

# SOCIETY

## Pathfinder Club Meets on Tuesday With Mrs. Milam

The Pathfinder Club met Tuesday, Oct. 23, in the home of Mrs. W. C. Milam at 3 o'clock. Roll call was answered with a favorite sacred song by the members.

An instrumental prelude "Let the Lower Lights Be Burning," was presented by Mrs. Milam, followed by a duet "Living for Jesus," Mrs. Burnett and Gladys Bownds. Scripture reading by Mmes. Williams, Wilson and Giddens and song "Jesus Calls Us" by group. Prayer was offered by the program leader, Mrs. W. F. McElreath.

Story, "The Hand Loom," was given by Mrs. J. J. McDaniel, "Somebody" and "My Cathedral" by Don Monzingo; "How We May Best Serve Our Fellow Man" by Mrs. McElreath. Mrs. Barney Burnett gave a solo, "An Evening Prayer," accompanied by Mrs. W. C. Milam.

During the business session, the club voted to donate \$10 to the War Chest Fund.

Refreshments were served to Mmes. Wilson, Williams, Burnett, Giddens, McElreath, the hostess, Mrs. Milam, and two guests, Gladys Bownds and Don Monzingo.

The next meeting of the club will be held in the home of Mrs. J. J. McDaniel on Tuesday afternoon, Nov. 13, at 3 o'clock.

## Miss Lilly Wenzel, Joyce Monroe, Wed

A single ring ceremony, uniting Miss Lilly Wenzel, daughter of Mr. and Mrs. A. D. Wenzel of Brownfield and Joyce L. Monroe of Lubbock and formerly of Memphis, was read Tuesday evening, Oct. 23, at 7:30 o'clock in the First Methodist Church at Lubbock by Dr. H. I. Robinson.

The bride wore a powder blue suit with black accessories and a white carnation corsage. Miss Roba Ward and Mr. Andrew J. Hagar attended the couple.

Mrs. Monroe is a graduate of Wilson High School and is now employed by Montgomery Ward Co. in Lubbock.

Mr. Monroe returned to the States in May after serving 34 months overseas with the 12th Bomb Group in Egypt, Libya, Sicily and Italy, also India and Burma. He wore two theatre ribbons with seven battle stars and a presidential unit citation. He received his discharge in July and is now employed at Montgomery Ward.

The couple will be at home at 1408 15th Street, Lubbock.

## Sub-Deb Club Has Meeting Tuesday

The Sub-Deb Club met Tuesday evening, October 16, in the home of Margie Don Stone with Gladys Bownds as co-hostess.

Plans were made for the following year and refreshments were served.

Those present were Sue Anne Roberts, Frances Jean Pycatt, Marie Morris, Ruth Jones, Peggy Lawrence, Mary Wells, Peggy Crow, Anita McCool, Louise Rogers, Sylvia Saunders, Martha Lynn Godfrey, Marianne Lee, Yvette Lou McDaniel, Ellen Lenoir, Nelda Sullivan, Laverne Orr, co-hostess Gladys Bownds and hostess Margie Don Stone and sponsor, Mrs. Laura Noble.

## Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

## Mrs. B. P. Kinsey Is Honoree at Shower

A miscellaneous shower, complimenting Mrs. B. P. Kinsey, the former Miss LaVerne Archer, was given recently in the home of Miss Alvis Kilpatrick. Assisting Miss Kilpatrick with hostess duties were Miss Ruth Jones, Mrs. Howard West, Mrs. Frank Ritchie, Agnes Hays, Frankie Hammons, June Maddox, Mrs. J. W. Bragg, Beckie Paschall, Lois Goffinett, Mrs. Harry Aspreen, Mrs. Geneva Gilreath, and Mrs. Claudia White.

Decorations of autumn flowers were used throughout the entertaining rooms. Guests were greeted at the door by Miss La Rita Johnston.

Appropriate musical selections were presented by Mrs. M. McNeely and Mrs. T. K. Treadwell.

Punch and cake were served to Mmes. Myrtle Hammons, John Barber, Merle Childress, Floyd Linder, Otis Jones, Ida Mae Warren, Ira Foster, Nettie Devine, J. C. Baker, Chas. McBee, Haskell J. Howell.

Sending gifts were Mmes. A. R. Childress, Oris Gilbert, R. L. Duncan, Jack Boone, Ira Lawrence, and Peggy. J. D. Harris, Grace Huggins, L. L. Moss, Edna Uptergrove, C. R. Sargent, N. M. Lindsey, Bud Godfrey, Myrtle Ragsdale, Alvis Melton, A. T. Scott, S. C. Cook, Ira Hammonds, O. L. Hammonds, Melba Castor, E. H. Crisler and Cherry, Gladys Fincher, Henry Blum, H. H. Flowers, Bessie Archer, W. R. Taylor, J. E. Williford, W. G. Love, Georgia Lee Huddleston, Ben Hillhouse, Mr. and Mrs. Jeral Gilreath, Fred O'Neal, C. E. Yeary and J. D. Evans.

## Junior High PTA Presents Program

The Junior High School P. T. A. met Thursday, October 18, at 3 o'clock in regular session. The meeting was presided over by Mrs. Ira Foster, the president, who also introduced the program.

Patsy Sue Hayes, a sixth grade student, entertained with a piano selection; and Sue Ray, a seventh grade student, gave a reading. Mrs. L. E. Hughs discussed "What the Teacher Expects of the Parent," and Mrs. Frank Foxhall discussed "What the Parent Expects of the Teacher."

Other topics of interest will be discussed in future meetings, and all interested parents are urged to attend.

## Study Club Meets With Mrs. Baldwin

The 1913 Study club met Oct. 17 in the home of Mrs. Byron Baldwin. Mrs. Jessie Jones, the president, presided during a brief business session.

Mrs. R. E. Clark, guest, opened the program with an explanation and discussion of a bill pending in Congress on socialized medicine. Mrs. T. M. Harrison introduced Mrs. Don Wright and Mrs. L. G. DeBerry, who presented "Party Line" a humorous book by Louise Baker. Roll call was answered by members giving a humorous incident or a joke.

Refreshments were served to two guests, Mrs. Ace Gailey and Mrs. R. E. Clark, and members, Mmes. R. E. Baldwin, Don Wright, Joe DeBerry, R. C. Walker, Mac Tarver, T. J. Dunbar, Horace Tarver, Frank Finch, James Smith, T. M. Harrison, Adrian Odom, Jessie Jones, L. W. Stanford, D. L. C. Kinard, M. McNeely, R. C. Lemons and L. B. Merrell.

## PRESCRIPTION FAX

We've had lots of practice in pleasing customers. Our large group of satisfied customers keep us always on the "hop". But we always have time to serve ONE MORE CUSTOMER and will welcome your patronage. If you've never had a prescription filled by TARTER'S PHARMACY... you've really missed something.

Tarter's PHARMACY Phone 24

## Wesleyan Guild In Program on Prayer

The Wesleyan Service Guild met in the home of Mrs. C. F. Srygley for their week of prayer program. The devotional was given by Mrs. Srygley.

The program consisted of "Health Centers" by Mrs. Bownds, "A Hostel for Women and Girls" and "Woman's Society of Christian Service" by Mrs. Monzingo.

Those present were Mmes. W. V. Coursey, H. B. Bennett, O. A. Gidden, C. H. Compton, W. H. Monzingo, Taylor, Hester Bownds, C. E. Srygley, C. E. Morris and Miss Dorothy Gowen.

## Mrs. True Hostess For Mystic Weavers

The Mystic Weaver Club met Wednesday, Oct. 24, in the home of Mrs. J. W. True. The presided at the door by Miss La Rita Johnston.

## DON'T FLUSH KIDNEYS

To stop irritation and irregular elimination use CIT-ROS. The new remedy quickly restores the normal ph. of the body fluids. The cause is eliminated, the body stops pain, heals sore spots. CIT-ROS brings you comforting relief. CIT-ROS at your druggist, \$1.00. For sale at

dent, Mrs. D. A. Neely, presided over a short business session.

Roll call was answered with current events by 13 members. The afternoon was spent in conversation and knitting.

A salad plate was served to Mmes. Clara Barnes, Dora Beaty, Ann Finch, Oliva Harrison, Sue Kesterson, Ola McMurry, Audrey Neely, Della Palmeyer, Myrtis Phelan, Ethel Read, Eunice Thornton, Lola True, Addie Wherry, Claude Hattenbach, Myrtis Walker, and Qua Sexauer.

Mexican Harrachas—The Smart Shoppe.

## Kidneys Must Work Well-

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

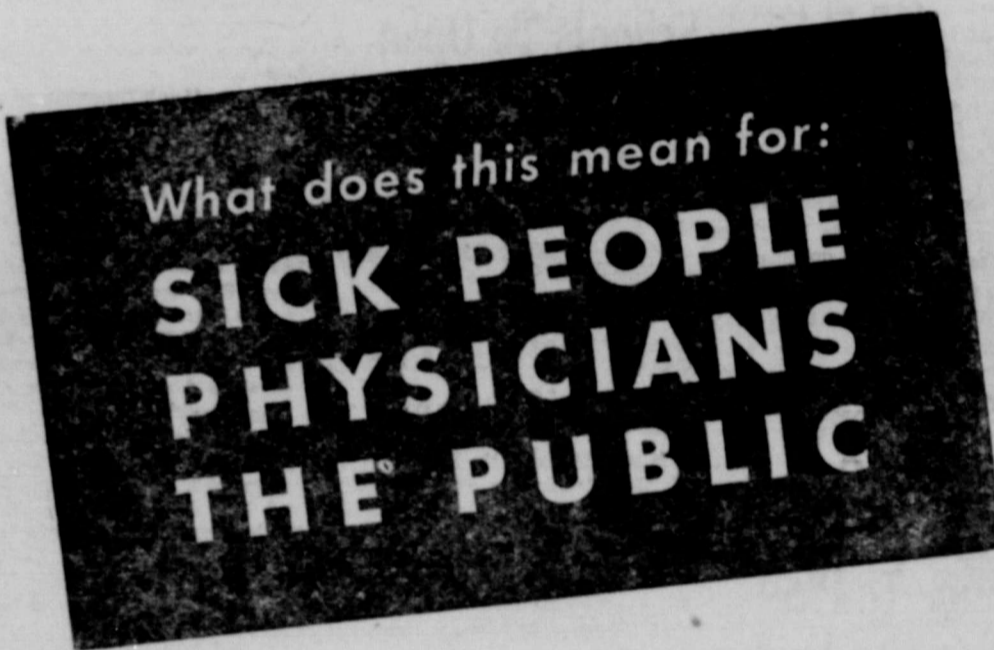

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

**DOAN'S PILLS**

# \$3,142,000,000 of Political Medicine Yearly in the United States

## Political Medicine for America

On May 24, 1945, Senator Robert F. Wagner of New York—for himself and Senator James E. Murray of Montana—introduced in the Senate, Bill 1050. On the same day, Congressman John D. Dingell of Michigan introduced an identical Bill in the House of Representatives—H.R. 3293. This proposed legislation is known as the Wagner-Murray-Dingell Bill.

