PAY POLL TAX EVEN, IF YOU WANT TO VOTE

OTHER TAXES WILL BE PENALTY-FREE UNTIL 1ST, SAY COLLECTORS

The time has come when all taxes, state, county, city, and school, are due, and that time will be over January 31, collectors of the various taxes said this week.

Deadline for payment of taxes without penalty is January 31. Poll taxes must be paid on or before January 31, Floyd R. Springer, county tax collector, emphasized this week.

Since this is election year, it is expected that the number of all taxes paid will be greater than in 1945.

Most taxes have already been paid, in order that taxpayers may be allowed the discount. If taxes were paid in October, a 3 per cent discount was allowed; if November, 2 per cent; and if December, 1 per cent.

A penalty will be attached to taxes not paid by January 31. State and county taxes, this penalty is 11-2 per cent for February and graduating up to 11 per cent in July, Springer said. For school taxes, the penalty is straight one per cent addition in July, when it jumps to 8-1-2 per cent.

State and county taxes are payable at the office of the county assessor-collector in the court house, city taxes are payable at the office of the City tax collector.

Service men Do Not Need
Exemption Certificates,
Says Attorney General

Service men who were discharged 18 months prior to the next election may vote without a poll tax, and without an exemption certificate, it was announced this week.

Attorney General Grover Sellars ruled that servicemen need not vote without payment of the poll tax may cast their ballot without obtaining exemption certificates, and without being on certified lists of voters prepared by the tax collector.

In answering the question of how a serviceman or woman included in the terms of the constitutional amendment adopted last summer to establish his right to vote, how much evidence an election judge may require, Sellers' opinion said:

Under the statutes, the judge requires him to show by his oath (and in a city or town of 10,000 or more inhabitants, by oath of one well-known resident) that he is qualified to vote.

Two Young Girls Fatally Burned

Two young girls, Delores Lynn, 7, and Patricia Ann, 10, daughters of Mr. and Mrs. J. E. Bennett of Memphis, were fatally burned last Thursday afternoon when the gas stove exploded in the cabin in which they were living at the oil mill tourist camp located on the highway to Childress.

The explosion occurred between 3:30 and 4 o'clock in the afternoon. The two girls were rushed to a local hospital, but the third-degree burns were fatal to Delores at 10:30 o'clock and to Patricia at 11:35.

Another young girl, Bertha Davis, 8-year-old daughter of Mr. and Mrs. T. R. Davis, who also lives in one of the tourist cabins, was playing with the Bennett sisters at the time of the explosion. This girl, however, suffered only slight burns and was hospitalized. Exact cause of the explosion is

Funeral Services Held in Memphis For Mrs. Hortman

Funeral services were held Friday afternoon at 2 o'clock at the First Christian Church in Memphis for Mrs. Estha L. Hortman, 60, resident of Hall County for the past 30 years.

Services for Mrs. Hortman, who died Thursday morning of last week at about 1:30 o'clock, were conducted by Rev. T. T. Posey, pastor of the First Christian Church of Memphis. Interment was in Fairview Cemetery under the direction of the Womack Funeral Home of Memphis.

Plaska Students Brave Snow, Keep Attendance Same

The bad weather last week caused no drop in attendance at the 3-teacher school in Plaska, for parents came to the rescue and saw to it that their children attended regardless of the road situation.

The children were brought to the school via tractors and any other mode of conveyance, Mrs. B. B. McMillan, teacher of the school, reported.

Congratulations to the parents of that area are in order, Miss Mary Foreman, county school superintendent, said, for the way in which they cooperated in keeping the attendance at classes up to the usual standard.

Packing House Strikes Causing Little Discomfort for Memphis

Throughout the nation, including a number of plants in Texas, meat packers strike was well underway this week, but the meat shortage was not having a great effect on Memphis and remainder of Hall County.

Memphis meat dealers contacted this week explained that the shortage affected them in some ways but had little or no effect on fresh meats—as long as there is local beef and pork to buy.

There are a few packing houses in the state still operating, either because they are manned by non-union men, or because they are not members of the CIO. One trucker for an Amarillo packing house stated in Memphis Tuesday that he and his co-workers had been doubly busy during the past few days trying to aid in supplying the demands of this area.

Although the meat strike affected local people the most in a direct manner, the largest strike now in progress is that of the steel industry. A total of 750,000 steel workers quit their work last Saturday and Sunday, to bring the number of workers now on

MARCH 2 TO BE DATE OF EIGHTH 4-H, FFA SHOW

PLANNING UNDERWAY TO EXHIBIT CALVES AT OIL MILL BUILDING

Planning is now well underway for the 8th annual livestock show of the 4-H Club members and the Future Farmers of America, County Agent W. B. Hooser announced this week.

The date of the Hall County show has been set for Saturday, March 2, Hooser said, and the show will be held in the lint house of the Memphis cotton oil mill. This site has been used for several years.

Although it has not been officially ascertained, it is believed that Roy Snyder, the same official as last year, will act as judge of the show. Snyder is the meat specialist for the Texas A. and M. Extension Service.

4-H Club members will exhibit a total of 72 calves and about 15 hogs in the judging, the county agent said. Hooser is supervisor of all 4-H Clubs of the county. In addition to these it is expected several entries will be made by the FFA members who are not members of a 4-H Club.

All calves will be auctioned at the close of the show again this year. However, a large percentage of the calves will be taken to the Amarillo stock show the following week, and from there some of these will be taken to the Southwest Livestock Exposition in Fort Worth.

Campaign to Raise Girl Scouts Funds To Be Conducted

A drive to raise \$479 to meet the budget for the six troops of the local Girl Scouts organization will begin next Monday, O. R. (Doc) Saye, chairman of the finance committee for the troops, announced this week.

Decision to conduct the drive was reached last Friday night at a meeting of the Girl Scouts council, Mrs. Herschel Combs, public relations official for the troops, said. Part of the funds raised will be used to defray local expenses and part to aid in paying the district executive officer's salary.

James Smith is president of the council, and Saye will be in charge of the drive.

The budget decided upon is as follows: Charter fee, \$24; postage, \$5; stationery and supplies, \$10; public relations, \$10; program material, \$20; revolving fund, \$10; training, \$25; camping, \$50; conferences, \$25; finance committee, \$25; miscellaneous, \$25; professional services (payment of the district executive), \$250. The total is \$479.

The Girl Scouts organization here started about a year ago, when two troops, one Brownie troop and one senior troop, were formed. Since that time, the group has grown to a total of six troops, with 113 members. A charter was recently obtained, and a city council to guide the activities of the organization has been formed.

Rotary Governor Addresses Club

Charles Payton of Cleburne, district Rotary governor, outlined Rotary work at the regular luncheon held by club members Monday. The meeting was held on Monday instead of Tuesday to coincide with Payton's itinerary.

