

A TRAVELER STATED THAT THINGS SURELY LOOK GOOD IN NEW JERSEY. IT MIGHT BE SAID THAT OLD JERSEY CAN CREATE THE SAME EFFECT.

COAL CRISIS SHOWDOWN STAGE NEAR

U. S. To Declare Policy on Critical Veto Issue, Others

NEW YORK—(AP)—Egypt, long a contender against British forces within her boundaries, called on the United Nations today to guarantee the countries of the strategic Middle East against domination by the great powers.

In a speech before the U. N. assembly as the fourth day of general debate opened, Mohamed Hussein Keykal Pasha also called for condemnation of "the maintenance of military forces on the territory of any country without the specific consent of the government involved."

NEW YORK—(AP)—The United States, reversing a previous decision, today was reported determined to jump into the general debate in the United Nations assembly and officially declare American policy on critical issues developing here, particularly the veto fight.

Whether the American chief delegate, Warren Austin, would also touch on another U. N. hot potato—the demand by various nations for action against Franco Spain—appeared uncertain. Austin probably will speak Tuesday or Wednesday.

The British delegation, as learned meanwhile, is committed to try to swing the power of the assembly behind efforts to speed up the atomic energy commission's work on atomic controls, and arrival by the weekend of Foreign Minister Bevin may add impetus to this undertaking. Bevin sailed from Southampton, Eng., yesterday.

Secretary of State Byrnes also is due next weekend for the foreign ministers conference opening a week from today in London. The U. N. assembly, European peace treaties, Diplomatic informants speculated that Byrnes and Bevin would get together quickly on strategy for countering a Russian proposal to the U. N. assembly that they be required to deposit their troops in foreign countries.

Foreign Minister Molotov is already here and, with other members of the Soviet delegation is the center of heated speculation over whether Russia may be developing a more "conciliatory" or "cooperative" attitude toward working with the Western powers on grave international issues.

Deputy Foreign Minister Andrei Y. Vishinsky and Ambassador Nikolai V. Novikov yesterday headed a five-man Russian group which participated along with other U. N. delegates in a solemn pontifical high mass in St. Patrick's cathedral on fifth avenue.

The Soviet and all other delegations had been invited to the mass "to invoke divine guidance upon the deliberations of the general assembly" several days ago, in the name of Cardinal Spellman.

Against this background of hopes, speculations and forecasts going the rounds of the 51 national delegations gathered here, the assembly went into its second week today with a packed calendar of 10 speeches and several committee meetings. Among the countries to be heard from were two of the Big Five—France and China.

Representative of Egypt, Saudi Arabia and Syria are among the scheduled speakers today, and some possibility was seen that one of the trio might raise the highly touchy question of Palestine.

San Antonio—Joe Farnsworth, Jr., 19, San Antonio mechanic, was fatally injured as the light truck he was driving yesterday collided with a car operated by William Harris, 34, Farnsworth was San Antonio's 50th traffic fatality of the year.

Houston—James E. Gomer, 16, was killed when the car he was driving collided yesterday with another vehicle. He was a Houston high school student. Another student, Earl M. Smart, 21, of Gomer, was injured when the car he was driving struck a tree on Saturday.

Westaco—Armando Villareal, 40, was killed when the car he was driving struck a tree on Saturday.

Government Men Score Surprise

PEIPING—(AP)—Wily Gen. Tu Li-ming scored one of the biggest surprises of the civil war today by launching a two-pronged offensive against Chinese government troops in Manchuria, in a move to control the entire south Manchurian coast and cut off the Chinese communists from support by sea.

The nationalists and everyone else expected General Tu to resume his northward advance toward Harbin in central Manchuria. But instead he sent two armies southward down the Liaoning peninsula from Inshan and Antung to catch the enemy napping. icy weather in the north may have dictated the change in strategy.

Both prongs were approximately 200 miles from Dairen, the big seaport 30 miles from the Russian naval base of Port Arthur.

Capture of Dairen probably would pose international complications because of the area, have reported the city full of Soviet troops, and there was a question whether in that case nationalist troops would be welcome.

There was no indication here how many Chinese communist troops occupying the city.

Entry of the generalissimo's forces into Dairen could well bring about another tense occupation situation such as existed early this year at Mukden, where both Soviet and Chinese government authorities sought to run the city.

The nationalists severed the communists' overland supply route between north China and Manchuria in their vigorous north China offensive which culminated in the capture of Kaihan, Now General Tu's troops, in concert with a government attack on Chefoo, at the tip of the Shantung peninsula in north China, threatened to sever the reds' sea route.

Most of the 350,000 communist troops now in Manchuria were transported in junks across the strait from Chefoo to the south Manchurian coast.

NUERNBERG BARTER CENTRALIA, Ill.—(AP)—S/Sgt. Robert E. Copeland has sent home autographs of the late Nazi war criminals, explaining that he traded one cigarette each for signatures of Herman Goering and others.

Sgt. Copeland was a guard at the Nuernberg trials.

NATION'S COAL BIN RUNS LOW—Because of the coal mine strikes of last April and May, the nation's stockpiles are too low to stand another protracted walkout. The charts above show their status, according to the Sept. 1 report of the Solid Fuels Administration. Retail coal dealers, facing winter demands of homeowners are worst off.

Ten Persons Die Result Week End Traffic Accidents

Ten persons died in Texas over the weekend as a result of traffic accidents and another received fatal gunshot wounds while on a hunting trip.

Two deaths each resulted from accidents at Bell and Houston, while other fatalities were recorded at Abilene, Odessa, Clarkwood, Westaco, San Antonio, Bay City and Dallas.

The accidents included: Abilene—Mrs. Dolly Whit of Abilene died last night from injuries received when struck by an automobile as she was crossing a street.

Bay City—Earl Martin Hult, 53, prominent Bay City rice farmer, was accidentally shot to death as he crawled under a fence yesterday while on a hunting trip.

Dallas—Charles Pearl Jones, Jr., 11, Negro, was killed and Andrew Mitchell, 12, Negro, critically injured last night near Lancaster, Dallas county.

San Antonio—Joe Farnsworth, Jr., 19, San Antonio mechanic, was fatally injured as the light truck he was driving yesterday collided with a car operated by William Harris, 34, Farnsworth was San Antonio's 50th traffic fatality of the year.

Houston—James E. Gomer, 16, was killed when the car he was driving collided yesterday with another vehicle. He was a Houston high school student.

Westaco—Armando Villareal, 40, was killed when the car he was driving struck a tree on Saturday.

HST Again Asks Immigration of Jews to Palestine

WASHINGTON—(AP)—President Truman has sent a message to King Ibn Saud of Saudi Arabia reiterating his belief that steps should be taken to insure the immediate substantial immigration of refugee Jews into Palestine.

He told the Arab leader that he could not agree with the latter's statement that "here was inconsistency in the American position."

With regard to the possibility envisaged by your majesty that force should be used to bring about an aggressive scheme against the neighboring Arab countries, I can assure you that this government stands opposed to aggression of any kind or to the employment of terrorism for political purposes. I may add, moreover, that I am convinced that responsible Jewish leaders do not contemplate a policy of aggression against the Arab countries adjacent to Palestine.

The President said he still adhered to the belief, "widely shared by the people of this country," that nothing would contribute more effectively to the alleviation of the plight of homeless Jews "than the authorization of the immediate entry of at least 100,000 of them to Palestine."

In a letter released by the White House he reminded the Arab leader that no decision has been made on this proposal which he submitted to Prime Minister Attlee of Great Britain more than a year ago.

In the interim, he said, "it is only natural" that this government should favor "as this time the entry into Palestine."

Farm, Building Laborers Needed

Labor continued at a high tempo during October, L. P. Fort, manager of Pampa USBS office, announced this morning.

Fort said that office records show the local office has placed 382 people on jobs so far this month, with orders for construction laborers and farm laborers leading the list of vacancies filled.

Orders for farm laborers are received directly from the county agricultural agents. Such orders have been greatly accelerated this month due to general rains and the harvesting of feed crops.

All types of labor, skilled and unskilled, flowed in during the month. A resume of the local employment office activities, Fort said, shows that the month started with 96 unfilled job openings, received an additional 480 and placed 382 orders. At the present time there are 203 unfilled openings on file.

Openings unfilled at the present time consist of road construction laborers, building laborers, railway laborers, general mechanics, automobile mechanics, stenographers and domestic help, Fort said.

Battleflag of U. S. S. Texas Given to Texas Memorial Museum Navy Day

AUSTIN—(AP)—A battleflag of the USS Texas reposes in the Texas memorial museum today following Navy Day presentation ceremonies here yesterday in which navy, marine corps and state figures participated.

The presentation was made by Col. Lewis B. Puller, USMC to Senator-Nominate Fred Harris of Dallas, who accepted the flag on the behalf of the state. He in turn presented the flag to Dr. E. H. Sellards, director of the Texas memorial museum.

A navy veteran and hero survivor of the aircraft carrier Franklin, Sen. Harris charged Dr. Sellards to preserve the flag "with other Texas relics in our great museum so that all who ever gaze upon its beauty will be conscious of our appreciation of a great ship that so courageously bore our name to glory in the greatest fleet in the world—the United States Navy."

