

DECONTROL PLAN SENDS PRICE PATTERN INTO DIZZY SPIN

BYRNES BACK HOME—Secretary of State James Byrnes calls on President Truman at the White House, Washington, D. C., soon after arriving home from the Paris peace conference.

'Patient but Firm' Policy Is Endorsed

WASHINGTON—(AP)—Senator Vandenberg (R-Mich.) took a strong stand beside Secretary of State Byrnes last night for a "patient but firm" policy toward Russia amid indications President Truman might speak up along the same lines next week.

As Vandenberg—a top U. S. adviser at the Paris peace conference—followed up Byrnes' Friday night report on that meeting with a radio appeal for support of "America's bipartisan foreign policy," there were these developments at the White House:

1. It was announced that President Truman's address opening the United Nations general assembly in New York Wednesday will be a 25-minute speech and that he will fly to deliver it.

2. It was disclosed that Mr. Truman had approved Byrnes' Friday speech in advance; had listened to it on the radio, and had telephoned the secretary of state immediately afterwards to express warm commendation.

3. The President, Byrnes, Undersecretary of State Dean Acheson and Senator Austin (R-Vt.), American delegate-designate to U. N. conference for more than two hours on "United Nations matters."

The White House said nothing about the content of Mr. Truman's U. N. speech.

High government officials observed, however, that a speech of 25 minutes' duration certainly would contain more than words of welcome.

They pointed to the close Truman-Byrnes liaison on the latter's Friday address and yesterday's lengthy conference as possible evidence that the President might make a major foreign policy talk in New York.

If it follows the line of the Byrnes and Vandenberg broadcasts, it might help wipe out the last bits of confusion which resulted from Mr. Truman's original endorsement of Henry A. Wallace's Madison Square Garden address last month, which was sharply critical of Byrnes' policy.

In any case, the officials assumed that Mr. Truman discussed whether should go into the speech with Byrnes, Acheson and Austin. Byrnes has announced he will be in New York for the President's talk.

Another endorsement of Byrnes' speech and policy came from Senator Connally (D-Tex.) aboard the British liner Queen Elizabeth plowing the Atlantic toward New York. Connally, chairman of the senate foreign relations committee and another Byrnes adviser in Paris, praised the speech and said the peace conference had achieved "substantial results."

Vandenberg said this country's "bipartisan" policy is one of peace, and he predicted it will succeed "unless it is scuttled here at home."

Local Scout Council Is Planning Survey

In conjunction with the nation-wide Boy Scout recruiting campaign, the Pampa District, Adobe-Walls Council, Boy Scouts of America will inaugurate Monday a Boy Scout survey in the Pampa Junior high school, Scout Executive Hugo Olsen said yesterday.

The survey, with the aid of the principal of the school and members of faculty, will take by every boy from 12 years of age on up. It will be made mostly over those boys who are not now connected with a Boy Scout troop and to find out why he has not been enrolled with one troop or another.

The survey will be made Monday morning during the home room period.

Cash Fortune Is Located in Battered Trunk

NEW YORK—(AP)—When Mrs. Minnie Rosser Weigle, 70-year-old eccentric recluse, died last August in a junk-littered hotel apartment, police wrote it off as a routine matter, but the sequel came yesterday when two amateur sleuths produced her hidden fortune of \$169,500 in cash, found in a battered trunk.

The men whose painstaking search produced the money are Timothy J. Healy, an attorney, and Robert Raymond, a member of a New York stock exchange firm. Both are former army officers.

Mrs. Weigle died of natural causes Aug. 17. Two days later police found her trunk in the bathtub of her two-room apartment.

For two months Healy and Raymond searched the apartment for the fortune. They knew much of the money was criss and new, in denominations of \$5,000, \$1,000 and \$500.

Healy is attorney for the estate and Raymond is an administrator. They removed 11 barrels of trash from the apartment in the course of a search that led them into every crevice and cranny.

Local employees said Mrs. Weigle had not permitted anyone to set foot in the apartment in the four years she lived there but always paid See FORTUNE, Page 8

'Industrial Rebirth of Germany Necessary'

ABOARD THE QUEEN ELIZABETH—(AP)—Sen. Tom Connally (D-Texas) asserted yesterday that the industrial rebirth of Germany was necessary for Europe and added that "the United States doesn't want to destroy" that vanquished nation.

The chairman of the Senate foreign relations committee, on the way home from the Paris peace conference, made the statements at a news conference at which he also expressed confidence that the U. N. security council would have the power to enforce any decisions it makes on Trieste, despite the statement of Yugoslavia, that she would not abide by decisions of the Paris peace conference regarding the Adriatic port.

Connally said that "certainly we don't want another fiasco in case of trouble" referring to the difficulties Italy and Yugoslavia had over that city after "the end of the first world war."

Connally also urged the clarification of the "dubious and uncertain language" of the United Nations charter regarding the use of the veto by the Big Five "so we can tell where it ends and stops."

He said that "my opinion is that it shouldn't apply to procedural or incidental matters. This modification may not come at this session, but it will come."

Connally held his conference after listening to a rebroadcast of Friday night's address of U. S. Secretary of State Byrnes. Endorsing Byrnes' remarks, Connally said the conference achieved "notable results."

He declared that "on the whole the United States did very well." He said such gatherings gave every nation a chance to tell its troubles to the world and "are more conducive to settling disputes than the old secret diplomacy."

Checks received since the last list published on Oct. 13, include: Lampa Machine Shop \$100, J. D. Wright and Son \$200, E. L. Kellier and Co. \$200, H. L. Jordan \$25, Brown & Silvey Grocery \$100, P. E. Hoffman \$250, Acme Lumber Co. \$250, Jess Paul Grain Co. \$100, Brannon and Son \$25, G. L. Lumber Co. \$25, Lobley Produce Co. \$25, Lobley's Service Station \$25, Used Car Exchange \$25.

Two hundred and twenty firms and individuals have made contributions to the road fund averaging \$204.50 each.

"Pampa is to be congratulated for responding so nobly to the project," Garman said yesterday. Garman served as general chairman of the drive with Frank Smith as vice chairman.

Football Crowds Are Well Behaved

This is a tale of something that didn't happen and one that is pleasing to any insurance company licensed to do business in the State of Texas.

A steady stream of football fan traffic, rolling in both directions, between Pampa and Borger on state highway 157 Friday night got through in about 15 minutes without a fender or spilling a drop of blood, according to reports by state highway patrolmen here yesterday.

Before and after the Borger-Pampa game here, and the Wellington-Phillips game at Phillips, state highway 157 carried an overflow of traffic. State highway patrolmen on duty said that the procession of cars headed for Borger, after the game here, left Pampa in one of the most orderly and sensible pieces of heavy traffic driving through in absence of a highway where the traffic over the Perryton-White Deer game at Perryton intersected with the Phillips-Wellington game traffic no accidents were reported by the patrolmen.

Local fans who witnessed the Phillips-Wellington game said they saw nothing but oncoming headlights as they headed home along the Borger highway. They reported however, some chance taking drivers who thought they should be leading the parade and passed other cars getting back into line by sheer luck.

Three important football games with all the ensuing traffic passed without any liability company having to pay one cent in any hospital increasing its census.

Demmer Blanked Out; It's Shorts Shortage

MIAMI, Fla.—(AP)—Whether or not John Demmer, 65, has the right to wear women's lace-trimmed pink step-in briefs, a suit of more commonly worn men's shorts will be determined in a higher court, Peace Justice Henry L. Oppenborn ruled yesterday.

Demmer, who said in a hearing before Oppenborn that "he has just as much right to wear lacey panties as women do" was bound over to the court of crimes on charges of indecent exposure under \$100 bond.

Pampa-Perryton Highway Fund Is Nearing Goal Set

The campaign on the Pampa to Perryton road right-of-way fund is about to be realized, as officials of the chamber of commerce announced Saturday that collections to date amount to slightly over the \$45,000 mark.

The full \$50,000 should be reached when all business concerns get their checks in, it was said. Several businesses with out of town home offices are having to delay payments until they have had time to clear through their central offices.

Local business concerns that have not been approached on the matter should get their checks in to J. W. Garman or send direct to the Pampa chamber of commerce, making checks payable to the Roberts County Right of Way committee, officials announced.

Atkinson Heads Good Roads Drive For Gray County

Crawford Atkinson, chairman of the Texas Good Roads amendment campaign for Gray county, announced yesterday a committee to take the program to the people who will go to the polls Nov. 5. The amendment is listed as No. 3 on the ballot.

A kick-off rally was held at Austin this past week in the interest of the amendment, it was learned. Those attending from here, with representatives from other counties, were E. O. Wedgeworth, secretary of the chamber of commerce, and County Judge Sherman White.

Working with Atkinson in this county are the following: Judge White, vice chairman; Boyd Meador, vice chairman for McLean; W. C. Briening, vice chairman for Lewis; Charles Gunn, vice chairman for Borden; J. W. Williams, chairman of speaker committee; Harry Kelley, radio publicity; and Wedgeworth, a secretary and promoter.

Atkinson gave an interpretation of the amendment as follows:

1. Makes funds from motor vehicle registration fees and gasoline taxes subject to "legislative appropriation, allocation and direction" so long as they are used for road purposes and provides that one-fourth of the net gasoline tax shall be allocated to the available school fund.

2. Makes provision for a continuation of legal refunds on non-highway gasoline.

3. Authorizes the use of road user taxes for purchase of rights-of-way.

Price Ceilings on Leather to Stay

WASHINGTON—(AP)—Estimating the present shoe shortage at 350,000,000 pairs, officials emphasized yesterday that price ceilings will be held on leather and footwear as long as possible despite the decontrol of livestock.

"If we pulled off controls now, leather and shoe prices would skyrocket," an OPA authority told a reporter.

He explained that the controls on hides can be retained even though the cattle from which they come are decontrolled under President Truman's order.

Porter noted that hides and skins were not an important item for profit by packers and slaughterers. He said that present OPA ceilings are sufficient to cover all costs of taking off hides, handling, curing and storing plus a margin of profit.

Supplies of hides are expected to increase with the expanded flow of livestock to markets since price controls ended. But OPA said it will take a long time to equal demand because considerable time is required to tan and manufacture the hides into shoes and other leather goods.

Much of the present shortage is shoes and leather is a byproduct from the war. Most of the good leather went to the army, navy and marines while civilians were under strict shoe rationing.

Poultry, Eggs, Butter, Wheat, Cotton Drop

CHICAGO—(AP)—The removal of OPA controls has sent the price pattern for most major items in the American food budget into a dizzy whirl and there were indications yesterday of growing consumer resistance to those products which turn up with a higher sales tag.

The impact of sudden decontrols hit the markets an erratic blow and it was too early to tell how the food dollar of the near future would compare with its buying power of last week.

The major staple decontrolled—meat—promises to be relatively plentiful in butcher shops across the nation in a few days but at prices above old OPA ceilings. Dealers, consumers and trade associations have joined hands in efforts to keep prices down.

The prices of all livestock shot up, despite an advance of the receipts, and record highs were established in some markets. Both cattle and hog prices, however, experienced downward trends when offerings were the heaviest.

In the commodity markets, the price of soybeans, lard and flax also went up.

However, a long list of commodities dropped in price, including poultry, eggs, butter, wheat and cotton. Trade sources attributed the butter drop to the removal of ceilings on other fats and oils.

The American Meat Institute, saying prices would be higher until demand is met, urged housewives to "shop around for the best buys." Some dealers refused to buy meat at high prices and the president of the New Jersey Independent Butcher Association urged consumers to "strike" until meat prices come down within reason.

In Helena, Mont., housewives started a chain telephone call movement advocating buyers strikes against prices of 89 cents to \$1.00 a pound.

In the nation's livestock markets there was no official trading yesterday, although hogs and cattle were in the pens waiting for opening of trading Monday.

Prices of livestock as the week closed were under their highs, but See DECONTROL, Page 8

Group Will Form Panhandle-Wide Orchestra Here

The West Texas Philharmonic Orchestra association is being formed here, it was announced yesterday.

Sponsored by the Pampa Junior high school Parents-Teachers association, the organization will include 90 players, representing Pampa, Amarillo, Canyon, and a number of other West Texas communities yet to be announced.

The conductor will be Lewis Chamberlain, who joined the music department here this year; and Ray Robins, popular local band director and instructor, will be the associate conductor.

The association's board will be composed of Mrs. Hubert Laycock, as president, Mrs. John McNeil, vice president, Mrs. Bob Alford, secretary-treasurer, and Harry Kelley, business manager.

A committee representing various groups was named: Knox Kinard, schools; Mrs. H. A. Yoder, music; Mrs. Bate Jordan, churches; Mary Jo Coffman, students.

A series of concerts will be presented in the spring, it was said. The first concert will be presented at the Junior high school auditorium on December 2. Two musicians will appear as guest conductors and one as a soloist.

They are: Robert Louis Barron, guest soloist—now conductor of the Amarillo Symphony; Louise Dickens, guest conductor—now conductor of the Amarillo high school orchestra; and Glen Truax, guest conductor—now conductor of the West Texas state college orchestra, Canyon.

Price Ceilings On Cattle Are Thing of Past

KANSAS CITY—(AP)—Secretary of Agriculture Clinton Anderson stated flatly yesterday that the government had no intention of restoring price ceilings on livestock and meat at any time in the future.