Following the luncheon, the district governor conferred with Rotary officials and committee chairmen concerning the work now being done by the club.

Office to Obtain Ration Books Now Closed in Memphis

The office of the price control board which has been serving Hall County was closed Friday of last week, and all files have been moved to Clarendon.

The office was in the old Clark hospital building on 6th street.

Applications for sugar ration books and replacements will be taken at the office of the local draft board, Mrs. Pauline Knight, secretary for the draft board, announced. Any person desiring to make such an application may either contact Mrs. Knight or write to the board at Clarendon.

This leaves only one board, that at Estelline, remaining in the county. This office will remain open until January 30, and applications may be obtained there.

Drilling Is Started On Humble Test Near Swearingen

Spudding in of the Humble Oil Company's test well near Swearingen, delayed for more than a week by inclement weather, was started late Wednesday, it was reported.

The test is located in Section 58, Block 19, in Collingsworth County, on the northeast corner of the section. The land is now owned by Benton Shields, and is known as the Scruggs place.

The drilling was scheduled originally to begin about ten days ago, Paul Cunningham, representing the Gardner Bros., drilling contractors, said, but the rain and snow made work impossible. The roads leading to the site were not passable for several days.

The drilling contractors have an agreement with the Humble company to drop the hole to 5,000 feet, although it is believed further drilling may be done if no good results are obtained before the scheduled depth is reached.

The Humble company has held the lease on the plot of land for several years. The section of land is about 12 miles north and east of Memphis.

Don't Leave Keys In Parked Autos, Anderson Warns

All Hall County car owners were warned this week by Sheriff W. C. Anderson against leaving keys in the cars, regardless of where the autos are parked.

The car belonging to Paul McCann was stolen from in front of the residence of Don Wright at the corner of Robertson and 7th streets Saturday, the sheriff reported, to add to the list of auto thefts in the city.

The keys to the ignition were left in the car, a 1941 black two-door Chevrolet. Although the car was missed within ten minutes after it was parked, no trace of it has been found.

Anderson, in reporting the theft, urged all car owners to remove keys from their cars when leaving them. "We have not had one single car stolen during my tenure of office, unless the keys were either left in the car or the ignition lock was not working," the sheriff said.

March of Dimes Dances Highlight Campaign Here

To be climaxed by a pair of dances, one for the swingsters and one for those who prefer the old-fashioned type of dancing, the March of Dimes campaign to raise funds for the National Foundation for Infantile Paralysis got well under way this week. Hollis Boren, local business man, is the Hall County director for the drive, and is being assisted by Mrs. Virginia Dodson, chairman of the entertainment committee.

Both dances, the swing and the old-fashioned, will be held Wednesday night, January 30, Mrs. Dodson said.

Tickets for the dances are now on sale at all local drug stores. Tickets are selling for \$1.65 per couple, and will be good for either or both dances, it was announced. Members of the American Legion are handling ticket sales, Mrs. Dodson said.

The swing dance, to be held in the American Legion Hall, will be in charge of Bill Kinslow and Guthrie Bennett, both members of the American Legion.

In charge of the old-fashioned dance, which will feature schottische and similar dances, will be Mr. and Mrs. Glynn Thompson and Mr. and Mrs. Irvin Johnson. This dance will be held in the Memphis Country Club.

Both dances will begin at 9 o'clock, Mrs. Dodson said.

Also cooperating in the drive are all schools of the county, Boren stated. Miss Mary Foreman, county superintendent, has contacted all schools of the county to enlist their support. The type of dances to be made in each (Continued on Page 7)

Jessie P. Daniels Dies in Memphis After Brief Illness

Jessie Paul Daniels, 38-year-old resident who had lived here for the past 25 years, died after a short illness last Friday. He had been downtown in the afternoon and became ill only a short time before his death.

Funeral services were held at the First Baptist Church in Memphis Monday afternoon at 2 o'clock, with Rev. Jeff Moore, pastor, conducting, assisted by Rev. Byron Todd.

Interment was in the Fairview Cemetery under the direction of the Womack Funeral Home.

Daniels was born in Grayson County March 4, 1907, and was 38 years, 10 months, and 14 days old at the time of his death. His family moved to Hall County in 1920, and he had resided here since that time.

Survivors include his wife, Mrs. Ruth Daniels; two children, Julia Ann and William Roddy; his mother, Mrs. Mary Elizabeth Daniels; and five brothers and sisters, Mrs. J. F. Muse of Snyder, Okla., S. M. Daniels of Amarillo, Mrs. A. B. Collins of Leba Lake, A. A. Daniels of Wichita Falls, and Mrs. E. E. Webb of Hebronville.

Funeral services were held at the First Baptist Church in Childress, with Rev. Horace Hitt of Petrolia conducting, assisted by Rev. Curtis Rogers of Tell.

Burial was in the Childress cemetery.

Survivors include the parents; six brothers, Denton of Wichita Falls, Sem, Claude, Larkin, Carroll, and Harold, all of Tell; one sister, Mattie Pearl of Tell; and his grandparents, Mr. and Mrs. S. T. Cheatham of the Shores Creek community and Mrs. Mattie Avery of Childress.

The Cheatham children attend school in Estelline, it was reported, and had ridden to their home in the school bus. It was after they arrived home that the accident occurred.

MAJOR Edward N. Foxhall, who was recently released from the U. S. Army Air Corps. Foxhall, owner of the Foxhall Motor Company in Memphis, is now back in Memphis, although he will be on terminal leave until March.

Newell Cheatham Of Tell Is Fatally Hurt in Accident

Omer Newell Cheatham, 11-year-old son of Mr. and Mrs. S. L. Cheatham of Tell, was fatally injured Tuesday when run over by a car driven by his brother, Larkin.

The accident occurred after the children had arrived home from school, it was reported here. Newell was playing with his brother Carroll, and ran in front of the car driven by Larkin.

The injured lad was rushed from Tell to Childress, but was dead upon arrival at the hospital there.

The office was in the old Clark hospital building on 6th street.

Applications for sugar ration books and replacements will be taken at the office of the local draft board, Mrs. Pauline Knight, secretary for the draft board, announced. Any person desiring to make such an application may either contact Mrs. Knight or write to the board at Clarendon.

This leaves only one board, that at Estelline, remaining in the county. This office will remain open until January 30, and applications may be obtained there.

Rotary Governor Addresses Club

Charles Payton of Cleburne, district Rotary governor, outlined Rotary work at the regular luncheon held by club members Monday. The meeting was held on Monday instead of Tuesday to coincide with Payton's itinerary.

Following the luncheon, the district governor conferred with Rotary officials and committee chairmen concerning the work now being done by the club.

C. C. Allen, 59, Dies; Ill Several Years

Charlie Cleveland Allen, 59, resident of Memphis for the past two years and of Parnell 20 years previous to moving to this city, died this morning at about 6:30 o'clock after being in ill health for several years.

