Churchill Reports Failure To Reconcile Russia and Poland

Relations Among Big 3 Are Good

LONDON, Oct. 27.—Prime Minister Churchill told Commons today "a very good working agreement" had been reached with Russia on the problems of southeastern Europe, but acknowledged his efforts to end the Russian-Polish dispute, prime objective of his mission to Moscow, had not proved successful.

Likening himself to a wandering minstrel of diplomacy, Churchill said he and President Roosevelt should confer with Marshal Stalin before the year ends. But he declared that "all is solid, sure and sound" among the three Allies.

The prime minister summed up the results of his conferences with Stalin as "highly satisfactory" and underscored the necessity for dispersing misunderstandings and forestalling them before they occur.

"I am quite sure," he added, that no final result can be obtained until the heads of the three governments have met together, as I earnestly trust they may do before this year is out."

In one of the shortest reports he has ever made after a major conference, Churchill spoke only about 20 minutes. Commons granted his previously expressed plea that it refrain from using the report as the basis for a general policy debate.

He touched briefly upon the military situation.

Asserting that "we are in the last lap" of the European war, Churchill declared:

"Let all hope die in German breasts that there will be the slightest division or weakening among the forces that are crowding in upon them and will crush the life out of their resistance."

While he said recognition of the French provisional government heralded return of France to her rightful and historic role on the world stage, Churchill declared that the future of the world in the next few years depends upon united action by the United States, Russia and Britain.

"Other countries," he said, "will be associated, but the future depends on the union of the three most powerful Allies. If that union fails, if that succeeds a broad future for all nations may be assured."

He frankly acknowledged that a solution had not been reached in the long dispute between Russia and Poland.

"It is certainly not for want of trying," he said. "I am quite sure, however, that we have got a great deal nearer to it."

But, he said, Britain, Russia and the United States, "are all firmly

ALLIES DRIVE BEYOND NAZI CITY OF TILBURG

By WILLIAM L. RYAN
Associated Press War Editor

British armor drove beyond the doomed German citadel of Tilburg today toward the Maas (Meuse) river, wedging the battered German 15th army of Field Marshal Gen. von Model into an ever-dwindling loop between Lt. Gen. Miles C. Dempsey's salient and the sea.

Reeves Quits as Head of Board of City Development

Garnet Reeves, manager of the Pampa board of city development, last night tendered his resignation from the position he has held since 1936.

Giving notice that he would vacate the position on November 15, at which time he will go to work for the Panhandle insurance agency, Amarillo. Reeves expressed regrets of the necessity to leave Pampa.

The board, with President C. A. Hoff presiding, accepted the resignation, and expressed appreciation for Reeves' services.

A graduate of Plainview high school and Austin college, Sherman, where he was a member of the great Pete Cawthon grid teams of 1923 and 24, Reeves has spent over 20 years in chamber of commerce work, including the time he was connected with the Plainview chamber during its college days. He was also assistant to the secretary of the Lubbock chamber of commerce from 1925 to 1936 after which he came to Pampa.

Since coming to Pampa, Reeves assisted with the Panhandle centennial celebration, the Top O' Texas Festivals, and the Coronado centennial celebration.

He had a part in the negotiations for paving the Pampa-Borger highway which was completed in 1938, and with the commission for the construction of the Cuyler street underpass which was dedicated in 1941.

Reeves made three trips to Washington to discuss plans for building Lake McClellan, a \$600,000 project, which was finished in 1939. He took part in the designation of the Pampa to McLeans highway, which received Gray county of approximately a half million dollars worth of bonded indebtedness, and has been active in pushing the Pampa to Ferris highway which has been set up as a project by the highway department. This project will involve some \$2,000,000.

Reeves also made two more trips

A REASON WHY U. S. NAVY IS BEST

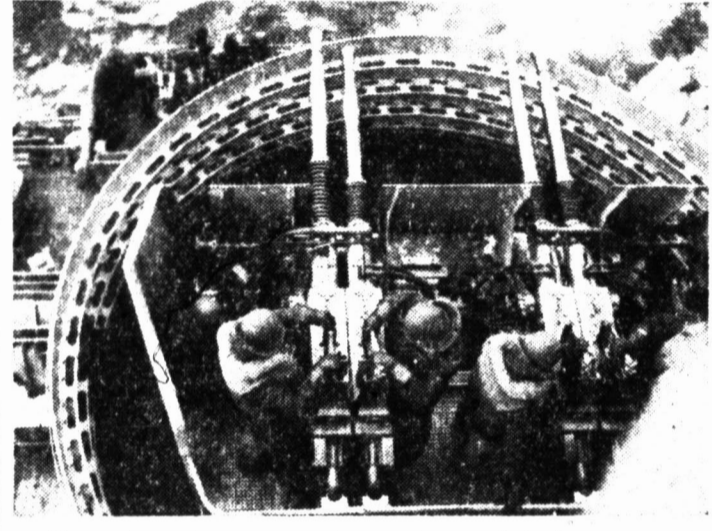

Photo above is an unusual view of one of the huge mounts for twin anti-aircraft guns aboard a modern battleship—such as helped beat the Japs this week. It was taken during action in the Pacific on the 45,000-ton USS Iowa. Ships of this "Big I" class are the American navy's deadliest surface weapons. We salute the navy today—this is Navy Day.

Navy Celebrates 169th Birthday Appropriately

WASHINGTON, Oct. 27.—The United States navy proudly celebrated its 169th anniversary today, all hands jubilant over what may prove to be its biggest victory in battle.

Excitement is evident throughout the navy as word spreads of the crushing defeat, handed the Japanese navy by the Pacific fleet.

But with it all there is a note of caution, from Navy Secretary Forrestal himself, who said last night that despite blasting of "30-odd Japanese warships," the enemy still has a sizeable fleet.

Official figures show that the fleet may total as many as 175 warships of all types, excluding submarines, and Forrestal says formally:

"Many remaining ships a sizeable fleet in themselves—remain afloat, more or less seriously damaged. As we know from our own experience, crippled vessels may be able to limp to port, undergo repairs and come out and fight again. Therefore, although the temporary damage which we have inflicted upon the Japanese navy is heavy, they may be able eventually to repair a part of that damage."

Regardless of the final count, there seems to be agreement that the Japanese fleet is crippled and never again can hope for any degree of success in a large-scale naval engagement. It must confine effort to local operations to harassment and logical operations to harassment of American convoys and small naval units.

