, hope they will be able to hit the same hot pace when they return to conference play that they have maintained thus far.

Averaging 57 points per game and allowing an average of 41 to be scored against them, the Longhorns have chalked up 14 victories against one loss.

Long John Hargis has hit the basket for a little more than 14 points every time he has taken the floor, while teammates Roy Sox and Slater Martin have averaged nine apiece and John Langdon and Al Madsen, 7 each.

Coch Jock Gray must bring his charges through eight more conference games, but the schedule favors the Longhorns who have won their first four. They have five home games remaining, two of them with their strongest contenders for the crown, the Arkansas Razorbacks.

After a "March of Dimes" benefit game with Southwestern University here Jan. 30, Texas will play host to Texas A. and M. here Feb. 3.

Remaining out-of-town engagements will be with Texas Christian, Southern Methodist and the Aggies. Other home games in addition to those with Arkansas, will be with Baylor and Rice, both of whom have been previously defeated by the Longhorns.

Four Players Will Leave Tech for T.C.U. Monday

LUBBOCK—(AP)—Four Texas Tech football players today were making final preparations to leave the Lubbock campus and enroll at Texas Christian University at Fort Worth.

The players, including two Red Raider lettermen, announced their decision to withdraw from Tech last night.

They are J. W. (Red) Coats of Odessa, center; Carl Smith of Lubbock guard; J. D. Milner, former Lubbock high lineman who now resides at Fort Worth, guard, and Scotty Toney of Fort Worth, quarterback.

Coats, spokesman for the group in announcing the move emphasized that the players were acting on their own accord and that none had been approached by Coach Dutch Meyer of TCU.

Coats stated, however, that all four had gone to Fort Worth recently and discussed the matter with Meyer. He added that the TCU coach had told them that each of the players would receive a scholarship "provided he shows up satisfactorily in spring training."

Spring training at the Fort Worth Southwest Conference school opens Feb. 3.

Head Coach Dell Morgan of Tech offered no official comment on the transfers but said, "I wish the boys the best of luck at TCU."

Morgan said he had discussed the matter with the four and that he would send the customary letter of release for each to Meyer.

The players, who have completed their mid-term examinations on the Tech campus, plan to enroll at TCU next Monday.

Coats lettered at Tech in 1942 and 1943. Smith also won a varsity letter last year. Milner and Toney saw only limited service with the 1946 Red Raiders.

In Fort Worth, Dr. Gayle Scott, president of the Southwest Conference, stated that the four players will be eligible to compete in the Southwest Conference if they are war veterans, have proper releases from athletic officials at Texas Tech, are approved by the conference faculty committee.

Sports Round-Up

By HUGH FULLERTON, JR.
NEW YORK—(AP)—You've heard a lot about star baseball players who had difficulty coming back after war service, or couldn't make it at all. This year you may be hearing about them again.

There's Cincinnati's Grady Hatton, for instance, who made good last year without the benefit of minor league training. And Clint Hartung, who is coming to the Giants hailed as a combination of Paul Bunyan, Superman and mysterious Montague.

Another is the Cubs' Henry Schenz, who was a 246 hitter at Portsmouth, Va., before the war.

After three years in the Navy, he joined Tulsa last year and hit .333. He also belted 44 doubles and drove in 104 runs to lead the Texas League in both departments and struck out only 23 times in 596 actual trips to the plate.

SHORTS AND SHELLS

Pete Montesi, who lost an arm and a leg fighting in Europe with the Fourth Armored Division, celebrated his first anniversary as a boxing promoter at Danbury, Conn. tonight by staging his 15th fight program.

Louisiana State U. expects to have the hottest college golf team you ever saw next spring with five boys back from last year's outfit, plus Joe Moore, who recently shot a ten-under-par on the LSU course.

The Naval prison basketball team in the Portsmouth, N. H., city league lost its first seven games and Deak Morse claims the players were shackled.

Three Pampa 5's Score Victories Over Bergerites

CHICAGO—(AP)—National Football League club owners started sparring on the 1947 playing schedule today after empowering Commissioner Bert Bell with dictatorial authority to combat the gambling peril which the owners said was menacing sports.

In their initial session, delegates of the 10-member league showed all other matters aside and unanimously gave Bell the power to exile for life anyone connected with the league who became involved with gamblers.