Funeral services are pending, awaiting the arrival of out-of-town relatives. Services will be under the direction of the Estes Funeral Home of Memphis.

STAFF SERGEANT Mack W. Cofer, who has landed in the United States, will receive his discharge at Fort Sam Houston soon.

March of Dimes Dances Highlight Campaign Here

To be climaxed by a pair of dances, one for the swingsters and one for those who prefer the old-fashioned type of dancing, the March of Dimes campaign to raise funds for the National Foundation for Infantile Paralysis got well under way this week. Hollis Boren, local business man, is the Hall County director for the drive, and is being assisted by Mrs. Virginia Dodson, chairman of the entertainment committee.

Both dances, the swing and the old-fashioned, will be held Wednesday night, January 30, Mrs. Dodson said.

Tickets for the dances are now on sale at all local drug stores. Tickets are selling for \$1.65 per couple, and will be good for either or both dances, it was announced. Members of the American Legion are handling ticket sales, Mrs. Dodson said.

The swing dance, to be held in the American Legion Hall, will be in charge of Bill Kinslow and Guthrie Bennett, both members of the American Legion.

In charge of the old-fashioned dance, which will feature schottische and similar dances, will be Mr. and Mrs. Glynn Thompson and Mr. and Mrs. Irvin Johnson. This dance will be held in the Memphis Country Club.

Both dances will begin at 9 o'clock, Mrs. Dodson said.

Also cooperating in the drive are all schools of the county, Boren stated. Miss Mary Foreman, county superintendent, has contacted all schools of the county to enlist their support. The type of dances to be made in each (Continued on Page 7)

Army Answers Your Questions

Your questions on allotments, insurance, legal problems or other matters as they relate to Army personnel and their dependents will be answered in this column or by letter. Write Headquarters Eighth Service Command, Dallas 2, Texas.

Q. My husband is going to be discharged from the Army next month and he wants to go to college under the G. I. Bill of Rights. Some say he will receive \$75 a month for living expenses and some say \$90 a month. Who is right?

A. The subsistence allowance for married veterans at college under the G. I. Bill of Rights has been increased from \$75 to \$90 per month.

Q. I am a reserve officer who went on inactive status two months ago. How do I go about applying for a commission in the regular Army under the law just passed.

A. Secure W. AGO Form 62 from any Army installation and submit it in duplicate before March 1, 1946, to this address: The Adjutant General, War Department, Washington 25, D. C. Attention: AGSO-R.

Q. I understand that the Smaller War Plants Corporation is being dissolved. How do veterans go about purchasing surplus government property now?

A. The Smaller War Plants Corporation will continue to process applications to buy surplus government property under veterans' preference until January 28. After that date, the War Assets Corporation will take over and applications should be presented there.

Q. I have just been discharged from the Army. I want to keep some, but not all of the National Service Life Insurance I now have. Would it be possible to reduce the amount of my policy?

A. Yes. Write the Veterans Administration, Washington, D. C., telling how much insurance you wish to carry. It must be in a multiple of \$500 and cannot be less than \$1,000. You should begin paying premiums on the new

amount, even though no acknowledgment of the reduction is received from the Veterans Administration.

Q. If I am receiving a pension resulting from the death of my late husband, a veteran of World War I, would I be entitled to a pension for my son who was killed in World War II?

A. If dependency on the son can be proved, it is possible for a World War widow, who is also the bereaved mother of a son killed in World War II, to draw pensions from both sources. However, each pension case of this type is treated on its own merits, and you are advised to discuss your problem with the Veterans Administration, which acts on pension applications.

Q. My husband is a warrant officer in the Army. He will soon be separated from the service. Is he entitled to terminal leave pay, or is terminal leave pay only given to commissioned officers?

A. Commissioned officers, warrant officers, and flight officers are all entitled to terminal leave pay.

Q. Where can a discharged

soldier get corrections made on his discharge certificate?

A. Send the discharge certificate and details regarding the changes to be made to the Demobilized Records Branch, 4300 Goodfellow Boulevard, St. Louis, Mo. You are advised to have a photostatic or certified copy of the discharge made and to use registered mail in sending the original.

"HOW TO SAVE MONEY ON YOUR ELECTRIC BILL"

by Phineas Q. Twitch, Eminent Economist

Dr. Twitch

- 1 Disconnect your electric door-bell. What if your friends and neighbors do bruise their knuckles knocking! You'll save a penny a month. Naturally, a penny saved is a penny earned. In only eleven years (at compound interest) you'll earn enough to buy another door-bell for the back door so you can save TWICE as much by not using it!
- 2 Sell your vacuum cleaner and beat your rugs by hand. The money you get for your old machine will buy several sturdy beaters and an ample supply of liniment. Then, every time you beat ten large rugs, you'll save a whole penny. You can easily do ten rugs in a couple of days, after you get used to it. The exercise will build you up, even if it does break down the rugs. And the more you beat 'em the more you save!
- 3 Turn off your radio during "The Electric Hour" on Sunday afternoon. Of course, you'll miss Nelson Eddy and his guest stars and Robert Armstrong's Orchestra, but you'll save a sixth of a penny every time you do it. In a year, that's nearly 9c. And there's no music so pleasant as those coppers clinking in your pocket!

Coronet Features Connally in Story

Chairman of the Senate foreign relations committee Tom Connally holds a position in foreign affairs second only to the secretary of state. As cited in an article, "Texas Peacemaker" in the February Coronet, it will be his job to steer the Senate through the treaties and agreements of enduring peace.

Thomas Terry Connally is a country boy, Coronet tells us—born and bred in McLennan County, where his ready tongue and thin legs earned him the nicknames of "Talking Tom" and "Double Barrel-Shotgun." His father often said: "Tom, I never had much education. If I'd had your chance, I'da run for Congress."

So, in 1916 Connally ran for Congress . . . and he's been in Washington ever since. But he brought a bit of Texas with him to the Capitol, where the senator and his wife are famous for their Sunday breakfasts of sausage, pink grapefruit, peach preserves, and smoked ham—all from Texas.

Luke Browning returned Sunday from Austin, where he visited his aunt and uncle, Mr. and Mrs. C. E. Browning, a few days last week.

Kesterson Given Army Discharge

A. G. Kesterson, son of Mr. and Mrs. A. G. Kesterson of Memphis, returned here Monday after receiving his discharge from the Army at Fort Sam Houston. Kesterson spent 12 months in France and was there when he started for home. He won four bronze campaign stars for service in France and has spent 39 months in active service.

Kesterson is living with his parents and plans on making his home in Memphis.

Wright Receives Army Discharge

James Wright, son of Mr. and Mrs. W. R. Wright of Memphis, returned home January 14 after receiving his discharge from the Army January 13.

