

7 ZIPPING 'BY PLATOONS'

Anti-FDR Men Urge Electors To Back Byrd

By The Associated Press
Two Texans opposing the nomination of President Roosevelt today urged the state's presidential electors to support Senator Harry F. Byrd of Virginia instead of the party nominee, Wilford Brundage, national Democratic committeeman. Myron G. Blalock of Marshall said he believed the state's Democrats would solve their elector dispute at Dallas Sept. 12 convention.

During a broadcast last night over a state-wide network (TQN), G. Tilford, National Director of the state's 23 presidential electors, and former state Senator R. A. Stuart of Fort Worth, both mentioned Byrd as a desirable presidential timber for many Democrats. Tilford spoke from Houston, Stuart from Fort Worth.

Tilford said he believed the majority of Texas Democrats were for Byrd and that the Democratic electors of the nation, when they meet Dec. 18 to choose the president, would prefer to vote for Byrd than have the election go to the Republicans.

"The instructions of the state convention which commissioned me were plain and clear," said Tilford. "I shall follow those instructions. x x x I was told not to vote for the nominee of the national Democratic convention if there was any other man any rump delegates from Texas. My instructions were equally as clear not to vote for any Republican. I was instructed to vote for Democrats who believe in the fundamental tenets of the Democratic party. This I shall do." He added Byrd was the only such Democrat.

Stuart, keynote of the regular Democrats at the Tarrant county convention in July, confirmed that 15 of the Texas electors would vote for Byrd and elected they would seek to induce electors in other states to support the Virginia senator.

"It means we are determined to see ANTI-F.D.R., Page 2"

Southern Part Of State Gets Set for Winds

By The Associated Press
A small gulf storm attended by squalls estimated at nearly 50 miles an hour, but bearing drought-breaking rains, headed toward the lower Texas coast today where it was to strike near Brownsville during the early afternoon.

State police in the Harlingen and seven other districts were alerted for possible storm duty as the latest weather bureau (New Orleans) advisory plotted the storm's movement. Northeast storm warnings were up from Brownsville to Matagorda.

Planes and men on Texas lower coastal air fields had been moved inland as a precaution. Property owners had boarded up. Disaster agencies were on the alert.

Rain struck Brownsville in gusts early today and slackened off toward mid-morning as the rich lower Rio Grande valley awaited the blow. Steady showers last night and today throughout the valley broke a summer drought and offered the possibility of relief of a critical water shortage in the Rio Grande.

Weather bureau observers said the disturbance should cause rains from the lower coast inland to the center of the state. There was rain today at Corpus Christi, Galveston, San Antonio, and Laredo, and a light precipitation at Houston.

THE ROAD TO BERLIN

- 1-Russian front: 322 miles (measured from eastern suburbs of Warsaw)
- 2-Northern France: 520 miles (measured from Seine bridgehead southeast of Paris)
- 3-Italian front: 603 miles (measured from Florence)
- 4-Southern France: 670 miles (measured from Castellane)

Pampan, Downed at Sea, Rescues Men Under Fire

First Lt. Leo C. Fletcher, of Pampan, has been visiting here for the past three or four days. Today, he left to receive assignment somewhere in the States following his experiences in the 15th Air Force operating from Italian bases.

The following account of the experiences of Lt. Fletcher, who has been cited for heroism. He did not bring this story with him—he wouldn't do that. It was sent to the editor of The News by a Public Relations officer in Italy, who thought his relatives and friends ought to know the story which he would not tell. It has been held up, anticipating his trip to Pampan.

15th Army Air Force in Italy: After struggling through a chain of tight spots that might have been taken right out of a Hollywood thriller, 1st Lt. Leo C. Fletcher, 28, B-24 pilot of Pampan, Texas, today off a series of climaxes by bringing his crippled plane down on the water under enemy fire, rescuing several of his crew from drowning.

I SAW...

Oran Payne, former city water department superintendent, back in town on leave. He arrived yesterday. Payne is in the marine corps, has been all up on the coast of the Atlantic coast. Coming from Dallas for a visit with him were Lt. Col. W. R. Payne, W. R. and Oran are brothers.

Patton May Be Heading Toward Rocket Coast Japanese Tell People It's 'War of Life or Death'

Nazis 'Line' Taken Up To Dupe Masses

By J. B. KRUEGER
Associated Press War Editor
Japan's foreign minister, fating back on a familiar Nazi propaganda strategy, has called on East Asia's subjugated peoples to support a Japanese "war of life or death" against Allied forces pressing in from every direction.

With crushing defeats in the Japanese homeland, Tokyo, fating hard blows from submarine and superfortresses, to prompt him. Foreign Minister Mamoru Shigemitsu broadcast yesterday that "for East Asia this is a war of life or death which we are compelled to fight for our own existence and independence."

Shigemitsu's appeal for help copied by a Nazi idea by declaring "It is the aim of our enemies to hold Asia in permanent bondage and exploit it indefinitely."

The Japanese cabinet, meanwhile, met and earnestly discussed Sunday's two superfortress raids on the Japanese homeland, Tokyo said.

Shigemitsu spoke against a background of new American air blows from the Kuriles north of Japan to Hainan, 3,200 miles to the south. They were softening the way for new invasions.

Hainan was hit 110 tons of bombs Sunday. Boero, another island in the Molucca group, standing guard over the southern Philippines, caught 95 tons Saturday and lost eight planes on the ground. In the Philippines, the battle for air supremacy of the Moluccas is rapidly approaching a definite conclusion. Supremacy would ease invasion of the Philippines.

