TAES Field Day Sept. 9 In Lubbock

LUBBOCK -- Producers, homemakers, agribusinessmen, and others from across the South Plains will gather at the Texas A&M University Agricultural Research and Extension Center here Tuesday, Sept. 9, for the 6th Annual Field Day of the Texas Agricultural Experiment Station.

The expected gathering of about 1,000 will review cotton, sunflower and sorghum studies, soil and water research, insect and weed control research, and

Pleasant Valley Fair Sept 13

A unique quilt featuring Pleasant Valley Agricultural scenes will be auctioned at 4 p.m. at the Pleasant Valley Community Fair, September 13, 1975. The Fair will be held from 10 a.m. to 4 p.m. on the 13th. The building will be open for entries from 9-11 a.m. Friday, September 12 (except animals and fowls which should be entered between 1:30 and 2 p.m. Saturday). Judging will be at 2 p.m. on the animals and fowls.

Other exhibits will be judged on Friday afternoon, Cont. on Page 3, Col. 1.

MULES DEFEAT BOBCATS . . . Mules racked up a 7-0 victory against Dimmitt Bobcats in high school grid season opener.

Mules Open Season With 7-0 Victory

The Muleshoe Mules slipped past the Dimmitt Bobcats, 7-0 to rack up a win for the season opener Friday night. Terry Sudduth scored on an eight-yard run with only four minutes left in the game. Larry Parker kicked the extra point.

As the game ended Muleshoe was threatening on the Bobcat two-yard line. Parker attempted to score which failed.

The Bobcats made it inside the Muleshoe 30-yard line only twice during the contest. The Mules had a total of 280 yards gained over the Bobcat's 100.

Coach Chuck Stout said he was real pleased with the way the team played. He said he felt like they could move the ball and could score and the kids just kept plugging and

did score.

"We made a lot of mistakes like you usually do in the first game, but I am real pleased with the win and I felt like the kids did real good on defensive play," commented Coach Stout.

"Tommy St. Clair did a good job of punting," the coach said.

Muleshoe had 15 first downs while Dimmitt had only 5; net yards rushing for the Mules was 216; net yards passing, 64. The Mules attempted 10

passes and completed 4 while Dimmitt attempted 8 and completed 2.

Both Larry Parker and Tommy St. Clair intercepted passes. Dimmitt had one interception.

The Mules will be meeting Olton here next week for the second game of the season. Game time will be 8 p.m.

Whiteface Beat Lazbuddie

Score Of 6-0

Lazbuddie was defeated by Whiteface Friday night by a score of 6-0 in a real tight defensive game, with both teams trading back and forth controlling the ball.

Whiteface had a total of 11 first downs while Lazbuddie racked up eight. Coach Sexton, Lazbuddie Longhorns, said the big difference was their kicking game. Whiteface kicked four punts and made over 41 yards while the Longhorns made four punts for over 22 yards.

Leading rusher for the Longhorns was Rayburn Wenner, a sophomore who had nine carries for 66 yards. Wade Cargile made an 80 yard run on the Longhorns which could have been the turning point of the game right at the half. But it was called back on a penalty. He carried the ball seven times for a total of 24 yards.

Whiteface had a total of 232 yards over the Longhorns Cont. on Page 3, Col. 5

Community College Registration

Registration for the South Plains College Division of Continuing Education evening schedule for the Muleshoe Community College Center begins at 7 p.m. on Monday, September 8 at the Muleshoe High School Cafeteria.

Classes begin Tuesday, September 9, running through December when final exams will be given on December 10-16.

Three semester hours may be taken at a fee of \$58; six semester hours, \$61 and nine semester hours, \$75.

All credit courses will be held in Muleshoe High School. A minimum enrollment of 12 persons must be a high school graduate or possess the GED certificate. Persons without the GED may apply for probationary enrollment to the Dean of Continuing Education at South Plains College.

A complete application for admission with your social security number is required for a mission as well as an official transcript from high school or college. College transfer students are required to submit transcripts of all previous college work (a transcript from each college attended). You must also file an immunization certificate as required by State Law.

For further information as to how to register, contact Tom Jinks, Muleshoe Independent School District, phone 272-3911 or South Plains College, Division of Continuing Education, Levelland, Texas 79336 - phone 894-4921, Ext. 253.

The following classes will be held: General Psychology and Basic Accounting I, Monday from 7 - 9:30 p.m. (three semester hours).

Cont. on Page 3, Col. 2.

School Calender

A Calender of Events for the remainder of the month of September, lists the following events:

Monday, Sept. 8, P.T.A. Meeting at Mary DeShazo Elementary School Lunchroom; School Board Meeting, Administration Office at 8 p.m.

Tuesday, Sept. 9, Special Ed. Teachers In-Service, curriculum office, 4 p.m.

Wednesday, Sept. 10, T.S. T.A. Workshop, Coronado H. S., Lubbock, 5:30 p.m.

Thursday, Sept. 11, Football Game, Morton Eighth Grade, Here, 5 p.m.; Football Game, Morton Ninth and JV's there, 4:30 p.m.

Friday, Sept. 12, Varsity Cont. on Page 3, Col. 2.

Future Teachers Hold Membership Party Sept. 8

The Blackburn-Moore Chapter of Future Teachers have set the annual membership party for Monday, September 8, starting at 5:30 p.m. The party will be held in the Lee Kimbrough home at 1815 W. Ave. 1.

Plenty of food and fun have been set up for the party, said a spokesman. All those planning to attend need to sign up in the front hall of the high school.

Dues will be \$150 this year and may be paid at the party.

Youth Football Gets Underway

Youth Football will get underway with the signing up and getting physicals on Sunday, September 7, at the junior high gym. Boys interested in participating in the Youth Football program should be at the gym at 2 p.m.

This program is for boys in the fifth and sixth grade. Physicals that will be given on Sunday will be free, otherwise they will have to be paid Cont. on Page 3, Col. 1

Farmers Union To Hold Meeting

The Bailey County Farmers Union will have a meeting and covered dish supper Thursday, 8 p.m. at the Muleshoe State Bank Community Room.

Kenneth Moss, director of field operations of Texas Farmers Union, from Lubbock, will present a slide presentation on the Farmers Union Plan for Parity and Abundance.

Youth Center Sept. Dances Cancelled

Tootie Middlebrooks, chairman of the adult board for the youth program, has announced that the Youth Center will not hold any dances during the month of September, but will resume their regular schedule on October 10, with the big homecoming dance, for all members and guests.

Sunflower Research Noted

HALFWAY -- Sunflower production on the High Plains will be underscored Thursday, Sept. 11, when the Texas Agricultural Experiment Station at Halfway highlights new developments in crop research during its annual field day.

Activities begin at 1:00 p.m. and continue until 5:00 p.m. The Experiment station at Halfway is located 14 miles west of Plainview on Hwy. 70.

Dr. Doug Owens, oilseed scientist and field day chairman, says that in all, six agricultural topics will be highlighted during the afternoon event. Sunflower research to be featured includes planting date trials, fertilizer and weed control studies.

TAES sunflower planting trial studies cover five planting dates from April 18 to August 1, with a three-week interval among the dates, says Owens.

"Our objective is to try to determine which date is best to use for sunflower production in the High Plains area. Planting trial dates should furnish us with information about how late in the season we can plant and still expect an economical return on the investment," says the scientist.

"One of the advantages to sunflower production is that they can be planted in June or July and still make a crop.

In a cropping rotation study being developed here at the experiment station at Halfway, sunflowers would follow an early wheat planting, indicating their potential for late plantings. The late plantings could either be planned in the case of double cropping or in the unexpected case of storm damage to other crops."

Cont. on Page 3, Col. 1.

Seminar Endored By Muleshoe BAC

The Business Activities Committee of the Muleshoe Chamber of Commerce and Agriculture endorsed a seminar to be presented by Roy Faubion from Hereford, entitled "Inter-rang", at their meeting held Thursday, September 4, at City Hall.

Faubion has developed the seminar to help bring out leadership qualities in persons. There will be two night sessions, a total of six hours, and topics such as 'What An Organization Is', 'Why It Exists', 'Evaluating Self', 'Communication', 'How to Make A Prepared Talk', and 'I Have An Idea', will be taken up.

Faubion requested the BAC to allow him to use their name as an endorsement and participation in the seminar.

A report was made on the July 4 events and indicated income from the Dunking Board amounted to \$52 while expenses were \$19.32. BAC did provide cash prizes for the July 4th Parade floats in the amount of \$175. It was felt the Dunking Board was not as successful as it could have been due to the weather.

It was also reported that the balance in the Muleshoe Bank account for BAC is \$916.11 Cont. on Page 3, Col. 3.