"As far as the livestock industry is concerned, we have reached the end of the control period, and controls are off permanently," Anderson told a press conference.

Anderson did not refer to statements made recently by republican campaign speakers suggesting that controls might be reimposed after the November elections, but stated "this is no on and off proposition. The chief purpose in removing livestock and meat ceilings was to promote the earliest practicable balance between supply and demand."

At the same time, the secretary, who is in Kansas City to attend the American Royal Livestock show, appealed to livestock men to follow an orderly procedure in marketing their animals.

Pointing out that there had been so many hogs shipped to stock yards that some markets had been unable to handle them, Anderson said this added to marketing costs to the producer.

"It must assuredly be to the producers' interest, if they will check with their market agencies to make sure hogs can be handled at the marketing center before they are sent to market."

"It will not be to the interest of either the producers or consumers for livestock to go to market when there is not a slaughter and demand. The situation today calls for a meat we can obtain from hogs sold at normal weights."

"In the same manner," he added, "the situation now calls for heavy marketing of cattle now on the range and pasture lands."

"The number of beef cattle on farms and ranches now is at a dangerously high level, and a situation is now extremely favorable for moving large numbers of grass fed cattle."

Four Men Killed In Plane Crash

MERIDIAN, Miss.—(AP)—The bodies of four men found in the wreckage of a plane near Key field here yesterday were identified by Sheriff W. Y. Brame as residents of Victoria, Texas.

The sheriff's telephone call to Victoria disclosed they were enroute to the Mississippi State-San Francisco game in Memphis, Tenn., and apparently lost their direction.

He listed the victims as Howard Cecil Odel Grames, 34, owner and pilot of the plane; Cecil Leon Beachus, 22, 1106 East Pine St.; Dr. Earl Barton Keith, 31, chiropractor, formerly of Johnson City, Tenn., and William Walter Granberry, 36, 6044 East Juniper Street.

The wreckage was discovered in a swamp area within a mile of Key field by H. L. Skinner of Arundel community who was going fishing.

Sheriff Brame said attendants at Key field reported a plane circling the airport about 7 o'clock Friday night and field lights were turned on.

The sheriff said the plane, a two-engine Cessna, apparently struck a tree while attempting to make a turn.

Coroner Louis Boyd conducted an inquest and pronounced the deaths due to accidental causes.

Historic Island Is Given Modern Usage

EL PASO—(AP)—"Cordova Island," a bit of Mexican land putting into the United States and some of bloody battles between smugglers and border patrolmen in prohibition days, within two weeks will become one of the major points in the United States for importation of Mexican cattle.

A four-month ban on livestock importation, caused by fears Mexican cattle were infected with hoof and mouth disease, was lifted Friday but no cattle have crossed here yet. Ranchers estimate that between 250,000 and 300,000 head will cross this year.

White Deer Woman Services Set Today

Funeral services will be held at 2:30 p. m. today from the First Methodist church in White Deer for Mrs. Julia Katharine Fleming, 55, of White Deer, who died at 9:25 p. m. Friday in a local hospital.

Mrs. Fleming is survived by her husband, Robert R. Fleming, a driller for H and B. Drilling company; sons, J. D. of White Deer and Logan of Forest, daughter, Betty Ann of White Deer and two grandchildren.

Services will be conducted by the Rev. S. M. Hull of White Deer and burial will be in White Deer cemetery under the direction of Duenkel-Carmichael funeral home.

Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

Child Victim Dies In Father's Arms

BROWNWOOD—(P)—David Lynn Chalmers, three years old, was fatally injured Saturday in the overturning of the family automobile after a tire blew out.
 The boy died in the arms of his father, David W. Chalmers, a Santa Fe electrician and former army signal corps lieutenant.

COME SPRING, SHOW DOGS WILL TAKE TO ROAD; GREATER INTEREST SHOWN HERE

LAWSON'S CAPTAIN JUDY took three blue ribbons at an Oklahoma City specialty show in puppy class when she was just a "youngster." There were 128 entries. Dog is shown above with handler and owner, Al Lawson. Other Lawson show dogs will compete in Texas, Oklahoma and the East this year. Puppies from groups below may be shown. "Youngsters" below are about six weeks old.

TRADEMARK JANE, 18 months old, is shown on left. She will compete for honors this year. Topper, father of buff puppies shown below, is grandson of Champion My Own Bruce, a descendant of Red Bruce, described by dog book author, Will Judy, as "greatest cocker sire of all history." Topper is reserve winner from Milwaukee show of 1944, an all-breed competition. Captain Judy (right) poses again for camera.

What is the fastest growing hobby in America today? No, according to dog enthusiasts, it isn't flying, or horse-racing, but it's dogs!
 We would not attempt to settle the question, but we would say there has been increased interest here in both utility and pet dogs. Raising them, training them, using them in the field, on the farm, or just having them about the house as pets.

To get a little more dope on the subject, we went to a local dog enthusiast. He does not only raise them; he shows them. And he gets a good deal of fun out of it.
 That is Al Lawson, who lives on the Miami highway. Mrs. Lawson also has an interest in dogs. This man devotes his time only to Cocker spaniels, but what applies to Cocker puppies and show dogs is also applicable to other types of dogs.

Come spring, dogs from the Lawson kennels will be in shape for a number of important shows, both all-breed and specialty.
 In fact, one of his dogs was being shown today at an Oklahoma City show.

First in the spring will be the Texas Circuit, which makes all the major cities in Southern Texas. At the end of this series of shows, enthusiasts of the Southwest will turn their dogs toward Eluid, Okla., and more shows. From there they will go on to the East and South.
 There are some interesting things about puppies. Aside from having a good deal of appeal to human beings, they are intelligent and respond training by repetition. (The psychologist would call it condition training.) The average Cocker, for instance, is weaned at six weeks. Feeding by the handler begins before he is weaned, and so by the time he is ready to be taken from his mother, he is well on his own so far as food is concerned. Mrs. Lawson is dietitian for the kennels.

And that's no easy job. For instance, a puppy must be fed about five times a day until he is 8 or 10 weeks old. Special formulae are important, because it is said that a dog must get all the essential elements while young if he is to be strong and healthy in every respect.

The Cocker, a popular "house" dog in Pampa, dates from 1882. He is a descendant of the hunting dog, the Springer, and the Britany. He was developed for hunting the woodcock in England.
 The American Kennel Club, New York City, is the authority on registration of pet and utility dogs.

New Patrolman Named to Force

Osborne M. Anderson, 43, native Pampa, was named recently as motor patrolman on the Pampa police force to replace Patrolman Charles Newell, who resigned from the force to go into business for himself at Hereford.
 Anderson actually began his du-

ties here last week in one of the police cruiser cars.
 After attending the Pampa schools, Anderson became attached to the Atchison, Topeka and Santa Fe railroad as a station operator and yard clerk. He was later transferred to Los Angeles, Calif., and remained with the railroad until five years ago. After leaving the railroad he was appointed as a patrolman for the United States Customs department at San Pedro, Calif. Anderson worked with the federal government for a period of about five years and then returned here and was appointed to the city force.

Mrs. Tackett Dies at Home of Daughter Here

Mrs. Charity E. Tackett, born Dec. 11, 1876, in Arkansas died at 11:25 p. m. Friday at the home of her daughter, Mrs. James B. Brown, 105 N. Hobart St.
 Besides Mrs. Brown, other daughters surviving are Mrs. Alice Brinkley, Mrs. Bertha Hulsey and Mrs. Civa Woodward, all of Pampa; sons, J. N. and Will Tackett of Pampa and Wade Tackett of Konawa, Oklahoma; 25 grandchildren and 14 great grandchildren.
 Funeral services will be held in Konawa, Okla., Tuesday afternoon and burial will be there. Duenkel-Carmichael is in charge of arrangements.

Court Fines Man on Illegal Liquor Charge

Arlin Smith, 1009 East Browning, entered a plea of guilty to charges of transporting liquor without a permit before County Judge Sherman White yesterday morning.
 Smith was arrested east of Pampa by Liquor Control Board Agent Bill Money last night.
 Money said that Smith was transporting four cases of whiskey.
 After presenting the county's case, County Attorney Bruce Parker recommended the court assess a fine totaling \$100 plus costs and the return of the car to the defendant.
 The court assessed a fine of \$100 plus costs and returned the car.
 The liquor was confiscated by the Liquor Control Board.

Man Pleads Guilty To Drunken Driving

James White, McLean, entered a plea of guilty to charges of driving while intoxicated, before County Judge Sherman White yesterday.
 White was arrested on Highway 66 near McLean Friday afternoon by Constable D. W. Watkins of McLean.
 The court sentenced White to 10 days in the county jail and suspended his driver's license for a period of six months.
 North Carolina State college has a course in insurance.

Cities Serv. Oil Reports 3 Wells

Three oil well completions for a total initial oil potential production of slightly more than 3,000 barrels daily were reported during the week by Cities Service Oil Co. Largest completion was in Ellis county, Kans., where the Colahan A. No. 26, 330 feet east, 960 feet south of N $\frac{1}{2}$ Sec. 25-11-14, was brought in for an initial potential of 2,160 barrels of oil daily.

The Hansen Co. No. 5, located in the SW NW SE of Sec. 14-25-20W, Phillips county, Kans., was completed for an initial potential of 480 barrels of oil daily. Production was from the Lansing-Kansas City, 3322 to 3334 feet, and 3337 and 3345 feet.

The Eichman A. No. 8, located in the NW SE NE of Sec. 12-15S-14W, Russell county, Kans., was completed for an initial potential production of 361 barrels of oil daily. This well is producing from the Arbuckle, 3520 to 3529 feet.

Five new locations were reported this week; two in Kearney county, and one in Russell county, Kans.; one in Sherman county and one in Dawson county, Texas. Since September, Cities Service Oil Co. has maintained an average of almost one new location daily.

Athens Fire Fighters Still Battling Blaze

ATHENS—(AP)—Fire fighters hope to extinguish in a day or two the oil well near here which has been on fire since last Sunday.

The Christmas tree valve-arrangement remains atop the burning well, J. H. Plunkett, one of the owners said today, adding it may help greatly in controlling the blaze if the valve can be used to stop the stream of oil.

All the pipe and most of the sub-structure have been removed from the site.

Mines Bureau Reports Foreign and Domestic Crude Stock Increase

WASHINGTON—(AP)—The Bureau of Mines reported recently that stocks of domestic and foreign crude petroleum totaled 221,931,000 barrels on Oct. 2, a net increase of 149,000 barrels for the week. Domestic crude increase 120,000 barrels; foreign crude increased 29,000.

Daily average production was 4,737,000 barrels, unchanged from previous week. Runs to stills averaged 4,867,000, an increase of 2,000.

Stocks, by grade or original and change from previous week (in thousands of barrels) included: Arkansas 2,485 increase 111; Kansas 8,544 decrease 145; northern Louisiana 3,141 increase 79; Gulf coast Louisiana 8,081 increase 388; Mississippi 2,835 decrease 48; New Mexico 5,730 decrease 77; Oklahoma 32,048 decrease 27; East Texas 15,326 decrease 8; West Texas 37,412 decrease 214; Gulf Texas 28,334 increase 344; other Texas 22,630 decrease 310.

Gas Wells Take Fall, Oil Completions Rise

AUSTIN—(AP)—The railroad commission yesterday reported 62 oil well completions and 11 gas well completions in Texas last week.

The figures bring the year's total to 3,891 oil and 540 gas well completions. Last year's completions to the same date included 3,173 oil wells and 646 gas wells.

One wildcat oil well was drilled for the week, bringing the year's total to 123, up 11 above last year's figure to the same date. There were no wildcat gas wells drilled leaving the year's total at 36, lagging last year's figure for the period by 19.

Total average calendar day crude oil allowable was reported as of today at 2,175,854 barrels, an increase of one barrel above the figure a week ago.

NEW YORK—(AP)—Phillips Petroleum Co. announced recently completion of plans by its subsidiary Standish Pipe Line Co. to build 289 miles of 12-inch crude oil pipe line from Goldsmith in Ector county, Texas, to Borger, Texas.

Son Being Sought For Death Message

EDCOUCH, Texas—(AP)—Police Saturday attempted to locate Clinton Frazer, Jr., of Houston, vacationing somewhere in the West, to notify him of the death of his father, a former valley banker and citrus cooperative advocate.

Frazier, Sr., 66, died Thursday at his home. Survivors include his wife, the son, a daughter and three brothers.

Delay of November Oil Order Urged Pending Strike Threat

AUSTIN—(AP)—The state railroad commission was urged yesterday to delay writing its November oil order until Monday pending possible development of a strike at Houston involving oil tankers, and was further asked to hold the November allowable with the more liberal States bureau of miles estimate of 2,090,000 barrels daily.

These recommendations were presented at the statewide monthly oil prorating hearing by Jack Porter of Houston, president of the Texas Independent Producers and Royalty owners association.

Olin Culbertson, commission chairman, indicated that he considered it advisable to wait until Monday to write the oil order.

Apparently dubious of the ability of oil purchasers to take care of production through pipeline movement and storage—if a tanker strike were called—Porter warned:

"You know as well as I do there are a lot of people in Washington who want to take over your duties (the commission's)."

