Baptist Revival To Close Sunday

The revival in the First Baptist church has been going on this week and will close Sunday evening. The Rev. Jimmie Morgan of Fort Worth has been preaching to large crowds for both the morning and evening services. There have been several additions to the church during the meeting. Rev. Morgan will preach tonight at 8 o'clock. The sermon will be on "The Sinner Who Converted a Preacher."

High attendances have been noted for next Sunday's services. The Sunday school is setting the highest attendance goal in the history of the church with 1375 as the goal Sunday, May 5. The Training Union attendance goal is 300. The plan for reaching these goals for next Sunday is visitation and the idea of using a link for each pupil with their name signed on it, then the chain will be linked together by departments and by classes, and a display of the entire chain will be made in the auditorium of the church with the slogan "Don't be a missing link in the chain."

The goal for attendance in Sunday school is the equivalent to the enrollment in Sunday school to date. The highest attendance in Sunday school in 1946 was 979 and the highest attendance in Training Union was 286. The morning service will be broadcast over KPND at 11 o'clock Sunday morning.

Lesson Subject Is Given for Sunday

"Everlasting Punishment" is the subject of the lesson-sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 5. The Golden Text is: "Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded" (James 4:8). Among the citations which comprise the lesson-sermon is the following from the Bible: "He that covereth his sins shall not prosper; but whose confesseth and forsaketh them shall have mercy" (Proverbs 28:13). The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We never need to despair of an honest heart; but there is little hope for those who come only spasmodically face to face with their wickedness and then seek to hide it."

Church Opens Week With Special Goal

"Building our Hopes on the Christian Family" will be the sermon subject of Rev. Russell G. West on Sunday morning at the Church of the Brethren. On Sunday, which opens National Family week, the church has set for its goal "every family of the church present for the Sunday school at 9:45." The Sunday school worship service will be conducted by the Christian Home Builders class. This program is being prepared under the leadership of Archie L. Patrick, teacher. On Sunday evening at 8 o'clock the pastor will continue his series of sermons on heroic characters of the New Testament. His subject for this Sunday will be: "The Sinner Who Converted a Preacher."

Seminary Student Will Speak Sunday

Rev. S. M. Mulkey, from Seminary Hill, Fort Worth will preach Sunday at the Central Baptist church. Rev. S. M. Mulkey will discuss Seminary this year after spending three years as a chaplain in the army. He comes highly recommended and every one is urged to hear him. Lloyd Satterwhite states that average attendance for April was 686. Ben Stephenson, Training Union Director states that there was a good attendance in Training Union for the month of April. From 14 to 16 pounds of beef are consumed daily by tigers in captivity.

Religion in the News:

For I Was Hungry and You Gave Me to Eat

By Father William J. Stock C. M.

PROMINENT in the news of these days is a foodstuffs drive for the Children of Europe and the Far East. It is a nation-wide drive, sponsored by the War Relief Services. The appeal of this drive seeks canned milk, meats, fish, fruits, vegetables and canned foods of any kind to help achieve the national goal of 20,000,000 cans. The foods will receive special processing and packing and then will be shipped directly to emergency zones in Europe and Asia.

The drive is in response to the recent urgent appeals on the world food crisis made by Pope Pius XII, President Truman, Mr. Herbert Hoover, head of President Truman's Famine Emergency committee, and Fiorello H. LaGuardia, director-general of the United Nations Relief and Rehabilitation Administration. "The sinister shadow of famine on at least a quarter of the entire population of the globe. Over immense territories it threatens to reap whole multitudes unless timely remedies are brought to bear and their number makes almost insignificant the host of combatants and non-combatants struck down on all fronts of the war."

WHAT a terrible picture these words of Pope Pius XII bring to mind—one-fourth of the population of the world crushed under the heavy weight of starvation! Millions of men, women and little children; millions of aged and infirm and orphaned human beings, still suffering much in a world that so recently rejoiced because it had traded war for peace. Where once the weapons of war brought wholesale sorrow and suffering, now the cruellest weapon of all—hunger, yes famine—has engulfed whole cities and villages. Daily it takes a bitter toll and it will go on, snuffing out the pitiful, suffering lives of people who have known nothing but grief and desolation and death for four long years, unless you and I hearken to our anguished cry for help.

Their pleas can be ignored! It is easy so to do. It is easy, too, to echo that ancient question "Am I my brother's keeper?" and turn away from this desolate scene in distant countries and busy oneself, instead, with the multiple occupations and pleasures that an unbombarded nation affords. But it isn't easy if you remember another time, another place and the Divine Teacher Who said: "Come, blessed of My Father . . . for I was hungry and you gave me to eat. . . . As long as you did it for one of these the least of My brethren, you did it for Me. . . ."

THIS is the Easter Season, the glorious time when all Christians rejoice with the Risen Christ. The stone has been rolled away and the darkness of the tomb has passed. He Who is the Light of the world has come again to clothe all mankind with His love and the abundance of His grace. We still hear the joyous alleluias of Easter week.

"Declare the voice of joy and let it be heard, declare it even to the ends of the earth, the Lord hath delivered his people." But we cannot declare the "voice of joy"; we cannot sing alleluia to the ends of the earth unless we try our best to be "doers of the Word, not hearers only." We have a sacred trust and duty to feed the hungry, clothe the naked, comfort and care for the sick and afflicted, if we are truly one with the Risen Christ.

And remember, "it is not only the earth's hungry who at this moment hold out to you their supplicant hands. Christ, Himself, asks you for the bread of which His poor are in want. Every mouthful of food which you give to them is given to Him. Every mouthful which you refuse them is refused to Him."