The constitutional amendment provides that he can banish any player, official or employee:

- (1) Who fails to report knowledge of a bribe offer; or
- (2) Who received an offer directly or indirectly by insinuation of implication to control or fix or accept or bet anything of value on a professional game in any manner whatsoever.

Furthermore, the amendment provides that any such knowledge by a player should be reported at once to his coach; any club officials having such knowledge of a gambling violation must report it at once to Bell himself.

Violations may be punished by Bell by (1) indefinite suspension; (2) suspension for a specified time; (3) banishment for life; (4) a fine of not more than \$2,000; (5) forced sale of stock held by the guilty party within 30 days.

The amendment is the direct offshoot of the league's recent involvement in the Alvin Karpis gambling scandal in New York.

Merle Hapes and Frank Filchock of the New York Giants now are under suspension in connection with the Karpis affair and Bell said he would take final action against the pair after Paris is sentenced Jan. 28.

sponsors of the tournament, the tournament committee stood firm on the suspension but agreed that Metz could take part if invited by the sponsors. When the invitation was made, Metz declined it.

Metz Declines to Play in Tourney

PHOENIX—(AP)—Most of the national top golfers were set to tee off today in the first round of the \$10,000 Phoenix Open Golf Tournament but clubhouse comment centered on the latest chapter in the Fred Corcoran-Dick Metz feud.

With PGA Champion Ben Hogan and U. S. Open Champion Lloyd Mangrum sharing the favorite's role, a record field of 182 contestants was scheduled to go around the 6,568-yard Phoenix County Club course on the first leg of the three-day journey. They play 18 holes today and tomorrow and 36 Sunday.

The feud between Metz, Arkansas City, Kansas, pro, and Corcoran, PGA tournament manager, flared into the open early yesterday when the PGA tournament committee suspended Metz for two tournaments—here and at Tucson—for his part in the much publicized fight with Corcoran at Carmel, Calif., two weeks ago.

At a meeting last night with the members of the club, Metz refused to play in the tournament.

Police Fire Into Communist Riots

BOMBAY—(AP)—For the second time in 12 hours, police fired on riotous communal demonstrators today, wounding three persons, but declined to interfere with an outlawed student celebration of the birthday of Subhas Chandra Bose, Indian political leader, who joined the Japanese during the war.

Police said the communal disorders had no connection with the Bose demonstrations. The police fired nine rounds at stone throwers last night.

Nearly all mills, workshops and factories were closed today and troops were on the alert in five police stations, but the birthday celebration got off to a relatively peaceful start.

TAMPA, Fla.—(AP)—A two-under par 73 on the final 18 holes gave Mrs. Mildred (Babe) Zaharias top honors in the Tampa Women's Golf Tournament here yesterday.

The National women's amateur winner in 1946 posted a tournament total of 306 for the 72 holes and trimmed four strokes off the Palma Ceca course's competitive record. She had led throughout the tournament.

Patty Berg had a 212 for the 72 holes and led the professional entries, winning a prize of \$540 in the \$3,000 Open. Betty Jameson of San Antonio, Texas, followed closely behind Miss Berg for second place

among the pros and fourth place in the field with a final round of 80 and a tournament total of 322.

WE, THE WOMEN

Women Are Costly — But Men Don't Mind

By RUTH MILLETT
NEA Staff Writer

A college president warns American women that they are losing their hold on men and says he fears the opinion is increasing among men that "women are expensive — they want a lot for what they give."
Well, in a way they do. But that isn't the picture you get when you walk down Fifth Avenue or Park Avenue in New York.

Count the mink coats "per block" where they come from? Certainly not out of the money-worshipping girls save by skipping lunch.
Look at the middle-aged women coming out of swanky beauty salons and climbing into chauffeur-driven, long, sleek automobiles. They toil not, neither do they spin — so they

must have some kind of hold on a man.
Look carefully at the beautiful clothes displayed in the windows of the more exclusive shops — then ask the price. Yet they are bought and worn and quickly discarded. And it's a safe bet that some man foots the bill.

Look at the diamond solitaires in the jewelry stores. There still seems to be a constant demand for those evidences of a man's willingness to take on for life the support of a girl.

NO BUYER'S STRIKE
See that young couple window-shopping, the girl admiring all those beautiful, tempting clothes so far beyond her grasp? It's a pretty good guess her young man is assuring her: "Someday, baby, I'll be able to buy you clothes like that."
Sure, women are expensive. But it doesn't look as if the men are acting as a buyers' strike anytime soon, despite the college president's warning that "woman's bargaining power is less than it used to be."

