HOUSING COSTS DOWN, LABOR SHORTAGE ACUTE IN 1947

Estimates Made By Government Boss, Creedon

WASHINGTON—(AP)—Housing Expediter Frank B. Creedon predicted last night the 1947 housing effort will find building costs lower but may hit a "major bottleneck" in a shortage of labor.

Creedon, in a final report on the 1946 housing drive run by his predecessor, Wilson Wyatt, said 1,003,600 new dwellings were started, 661,900 completed, and the housing industry almost completely reconverted "to a peacetime basis."

For 1947 he predicted 1,000,000 new homes started and an equal number completed in an equal construction year, marked by continued improvement of the materials shortages.

There should be further relaxation of building controls, Creedon said. And he added: "It is expected that lower building costs will result from greater efficiency in construction and production."

"If the volume of new construction in 1947 approximates \$15,000,000,000 as the Department of Commerce estimates," Creedon said, "labor shortages may well become the major bottleneck in the housing program."

Of the 661,900 completions last year, two-thirds were new permanent houses and apartments. The record: New permanent units: 670,000 begun; 452,800 completed. Federal temporaries: 191,000 begun; 101,000 completed.

Trailers: 48,000 begun; 48,000 shipped. Temporaries financed by schools and local governments: 29,200 begun; 12,900 finished.

Conversions of existing structures: 64,500 begun; 45,300 finished. The last figure covers residences remodelled to provide new rental rooms or apartments. It is sharply lower than previous estimates of the expediter's office, which had 50,000 completed in the first ten months of 1946 alone.

School Directors Of Music To Plan For Contest Here

Approximately 100 school band directors and music teachers representing schools over the entire Pampa area are expected to be in Pampa this afternoon to make plans for the first Region I band, orchestra and vocal contest under the new Interscholastic League.

Sixty school music organizations have been invited to participate in the gargantuan contest here in April. Competition in the contest will include conducting, sight reading, solos, and ensembles, (winding and student conducting). The contest will be held in the High School Building.

Ray Robbins, Pampa High School band director, indicated that individual winners in the various divisions will be presented medals and organization division winners will be presented plaques.

Five judges, Frank Malone, Southern Methodist University; Milburn Carrey, Phillips University; Marian McClure, Hardin-Simmons; Raymond Bynum, McMurry; and Jeremy Newman, West Texas State College have been asked to officiate the contest here.

SILENT DOG WATCH
EVANSTON, Ill.—Mrs. Alfred Holm was out airing her prize-winning Daushund, "Sweetheart," and a car pulled up alongside and a man carrying a revolver stepped out.

He ordered Mrs. Holm to remove her fur coat, which she valued at \$4,000, and a ring she said was worth \$3,500. Then he stepped into the car and drove away.

"Sweetheart" didn't emit a single bark.

Top o' Texas Livestock Show and Sale Opens Tomorrow

SHOW JUDGE—The judge of the Top o' Texas Junior Livestock Show and the Hereford Breeders Sale will be W. L. Stangel, dean of the Agricultural School at Texas Tech. Judging will begin at 9 a. m. Monday.

France Threatened With General Strike

PARIS—(AP)—The threat of a general strike grew in France yesterday as 1,300,000 government workers and 50,000 miners declared they would walk off their jobs unless they received salary increases. Paris was lacking for stoves and no French language newspapers were being published. Approximately 2,000 printers and 1,000 gasoline station attendants remained idle in their strike for higher pay.

The miners were demanding as a "minimum necessity" a wage of 7,000 francs (\$56) a month. There were indications Premier Paul Ramadier might accede to the request, and one labor leader said the 556 minimum would be welcomed generally throughout the nation.

Government workers were asking a 20 percent general increase. Approximately 72,000 government employees were said to be making less than the 556 minimum. The 1,300,000 civil employes compare with 700,000 before the war.

A walkout would paralyze railroads, postal, telegraph and telephone communications. Gasoline attendants in Paris remained at home for the third consecutive day in protest against a government order that they must sell gasoline at 20 francs a liter with coupons and 60 without coupons.

The 25 French language daily newspapers in Paris have been published since Feb. 15. Printers and pressmen are asking increases up to 25 percent of salaries that run up to 45,000 francs (about \$1,000) a month. The other labor unions are demanding wage increases on an anti-inflation, kept the price-down platform, said it would outlaw any newspaper that meets the wage increase.

Campaign Hot as Election Day Nears

With the special election only two days away, both sides are waging their fiercest battle to collect the votes of Pampans at the polls on Tuesday.

Last Wednesday the first sign of the campaign was published by the district headed by C. A. Dettly, Hunt for mayor and carried on it a ten-point program in a paid political advertisement.

The W. W. Bills Graham slate came out late Thursday night with a somewhat similar platform, but with slight variations.

More industry is one of the platform points of W. G. Martin, running independently for commission in Ward 3, in a statement to the News Thursday afternoon. R. L. Whitlock, independent for commission in Ward 4, said that he will make his statement on Monday. Both Whitlock and Martin are building contractors, and carpenters by trade.

In today's paper, both the Huff-headed slate and the Graham slate have published their platform and respective programs for the city's voters.

All of these candidates will have to file their petitions of candidacy with the clerk of the city, before midnight, March 1. If they intend to run in the regular election on April 1, some of the candidates have stated that if defeated they will not run in the regular election, and others state they will run as in the previous election.

A quick passing glance at both sides reveals that:

- The Huff headed slate are all active business men. C. A. Huff, of the Dr. Pepper Bottling Works; Crawford Atkinson, of the Motor Inn Auto Supply; Vernon Hobbs of the General Supply Co.; J. C. Daubert, of the Evans Auto Body and Co.; and Deszell E. Bradford a Star Route carrier.

On the other side of the active business men reported, is excellent. W. Bill Graham, retired from the automobile service business.

Rescue Workers Abandon Efforts
BOGOTA, Colombia—(AP)—Rescue workers said yesterday they had abandoned further efforts to recover bodies of the 53 persons killed in the crash of a DC-4 plane last Saturday, because of the danger involved. So far, only 22 bodies, of which 16 have been identified, have been removed from El Tablazo cliff north-west of Bogota.

City Improvements in Past Three Years Listed, Heavy Program Is Lying Ahead

A series of services has been rendered the city during the last three years, it was disclosed during an interview with the city manager, Garland Franks, yesterday afternoon.

During the administration of the present City Commission, which will be out of office in a matter of days, and in fact will hold its last session tomorrow, more than 31,000 feet of sewer lines were laid; a new water well was developed, and plans are outlined for about five more; new 5,000-barrel water storage tank was erected; street improvements have been made, although not as many as the city administration had hoped there could be; parking meters were installed, as a means of adjusting the city's mounting parking problem; and a number of other lesser improvements were accounted for.

2 Suspects Held Connection With Assault of Girl

BONHAM—(AP)—Two suspects were arrested yesterday—one in Dallas and the other here—in the rape and mistreatment of a blonde Dallas, Ark. girl Thursday night.

Sheriff Dick Wait of Fanning County said the man arrested here denied molesting the girl but related that he and a companion had been with her in the Bonham State Park and had drunk whiskey with her.

The second arrest was made in Dallas late yesterday by Sheriff Steve Guthrie of Dallas County, who said that Fanning County officers enroute to take the man to Bonham.

Sheriff Wait said the suspect picked up here as he drove toward Bonham from his mother's home nearby was pointed out by the girl from a group of four prisoners.

The Bonham suspect was questioned late yesterday by County Attorney John C. Farmer of Fanning County. No charges were filed, but Farmer said the case probably would be presented to a grand jury which convenes here Monday.

The Arkansas girl came to the sheriff's office in the care of a physician. Her condition today remains critical, Sheriff Wait said. She had been mutilated and badly mistreated by the two men, he said.

Earlier in the day, she had gone to Paris to look at two suspects picked up there. She had said they were not the men who had attacked her.

She had no trouble in identifying the man today, Wait said. Officers were able to obtain more of her story today. She told them she had been living with her sister in Mena, and working at a small laundry. She was separated from her husband, who is in the Army and is stationed at San Antonio.

She had decided to leave Mena and go to Stockton, Calif. She got as far as Dallas and decided to return home to Mena.

She was picked up by the two men between Greenville and Dallas. She said they had been drinking. She said she had been drinking.

Seat covers to fit any car. Lloyd's Magnolia Service Station.

Little Peace Conference' Is Nearing Close

LONDON—(AP)—The "Little Peace Conference" of the Four-Power Deputies Foreign Ministers neared an end yesterday with only a few short steps taken down the road to formal peace with Germany and Austria.

The six week conference adjourns next Tuesday to submit reports to the Council of Foreign Ministers, which will attempt to draw up pacts with Germany and Austria in Moscow next month.

By mid-afternoon several heads of state that are entered in the Junior Livestock Show and Sale, which is held in conjunction with the Hereford Show, yearly, had also been brought in.

In the meantime word had been received from the Vocational PROGRAM FOR SHOW Monday, February 24th 9:00 a. m.—Judging of Junior Livestock by W. L. Stangel, Dean of Agricultural School, Texas Technological College.

1:30 p. m.—Judging of Breeding Cattle for the Sale Order by W. L. Stangel.

5:30 p. m.—Banquet in Palm Room for Livestock Judging in the Top of Texas Junior Livestock Show, by F. A. Livestock Judging Contest.

7:00 p. m.—Chuck Wagon Supper at Sale Pavilion, Recreation Station, Main Division, Recreation Park, Col. Earl Gartin, Greensburg, Indiana, Auctioneer.

Agriculture Department judging teams that have given notification of their intention of participating in the Junior Livestock Show and Sale, which is held in conjunction with the Hereford Show, yearly, had also been brought in.

W. L. Stangel, dean of the Agricultural Department of Texas Tech College, will judge the stock. Col. Earl Gartin will cry the Hereford sale and Walter Britten will cry the Junior Livestock sale.

L. A. Maddox, president of the Top o' Texas Hereford Breeders Association, yesterday stated that everything points to this year's show being the best that the association has ever presented. He added that the 35 registered bulls and the 9 females were the choice stock from the best Hereford herds in the Pampa handle.

Assistant County Agent Vic Joyner announced recently that 29 Gray County 4-H Club boys have entered stock in the junior show and sale. The majority of the stock entered

Workers for Church Census To Be Chosen

Workers for the next Sunday's church census were scheduled to be selected in Pampa churches today, the Rev. B. A. Norris, pastor of the First Christian Church and president of the Ministerial alliance, said yesterday.

The census, directed by a committee headed by the Rev. H. Clyde Smith of the First Methodist Church, will cover all churches of all denominations.

Eleven "districts" have been set up by the committee for purposes of census-taking, and R. Virgil Mott, educational director of the First Baptist Church, has been named census director.

Teed Named Head Bar Association

Attorney Arthur Teed was formally elected president of the newly organized Gray County Bar Association at a luncheon-business meeting held in the Schneider Hotel yesterday afternoon.

After the election of officers the association adopted its constitution and by-laws and set up its regular meeting dates as the first Saturday of each month.

The new organization is in no way connected with the old 31st Judicial District Bar Association which held its last meeting in 1941. Up until the forming of this new organization the local bar met only on call.

Other routine business was transacted with all but two of the county's attorneys present. Next meeting will be held on Saturday, March 1.

12 Planes Destroyed In Fire at Hangar

BIG SPRING—(AP)—Twelve planes were destroyed yesterday morning in a fire at the U. S. Flying Service, 10 1/2 mile airport, two miles northeast of Big Springs.

The plane loss was estimated at \$35,000, but damage to the hangar was not determined. The fire broke out about 3 a. m. The telephone line to Big Spring had burned, delaying the alarm to the Big Spring Fire Department.

J. E. Underwood, operator of the port, opened nine of the planes destroyed. The others were owned by Clyde Thomas, Garland Sanders and Jerry Bucher, all of Big Spring.

World Film Market

HAMBURG—(AP)—The British military government plans to restore Germany to the world commercial film market, a military government official told the Associated Press yesterday.

At which time equal values for both city and school taxes were established. In order to place the city at a better financial advantage and at the same time to prevent a rise in the actual amount of money to be paid by the taxpayers, a reduction in tax rate from 1.80 to 1.65 was ordered. During the past year, tax collections of current taxes amounted to 97 percent of the total annual levy. This was 7 percent higher than the budget estimate of 90 percent collection for the same period. Current tax collections since last October 1, have passed 85 percent of the total levy for the entire year. Delinquent taxes on the Pampa city tax roll are now at an all-time low, it was stated.