Communists Win In Bulgarian Elections

SOFIA, Bulgaria—(AP)—The communist-dominated fatherland front was reported by the government today to have won 296 assembly seats to 83 for the united opposition parties in returns from 59 districts in the Sunday elections.

The assembly will have 465 members and thus the fatherland front already was assured a working majority.

The announcement said most of the candidates elected were of the workers' party (communists).

In Sofia, complete returns gave the fatherland front parties 277,323 votes to 95,535 for the united opposition, election officials said.

Of the parties in the fatherland front, the communists (workers) were said to have polled 141,942 votes.

The election marked the first outright opposition challenge of the fatherland front's two-year rule.

Sofia radio, in a broadcast recorded by CBS in New York, said the fatherland front "show a crushing victory of the fatherland front over the opposition," with the workers' (communists) party "easily leading over all the rest."

Sixty percent of the eligible voters were reported to have cast ballots in the Pleven region, 75 percent each in the Varna and Gorna Djourma regions and 95 percent in the Svoge region.

Provisional President Vassil Kolarov, a workers' party leader, told correspondents: "I personally witnessed some polling stations and witnessed complete order."

An opposition spokesman said that up to 3 p. m. yesterday no complaints had been received about the conduct of the election.

Newsmen who visited a number of polling stations found ballots of all parties, both of the fatherland front and the opposition, at the disposal of electors.

Voters—about 4,000,000 were eligible—cast secret ballots for 55 members of the national assembly of the new republic, proclaimed on Sept. 15 after a plebiscite deposed King Simeon II.

Twice in the weeks preceding the election the American representative on the allied control commission for Bulgaria—representing the U. S., Britain and Russia—had proposed and the Russian had rejected measures to guarantee a free and fair election.

Mayor Directs Picking of Five Days Of Garbage During Collectors' Strike

NEW ORLEANS—(AP)—Mayor DeLoach S. Morrison and other city officials donned old clothes today to direct a crew of volunteers in picking up five days of garbage left stranded on the sidewalks by a strike of garbage collectors.

The youthful mayor and property tax collector, who had announced that 45 motor vehicles would be used by the volunteers who were requested to report in old clothing. The city will furnish the necessary gloves.

Meanwhile, the New Orleans joint board of Textile Workers' Union of America, CIO, condemned the volunteer program suggested a meeting of CIO locals today to protest the action.

Morrison and Holard emphasized that the move to collect the five-day accumulation of refuse by volunteers was "purely a civic proposition" pending recruitment of employees by the department of civil service.

Rev. E. B. Bowen Transferred to Elk City, Okla.

The Rev. E. B. Bowen, pastor of the First Methodist church here for the past five years, has been transferred to Elk City, Oklahoma, as superintendent of the Elk City district of the Western Oklahoma conference, it was announced today.

Rev. Bowen, who came to Pampa in 1941, will assume his duties at Elk City immediately, his transfer coming only one week prior to the annual conference of the Northwest Texas area, which will be held here beginning November 6.

His transfer to the Western Oklahoma conference comes 33 years after he was appointed to his first pastorate in Pampa, which was after receiving his degree at Southwestern university, Georgetown.

Rev. Bowen left for Elk City yesterday and will return here later this week before he and Mrs. Bowen leave to make their home there.

A native of Dallas, Rev. Bowen served at various towns in the Northwest Texas conference after leaving Oklahoma. Prior to coming to Pampa he served as district superintendent at Sweetwater and Stamford.

He succeeded Dr. W. M. Pierce at the local church. The latter is now district superintendent at Vernon.

Rev. Bowen's appointment as superintendent at Elk City was made by Bishop Angie Smith of the Western Oklahoma conference and approved by Bishop Charles C. Selmon of the Northwest Texas conference.

Rev. Bowen's successor will be named at the conference meeting here next week.

4 Handicapped Vets Seeking Jobs

The aftermath of "Employ the Handicapped Week" has developed no critical employment problems in the Pampa area, according to L. P. Fort, local USBS manager.

This morning Fort said that the local campaign to seek out and assist the physically handicapped persons in and around Pampa, had uncovered 40 persons who have shown a desire to follow through on aid offered during the week.

"These people are being kept foremost in mind as a placement possibility," Fort said. "The problem of placing our handicapped people is not an open and shut case. Simply because the week set aside for the program is past and does not mean that the need is remedied. We must be continually on the alert for these people's difficulties and be ready to help them whenever possible."

Fort added that he wished to take this means of thanking all individuals, merchants, businessmen and companies for their "splendid cooperation in helping this program to be a complete success."

Absentee Ballots Now Available

Qualified absentee voters have only five days to cast their ballots for the general election and leave them in the offices of County Clerk Charlie Thurman. It was announced from that office this morning.

That said that November 1 is the deadline for all absentee ballots on the general election to be placed in the care of his office and November 3 the deadline for all absentee election absentee ballots to be turned in.

Thurman advised all persons who expect to be away from home during these two elections to secure their forms at his office, fill them out and turn them in before the specified date. Those persons who are now out of town may write into the county clerk's office for their forms, fill them out, and return them immediately in order to get their votes before the absentee voting deadline.

Only two absentee ballots have been returned so far. Both are ballots for the general election. Thurman said.

EXPERTS SAGGED—ASTORIA, Ore.—(AP)—Coast guardsmen were incredulous when they were rousted out to free the schooner Columbia from a river bar. The schooner carries only river pilots, who meet all ships to pilot them across the treacherous Columbia river bar. Among those aboard was a veteran of 20 years piloting.

SMALL NATIONS OPEN VETO DEBATE—Dr. Francisco Castillo Najera, left, chief Mexican delegate to the U. N. general assembly meeting in New York, who opened general debate voicing small nations' opposition to "indiscriminate" use of the Big Five's veto power in the security council, discusses a point with Adolfo Costa Durales, head Bolivian delegate.

Crews Returning to Ships in N. Y. Port

NEW YORK—(AP)—Captain A. E. Oliver, co-chairman of the negotiating committee of the Masters, Mates and Pilots association (MMPA), announced this morning that the union's pickets would be withdrawn at 12 noon (EST) from New York City piers, where the strike began Oct. 1.

Captain Oliver also announced that masters of ships were being cleared to return aboard ships immediately.

The masters will be followed by men who have signed for voyages and then by the general membership.

Oliver made his announcement on withdrawal of pickets before a meeting of operators had been completed by union members in 12 East and West Coast ports.

The trend of the balloting, Oliver said, indicated a favorable outcome and warranted the end of picket lines.

"Our main interest is to get the ships going," Oliver asserted.

He said picketing would continue on ships of West Coast operators who have not yet reached an agreement with the union.

More than 400 vessels are tied up in the port of New York by the strike. A total of 1,181 ships are at anchor in East and West Coast ports. Some of these are expected to sail tomorrow.

The agreement with the AFL union provides a 15 percent wage increase and preferential hiring for union members.

The basis monthly wage on Liberty ships now will be \$581 for masters and \$205 for fourth mates as compared to the previous \$505 and \$170.

Speakers to Back Good Roads Drive

A series of radio and civic club addresses backing the Texas Good Roads movement has been arranged here by Quentin Williams, chairman of the speakers division of the Gray county organization.

Russell Chisholm is scheduled to speak at the regular weekly luncheon of the McLean Lions club tomorrow.

Local civic club addresses will be given by Fred Shrock at the Rotary club Wednesday and by Dr. N. L. Nicholl at the Kiwanis club meeting Friday.

In addition, talks over Radio Station KFDY will be given Thursday night at eight o'clock by Hugh Peoples, Friday at eight by Williams and Monday night at 7:45 by Joe Fischer.

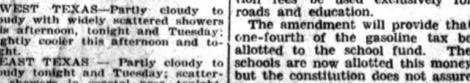

The proposed amendment, to be voted on in the general elections a week from tomorrow, provides that all gasoline taxes and auto registration fees be used exclusively for roads and education.

The amendment will provide that one-fourth of the gasoline tax be allotted to the school fund. The schools are now allotted this money but the constitution does not assure it. Schools will also benefit in that the money from gasoline tax and registration fees will be used to a large extent on rural roads, including school bus routes.

OKLAHOMA—Considerable cloudiness tonight, cooler Panhandle tonight, low temperature 41 in Panhandle to 64 in remainder of state. Tuesday cloudy with occasional showers in east, partly cloudy west and cooler.

Harvesters Face Unbeaten North Side Saturday Night

Favorites Are Pronounced in All Districts

By HAROLD V. RATLIFF
Associated Press Sports Editor
The Texas schoolboy football campaign rattles into November with only eight undefeated, untied teams but with favorites pronounced in all of the sixteen districts.

This week really starts the championship grind with all districts having conference games.

The downfall of Wichita Falls and Galveston featured last week's play and showed Highland Park (Dallas) loser of two games by one-point margins. Into the top tier of state rankings.

Highland Park, which fell to Sherman and Marshall, walloped highly-rated Wichita Falls 20-0. Meanwhile, Graham was pushing its way into the favored spot in District 2 by crushing Electra 35-0, a team Wichita Falls beat by four touchdowns.

