

# Administration Pins Must Tag on Anglo-American Oil Agreement Passage

WASHINGTON—(AP)—The administration today pinned a "must" tag on senate ratification of the seven month old Anglo-American petroleum agreement in a hopeful bid toward eliminating oil as an issue in diplomatic disputes.

Officials who disclosed the administration decision privately said the need for speedy action has been enhanced both by British anxiety over the delay and by Russia's entrance into the petroleum field outside her own borders through the recently-con-

cluded 50-year agreement with Iran. The Anglo-American pact was signed in London last September 24 by Harold Ickes, then secretary of the interior, and Emanuel Shinwell, Britain's minister of fuel. A basic clause provides that adequate petroleum shall be made available to all countries "on a

competitive and non-discriminatory basis." Another clause in the agreement places both Britain and the United States on record as favoring "as soon as practicable" the negotiation of a petroleum agreement between all interested producing and consuming countries.

Prior to the Soviet-Iran pact, Britain and the United States were the chief holders of petroleum interests outside their borders. Russia's arrangements with Iran and her economic alliances in the petroleum-rich Balkans now, however, make her a vital factor in the overall international oil situation.

Behind the necessity of reaching an international agreement are a number of other important factors, among them:

1. The heavy wartime drain on this country's resources which lately depleted American reserves.

2. Premier Stalin's call for a 60 percent increase in Soviet petroleum production. This has raised the possibility that Russia may turn to neighboring countries to fulfill the requirement, with a corresponding reduction in the amount available to other consumers.

## New Proposal Made Before U. N. Council

NEW YORK—(AP)—The United Nations security council today received a new proposal from Australia that a five-man subcommittee be named to inquire into the Spanish question and then deferred further consideration of the case until 3 p. m. EDT Monday.

The council then adjourned at 11:25 a. m. Immediately after Lt.-Col. W. R. Hodgson, of Australia, presented his new draft of a resolution calling for a five-man subcommittee, Rafael de La Colina, Mexican delegate, suggested that a vote be delayed until Monday to permit time to study the proposal and allow the delegates to get new instructions.

The text of the new Australian proposal follows: "The attention of the security council has been drawn to the situation in Spain by a member of the United Nations acting in accordance with article 35 of the charter and the security council has been asked to declare that this situation has led to international friction and endangered international peace and security."

"Therefore, the security council keeping in mind the moral condemnation of the Franco regime in the security council and the resolutions concerning Spain which were adopted at the United Nations conference on international organization in San Francisco and at the first general assembly of the United Nations and of the views expressed by the members of the security council regarding the Franco regime, hereby resolve:

"To make further studies in order to determine whether the situation in Spain has led to international friction and does endanger international peace and security, and if it so finds, then to determine what practical measures the United Nations may take.

"To this end the security council appoints a subcommittee of five of its members and instructs this subcommittee to examine the statements made before the security council concerning Spain, to receive further statements and documents and to conduct such inquiries as it may deem necessary and to report to the security council as soon as possible.

## Olin Hinkle Will Go to University

Olin E. Hinkle, editor of the Pampa News from 1928 until 1936, has accepted a position as associate professor of journalism of the University of Texas, it has been announced.

Hinkle has resigned his position as head of the Journalism department at West Texas State in Canyon to accept the university job. A graduate of West Texas State, Hinkle began his newspaper career with the Canyon News and later came to Pampa. After leaving Pampa, he was editor of the Lexington, Ky. Daily Herald for two years and then returned to West Texas state as its journalism director.

He enlisted in the army early in the war and served as public relations officer at Ellington, Tex., in Houston, rising to the rank of captain. Hinkle's sister, Mrs. Bill Money, was formerly society editor of the Pampa News. She recently resigned that position.

## Choral Festival To Be Tonight

Over 400 students from six Pampa public schools will take part in the annual Spring Choral Festival, to be held tonight at 8 o'clock in the Junior high auditorium.

One of the outstanding musical events in Pampa each year, the choral festival is presented by the music department of the Pampa schools and is free to the public. Choral groups from the high school, Junior high and the four grade schools will take part and several numbers by the combined groups will be presented.

Eight conductors will direct the various numbers on the program. They are Miss LaNelle Scheibgen, high school; Miss Hart Anderson, Woodrow Wilson school; Mrs. Roy Sullivan, East Houston school; Miss Elizabeth Sewell, Horace Mann school; Mrs. Flaudie Gallinat, Baker school; and Mrs. Ted Slonecki, Miss Elouise Lane and Miss Meribelle Hazard, Junior high school.

## Little Chance Seen To Head Off Rail Halt

CLEVELAND—(AP)—Except for the possibility of further government action—for which there were wartime precedents—there appeared today little chance to head off a nationwide walkout of nearly 300,000 trainmen and engineers on May 18, halting rail traffic all over the country.

Originally scheduled to begin March 11, the strike was rescheduled yesterday as the two Brotherhoods turned down the report of a presidential fact-finding board.

CONFERENCE SET It could be forestalled in the nation's carriers, either through conferences which are to open in Chicago Monday. But labor observers here, pending word on the carriers' attitude toward the fact-finding report itself, doubted that this development was likely.

Further government action could take two courses, either seizure and operations of the roads by federal authority, or a resumption of fact-finding efforts, through appointment of a new board or reconvening the old.

GOVERNMENT ORDER A. F. Whitney, president of the trainmen, said yesterday "If the government calls us to Washington, we'll go, but the strike order would be called off until a satisfactory settlement is reached."

Last night the three other operating Brotherhoods announced they would join a move by the 15 non-operating unions to reopen their own case, for wage increases higher than the 16 cents an hour boost awarded them by arbitration boards on April 3.

Since last July 24 all of the rail unions have been seeking wage increases and changes in working rules. The trainmen and engineers, insisting on keeping the two issues together, declined arbitration, called their strike and saw their case go before a fact-finding board.

The other 18 organizations accepted arbitration of the wage demands by two arbitration boards, not pressing the rules changes.

All the wage demands were closely parallel—30 cents an hour for the

## Judgeship Causes Much Speculation

WASHINGTON—(AP)—A quiet boom for the appointment of Secretary of War Robert P. Patterson as Chief Justice of the United States is under way on Capitol Hill today with some democrats and republican supporters.

But reporters accompanying President Truman on his vacation cruise—interrupted yesterday to permit the chief executive to attend funeral services for Harlan F. Stone—said they had been told by White House aides that the President thus far has given no consideration to a successor.

Most speculation has centered around the idea that Mr. Truman might elevate a sitting justice to the post Stone held and designate a republican to the vacancy thus created. Justices Robert H. Jackson, Stanley F. Reed, William O. Douglas, and Hugo L. Black all have been mentioned in this connection.

Residents of the Pampa area can leave their clocks right where they are Sunday as Pampa is not going on daylight saving time, contrary to rumors.

In general, the western half of the country will remain on standard time.

However, several changes will be made in the time of network radio programs. These changes will be announced in Sunday's issue of the News by Radio Station KPDD.

RELATIONS BROKEN SOFIA—(AP)—Bulgaria broke off political relations today with Spain. Spaniards in charge of the legation in Sofia were asked to leave Bulgaria.

## JUST A YEAR AGO TODAY—

This was Adolf Hitler's bleeding and dying Germany on April 26, 1945. Anglo-American troops from the west and Russian troops from the east roamed in comradeship through the torn streets of Torgau. Their historic junction had cut the Nazi homeland in half. Nazi armies fell apart like cards as Allied advanced gained greater speed. The Russians captured Stettin, circled besieged Berlin, seized Bruenn and Breslau, extended bridgeheads on the Elbe river. The British took Bremen. American forces drove toward the Elbe, neared the Austrian border, took Parma and Verona in Italy. The French captured Constance, thrust into Italy. The Axis was badly bent, soon would snap.

## Mystery Defense Witness Proves Boomerang on Stand

NUERNBERG—(AP)—Hans Bernd Gisevius, a mystery defense witness who proved a boomerang on the stand, testified today that he had "been in contact during the war" with the American intelligence services.

Many among the 22 German leaders on trial on war crimes charges appeared shocked, as if understanding at last why his testimony had been among the most damaging offered against them during the five months of proceedings before the international military tribunal.

Outside the courtroom, a qualified American informant said Gisevius had been in the service of the U. S. office of strategic services in Switzerland and Germany since 1943.

The disclosure of Gisevius's dealings with the Americans came dramatically near the end of his third day of testimony. Until then, he had been identified only as a veteran conspirator against Hitler and a participant in the bomb plot against the fuhrer in July, 1944.

Dr. Alfred Seidl, counsel for Rudolf Hess and Hans Frank, once German governor of Poland, asked Gisevius the surprise question: "You know what the letters O. S. S. Mean?"

Gisevius said he did. Asked if he had ever been "connected with the office of strategic services," he answered:

"During the war, I was in friendly and political contact with members of this organization."

Seidl put his questions over objections of Justice Robert H. Jackson, chief American prosecutor, who complained that this line of questioning constituted "an attack upon the witness."

Seidl argued that it was "important to establish the credibility of this witness."

Jackson rejoined that "it certainly does not militate against Dr.

NEW COUNCIL OF AMERICAN BUSINESS: NEW ORGANIZATION, NCAB, OPPOSES NAM IN WAR AGAINST OPA EXTENSION

By JAMES MARLOW WASHINGTON—(AP)—The NAM—because of its war on OPA—is being opposed by a young business organization called the new council of American Business, Inc.

The new council of American Business (NCAB) has a total staff of nine people and occupies small quarters in a Washington building. How many members does it have? Officials say they are "not at liberty now" to tell.

Pitching into NAM for its fight on price controls, NCAB has written every senator, saying "Independent businessmen are fearful of

## Reports Say Russia Will Block Plans

PARIS—(AP)—The Big Four foreign ministers met again this afternoon to seek agreements on European peace treaties amid reports that Russia would block an American effort to secure discussion of the Austrian situation.

An American informant confirmed that the Russians yesterday opposed placing Austria on the agenda. The Russians, however, raised no objection to discussion of French demands for detachment of the Ruhr and Rhineland from Germany, this source said.

AUSTRIAN SITUATION A source in conference circles said that the Russians told the foreign ministers of the United States, Great Britain and France yesterday that they realized the seriousness of the Austrian situation and felt it needed careful study before being discussed and that they did not believe such a study could be completed in time for discussion at the present conference.

It was understood that the general reparations question for European countries other than Germany would be taken up as the first point on the agenda.