He said such federal action might be taken if good conservation practice were not maintained in Texas.

"On account of the large increase in refined stocks over this same period a year ago, which stocks are approaching the point of being excessive and will constitute waste, we recommend to the commission that in setting the November allowable they take into consideration only contained and not non-commodity."

The nominations of the purchaser and government not commodity desire to operate their refineries at capacity than their need of crude oil to meet the consumptive demand of their customers," Porter added.

The commission hear Elmer Patman present Superior Oil company's contention that the Clear Fork pay in the Fullerton field, West Texas district, is being produced at a rate below its most efficient rate.

He requested that the field be placed on a schedule of 140 barrels per well per day.

Questioned by Culbertson about the possibility of securing transportation in a district where facilities are already heavily taxed, Patman declared that transportation could be provided for movement of this sweet crude production.

Representatives of purchasers in districts 3 and 4, the Gulf coast and Southwest Texas districts, all requested increases allowable for November, as did cities services in district 5, East Central Texas.

Tool Cost Estimated At \$30,000 Per Worker

A large oil company announced recently that it requires \$25,000 in fixed assets and \$5,000 in cash to provide a job for each worker in its employ. In other words, the owners of the company lend to the workers "tools" worth that amount in order that the worker may have a job.

This is a phase of elementary economics which is overlooked these days and one worth repetition. It embraces all business, from the one-man store to the largest corporation.

In a one-man business, the worker supplies his own capital—that is his own tools. If that business prospers, the owner supplies capital—tools—for others. If it becomes a large business, the owner sells stock in it to other people who have money to invest, thereby providing jobs for more and more people who do not have money to provide tools for themselves.

If the 16,000-odd workers in the oil company discussed had \$30,000 apiece—plus the technical and business know-how—they could form their own oil company and provide jobs for themselves. Lacking that, they must use other people's tools, for which the owners of the tools are entitled to a profit. Without a profit, there is no incentive for them to invest their funds.

American industry today is owned by practically all of us. Just about every adult American, through direct investment, ownership of insurance, or retirement funds, is

15 Drill Notices Filed With Comm.

The following notices of intention to drill have been filed with the Texas Railroad Commission during the past two weeks.

Rail Commission Tests Eight Wells

Eight wells, seven oil and one gas, were tested by the Oil and Gas Division of the Texas Railroad Commission last week.

Three of these were new oil wells located in Hutchinson county. They tested a daily potential production of 489 barrels.

The new gas well, which is the Smith Bros., No. D-1 Hitter located in Wheeler county, tested a daily potential production of 6715 barrels.

The oil wells tested as follows: Hutchinson county—J. M. Huber Corp., No. 8 Burch-Weatherly produced 43 blbs. of oil in a new test; Robinson Bros., No. 10 Weatherly produced 230 blbs. of oil in a new test; Robinson Bros., No. 11 Weatherly produced 206 blbs. of oil in a new test.

Carson county—Gulf Oil Corp. No. 11 B. F. Block produced 23 blbs. in a 24 hour retest; Magnolia Petroleum Co., No. 64 Fee 244 produced 54 blbs. in a 24 hour retest.

Gray county—Magnolia Petroleum Co., No. 19 Fee 227 produced 85 blbs. in a 24 hour retest; Magnolia Petroleum Co., No. 21 Fee 227 produced 49 blbs. in a 24 hour retest.

Gas Company Wins Tax Fight Against State

AUSTIN—(AP)—The Lone Star Gas company recently won its gross receipts tax fight with the state. The supreme court left standing a ruling on the third court of civil

appeals that the company should pay only a \$50 "beginner's tax" rather than \$55,000 in gross receipts taxes for the first quarter of 1943. The gas company claimed it only owned a beginner's tax since it had acquired a new legal identity under terms of a reorganization approved by the securities and exchange commission under the federal public utility holding act. The Lone

Star Gas company was reorganized on Dec. 12, 1942. More children are crippled by infantile paralysis than by all other diseases and accidents combined. Chicago has more long-distance telephone calls than any other city in the world. Sheep cease to grow wool after three or four years in the tropics.

Oil Reserves Continue Climb Geologists Report Recently

NEW YORK—(AP)—Geologists as post-war demands are the reserves continue to climb. If geologists are right, we are finding new oil or proving its existence faster than we are pumping it out of the ground.

On Jan. 1, 1946, the proved reserves in the United States was 23,800,000,000 barrels, a 15-day supply. And outside of the United States we control at least 40 percent of the world supply with the exception of that in Russia.

One reason why the reserve is increasing is "controlled" production. In the early days "gushers" spilled their riches on the ground. Gushers are outlawed now. A well's output is regulated far below actual capacity so as to avoid waste and insure more economic production. Improved methods of re-evaluating old discoveries have also enabled geologists and oil operators to ascertain more accurately the quantity of oil the known deposits contain, with a result that revised estimates are invariably upward and in favor of the reserve.

For instance, in 1922 the United States geological survey, acting jointly with the American Association of Petroleum Geologists, estimated the U. S. reserve at 5 billion barrels. Revised estimates placed it in excess of 8.4 billion barrels. In 1932, the Federal Oil Conservation board placed the reserve at 10 billion barrels; actually it was 18.4, or about 80 percent higher than the original estimate.

The search for new deposits, restricted somewhat by the war, are now proceeding at a greatly accelerated pace, oil men say. They further claim the job of exploring territorial United States is only about half finished.

What makes it difficult is that geologists have not yet solved the riddle of locating stratigraphic deposits. Stratigraphic deposits lie along old above lines of burial, and to date the only known way of finding them is to stumble on them by accident. The great East Texas field is a stratigraphic deposit. This type of field is believed to contain greater quantities of oil than the structural type, which are formed by wrinkles in the earth. Scientists know how to go after the structural type with seismographic and other instruments. "No one can say how vast the unknown, undiscovered, unestimated stratigraphic fields which girdle the earth will turn out to be," one New York geologist said.

Cognac brandy often is aged in oak casks for more than 70 years. The U. S. census bureau estimates there are about 2,500,000 more American families now than in 1940. In 1830, approximately 1400 mail coaches left London daily.

THE DRILLER'S LOG
By Bob Bray

THE ATTENTION of all Panhandle gas producers, royalty owners and dealers will be centered on the railroad commission hearing next Thursday, to be held at the Herring hotel in Amarillo.

THE MAIN ISSUE to come up at the hearing is the question of whether or not gas is being wasted by the various carbon companies in the manufacture of carbon black, particularly in the manufacture of channel carbon black.

ACCORDING TO STATUTES now in effect "not less than one pound of carbon black may be manufactured from 1,000 cubic feet of sour gas."

THIS RULE has been followed to the letter since its violation would mean action on the part of the commission to discontinue the issuance of yearly permits to the carbon companies.

NEXT THURSDAY'S HEARING was brought about by the fact that a study of carbon company reports to the commission over a period of several years show a wide variation in the amount of channel black produced from 1,000 cubic feet of sour gas utilized. One Panhandle carbon plant is now producing, and has for several years produced, two pounds of channel black from 1,000 cubic feet of sour gas while other plants' production varies from the required one pound to one and three-quarters pounds. The commission intends to investigate this wide variation of production and determine whether or not gas is being wasted in some instances.

LOCAL CARBON COMPANIES maintain that this extreme variation in channel black production is principally due to the difference in the quality of the gas burned and not due to varying degrees of efficiency in the method of production on the part of carbon black plant operators.

IN REGARD TO PRICES, which are doubtless an essentiality in the conservation of gas, an over-all survey was not possible at this time but a check of the prices paid since October 1, 1945, by one of Pampa's largest carbon black producers showed an average rate of 4.27 cents per 1,000 cubic feet of gas, and at the present time there are prospects of this price being increased in the very near future.

THIS COMPANY made it clear that they purchased all their gas on B.T.U. basis and not on the basis of plant performance. At this time they are producing one and three-quarters pounds of channel black per 1,000 feet of gas.

AS PREVIOUSLY STATED these last price and production figures are based on the actions of one company. It will be up to the commission to decide whether or not all of the various Panhandle companies are operating on an economical basis in regard to the utilization of sour gas in the manufacture of carbon.

Rail Comn. Gives Hearing Notices

AUSTIN—(AP)—The railroad commission recently gave notice of the following hearings:

Nov. 8—Application of the Magnolia Petroleum company for a discovery allowable and new field designation for its L. A. Burdett account No. 1, well No. 1, La Gloria field, Jim Wells county.

Nov. 22—Application of the Snowden Oil and Gas company, Ltd., for amendments for the final rules now governing the Garvey field, Young county.

Nov. 22—Application of the Magnolia Petroleum company for an exception to statewide rule 21 for its D. D. Shofner well No. 1, Chapel Hill field, Smith county.

Nov. 26—Application of the Humble Oil and Refining company to complete Dually in the Bertram and Wardner sand reservoirs its King Fanch-Paso Ancho well No. 54, Stratton field, Nueces county; to inject gas into the Bertram and Wardner sand reservoirs through both completions in the well; to be accredited with a gas allowance for both the Bertram and Wardner sand reservoir completions in the well; and to transfer such allowance to and produce it from another well or other wells that produce from the reservoirs.

Nov. 28—Application of the Humble Oil and Refining company to use for salt water disposal purposes its Tyrrell Combust Realty company well No. 1, Amelia field, Jefferson county.

Nov. 28—Application of Fred M. Manning for a discovery allowable for his M. K. Graham estate-magnolia well No. 1, Throckmorton.

Nov. 28—Application of Fred M.

McCracken Scores As Pony 'B' Wins

TYLER—(AP)—Southern Methodist university's B team shoved the Tulsa university B aside 25-0 here Friday night in a game sponsored by the Tyler American Legion that drew a crowd of 4,000.

Merle McCracken of Pampa ripped the line for one touchdown. Roy Borders passed to Sammy Owen for the second and plunged over for the third, with Mack Dickey lateral to Joe Stell for his final. Borders kicked one extra point.

"Stogies" got their name from days when they were shipped in Conestoga wagons.

A comb of molded nylon, with teeth that can be bent flat without breaking is on the market.

Aggies Defeat TCU To End Losing Ways

Shamrock Edges Letors Team in 12 to 7 Contest

SHAMROCK—(Special)—Shamrock's Irish, racking up their fifth straight triumph, took over the District 2-A leadership here Friday night with a well-earned 12-7 victory over Letors. It was Shamrock's fourth conference victory.

The Pirates stuffed a worse blow when it was discovered that Tommy Jinks, brilliant left guard, suffered a broken leg.

Shamrock tallied in the second period when Lile scored from the 10. The Irish made it 12-0 in the third when Lile went through right tackle from the one-yard stripe.

It was on the kickoff after this that Wade Stracener, star Letors fullback, took the ball on his own 10 and raced 90 yards for a touchdown only to have the ball "killed" on the 10 on a holding penalty.

The starters for Shamrock were Terry and Morgan, ends, D. Briggs and E. Briggs, tackles, Brower and Johnson, guards, Douglas, center, and Close, Lile, Ramsey and Cox backs.

Letors starters were Ogden and Keeton, ends, Cole and Daniel, tackles, Cullison and Jinks, guards, Doom, center, and Gatlin, Sims, Williams and Stracener, backs.

Wheeler Edges Past Cyclones

WHEELER—(Special)—Johnny Barr's 97-yard touchdown run after a pass interception in the final seconds of the game gave the Wheeler Mustangs a 12-7 victory over Memphis here Friday in a District 2-A upset.

Memphis, holding a 7-6 lead, drove down to the Wheeler five from where a Memphis back passed Barr took the throw and raced through a dimly-lit Memphis eleven for the score.

The cyclone eleven had taken their 7-6 lead in the first period.

Canada is nearer South America than is Arizona.

Unbeaten Panhandle Rips Wildcats, 26-0

CANADIAN—(Special)—Panhandle's unbeaten Panthers roared to a 26-0 victory over Canadian here Friday night in a District 2-A conference game.

Taking the kickoff on their own 10, the Panthers made three plays and took the ball over for a touchdown. The Wildcats outplayed Panhandle the remainder of the half but couldn't score.

Toss and Marvel were outstanding for Panhandle while Cross and Blackmore starred for Canadian.

On the island of Luzon, in the Philippines, 133 inches of rain fell during the month of July, in 1912.

Price, Dunn Stage Two-Man Scoring Spree; Wilson Scores

Never before a real threat in District 1-AA grid circles, the Borger Bulldogs served notice here Friday night that they could be considered the "team to beat" for the district crown as they romped over a good Pampa Harvester outfit, 34-7.

The victory, Borger's fourth straight of the season, came after 12 long years, in which no Borger team had ever downed Pampa and the nearly 3,000, Borger fans in the jam-packed Harvester stadium literally "fell all over themselves" with admiration as the final whistle sounded. The Pampa touchdown was the first scored against Borger this year.

The story of the Borger touchdown parade can be told in two words—Price and Dunn, for it was Quarterback Milton Price and Fullback Roy Lee Dunn, two 175-pounders, that cut the Harvester defenses to shreds with repeated thrusts behind great blocking.

Price, who some critics say will lead the all-state elite, jabbed through for four touchdowns, and rolled up 217 yards on 30 ball-carrying jaunts to go through the greatest evening in his high school career.

