President Issues Warning Against 'Gyp' Advertising in City

Following the receipt of reports showing the practice is once more being common in Memphis, Horner, president of the Memphis Chamber of Commerce, this morning warned all local merchants and individuals are requested from time to time to refrain from advertising in the city through the use of "gyp advertising."

Merchants and individuals are requested from time to time to refrain from advertising in the city through the use of "gyp advertising."

Merchants and individuals are requested from time to time to refrain from advertising in the city through the use of "gyp advertising."

KICKBACK

"Calling your attention to 'GYP ADVERTISING'. Seems to me that the Chamber of Commerce was one of the sponsors for the big War Veterans sign on Harrison Hardware Store. I donated but considered it a GYP. Just wonder who will see that the many veterans' names that are not on it will be put on it. Many are kicking and the boys feel bad when they come home and their name is missing."

Just a member that's all."

In the first place, Mr. Tarver pointed out, the Lions Club and the Rotary Club were sole sponsors of the sign. The Chamber of Commerce had nothing to do with its erection.

Secondly, six trips have been made recently by O. V. Alexander and Mack Wilson in an attempt to get additional names put on the sign. As yet, no tangible results have been obtained.

without cost, to the schools," he added.

Pointing out that the Memphis Chamber of Commerce is an organization for public service, Mr. Tarver said, "We suggest that you do not make donations or buy advertising in any form unless approved by the Chamber of Commerce. Insist that the solicitor show his credential card issued by the Chamber of Commerce. If he does not have one, suggest that he contact the Chamber of Commerce office and secure this card."

Dave Price Motor First to Display Christmas Window

Dave Price Motor Service was the first business firm in Memphis to bring the spirit of Christmas, when their show window was dressed for the holiday season.

Included in the display was an endless track on which runs several trains. It is complete with tunnels, and is causing many a youngster to stop and "watch the trains go by." In the background is a chimney, and at irregular intervals the children can see Santa Claus descend.

Several other firms are decorating their stores and windows this week.

Harvest Festival To Be at Estelline On Friday Night

A Harvest Festival for the community of Estelline and all surrounding communities will be held in Estelline High School building Friday night, it has been announced. Proceeds will be used for improvement of the gymnasium, which, it was stated, is now "in a state of dilapidation."

A contest for the festival queen is now underway, and already more than \$100 has been raised. Each grade in the schools has chosen a queen candidate, and each candidate has picked an escort to the festival.

A miscellaneous program will be presented before the queen's court. The program is now being planned by Mrs. Edward Kennedy, Mrs. C. L. Sloan, and Mrs. Blanche Davis. The queen will be crowned by Ted Bruce.

Participating in the queen's contest, and each candidate's escort in the coronation ceremony are the following:

First grade: Karen Eddins and Keith Rogers; second grade, Barbara Alsbrook and Duane Kennedy; third grade, Shirley Ann May and Stanley Bell; fourth grade, Doris Chaudoin and Lindley Davis.

Fifth grade, Anita Dunlap and (Continued on page six)

Bond Drive Will Close Saturday

Hall Countians still have \$90,000 worth of Victory Bonds to purchase to attain the quota of \$140,000 allotted to this county, and the Victory Loan Drive comes to a close Saturday night, O. V. Alexander, chairman of the war finance committee, reported this week.

"Only two more days remain before the end of the drive," Mr. Alexander pointed out, "and we must not fail in reaching our quota. This county has never let the men in service down, and it certainly must not do so now."

Hall County was assigned an over-all quota of \$285,000 in the drive, \$140,000 of which was in Series E bonds. The drive for the Series E bonds is scheduled to end Saturday night, and as yet no extension has been granted, Mr. Alexander stated.

Thus far Hall Countians have purchased only about \$50,000 in Series E bonds.

Goodall Reports Epidemic of 'Flu' Now Decreasing

The strike of influenza, which reached near epidemic proportions in Memphis two weeks ago, is now being brought under control, Dr. O. R. Goodall, city health officer, reported this week.

There are still some cases in the city and the surrounding area, but the large number which did prevail has been cut down.

The local high school, which was cut short in attendance due to the epidemic, is now back to normal, Supt. W. C. Davis said this week. Mr. Davis, one of the influenza casualties, reported that very few students are now absent due to illness.

Dr. Goodall reported two weeks ago that there were more "flu" cases here than he had known in years, with many of the victims confined to their beds with temperatures and infected throats.

At the time there were also a few cases of "strep" throat, although most of the cases of throat infection were due to the influenza.

Dr. George W. Cox, state health officer, has had reports from throughout the state, indicating that the number of influenza cases (Continued on page six)

Funeral Services Held in Memphis For M. Mitchell

Funeral services for Mancel Mitchell, 52, were held at the Estes Funeral Chapel Sunday afternoon, with Rev. Jeff Moore, pastor of the Memphis Baptist Church, conducting.

Mr. Mitchell died at his home at 323 East Montgomery Street Friday night at about 11:35. He was 52 years, 6 months, and 21 days of age at the time of his death.