Sew It With Cotton Contest Set For Oct. 11

The annual Sew It With Cotton Contest for Bailey and Lamb counties will be held October 11 at Muleshoe High School. Judging will be at 4 p.m. and show time is slated for 7:30 p.m.

The contest is not limited to Cotton Club or Cotton Promotion Association members, however, professional seamstresses may not enter. First Place County winners or alternates in each category will enter the District contest to be held at Lubbock in October.

Materials used in the contest must be 100 percent cotton, either domestic or imported.

Impartial and qualified judges will be chosen and judging will be on appearance, suitability of garment to category and in case of a tie, garments will be re-judged on the model with the entire category reshown. Eleven categories have been set up.

Entry blanks may be mailed to Box 6, Bula, Texas, 79320. A 3x5 sample of fabric and County narration must accompany entry. Entries must be received by the County Contest Chairman 10 days prior to the County Contest. For further information, call 927-5392 or 933-2525.

Three-Way Tennis Tournament

The Three-Way Senior Class will sponsor an invitational tennis tournament, September 9-13. There will be four divisions. Anyone interested in entering the tournament may contact any member of the senior class or call 927-5531.

Visiting in the home of Mr. and Mrs. Scott Morris during the week were Mr. and Mrs. J. Lewis Morris from Littlefield and their son, Mr. and Mrs. Elbert Hyman from Olton, his cousins; and their grandson, Dannie Parsons from Plainview.

CURRY COUNTY FAIR WINNERS . . . On Sept. 3, 1975, four Muleshoe F.F.A. members attended the Curry County Fair, bringing home trophies and ribbons for their efforts. Attending were Shelly McGlaun and Koko; Hope Free and Fres King Bars; Denise Hunter and Hy Cooper (1-r) Not pictured is Mark Fried who was one of the four attending. Shelly received a first in Youth Mares, first in 1973 Mares, Reserve Grand Champion and second in Youth Pleasure. Hope received a third in Youth Pleasure, second in English Pleasure, and a fifth in Open Western Pleasure. Denise received a second in Youth Geldings and Mark received a second in Youth Mares and second in 1974 Mares. The Muleshoe FFA Chapter is very proud of these members and extends their congratulations to them.

Over \$50,000 To Help Court System

AUSTIN -- Speaker Bill Clayton and two key committee chairmen today jointly returned over \$50,000 in federal funds to the Criminal Justice Division (CJD) of the Governor's office to help aid the State's overloaded court system.

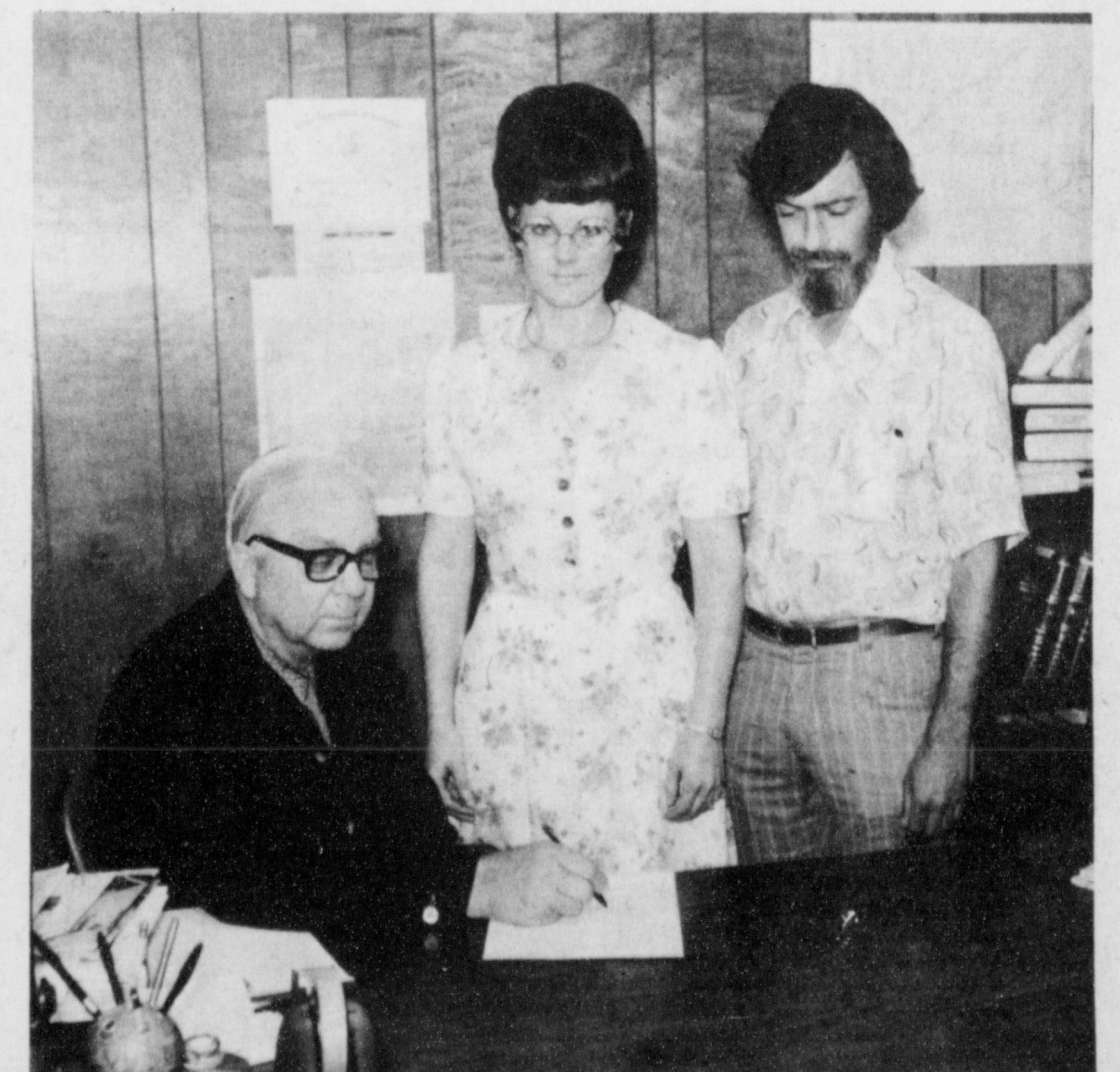

Clayton, Representative Ben Grant, chairman of the House Judiciary Committee; and Representative Tim Von Dohlen, chairman of the House Committee on Judicial Affairs, returned the money after it had been allocated by the CJD to the committees to perform legislative studies. The three legislators were united in their reasoning for refusing to accept the money, stating that

although the money was badly needed by the House Committees to conduct interim study assignments, its major importance is to the local communities to help bring about a stronger and more efficient judicial system.

Earmarked by Congress to be applied by the states to areas of court administration and judicial reform, the funds represent the largest sum ever refused by the state legislature on the grounds that the local governments face greater needs than does the legislature. "The funds will now be used locally to help to solve the court system's inability to deal with their increased workloads," Clayton said.

"Hopefully, the application of these funds in this manner will speed up the entire judicial system so that a more swift, efficient and sure form of justice will become a fact rather than a goal in Texas."

Clayton praised Von Dohlen and Grant for their leadership and fiscal awareness of the needs of the local communities in directing the return of the monies. "It is only when the bureaucracy ceases to grow and begins to respond to individual and local needs that government truly becomes representative," Clayton concluded.

MENTAL HEALTH DAY . . . September 20, 1975 has been proclaimed as Mental Health Day in Parmer County, as proclaimed by Parmer County Judge Paul Fortenberry. Highlighting the day will be an Open House from 10-3 p.m. at the Family Service Center, 621 Main Street, Friona. Judge Fortenberry signed the proclamation naming Mental Health Day, in Farwell on Sept. 2. Mental Health Day will coincide with the "Maze Days" celebration in Friona. The goal of this action is to acquaint all of Parmer County with the services offered through the center, for Parmer County residents. Looking on as Judge Fortenberry signs the proclamation are (l-r) Mrs. Kenneth McGehee, Parmer County Advisory Board and Darrell W. Farris, staff psychologist.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — Organized crime is involved in Texas prostitution, bookmaking, fencing stolen goods, car theft and drugs, according to the latest report of Texas Organized Crime Prevention Council.

The Council's latest annual report estimates \$1 billion in illegal bets were placed with bookies last year, turning profits of nearly \$121 million.

Bookies were said to be operating in Belton, Brownsville, Corpus Christi, Dallas, Fort Worth, Galveston, Houston, Midland, Odessa and Wichita Falls and regularly contacting others in 117 Texas cities and 119 in other states.