COMMENT DECLINED Both Bevin and Byrnes declined comment as they emerged from their conference in the American hotel to attend a luncheon given for the foreign ministers by French President Felix Gouin.

Russia's decision to allow France to participate in discussions in Balkan treaties created a fresh atmosphere of optimism today as the four foreign ministers buckled down to their task of writing a new peace for Europe.

ITALIAN PEACE TREATY Discussion of the Italian peace treaty headed the agenda of the second-day meeting of the ministers of the United States, Britain, Russia and France, scheduled at 4 p. m.

## Visiting Group Entertains Lions

A group from Shamrock, headed by Bob Clark, manager of the Shamrock chamber of commerce, presented an interesting program at the regular luncheon meeting of the Lions club here yesterday.

Arnell and Maudell Sorenson sang a duet arrangement of "No Can Do" being accompanied at the piano by Rosina Helton.

Clark kept the audience guessing for about 10 minutes with his sleight-of-hand. The third portion of the program was a novelty number by John Max Cox and Maudell Sorenson. They were accompanied at the piano by Miss Helton.

Clark invited the members of the club, as well as other Pampans, to be present at the Shamrock rodeo which will be held on May 3, 4, 5.

## Baseball Schedule Copies Available

Copies of the official playing schedule of the West Texas-New Mexico baseball league are now available to the public, free of charge, at the News office.

Printed cards bearing the schedules are also to be posted in downtown stores and public places.

## 125 Injured When Two Flyers Collide

NAPERVILLE, Ill.—(AP)—Weary rescue workers today counted at least 44 dead in a terrific rear-end collision of the Burlington railroad's westbound fast Exposition Flyer and Advance Flyer yesterday.

Of 125 persons injured when the Exposition Flyer, speeding at more than 60 miles an hour toward San Francisco, rammed the stopped Advance Flyer, 31 remained in hospitals, some in critical condition. All but seven of the dead had been identified.

The engineer of the Exposition Flyer, who Burlington railroad officials said had adequate warning that the preceding train had stopped, was charged with manslaughter. Duple county officials said, however, this was a technicality to make certain the engineer would appear at an inquest and that no evidence of laxity had been uncovered.

The crash of the two steel cars, Diesel-powered trains occurred just 31 minutes after they left Chicago's Union Station simultaneously at 12:35 p. m. CST, on separate tracks, but after a few miles moved onto a single center track, with the Advance Flyer, which ran on a faster schedule, in the lead.

ADVANCE FLYER The advance flyer, carrying 150 to 200 passengers in nine coaches, was bound for Omaha and Lincoln, Neb. The exposition flyer, made up of 11 coaches and carrying 175 to 200 persons, was headed for San Francisco.

Two minutes after the advance flyer made an "unscheduled stop" in this village of 5,287, a terrific crash roared through the country-side as the exposition flyer plowed into the rear of the stalled train.

TRAGIC SILENCE BROKEN A moment of tragic silence was broken by screams and cries for help.

See TRAIN WRECK, Page 6

## 146,279 Vets Get Benefit Payments

AUSTIN—(AP)—Benefits payments to the unemployed jumped 10,500 in March over February, and there are now 146,279 unemployed veterans receiving readjustment allowances, the Texas unemployment compensation commission announced today.

The total number of persons receiving the various classifications of unemployment benefits, including ex-servicemen's readjustment allowances, under the G. I. Bill of Rights were 120,446 unemployed veterans and 25,824 formerly self-employed ex-servicemen.

The TUCC said that more than 2,000 first payments of benefits were made during March to unemployed aircraft and shipyard workers claiming benefits for the first time.

In the wholesale and retail trade classification, there were 1,502 unemployed workers receiving their initial compensation checks. To unemployed workers in the oil industry, 880 first payment checks were mailed and the unemployed in the food processing industry totalled 644.

The TUCC analysis showed that former ordinance workers, who constitute the bulk of the unemployed in the Texas-Kansas-Longview area, received 844 first payments on unemployment insurance.

Throughout the month, 61,118 first and subsequent payments totalling \$1,931,968 were made.

## Osmena Holds Little Chance At Presidency

MANILA—(AP)—Sergio Osmena's headliners tonight virtually conceded his defeat for the Philippines presidency with a charge that "the election is being stolen and apparently nothing can be done about it."

A highly placed source at Malacanang palace, who declined use of his name, said the chances of President Osmena defeating Senate Leader Manuel Roxas "are very slender."

"Roxas supporters terrorized the voters in at least three provinces, Tayabas, Batangas and Nueva Ecija," he said. "It seems clear now that Roxas' charges that there would be intimidation and vote falsification were only to cover up those very practices by his own supporters."

Repeated attempts to contact Roxas for comment have failed. His sister said he is unreachable. As far as can be determined he is not at his residence and has not been seen since election eve, when he went into hiding. His secretary said then that Roxas went into seclusion after hearing rumors of a kidnap plot against him.

Unofficial returns tonight from 5,222 out of 14,238 precincts gave Roxas 364,378 votes to Osmena's 474,998.

Osmena supporters have been killed or wounded in each of the provinces named by the spokesman.

Meantime, it appeared that Roxas' supporters had won a clear-cut majority in the Philippines house of representatives.

Quintin Paredes, former Philippines resident commissioner in Washington, currently on bail awaiting trial on treason charges here, appeared to be winning a house seat in his home province, Arba. Paredes is accused of having been a member of the puppet cabinet in the Japanese occupation.

Luis Tancig, self-styled general in the powerful Hukbalaahap (peasant) army of Central Luzon, and six other members of the Osmena-supporting democratic alliance, appeared certain of election to the house. The alliance gave Osmena a majority in Central Luzon.

However, on the basis of early returns, Roxas' self-styled liberal branch of the nationalist party appeared to have won control of the house with victories elsewhere.

## Four of Pampa Teachers Resign

Four teachers in the Pampa public schools have tendered their resignations to the school board stated Superintendent of Schools Knox Kinard this morning.

Miss Evelyn Thoma, instrument and string instructor at both Junior and Senior high schools, has preferred her resignation to the school board.

Miss Elizabeth Sewell, music teacher at Horace Mann school, has also announced her intention of resigning. Both Miss Thoma and Miss Sewell are to be married.

Tom Herod, counselor to veterans at the Senior high school since the first of the year, intends to go into business in Slaton, said Kinard.

Authorities declined to announce the name of the fourth person to tender a resignation.

Resignations will be acted upon by the school board next Monday night when members meet in the city hall.

## BANK NATIONALIZED

PARIS—(AP)—Nationalization of the Bank of Algiers and two other colonial banks was voted today by the constituent assembly, 451 to 60.

## THE WEATHER

Table with weather forecasts for various times of day: 5:30 a.m., 6:30 a.m., 7:30 a.m., 8:30 a.m., 9:30 a.m., 10:30 a.m., 11:30 a.m., 12:30 p.m., 1:30 p.m., Yesterday's Max., Yesterday's Min., WEST TEXAS, OKLAHOMA, Buy poultry and lawn supplies while stocks are complete.

WEST TEXAS: Fair with not much change in temperature this afternoon and Saturday; fair and warmer tonight.

OKLAHOMA: Fair and continued mild tonight and Saturday; little change in temperature tonight; low tonight lower to middle 50s.

Buy poultry and lawn supplies while stocks are complete. (Adv.)

### Wichita Falls Meet Gets Started Today

WICHITA FALLS.—The two-day all-southwest pro-amateur golf tournament got under way today after Jimmy Gauntt, Oklahoma City pro, won two of three top honors in yesterday's 18-hole warm-up events.

Gauntt teamed with Clifford Abbot, Berger amateur, for a best ball 63 and the day's pro-amateur title. Gauntt and Polly Riley, Fort Worth, had a best ball 63 for the pro-ladies title.

C. B. Mims, Dallas professional, salvaged the other title by teaming with H. F. Myers of Electra for a best ball 67 and the pro-senior first prize.

Ninety percent of forest fires are man-made, with nearly one-third of them caused by careless campers and smokers.

From where I sit... by Joe Marsh

**Best War Memorial I Know**

There's an old war memorial in our town that I like to stop and look at now and then.

Back in 1865, folks gathered up all the bitter relics of battle and put them in a pile: cannon, battered rifles, broken swords, and rusted bayonets. Some of them from our side, some captured from the enemy.

They melted them down, and from this litter of war sprung a monument to friendship, tolerance and understanding—a promise that the bitterness and hatred were forgotten.

Since then, there've been all kinds of disagreements in this country, big and little. Prohibition was one—and there was plenty of bloodshed, misery and grief until the problem was resolved.

But from where I sit, it's part of the greatness of America that we remain a united country. We may disagree as individuals—but in, we can live in tolerance and mutual respect.

### Newhouser, Greenberg Provide Spark in 5-4 Win Over Browns

By JOE REICHLER  
Associated Press Sports Writer

Hurricane Hal Newhouser and hammering Hank Greenberg, a pair of old hands at coming through in the world champion Detroit Tigers, are still up to their old tricks and as a result the Bengals are reposing unmolested today at the top of the American league.

The two Tiger stalwarts, who combined their special talents—Greenberg with a grand slam homer and Newhouser with a splendid relief job collaborated yesterday to vanquish the Browns 5-4.

The victory enabled the Tigers to take over undisputed possession of first place from the New York Yankees who dropped into a second place tie with Boston by losing to the Red Sox 12-5.

Newhouser, despite one bad inning in which he yielded all the enemy runs, Southpawed his way to his third straight triumph of the season.

Greenberg, enjoyed a perfect day at the dish with two doubles, a single and a free ticket to first. The converted first baseman batted in a run and scored two more. Greenberg's trio of base knocks raised his eighth-game batting average to a gaudy .400.

Brooklyn's dazzling Dodgers moved into undisputed possession of first place in the National league without even having to lift a little finger as the St. Louis Cardinals bowed to the Pittsburgh Pirates 5-3.

The Cincinnati Reds squelched their 1945 nemesis, the Chicago Cubs with a 7-5 victory. The Reds' second win over the Bruins in 26 meetings ever a two-year-span.

The New York Giants not only bowed to the Boston Braves for the second straight time, 5-4, but lost the services of their ace catcher Walker Cooper as well. Cooper, who cost the Giants \$175,000 last winter, suffered a fracture of his finger on his right hand when Carvel (Bama) Rowell tumbled off one of Monte Kennedy's pitches. After X-ray examinations, Dr. Francis Sweeney, the New York club physician, said Cooper would be out of the lineup for at least four weeks.