In thanksgiving to Almighty God Who spares the children of our great country from the horrors of a war upon our very doorsteps and in the name of the millions of mothers and fathers who cry out to us for help to keep alive their beloved little ones, we beseech you to give generously to this drive. Make a real sacrifice and God will bless you and your children and all America in like measure.

Family Week Should Impress Americans

NEW YORK, N. Y.—National Family Week should impress serious minded Americans with the need for study and thought concerning modern marriage and the "contemporary home," according to Rabbi Abrom Opler, assistant to the president, Synagogue council of America member of an interfaith committee planning the observance of 1946 National Family Week, May 5-12, throughout the United States and Canada.

Declaring that the family as man's primary social institution is the interpreter and breeder of religious and moral values in our society, Rabbi Opler stated: "War-time separations, dislocations and abnormal living conditions will take time to achieve healing amelioration. The family, through its love, security and mutuality can do most to correct the views of life and substitute the values which are central in community and nation."

"The home," he maintained, "is not an unroll haven from the real world, but a corrective of realities which disturbed conditions obscure or negate."

With the churches and synagogues seeking to strengthen the spiritual foundation of the home, sermons, worship classes and special programs, during National Family Week will feature the significance of religion in the family. Rabbi Opler said. Serving with him on the National Family Week committee are the Rev. Edgar Schmiedeler of Washington, D. C., director of the Family Life Bureau of the National Catholic Welfare Conference, and Dr. T. T. Swearingen, Chicago, director of adult work and family life of the International Council of Religious Education, and secretary of the committee.

Clarence Burg To Present Piano Recital Here Sunday

Over 250 students of music in Gray county will participate in Pampa Music Week which opens Sunday, May 5.

Clarence Burg, dean of the college of music of Oklahoma City university, will present a piano recital at the Junior high school auditorium at 4 o'clock Sunday afternoon.

Monday night the Pampa Civic chorus and a piano ensemble of 18 members playing on nine pianos will give a concert at the school auditorium.

Tuesday a luncheon for members of the Pampa Music Teachers association, which sponsors Music Week, will be held in the Palm room of City hall.

All through the week piano auditions will be held in conjunction with the National Music contest. Over 187 students will be heard in private auditions. Dean Burg will be one of the judges. Thurmon Morrison, recently returned from service and formerly on the Texas university faculty, will be the second judge.

Dean Burg, who will open Pampa Music Week, is representative of the newer generation of American artists coming from the middle west, being born in Illinois and coming from a family distinguished in American literature, art and science.

As a pianist, Burg is noted for his power to hold the attention of his audiences. He is an adept program builder and plays with such color, emotional appeal and rhythmic dash that even the untutored listener is aroused to a high point of enthusiasm.

For his program Sunday Burg has selected a variety of standing favorites:

Caprice (Genre Scarlatti), I. J. Paderewski; Fantasia in C Minor, W. A. Mozart.

Turkish March from the Ruins of Athens and three movements from L. van Beethoven and three movements from Beethoven's Sonata, Opus 27, No. 2 (Moonlight).

Chopin's etudes Opus 10, Nos. 3 and 12, his Nocturne in F sharp major and Scherzo in B flat minor.

Jeux d' Eau, M. Ravel; Arkansas Traveler, by the pianist, and Hungarian Rhapsody, No. 2, F. Liszt.

Following the recital an invitation reception will be given for Burg in the Palm room of City hall.

The Monday night concert will be free to the public, with a free-will offering given to defer expenses of moving the pianos, cost of music and incidentals.

The chorus, a select group of 30 voices, will present five numbers, featuring various chorus groups. Mrs. May Foreman Carr is the chorus director, Miss Eloise Lane, accompanist.

The piano ensemble, composed of 18 music students and teachers, will also present five numbers. Mrs. Carr is director of the group.

Throughout Music Week piano students will be presented in annual recitals in Pampa churches by their teachers.

League Delegates Vote To Do Away With Rule

AUSTIN—(AP)—The troublesome awards rule came under fire at the annual breakfast of Texas inter-scholastic league delegates today, culminating in a motion whose obvious effect was to do away with the clause in the league constitution which limits the amount that can be spent on an athlete.

The advisory council of the league, a group of representative schoolmen who pass on the wishes of the membership to the state executive committee, was petitioned in a motion by Howard Lynch, coach at Amarillo, to further study the rule and to reconsider, the 150 delegates unanimously passed the resolution.

The amateur rule also came under brisk discussion, being termed an antiquated affair that does not apply to athletes of the present time.

Suspect Questioned In Double Slaying

DALLAS — (AP) — Texas Ranger Captain M. T. Conzaullas said here this morning that Texas Ranger Joe Thompson was in Corpus Christi to question a suspect held there in connection with the April 14 double slaying at Texarkana.

Corpus Christi police arrested a 30-year-old man yesterday after they learned he purchased a revolver in a pawn shop. A salesgirl later identified him as one who tried to sell an alto saxophone at a music store there on April 20.

A similar saxophone was reported missing from the car of Paul Martin, 17-year-old Texarkana youth, when the bullet riddled bodies of Martin and 15-year-old Betty Jo Booker were found near Texarkana.

Conzaullas said Thompson would report to him in Texarkana after investigating the suspect.

Nordics Irritated at American Reluctance

STOCKHOLM — (AP) — The Stockholms Tidningen said editorially today that "American reluctance" to abandon military bases in Iceland "is regarded with growing surprise and irritation in all Nordic countries."