P-TA to Sponsor Cub Scout Pack

KELLEVILLE—(Special)—The Parent-Teachers Association in regular meeting this week voted to sponsor a Cub Scout pack, it was reported today.

Mrs. Lewis M. Goodrich, wife of the 31st District Judge, was the principal speaker. She treated the subject, "Education—Health—Understanding and Home and Religion." She is also vice president of P-TA District 8.

More than a hundred persons were present for the event, held in the school auditorium.
During the business session, it was voted that the meeting date should be changed from the third to the second Tuesday of each month. The February meeting will be devoted to a Founder's Day program.

The invocation was delivered by the Rev. James F. Scott.
Mrs. Goodrich said members of society must have an understanding of problems on any level—from the community to the world—before those problems can be approached and ultimately solved.
The teaching of understanding to children, of course, must begin in the home, she stated.

Venado Blanco Club Studying Religions

WHITE DEER—(Special)—Beginning a new series of programs on "Religions of the World," Mrs. B. R. Weeks spoke on Judaism at a meeting of the Venado Blanco Club, recently in the High School Homemaking Department.

Mrs. Y. L. Thompson, president, introduced the theme by giving a preliminary survey of the most outstanding religions and stating the purpose of the study. She said the study would be conducted to give the club members a more sympathetic understanding of the beliefs of other peoples, a realization of the similarities of the various religions, and an appreciation of the cultural aspects of religion throughout the world.

Sanders-Nichols Wedding Jan. 19

McLEAN—(Special)—Miss Jewel Sanders, daughter of Mr. and Mrs. H. H. Sanders, became the bride of A. D. Nichols, son of Mr. and Mrs. Billy Nichols, all of McLean, Sunday at 9 a. m. in the Baptist Church parlor. The double-ring ceremony was read by the Rev. W. R. Lawrence.

Mrs. Sanders was attended by Miss Tommy Nichols, sister of the groom; and the groom was attended by Johnny Mertel, Edwin and Howard Sanders, brothers of the bride, were ushers.

The bride wore a white crepe dress and carried a corsage of orchids, and a white Bible. The maid of honor wore a pink carnations corsage. Mrs. Sanders and Mrs. Nichols wore grey suits. Miss Neva Clay, a friend from Wellington, played "Star Dust" and "Always" and the wedding march. The bridal party was led by Miss Evelyn Burrows, Amarillo, who lit the white tapers on the piano, and the white candles that formed the decorations along with a bouquet of gladioli.

Mrs. Nichols was graduated from Wellington High School, and attended beauty school. Her husband was graduated from McLean High School and served in the Army four years.

A reception was held at the Nichols home after the wedding; and the couple left later for a two-weeks trip to San Antonio and Mexico.

The two will be at home here at McLean.

Carson Co. Council Home Demonstration Clubs Holds Meeting

PANHANDLE—(Special)—Miss Doris Leggett, district agent, was a guest when the Carson County Council of Home Demonstration Clubs met Monday afternoon in the Commissioner's courtroom in Panhandle. She gave many helpful suggestions for carrying on club work.

Miss Charlotte Tompkins, county home demonstration agent, spoke on the "Purposes and Objectives of the Home Council."
With Mrs. Eiton Vance, council chairman, presiding, the budget for the year adopted, the standing rules read and revised, and plans made to give awards to outstanding 4-H girls in the county and to ask the cooperation of the civic clubs in doing this.

Committees were appointed as follows: finance, Mesdames M. C. King, W. H. Lusk, Walter Lill and T. O. Bowler; good neighbor, Mesdames George Hankins, Earl Williams, W. D. Newman and M. L. Bender; education, Mesdames Harold Knapp, Lavagrain Curtis, Rudolph Tucker and Van Earl Steed; year book, Mesdames M. F. Callahan, H. R. Pugh, D. W. Osborne and Rudolph Tucker; recreation, Mesdames Cecelia Walker, Frank Headie, F. D. White, J. E. Randall and Frank Johnson; reporters, Mesdames Iva Pullen, Ray Anderson and J. B. How.

The next meeting of the council will be Feb. 17.