The Chicago White Sox finally combined tight pitching and stout hitting as they trashed the Cleveland Indians 11-3 on a 17-hit assault.

Washington's Senators and Philadelphia's Athletics joined the Dodgers and Philadelphia Phils as rain washed out their scheduled contests.

### Low Bidders Will Be Named by Dept.

AUSTIN.—The state highway department will announce low bidders today on 21 highway maintenance and construction projects in 40 Texas counties.

Low bids yesterday on 20 projects totaled \$1,246,147. Included were the following projects by counties:

Hunt—U. S. highway 67 and state highway 24, 3.01 miles asphalt undersoil and hot mix asphaltic concrete pavement, Texas Bitulthic Co., Dallas, \$33,032.20.

Martin, Winkler, Midland and Upton—Loop 97 and State highways 82, 349 and 137, 67.8 miles seal coat and base preservative, Ned B. Hoffman, Fort Worth, \$69,622.06.

Grayton, Fannin, Hunt, Franklin, Red River and Hopkins—U. S. highways 75 and 271 and State highways 11, 37, 78 and 154, 46.6 miles seal coat, D. and H. Construction Co., Dallas, \$41,385.

Liberty, Hardin, Orange and Jefferson—U. S. highways 90 and 96 and state highways 87 and 146, 1.03 miles, painting of five bridges, Austin Bridge Co., Dallas, \$8,450.

Counties included in today's projects are Crosby, Parker, Cass, Guadalupe, Folk, Williamson, Medina, El Paso, Bowie, Harrison, Panola, Franklin, Titus, Jim Wells, San Patricio, Karnes, Bee, Kleberg, Nueces, Glasscock, Sterling, Frio, McMullen, LaSalle, Webb, Navarro, Tarrant, Chambers, Lee, Jack, Wise, King, Dickens, Ford, Kinney, Uvalde, Liberty, Jasper, Newton and Orange.

**TOO MANY 'LEAKS'**

WASHINGTON.—Increasing concern by army and navy top officials over leaks concerning supposedly secret jet aircraft projects probably will result in all future jet fighters and bombers being treated in secrecy at Murco army flight test base on the Mojave desert, according to Aviation News.

Some thirty-odd years ago, when the wild birds egg collectors were in their heyday, the egg of the California condor had a market value of \$750 each.

### Battles in Four Cities To Mark League Opening

Baseball fans of Lubbock, Amarillo, Abilene and Lamesa, sites of the opening games, welcome with open arms today the return of baseball to the Panhandle and New Mexico.

It's the West Texas-New Mexico league's official opening day, the first since 1942 and enthusiasm is unlimited as the eight clubs in the Class C loop get ready to play.

Pampa and Lubbock square off at 3:30 this afternoon at Lubbock. Amarillo battles Berger at Gold Sox field tonight. Lamesa entertains Albuquerque tonight and Clovis plays at Abilene.

Manager Grover Seitz of the Oilers was to use Bill Garland on the mound today. Garland won 18 and lost 5 for Berger in 1941. Ernie Nelson, a 21-game winner in 1938, was Hack Miller's choice for Lubbock.

At Amarillo, Bob Seeds, Gold Sox pilot, nominated Bill Evans to hurl while Ted Clawitter of the Gassers had Tom Ridgeway or Jess Upton ready to go.

Amarillo, Clovis, Abilene, Lubbock and Pampa are generally expected to battle it out for first division honors.

The Oilers play Lubbock today and Saturday, play Amarillo at Amarillo Sunday and Monday, Lamesa here Tuesday and Wednesday and oppose the Abilene Blue Sox here Thursday, May 2, at Oiler park.

Dallas' Gillespie showed remarkable control. Gus Mancuso touched him for a single in the third and Joe Rullo punched one through the middle in the seventh.

The Fort Worth Cats swept their three-game series with the Oklahoma City nine. Sam Lamitina's two-run homer in the eighth and Ab Wright's two run homer in the eighth put the Oklahomans ahead, 4-2. Then the Cats came back in the home half of the eighth to score five runs.

The Houston nine made six hits good for as many runs in their 6-4 nightcap victory over Beaumont.

Beaumont rapped three Houston pitchers for 12 hits as they captured the opener 7-4.

Games today:

Fort Worth at Tulsa (night)  
Dallas at Oklahoma City (night)  
San Antonio at Beaumont  
Shreveport at Houston (night).

### Sports Round-Up

By HUGH FULLERTON, JR.

PHILADELPHIA.—Who says women aren't baseball fans? Okay, so you do. But Ray Dummont's National Baseball Congress, which gives away books on rules and "the finer points of the game" through 200 radio stations has figures to prove otherwise.

Of the first 1,000 requests received, 55 per cent were from women. Most of the others, says Ray, were from teenage boys who want to play ball.

Poppa presumably knows all about the game. Tex Coulter, the big Army tackle, figures to win the shot put at the Penn relays today without the benefit of practice. He did the 51-foot, the outdoor day after staying away from both track and football drills all spring to catch up with old ole devil, math.

**MEXICAN STANDOFF**

Mario Pasquel, one of the five brothers who run the Mexican baseball league, attended Notre Dame for a new weeks in 1935. Charlie Cal'ahan remarks: "Like Vern Stephens, he doesn't stay long. Maybe he doesn't think he'd like the American brand of football."

**TODAY'S GUEST STAR**

Joe Gootter, Paterson, N. J., Evening News: "Those who want tickets for the Louis-Cornn fistic meeting, will have their choice of duets costing \$100, \$50, \$30, \$20 and \$10. Those don't sound like fight prices but more like the room rates at a Miami hotel."

**CLEANING THE CUFF**

At least one American league ball club is keeping close tabs on Shortstop Clyde Lindsay and First Baseman Joe Bill Adcock of Louisiana State U., who are hitting better than 400. Elmer Layden finally was persuaded to take an airplane trip when he had to go to Tulsa in a hurry after Mrs. L. had given this report on a flight to Florida: "You have lost a traveling companion." Ex-football Commissioner Layden is a railroad man now.

**Paschal Swim Coach Has Great Team—But He Can't Swim**

FORT WORTH.—Coach Charley Turner of Paschal high school is getting his swimming team ready for participation in the state tournament next month at College Station.

Turner says he believes he's the only swimming coach in the country who can't swim.

**Harper Heads Modern Languages Department**

CANYON.—Appointment of Dr. Elmer Harper, D. D., to head the department of modern languages at West Texas State college has been announced by President J. A. Hill.

Dr. Harper, who received the BA degree here in 1929, returned last year from Peru, where he had lived for several years. He received the Ph. D. degree at the University of San Marcos in Lima—the oldest university in this hemisphere. He was the first American to receive the doctor's degree at the university.

### Baseball League Seen for Valley

HARLINGEN, Texas.—The lower Rio Grande valley may have a professional baseball league by next spring.

W. H. Lacy of Harlingen, a scout for the New York Giants, said he had received word from the National Association of Professional Baseball leagues that a franchise for a Class D league in the valley was immediately available and that he had applied for a franchise.

Harlingen, Brownville, San Benito

Raymondville, Weslaco, McAllen, Mission and Edinburg have expressed interest in entering such a league.

Lacy said he hoped to have the league operating by next spring and to have parks in each town equipped with lights.

**BREAK AND PAY**

BUFFALO, N. Y.—An impatient Buffalo motorist who thought a freight train was passing a crossing too slowly, pulled a coupling lever, "breaking" the train into two sections.

He was fined \$150 after being hauled in by police.

Carthage was founded by the Phoenicians about 813 B. C.

## You Have A Right To Be Proud Of Your Car's Performance

The things men talk about most are—their kids, their fishing experiences—and their cars! You won't have to speak of yours as a "sad sack" if you have us service it regularly and keep it running in apple-pie order. Warm weather is really with us now, and that calls for a general check-up, a change of oil, and tire conditioning. Better drive in and get an expert opinion on what you can expect of your car... and what it needs to make it a car you can speak of and drive with pride!

## Pampan Member Of College Choir

CANYON—Ed Line of Pampa, Texas, was a member of the West Texas State college choir which presented its annual spring concert April 23.

This capella choir, directed by Prof. Houston Bright, is made up of 32 carefully selected voices representing the best 10 per cent of this season's vocal talent at the college. The choir, which had been inactive since 1941, is now larger than before the war.

An assisting group was the Double Sextet, which often has appeared this year with the College Variety Show.

This year's spring concert included madrigals and part-songs from the 16th and 17th centuries, old hymns, and Negro spirituals.

## Jaquelin Robertson Honored With Party

Jaquelin Robertson was honored by her mother, Mrs. Jack Robertson, with a birthday party Tuesday afternoon in the park.

Ice cream, cake and candy were served to the following guests: Myra Nell Kapes, Jennie Lee Rockwell, Sally Alford, Monte Sue Williams, Joyce Brake, Joan Robertson, Patsy Price, Oleta Green, James Holmes, Damon Rynun and the honoree.

## FOR EARLY SPRING

Pretty, blonde Dorothy Patrick, new MGM star, has selected this brown-and-white striped cotton dress as a feature of her spring wardrobe. With her crisply fresh frock, she wears short white cotton gloves and a white straw cartwheel hat.

By RUTH MILLETT  
NEA Staff Writer

Some people think it is a disgrace for the way American women will stand in line for any scarce article from butter to nylons.

Actually, what is wrong with being willing to stand in line or to chase from store to store in search of something you want to buy?

Isn't the thing that is wrong with the picture the belligerence, lack of courtesy, and poor sportsmanship which so often arise when the woman cue up, rather than their wanting anything badly enough to stand in line for it?

In one city a group of women spent an afternoon butter-hunting. Their search took them forty miles, and it ended with each woman in proud possession of her pound of butter.

Since the jaunt was somewhat in the nature of a scavenger hunt, and the women had a good time, what was shameful about their going from store to store in quest of butter?

And what's wrong with a woman's standing in line to buy nylons if she acts like a lady while she is doing it?

**LINE ARE VOLUNTARY**  
Some people may not regard any of the so-called necessities of life as important enough to stand in line for. That's all right. They are free to go without.

But why condemn the folks who want something badly enough to cue up for it?

Many of the man who dismisses the women who stands in nylon lines as a bunch of lame-brains, yet who only a few short months ago could be found in a block-long cigarette line waiting patiently for his daily package of cigarettes.

If you want to stand in line, it's your business. Don't feel you have to apologize to anybody, so long as you aren't shoving or hoarding.