Wright entered the service April 23, 1943, leaving for overseas duty in August of 1944. While overseas he spent some time in the Philippine Islands, New Georgia, Bougainville, Luzon, and Japan. In the Army Wright attained the rating of corporal and is entitled to wear three campaign stars, American theater ribbon, good conduct and victory medals. After serving 28 months in the South Pacific he was returned to Portland, Ore.

American Cattle Nearly Free of TB

American cattle are now almost completely free of tuberculosis, according to a report issued here in Austin by veterinary authorities.

"Twenty-five years ago, bovine tuberculosis caused tremendous financial losses to our farmers, and caused the spread of bone forms of tuberculosis to tens of thousands of children," the report by the American Foundation for Animal Health declares.

"In contrast with this, a recent check at three important cattle markets showed that only one animal in 7,300 was condemned by veterinary inspectors because of this disease. In these same three markets 25 years ago condemnations for tuberculosis averaged one animal in every 80.

"The 25-year fight against this disease, led by veterinarians, government authorities, and farm groups, has paid tremendous dividends, both financially and in saving the lives of countless children who might have otherwise died of the disease."

Sgt. Dee M. Henry Given Discharge

Sgt. Dee M. Henry, son of Mr. and Mrs. J. E. Henry of Memphis, received his discharge from the U. S. Army December 29.

He was a member of the 20th Air Force with the 19th Bomb Group, and spent 39 months in service, 10 months of that time on Guam. He wears two campaign stars.

Henry was a guest in the home of Mr. and Mrs. Curtis Henry of Fort Worth from January 11 to 14. He arrived in Memphis Monday, January 14. After a few days in Memphis, he will enroll in West Texas State Teacher's College at Canyon.

Mack Richards and Kenneth Malone of the U. S. Merchant Marine, now stationed at Houston, arrived in Memphis Monday for a week's visit with their parents, Mr. and Mrs. Louis Richards, and Mr. and Mrs. W. S. Malone.

NEWS about men in the Service

Mrs. W. R. Taylor received word from her daughter, Mrs. C. Padgett of Portland, Oreg., at Eldon Padgett arrived in the States on January 15, after spending 27 months in the Pacific. He now awaiting his discharge in San Francisco.

Norval Geter, private first class, son of Mrs. Virgie E. Geter of Memphis, arrived in Washington January 19 from Japan, according to word received last week by his mother. Geter served with the quartermaster corps in the Pacific area for 22 months. He hopes to be home in the next ten days.

Sgt. Mack W. Cofer, son of Mrs. W. M. Cofer of Memphis, landed January 10 at Camp Kilmer, N. J., after serving 17 months with the First Army in the European theater. Mack will go to Fort Sam Houston where he will receive his discharge.

He will join his wife and son, Johnny Mack, on the Bugbee ranch where they will make their home.

Herman R. Frisbie of Memphis received his honorable discharge from the U. S. Navy at the separation center in Shoemaker, Calif., Friday of last week. Frisbie was a radioman, third-class, at the time of his discharge.

Harold Smallwood, coxswain, of Lakeview is one of 1,235 high-point Army and Navy veterans whom the Navy is returning to the States for discharge aboard the U. S. S. Breton, which left Yokohama, Japan, January 4, and was scheduled to arrive in San Francisco about January 20.

The U. S. S. Breton, an escort carrier, is participating in the Navy's peace-time task of returning service veterans from the Pacific for discharge. By January 1, 1946, over 60 per cent of all men in uniform overseas at the end of the war had reached the States aboard ships of the "Magic Carpet" fleet.

Bob Land of Clarendon visited in Memphis Monday. Land was formerly supervisor of the Farm Security Administration in Memphis and has recently been discharged from the Navy.

John W. Helms of Lakeview is serving on the U. S. S. Sanborn, attack transport, in the Pacific. Most recent assignment for the Sanborn has been with the fleet's new "Magic Carpet," bringing veterans home from overseas. During the war she participated in the action at Iwo Jima and Okinawa.

Fats Waller maintains he isn't really fat, he just comes in the large economy size.

President Truman has been quoted as saying he doesn't like the job of being President because there's no future in it.

Good Seed Urged In Planting Cotton

Immediate steps to insure supplies of good planting seed, needed to plant the increased cotton acreage established as Texas' goal for 1946, were urged recently by the Texas Cotton Production Committee.

"More seed will be needed to plant this increased acreage," the committee pointed out, "but the volume and quality of seed available were reduced by the short 1945 cotton crop."

"Businessmen can render a valuable service to farmers and their communities by assisting in obtaining quality seed from reliable sources, and in seeing that seed is tested for germination."

Treating planting seed according to recommendations of the Texas Experiment Station and Extension Service also is especially important this season, the committee added.

Officers Enlisting May Be Sergeants

Colonel Robert L. Hardy, West Texas district recruiting officer, recently received a War Department communication which stated that former officers, warrant officers, and flight officers who have been discharged from active service on or after the 12th of May, 1945, and prior to November 2, 1945, may re-enlist on or before the 31st of January, 1946.

The communication further stated that those officers, warrant officers, and flight officers who have enlisted in the army since May 12, 1945, in a grade lower than master sergeant will be immediately promoted to the first grade (master sergeant).

The grades in which men are enlisted under the provisions of the above communication or to which they are promoted as prescribed in the above are permanent regular army grades and warrants will be issued accordingly by the commanding officer having appointing authority for the unit or station of the former officer's first assigned station.

J. G. Thacker Joins Democrat Staff

J. G. Thacker, former owner of newspapers at Miles and Kovenka, has joined the staff of The Democrat, and began his work here last week as printer.

Thacker was living in Rowena until last June, when he disposed of his holdings there.

Mrs. Thacker and their two children, Glenda Inez, age 8, and Darla Kay, age 4, are living in Eldorado at the present, until they can find a suitable home in Memphis.

6-Months Service Man to Get Pfc.

The United States Army recruiting service recently announced that all persons unless sooner promoted who enlist or have been enlisted as a private in the regular army on or after the first of January, 1945, will on a completion of 6 months satisfactory active service be promoted to the grade of Pfc.

All units and installations who receive men holding Pfc. ratings as a result of enlistment under these provisions are authorized to carry such personnel as excess in grade until these higher ratings are absorbed by normal attrition.

Consolidation of Democrat, Print Shop Terminates

When the war began, resulting in a labor shortage and also a serious paper shortage, The Democrat and the Dodson Print Shop consolidated their job printing business for the duration.

This arrangement was reached on June 1, 1942, at which time, C. C. Dodson, owner of the Dodson Print Shop, stored his printing equipment.

Now, however, that former employees are returning to their work at The Democrat, this arrangement has been terminated, and Dodson has announced that he is arranging to reopen the Dodson Print Shop.

Former Resident Now Out of Navy

J. D. Watson, son of Mrs. Wilma Watson, former Memphis resident, has received his discharge from the U. S. Navy, and is visiting in Memphis this week.