Hopkins P-TA Hears Of State Convention

A report on the recent state convention in Amarillo was given by Mrs. W. B. Burgess and Mrs. C. O. Spaulding when the Hopkins Parent-Teacher Association met Tuesday afternoon with the president, Mrs. R. W. Orr, in charge.

The devotional "Take My Yoke" was given by Mrs. C. D. Herring after which the Lord's Prayer was repeated in unison.

In a brief business meeting proposals for raising money were discussed, and it was voted to have the February meeting at night so fathers may attend. The next meeting will be held Feb. 18 at 8 o'clock.

A special discussion on "Training for Economic Efficiency" was led by Mrs. A. W. Wakefield, assisted by Mesdames Orr, E. C. Mason, Milo Bird, and R. A. Irwin.

The room awarded was won by the fifth grade. The fifth grade mothers were hostesses for the meeting.

Study Club Invited Visit Boys' Ranch

A letter from Cal Farley thanking the Eleanor Roosevelt Study Club for the Christmas box sent to Boys' Ranch and extending them a cordial invitation to visit the ranch at any time was read to members of the club by Mrs. A. D. Parsons when she entertained them at her home near Skellytown last Tuesday afternoon.

The meeting was opened with the reading of the Club Collect by the members in unison. The business session, conducted by the president, Mrs. J. C. Jarvis, including voting in a new member, Mrs. E. A. Theos.

Mrs. J. W. Lee was program leader. Mrs. J. B. Callahan read a very interesting paper "Best Investment" and Mrs. J. C. Jarvis gave "Mission Accomplished," followed by a round table discussion.

After the meeting the hostesses served delicious refreshments to Mesdames Theos, Jarvis, Callahan, Charles Zugar, H. Bagwell, E. J. Haslam, B. A. Wesner, and C. L. Statten.

"WHEN WAS THE CHURCH OF CHRIST ESTABLISHED?"
1—NOT BEFORE THE FOUNDATION OF THE WORLD
Hence, away with the doctrine of foreordination, predestination, or the particular election.
2—NOT IN ABRAHAM'S DAY
So the supposed foundation for infant baptism and church membership crumbles.
3—AFTER THE PREDICATION OF ISAIAH, MICAH AND DANIEL
Isa. 2:2-3; Mic. 4:1-2; Dan. 2:31-45.
4—NOT WHILE JOHN THE BAPTIST LIVED:
1—He preached that it was at hand, or drawing near. Mt. 3:1, 2. 2—He was not a member of the church. Mt. 11:11. If "The Church of Christ" had been in existence while John the Baptist lived surely he would have been a member of it, but he was not in the kingdom, Jesus said.
5—NOT DURING THE PERSONAL MINISTRY OF JESUS
How do I know? 1—Jesus preached "the kingdom of heaven is at hand." Mt. 4:17. 2—The twelve apostles preached "the kingdom of heaven is at hand." Mt. 10:7. 3—The seventy preached "the kingdom of God is come nigh unto you." Lk. 10:9. 4—Jesus promised to build his church and he calls it "the kingdom of heaven." Mt. 16:18, 19. 5—The disciples were not in the kingdom while Jesus lived. Mt. 18:1-3. 6—Jesus promised that the kingdom would come during the life time of some of his disciples. Mk. 9:1. 7—The disciples expected the kingdom to come immediately. Lk. 19:11. 8—Jesus spoke of the kingdom, as something that was to come, the night he instituted his supper. Lk. 22:18. 9—Joseph of Arimathea was still looking for the kingdom to come when he asked for the body of Jesus. Mk. 15:43. 10—Just before Jesus ascended to heaven the eleven apostles asked, "Lord, dost thou at this time restore the kingdom to Israel?" Acts 1:6-11. These scriptures show that "The Church of Christ," or "Kingdom of Heaven" had not been established before Jesus ascended to heaven.