The RAF command in South East Asia used the code name "Operation Mastiff" for the air evacuation of prisoners of war.

A nationwide 50-city price tabulation shows the service station price of gasoline to average 20.21 cents a gallon, including an average tax of 6.05 cents.

## Twentieth Century Culture Club Studies Problems of Foreigners

Each member answered roll call by naming a foreign scientist when the Twentieth Century Culture club met with Mrs. Joe Key Tuesday afternoon.

Mrs. W. B. Weathered presided over the business session, when it was voted to contribute a small amount of money to the Girl Scout organization and the Youth Center.

Mrs. Rufe Jordan was program chairman for the afternoon when the topic, "New Americans," was studied. Mrs. Jordan introduced Mrs. E. O. Wedgeworth who spoke on "Shall We Keep Foreigners Out?" Mrs. Wedgeworth gave some of the requirements an alien has to observe in order to enter the United States, also how a person can become a citizen of the United States.

Mrs. Jordan introduced Mrs. Douglas Nelson, who spoke on "Brides From Overseas." Mrs. Nelson is a native of Scotland and has been in the United States six years. She stated that a girl in a foreign country misses her family and the contact with friends. She also stated that we in the United States should do everything possible to make a bride from overseas feel that she is among friends. Try to understand she is not among strangers and it is up to us to help her make the adjustments that will have to be made.

Mrs. Jordan also introduced a young bride from North Wales, Mrs. Leroy Blackman, who has just been in Pampa three weeks. Mrs. Blackman told of her and her two year old daughter, Ann's, experience in making the necessary arrangements to come to the United States. She was ten months getting the necessary papers. She was sent to a camp and they were processed similar to the way soldiers were. She sailed on the Washington, landed in New York to Pampa. Mrs. Blackman told many interesting things about her native home land and about East Africa, where she had lived at one time.

Refreshments of nut fudge ice cream and brownies were served to the guests, Mrs. Blackman and Ann, and the following members: Mesdames L. N. Atchison, M. P. Downs, E. J. Henderson, V. L. Hobbs, M. K. Griffith, Rufe Jordan, Kester June, Julian Key, Huelyn Laycock, R. C. Mason, Jack Merchant, Frank Melcham, Douglas Nelson, Fred Radcliff, W. B. Weathered and E. O. Wedgeworth.

## 'China' Is Topic of El Progresso Program

"Getting Acquainted with an Alley—China" was the subject of the program when El Progresso met with Mrs. Jenette Hutchinson on Tuesday afternoon.

The population, topography, pursuits of the people, crop-rotation, and characteristics of the natives—especially those of west China—were the main topics of interest discussed.

A dessert course was served to the following members: Mesdames Dave Pope, W. F. Ewing, Walter Purviance, S. D. Stennis, P. C. Ledrick, Knox Kinard, W. C. Jones, D. V. Burton, B. A. Norris, C. T. Hightower, H. L. Ledrick, C. P. Buckler, George Walstad, T. D. Hobart and George Briggs.

## Mrs. Hawkins Honored With Brilal Shower

Honoring Mrs. L. D. Hawkins, the former Miss Mary Ann Speed, was a shower given Wednesday evening at the home of Miss Martha Jaynes with Miss Jean Turner as co-hostess.

Mrs. Hawkins was presented with a blue corn flower corsage by Miss Turner.

Mrs. Lloyd Zmotony presided at the register. The guest placed their gifts in an improvised "Wishing Well," and each guest wrote a wish for the bride.

Refreshments were served to Mesdames J. C. Hopkins, W. E. Speed, W. P. Hawkins, W. M. McWright, Earl Isley, Lucille Turner, R. J. Winchester, Bill Burton, A. L. Jaynes, Lloyd Zmotony, Misses Joan and Mardell Hawkins, Helene and Ruth Furr and Mary Jaynes.

Sending gifts were Mesdames D. V. Burton, Jack Beck, Dorothy Stanley, Bill Hawkins, Jr., L. L. Keys, A. A. Russell and Luke McClelland.

**"FLUID HEAT"**  
It may be possible in the future to operate all types of household appliances such as refrigerator, dishwasher, washing machine electric iron, etc., without electricity. The new energy, now being experimented with, is known as "fluid heat." Instead of passing power through a wire, the energy is carried to all parts of the house by a special chemical in a tube or pipe. The heat is furnished through a central heating plant.

Mussolini was named after a Mexican Indian, Benito Juarez, a one-time president of Mexico.

If we once begin to tamper with news, to color or distort the truth in any way, even with the highest and noblest motives, we will find ourselves headed down the same slope that Mussolini traveled, that Hitler traveled, to the bottomless pit of perdition.—Rep. Noah M. Mason (R) of Illinois.

## Panhandle Schools Present Assembly Program in Lelors

LELORS, (Special)—The Panhandle schools, under the direction of Elois Porter, presented a musical program in the high school auditorium here. K. L. Turner, superintendent of Panhandle schools, was in charge of the group.

Opening the program, a choral club consisting of 20 girls, sang "Irish Lullaby" and "Little Bit of Heaven," accompanied by Carolyn Williams. Miss Williams then played a piano solo, entitled "Claire de Lune" by Debussy, and afterward, accompanied Lula Mae Cummings, sang "As Long as I Live," and "If You are But a Dream."

A sextet sang "Swiss Walking Song," and "Don't Fence Me In," followed by another song by the choral club, called "Lily Belle." Miss Betty Armstrong played two piano solos, "Revolutionaire Etude," and "Boogie Woogie," the latter bringing down the house. Wanda Jo Broadway, sang "I'm Glad I Waited For You," and "Symphony" followed by The Four Slick Chicks singing "Sioux City," "Sue" and "Onesey Twosey." The choral club sang another favorite, "Easter Parade."

Miss Porter, who had not taken an active part was asked to sing some songs. She obliged by singing "Frankie and Johnnie" and "Drink to Me Only With Thine Eyes." This concluded the program from Panhandle.

Following this program, Ike Cumberland, who was a prisoner of war in Japan, told about the conditions in Japan during and after the war. They gave an account of how the Japs went about looking for things their prisoners were not supposed to have. It seems, according to Ike, that if a guard saw a man with a pencil he would go through his clothing and personal effects looking for that pencil and would not take another thing, even if he had a gun hidden among them. This and many other things went together to form a very good program which lasted an hour.

## W.M.U. Circles Finish Study at Meetings

First Baptist W. M. U. met in circles in homes Wednesday for Bible study, finishing the chapters on family, home, marriage and divorce. Next Wednesday will be executive meetings at the church at 12:30 p.m.

A covered dish luncheon will be served in the church dining room at 1 p.m. by members of Circle Three. Circle Five will have charge of the kitchen following Circle Four. Mrs. C. L. McKiency, chairman, will present the Royal Service program at 2 p.m.

## W.M.U. Circles Finish Study at Meetings

## Women Dictate Trend To White in Jewelry Designed for Men

PROVIDENCE, R. I. (Special)—Women have put their pretty fingers into the field of men's jewelry, and meeting midday's current fashion trend to the white metals, the clasps, collar clips and chains now being prepared here for the Christmas trade are this year for the first time using palladium plate.

Palladium, a silver metal of platinum, but in the gold price range, has now become established as a gleaming white and precious background for diamonds and other important gems in earclips, brooches, necklaces and bracelets adored by the women for their personal adornment. Palladium plate, which employs one-twentieth of the noble and rare precious metal on a nickel-silver base, is a new development to meet demands for white jewelry in inexpensive lines.

Raymond F. Curran, president of Campus Jewelry Products, Inc., who notes a greater demand than ever before for men's jewelry, explains the feminine influence in the field in this way:

"Women buy between 75 and 85 percent of all our designs. For themselves they are insisting upon the noble white metals, platinum and palladium. They want their man to be fashionable, too."

Masculine jewelry in palladium plate will retail for about five dollars. The Campus gold and gold filled line, for instance, ranges from \$3.50 to \$21, and comparable prices are possible with the new palladium plate.

Craftsmen have achieved something new also in what is being called palladium-gold stripe, which combines yellow and white in an interesting two-tone effect. The gleaming white palladium plate is also being turned and engraved with line designs to give it even more than usual sparkle for gift pieces designed for men.

Mr. Curran professes amazement at the extraordinary demand for men's jewelry. Presently it is 25 percent ahead of last fall, and is gaining steadily. He has doubled the size of his Providence factory and is still behind on orders. He realizes, however, that public demand for something new must be met, and despite difficulties involved will give the women what they want for men by introducing the new white line to the trade in June in time for Christmas shoppers.

## Mrs. Reeder Will Present Students

Mrs. Roy W. Reeder presents Brenda Sue Parker, Billie Mae Osborne and Joe Clyde Williams in a piano recital this evening at 8 p.m. at the Church of the Brethren.

ORDINANCE NO. 267. AN ORDINANCE, CREATING AND DEFINING PARKING METER ZONES IN THE CITY OF PAMPA, TEXAS; PROVIDING FOR THE INSTALLATION, OPERATING AND MAINTENANCE OF MECHANICAL DEVICES TO REGULATE PARKING IN SAID PARKING METER ZONES; PROVIDING FOR THE COLLECTION OF REGULATORY AND INSPECTION FEES FOR THE USE OF SUCH DEVICES; MAKING IT UNLAWFUL TO USE THE STREETS OR PORTIONS OF THE STREETS SO DESIGNATED FOR PARKING EXCEPT THROUGH USE OF PARKING METERS; DEFINING WHAT ACT SHALL BE UNLAWFUL, AND FIXING PENALTIES FOR THE VIOLATION OF THE PROVISIONS OF THIS ORDINANCE, AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH AND DECLARING AN EMERGENCY.

