Boys' Ranch Plans Rodeo

Boys' Ranch of Old Tassosa will stage its eighth annual rodeo over the Labor Day week end at the Tri-State Fair rodeo arena in Amarillo, according to announcement today.

To be sponsored by the Will Rogers Range Riders of Amarillo, this year's show will feature special guests, such as the Bill and Spur Riding Club of Kansas City, the Whippoorwill and Georgia Brown, Roy Rogers and hand and star of stage screen radio and television, and the Red Lucas Acrobats.

Every boy from the ranch will compete against his fellow ranchers for prize money and the title of best all-around cowboy. Several special acts, such as trick riding, trick riding and clowning have been worked up by the boys who practice these stunts the year around.

Proceeds from the rodeo will be used for the Boys' Ranch expansion program. General admission tickets which may be used for either performance will be \$1.00 for adults and 75 cents for children. Reserved seats are \$2.25.

Tickets may be ordered from Boys' Ranch, Box 1890, Amarillo.

The Gumbo is the wild and the Llama the tame representative of the same animal.

55 Receive ACC Degrees

ABILENE (Special) — Irma Lee Perkins Bares of Pampa will be among the 52 Abilene Christian College seniors who will receive degrees at summer commencement exercises Aug. 22.

Irma Lee is the daughter of Mr. and Mrs. J. R. Perkins, 706 N. First. She majored in general business with a Bible minor and will receive a B.S. degree. She was a member of the Alpha Chi Zeta, Phi Kappa Phi and Phi Kappa Phi Council and Phi Kappa Phi Club.

Graduates of the 52 summer school session classes represent three foreign countries, Mexico, South Africa and Spain, and eight states: Arkansas, Indiana, Missouri, Nebraska, New Mexico, Oklahoma, Tennessee and Texas.

Dr. Sol B. Estes, Abilene physician, will deliver the commencement address at 8 p.m. Aug. 22 in Morris Stadium. Thomas L. Campbell, minister of the Anson, Tex., Church of Christ, will preach the benediction at 7 p.m. Aug. 21 in the college church of Christ.

Civil Service Says Eight Jobs Are Open

Eight government jobs are now open, the U. S. Civil Service Commission reports.

To qualify applicants must pass a written test and must have had from three months to one year of appropriate experience. All the positions are located in various Washington, D. C., agencies.

Jobs included are addressing machine operator, graphotype machine operator, addressing machine and graphotype operator, card punch operator (alphabetic) and bookkeeping machine operator, all paying \$2,730-\$2,950 a year; calculating machine operator, \$2,750 - 3,175 a year; telegraphic typewriter operator, \$2,950-\$3,175 a year; and operator (semi-automatic teletype equipment) and bookkeeping machine unit supervisor, \$3,175 a year.

Murder-Suicide Is Verdict In Death Of Father And Son

HOUSTON (AP) — A 41-year-old man was shot to death as he vainly tried to prevent his 66-year-old father from committing suicide.

Justice of the Peace R. C. Hale returned a verdict of suicide in the death of Joseph Healy Fernandez and of murder in the death of his son, J. G. Fernandez.

W. L. Ladish, a sheriff's lieutenant, said the father came to his son's home and the two men went outside to talk.

"The son undoubtedly came to the back door, saw his father with a .38 calibre revolver and tried to take it from him and was shot," Ladish said.

Several notes were found in the pockets of the elder Fernandez.

Pampans

(Continued From Page One)

Similar conditions existed at nearly every lake in Texas. Boat docks at Phantom Lake near Abilene were 75 yards from the nearest water.

At San Angelo, Lake Nasworthy was at its lowest ebb in history. Wells were going dry and a spring that had flowed since earliest settlers' memories had been dry nearly a year.

Texans were wondering how long it could last. A cool front was headed southward from Kansas, but Texas was not expected to feel it.

The long-range forecast between Saturday and August 20 calls for Texas temperatures three to six degrees above normal. That means temperatures of 95 to 105 degrees for at least four more days. Little chance of rain was seen in the forecast.

After this date Groninger and King and or G. K. Trucking Company will not be responsible for any merchandise or debts charged to us unless the purchaser has a purchase order or courtesy card except by our selves.

Rites Saturday For Mrs. J. D. Boyies

SHAMROCK (Special) — Last rites for Mrs. J. D. Boyies, who died Thursday while visiting in the home of her daughter in Kismet, Kan., were to be read Saturday in the Missionary Baptist Church in Shamrock by Rev. L. J. Crawford.

Mrs. Boyies was born in 1860 in Alabama and had been a resident of Wheeler County since 1916. She and her husband celebrated their 53rd wedding anniversary before her husband's death 15 years ago.

Survivors include four daughters, Mrs. J. J. Miller, Kismet, Mrs. J. P. Isaacs, Shamrock, Mrs. Joe Whitmar, Sanford, Mrs. W. W. Steward, Ada, Okla., two sons, Everett and Manson of Shamrock; 42 grandchildren and 57 great-grandchildren.

Funeral services were to be at 10 a.m. Saturday at the home of Mrs. J. W. Trimble, Bill Franklin, Cecil Purcell, and Cecil Fuller.

Burial was in the Shamrock Cemetery with Richardson Funeral Home in charge.

Ex-Con

(Continued From Page One)

talked to yet and would be left to sweat it out" in his county jail cell. Garver waived extradition Friday but refused to talk to officers.

Garver was injured here on June 28 when the car he was riding in rammed into a barbed wire fence, critically cutting his throat and arm. Doctors in Oklahoma City had to apply a brace to his neck to transport to Pampa Friday.

The convict has also been charged with the \$4,000 burglary of the The Fair, a Canadian department store.

Canadian sources said yesterday GPArver's record shows several prison sentences imposed and that he is out on a conditional pardon on a 21 - year sentence; escaped from jail once in another county and avoided serving a prison sentence that was imposed there.

Nickols corroborated this, adding the local sheriff's office should have his complete record here from the Texas Department of Public Safety within a few days.

Garver is to be grilled on the April 13, 1951 burglary of the Lefors lumber yard when eight guns were stolen; another burglary of the same lumber yard on Jan. 3 of this year when out for him they knew just where to locate him.

Candidates

94th BIRTHDAY: H. A. Black, who is the last of a family that started 150 years ago, will celebrate his 94th birthday from 2 to 5 p.m. today with an open house at 324 N. Dwight. Black, who has lived in Gray County since 1930, has 17 grandchildren, 45 great-grandchildren, and 22 great-great-grandchildren. He is the father of Mrs. F. M. McCallister and J. R. Black both of Pampa, Mrs. Fred Lowry of Oklahoma City, and G. E. Black, of Los Angeles, Calif. (News Photo)

Theodore Roosevelt, youngest President of the United States to assume office, was 42 years old at the time of his succession.

Look Out, New York, Izzy's Going To Hit The Road Again - We Hope

By KENN WILLIAMS and GEORGE SPAULDING

May the Lord have pity on New York City because Isabel rides again! Yes, Isabel is on the prowl and she's wanting to try the bright lights of the big city. And who are we to hold her back?

A person would think that after three years of tiring a twenty-two year old car on a vacation — and to places like Grand Canyon, Yellowstone, and Canada — that a guy would get smart and not try it again. But Kenn comes under the heading of "MSTA" (More Stupid Than Average) because he's gonna try it for the fourth time with the assistance of George. (Kenn ain't quite dumb enough to try it alone.)

First, we will introduce the (trivial) members of this excursion. George is the son of Mrs. George Spaulding, Sr., of 1307 Oakland, Plainview. He is employed by The Pampa News as an advertising salesman.

And Kenn, well, what's done is done! If he hasn't learned better by now it's just plain hopeless. Kenn's folks are Mr. and Mrs. O. Williams of 1344 Garland, here in Pampa. He attended Texas A. and M. last year. The main character (and we do

mean character) of this trip is Shop (with Kenn's Dad doing most of the work) constructed a chuck box to put on the back bumper. We may break down, blow up, or fall apart but we will never starve, because there's food around the corner.

Did you know that New York City is nearly 1700 miles away? We didn't until after we planned the trip. Start figuring — with New York 1700 miles away, it is also 1700 miles from there to Pampa, and we have only two weeks to make it in. Now with the top speed of Izzy to be on the average of 30 miles an hour, all that adds up to some pretty high-powered driving.

It is, at present, our expressed hope to drive straight through to New York City. In fact, it is practically a necessity if we are to have any time at all to sight-see. We have red paint by the gallons and aim to spread it thick!

Our route to the big city goes about like this: Pampa to Oklahoma City to Tulsa to St. Louis to Indianapolis to Columbus, Ohio to Harrisburg, Pennsylvania, to New York, New York to Philadelphia to Washington to Memphis, to Little Rock to Pampa will be our trip home. Dang, as we look at this, it sure does look like a long ways. Whew, will we be pooped when we get home. It will probably take another two weeks vacation for us to recuperate.

While in the big city we plan to take in the Empire State Building, Statue of Liberty, The Rockettes — oops, er, the Radio Music Hall, Brooklyn Bridge (we don't aim to buy it because it wouldn't be a place for it in Pampa), Times Square, well, to tell the truth, we plan to be in the city for a while.

On the way home we are going to stop in Washington and spend a day browsing around in the Smithsonian Institute. After viewing Washington, more than likely we will have to start high-balling it for Texas.

The order of the day while on this trip will be meals from the chuck box and beds under the stars. People will think we are Scotchmen instead of Texans before we are through. Some tales about the price of food in New York have got a steal, a large, juicy, well-done steak. Don't know how the cashier in some exclusive New York restaurant is gonna feel when Kenn hands him a sock full of pennies to pay for a steak. Have a feeling he ain't gonna be exactly overly pleased.

But, our main problem will be finding a place to put up our cots. Is it against the law to pitch camp in Central Park? We might end up sleeping in the middle of Times Square, though it might be kinda noisy.

As always before, Izzy will be using Skelly products for her food (through the much-welcomed courtesy of Clarence Arnold and Lloyd Simpson of the Utility Oil and Supply Company — not a coal pooper).

Departing date for this expedition will be Thursday at six p.m., so if at that time you happen to be traveling down the Wheeler - Miami highway and something passes you like a flying saucer, don't worry, it'll only be George, Kenn, and Izzy, the wandering wonders, heading for the bright lights and glamour of New York City.

Because of the minuteness of carrot seed, it takes 287,000 grains to weigh a pound.

Joyce Curnutt Is Selected 'Miss Canadian' In Contest

CANADIAN (Special) — Miss Joyce Curnutt was selected "Miss Canadian" in a bathing beauty contest held in the City Auditorium Wednesday night.

Runners-up for the title were Miss Janet Conley in second place and Miss Donna Abraham, third place.

Miss Curnutt, 18-year-old daughter of Mr. and Mrs. Orla Curnutt of Canadian, is a 1952 graduate of Canadian High School. She was chosen as outstanding commercial student the past year. She was drum major in the Wildcat Band for three years, cheer leader of the pep squad a year, editor of the yearbook, a member of the National Honor Society and Future Homemakers of America, and the Sub Deb Club. She now maintains a position with the H.S. Wilbur and Son, Insurance Agency. She plans to attend North Texas State College this fall. She was sponsored in the contest by the First National Bank of Canadian as beauty queen of Canadian, who will enter the "Miss Wheatland" contest at Perryton.

Other contestants and their sponsors were Bobbie Sue Laick, Fielder's Jewelry; Anne Rathjen, Rich's Studio and The Hat Box; Christine Schaefer, The Canadian Record; Grace Ann Reid, Chevrolet; Carolyn Job, Best Way Store; Sandy Wilkinson, La Vella's Flowers; Jeanie Job, City Drug; Mary Scott, Tru-blood Motor Company; Norma Bernson, Killarney Cafe; Donna Abraham, The Fair; Janet Conley, Modern Lumber Company; Kathryn Cloyd, Eva's Beauty Shop; and Carol Kay Richard, Pavlovsky Electric.

place winners were awarded sea-nutt will be given Thursday son tickets to the swimming night at the City Auditorium. pool and second-place winners were given credit cards at various local merchants' stores.

Awards were made to "hard luck" girl, Norma Bernson, and "hard luck" boy, Jackie Newton. Gifts were presented to high-point girl and boy, Anne Rathjen and Roland Wilcoxson. A dance honoring Miss Curnutt will be given Thursday son tickets to the swimming night at the City Auditorium.

Texas Is Bottom And Top In U.S. Cotton Production

WASHINGTON (AP) — Texas is at the same time the nation's greatest cotton-producing state and one of the poorest.

The Lone Star State normally produces from a fourth to a third of the nation's cotton. No other state approaches Texas in total cotton production.

But on a per-acre-yield basis, Texas is almost at the bottom — a position it has held consistently in recent years.

This year, for instance, the latest U. S. Department of Agriculture report estimates the Texas cotton crop at 1,200,000 bales. That's more than 25 per cent of the indicated crop for the entire nation — 4,735,000 bales. In No. 2 place in the nation as a cotton-producing state is California, with an indicated 1952 crop of 1,880,000 bales.

Other states with high per-acre yield expectations include California, 645 pounds per acre; Missouri, 407 pounds per acre; and New Mexico, 467 pounds per acre. In many of these, of course, the proportion of irrigated cotton acreage is higher than in Texas.

Deadline Aug. 31 For Insuring Wheat

Last day to sign an application for insurance in 1953 when Keahey and J. E. Kirby, crops is Aug. 31, according to the county office, the county wheat insurance program will be in effect for the 1952-53 season. Evelyn J. Mason, wheat insurance administrator, announced the deadline today.

Mrs. Mason has reminded farmers of the area that they must obtain approval before applying for insurance. She also reminded them that the program will be in effect for the 1952-53 season. The county committee is composed of Clyde Carruth, H. H. Mason, and J. E. Kirby.