"THE CHURCH OF CHRIST" WAS ESTABLISHED ON THE FIRST PENTECOST AFTER JESUS ASCENDED TO HEAVEN
How do I know? 1—Both Jesus and Old Testament prophets said "The Church of Christ" or the kingdom of heaven, would begin in Jerusalem, and that all nations would flow into it. Isa. 2:2, 3; Lk. 24:45-47. 2—"The Church of Christ" must start and continue by the law of Christ. Jo. 16:12-16. 3—The apostles had been commissioned to teach this law. Mt. 28:18-20; Mk. 16:15, 16. 4—This law was to go forth from Jerusalem. Isa. 2:2, 3; Lk. 24:47. 5—They were not to begin to teach this law until the Holy Spirit came to guide them. Lk. 24:49. 6—Before Pentecost it is always spoken of in the future tense. 7—After Pentecost it is always spoken of either in the present or past tense. Acts 2:47; 5:11; 11:22; 13:1; 14:27; Col. 1:13; Rev. 1:9. 8—The Holy Spirit came on Pentecost. So they began to preach the gospel of Christ on Pentecost. Acts 2:1-41. 9—The kingdom or "The Church of Christ" was to come with power. Mk. 9:1. 10—The power was to come when the Holy Spirit came. Acts 1:8. 11—The Holy Spirit came on the first Pentecost after the death, burial, resurrection, and ascension of Christ. Acts 2:1-4. 12—Therefore the kingdom came on Pentecost, or "The Church of Christ" was established on the first Pentecost after Jesus ascended to heaven.

PENTECOST MARKS THE BEGINNING OF DIFFERENT THINGS
1—The beginning of gospel preaching in its completeness. Mk. 16:15, 16; Rom. 1:16, 17; 1 Cor. 16:1-7. 2—The beginning of the Christian Age—by setting forth the new Covenant. Heb. 8:7-13; 9:15-17. (As the Jewish age began with the giving of the law of Moses from Mt. Sinai, so did the Christian age begin with the giving of the law of Christ from Zion). 3—The beginning of the remission of sins. Lk. 24:47; Acts 2:37, 38. 4—The beginning of the church. Acts 11:15.

IF YOU WILL STUDY THE FOREGOING SCRIPTURE
1—You will learn when "The Church of Christ" had its beginning. 2—Can you find any scripture that tells you when the church that you are a member of had its beginning? 3—If you do find any such scripture will you tell me about it so I can read it? 4—I want to learn God's word more perfectly, do you?

RELIGIONS STUDIED BY BAPTIST WMU
Using the topic of the month "The Eternal Message for All People" as their theme, the First Baptist Women's Missionary Union met at the church Wednesday afternoon at 3 o'clock for a Royal Service program.
Mrs. Bob Alford presided at the meeting. Mrs. D. A. Caldwell had charge of the program and Mrs. A. B. McPherson was program leader. The devotional was given by Mrs. Caldwell on "One God and One World," Acts 17, and Mrs. Owen Johnson led in prayer.
Non-Christian religions of the world were discussed by Mrs. J. V. Young, Animism and Hinduism; Mrs. C. W. Hill, Buddhism and Confucianism; and Mrs. Lee Moore, Mohammedanism and Catholicism. Mrs. S. E. Waters gave "God's Message for All People."
Others present included: Meses. P. B. Calloway, W. H. Lewis, H. T. Thornhill, Roy Holt, Frank Turpen, O. A. Davis, A. French, J. H. Durham, J. H. Tucker, James Barrett, C. E. Farmer, E. W. Davis, R. G. Birbie, R. W. Tucker, H. H. Greenhouse, G. L. Craddock, Don Edgerly, Hulle Beard, Howard Giles, A. A. Day, R. L. Edmondson, H. C. Watkins, Rupert Orr, Lewis Baxter, Jack Rowe, T. E. Leach, Rufe Jordan, Wilson Hatcher, and Owen Johnson.

Services at Zion Lutheran Church
The sermon for this Sunday at the Zion Lutheran Church at 11 a. m. will be based on verses 17-21 of the 12th chapter of Romans. The theme will be "The Christian's Attitude Toward the Non-Christian."
The Sunday School lesson is the story of the Child Jesus in the temple, and the Adult Bible Class will study the 4th chapter of the Gospel according to St. Matthew.

Most delinquent children are social rather than anti-social. They have no moral sense because it was never taught them.—Judge Jacob Panken. Domestic Relations Court.

IF BACK ACHES DUE TO KIDNEYS

Flush Them Out This Doctor's Way
 If excess acidity of your urine makes your back ache so you groan . . . so you get up 3 or 4 times a night to pass water, now be of good cheer.

Three generations ago a famous doctor noticed that hundreds of his patients had this backache. He developed a medicine made of exactly the right amount of 16 herbs, roots, vegetables, balsams—truly Nature's own way to relief.