New water connections are being made at the rate of 50 per month in addition, which have been brought into the city over the past few years.

The Health Department has been reorganized with additional personnel and new services. Work in the field of typhus control, an order of typhus control, an order of typhus control, an order of typhus control.

Jr. Livestock Show to Begin 2-Day Event

The Pampa Recreation Park and Stock Barns were bustling with activity yesterday afternoon, as consignors of the 4 head of registered Herefords that are entered in the annual Top o' Texas Hereford Breeders Show and Sale, slated here tomorrow and Tuesday, began arriving with their choice stock.

The first stock in the barn was two registered bulls, Good Lamplighter and Sensation Mischief, which were consigned by J. P. Callihan of Conway.

By mid-afternoon several heads of stock that are entered in the Junior Livestock Show and Sale, which is held in conjunction with the Hereford Show, yearly, had also been brought in.

In the meantime word had been received from the Vocational PROGRAM FOR SHOW Monday, February 24th 9:00 a. m.—Judging of Junior Livestock by W. L. Stangel, Dean of Agricultural School, Texas Technological College.

1:30 p. m.—Judging of Breeding Cattle for the Sale Order by W. L. Stangel.

White Deer Board Approves Schedule For Teacher Pay

WHITE DEER—(Special) — The Board of the White Deer Independent School District recently approved a new salary schedule based on the amount of college work and tenure, which will assure a substantial raise to all teachers who are elected in the April meeting.

This schedule, which was approved pending state legislation and may be revised upward, was devised not only to reward teachers for their educational background and tenure, but also to meet competition in the salary field with other districts in this respect.

to make the salary competitive with other schools. The salary of every faculty member from the first grade to superintendent, inclusive, is based on this schedule.

One feature of the new schedule is its flexibility, which makes it a very simple thing to raise or lower salaries according to the financial condition of the community, merely by raising or lowering the base pay with the increments remaining in proportion.

Another feature is a larger increment for a master's degree, thus offering an incentive to continue school work.

The United States is the world's largest producer of poultry, with China ranking second in this respect.

Trail Leads to Apprehension of Liquor Violator

Trailed by Sheriff G. H. Kyle for the better part of six hours, Burl Wagon, no specified known address, was apprehended on South Hobart St. and charged for illegal transportation of liquor, Friday night.

According to Kyle's account of the arrest Wagon was driving a Ford pickup truck equipped with side boards and headed toward Pampa, when the sheriff picked up his trail just west of Miami.

Wagon, traveling alone at this time, drove straight down the Miami Highway and stopped to have a bad light fixed on the truck, the sheriff said. After the light was repaired, Wagon resumed his journey toward Pampa with the sheriff on his trail.

"Several times I was forced to hide so he wouldn't spot me," Kyle said. He added that Wagon came straight down Brown St. until he came to Hobart, and then turned north on Hobart St.

After a length of time Kyle spotted Wagon coming back and exactly retracing his tracks. It was about 1:30 a. m. when Wagon drew up to the Hobart and Brown St. intersection and stopped to allow another car to go by. When he stopped the sheriff with Deputy Sheriff Clyde Hughes drew up

alongside Wagon's truck and arrested him.

A search of the truck revealed that Wagon was hauling five cases of liquor, Kyle added. Wagon was handcuffed immediately and was searched for weapons. While he carried no firearms Kyle said, he did have a long knife on his person. He gave the officers "no trouble," Kyle said.

An ex-partner of Pete Traxler, Wagon was sentenced to ten years in Huntsville Penitentiary several years ago after being convicted of participating in a \$2000 robbery of a private family when a boy was shot. He was prosecuted at that time by District Judge Lewis M. Goodrich, then District Attorney. Others sentenced at that time for the same crime were: Pete Traxler, life; Lee Kratz, 10 years; Johnnie Hughes, 20 years.

Wagon was arrested earlier this month by the sheriff's department

Loop Head Warns of New Sports Scandals

BRONXVILLE, N. Y.—(P)—Ford Frick, president of the National League, fears that "over subsidization" of college athletes may lead to a scandal.

"The way things are going, we are heading for a real scandal in college sports and when it comes it will not be the boys who will be responsible," he said last night.

Contrary to popular opinion, roses cut in the afternoon keep longer than those cut early in the morning.

on charges of intoxication. At that time he was picked up in Lefors and had recently purchased a Texas truck license. This license was on the truck when he was arrested Friday night.

Fordham Hands Army 69-52 Cage Lashing

Improvements

(Continued from Page 1)
nance for which has been put into effect, was commended by the State Health Department. Pampa, the manager noted, was the first Panhandle city to initiate such a public health program.

Tax records and methods of assessment have been overhauled and modernized. The engineering department has been built up into an efficient division of public works. A plumbing ordinance, which has lately been accepted over the state as a model-type ordinance, was passed and put into effect in the early part of last year; a building code was recently enacted; and extensions of the fire limits were made in the latter part of 1946.

Work to secure a grade separation at the intersection of Hobart St. and the Santa Fe railroad has been in progress for several months, and it is being favorably considered by both the Highway Department and the railroad, it was said. Plans and specifications on the sanitary sewer program are already prepared.

Some 28 blocks of streets in residential sections of the city will probably be paved this summer, since about \$25,000 in cash has been collected and deposited for such work.

The parking meters were installed in April 1946, little less than a year ago, in the most congested downtown shopping district. These meters, it was said, have proved successful in providing parking places for customer service where formerly these same spaces were occupied principally by automobiles whose owners were employed in the nearby stores and offices.

The meters, installed on a trial basis for nine months and at the expense of the manufacturer, have brought to the city revenues exceeding \$26,000 since their installation. Total cost of the meters, counting the installation cost was \$25,250. They have paid for themselves, plus bringing in about \$1,000.

Animal glue is divided into two classes: hide glue which is stronger and obtains a higher price, and bone glue.

Deafened People May Now Hear Clearly

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music, and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Belton, Dept. 7156, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Write Belton today. Adv.

PROGRESS ON EVERY FRONT

★ The advance of medicine against the enemy, disease, sweeps forward on every front. Techniques of anesthesia have improved to make possible surgical procedures denied to the practitioner of the twenties. Highly refined and specialized mechanical aids, including the x-ray, fluoroscope, and electrocardiograph, have sharpened diagnostic skills. Testing of the blood and urine reveals more significant facts to the physician than ever before.

In support of the physician, the pharmaceutical chemist continues to forge new chemical and biological weapons to fight disease. Insulin for the management of diabetes mellitus, liver extract for pernicious anemia, sulfa drugs, and penicillin are examples. Your physician and your pharmacist are alert to apply the improved procedures as they become available.

Planned Placing Of Workers Seen

Employers in rural industries of the Pampa area are to be contacted by the U.S. Employment Service office here, it was announced yesterday, in order to plan a program whereby workers may be available on a planned basis; and to help workers engaged in peak farm season activities.

Rural industries, the local manager, L. P. Fort, said, include pro-

cessing of all agricultural products. "We hope that this program will prove of value to employers in securing the workers they need at once and thereby prevent loss of raw products subject to spoilage, reduce overhead personnel costs and loss of production time," Fort said.

Employers who have seasonal layoffs can help reduce their unemployment compensation tax rate by notifying the State Employment Service at the earliest possible date of planned reductions in force, so that workers can be placed in other employment with the least possible loss of time, he added.

Mainly About Pampa and Her Neighbor Towns

Mrs. Al Lawson entered Pampa Hospital Friday for medical treatment.

Wanted — Experienced ready-to-wear saleslady. Salary and commission. Apply at Bentley's.

Winston Savage, former High School principal and band director, is in Pampa this weekend to help make plans for Region One Band and Orchestra Contest which will be held at Pampa High School April 25.

'Go to Church Every Sunday' Drive Theme

"Go to Church Every Sunday" is the theme of a campaign being launched by the Kiwanis Club of Pampa. Thousands of automobile stickers have been printed, and they will be distributed through various offices such as the tax collector's office when motorists buy their license tags, through the various clubs of the cities, and through the churches.

Rudolph Q. Harvey, Kiwanian in charge of the project, said signs similar to the stickers are being prepared for erection at strategic locations along the highways leading into the city. Permission for their erection has already been obtained, he said.

Harvey, who is pastor of the Central Baptist Church, said it should be emphasized that the campaign is non-sectarian, and that people are being urged to attend the church of their choice. The idea, it was explained, is merely to get more people into houses of worship.

"If anyone wants some of these stickers to pass out," he said, "they can obtain them through contact with me, or with some other minister of the city, or through another member of the Kiwanis Club."

The tax collector, F. E. Leech, and his assistants, have pledged their help in seeing that the stickers are placed in the hands of the motorists in this city.

Elect These Men Tues., Feb. 25th

Left C. A. 'Lefty' Huff CANDIDATE FOR Mayor

Mr. Huff came to Pampa from Colorado in 1926 and opened the Dr. Pepper Bottling Co., 420 S. Hobart; the business he still operates. He has taken an active interest and participation in many civic and community activities, including a particular interest in boys and girls work through the Boy Scouts and Girl Scouts. In 1942-43 he served as president of the Pampa Rotary Club. In 1944 he served as president of the Pampa Chamber of Commerce. He has served on the board of directors, and in many other capacities in both, and other organizations. At present time he is the treasurer for the Adobe Walls Council of Boy Scouts of America.

Mr. Huff was born in Allen County, Kansas, in 1887. After finishing high school, he taught school for three years. He then studied teaching and law for two years. He became bookkeeper for the Burgner-Bowman Lumber Co. and later manager of the same firm. Later he was the owner and operator of hardware and heavy machinery business at Simla and Matheson, Colo. He served as mayor in Simla, Colo., and later as County Commissioner of Elbert County, Colo.

Mr. Huff has made his home in Pampa for the past twenty years and has been increasingly active in civic and community affairs as Pampa grew during those years.

Crawford Atkinson CANDIDATE FOR Com. Ward 1

Crawford Atkinson has lived in Pampa the last 14 years and is operator of the present Motor Inn Auto Supply. Crawford is well known by Pampans because of his whole-hearted participation in many worth while Pampa projects. He is a member of the Lions Club and Chamber of Commerce, and was president of both organizations. He is also a member of the Methodist Church. Mr. Atkinson owns his own home in Ward 1 where he resides with his family.

Vernon Hobbs CANDIDATE FOR Com. Ward 2

Mr. Hobbs is affiliated with the General Supply Co. here in Pampa. He is well known to the citizens of Pampa and surrounding territory and especially to the oil men, the industry which put Pampa on the map. Mr. Hobbs and family are members of the First Baptist Church in Pampa.

IF YOU WANT THESE THINGS FOR PAMPA:

- To develop our trading center.
- Build a system of good streets and roads.
- Help Pampa become a city of achievements.
- Make ours a town of friendly people.
- Build a town of good churches, schools hospitals, and to help our town grow.

J. C. Daniels CANDIDATE FOR Com. Ward 3

J. C. Daniels has been a resident of Pampa for the last 10 years and is owner and operator of Daniels Auto Rebuilding Co. J. C. is a veteran of World War 2, having served with the army in the South Pacific Theater of Operation. Mr. Daniels' business ability has helped him to make many friends among the businessmen of Pampa.

Denzil Bradford CANDIDATE FOR Com. Ward 4

Mr. Bradford came to Pampa in June of 1939 and is a rural mail carrier operating out of our local Post Office. He owns his own home at 206 W. Brown St. where he lives with his family. The youngest of three children graduates from high school this year. Mr. Bradford was in business in Spearman before moving to Pampa. He pledges to cooperate with the citizens of Ward 4 and Commissioners in everything pertaining to the improvement of Pampa.