WHEREAS, because of the width of certain streets in certain sections of the City of Pampa, Texas, the free moving of traffic in the downtown business area is congested and impeded; and

WHEREAS, previous attempts to regulate the parking of vehicles in the aforesaid area have not been as successful as desirable for the safety and welfare of the public, and because of the small number of traffic policemen available therefor, and because of the size of the aforesaid area; and

WHEREAS, because numerous operators of motor vehicles, taking advantage of the above named situation by parking for unreasonable long periods of time in close proximity to other motor vehicles so parked on the most congested parts of the City's busiest streets, tends to further impede traffic, and in addition thereto is unfair to business interests in such area and to motorists, and constitutes a danger to the life, limb and property of motorists and pedestrians; and

WHEREAS, such traffic conditions require limited parking in certain areas of the City of Pampa, Texas, and enforcement of such limitation through the present means and methods, is expensive, inadequate and unsatisfactory; and

WHEREAS, it is advisable to employ some mechanical assistance in the enforcement of said parking limitations, and in the opinion of the City Commission, the most satisfactory way by which the above conditions may be remedied is by the designation of individual parking spaces in said area, and by providing for the use of mechanical parking time indicators or meters in conjunction therewith, by restricting parking in said area to reasonable intervals of time, and by compelling the operators of vehicles who enjoy the use of the parking spaces so designated to pay a portion of the cost of the establishment and maintenance of the same, and for the purpose of regulating and controlling the same;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF PAMPA, TEXAS:

SECTION I. That the construction and application of the ordinance, and the following definitions of words and phrases shall be adhered to:

(a) The word "vehicle" as used herein shall mean any device upon or by which any person or property is or may be transported upon the highway, street or road, except those operated upon rails or tracks.

(b) The word "park" or "parking" when used herein shall mean the standing of a vehicle, whether occupied or not, otherwise than a temporary stopping of such vehicle for the purpose of and while actually engaged in loading or unloading passengers or merchandise, or an involuntary stopping of the vehicle by reason of causes beyond the control of the occupant of the vehicle.

(c) The word "parking space" as used herein shall mean the space or section of the street adjacent to the curbing and bounded and indicated by painted lines upon the surface of the street, extending from the curbing into the street adjacent to and adjoining a parking meter.

(d) The word "loading zone" when used herein shall mean any individual person, firm and/or corporation.

considered in determining the constitutional statutory or other legal limitations imposed upon the City with respect to its power to create debts.

When parking meter spaces are indicated by painted lines upon the surface of the streets in said parking meter zones, as hereinafter provided, and when parking meters are installed adjacent to or adjoining said respective parking spaces, no vehicle shall remain parked within any of said spaces within the zone or upon any of the portions of the streets described in Section 23, of this ordinance for a longer continuance period than 60 minutes at any time, between the hours of 9:00 A. M. and 6:00 P. M. on any day except Saturday and on Saturday from 9:00 A. M. to 9:00 P. M.; Sundays and holidays officially designated by the City Commission of the City of Pampa, Texas, are excepted.

SECTION III. That such parking meters shall be placed upon the curb adjacent to, alongside of and adjoining individual parking spaces to be identified and designated as herein provided. Each said parking meter shall be so installed on the curb as to show and display a signal that the parking space adjacent to and along side of said parking meter is or is not in use as the case may be.

SECTION IV. That when parking meters shall have been so installed as provided herein, that regulation, control, operation and use provided for in this ordinance and the maintenance of said parking meters shall be vested in the City Commission of the City of Pampa, Texas.

SECTION V. That said parking meters shall be so situated and placed as to display a signal showing legal parking within the adjacent and adjoining parking space, upon the deposit in said meter of a proper coin of the United States of America for a period of time as herein set out and established for the part of the street designated as a parking space, adjacent to and adjoining which said meter is placed, which said parking space shall be identified and designated by proper markings as herein provided. Each meter shall, by a mechanical device, being and continue in operation from the time of the deposit of such coin therein until the expiration of the parking period as fixed by the ordinance of the City of Pampa, Texas, as the parking limit for the part of the street adjacent to which said meter is located.

Each meter shall be so mechanically adjusted and arranged that upon the expiration of the time of said parking limit for such parking space, such meter shall indicate a mechanical operation and the showing of a proper signal that the lawful parking period for such parking space adjacent to said meter, as herein provided, has expired.

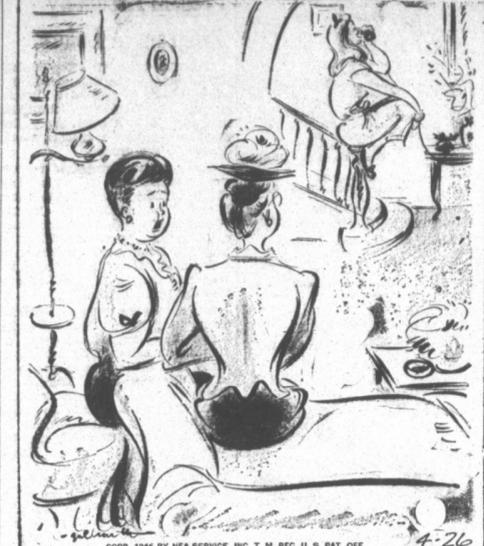

SECTION VI. That when any vehicle shall be parked in a parking space as herein provided, alongside of, adjacent to or adjoining a parking meter, which is located under this ordinance, the owner, operator, driver or driver of said vehicle shall, upon entering said parking space, immediately deposit a proper coin of the United States of America in the parking meter alongside of, adjacent to or adjoining said parking space, and said parking space may then be lawfully used by such vehicle for the purpose of parking during the parking limit provided for by the ordinance of the City of Pampa, Texas, for the portion of the street in which said parking space is located.

SECTION VII. That if a vehicle shall remain continuously parked within a parking space for a period of time longer than the parking limit for such parking space, fixed by the ordinances of the City of Pampa, Texas, the parking meter located alongside of, adjacent to or adjoining said parking space shall be so mechanically adjusted that at the expiration of the parking limit, such meter shall immediately display a sign or signal showing such illegal parking, and in that event such vehicle shall be considered as parked over time, and beyond the limit fixed by the ordinances of the City of Pampa, Texas. The parking of a vehicle over time, or beyond the parking limit for such parking space, shall be considered a violation of the ordinances of the City of Pampa, Texas, and shall be subject to the penalties provided for by said ordinance for such offense.

SECTION VIII. That in parking meter zones where under the ordinances of the City of Pampa, Texas, vehicles are required to park at an angle with the curb, any vehicle parked in any such parking space in any parking meter zone in the City of Pampa, Texas, shall be parked with radiator or front of such vehicle directed at said parking meter in the diagonal parking space, adjacent to said meter and said vehicle must be parked entirely within the lines marked on the street for such parking space as herein provided, and no part of such vehicle shall be parked over or across any line on said street designating or identifying such parking space.

In parking meter zones where, under the ordinance of the City of Pampa, Texas, vehicles are required to park parallel with the curb, any vehicle parked in any such parking meter zone shall be parked with the hood of such vehicle alongside of or next to the parking meter placed on the curb, alongside or adjacent to such parking meter space, and such vehicle must be parked entirely within the painted lines on the street designating said parking space, and no part of such vehicle shall be parked over or across any line on said street designating or identifying such parking space.

SECTION IX. That the City of Pampa, Texas, is hereby authorized to establish, designate and identify by appropriate markings upon the surface of the streets within said parking meter zones such "loading spaces" as are, in the opinion of the City Commission of the City of Pampa, Texas, necessary for the conduct of business within said City, and parking meters shall be omitted from such loading zones. Such loading spaces shall be adjacent to the curb. No person shall stand or park a vehicle in any loading space for the purpose of loading or unloading passengers for a period of time in excess of two minutes. All loading or unloading of merchandise in said loading spaces must be performed in an expeditious manner and no vehicle shall remain in a loading space for a longer period of time than reasonable necessary to expeditiously load or unload merchandise from such vehicle, nor while the operator thereof is soliciting or engaged otherwise than in loading or unloading such vehicle, except that a reasonable time shall be allowed to the operator of such vehicle for securing a receipt of delivery. All other parking within said loading zones is hereby declared unlawful, and a violation of this ordinance.

"I think the war was responsible for changing our children's language—most of the things they say seem to be in some kind of a private code!"

zones such "loading spaces" as are, in the opinion of the City Commission of the City of Pampa, Texas, necessary for the conduct of business within said City, and parking meters shall be omitted from such loading zones. Such loading spaces shall be adjacent to the curb. No person shall stand or park a vehicle in any loading space for the purpose of loading or unloading passengers for a period of time in excess of two minutes. All loading or unloading of merchandise in said loading spaces must be performed in an expeditious manner and no vehicle shall remain in a loading space for a longer period of time than reasonable necessary to expeditiously load or unload merchandise from such vehicle, nor while the operator thereof is soliciting or engaged otherwise than in loading or unloading such vehicle, except that a reasonable time shall be allowed to the operator of such vehicle for securing a receipt of delivery. All other parking within said loading zones is hereby declared unlawful, and a violation of this ordinance.

SECTION XVI. That it shall be unlawful and an offense for any person, firm or corporation operating a vehicle to permit such vehicle to be parked, or remain standing, in any of the parking spaces within the parking meter zone described in Section 23 of this ordinance, for a longer continuous period than sixty minutes at a time between the hours of 9:00 o'clock A.M. and 6:00 o'clock P.M. and on Saturdays between the hours of 9:00 o'clock A.M. and 9:00 o'clock P.M. except Sundays and holidays, officially designated by the City Commission of the City of Pampa, Texas, are excepted from this provision.

SECTION XVII. That it shall be unlawful and an offense for any person, firm or corporation operating a vehicle, to park or permit to be parked, or remain standing, any vehicle upon any street, within any parking meter space in the City of Pampa, Texas, as designated in this ordinance, between the hours of 9:00 o'clock A.M. and 6:00 o'clock P.M. of any day and on Saturdays between the hours of 9:00 o'clock A.M. and 9:00 o'clock P.M. except Sundays and holidays designated by the City Commission of the City of Pampa, Texas, unless the person in charge of said vehicle shall, immediately upon entering said parking space, deposit in the parking meter adjacent to, adjoining or alongside of said parking space, a proper coin of lawful money of the United States of America, and immediately after depositing said coin, turn the slot handle of device of said parking meter, thereby causing such parking meter to display a sign or signal for the period of legal parking within said parking meter zone.

SECTION XVIII. That it shall be unlawful and an offense for any person to permit a vehicle to be or remain in any parking space adjacent to, alongside of or adjoining which said parking meter is located, while said meter is displaying a signal showing that a vehicle has already been parked in said parking space for a longer period of time than the parking limit provided for by this ordinance for said parking meter zone within which parking meter is located.

SECTION XIX. That it shall be unlawful and an offense for any person to deposit or cause to be deposited in the parking meter within any of the parking meter zones as herein established, a five-cent coin of the United States of America for the purpose of extending the parking time of the vehicle occupying said parking space beyond the period of time fixed by this ordinance as the parking limit for the parking meter zone with which said parking meter is located.