Dunn's trusty toe kicked four out of five extra points and the big fullback added one touchdown himself.

Price, Dunn Stage Two-Man Scoring Spree; Wilson Scores

Never before a real threat in District 1-AA grid circles, the Borger Bulldogs served notice here Friday night that they could be considered the "team to beat" for the district crown as they romped over a good Pampa Harvester outfit, 34-7.

The victory, Borger's fourth straight of the season, came after 12 long years, in which no Borger team had ever downed Pampa and the nearly 3,000, Borger fans in the jam-packed Harvester stadium literally "fell all over themselves" with admiration as the final whistle sounded. The Pampa touchdown was the first scored against Borger this year.

The story of the Borger touchdown parade can be told in two words—Price and Dunn, for it was Quarterback Milton Price and Fullback Roy Lee Dunn, two 175-pounders, that cut the Harvester defenses to shreds with repeated thrusts behind great blocking.

Price, who some critics say will lead the all-state elite, jabbed through for four touchdowns, and rolled up 217 yards on 30 ball-carrying jaunts to go through the greatest evening in his high school career.

Dunn's trusty toe kicked four out of five extra points and the big fullback added one touchdown himself.

The big Harvester line, crippled by the loss of two regulars—Center Maurice Lockhart and Tackle Gary Cooper, played valiantly but plainly showed its lack of experience as compared with the veteran Borger team that sported seven regulars from the 1945 team.

Little Jim Wilson brought the fans to their feet in the first quarter with a 41-yard gallop and added the extra point, Wilson, including his touchdown run, rolled up every bit of the actual Harvester yardage, accounting for 74 yards, including more than Pampa's actual yardage after 16 yards in losses had been subtracted.

Charley Laffoon, Pampa quarterback, put on his best passing exhibition of the season as he completed five of seven throws for 72 yards—three of them to Bob Boyles, a former team guard to end, and two to Bill Speer.

After Pampa had kicked off the Borger goal, Borger took the ball on the 20 and marched 80 yards, down the field for the touchdown.

The Bulldogs piled up six first downs during the drive with Price going over from the one-yard line. Dunn kicked the extra point.

Phil Anderson returned the kickoff off to the Pampa 40. Wilson picked up four yards and Mayes one. Laffoon passed to Boyles for 11 yards and a first down on the 44. Laffoon added three yards through the center of the line.

Wilson then went off tackle for 41 yards and a touchdown, evading a maze of would-be tacklers during the first few yards of his run. Wilson also kicked the extra point.

The quarter ended as Wilson kicked off over the goal with the score tied at 7-7.

Price raced through for 22 yards and a first down on the 42 as the second stanza started. Two plays later, Price raced to the end zone and kicked the extra point.

Price picked up seven and Dunn two and Price went through for 12 yards and the touchdown with Dunn again kicking the extra point.

After the kickoff, Pampa couldn't gain and Speer kicked out on the Borger 35. Price lost three but made four on a pass to Roy Lee Dunn for nine yards. Price made two and Pampa was penalized five yards, giving Borger a first down with three to go. Price raced to the Pampa 33 and Dunn kicked the extra point.

A statue of Liberty play on which the quarterback cocks his arm back and the halfback takes it from him netted the Harvester a seven-yard loss as Wilson was halted after taking the ball from Laffoon. Speer kicked out on the 22 after Laffoon had passed to Boyles for 10 yards.

Dunn made seven and Price scooped for 30 but Borger was penalized 15 yards for clipping. Price and Pilcher picked up 23 yards on two plays and the Bulldogs marched on down, pulling up with a first down on the Pampa nine shortly after the first period started. Dunn made three and Price went over for the score with Dunn's kick going wide.

Carl Mayes returned the Borger kickoff to the 19. The Pampa fullback picked up one yard and Wilson emerged for 11 more. Mayes failed to gain and Wilson added three. Laffoon passed to Speer for 14 yards and a first down on the Pampa 49. A pass from Laffoon to Wilson was incomplete. Wilson picked up eight and added three more for a first down on the Borger 40. A pass was incomplete and Anderson fumbled a handoff from Laffoon on the "Statue of Liberty" and Chapman recovered for Borger on the 47.

Price raced for 16 yards to the 31. Pilcher made two and Price passed to Pilcher for 24 yards and a first down on the four. Pilcher made one and Dunn went over for the touchdown, adding the extra point on placement.

Mayes returned the Borger kickoff to the 41 and Laffoon passed to Speer for 14 yards and a first down on the Pampa 49. A pass from Laffoon to Wilson was incomplete. Wilson picked up eight and added three more for a first down on the Borger 40. A pass was incomplete and Anderson fumbled a handoff from Laffoon on the "Statue of Liberty" and Chapman recovered for Borger on the 47.

Price raced for 16 yards to the 31. Pilcher made two and Price passed to Pilcher for 24 yards and a first down on the four. Pilcher made one and Dunn went over for the touchdown, adding the extra point on placement.

Long Runs Mark Play in Nation's Major Grid Games

By HAROLD CLAASSEN
NEW YORK—(AP)—Long runs characterized the play yesterday as the nation's list of unbeaten college football teams was cut almost in half.

Army, back at the top of the heap as the No. 1 club, shook Glenn Davis, its Mr. Outside, loose for 66 yards and a touchdown and then unleashed inside, Doc Blanchard, for 92 yards and another counter as the Cadets hammered out their 23rd consecutive victory.

This time previously unblemished Columbia was the victim, 48 to 14. A 47-yard pass and run play, engineered by Bobby Layne, gave Texas its third touchdown in its 29 to 0 romp over Arkansas, the Razorbacks' first defeat. Sprints of 65 and 69 yards brought Iowa home the 13 to 0 winner over Indiana in the Big Nine's biggest surprise.

Short, consistent gains, however, built that was the exception. Charlie Trippi, Georgia's famed back, snaggled an Oklahoma A&M pass and romped 70 yards for one score in his team's 33 to 13 victory. Jim Austin of Missouri, hurt through the Iowa State line for 57 yards as his team won, also 33 to 13. George Guertze went 52 yards, then 43 as Michigan State spoiled Penn State's homecoming, 19 to 16.

The Iowa win over Indiana was the most lopsided in the Big Nine today. Northwestern and Michigan struggled to a 14 to 14 deadlock, a score that was matched exactly by Purdue and Ohio State. Buddy Young and his Illinois mates had to go all out to get past Wisconsin, 27 to 0.

Pennsylvania continued to give evidence of power in taking apart Virginia by a 40 to 0 score and Harvard, gradually gaining Eastern prestige, humbled Coast Guard, 69 to 0. It was the Cadets' first 1946 setback.

Brown spilled Dartmouth, 20 to 13, and Syracuse dumped Holy Cross, 12 to 6, in a pair of surprises that equalled the Michigan State victory. Cornell pulled ahead of Yale, 6 to 6, and Herman Wedemeyer guided St. Mary's to its fifth win over Fordham, 23 to 2. North Carolina, which previously had never scored on Navy, got enough tallies this time to defeat the Midshipmen, 21 to 14, with Charles Lee, here, here, Duke, Army's guest in New York City next Saturday, crushed previously unbeaten Richmond, 41 to 0, and Vanderbilt bowed to Kentucky, 10 to 7. It was the Trojans' bid to tie a bid to that circuit, belted Baylor, 13 to 6. It was Tech's third victory this year over a Southwest league team.

Oklahoma counted 14 points in the last period to split Kansas State, 28 to 7, and a Nebraska field goal dumped Kansas from the unbeaten list, 15 to 14.

The University of California at Los Angeles mastered the Golden Cubs of California, 13 to 6, in the Coast Conference's most important rivalry. Southern California got a measure of revenge for all the dirt during the Trojan bid to tie a bid to that circuit, blanking Washington by a 28 to 0 margin.

San Francisco traveled all the way to Memphis for a 48 to 29 win in the Roanoke State bid to the happiest team south of the Mason-Dixon line probably is that of little Louisiana Tech. That eleven sopped Mississippi 7 to 5, in the rain.

Assault finishes second in race of 12 three-year-olds, made up of the group to finish two lengths in front of G. H. Bostwick's filly, Risolator, who headed War Watch for the show.

Assault, who hasn't won a race since his victory in the Dwyer stakes at Aqueduct in June, missed a change to pump from eighth to fourth on the list of leading money winners. His \$5,000 second money ran his total to \$370,345.

Mix an advance supply of cinnamon and sugar and use it on the breakfast toast or for tea.

Layne Passes Longhorns To 20-0 Win

By BO BYERS
AUSTIN—(AP)—Riding high on the passing arm of Bobby Layne, the Texas Longhorns maintained their perfect record yesterday by dumping the Arkansas Razorbacks from the ranks of the undefeated, 20 to 0, before an estimated 40,000 fans.

Layne's passing accounted for two touchdowns after substitute Fullback Raymond Jones chalked up the first Longhorn marker on a dive over the center of the line early in the first quarter.

Texas was described as the crippled team before the game but Arkansas apparently was harder hit by the loss of Clyde (Smackover) Scott, its ace wingback. Scott saw no action.

Statistics belied the score except in the passing department, for Arkansas and Texas each collected eight first downs, and the Razorbacks gained 101 yards rushing to the Longhorns' 103.

It was in the air that Texas outshone Arkansas, gaining 145 yards to its opponent's 83. Layne threw nine of the ten passes Texas attempted and completed six for all the yardage that the Longhorns picked up by way of the air lanes.

Texas' first score came after a sustained drive of 78 yards, two breaks coming the Longhorns' way when pass interference was ruled against Arkansas on its 32 and the Arkansas interception, Coach Dell Morgan's red shirted Techsians stormed back to punch across two touchdowns in less than three minutes time for their winning margin.

Chunky Ed Robnett, Tech fullback and younger brother of the famed former Texas Aggie tackle, Marshall Robnett, plunged through the line for short gains to account for both Tech touchdowns.

In the backfields, the game began as a one-man show by Baylor's 215 pound fullback, Sammy Pierce. The big boy led the Bears on a first-quarter touchdown march to put them into an early 6-0 lead, but left the game soon after the start of the second quarter with a leg injury. His loss visibly affected the Baylor ground attack and from that point on the offensive show belonged largely to Tech's Ralph Earhart, Ed Robnett, Ernest Hawkins, Roger Smith and Leete Jackson, who took turns ripping off sizeable gains against the tiring Baylor line.

The Bears launched their lone scoring drive following Ken Hubbard's recovery of a Tech fumble on the Bear 41. From there, a series of end sweeps featuring the pile-driving running of Pierce carried to the Tech 3, from where Jerry Mangum, freshman halfback from San Antonio hammered across for the tally. Louis Leal's try for extra points was wide to the left, leaving Baylor ahead by 6-0.

The Bruins staved off one second-quarter Tech drive to hold their lead until half-time, but in the third stanza the Raiders, using a spread line that baffled the Bear defense, powered their way 64 yards on an all-ground assault to score, with Robnett going over from three yards out.

Just two plays later the Raiders were on their way to their second touchdown. On the first play from scrimmage following the kickoff to Baylor, Halfback Glenn Lewis broke through to bat down a lateral from Bobby Griffin intended for Sheats and recovered the ball on Baylor's 16-yard line, and on fourth down Robnett rocketed through the line to score.

A drawing-room originally was called a withdrawing room, and a place to withdraw to.

When the sun and moon pull together, we have high or spring tides; when they pull against each other, we have low or neap tides.

Sandies Drop Out Of District 1-AA Grid Leadership

Borger's mighty Bulldogs trounced Pampa, 34-7, Friday to take over undisputed leadership in District 1-AA full-season play, depositing the Amarillo Sandies, who bowed to Odessa, 26-13.

The two teams are tied for leadership in the conference standing with one win each, while Pampa and Brownfield are at the bottom.

No district team won outside the conference as Plainview fell before Sweetwater, 26-14. Lubbock dropped a surprising 14-12 decision to Abilene and Brownfield suffered its fifth straight defeat, scoring its first touchdown of the year but losing to Big Spring, 14-7.

Top game of this week will find Borger trying for its second straight conference win and its fifth victory of the season in a game at Lubbock. Plainview will be at Childress and Amarillo will be at Vernon in inter-sectional games. Pampa and Brownfield are idle.

Full Season's Standing

Team— W L Pts. Opp.

Borger 4 0 111 7
Amarillo 4 1 93 46
Lubbock 3 2 39 46
Plainview 2 2 67 86
Pampa 2 3 39 33
Brownfield 0 6 7 59

Raiders Strike in Third Quarter To Beat Bears, 13-6

LUBBOCK—(AP)—Striking with rattle-snake fury and suddenness in the third quarter to score two rapid-fire touchdowns, the Texas Tech Raiders scored their third successive win of the season over Southwest Conference opposition yesterday by turning back Baylor's Bears 13-6.

A sellout crowd of more than 13,000 fans witnessed the Raiders homecoming day grid feature.

Good Roads

ways. This is provided now by re-enactment of the bond assumption law every two years. (It is recalled that on one occasion this law was not re-enacted and it was necessary to call a special session of the legislature to reinstate these bond payments. By pacing this provision in the constitution, it will not be necessary that this law be re-enacted every two years and county ad valorem taxpayers will be assured that each year these bonds will be paid off without legislative action.)

