

Oilers Warm Up Fast in First Practice Period Yesterday

Sports Sure to Pack More Power in Texas League

By OTIS HARRIS

Shreveport, La. (AP)—With the club certain to pack more power and the pitching in the hands of a half-and-half staff of tested veterans and sharp rookies, the Shreveport Sports are prepared to settle for nothing short of the first division in the 1947 Texas League race.

Finishing seventh last summer and hobbled by the weakest attack in the league, the Sports have had a major facelift in the interest of jacking them up several notches.

The out field will be brand new, so will the catching staff and the infield and elbowing crops have been revamped.

Major additions to the club include Outfielder Nick Gregory, bought from Dallas; Outfielder Len Haney, purchased from Fort Worth; Catcher Herb Crompton, bought from Toronto, and Pitcher Ralph Hamner, who was bought from Hollywood after refusing to report following his sale to Hollywood by the Chicago White Sox.

Hamner and Crompton were members of Shreveport's championship team in 1942. Hamner won 19 games for the club that season.

The better looking rookies, most of them up from smaller leagues, with famous 1946 records, include Johnny Wood, Art Triestman, Leroy Youngblood, Bill Garland, Elton Davis and Warren Hacker.

With Gregory apparently destined to play left field and Haney center, the scramble for the right field position is between Ed Kobesky, Henry Vallee and Jim Kirby, all newcomers here.

With the keystone situation in the infield settled by the return of Al Muzar at second and Danny Reynolds at short, the other spots are in doubt. Chief Hajduk, part-time operator at first last season, is being challenged by Bob Pritchard, up from Paris of the East Texas League with the reputation of being a slugger.

Even Manager Salty Parker isn't safe at third. He is having to contend with Fred Daniels, a holdover, and General J. E. Wood, former Southern Methodist University football hero, who also was with the club last summer.

With Crompton installed as first-string catcher, Joe Ross and Jim Garner, rookie receivers, are battling for the understudy spot.

Hamner is certain to spearhead the pitching if he approaches his 1942 form. Veteran associates of the Bradley, Ark., third man, are Verne Williamson, Earl Dothager and Bill Gunn of the 1946 staff.

SPORTS

Pampa News, Tuesday, April 1, 1947

Harvester Defeat 'Cats in Dual Meet

Pampa High School's harvesters thinned chalked up 54 and one-half points to defeat the Canadian Wildcats in a dual meet here yesterday. The Wildcats managed to scratch up 35 and one-half points in nine events.

However, it was Bill Cross, the Cat's outstanding all-around athlete, who virtually stole the show, while busily clawing his way to 22 points to take top individual honors of the day.

Young Cross, who is a senior this year, took first place in the 100-yard dash, the low hurdles, the broad jump and the high jump. He got two more points for placing third in the pole vault.

The results: Shot put—Griffin, Pampa, first (41 feet 2 inches); Boyles, Pampa, second (41 feet 1 1/2 inches); Canadian, third (37 feet 2 1/2 inches).

Discus—Speer, Pampa, first (136 feet 6 inches); Williams, Canadian, second (117 1/2 feet); Kennedy, Pampa, third (108).

Pole vault—Anderson, Pampa, first (10 feet 3 inches); Lockhart, Pampa, second (10 feet); Cross, Canadian, third (9 feet 6 inches).

High hurdles—Davis, Pampa, first (15 1/2); Speer, Pampa, second; Hinkley, Pampa, third.

100 yard dash—Cross, Canadian, first (10.3); Wilson, Pampa, second; Popham, Canadian, third.

High jump—Cross, Canadian, first (5 feet 7 1/2 inches); Anderson, Pampa, second; Lockhart, Pampa, third for second and third.

220 yard dash—Popham, Canadian, first (25.3); Wilson, Pampa, second; McPhillips, Pampa, third.

Broad jump—Cross, Canadian, first (29 feet 9 inches); Cox, Pampa, second (18 feet 7 inches); Miller, Pampa, third (18 feet 6 inches).

Low hurdles—Cross, Canadian, first (14 seconds); Hinkley, Pampa, second; King, Canadian, third.

One-half mile run—Curritt, second period, first; Meason, fourth period, second; Lewis, fourth period, third; Stovall, third period, fourth.

One mile run—Sus, third period, first; Munn, fourth period, second; Crowner, first period, third; Bonner, fourth period, fourth.

Greenbelt Tournament To Be Held at Quanah

Frank Baker, Pampa Country Club professional, and Charlie Duenkel, club official, flew to Dallas Sunday, where they attended the initial meeting, this season, of the Greenbelt Golf Association.

At the meeting plans were made to hold the Greenbelt Association Tournament at the Quanah Country Club next May 29, 30, 31 and June 1.

The entrance fee of \$4 includes a Calcutta pool and a "dutch lunch" following the qualifying round, it was announced.

Baker said that the Pampa Country Club would like to send as many entrants as possible to the tournament.

Light travels a million times faster than sound.

Five More Men Expected for Workouts Soon

By BOB BRAY

Old Saul favored Pampa's Oilers with a bright, warm day yesterday, for their initial practice party in preparation for the defense of their West Texas-New Mexico League baseball championship.

Ten men, five representing a skeleton of last year's champions, and five rookies who are starting their climb on one of sport's toughest ladders, grunted and sweated while taking the kinks out of their bodies under the watchful eye of skipper Grover Seltz.

Seltz said he was expecting five more men to arrive in the next few days, two plus some additional help from the Shreveport Sports of the Texas League, later in the practice season.

The opening conditioner session was by no means a soft one. Plenty of running in the form of wind sprints, and a lot of work was done among the orders of the day and the men seemed to take to them well. After everyone was sufficiently warmed up, they were warmed up fast in the unusually warm spring weather, they went through a light infield workout and batting practice.

Even in the first-day practice, Al Johnson, one of the club's most versatile players last year worked smoothly at the keystone sack, which was vacated by slugging Virgil Richardson, the Oiler's leading hitter in the 1946 season. Seltz appeared to be pleased with Johnson's opening bid.

In batting practice Big Joe Forten, Tony Range and R. C. Oley displayed plenty of their old form and were ready and planning to do plenty of hitting again this season.

Everybody was hustling the ball and the five rookies were probably outworking the others. It's too soon to tell how they'll come out, but Seltz said that he was favorably impressed with all the boys. They are: Jack Elliott, catcher prospect from Enid, Oklahoma, who should have an excellent chance of playing in George Payne, Fort Worth, who provided Al Zigelman, 1946 regular, is not retained on the roster.

Leonard Davis, Amarillo, and Murrel Nelson, Oklahoma University, are both good pitching prospects that from all indications may be badly needed.

George Payne, Fort Worth, and Bob Knott, San Diego, both promising outfielders will likewise be given a chance to deliver.

The men that Seltz is expecting to arrive here in the next few days are Francis Rice, rookie outfielder from Virgil Richardson's home town of Fort Worth, and right-handed pitcher White, lanky hurler of last year's champion, who won 15 out of 27 games; the two Hewitt Brothers, Bill, who won 9 and lost 13 with the Clovis Pioneers last year, and Wick, who was injured early last season and only got in a few games; and Ed Turner, who was favored to be the principal speaker at a recent banquet honoring the Pirate Football team.