Interment was at Stamford Sunday afternoon under the direction of the Estes Funeral Home of Memphis.

Mr. Mitchell was born at Ranger May 9, 1893, and came to this county about 10 years ago. He was married to Mrs. Eula Gooch May 21, 1931 at Paducah.

At the time of his death, Mr. Mitchell was employed by the Memphis Compress Company.

Survivors include his wife and three sons, Elvin, Bobby Ray, and Jimmie D., all of Memphis, and one sister, Mrs. J. H. Taack of Morton.

Secretary Names Sites for Election; To Be Saturday

Farmers of Hall County will elect 18 community Agricultural Conservation Association committeemen by secret ballot Saturday, December 8, to aid in supervising the allotting of \$120,000 for conservation assistance in 1946, it was announced this week.

Election communities, with the balloting places at each, are as follows: Lesley, Lesley Gin; Plaska, Foster Grocery Store; Lakeview, First National Bank; Memphis, County courtroom; Estelline, City Hall; and Turkey, City Hall.

The balloting places will be open from 8 o'clock in the morning until 5 in the afternoon, it was announced, and all farmers who participate in either the ACA program or the Federal Crop Insurance Program are eligible to vote.

The election is of vital interest to every farmer in Hall County, Lynn L. McKown, secretary of the Hall County ACA, said, and every eligible voter is urged to come to the election and bring his neighbor.

Those elected will be delegates (Continued on page six)

Mrs. D. C. Denson Dies After Illness Of Two Months

Mrs. Etta Louise Denson, wife of D. C. Denson of Hulver and resident of Hall County for the past 30 years, died in a local hospital Tuesday about noon after an illness of two months.

Funeral services were held at the First Baptist Church in Estelline Wednesday afternoon at 3 o'clock, with Rev. J. D. Coleman, pastor of the church, conducting.

Interment was in the Hulver Cemetery, under the direction of the Estes Funeral Home of Memphis.

Mrs. Denson was born August 20, 1887, in Tennessee, and was 58 years, 3 months, and 14 days old at the time of her death. She and Mr. Denson were married February 7, 1907, at Windom, Fannin County, and moved to Hall County in 1915.

Mr. Denson has been manager of the Hulver Gin since 1930.

Survivors include her husband; two daughters and one son, Mrs. Loneta D. Rowe of Littlefield, Mrs. Doris Mae Ford of Estelline and David C. Jr., who is now serving in the armed forces; two brothers, J. H. Wilkerson of Wellington and Marion Wilkerson of Lamar, Colo.

Palbearers were Lloyd Phillips, Leon Phillips, C. L. Sloan, Clinton Richburg, Cap Orcutt, and Hulen Clifton.

Flower bearers were Mrs. Lloyd Phillips, Mrs. Agnes Bailey, Mrs. C. O. Kennedy, Mrs. S. S. Cooper, Mrs. H. L. Chaudoin, Mrs. Maude Billingsley, Mrs. Leon Phillips, Mrs. Tracey Jones, Mrs. Lorena Hinton, Mrs. H. S. Parnell, and Mrs. Bess Coppedge.

Out-of-town relatives present at the services included Mr. and Mrs. Dutch Wolfe of Burk Burnett, and Mr. and Mrs. Roscoe Chote of Wichita Falls.

H. Montgomery Returns to City

Herschel Montgomery, junior partner of the Memphis Democrat, returned to Memphis Tuesday night following his honorable discharge from the U. S. Army.

Mr. Montgomery, a tech sergeant at the time of his discharge, will visit his parents and other relatives in Shamrock before resuming work here.

Enlisting in May, 1942, Mr. Montgomery spent most of his army service in the Pacific, his last station being in Manila.

He holds the Asiatic-Pacific, good conduct, victory, American Theater, and Philippines liberation ribbons.

Pupils Make Honor Roll for Local Junior High

A total of 33 students "knocked down" and made the high mark grades required to get on the Memphis Junior High School honor roll for the second six-week term, Mrs. C. S. Compton, principal, reported this week.

Eighteen of these are in the fifth grade, nine in the sixth, and six in the seventh.

On the seventh grade roll are Sheldon Anisman, Scotty Grundy, Joe Ray, Ann Spoon, Patsy Jean Adcock and Thomas Messer.

Sixth grade: Edith Fields, Jimmie Dee Jones, Leona Robertson, Joyce Hammons, James Frank Norman, Patsy Sue Hays, Jacky Gilbert, Betty Joyce McWhorter, and Don Beasley.

Fifth grade: Nova Jean Jeffers, Shirley Ann Crouch, Tommie Sue Roach, Amos Broyles, Davey Worley, Gene Floyd, Gerald Floyd, Snow Price, Jo Ann Hart, Ben Fred McCreary, Billy Darrell Rodden, Betty Jean Stewart, Jean Cuttill, Betty Jane Thompson, Lois Carpenter, Donna Webb, Omer Phinsey, Gayle Monzingo.