Now millions have used it. The medicine is Dr. Kilmer's Swamp-Root. Instantly you take it, it starts to work flushing out those excess acids that may be causing your backache . . . increasing the flow of urine to help ease that burning sensation when you pass water . . . and bladder irritation that makes you get up nights. Caution: Take as directed. You'll say it's really marvelous.

For free trial supply, send to Dept. W. Kilmer & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your drugstore.

May Trial

(Continued from Page 1) of Washington, asked Justice Laws for at least 15 days in which to go over the 16-page indictment, which he said was "involved."

Similar requests were made by attorneys for Freeman and the Garson brothers.

Justice Laws allowed 15 days for the study of the indictment and suggested that perhaps the defendants would decide to change their pleas or file some motions in the next 15 days.

All four men were fingerprinted in the District Building cell block before making bond.

May, first to finish the fingerprinting process, told the Criminal Court clerk where he was brought to make bond to hurry the process: "My heart's hurting me — can I sign something and go to my hotel?"

Last summer, May was subpoenaed by a Senate committee investigating his relations with the Garsons but did not appear. He sent word he was ill and his physician said he had suffered a heart attack.

May told an Associated Press reporter who accompanied him from Charlottesville, Va.: "I am not guilty of any wrong doing either legally or morally. "Guilty men do not run toward their accusers but from them."

"I have returned to Washington voluntarily and less than 24 hours after the indictment was returned. I will request an early trial and I am confident that an impartial jury will clear me."

Also scheduled for arraignment this morning before Justice Hollibaugh were Henry M. Garson, described in a Senate investigation as the guiding spirit of the combine which did \$78,000,000 of business in war contracts; Murray Garson, his brother; and Joseph P. Freeman, the group's Washington agent.

The indictments were handed down by a grand jury which had been working on the case since last October.

In 1914, only four percent of the world merchant ships used oil, but in 1945 more than 75 percent were oil burning.

Bill Would Raise Vet Salary Limit

WASHINGTON—(AP)—Legislation to raise salary limits for veterans participating in the government's on-the-job training program has been introduced by Senator Pepper (D-Fla.).

He also proposed amendments to the GI Bill of Rights which would extend the time veterans may receive educational benefits and which would, in some cases, permit the government to subsidize courses for nine years.

Monthly educational subsistence payments also would be boosted by Pepper's bill.

Another new Senate bill, by Senator McCarran (D-Nev.), would remove the limit on income of student veterans and would require reimbursement for any deductions made in their federal allotments.

LEGION DECLARES WAR ON TRAFFIC ACCIDENTS

Thought-provoking material is contained in a pamphlet released by the American Legion of Texas, on the subject: "The American Legion vs. Traffic Murder."

This organization on a state level is reaching out to do something to help the people erase the horrible march of death on the roads. Over 2,000 people died on Texas highways last year, 60,000 others were injured. The economic loss in these figures is estimated at around 100 million dollars.

The Legion is urging local posts to work out with local law enforcement officers a plan for curbing these deaths. Meanwhile, a program has been designed to work with the legislature. For instance, something should be done about the fact that some of our traffic statutes date back to 1913, when 10-mile-an-hour speed was the rule. Remedial legislation is to be sought for the uncertainty surrounding punishment of law violators—especially drunken drivers. The hit-and-run driver and the juvenile traffic violator are also problems.

It is pointed out that there are only 250 highway patrolmen to cover 26,000 miles of state highways in this state. The Legion advocates the addition of 200 men for the State Patrol, as one step in the direction of patrolling the roads.

Death on the highway is a serious problem throughout the nation—and especially in Texas. It has been established as a fact that the motorist himself will not take care enough to avoid wrecks; so, it is up to the law to see that he does comply with the laws. Therefore, measures of drastic nature must be taken.

For the Texas Safety Association last year predicted that at the present rate of a progressively higher number of accidents, there will be scarcely any individual in Texas by 1950 who has escaped the tragedy of having one or more of his relatives, friends or associates killed or injured in a traffic accident.

And, notes the pamphlet by the Legion, that "dire prediction is on schedule" as of January, 1947.

The whole state should do as the Legion declares it has done.

"The American Legion . . . has declared war against this traffic murder!"

MACKENZIE'S Column

By J. M. ROBERTS, JR., AP Foreign Affairs Analyst (Subbing for Mackenzie)

United Nations circles have been in a considerable flurry this week over suggestions that the United States might be about to change its stand on atomic control.