At the banquet, which was prepared by the mothers of the football players, a surprise presentation of football jackets was made.

Following a short talk by Kimborough, the group adjourned to the auditorium, where they were shown films of last season's Baylor-Texas University football game.

Those who received jackets were: Lettner, Jack Breining, W. T. Cole, Eugene Cooper, Jack Cullison, Hugh Daniel, Isaac Doorn, James Floyd Galin, Duane Hankins, James Jinks, Tommy Jones, C. H. Keeton, Fred Newsum, Joe Ogden, Ferrel Tibbets, and Jimmy Williams.

Reserves Bobby Bratcher, Bill Clemmons, Joe Ray Combs, Gerald Pillman, John D. Fouburg, John A. Gomer, Ray Jordan, Joe B. Parford, and Roy Stracener.

Managers Jerry Berryman, Sam Daniel and Jimmy Maple.

Turner Blasts Homer But Team Is Defeated

Ed Turner, Room 212 first secker, blasted out a homer but that wasn't enough to stave off his team's defeat at the hands of Room 113, by a score of 10 to 4. The game was the third in the opening round of the Junior High School Intramural Softball tournament.

Lineups: Room 113—Elmer Wilson, p. Harold Comer 2b, Jarold Comer 3b, Doyle Doggett cf, James Clancha ss, Coach Buzz Tarpley c, Gene Jennings lb, James Sewell rf, and Tommy King lf.

Room 112—Buford Gamblin c (coach), Jimmy Bennett p, Ed Turner lb, Willie Moore 2b, Thomas Grantham 3b, Jim Medley ss, Thomas Pike lf, Gregory Keys cf, and Herbert Bump rf.

Turner knocked a home run for Room 212.

ALMANAC

APRIL

2—U.S. mint established, 1792.

3—Washington Irving, born 1783.

4—Charles Bush installed first public electric system, Cleveland, 1879.

5—Federal state of York town begun, 1862.

6—Easter Sunday.

7—Dr. Sun Yat-sen elected president of China, 1911.

8—Louisiana admitted to Union, 1812.

Cards May Have Greatest Infield

By GAYLE TALBOT

TAMPA, Fla.—(AP)—The St. Louis Cardinals' infield should come to be recognized this year as one of the greatest in the history of baseball, and Manager Bledie Dyer's world champions most likely will win the National League flag by a decisive margin.

The foregoing is the principal fruit, so far as this writer is concerned, of six weeks spent wandering through the spring baseball mart, punching the products and listening to the barkers.

The Red Birds should win again because they will be a better club than they were at any time in 1946. If pressed for a complete order of finish in the National this observer would guess something like this: (1) St. Louis, (2) Brooklyn, (3) Boston, (4) Chicago, (5) Philadelphia and (6) New York.

Except for some doubt about Captain Terry Moore's ability to play his usual sparkling ball in center field for more than 100 games, the Cardinals are set to open the race with a rush. Their fine young catcher, Joe Judge, has never begun to hit, but no one much doubts that he will come along.

The team that appears to have the best chance of upsetting the above order of finish is Pittsburgh, with Hank Greenberg and Ralph Kiner, last year's twin homerun kings, taking their big cuts in order. The Pirates might do almost anything or nothing much, fifth-place finish would represent a popular victory for the team's new owners, who include Crooner Bing Crosby.

Top Tennis Stars Open Play Today

HOUSTON—(AP)—Four of the nation's top tennis stars, ranking second players in the River Oaks Invitation Tennis Tournament, take the court today.

The large annual racket festival opened yesterday, with only one minor upset marring first-round matches.

Chick Harris, of Rice at Houston, defeated Tom Molloy, of the Army Air Forces Ground Training School, 6-3, 6-1.

The 21-year-old Navy veteran from Corpus Christi played his straight tennis to eliminate the eighth-seeded Southern ranking favorite.

Motion Picture Actor Tom Reed, of Los Angeles, was an easy victim for veteran ninth-seeded Bryan "Blitz" Grant, 6-0, 6-3.

Scheduled today are matches involving National Champion Jack Kramer, Frank Parker, defending River Oaks champion, Gardner Mulloy, and Bill Talbert.

Lefors Gridders Awarded Jackets

LEFORS—(Special)—Frank Kimborough, head griddon mentor at West Texas State College, was the principal speaker at a recent banquet honoring the Pirate Football team.

At the banquet, which was prepared by the mothers of the football players, a surprise presentation of football jackets was made.

Following a short talk by Kimborough, the group adjourned to the auditorium, where they were shown films of last season's Baylor-Texas University football game.

Those who received jackets were: Lettner, Jack Breining, W. T. Cole, Eugene Cooper, Jack Cullison, Hugh Daniel, Isaac Doorn, James Floyd Galin, Duane Hankins, James Jinks, Tommy Jones, C. H. Keeton, Fred Newsum, Joe Ogden, Ferrel Tibbets, and Jimmy Williams.

Reserves Bobby Bratcher, Bill Clemmons, Joe Ray Combs, Gerald Pillman, John D. Fouburg, John A. Gomer, Ray Jordan, Joe B. Parford, and Roy Stracener.

Managers Jerry Berryman, Sam Daniel and Jimmy Maple.

TRAINING STARS

ABELINE—(AP)—Coach Warren R. Woodson sent 79 players through the opening day of Hardin-Simmons University's spring football training. The twenty-one lettermen are back for next season.

Training Camp Notes

ST. PETERSBURG, Fla.—(AP)—Pitcher Johnny Pesky, discouraged at one time last year that he announced he was quitting baseball, passed the first test on his comeback trail yesterday as the St. Louis Cardinals trimmed Cincinnati, 7-2. The best birds here of the 1942 World Series showed plenty of stuff during his three-inning mound trick during which he fanned two, walked none and yielded three hits.

PORT WORTH—(AP)—It will be "old home week" for another Boston Red Soxer today. Tommie Egan, who lives nearby, will share the pitching chores with Joe Dobson against the local Cats of the Texas League. Yesterday in Houston, Egan won a pitching duel with his first cousin, Jack Greel, when Johnny Pesky yielded to a triple that gave the Sox a 4-2 win over the Houston Buffs.

JACKSONVILLE, Fla.—(AP)—The Boston Braves will take their third crack at the Detroit Tigers today with Righthander Johnny Sain attempting to go the distance and duplicate the feat of Big Mule Cooper, who recently hurled nine

their initial spring training base yesterday by staging a six-run ninth inning rally to nose out the Chicago White Sox, 9-8. Highlighting the rally were two two-run homers by Clint Hartung and Willard Marshall, the latter's blow winning the game.

ST. PETERSBURG, Fla.—(AP)—The New York Yankees will end their stay here by playing exhibition games with the St. Louis Cardinals today and tomorrow. The Yankees will start north Friday, stopping at Atlanta, Norfolk, Va., and Baltimore before reaching New York.

FIGHT SET TONIGHT

KANSAS CITY, Kans.—(AP)—World's Middleweight Champion Tony Zale, marking time until the triple is cleared for a return titular scrap with Rocky Graziano, will meet Al Timmons, lanky Cleveland fighter, in a scheduled 10-round bout tonight.

