Japanese Are Throwing Full Army Into Battle for Leyte Island

35,000 Enemy Troops Landed Despite Navy

By LEONARD MILLMAN
Associated Press War Editor

Japanese commanders are throwing a full army into the battle for Leyte island in an effort to break Gen. Douglas MacArthur's grasp on the Philippines.

In two weeks 35,000 Japanese have broken through a sea and air blockade to reinforce the virtually annihilated 16th (Bataan) division, MacArthur's headquarters disclosed abruptly today.

Tokyo radio cited further Japanese successes in the capture of Iloilo, last known U. S. air base in Southeast China, and Kweilin, key to Chinese defenses in that sector.

The size of enemy reinforcements—far in excess of previous indications—coupled with the recent reckless sacrifice of airplanes and warships, and the fact that the battle for the Philippines would be considerably longer and harder than was expected after one-sided land, air and sea victories.

Gen. Walter Krueger's 8th army still outnumbers Japanese on Leyte by two to one, although MacArthur said the Japanese had lost 35,000. These losses include wounded and some 5,000 men who fled to the hills. The Japanese position on Leyte was originally estimated at only 20,000.

But the picture is not dark. Krueger has superior fire power and armor. His forces and guerrillas dominate most of the island. He still holds the offensive, as the 24th division demonstrated by pressing forward in an uphill battle to make

Popular Majority Soars Into Third Million for Dems

WASHINGTON, Nov. 10.—President Roosevelt and the new democratic-controlled Congress inherited from the 1944 elections have the opportunity for the greatest teamwork job in American history.

The fourth term president rode to the capital this morning, a ride that was transporting him from the flush of tremendous victory at the polls to sobering, hard work.

The votes of 45,000,000 Americans had been counted, a majority—better than 3,000,000 for Roosevelt. They gave him and his party a working majority of at least 55 in the House and 19 in the Senate. They also gave the party 25 of the 48 governorships of the nation, almost all the state legislatures for the President and the 79th Congress to wind up the war and together write a peace that will last.

This, as the President's opponent, Thomas E. Dewey said in his campaign, is the greatest opportunity of the President's part he faces.

The impending conference with Churchill and Stalin; the Chinese problem enhanced by removal of Gen. Joseph W. Stilwell as China's top U. S. personal request; decisions on the makeup of the new cabinet, provided any changes would be contemplated; a number of major appointments now likely to be made momentarily.

The retiring Congress meeting next week has some work to do but the spotlight henceforth is on the new one that convenes in January.

This 79th Congress must appropriate the final punch funds of war, it must equip the President with special wartime powers, that are due soon to expire, and it must take up such economic controls, act on taxes and other domestic matters. Principally, though, it will be the "peace" Congress.

Whatever Mr. Roosevelt and his cohort work out for the peace must go before the U. S. Senate and only a two-thirds majority there will sanction it. That will require some republican votes. Secretary of State Hull has not ignored the republicans in the Senate and has taken them into his confidence.

Garman Hopes To Finish Drive for Funds by Sunday

Pampa's community-chest drive was nearing its goal today with \$10,711 of the \$21,000 total already raised.

"We are still about \$1,300 short," General Chairman J. W. Garman said today. "If we make this weekend push today, we can possibly report success by Sunday."

Garman said letters have been sent to all workers asking them to make their final calls and turn in their reports. Letters also went to potential contributors who have not yet turned in their checks.

"We feel sure everyone wants to have a part in this campaign," Garman said. "If those who have not been contacted will just mail in their checks or call one of the chest officials we'll come around and get it."

Garman said the goal is so near that it behooves everyone to pitch in at the last minute in order to complete the drive.

Checks should be made out to The Pampa Community Chest Fund and be mailed to Mrs. Geneva Schmidt, fund treasurer, at the Pampa court house.

19 County Men Go To Induction Center

Another group of Gray county men, totaling 19, went to Oklahoma City this week for induction.

They were: Oscar Wendell Love, Willie Herschel Smith, J. C. Daniels (leader), Levi Charles Bailey, Jr., Clifford Stone Salter, Forrest Raymond Palmer, William David Stockstill (assistant leader), Alton Edward Kennedy, Joseph William Seitz, Leroy Stewart Milton, James Perry Edwards, Bill Randle Herring, Jody Albert Patterson, Dudley Harris Baggerman, Orville Louis Keeton, Virgil Glen Van Huss, Ocie Gal Stewart, Robert Harvey Austin, William Edward Lancaster.

Girls Attacked Near Pyote Base

PYOTE, Nov. 10.—Two girls who were waylaid, forced into a ditch, choked and assaulted by two men they identified as Negro soldiers are recovering today in Pecos army air field base hospital.

Two Negro soldiers who fit descriptions given by the girls were arrested yesterday while hitchhiking east on Highway 80 to the army air field public relations office reported.

The men were on pass from the Pyote army air field, and City Marshal W. W. Massey made the arrests at military police.

The girls, aged 20 and 23, are employees of the Pecos base hospital.

They had attended a USO dance Wednesday night. After the dance they went to restaurant for a late meal and then began walking home on the Carlsbad highway.

As they neared a warehouse just north of the railroad tracks, the two men waylaid them, the girls reported. They were forced into a ditch, choked them and then assaulted them.

They reported the incident to military police and a widespread manhunt was started, continuing until 10 a. m. yesterday when the suspects were arrested.

The men have been questioned by the army provost marshal. District Attorney James E. Willis and the sheriff's office. Investigation is continuing.

Liquor To Be Made Through January

WASHINGTON, Nov. 10.—The nation's grain beverage distillers will be allowed to produce beverage liquor during January.

Chairman John Krug of the war production board today notified the distillers their facilities would not be required for making industrial alcohol during the first month of next year.

Office To Be Open To Sell Tickets

Roy McMillen, school business manager, said this morning the office at the city hall would remain open until noon tomorrow for the sale of tickets to the Lubbock-Pampa game tomorrow afternoon at Harvester field.

Hull To Keep Post Long as Possible

WASHINGTON, Nov. 10.—(AP)—President Roosevelt said today he supposed Secretary of State Hull will be back of his desk soon.

The secretary, the chief executive reported, is getting along very well at Bethesda Naval hospital, where he is a patient.

Another report asked Mr. Roosevelt if he expects soon to appoint a new ambassador to China, but Mr. Roosevelt said he hadn't thought about the matter since his last news conference.

Asked when he expected to make the appointments to the new surplus property board, he said the list was being held up for one name.

Associates of Secretary Hull reported he resented him as eager to remain in his post as long as he can.

They are likewise convinced, they said, that President Roosevelt intends to keep him just as long as he can.

Their remarks were in connection with a report that John G. Winant, now ambassador to England and former republican governor of New Hampshire, might be the next secretary of state.

Other reports of cabinet changes are current now, as is usual right after an election when members customarily submit their resignations to the President to accept if he wishes.

Hull, 73, went to naval hospital week before last with a throat ailment. But the word at the state department is that he is getting along well.

Vice President Wallace and Undersecretary of State Stettinius have been publicly mentioned as possible successors to Hull, when and if Secretary of Labor Perkins, asked about her plans, commented only that someone is forever predicting she will quit.

Winant has been mentioned in the past.

V-2 Bombs Thrown Against Antwerp

LONDON, Nov. 10.—(AP)—Berlin announced today that V-2 rocket bombs were being used against Antwerp, a principal key to the Allies' winter campaign against Germany. "Increased bombardment may be expected to make the harbor installations of Antwerp unsuitable for unloading of troops and material on a major scale," the DNB agency broadcast.

Cotton Forecast Is Raised 100,000 Bales

AUSTIN, Nov. 10.—(AP)—An increase of 100,000 bales in the predicted cotton production for Texas this year was forecast by the crop reporting board of the United States department of agriculture.

Based on Nov. 1 conditions, a crop of 2,600,000 bales was predicted, compared with 2,500,000 on Oct. 1, and with 2,223,000 bales produced last year. 3,273,000 bales was the average production in Texas during the 10-year period 1933-42.