This Is Their PROGRAM For PAMPA'S FUTURE

1. Work to unite all interests to build a more progressive city.
2. Sewer System Program will be carried forward as rapidly as tile can be purchased. This program includes the additional deep mains and lateral sewers for the South of Pampa, Talley Addition and the Flats. Approximately \$30,000 worth of war surplus materials recently purchased will be incorporated into the expansion of the sewer and water systems.
3. A complete investigation of all city Department Heads will be made. If investigation reveals needed changes in Department Heads, Personnel or organization of work, such changes will be made immediately.
4. Paving program now under way will be continued immediately. New paving projects will be started with City participation in cost along with property owners.
5. Enlarged park program will be developed so that children of all sections of city will have recreational facilities. Support will be given to S. Hobart Street Park, Lions Park and other parks now partially complete.
6. More equipment will be added for garbage and trash disposal. Systems of garbage and trash collections will be studied and Pampa's system will be improved.
7. Work closely with County officials in pushing completion of new hospital.
8. Conduct investigation of City's buying practices for the purpose of seeing that Pampa receives the greatest possible value for each dollar spent.
9. Cooperate closely in Perryton Hiway project to open large new trade territory to Pampa.
10. Instigate building of hiway underpass on Hobart Street railway crossing to eliminate dangerous crossing, and aid drainage in West Pampa.

**Minsirel to Benefit
Lions Club Park Fund**

Members of the Pampa Lions Club will seek to add to the Lions Club Park Fund, next Thursday and Friday nights, when they present their annual Minsirel Show in the Junior High School Auditorium.

Much has been said about the past successes of these annual minsirels. Many have expressed the thought that the worthy object responsible for this yearly presentation of laughter and harmony is sometimes lost in the clamor of the show.

All proceeds, derived from the Minsirel go to help finance the building of the club house, tennis courts, baseball diamonds and Boy Scout Clubhouse. These are just a few of the plans for the big park that is nearly two blocks in size.

Tickets may be secured from any member of the Lions Club or from members of the La Rosa, Las Ceras, Sub Debs or Kit Kat Clubs.

**Magazine Featuring
Pampa, Gray County**

The February issue of "The Shamrock," oil company trade organ, is devoted to Pampa and vicinity. A number of pictures of scenes in Pampa and Gray County have been included in the complimentary issue.

The magazine says, in part: "Pampa, county seat of Gray County, is one of the most important industrial and agricultural centers in this Southwest. Its growth in a short period of 20 years is almost phenomenal."

A diversity of photographic scenes, on such interesting features as education, municipal and county government, agriculture, recreation and sports, is shown.

As many as 14 seals have been taken from the stomach of a 16-foot whale.

**Former Recruiter Here
Gets New Assignment**

Beginning his 12th year in the Army, Captain Fred G. Daggett, former Pampa Recruiting Station officer, left here recently for a new assignment in Yokohama, Japan.

Daggett was first stationed here at the Army Air Base during the war and was later reassigned to Pampa as recruiting officer. During his time with the recruiting office he enlisted over 100 local boys in the service.

Shortly after receiving his discharge from the Army Daggett re-enlisted and was called back to active duty last October. He was first ordered to Fort Sam Houston for a training course, prior to his assignment to the Pacific Theatre.

Mrs. Daggett, the former June Marie Hoover of Pampa and children, Linda Kay and Fred, Jr., plan to join Daggett in Japan as soon as arrangements for transportation can be completed.

**Inquest Set in
Minister's Death**

LONDON—(P)—Dr. H. Neville Stafford, Westminster coroner, announced yesterday that he would hold an inquest next Friday into the death of Miss Ellen Wilkinson, minister of education in the Labor Cabinet. "I can not tell you my reasons for ordering an inquest," he said to a reporter.

WE WANT FISH

McClellan Lake Rod, Gun Club Expresses Re-Stocking Needs

By SCOTT RAFFERTY
News Sports Editor

Nearly 100,000 persons have fished in Lake McClellan since its opening in 1940, yet less than 10,000 fish (only 750 of them bass) have been put in the lake.

These and other facts were brought out Friday night at a lively session of the McClellan Lake Rod and Gun Club when the members unanimously agreed that "something must be done."

Dr. R. A. Webb, retiring president of the club, implied that he would not give a "plugged nickel" to fish in the lake as it now is and he was backed up by Bert Howell, lake concessionaire.

Howell was asked by Webb how many fishermen on the average, fished in the lake each year. Howell replied that there were about 20,000 each year and an additional 50 or 60 thousand per year who were just visitors.

Asked to state whether any fish had been put in the lake since the government announced there would be 18,000 bass shipped in, Howell said he was told to "look for delivery" two weeks ago but he had, as yet, seen no fish brought in.

Two years ago, 5,000 fish were ordered—1,000 were received, yet the government insists there is plenty of fish available for the lake and will not let any organization, such as the local club, stock the lake with private funds.

Howell reported that experts all agreed there was plenty of food in the lake, largely through the efforts of the local club, which bought and paid for food to plant in the water.

The few fish that are in the lake will not "bite" because there is enough food otherwise, Dr. Webb said.

In the business session, members named Don Martin as secretary, to serve until September 1. Succeeding Martin as secretary-treasurer is Dr. L. J. Zachry and C. H. "Wood-

ie" Woodie will be vice-president. Dr. Webb will continue as club representative in the Texas Wildlife Federation, in which he serves as chairman of the finance committee.

Members also signed petitions going to the legislators from this district. The text of the petition will be carried in Monday's Daily News. Approximately 60 members paid their dues for 1947.

Armed Wins Rich Widener Handicap

MIAMI, Fla.—P—Calumet Farm's great gelding, Armed, loaded with 129 pounds, won the \$50,000 Added Widener Handicap by two and a half lengths at Pimlico yesterday to jump from fifth to third place among the all-time, thoroughbred money winners. Talon was second and Let's Dance third. Armed set a new track record of 2:01 3/5 for the mile and a quarter.

The previous track record was 2:01 4/5.

Six horses started. The victory was worth \$49,000 to Warren Wright, Armed's owner, and pushed the earnings of the six year old son of Bull Lea, to \$459,775, behind Whirlaway and Stymie.

Armed paid \$2.50, \$2.30 and \$2.10. Talon paid \$3.20 and 2.30, and Let's Dance, \$2.30.

While no announcement was immediately forthcoming, it was expected that Armed would leave here Monday by plane for Santa Anita where he will run in the \$100,000 Santa Anita Handicap March 1.

Armed was ridden by Jockey Doug Dodson, Talon with Jockey Rupert Donoso up, is owned by R. N. Ryan, and Let's Dance, ridden by Joe Dean Jessop, is owned by Miami's Sunshine stable.

State Cage Meet Scheduled Gregory Gym March 6, 7, 8

Speer Leads Cage Scoring for Year; Davis Is Second

Although he was edged out in conference scoring by 1 point by Sophomore Forward Dedrell Davis, Center Bill Speer, Pampa Harvester captain led individual team scoring for the 1946-47 basketball season with 165 points.

Speer's 10-game conference total was 73 points compared with Davis' 74. The latter finished second in team scoring with 144 points.

Speer, along with regular guard Calvin McAdams, played his last season of high school basketball.

Returning to the courts next year will be Regulars Malcolm Fagan, forward, Charlie Laffoon, guard, and Davis. Reserves returning are Raymond Hernandez, Junior guard; George Gambin, Junior forward; Bill Bond, Sophomore forward; Kelly Anderson, Junior forward; J. A. Miller, Sophomore forward; Hobart Fatheree, Junior forward; Zeke Griffin, Junior center; Frank Green, Junior guard, and Mickey McCray and Harold Cox, Sophomore guards.

All classifications are for this year. All of the low-scoring players saw most of their action in "B" games; the "A" game scoring only included a few minutes of play.

Team scoring:

PLAYER	G	FG	FT	PTS
Speer	22	59	27	165
Davis	21	59	24	144
Laffoon	21	39	24	123
Jackson	21	39	24	123
Gambin	21	39	24	123
Hernandez	21	39	24	123
McAdams	18	23	9	45
Bond	18	23	9	45
Anderson	18	23	9	45
Fatheree	18	23	9	45
Cox	18	23	9	45
Green	18	23	9	45
McCray	18	23	9	45

10 Lettermen To Head Roster of Track Hopefuls

Ten lettermen from the 1946 squad and a flock of newcomers are expected to report tomorrow when Coach Otis Coffey issues "first call" for the Pampa Harvester track team.

The lettermen will include one candidate, Bill Speer, who participated in last year's state track and field meet.

Included among those expected to report are Kelly Anderson, Bob Boyles, Malcolm Fagan, Zeke Griffin, Hansel Kennedy, Charley Lockhart, Carl Maves, Bill Speer, Jackie Williams and Jim Wilson of last year's squad.

Speer, who placed fourth in the 100-yard dash at the state meet last year, will have his sights set on retaining the discus title for Pampa. Randall Clay of the Harvesters won the title in 1945 and 1946.

Maves was the team's most promising dash man last year and will be one of the top contenders in the district and regional meets this year.

Boyles and Griffin will specialize in the shot put; Lockhart is a better-than-average pole vault man and will pair with Hansel Kennedy in that event; Anderson will specialize in the jumps; and in pole-vaulting, Fagan will try for the mile, Williams the hurdles and dashes and Wilson in the dashes and relays.

Newcomers expected to bolster the squad include Dedrell Davis, a promising hurdler; Doug Mills, who is expected to press Maves in the 100, and Lamar Lively and Francis Hunt, two mile hurdlers.

A score of candidates reported late last week but candidates who played basketball were given the extra three days rest between the two sports.

Hogan Leads in Match With Rees

SAN DIEGO—P—Benny Hogan took a three-up lead at the end of the first 18 holes of his 36-hole Intercollegiate match with Rees of England, with the final 18 holes to be played today at the San Diego Country Club.

The American professional champion held a one-up lead at the end of nine holes in yesterday's play before 2,500 galleryites. Going into the 18th he had built it up to four, but slipped on the last green to lose the hole.

Hogan's medal score today was 68, four under par for the 36-72 layout, and won him \$1,000. The little Englishman shot even par for the course.

Tomorrow's low medal will bring another \$1,000, and \$3,000 goes to the match play winner.

Hogan missed the course competition record by one stroke in a smooth performance, while Rees, one of England's leading pros, enjoyed no luck and several tough breaks.

Hogan had 33-35-68, Rees 34-38-72.

Rees' balky putter cost him two holes.

Long Shot Wins Santa Margarita

ARCADIA, Calif.—P—C. V. Whitney's Monsoon, 13-1 outsider, scored an upset victory yesterday in the \$50,000 Santa Margarita Handicap at Santa Anita Park.

Harry Isenberg's Double F. F. was second, with Louis B. Mayer's Be Faithful third.

Monsoon, five-year-old gray mare ridden by Jockey Ralph Neve, was clocked in 1:48 flat for the mile and six-sixteenths. The winner returned \$29.10, \$14 and \$4.50.

Double F. F. paid \$12.10 and \$4.90, while Be Faithful, co-favored with stablemate Honeymoon, returned \$2.40. A field of 13 fillies and mares, three years old and up, started.

A crowd of 58,000 saw the Whitney Flier come from midway in the pack to overrun the leaders in the stretch and win by a length and a half.

Hamilton Demurs in Pro Gridiron Offer

ANNAPOLIS, Md.—P—Capt. Tom Hamilton, head football coach at the U. S. Naval Academy, said yesterday he asked the all-America Professional Football Conference not to consider him "at this time" for its \$30,000-a-year commissioner's job.

NOW AT BAYLOR

A member of the re-organized Baylor University coaching staff, Pimp Mooney (above) comes to the school after a long career in pro football and big school ranks. A native of Shamrock, Mooney was assistant coach at Pampa in the spring of '45, played pro ball for the Chicago Bears and was coach of the Akron, Ohio, professional gridder later in 1946. At Baylor, Mooney will be backfield coach under Head Mentor Bob Woodruff.

On The Sports Beam

By SCOTT RAFFERTY

Dell Morgan, venerable grid mentor at Texas Tech has been given a vote of confidence by the school's Athletic Council after campus waves had signed petitions demanding his ouster.

Making the Council's statement public was Dean W. L. Stangel, chairman, who will be here tomorrow and Tuesday in connection with the Top of Texas Hereford Breeders' Association Show and Sale and the similar event for junior stockmen.

We want to shake Dean Stangel's hand for guiding the Council to a wise decision. There are few coaches in the Southwest more highly regarded in our opinion, than Morgan.

Putt Powell of the Amarillo Globe-News has made the flat-footed statement that Harry Lamp-rich, new manager of Suitcase Seeds' Amarillo Gold Sox, will be the best manager in the league. Putt has a habit of kidding himself into decisions like that.