SECTION XX. That it shall be unlawful and an offense for any person, firm or corporation to allow, permit or suffer any vehicle registered in his, her, their or its name to be parked over time, or for a longer period of time continuously in said parking space than the parking limit provided for by this ordinance for the parking meter zone within which said vehicle is so parked.

SECTION XXI. That it shall be unlawful and an offense to deposit or cause to be deposited within any parking meter any slug, device or substitute for a five-cent coin of the United States of America.

SECTION XXII. That it shall be unlawful and an offense for any person to deface, injure, tamper with, open or willfully break, destroy or impair the usefulness of any parking meter installed under the terms and provisions of this ordinance.

SECTION XXIII. That any person, firm or corporation who shall violate, or aid or abet another to violate any of the provisions of this ordinance shall, upon conviction be deemed guilty of an offense and shall be fined not less than One (\$1.00) Dollar or more than One Hundred (\$100.00) Dollars.

SECTION XXIV. That a parking meter zone is hereby designated and established in the City of Pampa, Texas, said parking meter zone shall embrace both sides of the following streets located in the City of Pampa, Texas, to-wit: On Cuyler Street beginning at Francis Avenue and extending South to Craven Avenue;

On Russell Street beginning at Francis Avenue and extending South to Foster Avenue;

On Frost Street beginning at Francis Avenue and extending South to Foster Avenue;

On Kingsmill Avenue beginning at Ballard Street and extending West to Frost Street;

On Foster Avenue beginning at Ballard Street and extending West to Somerville Street with the exception of the East 1/2 block on South Side, same being in front of the United States Post Office Building.

Said meters shall be mechanically constructed so that it will allow twelve (12) minutes parking time; 2c will allow twenty-four (24) minutes parking time; 3c (pennies) will allow thirty-six (36) minutes parking time; 4c (pennies) will allow forty-eight (48) minutes parking time and 5c (pennies) or one five cent coin will allow sixty (60) minutes parking time.

SECTION 24. That the City Manager of the City of Pampa, Texas, shall designate some person or persons to make daily collections of the money deposited in said parking meters, the last of these daily collections to be promptly after 6:00 P.M. on each day, except Saturdays this collection shall be made promptly after 9:00 o'clock P.M. It shall be the duty of such person or persons so designated to remove from the parking meter coins so deposited in said meters, and to deliver same to the City Secretary of the City of Pampa, Texas.

It shall be the duty of the City Secretary of the City of Pampa, Texas, to count the funds contained in such container, and to deposit such funds to the credit of the City of Pampa, Texas, in the city depository.

The proper coin required to be deposited in said parking meter provided for herein is a police regulation and inspection fee to cover the cost of inspecting and regulating traffic in the City of Pampa, Texas, and in the inspection, installation, operating, control and use of parking meters and parking spaces described herein and involved in the checking up and regulating of the handling of traffic and of the parking of vehicles in the parking meter zones hereby created.

SECTION XXV. That all ordinances and parts of ordinances inconsistent or in conflict with any of the terms of provisions of this ordinance are hereby expressly repealed.

SECTION XXVI. That if any section or provision or part of this ordinance shall be adjudged invalid or unconstitutional by a Court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance as a whole, or of any section, provision or part thereof not so adjudged invalid or unconstitutional.

A contract having heretofore been awarded by the City of Pampa, Texas, for the installation of the Parking Meters and the congested traffic conditions on the City's streets having created a traffic hazard, the above matters constitute a public emergency, which public emergency is hereby declared, therefore the reading of this ordinance on these separate days is dispensed with and this ordinance is finally passed on three readings on this the 17th day of April, A. D. 1946. This ordinance shall become effective after its final publication as provided by law.

PASSED AND APPROVED this 17th day of April, A. D. 1946. FARRIS C. ODEN, Mayor (SEAL) J. J. ERNEST HOOD, City Secretary April 26-May 3

When full employment is achieved and fear of insecurity is all gone, all races in America can live together in peace.—Commerce Secretary Henry A. Wallace.

Selector hymns were stowed away along with first-aid kits, and rations on lifeboats and rafts in the merchant marine of the United States in World War II.

Leaves From a Correspondent's Life Notebook

SAINT PETER'S CHURCH, Rome.—This is as close as you can climb to heaven in Rome—under your own power.

We are in the great bronze ball that holds aloft the cross above the largest and highest church ever built by man, the stupendous and beautiful basilica of Saint Peter.

From the ground this big brass ball that surmounts Michelangelo's famous Cupola looks no larger than a baseball. But once you get inside it you find there is room for 16 people to stand in its circle.

Getting atop the main roof is simple. You walk over from the bronze statue of Saint Peter, whose right foot has been worn almost away by the kisses of thousands of faithful pilgrims through the centuries, and take a modern elevator to the top. Forty years ago you would have to walk up, and near the last step are engraved in marble the names of many kings and queens who traveled the staircase route.

There are no marble name plates in the bronze globe above the Cupola so I guess all the royal legs gave out before they got there. But hundreds of common folk who have made the long tiresome climb have screwed their identity in plaster walls along the way.

The climb is made in stages. My companion was bearded Jack Thompson of the Chicago Tribune, who relaxed during war days by making jumps with the paratroopers.

When we reached the Cupola our legs were shaky and Thompson complained mildly. "My beard is getting heavy."

The Cupola is 138 feet wide and 405 feet high. You can walk around it inside and the people on the main floor look like a congregation of ants. The acoustics are so perfect that if you speak in a low voice against one wall, a person on the other side can hear you better than someone standing only 10 feet away.

The guide told us that the beard alone on the magnificent Mosaic of God, the father, on the Cupola ceiling was 75 centimeters wide.

Leaving the Cupola, we climbed series after series of twisting stone stairs, each getting narrower and narrower, until we were dizzy and our knees knocked together in weakness. Before the last ascent you can walk out on a stone catwalk around the Cupola and get a wonderful view of the Vatican and the Italian capital.

SECTION XXVII. That all ordinances and parts of ordinances inconsistent or in conflict with any of the terms of provisions of this ordinance are hereby expressly repealed.

SECTION XXVIII. That if any section or provision or part of this ordinance shall be adjudged invalid or unconstitutional by a Court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance as a whole, or of any section, provision or part thereof not so adjudged invalid or unconstitutional.

SECTION XXIX. That a contract having heretofore been awarded by the City of Pampa, Texas, for the installation of the Parking Meters and the congested traffic conditions on the City's streets having created a traffic hazard, the above matters constitute a public emergency, which public emergency is hereby declared, therefore the reading of this ordinance on these separate days is dispensed with and this ordinance is finally passed on three readings on this the 17th day of April, A. D. 1946. This ordinance shall become effective after its final publication as provided by law.

PASSED AND APPROVED this 17th day of April, A. D. 1946. FARRIS C. ODEN, Mayor (SEAL) J. J. ERNEST HOOD, City Secretary April 26-May 3

Stevenson Loyal to Democratic Party

AUSTIN.—Gov. Coke Stevenson said yesterday he wouldn't mind answering the state democratic executive committee's questionnaire as to his party loyalty.

The questionnaire, asking whether candidates participated in the party bolt in 1944, will be sent to Stevenson because his name has been placed on the ballot by the Upshure county democratic committee. Stevenson said he had not received the questionnaire.

He declared, however, that he had voted the democratic ticket in 1944, and that he had not worked against any of the candidates.

The governor recalled that he made a statement in Dallas at the time, saying that he would vote the ticket, and that he had done so, as he had always done.

Average depth of oil wells drilled in the United States from 2,900 feet to 3,501.

During the war, passenger car consumption of motor fuel declined approximately 40 percent and that of trucks 23 percent.

### DPA Fight

(Continued from page one)  
ing. He quit his 10-year job as Chicago regional director of the social security board to become NCAB's executive secretary last November. McCarthy, who had been dean of DePaul university in Chicago before going with the social security board, explains the origin of his organization this way:

A group of businessmen set up NCAB last August as a permanent organization.

This same group, calling themselves businessmen for Roosevelt, campaigned for the reelection of President Roosevelt.

In the spring of 1945 this same group, calling themselves business men for Wallace, backed Henry Wallace's nomination as secretary of commerce.

NCAB has chapters in New York, Chicago, Los Angeles, Pittsburgh and hopes to open more in St. Louis, Minneapolis, Boston, San Francisco and Seattle.

In its campaign for continuance of OPA, NCAB says it will run full-page advertisements in newspapers in Washington, New York, Chicago and Los Angeles.

McCarthy says NCAB's largest member has 5,000 employees and its smallest is a self-employed businessman. Here's a list of some of the things NCAB says it stands for:

Enforcement of the anti-trust laws; progressive reduction of tariffs; no change in collective bargaining; a 75-cent minimum wage; higher unemployment pay; a permanent fair employment practice committee; governmental development of the nation's natural resources, with more TVA's; and widening of social security to bring more people under its protection.

Mr. and Mrs. Irl Smith will leave Sunday to attend a Photographers State convention in Fort Worth.

Dance! Have fun with the Old Timers. Saturday night at the VFW-Legion hall. You and your friends are invited. You have always said "I'll try anything once." Try this Saturday, April 27, 1946. Dance Committee.

Mrs. Jackie Davis is visiting relatives and friends in Bonham this week.

### Death Riddle of Banker Unsolved

VANCOUVER, B. C.—(AP)—An oriental curse on 10 agate cups and the disappearance of three fabulously valuable jade necklaces spiced the mystery of French banker Henri Bar today as Royal Canadian mounted police and Vancouver detectives, tight lipped about the whole affair, sought an answer to the riddle.

Henri Bar vanished while the SS Samwater, carrying men and his 23 teakwood cases of rare art and antiques, was en route to Vancouver, still was three days at sea. Ship's officers and passengers said they believed Bar fell overboard as the ship pitched in rough seas.

The story might have ended there had not the mounties and detectives descended suddenly upon the Samwater yesterday and combed the vessel from stem to stern and from top deck to bilge.

Then came the report, from the untraceable sources, that Bar had told passengers he had hidden in his cabin three precious necklaces of rare white jade, with more than all the treasure in his teakwood cases—and that has been valued at \$250,000.

Some said the officers also thought they might find the body of Henri Bar tucked away in some odd cubbyhole. The officers finally left, apparently empty handed, certainly without a corpse.

As for the curse, the Vancouver Daily Province said sailors on the vessel told a passenger 10 agate cups in the collection were relics of the looting of the Peking palace in the early 1900's and "there had been a curse" on them. There was no further explanation.