Placing illegal bets on college and professional basketball games was pegged as the state's largest organized crime activity of 1974.

However, the Council said 1,628 prostitutes, 535 procurers and 89 madames have been identified by the Texas Department of Public Safety over the last seven years.

Income to organized crime from prostitution was estimated at about \$127 million annually, with prostitutes earning an average of \$1,500 a week.

The Council said no Texas membership in La Cosa Nostra has been identified, but more than 200 Texans are believed associated with the Dixie Mafia operating in Alabama, Florida, Georgia, Louisiana, Mississippi and other southeastern states.

Insurance Hearing Set
The State Insurance Board tentatively set its annual hearing on automobile coverage rates October 1, and the industry is making no secret of the fact another increase will be asked.

Industry spokesmen said inflation and increasing "average loss" cost will force rates up, though accident frequency may have declined slightly.

The Board granted an average 8.8 per cent rate increase for auto insurance effective last January 16 — less than half the industry's request. Rates are set on the basis of losses and future projections. The October 1 hearing date conceivably could be postponed.

Hot Oil Probed

Atty. Gen. John Hill and

the FBI have joined in the investigation of an alleged major crude oil theft ring which might extend into Louisiana.

Hill said thefts have occurred in West Texas (three were arrested in the Ballinger area) and in the Cherokee Field of Milam County.

A Railroad Commission representative said "spotters" for the thieves find out where oil is stored on leases, and participating truckers roll up in early morning hours to load the oil and haul it to a refinery with bogus credentials from an East Texas independent oil operator.

Roy Payne, Railroad Commission field operations director, said a syndicate appears to have been set up to steal the costly crude oil. Hill said he suspects an organized theft ring, possibly extending across state lines. Some operators complained of thousands of dollars in losses.

"Recovery Begins"

Texas economic recovery, after a downturn, is starting slowly, according to the University of Texas Bureau of Business Research.

Encouraging signs included rising urban residential construction, a decrease in the seasonally-adjusted unemployment claims, lengthened work week and an improving job picture in individual labor market areas.

Austin, Dallas-Fort Worth and Houston areas reported large job increases. Corpus Christi, Longview-Marshall, McAllen-Pharr-Edinburg, Midland-Odessa, Tyler and Waco areas showed small increases in June. El Paso and Lubbock registered significant decreases in June employment.

AG Opinions

Attorney General John Hill held bonds required on mobile homes cover liability only insofar as it grows out of the warranty of the manufacturer or dealer. He said surety on the bonds may minimize liability by requiring that its principal carry products liability insurance against such loss.

In other recent opinions, Hill concluded:
• A new law authorizing payment of compensation to state employees killed or injured while performing duties of a hazardous position is subject to strict interpretation and definitions.

• A public hospital may contract with a private hospital for care of charity patients.

• Building information submitted to a public body as a requirement for a building permit is public. Whether plans are public is a question of fact.

• A justice of the peace may hold court for any other justice whose precinct is in the same county.

• Juvenile probation officers in Tarrant County are not subject to the county civil service act.

• Ten dollars of each optometrist renewal fee must be deposited with the University of Houston Development Fund for the School of Optometry.

• The State Board of Professional Engineers may not restrict use of the word "engineer" in academic titles such as dean or professor of engineering.

Appointments

Gov. Dolph Briscoe named as members of Texas' first statewide Public Utilities Commission George Cowden of Dallas, Garrett Morris of Fort Worth and Alan Erwin of Baytown.

Briscoe appointed John L. Placke of Giddings as 21st district judge succeeding C. B. Maynard of Bastrop who is retiring.

Aubrey N. Kline of San Antonio was Briscoe's choice to the Texas Good Neighbor Commission.

Briscoe picked Mrs. Billie Jean Bell of Houston and Dr. Barbara Woodard of Dallas to the State Board of Nurse Examiners; Dr. S. M. Elliott of Dayton, Dr. John P. Johnston of Houston and Dr. Clifford E. Neapass Jr. of Dallas to the Board of Chiropractic Examiners and Dr. James Walter Simmons of San Antonio to the Governor's Commission on Physical Fitness.

Short Snorts

District Judge O. P. Carrillo's impeachment trial, scheduled to start September 3 in the Senate, may have to be fitted around his income tax trial set to open September 8 in federal court at Corpus Christi.

Terence O'Rourke of Houston announced for Railroad Commissioner in the 1976 election.

The proposed new Texas constitution will be explored in detail at a September 19 conference sponsored by Texas Press Association, Texas Daily Newspaper Association and Texas Association of Broadcasters.

One hundred and 67 alleged welfare fraud cases involving \$135,493 were delivered to Central Texas county and district attorneys for prosecution last week.

The Consumer Alert

by John L. Hill
Attorney General

AUSTIN—During the recent legislative session, a new Texas Mobile Home Standards Act was passed to upgrade the industry, and to provide more protection for the large number of Texans who are turning to mobile homes for their housing.

The new law, which will go into effect on September 2, will lessen the chance of deception in manufacturing, sales, distribution, setting up and tying down of mobile homes.

Problems about mobile homes have been so numerous in the past that our Attorney General's Office set up a Labor Division, which handles mobile home complaints. In the first 10 months of its operation, the Labor Division received 1,200 complaints about mobile homes.

The new law has several important features that should

help to reduce consumer dissatisfaction. First, it adopts the construction and safety standards set by the federal Housing and Urban Development Department, and authorizes the Texas Department of Labor and Standards to enforce these standards.

It also requires that any mobile home manufacturer must be licensed by the Department and hold a certificate of acceptability in order to do business in Texas. It will be against the law for a dealer to sell any mobile home manufactured after September 2 if it does not meet the standards, have a State seal of approval from the Department, and if it was not manufactured by a holder of a current certificate of acceptability.

A new minimum one-year warranty is provided under the law, and both manufac-

turers and dealers are jointly responsible for meeting a warranty claim. If a dealer or manufacturer fails to comply with a warranty, it is considered a deceptive trade practice. A consumer then can file a suit himself, or can register a complaint with the Attorney General or with a county or district attorney.

All mobile home manufacturers, dealers, and salespersons must be bonded under the new law. Manufacturers must post a \$100,000 bond, dealers a \$25,000 bond, and salespersons a \$2,000 bond. A consumer can cancel any contract if he finds out a manufacturer, dealer, or salesperson was not bonded when the contract was signed.

In the past, some unlucky consumers who tried to have work done under their warranty found out that both the dealer and the manufacturer had gone out of business.

Now, with the new requirements, the consumer can sue to recover his losses from the bond in such cases.

Under the new law, all mobile homes except those in a dealer's or manufacturer's inventory must meet minimum tie-down standards. This means all mobile homes within 300 feet of another mobile home, residence, or building must be blocked, anchored, and tied down securely to conform. The Texas Labor and Standards Department will inspect the tie-down system for a fee to be paid by the installer.

The Department of Labor and Standards has the responsibility of enforcing this new law. As the legal representative of the Department, it's the job of the Attorney General to file suit against violators referred by the Department. Under the new law, the Attorney General can also file

suits on his own for violations of the Mobile Home Standards law, or under the Deceptive Trade Practices-Consumer Protection Act for warranty violations. The law provides penalties up to \$1,000 for each violation or a maximum of \$1 million for a related series of violations.

DRIVE-IN CHURCH

OXON HILL, MD. — Every Sunday morning during the summer, the Rev. Mr. Clews, Church organist and songleader, climbs to the top of the concession stand at the ABC Wineland Drive-In Theater and preaches to about 30 carloads of worshippers.

BE BESWITCHED TO ELECTRIC HEAT

Two hundred years ago, the witch hunters would have burned us at the stake for even daring to dream of a clean, practical means of heating our homes like electric heat. Fortunately, things have changed since then and today you can choose a heating system that is not only clean and efficient, but also economical and environmentally sound. You don't even have to look for a witch to give you a great deal like this one. Call the electric company... we'll show you how easy it is to BESWITCHED to real comfort home heating that's as modern tomorrow as it is today.

ASK ABOUT THE HEAT PUMP IT'S NOT MAGIC...IT JUST ACTS THAT WAY

You'll think it's magic when you see what the heat pump does, but it's not at all. It probably will seem quite impossible that one unit can provide clean, efficient electric heating and cooling with only one unit, one thermostat setting. The important thing to remember is the heat pump is today's answer to improving your lifestyle — economically and efficiently. Sound like magic? Not at all.

ENERGY EFFICIENCY ALLOWANCE

We, at Southwestern, are interested in your getting the most for your energy dollar. That's why we're offering an Energy Efficiency insulation allowance to our customers in existing homes who install electric comfort heating. Ask us about it.