The estimated lint yield per acre at 175 pounds compared with 174 pounds in 1943, and a 10-year 1933-42 average yield of 162 pounds.

Ginnings in Texas to November 1, are reported by the bureau of census at 1,577,000 running bales, compare with 2,100,000 bales ginned to the same date last year, and 2,156,000 bales to November 1, 1942.

Woman Says She Wed Six Without Divorces

DALLAS, Nov. 10.—(AP)—Mrs. Jesse Frances Mason, alias Mrs. Betty Lillian Wright, 24, in a signed statement has admitted to Federal Bureau of Investigation agents that she married six men without divorcing any of them and even forgotten the given name of one of them.

She entered a plea of guilty to a charge of illegally receiving government allotments from two of the men when arrested before U. S. Commissioner John Davis yesterday.

Dean R. Morley, special agent of the Dallas FBI office, said the young woman's statement disclosed she had lived only a few days with each of the soldiers except one, and that she lived with him seven months.

It was for receiving allotments from husbands five and six, who she had married in 1943, that she was charged.

Commissioner Davis sent her to jail in default of bond.

Resolution Urges Moving of School

AUSTIN, Nov. 10.—(AP)—The University of Texas service has reported that 210 students in the medical college at Galveston adopted a resolution in favor of moving the college to "a more advantageous location."

Dr. Chauncey D. Leake, dean of the college, which is a branch of the university, said last night he was "unaware of the alleged resolution." Some medical school students at Galveston said that an unsignified poll was taken of fraternity and independent students, and that a resolution was subsequently adopted by the students association.

The news service, a regularly constituted department of the university, in its report yesterday said the resolution was adopted Nov. 1, two hours before the University of Texas board of regents meeting in Houston announced discharge of Homer P. Ransford, university president, and resignation of three of the regents.

Removal of the medical school from Galveston to Austin had been proposed as part of a long-range development plan for the university by Ransford.

The board of regents adopted a recommendation of its medical committee that the school be left permanently in Galveston.

Celebration Here Expected To Be Light Tomorrow

Sands of time have run their course between 1918 and today, November 11, that earlier year, marked a formal day, terminating World War I. Tomorrow Pampans along with other Top O'Texas will celebrate Armistice paying tribute to both the courageous men who fought the war and the peace that has followed.

A formal flag-raising ceremony will be held before the kickoff at Harvester field and formations, in keeping with Armistice celebrations, will be given at the hall.

American Legion members will observe Armistice by making plans for their membership drive. The meeting will be held in the office of J. W. Garman at 10 a. m.

Americans will celebrate, whether they spend Armistice on a Pacific Island, in straggling jungles, but they'll desert or in a European battlefield, but the keynote this year will be simple, and with the thought in mind that there is a bigger and more savage war now raging.

What About '48? Question Hoary

WASHINGTON, Nov. 10.—(AP)—Prime Minister Churchill and Marshal Stalin want to hold another meeting whenever they can arrange it.

He said, however, no details have been worked out and there is nothing definite on the time or place of such a meeting.

The President told the reporters at his first news conference since his election to a fourth term that he wouldn't tell when the time and place are arranged anyway.

Such meetings always have been secret until the government heads arrive at the scene of the conference.

The conference attended by many of the news men who accompanied Mr. Roosevelt on his campaign tours, was filled with banter and joking questions. One asked if he had received a "peace order" from Germany. The President laughed and said that sounds like a pre-election question.

Paul Ward of the Baltimore Sun put in with:

"Mr. President, may I be the first to ask if you are going to run in 1948?"

The chief executive said the question was hoary with age—observing that he had been asked that one as far back as 1936.

Cooperation Of Churches Is Advocated

SWEETWATER, Texas, Nov. 10.—(AP)—A closer cooperation between urban and rural churches was urged today by J. Albert Gatlin, superintendent of the Jonesboro, Ark., Methodist district.

Gatlin, introduced by Bishop C. C. Seelman, spoke at the morning session of the Northwest Texas Methodist conference, describing the Methodist cooperative church movement in Conway, Ark. One aim of the movement, he said, is to remove a line of demarcation between rural and city churches.

Appointments for next year, made at the bishop's cabinet meeting yesterday, were to be announced Sunday at 2:30 p. m. District lay leaders elected yesterday were: E. B. Crowder, Sweetwater; E. M. Connell, Anson, for Abilene district, and R. C. Thomas, Stamford.

A plan to erect a \$50,000 dining hall at McMurry college, Abilene, was presented at an ex-students banquet.

Sound financial condition of Methodist churches in Texas was emphasized here last night in a report to the Northwest Texas Methodist conference that three churches had paid all debts and four others had paid all world service appointments.

The report was made by Bishop C. C. Seelman.

The churches cleared of all church property debt, and names of their superintendents, are Abilene, Cal C. Wright; Clarendon, G. T. Palmer; and Perryton, J. B. McReynolds.

Churches which have paid world service appointments in full, with their superintendents, are Lubbock, L. M. Lipscomb; Sweetwater, Claude A. Long; Perryton, J. B. McReynolds, and Vernon, W. M. Pierce.

A report by nine district superintendents yesterday disclosed 3,912 additions to churches through professions of faith.

Three superintendents who have completed six years service will be retired to pastorates of churches. They are Cal C. Wright, Abilene one year, Vernon five years; Dr. Will C. House, Amarillo, and George T. Palmer, Clarendon.

The Rev. J. E. Stevens, senior active member of the conference, will be retired after completing 47 years of service. Rev. Stevens had served this year as pastor of the Cooper union church, ten miles south of Lubbock.

The U. S. Third army surged forward today on a 55-mile arc around Metz in a drive reminiscent of the sweep through Brittany and Normandy, gaining ten miles in three days of this new, full-blown offensive, and threatening to cut off the fortress which blocks the route to Saarbrücken, the Saar basin and the Siegfried line.

The first sizeable German counterattack since the opening of the offensive—infantry led by tanks—was met head on by the U. S. 90th infantry division north of Metz and thrown back, as the Americans deepened their bridgeheads across the Moselle 18 and 22 miles above the city.

Dozens of towns and villages fell to American armor and infantry in the drive, which has penetrated to within 25 miles of the Saar border in the south and 11 miles in the north.

Driving northeast from beyond Vieters, southeast of Metz, the Fourth armored division, which spearheaded the Brittany breakthrough, pushed another three miles beyond Delme, less than 30 miles from Saarbrücken. The 80th division captured Delme ridge. This salient bulged some 12 miles from the main highway from Metz to Saarbrücken.

The enemy appeared not yet to have regained his balance from the terrific artillery bombardment which opened the attack at dawn two days ago, and from the drenching with bombs administered yesterday by 1,300 American heavy bombers. Ground troops fought on a 65-mile front.

But headquarters no longer made any attempt to minimize the scale of the onslaught, and the Germans' hopes of a winter lull seemed blasted.

Below Metz Lt. Gen. George S. Patton's men struck beyond Chemin, ten miles south of the city, capturing Chateau Salins on the southern flank of the assault.

To the north in the Aachen sector U. S. First army forces made local gains against heavy resistance west of Schmidt, and in the area southwest of Hurtgen.

In Holland an artillery duel was in progress across the Meuse as the enemy appeared worried over an impending Allied attempt to cross the river.

British troops in Italy captured the old fortress city of Trozi, Po valley communications center, 18 miles southeast of Bologna in the Bologna-Rimini road. Nazi positions in the hills south and southwest of Forli were loosened by the Eighth army's advance. British troops reached the main bridge over the Montone river on the west, across which the Germans were entrenched in strength.

Russian troops drove a wedge across the Nazis' last communication lines between besieged Budapest and northeast Hungary, shattering German west bank defenses along the upper Tisza river.

An infantry and armored salient 70 miles east northeast of the Hungarian capital bulged toward the rear of German armored forces which have been counterattacking against the thrust of Soviet offensive communications between battered besieged Budapest and northeast Hungary, shattering German west bank defenses along the upper Tisza river.