Galveston was eased 7-6 by Orange which took over the leadership in District 14. Galveston outplayed Orange but couldn't score them.

The list of undefeated, untied teams in the state now reads: Borger, Graham, Odessa, Sherman North Side (Fort Worth), Marshall Orange and Austin. In addition to Galveston, Brackenridge (San Antonio) also tumbled but this was expected. However, the Eagles played losing 21-14 assuring trouble ahead for the Maroons when they meet Tohas Jefferson, San Antonio next week. Jefferson, the critics say, is stronger than Brackenridge.

With the toppling of Wichita Falls there are five teams left without defeat but which have been tied. They are Pasadena, Sweetwater, Laredo, Thomas Jefferson and Lamar (Houston).

Few of the unbeaten teams appear in danger this week. In the first place Graham, Odessa, Austin and Thomas Jefferson do not play. Laredo appears to have the toughest row, meeting once-beaten but still powerful Corpus Christi.

As the field swings into the November stretch the district favorites look like this:

1-Borger, 2-Graham, 3-Odessa, 4-Ysleta, 5-Sherman, 6-Highland Park, 7-North Side, 8-Sunland (Dallas), 9-Brackenridge, 10-Waco, 11-Marshall, 12-Lurkin, 13-Lamar, 14-Orange, 15-Austin, 16-Brownsville.

GRADE SCHOOL TILT
McLEAN—(Special)—The McLean grade school boys football team defeated the Groom grade school boys in a game played Thursday afternoon here, 21-13.

It is illegal for a woman in Owensboro, Ky., to buy a new hat without her husband trying it on first.

The number of white collar workers in the U. S. grew from under 15 percent of the working force in 1910 to almost 24 percent in 1940.

East Texas League Splits; Two Loops Will Be Formed; Price Named Prexy

KILGORE—(P)—Four teams, Tyler, Henderson, Jacksonville and Lufkin, have withdrawn from the East Texas baseball league and will join four other city representatives, Kilgore, Marshall, Longview and Bryan, to form the lone star league next year.

The action was taken here yesterday at a meeting of East Texas league officials, the meeting being attended by representatives of seven cities that did not participate in the circuit's operations this year.

The four remaining teams of the East Texas group, Sherman, Paris, Texarkana and Greenville, will be joined in the 1947 campaign by Waco, Corsicana and Wichita Falls. An eighth member if planned with El Dorado, Ark., Temple and Grand Prairie being mentioned as possibilities.

J. Walter Morris of Shreveport, La., and Dallas and J. Malcolm Crane of Kilgore were named president and vice-president of the East Texas league, while Milton Price of Dallas, president of the West Texas-New Mexico league and secretary of the Texas league, was named president of the new Lone Star loop.

East Texas officials plan to operate during 1947 as a Class B league, while Lone Star officials plan to play Class C classification.

The four league will limit each team to 11 players and a manager, players to include four class men, seven limited service and four rookies.

The East Texas group also voted authorization of a chief umpire. An appraisal committee was named to evaluate the Jacksonville franchise and associated properties.

Jacksonville citizens committee will then be given an opportunity to purchase the property at the price set by the evaluators. The request for the committee was made by Pat Price, present owner of the franchise.

LOTS ALL BROTHERS
Lufkin, which relinquishes its place on the Army schedule to Virginia Tech next season, would like to book another big game in New York each fall—Marine Podoloff, five-foot two-inch head of the Basketball Association of America admits, it sometimes is embarrassing for a guy his size to be in a business where a six-foot-two man is called a "guy."

Shamrock Jaycees to Sponsor Movie for Irish Band Uniforms

SHAMROCK—(Special)—The Shamrock Junior chamber of commerce will sponsor a show at the Texas theatre on Friday, November 11th proceeds to be turned over to the Irish band for the purpose of buying new uniforms.

R. R. Brown is donating the material and evening shows for the worthwhile cause and Jaycees are selling tickets for 50c for adults and 25c for students. On the screen will be "Black Angel."

Q—Where does most of our buck wheat come from?
A—New York and Pennsylvania often produce as much as two-thirds of total harvest. U. S. crop this year is estimated at 7,000,000 bushels.

Q—How long has Iran been known by that name?
A—Since 1935. It was formerly Persia, from Persis, as the Greeks called the southwestern district of Pers. Pers is now known as Pers.

Q—How much rayon cord goes into a 10-00-20 truck tire?
A—Sixteen miles.

Q—What is the air-mail rate to Canada and Mexico?
A—As of Oct. 1, 5 cents an ounce, reduced from 16 cents.

Q—What is a piranha?
A—So-called "man-eating" fish of South American rivers. Six to 10 inches long, equipped with large, strong teeth, they attack in large numbers any creature that disturbs them. Dogs, hogs and even cattle have been devoured by these voracious little monsters.

A five-room house built of laminated plastic panels weighs one ton; a conventional house of this size weighs 40 tons.
Brushes made from the leaves of yucca, New Mexico's official state flower, were used by prehistoric Pueblo Indians to paint designs on their pottery.

Three Regulars To Be Back in Uniform After Missing Practice

By SCOTT RAFFERTY
Playing the last of three undefeated teams on their 1946 grid schedule, the Pampa Harvesters are getting set for their Saturday night invasion of Fort Worth, where they will play the powerful North Side Steers, defending District 7 champions.

North Side, winner of five straight games, has had its goal line crossed for only 14 points, while the Harvesters, hampered by injuries and lack of experience, have won two of their five games, two of the losses being to Sweetwater and Borger, unbeaten West Texas powers.

Veterans Tangle Tonight at 8:00

Most of them out of football since as far back as 1940, 32 Pampa veterans (all of them former Harvesters) will exhibit their football knowledge tonight at eight o'clock at Harvesters park.

Jerry Kerbow (1942) will lead his "Gold" against Basil Arnold (1941) and his "Greens" in what is expected to be a high-scoring duel.

Members of Kerbow's squad are: Gene Robbins, Bob Myers, Alfred Myers, Ray Redman, Jack Waters, A. C. Enloe, Kenneth Beazley, Charles Winborn, John Chesler, Jake Hopkins, John Paul McKinley, Bill Lecruaty, Billy Kuehl, Larry Fuller and Louis Allen.

On Arnold's squad are: Leonard Hollis, James Enloe, John Thompson, R. L. Edmondson, Don Meador, Jack Morris, John Cornett, Elmer Bird, Chuck Hogan, Bob Edson, Dick Bynum, Harry Kerbow, James Hart and Earl Snyder.

Expected to start at ends for the Steers will be Bob Easley (160) and Doyle Reynolds (175). Both are outstanding pass receivers.

Two 100-pound tackles will bolster the line. Chubby Johnson, all-district beater from last year, will be at left tackle while Bob Vann will be at right tackle. Johnson is a great offensive player.

At center will be Wendell Potet, considered one of the top candidates for all-state and all-district honors. Potet, weighing 172 pounds, will be locking horns with Capt. Maurice Lockhart, Pampa's only regular from last year and one of the finest centers in this area.

Five "starters" make up the Steer backfield. Wally Hooper, 170-pounder is at fullback. Hooper is great punter and line-backer and is the team's captain.

Yale Lary, at 165 pounds, is quarterback, or tailback on the single and double wing formations employed by the Steers. Lary does the kicking and punting and is a great broken field runner.

At right half is Bill Bumgarner, 165-pound track star and the team's leading ground-gainer, specializing in plays off the line.

Two players, Bob Reed and Jim Brewer, alternate at left half. Brewer, a great blocker, is a bruising 205-pounder of the Doc Blanchard variety and can always be depended on for short gains through the center of the line.

Unbeaten Penn tackles Princeton in an Ivy League game in the East, and Harvard hopes to remain in the select class by knocking off stubborn Rutgers.

The Far West presents three important games, headed by the UCLA-St. Mary's tussle Friday night. On Saturday, Southern California meets Oregon and Stanford tackles Oregon State.

While Rice's victory over Texas rated as the week's most amazing upset, Wake Forest was trimmed by North Carolina State. Last Saturday N. C. State itself suffered its first loss of the season to twice-beaten and twice-tied Virginia Tech 14-6.

Northwestern remained unbeaten by crowning College of the Pacific 26-13; Oregon beat Idaho by the same score, and North Carolina whipped Florida 40-19.

Under the heading of mild upsets were such results as Mississippi 9, Arkansas 7; Southern Methodist 17, Missouri 0; Illinois 13, Michigan 9; West Virginia 13, Syracuse 0; King's Point 7, Fordham 6, and Cincinnati 18, Michigan State 7.

In other major games, Southern California beat Stanford 28-20; Oregon State nosed out Washington State 13-12; Louisiana State licked Vanderbilt 14-0. Mississippi State tripped Tulane 14-7, Cornell 7.

Both the Razorback-Aggie and Mustang-Longhorn tilts should be thrillers.
In Buryl Baty the Aggies have found a passer to bolster their offense. Baty threw two touchdowns, passes to back Mann Scott against the Bears.

Arkansas has a good ground attack and can hold its own when it comes to aerials.
S. M. U. will be a serious threat to Texas. Strong defensively since the campaign got underway, the Mustangs are now using the passing ability of young Frank Payne as the needed spark on defense.