The new discussions have centered around the possibilities of a plan which would sidetrack the U. N. Security Council, with its veto, and leave punishment or violators to the action of individual nations, on the theory that violation would actually constitute a declaration of war and they would be forced to act anyway.

Such a system would, in effect, set up an autonomous body for atomic control, although presumably its acts affecting the maintenance of peace would ultimately come before the Council. But it would emphasize individual action as against the collective action of the Baruch plan, which would abandon the attempt to array moral as well as legal authority against military use of atomic power and get back to what would

closely approximate the old treaty system. The idea apparently got around through misinterpretation of a speech by Chief U. S. Delegate Austin in which he discussed some of the factors considered during the evolution of the Baruch plan, and through random discussions at Lake Success regarding possible means of reconciling U. S. and Russian views on retention of the Security Council veto over recommendations of the proposed atomic authority.

Investigation indicates that there is little to get excited about, and that the U. S. is sticking by its guns for strict control, operating under the United Nations, with no veto regarding punishment of violators.

The Russians are standing just as firmly for a treaty providing for a system of inspection, but with recommendations of the control authority as to any punishment of violators still subject to veto.

The Russians maintain that such a convention would provide an effective start for control, create confidence among the people, and that after that details should be worked out.

But they still want the United States, presumably as evidence of good faith, to stop making atomic bombs and destroy any on hand to start the ball rolling.

Unusual Circus Will Appear at Phillips

PHILLIPS — The Gainesville Community Circus, which has gained attention throughout the country, will be featured as the main attraction at the annual Phillips Free Fair to be held Aug. 14-16, it was reported yesterday.

The circus, sponsored by the Lions Club here, will offer three performances. The circus' acts, executed by amateurs, have been filmed 10 times for newsreels and short subject features, and a contract has been signed for such this year of a full-length technical documentary film, "Gainesville, U. S. A." which will tell the story of the circus' activities.

NOTE ON GEORGIA

WASHINGTON — (NEA) — Following is the imaginary text of a non-existent note on the belated political mess in Georgia. Georgia, U. S. A., that is not Georgia, U. S. S. R. Stalin's native Georgia, U. S. S. R.

This hypothetical note might have been but was not delivered to the U. S. Secretary of State by a mythical ambassador who could have been but was not from a country named Poland. Text of the note was not released by anybody. This is it:

"I have the honor to refer to your excellency's communication regarding the Polish national elections of Jan. 19, 1947. All my government has to say to you in reply is this:

"It is a source of great regret to call to the attention of your excellency's government the continued concern of my excellency's government over the undemocratic goings-on now going on in the Georgia State Capital in Atlanta in connection with the choice of a new state government.

"There is cause for special perturbation in current reports of progressive measures which the provisional government of the State of Georgia have seen fit to employ against democratic elements in Georgia which have not aligned themselves with the parties of the contending self-styled 'governors' Arnall, Talmadge, and Thompson.

The Reason Socialists Object To Name Calling

One way to tell whether a man is a socialist or not is to observe whether or not he objects to conclusions being drawn from evidence pertaining to him. Invariably all socialists use a trick to get out of their dilemma.

When the socialist is not able to answer questions without contradicting himself and making himself look ridiculous it is usual for him to say that the party asking him questions is not a gentleman. He is being insulted and he will not discuss things with any man who calls him a name. That any man who calls another man a name is not a gentleman.

Well, let's look at who will be excluded from being a gentleman if calling a man a name is that is true. It excludes him from being a gentleman.

It will be remembered that Jesus called a group of Pharisees liars. He also called them robbers. And if there ever was a gentleman, it was Jesus. It would also exclude Abraham Lincoln when he was in a debate with Stephen A. Douglas, he, in effect, called Douglas a liar when he said that Douglas never even thought of what Douglas claimed was the cause of the Civil War. Certainly Abraham Lincoln was a gentleman.

