Baptists to Dedicate Church Property

March 19 will be a "red letter" day for the First Baptist Church of Memphis, according to the plans that have been announced by the pastor, Rev. Jeff Moore, and the church officials.

Church property valued at about \$90,000 is now entirely free of debt and will be dedicated at the morning service, with a former pastor, Rev. E. T. Miller, preaching the dedicatory sermon.

Two other services will be held during the day. At 2:30 Rev. Bradley Allison, pastor of the First Church of Christ, will preach on the subject, "The Challenge." At night, Rev. Miller will preach again. This will be a dedication of the people service.

Several former pastors and members are planning to be here on that day.

The church house proper was built in 1909, the parsonage in 1921, and the educational building in 1928. The church membership is around 1,000.

The Baptists recently decided to pay the property out of debt, and the dedicatory service will climax hard work and loyalty on the part of the membership.

In speaking of the March 19 service, Rev. Moore, the pastor, said, "We are expecting the best preaching, the best spirit, and the best attendance in all services."

He issues an invitation to all people of the community, as well as from far and near to attend and rejoice with them.

Services To Be at Matador For Lt. Eubank

Navy Flier Who Died in Line of Duty January 11

Memorial services for Lt. Paul Eubank of the U. S. Navy, who lost his life in line of duty somewhere in the South Pacific on January 11, will be held at the Matador Methodist church, Sunday afternoon, March 12, at 3:30 it has been announced.

Lt. Eubank, who was state representative from the 110th district, had earned the Air Medal, but did not live to receive the tribute. It since has been presented by his mother, Mrs. C. W. Eubank of Dallas, who is making plans to attend the memorial services.

The services will be conducted by Rev. W. B. Vaughn of Lockney, former Matador pastor, who will be aided by Rev. George E. Turrentin. Music will be by Matador Choral club, of which Lt. Eubank was one of the organizers.

Request has been issued by the floral committee that individual gifts of flowers not be sent for the services.

Banquet is Given Memphis Fire Boys

Members of the Memphis Fire Department and a few other guests were treated to a banquet Thursday night, March 2 at the Methodist church basement by Dr. O. R. Goodfall in appreciation of the good work the fire boys performed when the Goodall Hospital caught on fire a few weeks ago.

H. B. Estes was master of ceremonies at the banquet. A quiz program was the entertainment feature, and the feed served by the Methodist ladies, proved to be the filling feature, according to those who attended.

About 35 were present for the occasion.

W. B. Hooser and family attended the funeral at Seymour Wednesday morning of his aunt, Mrs. Tom Hooser, who died in Dallas first of the week.

Mrs. Hooser and children remained in Seymour for a few days.

Hall County Club Boys Make Fine Showing at Memphis and Amarillo

Forced to Unload Two Trucks of Old Cane and Sudan

Two truck loads of three or four year old cane and sudan seed were unloaded here Wednesday at the request of John W. Young, state inspector of seed, who was in Memphis at the time.

The trucks bore New Mexico license tags, and according to the inspector, the seed was so old that little germination could be expected. He warned farmers to be careful about buying seed without knowing the age or without proper inspection tags, else they would get poor stands from planting.

LT. JOHN KEITH WELLS

Lions Hear Marine Paratrooper Talk

Lt. Keith Wells of Lakeview entertained the Lions club Wednesday by giving an instructive and interesting talk concerning the system of training that is given the paratroopers of the Marines.

Lt. Wells is spending his furlough at Lakeview with his father and other relatives. He recently took a trip by ship to points in the Southwest Pacific. It's a long way to anywhere on the Pacific, he declared.

Jim Whaley of Estelline exhibited the grand champion at the 4-H and FFA baby beef show here last Saturday. Jack Moreman of Brice won the reserve champion ribbon. Whaley's 940-pound calf was bought at public auction by Hal Goodnight for \$210, and Moreman's 750-pound calf was also bought by Goodnight for \$175.

Following the show here Saturday, the 4-H and FFA club boys, accompanied by County Agent W. B. Hooser, took their calves and pigs to the Amarillo Fat Stock show where they made some good winnings, and took first in county group of 15 calves.

In the Amarillo Fat Stock Show Hall County won first place in the county group of fifteen calves.