If the recommendations in this Bill are enacted into law, they will destroy the effectiveness of medical care in the United States.

The Bill proposes to raise annually by taxation—from payrolls mostly—approximately *Eight Billion Dollars*. Of this sum amount estimated at \$3,142,000,000.00 is to be allocated to provide medical, dental and hospital care by the Federal Government.

### What Political Medicine Will Do to Your Physician

Physicians would be paid by the Federal Government. Presumably they would work eight hours per day instead of twenty-four hours.

There would be little incentive for your physician to become more skilled in the art of medical practice. His advancement would depend upon his influence with politicians rather than on his skill or the character of his work.

Your physician would not develop initiative—he would have to adopt the methods and prescribe the treatments and medicines determined by superiors.

State Medicine—political control of medical service—always has, always will develop doctors who are politically amenable, who cater to the ward "boss" or the precinct worker rather than to the needs of human beings who are their patients.

### What Does Political Medicine Mean for Sick People?

It means that they must depend upon a doctor who: Is paid by the Federal Government—is presumably working eight hours per day;

May not be the doctor of their choice, but the one that has been assigned by a political bureaucrat; Cannot have a personal interest in patients who come to him because they are compelled to do so;

Must follow methods and prescribe remedies that are fixed by his bureaucratic superiors;

Is more interested in appeasing his political boss than he is in curing his patients.

Often human life depends upon a physician's skill—shall he be made subservient to politicians?

### What Does Political Medicine Mean for the Public?

\$3,000,000,000.00 annually of extra payroll taxes—an average of about \$120.00 yearly for each family; 150,000 additional bureaucrats to tell patients where to go and doctors what to do and how to treat human beings who are sick;

The sacrificing of the highest level of health and the most effective medical care ever known;

Doctors—to care for loved ones—who are first political stooges and henchmen instead of self-respecting human beings and—

It is understood that, if the Medical Profession is regimented, it will represent a decisive step forward toward establishing centralized Federal Control of all the professions and industry, and the destruction of Freedom of Enterprise in the United States.

# McDaniel Implement Co.

Successor to

## Thompson Bros. Implement Co.

We take this means to announce to the people of Hall County and this area that we have just purchased the firm known as Thompson Bros. Implement Co., and will operate it in the future under the firm name of McDANIEL IMPLEMENT CO.

In this transaction we become representatives of the International Harvester Co. in this area, and will sell the complete line manufactured by this firm. This will include the Farmall Tractors, International Trucks and Pick-ups, McCormick-Deering Implements, as well as all other items manufactured and distributed by International Harvester.

The implement firm will remain in the same building occupied in former years located one-half block north of the square on 5th Street. In this 100-foot building, is located one of the largest parts departments to be found anywhere in this section. A complete line of McCormick-Deering parts and supplies will be carried at all times, and in our show room will be displayed different items which will be handled by this firm.

We have ample space for the erection and assembly of implements, as well as storage space for all units both large and small.

As soon as they are available, we will be receiving items of the full line offered by International Harvester. A few are coming in now, and these are going to farmers who have listed their needs with Thompson Bros. in months gone by. We have assumed this waiting list, and will fill orders on this list first.

### Opening Repair and Service Department

Today we are opening a repair department. R. Milton Saunders will be in charge of this department, and later more men will be employed here. This will make it possible for us to give owners of Farmall tractors and International trucks a complete repair service. In our repair shop will be found latest type equipment, all new, for servicing and repairing any unit which may be brought to us. In the months ahead this will be one of the largest departments in our organization.

### A Pledge to Our Customers . . .

It will be the aim of this firm in the years to come to work and plan with our customers. We shall strive to help them with their problems, and will do our utmost to have on hand units which they will need. Now, many items are hard to get, so bear with us at this time. Some time in the not too distant future we will be in position to furnish any thing which will be wanted, and at this time invite all persons to come in and let us plan with you NOW for what you will need in the months ahead.

NEWS about men in the Service

George Reagan Sargent S 1-c leaves Saturday for Santa Fe, N. M., after spending a leave here with his parents, Mr. and Mrs. C. R. Sargent.

Cpl. Wallace McElrath, who has been spending a 12-day furlough here with his parents, Mr. and Mrs. W. N. McElrath on a delay en route to Greensboro, N. C., left Thursday.

Chief Petty Officer Charles A. Levi received his discharge at

San Pedro, Calif., Oct. 2. He has spent almost three years in the Navy and spent 18 months of that time in Alaska and 8 months in the South Pacific.

He is employed as track welder on the FWDC Railroad. His wife, Mrs. Cordia Levi of Giles, will join him this week in Ft. Worth.

Pvt. James E. Vick left Tuesday for Ft. Knox, Ky., where he has been stationed. He has been visiting his parents, Mr. and Mrs. Jesse Vick and family, the past ten days.

S-Sgt. Henry E. Gleaton, son of Mr. and Mrs. J. H. Gleaton, has returned home with a discharge after 4 years and 7 months in the service. He spent 42 months in the Pacific which included service on Iwo Jima, Saipan and in Hawaii.

T-Sgt. Harlie Taylor arrived in Memphis Oct. 21. He received his discharge in Tucson, Ariz., Oct. 19. Sgt. Taylor spent 19 months in England and after a 30-day furlough at home, reported

to Tacoma, Wash., where he remained until he was sent to Arizona. He is the son of Mrs. T. L. Waddill of Estelline.

Machinist's Mate 1-c William E. McClenney, son of Mr. and Mrs. M. C. Martin, arrived home Monday. He received his discharge from the Navy on Oct. 14 at San Pedro, Calif.

Ensign A. J. Berry is visiting his parents, Mr. and Mrs. Fred Berry of Estelline. He has been stationed at Peru, Ind., and has re-enlisted for another six months in the Navy. He will leave Friday for Dallas for re-assignment.

Wilfred Martin To Open Photo Studio

Wilfred Martin and family are here after being away for 3 1/2 years. He plans to open a photo studio on or about Nov. 15 on the north side of the square. He worked in radar for the government in the Western states and on the coast for many months, then left government work and was with an electric company in New Jersey the past year or more.

Eleven R. A. Boys See Berger Game At Butler Field

All bedecked in "spooky" costumes, R. A. boys and their girl friends enjoyed a gay evening in the home of Dr. and Mrs. R. E. Clark, Monday evening.

Fun was had guessing "Who Was Who." Several enjoyable games were played.

Refreshments were served to 29.

A friendship circle was formed, "Pals Goodnight" was sung, and the group was dismissed.

Seven New Members In Girl Scout Troop

Seven girls of Troop 2 were invested as Tenderfoot Girl Scouts and received their uniform and pins at a ceremony on Tuesday evening, Oct. 16. A short program was presented for parents of the girls and Mrs. Oscar Webb presented pins to the leader.

Following the candlelight investiture service, the troop presented a short play concerning the Girl Scout Laws, a Spanish dance and closed the program by singing "Taps."

Refreshments were served to approximately 50 girls and their parents.

Girls receiving their pins and uniforms were Daisy Hansen, Betty Jane Thompson, Gereta Graham, Betty Don Pullen, Donna Webb, Rita Jo Hale and Nan Crowder.

High School Honor Roll Is Announced

The honor roll for the high school was announced this week by Supt. W. C. Davis, with the following students making an A average for the first six weeks period:

Seniors: Robert Clark, Marcelaine Cottle, LaVern Orr, Roy Patton, Frances Pyeatt, Si Rice, Sue Ann Roberts, Frances Sheen, Nelda Sullivan.

Juniors: Dorothy Mixon, Louise Rogers, Patsy Richards, Gladys Bounds, Jo Ann Floyd, Charlene Griffith, and Ellen Lenoir.

Sophomores: Jeanine Adams, Jimmie Bounds, Dorothy Hutcherson, Nancy Jones, Jean Mason, Randolph Messer, Carl Smith, and Lois Wines.

Freshmen: Don Minzingo, Barbara Brewer, Edith Compton, Anita Johnson, and Loraine Lewis.

J. P. Drake

(Continued from Page 1)

loughs. Cpl. Webster came to Memphis last week to visit Mr. and Mrs. Drake, and from him and Cpl. Harris they have learned much in detail about their son's imprisonment.

From what they have learned they feel that J. P. was in fairly good health until the prisoners were sent to the jungles in Burma to build a railroad, and that the fatal illness he contracted lasted only a few days.

Burial services for J. P. were conducted by one of his buddies, Sgt. Chas. Pryor, and his grave is marked on a map which Colonel Tharp now has in his possession.

Rayford Harris visited J. P.'s grave about a month after he died.

Mr. and Mrs. Drake visited with their son at Camp Bowie on a week-end in November, a short time before the 131st left for the Pacific.

James Patrick Drake was 21 years old at the time he enlisted. He was born on Sept. 22, 1919.

Members of his family besides his parents are two brothers, Sgt. Jack Drake, now home on a furlough after serving in Europe; Clyde Drake, resident engineer of the State Highway Department, Wellington; and three sisters, Mrs. Georgia Lee Ervin of Nashville, Tenn.; Mrs. Albert Tinsley and Mrs. Tom Draper of Memphis.

J. P. was born and reared in Memphis. He graduated from Memphis high school and a business college at Chillicothe, Mo., and was working at the Durham-Jones pharmacy when he entered the service.

Judge M. O. Goodpasture, who knew J. P. from the time of his birth, wrote the following as a tribute to his memory:

James P. Drake has gone home. He came this way once. So journey his few youthful years in Memphis and native Texas. Went aboard on the great expanse of his world, our world, to do his full duty as a man. This he did in his own manly way.

We loved him. We love his memory. May we who stay here do honor to him, and to others who made the last journey with him, by the kind of life we live. For we must, we shall, carry on, after his pattern, to the very end.

And, may he find complete repose in the sublime slumber of a perfect peace, in the arms of the Great Consoler!

Legion Auxiliary Extends Invitation To New Members

The local chapter of the American Legion Auxiliary, through its president, Mrs. Oren Jones and its membership chairman, Mrs. Mac Tarver, has issued an invitation to all wives, mothers, sisters and daughters of service men to enroll as members.

They have issued the following statement:

"All persons eligible for membership, mothers, wives, sisters, and daughters of members of the American Legion and mothers, wives, sisters and daughters of men or women who died in the line of duty or after honorable discharge between the dates of April 6, 1917 and November 11, 1918 or December 7, 1941 and September 2, 1945 are eligible for membership in the American Legion Auxiliary. All wishing to join the Memphis unit, are urged to contact the president, Mrs. Oren Jones, or chairman of membership, Mrs. Mac Tarver.

The next meeting of the Auxiliary will be in the home of Mrs. Ottilie Jones, 1415 Brice with Mrs. Oren Jones as co-hostess, Thursday, Nov. 8, at 7:00 p. m.

Miss Cassandra Morris left Wednesday for Austin after visiting her parents, Mr. and Mrs. J. H. Morris, the past few days. She is a senior in the University.