Speaker Treats Subject, 'This Is My Business'

Directors and committee chairmen of the Pampa chamber of commerce, city and county officials were special guests at the Pampa Kiwanis club today when D. Hodson Lewis, of Dallas, manager of the southwestern division of the Chamber of Commerce of the United States was guest speaker.

"Some of Lewis' talk was: 'This Is My Business.'

Lewis is in the Panhandle for the first time. He has been manager of the U. S. chamber office of Dallas since October 1943, but his office serves eight Southwestern states, and he has a difficult time visiting all areas. He is en route to Denver where he is to speak at a meeting next week.

Joe Cooley, manager, Fred Herbst, president, and J. C. Phillips, a director of the Berger chamber of commerce, attended the meeting as guests and accompanied Lewis back to Berger where he will visit chamber of commerce leaders there this afternoon and tonight.

Lewis conferred with directors of the Amarillo chamber of commerce at a breakfast this morning and later was accompanied to Pampa by Guy Victory, traveling freight and passenger agent for the Fort Worth and Denver City Railroad of Amarillo.

The U. S. chamber is one of the largest and most powerful commercial organizations in the world. With headquarters in New York, it has a division office located in each section of the nation and with members, including all live chamber of commerce organizations over the nation, the U. S. chamber reflects the voice of private business. It has carried on a consistent campaign for many years to educate the general public to the necessity of our capitalist type of private enterprise.

Pampa Minister Takes New Post

Rev. Wolter

The Rev. Henry G. Wolter, pastor of Zion Evangelical Lutheran church, has accepted a call originating with the Trinity Evangelical Lutheran congregation at Martinsburg, Neb., it was announced here today.

Rev. Wolter was granted release by the Pampa church on Sept. 17, but he had agreed to remain here until after Nov. 15, when the new church building here was originally scheduled to have been already dedicated. It will not be dedicated until Nov. 19.

Rev. Wolter said today, however, that, since definite arrangements have been made in Nebraska for his installation, he will leave Pampa on Nov. 15.

Cuba, Mexico Seek Air Traffic Rules

CHICAGO, Nov. 10.—(AP)—Cuba and Mexico submitted to the international aviation conference Thursday a proposal for temporary regulation of world air traffic, offering it as an amendment to the United States plan which was rejected en bloc by delegates from 19 Latin American republics.

Presentation of the plan by the two countries rather than by the recently organized bloc under the leadership of Col. Pedro A. Chapa of Mexico, aroused immediate speculation on the possibility of a split among the Latin Americans. A spokesman for the Cuban group said, however, that no significance whatsoever should be attached to the substitution of the names of the two countries for the original designation as "Latin American proposals," a change made after the plan was mimeographed for distribution.

Garnet Reeves To Be Honored Here

Pampa's chamber of commerce membership will say goodbye to Garnet Reeves next Tuesday night at a party in the Pampa country club.

Reeves, who recently resigned his post as manager of the board of city development, to leave Pampa on Nov. 15 for Amarillo where he has accepted a post with the Panhandle Insurance Co.

The farewell party for Reeves will be open to the chamber of commerce membership and civic club members at \$2 a ticket. Tickets can be bought through L. N. Atchison, Pampa Office Supply; J. W. Garman, Texas Gas & Power company, or W. C. deCordova, city manager.

Atchison, Garman and deCordova are on the committee in charge of arrangements.

Ed Weiss and Lieb Langston are heading a committee to arrange entertainment for the affair. Weiss will be toastmaster. A Dutch lunch will be served.

Reeves came to Pampa from Lubbock in June, 1936, and has served the Pampa chamber of commerce as secretary for more than eight years.

During that time he has been active in all civic affairs and has taken a leading part in many of the city's improvements including the Pampa-Borger highway, Cuyler street underpass, Pampa air field, and many other projects.

Winterwear With Checks Appeal

Capelets and Vests Add Warmth, Style

By EPIE KINARD
NEA Staff Writer

Checks dye-dipped for added attraction rivet eyes to some of the season's quaintest suits and coats. Beginning with woodpecker flecks and climbing the scale to hound-tooth size, checks flaunt colors like red, purple, green and pink; make outfits with trick suspenders that do everything but snip, as well as cape ensembles and suits which have the checks appeal of an old-time gambler's.

Good example of the checked vest, used as a foil for a monotone suit, is the Hattie Carnegie-designed model shown at the right. Plum tweed makes the cardigan-type suit, orchid silk the blouse, and purple-tinted checks the back-buttoned armhole vest which begs to have a jacket removed.

Red and black make popular winter-bright checks for suits with saucy little Edwardian capelets which can be detached, and coats with double sleeves—such as the Monte Sano-designed wool topser shown at the left.

Various Social Activities Planned When Sub Deb Sorority Has Meeting

Plans for various activities were made Wednesday afternoon when members of the Sigma Delta chapter of Sub Debs met in the home of Joanne Thompson, 412 E. Browning with President Dorothy Johnson in charge of the business meeting.

Sorority members who attended the Amarillo-Pampa football game game reports, and girls from the Pampa chapter of Sub Debs were honored at a house party by Misses Barbara and Dorothy Ann Johnson, now of Amarillo chapter, formerly of Pampa, along with several Amarillo girls acting as hostesses.

Plans were made for the football dance to be given following the Pampa-Burger game, Nov. 17. Dancing will be held at the Pampa country club at 9 o'clock. Final committee chairmen were appointed by Dorothy Johnson and committee members were selected by the chairmen.

Further plans were discussed concerning the Christmas Presentation dance to be held at the Pampa country club at 9 o'clock. Final committee chairmen were appointed by Dorothy Johnson and committee members were selected by the chairmen.

Hand-Me-Downs Prove Answer To Shortage

America is fast reverting to the barter system, as frantic mothers, unable to find pajamas for Junior or shoes for Susie in the usual channels of trade, appeal to the neighbors for hand-me-downs.

The Office of War Information reports the cotton shortage greater at present than at any period during the war, and warns that the present situation may be expected to continue.

In an attempt to ease the shortage of children's utilitarian garments, the War Production Board recently set aside some 40,000,000 yards of cotton fabrics, earmarked for the manufacture of infants' and children's wear such as sweaters, rompers, pajamas, gowns, dresses, overalls, coveralls, underwear, slippers, girls' blouses, boys' shirts and pants.

Little hope for increased supplies in either cotton or leather is offered until victory over Japan is sighted. So when Johnny outgrows his shoes or pajamas, don't throw them away. They may be the door neighbor's for outgrown garments that may fit Johnny's little sister. It's the only way to make the supplies go 'round.

'American Girls Could Be More Attractive--If They Would'

NEW YORK—American girls could be more attractive than French girls—if they would. This is the sober, considered opinion of AP Artist-War Correspondent Howell Dodd, just returned from sketching front-line battle action in Europe and home-front scenes in liberated Paris. Says Howell, still starry-eyed from his encounter with French glamor:

"Paris girls make the most of their personalities. When you first meet them you think they're all beautiful, whether they are or not. They have so much pep and sparkle and that thing they refer to as 'jote de vivre'.

"Mr. Dodd has spent a considerable percentage of his time since his return closely observing American girls (purely from a scientific and artistic standpoint) and trying to figure out what it is they lack that French girls have. Here's his decision:

"American girls should guard against a 'sourpuss' look. Our girls are on an average more beautiful than the French—but they don't make the same effort to be completely feminine, fascinating and full of ginger.

"If they'd just play up their good points and develop their personalities, they'd outshine French girls any day."

Pursuing his line of thought, Howell worked out a few "dos" and "don'ts" for American girls who are worried about the exuberant charm of French mademoiselles:

DO . . . Dress in feminine, flattering clothes. . . . Wear light, bright colors. . . . Learn to smile as if you meant it. . . . Act happy, whether you are or not. . . . Let your personality shine out. . . . Learn skillful use of make-up.