The Tass news agency quoted the editorial as saying the Swedish people were asking why the United States did not follow the example set by the Russians in evacuating Bornholm island and leave Iceland.

President Signs \$333,000,000 Bill

WASHINGTON — (AP) — A \$333,000,000 money bill assuming resumption of peacetime navigation and flood control programs has been signed by President Truman, he disclosed today.

The money is for use by the army engineers during the year beginning July 1. Twenty million dollars is for the Panama canal and other war department civil operations. The remainder is for waste-use and flood control planning and construction, sharply curtailed by the war.

The total comes close to a budget recommendation of \$337,000,000 for the period, Congress compromised on the one-third-of-a-billion-dollar figure after the house voted \$286,000,000 and the senate \$360,000,000.

The new legislation carries funds for starting some multimillion-dollar projects involving hydroelectric power development as well as irrigation, navigation and flood control.

Among these are the Whitney reservoir, Texas; Denison reservoir, Texas and Oklahoma.

LOST AND FOUND

ST. JOSEPH, Mo. — (AP) — Penny, a red Cocker Spaniel with wandle, disappeared for the umpteenth time, and Mrs. S. J. Wegenek sighed and ran another "lost" ad.

Penny himself answered the ad half an hour after it appeared. He ambled into the News-Press want ad department, where Miss Barbara Brumbach recognized him from frequent descriptions in the "lost" columns.

TWICE SPANKED

CHICAGO — (AP) — Mrs. Virginia J. Riley, 23, told Superior Judge Joseph Sabath yesterday the first time her husband, Harold, 25, spanked her, she forgot about it. He was in the army at the time, she said, and spanked her for being late for some date; with him.

But she told the court when he came home from the army, "he tried it again. And that was too much."

Judge Sabath granted her a divorce on grounds of cruelty. The banana is a fruit when yellow, a vegetable when green.

is keeping his eye on one guard trying to creep in close.

"I'm just waiting for him to get it," he says.

I am watching a huddle of guards and plain clothesmen hiding around the south corner of the building. We can see them but the convicts can't.

Some kind of an attack is about to take place. On the roof of another building north of the old cellblock we catch a glimpse of two guards, their heads bobbing above the roof wall.

"Watch those guys," I say, and just then the two figures stand up and pump three or four rifle shots down into the north end windows of the cellblock.

Now the guards huddled at the south end of the building are starting to move. They are hugging the wall, crouching low and from the way they are scurrying along we think they are probably scared stiff.

Fire from the windows steps up. The angle is wrong. The convicts can't get in a shot as long as the guards hug the wall.

They hit the ground. Then they are moving again.

One of the guards raises up. He stands on tiptoe, stretches his hand up full length, fumbles for the window ledge. He is feeling for a hole in the glass.

He crouches down, pulls something out of his pocket, then throws a tear gas bomb inside. In a second it comes bouncing out again like a red hot rock.

The grenade bounces off the guard and lands smoking in the purple flowers. Other guards are now reaching up and throwing grenades in the broken windows. Two of them shoot revolvers inside.

Another grenade sizzles out of one of the windows.

We think one of the guards has been hit in the hand. He is grabbing his wrist.

The tear gas hasn't worked. Nobody is dug in for the night. Nobody's won this little war yet.

The rail service curb order was issued last night by Col. Monroe Johnson, head of ODT. It limited freight shipments to necessities, with priority for livestock, live poultry, perishable items, and these special classes of commodities:

- 1. Coal, coke, charcoal and petroleum products. 2. Food and feed. 3. Printing paper and printing inks. 4. Medicine, drugs, surgical instruments and hospital supplies. 5. Shipments moving under special permits.

On the passenger service reduction, the order left it to the individual railroads affected to work out their own methods for carrying out the 25 percent cut.

Entries Coming In for Running Of 72nd Derby

By SID FEDER

LOUISVILLE, Ky.—(AP)—H. W. Fielding's job, one of the extreme outsiders in the race, was the first horse entered today for the 72nd running of the Kentucky derby tomorrow as the entry book opened in the racing secretary's office at Churchill Downs.

Extremely lightly regarded in this first \$100,000 derby, Jobar had not even been considered a starter until he was shipped into the downs early this week after finishing fourth in the Chesapeake stakes at Havre De Grace last Saturday.

For the first morning this week there was no rain as the derby entry book opened, and, although showers were forecast, Downs officials kept their fingers crossed in a dwindling hope the track might be dry when the expected 17 horses step on to the track tomorrow evening.

Second horse in the entry box—and first to be made personally by a member of his stable—was that of Rippey, flying winner of the derby trial mile last Tuesday from the barn of New Orleans horseman William Wells.

After a slow start, the entry pace started to step up a bit as two veteran trainers, John Partridge and Maxie Hirsch, arrived to enter Alworth and Assault, respectively. Fight along with them came Arthur Trent, entering Wee Admiral, owned

ed by Canadian automobile executive Robert McLaughlin.

After previously having announced Wee Admiral would be scratched in the event of mud, Trent said he had changed his mind and the son of War Admiral would go to the post with any kind of a fair track. "The change," he said, "was dictated because so many folks from Toronto came down to see him run."

Entering Alworth for Mrs. R. D. Patterson, of Dayton, Ohio, Partridge said he did not have a "real good horse, but he's a hard-hitting little fellow and I don't believe there's a real good horse in this race."

Assault, Texas-bred and Texas-owned Wood Memorial winner from the King Ranch of R. J. Kleberg, Jr., has a good chance, trainer Hirsch said, "if the track dries out some."