This is also the time to obtain approval for leaving grain sorghum stubble on the land. Requirements for payment on this project are to leave the stubble at least 10 inches high and the land is not to be grazed until Jan. 1, 1953.

A change in the ACP program for 1953 has been announced by the Department of Agriculture to the effect that committeemen will contact producers in their respective communities and assist producers in working out a farm plan and selecting practices needed in each farm.

Pampan Insists Army Beats Marines Finding Fanged Deer

By ED NASH

The United States Marines say they found a fanged deer, but it's the U. S. Army that latches on to the fanged deer.

At least, that's the way it worked in Korea, according to a former Army man, Dee Colham, 621 N. Carr.

A recent story in The Pampa Daily News reported that Marines had encountered "saber-toothed" or "fanged" deer on the peninsula and that Washington headquarters had been worried about it for a while.

The U. S. National Museum confirmed that the longtoothed deer were to be found in Korea as well as in the Yangtze River valley of China. And the assistant director of the National Zoological Park showed Marines live specimens to prove the stories from the fighting front.

But Colham maintains the Army was seven years ahead of the Marines this particular time.

In October or November, 1945, just after the signing of the Japanese surrender, Colham relates, he bagged one of the fanged deer with an Army carbine in Chuju, Korea. Colham's outfit had been transferred from Okinawa shortly before and he remembers it very well.

"It was hilly country and my buddy and I had been hunting boar," he recalled, "when we saw the musk deer coming down off a mountain. I shot and crippled him and my buddy helped finish him off."

The toothy deer — known scientifically as "Hydropotes inermis" — is generally considered a water deer or swamp deer. It grows as large as a big sheep dog and it bears tusks curving downward from the upper jaw in place of antlers.

But his time, Colham insists the fanged deer was found in mountainous terrain.

He described it as "gray to brown," weighing about 25 pounds. He said he nailed it at 50-55 yards. And its fangs measured 2 1/2 to 3 inches long.

There were some Korean peasants along on the hunt, Colham recalled, and when the deer had been shot "they lit right out after it." The peasants and a terrific fight over who got the animal.

The animals are reputed to be great crop destroyers. And Korean superstition has it that the bite of one of them is fatal.

What does Colham think of the publicity about the finding of these musk deer by the Marines?

"The Army saw 'em first" was his reply.

WTSC Will Hold Commencement Service Aug. 22

CANYON (WTNS) — More than 200 students will graduate in summer commencement exercises Aug. 22 at West Texas State College in outdoor ceremonies in Buffalo Stadium. A total of 218 are candidates for degrees.

Dr. J. A. Hill, president emeritus, who for 30 years headed this institution, will make the commencement address. An academic procession of faculty and graduates will gather at the stadium about 7:30 p.m., with the program due to begin at 8 p.m. in WT's new library building.

The receiving line will include Dr. and Mrs. Cornette and representatives of faculty and students.

Invocation at commencement will be given by the Rev. Jim T. Pichens, instructor in Bible, Methodist Church, Dr. Walter Juniper, dean of the college, and Dr. James Russell, graduate dean, will present the candidate, Singing of Alma Mater, closing the program will be led by Dr. House, Bright, music department head.

Of the 218 candidates, 131 are seeking the Master of Education and 16 the Master of Arts, and 2 the Master of Business Administration. Six are candidates for the Bachelor of Arts, 59 the Bachelor of Science, the Bachelor of Business Administration, and 1 the Bachelor of Music Education.

Readers are invited to read the complete story of the life of a hero of the American Revolution, the life of a hero of the American Revolution, the life of a hero of the American Revolution.

Pfc. Vernon E. Maddox returns Tuesday night to Chicago after spending a 25 day tour with his parents, Mr. and Mrs. Ward Maddox, 302 N. Carr. While here Pfc. Maddox went on a fishing trip to Detroit Lakes, Minn. with his parents and Mr. and Mrs. O. V. Hall, 1021 E. Browning.

U. S. NAVAL SUPPLY DEPOT, Guam, Marianas Islands (Delayed) — Robert Kelly, airman apprentice, USN, son of Mr. and Mrs. Harold Kelly of 418 Buckler, Pampa, has been stationed here.

Kelly has been serving at the Naval Supply Depot Security Division. Before entering the Navy, he attended Pampa High School.

6101st AIR BASE WING, Japan Airman 1c Jesse L. Shillings, son of Mr. and Mrs. Oscar C. Shillings, 408 N. Wells Street, Pampa, Tex., plays in the Japan Air Defense Force concert and marching band at this JDAF base where airmen provide facilities and 2 the Master of Business Administration. Six are candidates for the Bachelor of Arts, 59 the Bachelor of Science, the Bachelor of Business Administration, and 1 the Bachelor of Music Education.

contacting producers before Jan. 1, Mrs. Mason announced election of committeemen has been set about three months earlier this year.

Ballots have already been mailed to all eligible voters. Both the farmer and his wife are eligible to vote and ballots must be returned to the county office by Aug. 21.

A change in community boundaries is also set up for 1953. In the past, three community committeemen have been elected for each of two communities. In 1953 there will be four communities, each comprising the same territory in the county precincts, with three committeemen elected for each.

Delegates from each community meet the last week in this month to elect the county committee for 1953.

Large Signature

Hobart Mission Has Day-Long Services

All day services are scheduled today at the First Baptist Church's Hobart Street Mission. Regular Sunday School services and the morning worship service will be conducted at the mission.

After the service there will be a basket lunch in the West Central Park. At 2 p.m. there will be a program featuring the Rev. Sam Ogen and Dave Caddell of the First Baptist Church at Buntala.

WE HEARD . . .

A pet pairie dog has been in the vicinity of the home of Mrs. J. M. Nutting, 1100 Starkweather. Mrs. Nutting understands from a doctor that the canine could have hydrophobia. Before she has the dog put to death, however, she would like to contact its owner. Her number is 1550-J.

Texan Runs Into An Old Friend

SAN ANTONIO (AP) — When Lawrence LaRose met his old friend again he stepped right up and introduced himself.

"That old bag has really been around," he sighed.

LaRose is civilian inspector in the clothing sales warehouse at Lackland Air Force Base here. And the "old bag" was just that—the duffel bag which he carried on an overseas tour

MAGNOLIA PETROLEUM COMPANY OFFICIALS—Pictured are local and Dallas officials of the Magnolia Petroleum Company in the "chow line" at the company's annual barbecue Friday night. From left to right they are W. L. Montgomery, civil engineering department, H. H. Beeson, assistant manager, natural gas company, both of Dallas; H. L. Baker, superintendent, Panhandle District, Pampa; J. W. Black, sales and contract, natural gas company, Dallas; G. L. Nelson, Panhandle district superintendent, production department, Pampa; C. V. Edwards Jr., general superintendent, natural gas department, Dallas; A. B. Franzen, head of accounting department, Dallas; and J. L. Anderson, chief clerk, natural gas department. (News Photo)

Shamrock Family Has Annual Reunion

SHAMROCK (Special) — The annual August reunion of the J. W. Henderson family was held last week in the Ernest Henderson grove near Twitty. Mr. and Mrs. J. W. Henderson, guest of honor, greeted about 115 children, grandchildren, great-grandchildren, neighbors and friends during the afternoon.

A picnic supper was spread in the grove at six p.m. Children attending were Mr. and Mrs. Ernest Henderson and Glenda, Mr. and Mrs. J. B. Henderson and Guinn, Mr. and Mrs. R. S. Henry, Mickey and Donnie; Mr. and Mrs. Floyd Carver, Winnie, Rae and Michael; all of Shamrock and Twitty. Mr. and Mrs. G. W. Burrell, Junie, Ken, Esrbara, Brenda and Ronnie of Satanta, Kan.; and Mr. and Mrs.

the Air Force in England and Germany between April, 1917, and March 1920.

The bag was issued at Lackland AFB where LaRose joined the service. He and his "good friend" were separated in 1920. Whether "She" had cavorted overseas again with new friends in the interim cannot be said.

"The odds against his finding that bag while inspecting items in the warehouse were a million to one," said 2nd Lt. Joseph Pipp of the clothing sales division. The proof was positive, however — LaRose's full name and serial number are still visible on the bag.

The hippopotamus does not sweat blood. This belief arose from the fact that the animal secretes a carmine-colored pigment from its skin.

Of the reformed churches, the Church of England alone includes Palm Sunday in the Holy Week celebrations, according to the Encyclopedia Britannica.

No Blood-Sweater

Estimated 400 Attend Annual Magnolia Pet. Barbecue Here

Magnolia Pet. Co. employees and guests Friday consumed 536 pounds of barbecue at the company's annual outing. The barbecue, sponsored by John V. Andrews, was served to an estimated 400 persons at the outing held on the company lease at the east end of Foster.

Five Dallas company officials were on hand at the feast. They were A. B. Franzen, chief accountant; H. H. Beeson, assistant manager; J. W. Black, assistant manager; C. V. Edwards Jr., general Allen Vaughn, Kathy and Janice Ray of Borger.

Grandchildren who attended with some of the great-grandchildren were Mr. and Mrs. J. Roy Henry and son of Amarillo; Mr. and Mrs. Doyle Carver and family of Sanford; Mr. and Mrs. William Scott and daughter of Amarillo; Mrs. Raymond Cyrus and twin boys of Amarillo; Mrs. Charles Riley, Mr. and Mrs. J. L. Pepper of Shamrock; Mr. and Mrs. Joel Henderson of Borger; and James Ray Henderson of Twitty.

Children of the J. W. Hendersons who were unable to attend were Mr. and Mrs. Jack Harris and son, Mr. and Mrs. T. B. Henderson, and Mr. and Mrs. M. L. Gierhart, all of whom were on vacation; Miss Jeanne Henderson of Galveston; and Joe Henderson who is confined to the Shamrock Hospital.

The J. W. Hendersons have been holding an annual reunion of the family for about ten years. There are twelve children, 30 grandchildren, and 6 great-grandchildren. Many of the family's neighbors and friends in the community look forward to the gathering as much as the family does.

Second was Mrs. Jack Bourland; Mrs. Emmett Forrester was third; Mr. and Mrs. Wallace Brown, Borger, and their sons, Gene and Don, entertained with western music as two long lines of hungry people wended their way toward the barbecue table. As they waited they could see — and smell — the flames from the coals in the 84-square-foot pit in which the barbecue had been prepared. As one unidentified person remarked, it was "quite a feed."

"All my life I've wanted to own a Buick"

Power Steering on the Roadmaster and Super

Power Steering now available on Super as well as Roadmaster—optional at extra cost.

It seems that owning a Buick is something that a lot of folks dream about—plan for—and finally do.

We say that because, so many times, they say so in words like those above.

Those words make us happy, of course—happy to know we sell a car which means so much to those who own it.

But they make us feel just a little bit sad as well—sad to realize all the years of fun such folks have been missing for no good reason at all.

For the fact is this: If you can afford any new car, you can afford a Buick.

You can afford the thrill of bossing

around that big Fireball 8 Engine that purrs forth a mighty flow of power.

You can afford the gas bills—as any owner of a 1952 Buick will tell you—because that high-compression, valve-in-head marvel gets a lot of miles from a gallon of fuel.

You can afford the extra luxury of a real million dollar ride—the silken smoothness of Dynaflo Drive*—the extra room and comfort and style that have put Buick popularity right up at the top of the list, next to the "low-priced three."

So if you want to own a Buick—there's just one thing to do: Come in—pick the one of your choice—

and let us show you how close the figure that goes on the bill of sale comes to what you'd pay elsewhere.

As we've said before, your first car can be a Buick. Why not take the Big Step right away—today?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

Sure is true for '52 **BUICK** will build them

He's In Business Now! Hank Buys Flock Of Chickens But None Will Lay Him An Egg

By HENRY McEMORE
What made me bring up the subject of fresh eggs I'll never know.
My conversation isn't acintulating, I'll admit, but I won't admit that day in and day out I don't talk of subjects more stimulating than hens and what they do to enable themselves to cackle.

I like to talk of Proust and how he was influenced by Robert Service; the debt that Robert Frost owes to Edgar Guest; how Winston Churchill is smoking himself into an early grave, and how Elliott Roosevelt is my very favorite American.

But I didn't that morning on the sidewalk cafe of the Marik Plaza here. I mentioned fresh eggs, how I loved them, and how I could tell them in a flash from cold storage, store-bought eggs.

"I know just how you feel," a retired colonel said. "Felt the same way myself when I came here years ago. Only one thing to do."

"What?" I asked.
He answered as firmly as if he were giving a command to a battalion.

"Get yourself some chickens. I suggest 12 hens and a rooster to start. Get white leghorns. They're the best layers. You'll never want for fresh eggs again."

I waited for him to say, "At ease, men," but he didn't. I asked where I could get the hens and rooster.

I was efficient in the best West Point tradition. He took out a note pad, as if writing a command for artillery fire, and wrote down for me the best source of supply for leghorn hens and roosters.

I saluted briskly and went off to get my chickens. I bought twelve hens and one rooster, tied their feet together and brought them home. That was almost a week ago and I haven't got so much as one egg, and it couldn't be my fault. They listen to music all day from a portable, which was given to me as a going-away present by Florence Warner. They have a personal physician who comes out two or three times a week and ex-

amines them, using his best chicken-side manner. The rooster, who showed signs of chill, is wearing the best sport coat I have, a blue linen number. I suspect that I'm pampering these chickens. When I was a boy in Georgia, we always had chickens and we always fed them table scraps. The strength in my good right arm was chiefly developed by taking what was left from the table and throwing it out in the sandy yard. The chickens we had then made the laying of eggs their life's work. It was seldom that you couldn't go to their nests and find a warm egg waiting for you.