In the northeast, Yap Island emerged as a new target for concentrated attack. The island group, standing guard over the southern Philippines, caught 95 tons Saturday and lost eight planes on the ground. In the Philippines, the battle for air supremacy of the Moluccas is rapidly approaching a definite conclusion. Supremacy would ease invasion of the Philippines.

In the Philippines, the battle for air supremacy of the Moluccas is rapidly approaching a definite conclusion. Supremacy would ease invasion of the Philippines.

Maverick Speaks In Interest Of Small Business

SAN ANTONIO, Aug. 22 (AP)—Mary Maverick, former mayor, told 600 listeners that post-war prosperity depended upon the survival on small businesses, in an address delivered at La Villita last night.

The Chamber of Commerce and Manufacturers' association sponsored the dinner.

Asserting that the federal government now owns and operates approximately 4,500 large industrial plants, Maverick stated that there must be released gradually to private ownership in order not to cause a depression.

Millions upon millions of dollars worth of war goods will have to be sold to the public, and, he said: "The government, in compiling a catalogue of the stuff to be sold called in Sears and Roebuck experts, and they threw up their hands at the 300,000 items."

Maverick defined small businesses as "those which are unable to employ lobbyists in Washington. I am their lobbyist."

Maverick suggested a 10-point program to save the nation's small businesses. These were: vigorous prosecution of anti-trust laws to limit smaller firms to get into full production after the war; aid to get them started in civilian production; prompt payments on contracts to prevent bankruptcy, unemployment and slowing up of reconversion; financial assistance so small firms can fill war contracts; opportunity for small business to buy a just share of surplus properties instead of allowing speculators to get them; reduction of taxes; loan of technical and laboratory assistance; erection of many of the gigantic plants erected by the government to small businesses; building of super-highways and airports; and participation in the government of some kind of association of nations.

Maverick revealed the Smaller War Plant corporation was attempting to lend money to hundreds of concerns, for immediate relief, especially as an early collapse of Germany threatens.

Marshal Petain Reported Taken By Nazi Gestapo

GENEVA, Aug. 22 (AP)—Marshal Philippe Petain was reported today to have been arrested by the Gestapo Sunday morning at the Parc des Vichys.

Advices from Vichy said Petain

Philippe Petain

was not given time to shave before being taken to a destination not yet known.

Taken into custody along with him, these reports said, were Benard Menetrel, his private secretary, and several other members of his staff.

These were said to include a General Bridoux (possibly Lt. Gen. Eugene Bridoux, secretary of state for war in the Laval government); an Admiral Blehaut, and a man named Roehat, identified as general secretary of the ministry of foreign affairs.

A broadcast by the Swiss radio heard in London said that before leaving Petain wrote a short letter of farewell to his friends. Copies were said to be in circulation in France.

Reports from the French underground said that the Maquis were attacking Vichy at about the time of the seizures, had actually taken parts of the provisional capital and were arresting collaborators.

The swift reported action of the Gestapo seemed an indication that the Germans placed no trust in the Marshal.

The most reliable sources said that Petain refused a German request to go with Pierre Laval, chief of government, to the new provisional capital at Belfort, and that old marshal was summarily arrested by force. Where he is was not known absolutely, although most guesses were that he is in Germany. Thus the old chief of state became officially what he has been in effect for a long time—a prisoner of the Nazis.

The Vichy regime is "finished," the Basel National Zeitung commented. The Swiss minister to Vichy is returning home and relations concerning France will henceforth be conducted through Berlin.

Ladies, we have plenty of clothes-line wife—Lewis Hardware—adv.

O'Daniel Says What Washington Needs Is Good House-Cleaning

BIRMINGHAM, Ala., Aug. 22 (AP)—Senator W. Lee O'Daniel (D-Texas), long an outspoken critic of the Roosevelt administration, asserted in an address here last night that "what America needs most is a thorough housecleaning in Washington."

O'Daniel said the present national administration contains elements which he said are "trying to convert this government into a centralized, communized, regimented and centralized dictatorship x x x."

"Your only opportunity to break up this ring is to vote their leader out of office," O'Daniel said.

O'Daniel said Texas went Republican once, and added:

"I don't know what we will do this year because we're between the devil and the deep blue sea. We have completely lost our Democratic party and you all know our inherent shyness when it comes to the Republican party."

Governor To Know Of FEPC Activities

AUSTIN, Aug. 22 (AP)—Governor Coke R. Stevenson said today he had the assurance of a representative of the Fair Employment Practice committee that that agency would keep him closely advised as to details when it attempts to correct any so-called employment discrimination.

The governor said the assurance was given in a conference with W. Don Ellinger, FEPC representative from Dallas, during which the governor said the two officials discussed a "bunch of complaints with reference to anti-discrimination clauses in contracts."

He added that Ellinger assured him the federal agency would respect segregation laws of Texas.

Primary Absentee Voting Ends Today

Absentee voting for the second Democratic primary election, to be held Saturday, will end today. A total of 30 absentee ballots has been cast up to today, a new low in Gray County. Clerk Charlie Trout said this morning.

Election supplies were being assembled today, preparatory to delivery to election judges, who will be the same as in the first primary. The second primary will be held Saturday. The polls will be open from 8 a. m. to 7 p. m.

ABOUT OLD SANTA: Service Men, Women Overseas Have Decided What They Want

WASHINGTON, Aug. 22 (AP)—Service men and women overseas have decided what they want for Christmas.