Mrs. Watson is now living in Amarillo, where she moved about four years ago. Her husband died here 12 years ago.

As a member of the Seabees, Watson served in the Marshall and Marianas Islands. He enlisted in the Navy in September, 1943, and received his discharge at Camp Wallace January 12. He plans to make his home in Amarillo.

He is entitled to wear the Asiatic-Pacific ribbon with one star, the American theater ribbon, and the victory medal.

Cub Scout Troop To Be Organized

A Cub Scout troop will be organized again in Memphis Monday afternoon, January 28, according to announcements this week. Boys wishing to join the Cub Scouts were urged to be at the band house on the high school campus at 5 o'clock when the first meeting will be held.

Theodore Myers, who is serving as scoutmaster of Boy Scout Troop No. 35, will be in charge of Cub Scouting until leaders can be appointed.

All boys between the ages of 9 and 12 are eligible to become Cub Scouts.

Joe Davis Back Home From Army

Joe Davis, son of Mr. and Mrs. Tracy Davis of Memphis arrived here last week after receiving his discharge from the army.

Davis was in the China theater of operation when he started home in November. He arrived at an east coast port the latter part of November and was then sent to Fort Sam Houston to receive his discharge.

Davis plans on entering Texas University as soon as possible. At present he is at home with his parents.

Gins Get Total of 22,468 Bales

Doubts that Hall County cotton production for the 1945 season would reach 25,000 bales were expressed this week as C. Lee Rushing, special agent for the bureau of census of the department of commerce, reported the official total as of December 13 was 22,468 bales.

This figure of ginnings in Hall County is slightly below that at the same time in 1944, when a total of 23,864 bales had been ginned.

Miss Doris Stilwell visited in Wichita Falls over the week-end.

Packing House—

Hall County are large enough to have to undergo a transportation strike. In Seattle, Wash., and as close to home as El Paso, many people found themselves walking to work, or just not going to work due to a strike of transportation workers. Both of these strikes, however, have been settled.

In New York, a transit system strike was barely averted when Mayor O'Dwyer agreed to allow the union to vote on a proposed sale of city-owned power plants. If this strike had been called, it would have caused the shutting off of all subways, city buses, and street cars, with about three million people being forced to walk to their work as a result.

Alfred Hutcherson spent the week-end here with his family and returned to Dallas Sunday night to be with his son, Rayford, who is ill in a Dallas hospital.

kept lodging (during the recent big snow) until it covered the wire smoothly several inches—the first time he had ever seen such a thing happen.

During the early part of the Pacific War a Seabee, Curtis Hartell by name, wrote a number of letters to The Democrat concerning the life of the Seabees, and they were published under the title of The Roving Reporter. Well, he has quit roving and is now reporting for The Democrat here at home. Any time you have a news item, see or call him about it.

C. C. Dodson, who closed his print shop for the duration and joined forces with The Democrat, is now making arrangements to reopen the Dodson Print Shop. During the past four years, keeping help to carry on the newspaper was quite a job, and many times Mr. Dodson was the only printer on the job. Through his help we managed to keep the home paper going weekly to the readers, and we thank him and wish for him the very best of everything.

The cry continues for apartments. Daily, people turn away sorrowfully because they want to live in Memphis and can't find any place to make their home. If the strikes keep on, it will be a long time before building materials are released so that homes can be built.

And this morning I received a postcard from the 29th reader of this column. The card was from Amarillo and said: "Your column week before last about the housing shortage in Memphis reminds me of the new song—have you heard it? 'Be it ever so humble, there's no place like home.'"

Trichski, the full-blood Collie, after making her home with us for 11 years, passed away Tuesday following a gradual decline in health over a period of weeks. This, perhaps, is not interesting to my 29 readers, but to me it was one of those incidents in my life that might be called a mile post. We at home will miss her for a long time. We will miss her cheery bark at the back door at getting-up time, wanting in to greet us good morning; miss her going to the front sidewalk with me to send me off to work; miss her at the same place at noon and evening to greet me on my return; miss her barking at the door at supper time, asking "what's cooking for a hungry dog"; barking at bedtime to be let in to say good night and for the pat on the head and a few kind words; yes, and I will miss her on Sundays—for she always knew when Sunday came, as that was one day in the week that she would get to accompany me to the office. Trichski was a gentle, kind, affectionate dog; considered each person she met a friend; knew many tricks and delighted doing them when asked; had the ability to make her wants

H. S. Nelson Finds Wrist Watch, But Takes No Reward

The classified ad in last week's issue of The Democrat stating that a wrist watch had been lost brought quick results. Mrs. Seth Pallmeyer, who had lost the watch, reported.

The watch was found by H. S. Nelson in the Memphis Grocery. He returned it to R. H. Wherry's store, but would accept no reward.

"Incidents like this in our every day life keep our faith in humanity and our trust in each other. I certainly wish to thank Mr. Nelson for the kindly deed," Mrs. Pallmeyer said.

3-Year-Old Girl Dies at Memphis

Nancy Williams, two-year-old daughter of Mr. and Mrs. Leonard Williams of Memphis, died here this morning. She was 2 years, 11 months, and 27 days old.

The body will be taken to Honey Grove today, and funeral services will be held there. Services will be under the direction of the Womack Funeral Home of Memphis.

Survivors include the parents and one brother, Marvin.

The Williams family has lived in Memphis for about two years. Williams is employed at the Memphis compress.

CHINESE STUDENT TO VISIT CITY

K. C. Shen, Chinese student who is attending school at Texas A. and M., will visit in Memphis Friday, Saturday, and Sunday of this week, County Agent W. B. Hooser said. Shen, who is touring North and West Texas to study cotton production, ginning, irrigation, etc., will be shown various businesses in Memphis, including the oil mill and various gins.

known, and understood many things that were said to her. Yes, it will be lonely at our house since we have lost a real pal. Trichski's picture went practically around the world two years ago at Christmas time when greetings were sent to scores of servicemen in various war theaters of the world—perhaps adding a mite to their morale. While Trichski was just a dog, she added much to our pleasure during her life.

Auto licenses may be bought in the court house after February 1, Springer said. The tags cannot be placed on cars until after March 1, but must be on by April 1.

The plates will be the same size as those of 1945. Numbers for passenger cars will be CN7700 to CN9999; for commercial cars, MK900 to MK1349; and for farm vehicles, RF350 to RF649.

though it is expected that all students will be asked to contribute. Contributions are also being taken at the Ritz and Palace theaters each night this week. Boren, owner of the two shows, stated. Last year these contributions were high, and it is hoped that this year will find the donations even higher. Half of the money collected will be sent to the national foundation, and the other half will be retained in the county. That money retained will be used in emergency cases of infantile paralysis in Hall County.

GIVE— TO A WORTHY CAUSE

AT KERNAN'S Hospital, Baltimore, they call 5-year-old Roger B. Hawk the Miracle Boy.

