MARTHA PEARL DAVENPORT, also of Lakeview, is shown here with her reserve champion calf, second-place winner in the livestock show here last Saturday. This animal was sold to Tommie M. Potts at the auction sale following the show for \$550. Miss Davenport also had an entry which placed second in the senior milk fed class. Winner of this class was the Fowler entry which was later declared grand champion.

Fowler Shows Grand Champion Here

Carroll Fowler of Lakeview, the same 4-H boy who won a trip to the National 4-H congress in Chicago recently, came through with flying colors in the ninth annual 4-H and FFA livestock show in Memphis last Saturday by exhibiting the grand champion calf and winning first place in two of the calf divisions.

The grand champion calf, weighing 930 pounds, took first place in the senior milk fed class, and was sold to J. H. Morris, local cotton dealer, for \$560. Martha Pearl Davenport, also of Lakeview, exhibited the reserve champion calf. Her winning calf took first place in the junior dry lot class and was sold to Tommie M. Potts, Memphis Chevrolet dealer, for \$550.

Roy Snyder, Texas A. and M. extension service meat specialist, served as judge of the show, and after each of his selections explained why he had chosen certain calves as he did. The show was sponsored by the Memphis chamber of commerce, Aiding County Agent W. B. Hooser in promoting the show were Potts, Wendell Harrison, and M. C. Allen, the chamber of commerce committee.

The show was proclaimed as the best ever to be held in Hall County, and bidding at the auction sale Saturday afternoon was the most active ever displayed. A large number of Hall Countians were present to join in the bidding. Following the auction sale, most of the calves were taken to Amarillo. (Continued on Page 12)

Dorothea Davis Given Discharge

Dorothea Merle Davis of Lakeview was discharged last Saturday from the women's reserve of the navy under the point system. Miss Davis is the daughter of C. S. Davis of Lakeview.

Jeff Williams to Give Address At Baptist Church in Memphis

Jeff H. Williams of Chickasha, Okla., nationally known speaker who has traveled approximately 30,000 miles by airplane to deliver addresses all over America and some foreign countries, will speak at the First Baptist Church in Memphis Tuesday night. The address will begin at 8 o'clock. The Chickasha attorney will speak on postwar plans, and particularly devote his address to matters pertaining to veterans of World War II and problems confronting them.

JEFF WILLIAMS

The speaker's appearance in Memphis is being sponsored by the Baptist brotherhood group. The Jones said this week. The event will be open to the public, and a large crowd of both men and women are expected to attend. "Everyone is invited to hear this great speaker," Jones said this week. "Usually at our brotherhood meetings, only men attend, but the entire public is urged to hear this outstanding speaker." Numerous Memphians have heard Williams speak. W. C. Davis, school superintendent, says Jeff Williams is one of today's

most deliberate and progressive thinkers, and his addresses are both inspirational and entertaining." E. E. Roberts, who has heard Williams on three occasions,

Local Senior Class To Present Annual Play in Auditorium

The seniors of Memphis High School will present their annual play at the high school auditorium Thursday night, March 14, it was announced this week. The curtain will go up at 7:30 o'clock.

The play in three acts is entitled "Let Me Out of Here." Students taking part in the comedy are Mary Wells, Peggy Lawrence, Robert Clark, Jarita Pounds, Roy Patton, Scotty Pullen, Verna Lee Hill, Laverne Orr, Mack Wilson, and Edward Spencer.

The story of the play is as follows: Bona Lynn (Mary Wells) and Eve Boyd (Peggy Lawrence) work together as typists and share a little two-room apartment. Bona has a handsome brother that Eve would like to meet. Eve has a wealthy aunt who wants Eve to marry Gifford Morton (Robert Clark), an eccentric poet and writer of children's stories. Eve wants to be independent and has led her aunt to believe that she is attending an exclusive girls' school when she is really earning a salary.

But Aunt Angela (Jarita Pounds) and Gifford are coming to pay Eve a visit. Eve isn't ready to be found out yet, so she and Bona go to ask a friend of (Continued on Page 12)

Tom Brenneman, jokester and official kiddier of women of all ages, who has made his morning program the most popular among women of the nation, will be imitated in Memphis Friday night when the First Methodist Church sponsors a "supper in Hollywood" in Memphis.

Rev. E. D. Landreth of Clarendon has consented to come to the aid of the local church, and substitute for Brenneman, who wasn't invited in the first place since local church workers didn't figure he could be present.

The supper will be a covered dish affair, and will begin at 7 o'clock Friday night in the basement of the church. Since Rev. Landreth, posing as Brenneman, will have to wear a crazy-looking hat, all women who attend are requested to wear a hat—in order, of course, that the visitor will have a large selection from which to choose his head attire.