Veterans Vocational Training Discussed
McLEAN—(Special)—Veteran vocational training was discussed at the legion meeting here last week. W. L. Lewis, Jr., T. L. Leach and Zane K. Brewer of Lubbock were the guest speakers.

It was announced that vocational training could be obtained if a sufficient number of veterans would on one type of schooling.

Three general types of training were reported available: agriculture, trades and industry, and distributive education.

About 100 persons attended a chili supper which was served at the Lions hall following the meeting.

Army, Notre Dame Lead Parade As Season Enters Final Month

By JOE REICHLER
NEW YORK—(AP)—Army and Notre Dame, still immune to the "upset epidemic," led the parade today as the college football campaign headed into its final month. With UCLA, Pennsylvania, Georgia and Harvard they remained the only undefeated, untied major eleven.

Army made 14 straight with a 19-0 win over a stubborn Duke team; Notre Dame cracked its Iowa jinx by blasting the Hawkeyes 41-6; powerful Penn rolled over Navy 32-19; UCLA's Bruins moved a step nearer to the Rose Bowl with a 33-7 romp over Santa Clara; Georgia pulverized Furman 70-7 and Harvard squeezed by Holy Cross 13-6.

Three teams—Texas, Tennessee and North Carolina State—boasting untarnished records up to last Saturday, fell by the wayside. Northwestern, Oregon and North Carolina U. each tied once, remained unbeaten.

Unless they are bitten by the upset bug next week, Army and Notre Dame will present spotless teams when they meet at the Yankee stadium Nov. 9. Each enjoys a comparative by other next Saturday, the West Pointers tuning up with twice-beaten West Virginia and the Irish engaging the below-standard Navy midshipmen, who have dropped four in a row since their opening game triumph. Army has won six games and Notre Dame four.

The pigskin spotlight next week will center on the South where the Georgia Bulldogs take on Alabama. The Crimson Tide, Rose Bowl champions, bonding back from an unexpected defeat by Tennessee with a 21-7 win over Kentucky last Saturday, will provide the sternest test yet encountered by Georgia, which has knocked off five foes in a row.

Southeastern fans also will be treated to fine games in Durham, N. C., where fast-rising Georgia Tech tangles with the Duke team which gave Army some anxious moments, and in Knoxville, Tenn., where the one-beaten Tennessee Vols attempt to hang the first defeat on North Carolina.

In the Southwest, Rice and Texas A. & M. tied for the conference lead, take on Texas Tech and Arkansas, respectively, in a pair of games that may scramble the standings. Texas, victim of a winless 18-13 upset by Rice's fighting Owls, tries to regain some of its fading glory against formidable Southern Methodist.

Little Cincinnati, the David of the football Goliaths, seeks its fifth win in six games at the hands of the highly favored Tulsa Golden Hurricanes.

The Big Nine dominates the Midwest section. Illinois, aiming at the conference championship after a dismal start, takes on Iowa. Michigan attempts to return to the win column against Minnesota. Ohio State, finally looking like the powerful team it had been cracked up to be, meets Northwestern, with only a tie to mar its otherwise spotless five-game record, and Wisconsin plays Purdue. Indiana clashes with Pittsburgh in an inter-sectional game.

Unbeaten Princeton in the Ivy League game in the East, and Harvard hopes to remain in the select class by knocking off stubborn Rutgers.

The Far West presents three important games, headed by the UCLA-St. Mary's tussle Friday night. On Saturday, Southern California meets Oregon and Stanford tackles Oregon State.

While Rice's victory over Texas rated as the week's most amazing upset, Wake Forest was trimmed by North Carolina State. Last Saturday N. C. State itself suffered its first loss of the season to twice-beaten and twice-tied Virginia Tech 14-6.

Northwestern remained unbeaten by crowning College of the Pacific 26-13; Oregon beat Idaho by the same score, and North Carolina whipped Florida 40-19.

Under the heading of mild upsets were such results as Mississippi 9, Arkansas 7; Southern Methodist 17, Missouri 0; Illinois 13, Michigan 9; West Virginia 13, Syracuse 0; King's Point 7, Fordham 6, and Cincinnati 18, Michigan State 7.

In other major games, Southern California beat Stanford 28-20; Oregon State nosed out Washington State 13-12; Louisiana State licked Vanderbilt 14-0. Mississippi State tripped Tulane 14-7, Cornell 7.

Both the Razorback-Aggie and Mustang-Longhorn tilts should be thrillers.
In Buryl Baty the Aggies have found a passer to bolster their offense. Baty threw two touchdowns, passes to back Mann Scott against the Bears.

Arkansas has a good ground attack and can hold its own when it comes to aerials.
S. M. U. will be a serious threat to Texas. Strong defensively since the campaign got underway, the Mustangs are now using the passing ability of young Frank Payne as the needed spark on defense.

Veterans Vocational Training Discussed
McLEAN—(Special)—Veteran vocational training was discussed at the legion meeting here last week. W. L. Lewis, Jr., T. L. Leach and Zane K. Brewer of Lubbock were the guest speakers.

It was announced that vocational training could be obtained if a sufficient number of veterans would on one type of schooling.

Three general types of training were reported available: agriculture, trades and industry, and distributive education.

About 100 persons attended a chili supper which was served at the Lions hall following the meeting.

Jess Neely's Optimistic Statement In September Was First of Its Kind

HOUSTON—(AP)—The only time within the knowledge of the sports writers that Tactician Jess Neely ever issued an optimistic statement about his football squad came last September.

"I will have the greatest team I ever coached," the tall Rice mentor said. He tempered it with "but everybody is going to have a great team too."

Yet the fact that Silent Jess went that far—and the knowledge that he has had some mighty fine elevens in 22 years of coaching should have cushioned the boys for what happened Saturday when Rice outplayed Mighty Texas—the team they all picked not only to win the Southwest conference championship but to go through undefeated.

Rice beat Texas 18-13 and even Texas adherents admitted it was an artistic trouncing.

Neely has been doing things with football predictions in the Southwest ever since 1940 when he was hired as Rice coach after his own team defeated Boston College in the Cotton Bowl.

Whether he had good material or not Jess fashioned a ground game that became Rice's trademark in the Southwest. He might be beaten badly in September but down the stretch he always had a team that either was ranked as the best or as good as any eleven in the league.

Neely is one coach who hasn't been on the spot in this conference although he hasn't won a championship. In 1943, when he had his worst season, winning only three games and losing to Texas 58-0. Rice trustees voted him a new contract of five years—something that before his first contract had expired.

Jess' reticence usually is the despair of the sports writers. He tells them to just figure out for themselves what his team will do. Thus, Vols attempt to hang the first defeat on North Carolina.

Texas Today

By JACK BUTLEDGE
AP Staff Writer

Animal crackers: Someone ought to notify the animal kingdom that man dominates this earth. In Texas, some of the animals are getting out of hand.

For example, down in Harlingen a coyote attacked Johnny Casper, Oklahoma lives at a hotel. As he walked up the front porch, the Coyote leaped at him. He had to summon help. Charlie Reese, city jailer and poundmaster, shot the animal.

In Hillsboro, Mrs. R. A. Matthews was bitten by a squirrel. She was burning trash when the squirrel jumped off a fence, bit her twice on the arm. She knocked it off, and a pet cat tried to come to her rescue. The squirrel chased the cat away, howling. Joe Ed Matthews, Mrs. Matthews' son, finally killed it with a rock.

And in Brownsville, a rattlesnake delayed the march of progress. The rattler was in an old control tower at the international airport, it was to be razed. H. H. Hoagland climbed into the tower, saw the snake, and fled. Work was delayed until the rattler could be cleared out. A day or so.

It's things like that that make people cynical. Such as, for example, the woman who was looking at the lovely and reamy bayou scene in the new Walt Disney movie, "Make Mine Music."

"But there are snakes in there," she commented.

An animal was born in Lufkin, which looks like a dog, cries like a cat, has feet like a panther, and ears a tail of a pig. The animal was shown by Mrs. O. D. Brett of Burke. It was born on the Brett farm. A brood sow gave birth to it, along with a little of 10 normal pigs.

The animal, still alive and being fed cow's milk, is called a "hog-at" for want of a better name.

Joe Gonnels, hunting near Trinidad, killed a snake which was a very rare thing. Lest recalled in the neighborhood was killed in 1875. It had pink eyes.

Get Welcome Relief From Stomach Gas, Sour Food Taste

Do you feel bloated and miserable after every meal? If so, here is how you can rid yourself of this nervous distress. Thousands have found it the way to be well, cheerful and happy again.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles, else the food may ferment, sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restlessness, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is a most effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional and certain food particles, else this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions have been sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Stronger Health.

Hopkins P-TA Hold Meeting For Study

A study course sponsored by Hopkins P-TA furnished the theme when the group met last Thursday in the community hall with Mrs. R. C. Mason in charge.

Talks were given and open discussion was held. Those taking part on the program were Mrs. W. B. Burgess, who spoke on "Your School Child Needs Your Help"; Mrs. Clyde Chism, "But My Teacher Says"; Mrs. Ralph Irwin, "Back Talk"; Mrs. R. W. Orr, "Religion and Our Children."