Worley Is Greatly Encouraged With Hospital Prospects

Congressman Gene Worley is "greatly encouraged" with the prospects of the location of a veterans hospital in Memphis, he informed Horace Tarver, president of the Memphis Chamber of Commerce, in a letter received this week.

Mr. Tarver and W. C. Davis only recently returned from Washington, where they were granted an interview with Gen. Omar Bradley, director of the Veterans Administration.

At the interview, Gen. Bradley admitted the apparent need for a veterans hospital within the next two years at some point in the East Panhandle area, giving local citizens hopes that Memphis may still be selected as the site of the hospital.

Annual Father-Son Banquet Is Held For Football Team

The annual Father-Son banquet for the Memphis High School football squad, featuring Wendy Nichols, line coach of West Texas State College as guest speaker, was held last Friday night in the gymnasium to close officially the pigskin season here.

In addition to Mr. Nichols, another guest was Foster Watkins, recently released from active duty in the U. S. Navy, who formerly made the little All-American team (Continued on page six)

Bird Season Opens --But Bang Isn't Loud This Year

Quail season opened in Texas last Saturday, but now with much of a bang—the reason; not many shotgun shells available.

Local dealers point out that practically no shotgun ammunition is available, so hunters, most of them anyway, will probably have to wait until next year to get in their full share of bird-hunting.

There was some hunting, however, as a few hunters have shells left over from previous years; and some of the hunters got their week's quota during the first three days.

Bag limit is 12 quail per day and not more than 36 per week. Possession limit is also 36 birds.

Shooting throughout the state was reported to be fair, in contrast to the poor crop of birds last year. North Texas reportedly has an unusually large number of birds; South and Southwest Texas usually rated as the best bird-hunting grounds, are also said to have a good crop.

Cotton Ginnings Now 15,477 Bales

A total of 15,477 bales of cotton were ginned in Hall County from the crop of 1945 prior to November 14, C. Lee Rushing, special agent for the Bureau of the Census of the Department of Commerce, reported this week.

Last year at the same time, a total of 14,452 bales had been ginned.

Moss Motor to Hold Opening in Memphis

Formal opening of a new and somewhat unique business for Memphis, the Moss Motor Company, will be held Saturday, December 8, Grover Moss, president of the company, announced this week.

The company will handle DeSoto and Plymouth automobiles, Diamond T trucks, Massey-Harris tractors and implements, and Crosley appliances. A large stock has already been received, and the company will be open formally for business Saturday.

Associated with Mr. Moss will be his three sons, William, Robert, and Ben, and his daughter, Lois.

William Moss, who graduated from Memphis High School and later attended Brantley-Braun Business College in Fort Worth, will act as general manager of the firm. He is an ex-serviceman, having served during World War II in North Africa, Sicily, and Italy. He entered the service January 26, 1942, and received his honorable discharge June 4, 1944, after having served overseas for 26 months.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become overtaxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

DOANS PILLS

"Me... I'm staying in the Army!"

THERE ARE PLENTY OF REASONS... AND HERE THEY ARE!

1 "First, I keep my present grade. That means a lot.

2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.

3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.

4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.

5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough or home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.

6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"

Reports That Rent Control to End Soon Are Unfounded

Housing Shortage Causing Program to Be Continued

Reports circulated recently that control is to be ended shortly in the Childress Defense Rental Area and the Memphis-Quannah Defense Rental Area are unfounded. Pay W. Prescott, District Rent Controller for the Fort Worth District of the Office of Price Administration, and Wilmer R. Mauldin, Local Area Rent Director, this week.

As long as the Price Control Act authorizing rent control remains in effect and the shortage housing facilities makes it necessary to protect tenants from unrented rent increases and evictions, OPA will not lift the safeguards," Mr. Prescott said.

Mr. Prescott visited the local Area Rent Office to confer with Mauldin on the future operation of the local office. Mauldin is Area Rent Director for the Childress Defense Rental Area, comprised of Childress County; the Memphis-Quannah Defense Rental Area, comprised of Hall, Ardmore, Cottle and Collingsworth.

Mr. Mauldin reminded landlords of failure to comply with any of the following rent regulations subjects them to penalties:

1. All rental housing accommodations, including rooms, apartments and houses, in the Childress and Memphis-Quannah Defense Rental Area must be registered with OPA.
2. All changes of tenancy must be reported to OPA within five days after they occur.
3. When a change in tenancy occurs the new tenant must be shown the landlord's copy of the OPA registration statement and his signature must be obtained on the statement, as well as on the OPA change of tenancy form.
4. Owners of rental housing accommodations who bought the housing units after they were originally registered with OPA must file a change of ownership report with the OPA Rent Office.
5. Landlords are permitted to collect no more than the maximum legal rent unless they have first obtained written permission from the Area Rent Office.
6. In general, essential services may not be discontinued until written authority to do so is obtained from the Area Rent Office.
7. No attempt may be made to evict a tenant unless the landlord has a legal right to do so under the rent regulations.
8. Landlords who want to evict a tenant from a housing unit that the former bought on or after December 1, 1942 in the Childress Defense Rental Area and on or after April 1, 1945 in the Memphis-Quannah Defense Rental Area, in order to occupy it themselves, must get from the Rent Office a certificate authorizing the eviction.