Since I got these hens in Chienavaca I've discovered that hens don't eat the way used to. They like tea and toast in bed, caviar mash for lunch, high tea in the afternoons, and a formal dinner at night, with strapless hen gowns, and the rooster in impeccable evening clothes.

But I'm not going to get rid of my chickens. I learned how to play percentages at the race tracks. It's twelve to one that one of those hens will lay an egg. That will suit me and give me the satisfaction of becoming a chicken fancier and a man who knows all about poultry.

Openings Now Of WAC Officers

Twenty-five appointments as commissioned officers in the Women's Army Corps reserve are now open to qualified women of the Fourth Army area, according to the Texas Military District, Austin.

Prior military experience is not required, but an applicant must be a graduate of an accredited college or university and must be within the 21-39 age group to qualify. Only exception is for women having 120 semester hours and no degree.

Applicants may request a concurrent call to active duty but that is not mandatory. Applications may be submitted to the local organized reserve unit or to the Chief, Texas Military District, American Statesman Building, Austin.

WTSC STUDENTS PICNIC—Gray County students planning to enroll in West Texas State College, Canyon, for the first time this fall were special guests of the WT Gray County Student Association and Dick Hughes, ex-WT student and Pampa businessman, at a picnic in Pampa's city park Friday evening. Pictured are representatives from each class. In the back at right is Dan Stallings, to be a senior at WT this fall; back, left, is Paul Boswell, junior; and seated are Betty Boswell, left sophomore, and June Smith, freshman. (News Photo)

Boyle's Column . . . Nudists Should Nominate A Candidate For President

By HAL BOYLE
NEW YORK (AP)—Oh, for the life of a nudist!
Everybody is being a nudist but most people outgrow it.
Nudists are having their worst days. A group in England is plagued by a nude stranger who pops in and out. And another group, the American Sunbathing Assn., meeting at Mays Institution N. J., are acting more like Texas Republicans as they quarrel over the selection of officers. Two factions are competing in a naked grasp for power.

Television is missing a bet by not training its cameras on this unconventional convention, attended by delegates from 30 states. It should be more interesting than the recent antics in Chicago.

You can imagine the announcer saying:
"We now bring you an interview with delegate Zilch. He's the one with the mole on his right shoulder."
Nothing Up His Sleeve
As a matter of fact, the national scene is ripe now for a nudist candidate for president. He would certainly prove he had nothing up his sleeve or wasn't trying to hide anything from the voters.

He could campaign on the platform "the people are entitled to the bare facts." But his nudist followers would be under one handicap: They wouldn't have any place to pin their campaign buttons.

centuries in many different countries. But its practitioners have had little real effect in their effort to get civilized man to face life wearing nothing but a suntan and a guilty look.
A naked savage is a fairly graceful human animal because since birth in lands where mixed nude bathing is customary, such as Japan, one also quickly accepts the unadorned body as a normal sight.

But nudists in America strike the average citizen as neither graceful nor particularly daring. The real argument against nudism isn't that it is immoral or unnatural. It is that it simply isn't practical anymore.

For one spent for everything that 99 out of 100 people look better with their clothes on than off.

SPRENTHRIFFS
As much money is spent on automobiles by Americans annually as was spent for everything in 1800, including food, clothing, building, taxes, and battleships.

Miami Lays Plans For Blood Program

MIAMI (Special)—Local committee chairmen and assistants met with Larry M. Hayes, center director of the regional bloodmobile unit, Fort Worth, to discuss the blood for defense program, which will bring a Red Cross bloodmobile unit here, Sept. 4.

Attending the meeting were Rev. Ray Manning, radio and poster publicity chairman; Mrs. C. H. Mulkey, blood chairman; Mrs. Dan Graham, Red Cross chapter secretary; Mrs. Horace Smith, service chairman; Mrs. W. F. Locke and Judge Ed Haynes, publicity; and Misses S. J. Montgomery, Clark Mathers, Fred Gordon, L. E. Breeding, R. J. Bean and J. R. Fitzgerald, all members of the volunteer service committee.

The News Presents . . . The Little Merchants

Meet Max Gilpatrick, son of Mr. and Mrs. J. M. Gilpatrick, 718 N. Somerville, the 10th in our series of presentations of Pampa Daily News carrier boys.

Beginning at the Shamrock Station on W. Foster, Max's route takes him from there to 415 N. West over to the 500 block of W. Francis. He completes his route on West, picking up the 500 block on Browning, Kingmill, Montagu, Finch and Cook.

Max has lived in Pampa for two years and has been delivering newspapers since May of this year. He will be in the 8th grade next year in junior high. He likes arithmetic "fine" in school, but P.E. period is his favorite part of every day. He hopes to make the junior high basketball team this next year. Max doesn't like movies too much, but when he does go, he prefers seeing sports or Western shows. He likes to read sports books and collect stamps in his spare time. He just recently started his stamp collection, but

Five Area Students On OU Honor Roll

One student from Pampa, three from Canadian and one from Lefors are listed among the 1,792 University of Oklahoma students named to the honor roll for the second semester of the 1951-52 school year.

The list has been released by President George L. Cross and includes students with no grades below a "B".

Included are Weymar Zack Osborne of Pampa; Albert Bernson Jr., Francis G. Chambers and William V. James, Canadian and William C. Osburn, Lefors.

he boasts several from foreign countries. Several visits to a New Mexico ranch has made this News boy want to be a rancher when he "grows up." He thinks he wants that ranch somewhere in Texas, however. Maybe then he'll have room to raise those chickens, (or frying) his favorite of all foods.

Max's phone number is 49 and his patrons may reach him there when they fail to get their daily News.

Price Specialist In Shamrock Tuesday

SHAMROCK (Special)—Price Specialist, W. C. Reynolds, of the Office of Price Stabilization will be in Shamrock, Tuesday. He will assist merchants in complying with price regulations.

While here he will operate the chamber of commerce. He reminded

of merchants that the newly revised Defense Production Act has produced some new regulations and amendments to old regulations which business men need to know.

Job Situation In Pampa Picking Up, Commission Says

The Pampa job situation has "picked up" in the past week, according to Bill Ragsdale, head of the local Texas Employment Commission office.

At the latest count, there were 17 jobs to be filled. Included are nine in the professional-clerk-sales category, three service positions and five skilled and semi-skilled jobs.

Some of them are rather difficult to fill, Ragsdale reports. For instance, there is one for a middle-aged lady to do housekeeping and practical nursing in a farm home for a month.

Why the employment problem is smoother now is a moot point. It may be the recent rainfall. Or it may be the aftermath of the Top o' Texas Rodeo. Or it may even

Physicians Warned On New Drug

WASHINGTON (AP)—The wonder drug Chloromycetin remains on the market—but with clear warnings attached to its use by physicians.

Under a government ruling announced this week every package of it must henceforth carry an explicit caution to doctors against indiscriminate use or for minor infections—and a warning of possible hazards under certain conditions.

The government feels, however, that the versatile drug "should continue to be available for careful use by the medical profession in those serious and sometimes fatal diseases in which its use is necessary."

The Food and Drug Administration (FDA) had been faced with deciding about future use of the drug as a result of serious blood disorders, some of them fatal, recently noted among people treated with the medicine.

There was even talk of a possible ban on the drug which since 1949, has been used in more than eight million cases. It has been credited with saving thousands of lives from serious infections such as typhoid fever, Rocky Mountain spotted fever, undulant fever, epidemic typhus, "scrub" typhus, certain pneumonias and urinary tract infections. It is medicine's only known cure for typhoid.

But this week the FDA announced its decision to permit the drug to remain on the market "under revised labeling that will caution physicians explicitly against its indiscriminate use." Packages of the drug will also contain information spelling out potential blood-disorder hazards from "prolonged or intermittent use" and calling for "adequate blood studies under such use." It can be obtained only on a doctor's prescription.

Oilers Split With Pioneers, 1-3, 6-2

Thompson Hurls 5-Hitter To Win; Pull Triple Play

It took a five-hit pitching effort, a triple play, and a pair of errors by the defense, and the Pampa Oilers finally accomplished their third win in 17 starts against the Clovis Pioneers this season. Tall Tommy Thompson hurled the five-hitter in the nightcap last night at Oiler Park as the Pampans took a 6-2 decision over the Oilers' leaders.

Mel Nee hurled a very compact six-hitter in the opening game, but got no support from his mates at the plate, dropping a fine 3-1 contest. Mel "Casey" Kramer hurled the win for the Pioneers, giving up but four hits in doing so. He lost his shutout with a wild pitch.

Tonight Pampa fans get their final chance to see what is one of the finest Class C clubs in baseball today. The Pioneers and Oilers' tangle at 8:30 p.m. for the final time this year at Oiler Park. Veteran righthander Bill Hair will go for Grover Seitz' uncrowned champions. He will be opposed by young southpaw Connie Swenson of the Oilers.

WHADYAMEAN INFIELD FLY — Manager Grover Seitz of the Clovis Pioneers and catcher Frank Benites (center) argue with Empire Collins about his interpretation of an infield fly during the first game of last night's doubleheader at Oiler Park. Behind the umpire, partially hidden, is shortstop Johnny Jeandron. The two clubs split last night's bargain bill and will conclude their series with a single game tonight. (News Photo)

Triple Play
The triple play, the first at Oiler Park this year, came in the top half of the third inning of the second game and really got Thompson out of a jam, one of two serious bits of trouble he got into in the game. Sonny Tims opened the inning with a single and went to second as Francis Rice walked. Cliff Pemberton hit a liner at Bill Johnson at second who trapped the ball in the throw to Norris Auerbach covering second. A force Rice, Auerbach's relay to first got Pemberton for the second out, and then Lewis threw to Hal Haynes at third who tagged Tims out coming into the bag for the third out. Tims was unceremonious whether Johnson had caught or trapped the ball and had headed back to second to tag up.

The Oilers got off to a quick jump in their winning effort. Deck Woldt singling to right and going to third as Tims fumbled the ball. Doug Lewis singled him home, and then came in to score on Jake Phillips' double.

The Pioneers got one back in the second when Johnny Jeandron was safe on an error and scored on a double by Ray Hill. They tied it at 2-2 in the fourth when Virgil Richardson doubled off the leftfield wall and came in to score on a sharp single to right by Matthews which Phillips fumbled.

After the first inning spurge the Oilers were unable to threaten against starter Harry Young until the sixth. The Phillips up-anned it with an infield single off the fireballer. Johnson sacrificed him to second and Auerbach walked. Haynes hit a flyball to Tims in right who dropped it to load the bases with one out. Larry Sanchez, after getting a two-strike count and pulling off the general pit-hes, finally punched out down the rightfield line for a two-run single to put Pampa ahead. After Thompson had fanned for the second out, Young uncorked a wild pitch that allowed Haynes to score the Oilers' fifth run. Woldt then produced a single to right-center to tally Sanchez with the game's final run.

First Game
Clovis took a one run lead in the first game off Nee after two were out. Pemberton singled to center and scored on Richardson's long double to left.

They added another in the second. With one out Benites walked.

Top 199 Golfers Attempt To Unseat Billy Maxwell Monday

SEATTLE (AP) — Two hundred top-flight amateur golfers, each capable of breaking par on occasion, start play Monday in the 200 starters over the 6,632-yard, par 35-36-71 Seattle Golf Club Course which will include three others who have won the U. S. amateur title, two winners of the British amateur championship and the amateur champion of Canada and Mexico.

Monday's first round of 18-hole matches starting at 6:30 a.m., Pacific Standard Time (8:30 a.m., CST) will reduce the field to 128 players. Another single round is scheduled for Tuesday and Wednesday and Thursday. The four survivors will play the 36-hole semi-finals Friday.

Because of the Far Western locale — the first time the amateur has been played in the Northwest since 1957 — the entry list is heavily loaded with local talent and there are comparatively few easterners. Most of the "name" golfer managed to make it but the lads who figured to last only a round or two didn't come. Already there have been an unusually large number of withdrawals of players who earned places in the qualifying rounds Aug. 5.

In addition to Maxwell, the field includes swarthy Sammy Uzzetta, East Rochester, N. Y., the 1950 amateur champion, Charley Cox, Oklahoma City stringbean who won in 1949, and 62-year-old Chick Evans, Chicago, winner in 1916 and 1920.

Evans is the only player around who has won two U. S. amateur titles since Willie Turnesa decided not to play this year. There hasn't been a repeater in the amateur since Lawson Little won in 1934 and 1935.

One of the red-hot favorites right now is handsome young Harvie Ward, Tarboro, N. C., winner of the British Amateur title last spring.

East Stars Turn In Victory In Greenbelt Bowl, 14-0

CHILDRESS (AP) — Wiley Jack Kirpatrick, of Post-spriced—the named outstanding linemen, Tatum played with the West team.

Kirkpatrick, a 2-AA All-Stater last year, passed to Excell Auyett of Fort Worth for one of the East scores and ran 80 yards for the other.

Rusty Gunn of Arlington, another All-Stater, made both conversions.

Coaches for the game, played in heat that reached 93 degrees at the "kickoff," were Jack Mitchell, Texas Tech, for the West, and Dixie White, Midwest-ern, for the East.

Kirpatrick was named outstanding back for the game and Johnny Tatum, Lubbock center, was named outstanding linemen. Tatum played with the West team.

Texans Slipping In Golf Earnings

CHICAGO, Ill. (AP) — Texans are sliding down in the ratings but there still are five of them among the top 25 money-winners of golf.

Jack Burke of Houston is third with \$18,403. Lloyd Mangrum of Dallas fifth with \$13,422.74. Tommy Bolt of Houston 10th with \$10,065. Ben Hogan of Fort Worth 20th with \$6,525 and Henry Ran-son of Bryan 22nd with \$5,466.66.