DON'T . . . Be a sourpuss. . . . Dress in mannish clothes. . . . Cultivate that bored look. . . . Be careless about your grooming, makeup and hairdo. . . . Be afraid to laugh.

He thinks that the constant bicycling of the last four years has improved the French girls' figures, particularly their legs. But he says consolingly to his countrywomen: "If American girls would just concentrate on it, they can be more attractive than the French, even without benefit of bikes."

Mrs. Williams Is Hostess To Members Of Sunday School

Suzannah Wesley class members held a study meeting recently in the home of Mrs. Ora Williams, 407 N. Hill with Mrs. Annie Moore giving the opening devotional and the scriptural reading.

Dr. Mary Aldrich, of Eric, Okla., gave a prayer after which a business meeting was presided over by Mrs. J. G. Harrell. Mrs. Williams was appointed spiritual life chairman; Mrs. Al Lawson, recreational chairman; Mrs. W. McIndrie, secretary with Mrs. Edith Johnson as assistant.

Going-away gifts was presented to Mrs. Etta Brittain and to Mrs. Nellie Ford.

Refreshments were served to 13 members.

LIFE BEGINS AT 4
SALT LAKE CITY (AP)—Here's the saga of misfortune: Merrill Clement, 35, since he was four:

Stung by bees (twice) in wholesale lots, kicked by a horse, struck by lightning, punctured stomach by falling on a stick while running away from a bull, tread by another bull, cut off parts of three fingers in a saw, and hit under the eye by a cement mixer crank.

40 Japs Caught 'Shooting Breeze'

WITH THE BRITISH AIR FORCE. — A small patrol under Lt. William Frost of Wortham, Texas, walked unexpectedly into the center of 40 Japanese sitting in a clearing, chatting.

The Americans fired into the enemy before they could scatter. On the way out of the jungle the Americans were ambushed by the survivors of the group but Pfc Donald Burdick of Borine, Ore., and Pfc Herold Pablo of Los Angeles harassed them with automatic rifle fire.

The patrol escaped and then Burdick and Pablo made a run for it.

WOUNDED

Mr. and Mrs. Dial Davis, 101 N. Dwight, have received from their son, Pvt. Roy Travis Davis, pictured above, the Purple Heart which he was awarded for wounds received in France.

Pvt. Davis, 26, who formerly worked with his father here, is convalescing in an England hospital. He has been in service 18 months.

unofficial speculation for this post, as have John R. Steelman, recently resigned department conciliator and President George Harrison of the Railway Clerks' union.

Sidney Hillman, head of the CIO political action committee, has been talked of in this connection, despite the fact that the AFL action of organized labor has made apparent its objections to him - or any other CIO leader.

Aides of Attorney General Biddle said that he is "happy in his job" and discounted a report that Governor Ellis Arnall of Georgia might head the justice department.

Robert E. Hannegan, who managed President Roosevelt's fourth term campaign, when asked whether he would become postmaster general, replied that "we already have one."

This is Frank Walker. At the treasury and commerce departments, respectively, reports that secretaries Morgenthau and Jones have been drawn to the same.

The same is true of Secretary of Agriculture Wickard. There has been comparatively little talk of changes in the war and navy portfolios, held by 77-year-old Henry L. Stimson and James V. Forrestal.

Some mention has been made of Stimson going to the state department to be succeeded at war by assistant secretary James J. McCloy, but this is informal.

Whether Mr. Roosevelt changes his cabinet staff or not, he has five appointments to make: A successor to James F. Byrnes, war mobilization; a successor to James Lawrence Fly, resigned chairman of the federal communications commission, and three members of the new strip-plus war property board.

Teacher Survey Shows Shortage Will Continue

The Texas State Teachers association has just completed an exhaustive survey on teacher vacancies, turnover, and qualifications.

The percentage of vacancies in rural schools was higher than for the independent districts. These vacancies exist, although the schools abolished or consolidated more than 700 positions during the past school term.

The rural schools are shown to have been forced to employ more than 38 per cent of their teachers with sub-standard qualifications.

Laycock said the supply of teachers in Texas did not promise to improve in the near future, and that the situation could become even more acute.

The low pay of teachers in Texas is given by the association as one of the chief reasons for this shortage. The average pay of teachers in Texas last year was approximately \$1200 per year.

POPULAR (Continued from Page 1) fidence, as well as the democrats, in frequent plays on progress of the peace plans.

Though they came out second, the republicans had a mighty voice in this election and will still have an important role in the law-making establishment.

With some 2,000 of the 130,789 districts still to report, this was the box score: Roosevelt 2,429,068; Dewey 21,195,298; electoral vote, 432 to 99; 36 states to 12.

House 242 democrats; 187 republicans, 2 minor parties, both undecided (all in Missouri); Senate 56 democrats, 37 republicans, 1 progressive, two unsettled (Pennsylvania, Missouri).

Missouri counted its service vote today to determine the result of a senatorial and four House contests. Republican Forrest C. Donnell held a slight edge over Democrat Roy McKintock for the Senate post, while three incumbent republican representatives clung to slim leads and a fourth republican trailed.

In Pennsylvania incomplete returns showed incumbent Senator James J. Davis (R) trailing Francis J. Myers (D). Pennsylvania counts its 31 ballots Nov. 22.

In their charge toward unexpected gains in the House and retention of their grip on the Senate, the democrats picked up 31 House seats formerly held by republicans. The best eight of their House seats to the GOP.

VISITS ROME Recently, a Twelfth air force B-25 Mitchell in a 4 1/2 hr. bombardment group gave Pfc. Lloyd M. Ashmead, 28, son of Mrs. Emma Ashmead, Jericho, Tex., a mechanic in the engineering section of his squadron, a well-earned vacation in the Eternal City.

Pfc. Ashmead found Rome to be the most beautiful city he has seen in the Mediterranean theatre, he said. The boulevards, apartment houses, city parks, hotels, monuments, and department stores rival those of Los Angeles or Washington, D. C., he stated.

In one morning, it was possible for the Jericho serviceman to visit the Colosseum, the Monument to Victor Emmanuel II, the Tomb of the Unknown Soldier, Mussolini's balcony, the Appian Way, the Wall of Rome, plus a dozen other equally historical places.

Awarded Presidential Citation T/Sgt. Lee R. Blackmon, 31, son of Mr. and Mrs. E. M. Blackmon, is among those honored by a Presidential Citation of the 4th fighter group of the Eighth air force, "as public evidence of deserved honor and distinction."

Members of the group, both pilot, and non-flying personnel, are entitled by the citation to wear a gold-bordered blue ribbon as evidence of their contribution to the achievement of this group.

A Participant in "D" Day From public relations comes word that Pfc. Guy D. Hester, 20, son of Mr. and Mrs. Joe D. Hester of White Deer, an armorer for a P-38 Fighter, took an active part in the second final battle of the Philippines original absence of Leyte-based U. S. bombers, and threatening typhoons.

ARMISTICE DAY 1944 We pay tribute not only to those courageous men who fought and fell in World War I--but now added to that honor roll are these men's stalwart sons who bravely fight and fall in a valiant effort to win the Peace that flickered and burned out after the bloody battle of 1914-1918.

Yes, to all liberty-loving men we pay tribute on this Armistice Day. For, to keep our blessed land a land where we might live as a free people, they have made the supreme sacrifice. They have paid the highest price for Victory and Peace.

With bowed heads and a prayer in our hearts let us pause and meditate on this Armistice Day, 1944, for those who did not return from the last war--for those who will not return from this war--for the speedy return of those who still fight--for Total Victory and Lasting Peace.

Ickes Insinuates America Has Lost Its Confidence in Press

WASHINGTON, Nov. 10 - (AP) - Interior Secretary Ickes told his news conference Thursday he had submitted his resignation to President Roosevelt, as he had done after previous elections.

Asked if he had any reason to believe the resignation would be accepted, Ickes smiled, replied "I don't know," then added as an aside: "This man Dewey said he was coming down here to fire me anyway."