Landlords and tenants alike were urged by Mr. Mauldin to call or write the Area Rent Office, 125 1/2 Commerce St., Childress, when they have any questions on rent control.

Try Hot Water Plus After Meals For Acid Upset Stomach

Here is welcome relief from the distress and discomfort caused by excess stomach acid.

Just introduced to the druggists of this state is a remarkable formula called Neutracid. Its name tells the story of excess irritating stomach acids being robbed of their power to cause upsetting distress.

There's nothing quite like Neutracid. Its fast action means quick relief and this should merit a test. So why not get a package today. Put one teaspoonful of Neutracid in half a glass of hot water and drink right after meals when distressed. Stanford Pharmacy and all good druggists have this new and remarkable formula for excess stomach acid.

Army Recruiters Here Each Week

Capt. R. T. Hammond, Sgt. Laurence Strimple, and Sgt. George Keith visited here Monday from the Lubbock Army Recruiting Station. They plan to visit here each Monday and will answer questions about army enlistments.

Hammond stated that the Eighth Service Command, of which the Lubbock Station is a sub unit, is leading all the other Service Commands in the country in the present recruiting campaign. Most of these enlistments are made up from discharged soldiers who may reenlist in grade within 20 days after discharge, and youths 17 and 18 years old, the 17 year olds requiring their parents' consent.

Two attractive features mentioned by the recruiting team are optional short enlistments of eighteen months, two or three years, and the educational benefits offered by the "GI" Bill of Rights. The youth just out of high school who enlists in the army, becomes eligible after discharge to attend college with the expense paid by the government.

Any college or university may be selected, and it is possible to receive the full four years course of study leading to a degree.

The Lubbock Army Recruiting Station is located on the second floor of the Post Office Building in Lubbock, and is open each week day and evenings until 8 o'clock.

Speedway Station Looted by Thieves

Thieves broke into the Speedway Station at the intersection of 10th Street and the Amarillo highway last Friday night and escaped with several articles.

The articles taken include a radio, a number of sugar stamps, razor blades, and tooth powder.

Entry to the building was gained by breaking through the front door.

Mr. and Mrs. R. B. Thornell of Amarillo were Memphis visitors Sunday.

Lakeview Builds Winning Cage Five

The Lakeview Eagles, although getting off to a bad start when they dropped their original basketball contest to Hedley, have since perked up and won three straight games.

Hedley took the Eagles first cage contest by a score of 23 to 16. Since that game the Lakeview quintet have won from the Turkey Turks 37-3, from Claude 23-18, and then downed Hedley 25-17.

Next scheduled game for the Eagles is at Turkey Monday night. If a game can be arranged prior to that game, Lakeview may be the host team.

Sgt. Buck Frisbie Given Discharge

Sgt. Buck Frisbie, son of Mr. and Mrs. B. D. Frisbie of Memphis, returned here Tuesday after receiving his honorable discharge from the U. S. Army at El Paso December 1.

Mr. Frisbie was in England, and returned aboard the Europa, a captured German liner.

He was inducted in March of 1941 in one of the first groups to leave the county, and has spent the past two years in England. He rates the European theater, good conduct, victory, American theater, and American defense ribbons.

Locals and Personals

Mr. and Mrs. Herbert Shields and children, Junior and Jimmy, have moved from Parnell to Carey.

Billy Guest of Ft. Worth visited here last week with friends and relatives. Bobby Jack McMurry returned home with him for a few days visit.

Mr. and Mrs. Jack Breland of Amarillo visited from Saturday until Tuesday with Myrtle Howard.

Mr. and Mrs. Fritz Crisler were Amarillo visitors Wednesday.

Mr. and Mrs. Tom Salem of Wellington were guests Monday in the home of her brother, Mr. and Mrs. Lester Campbell.

Mrs. Ora Denny visited Friday in Amarillo with her sister, Mrs. D. M. Jarrell, who is recovering from a recent operation in a hospital there.

Competition Running High in Race To Choose Memphis High Queen

Competition ran high in Memphis High School as each class was making attempts to place its candidate in as high school queen.

Already a barn dance has been sponsored by one class, and a pie supper will be held Friday night to end the campaign. Each of five classes has selected a queen candidate.

The pie supper, to be the closing feature of the queen contest, will be held at the high school auditorium at 7 o'clock. Everyone is invited, it was announced.

The Junior class, in an attempt to garner more votes for its candidate, sponsored a barn dance Tuesday night.

Wednesday noon the Senior class sponsored a program at the Memphis High School auditorium to aid its candidate. Roy Patton Jr. served as master of ceremonies, and the Andrews Sisters were imitated by Peggy Lawrence, Sue Anne Roberts, and Laverne Orr. R. E. Martin and Mrs. Virginia Dodson presented two humorous skits.