There were eleven members present. The next meeting will be held October 31 at 2 o'clock. The meeting is open to the public.

First Baptist Young People Have Banquet

Friday night the young people's department of the First Baptist church were entertained at a Friendship banquet.

Autumn colors were used in the decorations and in the centerpieces of dahlia and chrysanthemums, which were flanked by tall white tapers in double candleabra.

Mrs. Burton Reynolds, toastmistress, presented the following program to sixty-nine guests: invocation, Don Egerton; welcome, Mrs. Virgil Mott; vocal selections, Earl Rogers; duo-piano selections, Eloise Lane and Mrs. Mott. The principal address, "Friendship" was given by Earl Rogers, Borger.

The meeting closed with a candle light benediction.

Training Course Is Completed

McLEAN—(Special)—Forty-two persons attended the final training course program of the Baptist Training Union at the church Thursday night. The courses were given under the direction of the pastor, Rev. W. R. Lawrence, and Mrs. R. L. McDonald.

He taught the training union methods to adults and young people; Mrs. B. L. Appling taught the manual to the intermediates; Mrs. Birdie Allen taught the juniors.

Refreshments of cookies and soda water were served in the basement, under the direction of Mrs. Murray Boston.

Alpha Omicron Group Have Barbecue

Gathering at Lake McClellan yesterday to honor the new rusher, Miss Ursula Jones, of the Alpha Omicron chapter were the following people who participated at the outdoor barbecue.

Mr. and Mrs. Herman Foster, Mr. and Mrs. C. J. Payne, Mr. and Mrs. Parks Brucher, Mr. and Mrs. Edward Clivens, Mr. and Mrs. Win. J. Ragsdale, Freda Barrett, Guy La-Mound, Mary Lane, Vic Joiner, Margaret Dial, E. J. Howard, Carolyn Holt, Tom Braly, ValBue Dyson, Champ Davis, Ursula Jones and Johnny Chisholm.

Following the barbecue the group gathered at the Lake McClellan club house for the program.

Helen Newman Honoree At Birthday Party

MOBETTIE (Special)—Mr. and Mrs. R. B. Leonard entertained Friday night, with a party honoring their granddaughter, Helen Newman, on her thirteenth birthday.

After the games were played refreshments were served to the following guests: Marie, Joyce, and Patsy McCauley, Byron and Edith St. John, Low Beck, Deltion and Quida Burke, Bill, Carl, and Ann Nell Alexander, Drew Goodwin, Beverly Caldwell, Gloria Dell Upchurch, Mr. and Mrs. Ransome Carter and daughters, Bernice and Mary, Mr. and Mrs. J. R. Patterson and daughters Madge and Marcella, Mrs. Allen Leonard and son Billy, Mr. and Mrs. Lester Leonard, Mr. and Mrs. Albert Newman and honoree Helen Newman, hosts Mr. and Mrs. R. B. Leonard, and Joe Fred and Roberta Leonard.

Halloween Party For Merton HD Club

Sponsored by the Merton Home Demonstration club, a Halloween party given Thursday night in the home of Mrs. E. E. Etheridge was a real success. Some thirty young people and the sponsors were present.

On the lawn was an open fire and a garage with a witch and fortune telling booth. Skeletons and pumpkins faces in feed stacks were features. A ghost welcomed the guests with cold wet hands. Prizes were awarded in apple bobbing and a contest of games and favors concluded the entertainment.

Refreshments of hot dogs, cakes, coffee, cookies and popcorn balls were served to sixty people.

Announcements

The primary department of the First Methodist church will have a Halloween party Wednesday afternoon from 4:00 to 5:30. Children may wear costumes.

The departmental teachers will be in charge. Mrs. Emmett Osborne recreational director will be in charge of the games.

Home-Mixed Syrup Relieves Coughs Quickly

Saves Big Dollars. So Easy! No Cooking.

A real surprise waits you, in your own kitchen, for the relief of coughs due to colds. You can easily mix a cough syrup that gives you about 4 times as much for your money.

Mix a syrup by stirring 3 cups of granulated sugar and one cup of water a few moments, until dissolved. Or you can use corn syrup or liquid honey, instead of sugar syrup. No cooking needed—it's no trouble at all. Money refunded if it doesn't please. They put 2 1/2 ounces of Pinex (ob-

New Auxiliary For Wives of Doctors Begins

Wives of members of the Gray County Medical association were entertained in the home of Mrs. Walter Purviance, with Mrs. Clifton High as co-hostess, for the purpose of reorganizing the Women's auxiliary of the State Medical association.

Mmes. Julian Key and Frank Kelley presided at the tea table.

Fall flowers and autumn leaves furnished attractive decoration.

The following committee were appointed to draft a constitution and by-laws for the auxiliary: Mrs. M. O. Overton, Mrs. Walter Purviance, Mrs. Frank Kelley, Mrs. Calyx Jones and Mrs. Julian Key.

This committee is to report at the next meeting of the group, when a nominating committee for new officers will be appointed. Meetings will be held the third Thursday of each month at 7:30. The next meeting will be with Mrs. Clifton High. The following guests from Amarillo attended: Mmes. E. Klingensmith, A. J. Streit and Howard Puckee.

Bridal Shower For Mrs. Al Ferguson

MOBETTIE (Special)—A "Come and Go" bridal shower was given in honor of Mrs. Al Ferguson on Friday at the home of Mrs. Will Powers, Mrs. Powers and Mrs. Dwayne Williams acted as hostesses. Punch, jelly, and sandwiches were served.

Those attending and sending gifts were Mesdames Beth Pearl Ferguson, Edwin Zell Godwin, Wheeler Carwhite, Kenneth Walker, Leon Jenkins, Wallace Robison, K. S. Course, Fred Harris, Charlie Mixer, Laura Jeffus, Jeff Williams, Tommie Allen, Junior Petch, Guy Ward, J. W. Seitz, Raymond Johnson, Leroy Robison, Alice Johnson, Herk Atkin, Ranson Carter, H. H. Bonds, Aubrey Ruff, Mammie Patterson, Elroy Patton and Mrs. W. E. Gaines, Shell Gully, Calvin Hogan, Henry Flanagan, Frank Mate, N. J. Tyson, John Wright, Walter Coward, Audrey Alexander, Floyd Hunter, Joe Thompson, John Mackie and Miss Lou Bleck, Evelyn Robison, La Rue Flanagan, Francis Ford, and the hostesses Mrs. Will Powers and Mrs. Dwayne Williams.

Simpson Family Has Reunion at McLean

McLEAN (Special)—Family reunion was held at the home of Mr. and Mrs. Jim Simpson, just west of McLean, recently when all the children and grandchildren were present for the first time in 10 years.

Those present were Mr. and Mrs. Robert Howard and son, Don, McLean; Mr. and Mrs. Floyd Simpson, son, Jimmy Panhandle; Mr. and Mrs. Lloyd Simpson, son, Jerry Lloyd, Hobbs, N. M.; Mr. and Mrs. C. B. (Pat) Simpson, daughters, Flora Gene, and Barbara Ann; Mr. and Mrs. Cecil Simpson, McLean; Edward Simpson, Frederick, Okla.; W. C. Simpson, McLean; Frank Simpson, Lubbock; Pfc. Kenneth Simpson, being transferred from Chautauque field, to Alamogordo, N. M.; and Miss Jeanette Simpson, McLean.

A dinner was enjoyed, and a group picture was taken afterward.

Reapers SS Class Honors Class Member

The Reapers Sunday school class of the Central Baptist church gave a handkerchief shower at the home of Mrs. W. R. Morrison honoring Mrs. A. F. Moore who is moving to Miami. The opening prayer was given by Mrs. Brown. After the games refreshments were served to Mrs. Wade Noy, Mrs. L. T. Blanton, Mrs. Arthur Crow, Mrs. Earl Armstrong, Mrs. J. J. Broom, Mrs. C. Reed, and Mrs. A. C. Tanner by the hostesses.

Pampans Attend Amarillo Meeting

Three Pampans attended a meeting of the Texas Manufacturers association in Amarillo Saturday where they heard an address by Ed. C. Burris, vice-president and general manager of the association.

Those attending from Pampa were Reno Stinson, executive assistant of the Cabot companies, Grover Heard of Heard's Creamery, and E. O. Wedgeworth, manager of the chamber of commerce.

Burris said in his address that the association was not against labor unions but that his organization believed that both management and labor should be more closely bound to their contracts.

The meeting was held at the Herring hotel.

School Notes From Canadian

By Polly Ward

Long faces were not an unusual sight in CHS the last part of this week, as six weeks exams were being held, and the students are all worried as to the outcome of their grades. The end of the first six weeks has finally come!

Ed. L. Jeanyby from the Southern Assemblies presented the assembly by this week. Mr. Jeanyby gave a lecture and display on "walking sticks." He told stories and legends about some of the sticks, and had some which were concealed guns and swords.

The "School Day" pictures arrived Monday, and everyone was disappointed, as usual, of their own picture's outcome, but telling their friends how good theirs were, and trading back and forth.