No manager in this league—or any other league of its size, for that matter—can boast the success marked up by the Oilers' Grover Seitz and its going to be a long time before a guy with one year in pro ball behind him equals Grover's achievements.

Besides, Lamp-rich will probably be manager in name only. Seeds is too good a business man to let his

(Continued on Page 7)

Salkeld Named Grid Mentor at Childress

CHILDRESS—P—Dan Salkeld has been named Childress High School head coach to succeed M. B. Graham, who is going into private business at Amarillo.

After playing football at Abilene

High School and Texas Christian University, he became assistant coach at Norman, Oklahoma, and later head coach at Quanah. He coached the Sky Giants at Amarillo Field while in the Army and has been working there since his discharge.

Alaska once was the home of a race of super-bison, with horns more than 53 inches in width.

**Griffith Says Yankees Due for Fall
By July 1, Ignores 1926 Champions**

By JACK HAND
ORLANDO, Fla.—(AP)—Clark Griffith, who has been running the Washington ball club since shortly after George Washington cut down that cherry tree, thinks the New York Yankees will be "all done" by July 1 after another grueling Latin American tour.
Confined to his hotel room by stomach trouble while the Senators drilled at Tinker Field, the 77-year-old owner also predicted trouble ahead for the champion Boston Red Sox who breezed to the 1946 flag.
"No club ever lost a world series and had an easy time the next season," Griffith warned, conveniently overlooking the 1927 Yankees who won 19 games after dropping the '26 series to the Cardinals.
"They'll hear plenty about choking up and a few other things that will make their ears burn. They'll have lots of trouble but not from New York."
"Larry MacPhail is making the same mistake he made last year. When the Yankees get back from Puerto Rico and Venezuela they'll make everybody look bad. But by the time July 1 rolls around, they'll be finished."
The Yanks were to open their long exhibition series today in San Juan. Before the season opens in mid-April they will have been playing or seven weeks, about one third of a regular campaign.
Griff paused between spoons of beef broth to inject his idea about the Ted Williams shift what proved so successful for Eddie Dyer last fall.
"I know if I was managing a club, I'd use it," he said, looking out from under his bristling grey brows. "It got his goat. That was the story of the series. When you can get the goat of a hitter as good as that, you'd better try the same thing."

Sports Beam

own managerial knowledge go to waste.

Note to the incoming city commission.
Let's do something about the city's recreational facilities, as per campaign pros. We are not particularly interested in politics but the promise by both tickets that something will be done is the promise that we're going to remind the winning group of every chance we get.
To go a little further, we think the city should create a full recreation and park department, with adequate supervision, equipment, safety measures and all matters pertaining to such a program.
The outgoing commission has been unable to do too much in the way

**Seven Texas Golden
Gloves Leave for
Chicago Tournament**

FORT WORTH—(AP)—Seven members of the Texas Golden Gloves team, each making his first trip to the tournament of champions, left here yesterday for Chicago to engage in bouts next week against 36 other squads.
The six champions are Tom Adams, of Texas Tech and Brownfield, light-heavy; Tommy Barron of Sherman, middleweight; Pvt. Dan Stipanovich of Fort Sam Houston, lightweight; Bill Anderson of Texas Tech and Lubbock, featherweight; Valentino Luna of Austin, Bantam; and James (Buddy) Baggett of Dallas, flyweight.
The alternates are Wallace Willard of Houston, who replaced Charles Robinson of TCU when the latter could not make the trip because of his studies, and Ralph Judd of Corpus Christi, who is substituting for heavyweight Champion Charles Simmons of Dallas.

**Stranahan, Moreland
Meet in Finals of
Houston Tournament**

HOUSTON—(AP)—Frank Stranahan, one of golf's brightest new stars, and Gus Moreland, kingpin of the amateurs in the thirties, will meet today in the finals of the Houston Invitation Tournament.
Moreland, of Peoria, Ill., pulled a stunning upset by defeating defending champion Johnny Dawson of Los Angeles in a 20 hole semifinal struggle yesterday, showing much of the sharpness that enabled him to win the meet here four years running from 1931 to 1935.
Stranahan had almost as hard a

Assault Case

(Continued from Page 1)
heavily, and she asked to get out. She said they refused, and made her drink.
Then, she said, they attacked her on the back seat of the car. She said they did not stop the car at any time, but kept driving. She finally became unconscious and her first consciousness was finding herself near the Bonham park, her clothes half torn from her body.
She was badly mutilated and crawled to nearby highway where a man named Josh Thomas picked her up about noon and drove her to Bonham.
She was given emergency treatment and has been under a doctor's care since.
The statewide alert issued for the arrest of the two men whom she described as one tall and the other short and chunky, has been cancelled following the arrest here of the officers said in Paris.

SAFE ANK

PHILADELPHIA—(P)—John Laporte, 21, saved his wrist watch and wallet containing \$11 by shoving them into a snowbank during a tussle with two slugs.
Laporte, with the help of police, recovered the wallet and watch when his assailants fled.
Earliest American railroads were built of wooden rails, capped with a thin surface of iron.

City Politics

(Continued from Page 1)
Frank Carter, building contractor and proprietor of the Carter Courts; C. E. (Dan) McGrew, retired oil man and former corporation court judge; W. E. Ballard, of the Radcliff Supply Co.; and F. H. Paronto, of the Paronto Boiler and Welding Works, Paronto was a former member of the City Commission when Pampa was under the alderman's system of municipal government.
Last week personal card passing was at its height, with most of the candidates and their friends doing some heavy electioneering.
The petition-filing deadline for the special election found four candidates in the field for mayor, two candidates each from Wards 1 and 2, and three candidates each from Wards 3 and 4. From then on the race was quiet with the exception of several strategy-laying meetings by both sides. Things remained dormant on the surface, until first one and then the second candidate for mayor retired from the race leaving in the field only two men—Buff and Graham. Howard Buckingham, Sr., first left the race on February 6 and B. E. Ferrell dropped his name from the ballot five days later.
In the meantime forces of both factions carried their story to the voters, starting with lighter electioneering and working up to the main battle.
Yesterday, today and Monday will see the heaviest campaigning on both sides and among the independents.
The campaign is devoid of the "mud-slinging," sometimes evident in such municipal elections. Neither side has brought into its platform any reference to the controversy which raged on a diminutive scale during the special election for the amendment of the city charter.

Show, Sale

(Continued from Page 1)
this year is in better condition than last year's stock was, according to Joyner.
The thirty contestants, three from each of the ten teams, entered in the Junior Livestock Judging Contest will square off shortly after noon tomorrow. Divisions to be judged are fat calves, fat barrows and fat lambs.
Contestors of the registered Hereford stock are W. E. Bennett, Amarillo; J. P. Callihan, Conway; M. F. Callihan, Conway; M. O. Callihan, Conway; A. B. Carruth, Pampa; Combs and Worley, Pampa; Alex Gray, White Deer; Ralph Hale, Perryton; L. A. Maddox, Miami; Wayne Maddox, Miami; H. P. Monday, Shamrock; G. E. Nance, Canyon; and S. R. Nelson, Miami.
Pitchfork Land and Cattle Company, Guthrie; H. H. Reeves, Shamrock; J. P. Ross and Son, Goodlet; Lyndon H. Sims, Wheeler; W. L. Williams, Wheeler, and S. T. Morgan and Sons, Wheeler.
Gray County 4-H Club boys who are entering stock in this year's show are Clifford Schaffer, Charles Schaffer, Sammy Schaffer, Johnnie Baggerman, Vernon Baggerman, Ruben Baggerman, Liburn Ritter, and J. P. Wright, Groom; J. W. Simmons and Sidney Gibbreath, Alameda; Paul Eakin, Grandview; Amos Harris, Jr. and Glenn Harris, Jr., Kingsmill; Jerry O'Neal, White Deer, and Herman Watkins, J. D. Mize, Manning Chance, John Floyd Carruth, Leon Taylor and Don Chisum, Pampa.
School Vocational Agriculture Departments that have given notification of their entry into the livestock judging contest are Quail, Memphis, Shamrock, Dimmitt, White Deer, Clarendon, Canyon, Claude, Lakeview and Panhandle.

McLean News

McLEAN—(Special)—Mr. and Mrs. Ray Hunt and children of Amarillo were weekend guests of their parents, Mr. and Mrs. J. E. Smith and Mr. and Mrs. Herman Hunt.
Mr. and Mrs. Bryan Burrows of Pauls Valley, Okla., are visiting their daughter, Mrs. Johnnie Mertel, and family.
Mrs. Kid McCoy is in Amarillo visiting in the home of her son, Brady McCoy.
Mr. and Mrs. Ligon Burris left Tuesday for Beeville to visit her parents.
Forrest Switzer and family visited relatives in Middlewater last weekend.
Mr. and Mrs. Roy Kaiser have sold their home in the northwest part of town to Albert Moore.
Mr. and Mrs. O. M. Currey and daughter have returned from a visit with the former's parents, Mr. and Mrs. S. M. Currey at Burk Burnett.
Mrs. Arthur Dwyer is in Lefors visiting her mother, Mrs. Walter Todd.
Frank Moore of Amarillo is visiting his son-in-law and daughter, Mr. and Mrs. Ernest Smith.
Mr. and Mrs. J. S. McLaughlin visited in Amarillo the first of last week.
Mrs. Andy Word and son, Drew, of Alameda were callers here, Monday.
Mr. and Mrs. Lester Dysart and son, Gayle, returned the first of the week from a trip to Oklahoma City and visited Mrs. Dysart's parents, Mr. and Mrs. H. D. Williams at Pauls Valley, Okla.
Mr. and Mrs. T. J. Perkins were Clarendon visitors last weekend.
Gayle and Don Montgomery of Texas Tech at Lubbock visited their parents, Mr. and Mrs. S. L. Montgomery over last weekend.
Harold Rippey made a business trip to Oklahoma over last weekend.
Mr. and Mrs. Joe Parker of Santa Fe, N. M., were McLean visitors last weekend.
George Anders is reported ill.
Mrs. Alma Henley and daughter, Mrs. Molita Rice, and son, Jimmy, visited in the home of their daughter and sister, Mrs. Tom Price at Pampa last weekend.

Legislature

(Continued from Page 1)
parent conflicts, and that it did not violate the 14th Amendment to the Federal Constitution.
Daniel's opinion—an exhaustive study of the entire question—noted that while the pending bills were constitutional, they might not be entirely satisfactory in that they did not afford Negroes the assurance of financial support that the State University has under the state's fundamental law. He suggested it would be well to keep in mind what the U. S. Supreme Court might do to Texas' principle of segregation of the white and Negro races in education, in view of this fact.
Controversial labor legislation—heralded in advance as one of the session's issues most likely to provoke rough fighting—advanced to the calendar of the House, and the Senate Labor Committee will hold public hearing Monday on other proposed legislation dealing with employee-management relationships. The House Labor Committee by a 14 to 4 vote recommended passage of a bill which would outlaw the closed shop.
Another type of legislation which loomed as a fight-maker seemed headed for compromise. It was a bill to regulate chiropractors. This group and physicians who opposed giving such recognition to chiropractors were trying to get together on a middle-of-the-road measure not inimical to either side.
Both House and Senate had before them bills to redistrict the state for legislative purposes and rough going was predicted for both from districts which would lose representation under the proposed plans. A proposed constitutional amendment to provide a \$50,000,000 building program for state-supported colleges was approved by the Senate and sent to the House. It faces opposition particularly from some West Texas Legislators.
A move to crack the Senate's

practice of holding secret sessions on governing boards of Texas A. & M. and the University of Texas.
House Speaker W. O. Reed warned that starting Monday the strictest rules on lobbying and propaganda distribution would be invoked. The anti-secret session move—something that comes up every session—followed the Senate's rejection of four of former Gov. Coke Steven-

Quality Home Furnishings

What's smart for '47? BUICK!

White sidewall tires, as illustrated, will be supplied at extra cost so soon as available.

