Serving the Counties of Borden, Dawson, Garza, Howard, Lynn & Scurry

ANNIVERSARY COUPLE-Mr. and Mrs. Marvin M. Monk of Gail were honored with a reception Saturday in the Borden County School cafeteria to celebrate the occasion of their 50th wedding anniversary. Hosting the occasion were Mr. and Mrs. Larry Monk of Tahoka, Mr. and Mrs. Steve Monk of Graham and Linda Kock of Dimmitt, children of the couple. The former Maryzella Gilliland and Monk were married Jan. 23, 1932, in Plainview.

As filing deadline nears incumbent files

With only a few more days left before the February 1 deadline for filing for public office one more Borden County incumbent has announced.

"I would like to announce my candidacy for Commissioner of Precinct 4. I appreciate your support in the past and ask your continued support in the upcoming election". Thank you, Ed Rinehart.

Rinehart was elected to

serve as Commissioner from Precinct 4 in 1979.

As of this date Borden County has no contested races. Other county officials who have announced their intentions for re-election are Dorothy Browne, County and District Clerk; Don Cox, County Treasurer; Van York, County Judge; Carolyn Stone, Justice of Peace; and Larry Smith, County Commissioner, Precinct 2.

4-H Leaders ...People who care

4-H, the youth program of the Cooperative Extension Service in Texas and across the nation, owes much of its success to a dedicated legion of volunteer leaders. They devote their time, energy and resources to support the nation's largest youth organization and its motto "To make the best better."

Texas boasts some 22,000 volunteer leaders who work closely with county Extension agents in helping about 140,000 youth engage in some 60 different project opportunities and in organizing clubs in virtually every community in the state.

The evidence of 4-H volunteer leaders is probably greatest this time of the year as they work with youth who will be exhibiting animals at the various livestock shows

across Texas. These leaders take time away from their jobs to make sure the youth and their animals get to the various shows and help them get their animals ready for the show ring.

This is but one of the

many activities that volunteers engage in. They help lead various project groups, teach youth certain subjectmatter, provide facilities, equipment, supplies, recognition and awards.

Valentine pictures sought

Parents, grandparents, sweethearts, or friends, now is the time to see your favorite Valentine in print. The Borden Star will publish a picture in a special heart, just in time for Valentine's Day.

Deadline for bringing the picture to the office is

February 8 and the cost is only \$5.00. Grandparents, dig that favorite photo out of the closet and bring it to the Borden Star office or call Connie Voss at 856-4361, and see the cute smiling faces in the paper for Valentine's Day.

Murphy injured in rig mishap

Bill Murphy of Gail is listed in stable but guarded condition in Malone Hogan Hospital in Big Spring, following an accident last Tuesday morning.

Murphy was injured in an oil rig accident near the Howard Mitchell county line, near state highway 350.

Units of Scurry County EMS were dispatched to the scene of the accident around 10:30 Tuesday morning and transported Murphy directly to the Big Spring Hospital.

According to a hospital spokesman, he suffered multiple injuries including a fractured pelvis in the accident.

Murphy is employed by Flints Construction of Gail.

HUMANE AWARD-State Sen. E. Short of Tahoka receives the Humanitarian of the Year Award from Gail Gallaher, right, president of the Lubbock Humane Society and Halcyon Bagget, left. Short was cited for authoring Senate Bill 373, which allows humane societies to administer drugs to kill injured or abandoned animals.

On Feb. 2, 1982, Senator E. L. Short, 17th Senatorial District, will be the keynote speaker at the 2nd Annual Lynn county Conservation awards Banquet. The banquet will be held at the Lyntegar Electric Co-op Community Room, Tahoka, Texas. Restivities will get underway at 7:00 p.m. with a good Bar-B-Q meal.

BOYS LOSE ONE, WIN ONE

The Borden boys traveled to Wellman last Tuesday and suffered a 61-21 defeat at the hands of the league leading Wildcats. The Coyotes could do nothing right hitting only 1 of 27 field goal attempts the first half and turning the ball over numerous times.

Jym Rinehart scored 6 points, Jeff Martin and Keith Williams 4 each, Charles LaRue 3, Doug Love 2, and Kevin Telchik and Scott Jones 2 each.

Thursday night in Gail, the Coyotes came out on top of a 48-46 overtime game with Union. Jym Rinehart

sank a 40 foot desperation shot as time expired in the first overtime. The Coyotes trailed much of the game before taking the lead in the fourth quarter. Good free throw shooting the last half (9 of 12) proved to be the winning edge.

Jym Rinehart led all scorers with 16 (all in the second half) as all the Coyotes got in on the scoring. Doug Love had 8, Kevin Telchik 6, Jeff Martin 5, Charles LaRue 4, Keith Williams, Sam Williams, Keith Martin, and Scott Jones 2 each and Kirby Williams 1.