Soldiers in all theaters would like money orders and wallets, pipes and tobacco, razor blades and small shaving kits, pocket-sized books and photographs in waterproof folders, cigarettes and cigars, automatic pencils, stationery, games, cards, puzzles, hard candy, soap, dried fruit, vacuum-packed nuts and wrist watches, the office of war information reports.

Sailors everywhere want pocket-sized dictionaries, novels, mysteries, westerns and humor—but no war stories; sneakers for showers and moccasin-type bedroom slippers; pocket knives with attachments; Bibles, alarm clocks, playing cards, dice, poker chips, insect repellents, small snapshots, toilet kits and shaving kits, foot powder, sunglasses, fountain pens, writing pads, fruit cake, tinny holiday foods like olives, sardines, nuts, coat hangers wash cloths, small homemade personal articles, steel mirrors and favorite tobacco mixtures.

Army nurses want washable brush coats, clothes pins, buttons, needles, thread, mending equipment, lingerie, baby pins, hairnets, elastic, cosmetics of all kinds, tin-lined delicacies, hard candies and nuts in tins, tin-lined biscuits, scented soaps, knick-knacks of wool-nylon Navy nurses would like Christmas decorations and birthday decorations for parties, starch, silk stockings of white, black or beige, under-clothes which don't have to be ironed, play shoes, sneakers, boudoir slippers, bathing suits, records and sheet music, books, kerchiefs, sports equipment, magazine subscriptions.

Wacs want sheer stockings first of all, also zippers and elastic girdles.

OWI offered the reminder that overseas gifts should be sent between September 15 and October 15 and marked "Christmas parcel."

Congress To Be Informed About Security Talks

WASHINGTON, Aug. 22 (AP)—Secretary of State Hull assured members of Congress today they would be kept informed of the progress of peace talks at the tri-ponder Dumbarton Oaks conference.

The former senator and representative said that word to his colleagues to make certain, members said, that none of the Democratic or Republican leaders would feel slighted for not having been invited to the preliminary conversations.

Hull explained that the U. S.-British-Russian meeting is "technical" and that when matters of "policy" become involved he would continue his practice of advising the lawmakers.

Meanwhile, the impending conference between Hull and John Foster Dulles, foreign policy advisor to Gov. Thomas E. Dewey, stimulated discussion on Capitol Hill on the possibility of eliminating postwar peace policy as a political issue.

Senator George (D-Ga.), chairman of a special Senate postwar committee said he thought the meeting of the two, representing the administration and the Republican presidential candidate, will be "most helpful to the country. It should result, he said, in an agreement on the main program and the American position," although there might be some differences on details.

Current diplomatic problems have been ruled out of the security talks, it was understood today, and sessions are to be concentrated on blocking out the basic principles of peace organization.

The conference settled down to its first working session today, following yesterday morning's formal opening and an afternoon meeting of the basic organization.

The Soviet representative, and Edward R. Stettinius, Jr., the American delegate, to decide on mechanics.

Announcement of the results of this meeting was withheld until today when they could report to the full conference, but it was understood that they covered the scope of the talks, the time and frequency of sessions and similar questions.

Various officials said it was the intention of the conferees to limit their talks strictly to evolving plans for an international organization, and to avoid any discussion of such issues as boundary disputes and occupation or disposition of enemy territory.

Soviets Make New Thrust at Warsaw

By ALTON L. BLAKESLEE
Associated Press War Editor
Disorganized and unable to make a strong stand, German remnants were being forced into a vast new trap today between Falaise and the Americans' Seine river bridgehead northwest of Paris.

German units in this net formed by four slashing Allied armies were surrendering "by platoons," an officer said.

On the eastern front Russians stormed the Bug river northeast of Warsaw in a sudden flanking thrust against the Polish capital, and hastily mustered Germans met them on the west bank.

In southern France, encirclement of Marseille was reported just a matter of hours, as Frenchmen sealed off the retreat route for the Nazi Toulon garrison by completing encirclement of the great naval base. The Seventh army hold on southern France has extended to 2,000 square miles reaching 60 miles inland. The Berlin radio said Allied troops had entered Toulon.

Canadian, British and American armies in western France, registering gains up to ten miles, were striking eastward in the enveloping push against the Germans between Falaise and the Seine. The U. S. Third army pressed in from the other flank in a drive toward the sea. Von Kluge's battered German Seventh army struggled frantically to escape across the Seine, by small boat and ferry.

Losses 300,000 Since D-Day

Thirty thousand prisoners already have been taken from the Falaise trap, according to estimates, and unofficially it was said the Germans thus far since the invasion began have lost 300,000 men in France.

The Seine bridgeheads northwest and southeast of Paris poised Lt.-Gen. George S. Patton's men for blows into the Pas de Calais rocket coast, and to turn the flank of the German 15th army.

In Russia, German counterattacks reestablished a corridor between Baltic forces isolated in Estonia and Latvia, forcing the Soviets from Tukums, 33 miles west of Riga. In the battle for Warsaw, Red army men took more than 50 settlements northeast of the Polish capital, and won 16 miles of the Bialystok-Warsaw railway.

Berlin reported a new Soviet offensive in Romania, near Iasi. Moscow gave no confirmation.

Florence was occupied completely by the Allies, and Eighth army patrols pushed beyond its northern outskirts.

Weather halted overnight air operations from Britain, but Berlin said presumably of the Mediterranean front meeting was withheld until Bulgaria, first German satellite to quit the war in 1918, was reported considering peace.

French patriots were rising throughout southern France, ejecting the Germans from town after town.

Maj.-Gen. Alexander M. Patch in an order of the day to troops invading southern France asserted "The enemy in our area is perplexed and demoralized. Our forces are in full retreat. Patch called for unreleased blows to deny the Germans time to recover. Americans pushed westward after occupying Aix-Provence, 15 miles north of Marseille. French troops advanced on the city from the east.