The program is to be given in honor of Rev. P. E. Yarborough, departing pastor of the church who has been named as conference missionary of the Northwest Texas Methodist Conference; and will also serve as a welcoming party for the new pastor, Rev. Aubrey Haynes of Cleburne.

An orchid (?) will be presented by Rev. Landreth to the oldest lady present, and another will go to the best neighbor of the week. Brenneman makes such gifts on his daily morning program.

The program will be open to all who wish to attend, it has been announced, and women are requested to bring a covered dish. Similar programs have been held at other places since Brenneman started his program, and have proved to be highly entertaining, it was pointed out.

Max King Returns, Now Able to Be Up

Max King, well-known Memphisian who was ill in Dallas recently, is now back in Memphis and able to be up.

King went to Dallas for medical treatment. While there he suffered a fractured leg in a fall. He is now able to be up on crutches, however.

Countian Has Amarillo Reserve Champion Calf

Many Need Them But Just A Few Buy License Tags

Less Than 200 Car Plates Bought; Springer Urges Buying Early as Possible

Less than 200 motor vehicle license tags had been sold to residents of Hall County up to Monday, according to records in the office of F. R. Springer, county tax assessor and collector. This is the smallest number to register their cars and trucks at this time in many years.

All persons owning motor vehicles are asked to get their tags as early as possible in order to avoid the rush during the last days of the month. There are over 3,000 registrations to be made in this county, according to Springer.

"In order to secure your 1946 license plate you must present your certificate of title," Springer said. "You should bring the registration receipt which was given every motorist from this office last year."

All 1946 license plates must be on automobiles by midnight, April 1, Springer stated. It is required that any purchaser of an automobile must get a permit from the OPA before he is permitted to make transfer of title.

Funeral Rites Held At Estelline for A. G. Huffmaster

63-Year-Old Resident Had Served as Railway Station Agent in Estelline 16 Years

Funeral services were held Saturday afternoon at the Estelline Methodist Church for Albert Galeton Huffmaster, 63, who was found dead at the depot in Estelline Friday afternoon. He had served as station agent there for the past 16 years.

Services were conducted by Rev. A. F. Loftin and Rev. Ira Hart. Interment was in Fairview Cemetery in Memphis under the direction of the Womack Funeral Home.

Huffmaster apparently died suddenly from a heart attack, since he had been working during the day, and had been present when the noon train passed through Estelline.

Well-known in this area, Huffmaster was born April 18, 1882, in Fort Worth. He had been working with the railway company for the past 38 years, 33 of which he spent in Giles and Estelline. He had been station agent in Estelline for the past 16 years.

Survivors include his wife; one daughter, Mrs. Bertie Louise Bowman Jr., of Albuquerque; three step-children, W. R. Huffmaster and Mrs. C. C. Shields of Childress, N. M.; one brother, V. W. Huffmaster of Las Cruces, N. M.; and one sister, Mrs. W. E. Boswell of Fort Worth; and eight grandchildren.

Pallbearers were C. L. Sloan, Arthur Eddleman, Walter Wha- (Continued on Page 12)

Memphis Boxers Begin Practicing

The boxing season for Memphis High School students, under the guidance of Coach Curtis Kelley, got underway Monday of this week, with 16 boys turning out for the initial practice.

Four boxing meets have been scheduled for the local team. The Cyclone boxers will meet Wellington Friday night at Wellington, and the Skyrockets will come here April 5 for a return bout.

The local team will go to Shamrock Thursday night, March 14, and Shamrock will return the match here March 22. Of the 16 out for boxing, two of them, Jack Monzingo and Weldon Jester, reached the finals in the district Golden Gloves tournament held recently in Amarillo.

Funeral Services Are Held At Methodist Church; Interment is at Estelline

Funeral services for Mrs. Martha Leona McIntire, wife of Joe A. McIntire, were held Saturday afternoon at 2 o'clock at the First Methodist Church in Memphis, conducted by Rev. Clarence Bounds of Richardson, former pastor of the Estelline Methodist church.

Assisting in the services were Rev. B. L. Peacock, pastor of the First Presbyterian Church, and Reverends P. E. Yarborough and (Continued on Page 12)

Moreman of Brice Wins Second Place Stock Show Prize

Hall County Places First in Group Contest; Rumpy Also Ribbon Winner

Led by Hall County entries, the club calf show of the Amarillo Fat stock show turned out to be a big success.

This might well be the correct lead for this story, for Jack Moreman carried away three honors in the Amarillo show, Hall County won first in a group contest, and Harold Rumpy walked away with a second-prize ribbon.

Moreman's highest victory came with his winning of the reserve champion ribbon in the club calf show with his entry which he calls Bonnie Lad. The same calf took first honors in the senior club calf division, and since the grand champion calf was shown by an Erick, Okla., lad, Moreman's calf was named as the Panhandle champion.