Julius Boros of Mid Pines, N. C., who won the \$25,000 first money in the Chicago world's championship, is No. 1 with \$34,327.97. Cary Middlecoff of Memphis, Tenn., is second with \$27,739.98.

Burke leads the contenders for the Ryder Cup team with 393 7-12 points. Mangrum is third with 314 14 and Hogan tenth with 121 14. In the fight for the Vardon Trophy Sam Snead of White Sulphur Springs, W. Va., leads with a stroke average of 70.32. Mangrum is third with 70.81 and Burke is fourth with 70.84.

ed and Havenstrite and Kramer got a short single to load the bases. Tims hit a fly ball into short left field. Auerbach, running hard after it with his back to the infield, missed the ball. But the umpire ruled an infield fly, automatically disposing of Tims for the second out. But as the ball hit the ground, Benites left third and scored with the second run, ultimately the winning run.

Pampa got one back in the bottom of the inning on a walk to Auerbach, a wild pitch and a single to left by Sanchez. That was all the damage of Kramer. The Oilers got the leadoff man on second in the fourth and runners on first and second with one out in the sixth, but both times the raitroading righthander poured on the coal and came over the hump in a breeze.

The final run for the Pioneers came in the sixth, Richardson walking, stealing second, moving to third as Sanchez overthrew second, and scoring on a single to left by Jeandron.

Porky Oliver Leads In KC Tourney

KANSAS CITY, (AP) — Ed (Porky) Oliver, the popular round man from Lemont, Ill., slammed a 5-under-par 67 for a 54-hole total of 204 to take the lead at the three-quarter mark in the \$15,000 Kansas City Open Golf tournament Saturday.

Oliver was 12 strokes under par over the 6,208-yard Mithrun Country Club Course, a rolling par 72 layout. That left him one stroke ahead of 205 Dave Douglas Newark, Del., who fashioned a 70 today for a slim take.

Cary Middlecoff, the defending champion from Memphis, was tied with Al Besselink, Escondido, Calif., at 207 for the third and fourth spots. Middlecoff had an even par 72 and Besselink made the round in 69.

Jerry Barner, Pasadena, Calif., who started the third round in a tie with Douglas and Middlecoff at 135, flared to a 74 today for a 209 total that left him well off the pace.

Douglass In Clovis Semi-final Round

CLOVIS (AP) — Two champions lost their Clovis Invitational golf crowns Saturday, and semi-final rounds Sunday will decide the new title holders for both professional and amateur divisions.

In the professional bracket, J. D. Taylor, host pro and defending champion, bowed to Midland's Abe Beckman in first-round play Saturday. Beckman downed Taylor 4 and 3.

Later, in second-round pro matches, Beckman played 18 holes with Boyd Huff, another Midland pro, and the two were deadlocked 13-hole contests, has to be a first. They'll decide early Sunday whether to advance to a semi-final berth.

Other pro still in the running include Tex McCharen of Albuquerque, John Garrison of Tulsa, Okla., and Dode Forrester, Houston. In the amateur class, Jack Williams, 1951 winner, lost out to Ken Shields in a tight match that ended 1 up on the nineteenth hole. Earlier, Shields had downed Melvin Best 1 up, and Williams topped Rex Baxter, Jr., 5 and 3.

Championship flight matches Sunday will pit Shields against Raymond Marshall, Lubbock, and Earl Hooker of Paris, Tex. against Malcolm Douglass of Pampa.

Dick Odell of Amarillo and Raymond Marshall tied for the amateur medalist award Friday with their scores of 68, but Marshall won out as the result of comparative scores Saturday.

One Count Scores In Return Start

SARATOGA SPRINGS, N.Y. (AP) — Mrs. Walter M. Jefford's One Count, making his first start since winning the Belmont Stakes, Saturday captured the 3rd Travers Stakes, Armegeeddon from the Cain Hoy Stable was second and Greentree Stable's Tom Foote third in the mile and one-quarter test.

Eric Guerin, who earlier in the day won the six-furlong Saratoga Special with Alfred G. Vanderbilt's Native Dancer, sent the three-year-old son of Count Fleet over the sloppy distance in 2:07.2-5 under top weight of 126 pounds.

One Count, which had injured a foot in the Belmont Stakes, paid \$10.20, \$5.20 and \$3.20. Armegeeddon, beaten three lengths as One Count pulled away in the stretch, returned \$4.70 and \$3.20. Tom Foote, 1951 two-year-old champion, trailed by another length and paid \$2.50 to show.

Crafty Admiral Cops Whirly Run

CHICAGO (AP) — Crafty Admiral, ridden by Jockey Eddie Arcaro, galloped to a three-length victory in the \$44,300 Whirlaway handicap before 26,192 Washington Park fans Saturday.

Old Capitol was second with his stablemate Rube third and Ken fourth in the eight horse field.

Evans Named Bowling Prexy

TEX EVANS
Bowling president

Ted Evans, popular local bowler, was elected president of the Pampa Bowling Association at its regular fall meeting Friday night. Aubrey Johnson was named vice president and Stan Brake secretary-treasurer.

Named executive directors were John Kuntz, Dick Kennedy, Jesse Smart and I. B. Carlson. All of the officers were named to two year terms.

In other business the association voted to continue with the annual banquet at the end of the bowling season, adopt the changes in the rules adopted by the American Bowling Congress this season, and to build a trophy case to be placed in the Pampa Bowl.

It was also agreed to form two clubs - a 225 Club and a 250 Club. All members bowling scores high enough for entry into these clubs will have their names inscribed on a perpetual plaque to be kept in the Pampa Bowl.

On Thursday night of this week, the Pampa City League will hold its fall meeting at 8 p.m. on the fifth floor of the Hughes Building. Purpose of the meeting is to select a president, vice president and secretary-treasurer for the season as well as to form the league.

Evans has asked that all team captains and those interested in entering a team in the City League be present at the meeting.

Several out-of-town guests will be there including John Laughlin, executive director of the ABC for the southwest region, who will discuss plans for the southwest meet in Amarillo, scheduled for February. Also present will be Virgil Reager, executive director of the Amarillo Bowling Association and accompanied by Bill Forman.

Youngster Hurls Perfect Game No. 8

BALTIMORE (AP) — Dick Marlowe's shortened stride took him a long way — to a pitcher's dream — a game with no hits, no runs, no walks, nobody on base.

The Buffalo righthander tossed the perfect game in racking up a 2-0 international League victory over the Baltimore Orioles here Friday night.

It was only the second perfect game in the history of the league, and the eighth on record in the history of professional baseball.

Marlowe, a tall, soft-spoken 23-year-old who has been in pro ball only five years, couldn't get it.

"I knew I had a no-hitter in the top of the seventh, but I didn't know until the game was over that there weren't any walks and nobody got on base."

"I didn't feel any different than in any other game," he said. "When the fast started hollering at the start of the seventh, 'Go spoil your no-hitter, I just said to myself, 'Okey, here it goes.' "I don't think I tensed up much. I just kept throwing them. My fast ball and my change ball were clicking 'that's all.' "His teammates said his curve ball and slider were greased up also.

Both Marlowe and his roommate, Joe Kraut, who caught the perfect game, said a shortened stride developed the last few days was most responsible for Dick's improved game.

He had a 6-7 record before Friday night.

Manager Jack Tighe, who was "pleasantly surprised" with his pitcher's performance, said Marlowe had been improving steadily since the first game of June. "I don't think he's a little catcher, wasn't as calm."

"It's the first no-hitter I've caught in 13 years of ball," he shouted, "and I guess it's the first perfect game anybody has caught lately."

The "lately" was 36 years. The last perfect game on record was pitched by C. C. Robertson of Chicago in a 2-0 American League victory over Detroit, April 30, 1922.

record of 47 set in 1942.

Fort Worth's shortstop Bill Hunter appears on the way to a record for the best fielding average at his position. At three quarters Hunter had .968. The record is .965 set by Arch Tanner of Waco in 1915. Hunter also had accepted 75 chances in 125 games and was nearing the record of 845 set by Clyde Perry of Dallas, 1951. Hunter also had only 22 errors in 125 games. The league record is 31 set by Ewell Gross of Dallas in 146 games in 1927.

The Fort Worth infield combination of Hunter Joe Torpey and Wayne Belardi is on the way to a record in double plays. In 1936 Bernie Daveross, Tom Connolly and Jim Galloway turned in 47 at Beaumont. Hunter, Torpey and Belardi had 39 through Aug. 7.

Blast By Berra Gives Yanks Win

BOSTON (AP) — Yogi Berra's three-run homer in the sixth inning Saturday enabled the New York Yankees to break their 1952 Fenway Park jinx by defeating the Boston Red Sox, 5-4, in a game halted by rain in the top of the seventh. It was the Yank's first win here in six starts this season.

Veteran Allie Reynolds turned in his 15th win against seven losses, but he was trailing, 4-2, until Berra banged his 23rd homer of the season into the right field stand. Phil Rizuto had singled and starter Ray Scarborough had walked Mickey Mantle with none out before Berra's clout off Marty McDermott.

Berra, who accounted for all but one of the Yankee runs, singled in Gil McDougald in the first inning. Hank Bauer, blasted Scarborough for a fourth-inning homer.

A single by DiMaggio in the first and two singles in the third combined to put Boston ahead 3-1. The Sox counted twice in the fifth.

Tommy Jacobs Wins National JC Tournament

EUGENE, Ore. (AP) — Tommy Jacobs, 17-year-old iron playing expert from Montebello, Calif., won the National Jaycee Junior Golf Tournament Saturday with a two-over-par 290.

Jacobs, who went into the last 18-hole round tied with Donald "Scotty" Fraser, 16, Panama City, Fla., shot a 36-37-73 on the par 37-35-72 Eugene Country Club course.

Fraser, who played in the last group on the course, went to the final hole needing a birdie to tie Jacobs.

He shot his approach within four feet of the pin, then with a crowd of 2,000 watching, he missed the putt for the tie.

Fraser was even with par through 14 holes, but on the 15th he hit his second shot into the woods. The ball bounced back on the fairway, but Fraser had to settle for a one-over-par five.

On the 16th he chipped short and again a stroke over par. He finished with pars on 17 and 18 to take second place with 217-74-291.

Third place went to Ken Scott, Rockford, Ill., who also is a star basketball player. Scott had a final round of 36-40-76 for a total of 206.

Two were tied at 209: James Raines, Augusta, Ga., who had 74 yesterday and Nicky Gustin, Birmingham, Ala., who had 77.

Tom Cox Has Putter Trouble In Tournament

Tommy Cox of Pampa, Tex., serious putter trouble in our completed final round of Jaycee National Junior Golf tournament. Far off the pack of leaders, his iron shots were short and the 3-putted 3 greens on the front nine.

Tommy started off the morning with double bogeys on the first two holes with a six and a five. He took par five on No. three, double bogied No. 4, bogeyed No. 5, double bogied No. 6, then parred last three holes to give him nine over par 46 for front nine.

On back nine, Tommy settled down and shot more consistent, but the damage had been done. He started off with bogeys on No. 10 and 11, parred No. 12 and 13, bogeyed No. 14, parred No. 15, bogeyed No. 16, and parred No. 17 and 18.

Tommy's 225 put him 35 strokes back of the leading 290 poster by Tommy Jacobs, of Montebello Calif.

Somebody asked Tommy if he'd like for the boy to take up the big man had a gleam in his eye when he said:

"Well, maybe that's a little premature right now, but you can be sure it would be a dream come true for me."

Pittsburgh Nips Chi Cubs, 2-1

CHICAGO (AP) — Ralph Kiner and Howie Pollet teamed up to help the Pittsburgh Pirates snap a five-game losing streak against tall Paul Minner as the Cubs nipped the Cubs, 2-1, Saturday to hand the Chicago south paw his eighth loss of the season.

Mitchell's Homer Gives Tribe Win

CLEVELAND (AP) — With the score tied, big Dale Mitchell smashed a homer in the eighth inning Saturday to give the Cleveland Indians a 4-3 victory over the Chicago White Sox and end a pitching duel between Bob Lemon and Billy Pierce.

Gene Woodling of the Yankees led four different minor leagues in batting.

FOOTBALL

Season Reserved Ticket:

Season books are now on sale at the School Office in the City Hall. If you desire to buy the same seats this year you had last year, you will have until Saturday, August 23rd to pick them up. All books left unsold will be offered first come, first served at 9 a.m. August 23rd. The price of the books is \$9.00 each for the following six home games:

- Sept. 26 - Vernon Lions
- Oct. 3rd - Duncan, Okla., Demons
- Oct. 24th - Midland Bulldogs
- Nov. 1st - Lubbock Westerners
- Nov. 22nd - San Angelo Bobcats
- Nov. 27th - Borger Bulldogs

WINNERS — Managers, sponsors and players from the award winning teams in the Pampa Kiwanis Club Softball Program were honored at the Friday noon meeting of the club in the Palm Room. At that time awards were presented to the various winners in the standings, church attendance, sportsmanship and outstanding player. (News Photo)

College All-Stars Surprise Rams, But Lose

CHARLES CHAMBERLAIN
CHICAGO (AP) — It's not true — the best — playing team always wins.

Seldom has a football squad looked so superb in defeat as the college all-stars did Friday night.

In taking up a 10-7 decision on the scoreboard by bunching their points in the last quarter, the Los Angeles Rams look like anything but the National football champions.

Most observers thought they didn't deserve to win and were jumpy to do it.

The 19th game in the all-star series was played in intermittent rain before 88,316 fans who smiled in Soldier Field fascinated with the vigorous competition until the final gun. Millions of others saw it on television or heard it on radio.

It was a game of breaks — all ad one for the all-stars.