Class queens elected last week are as follows: Peggy Lawrence, Senior queen; Jo Fowler, Junior queen; Betty Jean Cochran, sophomore queen; Joan Lockhart, Freshman queen; and Dorothy Deaver, Pre-freshman queen.

Mr. and Mrs. Gordon West of Frederick, Okla., visited friends in Memphis Tuesday of last week. Mr. and Mrs. West formerly lived in Memphis, where he was connected with Wm. Cameron Company.

Glenn G. Thomason of Abilene, who formerly lived in Memphis, received his honorable discharge from the U. S. Navy separation center in Shoemaker, Calif., November 18, it was learned here this week.

Louis J. McBee was discharged from the separation center in Bremerton, Wash., November 25. It was learned here this week. Mr. McBee held the rating of ship's cook, first class, in the U. S. Navy at the time of his discharge.

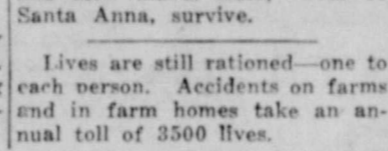

FORMER RESIDENT DIES IN CALIFORNIA

Mrs. S. A. Cope of Santa Anna, Calif., and a former resident of Memphis, died at her home there on Oct. 29, it was learned by friends this week. She had been ill since May.

Two children, Mrs. Pearl Kemp and Mrs. Mabel Ross, both of Santa Anna, survive.

Lives are still rationed—one to each person. Accidents on farms and in farm homes take an annual toll of 3500 lives.

Lt. Keith Wells Sees Marine Buddy, Makes Good Pledge to Go Hunting

A friendship that blossomed in the Marine corps and was cemented through the gruelling days of officers' training at Quantico, Va., was renewed in Great Falls, Mont., recently when Lt. John K. Wells of Lakeview, holder of the Navy Cross for valor on Iwo Jima, and Lt. Robert West of Great Falls, were reunited.

Lt. Wells met Lt. West when the two were going through officers' training at Quantico. During their training days the pair talked of home—Montana and Texas—and of big game hunting and of a heavenly home.

That occasion was realized recently when the Marine officers, both on leave, met in Great Falls and, accompanied by West's father, went into Sun River canyon to bag two deer and an elk. Before Wells departed for his station at McAlester, Okla., the two "buddies" had plenty of time to recount their experiences and reminisce on their training days at Quantico. After being commissioned, they were separated and their stores are something like this.

C. H. FLOYD PASSED AWAY

C. H. FLOYD passed away October 16, 1945. The Lord is my Shepherd: I shall not want. He maketh me to lie down in green pastures: He leadeth me beside the still waters: He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake. Yea though I walk through the valley of the shadow of death, I will fear no evil: For Thou art with me: Thy rod and Thy staff, they comfort me: Thou art my Father, my God, and my King: Thy loving kindness shall be my refuge: Thy goodness shall be as a shield about me: Thy right hand shall be lifted up: And Thy righteousness shall be as a shield about me: Thy goodness shall be as a shield about me: Thy right hand shall be lifted up: And Thy righteousness shall be as a shield about me.

Officers Elected For Estelline Class

The 8th grade of the Estelline High school was organized last week and officers were elected as follows:

James Riddle, president; Gene Gardenhire, vice-president; Billie Lois Walker, secretary-treasurer; Judy Bell, social chairman, and Carletta Berry, reporter.

Room mothers are Mrs. Maudie Billingsworth and Mrs. Earnest Rea, and Billie Lois Walker was chosen as queen.

The annual carnival will be held Friday in the high school building.

Fire Department To Observe Xmas

The Memphis Fire Department held its regular meeting Monday night, when complete plans were made for a Christmas party to be held December 17.

At the business session, it was decided that badges will be bought for members of the department. It was also announced that the Memphis Compress Company donated \$25 to the department for answering a call there.

Twelve members were present at the meeting.

NEW PASSENGER CAR TIRE

COMING SOON! NEW B. F. GOODRICH TIRE THAT OUTWEARS PREWAR TIRES

THIS isn't a guess. A new kind of tire has been developed, and tests show that it outwears prewar passenger car tires.

It is made of a new kind of synthetic rubber developed by B. F. Goodrich—different from the ordinary synthetic rubber in general use by the tire industry. It helps the new tire run cooler—wear better.

The new tire has had more than 2,000 laboratory tests. Taxicab fleets, state police departments and the B. F. Goodrich test fleet have run it 16,800,000 test miles. Not only does it give longer tread wear than prewar tires, but it has more resistance to bruising or damage from accident.

A new, slightly different shaped tread—we call it the "road level" tread—is another feature that means longer wear. Engineers had wished for

years to make a tread just slightly flatter. But that more desirable shape always set up strains in the tire body, or "carcass," as it is called. B. F. Goodrich developed an entirely new and stronger cotton cord, designed it into a 35% stronger carcass that stands all these strains and permits the use of the new flatter, longer-wearing tread.