Some horses are allergic to saddle soap.

CATFISH LURE
HERE'S HOW IT WORKS

A lure dipped into a specially prepared emulsion, dries quickly into a firm but flexible catfish lure. Pictured above is the lure before and after dipping. It will cast like a lure plus not when in the water. "Stiff" is a smoke-like substance that attracts catfish from a great distance. Bait can be made "Fast Starters" for best fishing or made to last several days for set lines. Instructions for application may be obtained from bait merchants and when made into bait will keep indefinitely.

Use sample lure with full instructions how to make lure and emulsion, will be sent for ONE DOLLAR. Emulsion and bait can be made in your own home. If you want to catch catfish, send your order now.

GEORGE W. WYLIE—Clay Center, Kans.

Announces Details of \$20,000,000 Price Reductions

Details of the recently announced International Harvester policy of making price reductions to save users of our products approximately \$20,000,000 a year have now been worked out.

We have reduced prices on 163 models. These cover 12 basic models of farm tractors, 123 basic models of farm machines, 16 basic models of industrial tractors and engines, and 12 models of motor trucks, as well as certain motor truck attachments. The new lower prices are effective as of March 10, 1947.

These reductions were made not because of any decline in demand, but because we believe nothing is more important to this country than to lower the prices of the goods people buy.

While prices have not been changed on all products, we have made reductions wherever possible, in the amounts possible. Prices of many of our most popular products have been substantially lowered.

Altogether, more than half of the company's customers will be benefited by the reductions, which range from 1% to 23.8% and from \$2.50 to \$300 per item, based on list prices, F.O.B. Chicago.

Since the people have demanded that the government withdraw from price control in peacetime, the responsibility to keep prices in check is back where it should be—in the hands of business and industry. The business outlook makes it possible for us to move toward the goal of lower prices, and we have felt a duty to act as promptly as possible.

Our ability to maintain these lower prices will depend on the supply and price of materials we buy from others and on uninterrupted production at reasonable wage levels.

The prices listed here carry out our announced policy that "Any price is too high if it can be reduced."

25 More Types of Products

Pumps—52 models reduced from \$9.00 to \$20.00 (3% to 10.7%).

Cultivators—13 basic models reduced \$5.00 to \$10.00 (4.5% to 7.4%).

Liners and Middleliners—7 models reduced \$5.00 in each case (2.8% to 4%).

Corn Planters—4 basic models reduced \$5.00 in each case (3% to 4.8%).

Grain Drills—11 models reduced \$14.25 to \$20.00 (4.4% to 6.3%).

Brownies Inspect Fire Department

Members of Brownie Troop 19 visited the local Fire Station Thursday afternoon and were taken on a tour in inspection by Fireman Allan Claunch.

Fireman Claunch demonstrated how to hook the big hose on a fire hydrant and explained about forcible entry, stringing a line of hose from the hose truck, and all about the exciting things which happen when an alarm is turned in.

The girls saw the bunter suits and an asbestos suit which a fireman wears when entering a burning house. The use of gas masks was explained to them and was tried on for size but found to be too large. The traffic control box proved to be very intriguing, not to mention the shiny poles the firemen slide down. The girls were permitted to go upstairs and see the Recreation Room and take a peek into the bedroom; downstairs again they noticed the huge map on the wall and the telephone which is used for alarms only, the other being business phones.

Fireman Claunch turned on the blinking red light on the new truck and started the siren which brought squeals of delight from the 11 happy youngsters.

After the visit to the Fire Station the girls returned to the Little Scout House where games were enjoyed.

Easter Egg Hunt At Christian Church

An Easter egg hunt will be held at the First Christian Church Friday afternoon at 2:30 for the Kindergarten departments. Each child is to bring six dyed hen eggs.

About a third of the World's manganese, used as an alloy in fine steel, comes from India.

NEEDED LAXATIVES DAILY—UNTIL NOW!

Eats famous breakfast cereal—feels like new person

Do you have to take harsh laxatives over and over again to keep going? Then read this sincere, un-solicited letter:

"I was so troubled with constipation that I had to take one or two laxative pills about every evening. About five months ago I began eating ALL-BRAN for breakfast, and now that I eat it regularly I feel like an altogether different person! I no longer bothered with constipation." Mr. Lewis P. Reinhardt, Waukesha, Wis., LaSalle, Ill.

You, too, may never have to take another laxative if you suffer from constipation due to lack of bulk in the diet. Simply eat KELLOGG'S ALL-BRAN every day—and drink plenty of water. Fry it for ten days! If by that time you are not completely satisfied with the results, send the empty carton to the Kellogg Company, Battle Creek, Michigan, and get double your money back!

KELLOGG'S ALL-BRAN is not a purgative but a wholesome food made from the vital outer layers of wheat. For best results, eat it with cereal, or in muffins. Get KELLOGG'S ALL-BRAN at your grocer's today.

SOCIETY

Pampa News, Tuesday, April 1, 1947 PAGE 3

The Social Calendar

TUESDAY
7:00 La Rosa Sorority will meet with Nancy Thomason.
7:30 Revival services at First Christian Church.
7:30 Visitation Evangelism campaign opens at First Methodist Church in Fellowship Hall. Light refreshments and instructions followed by visitations.
8:00 Pampa Rho Club in IOOF Hall.
8:00 BPW Executive Board meeting.
8:00 Sub Deb Club's Kid Day Dance at Terrace Grill.
8:00 YVW meeting in Legion-YVW Hall. Installation of officers. All foreign war veterans invited.

WEDNESDAY
12:30 Executive Board meeting of W.P.A. at First Baptist Church.
1:00 First Baptist WMU covered-dish luncheon in church dining room.
1:15 Clara Tree Major's dramatization of "Under the Lilacs" in Junior High Auditorium sponsored by A.A.W. Royal Service program of First Baptist WMU. All women of church invited.
2:30 Circle 1, Presbyterian Church, with Mrs. E. L. Buzzerstaff, 608 N. Gray.
2:30 Circle 2, Presbyterian Church, with Mrs. Clyde Fatherson, 319 Christine.
2:30 Circle 3, Presbyterian Church, with Mrs. D. E. Williams, 709 E. 23rd.
2:30 A nursery will be provided at the Presbyterian Church during the circle meetings.
2:30 Executive meeting Pampa Business Club in Court House cafe, to make plans for Oldtimers' Dance in Legion-YVW Hall on April 12.
8:30 "People's Power Night" at Central Baptist Church.

THURSDAY
2:00 P.T.A. City Council in Reading Room of Junior High School.
2:00 Easter egg hunt in City Park for Beginners Department of Central Baptist Church.
2:00 All recreation members of County Council of H. D. clubs asked to meet with Mrs. O. G. Smith, 1001 Day Boulevard.
7:00 Wedding of Miss Dorothy June Johnson and Dorrell Dollahan in First Presbyterian Church.
7:30 All church visitation night at Central Baptist Church.