One naval officer expressed much of the prevailing attitude of the navy at the Japanese "reoperation" in bringing about the Philippines battle by declaring:

"The Japs really gave us something to celebrate on navy day."

Similar opinions came from others in Washington, and the sense of security and strength built up by the fact that the navy is the strongest in world history daily becomes more evident.

Outstanding as an example of the confidence of high naval officers in the strength and power of the fleet is the release for the first time of resumes of battle history of 103 major warships—and the naming of their commanding officers, and oceans in which they operated, as of the middle of August.

These resumes show that at least 16 battleships and 37 cruisers are on Pacific duty, and at least four battleships and 10 cruisers were in the Atlantic area at the time of the invasion of southern France.

Also the navy disclosed for the first time by name, the commissioning of two big new battleships, the Wisconsin and Missouri, and two battle cruisers of a new type of ship described unofficially as "pocket battleships," and eight new cruisers.

Community Chest Gifts Are Small, Says Chairman

Pampa's community chest total today had reached \$6,800 of its \$21,000 goal, General Chairman J. W. German announced at noon.

German said many checks are being received in which donors are cutting their contributions 50 to 75 per cent below last year.

"We can't make our goal if this nation continues," German said.

Ed Weiss and Loh Langston, co-chairmen of the employees division, today had started their workers on a canvass of downtown stores and business houses.

The employees committee met last night for instructions and received supplies for their part of the campaign.

"We hope that every employee will follow the slogan of 'some day's pay from every employee'."

Chairman German said today that the boundary lines of the Pampa community chest are the same as those of the Pampa independent school district.

Former Commander Is Confident of Victory

CORPUS CHRISTI, Texas, Oct. 27.—(AP)—Rear Admiral Charles P. Mason says he believes the Japanese navy which lost at least 32 ships in a three-day Pacific battle with the U. S. fleet "hasn't been whipped yet."

The commander of the naval aviation base here told the Rotary club yesterday the Jap navy "probably still includes more ships than the U. S. had after Pearl Harbor" and we weren't whipped then.

Mason, who commanded the U. S. S. Hornet when it was sunk in the battle of Santa Cruz, said in his estimate the Japanese still have afloat ten battleships, twelve cruisers, 30 destroyers and at least 100 destroyers despite their losses.

Although he said there is a "tough job ahead," Mason predicted the U. S. navy in time would wipe out the enemy fleet and "make possible the defeat of Japan without invasion."

'BEDFELLOWS' OF WAR: Men of Many Races, Creeds Are Banded Together to Fight Foe

By PAUL MORTON
Representing the combined Allied Press

ROME, Oct. 27.—(AP)—Behind enemy lines in northern Italy men of many races, creeds and political opinions are fighting one of the strangest campaigns of the war.

It is being fought by the Italian patriots and a strange group of allies—escaped prisoners of war, British and American airmen shot down over enemy territory, German deserters and runaway conscripts, and trained British officers who have parachuted into the area to establish liaison with the allied forces attacking from the south and

American Fleet Loses Six Warships in Big Battle

By LEONARD MILLIMAN
Associated Press War Editor

The Japanese cabinet met today to discuss "matters requiring immediate attention"—possibly to hear that the imperial fleet was irreparably damaged in the three-fold Philippine naval battle.

Sweeping new gains of MacArthur's men in the Philippines, a startling 60-mile advance by a Japanese column in China, and a Tokyo claim that 42 Superforts were destroyed at their Chinese base may also have been on the cabinet agenda.

News dispatches from the western Pacific indicated that at least 32—perhaps more than 40—fighting ships of the Mikado's imperial fleet had been sunk or seriously damaged in the three-day battle of the Philippines.

American losses in defeating the Japanese navy in the battle of the Philippines totaled six warships—the aircraft carrier Princeton, two escort carriers, two destroyers and a destroyer escort.

President Uses Lincoln Reply On Gov. Dewey

By J. W. DAVIS
Associated Press Staff Writer

President Roosevelt, hitting the campaign trail in specific quest of 95 electoral votes in four states, beakened back today to an election campaign of 86 years ago to dig at Governor Dewey's political strategy.

In a speech prepared for a train platform appearance at Wilmington, Del., Mr. Roosevelt recalled these words of Abraham Lincoln, spoken in reproach of Stephen A. Douglas' debating tactics: "In every way possible he tried to prove that a horse chestnut is a chestnut horse."

"It seems to me," the President went on, "that applies very neatly to some of the republican campaign oratory which has lately been agitating the airwaves."

Mr. Roosevelt's Wilmington stop-over was a brief one en route to Philadelphia tonight for a major radio broadcast (8 p. m. CWT, CBS-MBS) from State Park. While his subject has been announced as "The New Deal and Business," Presidential Secretary Stephen Early told newsmen that "in the main it will have to do with the basic policy of the war."

Like most other things in this presidential campaign, the issue of the new deal and business is one which partisans differ keenly. For example:

Gov. John W. Bricker of Ohio, See PRESIDENT, Page 8

Aim Is To Destroy Jap Menace

WASHINGTON, Oct. 27.—(AP)—The navy, secretary Forrestal says, has one big aim in the Pacific war—"to wipe the Japanese shadow from the map once and for all."

New steps toward achieving that aim, he said in a radio address last night, "are impending."

Forrestal stated:

"Other blows are in preparation and some will be dealt in the near future. From now on, the Japs at sea and in the air and on the land are going to be hit plenty and often."

As the navy celebrated its 169th anniversary today news dispatches from the scene disclosed that old battleships "sunk" at Pearl Harbor got revenge in the sea battles fought off the central Philippines where two enemy flotillas made a suicidal squeeze play on U. S. sea forces protecting the invasion of Leyte island.

Salvos of Japanese shells straddled little American aircraft carriers as pilots took off and remained in action to pursue the routed enemy.

Official accounts of the engagements disclosed that the Japanese air force in the Philippines has not been eliminated, despite the destruction of more than 1,800 Japanese planes since Oct. 9 when the invasion air raids got underway.

In the last few days Adm. Chester W. Nimitz and General MacArthur have reported the destruction of 282 enemy planes in the Philippines.

On Leyte itself American ground forces established firm control over 40 miles of the east coast. And they patrolled both shores of narrow San Juanico strait leading to the inland seas.

Infantrymen are still eliminating Japanese on the Leyte side of the strait while first division cavalrymen patrol the opposite shore on Samar island.

In the meantime, the 10th and 24th army corps at Tanauan, midway down the invaded Leyte east coast, consolidated American forces from the north and south. Fifteen more native communities were liberated, mostly in the southern valley.