BETA CLUB MEMBERS DEPARTING FOR FT. WORTH - Tanya Hollis, Marquita Menix, Gena McLeroy, Jennifer Wilson and Kelley Lankford and sponsor-Mrs. Sue Jane Mayes.

SIX TRAVEL TO FORT WORTH FOR BETA TRIP

Five Borden County students traveled to Fort Worth over the week-end to attend the Beta Club Convention. The honor students qualified to attend the convention by maintaining a 95 average with no grade less than 90. Gena McLeroy, Marquita, Jennifer Wilson, Kelley Landford, and Tana Hollis accompanied Mrs. Sue Jane Mayes on the two day

journey.

Beta Club Officers for 1981-82 are Gena McLeroy, President; Marquita Menix, Vice-President; Jennifer Wilson, Secretary; Kelly Williams, Reporter; Keith Williams, Beta Beau; Kim Wills, Beta Sweetheart; Tammy Miller, Chaplain; Kelley Lankford, Beta Mascot; Tanya Hollis, Beta Rookie; Roxie Wolf, Beta Songleader.

LADY COYOTES CONQUER UNION

The Lady Coyote defense held Union to 2 free throws the 1st half and one field goal the 3rd quarter in a 57-12 district win. Jumping out to a 18-0 first quarter lead, the Lady Coyotes were never threatened as four girls hit in double figures. Roxie Wolf and Kelli Williams dominated their shorter opponents inside

with 12 points each as Gena McLeroy and Teresa Wimberly worked outside with 11 each. Stephanie Herring scored 8, Tanya Hollis 2, and Shellie Peterson added 1. This finished the first half of district for the Lady Coyotes with a 5-2 district record and 14-7 season record.

JV IN WILSON TOURNEY

The Borden County J.V. team participated in the Wilson Tournament this past weekend taking home the consolation trophy. In the first game against Post, foul trouble hit the Coyotes as two people fouled out leaving Borden with four players in the last quarter. Post pulled away with a 50-35 victory as Shana Bradshaw led the effort with 10 points followed by Becky Massingill with 9, Shawna Vaughn 8, Jeanette Massingill 4 and Samantha Porter and Nancy Martinez with 2 each.

In Saturday's game against Smyer, the six freshman girls got out to a slow start falling behind 6-3 the first quarter. But from there on it was all Borden as they outscored their opponents 17-5 the second quarter and continued on to a 44-22 win. Shana Bradshaw and kShawna Vaughn combined for 37 points in the win with 23 and 14 points respectively. Becky Massingill, Samantha Porter and Jeanette Massingill each added 2 and Nancy Martinez added 1 for the total.

LADY COYOTES TAKE TWO OVER WELLMAN

The Lady Coyotes traveled to Wellman January 19th and came home with two wins. In the Varsity game, Borden jumped out to a 17-2 first quarter lead, a lead they never relinquished. Each member of the seven member squad scored with Roxie Wolf leading the way with 19 followed by Gena McLeroy with 10. Kelly Williams had 9, Teresa Wimberly 8, Lisa Smith and

Shellie Peterson each had 4, and Stephanie Herring 2.

In the J.V. game, Borden only held a seven point half-time lead, 18-11, but exploded in the third quarter outscoring their opponents 17-4 and went on to a 45-27 win. Shawna Vaughn had 17 points in the victory followed by Becky Massingill with 9, Tanya Hollis 6, Shana Bradshaw 5, and Jeanette Massingill and Nancy Martinez each had 4.

GRADY BLITZES JUNIOR COYOTES BOYS

A tenacious full-court press proved to be the destruction of the Borden Junior Coyote boys Monday night in Grady.

After taking a 16-15 lead in the second quarter, the Coyotes were outscored 17-0 in the last 3 minutes to trail 32-16 at halftime. After that burst, the game was played pretty much even with Borden finally losing

59-34.

Bric Turner had his best offensive effort of the year as he tossed in 22 points, despite sitting out much of the second quarter with 4 fouls. Chris Cooley scored 8 and Mickey Burkett and Jerry Green 2 each.

The Junior Coyotes are 4-7 for the season and 2-4 in district with one game at Wellman Monday remaining.

The common cold, probably the world's most common illness, is caused by at least 30 different viruses. It is the greatest single cause of lost working hours in America.