### SOCIETY Residents Are Gored at Tea

Delphian Club held the annual tea for the new women this Tuesday, Oct. 30, in the home of Mrs. W. C. Dickey. Fall flowers decorated the room.

Tom Draper played incidental music as the guests arrived and were greeted at the door by W. A. Foster, O. R. Sayre, H. G. Howell, Bill Stone and W. C. Dickey. W. A. Foster, Club president, welcomed and introduced the guests and club members. R. W. A. Foster, guest artist, entertained with "Claire de Lune" by Debussy and "Malagueña" by Lecuona.

A. Womack introduced a play "Chip off the Old Block."

The characters were played by Mmes. Harry Womack, Jack Boone, Bill Kesterson and O. R. Sayre. The theme of the play reminded one that it is well to take stock of prejudices and "old fogy" ideas that one gathers through the years and in discarding them, renew ones faith in the next generation.

Refreshments depicting the Halloween motif were served to the following guests and club members: Misses Frances Kinard, Maude Milam and Frances Phelps; Mmes. Jeff Ray, Hayden Hensley, U. E. Moss, Marsene Holt, B. L. Peacock, H. D. Hayes, Cecil Hayes, John Bush, Claude Livingston, Jess Whittington, L. E. Hughes, U. D. Young, R. B. Sampson, Annie Stone, L. R. Quener, Curtis Kelly, Ruth Perry, J. C. Baker, Stanford D. Blattner, Jacqueline Graziani, Leon Piland, A. Anisman, J. L. Barnes, Jack Boone, W. C. Davis, W. C. Dickey, Tom Draper, Otho Fitzjarrald, U. A. Foster, Hal E. Goodnight, C. C. Hodges, H. J. Howell, G. W. Kes-

### Halloween Party And Picnic Lunch For Girl Scouts

Brownie Scout Troop No. 3 held its regular Tuesday program Oct. 30 at the City Park. Games were played and a picnic lunch was served by the mothers to the following girls:

Vada Briscoe, Lois Ann Cofer, Veta Beth Godfrey, Georgana Hayden, Bettye Claude Hickey, Giva Lois Howe, Betty Lemons, Monta Juen Saye, Jo Ann Odom, Peggy Jo Seth, Joanna Sue Smith, Mary Alice Smith, Deanna Spence, Aydean Spradlin, Billy Jean Stroehle and Mary Ann Crone.

Mothers attending were Mmes. Adrian Odom, R. C. Lemons, E. L. Spradlin, Earl Briscoe, Charles Seth, W. M. Cofer, Claude Hickey, E. W. Godfrey, Jr., George Hayden, B. J. Spence, Reba Stroehle and the leaders, Ralph Howe and James Smith.

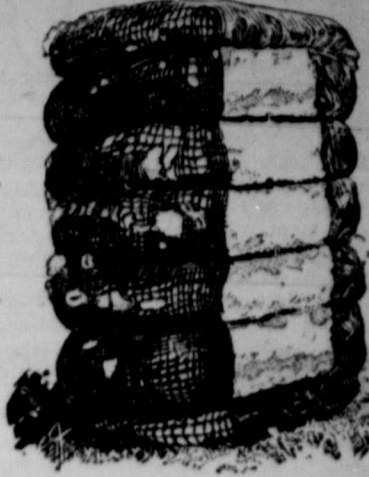

### Pupils Are Guests Of Mrs. McNeely

Mrs. Marion McNeely entertained her pupils in music and expression with a Halloween program-party in her home Monday, Oct. 29 at 4:00 p. m.

The living room and music room were decorated in keeping with the season. After a program of readings, music and plays, a contest was conducted, which Naomi Rice won. Her prize was a scrap book.

Refreshments were served to Juanella Goffinet, Cleve and Peggy Evans, Bettye Hickey, Martha Hayes, Carol Ann and Gayle Monzingo, Elaine Clayton, Barbara Bradley, Mary Frank Garrett, Bobbie Shaw, Betty Jean Stewart, Verna Lee Hill, Henrietta Hawthorne, Kay Wilson, Cherry Valance, Johnnie McDaniel, Elizabeth Grundy, Bobbie and Kay Farrell, Naomi Rice, Miss Leona McCraw and Mrs. J. T. Clayton.

# A GINNING SERVICE YOU WILL LIKE

I am just an independent ginner trying to get along with the farmers by offering them one of the finest gin services it is humanly possible to render. I believe I have one of the best gin plants in this section, and feel that I can use this plant and make a few dollars extra for every farmer who brings me his cotton.

If you haven't ginned with us, give us a trial. You won't be disappointed. If you are already ginning your cotton here, accept my thanks for your business. It is appreciated.

### Halloween Party For R. A. Boys and Girls on Monday

The William Carey Royal Ambassador Chapter of the First Baptist Church enjoyed the Amarillo-Borger football game last Friday evening at Amarillo.

The eleven members of the R. A. chapter attending were: Monte Roy Clark, George Ross Long, David Lee Corley, Roddy Stargel, Raymond Clark, Charles Cullin, Julius Stevens, Donald Max McCoy, Duane Miller, John Clark and Bobby Jo Parris.

George Cullin, Rev. Jeff Moore and Mrs. Jeff Moore were sponsors.

### MEMPHIS PEOPLE ATTEND WEDDING AT DECATUR

Announcement has been made of the marriage of Miss Margaret Amanda Russel, daughter of Mr. and Mrs. William Bragg Russel of DeCalb, to Lt. Glendor Duron McAdams of Quana. The ceremony was performed Sunday, Oct. 28, in Decatur.

Attending from Memphis were Mr. and Mrs. R. S. Greene, Mr. and Mrs. L. B. Merrell, Mrs. Jerry Murtaugh and Miss Cassandra Morris.

### FOUR NEW MEMBERS

At a regular Tuesday meeting, Oct. 23, four girls were presented with Brownie pins by their leaders, Mrs. James Smith and Mrs. Ralph Howe. They were Billy Jean Stroehle, Mary Ann Crone, Georgann Haydn, and Lois Ann Cofer. This closes the membership for Troop 3, making a total of 16 girls. Several mothers were present for the ceremony.

### CARD OF THANKS

In this way we wish to express our gratitude of thanks to our neighbors and friends for their kindness and help during the illness of my husband, and for the beautiful flowers, and to each one who ministered in any way, and especially de we want to thank little Harrel Cochran for his kindness in running errands for us. May God bless each one of you. Mr. and Mrs. C. C. Allen.

Mrs. R. C. Walker went to Seattle, Wash., first of the week to visit her sister.

Mr. and Mrs. H. B. Bass of Cactus, Moore County, visited relatives here the past week-end.

## Paul Kinard Named Freshman President

Paul Kinard of Newlin, freshman at West Texas State College, has been elected president of the Freshman Class. Spencer Winn, Canyon, was chosen vice-president and Louellyn Pennington, Borger, secretary-treasurer.

Kinard resides at Stanford Hall, is a pre-law major, and works at the Buffalo Food Store in his spare time.

## Grid Race Starts On Home Stretch In District 3-A

The district 3-A grid race enters in home stretch this week with Wellington still out in front in the minds of most of the fans.

Shamrock is still in the running, however, and the Shamrock-Wellington game at Shamrock next week will to all intents and purposes settle the conference title.

Last week's games went off according to pre-dope ratings, but with Memphis coming out with a bigger margin over Lakeview than had been anticipated.

The Lefors Pirates upset the Wheeler Mustangs 40 to 12 on the Wheeler Gridiron. Wellington nipped the Clarendon Bronchos 33 to 0 and Shamrock's Irish swamped the McLean Tigers 34 to 0.

The Skyrockets come to Memphis this week, Lakeview has an open date, McLean goes to Lefors and Clarendon goes to Shamrock. Wheeler plays a non-conference game at Canadian.

Canadian last week blanked the usually strong White Deer team 34 to 0 and Phillips smothered Panhandle 42 to 7. In the upper bracket games holding interest for local fans Plainview beat Lubbock, 13 to 7; Amarillo blanked Borger, 21 to 0; Pampa ran over Brownfield, 25 to 0; and Wichita Falls held the state favorites, Highland Park of Dallas, to a 7-all tie.

## Members Attend O. E. S. Convention

Local members of the Order of Eastern Star who attended the state convention in Amarillo last week reported it one of the best meetings of the grand chapter in years.

Attendance was unusually heavy, approximately 4,000 delegates registering for the four-day meeting. Business sessions were held daily and at nights.

Attending from Memphis were Mrs. Henry Newman, worthy matron of the local chapter; Mrs. C. R. Webster, Mrs. Morgan Baker, Mrs. Anna Dickson, Mrs. N. W. Durham and Mrs. Lloyd Phillips.

## Part of XIT Land Goes on Market

Thirty sections of land, part of the original holdings of the Capital Syndicate Company, will go on sale Monday, Nov. 5, according to Tom W. Cotten, Amarillo realtor who is conducting the sale. This land, at one time part of the famous XIT Ranch, is located 6 to 10 miles south of Perico, Texas, and northwest of Dalhart.

"This tract will be offered to farmers in one and two section lots. It is row crop land, and the soil is sandy loam. The crops this year are making between \$20.00 and \$30.00 per acre," Cotten says. "School buses run to each farm. These farms have good water and there is an abundant supply at 80 to 100 feet. There are 14 sets of

## WILL YOUR PLANS FOR A HOME

Condensation is caused by warm, moist air striking a cold surface, depositing water. Everyone has noticed how beads of sweat form on the outside of a glass of cold water in a warm room. That's condensation.

Condensation takes place in your home in this same manner when non-vented, inadequate heating methods are used. This is called "house sweating," and its results are both expensive and inconvenient. It causes uncomfortable living generally, and damages walls, floors, and furnishings.

### Condensation Can Be Easily Eliminated

By installing the ADEQUATE, VENTED, AUTOMATIC method of GAS HEATING you eliminate the deterioration and inconvenience caused by condensation. HERE'S HOW IT'S DONE . . . (1) VENTED heating units remove the moisture resulting from combustion to the outside air by means of flues, doing away with one source of "house sweating." (2) Another cause of "house sweating" is inadequate heat, which leaves corners, walls, and furnishings cold, and it is these cold surfaces that permit condensation. ADEQUATE heating equipment prevents this by warming the entire area evenly, eliminating all cold surfaces. (3) AUTOMATIC gas heat, made possible by a small, inexpensive thermostat, guarantees greater comfort and health protection for your home 24 hours of every day, permitting you to get the full benefit of natural gas, the world's finest fuel.

### AVA Method Of Gas Heating Is Economical And Easily Adaptable

Considering its many advantages, the ADEQUATE, VENTED, AUTOMATIC method of gas heating is economical both from the standpoint of original purchase and the savings in repair bills. This type of heating equipment is easily adaptable to your home, and may be installed in the attic, closet, the floor, or in an adjoining garage. Choose any make equipment you desire—buy it from your dealer—BUT be sure the heating equipment you install in your home is ADEQUATE, VENTED, and AUTOMATIC.

# LAND SALE

## 30 SECTIONS RICH PANHANDLE FARM LAND

HERE'S YOUR CHANCE TO OWN YOUR OWN FARM!