He had no other comment on the resignation, a customary cabinet action following election day.

As he did four years ago, Ickes quoted to his first post-election news conference statistics from Editor and Publisher, newspaper trade magazine, and asserted that a majority of the nation's newspapers opposed President Roosevelt's reelection in the campaign just closed.

This nation has again questioned in ringing tones the right of the press to represent readers' opinion by selecting a president supported by only 177 per cent of the press and actively opposed by 82.5 per cent with only 13.8 per cent representing themselves as neutral.

GI May Decide Some Elections

WASHINGTON, Nov. 10 - (AP) - Delayed counting of soldier ballots may hold up final decisions on two Senate and 15 House races.

In Missouri, today's count of GI votes may be necessary for a decision in four House and one Senate contests.

The final outcome of Pennsylvania's senatorial election and results in nine Pennsylvania House seats may not be known until soldier votes are tabulated November 22.

In Washington, a close House contest in the fifth district may be determined by the soldier vote count on November 27, while in California in the fourth district may not be known with certainty until November 24.

In the nine Pennsylvania House contests, the outcome of the House contest outside, republicans held the edge in seven districts and democrats in two, while the democratic nominee was ahead in the senate race.

Applicants for enlistment in the U. S. Marine corps must be 63 to 75 inches tall.

The trees of Norway include pine, spruce, birch, willow, aspen, rowan, ash, elm, lime, oak, beech and black alder.

Germans' Future

Opinions on what to do with Germany are a dime a dozen—as plentiful as grass and grain.

The very source carries authority, for the suggestions program comes from leading practitioners in five branches of engineering—civil, mechanical, mining and metallurgical, electrical, and chemical.

Briefly, they favor a process of elimination which would prohibit the production, above prewar levels, of synthetic oil, nitrogen and its compounds, heavy forgings and high alloy steels, aluminum and aircraft.

This program has already been presented to Secretary Hull, along with a request that advisers from these five engineering professions be included in the American delegation at the peace conference.

In fact, it might be sensible if the nations at war with Germany formulated and agreed on an industrial disarmament policy for postwar Germany.

Such an announcement might take some of the wind out of Hitler's sails. As it is now, he is holding up to the German people an exaggerated picture of total economic ruin as their price of peace.

All we have announced so far is unconditional surrender, so far as Germany's industrial future will doubtless be brighter than what Hitler has painted.

Today, this reaction confuses even American thinking, and the enemies of the French and the French are more by sneering at the idea of Law. Men always govern States, they say.

On the other side, the Americans did not understand the French and their attitudes. They asked, "What law governs your titles to land?"

That was the difference; it still is the difference, between a "Government of laws," and a "Government of men." Men govern Germany, and most of the rest of this world-chaos now.

The French said blankly, "Law!" All land belonged to the State; the king had decided who would make best use of it, for the good of the State.

That was the difference; it still is the difference, between a "Government of laws," and a "Government of men." Men govern Germany, and most of the rest of this world-chaos now.

Americans Must Not Become Confused Between The State And The Law

By ROSE WILDER LANE

(Author of "Let the Harlequin Roar," "Give Me Liberty," and "The Discovery of Freedom.")

Since even Socialists now—according to Mr. Smith's leaflet—define the State as do, perhaps everyone agrees with this definition: The State is a monopoly of physical force used upon persons.

Each is a monopoly of force within its area; that is, each is the police power and the politicians who have the police power.

WWI Veterans May Soon Cash Bonus Moneys

By JAMES MARLOW

WASHINGTON, Nov. 10.—The veterans of World War I can get ready to cash in the last of the bonus money given them by Uncle Sam.

It will amount to about \$273,000,000, all that's left of \$3,710,000,000 originally set up for them.

Their nine-year bonus bonds—this was the second of two plans to do so, maturing last June 15, 1944.

The veterans of this war get their money out now—nobody else will get a bonus—when they're discharged.

They get a number of other benefits under the G. I. Bill of Rights, such as educational loans, unemployment pay—if they want them.

The veterans of the other war got none of those benefits. When they were discharged, they received only \$13 a month.

The insurance went into effect Jan. 1, 1925. The policies were supposed to mature in 1945. It worked this way:

Since they already had been paid for the first 60 days, that period of service was not counted in the insurance policy.

WAR TODAY

By DEWITT STACKENBERG

Resumption of the indiscriminate bombing of civilians in Britain by the Hitlerites—this time with the new long-range rocket, as announced by Prime Minister Churchill today—has brought to my desk from a distinguished reader the advocacy or retaliation in kind on German civilians.

Well, it's easy to understand the urge to retaliate against such diabolical practices. Turns human nature. However, we must answer the question of whether it would be justifiable. Our reader justifies it with the claim that the British force is the only thing the Prussians mentally can understand.

The German purpose in inflicting such a horror is, as Mr. Churchill says, to attack our morale—and it's solely for that purpose.

The Nazis haven't invented any method of controlling these new weapons so that they can be confined to military objectives. These great sixty-foot, fifteen ton rockets are shot sixty or seventy miles into the air to land fifty-mile.

The allies try to halt the V-2 attacks by retreating on German civilians? Since it's the British who are being bombed, I'll let the answer come from one of them—Brigadier General Horace Sewell, the military commentator. He says:

Don't Worry, Son, Papa Will Get You Home—And He Did

By DEWITT STACKENBERG

HOUSTON, Nov. 10.—(AP)—"Don't worry, son, papa will get you home," a Texas pilot told a worried gunner on his crippled bomber, and the phrase has become common in Europe.

Capt. William F. Cely, who coined it, is claimed by Palestine, Beaumont and Houston.

He was piloting the P-51 Mustang January 11 over Brunswick when it was damaged by flak. German pilots, seeing the bomber was crippled, concentrated on it as it limped back to England.

Six of the crew of 11 bailed out over Germany, but one of the gunners found his parachute had been ripped. That was when Capt. Cely said the worried crewman "don't worry, son, papa will get you home."

OFFICE CAT

A rambunctious jalopy pulled into a parking space with a mighty rattle and an ear-splitting grinding of brakes.

The driver asked to be shown some records had said: "Tired of the old law, I suppose?"

"Driver—No, it isn't that. I really have a fondness for all its squeaks and rattles, but every time I park the car, a policeman dashes up to make sure the accident has been reported."

"Amos Tash, 30—on the alert to save his hard-earned cash, bought a gasoline-saver from a firm which advertised: 'MONEY RETURNED IF NOT TRYING TO PURCHASE.' Amos Tash found it was not what he wanted, so he returned the gasoline-saver and asked for his money back."

"Old Man (calling at office)—There's a boy called Jimmy Stimpson working here. May I see him? I'm his grandfather."

"Boss—You're just too late. He's gone to your funeral."

"An Irish foreman found one of his men sleeping in the shade. "Sleep on, ye little fool," he said. "Sleep on, ye little fool, ye've got a job; but when ye wake up, ye're out of work."

"Ted—What caused you to faint on your wedding day? "Ted—Well, we were on the way to the preacher's with my girl's old man in the back seat with his shotgun—when suddenly the car backfired."

"Judge—The evidence shows, Mrs. Grizzly, that you threw a rolling pin at your husband. "Mrs. Grizzly—It shows more than that; it shows I hit him."

The Hard Way

A crusading army of 77,000 British housewives has signed a petition to Parliament asking that they be given a legal share in the family income for housewifely services.

Maybe British wives are different, but it hardly seems possible that their American sisters would lack the slow and cumbersome process of congressional action for the same ends when it's so easy to go through a sleeping husband's pockets.

A close checkup with government

aviation authorities seems to indicate that fears of the commercial air transport interests are groundless. They have been a small group of officers in the armed services who would like to see all their experience in flying and operating transport planes for the government made use of in one big postwar airline, but these men are not in the top brackets of government aviation control, where all the head men are committed to return of air transport to commercial operators at the earliest possible moment.