In all, the collegians fumbled way the ball five times, Los Angeles none.

Parilli The Runner
Babe Parilli wasn't a runner at Kentucky. But Bobby Dodd of Georgia Tech, head all-star coach, said he saw a m. d. up several running plays for him as a surprise weapon. He doesn't even now how to hold the ball — says it loose and open. It didn't take long for the Rams to discover this.

However, Parilli — who will

Pioneer Players Still Setting Pace In WT-NM Averages

JIM MATTHEWS
... Home run leader

Francis Rice, Clovis outfielder, continued to be a three-threat player in individual batting statistics released Friday by the West Texas - New Mexico League.

The young outfielder, having his greatest season in professional baseball, leads in total hits (162), total bases (278) and runs scored (123). A teammate, Jim Matthews, continues as home run leader with 33 through Aug. 13.

Two more Pioneers, Mel Kramer and Carroll Dial, continue as leaders among the pitchers. Kramer has a 10-1 record while Dial's reads 2-2-6.

And in addition to that type of offense and pitching, the Pioneers continue as the best fielding team in the league with a .964 average.

Pat Lorenzo of Borger is still the individual batting leader, with a .422 mark, a drop of three points over last week. Cully Rickard, Albuquerque outfielder, is hitting .385, good for second place, although he has been hit but 170 more times than Lorenzo.

The complete averages of all games through Aug. 13, except Abilene at Clovis on Aug. 12-15, are:

Individual Batting

| Player | Club | AB | R | H | AVE |
|---|------|-----|-----|-----|-----|
| Lorenzo, Borger | | 296 | 87 | 422 | |
| Rickard, Albuquerque | | 377 | 145 | 385 | |
| Cutti, Albuquerque | | 418 | 156 | 373 | |

Brooklyn Mauls Philadelphia, 15-0

BROOKLYN (AP) — Billy Loes, backed by a vicious 15-hit attack, coasted to his 11th victory of the season Saturday as the Brooklyn Dodgers mauled the Philadelphia Phillies, 15-0, in a game that was called in the seventh inning because of rain.

The triumph boosted Brooklyn's National League lead to eight games over the second place New York Giants. The Giants' game with Boston was rained out.

Home runs by Andy Pafko and Carl Furillo accounted for five of the Dodgers' total. The Phillies also kicked in with four errors to hand the Dodgers seven unearned runs.

The Dodgers racked up Curt Simmons in short order, rocking him for three runs in the first, and driving him to cover with five in the second.

After Jim Konstanty was tagged for four in the fourth, the Dodgers closed out the scoring with three tallies in the sixth.

be with the Green Bay Packers this season as a pro — broke loose for a 40-yard dash in the second period that set up the all-stars 68-yard march to a touchdown. The surge started when Frank Gifford of Southern California stole Norm Van Brocklin's pass.

Vic Janowicz of Ohio State, now an Army corporal at Camp Polk, La., finally somersaulted over the goal line after Parilli's pitchout to him on the four. Vic also booted the point.

The Rams tied the score at 14 of the fourth period, capping a 77-yard push with Van Brocklin's three-yard toss to Hank Younger. Bob Waterfield converted.

Later in the final quarter, Van Brocklin and Erny Hirsch combined on a 10-yard screen pass that moved the ball into position for a 24-yard field goal by Waterfield that won the game.

Col. William Ross paid \$655 for a ticket to hear Jenny Lind sing, and then did not attend the concert.

LET'S DEAL THE CARDS FACE UP

In order to keep the record straight, the citizens of Gray County ought to know, and deserve to know, the facts. For that reason, and that reason alone, I respectfully ask your consideration of the letter I have received which is reproduced here for your convenience:

August 16, 1952

LAW OFFICES OF CURTIS DOUGLASS
Pampa, Texas

J. B. Maguire, Jr., Attorney
Pampa, Texas

Dear Mac:

My attention has been called to a portion of the contents of a certain letter which Bruce Parker is circulating among the voters of Gray County, which is as follows:

"... according to the records my opponent is a partner of Curtis Douglass, an attorney, who defends more drunken drivers in the County Court of Gray County than any other attorney in Pampa. . . What would happen to our drunken drivers if the attorney representing them and the Judge were partners?"

A statement such as this should be ignored because it is silly and ridiculous, except for the fact that Parker, who seeks the confidence of the people of this county by asking for a public trust, stoops so low in last minute desperation by inferring that I would try to corrupt you in your judicial capacity, and that you would likely be susceptible. In my opinion, any person who would make such a reckless charge is wholly unfit to hold any public trust, or else simply lacking in intelligence.

You are not a partner of mine and have not been associated with me in the practice since February 1, 1952. Parker could have learned this by only asking either you or me, and his failure to do so certainly shows an evil design. In the next instance, everyone knows that even if we were partners, and you were elected, I would be disqualified not only at law but also as a matter of legal ethics to try a case before you.

Now as to the drunken drivers and their cases in the County Court of Gray County, the following shows a hurried check of the records in cases where I have represented the defendants. I will not use the name of the defendants, but will show only the date the case originated and the disposition made, viz:

| STYLE | DATE OF ORIGIN | DISPOSITION |
|------------------------------|----------------|-------------|
| State of Texas vs. | Sept. 1945 | Dismissed |
| State of Texas vs. | Nov. 1945 | Dismissed |
| State of Texas vs. | Nov. 1945 | Dismissed |
| State of Texas vs. | Feb. 1946 | Not Guilty |
| State of Texas vs. | Nov. 1947 | Dismissed |
| State of Texas vs. | Nov. 1947 | Not Guilty |
| State of Texas vs. | Aug. 1948 | Dismissed |
| State of Texas vs. | Nov. 1948 | Dismissed |
| State of Texas vs. | Feb. 1951 | Pending |
| State of Texas vs. | Dec. 1951 | Pending |
| State of Texas vs. | April 1952 | Pending |

The above cases are all that I could find on the records. There could be others pending, probably two or three, but you will note that the dates on the above cases go back before Parker was judge, but at a time when he was County Attorney.

The above record speaks for itself.

If Parker is proud of this record, very well, and I can assure you that I did not try to corrupt him or use any improper influence upon him in the making of it. His failure to produce came either from a lack of knowledge of his duties, or else a failure to perform.

I had no idea I would be brought into, and made a subject of dispute in your race. I have no business with Gray County and seek none. I pay my taxes and that is about the extent of any business transaction I ever hope to have with the County. But in view of such a wild charge, one that imputes dishonesty not only to you, but also me, I consider it my duty to write you this letter.

You have been associated with me in the past in the practice of law. I enjoyed it very much, because you have proven to me your worth. You are a fine young man who has displayed, in every instance, honesty, fairness and a willingness and determination to do what is right. I wish you success in your race for the office you seek, and in doing so I feel confident that you would never betray a trust and will make a public servant that all of the people of Gray County will be proud of.

Your friend, very truly, (Signed)
Curtis Douglass

Sixteen Top Professionals Are Due To Play In TOT Pro-Am

About 16 of the top professionals from over the entire Panhandle area are expected to be on hand Aug. 28 to open the seventeenth annual Top of Texas Golf Tournament with a West Texas pro-amateur.

The professionals, along with top amateurs with three-stroke or less handicaps, will captain the teams that day. They will be permitted to select one player for their team and draw the others.

Professionals who are expected to be here include Joe Houck (Borger), Dick Turner (Amarillo), Joe Lopez (Memphis), Jim Terry (Childress), Fred Adkins (Vernon), Jack O'Brien (Liberal, Kan.), Jack Earle (Phillips), LaFayette Franks (Dumas), Vern Farguhar (Amarillo), Clyde Posey (Hereford), Jack Walker (Plainview), Gene Mitchell (Lubbock), Paul Jones (Lubbock), Ken Wright (Littlefield), Herb Schroeder (Lubbock), and Johnny Austin, host professional.

The entry list for the huge, five-day tournament, is growing daily. Already over two dozen out-of-town golfers have entered, and tournament officials look for a field of about 150 golfers for the tournament itself and over 100 for the pro-amateur.

The three winning teams in the pro-am will split the pool, 50 per cent to the winner, 30 per cent to second place, and 20 per cent to third.

In addition, extra prizes will be given to the first and second-place low gross men shooters and first- and second-place low net women golfers.

Johnny Austin, host pro, has extended a special invitation to the ladies all over the Panhandle to enter the pro-amateur.

The Top of Texas tournament itself should be one of the best ever. Defending champion Jack Williams of Plainview, while he hasn't sent in his entry fee as yet, has stated that he will return to defend his crown won last year. He has been busy all summer participating in various tournaments throughout the area. This week end he is at Clovis and last week lost to National Amateur Champion Billy Maxwell in the finals of the Lubbock Country Club tournament.

Sports Battle At Groom Today

The Pampa Sports travel to Groom this afternoon to face the Groom Independent baseball team in the second game of a three-game series. Game time is 3 p.m.

The Sports dropped a 4-2 decision to the Groom club, a member of the Caprock League, Friday afternoon during the annual Groom city wide celebration. Chubby Haynes was the losing pitcher, with Margell catching. P. Britton and Garrett was the winning battery.

On Aug. 29 the Sports travel to Perryton for a single game.

The Sports are still searching for more ballplayers, and any young fellows interested in playing baseball have been asked to

Tigers Rally Beats Brownies

DETROIT (AP) — Detroit's three-run surge in the fifth inning broke a 1-all tie, and the Tigers went on to beat the St. Louis Browns, 5 to 2, Saturday before 5,099 fans.

The Tigers' fifth run came in the eighth on Steve Souchock's ninth home run of the season.

Greens Gossip

By HOGAN O'NEAD

Most of the activity around the golf course this week has been centered on getting ready for the Top of Texas tournament here. The fellows have been sharpening up their games, practicing and playing hard.

Some of the boys have been entered in tournaments. Over at Clovis Dick Oden tied for medalist honors while Malcolm Douglas was one stroke off the pace. Also entered were Ronnie Samples and Buster Carter. Buster, incidentally, was on the winning pro-am team for about the umpteenth time this year.

The entry list for the TOT has been good. Posted on the walls around the pro shop are some notes about the tournament, including a reply from J.R. Weaver, now of Longview, who is gunning for Chisum, Heiskell and Austin. St. George Aubach, personable Amarillo CC pro, also sent a letter concerning the tournament which is most interesting.

Johnny Munn, capable Amarillo amateur, says that he hopes to make it for the pro-amateur, but knows that he will be unable to play in the tournament. He'll be a good golfer to watch along with the dozen or more pros expected. We should have a good group from Amarillo.

Well, the same old group saw another good shot this week. Al Frigmore, R. A. Baker, Haskell Maguire and Ruhl Samples stood and watched Mickey Frigmore, one of the Panhandle's best southpaw golfers, hole out a pitch shot from the draw on No. 9 for an eagle 3 the other day.

And when it comes to good shots, the X-hander, Ben Fallon, hit three pins the other day, two on tee shots. He hit the pins from No. 3 and No. 16 tees and nearly broke No. 15 pin with his second shot from about 125-yards out.

And once again, Johnny Austin is asking for rain to get the call Floyd Hunter or Ralph Margell.

Golfdom's Newest Trophy Captured By United States

By JACK HEWINS

SEATTLE (AP) — Golfdom's newest trophy, the Americas Cup, belonged today to the United States and it was a youngster known as "The Boy" to his teammates who pointed the way to victory Friday over Mexico and Canada.

The final score after two days of play was 12 points for the U. S., 5 for Mexico and 10 for a Canadian team that made a courageous but futile bid in Friday's singles matches.

Wait McElroy of Vancouver knocked over husky Frank Stranahan of Toledo 4 and 3, Jerry Lesseur of Kitchener, Ont., whipped Harvie Ward in a match that wet 38 holes and Nick Westlock of Windsor, Ont., bumped lean Charlie Coe of Oklahoma City 3 and 2.

These upsets were too few and too late after "The Boy," 21-year-old Ken Venturi of San Francisco had whipped two opponents to put the U. S. clouters on the victory trail. Although they split with Canada, the winners came within one match of making a clean sweep over Mexico in six contests.

That loss, too, was an upset. Sammy Urzetta of East Rochester, N. Y., who disposed of Canada's Pete Kelly, 11 and 10, was defeated by Mexico's Percy Clifford, 2 and 1.

As it was the Canadians knocked over three of the country's topnotch players and enlarged the question mark behind the national tournament which opens a week's run Monday at the Seattle Golf Club course. In Stranahan they beat a former British, Canadian and Mexican titlist in Ward, the current British amateur king; and in Coe, the 1949 U. S. amateur champ, Clifford's victory for Mexico accounted for the 1950 U. S. titlist, Urzetta.

Sports Mirror

By The Associated Press

TODAY A YEAR AGO — Scottish Fencer won the \$25,000 Yonkers Derby at Yonkers N. Y. Raceway.

FIVE YEARS AGO — Frank Stranahan, Toledo, won the Canadian Amateur Golf Championship, defeating Bill Ezinicki, 6 and 5.

TEN YEARS AGO — Billy Talbert, Cincinnati, defeated Ted Schroeder 6-4, 6-3, 3-5, 4-8, and 8-6 in Rhode Island's Newport finals.

TWENTY YEARS AGO — The total gross receipts for the 1932 Olympic Games was \$1,483,535, and admissions for the 16-day event totaled 1,247,580.

SPORTSMAN'S DIGEST

By Hal Sharp

STRIKING SHORT...

WHEN YOU ARE PLUG CASTING WITH THIS OR A SIMILAR TYPE FEATHER-TAILED LURE (IT'S USUALLY A VERY GOOD MUSKY, PIKE, WALLEYE AND BASS LURE) SOME FISH MAY STRIKE SHORT SO IT'S DIFFICULT TO HOOK THEM.