Sunflower...

Cont. from Page 1.
Fertilizer rates studies will also be on exhibition during the field day, Owen reports. Basically, the fertilizer rates studies will also be on exhibition during the field trials are set at rates of 0, 40, 80, 120 and 160 pounds of nitrogen per acre alone and in combination with 40 and 80 pounds of phosphorous per acre. Very little research has been done in the past on the nutrient requirements of sunflowers in the area, Owens adds.
Another aspect of the sunflower stop will be irrigation research, with emphasis on timing and frequency of irrigations.
Three levels of irrigation are being studied. These include a first irrigation applied at early bud stage with another irrigation at bloom; second, an irrigation applied at

A wide range of other studies during the afternoon event.
County Extension Agent Spencer Tanksley says the field day will include a five-stop field tour, machinery displays, ginning research tours, and a special Extension Service seminar on home food processing.
Area producers, he adds, will have opportunities to review research findings in particular problem areas of major crops.
Tanksley said the field day at the Lubbock Center gets underway at 1:00 p.m., with plot tours via tractor-drawn trailers every hour.
Professional staff members of the Center, including USDA-ARS, National Weather Service, Texas Agricultural Extension Service, as well as Texas Agricultural Experiment Station personnel, will be on hand to review research developments, Tanksley says.
The Center is located 7 1/2 miles north of Lubbock on Highway 87.

Youth Football sponsors are looking forward to a large turnout this year, and feel the fans will be in for a treat.

the late bud stage in which the plants are allowed to stress, again with a second irrigation applied at the bloom stage; and third, use of a soil moisture measuring device known as a tensiometer which automatically triggers irrigations as needed.
"During the field day we will have 10 commercial hybrids and two open pollinated variety on display in our hybrid portion of the field stop," study, which is designed to select best performing hybrids in terms of yield, disease resistance and maturity.

In addition, 40 herbicides are being screened for weed control effectiveness and effect on sunflowers.
Says Owens, "Right now, there is only one herbicide on the market which is effective and still labeled for use on sunflowers. We are looking for others that will do the job economically and efficiently."

Field Day visitors will be able to view oilseed crops research on soybean variety trials addition to research on cotton, weed control, water conservation, greenbug resistant sorghum hybrids and cropping systems.

"It was a pretty good game, a little sloppy at the end, Whiteface had two fumbles while we had three," said Coack Sexton.
Whiteface scored on a 30-yard pass with 2:32 minutes left in the third quarter.
Their next game will be played against Texico at Texico.

Field Day At Halfway Sept. 11

PLAINVIEW -- Producers, agronomists, agricultural experts, and others will gather at the Experiment Station at Halfway Thursday, Sept. 11 for an annual field day.
Featured in the afternoon event, says County Extension Agent, Spencer Tanksley, will be a variety of crop research programs. A five-stop tour of research plots will give pro-

of Plainview on Highway 70, is tailored to the particular needs of crop producers on the South Plains, particularly those in corn, sunflower and cotton production.

Professional staff members of the USDA-ARS, National Weather Service, Texas Agricultural Extension Service and the Texas Agricultural Experiment Station will be on hand to review latest research developments.
The event gets underway at 1:00 p.m.

ducers and other guests opportunities to review latest research developments in areas of weed control in corn, water conservation, sunflower production, greenbug resistant sorghum hybrids, crop rotation systems, and a wide range of variety and insect studies.
Tanksley says that research at the Experiment Station at Halfway, located 14 miles west

Miss Hodges, Wilson United In Marriage

Mrs. Robert Lindell Wilson

Miss Judy Sue Hodges and Robert Lindell Wilson were united in marriage Saturday, September 6, 1975 at 3 p.m. in the First Presbyterian Church Chapel in Muleshoe.

Performing the double ring ceremony was Rev. Ray Riddle, Jr.

The bride is the daughter of Mr. and Mrs. Robert Clem Hodges of Midland and the groom is the son of Mr. and Mrs. Robert G. Wilson of Muleshoe.

The bride given in marriage by her father was attired in an floor-length ecru silk gown fashioned with a softly gathered skirt which tied in the back with a full length matching silk bow. The neckline of the bodice was in silk ecru with ruffles trimmed in Alencon lace. The bodice was in Alencon lace over-lay and full sleeve gathered at the wrist. The bride wore a large portrait hat with a waist-length veil and trimmed with ecru velvet flowers and re-embroidered lace flowered trim.

Robert Poer was the organist for the ceremony.

The bride carried a cascade of yellow and white sweet-heart roses with daisie mums, accented with baby's breath and ivy.

Mrs. Steve Riley of Houston, sister of the bride served as matron of honor and Darrell Wilson, also of Houston attended the groom as best man. Ushers were Robert Thurman Hodges of Midland, brother of the bride and Preston Wilson, of Muleshoe, brother of the groom.

Following the wedding ceremony a reception was held in the First Presbyterian Church Parlor.

Following the wedding trip to Carlsbad and Santa Fe, N. M. the couple will reside at 1904 N. Midland Dr. Apt. 71, in Midland. The bride is employed with Pioneer Natural Gas and the groom is employed as an engineer with the Texas Highway Department.

The bride is a 1971 graduate of Lee High Commercial

College of Midland and the groom is a 1967 graduate of Muleshoe High School. He is a Texas Tech graduate with his B. S. degree in Civil Engineering.

Hobby Club

Holds Meeting

Muleshoe Hobby Club met September 4, at the Muleshoe State Bank Community Room. Mrs. Charlie Phipps served as hostess for the meeting. Mrs. Ruth Bass drew the hostess gift.

Members attending were Mrs. Levina Pitts, Mrs. Mabel Caldwell, Mrs. Allie Barbour, Mrs. Charlie Phipps, Mrs. H.H. Carlyle, Mrs. Bub Shafer, Mrs. George Chambless, Mrs. Ruth Williams, Mrs. Bernice Amerson, Mrs. H.H. Snow, Mrs. Ruth Bass, Mrs. Ola Pesch, and Mrs. R. A. Gross was the guest for the meeting.

Those members bringing items of crafts to show were Mrs. Levina Pitts; Sea scape; Mrs. Mabel Caldwell, tile wastebasket, decoupage picture, rocks and an old bottle; Mrs. Charlie Phipps, crackle rock and beads; Mrs. Bub Shafer, fabric flowers; Mrs. Ruth Williams, avon bottles; Mrs. Bernice Amerson, rocks from Ark.; Mrs. H. H. Snow, hand painted rug; Mrs. Ruth Bass, crevel picture; and Mrs. R. A. Gross brought a hand painted piece of china.

The next meeting will be held Thursday, September 18.

Homemakers Have Salad Supper

The Muleshoe Young Homemakers met Thursday evening, August 28, at the Muleshoe State Bank Community Room, for a Get-Acquainted Salad Supper. Each member brought a friend and one of their favorite salads.

There were nine guests attending and they were Mrs. Roger Reynolds, Mrs. Johnnie Estep, Mrs. Don Carver, Mrs. Carl Gable, Mrs. Tony Poteet, Mrs. Tex McManis, Mrs. Jackey Burris, Mrs. Larry Kemp and Mrs. Sandy Noble. Members attending were Mrs. Randy Bush, Mrs. Carroll Kelton, Mrs. Mike Richardson, Mrs. Wayne Copley, Mrs. Jerry Ruthardt, Mrs. Dennis Bush, Mrs. Gary Elliott, Mrs. Mike Bean, Mrs. Raymond Davenport, Mrs. Brian Noble, Mrs. Randall Copley and advisor, Mrs. Darline Harbin.

Progress 4-H Has Trail Ride

Saturday, August 30, the Progress 4-H Horse Club sponsored their annual overnight Trail Ride. Thirty-five members, parents and friends went to the Tom Green Ranch, north of Vega, to spend the night, out on the lone prairie and ride their horses in the picturesque ranch country of the Canadian River Breaks.

Everyone attending reported having a good time. Activities included on the trail ride were fun and games, food and lots of horse back riding. It was reported that both riders and horses learned a few new tricks. They were swimming and flying. Other incidents happening was one ant bite and a burned marshmallow. One member found porcupine quills in his pant legs, but not any had stuck him.

It was a night for sleeping out under the stars. Everyone was aware of the strange night sounds and the wailing coyotes, who thought their privacy had been invaded.

The 4-H members want to express their appreciation to the parents and to Tom Green for making this occasion possible. It was quite an experience for all of them.

The Bailey County 4-Hers, met several Oldham County 4-Hers and had them as their special guests. Also visiting were Wendy and Dawn Branscum, their parents and a cousin, Scott, all from Lamb County.