FRIDAY
2:00 Skellytown H. D. Club in Shell Club House.
2:00 Easter egg hunt at First Christian Church for Kindergarten and Kindergarten department. Each child asked to bring six dyed hen eggs.
7:30 Vienna Club.
7:30 Singing at White Deer Church of Christ.
7:30 Annual Friendship Night of local chapter, Order of Eastern Stars, in Masonic Hall at White Deer. Six other chapters invited.

SUNDAY
8:30 a. m. Easter sunrise service in Harvester Park sponsored by Pampa High School Bible Department.

MONDAY
8:00 Beta Sigma Phi Sorority with Mrs. E. E. Sheehan, 1211 N. Russell, with Mrs. C. V. Minnear as co-hostess.

Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off unattractive fat and help bring back slender curves and graceful slenderness. Just get four ounces of liquid Barcetrane (formerly called Barcetrane). Add enough grapefruit juice to make a pint. Then just take one tablespoonful twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back-breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle and get your money back.

APRIL FOOL'S PICNIC
An April Fool's picnic was enjoyed by members of Epsilon Sigma Alpha Sorority and their guests last evening in the home of Mrs. Parks Brumley, 3315 Christine, with Miss Adrien Brazil as joint hostess.

The picnic supper was cooked and eaten in the back yard with the menu including: fried frankfurters, potato salad, baked beans, potato chips, pickles, spring onions, and coffee.

Following supper the members and guests enjoyed a social hour in the living room during which time more coffee was served. Present were Mesdames Robert Karr, Albert Douette, Florence Duke, Bert Arney, Charles Cook, John Nutting, and Trvin Askt, and Miss Margie Grim, guests; and Mesdames Dial Herman, D. Foster, Lillian Kelley, William Ragsdale, Oran Payne, and Ed Givens; and Misses Valtee Dyson, Ursula Jones, and Wilkie Blazney.

Mrs. Payne, president, has called a special meeting of all members for Wednesday afternoon at 5 o'clock in the City Club Rooms.

Covered-Dish Luncheon Tomorrow for First Baptist WMU Circles

A covered-dish luncheon will be held in the dining room of the First Baptist Church tomorrow at one o'clock by members of the WMU circles. A Royal Service program will be presented at 2 o'clock and all the women of the church are invited.

The Executive Board meeting will be held at 12:30.

Harvester Park Been Chosen as Location For Sunrise Services

Harvester Park has been chosen as location for the Easter sunrise service, being sponsored by the Pampa High School Bible Department, it was announced today by Rev. Russell G. West, director of the department.

Special music for the service, which will begin promptly at 8:25 a. m., will be under the supervision of R. Vigil Mot.

Dr. Emily J. Hicks Guest Reviewer for Berger BPW Club

Dr. Emily J. Hicks was guest reviewer at the meeting last Thursday of the Berger Business and Professional Women's Club held in the Federated Club Rooms.

Dr. Hicks reviewed "A Woman's Best Year" by Walter Beran Wolfe, a book in keeping with the theme of the program which was on "Health." She was introduced by Mrs. John Norman, program chairman, and emphasized particularly the need for women over 40 to adopt a hobby or hobbies, especially one which creates interest in other people. Since clothes have a tendency to create moods, Dr. Hicks believes women over 40 should never wear brown except with a bright scarf or hat to offset the somber mood this color sometimes creates. She was presented a Rouson table lighter from members of the club.

Also attending the Berger meeting from Pampa were Mrs. Mildred Lafferty, president of the local club; Mrs. William McNitt, Mrs. Laura Bell Cornhus, Mrs. Eliza N. Smith, Katherine Martin, and Miss Maurine Jones.

Visitation Campaign Begins This Evening

A campaign of "Visitation Evangelism" will be launched by the First Methodist Church at 7:30 this evening at which time workers will meet in Fellowship Hall for light refreshments and instructions. It was announced today by Rev. H. Clyde Smith, pastor.

Following the brief period of instruction the workers will go out in pairs and call on prospective members of the church.

'Under the Lilacs' Tomorrow at 1:15

Clara Tree Major's dramatization of Louisa May Alcott's "Under the Lilacs" will be presented by the Children's Theatre of New York tomorrow afternoon at 1:15 in the Junior High Auditorium.

The presentation, which is sponsored by the Pampa Bible Society, the American Association of University Women, has been particularly adapted for young people of junior high school age, said Mrs. Quentin Williams, A.A.W. president.

WARNING! ACT FAST ON PIN-WORMS

Pin-Worm infection usually spreads like wildfire. And it is now known that the ugly creature, living and growing inside the human body, can cause real distress. So don't take chances with Pin-Worms. And don't suffer a single minute from the misery of the aggravating rectal itch or other troubles caused by the pest. Get JAYNE'S-PW at the first sign of Pin-Worms. P.W. is a medically recognized drug principle which has proved so wonderful in dealing with this infection. The small P.W. tablets act in a special way to remove Pin-Worms easily and safely. Ask your druggist for Pin-Worms!

County Council H D Clubs Names Delegates to THDA Meet May 7

Delegates were named to represent Gray County at the THDA meeting in Hereford May 7 and reports were heard from the committee chairmen at the regular monthly meeting of the County Council of Home Demonstration Clubs Saturday afternoon at 2:30 in the office of Miss Ann Hastings, county home demonstration agent.

Worthwhile H D Club Plans Covered-Dish Luncheon on April 4

At the meeting of the Worthwhile Home Demonstration Club held recently in the home of Mrs. D. E. Bump it was planned to hold a covered-dish luncheon April 4 in the home of Mrs. T. J. Watt, Stanolind Camp. Mrs. Ann Hastings, Gray County home demonstration agent, will meet with the club and give instructions on "Covered-Dish Luncheon."

A program and discussion on "Bedroom Decorations" was led by Mrs. O. H. Anderson, after which refreshments were served to Mesdames Earl Perkins, D. Nash, T. V. Lane, T. J. Watt, Robert Page, A. French, G. H. Anderson, G. L. Linsford, D. L. Linsford, and four children.

Mrs. Lemons Hostess To Altrurian Club

PANHANDLE—(Special)—"The Human Touch in Work" was the program topic for the Altrurian Club when it met Wednesday evening in the home of Mrs. Mason Lemons with roll call answered with "Modern Medicines."

For this program Mrs. George Crossman discussed "Old Wives Tales" and Mrs. G. F. Gramer "Modern Trends in Medicine."

In the business session with the president, Mrs. Crossman, presiding, plans were made to entertain the husbands of the members on the evening of April 10.

Refreshments were served to those already mentioned and Mesdames Lyle Gulkerson, Leslie Denney, Louie F. Cleek, Doyle Chrisman, and Miss Elsie Porter, guests; and members, Mesdames G. J. Atkins, Spots Grubb, Harold Knapp, Merle Lewellen, Ralph Metcalf, James Daniels, Elmer Padgett, Judson Skaggs, H. B. Skelton, A. J. Weiser, Guy Wester, Paul Dauer and Nolan Sparks.

Mrs. Fry Hostess to Friday Bridge Club

SHAMROCK—(Special)—The 1947 Bridge Club and a number of guests were entertained in the home of Mrs. Aaron Fry Wednesday evening.

The Fry home was artistically decorated with vari-colored snapdragons.