The tread design is new. It is made up of hundreds of skid-resisting curves for quicker stops, surer starts—safer driving.

In a few weeks these new tires will begin to be produced in large volume, but supplies may be limited for quite a while. We have placed our order, and hope to have our shipment shortly. Watch for our announcement. And in the meantime, take good care of the tires you have—make them last until you can replace them with these new, better B. F. Goodrich Silvertowns.

More responsibility is placed on the local county and community committee in 1946 than ever before, it was pointed out. This group, assisted by other county agricultural workers, will determine how the county allotment will be spent, select the practices suitable to the county, issue the prior approvals for use of the practices on individual farms and ranches, and will check the practices to see that the specifications set up have been met.

BACON SCARCE—SO IS NEWSPRINT

It's usually the same old story when you go into the local grocery stores today—there is no bacon. It's not that the grocers don't want to sell bacon; they just don't have it.

The same thing applies to newspapers, large or small. The papers of today are allowed only so much newsprint, and can therefore print only so many papers. Newsprint is just as hard to get as bacon, and, incidentally, the price of it has gone up more than bacon.

Production of all kinds of paper will remain curtailed for some time to come, even though the war has ended. The armed services are using more paper today than ever before in handling the thousands of discharges. When a man goes through a separation center, he signs numerous papers, and when he finally leaves the place, he is practically burdened down with all his "last-of-the-service" gear.

The director of the Printing and Publishing Division, Civilian Production Administration, has recently made a survey of the newsprint situation, finding that the stocks of newsprint in the hands of publishers are lower than they have ever been. And by the end of the year, these stocks will be down considerably more than they are now.

All of this brings us around to the point of this editorial: This paper is desirous of serving those people who want to read it and who enjoy reading it. And those people are, of course, the regular subscribers.

Many subscriptions are expiring during this month. We have established the policy of cutting off subscriptions when they expire, and due to the scarcity of newsprint, this policy will have to be continued. All subscribers are urged to renew their subscriptions as soon as possible to avoid missing any issues.

WE'RE STILL BEHIND

YES, HALL County is still behind in the Victory Bond drive, and will finish just in that order if about \$90,000 in Series E bonds are not bought within the next two days.

There is more surplus money floating around in this county than ever before in history. Try not to let yours float away from you in a sea of spending. Invest wisely—NOW—in Victory bonds.

The Claude News: About the only time some Claude halloween ever see soap is during halloween.

**Ed Bishop in the Dalhart Tex-
as:** It's good to live in a land where so many people are honestly striving to help humanity. This isn't presented to show what a difficult time any business man has or offer an excuse for any of falling in meeting our civic obligations. Rather it is an attempt to show readers why most business men can't always cheerfully hand out contributions without so much as asking questions. Some-time a solicitor will get very angry because a contributor will question the motive behind some campaign, and often we are too critical of some firm or individual without knowing to what extent they are already contributing to our own welfare.

The Canyon News: . . . Now we are told, "just wait until after January 1, and you will find plenty of goods. We are waiting, all right, but not many of the consumers like waiting while management and labor fight to determine which is going to get the larger slice of profits in the future. The consumer is the innocent bystander who is getting the swift kick in the pants.

The Foard County News: Why is it that notwithstanding all the teaching in the home and in the schools there still remains the trait of vandalism in certain members of the race which prompts them to destroy public property placed in parks for the benefit and free use of everyone. We have always felt that the laws were amiss in that they provide a prison sentence for an individual who steals a hundred dollars worth of another's possessions, yet a vandal who maliciously destroys property worth much more is let off with a light fine. In our opinion destroyed property should be regarded in the eyes of the law the same as though it had been stolen. Such a law might tend to reduce senseless and malicious vandalism.

Eleven Countians Enrolled in WTSC

Hall County stands well among the Texas counties sending students to West Texas State College this term, with a total of 11.

Randall County leads as the home county, with 125 students in the college.

Other counties well represented in the present student body include: Potter, 34; Carson, 30; Hutchinson, 28; Deaf Smith, 25; Ochiltree, 21; Wheeler, 21; Gray, 19; Hansford, 18; Collingsworth, 17; Briscoe, 13; Dallam 12; Armstrong, 11; Lipscomb, 10; Moore, 9; Childress, 8; Donley, 8; Parmer, 7; Sherman, 7; Castro, 6; Hemphill, 6.

The most southerly point represented is Fort Bend, and the farthest west is Pecos.

The present college enrollment is 634 resident students. Of these, 44 are veterans of World War II. The Amarillo Center has enrolled 173 students.

monopoly is casting its shadow over this country. We have almost the only country left where private enterprise has any sort of a chance, and we ought to fight the encroachment of the government into private affairs as soon as seen. During wartime we had to put up with a lot of interference that should be outlawed during peace. If we are to continue our American way of life.