5. Continues to allocate to the available school fund the one-fourth of the gasoline tax which currently is going for that purpose. The supreme court has ruled the constitution as now written affords no such protection to the school's share of these funds.

6. Guarantees to each of the counties of the state its present share of the motor vehicle registration fees.

7. Authorizes continued use of these funds for policing public road-

ways and for enforcement of laws designed to make the roads safer.
 8. Makes no changes in the existing allocation of road user taxes. It simply assures the continuation of this allocation by the constitution rather than by statute.

Some of the organizations backing the amendment are as follows, according to officials: Texas Rural Letter Carriers association, Texas Farm Bureau federation, Texas Safety association, Texas County Judges and Commissioners association, State Board of Education, West Texas Ginners association, Retail Merchants association, Texas Motor Transportation association, Texas Cottonseed Crushers association, Texas Highway commission, Vocational Agriculture Teachers association, Texas Wholesale Grocers association, Texas Lumber Manufacturers association, South Texas

Thomas Guilty

(Continued From Page 1)
 ject. He said a piece of concrete in the Hunt alley showed that a car had backed into it.
 On cross-examination, Defense Attorney Farmer of Waco read from the transcript of Duncan's testimony at Thomas' previous trials to show that the Ranger had not then mentioned the picture, the concrete block or pieces of metal.

Other witnesses were Mr. and Mrs. S. L. Veazey, who said Thomas stayed in their Amarillo home awhile before the slayings. Mrs. Veazey had said Thomas left about 4 p. m. Monday and returned "around 8 o'clock Tuesday morning," the day bodies were found.
 Veazey, Amarillo garage man, was called back to the stand Friday to testify concerning the visits of Texas Rangers to his garage following the killings.

He said a six-inch emery wheel and a six-inch wire buffer used in repairing inertubes had been removed from his shop and he had not seen them since. He testified further that neither instrument would leave the kind of marks found on a pair of basketball shoes belonging to his son, Alvis. The state contends that the shoes were worn by the Hunt murderer and were later "buffed off" to obliterate the design.

A former Pampan, Miss Lorene McClintock, daughter of Mr. and Mrs. O. D. McClintock of Slaton, Texas, will have published around the first of the year a book on music.

This was learned this past week when Miss McClintock, who at one time taught private music and later worked with the USO here, made a visit with friends and acquaintance in Pampa.

It took about eight months for her to write the volume, which will be entitled "Teach Yourself to Play the Piano."

She has just returned from New York where she signed a contract with Thomas Y. Crowell Publishing Co. for the publication.

For a number of years she has been working on this completely novel system of teaching oneself how to play the popular American musical instrument. Actually, she says, "it was here at Pampa that a lot of the ideas for this system came to me."

In 1941 she was granted a patent on a Keyboard Concealer—a device which is a part of the system set forth in the book. More ideas came to her while she was teaching GI's to play the piano at the USO. "That, too, she did here at Pampa."

Those ideas were put together during the eight months she spent at her parent's home at Slaton. "Then she went to the teachers, educators, musicians and critics in and around New York. A publisher had 50 copies of the MS reproduced, and the copies given to students at Columbia university and Veterans at Halloran hospital. They submitted themselves as guinea pigs for the project, and then the results started showing.

The average time taken to complete the book (manuscript) was one month. However, one boy who previously knew nothing about music completed it within nine days, and not only played all the pieces in the book, but "had acquired an uncanny knowledge of music in general."

Other copies went to persons, who, though able to play by ear, could not read music; and other copies were given to persons who had taken piano lessons, but wanted to improve their ability to sight-read. "Experiments were declared successful."

Typical comment on the forthcoming work is the following from Louis Blancoli, music critic for the New York World-Telegram:

"My impression of the Lorene McClintock manuscript is good. It is a patent, shrewdly graduated method of mastering the fundamentals of piano-playing. . . The ground covered is lucidly presented, and nothing is taken for granted. Each elementary step is carefully explained, and no new fact is brought in without previous preparation. . . The book should be published."

Although the book is a self-teacher, teachers and educators who have seen the manuscript are eager for their students to use it.

Miss McClintock received her Bachelor of Music degree at Southern Methodist university, in three years' time. She graduated with honors.

Not only did Miss McClintock study her music well; she also "dabbled" in art. Perhaps "dabbled" is not the right word, for during the time she was studying art and music the teacher in each thought each's course was THE thing for the student. She chose music, but art came easily.

As proof of her versatility, some of her paintings, all pastel landscape scenes, were shown at an exhibition at the Barbara Plaza art gallery in the 1946 Thumb show. Her paintings, with the work of four other artists, were selected by a New York Times art critic as the most outstanding on exhibition. Work of 27 artists was shown.

Her first serious study in art was here at Pampa, with the late Frank Hutton Schill as her instructor. She later studied with the internationally-known art instructor, Glenn Cooper Henshaw, in Indiana.

Fortune

 her rent promptly each month with a check for \$100 bill.
 Healy said the woman's husband, who died in 1935, was Louis J. Weigle, member of a stock brokerage firm.

A will made by Mrs. Weigle in 1937 left one-half of her estate to a sister, Mrs. Georgia Rosser Erdmann, of Chickasha, Okla., and one-quarter each to two nephews, Clyde Rosser, of Fort Worth, Texas, and Walter Rosser, of Maywood, Calif.

Before Mrs. Weigle died she penciled a note asking that her body be "cremated and the ashes scattered to the winds." Healy said the cremation was carried out, but the ashes have been kept at a funeral parlor.

FEATHER MERCHANTS NOTE
 SIDNEY, Mont.—(AP)—The fashion in Indian war bonnets isn't running to the traditional eagle feathers this season, at least not here.

Eugene Little Coyote of Lame Deer, Mont., sounded the fashion whoop for magpie feathers. He wrote officials here that he would like to buy 100 of them at "whatever price you ask."

 still well above the former OPA ceilings.

At Chicago, representative of all markets, choice steers closed the week \$8.00 to \$15.00 higher. Common, medium and good grades were up \$1.00 to \$5.00 after losing \$4.00 to \$7.00 from the mid-week peaks. Most steers finished the week at \$16.00 to \$23.00 a hundred pounds.

Hogs in Chicago finished \$6.00 to \$7.50 a hundred pounds higher. The old OPA ceiling on cattle was \$20.25 and there was a subsidy ranging from 50 cents to \$2.40, depending on grade. Hogs had a ceiling of \$16.25 and there was a subsidy of \$1.75, regardless of grade.

Food articles which compete directly with meat, such as poultry, closed the week with price declines. Poultry, selling at 35 cents a pound in the Chicago wholesale market Monday, dropped to 29 cents at the week's close.

Eggs also weakened, and trade sources explained that with more meat available a diminished demand for eggs was expected. At Chicago, a grade of eggs which brought 57-60 cents a dozen wholesale Monday sold at 53-57 cents as the week closed.

A grade of butter which brought 88 1/2 to 89 cents a pound in the Chicago wholesale market Monday was down to 80 to 80 1/2 cents at the week's close. New York butter dropped from 87 1/2 cents to 79 1/2-80 cents. These prices were representative of changes at other markets.

Lard, which had been under a ceiling of 18 cents a pound, was quoted on the Chicago Board of Trade at 36 cents with no sales. However, there were many sales confirmed in the open market at 50 cents.

Fresh stains are easier for your cleaner to remove than older ones.

Chinaware won't crack or craze so readily if not subjected to sudden or uneven heat changes.

Dr. Flamm Guest Speaker for WSCS At Lefors Meeting

PANHANDLE (Special)—As a fitting conclusion to their study on "India," Dr. Kenneth Flamm of Amarillo, spoke to the members and guests of the Women's Society of Christian Service of the Methodist church on Wednesday, Oct. 16.

Dr. Flamm spent two and one-half hours in India as a lieutenant colonel in the army. He served as area surgeon of the Calcutta district and helped to build a hospital in the Japore district.

He told of the legal and penal system in India and of the work done by a Baptist hospital and school that he visited while there. At the conclusion of his talk he conducted a question and answer period, which was very informative. In this period he said that he didn't believe that India would survive under self-government until they had a broad educational system.

A silver offering was taken to be sent to India for educational work there.

Tea was served by Mesdames A. L. Sifford, Kermit Lawson, M. C. Davis, and R. F. Surratt to the following: Mesdames E. Ames, Ernest Rossell, Charles Franklin, C. Lawson, Francis Holcomb, R. F. Surratt, George Hankins, M. G. Keath, Don Price, Minor Simms, F. J. Hollcroft, Opal Cleck, J. L. Sillip, George Knittel, C. E. McCray, S. I. Denny, Rachel Vance, Clara Connelly, H. L. Lemons, Trigg Lawson, Bessie Mohon, Coe Cleck, T. M. Cleck, Maggie Sterling, C. A. Caldwell, Ralph E. Randall, J. L. Armstrong, J. E. Weatherly, M. C. Davis, A. L. Sifford, Kermit Lawson, Carol Purvins, Misses Martha Metcalf and Nina Carhart and Mrs. D. A. Davis of Marfan.

Week of Prayer will be observed next week by the society with a program beginning at 10:30 Oct. 23. Each woman is asked to bring her own sandwiches in a paper sack and coffee will be provided for the noon meal.

Pink and Blue Shower Honors Mrs. Mihalski

Mrs. Joe Mihalski was honored with a pink and blue shower Thursday in the home of Mrs. R. E. Robertson, with Mrs. Robert Page and Mrs. Ora Wagoner as co-hostesses. After playing games the gifts were presented to the honoree.

Refreshments of punch, sandwiches, and cookies were served. Those present were Mesdames Carl Cook, Ora Wagoner, Mrs. C. D. Williams, Laurence Martin, B. R. Nash, Lowell Primrose, Edward Conner Keith, H. A. Killian, and Mrs. Morris. Those unable to attend but sending gifts were Mesdames Harold Worley, W. A. Thornton, J. S. Martin, Mable Dunlap, and Amel Stueben.

First Baptist Men Have Banquet at Church

The Men's Brotherhood of First Baptist church, at their regular dining room for a banquet, C. A. Scott acting president, introduced Calvin Whitley, program chairman. Mr. Whitley recognized the following ladies who acted as hostesses and prepared the dinner: Mrs. G. L. Graddock, food chairman, and Mesdames Claude Wilson, Rufe Jordan, Vestal Mosley, R. L. Edmondson, Ruth Ellis, J. D. Holmes, C. H. Baker and H. H. Greenhouse.

A male quartet entertained with two musical selections. Members of the quartet are Rufe Jordan, Gene Knight, Don Egerton, and Virgil Mutt.

Travis lively gave the special address on "Americanism and Christianity." Seventy five men attended and they made applications for membership in brotherhood.

SS Class To Hold Chrysanthemum Social

Martha Class of the First Baptist church will entertain all members and members in service at their annual chrysanthemum social to be held at the home of Mrs. E. L. Anderson, 1002 E. Francis, at 2:30 Thursday Oct. 24. Installation of officers will be held by social chairman, Mrs. Haney Thornhill and her assistant, Mrs. Roy Holt. Mrs. Mattie Henth and Mrs. J. R. Moss will be in charge of the installation and program.

Tips for Teens

Every week dozens of girls and boys ask the same question about high school: "What is it?"

"There's the quietest girl in one of my classes; how can I get acquainted with her?" Or "I see a very nice girl every day in school and she seems to notice me, but I don't know anybody who can introduce us. How can I meet her?"

It's easy. Easier than you think. You don't have to meet her—or him. All you have to do is introduce them. But when you see the same girls and boys every day in school you're supposed to give each other a nod. Begin with a friendly smile, next time you meet in class or pass in the corridor, then, later, give her a casual "Hi" or "Hello."

After a while it's just natural to chat about class assignments or a tough algebra problem. You can ask her if she knows the page-number of the history assignments; you're not sure that the right book is the one you can ask him how he got the answer to the math problem—ask him something he's sure to know, and he'll love explaining it to you—and that's the beginning.

It's also friendly to speak to classmates when you see them on the street, even though you don't know them in school. Keep it friendly, not flirty, and you'll have a higher opinion of you.

Keep that date-making glow of your eye until you get to know her or him, because it's as plain as noon lights and might make him wary indeed. Friendly, friendly, be interested in people first and foremost, and you'll soon have a date every Friday night.

For tips on the easy daily care of skin troubled with pimples or blackheads, send a stamped, self-addressed envelope to Elinor Williams at this paper.

Mrs. W. C. Lyles Is Honored at Shower

Mrs. W. C. Lyles, nee Carolyn Kiser, was honored at a shower Tuesday afternoon at 405 W. Purviance. Her hostesses were Mrs. C. M. Taylor and Mrs. R. A. Mack. The house was decorated with autumn flowers. In charge of the guest book was Mrs. P. D. Taylor.

Group pictures were made and the guests were entertained with a game of Guess for young housewives. Following the presentation of the gifts, refreshments of cake, coffee and mints were served.

Those present were Mrs. Louise Butler, Mrs. Betty Putrell, Mrs. J. W. Phillips, Mrs. Almo Davis, Mrs. R. A. Mack, Mrs. P. D. Taylor, Mrs. Bert Kiser, Mrs. W. D. Lyles, Mrs. Emory Noblitt, Mrs. Bess Berry, Mrs. C. M. Taylor and the honoree, Mrs. Lyles.