The seniors are having their first party this Saturday night, and it is to be in the city hall. Each senior may invite one guest, and here will be dancing as well as other games. Hot dogs, pop and cake are the refreshments to be served.

The Canadian Pee-Wees played their first game Thursday afternoon on the Canadian field with the freshman and sophomore team from Perryton. Captain of the team this year is Bob Fry. The Wildcats met the Perryton Rangers at Perryton last Friday.

Three new students who have enrolled recently in CHS are Pearl McAlary, Lynette Garmas, and Arleen Fussell. Pearl is a senior, and is from Viet. Oklahoma. Lynette is a freshman from Belen. New Mexico.

Social Calendar

WEDNESDAY
First Baptist Circle 2 will meet with Mrs. S. W. Bearden at 9:41 S. Banks.
First Baptist Circle 1 will meet with Mrs. C. E. Farmer at 312 N. Wells.
Circle 5 will meet with Mrs. S. E. Patton at 411 N. Hazel.
Circle 7 will meet with Mrs. Tom Duvall at 431 N. Hazel.

The Entre Nous club will meet with Mrs. Fernan Walbert at 2 o'clock.
The Easterns will meet at White Deer at the Masonic Hall.

Dinner Party Honors The Charles Bradfords

SHAMROCK (Special)—Mr. and Mrs. Charles Bradford were complimented with a dinner Sunday by her aunt, Mrs. Roy Wright.

Those present were Mr. and Mrs. George Burrell, Bobby Burrell, Mr. and Mrs. Johnnie Burrell and daughters, Jona Lee and Sherry, Mr. and Mrs. G. W. Burrell and sons, G. W. Jr. and Ken and daughter, Branda Sue, Mrs. John Wright and the honor guests.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like agony and nervous strains of functional periodic distress. Taken as a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

Church Circle Has Meeting

PANHANDLE (Special)—The Woman's circle of the Christian church met Wednesday afternoon in the home of Mrs. J. B. Howe with Mrs. O. E. Grimes as leader. The lesson was from the Book of Nehemiah.

A report on the meeting in Amarillo Oct. 17 was given by Mrs. J. F. Weatherly assisted by Mesdames J. B. Howe, Opal Purvines, H. L. Powell, O. E. Grimes, Patsy Herndon and Wade Johnson. This meeting was held at the First Christian church and the principal speaker was Mrs. Goulter, a returned missionary.

Refreshments were served to the above named and Mrs. Lloyd Thorp and Mrs. Lloyd Miller.

The next meeting will be in the home of Mrs. Lloyd Miller Oct. 30 at 2:30.

Bobby Brown Has Birthday Party

Mrs. A. L. Brown gave a birthday party recently for her son, Bobby Ray Brown, on his ninth birthday. Mums were used as decoration. Toasts, sandwiches, birthday cake and punch were served to Rita Payne Brown, Jimmie Olsen, Barbara Harrison, Billie Gurley, and Nina Lee Wiggins. Gifts were sent by Betty Jo Brown, Mr. and Mrs. Don Childers, and Mr. and Mrs. Dual Lee Brown. Mrs. M. D. Dwight assisted the hostess.

PAMPA STANDS AT THE CROSSROADS

WE MUST PLAN TODAY THE PAMPA WE WANT TOMORROW!

THE Pampa Chamber of Commerce wants your help in making our city one in which you will be proud to live and one to which visitors will be attracted. We suggest that you learn more about the main points of local interest so that when visitors stop in at your restaurant, your filling station, your plant or your store, or meet you on the street, you will be able to give them reliable, interesting information concerning our rich background. It will pay YOU dividends.

LET EVERY day be clean up day. Keep the premises of your home or business neat and orderly so that Pampa will present a picture of beauty and cleanliness.

IF YOU'RE a motorist make a special effort to obey traffic regulations and keep our streets free of congestion.

DO YOUR part and help your Chamber of Commerce make Pampa America's most progressive City.

Let's Grow With Pampa

PAMPA PREFERRED

A COOPERATIVE ADVERTISING EFFORT CONDUCTED BY PAMPA BUSINESS PEOPLE

Pampa News

Published daily except Saturday by The Pampa News, 322 W. Foster Ave., Pampa, Texas. Phone 666—All departments. MEMBER OF THE ASSOCIATED PRESS (Full Licensed Wire). The Associated Press is exclusively entitled to the use for publication of all news dispatches credited to it or other wire credited to this paper and also the regular news published here-in. Entered as second class matter at the post office at Pampa, Texas, under the act of March 3rd, 1918.

SUBSCRIPTION RATES
By CARRIER in Pampa 25c per week. Paid in advance (at office) \$3.00 per 3 months. \$4.00 per six months. \$12.00 per year. Price per single copy 5 cents. No mail orders accepted in localities served by carrier delivery.

WILL IT BE 'LABOR VS. THE PEOPLE'?

A revealing light into the attitude of some labor officials was cast during the early days of the shipping strike when one leader said that if the government attempted to move struck vessels, a national general strike which would paralyze the country would be called.

This was immediately disavowed by a higher-ranking AF of L official, who characterized it as "ridiculous." But, despite this denial, the words had been said and the entire nation had been threatened.

This is a matter that goes far beyond the problem of whether seamen deserve higher pay, and whether the wage stabilization board had made an unfair decision. To threaten a general strike is to threaten anarchy. It means placing the desires of organized labor above the public interest, and above government itself. It represents the highest possible degree of labor irresponsibility.

Suppose the shoe were on the other foot. Suppose that some industrialist, dissatisfied with an OPA price decision, for example, said that unless he were permitted to charge whatever he wanted for his goods he would ask all other industrialists to close their plants and let the public go hang. There would be, and justifiably, a howl of public indignation from coast to coast and border to border. The government would take immediate disciplinary action. The erring industrialist would learn that the public interest comes first.

The growing arrogance of labor must be causing grave concern to thoughtful men within its own ranks. It is a serious thing to make threats, and to sometimes put them into effect, that endanger the public health, welfare and safety. We seem to be approaching a time when the nation will be bedeviled and torn with that most disastrous and tragic of all issues—Organized Labor versus the American People.

In Hollywood

By ERSKINE JOHNSON
NEA Staff Correspondent
HOLLYWOOD — (NEA) — Leo Gorcey, the toughest of the Dead End Kids, has "reformed," we can report today, although Leo himself says the Dead End Kids were never really tough.

"We were just a little uncultured," he explains.
Leo still talks out of the side of his mouth, and he has the perpetual look of a fellow about to bash your head against the nearest wall, but otherwise he's a model citizen. He's happily married and works in the garden when not busy with films or with his unfinished novel, "Memoirs of a Dead End."

Over at Monogram studio, where he produces, writes and acts in "The Bowery Boys" series, he is known as "the poor man's Orson Welles." The latest in the series is "Mr. Hex," and the studio has just contracted for eight more.

THE "KIDS" HAVE SPLIT UP
Three of the original Dead Enders — Hooty Hall, Bobby Jordan and Gabriel Dell — are featured with him. The fifth, Billy Halop, has a rival gang, "The Gas House Boys," working at another studio. ("We don't speak," Leo says.)

The sixth, Bernard Pansley, hasn't returned from service with the army. The last anyone in Hollywood heard of him was in radar work in India.

It was quite a surprise to see Leo in a conservative pin-stripe suit, 20 pounds heavier, and back seat of my car. Then we all jumped in and started tearing for the main gate—the eight-mile speed limit on the lot never bothering us.

"The prop man phoned the gate, and a couple of cops tried to stop us. But I kept right on going."

But a lot of our tricks backfired," Leo confessed.

There was, for instance, the time they stole a 50-pint wedge of cake from a set at the Warner studio.

"We saw the cake and decided to have a party. So when the prop man wasn't looking we grabbed it and tossed it into the back seat of my car. Then we all jumped in and started tearing for the main gate—the eight-mile speed limit on the lot never bothering us."

"The prop man phoned the gate, and a couple of cops tried to stop us. But I kept right on going."

NATIONAL WHIRLIGIG

MACKENZIE'S Column

By DEWITT MACKENZIE
AF Foreign Affairs Analyst

It has remained for Oriental India to give our bickering world a practical demonstration that even the most bitter quarrels are susceptible of adjustment with politics.

One finds it difficult not to see in the sensational Moslem-Hindu truce at New Delhi a striking object lesson for the United Nations assembly.

The greatest immediate service which our assembly could render would be to find a way of bridging the dangerous gulf between the Russian dominated Slavic bloc and the Western Allies.

Through long generations the Hindus and the Moslems have waged their often bloody warfare—at first religious and racial but finally increasingly mixed with politics.

Still, up in New Delhi the weekend saw the completion of a coalition cabinet for the new provisional Indian government which is the forerunner of independence.

However, the all important fact is that at long last Jimmah has compromised on Pakistan, at least temporarily, in order to get the interim government going. And the Hindus too, to our numberless surprise, have made concessions to the Moslems in the matter of cabinet positions.

Thus even if a fresh crisis should overtake the new government, the spirit of conciliation displayed has flung a rainbow across the Indian sky.

The impression of a leopard stalking a victim.