Roger recently took his first steps without crutches, after a siege of infantile paralysis that kept him bed-ridden for 11 months.

Doctors at the hospital give much of the credit for the boy's remarkable recovery to the devotion of his parents, who underwent special training so that they might care for the boy while he was in the hospital. With that extra incentive, Roger began to respond and within a few weeks he was able to get around on crutches.

But the parents give the credit to the hospital and to the National Foundation for Infantile Paralysis.

This foundation was started by the late President Roosevelt, who was crippled by the dread disease, yet came back to win the admiration of millions of people and to lead a nation through the greatest war in history.

It was Roosevelt's determination that infantile paralysis be conquered. The people of America share in that determination, and through contributions to the March of Dimes they take an active part in the unrelenting fight against the Great Crippler.

Have you ever seen a child hit by this disease? Those familiar and distressing sights—the shrunken limbs, the twisted bodies, the awkward locomotion, the crutches, wheelchairs, and all the other reminders of this terrible scourge, are in themselves the strongest argument for supporting the work of the National Foundation for Infantile Paralysis.

The drive to raise funds is now on in Memphis, and will end January 31, one day after the birthday of the founder of the fight against the disease.

Memphians will be able to contribute in any of several ways. It was not Roosevelt's idea that contributions would be simply gifts. He organized the drives so that entertainments were given for the benefit of the foundation, and those entertainments are still in progress. Support the entertainments here, whether you desire to attend or not.

Give, give and give some more. It isn't necessary that you donate a large amount—if everyone else will give too. But just in case they don't, try giving an extra 25 cents to make up for those who fail to contribute to so great a cause. You won't miss it. And neither will you regret it.

YOUR POLL TAX IS DUE

JANUARY 31 is the final date on which you may pay your poll tax for this year.

And this year is the first peacetime election since 1940. You will want to vote; you will want to have a voice in deciding who is to govern the county and state for the next two years. This is an important year of our history, one of the most important we have ever had.

So pay your poll tax and help elect the people who will, in your opinion, serve as public servants—not those who will make servants of the public.

Press Paragraphs

SELECTED FROM THE
 DEMOCRAT'S EXCHANGES

Education Crisis

The Amarillo Globe: This is a crisis in the educational life of our country. In the next few months three quarters of a million veterans will be enrolled in or applying for admission to higher in-

situations. Government and educational authorities can meet this emergency only by boldness and imagination.

Keeping It Straight

The Hereford Brand: The First National Bank will be closed all day Saturday, January 19, in observance of Robert E. Lee Day—a good old rebel custom. There's still no market on Confederate bonds, but just to even

things up there'll be two bank holidays next month honoring George Washington and Abe Lincoln.

Socialized Medicine

The Panhandle Herald: The measure before congress to socialize medicine through compulsory monthly payments deducted from payrolls is meeting with much opposition. The need for increased medical service in our country is great—particularly in the smaller communities—and it is a problem that must be met. The time may come when every medical school graduate must pledge himself to practice five or six years in rural communities. Such practice would not be a hardship if the hospital program continues to increase in the United States.

The Liquor Situation

The Canyon News: We see that every liquor store has large signs urging that citizens shall pay their poll tax. The liquor stores are mixing patriotism with their selfish interest in their own affairs. Their appeal goes to men and women who patronize booze joints. They are fearful that the wild orgy of drinking will be so repulsive that the nation may return to prohibition. We are told that the biggest drive to oust booze in Texas will be staged this year. No wonder the liquor stores want their patrons to be armed with poll tax receipts.

No Smiles

The Childress Index: I follow nearly every comic in every paper that comes over our exchange desk. Should send some kind of a note to Zack Mosley who draws "Smiling Jack." He had Jack smiling the first time in a number of years. In fact, I can't remember when the comic character has smiled. Really should have named it "Frowning Jack." It took a big kiss from Cindy to bring out the smile.

New System

The Floyd County Hesperian: So, the army and the navy, answering the demand of Mamma and Pappa America to get our boys back to us, are dumping service men in the port cities by the thousands, more than the railroads can haul to separation centers, and still abiding by the rules, begin a campaign for recruitments. And they are getting results. Sonny boy, unhappy with what he finds at home, re-enlists for service wherever duty

calls—homeside, Japan, Germany, Czechoslovakia.

The Solution?

Ed Bishop in the Dalhart Texan: This column, along with a goodly part of the regular features of your Texan, today begins a "vacation" that we hope won't last longer than a week or ten days. Tonight the man from Chicago arrives to superintend the moving of the newspaper press, the most surprising individual you ever knew. Mr. Price is past 70 years of age, yet he climbs all over the press with the ease of a college athlete. Perhaps his wonderful physique can be attributed to the fact that he's a bachelor.

Strictly Political

Texas State News (Published at Austin): The curtain is about to rise on Texas' greatest political show in many, many years. The actors have been busy the past few weeks adjusting their false whiskers, padding their bosoms, rehearsing their gestures and figuring out new ways and means of fooling the suckers who will flock to see the show and pay the bills. The show will be unique in that you can pick out your own hero and your own villain—either of the actors will fit either role. . . . Such a guy might be a plain Texas GI who would have the guts to make the Ten Commandments, the Sermon on the Mount, and the Constitution of the United States, the planks of his platform. We're hopin' too.

By **BOYCE HOUSE**

When I was a little fellow, my mother used to tell a story that amused me very much. Imagine my surprise and delight when I ran across it in an old book recently and it said that John B. Gough, the great temperance orator, used to tell it as the truth. It's called "Brother Watkins." A frontier preacher had moved

to a new field of labor and to his new flock, he gave some reminiscences of his former pastorate: "My beloved brethering, before I take my text, I must tell you about my parting with my old congregation. On the morning of the last Sabbath, I went into the meeting house to preach my farewell discourse. Just in front of me sat the old fathers and mothers in Israel; the tears coursed down their furrowed cheeks; their tottering forms and quivering lips breathed out a sad—Fare ye well, Brother Watkins—ah!"

"Behind them sat the middle-aged men and matrons; health and vigor beamed from every countenance; and as they looked up I could see in their dreamy eyes—Fare ye well, Brother Watkins—ah!"

"Behind them sat the boys and girls that I had baptized and gathered into the Sabbath school. Many times had they been rude and boisterous, but now their merry laugh was hushed, and in the silence I could hear—Fare ye well, Brother Watkins—ah!"

"When I had finished my discourse and shaken hands with the brethering—ah! I passed out to take a last look at the old church—ah! The broken steps, the flopping blinds and moss-covered roof suggested only—Fare ye well, Brother Watkins—ah!"

"I mounted my old gray mare with my earthly possessions in my saddle-bags and as I passed down the street, the servant-girls stood in the doors and with their brooms waved me a—Fare ye well, Brother Watkins—ah!"

"As I passed out of the village, the low wind blew softly through the waving branches of the trees and moaned—Fare ye well, Brother Watkins—ah!"