The presidential executive order authorizing the ATC and NATS to carry passengers for pay is made necessary by the present military situation and by existing U. S. law which controls licensing of commercial air carriers in international air traffic.

A second point is that the armed services feel they must keep control of all transport planes available for possible emergency use. This is a decision with which no civilian can argue.

Army recently revealed that it had 5,000 transport planes in service, including troop carriers, and the War Production Board has revealed that over 17,000 new transport planes were manufactured in the three-

Pampa and Lubbock Clash Here Tomorrow With Eyes on Title

Big Holiday Crowd Expected at Harvester Park to See Battle for Right to Remain in District Race

One of the season's biggest football crowds is expected in Harvester Park tomorrow afternoon when Pampa and Lubbock schoolboy teams meet for an important district game.

Hinging on the outcome of this Armistice day clash is the decision as to whether the Harvesters or the Westerners stay in the running for a possible crack at the District 1-AA title.

After tomorrow's conference games—Plainview plays at Amarillo and Brownfield at Borger—five district teams will have lost at least one game apiece in conference play. Only Amarillo or Plainview can emerge with a clean slate. And since both Plainview and Amarillo still have some very tough games yet to play, one or the other could possibly be tipped over.

In that event there would be a tie at season's end. For instance, if Pampa should beat Lubbock and Plainview should whip Amarillo and then Pampa would defeat Plainview here Thanksgiving Day, Pampa would win the title because it already had defeated a team that defeated Amarillo.

This is mentioned to show fans just why the Pampa-Lubbock game tomorrow is all-important to both teams. For that reason both will be throwing everything they have to come out with a win.

The 1944 District 1-AA title race definitely will not be over until the final whistles have blown around the circuit tomorrow afternoon.

Head Coach Coffey said this morning they realized they have a tough game on tap tomorrow, but that the Harvesters are determined and ready.

That's what makes tomorrow's game so important to Pampa. Harvester left half, will be in the starting line-up tomorrow afternoon. McCracken received a painful injury to his left shoulder in practice last Monday.

Coach Mule Davis likewise is bringing a confident Lubbock team with him. Lubbock has lost one conference game so far this season and that one to Plainview in a 7-6 upset. But the Westerners also have won from San Angelo which in turn has defeated Amarillo this year.

Rice, Arkansas Play Top Game in S. W. Conference

By HAROLD V. RATLIFF
Associated Press Sports Editor

Southwest conference football teams close out three-fifths of the schedule tomorrow but there is a chance of any team taking a definite hold on the championship.

Rice plays Arkansas at Fayetteville in the headline contest—the Owls seeking to preserve their lead, the Razorbacks fighting to stay in the race.

Texas A. and M. Southern Methodist meet at Dallas with the cellar yawning for the loser and the winner just one step out of those dark regions.

The two other teams still in the title race—Texas Christian and Texas—play out-of-the-conference foes, T. C. U., just a half-notch back of Rice in the standings, engages up-and-coming Texas Tech at Fort Worth, Texas, which returned to form with a crushing victory over Southern Methodist last week, tackled Bob Fenimore and his rollicking cowboy of Oklahoma A. and M. at Austin.

Rice has its hands full at Fayetteville despite the fact that the Razorbacks come up to this game with one halfback, Alton Baldwin, the team's leading ground-gainer, likely to be out with injuries and Frank Schumeyko, starting halfback, unable to play because of a leg hurt. However, Arkansas has plenty of reserve strength.

The Owls took a licking from Walt Selinkman and his Texas Tech Red Raiders last week, largely because of a let-down after a triumph over Texas. Rice should be back "up" for this one. It better be—playing determined Arkansas on homecoming.

Texas and Oklahoma A. and M. are well-matched if you consider comparative scores a criterion. Both beat Arkansas 19-0.

Texas Christian doesn't look quite up to stopping Texas Tech although the Horned Frogs beat Texas A. and M., which defeated Tech but a lot has happened since then—mostly to T. C. U. players who have departed in navy transfers or through scholastic ineligibility.

Texas A. and M. if it can cure its fumble trouble for a day, should defeat Southern Methodist. But it's homecoming on the hill-top—the first game the Mustangs have played on their own field since early October.

Last week we got two out of four. Hoping to do better this time the selections are anticipated attendance in parentheses: (7,000)—Rice vs. Arkansas at Fayetteville, 2 p. m. (7,000)—Rice vs. a touchdown.

Texas A. and M. vs. Southern Methodist at Dallas, 2:30 p. m. (15,000)—The Aggies will roll to a two-touchdown victory.

Texas Christian vs. Texas Tech at Fort Worth, 3 p. m. (5,000)—A good ball game with Tech edging out on top.

Texas vs. Oklahoma A. and M. at Austin, 2:30 p. m. (13,000)—A weak vote for Texas.

Soldiers' Wives and Returning Husbands

You may have seen in the papers where a writer cautioned Army wives that their returning husbands would be "strangers" to them—because they've been through experiences that their wives could never share.

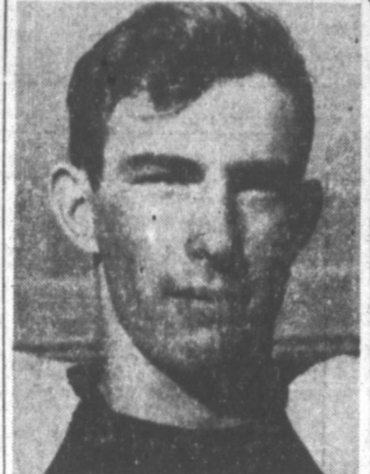

Well, a high-ranking officer wrote an answer to that; he called it nonsense. "What do our men want most? To finish the war and come home... What are they fighting for?... for everything the word home means."

Of course, the word "home" means something different to every fighting man. For home is a lot of little things: A garden or a work bench—well-thumbed books... a mellow glass of beer with friends.

But whatever they are, it's the memory of these small familiar things that he takes with him into battle. And it's these little things that link his thoughts to home—and to the familiar life that he looks forward to returning to.

Here Are Harvesters Who Will Start Game Against Lubbock

Joe Cree, End

Louis Allen, Tackle

Herky Lane, Guard

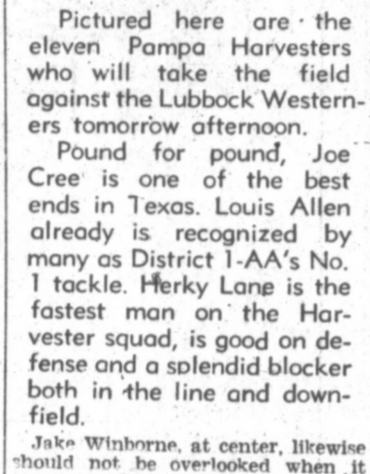

Jake Winborne, Center

Jack Dunham, Guard

Eugene Turner, Tackle

Bill Bird, End

Merle McCracken, Halfback

Randall Clay, Halfback

Johnny Campbell, Fullback

Pictured here are the eleven Pampa Harvesters who will take the field against the Lubbock Westerners tomorrow afternoon.

Pound for pound, Joe Cree is one of the best ends in Texas. Louis Allen already is recognized by many as District 1-AA's No. 1 tackle. Herky Lane is the fastest man on the Harvester squad, is good on defense and a splendid blocker both in the line and downfield.

Jake Winborne, at center, likewise should not be overlooked when it comes to selecting district teams. Jack Dunham is a dependable guard and one of the pillars in Pampa's forward wall. Eugene Turner could safely be called the best blocker in the Pampa line. Bill Bird, end, has lots of fire, is a good blocker and is exceptionally potent on the defensive.

Kenneth Grantham is the key to the Harvester offense. He handles the ball in all plays, does all the passing and is a fine safety man. Merle McCracken is the best line backer in the district and one of the most powerful runners. He is good Pampa's point-kicking and is a good blocker.

Randall Clay is a real broken field runner and has done all of Pampa's punting this season. Johnny Campbell is 127 pounds of explosive, a fine field general and probably the shiftest man in Texas high school football.