On the warpath, the leopard men wait beside a jungle trail until an unsuspecting villager comes along. The shrieking like that of animals they emulate they spring on his back and claw out the jugular vein with their iron hooks. The boy is dragged into a convenient clearing and mutilated amid a frenzy of fanatical mumbo-mumbo.

Initiation into the sect is a terrible ordeal, lasting for two months and including torture and mutilation which must be borne with stoicism. The witch doctor impresses on the young men the vital necessity for complete obedience to the leader and for absolute secrecy. Death is the penalty for disobedience. In the final ceremony the Laki, or chief leopard, cuts the prescribed ritual marks in the flesh of the recruit, who then becomes a full fledged Anyoto.

Anyotism is a potent weapon and colonial authorities find it almost impossible to secure reliable evidence against the leopard men, even from intended victims who may escape. They do not often escape.

PALESTINE BACKED BY Zionist Group
ATLANTIC CITY, N. Common Ground

By R. C. HOLES

Now A World Food Control Organization.

The London Times carries a story telling of the proposed plan to form a world food board. It seems that last month the conference of the United Nations Food and Agriculture Organization at Copenhagen decided with unanimous consent to press on with the detailed examination of Sir John Boyd Orr's scheme for an international instrument with power to intervene actively in world markets for surplus stuffs by buying and selling at stable prices and by holding stocks.

The conference accepted the argument of the director-general of the Food and Agriculture Organization that, since only 5 to 10 per cent of world food output enters the world market, a policy of stabilization and stockpiling was practicable, and further endorsed the view that only by these means could the capacity of food producers and the necessities of consumers be met.

It even goes farther than Russia because it seems that Russia will not enter into this conspiracy to try to control world production and distribution. Of course, the reason Russia does not want to enter into it is that she wants to have exclusive control over all the world.

The article goes on at great length using weasel words that have no real meaning. For instance, it says, "The task of furnishing a sufficient market for stable prices, remunerative to producers and within the means of hungry consumers, must be tackled by national governments within their own frontiers." But no definition is given of "stable prices" or "remunerative" or "hungry."

And no one ever tells how the people, who do not produce enough themselves to be exchanged for the food, can be taken care of. Nor anyone tells how this class of people can be kept from starving and replenishing the earth if they are given food without giving its equivalent—if food is taken by force from those who produce and given to those who do not produce.

England has tried this economic theory for nearly a century. Malthus finally reported, after the experiment had been going on for nearly a century, that there was more poverty as a result of this plan to take care of the hungry than there would have been if the government had not attempted to alleviate poverty.

The strength of any chain is its weakest link. Just so, the test of any scheme is its weakest link. No one has yet devised a plan by which men need not live by the sweat of their brow. These man-made utopias always end in more poverty and suffering than the result if people attempted to follow nature's and God's laws.

The great Italian philosopher Pareto said that society is like a pyramid of sand—the higher the apex, the wider the base and the more people between the base and the apex who have a comfortable standard of living. The geniuses at the top, instead of taking from the bottom, make it possible for more people at the bottom level and in between to live. They, in short, make it possible for a larger population and, as a whole, a much greater degree of happiness and prosperity.

Yet we are now toying with trying to control not only the distribution of food in our own country but its distribution and production in all countries. But no one yet has devised a way to take care of the surplus of one kind of food when prices on it are arbitrarily set too high. Free prices are the only guide to tell what the people as a whole who have something to exchange want produced.

If any society tries to satisfy those who have nothing to exchange, then that society becomes over by a society that is stronger because its people more nearly realize that men must live by the sweat of their brow.

Of course if such a world organization were to operate the United States will be the nation that exhausts its resources in attempting to supply the rest of the world with all the food it needs. It is simply another scheme like that of Henry Wallace for a bottle of milk for every person in the world. It will only add to the total poverty of the people of the world.

hibits the paternal qualities and complex which used to exasperate the regular, practical politicians in New York and elsewhere. Like his father, he seems willing, even eager, to cater to every element in the electorate that can give him a winning ticket on November 5.

Although he must hold the conservative vote in the northern section of the state, he prefers to woo the radical groups which have recently transformed the domain of Herbert Hoover, Hiram W. Johnson and the Wilbur brothers into a democratic stronghold.

In this same way his father fashioned the new deal party; he was "all things to all men." Young James has adopted the same formula—or technique—despite present-day evidence that such an organization, although it may win a few elections, contains within itself the seeds of eventual disintegration.

LEFT—Will Rogers, Jr., son of the humorist and democratic candidate against Senator William F. Knowland, Oakland publisher, originally opposed the selection of Mr. Roosevelt as head of the democratic state organization. He appreciated the value of the name in an area where F. D. R. always ran well, but he felt that "Jimmie" had taken his stand too far to the left of center.

It is understood that the nominee was especially concerned over the political newcomer's association with the independent citizens' committee of the arts, sciences and professions. Together with Harold L. Ickes, Son James helped to found and promote that organization, and served as a well-paid executive director.

FINKISH—In California as elsewhere, the I. C. C. A. S. P. has a slightly pinkish tinge. Despite some division of opinion among its leaders, the membership has been distinctly anti-Truman on the ground that he has not executed F. D. R.'s major policies on the domestic or foreign fronts.

It has advocated retention of wage-price controls and favored the Wallace "party line" toward Russia. It has lately tried to shift over without too ostentatious and obvious a desertion of its original platform.

In the main, however, it consisted of ex-new dealers—Messrs. Roosevelt, Wallace, Ickes, Morgenthau, etc.—who resented Mr. Truman's suggestion that he could get along without their services. The organization also had many Hollywood recruits who have been identified with pinkish units, although a few politically blind folks think the actual shade was red.

Anyway, Mr. Rogers would not support the Roosevelt candidacy for chairman until the latter quit the

I. C. C. A. S. P. He did and ever since they have had only a few major differences.

WALLACE—The question of involving Henry A. Wallace to campaign for the California democratic ticket provided the first and most serious disagreement between the state chairman and the senatorial candidate. Like Banquo, the former cabinet member troubles many a democratic festival.

"Jimmie," naturally, favored Wallace support, despite his forced resignation from the Truman cabinet. Declaring openly that he disagreed with "the major part" of Mr. Wallace's policy, Mr. Rogers did not like this idea.

He may also have heard by the grapevine that the White House and Secretary Byrnes quietly spanked and repudiated National Chairman Hannegan after the latter booked an extensive speaking tour for the Iowa.

COUNTERBALANCE—Mr. Rogers and Mr. Roosevelt eventually struck the same sort of "compromise" that democrats everywhere aim to reach as they try to reconcile the Truman-Byrnes-Wallace-Baruch controversies.

They decided to invite the "go easy with Russia" advocate, but only upon Mr. Rogers' condition that

Senate Leader Alben W. Barkley of Kentucky speak on the same program in order to counterbalance the Iowa's "radical" views.

In ten other states through the border area and the west divided and wrangling democratic leaders have made the same arrangement. Wherever Mr. Wallace shows up, Mr. Barkley will appear simultaneously or subsequently as a sort of conservative counterweight.

We do not intend to make all the concessions. We have not fought for a free world in order to dictate the peace to our allies or to let them dictate the peace to us.—Secretary of State Byrnes.

This tension is not one that should frighten us. It is not new. There has always been tension among the big powers. The only thing that is new is that once they were consulted and now they get a full airing.—John Foster Dulles.

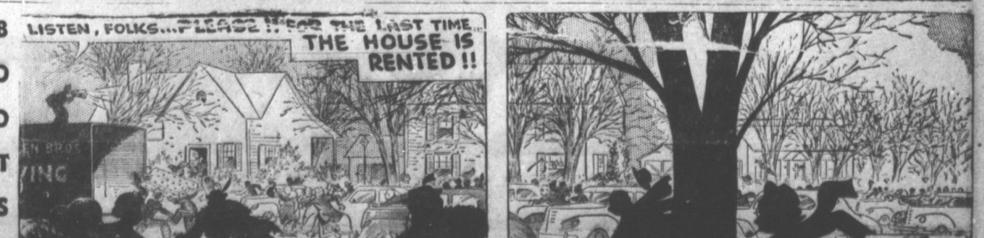

We have received notice that our labors are ended, for the simple reason that not one contributing nation has made any provision for UNRRA in 1947.—Girollo H. LaGuardia, UNRRA director.

So They Say

We do not intend to make all the concessions. We have not fought for a free world in order to dictate the peace to our allies or to let them dictate the peace to us.—Secretary of State Byrnes.

This tension is not one that should frighten us. It is not new. There has always been tension among the big powers. The only thing that is new is that once they were consulted and now they get a full airing.—John Foster Dulles.

Texas Ports

(Continued From Page 1)
night in Houston by members of the Masters, Mates and Pilots association. AFL, seamen group to gain a new contract, but leaders said the bid was secret and results would be announced at national headquarters.

A third strike could keep the Houston port tied up, however regardless of the outcome of the two nationwide disputes. Two units of the International Longshoremen's association, seeking a wage boost to \$1.20 an hour, have been on strike nearly four weeks.

I. L. A. locals at other Texas ports and at Lake Charles, La., are also idle.

At Galveston, MEBA officials ordered removal of picket lines but declared its membership would respect pickets of other unions still on strike.