THAT grille's as fresh and fashion-worthy as a Paris label in a new bonnet.
That long, clean, sweeping-all-the-way-through fender line is as much a "must" with the style-wise as white tie with tails.
There's the sparkle of bright, fresh colors—the rich sheen of chaste chrome—the sleek, slick, able look of an express cruiser, shined and polished for Regatta Day.
But is this the only way in which Buick's smart? Not by a barrelful!
Look at the engine room in that bonnet—that means torrents of Fireball power to put the lift of a lifetime in every mile.
That hug-the-road look means steadiness always—and cushiony coil springs on all four wheels spell serene disregard of any road's rude jolts.
Look at the width amidships that gives you lolling room both front and back—and at push-button controls that not only raise and lower the top, but move door windows up and down and the front seat back and forth.
And look deeper. At engines so fine-made they keep their new-car liveliness seemingly forever. At stout metals and sturdy underpinning, at husky, curl-around bumpers, controls light as a ladyfinger; at wheels that curb heel-over on turns, and brakes both easy and sure.
Fact is, in this trim Convertible or any of the eight other body types, Buick's the smartest buy as well as '47's smartest car. It's the place where dollar-sense meets with style-sense to produce America's most wanted automobile.
Such being so—why hesitate? A day lost now in placing an order can be a week lost later in taking delivery, so—get your order in now!

ONLY BUICK HAS ALL THESE STAR FEATURES

Junior High P-TA Has Dancing Role in 'Oklahoma' Group Addressed By Travis Lively

Travis Lively was the principal speaker at the regular meeting of the Junior High School Parent-Teachers Association which was held in the school auditorium Thursday afternoon at 3 o'clock.

Harris Lee Hawkins

Young Hawkins, son of Mr. and Mrs. W. H. Hawkins, 1309 Rham, has been chosen for a dancing role in the stage show "Oklahoma" and joined the cast in Cincinnati on Feb. 19.

In August, 1946, Hawkins was chosen to be the cast of "Follow the Girls," which played on Broadway two years. He appeared with the show in New York, Philadelphia, Detroit and Chicago, where it closed last November.

Betrothal of Miss Pauline McPhillips, Thos. N. Watson Revealed at Shower

Miss Pauline McPhillips, bride-elect of Thomas N. Watson, was honored with a lovely miscellaneous shower in the dining room of the Pampa Hospital Thursday evening, with Mrs. Alice Adams, Mrs. Jim Wheeler and Miss Betty Sue Mullins as joint hostesses.

The honoree was presented with a corsage of red rose buds by the hostesses and Miss Pat Cunningham sang "For Sentimental Reasons." Refreshments of cake and coffee were served.

The next meeting will be held in the home of Mrs. Falkenstein, 1208 Myrtle, with Mrs. M. McDuffie and Mrs. Oscar Huff acting as co-hostesses.

Members of the Bell-Home Demonstration Club and their families were entertained, recently with a "42" party at Bell School.

Mr. and Mrs. Connor O'Neal were host and hostess for the evening. Several games of "42" were played with prizes going to Mrs. Roland Dauer for high score and to J. B. Jones for low.

McLEAN, (Special)—The music pupils of Mrs. Willie Boyette who have made the honor roll are Norma Watson, Patty Ruth Rippey, Jan Black, Frankie Tucker, Dorina Gail and June Stubbelfield. Betty Jean McClellan, Eddie Rex Reeves, Peggy Nell and Patsy Delle Tindall, Floella Cubine, Sue Glass, Billy James, Rainwater, Betty Ruth Dickinson, Shirley Allison, Mollie Irene, Johnny Haynes, Montz Jean Kennedy, Melba Miller, Patsy Lowery, Norma Chapman, Billy Eugene Rodgers, Glenda Switzer, Barbara Nell Williams, Dickie Shigar, Lawanda and Darlene Shaid.

Wayside HD Club Will Serve Lunch at Livestock Show

Mrs. W. A. Greene, president, called a special meeting of the Wayside Home Demonstration Club Wednesday afternoon at 2 o'clock in the office of Miss Ann Hastings, county agent at which plans were completed for the lunch at the Top of Texas Hereford show and sale Monday and Tuesday. Fourteen members attended.

Times Change: Papa Minds the Baby

In the 'old days' Papa had his night out with the boys and Mama wouldn't dream of spending an evening with the girls, leaving Papa at home as a baby-sitter.

WE, THE WOMEN

But times have changed. Now the girls are going in for evening parties and get-togethers. It started during the war when lonely wives had to occupy their evenings somehow, so switched their bride-playing from afternoon to after-dinner. And they've stayed with the altered schedule.

Hubby Doesn't Mind

The husbands apparently aren't objecting to the baby-sitting arrangement, probably for two very good reasons. It lets them out of gossipy bridge sessions.

Maxine Patterson, Harold McCleery and Miss Johnnie Davis Wed in Afternoon Ceremony Feb. 16

Before an altar having as its background burning tapers in floor candelabra, tall baskets of peach gladioli, and kentia palms, Miss Maxine Patterson became the bride of Harold McCleery in the Central Baptist Church Sunday afternoon, Feb. 16, at 2 o'clock. Rev. Rudolph Q. Harvey, pastor of the church, officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Harley B. Patterson, 1424 N. Russel, while the bridegroom is the son of Mr. and Mrs. G. E. McCleery of Canaan.

Prior to the ceremony Mrs. W. L. Ayers, pianist, played "Liebestraum" by Franz Liszt and while the tapers were being lighted by Miss Tessie Kilian and Mrs. Carroll Helton, sister of the bridegroom, she played "Melody in F" by Anton Rubinstein. She also accompanied Mrs. Ray Richards, Amarillo, cousin of the bride, who sang Carole Jacobs-Bond's "I Love You Truly" and Irving Berlin's "Always." The Bridal Chorus from the opera "Lohengrin" by Wagner was used as the processional and Mendelssohn's "Wedding March" for the recessional.

Miss Evelyn Patterson was her sister's maid of honor. She wore a pink flannel suit with brown accessories and a shoulder corsage of white carnations. Leon Barton was best man. The bride, who was given in marriage by her father, wore a pink flannel suit with brown accessories and a hat of black straw and pink feathers, and black accessories. She carried out the "something old, something new, something borrowed and something blue" tradition by wearing an heirloom bracelet belonging to her mother and carried a white Bible belonging to her mother. Her bouquet consisted of a hat of black straw and pink feathers, and black accessories. She carried out the "something old, something new, something borrowed and something blue" tradition by wearing an heirloom bracelet belonging to her mother and carried a white Bible belonging to her mother. Her bouquet consisted of a hat of black straw and pink feathers, and black accessories.

Mrs. Kiser Honoree at Miscellaneous Shower

Mrs. Gene Kiser, the former Miss Patsy Sue Horton, was honored at a miscellaneous shower given recently by Mrs. Gene Horton in the home of Mrs. Bert Kiser, 728 Buckler.

Carroll Lamb Is Honored at Party on Ninth Birthday

Carroll Lamb, daughter of Mr. and Mrs. L. C. Lamb, 404 LeFors St., was honored at a party, home Saturday afternoon, the occasion being her ninth birthday.

Bell HD Club Is Given '42' Party

Mr. and Mrs. Connor O'Neal were host and hostess for the evening. Several games of "42" were played with prizes going to Mrs. Roland Dauer for high score and to J. B. Jones for low.

Miss Hassell Given Kitchin Shower

Friends of Miss Ila Hassell, bride-elect of Jack Smith, honored her with a surprise kitchin shower in the home of Mrs. Tommie Stone, 1322 Mary Ellen, Valentine Day.

What Royalty Will Wear at a Party in Africa

For the Queen, For Princess Margaret, For Princess Elizabeth

Sketched above are gowns from the wardrobe created by leading London designers and milliners for Britain's Queen Elizabeth and the princesses to wear on their African tour. LEFT: Robe de style of aquamarine slipper satin with off-the-shoulder neckline, swathed with aquamarine satin and long cyclamen pink crepe skirt bordered with china blue. RIGHT: Dance dress of lime green taffeta, with low décolletage and low-set bouffant sleeves. Entire dress is embroidered with antique gold motifs. Norman Hartnell designed all three.

Protestant Churches of Pampa Join To Observe World Day of Prayer

A very successful interdenominational service was conducted Friday morning when the Protestant churches of Pampa joined to observe the World Day of Prayer in the First Presbyterian Church.

Beginning with a coffee at 9:30, served by the women of the Presbyterian Church, the program was opened with an organ prelude by Mrs. H. A. Yoder, followed by a solo "I Walk Today Where Jesus Walked" by Mrs. Beauford A. Norris of the First Christian Church, she also sang "The Lord's Prayer."

Mrs. O. T. Hildner from the First Christian Church, who was in charge of the program, gave the invocation. The World Day of Prayer service was prepared by a talented Indian woman, Mrs. Isabel Gabel, on the staff of Zwigg Christian College, Allahabad.

The program, which was divided into four parts, was presented by women from the four churches. Mrs. D. S. Buckner, Harrah Methodist, spoke on "The Value and Power of Prayer"; "The Concentration of Our Lives" was given by Mrs. Ben Ward, McCulloch Methodist; Mrs. A. L. Patrick, Church of the Brethren, used the theme "Lift Us Above Unrighteous Anger and Misrule into Faith and Hope, and Charity"; and Mrs. Ralph Cannon, Episcopal Church, presented the theme "In All Things Draw Us to the Mind of Christ."

An offering of \$70 was collected to go to four special funds as presented by Mrs. W. R. Campbell, First Methodist; migrants, American Indian schools, Christian literature, and Union Christian Colleges, Ben Ward, McCulloch Methodist, pastor of the Presbyterian Church, pronounced the benediction.

Miss Hassell Given Kitchin Shower

Friends of Miss Ila Hassell, bride-elect of Jack Smith, honored her with a surprise kitchin shower in the home of Mrs. Tommie Stone, 1322 Mary Ellen, Valentine Day.

A dinner was served from gayly decorated tables using the Valentine motif. Baskets of heart candy were used as place cards and favors. A red and white rose corsage was presented to the honoree.

After the girls were opened the group attended the theatre. Ursula Jones, Maurine Jones, Margaret Dial, Mrs. French, Beth Karr, Tommie Stone, and the honoree.

The opening prayer was given by Mrs. A. H. Richey, Mrs. L. A. Baxter gave the devotional, and the closing prayer was led by Mrs. J. S. O'Brien.

Others attending were Mesdames H. C. Wilkie, T. H. Baker, W. E. Towe, J. E. Reeves, P. G. Turner, A. N. Thorne, D. W. Slaton, J. Young, J. B. Barrett, Cora Patterson, Ida Barton, and Mamie C. Hartgroves, and the following guests, Mesdames F. M. Baker, and Paul Barrett, and O. R. Wasson of Guyton, Okla.

Refreshments were served from a lace-covered table decorated with United States and Chinese flags, carnations, and candles, also carrying out these colors. Flowers of the same hues were also used throughout the entertaining suite.

One giant Tasmanian Crab has enough meat to serve 10 people. Some weigh as much as 20 pounds.

Mrs. Kiser, the former Miss Patsy Sue Horton, was honored at a miscellaneous shower given recently by Mrs. Gene Horton in the home of Mrs. Bert Kiser, 728 Buckler.

The honoree was presented with a corsage of red rose buds by the hostesses and Miss Pat Cunningham sang "For Sentimental Reasons." Refreshments of cake and coffee were served.

The next meeting will be held in the home of Mrs. Falkenstein, 1208 Myrtle, with Mrs. M. McDuffie and Mrs. Oscar Huff acting as co-hostesses.

Members of the Bell-Home Demonstration Club and their families were entertained, recently with a "42" party at Bell School.

Mr. and Mrs. Connor O'Neal were host and hostess for the evening. Several games of "42" were played with prizes going to Mrs. Roland Dauer for high score and to J. B. Jones for low.

Cherry pie was served to Mr. and Mrs. Roland Dauer, Johnnie Mae and Alvin Dauer, Mr. and Mrs. J. E. Jones, Mr. and Mrs. Ernest McKnight, Mr. and Mrs. Emmett Osborne and Billie Mae, Mr. and Mrs. H. H. Keehey, C. Erauch, Mr. and Mrs. D. L. Collis, and Mr. and Mrs. Connor O'Neal, Adonna, Betty, Jerry, and Peggy O'Neal.

OUR CIVIC CLUBS

Jaycees—Tues. Palm Room.
Rotary—Wed. Palm Room.
Lions—Thurs. Meth. Church.
Kiwanis—Fri. Meth. Church.