Johnny Terrell is a man mountain on defense and is developing into a first class offensive tackle. Terrell is sure to see action before tomorrow's game is over. Don Humphrey might be classified as a starter and certainly a regular. He is fast and a good downfield blocker.

It developed this afternoon that Charles Beard probably will start in the place of Bird at end. Bird received a knee injury in the Amarillo game. Beard is an excellent pass receiver.

Rusty Neef, Pampa's fifth man in the backfield, and Wimpy Vaughn, quarter, are likely to see action tomorrow.

Game time will be 2:30 p. m. Here are the probable starting line-ups:

PAMPA	POS.	LUBBOCK
Cree	LT	Benefield
Allen	LT	Giles
Lane	LT	Pearson
Winborne	LT	Presley
Dunham	LT	Moyer
Turner	LT	Foster
Bird	LT	Harris
Grantham	LT	Cole
McCracken	LT	McCracken
Clay	LT	J. Davis
Campbell	LT	Lowrey

Randolph Field To Play Maxwell Team

SAN ANTONIO, Nov. 10.—(AP)—Randolph Field's rock-ribbed defense that has yielded only 10 yards per game against this season is somewhat battered for its second stern test within a fortnight—tomorrow night's meeting with the Maxwell Field Marauders.

The line that turned the tide when the Ramblers defeated Third Air Force may have to operate most of the way minus three regulars, although two of them—Center Tom Robertson and Tackle Walt Merrill—are listed as probable starters. Harold Newman, 210-pound wingman from Alabama University, is definitely out with an elbow dislocation.

Newman's place will be taken by Harry Burrus, little All-America wingman for Hardin-Simmons, who teamed with Bob Cifers on a 56-yard scoring pass last week. Robertson and Merrill will be spelled by Rafe Nabors of Texas Tech and Clem Crabtree of Wake Forest, respectively.

That the Ramblers will need good line play is suggested in the statistical report of recent Marauder games. Paced by Johnny (Zero) Clement, former star for Southern Methodist and the Chicago Cardinals, the Maxwell eleven outgained famed Bainbridge Navy ground and trounced Fourth Infantry which had won over Third Infantry star-studded team which handed the Marauders an early season setback.

Wellington To Play Shamrock in Vital 3-A District Game

SHAMROCK, Nov. 10.—Shamrock's fishermen will try to throw a wrench into the smooth-rolling Wellington Skyrocket eleven at Wellington tonight. Wellington will be fighting on its home field to push over the last obstacle in the path to the District 3-A championship.

If Shamrock defeats Wellington tonight it will throw the conference race into a two-way tie between the Skyrockets and the Memphis Cyclones.

In addition to the conference title angle the game is the traditional yearly clash for the rival elevens. Wellington must win tonight to get a clear title to the district championship.

Notre Dame, Navy, Great Lakes All In Robertson's Selections This Week

By ORLO ROBERTSON
NEW YORK, Nov. 10.—(AP)—Returning to the football guessing game this week, we wish we could point with pride to the selections of sub Fritz Howell last week but he picked Notre Dame to beat Navy. He had been warned that the Middies were through fooling. At that he carried in a performance of only 11 defeats and one tie against 35 victories.

So having played the rabbit's foot on top of this week's schedule and tossed a horseshoe found at Belmont Park over our left shoulder, we give you:

Notre Dame—Army: Notre Dame never has been defeated by both Navy and Army the same year. Army hasn't scored against the Irish since 1938. The Cadets will break both traditions this year.

Cornell—Navy: Just a breeze for those hard-hitting Middies.

This Week Finds All District 2-A Teams in Action

Although White Deer and Phillips are playing the top game of the District 2-A conference circuit this week, there are some other games attracting almost equal interest in the Panhandle Class A league.

Perryton goes to Panhandle and McLean goes to Canadian for a brace of games Saturday.

White Deer and Phillips today hold exactly the same spot in Class A that Plainview and Amarillo hold in Class AA in the Panhandle. Each has won two conference games without a loss.

Panhandle and Canadian are in the same spot with Lubbock and Pampa. Each has lost one. However, Canadian has the edge since it has won two games. Perryton traces the edge with three losses in conference play.

White Deer is the only team in the 2-A circuit that has gone undefeated all season. Phillips' only upset was at the hands of the Class AA Pampa Harvesters.

Southwest Champion To Be Host in This Year's Cotton Bowl

DALLAS, Nov. 10.—(AP)—Host team of the New Year's Cotton Bowl classic here will be the 1944 Southwest conference football champion, directors of the Cotton Bowl Athletic Association decided definitely yesterday.

An "entirely satisfactory" opponent will be selected, directors announced.

Under consideration as possible guest opponents are Tennessee, Georgia Tech, Oklahoma A. and M., Mississippi State, the Norman Navy Zoomers, Wake Forest and Tulane.

Officials said it was still too early to make definite contacts as all teams on the list still have several games to play.

There had been some talk of having the powerful Randolph Field Ramblers as the host team.

\$60,000 To Be Paid Horse Show Winners

CHICAGO, Nov. 10.—(AP)—A record \$60,000 in awards will be paid to winners at the Chicago horse show Dec. 9 to 17. The heavy prizes offered are expected to bring the nation's leading show ring performers to the show. Stake and grand championships will account for \$37,000 and the remaining \$23,000 will be distributed among the various class winners.

PITTSBURGH, Calif.—(AP)—Home from the south Pacific, Joseph P. "I jumped with the bottle in my hand," he said, "and we drank our toast to Christmas anyway—in the water."

Sports Roundup

By HUGH FULLERTON, JR.
NEW YORK, Nov. 10.—(AP)—When Troy, N. Y., high school played Catholic Central for the city football title recently, both tries for points had to be attempted at the opposite end of the field from where the touchdowns were made. The upper part of one goal post was missing and authorities apparently couldn't get pipe to replace it. That, however, was Greenview, S. C., high defeated Porter military academy of Charleston, 46-13. Greenville averaged only one yard on punting. The victors' single kick was blown back almost to where it started. Croton, Ohio, high has only a 13-man squad, including 71-pound Gilbert Duncan and 94-pound Jack Clayton, but they played eight games this fall. Naturally, it's hot them all.

Writer Thinks Maybe Sandies 'Letting Down'

The Amarillo Golden Sandstorm, according to an Amarillo News-Artist, possibly is in the throes of a let-down as it nears time for that Plainview game tomorrow.

Plainview shouldn't take too to the game and it makes for a sad memory on the part of the Amarillo football writer and, possibly, others.

That last Saturday game, even though the Sandies won, wasn't at all satisfactory from the Amarillo viewpoint.

Pampa outplayed Amarillo during the entire last half, and of course, that was the last thing that happened in the game and it makes for a sad memory on the part of the Amarillo football writer and, possibly, others.

The Amarillo News said yesterday: "It's only natural to expect Amarillo to have a let-down against the pass-minded Plainview Bulldogs Saturday afternoon on Butler Field. The Sandies prepared for Pampa for almost a year. Amarillo won last Saturday 13 to 0, but the Plainview contest counts just as much."

The Sandies got ready for Lubbock last year and won 47 to 0. Then Amarillo played the Brownfield Cubs the following week. The Sandies had a let-down. The game was won 21 to 0, but they had to rest practically every back and led only 7 to 0 until late in the fourth quarter. In fact, the Sandies never did recover after building up for the Lubbock encounter. They lost the next game to Pampa 7 to 0.

"Coach Howard Lynch's athletes can hardly afford a let-down Saturday. But they are ugly human."

White Deer and Phillips To Meet Saturday in Top Conference Game

WHITE DEER, Nov. 10.—The game to which the White Deer Bucks have been pointing since the beginning of the season will be played against the Phillips Black-hawks at 3 o'clock tomorrow noon at the Hawks' field in Phillips.

Paschal, Austin Win Last Night

Undeclared, untied teams slid easily through their games last night in Texas schoolboy football, Paschal (Fort Worth) beating Fort Worth Tech 10-0 and Austin downing San Antonio Tech 26-0.