### Abilene Requests Units of National Guard for Area

AUSTIN—(AP)—A request for location of Texas national guard units in Abilene and the surrounding area has been presented to Maj. Gen. Fred L. Walker, commander of the guard, and Brig. Gen. Arthur B. Knickerbocker, adjutant general of Texas.

Delegates from Abilene and the area included Lt. Col. John A. Alvis, Lt. Col. Frank J. Hobbs, Lt. Col. Thomas E. Williams and B. R. Blankenship of Abilene and Major Geo. L. McCargoy of Moran.

These men made a statement concerning ability of the Abilene area to organize and maintain elements of an infantry regiment and some air units.

The delegation asked special consideration to locating elements of the 131st field artillery battalion in Abilene.

Two units of the battalion were in the Abilene area before the war. One, the second battery, went to Java and was with the "lost battalion" there. The other unit went overseas with the 36th division.

General Walker expressed himself as being interested in the Abilene report and impressed with the groundwork that had been done there toward organizing units of the national guard.

General Walker stressed the need for adequate army facilities and pointed out that national guard units will be larger than the pre-war units. Before the war, he said, an infantry rifle company consisted of 65 men and three officers. The new units will comprise 88 men and 7 officers.

The application from Abilene was to be considered by General Walker and General Knickerbocker.

### Train Wreck

(Continued from page one)  
from the dying and injured.

At first there was complete confusion. Huge, shining passenger coaches were strewn across torn tracks, some in tangled wreckage.

The cries of the dying came mostly from the rear coach of the advance flyer, where passengers were crunched.

COACHES OVERTURNED  
Electric coaches were overturned or left the rails, six on the advance flyer and five on the exposition flyer.

Through the night, hours after the accident at 1:06 p. m. (CST), search continued for additional bodies. This was discontinued at dawn, however, when searchers were convinced all casualties had been accounted for.

Workers attempted to remove the debris and restore travel on the main line. An emergency line, however was set up to allow through traffic.

MANSLAUGHTER CHARGED  
As Burlington officials pursued their investigation of the worst accident in its history and also the most tragic in the Chicago area, State's Attorney Lee Daniels of Du Page county said a warrant charging manslaughter had been issued for W. W. Blaine, 68, Chalesburg, Ill., engineer of the exposition flyer.

Daniels said the action was taken to insure Blaine's appearance at an inquest later into the deaths. Daniels said he had interviewed members of the train crews and found no evidence of laxity.

Daniels said that Blaine, for more than 42 years a railroad man, told him that just before the collision fireman E. H. Crayton warned him he was going to strike the advance flyer. He said Crayton apparently jumped before the crash and was killed.

Blaine, however, stayed at his throttle as his train sped toward the stalled advance flyer.

Blaine suffered cuts on the head and was taken to an Aurora hospital.

Daniels quoted the engineer as saying "we were going too fast," and that his train was traveling 85 miles an hour when he noticed the first of two warning signals. The engineer applied the brakes at once, Daniels said Blaine related, but "it was too late." How I came out alive, I never know.

At the station, James Tangney, flagman on the advance flyer, left the rear coach and told passengers, "I'm going to stop that train behind us."

But before he had walked a dozen steps, the exposition flyer roared toward the stalled train and, with brakes screeching and sparks flying from its wheels, struck the rear coach of the advance flyer.

The Red Cross quickly set up disaster relief headquarters at the scene. Across the tracks, hundreds of workers in a furniture factory rushed to give aid. Fifty students at North Central college quit classes to serve as litter bearers. Uninjured passengers worked feverishly to render aid to the scores of victims.

In a few minutes, doctors, nurses and ambulances were racing to the scene from neighboring communities. Rescue lines were formed and a warehouse was converted into a temporary hospital where the injured were given first aid. The more serious cases were taken to hospitals in nearby Aurora.

Edward Flynn, executive vice president of the railroad, said the automatic system had been functioning properly. The unscheduled stop by the advance flyer was made when trouble developed in the undercarriage of the train, he said.

### U. N. Council

(Continued from page one)  
as it may deem practical."

Hodgson told the council he had been successful in his attempts to find a compromise with the French delegate, Henri Bonnet, and the Polish delegate, Dr. Oscar Lange.

The resolution stated specifically that it was the duty of the council and the subcommittee to decide what should be done about Franco Spain.

Hodgson pointed out, however, that the proposal gave the subcommittee wide powers to decide where and how the inquiry is to be made.

As the delegates meet at 11:38 a. m. EST to try to find a common ground to act on the Spanish question, the council chamber was more than half empty.

The Brazilian delegate, Dr. Pedro Leao Velloso, who was in a taxicab accident last night, arrived with scratches covering scratches on his face. The Hodgson move today was the result of overnight efforts to arrive at a formula that might enable the delegates to once to render a unanimous decision but Russia has come out against any inquiry into the incident.

Soviet Foreign Minister V. M. Molotov, unexpectedly reversing a decision he had announced last year at the London foreign ministers' conference, said yesterday he had no objection to French observers attending discussions of treaties with the Balkans and Finland.

The United States also will sit in without a vote on the discussions on Finland, which originally were restricted to Britain and Russia.

Delegates to the conference, most of whom had come to Paris with few optimistic hopes, said that Molotov's action might indicate that Moscow would prove to be more conciliatory on other issues.

The United States reportedly asked the ministers to draft a treaty assuring independence for Austria, and France requested the internationalization of the Ruhr and the detachment of the Rhineland from Germany.

Molotov objected to adding these subjects to the agenda on the grounds they were unforeseen developments which required thorough study, official quarters said. No vote was taken.

Both Byrnes and Bidault are expected to press for Russian reconsideration, with Bidault reportedly ready to demand that a decision on the German issue be made today.

### County To Help Food Collection

Gray county is organizing to help the world-wide food shortage through cooperation of the National Food collection program, under the local direction of B. R. Nuckols, county chairman of the program.

Cooperation of all civic clubs, the ministerial alliance, veterans organizations, Boy and Girl Scouts, Red Cross, chambers of commerce, and county schools is being solicited.

Representatives of the above organizations are to attend a meeting Monday, April 29, to make detailed plans for the drive.

### Student Jumps, Pilot Lands Blazing Plane

SAN ANTONIO—(AP)—A pilot instructor who ordered the student flying with him to parachute, then brought his blazing plane in for a crash landing was hospitalized today with injuries hospital attendants said were "serious."

The instructor was First Lieut. Matthew Wilson and the student pilot was Second Lieut. David Van Pelt.

The plane caught fire yesterday while on a routine training flight. Van Pelt was found by a searching party near Castroville. He suffered first degree burns on his ankles and bruises from the parachute landing.

### War rTials

(Continued from page 1)  
Gisevius' credibility that he opposed an organization of this kind (nazism)."

The tribunal ruled for the German attorney.

A member of the American prosecution staff said in an interview later that during the last two years of the war, Gisevius was one of the American intelligence service's most valuable men on the continent.

The Americans got in contact with him after he had been placed by Adm. Walter Wilhelm Canaris in an intelligence position in the German consulate in Zurich. After the Hitler bomb attempt, Gisevius was stripped of his civil service job, but the Swiss allowed him to remain in their country. During his years in Switzerland, Gisevius made frequent trips to Berlin and other parts of Germany to deal with other plotters, he has related previously.

### Administration Causes Inflationary Trends

ABILENE—(AP)—The president of the Independent Petroleum association of America, E. A. Hardley of Shreveport, La., asserted here that the administration and not industry is responsible for inflationary trends.

Hardley spoke to more than 200 independent petroleum producers at a reactivation meeting of the West Central Texas Oil and Gas association.

Hardley declared that the administration started the inflationary trend by a policy of increasing purchasing power of the American public, devaluation of currency and failure to balance the budget.

The Congo River, three thousand miles long, is the largest river in Africa.

### Filipino Election

(Continued from page one)  
non-operating men \$2.50 a day for the three operating groups which accepted arbitration, and an average of 25 per cent for the trainmen and engineers, working out to about the same rate.

Awards in each case amounted to 16 cents an hour. Already the 15 non-operating unions have filed notice they will re-open their case for an additional 14 cents. The engineers and firemen, the conductors and the switchmen said they would file their demand "for further increases" on May 3.

### Few Take Advantage of 30-Cent Wheat Bonus

Although a bonus of 30 cents a bushel has been placed on wheat sold before May 24, none has been shipped from the Santa Fe depot since the date of announcing the bonus, stated O. T. Hendricks, local Santa Fe agent.

About two car loads have been shipped this month, said Hendricks. Shipments were made up of scattering supplies of wheat, both from elevator and farm storage.

### Restrictions on Allies Imposed

BUDAPEST—(AP)—Russian military authorities in Budapest have imposed travel restrictions on Allied nationals in Hungary according to U. S. sources here.

These sources, who declined to permit the use of their names, said the Americans and British were informed at the March 23 meeting of the Allied control council that no one would be allowed to travel in Hungary without a pass signed by Maj. Gen. Levisshkin, headquarters chief of the council.

Lt. Gen. V. P. Sviridov, acting chairman of the council, was reported to have stated that the action ported to have stated that the action authorized "persons from wandering about the countryside. He said passes would be granted promptly upon request. The Russians said the order would be effective May 1.

### Abilene Requests Units of National Guard for Area

AUSTIN—(AP)—A request for location of Texas national guard units in Abilene and the surrounding area has been presented to Maj. Gen. Fred L. Walker, commander of the guard, and Brig. Gen. Arthur B. Knickerbocker, adjutant general of Texas.

Delegates from Abilene and the area included Lt. Col. John A. Alvis, Lt. Col. Frank J. Hobbs, Lt. Col. Thomas E. Williams and B. R. Blankenship of Abilene and Major Geo. L. McCargoy of Moran.

These men made a statement concerning ability of the Abilene area to organize and maintain elements of an infantry regiment and some air units.

The delegation asked special consideration to locating elements of the 131st field artillery battalion in Abilene.

**SOUTHWESTERN PUBLIC SERVICE COMPANY**  
21 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

The U.N. Looks for a Home

By Dr. Douglas E. Nelson

MUCH HUMOR has been expended on the hapless house-hunting of the United Nations organization. Like any of the millions of roving, home-hungry people of the world, this body of men is trying to find a suitable place in which to settle down.

It seems to us that the joke is beginning to wear a bit thin. The housing shortage, after all, is not very funny. Still less is it comical that this organization, with the future of everyone of us under its arm, should be trailing about the country unwanted and unwelcome.