Other winners were as follows: Junior calf division—6th place Jim Hutchins, Estelline; 8, Jack Moreman, Brice; 15, Harold Ramphy, Lakeview; 16, Jo Ann Montgomery, Lakeview; 17, Roy Gresham, Newlin; 20-22, Carroll Fowler, Lakeview; 23, Ted Bruce Estelline.

Senior calf division—7th place, Jim Hutchins, Estelline; 8, Jim Whaley, Estelline; 20, Roy Gresham, Newlin; and 23, Harold Ramphy, Lakeview.

The boys took 35 calves to the Amarillo Fat Stock show, and after sifting by the officials of more than 100 calves in the show, only 53 remained to be judged, and Hall County had 18 of that number—more than a third in the show. Sixteen money places in calves were won, and two places in the swine division, in which Sammy Stout of Estelline won second and fifth prizes. The prize money amounted to more than \$200.00. The 17 calves that were sifted brought better than 16 cents per pound at the Amarillo show.

Swine Division Grand champion, Sammy Stout, Estelline.

Barrows (under 220 pounds)—First, third and fourth, Sammy Stout, Estelline.

Names of winners of third, fourth and fifth places are not obtainable for this issue, but will be published next week.

Charles Franz of Turkey was judge of the show.

The Memphis Chamber of Commerce provided the funds for paying the premiums for the winners of the show.

Mrs. P. W. Wilson Buried at Turkey Monday, March 6

Funeral services were held at the Turkey high school auditorium Monday, March 6 for Mrs. Lura Card Wilson, who died March 5 in a Matador hospital at the age of 65 years, 9 months, 7 days. Alva Johnson, minister of the Church of Christ, conducted the funeral services. Interment was in Turkey cemetery with King's Mortuary in charge.

Mrs. Wilson had lived in the Turkey community for 35 years, and was loved and respected by all who knew her. She was born in Beachgrove, Tenn., May 18, 1878; was married to P. W. Wilson in Harmon County, Okla., December 10, 1903, to which union three girls and two boys were born, all of whom are yet living: Mrs. Peta Gilliland, Amarillo; Mrs. Floye Smith, Muleshoe; Mrs. Clinton Richburg, Parnell; Claude Wilson, Turkey; and Kenno Wilson in the U. S. Army overseas.

Pall bearers were: George Johnson, Jim Guest, G. M. Covington, Clayton Ham, Luke Lane and Bill Carnes.

Eight 18-Year-Olds Register in February

During February eight young men of Hall County arrived at the decisive age of 18 years and registered for service with their country. They are:

James Lorenzo Bell, Dewan Copeland, Earl Ray Meadows, William Stanley Wilson, Robert Lee Young, William Junior Young, Delos Vernon Johnson, Lester J. Seymour.

Storm in Florida blew a young boy out of bed. But there are some mothers who would appreciate such storms every morning.

Schools of County Above Average, Says Official

Brice School Commended For Beautification Of School Grounds

L. R. Burnett of Wichita Falls, State Deputy Superintendent for districts 3 and 4, was in Hall County last week visiting rural schools and independent schools.

This was Mr. Burnett's first visit to the schools of the county, and he commended facilities and trustees for their effort to maintain high standards in the schools, in spite of wartime handicaps. "The schools of Hall County are well above the average," the visitor stated.

His recommendations for improvements included better libraries, painting of interior of rooms, repairing and adding to playground equipment, repairing of drinking water facilities as soon as the schools can afford to do so, or as soon as equipment is available.

The Brice school was especially commended for recent work of beautifying the school ground.

Mr. Burnett expects to return later to visit the Memphis schools.

Sentinels of Health
Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of excess of toxic impurities. The art of living—life itself—is a constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, a tangle of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over, listed on Doan's, sold at all drug stores.

WOMEN WORK

By INEZ BAKER

It is your privilege to donate to the Red Cross fund.

Committees of the various districts in the residential parts of Memphis are going forward with their work. Many houses have been called upon and the women are responding wonderfully. If they have not called on you help them all you can by either calling them or taking your gift to the chairman of your district. We are all busy these days and the women who are helping with this campaign are no exception. But everyone is glad to give of their time to complete our quota.

Too bad, but the gauze for surgical dressings has not yet arrived. Other towns are facing the same problem, because of shipping facilities. But any day now we may expect the gauze to arrive and the work rooms will be open again. It will mean a little more concentration on the part of all in order to finish the assigned quota on time, but of course this will be done. Hall County women have always done so.