GOP Support Of Talks Suggested

ALBANY, N. Y., Aug. 22 (AP)—Wendell L. Willkie was said authoritatively here today to have urged John Foster Dulles, Gov. Thomas E. Dewey's foreign affairs agent, to rally Republican support behind efforts to make the Washington postwar security conference a success.

Dulles, who exchanged views with Willkie in New York yesterday, has arranged to meet with Senators Arthur Vandenberg of Michigan and Warren R. Austin of Vermont in Washington tomorrow before he presents Dewey's beliefs to Secretary of State Hull later that afternoon.

Lewis has made it plain that he opposes any permanent four-power alliance to dominate the world and wants small nations to have a voice in the international security organization for which representatives of the United States, Great Britain, Russia—and later China—may lay the groundwork at the current Dumbarton Oaks conference.

Willkie, also an advocate of small nation representation, was reported to have urged on Dulles at their meeting that no move be made by the Republican presidential nominee or his friends that could be interpreted as interfering with the conference.

Willkie and Dulles were understood to have made no attempt at their meeting to reach a basic understanding on foreign policy, and the 1940 presidential nominee was described as likely to continue to remain silent in the campaign for some time to come.

The two joined in issuing a statement after their conference which said only that they had reviewed various international problems bearing on a world peace organization in a talk "not animated by partisan consideration or having to do with any candidacy."

Many Ideas Given On Disposal Bill

WASHINGTON, Aug. 22 (AP)—Twenty-two amendments to the surplus war property disposal bill confronted the House today as leaders again sought a vote on the measure by nightfall.

There seemed no limit to the abundance of ideas about the disposition of a hundred billion dollars worth of excess war equipment and the reason after a week's argument, boiled down to this: One group wants the administrator to have unlimited power to get rid of what the armed forces don't need.

Another group says one-man rule is all right, now that the "board" idea has been ruled out, but there should be tight restrictions on methods.

Mixed in between are those who want small business helped; those who want to specify that farm areas get a break; those who insist on priorities for this or that group deemed to be in the public interest.

The Senate expects to report late today a surplus property disposal bill sharply differing from the House version.

The subject of surplus property also occupied the House committee on postwar military policy today. Chairman Woodrum (D-Va.) resumed hearings to find out from the army first, the navy next, what the armed forces feel they should retain and what is going to be junked, in the way of war materiel.

Erlene Shotwell Becomes Bride of Lt. Herbert Borgmann in Wedding Solemnized Here Sunday

In a double ring ceremony read by the Rev. E. B. Bowen, Sunday at the First Methodist church, Miss Erlene Elizabeth Shotwell, daughter of Mr. and Mrs. F. W. Shotwell, 1312 N. Duncan, became the bride of Lieutenant Herbert C. Borgmann, son of Mr. and Mrs. Lawrence W. Borgmann, of Athol, Kan.

Mrs. John Skelly, church organist, played "Ava Marie" by Schubert. Mrs. Harold Wright sang "The Sweetest Story Ever Told" and "O Promise Me." As the bridal party entered, Mrs. Skelly played "Bridal Chorus" by Wagner. During the ceremony, she played "Lieberstina" by Liszt and during the recessional, "Wedding March" by Mendelssohn.

The altar was decorated with two candelabra on each side, and palms in the background. Pink, white, and orchid asters were arranged in four baskets.

Miss Joyce Taylor, attendant of the bride, wore a gold street-length dress and hat with black accessories and a corsage of yellow gladioli. Lieutenant Robert M. Fletcher of Manhattan, Kan., attended Lt. Borgmann as best man. Lieutenant Joseph Eitzer, of Saint Louis, Mo., and Lieutenant Raymond L. Coleman, of South Bend, Ind., served as ushers.

Mrs. Shotwell, mother of the bride, wore a black afternoon dress and hat with white accessories and a corsage of pink carnations. The bride, given in marriage by her father, wore a blue dress and matching hat with brown accessories. She carried a white Bible topped with a bouquet of white roses.

Following the wedding ceremony, a reception was held at the home of the bride, 1312 N. Duncan. The bride and bridegroom cut a three-tier wedding cake, decorated with a miniature bride and groom. Miss Marion Whitten and Miss Betty Jane Boynton presided at the punch bowl.

After the reception, the couple left on their wedding trip to Liberal, Kan., where Lt. Borgmann is stationed. The bride traveled in a black hat and suit with white accessories. She wore a corsage of roses.

Mrs. Borgmann was graduated from Pampa High school in May of this year. She was a member of the Pampa High school band and glee club. Mrs. Borgmann has been a member of the Methodist church choir for the past two years.

The bridegroom was graduated from Athol High school in 1941 and attended the University of Kansas for two years before entering the US Army Air Corps. Out-of-town wedding guests were two aunts of the bride, Mrs. J. Hill and Mrs. Ed Amey of Amarillo; and cousins of the bride, Mrs. J. Piquet of Willard; Mrs. Ruth Pendleton of Washington, D. C.; Mrs. Robert Jones, Mrs. L. D. Jones, of Amarillo, Mr. and Mrs. Ned Amey of White Deer, and Lloyd Hill of Amarillo.

Mrs. Herbert C. Borgmann

4-H Boys, Girls Have Picnic At Park Saturday

Saturday morning 4-H Boys and Girls from throughout Gray county met at the city park for a picnic and frolic. Parents and friends also were in attendance.