Members and parents of the Progress Club attending were Lavon, Jo Rhonda and Dusty Rhodes, Kristi and Scottie Spies, Bill and Shawnee Hodnett, Lorie Kay, Delia and Darin Shaw, Curtis and Tommy Wheeler, Greg Harrison, Curtis and Sharon Carpenter.

Cousins Reunion

Over Labor Day

Mrs. Cecile McMath was hostess to a cousins reunion over the Labor Day weekend. One aunt, Wilda Thorne of Artesia was an honored guest.

First cousins attending were Mr. and Mrs. Claude Nivens of Artesia, N.M., Garland Thorne of Shroxi, Mo., Willa McDaniels of Pampa, Mr. and Mrs. Albert Thorne of Miami, Mr. and Mrs. William J. Thorne of Amarillo, Mr. and Mrs. Melvin Hester of Odessa, Mr. and Mrs. J. W. Brewer of Blair, Okla., Mr. and Mrs. John Thomas of Friona and Mr. and Mrs. A. D. Kitchens of Canadian. The cousins children attending were Mr. and Mrs. Abbie Thorne and children of Canadian, Mr. and Mrs. Doug Bevoni and children of Arlington, Mr. and Mrs. Bob Stovall and family of Muleshoe, Mr. and Mrs. Travis Goodman of Lubbock, Judy Waller and children, of Hale Center.

There were 44 relatives attending the reunion, plus several friends and neighbors that called.

Oatmeal Pie
3 eggs, well beaten
3/4 c. granulated sugar
1 c. light brown sugar
2 T. butter
2/3 c. dry oatmeal
2/3 c. coconut
1 t. vanilla
pinch of salt

Mix ingredients in above order given. Bake in unbaked pie shell for 30-35 minutes at 350 degrees. Filling will be unusually thick before baking.

Alph Zeta Pi Receives Rating

The Alpha Zeta Pi chapter of Beta Sigma Phi met in the Muleshoe State Bank Community Room, Tuesday night, September 2. Hostesses for the meeting were Mrs. Kearney Scoggin and Mrs. Mike Miller.

After the opening ritual the officers' and committees' reports were given. Mrs. Scoggin announced that the chapter had received a three star rating. This is the highest rating given to a Beta Sigma Phi chapter, indicating outstanding success in bringing friendship, social and cultural opportunities to each member.

Afterwards, the program was presented by the members of the executive board, Mrs. Kear-

ney Scoggin, Mrs. Monty Dollar, Mrs. Garry Shipman, Mrs. Jerry Wenmohs, Mrs. Tommy Black and Mrs. Jerry Gleason.

They presented a skit of how not to conduct a business meeting. Then they reviewed all duties of the officers and committees.

Members attending were Mrs. Hilbert Wisian, Mrs. Tommy Black, Mrs. Monty Dollar, Mrs. Bob Finney, Mrs. Paul Wilbanks, Mrs. Mike Miller, Mrs. Skip Magby, Mrs. Danny Noble, Mrs. Jerry Wenmohs, Mrs. Ted Barnhill, Mrs. Jerry Gleason, Mrs. Clifford Black, Mrs. Louis Cardinal, Mrs. Garry Shipman, Mrs. Kearney Scoggin and Mrs. Don Chahak.

Methodist Church Makes Preparations For Bazaar

Forty-two women and the pastor of the First United Methodist Church met in the fellowship hall, Wednesday, September 3, at noon for the annual fall luncheon, of the United Methodist Women. The tables were decorated with the

bicentennial theme. Each woman brought a covered dish which was reminiscent of the past and later told the connection, it had with the past.

Mrs. Oscar Allison, the local president presided over the meeting. Mrs. J. E. McVicker gave a report on the forthcoming Harvest Bazaar, that will be held Thursday, November 6, in the fellowship hall of the First United Methodist Church. There will be a turkey dinner served during the noon hour, on the day of the bazaar. Take out orders will be available. This year's plans are to carry out the bicentennial theme.

Chairman for the bazaar is Mrs. Jenne McVicker, with Mrs. Marilyn Cox serving as co-chairman. Other chairman serving are Alisa Dollar, Wanda Shafer, and Joy White. Booth Chairmen will be Twila Albertson, Christmas Boutique; Pat King, Bake Shoppe; Judy Cox, Arts and Crafts; Doris Scoggin, Green Thumb; Melba King, Country Cupboard; Marilyn Cox, Clown Corner, Sally Ellis, Candy Kitchen and Mae Witterding with Stitchery.

The proceeds will be divided among the missions abroad, our community and church. One-thousand dollars will be donated to the local hospital fund.

Previews of this years studies were given by Mrs. Frank Ellis on "Southeast Asia", Mrs. Byron Gwyn on "The Prophets" and Mrs. James Wedel on "A Nation Under God".

Golden Gleams

Necessity never made a good bargain.
-Benjamin Franklin.

Eastern Star Plans Friendship Night

Mr. and Mrs. Derrell Nowell, Worthy Matron and Worthy Patron of Muleshoe Chapter No. 792, Order of the Eastern Star, presided at the stated meeting of the Chapter, Tuesday evening, September 2, in Masonic Hall.

Plans were completed for the annual Friendship Night, to be held Saturday Evening, Sep-

tember 20. A salad supper will be served at 7:30 p.m. and 25 year pins will be presented to eligible members.

Invitations were received from Clovis, to their Friendship Night, September 6, at 6:30 p.m., from Hereford, September 29, at 7:00 p.m., from Littlefield, September 18, at 6:30 p.m. and from Canyon, Sept-

6 at 7:00 p.m. The annual Memorial Service was observed.

The next meeting of Muleshoe Chapter will be October 7th, at 7:30 p.m. instead of 8:00. Please note change in time. Refreshment hostesses were Mrs. Owen Jones and Mrs. Wilford Boren.

Mrs. Ricky Dewayne Hardage

Miss Gatlin, Hardage Exchanged Vows

Wedding vows were exchanged Saturday, August 23, by Carol Jean Gatlin and Ricky Dewayne Hardage. The double ring ceremony was read by Rev. Ed Rogers, at the First Baptist Church of Dumas at 3:00 p.m.

The bride is the daughter of Mr. and Mrs. Jack Gatlin of Dumas. Mr. and Mrs. Wayne Hardage of Muleshoe are the parents of the groom.

Escorted to the altar by her father, the bride wore a formal floor length gown of angelmist peau de soie and chantilly lace over bridal taffeta. The dress had a high neckline and an empire waistline, featured with a semi-A-line silhouette with fullness in the back. The bodice, sleeves and skirt of the gown was enhanced with inserts of chantilly lace. The full back featured a chapel length train with an imported veil of illusion falling from a coil. Her flowers were a bouquet of white roses, cushion mums and greenery.

Mrs. Clinton Hughes, of Dumas, sister of the bride served as her matron of honor. Mike Grimsley of Hereford attended the groom as best man. The bridesmaid was Mrs. Rudy Guevera of Dumas. Rachelle

Hardage of Muleshoe, sister of the groom, served as flower girl.

Ushers were Larry Gatlin of San Antonio, brother of the bride and Clinton Hughes of Dumas, brother-in-law of the bride. Groomsman was Randy Hardage of Muleshoe, brother of the groom.

The brides attendants wore red and white dotted swiss bodice empire waistline dresses with red skirts and each carried a bouquet of red and white carnations.

Music selections were "Because" and "We've Only Just Begun", played by Mrs. Howard Clark and sang by Dan Turner.

A reception was held in the First Baptist Church Parlor with Mrs. Becky Lewis of Dumas registering the guests. Mrs. Frank Skaggs of Dallas, sister of the bride and Mrs. Larry Gatlin of San Antonio, the bride's sister-in-law served.

The serving table was decorated with a centerpiece of red and white carnations with greenery.

For their wedding trip to Red River, N.M. the bride chose a brown and tan pant suit for travel. After August 30

the couple will be at home in Muleshoe.

The bride was a 1972 graduate of Dumas High School and will be a Senior at West Texas State University with a major in Nursing. The groom graduated from Muleshoe High School in 1973 and has attended West Texas State University for one and a half years.

Out of town guests were Mr. and Mrs. Frank Skaggs of Dallas, Mr. and Mrs. Larry Gatlin of San Antonio, Mrs. Evelyn Meads and Mrs. Margie Johnson, both of Ardarko, Okla., Mr. and Mrs. L.O. Norwood of New Mexico, Mr. and Mrs. Lee Mason of Clovis, Mr. and Mrs. Bill Hardage and Mr. and Mrs. Bill Johnson both of Plainview.

The rehearsal dinner was held Friday, August 22 at K-Bobs.