Marine Victory, who was once sold for \$750 on suspicion of having a trick knee and who has won \$53,140 up to now for Owner Robert Bruce Livie, Baltimore automobile executive, was eighth in the entry box. Trainer Spac Dunne dropped his name in.

Immediately behind him came Jimmy Smith, quiet Californian, with the big three of the race—Mrs. Elizabeth Graham's Maine Chance from entry of Lord Boswell, Knock-down and Perfect Bahram.

Asked if track conditions made any difference to his favored trio, he smiled "it's too late to worry about anything like that now. The horses are ready and fit."

With an hour and 15 minutes to go before the scheduled closing of the box, the field reached 12 when Jack Skirvin, a trainer since 1925, put in the name of Alamond, owned by Cleveland accountant A. C. Ernst.

Lamesa Here for Two-Game Series Starting Tomorrow

By SCOTT RAFFERTY

The Abilene Blue Sox looked like anything but league leaders yesterday afternoon as they dropped a 11-2 decision to the Pampa Oilers in the West Texas-New Mexico league Pampa opener before a large crowd at Oilier park.

Showing a distinct lack of hustle and a willingness to swing at anything that was offered them, the Blue Sox were hopelessly outclassed from the start.

The same two teams will meet tonight at 8 o'clock at Oilier park in the last of a two-game series. The Oilers will then entertain the Lamesa Lobos tomorrow night at 8 o'clock and again Sunday afternoon.

Emmett Fulemweider, classy centerfielder of the Oilers, exhibited his old-time power at the plate when he slammed a three-run homer in the first inning. During the day, Fulemweider collected four hits—a homer, a double and two singles—in four official trips to the plate, to bring his six-game batting average to .417, second only to Virgil Richardson, Oiler first sacker who sports an even .500.

The Oilers led off on Langston, Blue Sox elbow artist, in the first inning with Fulemweider's round-tripper, and rushed him to the cold showers in the seventh, ending that inning with a total of six runs.

Lefty Bill Garland, Oiler mound ace, fashioned a fancy four-hit pitching job, striking out six and walking six.

But the big news of the day was Fulemweider and the fans loved it. With his home run and the double, "Fuly" drove in four runs, besides scoring two himself. Fulemweider was at the plate five times but only four were official as he was struck by a ball pitched by Langston and received a free base.

Other than the individual members of Manager Hayden Greer's Blue Sox, Richardson was perhaps the unluckiest man on the plate. Five times Richardson went to the plate and four times he was walked, although never intentionally.

The Sox started the day by threatening in the second. Abilene got two men on base, both on free passes, but were unable to bring them in. Manager Greer was the final out, being thrown out at third on a nice play.

R. C. Otey led off the first inning for the Oilers by getting a free trip, expenses paid, to the first bag of salt but promptly died when Harriman was on the best end of a fielder's choice. Setz came up and grounded out with Harriman taking second on his boss's play.

Richardson walked and then Fulemweider stepped up to the plate, shifted his "chaw" to the other side and swatted Langston's first offering over the right field fence, scoring Harriman and Richardson ahead of him.

Johnston singled but Cox ended the inning by flying out.

In the second inning, the Blue Sox got three men on base and Krage scored on a fielder's choice when Langston hit a ground ball.

Zigelman was walked to lead off the second inning for Pampa but the next three Oilers went out.

Abilene counted again in the third when Thomas was walked and Oxtart doubled, scoring Thomas. The Oilers made it 4-2 in their half of the third when Richardson was walked, Fulemweider was hit by the pitcher, Al Johnston was walked and Cox was walked, forcing in Richardson.

The Sox went down in the fourth as did Pampa in the last half. A possible hit by Setz came for naught when Spatafore, Abilene shortstop, made a great stop of Setz's blistering grounder for the third out.

Pampa scored in the fifth when Richardson walked, took second on the pitcher's wild throw trying to get him out and scored on Fulemweider's double.

In the seventh, Pampa took advantage of the wildness of Langston.

Cards Ineffective Against Lefties

By JOE REICHLER

Associated Press Sports Writer

It looked today as if the National league will outpace the favored St. Louis Cardinals to death in an attempt to keep the Red Birds from wresting the pennant from the Chicago Cubs.

Inability to maintain their .617 seasonal pace against porters cost the Cards the flag last year and it may be the same story this year. In 33 decisions against unorthodox flingers in 1945, St. Louis managed to win 17, just one more game than it lost.

In 14 games this season, opposing managers have thrown eight left-handers against Eddie Dyer's slug-hitters and have been rewarded with four victories. Altogether the Cards have dropped five games, only one to a righthander.

The latest lefty to haunt the Cards was Dave Koso, New York Giants hopeful, who handcuffed them with four hits yesterday and whipped them 5-1, to knock St. Louis out of first place with Brooklyn, St. Louis to face St. Louis today was Brooklyn's little lefthander, Vic Lombardi.

The Dodgers came from behind to shackle the Cubs, 3-2, when Billy Herman, a former Bruin, hit a pinch single in the eighth inning.

Walker with the tying and winning runs. Reiser and Walker had opened the ratal round with consecutive singles.

Boston's favorite pin-up boy, Teddy Williams, slammed a 10th inning home run to give the American league leading Red Sox a 5-4 victory over the Detroit Tigers and a clean sweep of the three-game series.

The Yankees club close to the Sox helped by trimming the Cleveland Indians, 8-2, behind the effective nine-hit hurling of Spud Chandler, who became the first big league moundsman to register four victories.

Banged around for two straight days by the Philadelphia Athletics, the St. Louis Browns finally came to life with a 16-hit barrage against a trio of Mackmen hurlers to defeat their tormentors, 10-3.