Ochiltree County Herald: Increasing wages and prices will cause the spiral to go upward until people have spent, or invested, most of the seventy-five billions when they will go on a buyers' strike. Then the spiral will collapse with the customary decline in production, much unemployment and lower prices. Before that time comes, however, homes, merchandise and securities will probably sell higher than at present. Yes, almost everything, except bonds should continue to go up farther in price.

More details of the heroic death of J. W. Gilbert of Estelline, son of Mr. and Mrs. R. J. Gilbert, were learned recently when Gilbert Hester of Amarillo wrote to Mr. and Mrs. Gilbert. The story of his death was published in the Democrat about a year ago.

Mr. Hester and J. W. were friends almost from the beginning of their time in the service until J. W.'s death.

Mr. Gilbert was killed by fragments of a mortar shell while attempting to save a halftrack. He was fighting between Liege and Malmédy Dec. 21, 1944, on the fifth day of the Belgium Bulge when he was killed.

Without regard for his personal safety, Mr. Gilbert left his safe position and started for the halftrack, during a fierce mortar shelling. As he neared his objective, a mortar shell exploded nearby, and a fragment from the shell pierced his helmet and lodged in his head.

In relating the army experiences of the two men, Mr. Hester wrote Mrs. Gilbert of Estelline the following account:

"On February 10, 1944, we boarded the troop carrier, Thomas K. Barry, and sailed from New York on the night of the 11th. After 14 days we landed in Swansea, South Wales, and boarded the train for Fresham, England, 12 miles from Stratford-on-Avon and 26 miles south of Birmingham.

"Five months later, July 21, we left Southampton for Omaha Beach, France. Upon arriving in France we went into an assembly area. After a week's preparation, we started for the front, our first combat, 20 miles away.

"On August 1 we broke through at Avaranches into the Brittany Peninsula. Our objective was Brest. We encountered mild combat in Dinan, Ponter'y, and Marlin'x. We reached a point three miles from Brest on August 7, and left the Brest Peninsula about September 1. After cleaning up the Crozan Peninsula, we went to a rest area at Kennes, France, on the 35th, for three weeks.

"The next objective was in Germany, north of Aachen, by the way of Laval, Le Mans, Orleans, Paris, Reims, Namur, and then to our objective.

"We fought there until we reached the Roer River. On December 16, the Germans broke through in Belgium. On December 19, we left for Belgium, and the next day we drove until we met resistance at Liege and Malmédy. During the night we were surrounded, and the next afternoon we received word from patrols that German forces were headed for our position. We put a perimeter defense around our position. When the German forces attacked, J. W.'s halftrack was left alone on the point of our position. J. W. was on his way to it when the mortar shell exploded nearby.

"Of all the men we lost, J. W.'s death was felt deepest by the men. He was one of the most popular men in the battery. Everyone liked him and to J. W. everyone was a friend."

Rev. Jeff Moore Attends Baptist Sessions at Dallas

The proposal to make permanent the work now being carried on on a temporary basis in service camps was adopted when the executive board of the Texas Baptist Convention met Tuesday in Dallas.

Rev. Jeff Moore, pastor of the Memphis Baptist Church, attended the meeting of the board. Reports on evangelism were made, and evangelism for the coming year was re-emphasized. More evangelists will probably be employed, it was reported. The budget for the next year was also adopted.

Dr. J. Howard Williams of Oklahoma City was elected to replace Dr. W. W. Melton as executive secretary. Dr. Melton recently retired and resigned from the position.

Dr. Wallace Bassett of Dallas was re-elected as president of the board, and Dr. C. E. Matthews of Ft. Worth was named as vice-president.

The group met for lunch at the Cliff Temple Baptist Church, honoring Dr. Melton, and Dr. George Mason, head of the Baptist Foundation, for his 25 years of service.

ANNOUNCING... Opening of New

Sheet Metal and Roofing Shop

We have just opened our new Sheet Metal and Roofing Shop, located at 216 North 6th Street, and in this location you will find the equipment to handle any and all types of sheet metal work. In the future we shall be able to handle any type of built-up roofing job in addition to our sheet metal work.

In the sheet metal field, we will build tanks, gutters, down-spouts, and cafe equipment such as steam tables, sinks and ventilating units. All kinds of gin repair work will be given prompt attention, as well as heating and air conditioning.

In the past we have had many years experience in heating and air conditioning factories, and believe we will be able to take care of any job brought to us.

We have a nice stock of materials on hand at this time, and more is coming soon.

Come in and get acquainted with us. We are here to serve Memphis and this area, and believe we can take care of your needs.

NEWS about men in the Service

Wisconsin. His promotion was granted November 30.

Richard Wilson Messer, who last week returned to his home in Memphis, was discharged from the Navy at the Separation center in Norman, Okla., November 18. He was a quartermaster second-class at the time of his discharge.

Mr. Messer, whose last duty was aboard the escort carrier U. S. S. Rudyard, had served 32 months overseas.