Week's Activities

JAYCEES—Noon session this past week was rather routine, but on Friday night members enjoyed a stag dinner at the Palm Room, afterward moving to the Southern Club for further program features. Jack Nimmo, president of the chamber, announced the latter part of the week that the Broadway hit, "Life with Father," would be presented here the proceeds to go to the Community Center fund. "Life" has played for eight years running on Broadway. A New York troupe will enact the performance, details of which are to be announced later.

ROTARY—Boy Scouts of Troop 20 sponsored by the club, and Cub Scouts of Pack 4, entertained with

their scoutmasters, at this past week's luncheon, which was held on Monday, instead of the regular meeting day. Charles E. Powell, scoutmaster, and his Scouts presented a program of knot-tying and demonstration of Morse and semaphore signaling, and fire-by-friction. The scoutmaster narrated on the subjects. Duties of a troop committee were explained by Scout Executive Hugo Olsen.

LIONS—Lions, who have a penchant for the novel, made members conscious this past week of the forthcoming Clio Minstrel by conducting such things as announcements in Negro dialect. A good deal of fun was had. Dr. Roy A. Webb, in charge of ticket sales for the show, said members of the Kat La Rosa, Sub Deb and Las Creas Clubs will sell the tickets. Dr. H. L. Wilder gave a discussion of atomic power.

KIWANIS—Two new members were taken into the club: Leo Udansen, manager of Levine's; and Carlton Nance, 721 E. Kingsmill. Four-H Club boys from Gray and Roberts Counties were guests of the club. Vic Joyner, who is assistant county agent, introduced them and the agent from Roberts County, L. E. Breeding, who spoke briefly. Joyner outlined some of the purposes of the 4-H and FFA work in the counties, and made note of the fact that the boy guests will have livestock to show and sell at the Livestock Show and Sale tomorrow and Tuesday at Recreation Park barns.

Homes' Executives Form Organization

CALLAS—A "Southwestern Association of Executives of Homes for Children" was formed at meetings last week at Buckner Orphan Home here. Represented were executives from children's homes in Texas, Arkansas, New Mexico, Colorado and Louisiana.

HOOVER HEADS HOME

LONDON—Herbert Hoover left yesterday by plane for the United States. He has been making an European survey for President Truman.

Choice Panhandle Stock Sent to Ethiopia

Panhandle Ships 108 Head Beef Breeding Stock

This weekend, there sailed from Newport News, Va., a ship containing 350 head of choice beef breeding stock. Destination, Ethiopia, was down on the tip of Africa. Among the stock were 101 two-year-old heifers and seven sires from this area.

Clyde Carruth, as head of a local group called the Project Committee, drove about 1,600 miles over a three-week period to bargain for this area's allotment. The heifers were purchased from L. A. Maddox and Bob McCoy; the sires from J. B. Talley and C. W. Barker.

This idea of supplying war-torn countries with beef and dairy stock is not new. It was begun seven years ago by the Church of the Brethren, when Spain was held in the throes of war. But since then, and after years of charitable work by that church alone, the movement has been augmented with help from others. Now the movement known as the Heifer Project Committee, represents The Evangelical and Reformed Church, Northern Baptists, Mennonites, Rural Life Association, Fellowship of Reconciliation, Catholic Rural Life Conference and the Methodist Overseas Relief.

To date, the Project has given and placed around 4,000 high quality dairy cows with needy families, hospitals and orphanages over the world. Around 800 were shipped to China in December, and these have been carefully placed where the need is greatest. When the present shipment arrives in Ethiopia, it will be placed under the supervision and care of the government and a church mission. Trained men from the U. S. will supervise the rehabilitation program. Ready response was given the

TWO HEREFORD BULLS, taken from the C. W. Barker ranch at Gageby, Texas. Five other registered breeding stock are being sent to Ethiopia, in a program of beef rehabilitation for that land.

first program, which was the purchase and shipment of heifers to Europe, where there was dire need for milk. From that program was conceived the idea of sending beef cattle also. The Ethiopians have not had sufficient beef stock since the Italians invaded and overran the country in the early '30's. Investigation of need was made by officials of UNRRA.

Ethiopia, larger than Texas, has a high percentage of grazing land on high plains ranging from 4,000 to 10,000 feet in elevation. UNRRA was unable to carry out the project, so it was turned over to the Heifer Project Committee.

On Dec. 23, at the invitation of the Rev. Russell G. West of the Pampa Church of the Brethren, Ben G. Bushong, who heads the Heifer Project, flew to Pampa to study the cattle industry, preliminary to buying cattle here for the project. He was impressed with what he saw, and before he left he

and sacrificial attitude of the selfless Americans in help to the Siamese people is proving that there are still good people in the world despite of the hatred in warfare and that love didn't die and never will in human hearts.

Some of the letters, though unladen with a pathos born of war and privation, are somewhat comical in tone. An example:

"When I learned that I am among the beneficiaries . . . and have to fetch the cow from you, I got released from the nightmare."

Then there is deep emotion: "Some weeks ago," writes another, "I was advised by our local national committee to go to Moravaka Ostrava, where a cow shipped from USA is ready for me; I could not believe it, but it was true and when I brought her home we all wept being deeply touched by the generosity of yours."

Such letters, graphic in their picture of feeling toward the people of America, are accumulating as time goes on and this program gains more momentum. This con-

Send Your Wishes Via FLOWERS

The loveliest way to send best wishes is to send her a bouquet or corsage of her favorite flowers. There is nothing more pleasing than magnificently arranged flowers.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of liquid Barconate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoons twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly blot disappears—how much better you feel. More alive, youthful appearing and active.

THINK IT OVER
LOS ANGELES—(AP)—Superior Judge E. D. Doyle told Frank D. Walz, 78, retired hotel clerk, and his wife, Maude, 68, married for more than 50 years, that it would be "a shame" for them to be divorced and directed them to think it over at least until June 9.

Child Custody Award Is Made

A golden-haired girl, who had been in ill health, was given into the custody of a local family Friday afternoon by District Judge Lewis M. Goodrich.

The child, only eight years old, was declared a neglected and dependent child by the Court and was turned over to the family "until further orders of the Court."

County Attorney Bruce Parker informed the Court that the little girl had been in poor health and was not getting along in school until this family took her into their home. There, under careful guidance and medical treatment, she improved physically and is now perfectly happy.

At present the child's mother is a patient in the Wichita Falls Mental Hospital. Her father, it was revealed, is unable to properly take care of her. So the Judge turned the child over to the couple.

The case was not contested.

Prior to the custody case Judge Goodrich granted two adoptions, and three divorces during the afternoon session.

SUPPLIED OUR RUBBER
British Malaya and the Netherlands East Indies supplied more than 85 percent of the U. S. imports of rubber in the years immediately preceding World War II.

It is possible to make vinegar from honey.

Dull Day: No Cases Corporation Court

Corporation Court Judge Clifford Braly came and went yesterday morning without hearing one single case—either traffic, intoxication or disturbance of the peace.

Reason: no cases listed for hearing.

Krug to Arrive in Shanghai Today

SHANGHAI—(AP)—U. S. Secretary of Interior Krug and a party of 13 are scheduled to arrive in Shanghai today. The group has been inspecting American islands in the Pacific in connection with their possible future civil administration.

Yugoslavia Protests Border Incidents

BELGRADE—(AP)—The Yugoslav government sent two notes to the Allied Control Commission for Austria yesterday protesting what were described as border incidents and plans to settle 120,000 to 140,000 German peasants in Southern Austrian territory claimed by Yugoslavia.

Consistency Is Firms' Policy

Consistency in classified, as well as display, advertising is the policy of a number of Pampa merchants, a check of the files at The Pampa Daily News Office will disclose.

The Classified Department has announced that one business concern has not missed advertising in the paper for the past seven years. And, come April 11, another will have had a successive ad in the paper for seven years.

The oldest consecutive advertiser in the Classified Section, it was reported, is the Des Moore Tin Shop, 111 East Kingsmill. The first contract was signed Jan. 24, 1939; and the second is Irwin's New and Used Furniture, 509 W. Foster. That business has contracts dating as far back as April 11, 1939.

The next oldest is the contract of the Thompson Hardware Co., located at 113-North Cuyler St. It was signed Aug. 1, 1939.

YOUR OLD TIRES are WORTH MONEY!

BRING THEM IN NOW FOR A LIBERAL ALLOWANCE ON RIVERSIDE TIRES

14⁷⁹ Less Trade-in Allowance
Federal Tax Extra Size 6.00-16

Size	Price* Tires	Price* Tubes
4.40/4.50-21	\$12.25	\$2.25
4.75/5.00-19	12.25	2.35
5.25/5.50-18	13.40	2.65
5.25/5.50-17	14.65	2.65

*Plus Federal Tax

Yes, your old tires are worth money! Bring them in today and let Ward's Tire Man appraise them. He'll give you a liberal trade-in allowance on new Riverside Tires! Yes, change to Riversides—the tires that won 441 of 569 recorded auto races last year. Remember—auto-race drivers who can choose any tires, deliberately buy "stock" Riversides—the very same tires YOU buy right in Ward's Stores. Trade in your old tires on smoother-riding Riversides!

TIRE RECAPPING AT WARDS—Your smooth tires are RECAPPED with hottest care at Wards. That means months of extra wear from your present tires. Let Wards re-cap them now!

Ask about Wards "Miracle" butyl tubes that cost less than most other tubes!

10% Down and \$6.00 a Month
Buys Four 6.00-16 Tires!

1—Card of Thanks

Dear mother, in that country
To which your child's gone,
There are no scenes of sorrow,
No night succeeds the dawn,
But radiantly happy.
For evermore they stay,
Who dwell among the angels,
Where tears are "wiped away."
Christ mourned at tomb of Lazarus.
He realized the loss—
The darkness of "the valley."
The shadows of the cross.
The bitter grief at parting.
The pain that mothers feel.
He went, though he was ready.
The human grief to heal.
Oh, there are tears for dying,
And heart-break for the grave;
But Christians should be brave.
There's a loneliness and sighing:
For one who passed before us.
"Come back that we might see
That soul-life is eternal."
I will not leave you comfortless;
I will come to you John 14:18.

PAYNE
We wish to express our sincere appreciation to our many kind friends and neighbors who did so much to help us bear our grief in the loss of our beloved daughter, sister, granddaughter and niece, Virginia Irene Payne, who passed away Feb. 19 at the age of two and one-half years. We especially wish to extend our gratitude to those who prepared the food for the lovely flowers and comforting words. We especially wish to thank membership and ministers of Calvary Baptist Church, First Baptist and Church of God for their contributions.
Mr. and Mrs. Homer Wedgeworth, R. D. Payne, Alene Payne, Connie R. Louise Wedgeworth,
Mr. and Mrs. Marcus Phillips,
Mr. and Mrs. A. P. Payne,
Mr. E. R. Britt.

PANHANDLE BRIEFS

Members of St. Joseph's Hospital Auxiliary announced last week that funds have been contributed by Wellington firms for the purchase of a fracture bed to be used in St. Joseph's Hospital by patients suffering from broken or fractured bones. The fracture bed is an all-purpose bed with a multiple-position spring bottom.

The Deaf Smith County Board of Trustees met last week and, after canvassing the returns of the school election of Feb. 8, officially ordered the formation of the Hereford Rural High School District. The official vote in the election was 668 votes for the proposed consolidation, 354 against. The new school district will include the Hereford Independent School District and all of Common School Districts 2, 4, 5, 7 and 8.

In what may prove the most significant election conducted at West Texas State in several years, students will voice their opinions of able leadership Friday, Feb. 28, when they vote on candidates for seven positions—two Student Association officers, two Senators, two top-raters in the realm of personality and a vice president for the freshman class.

Only Association leader still in school, Margaret Lair, secretary-treasurer, has announced the Senate decision to set Friday noon as the final deadline for petitions to be left with Registrar D. A. Shurley, who will check nominees for eligibility.

Groom business men and citizens of this community have been generous in making contributions for a building for the Groom American Legion post. The building fund drive which opened last week has received unanimous support of the citizenship and, according to late reports of the finance committee of the Groom Legion, it appears that funds for a building are assured.

Lester McLain, chairman of the Spearman Chamber of Commerce Highway Committee, who accompanied the commissioners' court of Hansford County on a trip to Austin last week, is enthusiastic about the good accomplished as result of the trip.