Fashion

Hair styles are continuing to feature shorter hair. One stylist advocates wearing the hair the length which is most becoming to the wearer. Another says that the cut should not be lower than the chin.

Nursing Home News

by Myrtle Guinn

Mrs. Birdsong visited Mrs. McDaniel, Mrs. Guinn and Mrs. Hall every Saturday morning.

Mrs. Miller still isn't feeling very well. Mrs. Boydston her daughter, Opal comes to see her often. Mrs. Newton is still not feeling very well. Her daughter, Mrs. Lassiter of Whiteface comes for a visit every week.

Mrs. Pearl William visited us Thursday morning. She used to work here as a nurse.

Mrs. Pauline Tunnell came Saturday for a visit, with her mother, Mrs. Chaney.

Mr. and Mrs. Lee Hardy of Sudan came to see her mother, Mrs. Fulcher, on Saturday.

Mr. and Mrs. Twaddell came Monday and took her mother, Mrs. Brown, out to dinner.

Mrs. Jim Bishop of Farwell came Saturday, to see her grandmother, Mrs. Guinn. She brought her a set of jewelry for a recent birthday gift. I was so happy to see her and receive the gift.

Mr. and Mrs. Pete Guinn, Sr. had Pete's mother over to their home Sunday, for dinner.

Mr. and Mrs. Leon Lewis visited his mother, Mrs. Lewis, on Saturday and Sunday. Mrs. Lewis has been sick, but is doing better now.

Mrs. Ben Williams is still about the same. Her sons of Clovis and Pampa come as often as possible to see their mother.

Mrs. Martha Williams went home with her son, over the weekend to visit at home.

Mr. and Mrs. Paul Twaddell of Amarillo came Monday to visit her parents, C. M. Brown and Mrs. Annie Brown.

Homemakers Sell Pecans

The Lazbuddie Young Homemakers will have a membership drive Tuesday, September 9, at 2:30 p.m. in the Lazbuddie High School Economics Department. All young women in the Lazbuddie area are urged to attend. The program will be a Tri-Chem Liquid Embroidery demonstration.

The young homemakers are going to start selling pecans September 8. For more information on selling pecans or the membership drive, contact Mrs. Harold Redwine at 965-2247 or Mrs. Jim Collum at 965-2367.

Study Club Starts Off With Luncheon

The Muleshoe Study Club begins their new club year with a covered dish luncheon, Thursday, Sept. 11, at 12:00 noon, in the home of Mrs. Rufus Gilbreath. Mrs. C. F. Partain and Mrs. Walter Bartholf will serve as co-hostesses.

A quilting bee will follow the luncheon and the business meeting. The members will have time to finish the clubs Bicentennial quilt they have started.

Mrs. Derrell Matthews and Mrs. Ronnie Barrett were recognized for their outstanding service to Epsilon Chi at a special ceremony Tuesday night, September 2, in the home of Mrs. Derrell Matthews.

Mrs. Derrell Matthews, Route 1, Muleshoe, won the highest honor her sorority, Epsilon Sigma Alpha can bestow on a new member; The First Pearl Award. Mrs. Matthews earned her award by completing a difficult series of achievements for her chapter, and is presently serving on the Philanthropic committee, as chairman.

Mrs. Ronnie Barrett, Route 5, Muleshoe, earned the Second Pallas Athene scroll by her outstanding contribution to the growth, progress, and community service, to the local chapter. Mrs. Barrett is currently Recording Secretary and serving as committee chairman of Awards and Telephone.

Epsilon Sigma Alpha, one of the world's foremost leadership service organizations for women, emphasizes educational and philanthropic accomplishments and the 1,700 chapters annually raise and distribute more than one million dollars for local charities, and scholarships.

The first of September, Kirk Willis was secured as an associate minister. While he is working here with us, he will continue his studies at L.C.C. Willis began his education at Edmond, Okla. on a wrestling scholarship. Later, he transferred to Okla. Christian College in pursuit of a degree in Bible. He will be involved in all of the local areas of the congregation, especially the young people.

Mrs. Mildred Neely will present the year books with the theme on American Heritage and Mrs. J. W. Witherspoon will give thumb nail sketches of American issues.

Muleshoe Church Of Christ Reveals Activities

ESA Members Receive Honors

Epsilon Chi Chapter of Epsilon Sigma Alpha Sorority had its regular business meeting September 2, in the home of Mrs. Derrell Matthews with Mrs. Ronnie Barrett, co-hostess. It was a model meeting for the new rushers.

The opening prayer was given by Chaplain, Mrs. Jack Rennels and the President, Mrs. Ed Cox gave the opening ritual. The meeting began with a special program for the rushers. Mrs. Jack Rennels presented a narrated slide program on "Where Are You Going Pretty Woman", explaining all about Epsilon Sigma Alpha. Membership chairman, Mrs. Jim Crawford also gave the rushers literature on ESA.

Last year's President, Mrs. Carter Williams gave president elect, Mrs. Ed Cox, the traditional presidents gavel, to be worn on her pin.

It was announced the district meeting will be held Sunday, September 21, at the Womens Club, in Plainview.

Awards chairman, Mrs. Ronnie Barrett, presented the First Pearl Award and a special charm to Mrs. Derrell Matthews. Mrs. Ed Cox presented the Second Pallas Athene Award to Mrs. Ronnie Barrett.

Yearbook chairman, Mrs. Dean Allen, gave each member their new yearbook, for the coming year.

Ways and Means chairman, Mrs. John Blackwell gave the

final plans for the annual Luau, to be held Friday, September 5, at the Catholic Center.

Philanthropic chairman, Mrs. Derrell Matthews announced the Radio-Thon on KMUL will be held Saturday, November 8. All proceeds will go to the Hospital Action Fund.

A committee was appointed concerning the feasibility of having a Christmas float this year. The committee's decision will be announced at a later date.

The closing ritual was led by President, Mrs. Ed Cox. Slushy banana punch and cake were served to the attending rushers Mrs. Cynthia Reagan, Mrs. Charlene Gregory, Mrs. Jama Brown, and Miss Virginia Bowers. Members attending were Mrs. Dean Allen, Mrs. Ronnie Barrett, Mrs. John Blackwell, Mrs. Ed Cox, Mrs. Jim Crawford, Mrs. Andy Douglass, Mrs. Jerry Harrison, Mrs. Charles Moraw, Mrs. Jack Rennels, Mrs. Charles Isaac, Mrs. Richard Kimbrough, Mrs. Darrell Matthews, Mrs. Wayne Tunnell, Mrs. Carter Williams, Mrs. Hugh Young, Mrs. Larry Gore, Judy Lambert, Mrs. Johnny St. Clair, Mrs. Terry Parham, Mrs. J. D. Merritt, Mrs. Larry McMillan, and Mrs. Terry Hillin.

Editorial

World War II

In the first week of September, 1939, the Second World War began when German troops attacked Poland. Hitler had thought England might back down to avoid a war over Poland, once again. But the British, and French, declared war on September 3rd.

Poland was beaten by the Germans in six weeks; Russia invaded the hapless country shortly after the German attack, having secretly agreed to do so before the German assault.

Almost six years later, at a cost of millions of lives, Germany was beaten by practically the rest of the world. Poland, however, and eastern Europe were swallowed up by Russian Communism and remain Russian-dominated.

The great twentieth century struggle between facism and Communism thus ended in a Communist victory. Other than Hitler's unjustified and shocking extermination of Jews, there was little to choose between the two totalitarian systems. And Poland, the invasion of which touched off the war, was never freed by the allies.

In the Far East, Japan's infamous attack on the U.S. was properly punished and the Japanese beaten but the big result on the mainland was the Communist conquest of China from a corrupt Chiang Kai Shek regime. Thus the prime and original issue which caused U.S. hostility to Japan, its attack on China, was not solved by the war. China, like Poland, ended up in Communist hands.

GOOD & BAD NEWS

Consumer prices jumped 1.2 per cent in July. The government also reported that the economy is snapping back from recession more strongly than expected.

AD DECEPTIVE

A Federal Trade Commission judge has ruled that Ford Motor Co. engaged in deceptive advertising when it claimed its small cars all got more than 26 miles per gallon in highway tests.

Hunters Beware

Each year thousands of hunters are shot by accident, many fatally. Most of the tragedies occur in fall and early winter, many on opening days for deer and other wildlife.

Rifles, of course, are more deadly at long range but shotguns are even

more dangerous at close range. The usual accident causes are failure to unload guns, firing at a moving target before identified, carelessness in carrying guns and hasty or excited shooting.

Sadly enough, those involved are often lifelong friends, brothers, fathers, sons, etc.

NEWS REPORT FROM WASHINGTON

Oil Surprise-Ford-Reagan-October 1st?