STILL IN RUNNING FOR DISTRICT

Borden County's Jr. High Girl's string of 24 consecutive victories over two years came to an abrupt halt Monday night at Grady as the Wildcats defense held the usually high scoring Coyotes. In the close 16-14 contest, rebounding proved to be the difference as Borden County's leading rexounder, Mary Washington sat on the game with an injury. Grady dominated the boards on both ends, putting back up missed shots of their own, and giving the Missy Coyotes one chance only. Kelli Williams had 9 points in the contest followed by Teri Billington with 3 and Cathy York with 2. Season record for Borden now stands at 10-1, the same as

Grady. Ironically, Grady's only loss this year was to Borden 25-14 in the finals of the Grady tournament.

Monday, February 1 is the last game of the year for the Jr. High at Wellman. Game time is 6:00.

Will Rogers used to say, "All I know is what I read in the papers." While columnist and commentators like Will Rogers are expected to be clever, humorous or wise rather than factual, and editorial opinions are acceptable as political prose, news reporting has traditionally been regarded as more serious, important, responsible business-the sacred duty to keep the public informed. Today the American public is subjected less to government-controlled propaganda than it is to news which is edited, slanted and distorted to reflect the private prejudices of publishers, television executives and individual reporters. For example, news of the Viet Nam war was presented not as the government commanded it but as powerful elements of the press decided the war should be portrayed. Victories by South Viet Nam and American troops were ignored or termed defeats while the magnitude and importance of North Viet Nam victories were exaggerated. Viet Cong atrocities were either scarcely mentioned or excused. The court martial of a young, immature, undertrained incompetent American officer, Lieutenant Calley, was kept on the front page for about a year while the names and deeds of American heroes were hidden somewhere back behind the funny papers, if written up at all.

The American press was determined for the United States to lose that war and for Fidel Castro to win his.

This same journalistic bias is so evident in the news coverage today and news presentation is so flagrantly designed to force public opinion that the credibility of the so-called media is under attack even by its own members. Still, any restrictions on bias or demands for equal time and space to reveal the whole truth, or achieve some equitable balance, are attacked as infringements on the constitutional guarantee of freedom of expression. By the way, have you watched Mike Wallace or some of his ilk, lately? You may have seen them standing in front of someone's home or office building, declaring in ominous tones that "Mr. Hamstrung has declined to be interviewed" or "Mr. Jonah will not talk to our reporters". The obvious implication is that Mr. Hamstrung is concealing some terrible, secret sin, else why does he not open his heart and bare his soul to the noble, truth-seeking investigator? Perhaps Mr. Hamstrung has witnessed the arrogance, hostility and bias that television reporters display toward someone who is not in their camp. If Mr. Jonah subjects himself to their little interrogations and inquisitions he may look either noble and heroic or stupid, villainous and devious, according to the way the questions are phrased and the tapes and films are edited. Besides, he may just loathe Mike Wallace and Howard Cosell. Is harassment of public and private citizens by swarms of

photographers, television cameramen and microphone-jabbing reporters the privileged exercise of freedom of the press, or does a private citizen have a constitutional right to pop someone who pops a blinding flash-bulb in his face?

Freedom of the press is less in danger from repression and censorship than it is from loss of credibility and respect. Truth, integrity and responsibility are secondary to sensationalism and promotion. Scandal, rumor, leak and gossip abound; what is rare to the point of extinction is good, honest, straightforward, balanced reliable reporting. If Will Rogers were around today, he might be looking for other sources.

Extension service launches crime prevention program

Crime-perhaps the most persistent and troublesome problem currently facing Texans-is under attack. Launching a new educational program in crime prevention is the Texas Agricultural Extension Service of the Texas A&M University System.

"Since preventing crime is the role of every good citizen, the new program will focus on actions that can be taken by both individuals and organized groups to reduce crime in their neighborhoods and communities," points out Dr. J. Fred Cross of Stephenville, Extension community development specialist and chairman of the extension Crime Prevention Task Force.

The Extension Crime Prevention program will focus on the following six areas: vandalism prevention, home security, farm security, personal protection, neighborhood and community watch, and prevention of con games and other frauds.

County Extension agents will be providing leadership in conducting local programs aimed at crime prevention, says Cross. Local law enforcement officials also will be involved.

Each program area is supported by visual aids and handout materials that have been developed with assistance from the Texas

Crime Prevention Institute.

"Anyone interested in learning more about this new educational program should contact their local county Extension agent," adds Cross. "The programs are available to any group wanting to learn more about crime prevention."

CARE OF HOUSEPLANTS

Improper watering techniques are often the biggest problem factor in home plant failures.

Overwatering during periods of low growth creates a major problem, says Kandy McWhorter, county Extension agent with the Texas Agricultural Extension Service, Texas A&M University System.

This is especially true during winter months when plant growth is slow due to low light intensities. If the soil is kept saturated constantly, oxygen is unable to reach the plant. This results in loss of the small feeder roots and eventually death of the plant.