Atha Belle Steward, Gray county 4-H Club Council president, was mistress of ceremonies, and conducted the opening exercises. During the program songs were led by Mary Jo Steward, Junior High 4-H club girl. The advance of colors were conducted by Emma Mae Sing and Amos Harris, Jr. The group was led in "The Lord's Prayer" by La Rue Whipple. Mary Jo Steward explained the 4-H club motto and emblem, and Etta Francis Haney explained the meaning of the 4-H's. Nina Ruth Spearman gave an achievement report on her Talent Award, which had been presented May 17 by the Grain Growers Association in Amarillo. Atha Belle Steward displayed the handicraft articles made at the Leadership training school held in Ceta Glen Canyon June 8, 9. She also explained some of the work being done by the 4-H club council, the purpose, and summarized the activities of the club.

Special musical numbers were presented by the Busy Bees 4-H club at LeFors, under the supervision of Mrs. Leroy Spence. Introduction of guests was made by Miss Millicent Schaub, Gray county home demonstration agent.

After the formal program, R. K. McCoy, assistant county agent, led the group in playing informal games—"Gathering of the Nuts", "Simon Says Calisthenics", "Over and Under Relay" and baseball.

At noon a picnic lunch was spread by the mothers of the 4-H club boys and girls. Ice cold cokes were furnished with the compliments of the Tull-Weiss Implement company. Informal visiting and games concluded the program for the afternoon.

The 4-H boys and girls club represented were the Pampa Vicinity 4-H Clubs; Junior High Blue Ribbon, County View, LeFors, and McLean.

OUTING DAYS
HAVANA, Ill.—A Havana druggist posted the following sign on his door this week:
Out of ice cream; out of sherbert; out of cigars; out of gum; out of films; out of stamps; out of patience; out of town!
His customers also knew his soldier son was home on furlough.

Millicent Schaub Is Guest Speaker At Garden Club Meeting

"Local Horticultural Problems" and "Insects and Diseases" were the topics of Miss Millicent Schaub who was guest speaker at a recent meeting of the Pampa Garden Club.

She provided several suggestions for selection of seed, planting of materials, and rotation of flowers as well as vegetables and other crops. Of interest to the club members was her information on securing a soil analysis by sending in a specimen to A. and M. In discussing the section on "Insects and Diseases" several bulletins were passed out to the members. Miss Schaub advocated the planting of a fall garden which could be started now.

Mrs. Fred Hendricks was club photographer. She showed a color film of her yard at Wicket before she moved to Pampa, and the flowers grown in her yard here during the last two seasons.

Mrs. Roy W. Reeder presided over the business session. She gave information on the Junior College movement in Pampa and urged all members to be ready to do their part in whatever may be necessary to forward the building of the college. Suggestions passed by the executive board concerning the Fall Flower Show were validated by the club. The appointment of Mrs. Emmitt Ellis to a vacancy on the nominating committee was announced.

Hostesses for the morning coffee were Mrs. Perry Gault, Mrs. C. L. McKinney, and Mrs. O. B. Schiffman. The table was decorated with a centerpiece made from garden vegetables around the provincial gardening straw hat with pottery setting and service.

At the conclusion of the meeting, Mrs. R. W. Tucker offered a prayer for peace, a speedy victory, and consolation to the oppressed of all nations.

Coffee Given To Honor Ann Bullis In Pierson Home

Honoring Miss Ann Bullis, daughter of Mr. and Mrs. Morris Bullis of Dallas, and a student of Southern Methodist University, Miss Martha Frances Pierson entertained with a coffee Sunday night at her home, 1121 Mary Ellen.

The table was decorated with a centerpiece of gladioli and asters. Miss Pierson served at the coffee table. Guests present were Misses Marjorie Hill, Betty Lea Thomason, Mary Gurely, Eugenia Phelps, Esther June Mullinax, Joyce Warner, Joyce Turner, Sara Florence Parker, Nelle Roach, Patricia Lively, Dorothy Drescher, Margaret Burton, Charlotte Cline, Martha Frances Pierson, and the honoree.

OPA Issues Several Suspension Orders

Suspension order hearings held this week in El Paso, Big Spring, and Lubbock resulted in suspension orders ranging from two weeks up to the duration for dealers who were shown to have violated gasoline, tire, or food rationing regulations. Howard R. Gholson, District Director of the Office of Price Administration has announced.

A total of 25 cases were reviewed. Eighteen concerned violation of the gasoline rationing regulation; four concerned tires; and three dealt with violation of food regulations. Heaviest sentence given was at Big Spring, where a gasoline dealer was suspended for the duration. Several cases were dismissed with no order, when evidence showed that violation had not been willful.

Cases were heard in informal session, with each defendant free to call his own witnesses or to offer counsel in his behalf. Harry Hall of Dallas, Chief Hearing Commissioner for the OPA, heard the cases.

Texas Extension Agents Visit Millicent Schaub

Miss Doris Leggett, northwest district agent of the Texas Extension service, and Miss Myrtle Murray, home management specialist, of College Station, are spending the day in Pampa, with Miss Millicent Schaub, Gray county home demonstration agent.

Miss Murray is here in the interest of cooperative buying and stressing the principles of time saving projects. She assisted in the purchasing of pineapples for the entire state of Texas. The amount of pineapple sold and canned by the members of Home Demonstration clubs throughout the state of Texas so far this year has been 27,722 3/4 dozen. At the present time Miss Murray is assisting the counties in buying cooperatively peaches, apricots and other fruits. Some of the counties are buying vegetables cooperatively, some have even purchased bolts of cotton materials.