Strongpoints at Buri and the Catmon hills in the center of the invaded area were eliminated but increasing opposition was reported in the north as the 24th division pushed west from Palo.

Japanese troops captured the important communications center of Ninesayan in southeast China, clinching an eight-day, 60-mile advance, protecting their flank 110 miles east

H. Paul Briggs Accepts New Job

H. Paul Briggs

Sunday will mark the close of more than four years' work of H. Paul Briggs with Pampa's First Baptist church. The associate pastor and director of music of the local church has been called as pastor of the Immanuel Baptist church of San Angelo, Texas, it was announced today.

"It is with conflicting emotions that we come to the close of our ministry in Pampa," Mr. Briggs said. "The opportunity offered us in the San Angelo church is so great that we feel obliged to accept it. We deeply regret to leave the great church here as well as a multitude of friends. The years spent in Pampa have been our most enjoyable," the young minister said.

A special musical program Sunday night will be directed by Mr. Briggs. The choir will present a varied program of anthems and Negro spirituals, including "I Couldn't Hear Nobody Pray," as the climax.

The Briggs family came to Pampa from the First Baptist church of Okmulgee, Okla. He had previously served churches in North Carolina and Georgia.

Mr. and Mrs. Briggs have two children, Carolyn, 7, and Judith, Marcene, 3.

Just arrived De Laval cream separators, Lewis Hardware Co., Ph. 1312, adv.

Demo Says 1,000 Club 'Non-Partisan'

CHICAGO, Oct. 27.—(AP)—The "One Thousand Club," described in a speech here Wednesday night by Gov. Thomas E. Dewey as organized by the Roosevelt administration to "sell special privilege" to \$1,000 donors to the democratic fourth term campaign, is "non-partisan," says Frank J. Lewis, the group's national chairman.

Lewis, Chicago manufacturer, said last night that the club "has not sought and will not be entitled to receive patronage from any political party."

Lewis, in a statement, declared there were "prominent republicans as well as democrats" among the organization's present members, and he added that all of them subscribe to the belief that President Roosevelt "should be permitted to carry on the present war to a conclusion."

Two Men Hurt in Plant Explosion

BEAUMONT, Oct. 27.—(AP)—A spectacular fire which followed two earth-shaking explosions, reportedly set off by a leaky pipe at the big Magnolia Petroleum company refinery here today, was a rare fire of two small and one large storage tanks containing gases used in the production of high octane gasoline and synthetic rubber.

Only two men, neither refinery employees, were hurt.

Reports from the scene said the two small tanks were destroyed by the blasts and that a fire which broke out in the large tank, 60,000-barrel capacity was burning itself out without further threat to other units of the refinery.

No immediate estimate of the loss was available.

The plant is situated in a residential area at the southeast edge of Beaumont, and residents felt the blasts over a 10-mile area and saw flames shoot 150 feet skyward. The first explosion occurred about 12:15 a. m.

L. F. Bardine, a fireman on a switch engine, was treated for hand and leg burns, and another man on the train was reported hurt. A member of the train crew said the engine, operating near the refinery, was enveloped in a "wall of flames" shortly after the explosions.

KPDN Will Carry Football Game

The Brownfield-Pampa football game tonight at Brownfield, which begins at 8 o'clock, will be brought to Pampa via station KPDN, play by play. The station will begin the program at 7:45 with preliminaries.

WAR IN BRIEF

Royal Neighbors Have Breakfast in Dunwoody Home

A "Come-As-You-Are" breakfast was held this morning for members of the Royal Neighbors in the home of Mrs. Guy Dunwoody, 600 Roberts.

Arrangements of fall flowers were placed throughout the entertaining rooms with white and bronze mums predominating.

Tomato juice, waffles and coffee completed the breakfast menu.

Attending were: Meses. Modina Harrison, Maxine Bennett, Neva Matlock, Edith West, Betty Lee Chaney, Wanda S. Macomb, Bonnie Fouch, Edna King, Ola Faye Emerson, Faye Cole, Lillie Mae Timmons, Mamie Stapleton, Mae Thomas, Nellie Ford, Sgt. Richard Fouch and Mr. and Mrs. Dunwoody.

High School Night To Be Held Tonight At First Baptist

High school night will be observed tonight at the First Baptist church at 7:45 when special music will be arranged featuring the Girl's Sextette from High school.

The Rev. John Cohen will be in charge of the music and is preparing refreshments for the group.

The Rev. E. Douglas Carver will bring the message for the evening meeting, known as a visitation revival, directed by Mr. Cohen. Services Sunday will mark the close of the meeting which has been in progress the past week. Mr. Cohen will speak at the 11 a. m. service Sunday and Rev. Carver will deliver the 8:15 evening service.

This Sunday marks the last of musical programs directed by H. Paul Briggs. (See story and picture, page one.)

"All church members and friends of the church are asked to attend church Sunday to bid Mr. Briggs farewell," the Rev. Carver stated. "The choir will be in full vestment Sunday night and will sing various spiritual selections," he said.

Mrs. Stark Named W.M.S. President

W.M.S. members of the Central Baptist church met recently at the church for a business meeting with Mrs. Frank Silcott bringing the opening devotional followed by a prayer by Mrs. A. H. McPeak.

Mrs. G. C. Stark was elected president of the W.M.S. for the coming year and Mrs. C. E. Powell was named corresponding secretary and secretary. Mrs. C. E. McMinn was made recording secretary.

Committee chairmen named were: Benevolence, Mrs. G. H. Futch; Bible study, Mrs. Henry Williams; education, Mrs. Bob Huffines; mission, Mrs. S. W. Brandt; picnic, Mrs. Harry Dean; publicity, Mrs. C. E. McMinn.

The W.M.S. will meet as follows, Monday at 9:30.

Mary Martha circle with Mrs. Ada NeCase; Blanche Groves, Mrs. Albert Taylor; Anna Salee, Mrs. H. C. Showers; Lydia and Vada Waldron, Mrs. G. H. Futch.

From 1929 through 1935, the American consumer public normally borrowed more than 8 per cent of the annual national income.

Blouse, Hat and Gloves Now Cut From Same Bolt

By EPIE KINARD

NEW YORK—The high-style goal the ambitious sweater outfit has reached this winter is the dress ensemble with turban and gloves cut from the same bolt of special-weave jersey.