Representatives of Gruver, Spearman and Perryton made the trip to meet the Highway Commission in making a request for designation of an east-west road from Canadian highway to Stratford and other Hansford County farm-to-market roads.

The annual Denley County Dairy Show will be held April 9, according to J. R. Gillham, secretary of the dairy association. The show will be held at this time to aid in the selection of the county's groups of Holsteins and Jerseys to exhibit at the annual Panhandle Plains Dairy Show. The Plainview Show will be held April 12 according to Gillham, a director of the show.

Undertaking quite a large project and a most worthy one, the Canyon Lions Club is going all out in promotion of a library building for the Randall County Library which is now located in the Court House. The first step in raising funds for this project is the sponsoring of the College Variety Show in two appearances this week. The first show will be on Feb. 24 at Canyon High School Auditorium and the second show will be the following night, Feb. 25, at the College Administration Building.

So serious is the threat of the dread foot and mouth disease to the livestock industry of the United States, the House committee on agriculture has asked Congress to pass measures which would provide cooperation between the country and Mexico to eradicate the disease. Congressman Eugene Worley, a member of the committee, stated in a letter last week to the McLean News.

The 1947 Red Cross Fund Campaign will open in Miami and Roberts County on March 1, according to an announcement made last week by Mrs. Leo Paris, acting chairman of the Roberts County Chapter. This year's quota of \$493 is slightly more than half of that asked for in 1946—\$946.

With his two Angus calf entries, Max Pearson carried away all major prizes Wednesday at the Ochiltree County Junior Livestock Show sponsored by the Perryton Chamber of Commerce.

His 740-pound Angus calf took top honors in the junior division and his 1,000-pound Angus calf won first place in the senior division.

Services Held for Cisneros Infant

Funeral services were held yesterday afternoon at the Baby Garden in Fairview Cemetery for Lynda Anne Cisneros, infant daughter of Mr. and Mrs. Lee Cisneros, 428 N. Dwight.

The child was born Nov. 18, 1946, and died Friday afternoon in a local hospital.

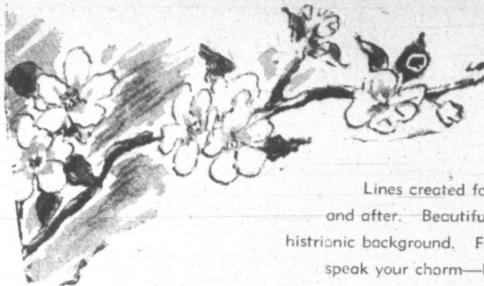

Besides her parents, she is survived by a brother, Ronnie; her grandparents, Mr. and Mrs. Alfred Cisneros, La Feria, Texas; Mrs. Olga Farmer, Pampa, and Bryant Farmer, Kirbyville.

Officiating at the services was the Rev. Father Otto Meyer of the Holy Souls Catholic Church. Duenkel-Carmichael service.

Bakers Fined for Shortweight Rolls

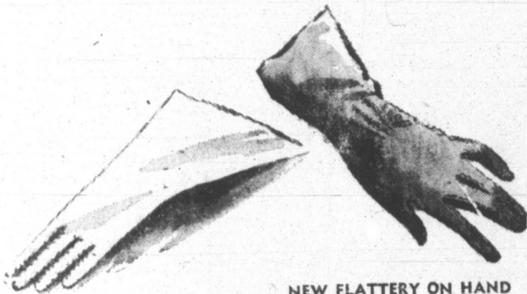

MEXICO CITY—(AP)—Forty-five bakers were fined from 1000 pesos (\$200) down yesterday for selling shortweight rolls. The heaviest fine was for a baker in the fine residence district where many Americans live. Price control officials said the rolls weighed only two-thirds the official standard.

PEARL MANEUVERS
PEARL HARBOR—(AP)—The powerful United States Pacific Fleet—declared by its chief to be again fully operative—began taking positions yesterday for its first full-dress post-war maneuvers.

THE DRILLER'S LOG

By Bob Bray

Last week the Phillips Petroleum Company increased their already heavy holdings in this county, when they took approximately eight more sections, 14 to 17 and 2 through 7, of the land adjoining the Rockwell County School Land on the west.

The Oil and Gas Division of the Railroad Commission here, last week tested two oil wells and five gasers. The oil wells, the No. 3 First National and the No. 6 Huselby tested 102 barrels and 43 barrels of oil in 24 hrs. pumped.

The gasers, the No. 1, Kenson, Sal, Anderson, Otis Phillips and the No. 2 Otis Phillips tested a total initial potential production of 22,585 mcf daily.

We recently enjoyed Claude Barrow's "Slush Pit" column in the February 19 "Daily Oklahoman". In part Barrow says, "The petroleum industry picked a good time to start its public relations program, for the public has already forgotten the fact that the industry's part in the war was outstanding and was one of the few industries that drew no backfires, no scandal, no criticism."

More Barrow — "The industry needs friends, those who will come to you when you are in need and help relieve your burden," as Keaton Arnett explains. The industry needs friends who will tell the truth, who will deny false reports, who will criticize with an open mind.

Never has there been a time that the industry was more in need of the support and understanding of the people in general. With constant threats of more government control based on vague apprehensions of a country deplete of crude petroleum, it is up to the industry to point out and explain to the people the advantages of a balanced control program. It cannot be, and in most cases it not, denied that strict oil and gas conservation is a must to the industry as well as the landowner and the public in general, but as we all learned during the war, control can, and often is, overdone.

One of the best ways that we for the people of the industry and the business men of this community to become better acquainted, (Continued on Page 16)

Twelve 'To Drill Notices' Filed During Past Week

An even dozen notices of intent to drill were filed at the local Railroad Commission Office, during the past week.

Hutchinson County far surpassed other localities in the notice to drill report with seven of the twelve locations being made in that county. Other planned tests were widely scattered with one well being located in each, Gray, Carson, Cottle, Hale and King Counties.

Carson County—L. A. Helms, C. W. Bobbitt No. 2, I&GN Survey, 997' from N and W lines of Sec. 66, Blk. 7, 5 miles SE of White Deer.

Cottle County—Anderson Prichard Oil Corp., Bettie L. Wooley No. 1, Bettie L. Wooley Survey, 467' from SW and E lines of Survey, 14 miles SW of Paducah.

Gray County—Phillips Petroleum Company, Nancy No. 1, H&GN Survey, 330' from N and E lines of SW/4 Sec. 189, Blk. B-2, 16 miles SW of Pampa.

Hale County—Stanford Oil and Gas Co., J. B. Sneed "B" No. 1, 660' from N and E lines of SW/4 Sec. 189, Blk. B-2, 7 1/2 miles NE of Antlon.

Hutchinson County—Dave Rubin, Barnhill No. 11, G. Martines Survey, 660' from N and E lines of Lot 35-Carver Lands, 9 miles NW of Stinnett.

Hutchinson County—Dave Rubin, C. C. Whittenburg No. 5, Wm. Neil Survey, 330' from N and 330' from W lines of Lot 20-Carver Lands, 9 miles NW of Stinnett.

Hutchinson County—Dave Rubin, C. C. Whittenburg No. 6, Wm. Neil Survey, 330' from E and N lines of Lot 22-Carver Lands, 9 miles NW of Stinnett.

Hutchinson County—Shamrock Oil and Gas Corp., Ryan No. 3, T&N Survey, 2522' from N and 330' from E lines of Sec. 1, Blk. M-24, 5 miles W of Pringle.

Hutchinson County—Texoma Natural Gas Co., S. B. Burnett No. 5, 6-G, I&GN Survey, 1840' from E and 1520' from N lines of Sec. 126, Blk. 5, 3 1/2 miles S of Borger.

Hutchinson County—J. W. Gayden and B. G. Cree, Parks No. 5, D&P Survey, 1320' from E and 330' from SW/4 Sec. 3, Blk. R-2, 10 miles NW of Stinnett.

Hutchinson County—Humble Oil and Refg. Co., Bateman Trust Estate No. 30, J. E. Rector Survey, 6922' from N and 1600' from W lines Sec. 117, Blk. "A", 6 miles of Guthrie.

A person carries three extra miles of blood vessels for every five pounds of superfluous fat.

News of Interest To Oil Men

Sunday, Feb. 23, 1947 PAMPA NEWS PAGE 15

Seventeen Commencements Reported In Area Last Week

Seventeen commencements, one of which is a shallow wildcat test, were reported in the area last week.

The wildest is the Teel Producing Company No. 1 D. R. O'Gorman and is located in Wheeler County. It is a proposed 2600' test.

The commencements came in from six counties with Hutchinson County leading the starts with five, Gray County and Texas County, Oklahoma, next with four each, Sherman County reporting two, and both Wheeler and Carson Counties one each.

Gray County Bert Robinson, No. 3 A. Bryum, pro. 3000' test located 990' fr. N. and 350' from W of E/2 of SE/4 of Sec. 189, Blk. 13, I&GN Survey.

Champlin Refining Company, No. 10 Cook-Faulkner, pro. 3000' test located 908' fr. N and 870' fr. W. of E/2 of NW/4 of Sec. 30, Blk. B-2, H&GN Survey.

Champlin Refining Company, No. 11 Cook-Faulkner, pro. 3000' test located 908' fr. N. and 806' fr. E. of W/2 of NE/4 of Sec. 30, Blk. B-2, H&GN Survey.

Phillips Petroleum Company, No. 1 Nancy, pro. 3100' test located 2310' fr. S. and 2310' fr. W. of Sec. 189, Blk. B-2, H&GN Survey.

Hutchinson County Texoma Natural Gas Company, No. 6-G Burnett, drilling below 400' on proposed 2200' test located 1320' fr. N and 1840' fr. E. of Sec. 126, Blk. 5, I&GN Survey.

Dave Rubin, No. 5 Whittenburg, pro. 2900' test located 330' fr. N. and 330' fr. W. of Lot 22, Blk. 3, Wm. Neil Survey.

Gavden and Cree, No. 5 Parks, pro. 2900' test located 330' fr. S. and 330' fr. W. of Sec. 3, Blk. R-2, D&P Survey.

Dave Rubin No. 11 Barnhill, pro. 2900' test located 330' fr. S. and 330' fr. W. of Lot 35, Blk. 2, G. Martines Survey.

Dave Rubin No. 12 Barnhill, pro. 2900' test located 330' fr. N. and 330' fr. E. of Lot 43, Blk. 2, G. Martines Survey.

Shamrock Oil and Gas Company, No. 13-D Pierce, pro. 2900' test located 2640' fr. E. and 2640' fr. S. of Sec. 56, Blk. 1-B, CH&H Survey.

Shamrock Oil and Gas Company, No. 5-D Pierce, pro. 2900' test located 2640' fr. E. and 2640' fr. S. of Sec. 307, Blk. 1-B, T&NO Survey.

Harrington and Marsh, No. 1 Hoeme, pro. 2800' test located 180' fr. S. and 180' W. of center of Sec. 1-5N-17E.

Harrington and Marsh, No. 1 Russell, pro. 2800' test located 180' S. and 180' W. of center of Sec. 6-5N-17E.

Harrington and Marsh, No. 1 Ziegler, pro. 2800' test located 180' S. and 180' W. of center of Sec. 5-5N-17E.

Republic Natural Gas Company, No. 1-Z Miller, rising up rotary for pro. 2800' test located 300' N. and 100' W. of center of Sec. 18-6N-14E.

Whelan Company, No. 1-D R. O'Gorman, pro. 2600' test located 1650' fr. N. and 330' fr. E. of Sec. 98, Blk. 17, H&GN Survey.

Teel Producing Company, No. 1-D R. O'Gorman, pro. 2600' test located 1650' fr. N. and 330' fr. E. of Sec. 98, Blk. 17, H&GN Survey.

Republic Natural Gas Company, No. 1-Z Miller, rising up rotary for pro. 2800' test located 300' N. and 100' W. of center of Sec. 18-6N-14E.

Nine New Wells Completed in This Area Last Week

The heaviest oil producer reported completed in the area last week was the Sunray Corporation's No. 9 Cook in Gray County, that was brought in for an initial daily potential production of 280 barrels.

Leading gasers was the Phillips Petroleum Company's No. 1 Stem in Moore County that was tested for a daily potential of 50.4 million cubic feet of gas.