"I came down to the creek, and as the old mare stopped to drink, I could hear the water rippling over the pebbles a—Fare ye well, Brother Watkins—ah."

"I was slowly passing up the hill, meditating upon the sad vicissitudes and mutations of life, when suddenly out bounded a big hog from a fence corner with unk! unk! and I came to the ground with my saddle bags by my side. As I lay in the dust of the road, my old gray mare ran up the hill and as she turned the top she waved her tail back at me, seemingly to say—Fare ye well, Brother Watkins—ah!"

FIRE DEPARTMENT ANSWERS TWO CALLS

Two calls, one last Friday morning and the other Sunday afternoon, were answered by the Memphis Fire Department during the past week. The automobile owned by Jack Williams caught fire Friday, but the blaze had been extinguished with snow by

the time the truck arrived, car was parked alongside the National Bank. The other was reported to be a small hog near the Monzingo mule barn. On answering the call, members of the fire department found fire, but only an open-top was smoking. The smoke was pouring from a door and someone had reported it as a fire.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion. * thus help build resistance for the "time" to come. 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Dry Cardui. If it helps, you'll be glad you did.

DURING the past season, American farmers have made a great record for food production, and the world rightfully applauds.

BUT how about next year's performance? Your John Deere tractor gave a lot. Will it be able to go through another hard year without some reconditioning—some special attention?

Better bring that tractor into our shop and let us give it a complete check-up. Our factory-trained men are specialists—know exactly what to do, and know precisely how to go about doing it.

We will check over your tractor or other equipment, tell you what the ailments are, give you an estimated cost that is based on high-grade work by trained men, using modern shop equipment and facilities. The low cost will surprise you.

Come in when you get to town, and let's talk this over. Yours, for another great production year.

Corn Producers Certain to Receive Full OPA Prices

Texas Crop Will Not Be Large Enough to Supply Requirements for State

"The production of a corn crop in Texas will assure the producers the full OPA ceiling prices," says G. E. Blewett, secretary-treasurer of the Texas Grain and Feed Dealers Association.

For the past two or three years, and especially so the last year, it has been impossible for Texas' mixed feed manufacturing plants, and other corn processing plants to obtain sufficient supplies of corn to fill their requirements, Blewett said.

Although the total U. S. corn crop for the past two years has been unusually heavy, the Texas production of corn last year only amounted to about 66,000,000 bushels whereas the state requires in excess of 100,000,000 bushels, and during the last 20 years there has never been a crop of corn sufficient to fill the state's need, he pointed out.

"The enormous increase in the animal and poultry population of Texas," says Blewett, "together with a large amount of prepared

Giles Announces For Re-Election

Bascom Giles said this week that he had filed his name with the state democratic committee as a candidate for re-election to the office as commissioner of the general land office of Texas.

While expressing sincere appreciation of the solicitation of friends and staunch supporters from every sector of the state, that he enter the race for governor, Giles said that he had determined to seek re-election to the office of commissioner of the general land office because of his ambition and desire to aid in the successful consummation of the veterans' land program which he sponsored. He pointed out that if adopted the plan would enable 10,000 Texas veterans to own their own farm and ranch homes, a right which they fought for and so richly deserve.

stock and poultry feeds for export, has placed an unusually heavy burden on these mixed feed plants, thus causing them to consume a much larger amount of corn than they did in normal year. It is obvious this demand will continue throughout the coming year, and it is certain that anyone processing corn would be willing to contract for the farmers' production of corn at the OPA ceiling prices.

"At this time it is impossible to buy any corn, as the northern crop produced in Kansas, Nebraska, Missouri, Iowa, and Illinois, and other northern states, is of such high moisture content as to prohibit it being shipped to Texas, so I feel quite sure that the Texas farmers need have no concern over finding a market for all the corn they will produce in this year's crop."

TO CARVE RUMP
The triangular boneless rump roast is placed with the pointed side to the carver's right. Cut slices diagonally across the point. Removal of these slices will make more uniform sized servings from the entire roast. When the diagonal slices become too large, cut slices from surface to the carver's right. No amount of fat and gristle in the little to save. Render it down, add it to your used fat container for salvage.

Rabbit Hunters Warned Against Diseased Animals

During the winter months hunting rabbits is a popular sport and a wild rabbit makes a very fine food, but according to the State Health Department, extreme care should be used in the handling of wild rabbits to prevent a possible infection with tularemia.

"Those little cottontail rabbits are not always as harmless as they look," states Dr. Geo. W. Cox, state health officer, "for some of them are infected with tularemia. This serious disease which is also known as rabbit fever usually is acquired by human beings thru contact with infected rabbits or thru contact with the infected insect that spreads it from animal to animal."

Dr. Cox cautioned that hunters should shoot only the rabbits that run away at his approach. A rabbit without the energy to scamper away from the hunter is likely to be a sick one that can transmit tularemia.

"It is necessary to handle uncooked rabbit meat cautiously," Dr. Cox said. "The use of rubber gloves will protect your hands since the germs may enter the body through any cut or scratch, however small, if an infected rabbit is handled without gloves."

As a further safeguard, Dr. Cox said rabbit meat should be cooked very thoroughly so as to destroy any disease producing germs that may be present. This means that it would be cooked at a boiling temperature for at least 20 minutes before cooking it to your individual taste.

Farm Census Data Being Tabulated

A tabulation of farm census data of the 254 counties of Texas, which was started several years ago, is being completed by the University of Texas Bureau of Business Research and will be ready for distribution in January, 1946.

The tabulation is by counties for the census years 1900, 1910, 1920, 1925, 1930, and 1935. The 1940 census had not been taken when the project was set up, but summary data from the 1940 census has been added since for a few of the tables.

The tables may be obtained for a nominal cost for processing and materials, from the Bureau of Business Research, University of Texas, Austin. The tables may be obtained on either of the following terms: (1) All tables of figures for a given county, \$1; (2) A single table of figures for each of the counties of the state (254 tables), \$2; all 20 tables for all the 254 counties, \$15.

Mr. and Mrs. Clarence Darrow of Borger visited Saturday night and Sunday in the home of her parents, Mr. and Mrs. N. M. Lindsey.

Kidneys Must Work Well

For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

Discharge Faulty? - Get It Corrected

Lt. Col. Robert L. Hardy, West Texas district recruiting officer, has announced that information has been received whereby discharged veterans may have corrections made on incorrect discharges received.

To have a discharge corrected the original discharge certificate should be sent in a registered letter to: Demobilized Personnel Records Branch, Records Administration Center, AGO, 4300 Goodfellow Blvd., St. Louis 20, Missouri.