SALE STARTS

MONDAY, NOVEMBER 5th, 1945

AND WILL CONTINUE UNTIL ALL LAND IS SOLD

At PERICO, TEXAS

Those interested in this land will meet at Perico, Texas beginning Monday, November 5th, 1945 for a tour of this fine land. These tours will be conducted daily by men who are thoroughly familiar with the land. Perico is located between Dalhart and Texline on U. S. 87. The land, part of the original XIT holdings, lies 6 to 10 miles south of Perico.

### FINE CROPS — ABUNDANT WATER

The crops being harvested this year are making between \$20.00 and \$30.00 per acre. Crops consist of maize, cane, corn, hegari, peanuts, sweet potatoes, and every kind of garden vegetable. This is row crop land, and the soil is sandy loam. There is a school bus to every farm. There will be some drilling for oil in the vicinity of this land in the near future. One-half of the mineral rights will go with the land.

this group. There are 14 sets of improvements, and 18 wells and windmills. The water is good and there is an abundant supply at 80 to 100 feet. This land is part of the original XIT Ranch, and is probably the lowest priced GOOD farm land that is available to farmers in Texas today. Don't miss this opportunity to own your own farm.

This land is to be sold to farmers in one and two section lots. Also, one small (five section) ranch is to be offered in

Real Estate dealers will be paid a regular commission on any purchaser he actually sells. All information furnished through our office.

MR. AND MRS. JACK MARTIN

## Beulah Ann Kirkland and Jack Martin Wed Oct. 14

Miss Beulah Ann Kirkland, daughter of Mr. and Mrs. George Kirkland of Lakeview, and Jack Martin, son of Mr. and Mrs. M. Martin of Memphis, were married Sunday, Oct. 14, in the First Methodist Church of Memphis. P. E. Yarborough read the ceremony at 3:00 o'clock Sunday afternoon in the presence of relatives and intimate friends of the couple.

The ceremony was performed before an altar, banked in an arrangement of white chrysanthemums and woodwardia ferns.

Mrs. L. B. Madden provided a musical background for the ceremony. Attending Miss Kirkland as maid-of-honor, was her niece, Miss Georgia Lee Kirkland. The groom was attended by his nephew, Larry McQueen. Bridesmaids were Miss Tommie Jo Bevers and Aurilia Rice.

The bride, who was given in marriage by her brother, Curtis Kirkland of Hedley, wore traditional white. Her gown of white tulle, designed with square neckline, fitted bodice and full skirt. The fingertip veil of tulle illusion fell in circular tiers from a crown accented by silver. She carried a bouquet of pink roses, tied with pink satin streamers on a white bible and wore a string of pearls given to her by her mother-in-law, and carried a lace trimmed handkerchief belonging to her mother.

Miss Kirkland, maid-of-honor, wore a blue gown styled with cap sleeves, sweetheart neckline and fitted bodice and full skirt. Complementing her costume, she wore corsage of pink and white carnations.

Mrs. Martin, mother of the groom, wore a pink suit with black accessories and a corsage of white carnations.

The bride is a graduate of Lakeview High School with the class of 1942.

## Earl Millers Are Dinner Sponsors For Service Men

Mr. and Mrs. Earl Miller of Memphis were co-sponsors Sunday in a dinner honoring six returned veterans in Wellington.

The six servicemen were Cpl. Clyde Miller, who served with the 35th Division and recently returned from Germany; S-Sgt. Joe E. Miller, ball gunner on a B-17 with the 8th Air Force; Pfc. Roland Wilson with the 101st Air Borne Division; T-Sgt. Jack Miller, just returned from the Philippines, where he served with the Air Force; Pvt. Eugene Miller, Army Air Corps mechanic, Seattle, Wash.; and Cpl. Rasco Coffee, just returned from the ETO.

Attending the affair were Mr. and Mrs. Bob Miller of Ft. Worth, Mrs. Jack Miller and two children of Vernon, Mrs. Rudolph Miller of Ft. Knox, Ky., Mrs. Joe E. Miller and son, Jimmie, of Phillips, Denzil and Shirley Miller of Memphis, Mr. and Mrs. W. R. Wilson and two children of Quail, Mrs. Eddie Strong and Geary of Wellington, Lee Miller of Spearman, Maryana and Virginia and Billie Bledsoe of Wellington, Mrs. Clyde Miller and son Michael, Mr. and Mrs. Earl Miller of Memphis, Carol Sue Hardy, Quana and Mr. and Mrs. Bert Miller of Wellington.

Those visiting Mr. and Mrs. W. Tucker the past week-end were Mr. and Mrs. W. L. Crabtree of Vernon, Mrs. Jack Garrett of Amarillo, Edd Callahan of Vernon, and Mrs. W. L. Crabtree of Vernon.

### Two New Girl Scout Troops Are Planned by Local Council

#### Group Sets Budget for Scouting Here As Week Observed

UNCLE'S FAVORITE PIN-UP

GIRL SCOUTS

LOYAL-THRIFTY-COURTEOUS FRIENDLY-HELPS OTHERS - FOR GOD AND COUNTRY

National Girl Scout Week is being observed in Memphis with the raising of a budget to carry on Scouting for the coming year and in the proposed organization of two new Scout troops.

Four troops have been organized in recent weeks, a Girl Scout Council has been created and widespread interest has been revived in a well-rounded Scouting program on a permanent basis.

The Girl Scout budget was adopted at a meeting of the Council last Thursday night and funds are now being raised to carry on the work for the coming 12 months.

Miss Ida Mae McClure of Amarillo, representative of National Girl Scout organization and who helped in the organization of the Council here recently, will be in Memphis on Thursday to confer with local leaders. She plans a monthly visit to Memphis to confer with the Council officers.

Delegates to the district conference in Amarillo on Friday of next week, Nov. 9, were named at the Council meeting last Thursday. The delegates are Mrs. R. C. Lemons, registrar; Mrs. Don Wright, chairman of the publicity committee; O. R. Saye, finance

committee chairman and James Smith, president of the Council.

In commenting on the objectives of Girl Scout week, Mrs. Wright said: "The end of the war in Europe has brought us all face to face with many of the reconstruction and rehabilitation problems we have been anticipating and trying to help prepare our girls to meet. Girl Scout week brings the whole work of youth training into focus in the public eye.

"Girl Scouting has become the largest organization of girls in the world. Through sheer size, alone, it can speak for the youth of America—and youth can speak through it. But, the Girl Scouts are also making a direct effort to find out their important role of citizens of tomorrow."

#### Cpl. Rayford Harris Sees Old Buddies At Wichita Falls

The "Lost Battalion" reunion at Wichita Falls on Sunday and Monday was a momentous occasion for Cpl. Rayford Harris and scores of other members of the 131st Field Artillery.

Many of his former buddies, whom he had not seen since October 1942 when they were separated and sent to different Jap prison camps, were in attendance at Wichita Falls.

"I saw many of my buddies for the first time in three years," he reported.

Rayford was accompanied to Wichita Falls by his parents, Mr. and Mrs. Claude Harris and his sister, Mrs. Dwight Betts of Amarillo. Joining them there were his sisters, Molly, Coleman and Jane of Fort Worth, Delta airlines hostess who flew to Wichita Falls.

A huge downtown bond auction held in honor of the Lost Battalion reunion resulted in cash sales amounting to \$6,720,235, the victory loan quota for the entire county was only \$4,300,000.

Linda Darnell's swimming suit, sent from Hollywood for the Lost Battalion auction, went for \$100,000. So did a pig sent by Bob Burns. And Dorothy Lamour's sarong—guaranteed to be hers—also sold for \$100,000 in war bonds.

After the bond sale, veterans of the famous battalion met in a formal session to form an official Lost Battalion club which will meet early in the future. Col. Blucher Tharp of Amarillo was chosen president. Wives, sweethearts and mothers of the men who went down fighting in Java in March of 1942 formed an official Women's Auxiliary with Mrs. Clyde Filmore of Wichita Falls as president.

Reunion was the first for members of the army group which fought a losing battle against overwhelming Jap hordes on Java and spent the rest of the war in widely spaced prison camps throughout the Pacific.

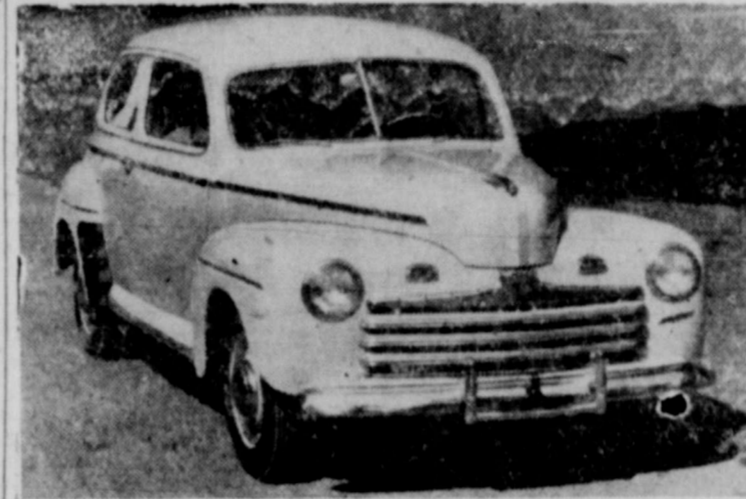

#### Many Visitors at Singing Program

Many visitors from out of town were in the audience at the regular monthly meeting of the Hall County Singing Club Sunday afternoon. The auditorium of the First Methodist Church was comfortably filled.

President Bill Monzingo expressed his thanks to Ed Dudad of Mangum, president of the Texas-Oklahoma Singing convention and to Mr. and Mrs. Earl Conn of Childress for lending their support to the local organization. Mr. Conn is vice-president of the T-O group. Another out-of-town visitor was James Smith of Lelia Lake. The Oklahoma quartet from Willow also participated in the Sunday program.

#### John Sargent Named For Membership in College Who's Who

John Sargent son of Mr. and Mrs. C. R. Sargent, has been nominated for membership in the 1945-46 edition of "Who's Who among Students in American Universities and Colleges". John is an ex-service man and since his enrollment at Sul Ross State Teachers College, Alpine, has been elected president of the Student Council and also of Delta Phi. He is vice president of the junior class and of Hancock Hall club and is a member of the Ross band. Student for the college who's who are nominated for qualities of leadership, character and scholarship.

#### New Ford, Now on Display Here, Has Many Improvements, Says G. L. Watson

The first new 1946 Ford, pictured above, is now on display at the Foxhall Motor company's showrooms. It was "unveiled" to the public last Friday and Saturday.

"We've never been personally more enthusiastic about a new Ford model," says G. L. Watson, manager.

"Without doubt it's the smartest Ford car ever built, and as far as performance is concerned, please note that the 1946 Ford, the first postwar model, contains more engineering advancements and mechanical improvements than were included in any previous year-to-year model. The answer, of course, lies in the four years of stored-up research results, and the advancements which came out of the Ford Motor Company's intensive participation in the manufacture of war products."