Galveston seamen of the Masters, Mates and Pilots association, AFL, reportedly voted yesterday to approve the new contract completed over the weekend in New York.

PARLEY NOT BINDING
LONDON—(AP)—Prime Minister Attlee declared today that last week's conversations between Foreign Secretary Ernest Bevin and Egypt's prime minister were not binding on either government.

Shade of Sycamore

by PERCY MARKS Author of "The Plastic Age" "A Tree Grows Straight" Etc.

XXXI
GAYLE'S brother Jimmie always said, "When Gayle gets her back up, look out. She's dangerous."

When Mr. Godfrey made clear that her custody of Kent might be threatened, she became more dangerous than she had ever been in her life. She was ready to fight Bart or his mother, or both of them, in private or in public; and she was ready, too, to use any weapon that would strike the hardest blow.

She lay long awake that night thinking and planning, and the next morning she began to put her plans into effect. She dismissed the maid and Miss Norton, the nurse.

It hurt her to tell Tom he wasn't needed any longer, but he made the situation as easy as possible for her. "I've been thinking I ought to go to Bridgeport," he said. "I'm a good mechanic—pretty good, anyhow, and they need 'em bad in the factories. I think we're going to be in the war pretty quick, Mrs. Bartlett."

"So do I, Tom."

Gayle waited until evening to talk to Mrs. Mays. Then she came to the cook to come into the living room and sit down. "It's something personal," she explained.

As Gayle looked at Mrs. Mays, wondering how she could best begin, she thought of the many women she had entertained in that room who had less the look of quality than Mrs. Mays had. In three years Mrs. Mays did not seem to have aged at all; she was still a little plumper than she should have been, but her cheeks were still pink, and her eyes were the same clear blue. Her spectacles always seemed brighter than other peoples'; the lenses shone with cleanliness.

"This is very difficult, Mrs. Mays," Gayle began hesitantly. "Then she smiled. "I'm afraid I'm

not very subtle. I wanted you to come in here because I—well, there's a new relationship. Oh, dear, I don't know how to put it."

Mrs. Mays smiled. "I'm not the cook now?"

"No! Oh no! That's just it. Don't you see, I'm talking to you as a friend."

"I thought that's what you meant, I'm glad you feel that way, Mrs. Bartlett. I know about Jane and Tom and Miss Norton, of course. I was going to tell you I wasn't ready to be fired."

She hesitated and then added firmly, "I'm staying."

"BLESS your heart!" Relieved, her faith in Mrs. Mays complete, Gayle began to talk, all confusion gone. "I've been thinking over everybody I know. I've been having a bad time. I didn't want to worry my parents, and so I haven't said a word to them yet—and it didn't matter whom I thought of, I wasn't satisfied. I wanted to talk things over with a woman. I want help and advice, and finally it dawned on me, I'd rather talk about this with you than anybody else, even Rose Beecher. I'm going to tell you everything, friend to friend, and then I'm going to ask your help."

"I won't tell."

"I know you won't. If I didn't know it, I'd never tell you any of it." Then Gayle told her all up to, and including, her talk with Mr. Godfrey. "And so, you see," she concluded, "I've got to rearrange my entire life. I've got to get a job—not right away but in the next few months. You can get another job."

"I told you I wouldn't be fired," Mrs. Mays said quietly. "I thought you needed me."

"Oh, I do!"

"I know," Mrs. Mays turned her hands palms upward in her lap and studied them thoughtfully.

Then she looked up, and her quiet smile lighted her face. "It comes down to this, doesn't it, Mrs. Bartlett: somebody's got to take care of Kent, and somebody's got to work to earn enough money—and you'd like for us to work it out some way together? Isn't that it?"

"Oh yes—exactly! But I won't be able to pay you even—"

"Please me!" Mrs. Mays drew herself up in her chair. "I thought you said we were talking as friends."

Gayle flushed painfully and cried, "We are! We are! But I don't want to ask sacrifices of you. I haven't any right to ask sacrifices. No matter what happens, I gain and you lose. I've tried and tried to see my way around that, and I can't. You're always the loser."

"Mrs. Bartlett," Mrs. Mays voice was very quiet but her blue eyes were serious, almost stern. "At my age you're never the loser when you're needed and wanted."

THE next morning Gayle wrote to her parents, to Nate Kent who was in an Army camp in California, and to Rose. To Rose she confessed, "You told me in plain words: I give, you leave to say, 'I told you so.'"

She sent the letters air mail and then set about putting her affairs in order. On Mr. Godfrey's advice, she transferred her account to a different bank. "If I haven't said a word to them yet—and it didn't matter whom I thought of, I wasn't satisfied. I wanted to talk things over with a woman. I want help and advice, and finally it dawned on me, I'd rather talk about this with you than anybody else, even Rose Beecher. I'm going to tell you everything, friend to friend, and then I'm going to ask your help."

"I won't tell."

"I know you won't. If I didn't know it, I'd never tell you any of it." Then Gayle told her all up to, and including, her talk with Mr. Godfrey. Mrs. S. A. Cobb Has 82nd Birthday

McLEAN—(Special)—Mrs. S. A. Cobb celebrated her 82nd birthday anniversary Thursday at the family home just south of McLean. A number of her relatives were present: Rev. Judon Cobb, wife and children, Lockney, Texas; daughter, Mrs. Effie Maroney, Isoleta, N. M.; daughter-in-law, Mrs. John Cobb, and son, Jimmy, of Plainview; daughters, Mrs. W. R. Brown, Sr., and Mrs. R. L. Appling, and husband, McLean.

Mrs. Cobb, who is still active at her age, is a member of the Baptist church. She is the wife of the late Rev. S. A. Cobb, a pioneer Baptist minister. He died in December, 1941.

Within 20 years after its introduction, soybean production in the United States reached 200,000,000 bushels in 1945.

Accidents

(Continued From Page 1)
was killed late Saturday when he was struck by a Missouri passenger train. Nine teen-age persons were injured Saturday when their topless jeep collided with an empty truck. Two occupants of the truck also received minor injuries.

Belton—Lonnie William Carter, 45, of Dallas, and Francisco I. Montemayor, Jr., 19, of Laredo were killed instantly early Saturday in a collision of a car and a truck driven by Walter Tomlin of Waco, Robert H. Bills, John White and Guy V. Chambers, soldiers from San Antonio, received injuries.

Clarkwood—Francisco Ochoa, 32, of Robstown was killed late Friday night when the car he was driving went out of control and overturned several times.

Odessa—R. R. Collins, 50, restaurant chef, was killed and his daughter, Betty, was critically injured Friday night when their car was struck by an East bound Texas and Pacific freight train.

Sidelights

(Continued From Page 1)
a lot tighter on wages than on prices.

They argue: workers need still higher wages to try to catch up with the much higher prices. They argue that the wage increases granted the recent strikers were not enough.

Industry argues that it is the highest wages that have forced prices up.

The auto workers are starting their demands by asking higher wages from Chrysler, Packard and Hudson.

The steelworkers may not say exactly what they want until December, when their policy committee meets.

John L. Lewis wants to talk about wages with the government, which has been operating the coal mines since May.

Meanwhile, because the government still has price controls on autos, steel and coal, it still controls wages in those industries.

Birth of Iron Lung

Baby Reported Normal
SAN ANTONIO—(AP)—San Antonio's iron lung baby was born at 2:45 a. m. today in the county hospital where the mother, a polio victim, has been in an iron lung for over a month.

The baby was named Sheryl Kay Crutcher and she and Mrs. Roland Crutcher are reported "doing nicely." Mrs. Crutcher was temporarily taken from the lung during the birth of the baby, but was placed back in the lung today. Hospital attendants and doctors expressed "great relief" that the birth was normal.

For several weeks—the baby had been expected around Nov. 1—every possible precaution to safeguard the life of the mother and child have been taken. The army provided a portable lung and a mask type respirator for Mrs. Crutcher.

Immigration

(Continued From Page 1)
Palestine of considerable numbers of displaced Jews in Europe."

The President reiterated a previous view that a concerted effort should be made "to open the gates of other lands, including the United States, to those unfortunate persons."

He added that he is prepared to ask congress for special legislation "admitting to this country additional numbers of these persons, over and above the immigration quotas fixed by our laws."

Coal Crisis

(Continued From Page 1)
for the Nov. 1 meeting, the current contract will void as of that date instead of Nov. 20, when Lewis originally indicated he planned to end the government agreement.

The May 29 contract, hailed by the union at that time as one of the best in its history, gave the miners the standard 18 1/2 cent hourly increase and set up a welfare and retirement fund with a five cent royalty on each ton of coal produced. There already is more than \$6,000,000 in this fund, and in a good production year like 1944, the union would gross \$30,000,000.

Lewis, in forcing an end to the Krug-Lewis agreement, will be tossing that contract out of the window and starting from scratch.

N. Y. Port

(Continued From Page 1)
\$230. The union had asked a wage hike of 30 percent.

The CIO Marine Engineers Beneficial association previously had reached an agreement with East and Gulf Coast operators. Terms were not divulged but union spokesmen said they got a 15 percent pay boost. They asked 35 percent.