Miss Leggett will assist Miss Schaub in making plans for 1944-45 programs of work and other problems pertaining to work in the extension field. She is just finishing a tour of her entire district. On her route she visited the Southern Great Plains Field Station at Woodward, Okla., making plans for our Texas cooperators in landscaping and the planting of trees for windbreaks and ornamental decorations.

China-India-Burma Patients Arrive

LONGVIEW, Texas, Aug. 22.—(AP)—First soldier patients from the China-India-Burma front have been received at Harmon General hospital here.

They were flown from Coral Gables, Fla., to Pounds field yesterday. Besides five from that theater, the convoy included one returned by hospital ship from Africa.

Public Warning!
BEWARE OF PIN-WORMS

War-time living conditions may be the cause of spreading Pin-Worm infection. Scientific reports in many communities have shown at least one-third of the examined children and grown-ups to be victims of Pin-Worms—often without knowing what was wrong!

Watch out for the warning signs that may mean Pin-Worms in your child or yourself: the tormenting, embarrassing rectal itch, the uneasy stomach, bad-eating, nervous fidgeting, sickly appetite.

New Discovery Hailed By Doctors
After centuries of distress caused by Pin-Worms, a new and highly effective way to deal with this stubborn pest has recently been discovered. This scientific discovery, hailed by medical authorities, is a remarkable drug (gentian violet). It is the vital element in P-W, the new Pin-Worm treatment developed by the laboratories of Dr. D. Jayne & Son, America's leading specialists in worm medicine. P-W tablets are small and easy to take, and they act in a special way to destroy the creatures. So don't take chances with Pin-Worms. At the first warning sign, ask your druggist for P-W, and follow the directions. P-W means Pin-Worm relief!

There's something about a Wac!

With her fresh, cool poise, her air of quiet confidence. Her gallantry and her spirit. Her way of getting things done, quickly and without fuss. Her pride in her vital Army job. And in the Women's Army Corps...

There's something about a Wac that makes you want to stand up and cheer!

The way the soldiers did—when the Wacs came down the gangplank in Australia.

The way Generals do—with cables that say: "Send more Wacs!"

Receiving radio messages from combat planes

Recording the return of wounded men

Good soldiers... the WAC

First Baptist, Harrah Tie For Softball Lead

The chips were down last night at the Sam Houston grounds and the Harrah Methodist junior boys team garnered the heavy end of a 16 to 10 score over the Nazarenes to get back into a tie with First Baptist for top honors of the junior boys league for the second half of the Kiwanis Softball association play.

This puts Harrah and First Baptist into the play-off next week as both teams have finished their entire schedule with two losses each and six wins.

The defeat yesterday gave the Nazarenes three losses and the First Methodist never showed up with a team and were credited with eight forfeits.

Since Nazarene and First Methodist tied for first honors in the first half of the summer's schedule, this puts each of the four teams in the play-off next week in the junior boys league.

First Methodist girls won easily 23 and 14 over the First Baptist girls and the Central Baptist senior boys team, clinched first place in their league by winning up their part of the schedule with a 12 to 2 victory over the cellar dwelling Holy Souls.

Holly Souls have their last chance for a win tonight when they meet Calvary who, incidentally, are next to the cellar position.

Harrah junior boys started the scoring in the first inning when English knocked out a home run bringing him in.

Things looked dark for Harrah next inning, however when Jimmie Tolly Bond started a batting rally with a hit that kept the Nazarenes batting around once and half again, to run in nine scores.

Harrah came back with six scores in their part of the second, whittling the Nazarene lead down to 9 and 8.

The third, Van Huss, Harrah pitcher leveled down on the Nazarene batters who popped flies, one, two, three for a shut out. Harrah Methodist had the game re-scheduled.

All-American Golf Tilt Draws 125 In Amateur Division

CHICAGO, Aug. 22—(AP)—Approximately 125 shooters finished action yesterday in the amateur qualifying section of the Tam O'Shanter All-American open, \$42,500 golfing extravaganza.

Forty-nine young ladies battled for 24 positions in their 72-hole division, also opening Thursday. The big show's first day saw Ed Furgal, 24-year-old Birmingham, Mich., public links ace, posting a 67, five under par, to lead 250 amateurs ambitious to clinch positions among the 24 eligibles for the finals.

In second place after yesterday's dawn-to-dusk show were Ken Heilmann of St. Louis and Frank Kovack of Chicago who turned in 70's. A stroke behind were Willford Wehrle of Racine, Wis., 46-year-old Tom Frayne of Chicago and George Dawson, another Chicago veteran.

Trapshoot Tourney To Open Wednesday

VANDALIA, Ohio, Aug. 22—(AP)—This little Ohio town of some 500 population—made famous as the permanent home of the amateur trap-shooting association—was ready today for its annual big moment, the 45th renewal of the Grand American Trapshooting tournament, a three-day event.

The number of entrants won't be known until the fring gets under way but Ray Loring, ATA manager, predicted there would be as many as a year ago when 38 states and three Canadian provinces were represented.

The program tomorrow will be topped by the men's and women's amateur clay target championships and the champion of champions event. The latter shoot is that which matches all the various state champions.

Double No-Hitter Fans 33 Batters In Double-Header

WILLIAMSPORT, Pa.—Owner of two no-hit games within a few weeks, plus a double-header shut out in which he fanned 33 men, Dick Welteroth of Williamsport's St. Mary's High has attracted the attention of scouts.