Refreshments were served before bridge games began and at the close of the games, Mrs. Euell Bradley was awarded high score prize for guests, and Mrs. Vernon Carver received high award among the members. Mrs. Bonnie Potts received low.

Guests attending were Meses Earl Gobble, Euell Bradley, Guy Burnett, Bedford Harrison, Russell Hill, W. D. Watts, Kingfisher, Orla, Mike Celli, Brocklyn, N. Y., and Bill Allison, and Miss Arlene Logsdon.

Members present included Meses. Byron DeMoss, Charles Major, Bonnie Potts, and Vernon Carver, and Miss Ruth Zeigler.

OES Study Club Will Meet Tonight at 7:30

The regular meeting of the Eastern Star Study Club will be held this evening at 7:30 in the home of Mrs. Artie Reber, 217 N. Gillespie. All members are urged to attend.

The parasite red pinasp is known as the "Gain of the plant world," because it lives on decaying vegetable matter.

Delicate, lacy and pretty are these lovely crocheted edgings. If you have hanky gifts on your party list, do try turning a plain handkerchief into a super-special by crocheting on one of these charming edgings. To obtain complete crocheting instructions for the Pine Handkerchief Edgings (Pattern No. 5149) send 15 cents in COIN plus 1 cent postage. YOUR NAME, ADDRESS and the PATTERN NUMBER to Anne Cabot, Pampa News, 1150 Ave. Americas, New York 19 N. Y.

Ivan Peacock and Bobby Shew Receive Webelo Certificates

At the meeting Friday evening of Pack 4, Cub Scouts, Cubmaster T. J. Harris presented the Webelo certificates, the highest rank a Cub Scout can go, to Ivan Peacock and Bobby Shew, who in turn presented re-registration certificates to all the Cubs present.

Mr. Harris presented the following awards: lion badge, Walter Lee Colwell, and Carol Larned; bear badge, Donald Cook; wolf badge, Jimmy Enloe, Kenneth Hinkle, LaRue Blanton, and Gary Griffin; wolf gold arrows, Kenneth Hinkle, Gary Griffin, and Danny Joe Johnson; wolf silver arrows, LaRue Blanton, Harold Hammett, David Gantz, Kenneth Hinkle, Jimmy Ayers, Darlen Olson, and Danny Joe Johnson; Ronald

Spencer, and Ben Sturgeon; and lion silver arrow, Ivan Peacock. Mesdames Morris Edloe, T. J. Harris, Minnie Barnes, H. H. Watson, and Herman Gantz were presented certificates of appreciation in recognition of the spirit of Cub Scouting which they have brought to the community through their services as Den Mothers.

All presentations were made by Cubmaster Harris. Stunts were given by each Den followed by judging of exhibits. The honor pennant went to Den 5 whose Den Mother is Mrs. John Ayers, Jr. Second place pennant was received by Den 3, Mrs. Minnie Barnes, Den Mother.

During the intermission between stunts Morris Edloe led the Cubs in singing a number of songs.

WOMEN 38-52 YEARS OLD-DO YOU SUFFER THESE FUNNY FEELINGS?

due to this functional 'middle-age' cause? If you're in your "40's" and this functional "middle-age" period peculiar to women is causing you to suffer from hot flashes, nervous irritability and weak, tired, high-strung feelings, then do try Lydia E. Pinkham's VEGETABLE COMPOUND

Lydia E. Pinkham's VEGETABLE COMPOUND

E. Pinkham's Vegetable Compound to relieve such symptoms. This great medicine is famous for this! Taken regularly—Pinkham's Compound helps build up resistance against such "middle-age" distress. Thousands have reported benefit! It's also a grand stomachic tonic for all.

Texas All-College Dance in Amarillo

Dance in Amarillo Friday, 8 Till 12

A number of Pampans are planning to attend the Texas All-College Dance to be held at the Avatrix Club in Amarillo Friday evening, April 4, from 8 until 12 o'clock.

The purpose of this dance, sponsored by the Panhandle Club of the University of Texas, is to bring together as many Texas Exes and their friends as possible for a big get-together. The dance is for students of all colleges and universities as well as the exes of these schools.

Admission will be \$1.00 per person, including tax. Tickets will not be on sale in advance but may be obtained on the night of the dance at the entrance ticket table.

Michigan Republican Gets Tough Before Foreign Affairs Group

By DeWitt Mackenzie (AP Foreign Affairs Analyst)

That certainly was two-fisted language which Representative Crawford, Michigan Republican, used yesterday in testifying before the House Foreign Affairs Committee that he believes the United States should tell the Russians they must disarm or this country will use her atomic bombs and economic power against them.

The congressman conceded that such a course would mean war if the Soviet Union defied America. He said that in the event of war Russia would "get licked." He added that the people of the U. S. A. "have the power to disarm 'EMITT MACKENZIE' the world" and should start with Russia.

Well, far be it from us to deny that we are capable of doing whatever seems necessary. Still, having taken this stand, undoubtedly all will agree that it's preferable if possible to handle this Communist world-revolution without another global conflict at arms.

War between the two most powerful nations—both virtually unlimited resources—would be a horror which might drag along for years. True, we could create havoc with our atomic bombs, but the military experts say that major wars aren't going to be won with atomic bombs alone at this stage of the game. All other branches of the armed services would have to

DR. PAUL OWENS OPTOMETRIST
Eyes Examined and Glasses Fitted
OFFICE HOURS
9 to 12 — 2 to 5
315 E. Kingsmill Ph. 1855

be brought into play, including infantry.

Agreeing with Congressman Crawford that America would win, we should have to go into the Russian bear's cave and drag him out by main force. And that would take some doing, for the Soviet Empire occupies one-sixth of the world's land surface, and is heavily guarded in Europe by many satellite nations. Such a war would make all past conflicts look like school picnics.

That's why the United States government is trying to halt the Red drive by the indirect method of giving material aid to nations which are in the path of communistic aggression. Greece and Turkey are the first to come in line for help. In this connection secret testimony was presented before the Senate Foreign Relations Committee last week, designating Turkey as the key, even more than Greece, to any move to halt the spread of communism in the Mediterranean area.

This testimony was given behind closed doors by Edwin C. Wilson, U. S. ambassador to Turkey. One senator told a reporter that Wilson's presentation was so significant that the legislator concluded the President's program is based even more on military than on political considerations. Wilson is said to have testified in effect that Turkey remains the last strong government on the Mediterranean standing up against Russia. He added that the Turks aren't able alone to foot the bill for maintaining a large army.

Since Turkey straddles the Dardanelles and thus embraces both European and Asiatic soil, she forms a land bridge between Europe and Asia.

So Turkey can be said to provide a highway between three continents. And if that broad highway were thrown open to communism, there's no telling where the Redism might go.

The \$150,000,000 which President Truman would allot to Turkey would be used for military purposes. The Turks are among the world's finest fighters, and it was a wholesale respect for the Turkish army (Ankara claimed that it totaled 1,000,000 bayonets) which kept Hitler from attempting to charge across from the Balkan peninsula into the Middle East.

Turkey is said to be able to mobilize a total of some 2,000,000. In event, she has sufficient effective to man her powerful natural defenses along the Dardanelles, provided she has the equipment. That's where American aid would come in. It's safe to say that the Muscovites, like the Germans, would look carefully before attempting to force their way into Turkey from the Balkan peninsula.