HOOK SUCH STRIKERS BY ADDING A TRAILER HOOK WITH AN EYE LARGE ENOUGH TO PASS OVER THE BARB OF THE FIRST HOOK. CUT A 1/4 INCH SQUARE OF RUBBER INNER TUBE AND SLIP IT OVER THE FIRST HOOK'S BARB TO PREVENT LOSS OF THE TRAILER HOOK. EITHER HOOK WILL HOOK FISH.

A SYMBOL OF BUSINESS DISTINCTION

THE LIFE UNDERWRITERS CODE OF ETHICS

My Credo:

Life insurance is essential to the financial protection of our nation's citizens. The individual recognition of its value is a direct result of the high sense of trusteeship which is the dominating characteristic of the operation of life insurance companies. The purposes and ideals of life insurance demand a certain definite standard of conduct on my part as a life underwriter if I am to merit and receive a public confidence comparable to that which is now accorded a well-managed life insurance company. So that there may be no uncertainty about the invariable practices to be followed in measuring up to this standard, I adopt, as a general guide the following Code of Ethics:

My Responsibility Is:

1. To hold my business in high esteem and honor its prestige.
2. To keep my client's needs always uppermost.
3. To respect my clients confidence and hold in trust personal information.
4. To render continuous service to my clients and their beneficiaries.
5. To use all proper methods in enthusiastically persuading clients to protect insurable needs.
6. To present accurately and completely every fact essential to my clients' decisions.
7. To develop my ability and improve my knowledge through constant study.
8. To work consistently and according to a program, and to devote myself exclusively to this business as a career.
9. To be fair in my relations with colleagues and competitors, always placing the clients' interest first.
10. To understand insurance laws and regulations and to observe them in letter and in spirit.
11. To endeavor to submit only the applications of persons conforming to the physical, moral and financial requirements of my company.
12. To be loyal to my associates, my agency and my company.

Prefabricated Bunkers Help Marines Beat Off Communists

By WILLIAM C. BARNARD
SEQUEL — Prefabricated bunkers helped the U. S. Marines hold against three savage Chinese attacks in two days. The bunkers are made of timber, sawed and shaped in a special marine sawmill. Size of timber cannot be divulged because of security reasons but one man can easily carry one timber. Timbers are piled together in stacks representing one bunker. With each stack is a set of plans on how to construct the bunker. No nails are used. Nothing else is needed except the regular Marine entrenching tool. Marines captured Bunker Hill on the Western Front, early Tuesday. Even while the attack was continuing, Marines wearing armored vests were rushing up carrying timbers of prefabricated bunkers. They used explosives to blast out holes — then the timbers were driven into the holes. It was a furiously fast job of digging in because the Chinese make a habit of quick counterattacks and Bunker Hill affords almost no natural shelter. When the Chinese threw their first counterattack Tuesday afternoon, the Marines in the prefab bunkers were ready. The Reds hurled another determined attack early Wednesday morning and still another that night. All were repulsed. A Marine spokesman said improvements are still being made in the design of prefabricated bunkers and the method of constructing them. "The bunkers are working out fine," the spokesman said. National League umpire Lou Jorda was a catcher in the Georgia State League in 1913-14.

Women Find New Weapon In Luring Hubby To Housework

By DOROTHY ROE
 Associated Press Women's Editor
 The next time your husband shies off from the dish towel, you can bat him down with a statistic. "Just a minute, Buster," you can say, fixing him with a calm but steady eye. "A recent survey shows that 91 per cent of American husbands help with the housework." "What's more, these people at the Tide Washing Clinic, who conducted this survey, report that these husbands are not henpecked into wincing disarray and emptying the ashtrays. They do it because they love it. So there!" If your husband continues to be one of the submerged 9 per cent, you can make bright dinner table conversation with other little excerpts from the report, wherein the paragon husbands are quoted as saying cheerfully, "Sure, housework's partly my job, too!" The report continues with the statement that doing dishes is the most popular husbandly chore, with 67 per cent of those interviewed in 300 communities admitting that they not only help with the dishes—they actually enjoy it. About half of the husbands help one-fourth of the time and tidy up the house, says the report. One-third help with the laundry. This is all very well, from the husband's point of view. The man who wipes the dishes for his wife gets a fine noble glow that can last all week and provide him with conversational fodder which goes something like this: "My wife has been spending an hour in the kitchen every evening for years, just doing the dishes. Well, sir, you should have seen her face when I slowed her down last night how to get rid of them in 15 minutes flat." He omits the fact that in the process he broke two of the best glasses, used up six clean dish towels and spilled so much water on the kitchen floor that his wife had to mop it afterwards. His appetite whetted by one excursion into the realm of wifely chores, the husband may decide to streamline the entire system of housework—and this is where any sane wife should put up her guard. When a man starts trying out efficiency expert methods on the home, nothing but havoc can result. So stop and think before you force that dish towel on your husband.

July's month-long heat wave brought a drought causing \$500,000,000 crop loss to a large area of the northeast and south. Corn, cotton, vegetables, tobacco and cattle all suffered in areas shown on the above newchart. Farmers Home Administration offices advanced quick credit to growers in official disaster sections. Freight-rates were lowered on live-stock feed sent into states lacking enough hay because of the worst drought in 20 years. New England, suffering from grain losses and lowered milk production, tried seeding clouds with dry-ice to make rain.

Wagner Festival Goes Modern Despite Fight By Conservatives

BAYREUTH, Germany (AP) — Stage is the new tradition. No longer are singers flouncing in melodramatic gestures through their roles. Their movements are restrained. Often they seem suspended in space. Music and symbolism rule the Bayreuth stage. Everything else is subordinated or left out. This is the way producer Wieland Wagner, 34, says his grandfather would have wanted it, if the great musical innovator had lived in the 20th century. When Wieland, young and untried, took over the 75th anniversary revival of the festival almost bare, elliptical, inclined

Elephant Hide Might Prove Comfortable For Candidates

LONDON (AP) — Winston Churchill's father, Lord Randolph Churchill, was once challenged to a duel by the Prince of Wales who later became King Edward VII. The incident is related by Sir Shane Leslie, author and godson of Lord Randolph. In an article in the Catholic periodical The Month, Leslie says Lord Randolph's reply to the challenge was "superb — that of a Christian and chivalrous gentleman." "He sent Lord Falmouth to say he was prepared to meet anyone deputed by the prince and fight him anywhere on the continent, but that nothing would induce him to lift a hand against his future sovereign." Leslie said little to elaborate this latest revelation about the fighting Churchills, but apparently the trouble was way back in the 1880s and — like so many similar shindigs — was over a woman. Leslie, attributing his account to some unidentified documents, described the lady in the case as a countess "equally admired by the prince and Lord Randolph's elder brother."

Spain Enters Fashion Race

MADRID (AP) — Spain wants a piece of the American fashion market. First gun in the battle with the designers of France, Italy and other nations will be fired Aug. 18. Five Spanish modistes, participating in a four-day Spanish Festival of Fashion, will present to an expected 100 fashion buyers and writers from the United States and Canada, fall and winter fashions valued at \$250,000. Simultaneously, a Spanish fair will show accessories, fabrics, houseware and handicrafts from banderillas to botijos (earthenware waterjugs). Organizers of the festival, a Spanish import-export house, are afraid, however, that the Spanish showings which follow those of Italy and France, will be at a disadvantage. "We're very much afraid the buyers won't have any more money left to spend when they see the five houses are Pedro Rodriguez, Asuncion Bastida, Manuel Pertegaz, Santa Eulalia (whose chief designer is Pedro Formosa), and El Dique Flotante (the floating dock) whose designer is Francisco Beleta. Emphasis in the collections is on Spanish fabrics. The central motif of each house is a closely guarded secret, so much so that the five designers did all their work in their private homes so there would be no chance of leaks. Price range from \$75 to \$100 for day, afternoon and cocktail gowns; \$100 and up for coats and from \$150 for evening gowns. The five houses intend the festival to be more than just a flyer. They plan semi-annual shows from now on. In the future they will be held in Barcelona, center of Spain's textile industry and fashion headquarters.

THE CUSHION-GRIP BACK!

School DAYS

NEWS PHOTOS BY ODIS QUALLS

LEFT: Teacher, too, plans a back to school wardrobe. Miss Pat lively, daughter of Mr. and Mrs. Travis Lively, stresses practicality in her teaching wardrobe. Washable wool separates will form the backbone of her wardrobe, but still, there'll always be room in the closet for an extra special dress like the olive green creation she is modeling. A wide brown belt and matching shoes are worn for contrast.

RIGHT: Wools are definitely going to get a college education this year. Among the separates Miss Harriet Schwartz, daughter of Mr. and Mrs. H. E. Schwartz, will take to the University of Colorado will be a navy knit dress for any occasion. A small ornament on the collar makes just the right dramatic touch.

LOWER LEFT: Kay Waggoner, daughter of Mr. and Mrs. W. L. Waggoner, wears a popular shiny cotton the grammar schoolers are demanding. They also want at least one full skirt, something jersey, something corduroy, and a coat that "turns inside out." They want as much color as Mother wears, and also want to share some of the sophisticated details found in her wardrobe!

LOWER RIGHT: The sweater this year looks like a blouse and the blouse looks like a sweater, but with both you've got to have a skirt. Miss Patricia Johnson will wear the traditional favorites to Pampa High School. Her skirts are sure to be slim, and there'll be collars on her sweaters.

TOP CENTER: A bright plaid dress with splashes of blue, red and green will find its way into every first grader's closet. The dress modeled by Miss Susan Nelson, daughter of Mr. and Mrs. V. G. Nelson, features that popular middy line best of all, it's a washable cotton.

LOWER CENTER: LuRae Nation, daughter of Mr. and Mrs. J. M. Nation, joins the kindergarten set in the cry for more suits. She wears a red jacket atop a navy flared skirt and a demure red hat. LuRae, though only four years old, already has definite ideas on what she needs and wants for fall!

Mary Jo Steward, Dan Q. Rawls Exchange Vows In Formal Church Of Christ Ceremony

In a formal ceremony read by L. L. Rawls of Spearman, J. June sang a prelude of wedding music. August 10 at 3 p. m. in the Church of Christ at Mary Ellen and Harvester, Miss Mary Jo Steward, daughter of Mr. and Mrs. J. C. Steward of Pampa, became the bride of Mr. Dan Q. Rawls, son of Mr. and Mrs. J. C. Steward of Pampa.

MRS. DAN Q. RAWLS

The First Christian Church was the setting for the marriage of Miss Nell Brummett, daughter of Mr. and Mrs. B. V. Brummett of Pampa, and Mr. Irvin Parnell, son of Mr. and Mrs. J. W. Parnell of Pampa. Following the ceremony, a reception was held in the home of Mrs. George Cross, sister of the bride. When the couple left for a short wedding trip, the bride wore a brown dress with matching accessories. Mr. Parnell was to leave Saturday for California where he is stationed on the U.S.S. Cocoran. Mrs. Parnell will stay in Pampa where she is employed by the Southwestern Bell Telephone Co.

Double-ring vows were read by Rev. Leonard Brummett, brother of the bride. The church altar was decorated with baskets of white gladioli and fern, flanked by candelabra. Miss Charlotte Allison provided wedding music, and accompanied by Bob Aurow who sang "Because" and "Through Prayer" at the close of the ceremony. He sang "The Lord's Prayer" and "The Lord's Prayer".

When the couple left for a wedding trip through the Ozark Mountains, the bride was wearing a blue embossed nylon dress with white accessories. The couple will be at home in Chanute, Ill., where the bridegroom is to be stationed two months before going overseas. Mrs. Rawls was graduated from Pampa High School, and was a junior at Abilene Christian College at the time of her marriage. She is an art and English major and plans to return to school the second semester of Mr. Rawls is sent overseas. While in high school, she was a grand officer in the Rainbows. The bridegroom was graduated from the Perryton High School where he was captain of the football team. He was stationed in Wichita Falls a year before reporting to the Chanute base.

Among the pre-nuptial courtesies for Mrs. Rawls was a bridal shower held in the home of Mrs. J. P. Crenshaw. Hostesses included Mrs. Archie Maness, Mrs. J. E. Peters, Mrs. L. A. Egan, Mrs. Eugene Turner, Miss Roy Riley, Mrs. Winford Swain, Mrs. Elmer Balch, and Mrs. E. G. Frasier. The serving table was centered with yellow roses. Plate favors were miniature rice bags filled with rice, and carrying out the bride's chosen colors.

Miss Geraldene Perkins presided at the punch service. Participating in the shower were Meses. W. S. Wooten, A. M. Nash, W. T. Cass Jr., D. A. Rife, J. W. Key, Charles Reeves, C. H. Olney, Irene Webb, Jack Prather, C. P. Crenshaw, Leslie W. Hart, Ernest Cabe, Bill Cox, T. G. Groves, D. W. Coffman, Derrel B. Hogsett, A. C. Houchin, Robert Burns, O. C. Cox, W. C. Epperson, G. F. Alexander, Velma Hill, L. L. Rawls, Jim Cornutt, C. P. Pursey, W. L. Campbell, V. S. Day, Bill Simonton, H. A. Layen and the honoree's mother, Mrs. J. C. Steward. Misses Norma Jean Balch, Nedda Swain, Geraldine Perkins, Ruth Steward, Edna Daugheter, Lula Brown, Mary Kretzmeier, Gale Spencer and Erwina McDowell, and Ann McNamara. Others who participated in the entertainment were Meses. S. W. Kretzmeier, Frank Lord, W. A. York, G. B. Hutchens, D. D. McNamara, Monte Allison, Charlie Atkinson, J. L. Spencer, Gordon Frasier, Cecil Bryan, Ann Balch, M. G. Williams, and A. L. Shanks. Meses. Bob Drake, Gene Ward, G. H. Kyle, V. Smith, C. F. Moore, Joe Spoonmore, W. M. Daugheter, J. W. Graham, J. L. Carlton, W. E. McCracken, W. L. Carpenter, W. P. Varnon, Evelyn Hamilton, Homer Lee, E. M. Montgomery, Earl Schick, and the hostesses.