Norman Norell, a New York fashion trend setter, believes in all of this business so strongly that he carries his all-in-one theme through an entire collection, beginning with the sweater dress that you wear at 9 a. m. and winding up with the bejeweled affair in which you saunter forth to outshine the stars.

To create patterns that you won't see everywhere—out-of-the-ordinary—Norell has designed sweaters in stripes, and newcolor checks, and to out-wit sag, bulge and too-revealing cling—special-weave jerseys are used. Sometimes these

By RUTH MILLETT

A recent study made by the national nursing council for war service shows that by July 1, 1946 there will be a national shortage of 129,000 registered professional nurses.

With the nurse shortage what it has been throughout the war, would not it be a good thing to consider while we are talking of compulsory military training for American youth, some scheme whereby American girls would be compelled to have a year or two of nurses' training—or even a setup for such training with the service a voluntary proposition.

It seems as though that would be more sensible than a feminine West Point-Annapolis to train women officers for the armed services as has been proposed, or even any other type of program devised to give girls a chance to serve their country for a year.

Of course, regular nurses' training isn't completed in a year—but in that length of time girls could be given a foundation for nursing that would make them capable of working efficiently under the direction of a registered nurse.

There would—if such a plan were in effect—always be a group of girls ready, in case of war, to serve their country.

ALWAYS NEEDED

All of the girls never had to put their training to use in hospitals, it would make them better able to care for their own families through the years. If anything is to be done to train the girls of America to serve their country as most people now feel our boys should be trained—nursing seems to be the best bet.

Wars can be fought without women soldiers, sailors, or marines—even though they have given splendid service in this war. If anything, it would be hard to fight a war without women nurses to care for the sick and wounded on the battle fronts and the civilian population at home.

RATION CALENDAR

Woman Is Prisoner

Pvt. Jack Warren Hayden, paratrooper, is a prisoner of the German government, his wife, Mrs. Elvada Hayden was informed today by the war department. He was captured by the enemy Sept. 25, the message related.

In England for more than a year, Pvt. Hayden went into combat about three months ago. His wife had not heard from him for six months.

A native of Youngstown, O., he met his wife, the former Miss Elvada Teague, daughter of Mr. and Mrs. Otto Teague, with whom she is living at this time, while in training at P.A.F. before he transferred to the paratroopers. He is the father of a 15-month-old baby, Jackie Fern, whom he has never seen.

He received his training at Camp Wolters, Texas, and Fort Benning, Ga.

Casualties Now

WASHINGTON, Oct. 27—Battle casualties of the United States armed forces total 472,779. Secretary of War Stimson reported today that army casualties for all theaters, reported through October 14, numbered 493,974. The latest army casualty figure is 69,765.

The army total represented an increase of 18,179 for the interval between October 6, the date covered by the previous report, and October 14. In the same interval, navy casualties increased 1,225. United States army ground force casualties in Italy, from the original landings in September, 1943, to October 16, numbered 91,963, an increase of 8,952 since September 25.

Army casualties for all theaters through October 14, compared with the figures for October 6, follow: Killed, 27,231 and 27,047; wounded, 27,837 and 27,369; missing, 91,963, an increase of 8,952 since September 25.

Comparative navy figures: Killed, 27,231 and 27,047; wounded, 27,837 and 27,369; missing, 91,963, an increase of 8,952 since September 25.

The ground force casualties in Italy on October 16 as compared with September 25: Killed, 16,978 and 15,889; wounded, 62,184 and 56,178; missing, 11,901 and 10,044.

More than 1,000,000 men and women in the United States are employed by wholesale and retail grocers.

Crosses in Need Of Moisture

AUSTIN, Oct. 27—(AP)—There is need for more moisture in many eastern and a few southern and western counties of Texas, the U. S. department of agriculture reported Wednesday.

The continued dry weather, however, has made conditions favorable for harvesting and enabled progress in field work in all areas, the USDA said in reviewing farm and ranch conditions for all week ending October 23.

For the state as a whole moisture was adequate. Small grain seeding was still in progress. The condition of growing grains was very good, pasturing was general and moisture was sufficient for growing crops over most of the state.

Pecan harvest has reached into practically all areas of production and was active in the early sections. Cotton harvest made fair progress during the week under favorable harvest weather conditions. All late areas were in need of pickers. Fall crop commercial vegetables

BORN THIRTY YEARS TOO SOON

10-Day-Old Baby Boy Is Abandoned

AUSTIN, Oct. 27—(AP)—An unidentified ten-day old blond baby boy, wearing a white flannel gown and wrapped in a blanket was found on the driver's seat of a state highway panel truck, behind the state highway building today by Cleveland Overton, Negro janitor.

Chief of Police R. D. Thorp said the baby was taken to Brackenridge hospital.

"So the next time they throw Sinatra up to you, tell them: 'Hell, I even synthesize snakes 10,000 miles away!'"

"On returning, I raised my foot to step into my tent, but suddenly I was paralyzed. Right where I

Score Is Now in Favor of Bingie

HOLLYWOOD, Oct. 27—(AP)—An army officer in New Guinea has written to thank Bing Crosby for saving his life—with crooning.

"Several nights ago, I was sitting in my tent listening to one of your programs," Lt. Col. Ernie O. Thornton, Jr., related in a letter to Crosby. Thornton left the tent briefly, he continued, then—

"On returning, I raised my foot to step into my tent, but suddenly I was paralyzed. Right where I

HEALTH'S GOLDEN RULES

- See your doctor regularly.
Avoid contagion.
Keep warm when it's cold.
Study home first aid.
Get sufficient sleep.
Learn food values.
Stay home when you're sick.
Call doctor if illness hangs on.
Keep clean.
Prevent accidents.
Relax in off hours.

THE OLD JUDGE SAYS...

"That's really a great editorial you just read to us, Judge. Where did you say it appeared?"
" 'In 'The Stars and Stripes'...the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"
" 'It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?'
" 'Glad to, Bill. It says, 'We can remember

Living Ideals

The late Wendell Willkie had been invited to address this year's New York Herald Tribune Forum on Current Problems...

The words and thoughts were those of that remarkable statesman, Bernard M. Baruch...

Mr. Baruch's persistence in these beliefs is remarkable and encouraging. He is 74. He has known and worked with statesmen and politicians for 30 years...

Like Wendell Willkie, he fought in the losing fight for our participation in the League of Nations...

But Mr. Baruch was no less the idealist than the youthful Willkie. And neither man ever lost his idealism...

And so to his Forum audience, he said, "The objective of a world community is not as academic as it seems. It might even be profitable."