WASHINGTON, D. C. -- The oil stunner of recent weeks in the controversy over President Ford's proposal to decontrol prices was the surprise announcement of the chairman of one of the major oil companies that he opposed President Ford's plan.

Since the industry has been advocating decontrol, in the free enterprise tradition (oil isn't moving in a free, uncontrolled market), this undercut President Ford's position.

The President had accepted advice from his own advisors and the industry to the effect that decontrol would eventually be necessary, and the price rise to follow, to reduce oil consumption.

Both of these points have been challenged by Congress and proponents of decontrol who claim that with inflation now again a threat, this is the worst time to touch off a fuel price spiral--even if prices go up at a later date.

Also, the theory that higher prices will reduce consumption is being chal-

lenged. In some countries gasoline price hikes have little effect on consumption. If that should be true in the United States, decontrol would only sharply increase prices and produce inflation.

Former Governor Ronald Reagan of California may announce his presidential candidacy--late--about October 1st. That's the advice he's getting from his staunchest backers, who still feel he has a chance.

Some observers argue Reagan has already waited too long. They point to the South, a region Ronald once could have dominated. Many G.O.P. leaders there, however, are now in the Ford corner.

Leaders of the effort to get Reagan to declare, including Senator Paul Laxalt (R-Nev.), recently flew to California to tell Reagan it's now or never--that there's no more time to deliberate. They set October 1st as the desirable date for Reagan to announce.

TRADE & CUBA

The State Department has announced that U.S. firms based on foreign soil will be allowed to do business with Cuba for the first time in 12 years.

WASHINGTON NOTES

GRAIN FOR JAPAN

Japanese Agriculture Minister Sinto Abe and U.S. Agriculture Secretary Earl L. Butz reported that they have agreed, in principle, to a three-year commitment for shipment of 14 billion tons of grain to Japan each year.

ON HOME OWNERS

Secretary of Housing Carla A. Hills says that even though many Americans are being priced out of the housing market, the government remains committed to fostering home ownership.

GROUNDS F111s

The Air Force has grounded 240 F111 fighter bombers to inspect them for pos-

sible engine defects. The Air Force has nearly 400 F111s, once a controversial airplane known as the TFX.

DROUGHT & CROPS

Shortages of moisture in the soil of corn fields, in the upper North Central states, are still damaging the crop despite recent long-needed rains, the Agriculture Department said.

ABUSES & MEDICARE

The Social Security Administration announced it will begin denying payment to doctors, hospitals and nursing homes who defraud the federal Medicare program.

Revival Services At First Baptist

Revival services will begin at First Baptist Church on Sunday morning, September 7, with Michael Gott as evangelist. Mr. Gott has for three consecutive years been selected as an evangelist for city-wide crusades sponsored by Southern Baptists of Texas. He is remembered by many in the Muleshoe area for his leadership in a city-wide crusade held in Muleshoe two years ago.

Music for the revival services shall be under the direction of Murray Vise, evangelistic singer from Big Spring, Texas. Vise has served as music director in the First Baptist Churches of Cotton Center, Slaton and Sweetwater. He has traveled extensively in West Texas, presenting sacred concerts and participating in revivals.

Services of the revival shall be at 7:30 p.m. each evening with the exception of the Sunday services which shall be at 11:00 a.m. and 7:00 p.m.

A breakfast for men and boys shall be sponsored by the Baptist Men of the church on Monday morning, September 8.

Both men and boys are invited to attend. The breakfast shall begin at 7:00 a.m.

Noonday services shall be held on Tuesday, Wednesday and Thursday during the revival week ending Sunday, September 14.

The members of the First Baptist Church along with their Pastor, J.E. Meeks, and Associate Pastor, Doug Wood, invite the people of Muleshoe and the surrounding area to participate in the services.

Three Way News

By Mrs. H.W. Garvin

Friends of Mrs. Sally Robinson, of Maple surprised her Friday, with a come and go birthday party, at her home. Mrs. Robinson was 90 years old. She and her late husband and children came to the Maple Community 50 years ago. They came from Frederick Oklahoma and have lived here since. Mrs. Robinson is very active in community affairs. She goes to church every Sunday and does her own house and yard work.

Mr. and Mrs. George Tyson spent the weekend camping in the mountains, of New Mexico.

Mr. and Mrs. H. W. Garvin spent Sunday visiting their daughter, the Kenneth Fox family, in Clovis, N.M.

Mrs. P. L. Fort and Bonnie Long were dinner guests in the Bobby Adams home, at Morton, Sunday.

Mr. and Mrs. Allen Davis spent the weekend fishing, at Proctor Lake.

Mr. and Mrs. Bob Furgerson from Dallas visited his brother, the Jack Furgersons, Monday.

Mr. and Mrs. Carrol Fleming, from Brownfield visited the George Tysons, H. W. Garvins and Mrs. P.L. Fort and Bonnie Long, Sunday evening.

Mr. and Mrs. D. P. Brinker are at home, after a stay of several weeks, in Tatum, N.M.

Michael Gott

Murray Vise

Deal ingeniously with truth, and love it for itself.
-Benjamin Whichocote.

Ag Extension Service Head Is Recognized

Texas Agricultural Extension Service Director Dr. John E. Hutchison of College Station received special recognition by the Texas County Agricultural Agents Association during the opening assembly of the group's annual meeting here today (Aug. 4).

County Extension Agents from across the state who gathered at Lubbock's Koko Inn for the confab applauded Hutchison's leadership, initiative and foresight in several areas of development of the Extension Service program.

The recognition came during the hour that Hutchison addressed the group. Association president Steve Wheelless of Dallas presented the honor.

TCAAA, in presenting the award, said Hutchison is recognized nationwide as a "man who has the ability to interpret

and put into action Extension Service programs that meet the people's needs.

"He is a leader in the program development area at the grassroots level," they said. The program building process in Texas has now been duplicated by many other state Extension Services in the United States.

The TCAAA president explained that Director Hutchison came up with the idea of the interdisciplinary approach of Extension Service, a forerunner of the concept of Extension centers in which district agents and specialists in various disciplines are placed according to the particular district needs across the state.

Being a former county agent has helped him to remain cognizant of the continuing needs for education and im-

provement of production agriculture in Texas, Wheelless said.

Through Hutchison's report and mutual respect with educators, legislators, agribusinesses and many others, the position of county Extension agents and agricultural leadership in general has been strengthened tremendously, the TCAAA president added.

Through his foresight have come about programs such as "3.76 in '76" and area economic development programs such as SPD (South Plains Development program), PEP (Panhandle Economic Program), and others. Hutchison has cooperated with Texas Governor Dolph Briscoe in planning and promoting the state program to make Texas the number one agricultural producing state in the nation. And he

has played a leading role in implementing the program.

Wheelless said that because of Hutchison's dedication and leadership, county Extension agents have been inspired to multiply their efforts to the people of Texas.

Hutchison was keynote speaker for this year's annual meeting of TCAAA. The two-day event included special awards for 14 outstanding county agents and agricultural leaders, recognition of 14 retiring agents, educational tours to local businesses and a number of other highlights. A banquet Tuesday evening concluded the event.

The key to satisfaction and enjoyment in life is philosophy, not money.

RAZOR BLADES THOUSAND FEET HIGH

To borrow an expression that Dr. J. Frank Norris used, "Razor blades were flying a thousand feet high." That sort of expresses the feeling I have had the passes few weeks. It is during a time like these weeks that one learns to appreciate FRIENDS.

To my many, many friends who have stood by me and continue to stand by me during these trying days, I would like to dedicate the following poem that Dr. J. Frank Norris use to quote by memory. (Which my son, Stephen can quote and is a blessing to me.)

If you can keep your head when all about you
are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise;
If you can dream--and not make dreams your master;
If you can think--and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools;
If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And hold on when there is nothing in you
Except the will which says to them: "HOLD ON!"
If you can talk with crowds and keep your virtue,
Or walk with Kings--nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And--which is more--you'll be a Man, my son!

---IF---Kipling

To my friends who may not have been able to reach me during these times and express your support for YOUR INFORMATION... Charles Kenneth Harvey does have a phone. The Lieutenant Governor's Report

By Bill Hobby

7.25.75

Austin—One of the major accomplishments of the 64th Legislature and one which has drawn a great deal of public attention is the adoption of House Bill 819. This bill calls for the creation of a state commission to regulate public utilities. Prior to its adoption, Texas was the only state without statewide regulation of utilities.

Public utility regulatory legislation had been considered by past legislatures, but never before was this legislation supported by the number of legislators needed for adoption. Spurred on by public concern over rising utility costs, which were not always matched by a high standard of service, and disturbed over charges of improper activities leveled against a major public utility operating within the state, supporters of a public utility commission achieved the success which they had long sought.