Outstanding features of the car are: a more powerful engine, better performance, longer life, improved economy and a better ride.

The new V-8 engine develops 100 horsepower, making it the most powerful Ford in the history of the company. Pre-war Fords were equipped with V-8 engines developing 90 horsepower.

The chief exterior change is a newly designed radiator grille. The louvers are fewer in number and larger. They extend horizontally from fender to fender, enhancing a lower, broader appearance.

Other exterior changes, include a new hood ornament and a more elaborate rear deck ornamentation. In addition, a complete line of colors will be available in the long-wearing, durable Ford synthetic enamel paints.

Luxury and eye-appeal are accentuated in the interiors. Instrumentation is generally the same, but the styling and color schemes of the instrument panel are new.

Upholstery will be available in mohair or broadcloth of several shades. Imitation wood grain

#### Locals Dump Eagles 31 to 13 in Belated Wild Scoring Spree

After being outplayed for the first three quarters, the Memphis Cyclone cut loose with a wild scoring spree mid-way in the fourth quarter to beat the Lakeview Eagles 31 to 13 last Friday night on the Eagle field.

Pepped up over their second conference win, the Cyclone promises to shoot the works with the Wellington Skyrockets here Friday night, but standings to date indicate that the visitors will win by a large margin.

Friday night's game at Lakeview was one of the thrillers of the season, but until the fourth quarter was well under way the large crowd of Memphis fans didn't have much hope for a Cyclone victory.

Moreman's passing and running and the vulnerable Lakeview line which held the Cyclone four times for downs when Memphis was within a few yards of the Lakeview goal line, gave the Eagles what looked like would be the ball game—until the Cyclone broke loose with a furious assault of passing, running and pass interceptions.

McElreath's running was sensational, and if there are any better candidates for the all-district eleven, they haven't been seen here.

He passed to Hancock in the second for the Cyclone's first touchdown, scored all three of the touchdowns for Memphis in the final quarter and ran over the only point for conversion which the Cyclone chalked up in the game.

Moreman passed to Hancock for 20 yards and a touchdown and then kicked the extra point to give Lakeview the first touchdown in the opening period. Memphis scored in the second but failed to convert and the half ended with the count 7 to 6 in favor of the Eagles.

The Cyclone carried the ball down the field in a series of downs on running plays shortly after the third quarter opened and McQueen scored on an off tackle play. Again the Cyclone failed for extra point.

In another sensational pass in the fourth period from Moreman to Moreland for 20 yards and a 20-yard run by Moreland gave the Eagles another touchdown and put them ahead 13 to 12.

Shortly thereafter McElreath broke loose on the first play after Lakeview had kicked, and raced 65 yards for a touchdown. Within a couple of minutes he intercepted an Eagle pass and raced 30 yards for another counter. And in another couple of minutes Huggins intercepted an Eagle pass and raced 50 yards before being hauled down on the five-yard line, from which point McElreath went off tackle for his third touchdown of the quarter.

During the first half the Cyclone got within Lakeview's 10-yard zone four times, only to lose the ball on downs when the Eagle line put up a stonewall defense.

Starting line-ups were: Eagles—Fowler, LE; Duke, LT; Verden, LG; Rumpy, C; Poynor, RG; Clark, RT; Hancock, RE; Moreland, LH; Wiley, RH; Moreman, FB; Denton, QB.

Cyclone—Hancock, LE; Evans, LT; Orand, LG; Henry, C; Monzingo, RG; Huggins, RT; Hickey, RE; Ford, B; Davis, B; McQueen, B; McElreath, B.

## Politics Muscles In

During the first half the Cyclone got within Lakeview's 10-yard zone four times, only to lose the ball on downs when the Eagle line put up a stonewall defense.

Starting line-ups were: Eagles—Fowler, LE; Duke, LT; Verden, LG; Rumpy, C; Poynor, RG; Clark, RT; Hancock, RE; Moreland, LH; Wiley, RH; Moreman, FB; Denton, QB.

#### J. R. MITCHELL'S FATHER DIES IN ALABAMA

William Mitchell, father of J. R. Mitchell, Sr., a resident of Centerville, Ala., since young manhood, passed away at his home there on Tuesday, Oct. 23. Mr. Mitchell was 94 years of age. His son, J. R. Mitchell, has made Memorable his home since returning from France at the end of World War I. He was unable to attend the funeral services of his father.

# Purple Heart for John Stanley Sent To Mother; Resolutions Adopted by Rebekah Lodge

"John was proud to be an American and he did so want to come back to Texas," writes Mrs. Mattie Stanley about her son, Pvt. John Stanley who died at the hands of his guards in a Japanese prison camp on Dec. 14, 1944.

In a letter to The Democrat, Mrs. Stanley expresses her deepest thanks to all the friends and neighbors for their kindness and encloses a copy of resolutions of respect adopted by the Rebekah Lodge on the untimely passing of the young soldier.

Her letter follows:

Mr. Wells, Democrat Staff and all our friends:

I am very slow in trying to say "Thank You" for all the nice things that have been done, written, said or thought for me and mine during these terrible dark hours, days, weeks and years and especially these last several weeks. Words can not express our thanks and appreciation. It helps so much just to know that people care and want to help.

There is no way in the world to help my laughing, blue-eyed John. To me he is not dead, he is still "just away." He left me the last time just as he always did. With a smile and a wave of that strong young hand. And that is the way I will see him again some day.

Today we opened the beautiful little box containing the Purple Heart. It was like opening a casket and finding the beautiful golden heart of American youth, embalmed, never to grow old, never to know pain, sadness or sorrow. Never have to say goodbye. A symbol of my own true-hearted young son and all the other sons.

John was proud to be an American and he did so want to come back to Texas. The bodies may be killed but not the soul, their spirits go marching on. It is hard for our sons to go down in battle, but after six months of Hell on Bataan and Corregidor; three years of only God knows what, and then when deliverance was almost there to be murdered as he and those other American

PVT. JOHN STANLEY

sons were almost unbearable. It is only through the grace of God and the desire of our friends to help, that we can carry on. That picture is terrible, and I can not get it out of my mind day or night but that other picture of a blue-eyed boy, with a smile and a wave of the hand, saying, "Don't Worry Mom, I'll be alright," is the one I'm clinging to and the one I'm going to see.

Our sons were tortured and crucified just as God's son was and in my imagination, everywhere that "Old Glory" has been raised, I can see an "old rugged cross" also, but thank God that "The Way of the Cross Leads Home."

May God richly bless each and everyone who has ever thought of John and me through these awful years.

Mrs. Mattie F. Stanley and family.

### COPY OF RESOLUTIONS

We, your committee to draft resolutions upon the tragic death of Pvt. John Stanley, wish to submit the following:

Whereas, the valiant life of Pvt. John Stanley was suddenly snatched from his loved ones and friends by the Japanese Prison guards on

December 14, 1944 at Puerta Princess, Palawan, Philippine Islands.

Whereas the memory of that strong, sturdy lad with a most outstanding and winning personality his clear, laughing eyes and that hale and hearty laugh, will remain with us forever, we should be glad that he has been transferred from that camp of gunfire, bloodshed, sweat and hunger, into a new and peaceful camp, where all is quiet, calm and tranquil.

Therefore, be it resolved that we recognize the will of that supreme commander-in-chief who said, "Vengeance is Mine," and submit our will to his, ever remembering that he knows best and in order to show our gratitude to him for John in his supreme sacrifice, his loyalty and unswerving devotion to his country, that we should be more like the master and live and serve our God, our nation and our loved ones.

Again, be it resolved, that we cherish the memories of those few short years while John was with

us and find consolation in the thought that his soul shall live on and on for Jesus said, "I am the Resurrection and the life; he that believeth in me, tho he be dead, yet shall he live; forsoever liveth and believeth shall never die."

Be it further resolved, that we extend to Sister Stanley and her loved ones, our most heartfelt sympathy, our words are so futile at times like these, but we can commend her to one who knows the sorrow, anguish and grief in her heart. He alone can assuage that grief.

To S-Sgt. R. L. and Pvt. Jim Lee go our thanks and appreciation for their services rendered and may God bless and keep them wherever they go.

To Francis, may we offer our sincere condolence.

Finally, be it resolved, that no bitterness or malice take the place of love, friendship, cheer and good will in our hearts for if we have a wrong to bear, then let us leave that in the hands of our heavenly grand master for he knows "how to whip and when for right to triumph over sin."

So in your hours of sorrow and grief, think of the words of the poet who said:

I know the hurt is keen today  
I know the loss is great  
But what if you should go away  
With no one there to wait?  
And oh how lonely heaven would be

If all you loved were here  
And there was none you longed to see

To welcome you, my Dear!  
Oh if you have had a lovely child  
And you have lost a son,  
But soon you shall be reconciled

When life's brief time is done  
For heaven is made of those we love  
The beautiful and true,  
And God has taken him above