Sports Roundup

By HUGH FULLERTON
NEW YORK, Aug. 22—(AP)—Overseas roundup:

THE SANDSTORM LEAGUE
There's how they play GI baseball in the Middle East, as related by Larry Leonard: "Our baseball team was engaging a quarter-master unit when all of a sudden the G.M. boys voiced protest against the umpire. Finally they tossed out the umpire. They put in another umpire (tell Durocher to try it some time) and this new umpire was one of our better players who had just come out of the hospital. Well, things worked beautifully until the 10th when with the score tied our team, realizing the hitting ability of the kid we had umpiring, tried to take him out with ump and use him as pinch-hitter—the other team protested so strongly they finally walked off the field and the game has to be played over—incidentally, this kid over whom the squabble arose is a promising prospect, Bob Knight of Fort Worth. He has a .565 batting average and is a good long ball hitter. The kid is young, has a good arm, an excellent eye and he's played the turf in his own field in the desert."

PHILADELPHIA
The 5-3 overtime win that Sig Jakucki earned over Washington boosted the Browns lead to 4½ games as Boston fell before Cleveland, 7-6, in 13 innings when another home run, hit by Mickey Vernon of the Tribe, gave Specs Klemm the relief nod over Mike Ryan.

DETROIT, next port of call for St. Louis after they finish their Washington visit tonight, was dropped by New York, 5-1, as Walt Dubiel scattered eight hits effectively for his ninth win. Homers by Hershel Martin and Russ Derry helped send Rufe Gentry down to his 13th defeat.

PHILADELPHIA took a 3-2 decision over Chicago in 10 innings with Don Black getting the verdict over Bill Dietrich on Frankie Hayes.

PITTSBURGH'S latest win streak mounted to five and 16 of their last 17 as they trimmed Brooklyn, 7-4 in 10 innings after finishing up a suspended game hanging over from July 9 by a 9-7 triumph.

ERIE Lombardi drove in all four runs with two homers and a single in New York's 4-3 margin over Chicago. Johnny Allen needed relief to grab his third win at Bill Fleming's expense.

ST. LOUIS night game was rained out and the Phil and Cincinnati were not scheduled.

ARMY GOOD SPORT CUSTOMER
NEW YORK, Aug. 22—(AP)—The army will ship approximately 20 million dollars worth of athletic equipment overseas during 1944. It was revealed today by Lieut. Col. Henry W. Eskay, former Harvard football star now head of the new athletic branch of the special service division.

Browns Win On Home Run By Gutteridge

By JACK HAND
Associated Press Sports Writer
Mr. "Pepper Pot" of the St. Louis Browns, alias Don Gutteridge, won't be in the front row when they count the most valuable player ballots in November but he was the No. 1 man on the ticket today in St. Louis.

The little second baseman from Pittsburgh, Pa., waited until last night to get his annual home run and picked the right spot—in the 12th inning of a 3-3 ball game with Frank Mancuso on base. Gutteridge hit one home last year and one the year before. Up to last night in Washington, he hadn't connected for all four this year.

When the ex-Cardinal gave the league-leaders a 5-3 victory over the St. Louis Cardinals, he gave them a shot in the arm that may shake them out of their troubles. Luis Sevel's men had dropped four in a row.

George Aulbach, president of the Texas Professional Golfers association, writes that there will be no Amario open tournament this fall but he'll be placed on the post-war program.

But there's plenty of golf in Amario just the same.

Aulbach is pro at the Amario Country club and Gene Root serves the municipal course. Together they have been responsible for increasing the golfing activity of Amario nearly 50 per cent while both their club memberships have increased nearly 35.

Footnotes: When Waco high meets Highland Park this season it will mark the first time in 25 years of interscholastic league play that these two teams, separated by only 100 miles, have clashed on the gridiron—Ernie Koy, who was a great backfield man and outfielder at the University of Texas and also played in the major leagues, has received the Silver Bar of a junior grade lieutenant in the navy.

He was sworn in at Cabanis field—Blair Cherry, University of Texas backfield coach and scout, is high on catching the flag was named for \$1,500. Imagine picking up such a group at such little expense today.

Second Day Starts In Gridiron Drill

(By The Associated Press)
Football hunkies in at least four Southwest conference training camps today rubbed their aching muscles and prepared to snap into the second day of fall practice.

Texas, A&M, Southern Methodist and Texas Christian all initiated the training grind yesterday, with 125 candidates, including seven lettermen, reporting to Coach D. X. Bible at Texas. Rice opens its practice sessions next Monday and Bishop Edge, Dallas tackle Bible will split the squad into A and B teams in a few days.

At Fort Worth, Coach Dutch Meyer said his Texas Christian hopefuls—44 reported yesterday—would hold inter-squad games each Saturday from now until the first game. Five lettermen are back.

One hundred boys reported to Coach Homer Norton at College Station as the Texas Aggies swung into the season. Norton plans a first team of 35 or 40 men with the rest on team two, but he promised the boys that one who tried would play in one or more games. Five lettermen reported.

At Dallas, six holdovers from 1943 were among the 50 candidates reporting to Southern Methodist mentor Jimmy Stewart. Five prospects for the team besides the holdovers have had college experience, three were junior college products and at least nine others were high school players of all-district caliber.

ARMSTRONG DECISIONS JOYCE
SAN FRANCISCO, Aug. 22—(AP)—Former triple threat holder Henry Armstrong continued his renewed comeback drive last night by pounding out a narrow ten-round verdict over Willie Joyce of Gary, Ind.

Armstrong, 139, weathered an early round buffeting and came thru with a sacre nine and tenth round attack that won the nod over his 140-pound opponent.