Perhaps we do not sufficiently appreciate the implications of this situation. Obviously the U. N. is homeless because the people living in the selected sites are reluctant to have their convenience disrupted. Let someone else move. Let some other district be the goat.

WE ARE ALARMED and despondent because of the bickering and lack of nobility of all the nations comprising this body. We, heirs of the household of liberty, would like to see the British forsake their imperialism. We protest bitterly against the crude but ferriously effective machinations of Russia. Meanwhile, quite blandly, we insist that certain territories, islands, and bases strung half-way around the globe are necessary to our safety. It is apparently imperialism if other nations do this. We would be glad if they could see the light.

The ideal, born out of agony and blood, of a covenant of peace-making, peace-keeping nations, has been tried before. It failed, and its bankruptcy has been paid off in millions of lives. Unless we think enough of the ideal to welcome and respect the men who embody it, the next failure is inevitable.

Revival To Begin Sunday at Church

Rev. E. Douglas Carver, pastor of the First Baptist church, says: "that a revival meeting will begin in the church, Sunday April 28th and will last through Sunday May 5." The Rev. Jimmie Morgan, pastor of the North Fort Worth Baptist church, in Fort Worth is to be the speaker for the entire revival.

R. Virgil Mott, local director of music and religious education is to lead the congregational singing and direct the choir special.

The time of meeting for the revival will be at 10 a. m. and 8 p. m. Sunday morning the choir will sing a martial anthem, an arrangement of "Onward Christian Soldiers," by Wessel; also Mr. Mott will sing "Somebody Cares," by Stafford.

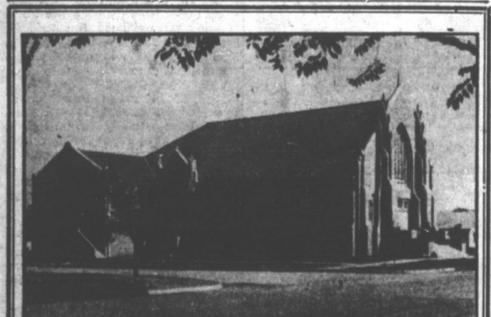

The goal for attendance in Sunday school is 1010. Last Sunday we reached an all time high with 979 in attendance.

The Training Union goal for Sunday is 300.

Women in the Church

By MARY FOWLER. Miss Katharine R. Maurer, Methodist deaconess stationed for thirty-four years at the immigration station on Angel Island, California, has received an expression of gratitude from the "detainees" of the international group for her ministry to them. "We, the international group, feel we are one big family and you, Miss Maurer, are our loving mother," they wrote. "It is truly said in the Bible, 'for we are all brothers and sisters.'" The letter was signed by the Japanese, Samoan, Filipino, Cuban, Italian, Canadian, Hebrew, German, Honduran, Jugo-Slav and Estonian representatives.

Thousands of church women across America—and the members of their families, too—are signing this pledge for the conservation of food for the sake of the starving in Europe and Asia: "In response to the President's request to help prevent starvation overseas, I voluntarily pledge to conserve food and to buy less, bake less, waste less bread, cake, wheat products I will conscientiously attempt to conserve during the next six months, or while the emergency exists, about 40 percent of the wheat products our household is accustomed to use." The pledge is being distributed by the church committee

**BEAUFORD A. NORRIS, Minister**

Waco Minister To Be With Baptist Church

Rev. A. Myers of the Memorial Baptist church of Waco will be with us in both services Sunday at the Central Baptist church. He will be here in the absence of our pastor, Rev. Rudolph Q. Harvey, who is away because of the illness of Mrs. Harvey.

Lloyd L. Satterwhite, Sunday school superintendent states that we would like to have a great number in Sunday school this Sunday. Last Sunday we had 678 and we would like to have that many and more.

Church Plans Special Services for Sunday

Services at the First Methodist church of Pampa for the first Sunday after Easter will begin with a session of the Church School at 9:45 a. m. under the direction of Mr. A. W. Rankin, general superintendent. Adult classes of the school will take up the study of "A Good Solid Character."

Rev. E. B. Bowen will deliver the address at the morning worship service in the sanctuary beginning at 10:55 a. m. Mrs. John Skelly will preside at the organ playing "Kamencol Ostrov" by Rubinstein as a prelude to the service and during the course of the hour will be heard in "Melodie" by Massenet and a "Postlude" by George E. Whiting. The senior choir of the church will sing "They That Trust In The Lord" by Adolf Frey under the direction of Mr. Warren Hohl. Mrs. Dan Wallace will sing the soprano solo of Charles Gounod, "O Divine Redeemer" with a violin obligate by Mr. Brock Dale. The congregation will join in the musical portion of the program in the singing of the familiar church hymns: "O Worship The King," "O Happy Day," and "O Jesus, I Have Promised."

At 7:30 p. m. an informal service of worship will be held in the sanctuary with an address by the Reverend E. B. Bowen. Miss Mildred Martin will be at the organ playing "Nocturne" by Chopin and "Songs In The Night" by Spinney.

The Junior High Methodist Youth Fellowship will meet for recreation and devotions Sunday evening at 8 p. m. The Senior High Methodist Youth Fellowship will hold their usual program of recreation and devotions following the evening worship service.

The First Methodist church is proud of its growth and expansion manifested by an attendance of 654 in the Church School last Sunday and an increase of 93 new members since the start of the busy Easter season.

A cordial invitation is extended to all members and friends of this church to attend the services this coming Sunday.

Benton Appears Before AP Body To Receive DSC

NEW YORK.—(AP)—William Benton, assistant secretary of state, appeared before the board of directors of the Associated Press Tuesday in connection with the AP's termination of its news service to the state department for shortwave broadcasting.

After the meeting Benton told newsmen: "They listened very courteously and attentively to my presentation for an hour. Then I answered questions for 45 minutes. I am very grateful to the board for having afforded me this opportunity."

Benton said the discussion dealt largely with the question of short-wave broadcasting and added there was nothing further he could say. This comment was made in the board's behalf.

As much that Secretary Benton discussed with members of the board was of a confidential nature, the board had no statement to make."

Robert McLean, president of the Philadelphia Evening Bulletin, was re-elected president of the AP by the directors.

Norman Chandler of the Los Angeles Times was elected first vice-president and Edward E. Lindsay of the Decatur, Ill., Review, second vice-president.

Lloyd Stratton was re-elected secretary and Frank J. Starzel, assistant secretary. Robert Booth was elected treasurer. Booth, an employee of the AP for 10 years and auditor for the past five, succeeds L. F. Curtis, who retired.

The present executive committee was re-elected. Members are: McLean, Paul Bellamy, Cleveland Plain Dealer; Arthur Hays Sulzberger, New York Times; Frank B. Noyes, Washington, D. C. Star; Geo. F. Booth, Worcester Telegram; Paul Patterson, Baltimore Sun; Stuart H. Perry, Adrian, Mich., Telegram.

Forty percent of the fire losses on farms occur in farm dwellings, such fires causing \$40,000,000 worth of damage annually.

Series of Sermons Being Preached at Evening Services

"Heroic Characters of the New Testament" is the title of a series of Sunday evening sermons now being preached by Rev. Russell G. West at the Church of the Brethren. Last Sunday the series opened with a sermon on "Luke, the Beloved Physician." This Sunday at 8 p. m. the message will be "Timothy, the Faithful Preacher." Sunday morning the pastor will preach on the subject, "Weightier Matters of the Law."

FIC Breaks Records For Overseas Sales

WASHINGTON—Foreign liquidation commission report out soon will show that the FIC broke all records for overseas sales of aircraft and equipment during the weeks ending March 16. Aviation News reports. "Total sales, some cumulative from pending deals and including sales at the Miami Export Sales center, amount to \$21,000,000—more than the total to that time from V-E day."

A kettle drum is the only instrument of its kind that can be tuned to the key of the selection being played.

O's and A's on Rent Control

1. Q. Can a landlord demand a security deposit or payment in advance of more than the rent for one month?

A. Generally, no, unless the landlord requires a deposit or advance rent payment of equal amount on the rent date or has an approval order from the rent director. A landlord may get permission from the rent office to charge a deposit of not more than \$10, to secure the return of movable articles, if he can show a need for the security deposit.

2. Q. Can the rent office approve the rent before the premises are rented for the first time?

A. Yes, if a landlord requests it, a rent director may give a prior opinion before the premises are first rented. However, a landlord does not need to get the rent director's approval before renting the premises for the first time. The regulation does give the rent director the authority to reduce a first rent if it is higher than prevailing rent for similar premises on the maximum rent date.

3. Q. I want to sublet my apartment furnished. How much can I charge for it?

A. If this apartment has never been rented furnished before, you may set your own rent. You must then register this property, within

30 days, with the area rent office and the rent director may reduce the rent if it is higher than prevailing rent for similar premises on the maximum rent date.

4. Q. I am now paying the water, gas, and electricity bills and I would like to have the tenant pay for them. Can I do this?

A. Before you can make this change, you must petition the area rent office and secure permission. The rent director in these cases is authorized to order a reduction in the rent. However, when the property becomes vacant, the landlord may make such changes before renting to a new tenant, but he must notify the area rent office of these changes within 10 days.

5. Q. My landlord says he cannot secure replacements parts for refrigerator and other mechanical equipment. Can I get a decrease in rent?

A. You may file an application with the area rent office for a decrease in rent. Within 10 days of a decrease in such services the landlord must petition the area rent office for approval of such decreases.

North Texas Co-Eds Choose Ideal Male

DENTON.—(AP)—The ideal North Texas State college male has been found at last, after campus co-eds have searched for the past month.

By description he is reasonably handsome, quiet, refined, immobile in his moods and characteristics,

Friday, April 26, 1946 PAMPA NEWS PAGE 7  
dresses simply but neatly, never talks back or offers the least suggestion of argument. He is the recipient of the trials and tribulation of thousands who confess to him daily. His name is Rasputin Aloysius, the statue who graces the patio on Chilton dormitory.  
Harding was the first president of the United States who drove an automobile himself.  
First U. S. all-metal transport plane was the Stout "Pullman," built in 1924.

Annual XIT Reunion Slated June 22-24

DALHART—The Tenth Annual XIT Reunion in Dalhart based on the history of the famed three million acre XIT ranch which was in its heyday from 1885 to 1912—will be Saturday, Sunday and Monday, June 22-24. Heretofore it has been two days during the first ten days of August. Prime consideration in the change, directors said, was to get away from the sweltering late summer heat.