To Build a Heaven for  
Respectfully  
Sr. Vera  
Sr. Lula  
Bro. Marian

### Gala Fireworks On November 12 at Childress Park

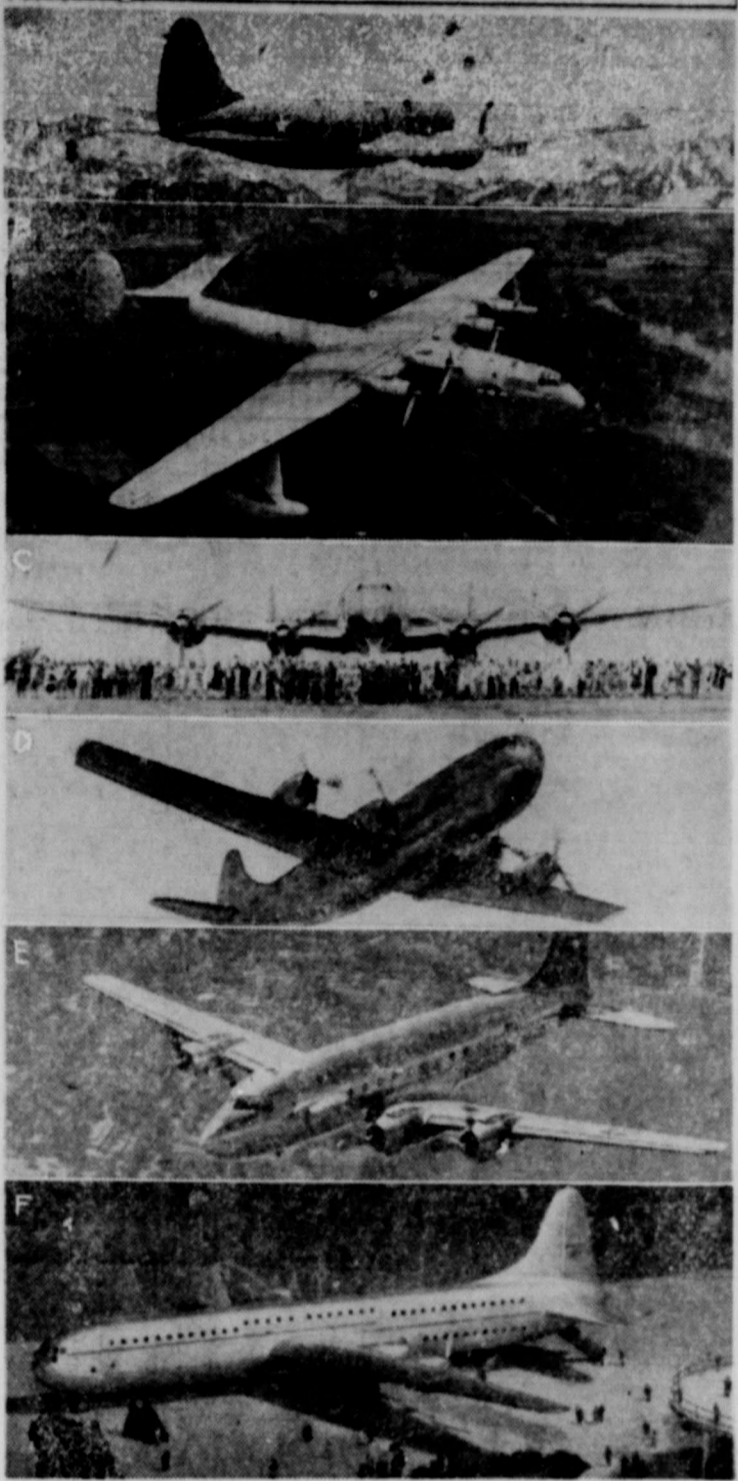

A big gala fireworks display, band concert, and home coming celebration for veterans of World War II is scheduled at Fair Park stadium in Childress on Monday, Nov. 12. The fireworks display is one of the most stupendous ever presented in this section of the state and is the first peacetime celebration held in Childress since 1940.

The Childress American Legion invites all World War II veterans to attend this celebration for a special homecoming ceremony and get together. Midway in the fireworks display the American Legion will take over to pay honor and do tribute to those veterans who are home and to those who are yet to come home.

### SOCIALISTS ASK "CAPITALISTIC" FINANCING

England is flitting with the doctrine of national socialism. The failure of that political philosophy was shown up vividly by the war. Of England's export tonnage, 70 per cent is coal. Its 706,000 miners produce only some 200,000,000 tons of coal a year, compared with 600,000,000 tons produced by some 400,000 miners in the United States.

Getting a ton of British coal to the top of the ground costs \$4.20 for labor; \$1.40 in America. Why this startling difference in the man-output of coal in the two countries? Answer, government interference and tax laws that discourage improvements and replacement of old machinery, and regulations which penalize efficient methods. Coal doubled in price in England during the war, while American coal advanced but slightly. Results for England, low wages and a ruined export trade. The true facts were so craftily hidden from the workers that they shouted for government ownership, and in the last election gained their objective, when too much government had already ruined the industry.

The new labor government that promises socialization of the Bank of England, the mines and the railroads, is already seeking to borrow billions in the United States, a "capitalistic" country, to finance its socialistic philosophy. What irony to see the collectivists in England asking our country, which pays its own way from the profits of free enterprise, to tax its people to furnish the money (profits) necessary to finance national socialism. In other words, we are asked to finance a system that frowns on profit, but which would compete with our own industries.

Let other countries go socialistic if they desire, but let America retain its independence and its capital to out-produce them in quality, quantity and price.

### BRUTAL STATISTICS

Fire Prevention Week is over, but the awful drama of the destruction and how it can be avoided, which was paraded before the eyes of the public within the space of seven days, should not be forgotten.

It is hard to conceive of a home being destroyed by fire every four minutes. And yet that was one of the brutal facts that received banner publicity during Fire Prevention Week—every four minutes somewhere in the United States a family loses its most precious possessions. It is lucky if some of its mem-

bers, too, are not lost. Thousands of persons are burned to death every year. Why can't these fires be prevented? What causes them?

They could be prevented. The reasons for most of them are tragically simple. Smoking and matches are the first cause of fire. Faulty electric wiring runs a close second. Sparks on combustible roofs rank third. After that come defective chimneys, defective heating equipment, rubbish and spontaneous combustion; lightning and inflammable liquids are also among the prominent causes of fire.

Until millions of individuals decide to do something about the menace of fire, the horror of an annual fire loss in life and property will continue to be with us.

Even as these words are being written, fire is destroying a home somewhere in these forty-eight states!

### Press Paragraphs

SELECTED FROM THE  
DEMOCRAT'S EXCHANGE

Universal military training is a gain due before Congress. It will fail unless this country rallies to its support and you let your Congressmen and Senators know you are for it.

Calm reasoning dictates approval. As surely as death and taxes it is national defense from aggression, motivated by those willing to stake the destiny of the world on force, dedicated to conquest.

At close intervals in our history, we have been forced to send American youths to battle.

Nothing in today's unsettled world assures us that it will not happen again and at ever closer intervals, than in the past.

On the contrary, many factors indicate that only the ultimate in preparedness, can avert a similar catastrophe.

War's bewildering pace has taught us the utter futility of defense, no matter how worthy the cause, without all of the equipment and training needed to meet the emergency. We were just as right at Pearl Harbor, Manila and Bataan as we were at Midway and Tokyo.

In each crisis our greatest casualties came, as unprepared men died, while others were trained, and each time the toll of useless sacrifice has climbed higher.—Moore County News.

It is an unhealthy condition in any business when too much attention is devoted to the cultivation of out of the territory trade. Many people have come to Quanah to make their purchases during the past three years, but the wise merchant realizes that the time is at hand when many of the salable it-

ems will be stocked nearer home. It is the little man in town and the farmers in the county upon which trade must depend over a period of years. When this class of trade is ignored to cater to the casual buyer from out-of-town, the merchant is building his business on a very fickle and temporary basis.

Please the customer at home and the out-of-town business will take care of itself.—Quanah Tribune-Chief.

Congress is trying to decide whether or not all fighting forces of the nation shall be placed under one head. Perhaps the healthy rivalry which has existed between the Army and Navy has been a good tonic. When it comes to cooperation during the war, there seems to be no doubt that all American forces worked together. Duplication of departments is a bad thing at any time, especially during war when various branches of service are buying millions of dollars worth of supplies. There probably would be no actual savings in time of war, but more efficiency should result, especially in Washington. Congress is in the humor to do some cutting on overhead expenses in government. This is one of the biggest jobs that Congress will undertake.—Canyon News.

### PLASKA

By MRS. WILLIAM HAYNIE

K. D. Nabers of Lesley spent the past week with his grandparents, M. and Mrs. Luther Nabers. Pfc. Floyd Totty left Sunday for Camp Bowie after spending a 45-day furlough with his wife and children.

Mrs. Eldon Spannagel visited Mrs. John Murdock Wednesday.

Mrs. T. I. McWhorter and Mr. and Mrs. James Dixon visited Mr. and Mrs. I. O. Huggins Sunday afternoon.

Mrs. S. A. Ellis and Mrs. W. L. Nabers visited in the E. C. Burnett home at Lakeview Wednesday.

Mr. John Smith and Mrs. S. A. Ellis visited Mrs. W. L. Nabers Thursday.

Miss Jo Murdock of Memphis visited her parents, Mr. and Mrs. Edd Murdock Saturday night and Sunday.

Those attending singing in Memphis Sunday from here were Mr. and Mrs. T. J. Brock, Mr. and Mrs. Earl Richards, Mrs. John Smith, Mrs. William Haynie and Mrs. Edd Galloway.

Mrs. Collins Creighead visited Mrs. Velma Nabers Tuesday.

Mrs. Billy Murdock visited Mr. and Mrs. Houston Polasek Friday afternoon.

Mrs. Wesley Waits left Wednesday night for Phoenix, Ariz., where she will meet her husband, who has just received his discharge. They will visit a few days in Phoenix before returning home.

Mrs. John Smith and W. L. Nabers were Lakeview visitors Friday.

Billy Murdock left Wednesday for induction into the Army.

Arrie Hodges of Leon, Okla., came Friday for a visit with his brother, Ben Hodges.

Mrs. T. J. Brock visited Mrs. John Murdock Friday afternoon. Mr. and Mrs. M. M. Shirley of Friona visited Mr. and Mrs. Collins Creighead Sunday.

Mrs. B. B. McMillan of Memphis was a Plaska visitor Tuesday.

Mrs. Pounds and daughters of Friendship community visited Saturday with Mrs. Lula Huggins.

Mrs. Henry Foster and son are visiting in Abilene this week.

Mr. and Mrs. John Smith and

### IS GETTING UP NIGHTS GETTING YOU DOWN?

Thousands say famous doctor's discovery gives blessed relief from irritation of the bladder caused by excess acidity in the urine

Why suffer needlessly from backaches, run-down feeling from excess acidity in the urine? Just try DR. KILMER'S SWAMP ROOT, the renowned herbal medicine. SWAMP ROOT acts fast on the kidneys to promote the flow of urine and relieves troublesome excess acidity. Originally created by a practicing physician, Dr. Kilmer's is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Absolutely nothing harsh or habit-forming in this pure, scientific preparation. Just good ingredients that quickly act on the kidneys to increase the flow of urine and ease the uncomfortable symptoms of bladder irritation.

Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to: Dr. Kilmer's, Kilmer & Co., Inc., Box 1126, New York, N. Y. One Sample Sent at Once. All druggists sell Swamp Root.

daughter were Amarillo visitors Tuesday.

Eugene Galloway spent Sunday night with Elton Murdock.

Mrs. Emmett Harper was a Memphis visitor Sunday.

Mr. and Mrs. Fred Needham and W. C. Needham of Denton visited Mrs. Pearl Vallance Thursday night.

Mr. and Mrs. Arthur Gidden went to Vernon Saturday to be with Mrs. Gidden's brother, Ethel Orr, who is ill.

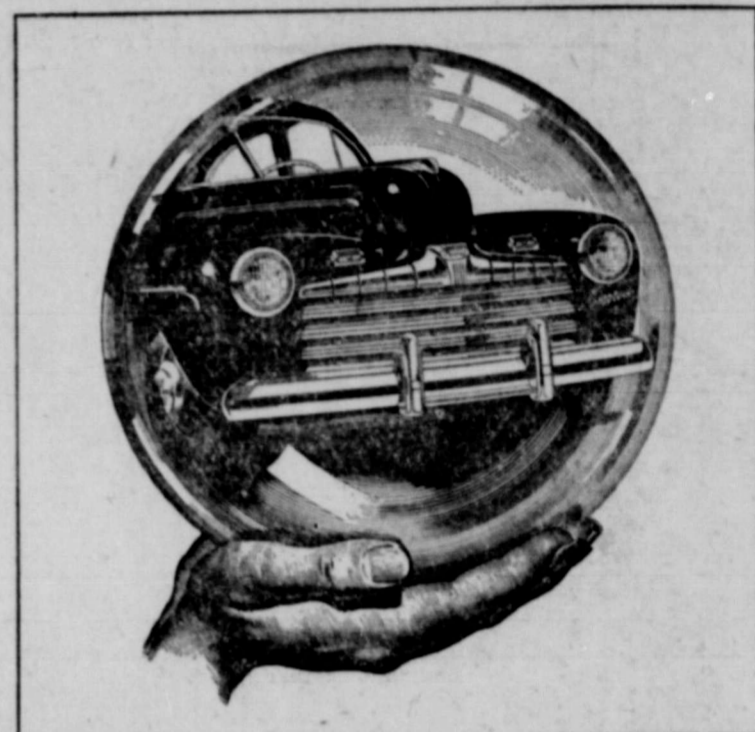

Billy Murdock was honored with a farewell dinner Sunday in the home of his parents, Mr. and Mrs. John Murdock. He is leaving for

induction into the army Wednesday.