Sending gifts were Mrs. W. H. Waddell, Mrs. Charles Madeira, Mrs. Leon Lyles and Mrs. Edna Hardin.

After the opening of the gifts, plate refreshments of floral decorated cakes, chocolate mints and coffee were served to the following: Mr. and Mrs. V. S. Keagy, Mr. and Mrs. F. E. Smith, Mr. and Mrs. Geo. Saunders from Roswell, New Mexico, Mrs. R. D. McCabe, Mrs. Gladys Turner, Mrs. J. R. Shlimick, Mrs. J. R. Martin, Mrs. Charles Madeira, Mrs. Marion Taylor, Mrs. Dorothy Barritt, Mrs. B. B. Bagdale, Mrs. H. B. Corson, Mrs. Vearl Sweet, Mrs. Joe Ishbell, Mrs. W. N. Johnson Miss Bobbie Burns.

Those sending gifts were: Mrs. H. E. Johnson, Miss Lauretta Benson, Miss Clara Hyde, Miss Florence Merriman, Mrs. Pat Lanham, Miss Janie Bliss, Mrs. M. Ragsdale, Mrs. Stewart Mrs. Kenneth Crowley, Miss Verle Johnson, Mrs. L. J. McCarty, Mrs. Emmie Mosley, Mrs. Evelina Ots and Mrs. R. A. Trussell.

After the opening of the gifts, plate refreshments of floral decorated cakes, chocolate mints and coffee were served to the following: Mr. and Mrs. V. S. Keagy, Mr. and Mrs. F. E. Smith, Mr. and Mrs. Geo. Saunders from Roswell, New Mexico, Mrs. R. D. McCabe, Mrs. Gladys Turner, Mrs. J. R. Shlimick, Mrs. J. R. Miss Ora Johnson Bride-Elect Is Shower Honoree

Honoring the forthcoming marriage of Miss Ora Johnson to Fred L. Thompson of Cheyenne, Wyoming, Mrs. W. C. Wilson and Miss Della Brenner gave a surprise shower Oct. 17th, in the home of Mrs. Wilson at 1318 Mary Ellen street.

The gifts were attractively arranged in front of the living room mantle and were surrounded by a fluffy white how with streamers descending over the packages with the names of the honoree and the groom- elect imprinted in gold. Centering the top of the mantle was a miniature bride and groom under an arch of flowers. Tall white tapers flanking a low bowl of cut flowers in pink and white carrying out the chosen color scheme.

Each guest signed the bridal register, then twin corsages of pink and white carnations were presented to Ora and to her mother, Mrs. Johnson.

After the opening of the gifts, plate refreshments of floral decorated cakes, chocolate mints and coffee were served to the following: Mr. and Mrs. V. S. Keagy, Mr. and Mrs. F. E. Smith, Mr. and Mrs. Geo. Saunders from Roswell, New Mexico, Mrs. R. D. McCabe, Mrs. Gladys Turner, Mrs. J. R. Shlimick, Mrs. J. R. BIRD CONTORTIONIST
The grebe is a bird contortionist. It lifts its legs out of the water, shakes the moisture from them, then folds them over the back, under its wings.

Shrimp canning had its start on the Gulf Coast in 1897.

Gracie Reports

By GRACIE ALLEN
The army has just revealed what is undoubtedly one of its top military secrets. At Fort Belvoir, Va., rookies on the rifle range have brought in the highest marksmanship scores in the history of the fort.

How did the army accomplish this? Why, while the boys were firing they listened to Frank Sinatra.

No fooling. The commanding officer said the boys relaxed and were able to hit the bull's-eye better than ever before. Well, if you ask me, it was a brave but dangerous experiment. Gracious, I'd certainly hate to put a loaded rifle in the hands of a girl while she's under the spell of the voice. Thank goodness the boys reacted differently.

And I predict that this Sinatra influence may get out of hand in our army. I can't wait to see a tough sergeant wearing tobby sox.

Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off unsightly weight and help bring back alluring curves and graceful slenderness. Just get from your drugist, four ounces of liquid Barcolconate (formerly called Barcol Concentrate). Add enough grapefruit juice to make a pint. Then just take two tablespoonful twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help retain slender, more graceful curves, return the empty bottle and get your money back.

The field has been designated as an accredited flight school, fulfilling all requirements of the CAA as well as those of the VA.

It's a Flip-Flop, Declares Candidate

Frank T. O'Brien, of Potter county, republican candidate for congress in the Panhandle district, told an audience at Amarillo that Congressman Eugene Worley had done a "flip-flop" in his latest statement on OPA.

O'Brien, who is seeking to unseat Mr. Worley, as representative from this district, in the November election, said:

"My opponent now says that we can't control the national economy for any length of time. Just last week he said, in Pampa, that he was for prolonging price controls indefinitely. . . . He voted for extension of the OPA last July, and now he is saying just what he is told to say."

Toastmasters Will Meet Club Founder In Special Meeting

Toastmaster clubs of Pampa, Borger and Amarillo will hold a joint meeting at the Herring hotel, Amarillo, Tuesday to honor the founder of Toastmaster, Ralph Smedley, of Santa Ana, Calif.

Fred Sweeney, secretary of the Pampa club, said Saturday there will be two occasions for local members to meet Mr. Smedley. Dinner with him will be held at the Herring at 6 on Tuesday, and there will be a regular meeting at 7:30, also at the Herring.

Those who wish to attend the dinner, Sweeney said, are urged to be at the city hall here by 4:30; and those who are planning to attend the 7:30 meeting are asked to be at the city hall by 6.

Paraguay has only 300 miles of public highways.

School Notes From Canadian

By POLLY WARD

For the past several years it has been the custom to elect a Carnival Queen of CHS, each class having one candidate. A penny counts as one vote, and the candidate of the class which collects the most votes is crowned the queen. The Carnival is on Halloween night, and the queen is announced at midnight.

Each class campaign for this year's queen is getting under way, and posters and signs can be seen all over town advertising the four candidates. The seniors are rooting for Frankie Donaldson. Frankie has brownish-red hair, blue eyes, and strikes the yard stick at 5 ft. The junior's candidate is Ann Arrington, and Alice Jean Rutherford is the sophomore candidate. Betty Kemp is representing the freshmen.

The CHS Wildcats have played five games this year, and won three. The second game of the season was held Thursday night for the game on Friday with the Panhandle. The co-captains of the Wildcats, Bill Cross and Allen Webb, lit the fire, and yells and songs were given by the pep squad.

The National Honor Society and the National Junior Honor Society held their formal initiation in assembly Thursday. Five members were initiated into the National Honor society, and ten into the Junior organization. President of the NHS this year is Suste Vignal, and Ann Malloy is president of the National Junior Honor society.

A large percent of the freshmen girls were given a "pep" job. They were being initiated into the Future Homemakers of America club, and did such jobs as cleaning house, digging dandelions, shaving stumps, and cleaning out dog houses. They earned around \$30 for the club.

The girls were given a dinner buffet style, Tuesday night in the Home Economics dining room and then were formally initiated into the club. A short program was given at the initiation, with Pat Morris, president of the F. H. A., acting as master of ceremonies.

Over 60 girls were present at the dinner, about 40 of them being new members. The club mothers, Mrs. Jim Hutchison and Mrs. Vance Sleskey, were present, and the sponsor of the F. H. A. Miss Barbara Steele.

Dad, CAN I BE A DOCTOR Like You?

"Yes, Son—If you think you can stand hard work, long years of study, and little or no earnings for about ten or twelve years, after leaving school. It will take quite a lot of money to put you through, too.

"You see, after you complete high school, it will be necessary to have two to four years of regular college, then four years of Medical College, then two to four years of Internship in an accredited Hospital. After that, many young Doctors take postgraduate work in special fields.

Stringent examinations are then required, before you receive a license to practice Medicine. As your practice grows, your time belongs more and more to your patients; there are no hours. You should be genuinely fitted for the profession, as your greatest reward of serving mankind."

It is for your protection—that your Doctor, and his colleagues, keep a close watch on stringent requirements of Medical Schools and Medical Examining Boards. . . . Do not allow this quality to be lowered.

Borger, Pampa Students Combine To Make Council Party Success

A howling success! That is the best way to describe the Pampa-Borger party held last Friday in the school cafeteria. It was estimated by the sales managers that about 1000 students attended, with the total almost equally divided between the two schools. This party was the first big project undertaken by the Pampa High School Student Council.

Council members engaged in an all-out sales campaign last week and sold tickets for thirty cents a piece. The guests were given tickets when a Council delegation appeared in the Borger assembly last Tuesday and invited the students from the "rubber plant" city.

The social committee, headed by Nickie Fraser and Bill Speer, decorated the cafeteria with drawings representing the colors of the two schools.

Students marched through the cafeteria line and were given "hot dogs" and doughnuts and then received "pop" from a booth operated by student council members. Mrs. Kilgore and her staff members were in charge of preparing and serving the hot dogs.

One part of the floor was roped off for dancing to the music of a nickelodeon. The dance floor was a colorful one as members and cheer leaders from the two schools were scattered throughout.

A Council member could be spotted by a card with his name and the words "Student Council" written on it. General chairman Richard Hughes announced that Superintendent Crier and Principal Knowles of Borger High and numerous out of town teachers were present. Mr. Knox Kinney, Mrs. Winston Savage, and Mr. Jack Edmondson, and many Pampa teachers attended.

Hughes also announced that parties of this type would be held for all conference games if the students wanted them.

The purpose of this project was to encourage better relations between the two schools, but most important, to create friendships between individuals and to provide a place for students to entertain themselves before conference games.

Reporter Eyes Waste Basket for Feature

Even though there has been an acute shortage of metal during the war, there has always been sufficient supply of waste paper baskets in P. H. S. These baskets are considered by some as being merely ornamental, but not in the least as being essential.

These baskets have been constructed so as to permit almost any paper pad; they will stretch, if necessary, for apple cores; orange peels; they do not mean and groan over simple Sues and Rollicking Robert who simply dispose of their garbage as they merrily go down the halls. Strangely enough, it is the hall tenders of the basket that do all the groaning! Why? Well, if you don't know, you are invited to attend the daily routine of picking up such paraphernalia in and around the wastepaper basket that accumulated during one normal day of school.

Senior Personalities

Jeanine Gonyers was born in Wichita Falls, Texas, Oct. 1926. She attended schools in Skellytown, Pampa and Pampa, Texas, and is now a member of the Phi Kappa Phi Honor Society. She is a member of the Tri-Hi-Y for three years, the Glee Club and a Cappella Choir for three years, the Student Council for three years, the Spanish club and French club (president of both), the Tennis club and the National Honor Society, secretary. She plans to attend Texas State College for Women at Denton next year.

Pampa, Texas, is the birthplace of Betty Crocker, on May 29, 1929. Pampa schools are the only ones she has attended. She has majored in English and home economics. She plans to go to a business school next year, but she does not know which one.

Joyce Crawford was born July 17, 1930, in Seminole, Okla. She has attended Stonewall, Okla., Gainesville and Pampa schools. She won the tennis championship in both single and doubles at Gainesville, Texas. Her hobbies are tennis, volleyball and softball. Her majors are math, physical education, English and history. She expects to attend college at Denton, Texas.

Sports is the hobby of Billie Don Crowson. She has majored in English and math in high school. She was born in Miami, Texas, July 1, 1929. Pampa schools are the only ones she has gone to. She was a member of the National Play, "The Bat." She is also a member of the Cappella Choir. A poem she wrote was accepted by the National Anthology of High School Poetry. She expects to attend Amarillo Junior College next fall.

Wewoks, and Edmond, Okla., and White Deer and Pampa, Texas, are the schools June Dalton has attended. She was born in Stroud, Okla., Jan. 8, 1930. She has majored in English and math and is a member of the A Cappella Choir. Collecting dentime cups is her hobby. She plans to attend Oklahoma A. and M.

Tom Darby was born in Pampa and has attended Pampa schools. He was born August 11, 1929. Science and math are his majors and hunting and fishing are his hobbies. He is a member of the Hi-Y and the Junior play. Texas Tech is the college he plans to attend.

Reba Joyce Bain and Betty Myatt seem to have "outside" attractions, very attractive ones (I must add).

Leona Mills is certainly pining over D. L. Hale, an old Pampa High student, who is attending Texas Tech at Lubbock.

Hey! Can't one definitely hook Jerry Barber? If hear there are several who are trying to... so here's luck to one of them!

We would like to comment on the gleam and glister of Jo Ann Appleby's hair. Ann in speaking of hair, Barbara Carruth's hair is certainly not "fading!"

Ben Nix and Norma Manett were seen together at the football game. This is a young couple, but we hope they manage to become an "old" one.

Warren Jones and Billy Tarpley's shoulders have found a new use. They seem to go up and down

Home room 100 had a very original and interesting program Wednesday. The program chairman, Ida Ruth Taylor, made a clever riddle about every member of the class.

Several freshman boys appear to be definitely interested in Martha Hopkins. Not a bad interest, eh, boys!