Nor does Mr. Baruch desire of world peace. "The meeting at Dumbarton Oaks is only a good beginning," he said...

But he puts his chief responsibility for carrying out this scheme where it belongs, and where Mr. Willkie put it: "Peace will finally be secured by public opinion."

His churches and schools are delinquent. Americans who say the problem will ultimately solve itself, or will not lend itself to any solution are especially delinquent.

The nation must solve this problem if it is to preserve itself and endure. This nation has never really tried to eradicate the causes of juvenile delinquency...

It has only pretended to try, and a sorry pretense it has been—with our continuing and increasing volume of crime as the accusing respondent.

Its juvenile delinquency will not be reduced by laws. It will be reduced only by parents and other adults caring better to understand God's laws and obeying them.

Its churches and schools are delinquent. Americans who say the problem will ultimately solve itself, or will not lend itself to any solution are especially delinquent.

The nation must solve this problem if it is to preserve itself and endure. This nation has never really tried to eradicate the causes of juvenile delinquency...

Common Ground

By R. C. BOILES. I speak the plain, unadorned, I give no use of words. I will accept nothing which all cannot have their own share of.

Can a Communist Be a Friend?

Whether or not a communist could be a friend of any man would depend on whether the word friend was used interchangeably with alliance, partner or acquaintance...

The reason he cannot be a true friend is that there are no two brands of communism which are the same. Communism is a personal, willful form of society, and every communist has a different conception of communism.

Communists get along together so long as neither one is in control. When one gets the upper hand he has only associates who help support his control. He has no real friends.

As described by Horace Smith, "A real friend is one who will tell you of your faults and follies in his hand and heart in adversity."

A communist does not do this. He conceals himself behind a mask which thinks he has the only standard of rightness.

This is what Plato had in mind when he said, "Fate, which has ordained that there shall be no friendship among the evil, has also ordained that there shall ever be friendship among the good."

Since all communists and all socialists are enemies of the good, it is not of good rather than impersonal, eternal principles, it seems impossible for a communist or a socialist to have a friend.

Only a true democrat, only a true Christian can have real friends. Only a man who believes that all men are equally free and independent; that all men are owners of themselves and no one else; that no one is good enough to use force to compel another to be benevolent can really have friends.

The biggest reward in the world is so to live that one can have friends. It is a terrific price for the communists to pay to be unable to have friends in order to try to run the lives of other people.

Juvenile Delinquency. This column has been repeatedly asking the cause of such an increase in juvenile delinquency at the foot of the parents, the churches and the schools.

Its juvenile delinquency will not be reduced by laws. It will be reduced only by parents and other adults caring better to understand God's laws and obeying them.

Its churches and schools are delinquent. Americans who say the problem will ultimately solve itself, or will not lend itself to any solution are especially delinquent.

The nation must solve this problem if it is to preserve itself and endure. This nation has never really tried to eradicate the causes of juvenile delinquency...

NEWS BEHIND THE NEWS

The National Whirligig. More conveniences than were available on the pre-war de luxe liners will be installed on even modest boats.

By ALBERT LEMAN. SHIPS—No one as yet has given the complete answer for the employment of the fifty million tons of merchant vessels that will fly our flag after Japan has been defeated.

But our shipping interests—builders, operators, seamen and traders—will be used and also a special set of two hundred twenty feet long with a capacity of from one hundred fifty to two hundred passenger cars, trucks and trailers.

Heavy trailers will be loaded with exports in America and moved directly to the inland plantations of Cuba. The new minister of public works in the Havana government is now here negotiating for a vast highway building and repair project.

STs have so proved their worth in the Pacific invasions that they may be employed in commercial ventures. They will run up on the beach in places lacking piers and discharge their freight without delay or difficulty.

Even if the steel walrus are found to be too expensive to operate in peace, their general design will be adopted in less costly commercial models. The principle of the smaller landing barge will be utilized in craft piloting the inland waterways of the U.S.A. and shallow jungle rivers.

TOURISTS—Passenger steamship line managements are not fazed by the competition of airplanes or foreign companies. Businessmen in a hurry will probably use sky routes. But tourists in search of luxurious transportation will be offered all sorts of new attractions.

Noncombustible materials and safety devices developed during the war will be the rule on everything that floats. Hazards from fire and collision with ship or iceberg in fog will be practically eliminated.

Where, for instance, are Director of Economic Stabilization Fred M. Vinson, War Labor Board Chairman William H. Davis, Selective Service Director Major General Lewis Hershey, the late Office of Defense Transportation Director Joe Eastman, "the perfect civil servant"?

When you get into Congress, aren't there others besides Wallace, Truman and Rayburn who would rate? What about Barkley, Byrd, Connally, Glass, Carter Glass, Taft, Vandenberg, White, Wheeler, Eastman, the B-2-H-2 group of Ball, Burton, Hatch and Hill, to name only a few in the Senate?

When you get into Congress, aren't there others besides Wallace, Truman and Rayburn who would rate? What about Barkley, Byrd, Connally, Glass, Carter Glass, Taft, Vandenberg, White, Wheeler, Eastman, the B-2-H-2 group of Ball, Burton, Hatch and Hill, to name only a few in the Senate?

Where, for instance, are Director of Economic Stabilization Fred M. Vinson, War Labor Board Chairman William H. Davis, Selective Service Director Major General Lewis Hershey, the late Office of Defense Transportation Director Joe Eastman, "the perfect civil servant"?

WAR TODAY

By DEWITT MACKENZIE. Associated Press War Analyst. They say an ill wind that blows nobody good, but the only comfort the Japanese can get out of the Yankis' attack is that they are not so far from complete—now we can say with assurance that the Nipponese have suffered not only a major defeat but a decisive one.

It is decisive in that it breaks the all-time success in the great and difficult battle of the Philippines. And since these islands are the key to the war in the Pacific, it is known that this story is far from complete—now we can say with assurance that the Nipponese have suffered not only a major defeat but a decisive one.

Quiet Day, Weekly

Lecture Classes Scheduled at Church

Due to the absence of the minister, whose presence in other parts of the field is necessary at this time, there will be no services this coming Sunday in St. Matthew's Episcopal church.

This evening there will be a Hal-lowe'en party given by the members of the Evening Auxiliary for all members of the congregation and their friends.