Three Intoxication Cases Before Court

Three men were assessed fines of \$10 each on charges of intoxication this morning before Corporation Court Judge Clifford Braly and three 20-year-old youths were each fined \$10 on charges of exploding fire crackers last night in the Pampa Bowling Alley. All traffic cases were continued for further hearing.

NO ONE HOME

NEW YORK (AP)—Mr. Bear, Mr. Wolf, Mr. Fox and Company will not be at home to telephone callers today at the Bronx Zoo. The telephone company began screening April 1 telephone calls last year and stopped 2,766 of them from plaguing unattended zoo officials.

CITATION
TO THE STATE OF TEXAS
John W. Gilbreth, also known as J. W. Gilbreth, and wife, Mrs. John W. Gilbreth, John W. Gilbreth and wife, Mrs. John W. Gilbreth, Thad Snow and husband, John Snow, and the unknown heirs and legal representatives of such of the above named parties, all persons claiming any title or interest in the land under deed hereof made by Edna Talley and wife, Roberta Talley, to J. W. Gilbreth, as grantee, which conveyance is dated September 28, 1929, and is recorded in Volume 43, Page 216 of

the Deed Records of Gray County, Texas; and all persons claiming any title or interest in the land hereof made by John W. Gilbreth to Thad Snow, as grantee, which conveyance is dated October 1, 1929, and is recorded in Volume 51, Page 491 of the Deed Records of Gray County, Texas.

GREETING:
You are commanded to appear and answer the plaintiff's petition as or before 10 o'clock a. m. of the first Monday after the expiration of 32 days from the date of issuance of this Citation, the same being Monday, the 12th day of May, A.D. 1947, at or before 10 o'clock a. m. before the Honorable 21st District Court of Gray County at the Court House in Pampa, Texas.

Said plaintiff's petition was filed on the 29th day of March, 1947. The file number of said suit being No. 8694.

The names of the parties in said suit are: A. L. GILLES, as plaintiff, and all of the parties above named to whom this writ is addressed, as defendants.

The nature of said suit being substantially as follows:
Plaintiff sues in trespass to try title, alleging that on the first day of January, 1946, he was and will be the owner in fee simple of the following described real estate and premises situated in Gray County, Texas:

All of Lot No. 4, in Block No. 40, of the Talley Addition to the City of Pampa, Gray County, Texas, according to the map or plat of said Addition of record in the office of the County Clerk of said County.

On such day also he was in possession of such premises; and afterwards, on the first day of January, 1946, the defendants, and each of them, unlawfully entered upon and dispossessed plaintiff of such premises, and withheld from him the possession thereof.

Plaintiff pleads that his title has fully matured under the Ten Year Statute of Limitations.

Plaintiff sues for title and possession of the above described premises, of said suit, and Federal and State relief.

If this Citation is not served with-

in 90 days after the date of its issuance, it shall be returned unexecuted. ISSUED this 29th day of March, 1947.

Market Briefs

Table with columns for various market indices like 30 Ind. 15 rails, 15 util, 60 stocks, and their respective values.

NEW YORK, March 31.—The first March stock market performance like a lamb in most of today's session but late selling hit most departments and cut down leaders fractionally to around 5 points.

From the start to concluding hour the market was flat, then liquidation became fairly urgent and few plus marks were in evidence at the close.

Some professional bidding was based on dividends and hopes the market could extend limited demand.

As in past week professionals accounted for most of the volume that supported the market.

THE COMMUNISTIC ILLUSION

Louis Francis Budenz's new book, "This Is My Story," contains some remarkable revelations. But one question, perhaps the most important, is left unanswered: Why did he remain a Communist for 10 years, while disillusionment piled upon disillusionment, before finally deciding to quit the party?

It is probably unnecessary by now to explain that Mr. Budenz, a fourth-generation American, Catholic-reared Hoosier, was for six years a member of the Communist Party's national committee and for some time managing editor of its paper, the Daily Worker. He joined the party after his excommunication by the Catholic Church for marrying a divorced woman. His leaving was followed by his re-embracing his original faith.

Mr. Budenz obviously is a man of more than ordinary intelligence and attainments. His book reveals him as a devout Catholic and a sincere liberal by his own lights—anti-capitalist, perhaps, but not anti-American.

After the crisis in his religious life he was attracted to communism by a conviction that socialism was inevitable and by a grandiose and hopeless ambition to unite communism and Catholicism in one great liberal movement.

He joined the party in 1935. As early as 1937 he had first-person proof that it was run on orders from Moscow, delivered and enforced by secret police agents in this country. He saw intimately the uncertainty and callow fear of the American leaders as they slavishly followed each new twist of the party line. He spied and was spied upon.

Early disillusioned with the Soviet Utopia and retaining an affection for his own country, Mr. Budenz nevertheless was part of the treasonable plot of American Communists against their own country. He played his part until the summer of 1945, when Earl Browder "took the rap" for the change in Soviet policy.

Mr. Budenz states unequivocally that the attack on Browder by the French Communist Jacques Duclos was made on Moscow's orders. Browder was vilified and banished for supporting the Moscow-decreed policy of wartime co-operation between the Soviets and the United States.

In Browder's disgrace Mr. Budenz saw the declaration of Russia's war of nerves against this country. He was convinced that this was Russia's first step toward World War III. Only then did he leave the party.

That is the experience of an intelligent man. But surely it has been shared by other American Communists less gifted but of equal intrinsic decency. Why then, their eyes being opened, do they continue on their unhappy, fear-ridden course?

It may be because the American Communist, with his heritage of free thought, simply cannot bring himself to believe what he sees. No matter how much he may profess to hate democracy, its tradition still is strong. The workings of the communist mind could be so alien to the democratically-trained mind as to be almost beyond belief.

Mr. Budenz paints well the already familiar picture of the communist. He is a man without honor, logic, compassion, or human loyalty. He is not permitted to think freely, or even to question. He has no sense of personal dignity and surely no sense of humor, or he wouldn't be able to make some of his ridiculous about-faces without laughing. He is a frightened automaton. His cheerless life is devoted to spreading discord through lies, secrecy, deceit, and insult, except when his masters bid him do otherwise.

Perhaps, faced with this creature, the liberal, idealistic American Communist tries to avoid the truth or rationalize him into something comprehensible to the American mind. Surely many non-Communists, since the wartime alliance, have tried to do the same thing.

We Americans have a way of wanting to think the best of everyone, but that charitable habit can be dangerous. Up to now, it may even have clouded our government's attitude toward foreign and domestic communism, in spite of all the evidence to the contrary.

Gracie Reports

Well, I just saw a story that Representative Gross, Republican of Pennsylvania, gave the House of Representatives some advice on how to bring up children. The congressman, who has raised twelve, said the thing to do when they get into trouble was to lick 'em.

This is good safe advice for a Congressman, as long as the proposed victims are minors and can't vote. If the Democrats are good politicians, they'll bring this up in a few years when the generation that was paddled as a result of Representative Gross' advice comes of age.