Garden Birds Studied At Meeting
SHAMROCK (Special) — The value of birds in the garden was the theme of the Garden club meeting this week. Mrs. Clyde Whittle was the speaker of the day. Mrs. J. H. Caperton was hostess for the meeting. Mrs. Huey Cook presided at the short business session in the absence of the president. Members who answered roll call with interesting facts about birds were Mrs. Huey Cook, Mrs. Maggie Ekin, Mrs. H. T. Fields, Mrs. J. B. Harvey, Mrs. Joe Hindman, Mrs. A. R. Hugg, Mrs. R. C. Lewis, Sr., Mrs. Don Rives, Mrs. Lizzie Scruggs, Mrs. Harold Toegerstrom, Mrs. Clyde Whittle and Mrs. Dave Shidmore. The next meeting will be at the Community Building September 9.

MRS. GENE BEETS

Miss D'Rene Crow Becomes Bride Of Mr. Gene Beets In Amarillo Ceremony

Mr. and Mrs. Arthur Crow of Pampa announce the marriage of their daughter, Miss D'Rene Crow, to Mr. Gene Beets, son of Mr. E. F. Beets of Amarillo. The wedding was solemnized August 11 in Amarillo.

The bride selected for her wedding a brown wool suit with brown velvet trim. Her accessories were matching brown velvet.

After a two-week trip to Colorado and New Mexico, they will reside in Amarillo where Mrs. Beets is a senior student in the Northwest Texas Hospital School of Nursing, and Mr. Beets is employed.

She attended Pampa schools and was active in Tri-Hi-Y and the A Cappella Choir. The bridegroom attended Amarillo schools.

CECIL L. ROBINSON

IT SEEMS that we discover the political "facts of life" all over again every four years. Folks still talk about conventions in shocking tones. We forget sometimes that every political convention back to and including the constitutional convention was about the same. We forget, too, that out of these meetings has come the leadership which has built our country to what it is, and even though the leaders chosen may not have been ideal individually (for even average) they have maintained a government now older than any existing. And we wouldn't live anywhere else! Conventions, orderly or disorderly, quiet or loud, have never nominated a Hitler, Mussolini, Stalin or Peron. Something we read the other day keeps popping to mind: "... the voice of democracy is a raucous voice. The body of democracy is, at times, sweaty and unpleasant. The spirit of democracy is often low and sometimes vengeful. The fact of democracy, however, is the fact of America—greater, beyond comparison, than any other civilization in recorded history."

HERE'S THE SCOOP on fall's silhouette: Skirts: neat and narrow, full flung or plenty of pleats; Jackets: femininity emphasized with willow waists and rounded hips, cropped waist length with shirt cuffs, yoke accented midly; Weskits: halter or buttoned poncho; Dresses: plaid and plain jumper or taut-bodied, full-skirted. Sleeves point up extended yokes, top darts and raglan lines, while necklines emphasize the turtle-neck, flip-up or rounded collars. We have a collection that's timeless in trend, hardy of fabric (joy, joy) and yet above all, fall styles are individual and lean to the softer, more feminine look! In the cities, all the talk is about fall showings, and by the way, we read in some out-of-town papers that Carol Culbertson, daughter of the Frank Culbertsons, participated in the Neiman-Marcus back-to-school showings. They brought girls (all beauty queens) from college campuses to serve on their advisory board, and Carol, an SMU graduate, was asked to serve, too. She's a designer for a firm in Dallas. Knows the fashion industry, and furthermore, she's a good representative of it!

PANORAMICALLY: Been celebrating week for the Red Weatherreds... Believe their wedding anniversary was Tuesday, then on Thursday Red had a birthday... By the way, Mr. Postmaster, like the new coat of paint which trims the post office... An anniversary Peg missed is Marge and Albert Reynolds... think they celebrated their 15th week ago last Friday... Another one coming up (I'll say congratulations now while I'm thinking of it so it won't be too late) is Vera and Bob Andis on the 24th... How long?... The V. L. Boyles are talking about their new grandbaby... Looks like Charlie, the father, is going to have to rear a cheer leader instead of a full back... Mrs. H. E. Carlson, always smiling, is a pleasant person to meet... Haven't seen her daughter, Barbara in Pampa this summer... She finished school at TU and we're interested in knowing her future plans... more school — or a job somewhere... Saw Mrs. Herman Jones drive past the house the other day... She's a friendly one... Wonder if their daughter and grandchildren have been here this summer? Seems we've had so many wonderful summer guests, especially for the Top o' Texas Rodeo... Like the Bill Herr family... their son Bill went to Boy's State, remember, and their daughter, Gail, is doing so well in her college art work... Anyone heard from Kyle Bunch... Believe he and his wife are summering in the art colony at Taos, N. M... Hope Twentieth Century Club will sponsor Kyle in another exhibition this year... See the Roy Bourlands are back... They took a trip last month, but dunno where... my spies are slipping... saw Mrs. E. L. Tarrant at the movies not long ago with her daughter, think it was, and for the life of me can't say her married name... Hear Mrs. W. R. Cook is another of these lucky women with a sunny, pleasant kitchen... And while on the subject of kitchens, does anybody have a prune cake recipe... just flipped through four cookbooks here on our shelf, and looks like cook-book-writers just never heard of how delicious they are!

SOME COLLECTORS will be interested in knowing that "Chats on English China" by the late Arthur Hayden, will be published again in September. The book has been too-long out of print in the United States. It has a complete history of the manufacture of fine china since the 18th-Century. Includes information on Old Derby, Spode, Wedgewood, Minton, Lowestoft and old English earthenware. There's an appendix illustrating the complete set of markings on English china and lots 'n' lots of illustrations. Collectors like Mrs. W. L. Heskey, Mrs. Russell McConnell, Mrs. N. B. Ellis (who does beautiful china painting) would like this book.

DON'T KNOW WHO wrote this, but like the way he (or she) expressed: "You can't see the shadows unless there's some light coming from someplace."

NOTICED IN THE NEWS that Bill Ragdale (he and Iris have the cutest kiddoes) at the TEC office has jobs open for salesmen, a stenographer, sales clerk, electrician and some laborers. Peg doesn't need them cuz she's a little of all these: almost... hand to keep up with the fast goings-on in Pampa, got to "sell" this column to your readers, and like an electrician hope we shed a little "light" on many subjects. And if you don't think this can be just downright labor why don't you try being!

PEG O' PAMPA

SOCIAL CALENDAR

SUNDAY
4:00 p.m. — Red Cross Community meeting in Palm room.

MONDAY
7:30 p.m. — First Baptist Vivian Hickerson circle will meet with Mrs. Glen Day, 605 Lowry.

EAT PLENTY AND TAKE OFF UGLY FAT

Here is an inexpensive home recipe to take off unsightly weight and help bring back slurring curves and graceful slenderness. Just get from any drugstore, four ounces of Liquid Barcetrane. Pour into pint bottle and add grapefruit juice to fill bottle. Then take just two tablespoonfuls twice a day. That's all there is to it. Now you may slim down your figure and lose pounds of ugly fat without back-breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle for your money back.

Lost 35 Pounds
Mrs. Loret Scott, Route 1, Box 34, Weigate, Texas, wrote us that she has taken off 35 pounds taking Barcetrane. Everyone does not want to lose that much of course. Mrs. W. G. Wester, 117 E. Park St., Sulphur Springs, Texas, reports that she lost 10 pounds and that she is anything she wanted. Why not start today losing weight with Barcetrane?

The Vanishing Frenchman Is A Mystery To Tourists

By NADEANE WALKER
 PARIS (AP) — Where do Parisians vanish in August? This annual mystery puzzles and annoys — tourists every time the August migration comes around.

Thousands of shop fronts bang down as the "fermeture annuelle" (annual closing) signs blossom like roses in June, top their lists of countries to and disconsolate visitors wander around from one shuttered restaurant to another. Nine out of 10 are closed. More than a million are taking camping holidays of some sort. But most French citizens take the most inexpensive kind of holiday of all, by staying with friends or relatives. The statistics bureau says only 15 per cent stay in hotels, 10 per cent in villas or apartments, 5 per cent rent living room with parents or friends and 54 per cent stay as unpaying guests.

This year, a million Frenchmen — twice as many as last year — are taking holidays abroad. Italy, Spain and Germany are popular lists of countries to visit. Another 300,000 are "taken around from one shuttered restaurant to another. Nine out of 10 are closed. More than a million are taking camping holidays of some sort. But most French citizens take the most inexpensive kind of holiday of all, by staying with friends or relatives. The statistics bureau says only 15 per cent stay in hotels, 10 per cent in villas or apartments, 5 per cent rent living room with parents or friends and 54 per cent stay as unpaying guests.

The National Bureau of Statistics solves the mystery of the vanishing Parisian but does not really explain it, except for a nod in the direction of French temperamental. "The period of vacations is practically blocked on the month of August," the bureau says. "Forty — nine per cent of all holiday-makers go away then."

Annual holidays have been the right of most French people since 1936, and the statistics

Chamber Tells What Taxes, Inflation Doing To Income

What high federal taxes and inflation are doing to family incomes in Texas and other states is brought out today in a report by the West Texas Chamber of Commerce.

Taking an average family of four (husband, wife and two children) as an example, the WTCC showed how today's family incomes at various levels compare with those earned in 1940 after federal income taxes are deducted and due allowance is made for the reduced purchasing power of the dollar as the result of inflation. The study pointed out: A family in the \$3,000 net income group today has \$2,868.80 for living expenses after federal income taxes. This has a purchasing power of \$1,519.40 in 1940 dollars. But in 1948 this family had the use of all its \$2,000 income. A \$4,000 family today has \$3,644.80 left after taxes. This family has a purchasing power of \$1,931.74 in 1940 dollars. But in 1948 this family had \$3,964.80 in 100-cent dollars after taxes. As for the \$5,000 family today, it has left \$4,422.80 after Federal taxes. But his income is worth only \$2,344.08 in 1940 purchasing power. In 1940, however, this family had \$4,925.20 after federal income taxes. A \$10,000 family today has \$8,226.40 after taxes; but its purchasing power is \$4,359.99 in 1940 dollars. In 1940 this family had \$9,560 after taxes. The \$10,000 family has \$4,359.99 after federal income taxes today and this income has the purchasing power of only \$2,344.08 in 1940 dollars. But in 1940, this family had \$5,075.60 after taxes.

Looking at the picture another way, the WTCC brought out these additional facts with due allowance for taxes and inflation: A family of four today must earn a net income of \$4,165 to equal a 1940 income of \$2,000. A \$3,000 income earned in 1940 compares with \$5,995 earned today. A \$4,000 income earned in 1940 compares with \$9,010 today. A family which earned \$5,000 in 1940 must show a net income of \$11,480 today to maintain the same standard of living. And it takes a net income of \$138,000 today to equal the per-capita income earned in 1940, chasing power, after taxes, of a

Lions Club Meets

WHITE DEER (Special) — The Lion's Club met for a regular meeting at the Methodist Fellowship Hall recently. Guest speaker was J. C. Phillips, publisher of Berger News — Herald. In the absence of Boss Lion T. C. Jackson, Vice President W. J. Stubbsfield was in charge. There were 22 Lions and guests present.

in 1940 must show a net income of \$11,480 today to maintain the same standard of living.

And it takes a net income of \$138,000 today to equal the per-capita income earned in 1940, chasing power, after taxes, of a

MANY BYPRODUCTS
 It has been estimated that there are more than 200,000 chemical byproducts from bituminous coal, according to Encyclopedia Britannica.

Accidents Plague Germany

By BRACK CURRY
 BONN, Germany (AP) — Many people who drive cars in Western Germany wish they could wear armored suits.

And, with reason. More than 24,000 persons die every year and 266,000 are injured in West German traffic accidents.

Slaughter on the nation's highways has rocketed 18 per cent over last year.

The West German traffic accident rate already was one of the highest in the world before this increase. And more Germans are learning to drive and are buying vehicles every month.

Worried government officials call this traffic slaughter the greatest national catastrophe since the war. They've finally decided to do something about it.

Federal Transport Minister Hans Seeborn announced the first nationwide safety drive since the war. Seeborn kicked off the drive with a public lecture to German motorists, saying:

"It seems that on German streets there is only one right — the right of the strong over the weak."

White-haired, ruddy Seeborn said traffic accidents in West Germany take half as many lives as were lost in the Franco-Prussian War of 1870-71. And traffic injuries hit 4-1.2 times as many people as were wounded in this war, he said.

Seeborn said the nation had 319,828 traffic accidents last year. A big cause of the mounting traffic toll is the vast increase in motor vehicle registration, the minister said. There are now 2,600,000 motor vehicles on West German roads — more than before the war. This figure includes 1,200,000 motorcycles. Fifty-one thousand new drivers were licensed in a single month recently.

Traffic safety officials plan to plaster roads with "will you be next?" signs. Traffic rules are to be tightened. Films, speeches, billboards, magazines and posters will urge caution in driving.

Area Scout Leaders Attend Conference

Five scout executives from the Adobe Walls Council of the Boy Scouts will attend a Region Nine conference Aug. 24-30 on the campus of Sue Ross College, Alpine, Texas.

Region Nine includes Texas, Oklahoma and New Mexico. Headed by Paul Beisenherz, Adobe Walls Council scout executive, the group attending from these parts includes Phil Pegues, district executive, Santa Fe district; Vincent Hobbs, district executive, Adobe district; Borger; John Fourn, district executive, Southern district; Wellington, and David Agnew, Guyton, Okla.