In watering house plants,

apply just enough water so it runs through the potting soil into the pan. Always discard excess water in the pan to prevent soluble salts from accumulating in the soil.

Color and feel of the soil are the best indicators of moisture content. Plants in a cold room need less water than those in warm, dry temperatures. Flowering plants and those with much foliage need more water than non-blooming plants or those with little foliage. Always use water that has been allowed to come to room temperature.

If you are concerned about growth of your houseplants, it may be due to low light intensity rather than from lack of water or fertilizer.

COTTON WEED CONTROL MEETING

An educational meeting of cotton weed identification and control has been set for Monday, February 8th beginning at 7:00 p.m. The meeting will be held in the Borden County Exhibit Building, located just behind the Borden County Schools.

Dr. James Supak and Dr. Dale Pennington will be on hand to discuss cotton weed control and soil fertility. Supak is cotton specialist and Pennington is a soil chemist and both are with the Texas Agricultural Extension Service located in Lubbock.

All Borden County and area farmers are urged to attend this timely meeting. The Plains Cotton Growers will hold a short business session following the program to elect delegates.

Door prizes will be given. Area gins and seed companies have made donations of all cotton products.

SOUTH PLAINS DEVELOPMENT PROGRAM MEETING SET

The annual meeting of the South Plains Development Program will be held Thursday, January 28th in Lubbock. The meeting will begin at 9:30 a.m. at KoKo Palace, located at 50th and Ave. Q.

Main speakers for the meeting will be Dr. Ron Knutson, economist, Dr. Carl Anderson, cotton marketing specialist, Dr. Roland Smith, Grain marketing specialist and Dr. Wayne Hayenga, management specialist. All are Extension educators and will spend time addressing the problems farmers and ranchers now face.

The theme of this year's meeting is "Risk

Management". This topic will be addressed in several different areas and discussion of each topic will be encouraged.

This meeting is open to all interested persons and is sponsored by the Texas Agricultural Extension Service.

QUICK QUIZ

TRUE or FALSE?

Of the 55,000 people who die a year, a reliable estimate is that 5,500 might never have developed cancer if cigarette smoking had not been romanticized (sometimes for secret payments) in motion pictures.

True False
False. Although painful deaths from lung cancer have risen along with rising cigarette sales, there is no scientific proof of how many deaths from lung cancer are attributable to romanticizing smoking in motion pictures.

Home Safety

You spend much time in and around your home. Make it as safe as possible.

- Test your smoke detectors. If you do not have them, install one near each sleeping area.
- Have a place for everything—avoid clutter.
- Some house plants are toxic. Teach children not to handle or eat them.
- Be sure the insulation you add to your home will not emit toxic smoke or gases if there is a fire in the house.

ACP SIGNUP

Remember, the sign-up period for Agricultural Conservation Program practices is currently underway. Applications will be accepted through February 1, 1982.

REPORTS NEEDED FROM FARMERS

The Agriculture and Food Act of 1981 requires the establishment of acreage bases for wheat, corn, grain sorghum, oats and upland cotton, as a means for program participation and eligibility.

Any producer who did not report their 1981 planted acreage of wheat, barley, corn, grain sorghum, oats or upland cotton will have until February 5, 1982 to report and furnish satisfactory evidence.

SALES SLIPS NEEDED FOR WOOL PAYMENTS

Borden County producers are reminded to turn in their 1981 wool sales slips so they may receive their incentive payments under the wool program. To avoid late payments, applications should be filed by Jan. 31.

Mohair producers are also urged to file application for payment as the current mohair price indicates payments may be necessary.

Farmers who have a record of their wool and mohair sales are eligible but will receive payments only if the sales are reported to our office. The quantity sold does not affect the eligibility. However, sales slips should contain the month of shearing, month

of sale, number of head shorn, pounds of wool sold and net proceeds. Sales slips for unshorn lambs must show the liveweight and state that the lambs were unshorn.

The federal support price for 1981 shorn wool marketings is \$1.35 per pound and \$3.72 per pound for mohair. Pulled wool will continue to be supported at a level comparable to the support price for shorn wool through payments on unshorn lambs.

Shorn wool payments are based on a percentage of each producer's returns from sales. The percentage is the amount required to raise the national average price received by all producers for shorn wool in 1981 up to the support price of \$1.35 a pound. Shorn wool prices fluctuated between 89 and 106 cents per pound through Nov. 1981.

The ASCS wool program is designed to encourage growers to increase production and improve the quality and marketing of wool. The Agriculture and Food Act of 1981 signed Dec. 22 extended the National Wool Act through 1985.

FARM CHANGES

Farm program participants in the county are urged to report any changes in their farm operations for the 1982 program to the county agricultural Stabilization and Conservation Service. Farm records must be kept up-to-date for program benefits.