For some time, I have personally supported the establishment of a commission to regulate utilities in Texas and I applaud the members of the Legislature for taking this step. The adoption of House Bill 819 was not easily accomplished but rather was the result of much hard work and give-and-take on the part of the members.

Just as the adoption of House Bill 819 was not a simple, one-step matter, the establishment of the commission and the institution of its

regulatory activities will take time and the dedicated efforts of all involved. The bill, as signed by Governor Briscoe, will go into effect on September 1, and its different regulatory functions will be phased-in on a schedule which calls for full regulatory powers to be in operation by September 1, 1977.

Those who expect the adoption of this bill to be closely followed by rate reductions will be disappointed. Such a claim was never made by the supporters of House Bill 819. Those backing this bill claimed that the commission it created would be the best guarantee that the public would receive quality utility service at a fair cost throughout the future; and, I am confident this claim will prove most accurate.

The utility commission will have statewide jurisdiction over all telephone rates and service. It will also have jurisdiction over electric, and private water and sewer rates and service in unincorporated areas.

Cities would continue to regulate local rates and service of electric and natural gas companies, as well as private water and sewer companies. City-owned utilities would be exempt from regulation, although they would have to abide by the uniform auditing and reporting standards established by the commission.

After September 1, 1977, cities could choose,

by decision of city councils or of voters at a local election, to turn regulatory jurisdiction on electric utilities over to the state. Such jurisdiction could be taken back, by local election, but only after at least five years.

Appeals from city rate decisions would go to the commission in the case of electricity, water or sewer, while natural gas appeals would go to the Texas Railroad Commission.

The commission will have some flexibility in determining the rate base of utility companies.

Calculating a firm's rate of return, the commission will be able to balance the amount originally spent to install the equipment and the amount it would cost to replace. But, the balance could never be more than 75% or less than 60% of the original cost or more than 40% or less than 25% of the replacement cost.

Governor Dolph Briscoe is expected to make his appointments to the commission shortly so it can begin its work on September 1

CANCER Answerline

American Cancer Society

Question: "Is X-ray treatment effective for all kinds of cancer and is it safe?"
ANSWERline: X-ray or radiation treatment is only one of several ways to control cancer. Other methods include surgery, treatment with drugs and hormones. Indeed, radiation is often combined with these other methods for best results. Radiation is used or not used, depending on the type and location of a cancerous growth. When it is administered by a specially-trained physician (called a radiologist), it is safe and valuable.

A senior citizen asks: "Does a sudden unexplained pain mean cancer -- is it like a heart attack?"
ANSWERline: Pain is usually a late sign of cancer. Cancer is not a sudden disease, it takes time to develop. That's why regular checkups are a wise idea. Naturally, when you feel recurring pain, you should consult a physician.

A reader asks: "Is it true that the Russian author Boris Pasternak died of lung cancer? I thought that was our problem!"
ANSWERline: Yes, it's true. But it is not true that lung cancer is strictly an

A businessman notes: "I have heard that there is a kind of do-it-yourself test for bowel cancer. Is that correct and is it enough?"
ANSWERline: There is a test for hidden blood in the stool. If the test is positive, further investigation is necessary because it could mean early cancer or other gastro-intestinal conditions. The test involves taking samples at home on special paper for three days. This is a useful diagnostic tool for your physician, but it is not the only one. Of great importance is a test nicknamed, "procto", which enables the physician to visually examine the insides of the bowel by means of a lighted tubular instrument. If you are over 40, it is recommended that you have a "procto" on an annual basis or as your physician suggests.

A young mother asks: "How do you explain the name of the Pap test. I had one after the birth of my baby and would like to know. Also, should I have more Pap tests or is one enough?"
ANSWERline: The name of the test honors Dr. George N. Papanicolaou, the Greek-American physician who discovered this test for cancer of the uterine cervix. The American Cancer Society which helped support Dr. Papanicolaou's research is now working to have all women at risk of uterine cancer have a Pap test. The American Cancer Society urges you to have a Pap test on a regular basis. One test is not enough. Your local American Cancer Society office has special free leaflets to explain everything you need to know about the test. Please ask for them.

An investment in Your Future

ATTEND CHURCH

"For where your treasure is, there will your heart be also"

A well of water...

Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water.

Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life."

The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

WATER & URANIUM
An Environmental Protection Agency report reports that tests of drinking water near uranium mines in western New Mexico contained high levels of radioactivity and poisonous wastes.

Words on Water
TEXAS WATER QUALITY BOARD
AUSTIN, TEXAS 78711

THEY HAD A FUNERAL BUT NOBODY DIED

The year was 1914. Woodrow Wilson left his cabinet meeting to push a pearl-embossed button. Hundreds of miles away a cannon was electronically activated in the Bayou City. With that boom, a part of Buffalo Bayou officially was christened the Houston Ship Channel.

Houston grew as a major seaport (now third in the nation), as industries began building their plants along the channel banks. And as the city grew and industries multiplied, so did the wastes going into the channel.

But with progress came problems. In the mid-1960's systematic surveys of the channel revealed that there was no oxygen in the water and consequently no marine life.

So a clean-up campaign was launched. In December of 1965, the Texas Water Pollution Control Board, predecessor of the Texas Water Quality Board, adopted an order to control wastes going into the channel. But it was in 1967, when the Texas Water Quality Board was created, that strict requirements were instituted for cities and industries along the channel to clean up their waste discharges.

Even so, in December of 1970 some 100 persons gathered on the banks to pay their last respects to the Ship Channel, declared dead at the age of 55. Cause—suffocation.

But the old girl was only sleeping. She was far from gone.

About two years later some industries began to find their intake lines clogged with shrimp, crabs, eels and other marine life. And by 1973 some oxygen was present in the entire length of the channel.

Now, five years after the funeral, the Houston Ship Channel has come back to life. Seagulls again are regular visitors, feasting on delicacies in the channel—that umbilical cord which ties Texas to the rest of the world.

The channel isn't as clean as it needs to be or as it will be, but we're working on it.

TEXAS TALK
by RAY DAVIS

Cattlemen are being outdone by prune producers. At least as far as product promotion is concerned. Paul Horn, writing in one of this summer's issues of THE CATTLEMAN, cites the fact that the prune growers association of California spends more total dollars pushing prunes than the entire cattle industry does in promoting beef. This latest wrinkle comes as a part of the continuing push for the Beef Development Plan which could provide as much as 40 million dollars a year for the promotion and development of beef markets. Hold up on the operation still involves composition of the 68 member "Beef Board" and the mechanics of operating the "beef check-off" system which would provide financing for the promotion by collecting three-tenths of one percent of the sales price of slaughter cattle. If the still lingering problems are ironed out, collections could begin as early as next year.

Church Of Christ Holds Gospel Meet

A Gospel Meeting and Training Program has been scheduled at the Muleshoe Church of Christ, September 7-10, featuring Evangelist Robert B. Hawkins, who will be teaching Principles of Leadership. Rev. Hawkins, a 1945 graduate of Harding College, has served as minister of the 16th and Pile congregation in Clovis for 15 years. He has appeared

on numerous college lecture-ship programs, is active in civic affairs, and toured the Bible lands in 1972.

He will be assisted by Mrs. N.B. (Anne) Nicholas, who will be instructing teachers of the Cradle Roll - 5 years. Mrs. Nicholas, who is from Olton, married her husband, Buster, in 1951 and has two daughters and a granddaughter. She has

12 and a half years teaching experience with pre-school, including cradle roll, which will receive special emphasis on Monday evening. She has attended numerous workshops and taught at Broadway in 1975. Mrs. Willie (Jean) Green, a resident of Kress, Texas until her marriage in 1951, at which time she moved to Olton,

will be instructing teachers of grades 1-4. She is the mother of a son, 20 and a 16 year old daughter. She has 18 years experience as a Bible class teacher and taught in the VBS Swapshop at Broadway in 1971. Instructing teachers of grades 5-8 will be Mrs. Melton (Shirlene) Caraway. Her husband of 19 years, preaches for the Olton church. She has

15 years teaching experience. A mother of four children, she has taught classes of all ages. While in Oregon she conducted a training course for teachers and taught the 6th grade teacher class in VBS Swapshop. Song leader will be Jacques Baker, while Kirk Willis will conduct a special class for youth of all ages. Sunday services will begin with Bible School at 9:30 a.m.;

worship, 10:20 a.m.; evening worship, 7:30 p.m. and Training Class, 8:30 p.m.

Stingy people never think they are stingy until it's too late.

ANOTHER PATTON