Not Only Right But Duty
The fact of the matter is that it is not only right but it is your duty to call a man a liar if he is a liar or a robber if he is a robber. The man undoubtedly knows he is a liar, but he does not want others to know it. That is what makes him angry. He is unmasked. He wants to appear to be a great humanitarian, a great leader, and an honest sincere citizen so he can continue to have an audience but cannot when he is found out. So when a man draws a logical conclusion that the socialist is a man leading the blind or that he is plainly dishonest because he tries to evade answering questions on the guise that the questioner is not a gentleman then one can mark it down that the socialist is a plain liar. He is not honest; he is a trickster; he is a bluffer; a four-flusher. And when a defender of the equal rights of man lets the socialist know that he knows he is a bluffer and a liar, it has a tendency to make the socialist a little more careful in spreading his covetousness. He has to select his audience where he can outwit and dominate and control the conversation. He has to sneak around among timid and inexperienced people in spreading his poison of socialistic robbery.

The purpose of discussing social questions is to see which party is in error or dishonest. To insist that conclusions be not drawn is to destroy the very purpose of the discussion.

So it is not only right, but it is your duty to oppose these men so that they will stop spreading their confusion and hate among innocent and inexperienced people. Pointing out what they really are is the only way, in a free society, to stop them from misleading those who have not studied social problems.

Of course no one has a right to call any man a name that does not accurately describe him. Name calling without evidence of course is a serious offense, but every socialist recognizes this and he tries to prevent himself from being called what he really is because people do not differentiate between calling a man something that he is not and drawing logical conclusions that prove the socialist is ignorant or plainly dishonest. One is using good English and good logic and good morals and the other is not.

So don't let the socialist bluff you when he refuses to answer the questions on the ground that you are not a gentleman. It is your duty to him that the very essence of a gentleman is sincerity, a desire to know the truth, a willingness to answer questions to any and all persons asking further explanation for the socialist panacea.

As one of my acquaintances said, socialists and the lesser ilk thrive on evasion. That is the only possible way they can spread their poison. The truth always wins when rightly defended and no socialist can defend himself in public debate against experienced men who believe that no man is good enough to govern another without his consent and that all men should be equal before the law.

One of the best tests of true character is whether or not a man can be insulted. An honest man cannot be insulted. A socialist can and is always insulted when his ignorance or dishonesty is exposed.

In Hollywood

By ERSKINE JOHNSON

NEA Staff Correspondent

HOLLYWOOD — (Johnson heard on KPND Monday through Friday, 3 p.m.)—Reddy Vallee will make his first personal appearance tour in eight years this summer at \$10,000 a week. . . Frank Morgan, just back from New York, had to turn down three Broadway play offers because of his Hollywood air show. . . Usually mat-aggressive Ella Raines (she'll soon marry for the second time) plays a spinster in her latest film, "Time Out of Mind."

Despite all the protests about a wave of drug traffic pictures—since revision of the Producers Code to permit them—the Production Code office says there is only one film about the drug traffic, "Assigned to Treasury," being made or in prospect.

"Assigned" tells the story of Uncle Sam's efforts to stamp out the traffic.

SANDERS REFORMS
George Sanders, the woman-hater, is carrying a torch eight miles high for Mrs. George Sanders, who is suing him for a divorce.

Those comments about the ladies, both off and on the screen, have

bounded back at him like a boom-erang and have hit him squarely between the eyes.

Says George: "I've had a change of heart. A new set of values, you might say. I have every intention of winning back Mrs. Sanders. I shall do my best to effect a reconciliation. She has been very ill. I guess my philosophies may have had something to do with that."

"I have completely reversed my opinions as a result of my present predicament. From now on, instead of making remarks to other people about the ladies, I shall talk to the ladies themselves, and tell them the things they WANT to hear."

Orson Welles to his head cameraman, Irving Klein, at 10 a.m. on "The Lady From Shanghai" set: "I've done what you've done so often I've lost all confidence in you." Orson to Irving at 10:15 a.m.: "I've done what you've done so often I've lost all confidence in you."

Gracie Reports

By GRACIE ALLEN

Well, I see that the War Assets Administration is advertising a whole town for sale. It's called Dragerton, in Utah.

There are 604 dwellings in the place and I can just imagine what happens when a prospective purchaser comes along. He simply puts the automobile through its paces, and decides—on its performance—whether he'll buy the whole place or not.

It's too bad some of our other government departments were not alert to the possibilities of package deals. It isn't long a go that the Navy probably could have cleared a neat sum by selling its obsolete ships with a two-inch steak thrown in. And the air forces might still dispose of their outmoded planes by advertising a pair of nylon hose in the cockpit of a No. A-416712R.