What Farmers Know

Commenting upon his own pre-emption analyses, which show that the anti-Roosevelt sentiment has made less headway in New England than it has in the middle west, Dr. Gallup says that the undoubted explanation is the popularity of the president's foreign policy in New England.

This Gallup explanation of the Roosevelt strength in New England may be completely accurate as to New England. But it does not tell more than half the story of the sweeping tides of anti-Roosevelt sentiment in the agricultural states of the open west.

Much of agriculture's defection from the Roosevelt dynasty undoubtedly is due to restrictions and limitations and baffling questionnaires that no man born of woman can possibly understand.

After eleven years of new deal administration the western half of the United States is nearly without representation in the cabinet and on the supreme bench.

But there is a still deeper reason for western antipathy. The agricultural population knows that the government is controlled completely or influenced mightily by forces which are driven by an economic urge to sell cheap to the farmer and buy cheap from the farmers.

Kansas and Nebraska realize that a vote for the fourth term is a vote against the agricultural interest of America. Texas knows that also.

It is noteworthy of Britain's new famous Education Bill, with its thoroughgoing reforms at all levels, that it has been passed in the midst of a major war.

The plans are characteristically courageous. The act seeks to make schooling available to every child, no matter what his social level.

It is noteworthy of Britain's new famous Education Bill, with its thoroughgoing reforms at all levels, that it has been passed in the midst of a major war.

There's much more to capitalism than this, and I'm getting you to divide it with others. You thought you were making that net for yourself, actually, you were doing 1,200 hours of work for yourself and 900 hours for me.

Common Ground

"I speak the same words, I give the same of democracy, by God I will support it which all citizens are counterpart on the same terms."

Capital Wealth Must Be Shared and Divided Among Others, or Lost

By ROSE WILDER LANE (Author of "Let the Hurricane Roar," "Live with Liberty" and "The Discovery of Freedom.")

Well, from the little illustration of the nature of capital wealth which I've been giving you, it's clear that capital wealth must be shared. Or lost. Nobody can keep its whole value to himself.

Oh, do I? I do not. This never occurs in freedom. Unless you are compelled by force to act un-naturally, it can not occur.

YOUR TOTAL WORTH Consider the situation. With this net, two hours' work a day can produce a living for both of us.

Then that's true, isn't it? (Think for instance of the work done by the man who would be the first wheel.)

Then that's true, isn't it? (Think for instance of the work done by the man who would be the first wheel.)

MAYBE IT'S HERE:

Leaves From The Editor's Notebook

Police must prepare for the "bloodies" and most costly crime wave in history" after the war, Edward J. Healey, Connecticut state police commissioner, warns.

That's a warning which our post-war planners—federal, state, local and private—should read and heed. For it's still true that "Satan has work for idle hands to do."

LET'S HOPE Navy Secretary James Forrestal, according to a dispatch from France, came away from Eisenhower's headquarters "tremendously impressed" with the spirit of cooperation between American and British leaders.

When the war is over, and the facts are divulged, we may be surprised at some of the methods employed by the British and American to get food and munitions to the French.

So They Say Our knowledge and techniques have so advanced that men who would have died under procedures of even a year ago will not only survive but will be restored to full health without disability or mutilation.

Japanese forces which were advancing northward have adjusted their lines southward, and now have consolidated their positions in the rear.—Tokyo Radio.

We know these Yanks and they will get us where we are supposed to be. That's the big thing in parachuting. It's a bad show if you do not know where you are when you come down.—British paratrooper en route to France in American glider.

This is a draw for life. If I get home I get a good chance to come out of this alive. If I stay, I get a good chance to die. I'm liable to get hell shot out of me.—Soldier in South Pacific awaiting drawing of furlough papers.

SHARP—Mr. Lindbergh's research work for the Ford people may revolutionize Allied bombing operations, although the actual results of his pioneering may not show until the latter stages of the war.

Equality of opportunity in the United States in large part has been founded upon the proposition that each child and youth shall have access to educational facilities which would permit him to develop such talents as he possessed.

There are many who seem to think it the duty of a pre-invasion bombardment to knock out the enemy's command and control centers.

'Blackout' Causes Man's Death Plunge DAYTON, O., Aug. 22.—(AP)—The eight-mile death plunge of Lt. Col. Melbourne W. Boynton Saturday apparently was caused by a "blackout"; the materiel command of the army forces at Wright Field said today.

Boydton, 39-year-old chief of the medical safety division of the office of flying safety, died on his way to the command reported after an examination.

Boydton plunged through the bomb bay of a flying fortress at 4,000 feet in an experimental leap at the Clinton County Army Airbase near Wilmington. He landed two feet from the runway in a cornfield before 100 witnesses.

Peter Edson's Column: DOAKESSES GAZE THROUGH CRYSTAL BALL By PETER EDSON The Washington Cor. A reasonable facsimile of thoughts running through the heads of Joe or Jane Doakes, war workers, at this crucial period in the country's history could be set down in words approximately as follows:

"The war news sure is great. Looks like it wouldn't be long now. When it's all over, I wonder where it leaves me."

"On the whole, the war has treated me better than most—haven't been bombed or shot at. Suppose I shouldn't have any kick coming. Best money I ever made. Average around 90 cents an hour, which is \$36 for 40 hours, plus eight hours overtime at time and a half which is \$10.80. Yes, \$46.80 a week, which I see by the papers is about average for the whole country."

"The first thing that happens, I lose that overtime I suppose. That means I get along on \$36 again, and with food prices higher than they were before the war, I suppose there won't be any more War Bond drives so I'll have the four bucks they've been taking out of my pay every week for that. And maybe lower taxes."