Lefty Fritz Ostermuller pitched a steady game against the Philadelphia Phillies while his Pittsburgh Pirate mates took advantage of a big five-run frame to topple the Phils, 9-3. It was the Phils' 10th loss in 13 games.

The scheduled Boston Braves-Cincinnati Reds contest was rained out while Washington and the Chicago White Sox were not scheduled.

Clay, Speer Are In Discus Finals After Qualifying

By HAROLD V. RATLIFF

AUSTIN—(AP)—Lamar of Houston has only five contestants in this afternoon's Texas schoolboy track and field finals but they appear capable of combining for about 30 points—which should be enough to ease the state title.

Lamar lived up to all expectations in yesterday's preliminaries whereas Woodrow Wilson of Dallas, the favorite, cracked at the seams. The Wildcatters tumbled from title consideration when just three of what had been called an all-star array of athletes managed to get into the finals and only one of three—low hurdler Robert Hall—is considered a potential first-place winner.

The prelims quickly changed the complexion of the big show. Now it appears that Woodrow Wilson doesn't have an outside chance at the championship and that Lamar, Austin High, Austin (Houston), Corpus Christi and Brackenridge (San Antonio) will battle it out down to the final gun.

Austin, Austin (Houston) Brackenridge and Thomas Jefferson (San Antonio) each landed five spots in the finals but Jefferson was not considered a major threat although expected to pick up maybe 21 points.

Corpus Christi qualified in only three events but looks like a first-place winner in two of them, one a relay.

Several of the teams will add automatic qualifiers in the mile run today. Preliminaries were not held in this event, thus Woodrow Wilson will have four boys in the finals with Norman Alsbrook trying to overtake brilliant Don Sparks of Fort Worth tech in the distance race. Sparks is expected to set a new state mark in the mile, an event he did in 4:29.2 only last week and that's two seconds under the record.

Other potential record-smashers

the poor fielding by the Sox to score six runs on three hits and two walks.

Setz led off with a single, Richardson walked, Fulemweider singled, loading the bases. Al Johnston walked, forcing in Setz. Cox flew out to center but the catcher dropped the ball on the throw in to home and Richardson scored. Zigelman walked, leading the bases, Garland walked, forcing in Fulemweider. Otey flew out and A. Johnston and Zigelman scored. Harriman singled, scoring Garland to end the inning and the scoring for both teams.

Willie Lives in an "Almost" Home

Willie Wells is one of many G.I.'s stationed overseas to keep the Peace. Not to forget them, let me describe a snapshot that he sent.

It's the inside of a house where Willie's quartered... except the boys have fixed it up as much as possible to look like a typical American home. They've hung up pictures of their families, cultivated a stray puppy for a house pet.

And the snapshot shows Willie and his buddies sitting by their hearth, drinking friendly American beer and reading the hometown paper. "Almost like being back in Clover Corners," says the caption.

From where I sit, that "almost" packs a lot of meaning. Thousands of our boys are still overseas, trying to make their quarters homelike, even to the pet dog and the friendly glass of beer. Let's not forget to write them often—remind them that home is waiting—and it's not an "almost" home either.

NATIONAL WHIRLIGIG news behind the news

WASHINGTON By RAY TUCKER GRIP The Truman-Hannegan forces have suffered defeat after defeat during the current session of congress, but they draw comfort from the realization that their legislative reverses have not made a dent in their control of the machinery of the national organization.

REMINISCENCE Although G. C. P.-ers like National Chairman Robert E. Hannegan have a firm grip on the politics who nominate, and if they can, elect the national ticket. The situation is strangely reminiscent of 1912. Republican rebels headed by the late George W. Norris in the house, and wrecked President Taft's program.

DECISION The abrupt resignation to Col. Alfred McCormack as head of the state department's proposed world intelligence branch fears out forecasts in this column that Secretary James F. Byrnes is fed up with several "newwings" in the department, and to him when he first took office.

REVOLT Ironically, Messrs. Flynn, Guffey and Kelly have no more use for the Truman-endorsed C. I. O. program than have the conservative Southern Democrats. They have never made or wanted to make a reputation as idealistic liberals.

STARVE IT OUT Radical propaganda undoubtedly does this nation damage. I believe a vast majority of Americans are wholesome people, love their country, and understand what makes it the world's best place to live and most influential power.

ORDINANCE NO. 207 AN ORDINANCE, CREATING AND DEFINING PARKING METERS IN THE CITY OF PAMPA, TEXAS...

WHEREAS, previous attempts to regulate the parking of vehicles in the aforesaid area have not been as successful as desirable for the safety and welfare of the public...

WHEREAS, because numerous operators of motor vehicles, taking advantage of the above named situation by parking for unreasonable long periods of time in the aforesaid area...

WHEREAS, such traffic conditions require limited parking in certain areas of the City of Pampa, Texas, and enforcement of such limitation through the present means and methods, is expensive, inadequate and unsatisfactory...

WHEREAS, it is the opinion of the City Commission, the most satisfactory way by which the above conditions may be remedied is by the designation of individual parking spaces in said area...

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF PAMPA, TEXAS:

SECTION I That the construction and application of the ordinance and the following definitions of words and phrases shall be adhered to:

(a) The word "vehicle" as used herein shall mean any device upon or by which any person or property is or may be transported upon the highway, street or road, except those operated upon rails or tracks.