However, now that Congress is going in for domestic problems, I suggest a poll of it's members to find out how their parents handled them when young. If the majority of them got spanked then this form of child discipline doesn't leave much of an impression. They're still in trouble.

The average human thigh bone can support a weight of one and one-half tons without breaking.

★ THOUGHTS
As truly as I live, saith the Lord, as you have spoken in mine ears, so will I do you.—Numbers 14:38.
Forsure, in this bleak wilderness below, Ah what were man, should Heaven refuse to hear! —Beattie

RUSSIA'S DEMANDS

WASHINGTON, (NEA) — There are two ways of looking at the four-point program for Germany presented to the Big Four Council meeting at Moscow by Foreign Minister Molotov. These demands are: 1—Ten billion dollars worth of German reparations for Russia. 2—Raising the German level of industry to give more production from which Russia can collect more reparations. 3—End of the American-British merger of occupation zones in Germany. 4—Russian participation in control of Ruhr and Rhineland.

NATIONAL WHIRLIGIG

Common Ground

By R. C. HOLES
A Timely Little Book

I have just finished reading the book "Man Does Not Stand Alone" by A. Cressy Morrison. A note in the fore part, this book says: "This work attempts a review of the scientific evidence of the existence of a Supreme Intelligence, and the title was chosen as a challenge to the conclusion of Julian Huxley in his book 'Man Stands Alone.' All parallel facts presented are pure coincidence."

It is one of the best presentations I have ever read showing the impossibility of things happening by chance. The book closes under the chapter of "Conclusion" with these paragraphs: "Reverence, generosity, nobility of character, morality, inspiration, and what may be called the Divine attributes, do not arise from atheism or negation, a surprising form of self-conceit which puts man in place of God. Without faith in a Supreme Intelligence, the world would become chaotic, order would become disorder, restraint and control would be lost, and evil would prevail. Let us, then, hold fast to our belief in a Supreme Intelligence, the God of our fathers, and the brotherhood of man, lifting ourselves closer to Him by doing His will as we know it and accepting the responsibility of believing we are, as His creation, worthy of His care."

"The leaven of ethical progress is slow, but surely bringing man to a better comprehension of his relations to his fellows, and has been the most humane and ultimately attach itself. "In eternity man's existence on earth is a very short time. His present imperfection is but an incident in his development from a merely a chemical structure into what he may ultimately become—pure spirit. The Supreme Being will give us time, and as we progress, we can try to become a more perfect prayer of which we are now capable."

"Oh, God, lead us into the path of Thy great design. Lift us into spiritual harmony with each other. Give us the ability to become a part of the progress toward spiritual perfection. Lead us into Thy service and thus make us instruments in the execution of Thy will."

"MAN DOES NOT STAND ALONE!"
The book is certainly worth reading in these times of confusion.

Federal Taxes 37 Times Other Taxes
Very few people realize the growth of federal taxes. A. W. Robertson, Chairman of the Westinghouse Electric Corp., wrote to each member of Congress pointing out that from 1942 through 1946 he paid 37 times as much federal taxes as he paid in all other taxes combined. His federal taxes amounted to \$746,717 during this period and all other taxes the same period amounted to \$20,200.

The man in the low income bracket might think that it wouldn't matter that the rich can afford to pay these taxes. They can afford it better than the poor man can afford to let them. These extra high taxes paid by the rich cannot be invested in tools to enable the worker to produce more and thus earn more. Extra high taxes will hurt men like Ford. They will hurt the man and the boy and the child as he grows up and finds it harder and harder to get a job and that it costs more to earn an automobile. Had we had the high taxes we have now during the last 40 years, very few of us would have automobiles or other modern conveniences.

to the destruction of both the dreaded Nazi and Communist regimes. Stalin, disgusted, outmaneuvered both Paris and London. In August of 1939 he negotiated an alliance with Hitler. With his flank protected by this arrangement, Der Fuehrer invaded Poland a few weeks later and ignited the spark for World War II.

OPEN—Despite the Kremlin's ominous silence since President Truman's advance of the Turkey-Greek program—and now the plan to bulwark Korea against Soviet recalcitrancy—White House and State Department observers expect the red dictator to react now as his party did in 1917, 1927 and 1939. "They maintain that the parallel is perfect."

But even former Ambassador William C. Bullitt, perhaps the finest American authority on recent Russian history, and once Moscow's principal advocate in this country, believes that frank and open opposition to Soviet expansion and infiltration is the only policy for the United States.

Polish General Is Reported Killed
WARSAW, (Delayed)—(AP)— Polish radio officials announce that Gen. Karl Swireczewski, vice minister of national defense, had been killed somewhere in Southeastern Poland. The officials said the "UPA was suspected." UPA stands for an organization of Ukrainian Nationalists.

QUICKIES
By Ken Reynolds
The goal was set low to keep Germany's war potential down. But now even the British are supporting Russian demands that German steel production must be raised to 10 or 12 million tons a year, with a corresponding increase in all German industrial production. Production can't be raised at all, however, till there is more food.

The catch is that the Russians may not be able to supply the food from their zone of Germany because they need it for their own people at home. If that is the situation, then the Russians are in really bad economic condition, and the position of the western powers is by comparison all the better for bargaining.

factories but do want their production. The Americans, British and French may be in a position to strike a new bargain. They can swap goods for food.

O PRODUCTION, NO FOOD
The key to the whole German recovery problem, as ex-President Hoover has pointed out, is supplying the British and American zones with imported food is what costs the American and British taxpayers money.

The level of German industrial production set by the Allied Control Council last year is based on German steel capacity of 7.5 million tons a year and actual production of 5.8 million tons. But today production has not reached a rate of 5 million tons.

Take the Laughter

Copyright by Karen DeWolf Distributed by NEA SERVICE, INC.

THE STORY: Sherry confides to Marcia that she is in love with Tony. Then she overhears the three boys discussing her future welfare. Tony says: "Jerusalem! I'd marry her myself if I had any way at all of taking care of her."

Sherry's heart contracts at his seeming lack of feeling. She goes back to her own cottage, feeling humiliated.

XXI

THE telephone rang. It was Peter Barton. He had returned from a week's location an hour ago and wanted to come over.

Sherry said, "Yes, do. Perhaps you'll take me for a little ride."

After she hung up she thought about it. She was not humiliated any more, nor resentful toward Tony. She had realized when the first wave of humiliation had passed that Tony had not known how she felt last night.

It would be simple enough to tell Marcia that she guessed she had been wrong about being in love.

When Peter came she went to meet him as though she had just turned off the lights before she left. She could sense his surprise that she was alone, and after the greetings, he asked where the boys were.

"Home," Sherry said, "but I've been out to dinner."

"Shouldn't you tell them you're out with me?" Peter wanted to know, and Sherry smiled.

"If I'm not home they will know I'm out," very lightly, and walked toward Peter's car.

They drove slowly through streets arched with pepper trees, and Peter asked her all about herself.

Sherry managed to keep her end of the conversation going but all the while she was thinking, Oh, Tony, Tony! Why did you have to do this to me?

After a while Peter said, "You'd better have a little something to eat or the boys won't trust you are visiting in the home of Mr. and Mrs. J. H. Jones, 621 N. Yeager, parents of Mrs. Gantz, and other relatives."