A letter and documentary evidence should accompany the discharge certificate to prove that it is in error. It is recommended that photostatic copies of birth certificates, orders, etc., be sent if there are no duplicates available. Since the certificate may remain with the Records Administration Center office for sometime, it is recommended that it

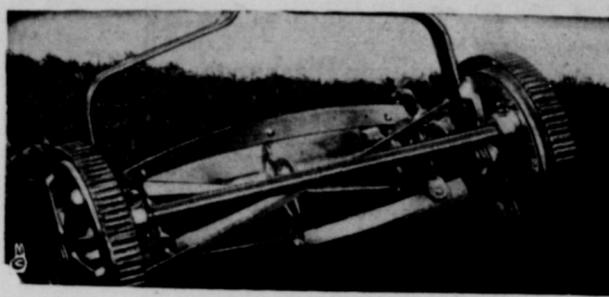

be recorded at the county clerk's office in the county in which the veteran resides even though it contains error—since the Veterans Administration or other agencies may request the original certified copy. When the corrected discharge is returned, it is to have it recorded again at the county clerk.

Texas Farmers May Be Big Users of Carrier Telephone System

There are 337,816 farms in Texas which are not reached by telephone service—more than in any other state.

But Texas may well be the best customer for use of the carrier telephone when the system proved itself suitable for commercial use, M. C. Jaynes, cooperative organization specialist at the Texas A. and M. College Extension Service, has predicted.

The new equipment, devised by rural and commercial engineers now being tested in several Texas farm homes, may be the means of providing telephone service to thousands of Texas farms now served by rural telephone lines but out of reach of telephone lines.

Under the new system, Jaynes said, speech is transmitted on carrier lines along with the power by means of a carrier wave of radio frequency. Transmitted

and receiving equipment is installed at the switchboard of the telephone exchange and at the subscriber's end of the line. The dial telephone is used in the same way as in regular service.

If, as REA Administrator Claude R. Wickard expects, the system will work out under commercial conditions, any home served by electricity could also have telephone service.

Texas' 93 REA cooperatives now have 42,556 miles of rural power lines which service 106,859 consumers. It is believed that many of these consumers are outside areas reached by rural telephone lines.

There is enough salt in Texas to give every person in the world a four horse wagon load and then some.

Trichski Is Dead—She was Staff's Favorite Canine

You probably didn't know Trichski, but here at The Democrat office, she had been our favorite dog.

Trichski often came to the office with her master, J. Claude Wells, editor of The Democrat, and she would lie in front of the fire, never bothering anyone.

Now Trichski is dead, having completed her 11 years of life Monday at about noon.

Trichski was a good dog, known to many people of the city, and she will be missed, especially by Mr. and Mrs. Wells, who treated their dog with the utmost kindness.

Six Ex-Servicemen Record Discharges

Only six more ex-servicemen have registered their discharges at the office of the Hall County clerk, Miss Sybil Gurley reported this week. Those registered were as follows:

Lester Earl Phillips, storekeeper first class. Enlisted March 9, 1942. Discharged January 1, 1946, at Norman, Okla. Medal: good conduct.

Walter Edward Hill, carpenter's mate second class. Enlisted March 6, 1944, at Memphis. Discharged December 31, 1945, at San Pedro, Calif. Ribbons: American theater; medals: victory.

Robert L. Ayers, corporal. Inducted October 22, 1942, at Lubbock. Discharged December 29, 1945, at Fort Bliss. Ribbons: A-P, American theater, Philippine liberation; medals: good conduct, victory.

R. V. Johnson, technician 4th grade. Inducted October 17, 1942, at Lubbock. Discharged December 29, 1945, at Fort Bliss. Ribbons: A-P, Philippine liberation; medals: good conduct, victory.

Toy Henry Sams, seaman first class. Inducted March 6, 1944, at Memphis. Discharged January 1, 1946, at Norman, Okla.

Charley Curtis Harrell, machinist's mate first-class. Enlisted May 4, 1942, at Dallas. Discharged January 4, 1946, at Norman, Okla. Ribbons: A-P, American theater; medal: victory.

League Meeting To Be in Lubbock

Dr. Ernest Wallace, assistant dean of arts and sciences at Texas Technological College, has been appointed director general of the University Interscholastic League region number one meet which has been moved from Canyon to Lubbock. The first meet will be held at Texas Technological College Thursday, April 18.

Dean T. H. Shelby of the University of Texas Extension Division and Roy Bedichek, director of the Bureau of Public School Service and of the Interscholastic League, spent a day on the campus recently conferring with Pres. W. M. Whyburn and other college officials and Lubbock citizens regarding details of the meet in Lubbock.

Region Number One comprises the entire Panhandle and South Plains. Director Bedichek said at least one thousand contestants and teachers would attend the first meeting on the Tech campus. The Lubbock Chamber of Commerce is assisting the college in the matter of housing of visitors and Lubbock High School officials are also cooperating.

Alfred Burks Now Back from Pacific

Alfred L. Burks, now a sergeant in the U. S. Army and formerly employed by the H. O. Wooten Wholesale Grocery, landed in Tacoma, Wash., last weekend from the Pacific.

Burks telephoned to Memphis that he was soon to be on his way to El Paso to receive his discharge. His wife, Mrs. Eulalia Burks, is now living in Lubbock.

Livestock Show To Be in El Paso

National cattle breeding organizations will participate in the 17th annual Southwestern Livestock Show, which will open at El Paso March 26, it has been announced by E. Jay Dittmer, general manager. Total premiums have been increased to \$12,000 in contrast to \$2,200 in prize money that was paid at the 1945 show.

Among the national organizations that will enter the 1946 show are the American Hereford Association, American Aberdeen-Angus Breeders Association, and the American Shorthorn Breeders Association.

In addition to the major beef breeds, there will be a junior show, with fat calves, swine, and sheep on display. Future Farmers of America and 4-H Clubs from all over the Southwest will participate.

Johnson Is Home On 30-Day Leave

Pat Johnson, son of Mr. and Mrs. J. W. Johnson of Memphis, is now home on a 30-day leave from the U. S. Navy, and expects to be discharged at New Orleans at the expiration of his leave.

Johnson, who was born in Memphis, is a gunner's mate third-class in the Navy. He enlisted July 29, 1942, at the age of 16.

Serving on the U. S. S. Golden City, an attack transport, Johnson participated in the landings on Guam, Leyte, Lingayen Gulf, San Narciso on Luzon, Iwo Jima, and Okinawa.

He is entitled to wear the Asiatic-Pacific ribbon with four battle stars, the American theater ribbon, the Philippine liberation ribbon with two stars, and the good conduct ribbon.

Intestinal worms and germs cause most all disease and loss in egg production. STAR SULPRUF COMPOUND given in water or feed destroys these worms and germs as they enter fowls with feed. Preventing most all diseases. Rids them of blood-sucking, lice, mites, fleas, blue-bugs that sap vitality, reduce egg production and kill many baby chicks. Costs very little. Money back if not satisfied. For sale at **DURHAM-JONES PHARMACY**