On Wednesday, November 1, the

minister will conduct a Quiet Day for women. The day will start at 10 o'clock in the morning with a celebration of Holy Communion and will continue until 3:15 in the afternoon. Lunch will be served at the Rectory at 12:30. All women, whether or not they are communicants of the church, are invited to attend. It is requested that all who do wish to be present communicate with Mr. or Mrs. Henshaw at phone 1744, in order that those in charge may know how many will be at lunch. The theme of the four meditations to be given by the minister during the day will be "The Re-orienting Christ."

Thursday, November 2, is the date for the first of a series of three weekly lectures and instruction classes to be conducted at the church, both for those who expect to be confirmed and for the benefit of the general public who might be interested in confirmation or in gaining information on the church. Attendance at these lectures does not obligate any person to be confirmed," said Rev. Henshaw.

'Victory Day' To Be Observed at Calvary Baptist

Earl W. Rogers

"Sunday is Victory day in Calvary Baptist church, as the day has been designated by the church in conference to bring offerings to the Lord and put them in the dishpan to pay the indebtedness of the church. We hope to make it a day of real victory," said the Rev. E. M. Dunsworth.

The "revival meeting" will begin Sunday with Earl W. Rogers, song leader and educational director of the First Baptist church, Borer, in charge of the music. Mr. Rogers is an experienced singer and worker in the evangelistic field, the pastor said. Rev. Dunsworth will do the preaching through Tuesday night, and the evangelist, Dr. Fred C. Eastham of Wichita Falls, will begin Wednesday night, and do the preaching through Sunday, November 12.

Services will be conducted daily, 10 a.m. and 7:30 p.m., except Sundays. Sunday services will be at 10:50 a.m. and 8 p.m. Mr. Rogers, singer, will be in charge of the music Monday night, 7:30.

"The public is invited to attend any and all of the services. When you hear Dr. Eastham one time you will want to come back again," said Mr. Dunsworth.

Endowment Campaign Will Be Presented At Harrah Methodist
The endowment campaign for McMurry college at Abilene, Texas, will be presented to the congregation of the Harrah Methodist church at the morning service next Sunday.

Miss Evelyn Thoma, accompanied by Miss Elizabeth Sewell, the piano, will play several violin selections at the opening of an afternoon service at 2:30. Following the musical program, Rev. G. T. Palmer, district superintendent of the Clarendon district, will preach, after which he will preside at the session of the fourth quarterly conference. At this conference reports for the year will be made and officers for the new conference year will be elected.

World Day Prayer Observed by Group Methodist Women
World day of prayer was observed by the W. S. C. S. of the First Methodist church when members met Wednesday in homes of members.

Circle one members met in the home of Mrs. Hugh Anderson with 15 members attending. Mrs. Dan Leitch presented the morning devotional after which Mrs. Ed Weiss sang "The Perfect Prayer." Mrs. H. H. Boynton read the meditations with the group giving the response.

Mrs. Truman Cline discussed the "Community House" in Houston, and Mrs. C. L. Waller gave a talk on the "Girl's Friendship Home" in Ohio. Mrs. H. R. Van Sickle told of missionary work in the community center at Cincinnati, Ohio.

During the afternoon session, Mrs. H. F. Barnhardt presented the devotional and Mrs. W. R. Ewing told of missionary work in India. Mrs. W. Williams discussed the medical work in Africa; Mrs. G. F. Branson told of the work in Belgium Congo; Mrs. J. G. Cargile discussed the "Southern Division of the Congo."

Mrs. Horace McBee gave a devotional on "Jesus' Passion for Man." Mrs. W. R. Ewing played the hymns and 17 members were present.

Circles three and four met at 1 o'clock for a covered-dish luncheon in the home of Mrs. Glenn Radcliff with 12 members attending.

Mrs. John K. Sweet read the meditations with the response given by the group. Mrs. W. D. Waters and Mrs. Bob McCoy told of missionary work in India.

Plans were made for all church women to have a party Nov. 6. The next W. S. C. S. meeting will be held in the home of Mrs. Bob McCoy, 210 W. Harvester.

To Ministers: Notice and articles for the Church Page must be in the Pampa News office at 3 o'clock Thursday before the article appears on Friday.

Church ministers are asked to observe the 3 o'clock deadline in order that more time may be given to each church story. Articles must be typewritten, double-spaced and will not be accepted after the deadline.

Notices to be added to the church calendar may be either called in or mailed to The News office.

Junior Thespians To Present Program Tonight at Citadel

The "Junior Thespians" of the Salvation Army dramatic club, will present a program Friday evening in the Citadel, 831 S. Custer, honoring Adj. William Pyke, Texas divisional Young People's secretary, according to an announcement by Capt. Herschel Murphy.

The club has been making steady progress the past two weeks and rehearsals reveal much hidden talent. The club was originated by Bob Murphy, son of Capt. and Mrs. Murphy, who has launched similar organizations in other cities.

"Much interest has been manifested in the local club and some 50 or 60 young people meet weekly. The Sunday school attendance has shown an increase, double that of and Health with Key to the Scriptures" by Mary Baker Eddy. "It is a sense of sin, and not a sinful soul, which is lost. Evil is destroyed by the sense of good" (Page 311).

Highway Department To Rehire Servicemen

AUSTIN, Oct. 27.—(AP)—A policy adopted by the state highway commission and announced yesterday gives returning servicemen, now on leave from the highway department, job reinstatement on an equal or better pay and responsibility status.

The policy requires that servicemen apply for reemployment within 40 days following honorable discharge and that they not accept other employment before returning to the highway department.

Approximately 1,500 department workers are in the armed forces.

May the nation's gratitude be everlasting toward our allies whose countless sacrifices have made this moment possible.—King of the Hellenes, on liberation of Athens.

New Theory Advanced On Hostess' Death

HOLLYWOOD, Oct. 27.—(AP)—Georgeite Bauerdorf, 20, oil heiress and Hollywood canteen hostess, may have induced death by disrobing before an unshaded bedroom window, a sheriff's homicide officer said today in advancing a new theory for the girl's slaying last October 12.

Lt. Garner Brown reported he was investigating information that the brunette Miss Bauerdorf at times failed to draw the curtains. He said her slayer may have watched her preparations to retire before gaining entrance to the Hollywood apartment house where she was raped and strangled.

It is estimated that for every dollar's worth of merchandise in the United States today, people have \$2.50 to spend.

A good Life Policy will ruin any old mortgage on Home or Farm, leave them clear. Mamma will appreciate it.