(b) The word "parking" or "parking" when used herein shall mean the standing of a vehicle, whether occupied or not, otherwise than a temporary stopping of such vehicle for the purpose of and while actually engaged in loading or unloading passengers or merchandise, or an involuntary stopping of the vehicle by reason of cause beyond the control of the occupant of the vehicle.

(c) The word "parking space" as used herein shall mean the space or section of the street adjacent to the curb and bounded and indicated by painted lines upon the surface of the street, extending from the curb into the street adjacent to and adjoining a parking meter.

(d) The term "loading zone" when used herein shall mean the space or section of the street adjacent to the curb, set aside for the exclusive use of loading or unloading passengers, supplies or merchandise.

(e) The word "person" when used herein shall mean any individual person, firm and/or corporation.

SECTION II That the parts of the streets in the City of Pampa, Texas, described in Twenty-Three (23) of this ordinance are hereby established as parking meter zones, and in such zones and in other parking meter zones as may be hereafter created by ordinances of the City of Pampa, Texas, and in order to avoid traffic congestion and to regulate the parking of vehicles in said parking zones, the City is hereby authorized to have installed parking meters, and is authorized to cause parking meter spaces to be designated and identified in accordance with the provisions of this ordinance.

with respect to its power to create debts. When parking meter spaces are indicated by painted lines upon the surface of the streets in said parking meter zones, as herein provided, and when parking meters are installed adjacent to or adjoining said respective parking spaces, no vehicle shall remain parked within any of said spaces within the zone or upon any of the portions of the streets described in Section 23, of this ordinance for a longer continuous period than 60 minutes at any time, between the hours of 9:00 A. M. and 6:00 P. M. on any day except Saturday and on Saturday from 9:00 A. M. to 9:00 P. M.; Sundays and holidays officially designated by the City Commission of the City of Pampa, Texas, are excepted.

SECTION III That such parking meters shall be placed upon the curb adjacent to, alongside of and adjoining individual parking spaces to be identified and designated as herein provided. Each said parking meter shall be so situated on the curb as to show and display a signal that the parking space adjacent to and along side of said parking meter is or is not in use as the case may be.

SECTION IV That when parking meters shall have been so installed as provided herein, that regulation, control, operation and the maintenance of said parking meters shall be vested in the City Commission of the City of Pampa, Texas.

SECTION V That said parking meters shall be so situated and placed as to display a signal showing legal parking within the adjacent and adjoining parking spaces upon the deposit in said meter of a proper coin of the United States of America for a period of time as herein set out and established for the part of the street designated as a parking space, adjacent to and adjoining which said meter is placed, which said parking space shall be identified and designated by proper markings as herein provided. Each meter shall, by a mechanical device, being and continue in operation from the time of the deposit of such coin therein until the expiration of the parking period as fixed by the ordinance of the City of Pampa, Texas, as the parking limit for the part of the street adjacent to which said meter is located.

SECTION VI That when any vehicle shall be parked in a parking space as herein provided, alongside of, adjacent to or adjoining a parking meter, which is located under this ordinance, the owner, operator, manager or driver of said vehicle shall, upon entering said parking space, immediately deposit a proper coin of the United States of America in the parking meter alongside of, adjacent to or adjoining said parking space, and said parking space may then be lawfully used by such vehicle for the purpose of parking during the parking limit provided for by the ordinance of the City of Pampa, Texas, for the portion of the street in which said parking space is located.

SECTION VII That if a vehicle shall remain continuously parked within a parking space for a period of time longer than the parking limit for such parking space, fixed by the ordinances of the City of Pampa, Texas, the parking meter located alongside of, adjacent to or adjoining said parking space shall be so mechanically adjusted that at the expiration of the parking limit, such meter shall immediately display a sign or signal showing such illegal parking, and in that event such vehicle shall be considered as parked over time, and beyond the limit fixed by the ordinances of the City of Pampa, Texas. The parking of a vehicle over time, or beyond the period of time fixed herein or hereafter by the ordinances of the City of Pampa, Texas, shall be considered a violation of the ordinances of the City of Pampa, Texas, and shall be subject to the penalties provided for by said ordinance for such offense.

SECTION VIII That in parking meter zones where under the ordinance of the City of Pampa, Texas, vehicles are required to park at an angle with the curb, any vehicle parked in any such parking space in any parking meter zone in the City of Pampa, Texas, shall be parked with radiator or front of such vehicle directed at said parking meter in the diagonal parking spaces adjacent to said meter and said vehicle must be parked entirely within the lines marked on the street for such parking space as herein provided, and no part of such vehicle shall be parked over or across any line on said street designating or identifying such parking space.

SECTION IX That the City of Pampa, Texas, is hereby authorized to establish, designate and identify by appropriate markings upon the surface of the streets within said parking meter zones such "loading spaces" as are, in the opinion of the City Commission of the City of Pampa, Texas, necessary for the conduct of business within said City, and parking meters shall be omitted from such

loading zones. Such loading spaces shall be adjacent to the curb. No person shall stand or park a vehicle in any loading space for the purpose of loading or unloading passengers for a period of time in excess of two minutes. All loading or unloading of merchandise in said loading spaces must be performed in an expeditious manner and no vehicle shall remain in a loading space for a longer period of time than reasonable necessary to expeditiously load or unload merchandise from such vehicle, nor while the operator thereof is soliciting or engaged otherwise than in loading or unloading such vehicle, except that a reasonable time shall be allowed to the operator of such vehicle for securing a receipt of delivery. All other parking within said loading zones is hereby declared unlawful, and a violation of this ordinance.