In the meantime hospital articles are still needed. Although instructions have not come as to just what is needed most, T bandages and other small articles we have been making will of course be included in the list and these may be made now without fear of them not being used. Auxiliaries are working on any project for production they can find and not losing any time. Many things will be ready for the next shipment.

In the meantime, give to the Red Cross fund. Make your home 100%.

MAYBE... future cars with Glareless Lighting

BUT... OIL-PLATING YOUR ENGINE

is like outdoing the future—today

3,965,194 people bought the "latest" cars—mostly 1941 models. Twenty-odd million cars are still older. All the probable new car orders—even if dated today—won't be quickly filled. Then what future car improvement is likely to mean more than the instant improvement of your present car's health?

The least you can do for it is to have unsuitable scratchy Winter oil drained. But get more than an oil change; adopt the major advancement of motor oil that OIL-PLATES—by getting Conoco Nth oil for your indispensable oil change this Spring. Conoco Nth motor oil adds protective OIL-PLATING to working parts by "magnet-like" effect. This comes from the special modern synthetic in patented Conoco Nth motor oil... at regular price.

OIL-PLATING defies engine acids. These infest every engine; they're part of every explosion. They tend to corrode metals most when your engine's driven little—not heated throughout—often re-started after full cooling. Yet even for more favorable postwar driving you'll want acid-resistant OIL-PLATING. Why not get it without waiting? Today! Simply change to Your Mileage Merchant's Conoco Nth oil for Spring. Hiram Wood, son of Mrs. S. Wood of Memphis, who is in the Navy, was recently promoted from third class gunner's mate to first class.

Staff Sgt. Al Tinsley of Amarillo Air Field visited here from Sunday until Tuesday with his wife and daughter Starr.

Mrs. Nellie C. Curtis of Eastelline has received a letter from the commanding officer of Service Battery 327th F. A. Bn., at Camp Claiborne, La., regarding her son Pfc. William L. Curtis. The letter follows:

Dear Mrs. Curtis: Your son, Pfc. William L. Curtis, has been a member of this organization for more than a year. I have closely observed his work and wish to take this opportunity to report on his progress as a soldier in the Army of the United States.

Pvt. Curtis adequately fills an important place in this organization. He has shown a great devotion to duty and has applied himself in such a manner as to merit the confidence and trust of

his superiors and the respect of his fellow soldiers.

It is with pride that I count Pvt. Curtis as a member of my command. During this time he has been promoted from Private to Private first class and has proven himself worthy of this promotion. He is an expert rifleman. He has successfully completed a two-months course at Fort Sill, Okla. For exemplary behavior, efficiency and fidelity, he was recently awarded the Good Conduct medal.

It is my hope that I will have the continued pleasure to send other good reports to you from time to time on the progress of your son. And in the not too distant future I trust he will return home to resume his place as an outstanding citizen of his community.

Act of March 3, 1919.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the character, standing, or reputation of any per-
son, firm, or corporation, which may appear in the columns of this paper, will be
promptly corrected upon due notice of same being given to the editor personally at the
office at 417 Main Street, Memphis, Texas.

OVERSCRIPTION IS THE ONLY ANSWER— WILL HALL COUNTY PEOPLE UNDERSUBSCRIBE

Tests of patriotism come one after another in wartime.
On the civilian front as well as on the fighting front this is
true.

Today the people of Hall County face the Red Cross 1944
War Fund campaign—a test for unity of spirit and of purpose
here and everywhere throughout our land.

Fading in importance at the moment is the fact that we
came through the Fourth War Loan campaign with flying col-
ors; that other drives have brought a response to chill the
enemy.

Right now the community is concerned with the Red Cross
appeal. As on a field of battle, past accomplishments count
for naught if the coming offensive fails.

America's armed might is about to be hurled against the
enemy in the greatest onslaught yet seen in Europe. On the
Pacific front, too, the attack is widening.

For successful psychological warfare against the enemy,
for the morale of the oppressed areas of the world, for the sake
of the home town lads who are giving their life blood in the
strench and muck of armed conflict, it is vital that we here in
Hall County do better than our assigned part for our own or-
ganization—the American Red Cross.

The toll of human life that it will take to end the war victo-
riously for America and her allies cannot be estimated. Are
we—are you—prepared for the grim figures?

Are we ready to match the sacrifice of those who die or
are maimed for life?