Those attending were Mr. and Mrs. John Smith and daughter, Walter, Mr. and Mrs. E. J. Galloway and sons, Cecil and Jerry, Mr. and Mrs. E. E. Foster, Mr. and Mrs. P. E. Gardenhire of Newlin, W. E. Murdock, Mrs. Eldon Spannagel and son, Larry, Mrs. Pete Williams and daughters, Anna Jane, Reba Jean and Sylvia Jean, Mrs. William Haynie and daughters, Nelda Sue and Beverly, Mr. and Mrs. Billy Murdock and Mr. and Mrs. John Murdock, Bobby Jean, Mary Beth and Elton.

# Sure, we've won the War

## BUT THE COST GOES ON!

IT WILL COST MILLIONS TO BRING OUR ARMIES BACK and it's just as expensive as it was taking them over. Meanwhile, thousands of our men who stay behind in occupied territory must receive their pay, be clothed, housed and fed at Uncle Sam's expense.

WE OWE THEM A RETURN TRIP TICKET TO HEALTH. Today, the rehabilitation and care of over 300,000 wounded are among America's gravest peacetime problems. This obligation is one which every American can now share in—by investing in the Great Victory Loan.

UNCLE SAM MUST STILL PAY FOR THESE. Although America had already started to cut down on production of various kinds of war materials, the swift ending of the war left many planes, tanks, battleships, guns, made at the last minute, still to be paid for.

### America Must Take Care of Her Own in the Great Victory Loan!

It's too much to expect that the cost of a war which lasted many years can just stop overnight. Although the fighting is over the paying has to go on for some time to come.

So once more it's ALL TOGETHER in America's Great Victory Loan. Start off your own peace and prosperity—and your country's—right by investing in the biggest quota of bonds you've ever bought.

### Drive for Chapel At WTSC Shows Good Progress

A steady stream of small contributions, and occasional large ones, marks the progress of the West Texas State chapel drive.

Funds are being received by Dr. J. A. Hill, president, who is giving personal attention to the campaign. Cash and pledges total more than \$16,000. The goal is \$50,000.

Building of the religious edifice at West Texas State has been endorsed by Panhandle churchmen, civic clubs, and many other organizations. The structure would be used for lectures, concerts, weddings, conferences between plains pastors and their student patrons, special religious services, and quiet meditation. The program would not conflict with worship periods or projects of local churches.

Appropriateness of the project has attracted nationwide attention. Presidents of many other colleges have written for details. Students religious organizations at West Texas State are among the most active in the state.

### University Using Lignite for Power

Twenty-seven thousand tons of lignite will be used this winter to furnish heat, light, and power to the University of Texas, Carl Eckhardt, superintendent of utilities, and professor of mechanical engineering, reports.

The University for several years has pioneered in the use of lignite as a fuel to test its efficiency in place of the harder-to-get black coal.

Lignite is a brown coal, and is 35 percent water, Mr. Eckhardt said. For that reason, special air vents were designed in the furnace equipment to permit the coal to be dried.

H. C. Weaver, former professor in the University's College of Engineering, designed the original plant and equipment several years ago.

Texas has an estimated 23 billion tons of lignite reserves, Mr. Eckhardt said, and the adequacy of this reserve amounts to thousands of years. The principal deposits of lignite are to be found in 50 Texas counties, scattered from Texarkana on the northeast to Laredo on the southwest.

### School Heads To Meet on Saturday

First meeting of the year for Panhandle school superintendents will be held Saturday at 10 o'clock at the Amarillo High School with Dr. J. B. Speer of Canyon presiding.

All superintendents in this area have been invited to attend.

Appearing on the program will be Dr. R. L. Williams of Sweetwater, E. H. Boulter, deputy state superintendent for the Panhandle district; Supt. Chas. M. Rogers of Amarillo.

### Many Service Men Enroll at Texas

Between 2,500 and 3,500 students are expected to register at the University of Texas October 31 for the winter semester, Max Fichtenbaum, assistant registrar, reports.

With the additional students, enrollment is expected to be around 7,500, for approximately 5,200 old students—the new school—have already pre-registered for the winter semester.

A considerable number of the students who will register October 31 will be former servicemen. Mr. Fichtenbaum believes, and his records indicate that over 1,000 veterans will be in school during the winter. There are now 644 veterans enrolled.

Only one day has been set aside for registration, and there will be no provisions for late-comers. Classes will begin November 1.

### Service Men Are Urged to Register Illegal Firearms

The Treasury Department has issued a warning to all returning service men to have illegal firearms, such as machine guns and other type of automatic arms, registered with the Bureau of Internal Revenue.

Persons having such types of firearms should send a description to the Internal Revenue office in Dallas. Forms will be sent the owners for making a report. Under terms of the National Firearms Act it is mandatory that such guns be registered with the government.

The United States consumes more silk than any other country.

### \$20,000 in Prizes At Livestock Show In Dallas Nov. 9-18

Special entertainment features and the year's biggest livestock show will combine to make the Greater Pan-American Hereford Exposition, to be held in Dallas November 9-18, an event that the people of Texas will long remember, it was declared Wednesday by Fred F. Florence, Dallas banker and chairman of the Exposition's Board of Directors.

Dallas, top-ranking livestock center, is prepared to demonstrate its own famous brand of all-out hospitality during the 10-day show.

Approximately 600 animals have been entered in the breeding and Junior Cattleman's Baby Beef classes of the gigantic Hereford show, according to Jack Frost, Exposition president, and Lloyd Wheelock of Corsicana, president of the Texas Hereford Association and superintendent of cattle for the Dallas show.

Entries in the breeding cattle classes have been received from throughout the country. Premiums aggregating \$20,000 are being offered, the largest premium list at any show this year. The American Hereford Association

and the Texas Hereford Association are co-sponsors of the Exposition.

Kickoff to the big show will be given Friday afternoon, Nov. 9, when the most extensive livestock parade ever seen in the Southwest will pass through the streets of Dallas. Horsemen and horsewomen from all over the region, plus clubs, groups and orphans, are invited to participate in the parade, wearing western frontier regalia. All participants in the parade will be guests at the chuck-wagon barbecue dinner to be held at the State Fair Grounds immediately upon completion of the march.

## Quantity Machine Tools Used In War Weapons Has Been Given To M. for Mechanical Engineer Shops

Tools that ground out weapons that aided in de-... nations today are be-... in the big Mechanical... shops of the Agri-... and Mechanical College... through cooperation of... District.

The Tulsa office allocated a largest type spot welder for sheet metal work which was used by the Spartan Aircraft Corporation at Tulsa. The Tulsa office also allocated a heavy duty Barnes drill press from the W. C. Norris company; and the Dallas office supplied centering machine used by the Dallas Engineering Company on an ordnance contract.

From the Chemical Warfare procurement district office in Dallas came the following equipment:

Two Sebastian geared-head lathes and a Land-Maco tapping machine used on chemical warfare production by the Guiberson Diesel Corporation.

From the Austin Bridge company, Dallas, came one fork lift heavy duty truck for moving heavy machinery, one multi-drill used for making magnesium fire bombs, a de-burring machine and one counter bore machine used in manufacture of magnesium bombs.

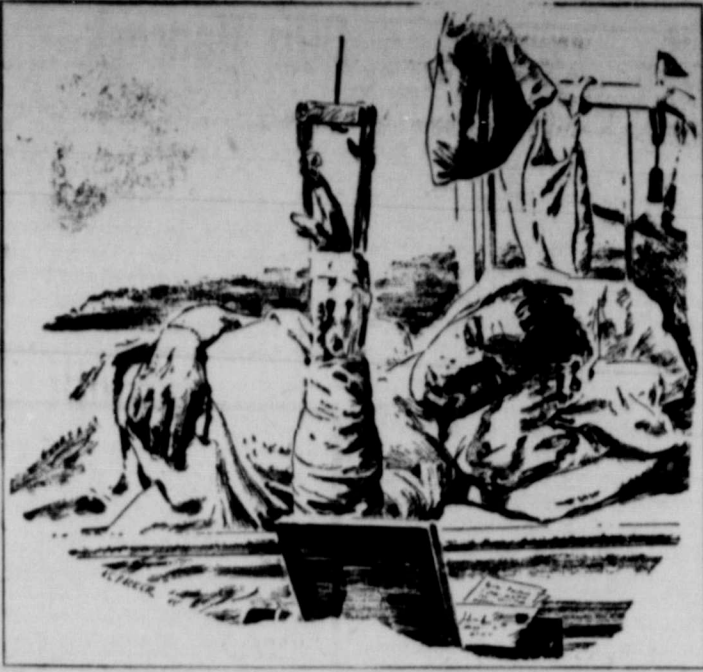

Machinery received by Texas A. & M. College, Mr. McNew said, never would have been available to the institution due to the extremely high cost of such tools, and students of the college henceforth will have the opportunity of using and studying the machinery on the campus whereas heretofore it was necessary to take them on long trips to manufacturing plants where such machines were in use.

Alaska is the only portion of the United States in which tin is found.

The first paper mill in the United States was built in 1690 in Germantown, Pa.

Silverware manufacture in the United States dates from 1842.

## 90th Division In Reunion at Tulsa

The 90th Division Association will meet in Tulsa, Oklahoma at the Mayo Hotel on November 9, 10, and 11, this year. This reunion is a joint meeting of the old and the new 90th Divisions.

The old 90th Division was officially brought into being at Camp Travis, Texas, on August 25, 1917 when Major General Henry T. Allen assumed command. The Division was trained at Camp Travis, San Antonio. It was originally composed solely of enlisted men from Oklahoma and Texas. Later, after the Division had been depleted by transfers, five thousand men were received from Camp Dodge, Iowa. These men were from Iowa, Illinois, Minnesota, and the Dakotas.

The old 90th went overseas in May, 1918, as a member of the American Expeditionary Forces in World War I. It saw action in the Lorraine offensive, the battle of St. Mihiel, and the Argonne drive. The Division received special citations for gallantry in

action. It was one of the Divisions selected for the Army of Occupation in Germany.

The new 90th Division was re-activated at Camp Barkeley, Abilene, on March 25, 1942. The new 90th was trained at Camp Barkeley, Texas, went from there to Louisiana, and California-Arizona maneuvers areas before sailing for England on March 23, 1944.