SECTION X That it shall be the duty of each traffic or other officer to make a written record of the number of any parking meter at which any vehicle is illegally parked, as provided by this ordinance, and to make, at the same time a written record of the state license number of such vehicle, and such officer shall promptly file a legal complaint of any violations of this ordinance, said complaint to be in the form as provided by the laws of the State of Texas, and by the ordinance of the City of Pampa, Texas, and said police officer shall, at the time he makes the written record of the state license number of such vehicle and the number of the parking meter, make a duplicate of such record upon ticket to be furnished him by the City of Pampa, Texas, the duplicate ticket to be serially numbered, and to be placed in a conspicuous place on the windshield of any automobile or upon the front of any vehicle so illegally parked. The original of this ticket to be filed with the Clerk of the Corporation Court and permanent record there of shall be made by the Clerk of the Corporation Court.

SECTION XI That the City Manager of the City of Pampa, Texas, shall designate an employee or employees who shall place and maintain, under the supervision of the City Manager, painted lines or marks on the curb and on the surface of the street adjacent to and adjoining the location of each parking meter, to designate and identify the parking space for which said parking meter is to be used.

SECTION XII That no parking of vehicles shall be permitted in the reserved space adjacent to or adjoining a fire plug within any parking meter zone designated in this ordinance and ordinances of the City of Pampa, Texas.

SECTION XIII No parking of vehicles shall be permitted within reserved spaces in any parking meter zone as herein designated adjacent to any hotel entrance or theater entrance, except for the sole and only purpose of promptly loading or unloading passengers in said portion of said streets.

except Sundays and holidays, officially designated by the City Commission of the City of Pampa, Texas, are excepted from this provision.

SECTION XVI That it is unlawful and an offense for any person, firm or corporation operating a vehicle, to park or stand upon any of the streets within any of said parking meter spaces within the parking meter zone described in Section 23 of this ordinance, for a longer continuous period than sixty minutes at a time between the hours of 9:00 o'clock A. M. and 9:00 o'clock P. M., and on Saturdays between the hours of 9:00 o'clock A. M. and 9:00 o'clock P. M., except Sundays and holidays officially designated by the City Commission of the City of Pampa, Texas, unless the person in charge of said vehicle shall, immediately upon entering said parking space, deposit in the parking meter adjacent to, adjoining or alongside of said parking space, a proper coin of lawful money of the United States of America, and immediately after depositing said coin, turn the slot handle of device of said parking meter, thereby causing said parking meter to display a sign or signal for the period of legal parking within said parking meter zone.

SECTION XVII That it shall be unlawful and an offense for any person to permit a vehicle to be or remain in any parking space adjacent to, adjoining or alongside of said parking meter is displaying a signal showing that a vehicle has already been parked in said parking space for a longer period of time than the parking limit provided for by this ordinance for said parking meter zone within which parking meter is located.

SECTION XVIII That it shall be unlawful and an offense for any person to deposit or cause to be deposited in the parking meter within any of the parking meter zones as herein established, a five-cent coin of the United States of America for the purpose of extending the parking time of the vehicle occupying said parking space beyond the period of time fixed by this ordinance as the parking limit for the parking meter zone with which said parking meter is located.

SECTION XIX That it shall be unlawful and an offense for any person, firm or corporation to allow, permit or suffer any vehicle registered in his, her, their or its name to be parked over time, or for a longer period of time continuously in said parking space than the parking limit provided for by this ordinance for the parking meter zone within which said vehicle is so parked.

SECTION XX That it shall be unlawful and an offense to deposit or cause to be deposited within any parking meter any slug, device or substitute for a five-cent coin of the United States of America.

SECTION XXI That it shall be unlawful and an offense for any person to deface, injure, tamper with, open or willfully break, destroy or impair the usefulness of any parking meter installed under the terms and provisions of this ordinance.

SECTION XXII That any person, firm or corporation who shall violate, or aid or abet another to violate any of the provisions of this ordinance shall, upon conviction be deemed guilty of an offense and shall be fined not less than One Hundred (\$100.00) Dollars.

SECTION XXIII That a parking meter zone is hereby designated and established in the City of Pampa, Texas. Said parking meter zone shall embrace both sides of the following streets located in the City of Pampa, Texas, to-wit:

On Cuyler Street beginning at Francis Avenue and extending South to Craven Avenue;

On Russell Street beginning at Francis Avenue and extending South to Foster Avenue;

On Frost Street beginning at Francis Avenue and extending South to Foster Avenue;

On Kingsland Avenue beginning at Ballard Street and extending West to Frost Street;

On Foster Avenue beginning at Ballard Street and extending West to Somerville Street with the exception of the East 1/2 block on South Side, same being in front of the United States Post Office Building.

Said meters shall be mechanically constructed so that it will allow twelve (12) minutes parking time; 22 will allow twenty-four (24) minutes parking time; 32 (pennies) will allow thirty-six (36) minutes parking time; 4c (pennies) will allow forty-eight (48) minutes parking time and 5c (pennies) or one five cent coin will allow sixty (60) minutes parking time.

SECTION 24. That the City Man-

ager of the City of Pampa, Texas, shall designate some person or persons to make daily collections of the money deposited in said parking meters, the last of these daily collections to be promptly after 6:00 P.M. on each day, except Saturdays this collection shall be made promptly after 9:00 o'clock P.M. It shall be the duty of such person or persons so designated to remove from the parking meter coins so deposited in said meters, and to deliver same to the City Secretary of the City of Pampa, Texas.

It shall be the duty of the City Secretary of the City of Pampa, Texas, to count the funds contained in such container, and to deposit such funds to the credit of the City of Pampa, Texas, in the city depository.