Henry B. Newman, son of Mr. and Mrs. H. H. Newman of Memphis, arrived in Seattle last Thursday en route home for his discharge, his parents learned this week.

Mr. Newman will be sent to the separation center in El Paso, and then on home. His wife is residing in Amarillo at the present time.

Progress Made In Raising Funds Towards Memorial

With early responses already coming in the campaign to raise \$50,000 for erection of a memorial to Texas' fighting 36th Division of World War II this week was progressing satisfactorily, Col. H. Miller Ainsworth of Luling announced.

The campaign, directed by a committee headed by Col. Ainsworth and including Col. Marvin Steen of San Antonio, Lt. Col. A. B. Crowther of San Antonio and Lt. Col. Carl Phinney of Dallas, was launched two weeks ago at the behest of Maj. Gen. Fred L. Walker. Gen. Walker led the

1946 Farm Program To Give Farmers More Opportunity

Texas farmers and ranchers will find that the 1946 farm program will give them more opportunity than has been the case in the past to apply the provisions of the program to fit their individual needs, B. F. Vance, state director of the Production and Marketing Administration, has predicted.

Vance cited the following features of the 1946 program as representing change from past plans: A total of 42 soil and water conservation practices have been approved for Texas. Each county will select from these 42 practices the ones best suited to that county.

Each county will receive an allotment which can be used only to pay for these selected and approved practices.

The prior approval of the county ACA committee will be necessary for practices for which payment is to be received. In this way payments cannot be made for practices which are not adapted to a given county and which are not needed there. In addition, the total prior approvals will not exceed the money available.

Texas was allotted nineteen and a half million dollars for carrying out the 1945 farm program. Congress has not yet determined the exact amount to be spent in 1946.

36th into North Africa and then into Italy when in the bloody battle of Salerno beach it became the first American outfit to crack Hitler's Fortress Europe and stick.

The courageous 36th, made up principally of Texans, wrote one of the outstanding records of World War II, fighting all the way from Salerno to north Rome, then through Southern France, into Germany and on into Austria, where many of the Nazi biwigs were among its captives. These included Hermann Goering, Von Kesselring and others.

"We are not asking for any specific amount from any specific person," Col. Ainsworth said, "but we know that proud and appreciative Texans will be liberal. Every penny counts and we are happy to receive all contributions however large or small."

Contributions may be sent to the committee in care of Col. Ainsworth at the First National Bank in Luling, Texas.

Martindale Gets Army Discharge

Pfc. Jack O. Martindale, former Negro employee of the Memphis Hotel, returned to Memphis this week following his discharge from the U. S. Army.

Martindale, who served 42 months in France, England, Belgium, and Germany with Patton's 3rd Army, 1752 Combat Engineers, was among those soldiers who made the "first jump" into Normandy on D-Day. Twenty-five men of his battalion met death during the day, but Martindale came through uninjured.

This is Martindale's first time home since he entered the service in August of 1942 at Camp Lee, Va. His commanding officer, who was with him throughout his Army service was Capt. A. R. Allen of Lorraine.

Martindale rates the ETO ribbon, with four battle stars, the good conduct medal, and the rifle medal.

Memphians Among Group From China

Two Memphians are among the first shipment of veterans from the China Theater, scheduled to arrive in New York on December 5, shortly before the fourth anniversary of the Pearl Harbor attack, on board the Navy transport, U.S.S. General A. W. Greely.

They are Sgt. Hugh F. Crowler and S-Sgt. J. P. Johnson.

The Greely, which will be completing a 28-day trip from Calcutta via the Suez Canal, will be the last troopship from the Orient to arrive on the East Coast in time for the men to reach their homes before Christmas.

A total of 3,197 enlisted men, officers, Army nurses, casualties evacuated from hospitals and other personnel are on board the Greely. They represent almost every unit and major command in the China Theater, returning home after months and years of duty in China, fighting in air and ground support of the Chinese war effort.

The Navy transport is manned by officers and men of the U. S. Coast Guard under the command of Commander George W. Steadman, Jr. The ship was commissioned March 22, 1945, and in slightly more than eight months has travelled almost 75,000 nautical miles through dangerous waters in the American, Asiatic-Pacific and European-African-Middle East Theaters of war. She circumnavigated the globe during her maiden voyage becoming the first and only Navy transport ever to perform this feat during the war.

Sgt. C. R. Little on Way to Memphis

Sgt. Cecil B. Little, USMC, husband of Lois Little of Memphis, Texas, is on his way home. It was announced from Pearl Harbor this week.

Mr. Little is one of 1,200 high-point Marine veterans whom the "Magic Carpet" is bringing back to the States aboard the U. S. S. Munda.

The U. S. S. Munda—one of more than 250 carriers, battleships, cruisers, and attack transports in the Navy's famed "Magic Carpet" fleet—left Pearl Harbor, Tuesday, November 20, and was scheduled to arrive in San Diego about Sunday, November 25.

Passengers will go directly to the separation centers nearest their homes to complete the formalities of obtaining their discharges before returning to civilian life.