The six other teams with perfect records—North Side (Fort Worth), Sunset (Dallas), Waco, Tyler, Goose Creek and Kerrville—all have games tonight.

North Side plays Aman Carter-Riverside (Fort Worth). Sunset meets North Dallas. Waco clashes with Bryan. Tyler engages Longview. Goose Creek plays Galveston. Kerrville and Tyler facing the hardest opposition.

In other games played last night, Crozier Tech beat Adamson 14-0 in the Dallas district and John Reagan triumphed over Jeff Davis 18-14 in the Houston district.

SUNDAY SCHOOL LESSON
 By WILLIAM E. GILROY, D.D.
 Peacekeepers are still blessed, and the Christian Church is still at peace. It is true though we have been engaged in a world war, and the Church through its leaders, its Army and Navy chaplains, and its many members both inside and outside of the armed forces, have supported our country and the allied cause. A few individuals here and there have excelled in acts of valor, and some preaching ultra-pacifism, but for the most part they have been like men in uniform, fighting bravely and nobly for the good of the world.

The analogy is not inapt. One does not believe in good health because he fights an epidemic of disease, but he fights an epidemic of disease, because he believes in good health. The same thing is true of war. Surely we have discovered that it is useless to say that we will win under any circumstances take up arms, as thousands of our young men were saying a few years ago, while we allow others to build up the armies and armament with which to destroy us. Instead of overcoming

'Unforgivable Sin' Will Be Topic at Episcopal Service

There will be two celebrations of Holy Communion in St. Matthew's Episcopal church, 707 West Browning street Sunday. Services will be at 8 and 11 o'clock in the morning. At the latter service the Rev. Edgar W. Henshaw, minister-in-charge will preach on the subject "The Unforgivable Sin." This subject, said Mr. Henshaw, "has been chosen because of a happening during the past month. A young man, in deep distress because of certain statements made by an uninformed though zealous worker, felt that he had committed the unforgivable sin and he came to talk with me. A little plain interpretation of the words of Christ," convinced him of his error and restored to him peace of mind.

Thursday evening will be the last of the three talks and question periods which are being conducted during the pre-Advent Season at 7:45 A. M. A box is placed at the door of the church and those attending are urged to place in any questions they may have concerning the church or the Bible. The address lasts for half an hour and the following 15 minutes are given to answering the questions which have been received that night. The general public is invited not only to attend the address but also to make use of the question box.

A map with its center at the North Pole accurately shows three-fourths of the earth's land area in which 90 per cent of the earth's people live.

evil with good we were allowing evil to become so strong and powerful that it could not only conquer vast numbers of good men and women, but threaten the destruction of all righteousness and the Christian's part to fight and restrain evil, as it is to overcome with good.

But every true Christian is a pacifist in the end and goals that he seeks. If we are fighting this present because we believe in war, we are as bad as our enemies. If the aim and purpose of our fighting is not to encourage every aggression, and to establish peace, we are selling against God and man. But there are testing days ahead. Will we use the victory for peace, or for selfish purposes of gain? Will it be our purpose to bind up the wounds, pouring in oil and wine, in the spirit of the Good Samaritan, shall we be halting conquerors? We shall help to pave the way for another war if we deal lightly with criminals and persecutors of the innocent. We shall not build peace unless we win those of all nations who are oppressively inclined, and help them to be living in a better world.

Now, Christians, are before us, and they are Christian tasks as well as tasks of government to punish past wrongdoers, with no fact that compromise with evil and at the same time to encourage every act of peace and to win to the cause of peace every person that can be won regardless of whether he was our ally or our enemy.

Lutheran Services Will Be Conducted In Chapel Sunday

A correction to last Sunday's announcement of services is being made at this time to the effect that this Sunday, November 12, instead of last Sunday will see the last Lutheran service of worship to be conducted in the Duendel-Carrick chapel, 300 W. Browning. Because of unavoidable circumstances the new church will not be ready for use before November 12.

The service of worship this Sunday will take place as usual at 11:00 a. m. This will be the last service conducted by the Reverend Henry G. Wolter for this congregation. Two young men, Clayton Green, 14 years old, and Frank Janik, 23 will be confirmed, that is, accepted as communicant members of the congregation in this service. The sermon for this Sunday will be directed especially to them. It will be based on the Scriptural selection I Timothy 6: 12 and will have as a theme "Call To Arms."

Everyone is cordially invited to attend this service.

Communion Will Be Observed Sunday at Christian Church

The First Christian church observes the service of communion on the first day of each week for all who desire to commune with the Lord. This service is a part of the morning worship; communion is also provided in the evening service for persons not present in the morning. The minister, S. D. McLean, will preach Sunday morning on the subject, "The Mockery of Wine." In the evening service, the sermon topic will be "Logical Living."

The Christian church quarterly hour is broadcast each Friday night at 6:30 o'clock. Tonight Mr. McLean will speak on the subject "The Conversion of a Righteous Man."

Christian Science Sunday Study Topic

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 12.

The Golden Text is: "As is the earthy, such are they also that are earthy; and as is the heavenly, such are they also that are heavenly" (I Corinthians 15:48).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Galatians 6:8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As mortals begin to understand Spirit, they give up the belief that there is any true existence apart from God" (page 283).

OUT OUR WAY

LeFors Church To Hold Revival Meet

A revival meeting will begin Sunday at the Pentecostal Holiness church in LeFors with the Rev. Tom Manning, Boise City, Okla., conducting.

The Rev. Henry Maxwell will be chair director.
 Sunday school begins at 10 a. m. with preaching services at 11 o'clock.

Revival Meeting Begins Sunday at Central Baptist

W. F. Ferguson of Slaton, Texas, will do the preaching in the revival meeting for the Central Baptist church here beginning Sunday morning.

Rev. Ferguson has been pastor of the First Baptist church in Slaton for ten years and for two years has been a State Evangelist.

Baptist Services Outlined for Sunday

"God Meant It For Good" is the subject from which the pastor will speak Sunday morning, and using for his evening topic, "A Promotion That Sent A Man Home."

The Lord's Prayer will be offered as usual by Miss Willadean Ellis, and the choir will sing a hymn-anthem, "Breathe On Me" by Edwin Hatch, "All Hail Immanuel" by VanSickle will be presented by the choir at the evening hour. Miss Elsie Lane will play "Traumer" by Schumann for the offertory at the morning hour, and Mrs. E. L. Emery, Jr., will play the offertory at the evening hour. One of the special features of the evening service will be a 15 minute program by the members of the Training Union. An octet consisting of four boys and four girls from the Intermediate department will sing "The Lord Is My Shepherd," and Miss Sue Fale will play a medley of gospel hymns. Piano solos will be used throughout the evening worship service.

Visitors and new comers to Pampa always receive a cordial, welcome to the services of the First Baptist church, "Where The Visitor Is Never A Stranger."

Roberts Co. Casts 200 Votes for FDR

MIAMI, Nov. 10.—Returns from Roberts county in Tuesday's election gave the democrats 200 votes, while the republicans received 89, a 200-margin for the democrats. The Texas regulars received 37. One vote was cast for the prohibitionists and three for the America firsts.

Stevenson received 390, as against 22 for Peasey, for a high vote of confidence in the incumbent governor.

For the municipal pension plan Roberts counties cast 123 affirmative and 89 negative votes. The second part of the amendment, that dealing with the state pension plan, received 108 votes for, and 88 against. The second amendment received 148 for, and 55 against.

Worley received 890 votes, and Lybbe received 22.

OXYGEN TENTS OPEN UP FOR PATIENTS

AKRON, O.—Because some patients suffer from claustrophobia (fear of being trapped) when they are treated in oxygen tents made of conventional heavy rubber sheeting, hospitals are adopting the use of cellophane made of transparent plexiglas—a light-weight material that permits the patient to see what's going on around him. According to Goodyear officials here, its low cost makes it possible for the hospital to provide an individual tent for each patient.