Home room 100 had a very original and interesting program Wednesday. The program chairman, Ida Ruth Taylor, made a clever riddle about every member of the class.

Warren Jones and Billy Tarpley's shoulders have found a new use. They seem to go up and down

Prospective Members Honored at Homemaking Tea Kennedy, Campbell and Franks Head Program of Facts

Prospective members were honored with a reception given by the Pampa Chapter of Future Homemakers of America Thursday night in the Homemaking department.

The quest register featured the national emblem in the club colors and was presided over by Miss Bobbie Joyce Davis. Red and white miniature flags plus denoting club colors were given in favors. Yellow and orange marigolds were arranged in a crystal container centering the tea table, and tall yellow tapers completed the elaborate decorations. Refreshments consisted of ribbon sandwiches, cookies, punch, and mints. Miss Ruthie Lee Franks presided at the punch bowl.

Miss Erma Lee Kennedy, immediate past president of Pampa P. H. A., was featured on the program which was designed to acquaint the guests with the activities of the local chapter. Miss Kennedy spoke about the national state, and area organizations. Nanee Campbell, sergeant at arms of Area I, then told of her experiences at the state camp which was held at Camp Arroyo, Texas, last summer. Miss Ruthie Lee Franks, president of the local chapter, then told of Gov. Stevenson's proclamation declaring October 20 to 26 as P. H. A. week in Texas. She also introduced the local officers and the guests.

The refreshments were planned, prepared and served by the third year foods class under the direction of Miss Edith Kral, foods teacher.

At the members and guests present at the reception were Mrs. Knox Kinard, Mrs. R. H. Sanford, Mrs. Leslie Hart, Miss Edith Kral, Nanee Campbell, Lilith Martin, Joyce Davis, Margaret Nichols, Theresa Key, Dorothy Lee, Peggy McDougal, Lillian Stark, Mary Beth Wall, Frances Sileant, Ola Mae Smith, Emily Reynolds, Jewel Beckham, Barbara Crouch, Lorita Marsell, Bobbie Joyce Davis, Ruthie Lee Franks, Virginia Mytle, Betty Greene, Virginia Williams, Nancy Williams, Glenda Hossett, La Verle Caldwell, Gladys Marie Wilson, Billie Louise Scott, Harriet Nichols, Chivrene O'Leary, Atha Belle Stewart, Mary Estel, Mary Jo Stewart, Patsy Tucker, Peggy McEachern, Pauline Boyd, Nita Taylor, Verlene Farmer, La Nora Riley.

Local Quill and Scroll Asks Four Students To Become Members

Don Lane, Richard Hughes, Tommy Chisholm and June Myatt have been selected for membership in the Dorothy Parker Chapter of Quill and Scroll. This is the national honorary society for high school journalists.

Don, co-editor of the Little Harvester, has been active in journalism from his freshman year and is known to all for his clever features and witty stories.

Richard, co-sports editor, has given readers vivid accounts of sports. He has been active in journalism with the journalism department as a news writer.

Both June and Tommy have been selected for their outstanding work on the annual.

These four students passed the following requirements before being chosen: 1. Are of junior or senior classification. 2. Are in the upper third in the class in general scholastic standing at the time of selection. 3. Have done superior work in writing, editing, or in business management. 4. Recommended by the advisor and voted on by the present membership.

After being selected, a complete journalistic record of the candidates for membership is transmitted by the advisor to the executive secretary of the national organization for his approval.

Miss Olive Carter is sponsor for the local chapter.

Band Begins Pep Rally; Assembly Echoes Yells

Last Friday afternoon the Pampa High School auditorium once more echoed with the cheers of some 800 P. H. S. students. The occasion was the approaching Pampa-Borger game.

A few minutes before the rally started, a part of the band paraded the halls. Many of the students followed the band, and when the band reached the stage, they continued playing until the cheer leaders appeared.

Then the cheer leaders, dressed in green and gold and white, led the student body in several yells with the band assisting.

When Coach Coffey was called upon, his first sentences told the students of the tradition the Harvesters have built up through the years. The tradition is that the Harvesters have never been beaten by the Bulldogs. Coach praised the students' enthusiasm and they certainly proved that they deserved it in the yells that followed.

The rally ended with the school song.

Latin Club Selects Name in Meeting

"Latin Social" was chosen as the Latin I club name at their meeting Wednesday. This name means the Latin Society.

The following officers were also elected: president, John Friauf; vice-president, Barbara Stephens; secretary, Pat O'Rourke; and reporter, Margie Dixon. So far this year the club has had one party, which was a picnic held at Allen's Ranch.

The club is sponsored by Mrs. Lula B. Owen.

The 4 and Dunn went over standing up. His conversion was good and after a few plays the game ended 34 to 7. NEXT YEAR!

Flash! Anyone knowing where a favorite seeing eye dog is being brought to the Little Harvester office. The reason is that I just saw Ann Spenser with a blinding bright fuchsia skirt and was so bright that I've heard this remark: "Just turn the sun under the flash; he doesn't need to shine." I mean "reelly."

Tommy Jo Estes, who just recently came to PHS, showed off an adorable pastel skirt with yellow predominating. Tommy chose a white sweater to go with this and the result was definitely "swoonderful."

Leona Mills and Carol Sloan wound up fashions for this week with a bang by sporting red-red-red boots. Both girls wore them with riding pants and did heads turn their way with admiring glances!

With this we'll say "30" for fashions with one exception. The only thing we should all wear, the apparel that never grows old, is that great big sunshine smile. So long.

There are only two sources of knowledge; our own experience and what we learn from others.

Mazy Crowned Band Queen In Dark Event

Mary Lou Mazy was crowned Band Queen in a colorful ceremony Friday during the half-time of the Borger-Pampa game.

The band marched down the field maneuvering several counter-marches before making a huge heart in the center of the field. Mary Lou was presented a lyre of yellow chrysanthemums by Mildred Groves, drum major and retiring queen.

As the lights on the field went out, the band turned on their flashlights of green and gold and played "Dear Old Pampa High School." Mildred directed the piece from the tip of the heart with a baton lighted on each end.

This was the first time the band had paraded this year. They wore white coveralls due to a delay in receiving uniforms.

Proceeding the Harvester band, the Borger band in their red and white military-style uniforms marched down the field and formed a heart in the center of the field. The six twirlers and the drum major stood to the south of the band and five girls with flags were on the north side. As the band played the Pampa school song, the girls with the flags waved them in time with the music. Following this the twirlers performed as the band played a lively tune.

Staff Completes Plans For Favorite Election

Class favorites will be nominated Wednesday, October 23, in home room. The election will be the following week, October 30. Be sure you consider your choice before you vote, in order to get the best representative for your class. The annual class is sponsoring this election. They will sponsor the other elections of All-School Favorite and Pin-Up Boy and Girl.

The executive board of the annual met Thursday and Friday mornings to plan the arrangements of the book. They also decided upon the theme, cover and dedication. Warren Jones, Edith Morrow, Jean Pratt, and Miss O. Carter are the board members.

Other members of the staff are the following: June Myatt, C. L. Farmer, Leona McClendon, Lawrence Baines, Weldon Mitchell, Patsy Williams, Anita Lane, Bill Kribbs, Charlene Brown, Dolores Burnum, Lou Ella Butler, Vera Ann Daugherty, Betty Hillman, Nanee Campbell, Ivan Marlin, and Margie Sloan.

Band Begins Pep Rally; Assembly Echoes Yells

Last Friday afternoon the Pampa High School auditorium once more echoed with the cheers of some 800 P. H. S. students. The occasion was the approaching Pampa-Borger game.

A few minutes before the rally started, a part of the band paraded the halls. Many of the students followed the band, and when the band reached the stage, they continued playing until the cheer leaders appeared.

Then the cheer leaders, dressed in green and gold and white, led the student body in several yells with the band assisting.

When Coach Coffey was called upon, his first sentences told the students of the tradition the Harvesters have built up through the years. The tradition is that the Harvesters have never been beaten by the Bulldogs. Coach praised the students' enthusiasm and they certainly proved that they deserved it in the yells that followed.

The rally ended with the school song.

Latin Club Selects Name in Meeting

"Latin Social" was chosen as the Latin I club name at their meeting Wednesday. This name means the Latin Society.

The following officers were also elected: president, John Friauf; vice-president, Barbara Stephens; secretary, Pat O'Rourke; and reporter, Margie Dixon. So far this year the club has had one party, which was a picnic held at Allen's Ranch.

The club is sponsored by Mrs. Lula B. Owen.

The 4 and Dunn went over standing up. His conversion was good and after a few plays the game ended 34 to 7. NEXT YEAR!

Flash! Anyone knowing where a favorite seeing eye dog is being brought to the Little Harvester office. The reason is that I just saw Ann Spenser with a blinding bright fuchsia skirt and was so bright that I've heard this remark: "Just turn the sun under the flash; he doesn't need to shine." I mean "reelly."

Tommy Jo Estes, who just recently came to PHS, showed off an adorable pastel skirt with yellow predominating. Tommy chose a white sweater to go with this and the result was definitely "swoonderful."

Leona Mills and Carol Sloan wound up fashions for this week with a bang by sporting red-red-red boots. Both girls wore them with riding pants and did heads turn their way with admiring glances!

With this we'll say "30" for fashions with one exception. The only thing we should all wear, the apparel that never grows old, is that great big sunshine smile. So long.

There are only two sources of knowledge; our own experience and what we learn from others.

Bulldogs Swamp Harvesters 34-7; Borger Now Threat to District IAA

The Borger Bulldogs spell offense with a capital "O" and they proved it last Friday night as they swamped the Pampa Harvesters 34-7 at Harvester Park.

This is the first since their rivalry began over ten years ago that a Bulldog eleven has defeated a Pampa team. In doing this, Borger is brought into the football picture as a definite threat to the District IAA title and is ranked as a team to be dealt with all over the state of Texas.

Although the Harvesters were badly beaten, they were the first team to succeed in crossing the Bulldogs' goal line this season, and it is doubtful that there will be too much more of that this year. Jimmy Wilson is credited with the Pampa's second score and Dunn's conversion was good. Pampa came back fast and after five plays Wilson went over from the 45. His conversion was good and with it the first quarter ended.

The Harvesters were no match for Borger's elusive Price and hard running Dunn. It was Price and Dunn all the way. Price and Dunn led the Pampa's line to pile up tremendous gains. Borger started the scoring in the first quarter when after 15 plays, Price took the opening kickoff and went over from the 45. Dunn's conversion was good. Pampa came back fast and after five plays Wilson went over from the 45. His conversion was good and with it the first quarter ended.

Borger failed to march on the first series of plays and was punished to the Harvesters 25, where a fatal fumble cost them the possession of the ball. After taking the ball to the 20 Price went off tackle for Borger's second score and Dunn's conversion was good to make the score stand at 14 to 7. Following Dunn's kickoff the Harvesters were unable to gain and Speer punted out to the Borger 35. After a few plays Price speared and to go to the Pampa 35 and on the following play rifled a pass to Rex Orman to punt the ball on Pampa's 15. Price tackled again on an end sweep and again Dunn's conversion was good. Pampa began to click with short passes from Laffoon to ends Speer and Boyles but the half ended to leave the second period score 21 to 7.

Borger began a sustained drive in the first part of the second half but Price fumbled on Pampa's ten yard line and Boyles recovered. After a couple of plays Speer got off a beautiful punt out of the end zone, which went to the Borger 15 and Price made his way back to the 30. Borger was unable to make a first and Dunn punted to Laffoon on the Pampa 42. Pampa 100 failed to click and after bringing the ball to the Borger 45 Speer kicked out of bounds to the Bulldog 22. Here Borger began to click with Price and Dunn on the running ends and after 15 consecutive plays Price went over from the 3 for his fourth touchdown of the evening. Dunn's conversion was wide and he kicked off to Mayes who returned to the Pampa 20. Pampa then went to work as they piled up 4 first downs on Laffoon's passes to Speer and Boyles and runs by Mayes and Wilson but Pampa fumbled on an end run and Chapman of Borger covered on the 47. Borger then took to the air with passes from Price to half-back Pileher, which took the ball to

Modern Salesmen Sell Tickets With A Line

The halls were thick with salesmen last week as tickets to the Student Council social for the year went on sale.

Many a natural born salesman came to light as he tried for the \$2.00 price which was offered for the large amount of money turned in. Not having the chance to stick their foot in the door, they just met the prospects at the door and walked all the way to their lockers as they tried to sell their wares.

Many a tall tale was related out to the die-hards who didn't want to come were pounced on by the presidents of the home rooms. But despite all

BLAST WRECKS HOUSE

A heavy explosion occurred at the home of Mr. and Mrs. John Major at 3 a. m. Thursday of last week causing considerable damage, according to the Groom News. The house was reportedly moved off

its foundation. The explosion is thought to have been caused by accumulated gas under the floor set off by the floor burners. Mr. and Mrs. Major were asleep at the time the explosion occurred. They were not injured by the blast.

Cub Scouts and Guests See Movie Of Troops at Work

PANHANDLE. (Special) — For the concluding program of the scout university Tuesday evening the picture "The Cub Scout in the Pack," showing a typical pack, was shown. It emphasized the part played by scoutmaster, den mothers, den chiefs, parents and cub scouts.