Purpose of the meeting, Beisenherz said, is to make plans for the scout program in all councils of the region for the next year.

One of the major projects, he continued, was the Boy Scouts National Jamboree which will be held on the Ervine Ranch, near Capistrano, Calif., in July, 1952. Fifty thousand scouts from all parts of the nation are expected to attend the giant confab.

Recruiting Office Has No Waiting List

Anybody want to join the Navy? Amarillo's Navy recruiting station reports today that it has no waiting list. Only delay is the time required to process enlistment papers.

Draft-eligible men still may enlist voluntarily in the Navy at any time prior to receiving actual notice to report for induction.

Two Borger Men Fined In Auto Accident

Two Borger men were fined a total of \$72 in justice of the peace court for their part in an automobile accident, 1.1 miles west of town on Hwy. 152.

Hayden Glyn Hegdal was assessed a fine of \$34 for following another car too closely and \$19 for operating a motor vehicle without a valid driver's license. Kenneth Collins was fined \$19 on a charge of intoxication. He owned the vehicle, but Hegdal was driving.

It happened about 4 p.m. Thursday.

The Pampa Daily News

One of Texas' Five Most Consistent Newspapers

We believe that one truth is always consistent with another truth. We endeavor to be consistent with the truths expressed in such great moral guides as the Golden Rule, the Ten Commandments and the Declaration of Independence.

Published daily, except Saturdays by The Pampa News, Atchison at Somerville, Pampa, Texas. Phone 666. All departments. MEMBER OF THE ASSOCIATED PRESS. (Full Leased Wire). The Associated Press is entitled exclusively to the use for republication on all the local news printed in this newspaper as well as all AP news dispatches. Entered as second class matter under the act of March 3, 1879.

Greatest Of All Movie Robberies

The Department of Justice has instituted a lawsuit to compel the major motion picture producers to release their films to television. In this governmental philosophy that has been growing more and more absurd becomes suddenly ridiculous. And its danger becomes more evident.

Gentlemen Farmers

By actual count, nearly a third of all the farms in this country now fall into part-time category, a proportion practically double that of two decades ago. The basic livelihood may be a job, profession, or business in a town or city, now easily accessible even to outlying areas thanks to the automobile and the speed of modern transportation.

One of the interesting developments in this situation is the extent of the growth in the number of very small farms in recent years. The total number of farms under 10 acres in size, for example, has increased from 289,000 in 1920 to 511,000 in 1950, a gain of 77 per cent.

Point Out The Superiority Of The American Way Of Life

The second objective of the Freedom Forum is to get individuals to point out the superiority of the American way of life. Of course, the first step is to get individuals to really understand what the American way of life means.

The booklet goes on to define what is meant by our American way of life. It says: "The foundation is a fundamental belief in God."

"The right to free speech and to print what we wish in a free press. The right to assemble. The right to petition for grievances. The right to complete privacy in our own homes."

"The right to go into business and to compete with others and make a profit or loss depending on our own ability. The right to bargain for goods and services on a free market."

"The right to have government act as a referee to provide regulation and protection, but not government control. The Freedom Forum fails to include in our economic freedoms or our political freedoms the right of every individual to educate others the way he believes is in harmony with moral laws or the Golden Rule."

Bid For A Smile

He was a handsome and highly eligible bachelor attending an elderly friend's wake. The deceased's young wife, appropriately but discreetly attired in black, was dabbing her eyes intermittently.

The Sewing Circle

International Whirligig.. Tension In Yugoslavia Likely To Continue For A Long Time

The Greek - Bulgarian clash on the tiny island of Gamma is causing military authorities and United Nations diplomats again to turn anxious eyes to Yugoslavia, always the danger spot of the madcap Balkans.

Right now the major role of Cominform radios is to beam a steady flow of propaganda vituperation on Yugoslavia. Captive agents are sabotaging public works and communications. Border incidents, including bloodshed, kidnapping and brutality, are common.

Although Tito, for political reasons is reluctant to join NATO, informal military exchanges have been made between him, Greece and Turkey. Except for the old dispute with Italy over Trieste, Yugoslavia at last is on good terms with all non-Communist neighbors.

Despite this summer's drought which reduced the grain crop, internally Yugoslavia is in better shape. It is trying to develop its heavy industries. But to pay for imported weapons, it must export a large share of its raw materials, especially corn, which refunds its own industrialization.

People breathe easier since some of the harshest state disciplines have been removed by the government. The Russian pattern of rigid bureaucratic centralization has been changed. Citizens are given much more latitude in voicing opinions, which in earlier days would have caused instant arrest.

Down South American Dollars Won't Cure Economic Ills Of The World

By THURMAN SENSING and our Congress granted, more Southern States Industrial Council Nashville, Tennessee

If gifts would do the job — if we do not give them aid today — should never have had any idea of that they would. What has been the result of this doling out of process beyond immediate needs?

We are now seeing this fact clearly illustrated, so far as nations are concerned, in our foreign aid program. The people of the United States have always known for their response to aid other peoples hit by disaster, such as famine, flood, disease, or otherwise. In recent years, however, our nation has inaugurated a system of doling out dollars to cure the economic ills of nations.

Now, we cap it all, the Indonesian Government has been called on by several members of Indonesia's parliament to resign rather than accept the offer of \$43,000,000 of aid from the United States. The American offer is regarded as a "stinging discrepancy in relation to the amounts doled out elsewhere!"

When we started Marshall Aid in 1948, we were told that the aid would be cured thereby in three years. Now, five years later, our administration asked for

LOOKING SIDWAYS

Miss June Hawk was somewhere up in New England hassling with a barn circuit version of that damp and everlasting little bijou, "Rain." Miss Zasu Pitts was not 200 yards away acting her flutzy heart out in some madcap endeavor.

The gate swung on its scrooled Victorian iron hinges, a flurry of grape leaves and what looked like iron mangos. The gate was rusty and had been an eyesore for at least three years. But painting scrouled iron is a bore. Inch by curvaceous inch you have to tackle it piecemeal, with no one straight length of iron across which to sweeten the paint.

PLEASE...DON'T HURT!

Our little girl!

DEAR DRIVER:

Today my daughter, who is seven years old started to school as usual. She wore a dark blue dress with a white collar. She had on black shoes and blue gloves. Her cocker spaniel whose name is "Scoot" sat on the front porch and whined his canine belief in the folly of education as she waved goodbye and started off to the halls of learning.

Last night we talked about school. She told me about the girl who sits in front of her . . . the girl with the yellow curls . . . and the boy across the aisle who makes funny faces. She told me about the teacher who has eyes in the back of her head . . . about the trees in the school yard . . . and the big girl who doesn't believe in Santa Claus. We talked about a lot of things; tremendously vital, unimportant things; then we studied spelling, reading, arithmetic and then to bed. She's upstairs now . . . sound asleep, with "Princess Elizabeth" (that's her doll) cuddled in her right arm. You guys wouldn't hurt her, would you. You see, I'm her Daddy. When her doll is broken, or her finger is cut, or her head gets bumped, I can fix it . . . but when she starts to school, when she walks across the street, then she's in your hands.

She's a sweet little girl and I'm proud of her. She can run like a deer and darts about like a chipmunk. She likes to ride horses and swim and hike with me on Sunday afternoons. But I can't be with her all the time . . . I have to work to pay for her education and clothing. So please help me look out for her. Please drive slowly past the schools and intersections . . . and please remember that children do run from behind parked cars.

Activity Declines In Local Field

Operators Stake Seven; Complete 20

Oil field activity declined in the Panhandle last week. Operators staked but seven new locations and completed 20, of which five were oilers, 11 gasers and four were plugged wells. There were no new wildcats staked nor were there any plugged.

Total increased oil potential was 215 barrels while gas potential dropped to 51,559 MCF. This compares to nine new locations and 24 completions for the previous 7-day period. Operators reported 316 barrels of new oil and 83,215 MCF gas for the week ended Aug. 9.

Industry Lays Plans To Find Oil-Gas Potential In Tidelands

By WILBUR MARTIN
HOUSTON (AP) - Twenty-six of the nation's top oil executives are going to try to find just how much oil and gas could be produced from the tidelands. They'll disregard the bitter controversy over ownership of these offshore submerged lands and will study and report on the oil and gas prospects on the basis of technological aspects.

He said the department wanted a comprehensive study of problems incident to discovery, development and production of offshore petroleum deposits, because "they are different both in magnitude and in character when compared to operations in adjacent onshore areas" and that "it is essential that the impact of these new and different problems be studied, and their effect estimated with reference to the availability of production from submerged lands."

Potential Now Known
The full potential of the oil and gas lands beneath the ocean offshore is not known. That the potential is great is known. Some figure the oil industry has spent something like 300 million already in offshore operations. Exploration in the offshore lands has lagged considerably since the bitter controversy over ownership has been between the federal government and the states of Texas, Louisiana and California.

The U. S. Supreme Court held that the lands—and their oil and gas—belonged to the government. The states contended they owned the lands. A bill to give the states legal title to the so-called tidelands is pending in Congress. Offshore drilling has been on a much grander—and fruitful—scale in California and Louisiana than in Texas.

Only One Producer
Of 15 wells drilled off the Texas coast up until 1949, only one—a 150-foot well—has produced. The well was drilled by the Gulf of Mexico Oil & Gas Co., which is now owned by the state of Texas. The well was drilled in 1949, but it has not produced since. The well was drilled in the Gulf of Mexico, off the coast of Texas. The well was drilled in the Gulf of Mexico, off the coast of Texas. The well was drilled in the Gulf of Mexico, off the coast of Texas.

Bevin Sees Prophecy Coming True
By TOM OCHILTREE
LONDON (AP) - Left-winger Aneurin Bevin—the firebrand of British politics—could bask with some reason today in the prestige that goes with successful prophecy.

But this personal success, oddly, comes at a time when his insurgency within the socialistic Labor party shows signs of uncertainty.

Former Prime Minister Clement Attlee, a soft-speaking moderate who is the official leader of the party, has assumed a new belligerent posture—ready to strike back at Bevan's sniping.

This could mean a real showdown when the Labor party conference opens at the seaside resort of Morecambe, Sept. 19.

Political writers of newspapers supporting Winston Churchill's Conservative government are predicting just such a row. But there is another theory that goes like this:

The Bevanites will keep the pressure on the party's official leadership, but will not try for a knockout. The dread of the leftwingers is that they will move too soon and overreach themselves.

Some recent speeches of Bevan's followers can be interpreted this way. But whether the thesis is true or not, this much is certain. The Bevanites think time and events are on their side.

This goes back to Bevan's prophecy. When the moon-faced Welsh orator pulled out of the Labor government in the spring of 1951, he maintained Attlee had committed Britain to a rearmament program that was so large it would cripple the nation's economy.

More and more Laborites have become willing to concede a measure of truth in that claim. Now the Conservatives are showing concern. Prime Minister Churchill himself told Parliament July 30 that dollar-pitched Britain must limit her rearmament drive to avert a "plunge into bankruptcy."

They'll Do It Every Time By Jimmy Hatlo

DO YOU THINK WHO COULD HAVE THE PORCH ENCLOSED, DEAR? AND WHAT ABOUT NEW CARPETING? WE DO NEED IT, YOU KNOW.

MOMMY ALWAYS WAITS TILL DAD IS DOZING OFF BEFORE SHE PUTS THE BITE ON HIM... HE SAYS YES JUST TO GET A LITTLE SHUTEYE...

IF THINGS WERE LEFT TO OTTO, WE'D BE LIVING IN A LEAN-TO... HE'S NOT AWAKE LONG ENOUGH TO APPRECIATE A GOOD HOME...

DADDY WON'T NOTICE ANYTHING DIFFERENT UNLESS THEY MOVE THAT CHAIR OF HIS...

Z-Z-Z... WHAT'S TALKIN' TO ME—SURE—Z-Z-Z... OKAY... ANYTHING YOU WANT—Z-Z-Z...

HE'LL COME TO WHEN THE BUILDER IS PUTTING ANOTHER WING ON THE HOUSE... HE'LL CLAIM HE WASN'T CONSULTED!

WATCHING MOM'S WAY OF GETTING POP TO OKAY IMPROVEMENTS...

THANK AND A TIP OF THE HAT TO PETER ROSEN, SANTA MONICA, CALIF.

Stars and Stripes

Private John A. Tackett, son of J. N. Tackett, 105 N. Hobart, has completed the airborne course at Ft. Benning, Ga., and is now a qualified parachutist. A member of Co. E, A. Bn., First Student Rgt., Tackett was required to make five jumps from an airplane in flight, including one with full equipment. The airborne course is but one at Ft. Benning; they range up to the training of regimental commanders and division general staff officers.

HOME ON LEAVE—Cpl. Jerry Lane, U. S. Army, son of Mrs. Vera E. Pryor, 902 S. Clark, is home on a 30-day furlough from active service in the Korean area. He arrived Tuesday night. Lane has been overseas for the past 10 months, some of them spent in a Japanese hospital because of wounds received. He attended Pampa High School.

ABOARD THE USS PIEDMONT—Fireman Apprentice C. A. Hefflin, 19, son of Mr. and Mrs. Art Hefflin, 324 N. Hobart, is serving aboard the destroyer tender USS Piedmont, a 17,000-ton repair ship of the U.S. Pacific Fleet. His ship was scheduled to arrive yesterday at Long Beach, Calif., from San Diego. And he takes off for Far Eastern waters Aug. 20. The Piedmont is a veteran of two tours of duty with United Nations naval forces in the Far East. Hefflin attended Pampa High School before entering the Navy last January.