See the lovely fancy work, small dresses and blouses. 119 S. Stark-weather.

Please open the door Richard!

King George II

(Continued From Page 6)

after a military coup in 1935 but soon was overshadowed by the military dictator, John Metaxas. He fled into exile for a second time in 1941 when the Germans invaded Greece and lived mostly in London on \$5,000 a year during the war until his recall to the throne after a Plebiscite last September.

He was married for a time to Princess Elizabeth, daughter of King Ferdinand and Queen Marie of Romania, but she ended the childless marriage with a divorce.

His last visit to the United States was in 1942, when he sought a lend-lease grant for Greece. The late President Roosevelt feted him at the White House.

During his last brief reign, the mild-mannered and unassuming George strove desperately to reconcile bitter political differences between the Rightists, who were in power, and the Leftists who sniped at his government.

and now she was glad that Peter would be beside her when she had to face Tony and be light and gay and natural.

THE boys seemed glad to see Peter and talked in a very friendly way, and made Sherry lie down on theavenport. She admitted the shirt was a little tired, but really she felt rather sad and sick and she knew why. Ever since Peter had called she had had a tiny hope that Tony might be a little bit disturbed. He did not seem to mind it at all.

He said, "Did you have something to eat before you came home, sweet?"

Sherry smiled and said, "Oh, Peter's fed me very well." But somehow she knew then that Tony had not minded at all.

He and Sandro and Peter talked about pictures, but Kris sat down beside Sherry and kissed her hair.

He said, "I missed you terribly, my lovely one."

Sherry said, "How sweet of you to, Kris," and thought she was going to cry.

It was Kris who had missed her. Kris who said the right thing in the right way, only he was the wrong person. She got up suddenly and said, "I think I'll go to bed."

She kissed all the boys and offered her hand to Peter.

"That's nice," he told her, "after I've fed you," and he kissed her too.

Sherry walked numbly across the court and led herself into Hidden House and closed the door. She was tired and unhappy, and hurt dully under her chest.

She went into the bedroom and lighted the lamp and pulled down the shades. The socks that she had darned for the boys were still in the basket on her table. She stood and looked at the neat rolls. Those gray ones had been blue once, but they had faded. They were Tony's.

Tony had said, "We can't keep her in bed now. She'll start going out with other people pretty soon," and, "We're responsible for her. She hasn't anybody but us."

But Tony was not in love with her.

Conducting Revival At Christian Church

DR. RAY LINDLEY

Dr. Ray Lindley, dean of Bible College of the Bible, Texas Christian University, Fort Worth, and Stanley Hovatter, graduate student of TCU, are conducting the Easter Week evangelistic services at the First Christian Church. Twenty responses have been reported, with full house for each service.

The revival began at the morning service on Palm Sunday and will continue at 7:30 each evening through Easter Sunday. Dr. Lindley, subject for this evening will be "You Are an Atomic Bomb" and the public is invited to hear him.

Music is under the direction of Mr. Hovatter, and the Youth Choir meets with him each evening at 7.

Texas Aggies

(Continued From Page 1)

one reserve officer and at least one graduate of A. and M.

William J. McCormick, of Dallas, president of the senior class, was reduced from rank of Cadet Major to private, put on probation and given 15 demerits. When a student has 20 demerits on his record he must go before a faculty for disciplinary action.

Questioning of all of the Cadets followed a similar routine.

Meley, who led the questioning, told the Cadets their rights of appeal, asked them if they saw the order with which they are charged with disobeying, then if they believed it correct that in a military organization a group should attempt to vote senior officers out of office.

While the hearings were being held here, the State Senate unanimously adopted a resolution calling for a joint Legislative Committee investigations of conditions at A. and M.

The House of Representatives had voted a similar resolution last week.

Rep. Searcy Bracewell, of Houston, author of the House resolution, yesterday said he would ask the House today to adopt the Senate resolution as a substitute for his.

The panel hearings for the Cadets were ordered by the Board of Directors Saturday, after lengthy sessions in which they had sought information on this phase of the college row between students and administration, and that of a group claiming to represent over 5,000 veterans on the campus. No mention of the decision was made, however, until yesterday. This latter group voted "no confidence" in the administration.

Each of the five panels authorized were to have heard 30 students, but some were unavailable and others had dropped out of the Corps earlier. The first panel began its hearings at 1:30 p. m. yesterday, with a second commencing at 7:30 p. m. last night.

The ROTC contract is offered to some senior and junior students and gives them \$20 per month while in training and a reserve commission in the Army upon graduation, provided summer training is taken.

Officers are allowed to decrease their demerits to 15 by reporting each hour on certain days to the officer of the day.

Those discharged from the Corps will not be given reserve commissions on graduation, as is usually the case.

"Do you still think I'm crazy for equipping the roof with a rudder?"

any thing is going to be accomplished on current German problems, at the center of which is reparations. Responsible informants said that what Marshall wants, for one, is to "smoke out" the real Soviet position: is the demand for \$10,000,000,000 in reparations the rock-bottom Russian figure, or will they take less?

Marshall's bristling speech last night, in which he rejected any idea of a Soviet ultimatum in reparations and said that the U. S. would rather leave Moscow with no agreements than with unsatisfactory ones, marked the start of his smoking out campaign.

SEVENTEEN IN ONE

Economists contend that each dollar you spend will change hands 17 times in a year. From the manufacturer down to the office boy, the money put into circulation multiplies itself 17 times in keeping people working.

DEADLY SMOKE

A native bush of Ethiopia, called n'gabrobb, has a root which, when dried, ground and mixed with tobacco, will kill the smoker who takes more than three puffs.

by Martin H. Kennedy, 59 year old business man and civic leader. Both are seeking their first elective office, a job which pays \$18,000 annually for four years. The mayor also has control of the City Hall and its 16,000 jobs and political rule of the nation's second largest city.

Kennedy was selected by the Democratic organization after Mayor Edward J. Kelly, 70 and now completing his record 14 year tenure, announced his retirement.

had agreed to abide by the findings of the Commission.

It determined, in connection with Mrs. Allen—the storm center of controversy—that:

"There was no testimony whatever charging her with the use of abusive language.

"Testimony charging violence and rudeness was not sufficient to justify taking the action suggested by the union (that she be relieved of her position and returned to the status of an operator."

Miners

(Continued From Page 1)

Ill—in effect backed the Lewis order for national mourning among miners. They refused to work yesterday and then voted \$7,800 to families of the 111 mine blast victims.

Showboat To Be Used in Pageant

COLLEGE STATION—(AP)—The Brazos River may be five miles from the campus of Texas A. and M. College but a showboat will be in the annual Cotton Pageant and Ball to be held April 18. All acts of the pageant will originate from the deck of the showboat.

Steel protects your pocketbook

Lowest priced metal helps keep your cost of living down

SAFETY pins for baby, fenders for the car, and thousands of other things that go into the cost of living—start with steel.

Today in America this modern metal sells for only a few pennies a pound—treated, toughened, hardened to make stronger, safer, better products for everyone. By keeping prices fair, steel companies keep your cost of living down and keep steel production up.

Steel is the lowest priced metal of them all.