Also shown was "The Three Assistants," a training film for scoutmasters and committeemen. Over forty scouts, cubs and their parents saw these pictures and participated in the discussions led by Thomas C. Cochran, scout executive for the Carson-Hutchinson district. At the end of the session, Mr. Cochran met with committeemen from over the county in a discussion of their problems.

Prepared mustard was first mixed a few hundred years ago by a woman in Durham, England.

OUR CIVIC CLUBS

JAYCEES—Tues. Palm Room.
Rotary—Wed. Palm Room.
Lions—Thurs. Meth. Church.
Kiwanis—Fri. Meth. Church.

Week's Activities
JAYCEES—The club this year will handle the Girl Scouts campaign funds, and the drive will open on Oct. 28. Although members failed to announce a chairman for the drive during the luncheon period, Friday it was announced that Bob Morris would head the drive. (See separate story in this paper.)

ROTARY—John F. Gallie, geologist for the Cabot companies, traced the history of carbon black at this week's meeting, Palm Room. He discussed its original use in China 2000 years ago, and stated that it was first introduced into the U. S. —made from artificial gas—about 1863. It was first used in automobile tires about 1914, by the English. Texas, he said, produces about 60 percent of the carbon black manufactured in the U. S.

LIONS—The Lions held their regular weekly luncheon meeting in the basement of the Methodist church Thursday.

Two guests, Ole Gordon and J. P. Hollies, were introduced by Doctor Douglas Nelson. Harry Kelley, who had charge of the entertainment program, presented a one reel movie film entitled "See Uncle Sol."

KIWANIS—The Amarillo Downtown Kiwanis club presented the program this week at the luncheon period here. The program was conducted by the inter-club committee, headed by John Pool. The main speaker was Sam Kelly, who spoke on the housing shortage. (See Page 1). Downtown Club President Carl Jenkins, and inter-club committee member, Herman Meyen were also present. Members of the Pampa club and their wives will attend a "buffet" luncheon at the Junior high school building on Tuesday night.

DENWORTH NEWS

Mr. and Mrs. Earnest Dowell of Merzon visited their cousins, the Vester Dorells, over the week and other relatives in Amarillo.

Mrs. Cortis visited her daughter, Mrs. L. Bourland and family of Tulsa last week.

Mrs. VesterDowell made a business trip to Pampa Monday.

Mrs. Dunham of McLean visited her daughter, Mrs. Frank Wiggins and family, the week-end.

Mr. and Mrs. Joe Bidwell visited relatives near Kellerville, Sunday. Also her sister, Mrs. J. D. Heard of Wheeler.

Mr. and Mrs. Jack Tighe visited her nephew, Forrest Hupp and family last week, also Mrs. Tighe's sister, Mrs. L. Marshall of Kellerville.

Mrs. C. E. Cortis gave a birthday dinner Sunday at her home, honoring her son, Gene Roush and wife. Those present were Mrs. Roush's grandmother and aunt from Ohio, who have been visiting her the past week.

Miss Virginia Chambers and Miss Dorothy Grisby of McLean visited Mildred and Murry Ruth Holloway Sunday.

Mr. and Mrs. John Lowe visited their son, Ray Lowe and family of Pampa Sunday.

McMurray Beating Biggest Texas Line

ABILENE—(AP)—What's the biggest line in Texas college football? Well, McMurray ought to come mighty close to it. Coach Vernon Hilliard is starting a forward wall against Texas A. and

Saturday night in Kingsville that average 218 pounds to the man. Here they are: Ends, Charlie Eredemeyer, 195, and Les Cowan, 215; tackles, Mel Jowell, 220, and Morris Patterson, 225; guards, De-foss Jones, 225, and Kenneth Tate, 230; center, Neal Bradshaw, 215. That's a total of 1,525 pounds. Fish are unable to close their eyes.

SOME OF THOSE BOYS ARE ORDERING ROAST PHEASANT AT \$3.50 A PIECE. I THINK THEIR CREDIT IS OKAY?
THE GIRLS ARE FINANCING THE EVENING, SO I PRESUME WE HAVE NOTHING TO WORRY ABOUT!
OKAY, IF YOU SAY SO... BUT MOST OF THE BOYS ARE STRICTLY IN THE "DOUGHNUTS AND COFFEE" BRACKET!

After Clip left, I was covering up the evidence of his visit when Blake returned.
HELP YOURSELF, OLD MAN! BUT I DIDN'T KNOW YOU TOUCHED THE STUFF.
WHAT BRINGS YOU HOME SO EARLY, HARDY? THIS IS NO TIME FOR A PARTY TO BREAK UP.
THE LIT'S ARE ALL CHURNED UP ABOUT SOMETHING, SO I LEFT. I JUST PASSED CLIP LIT ON THE PATH.
LONG ENOUGH FOR ABOUT THREE DRINKS--FAST.
HE WANTED ME TO TAKE A LITTLE BOAT RIDE ON THE LAKE TOMORROW NIGHT. I REFUSED.
WHAT DID HE WANT?

RYDER'S ALL RIGHT, SHERIFF, BUT IT'S BETTER TO MAKE A DEUTSCHMAN AS A SHERIFF WHILE YOU'RE LAID UP.
RED'S ALREADY A DEUTSCHMAN, AND THERE ANST A BETTER MAN IN THE COUNTY FOR THE JOB?
IF YOU'RE GET ON TO IT, I CAN'T CHANGE YOUR MIND.
THE DONT SEEM TO LIKE IT, BUT I CAN'T TELL ME TO GO TO MY OFFICE?
FIRST THING YOU DO, RED, IS FIND THE HOMER THAT PLUGGED ME.
I'LL START LOOKING AT CUTT SANSOM'S GAMBLING HALL!

IN THE CHAMBER OF HORRORS--KARLOFF, SINATRA AND DALI...
SO YOU TWO HAVE AGREED ON THIS ONE? LET ME SEE... OH--SOB?--YES!!
MY POOR C-COLLEAGUES!!--THEY GASP--GAVE--EVERYTHING--BUT BEFORE--I GO--IT MUST BE SHOWN TO THE GASP--GREAT AMERICAN--PUBLIC--
RATTLE RATTLE!
RATTLE RATTLE!

MOTHER, I THINK AUNT ELLEN IS DEFINITELY MEAN! I HAD A LOT OF NIGHT CLUBS. I WANTED HER AND HER BUN FRIEND TO TAKE ME TO...
BUT SHE SAYS NOW THAT SCHOOL IS ON, SHE CAN'T POSSIBLY DO IT WITHOUT A NOTE FROM YOU.
VERY THOUGHTFUL OF AUNT ELLEN.
I'LL SIT RIGHT DOWN NOW AND WRITE HER A NOTE.
OH, BUT ABSOLUTELY... A NOTE OF THANKS.
WEEDERS, HONEST, MOTHER?

SO, ORION! CAN'T BLAME A MAN FOR TRYING TO GET BACK TO HIS HOME WITH ME, AND READY TO MAKE A BREAK FOR THE BORDER!
YOU'RE AFRAID IF YOU LET ME HERE I'LL HAVE THE POLICE ON YOUR TRAIL IN NO TIME, SO...
ANOTHER THING... YOU IGNORED MY ORDERS NOT TO DIG IN THESE RUNS!

I'M AN ARCHEOLOGIST, MOCHO, INTERESTED IN UNCOVERING THE HISTORY OF THE PEOPLE WHO BUILT THIS ANCIENT CITY!
BUT WHEN YOU OPENED THAT SEALED ROOM AGAINST ORDERS, MY FRIEND, YOU SEALED YOUR OWN DOOM!

YOU CAN STAY HERE AND BE ASSISTANT KING OF DOG TILL YOUR TEETH FALL OUT, BUT NOT ME--HUH-HUH!
OKAY, COULD I SORTA COUNT ON YOU TO HELP ME--BUT KINDA LET ME KNOW HOW THINGS ARE GOING IN THE LAB FROM TIME TO TIME. WILL YUM!
IT'S BEEN NICE KNOWING YOU, MOCHO, ANY TIME Y'WANTA COME BACK WE'LL BE GLAD TO HAVE YOU!

YEP! YOU KNOW THAT THE MACHINES THEY GOT?
OOR-OO! YOU KNOW JACKSON TALKS UP RUNNING AROUND AN DEVOTE YOUR TALENTS TO THE WELFARE OF YOUR PEOPLE WAS ONE YOU'LL NEVER REGRET!

AND SO BEGINS A NEW CHAPTER IN ALLEY OOP'S STRANGE HISTORY!

ROO, YOU SIMPLY MUST BE CALM WHEN BY BACK WORKING!

I KNOW, BOSS, BUT I'M WORKING! RESPONSIBILITY!

WHY WE CAN'T EVEN BE SURE THAT THE TUBE WILL LIKE THE MOOSE WHEN WE DO FINISH THE JOB!

I'M SURE THEY'LL LOVE IT!

PARTICULARLY THE KITCHEN I HAD HOBBSOON AND BILL, GREER. SURELY DID A SWEET JOB! AND THE MACHINES ARE WORKING ON A STUDY THAT WILL TICKLE THE PROFESSOR PINK!

OH... I MUST CALL BILL ALLEY ABOUT THE INSURANCE!

WHAT I LIKE IS THIS HELMUS ROOM FOR PUS! SHELL ADORSE IT!

RESERVE YOUR CHRISTMAS PUPPIES EARLY

Market Briefs

WALL STREET STOCKS

NEW YORK, Oct. 19—(AP)—The stock market today tried for selective recovery but most leaders failed to attract worthwhile support and dealers were among the smallest for the past year or so.

While modest advances persisted at the close, declines of fractions to a point or so were widely distributed. Numerous pivots were unchanged. Transfers ran to around 35,000 shares. Recently slipping commodities, brokers suggested, served to accentuate speculative and investment caution, in line with this uncertainty, the nation's principal cotton exchanges announced suspension of trading for the remainder of the week, a slump in the futures of this staple of about \$25 a bale since last Tuesday.

Another climb of industrial inventories, it was said, was viewed by analysts as a warning factor. The foreign picture, as pointed by Secretary Byrnes, also was thought to have inspired a certain amount of conservatism in commission houses.

In the backward shift were Bethlehem, Chrysler, Goodyear, U. S. Rubber, International Harvester, Westinghouse Electric, N. Y. Central, Southern Railway, Du Pont and Allied Chemical.

Resistant were Texas Co., Chesapeake & Ohio, Phillips Morris, and Air Reduction.

Bonds were narrow. At Chicago wheat futures dropped the day's limit of 3 cents a bushel and other grains skidded.

vealers and calves largely 1.00-2.00 higher; stockers and feeders unevenly steady to 1.00 higher, upturn on good and choice grade; most classes reached all time high with end of OPA restriction but general market worked lower after Wednesday; numerous loads up good and choice steers 2.00-2.50; bulk medium and good after Monday selling 19.00-25.00; week's top grassers mainly common and barely medium 7.00-9.75 lb. 12.75-18.00; bulk medium and good 19.00-21.00 with grassers 21.00 at high time; good cows 18.00-2.00 at peak time but 15.50-18.50 late; closing bulk common and medium 11.00-14.00; good and choice vealers and calves 18.00-19.00; feeder buyers bought half fat 975-1150 lb. steers early in week 20.00-25.00.

Hogs salable 300; compared Friday last week very uneven; lights 7.00-8.25 higher; sows 6.00-7.00 higher.

FORT WORTH LIVESTOCK

PORT WORTH, Oct. 19—(AP)—(USDA)—Cattle market still very uneven and trends difficult to determine; in a general way, compared with week ago: beef steers and yearlings 1.00-3.00 higher, other slaughter cattle and calves 1.00-1.50; stockers strong to 50 higher; Wednesday's yearlings, cows highest, and closing sales far under some of extreme peaks; week's tops: beef steers and yearlings 22.00, cows 16.50, bulls 14.50, fat calves 20.00, stockers 17.50; closing bulks: beef steers and yearlings rather scarce all week. Medium and good cows 12.00-16.00, common 10.00-11.00, canners and cutters 7.00-8.50; bulls 7.00-11.00, good and choice killing calves 15.00-18.00, common and medium 11.50-14.00, culls 8.50-10.50; medium and good stocker and feeder steers, yearlings and calves 14.00-17.00; stocker cows 9.00-13.00; best 13.50.

Hogs—for week: butcher hogs 6.50 higher, lights 170 lbs. down 5.00-6.00 higher, sows 2.00-4.00 higher and pigs 3.75 higher. Week's tops: butcher hogs 20.00, sows 25.00 and feeder pigs 20.00.

CHICAGO GRAIN

CHICAGO, Oct. 19—(AP)—A hectic market with wide price fluctuations developed in grain futures today after a relatively quiet opening. Wheat dropped 5 cents, the daily limit, at one time and corn and oats had losses extending to more than 3 cents. Wheat closed 3/4 to 5 cents lower, January \$1.96 1/2-5/8, and oats dropped 1 1/2 to 3 cents, November 7 7/8-7 3/4.

FORT WORTH GRAIN

PORT WORTH, Oct. 19—(AP)—Wheat No. 1 hard 2.12-2.15. Oats No. 3 white 93-94. Sorghums No. 2 yellow milo per 100 lbs. 2.52-2.58.