Harvesters Ready For Clash With Brownfield Tonight

Face Undeclared Cubs In Loop Play

TONIGHT at 8 o'clock, in Brownfield, the Pampa Harvesters will compete against Brownfield's tough competition in their first conference game of the 1944 season. Although tied in their first game by a score of 6 to 6 with Lamesa, Brownfield has not seen defeat thus far in the season, but roughly speaking the Harvesters plan an upset to the determination of the Cubs' wearing the District 1-AA title belt.

Coach Otis Coffey versed his fighting Harvesters in about every grid tactic known to the Cubs before he embarked to carry out the defeat of the Brownfielders. Using a perfectly clicking T-formation, backed by the Harvesters' sting traps, the Harvesters expect to give the Cubs a sound tramping, but it will be no easy task as the Cubs have in turn been preparing for the warm reception they expect to extend the Pampa squad.

Amarillo, next foe of the Harvesters, which game will be played in Amarillo Saturday afternoon, November 4, have no title scheduled this weekend. Instead they are sending scouts down Brownfield way to find out just what the Harvesters pack when it comes to pulling surprise punches from almost nowhere.

Amarillo is waiting for the Harvesters, with revenge in their hearts for the trouncing they received in a conference match here last year. The Sandies have exceptionally good material, plus a well-coached team, and are expected to take the lead by quite a few points. Still, on the other hand, the Harvesters have been known to pull wonders from their bag of tricks, and it is this that worries the Sandies.

Radio station KPDM will go on the air, from Brownfield, at 7:45 p.m. tonight to bring Pampa grid fans, left at home due to the rationing of tires and gasoline, a play-by-play description of what the Harvesters are doing. Sam Fenburg, local sports enthusiast, will do the broadcast, assisted by Walter Meisner.

Listeners may receive the description at 1340 on the radio dial.

Many long-winged, short-legged birds must have room for a take-off like an airplane before they are able to get into the air.

Forty High School Teams Battle Today

(By The Associated Press)
Forty high school football teams square off for battle today, with many conference tilts scheduled. The spotlight, however, rests on an inter-district game between Highland Park (Dallas) and Wichita Falls.

Last night Big Spring beat Tahoka 6 to 0; Gladeview whipped Athens 27 to 6; Amon-Carter-Riverside (Port Worth) beat Arlington Heights (Port Worth) 27 to 6 in a conference game, and San Jacinto (Houston) beat Milby (Houston) 14 to 7.

Highland Park is the only member of the top tier teams (those ranked by the state's sports writers) facing a dangerous opponent, The Scotties, who rank fourth, meet Wichita Falls at Dallas.

Paschal's Panthers, favorites in the Port Worth district and one of the nine teams left in Texas, will play a perfect record, with Polk, its cross-town rival.

Four of the other eight undefeated, untied outfits do not have games. North Side (Port Worth), Sunset (Dallas), Waco, and Austin, all take a rest. Sweetwater meets Lamesa. Tyler tackles Henderson. Coosue Creek meets South Park (Beaumont) and Kerrville plays Corpus Christi.

Second ranking San Angelo plays Odessa.

Ranking second in total offense is Rice with 1070 yards, while Arkansas is third with 915, Texas Christian is fourth with 895, Texas Tech is fifth with 865 and Southern Methodist is last with 816.

Having missed two out of three last week, we feel qualified as an "expert" and give you these selections for Saturday (anticipated crowds in parentheses):

Rice vs. Texas at Houston, 3 p.m. (25,000)—can't see Texas by two touchdowns. Our guess: Texas 20, Rice 13.

Texas vs. Oklahoma at Oklahoma City, 8 p.m. (12,000)—The Horned Frogs' passing scores again; TCU by a touchdown.

Southern Methodist vs. Tulane at New Orleans, 3:30 p.m. (20,000)—The Green Wave will engulf SMU about 20-6.

Arkansas vs. Mississippi at Memphis, 2 p.m. (10,000)—this should be a team Arkansas can beat; Razorbacks 20, Mississippi 6.

Texas A. & M. vs. North Texas Aggies at College Station, 2:30 p.m. (5,000)—Texas A. & M. by 30 points.

Texas Favored Over Owls in Grid Meet

By HAROLD V. RATLIFF
Associated Press Sports Editor

A ground attack that has rolled to 866 yards in five games and a passing offensive that has gathered 563 in four will be pitted against each other tomorrow in the top battle of Southwest conference football—Rice vs. Texas at Houston.

Texas leads the conference in passing while Rice is second in rushing. Each is last in the department—Texas on the ground and Rice in aerial power.

The critics are taking Texas to win on the basis of line play. They figure this is the forward wall to halt the ground drives of the Owls spearheaded by fleet George Walmsley. Meanwhile, Bobby Layne's passing magic is expected to give the Aggies, although losers in two games, are the conference leaders in total offense. The Cadets have gained 960 yards rushing and 526 passing for a total of 1486 yards in five games.

Washington-California—Southern California knocked the Huskies Monday night. The Golden Bears tied the Trojans. That spells victory for California.

Tulsa-Oklahoma A. & M.—The Aggies have triple-threat Finamore but the unbroken Hurricanes have backs, backs and a great line. Tulsa, Purdue-Midger—The Boiler-

makers lose several of their stars after this game. Michigan probably wishes the navy had issued orders sooner. Purdue.

Dartmouth-Brown—A tough one. Brown and Holy Cross tied 24-24 in the mud. Dartmouth and Holy Cross tied 6-6. Let's give it to Brown on better scoring punch.

Great Lakes-Wisconsin—Lt. (J.G.) Paul Brown isn't in the habit of losing two straight games and his Saliors dropped a decision to Ohio State last week. Great Lakes.

Texas-Rice—Texas looks to be the class of the Southwest conference and Rice isn't going to stop the Longhorns.

L.S.U.-Georgia—We would like to overlook this one but since it's on the schedule here goes with our fingers crossed. Georgia.

Iowa-Indiana—The Hawkeyes haven't what it takes to stop Hunch Hoernschmeyer and his mates. Indiana.

Rochester-Yale—Yale in what may be a close decision.

Southern Methodist-Tulane—We will string along with Dab Jones of Tulane.

North Carolina Pre-Flight-Jacksonville Navy—The Pre-Flighters have been up and down. This week we hope they are up. N. C. Pre-

General (on telephone)—Do you know to whom you are talking?
Private (on the other end)—No and I don't care.
General—I'm the general!
Private—Well, do you know who I am?
General—Not Private—Thank heaven for that!