With this national prospect, "giving as usual" is out of the
question—just as "living as usual" is out of the question for the
lads fighting our war.

Oversubscription is the only answer.
Exceeding the Red Cross goal here and everywhere will
"tell the world" that America stands steadfast and united,
backing the boys not only to the final shot but through the ex-
service days that will come with peace.

What Did You Do Today, My
Friend?

This poem was written by
Lieutenant Dean Shalain, tank
commander, on the battlefield of
Africa. He amputated his own
foot with a jack-knife and
thought he was dying when he
wrote this poem. He was re-
cued by Americans after two
hours of hiding and is now in a
hospital in England.
What did you do today, my friend
From morn until dark?

How many times did you com-
plain
The rationing is too tight?
When are you going to start to do
All of the things you say?
A soldier would like to know, my
friend
What did you do today?
We met the enemy today
And took the town by storm
Happy reading it will make
For you tomorrow morn
You'll read with satisfaction
The brief communique.
We fought, but are you fighting?
What did you do today?
My gunner died in my arms to-
day:
I feel his warm blood yet.
Your neighbor's dying boy gave
out

Folks in Uniform

"The guy's got a girl in every portmole!"

A scream I can't forget.
On my right a tank was hit
A flash and then a fire;
The stench of burning flesh
Still rises from the pyre.
What did you do today, my
friend?
To help us with the task?
Did you work harder and long-
er for less,
Or is that too much to ask?
What right have I to ask you
this?
You probably will say,
Maybe now You'll understand;
You see, I died today.

Would your car take-off and fly with 100-OCTANE GASOLINE

"I had a strange dream last night," said the
A-Card Driver. "Somehow I got a tankful of 100-octane
gasoline; and when I left the gas station, my 1939
puddle-jumper had such fantastic pep and power that it
took-off and sailed right over the head of the traffic cop."

Strange dream is right! Because strange as it seems,
today's 100-octane aviation gasoline will not greatly
improve the performance of today's cars. Your present
engine was designed for the gasoline which was avail-
able at the time you bought your car, and 100-octane
would add little or nothing to its satisfactory operation.

When victory comes, however, automotive designers
will undoubtedly develop smaller, much higher com-
pression engines which will deliver remarkable mil-
age and power with post-war super fuels.

When that day arrives, Phillips will be ready... be-
cause Phillips was one of the first, and remains one of
the largest makers of high octane aviation fuels. Phillips
present production of 100-octane gasoline could fuel

enough Flying Fortresses to drop 600 tons
on Berlin daily. And soon the figure will
go up to an equivalent of gasoline sufficient
to drop tons of bombs per day on the German cap-

People: wondering how you are is often on my mind and what you are

doing. We would like to finish this and get the heck back home. We have so much to do and see when we get back. I have often thought how I would like to walk in and say Hello to the people I have known so well.

Things are faring well with me. Have been feeling fine since I have been overseas. Have had a few colds, but haven't had to take any medicine for them.

Have had a few difficult times here. Sometimes the weather doesn't agree with me, and well I don't agree with it either. But with that exception everything is pretty good. Of all the places I've been and the things I've seen I still believe I like home the best. I'm sure the other fellows feel the same way.

You may be interested to know that I, out of the many soldiers, received the letter that the student body of the Memphis high school is writing to us in the service, and I enjoyed it very much, so keep up the good work.

God bless you all.

The following letter is from Pvt. Vedis Anderson to his mother, Mrs. A. D. Newby. He is stationed with the army on Mauri Island:

January 16, 1944.
Hello Mother:
I am still on Mauri Island, well and doing good. We are going through another training period about like we did when we first went into the army. This is a swell place to train. It is never too hot in the daytime and the nights are cool.

Your card came several days ago. I have never seen or heard of any of the boys you were telling me about, but guess I will.

If you don't hear from me every week, think nothing of it. All the letters we write from here are about the same.
Love,
VEDIS.

CHOOSE "AMERICAN" A CRYSTAL OF DIAMOND-LIKE BRILLIANCE... ECONOMY... AND COMPLETENESS

Long ago, colonial craftsmen produced in glass the fire-flashing prismatic pattern illustrated above. It became a favorite in the mansions of the old South and adorned the hospitable tables of the North. And, now, you too will love "American," handmade by Fostoria.
 You will adore its colonial simplicity, its modern, diamond-like brilliance, its economy and completeness. We have over 200 open stock pieces for your selection.