The proper coin required to be deposited in said parking meter provided for herein is a police regulation and inspection fee to cover the cost of inspecting and regulating the parking meter, and in the inspection, installation, operating, control and use of parking meters and parking spaces described herein and involved in the checking up and regulating of the handling of traffic and of the park-

ing of vehicles in the parking meter zones hereby created.

SECTION XXV That all ordinances and parts of ordinances inconsistent or in conflict with any of the terms or provisions of this ordinance are hereby expressly repealed.

SECTION XXVI That if any section or provision or part of this ordinance shall be adjudged invalid or unconstitutional by a Court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance as a whole or of any section, provision or part thereof not so adjudged invalid or unconstitutional.

SECTION XXVII A contract having heretofore been awarded by the City of Pampa, Texas, for the installation of the Parking Meters and the congested traffic conditions on the City's streets having created a traffic hazard, the above matters constitute a public emergency, which public emergency is hereby declared, therefore the reading of this ordinance on there separate days is dispensed with and this ordinance is finally passed on three readings on the 17th day of April A. D. 1946.

SECTION XXVIII That if any section or provision or part of this ordinance shall be adjudged invalid or unconstitutional by a Court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance as a whole or of any section, provision or part thereof not so adjudged invalid or unconstitutional.

SECTION XXIX That if any section or provision or part of this ordinance shall be adjudged invalid or unconstitutional by a Court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance as a whole or of any section, provision or part thereof not so adjudged invalid or unconstitutional.

SECTION XXX That if any section or provision or part of this ordinance shall be adjudged invalid or unconstitutional by a Court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance as a whole or of any section, provision or part thereof not so adjudged invalid or unconstitutional.

SECTION XXXI That if any section or provision or part of this ordinance shall be adjudged invalid or unconstitutional by a Court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance as a whole or of any section, provision or part thereof not so adjudged invalid or unconstitutional.

This ordinance shall become effective after its final publication as provided by law. PASSED AND APPROVED this 17th day of April, A. D. 1946. s/ FARRIS C. ODEN, Mayor (SEAL) ATTEST: s/ J. ERNEST HOOD, City Secretary April 26-May 3

WALL STREET
NEW YORK—(AP)—Selective strength persisted in today's stock market although many leaders continued to retreat. Transfers ran to around 1,000,000 shares. Electric Power and Light preferreds enjoyed a bulge on a few sales while the common backed down when the company announced an amended plan for the exchange of the senior issues for United Gas, Corp. common. R-K-O stumbled on talks of Atlas Corp. disposing of part or all of its holdings in this concern.

Wider climbers included Distillers Corp., Cuno Press, City Investing, Hershey, Hiram Walker and Gimbel. Occasional gainers were Sunray Oil, Standard Oil (NJ), Goodyear, Woolworth, Bethlehem, J. C. Penney, Douglas Aircraft and Caterpillar Tractor. Among losers were U. S. Steel, General Motors, Chrysler, Santa Fe, Southern Railway, Goodrich, Boeing, Montgomery Ward, Anaconda, Union Carbide, Philip Morris and Owens-Illinois. Bonds were spotty.

Memories Western Style Theme of Miami Banquet

MIAMI—(Special)—The Junior-Senior banquet of the Miami high school was given Saturday evening in the dining hall of the home economics department with 43 in attendance.

Memories was the theme carried out and the setting was typically western, depicting cowboy scenes of the Flying "U" ranch, including cottonwood trees, cactus, saddle and spurs, corral and the moon and stars shining on the western range.

Cowboy music was furnished by the Rhythm orchestra composed of Irvin Cunningham, Ed Haynes, Robert Howard, Owen Looper and Rene R. Rathiff.

Doris Fae Dunivan, junior student, was master of ceremonies, and Ed Haynes gave the invocation.

Decorations, place cards and plate favors were emblems of cowboy scenes.

The program was as follows:

Stanford, Landon Terry was a special guest. The waitresses were dressed in levi's, boots, and plaid skirts and were Carol Jenkins, Betty Williamson, Donna Lee Kitchens, Fannie Lard, Murla Holcomb and Glenda Poore.

The menu consisted of Joy Juice, Cactus Salad, Bar-B-Q, Wagon Mound Potatoes, Prairie Beans, Chuck Wagon Rolls, Apple Pie and Ice, Mole, Java, and Tea.

The pump can be primed only with food. Without food Germany cannot support the minimum transportation and industry. Without coal Germany cannot produce fertilizer and unless it produces fertilizer it is unable to improve its own food supply.—Lt.-Gen. Lucius D. Clay, deputy commander U. S. forces in Europe.

Music and Hula dancing are features of the opening of the Hawaiian legislature.

London's famous No. 10 Downing street was first occupied by a prime minister in 1704. Feasibility of night airmail was demonstrated by a night and day relay of flights from coast to coast begun Feb. 22, 1921, with the trip being completed in 33 hours and 21 minutes of elapsed time.

POWER POWER POWER AND MORE POWER FOR THIS AREA!

WE'RE BUILDING AHEAD OF A FAST GROWING TERRITORY

This territory is on the move—and it has everything it takes for more industry, more and better business, better and more modern farming and better living in the home. The aggressive people are here, the natural resources are here—and also plenty of low-cost electric power.

Our vast expansion program which includes a complete new power station, additions to others and miles and miles of new transmission lines, proves that we have faith in the future of this area. We'll continue to do everything within our power to help in its sound development for many years to come.

No. 17 of a series of advertisements designed to help build this fast-growing territory in which we serve.