Fast Action Expected On Collegiate Front

By ORLO ROBERTSON
NEW YORK, Oct. 27.—(AP)—If Navy, California, Marquette, U.C.L.A. and the Texas Aggies hadn't let us down last week we would have had a perfect performance (of course no selector counts ties as defeats). So feeling pretty good over a record of 31 victories, five defeats and four ties we plunge into this week's lineup.

Duke-Army—The experts say this will be the Cadets' first real test. Maybe so, but we look for them to win by three or four touchdowns. Army.

Navy-Pennsylvania—It's Penn's hard luck that the Middies won everything but the game at Georgia Tech last week. This navy team is overdue we said that last week. With proper respect for the undefeated Penn outfit we'll string along with the Navy.

Notre Dame-Illinois—Wisconsin showed that the Irish could be scored against. Buddy Young or one of his speedy mates will do the same for the Illini but it'll be Notre Dame's fifth straight victory.

Third Air Force-Randolph Field—Two flying outfits that have been flying through their opposition. Almost tempted to call on the coin for this one but on second thought judgment tells us to pick Randolph.

Minnesota-Chio State—How can one pick against the Bucks after they showed such power in knocking off Great Lakes? Ohio State.

Washington-California—Southern California knocked the Huskies Monday night. The Golden Bears tied the Trojans. That spells victory for California.

Tulsa-Oklahoma A. & M.—The Aggies have triple-threat Finamore but the unbroken Hurricanes have backs, backs and a great line. Tulsa, Purdue-Midger—The Boiler-

Randolphers Fret Over Opponents

SAN ANTONIO, Tex., Oct. 27.—(AP)—Randolph Field's torrid Ramblers are only a couple of first downs short of a mile in yards gained over four opponents this season but Coach Frank Trickett is doing a lot of worrying just the same.

The lieutenant, back with the squad after a week in the hospital, says the Third Air force, which meets Randolph here tomorrow night, has the psychological advantage.

They are one of the nation's best squads yet are billed in the underdog role. Trickett said. "It looks like an even-matched game." He pointed to Third Air force's victories over the Cherry Point marines and Georgia pre-flight, citing the fact that the Gremlins had more success against those teams than did North Carolina pre-flight, conquerors of Navy and Duke.

But the fantastic figures Randolph Field has rolled up keep the fans from seeing anything in tomorrow night's game except Randolph Field. The Ramblers have 1,148 yards by land and 586 by air—a total of 1734, just 26 yards short of a mile.

Randolph is ahead of Georgia university's record-breaking offensive of 1942 which averaged 429.5 yards per game, well under the defensive mark against rushing—with an average of nine yards per game compared to Santa Clara's 1937 record of 25.3—and ahead of Tulsa's 1932 scoring record which was 427 points for the season.

Eleven of Randolph's 31 touchdowns have been on passes, averaging nearly 25 yards, and five others were on runs ranging from 48 yards by Bill Dudley against Texas to 84 by Pete Layden against Camp Ford.

The Ramblers' longest scoring pass was from Dudley to Don Loooney for 50 yards. Opponents have completed only 32 of 47 aerial attempts and 12 forwards have been picked off by Randolph ball-hawks, two being raced back for touchdowns.

Saturday we give you: Mississippi over Arkansas, Tennessee over Clemson, Columbia over Colgate, Drake over Doane, Missouri over Nebraska, Florida over Maryland, Williams and Mary over N. C. State, Texas Aggies over North Texas, Lafayette over Rutgers, Boston College over Syracuse, Virginia over V.M.I., Franklin and Marshall over Muhlenberg, and Pittsburgh over Chatham Field.

BELMONT TYPEWRITER SERVICE
For prompt efficient service on typewriters and adding machines, factory trained mechanic. 207 N. Frost, opposite Court House, Ph. 409.

Try one of our eight newly reconditioned alloys. You'll enjoy bowling.

PAMPA BOWL
112 N. Somerville

Get with all the whole grain nourishment in a big bowlful of milk, fruit, and Wheaties, famous "Breakfast of Champions."

High-octane food values in those big, crisp-toasted flakes. And a bewitching nut-sweet flavor that insists on second helpings.

HEAR

FULTON LEWIS, JR. Monday Thru Friday 6 p. m. KPDN Sponsored by CULBERSON CHEVROLET CO.

Don't expect to see a colorful parade of Blue-Jackets come marching down the street on Navy Day this year. Our Navy this year, on its 189th Anniversary, is busy meeting and beating the biggest fighting problem of its historic career--busy sweeping enemy ships from every ocean in the world, enemy planes from all the skies; busy laying down barrages that blast open the paths to invasion and victory. Because our Sailors and Navy airmen can't be home to celebrate the anniversary of the fleet that guarantees our Freedom, is all the more reason why we on the home front should pay honor to them. Best way that we can think of for doing that is to keep producing the ammunition they need for their big guns, the additional ships they should have to complete their task. Buying the Extra Bond on Navy Day will help finance what they need to fight with for you and me.

Southwestern PUBLIC SERVICE Company logo and branding.

Mainly About Pampa and Her Neighbor Towns

Mr. and Mrs. J. J. Railsback, McLean, are the parents of a daughter, Margie Ruth, born October 26, at Pampa hospital. Margie Ruth weighed 8 pounds and 11 ounces at birth.

'1,000 Club' Organized To Raise Extra Million for FDR Campaign

Members receive red-enamel on engraved copper plate life-time membership card. By PETER EDSON, The News, NEA Washington Correspondent. Details of a plan to raise an extra million dollars to support the reelection of President Roosevelt through the formation of "The 1,000 Club of the U.S.A." made up of 1,000 members, each contributing \$1,000, has been announced by Frank J. Lewis of Chicago, national president of the club.

PRESIDENT

(Continued from Page 1) The two vice-presidential nominees, told an Enid, Okla., audience that "if the new deal wants to extend the wartime controls, it will find the authority in the language of the statutes to do so. And besides it has a new deal attorney general and Supreme Court to help it."

REEVES

(Continued from Page 1) to Washington and several trips to San Antonio in connection with negotiations with the army air forces before the Pampa army air field was secured. One of the auxiliary fields of this air base has been named in his honor. He has also been active in carrying out the army hospitality program, which is one of the most outstanding of its kind in the country.

Stinnett Horse Is Top Winner

EAGLE PASS, Oct. 27.—(P)—Closing a week of western entertainment which included quarter horse races and a quarter horse show, a pioneer parade in this border city today opens a three-day victory rodeo sponsored by the Eagle Pass army air field.