A total of nine wells were reported completed and one was abandoned.

Wells were scattered over a wide area with two in each Gray, Hutchinson, Moore Counties, and Texas County, Oklahoma, and one in Sherman County.

Gray County Luther Pierson, No. 1 Fee, gas, located in Sec. 176, Blk. 3, I&GN Survey, TD 2614; Natural; IP 7475 mil. cu. ft. gas; RP 310; LP 2452-2614.

Sunray Oil Corporation, No. 9 Cook, oil, Sec. 30, Blk. B-2, H&GN Survey, TD 2103; Natural; IP 208 bbls. oil pmp. in 24 hrs.; LP 2834-2895.

Hutchinson County J. M. Huber Corporation, No. 1 Otis Phillips, gas, Sec. 2, Blk. 1, BBB&C Survey, TD 3295; PB 3215; Acid 10,500 gal.; LP 1.9 mil. cu. ft. gas; RP 294; LP 2967-3215.

Love Has Two Faces

By Irene Lonnen Ernhart

XXV

THE room seemed to swim for an instant before Cassie's eyes. Leni picked up her black kitten and began to stroke its silky fur so that it purred loudly. "Mike and I, as a matter of fact, had cocktails at the Mandarin Club. We talked over old times."

"How is he?" The words were trite, but they were all that Cassie could manage.

"Very prosperous, to say the least." Again that mocking look in Leni's eyes. Shrewd appraisal, too. "And he asked all about you. He's coming down to Mortonville two weeks from tomorrow. Said he'd phone you."

Cassie got up from the table. "Cassie, aren't you going to finish your pudding?" Mama whined plaintively.

"I'm not a bit hungry. I shouldn't have taken the pudding."

Leni followed her out, still carrying the kitten. They went upstairs. "He wanted to know how you and Parker were making out, and I told him."

"Leni, you have no right to discuss my personal affairs with anyone—much less Mike."

"I told him it looked like a complete bust-up to me." Leni's laughter rang hollowly.

Two weeks from tomorrow! Mike would phone her! Cassie picked up a book and turned on the bed lamp and flung herself across the bed. She pretended to read, and presently Leni went away.

The two weeks crept by. There was no word from Parker. The house seemed strange without him. The morning Leni had said Mike was to phone her she dressed with feverish care. The brown suit, a guilty extravagance at \$60, was worthwhile now. It gave her a sleek, well-groomed look. And the brown pixie hat with the tall feather was smart too. Her hair, just washed, curled under just right.

Leaves From a Correspondent's Life Note Book

By HAL BOYLE

HIALEAH RACETRACK, Fla.—(AP)—At the ripe old age of 35 years 11 months and 25 days I have learned a wonderful way to make money.

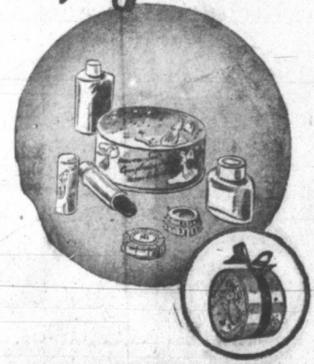

You go to a place called a racetrack where horses chase each other around like the hands on a clock. You push \$5 through a little iron grill, tell the man what horse you have decided will win. Then you come back later and the man gives you more money than you put down.

How long has this been going on? Why doesn't everybody get rich? It's so simple.

I had never seen a horserace in my life until I came here to Florida last week. I went out to Hialeah with a couple of friends and the suggestion was made that I

New Make-up Color by Helena Rubinstein Heavenly Glow

with each other and each other's problems, is to take membership and attend the American Petroleum Institute, Panhandle Chapter, meetings. The only barrier between people that keep them from being friends, is nearly always a lack of each other's problems and interests.

Next meeting of the Panhandle API is set to begin at 7:30 in the Palm Room, Tuesday night. The subject for discussion is "Prime Movers."

It was announced recently that the pay zone of the Standard's No. 1 Field in Hale County is in the Cisco Zone of the Pennsylvania age.

One of the local scouts admitted that oil news was a shade light

this week but ~~and~~ knew one on our new district attorney that many would find hard to believe. The story goes—long after midnight one night (that we know of) last week, Tom was found on his hands and knees, cleaning and scraping paint off the bath tub with a razor blade. Looks like he's going to be a successful husband as well as DA.

Army Accomplishes New Instrument Feat

WHITE SANDS, N. M. (AP)—The Army has succeeded in parachuting a one-ton instrument filled warhead of a German V-2 rocket from a height of 63 miles, more than twice the altitude which the Germans thought possible.

The feat was accomplished with two parachutes. The first drop of about 40 miles was handled with one eight feet in diameter. Another 14 feet in diameter was released then by an explosive charge. The warhead took 50 minutes to come down. It drifted about 25 miles.

With radar and a helicopter, the instruments were located immediately, solving a difficulty which has beset previous attempts to obtain data on the upper atmosphere.

Lt. Col. Harold R. Turner, proving ground commandant, forecast that cameras in the warhead had obtained extraordinary photographs.

NOT FOR IMPROVEMENT—The ancient Romans used prisons only for detaining accused persons until they could be brought to trial or executed, not for prison terms.

Cabot Companies Safety Banquet Held Last Night

About 400 employees representing 12 Cabot Company plants were entertained at a safety banquet held last night at the Herring Hotel, Amarillo.

This annual affair, started in 1930, is held to honor all plants that operate for a year without a lost-time accident. This year's 12-plant attendance is a record, it was said. Only five plants were represented in 1946.

In attendance were employees of the perfect-record plants, foremen and delegates from the various plants which failed to score perfect records, and honor guests who have worked 10 or more years without a lost-time accident.

Nineteen special awards were made to employees with no-injury records from 10 years up. Two men, R. L. Akers of Kermitt, and C. M. Martin of Pampa, hold the company record of 20 years without a lost-time injury, it was reported. The total injury-free years of no-injury awards amounted to one man working for

IT CAN HAPPEN—The Ford auto above is shown after it was set upright following a "roll" four miles east of Pampa on the Miami highway Tuesday afternoon. One of the three occupants of the car, none of whom was reported hurt seriously, said they were forced off the road by another car and "our car started skidding on the soft shoulder and started rolling." The car is pretty badly damaged, frame was apparently twisted.

270 years. Attending from the Godfrey L. Cabot, Inc., office at Boston were Thomas D. Cabot, treasurer of the parent company; Ralph Bradley,

vice president; Mrs. Bradley, daughter of Godfrey L. Cabot; and R. G. Allen, vice president. Russ Allen, Boston, former manager of the Southwest Division, Cabot Companies, acted as toastmaster; arrangements were made by Don M. Conley, safety director of the company. Mrs. Bradley presented the safety awards. Ben Guill, master of ceremonies, presented a group of Cabot women employees in a beauty parade.

MUST KEEP MOVING
If our earth should come to a halt in its travels around the sun, it would begin falling toward the sun, and in two months would crash into it and be burned up.

In Illinois, more than 1,000,000-000 gallons of water are used daily for all purposes.

Legal Records

Marriage Licenses
County Clerk Charlie Thut Friday granted licenses to wed to the following couples: Thomas M. Watson and Pauline R. McPhillips; I. N. Schones and Mrs. Martha Skages; and Paul Osburn and Maud Dalton.

COPS' TEMPERATURES UP
BLOOMINGTON, Ill.—(AP)—Police men at the Bloomington station daily for months have given the correct time and temperature to an unidentified woman telephone caller who said she was "too poor" to buy a radio and get the information. Finally they had an old radio repaired as a gift for the caller but

before giving it to her once officer investigated. "She lives in a better home than any policeman could afford and she has a fat bank account," he told his fellow officers. The radio went to the police club rooms. The woman calls every day for the time and temperature.

FOR A PROGRESSIVE PAMPA

WE ADVOCATE the following improvements which we believe will help make Pampa a better place in which to live.

1. Better drainage and sewage for ALL of Pampa.
2. Improvement and paving of ALL city streets as funds become available.
3. Increase the purchasing power by encouraging the industrial and commercial development of the city.
4. Closer cooperation with all civic and education groups for the improvement of all recreational centers and beautification of all city parks to be used by ALL Pampa children.
5. Definite cooperation with all agencies in construction of the underpass at the Hobart Street Crossing.
6. A thorough study of the operation of each city department with the view of increasing its efficiency.

God Church

Each of the above candidates, having witnessed the growth of Pampa from a town to a city and fully acquainted with all its problems feel they are qualified to properly administer the affairs of the city.

Each candidate, in representing the best interests of his ward, will keep the idea constantly in mind that the commission must work with a unity of purpose that will mean a compact and more efficient city government. In that manner, no one ward will receive any more, or any less, than its share of the benefits to be derived from such a government.

Reclamation Projects In State Dropped Due To Construction Costs

WASHINGTON—(AP)—The Interior Department said today rising construction costs had forced it reluctantly to drop its plans for the development of the Nueces River Basin and the Baffins Bay coastal area in Texas.

Oscar L. Chapman, acting secretary of the interior, said he regretted that circumstances required the action, and promised that "should there be a favorable change in conditions in the future, the department will be glad to consider the matter again."

Commissioner of Reclamation Michael W. Straus told Chapman that a Nueces Basin project would

SCOUTS DANCE the set in above scene which was snapped by Pampa Studio Co. during Scout-O-Rama at Junior High School Gym last week. The event, part of the Scout Circus, was enacted by members of Den 4, and under direction of Mr. and Mrs. A. A. Schuneman and Bill Heakew, the latter of whom trained the boys and called the dance. Inset shows "animals" in the circus, designed by members of Packs 4, 14 and 22. A giraffe, elephant and monkey are shown. About 1,000 persons saw the event, hundreds were turned away for lack of even SRO.

cost \$81,500,000 at 1946 prices, a 64 percent increase over the \$49,650,000 estimate for 1940.

Straus said the farmers of the basin, south and west of San Antonio, would be able to repay only a small part of the project costs chargeable to irrigation. He added that engineers could find no practical means of providing irrigation water for the Baffins Bay area, southeast of San Antonio in the Corpus Christi sector.

Wesley R. Nelson, reclamation bureau regional director at Amarillo, Tex., had prepared plans for constructing six reservoirs in the Nueces Basin, for irrigating 43,470 acres now irrigated by ground-water pumping.

Nelson said the water yield would be insufficient for generation of hydroelectric power at any of the dams.

Straus recommended against seeking congressional authorization for the project "at this time."

Chapman said he had approved Straus' report and forwarded it to the Governor of Texas and the Secretary of War for comment before its submission to the President and Congress.

Texas Today
By Jack Rutledge
Associated Press Staff

Kilroy wasn't around during the little misunderstanding during the Mexican War. But an individual named Cogle had the situation well in hand.

Cogle was the Kilroy of the war. He was born full grown at Matamorras, across the river from Brownsville. If you're up on your Texas

Expert washing, polishing and waxing, also tire and battery service.
McWilliams Service Station
424 S. Cuyler Phone 37

history, you'll know that was where General Zachary Taylor had his troops.

Kilroy was a mischievous sort of person. Cogle was a pretty tough character. This is how Cogle was born, according to Lloyd Lewis in the Chicago Sun:

The American Army of that day was small but confused. Volunteers were coming and going an three-months or six-months or one-year service. Officers rarely knew the men they commanded. Also, there were quite a few ruffians in the ranks.

The men were not models of military discipline. They stole horses. They stole serapes. They mis-

treated natives.

One day an officer sought a culprit for a minor misdeed. So Cogle was born. Who, the officer wanted to know, done it? Cogle done it. Where is Cogle? Well, he was down at the far end of the camp, maybe second tent from the end. When the officer got there, the men said Cogle had just been sent out on the plains to shoot deer for the commissary.

Cogle became the scapegoat for the men's crimes. The men blamed him for everything. Finally, of course, the officers caught on. But Cogle remained to confuse new officers.

He became so popular it was inevitable that rivals appeared. Kilroy had rivals, too—Clem and Sam and others. Cogle's major rival was Locks. But Locks didn't last long, and his name doesn't appear in the records as often as Cogle's.

Kilroy was usually worth a smile. But Cogle soon became mired in such serious charges that in time he and humor itself disappeared tracks.

TO THE VOTERS OF WARD No. 3