The emblem of the 90th Division is "T-O", meaning Texas-Oklahoma. The record of both the old and new 90th has been so brilliant, that during the latter part of World War II, when the Division was fighting so gallantly in Germany, it received the name of "Toogh-Ombres."

The new 90th first saw action in the attack on the coast of Normandy. It was in a position for attack on D-Day plus one. The Division fought through the attack at Normandy, through Brittany, through Northern France, through Germany, and into Czechoslovakia. It was one of the most active divisions of the Third Army—General Patton's army—in World War II.

Mexican Harrachas—The Smart Shoppe.

## 15 High School Bands To Compete In Canyon Event

Fifteen or more high school bands are expected to participate in the annual marching contests at Canyon on November 3. The event will begin at 1 p. m. and end shortly before 3 p. m., when the musicians will surrender Buffalo Field for the football game between West Texas State and Dalhart Army Air Base.

The gridiron exhibition will be the annual home coming game. Homecoming activities will be greatly restricted this year. Various clubs will give coffees and teas for visitors and there will be one or more dances in the evening.

The marching contest will be one of the year's most colorful local events. Arrangements are in charge of Prof. Glenn A. Truax, director of the 100-piece college band.

## Rats Carry Six Known Diseases

Because of the economic losses they cause to industry and commerce and the annoyance they create in homes, rats have been considered a serious menace to mankind since long before their role as vectors of disease was understood. Today at least six diseases are known to be transmitted to man from the rat, according to Dr. Geo. W. Cox, State Health Officer. These diseases include the dread plague, typhus, trichinosis, a form of jaundice, tapeworm, and food poisoning. Typhus fever, in the past few years, has become a major health problem in Texas.

"It is necessary to public health," Dr. Cox said, "that a continuous rat control program be maintained in every urban and rural area throughout Texas. This is of special importance on farms where rats may flourish by feeding on grain and other farm products."

The doctor pointed out that rats, like other living things, require food and shelter if they are to propagate and increase in number. Destroying their shelter and breeding places includes the employing of ratproof design in buildings, employing ratproof methods of construction and installation, and providing for periodic inspection of buildings to insure permanent safety. This program will force the rat out into the open where its destruction may be accomplished.

## Homecoming Day At Cayon, Nov. 3

November 3 has been designated as Homecoming Day at West Texas State.

It will not be a carnival occasion such as took place at pre-war homecomings. The revival of this traditional awaits the return of a larger number of military service personnel.

The program for November 3 includes a marching contest for fifteen or more high school bands, starting at 1 p. m., and a football game between West Texas State and Dalhart Army Air Field, beginning at 3 p. m.

Evening events will include coffees and teas by campus clubs and one or more dances.

Baltimore, Md., was the first American city to have gas (1816).

November 1, 1945

### War Dads Oppose Universal Draft

The regular meeting of the Hall County Chapter of American War Dads was held Monday evening at 7:30 at the Presbyterian Church. The attendance was light but the time was taken in a round table discussion of subjects of vital interest for men in the service and for the rehabilitation of returning service men and women.

One of the problems discussed was that of universal military training. While there was some difference of opinion as to the best way to achieve the great object of world peace the chapter voted as against universal military training. The idea was advanced that no nation had ever maintained world power by peace time training and the development of military might. And that the United States will maintain its power among nations more by feeding the hungry, caring for the sick, educating the children and defending every nation large and small in their right to life, liberty and the pursuit of happiness rather than by the fear of our powerful armies and instruments of war.

### Moses Will Edit A. & M. Bulletins

Tad Moses, for the past two and one-half years assistant director of the Texas A. & M. College department of information, has been appointed chief of publications of the Texas Agricultural Experiment Station, succeeding A. D. Jackson, retired.

Moses for 21 years was chief clerk and assistant secretary of the Texas and Southwestern Cattle Raisers Association, and editor of its monthly magazine, The Cattleman.

A native of Burnet County, Moses attended Texas A. & M. College two years prior to service in World War I. The next three years he was inspector and chief clerk for the Livestock Sanitary Commission of Texas.

Edwin Gilliam was a Turkey visitor Monday.

Miss Rosalyn Williams was a guest in the W. B. Gilreath home Sunday.

Mr. and Mrs. Carl Denny of Abilene were Memphis visitors Sunday.

### New Ford—

(Continued from Page 1)  
ool bag, made from artificial leather, and a new car jack of ratchet type design. The latter replaces the friction type formerly used.

Longer motor life is assured by the new tri-alloy bearings with which all Ford-made automobiles will be equipped. Their use on military vehicles prove they last two and one-half times longer than pre-war cadmium bearings.

Improved cooling has been achieved by the adoption of a new radiator pressure cap that maintains a constant pressure of five pounds inside the radiator. Evaporation is reduced and winter anti-freeze preserved. Ford is first in the low-price field to incorporate this feature in regular production.

Aluminum pistons equipped with four rings will be standard on all models. This, coupled with an improved rear main bearing seal, will effect further economies in oil consumption and prevent loss.

A new standard in fuel economy has been achieved. Higher engine compression, a change in the engine-axle ratio and the adoption of a new carburetor have made this possible.

The fuel pump has been improved by adding a sediment bulb that can be easily removed for cleaning.

Longer life for the camshaft timing gear has been obtained by changing over the aluminum.

A newly designed distributor virtually eliminates possibility of motor interference or stoppage resulting from condensation or water seepage. The use of oil repellent and long lasting Neoprene covering for ignition wires has eliminated another troublesome feature of pre-war motoring.

All Ford models will feature oil bath air and oil cleaners as standard equipment, wartime use of these accessories having demonstrated their value in prolonging engine life.

### FIRE CALL ON EAST SIDE

The fire department answered an alarm last Thursday afternoon on the East side of the square when flames were discovered in the rear of the George Forgy building. Only slight damage resulted.

Fall Coats—The Smart Shoppe.

### Farm and Ranch Chatter

With LAWNE BEATY

Having just completed a tour of midwestern states, this reporter is of the opinion that southwestern stock feeders need not expect too much help in feed supplies from the corn-soybean belt this winter.

Due to late planting and early frost, from a third to a half of the corn is soft in many wide areas. Much of this will spoil, though it's possible to feed soft corn.

To a Texas observer, unfamiliar with soybeans, this legume crop seemed much in evidence in Iowa and Minnesota, though the local residents said the crop would be off this year due to unfavorable growing conditions.

Meanwhile, the Texas cotton crop continues to suffer from rains and insects. The next crop report probably will show a sizeable cut in the forecast production.

In Grundy Center, Iowa, we visited a government-built, government-operated hemp mill. It has been engaged in making hemp fiber out of crude hemp, for transfer to the spinneries and cord factories.

One of about a dozen government-built hemp plants, and employing about 80 people in drying,

shredding and combing out the fibers, it may soon be abandoned altogether, or combined with an alfalfa dehydrating plant.

Hemp grows well on soil rich in nitrogen, but we know of none grown in Texas. Seed for government sponsored hemp production is mostly grown in Kentucky, and the hemp is produced in Iowa, Indiana, Wisconsin and Illinois, with farmers sometimes netting as high as \$200 per acre at inflated prices.

W. S. Bissell, manager of the Grundy Center plant, says normally, hemp should be about as profitable as corn. It's easy to grow, requiring only planting and harvesting. Properly, it should be rotated with a legume—perhaps alfalfa, and corn could make a third stage in the rotation. This routine has been suggested for the corn belt region, in order to maintain hemp production in the United States, because two wars have forced the U. S. into hemp production twice at huge government cost.

Watch for the Southwest Turkey Breeders Exposition in Fort Worth on December 13, 14 and 15. The first event of its kind here, the turkey show should arouse much interest. Premium lists are being mailed now. Ask your county agent, if you don't get one.

Mexican Harrachas—The Smart Shoppe.

### Billy Hancock—

(Continued from Page 1)

and Manuel Rosello Duhaon, professor of agricultural engineering.

The 12 Extension Service districts of the state will be represented by one 4-H Club boy each. Two additional boys, Dietrick J. Gambler of Bexar County, and Billy P. Hancock of Lakeview, were added because of their leadership during the Mexican tour.

The district boys are: Eason Williams of Hutchinson; R. B. Jones of Yoakum; Ernest Marik of Baylor; Billy Clyde Davies of Hunt; Billy Joe Byrd of Morris; Frank Robbins of Upton; Joe Hoelscher of Runnels; Alvin Ray Hoppe of McLennan; Bobby Martin of Jefferson; Humberto Reyes of Goliad; Ernest Wentreck of Brazos; Roy Hraický of Jim Wells.

The tour will include the Lower Rio Grande Valley, the King

### Locals and Pe

Mrs. Seth Pullmeyer, Ann Watkins were Chatters Monday afternoon.

Mr. and Mrs. Henry Pampa visited Mr. and Mrs. Bennett Sunday.

Ranch, San Antonio, Abilene Station, Dallas, Abilene, and San Antonio.

**SANTA CLAUS**

**ALL ABOARD for Toyland**

Yes, we are setting up a Toyland for the tiny tots—one that will make their eyes blink with wonder. ## We Are Going to Install FROZEN FOOD LOCKERS

If present plans materialize, we are going to install a modern FROZEN FOOD LOCKER PLANT. But before we go ahead and install all necessary equipment, we want at least 150 persons to come in and sign up for one of these lockers. Capacity of the plant will be 306 lockers. We will be equipped to kill animals, and cut up and wrap meat to be stored. Patrons may remove foods from their lockers at any time during business hours.

We are confident that this Frozen Food Locker service will save the people of this community thousands of dollars each year. It will make available wholesome, delicious meats and vegetables the year 'round.

If You Want One of These Lockers  
**Come In and Sign Up**  
WE WILL GLADLY FURNISH ALL DETAILS

Lockers Will Be Leased For Only  
**\$12.50** Per Year

**Farmers Union Supply Company**

FROZEN FOOD LOCKERS  
Give You FRESH FOOD ALL YEAR

## The Tire that's 3 YEARS AHEAD

### B.F. Goodrich Silvertown

3 years before any other company, B. F. Goodrich sold tires containing synthetic rubber to American car owners. These tires proved themselves in the now famous 80,000,000 mile road test. And today, enthusiastic reports from all over the country tell how this extra experience has given extra tire mileage and extra safety.

SEE the Extra Value in this tire . . .

- Full Pre-War Tread Thickness—long, safe mileage . . .
- 28% Stronger Cord Construction—makes plies stronger—tires safer.
- 30% More Rubber Between Plies—Added Blow-Out Protection.
- Popular Pre-War Silvertown Tread Design—non-skid, quiet running.

Caution: There aren't enough tires for all who are eligible. Take care of your present tires and make them last. If you must have a new tire be sure it's a B. F. Goodrich Silvertown.

6:00-16.. **\$15.20** PLUS TAX WITH YOUR OLD TIRE

Best Battery Buy . . . **B. F. Goodrich Glasstex**

Today's short trips are hard on batteries. For sure, dependable starting get a Glasstex. Special glass mats shield the plates—keep them active. If your battery is old and weak—don't delay. Replace it with a power-packed Glasstex.