The young man from Brice, who is 18 years old and expects to be called for service with the armed forces in the near future, had entered calves in six previous Amarillo shows, but only in 1941, when he placed third with a group of three calves, had he come out victorious in the judging.

His second prize came with the winning of first place in the group of five calves contest. Hall County entries won the (Continued on Page 12)

Junior High School Lists Total of 31 Honor Students

24 5th Graders Get High Marks; 5 From 6th, and 2 From 7th, Principal Says

A total of 31 students rate listing on the fourth six-weeks honor roll for Memphis junior high school, Mrs. C. S. Compton, principal, announced this week. Of these 24 were from the fifth grade, 5 from the 6th grade, and 2 from the 7th, Mrs. Compton said.

Making the honor roll were the following: Fifth grade: Lois Carpenter, Nan Crowder, Omer Johnsey, Gayle Monzingo, Gus Orcutt, Evelyn Ritter, Troy Taylor, Donna Webb, Lloyd West, Jean Wallace, Betty Jane Thompson.

Mackie Allen, Gereta Graham, Jo Ann Hart, Alene Messer, Ben Fred McCreary, Nadine Padgett, Bob Sheen, Shirley Ann Crouch, Gene Floyd, GERAL FLOYD, Nova Jean Jeffers, Snow Price, Tommie Sue Roach.

Sixth grade: Leona Robertson, Jacky Gilbert, Patsy Sue Hayes, Charles Wayne Messer, James Frank Norman.

Seventh grade: Patricia Alexander, Scotty Grundy.

Turkey Wins Cage Tournery in Memphis

Turkey's fiery all-star basketball quintet, led by George Ray Colvin, former All-American while playing with WTSC at Canyon, and Clark Johnson, another WTSC star, copped top honors in the all-star tournament held in the Memphis gymnasium last Thursday, Friday, and Saturday.

Johnson led the Turkey five to a resounding 75 to 36 victory over a strong Childress team by scoring a total of 33 points in the final game. Colvin was held down to 18 points in the game, although he displayed fine form on the defensive.

In the consolation finals Friday night, Memphis defeated Hedley 42 to 39 to win the consolation title. Coach Curtis Kelley led the Memphians in winning the consolation bracket finals.

The tournament opened Thursday when Memphis lost to Childress, and Hedley lost to Quail. The Tell team, scheduled to enter the tournery, failed to appear

for their match the following night. On the second night, Friday, Tell forfeited to Lakeview. Turkey won a close decision over Quail, and Memphis downed Hedley.

The last night, Saturday, found Lakeview losing a heart-breaker to Childress in the opening game. An exhibition game between the Memphis all-stars and the Memphis high school team gave the Childress team time for a breather between their game with Lakeview and the finals.

The Turkey-Quail game was one of the best during the tournament. Colvin, ably aided by his teammate, Dennis Coker, scored 15 points. The game was close all the way, and at the half the score was tied with 22 for each team. By the end of the third quarter, Turkey had pulled out in front, and never lost the lead.

Another exciting game for the (Continued on Page 12)

Story in Amarillo Times Illustrates Growth of Potts Registered Herd

(Editor's Note: The following article concerning Tomie Potts and his registered cattle is reprinted here from the stock show edition of the Amarillo Times.)

To produce cattle of great number, it takes a good type to begin with. At least that is the opinion of the most successful cattlemen.

Tomie M. Potts, the Memphis Chevrolet dealer, began to build a small herd of really fine quality "registered herefords" in 1942.

His mind was far from livestock as he stood among the spectators at his first cattle sales auction. Not many days at the sales pens had passed until Tomie had opinions of his own as to what does and does not constitute a truly high type of beef stock.

He took careful notice of the background of other fine herds that showed marked progress in

the production and breeding of the more profitable types of pedigree stock.

Tomie soon decided it was time to take his figures off paper and to try them from a practical standpoint. He searched the country to obtain really good pedigree with which to create the foundation of the magnificent herd he owns today.

He found the answer of his dreams at Tierra Blanca Stock farms at Canyon. It was here he started on his round-up of herefords that later took him to such famous farms and ranches as R. B. Strong at Arapaho, Okla., W. A. Spurlin, Reynon, Okla., W. H. Reeves of Shamrock, E. L. Martin Ranch at Wheeler, and on to the Diamond Ranch at Albany.

In his search he bought only the finest of individual stock with a reputation of high pedigree—stock that had a heritage for proven production. His herd now numbers about one hundred head.

Mrs. Potts, according to reports, has a number of choice animals which she has personally selected at various sales.

Owning a fine pedigree herd is not merely an ambition of he and his wife. Theirs is the endeavor to contribute betterment to the herd.

Two of the excellent heifers owned by Potts were consigned to the Panhandle Hereford Breeders Association sale at Amarillo March 6.

Weldon Massey of Midland visited his mother, Mrs. Pearl Massey this week.

Raymond Cheves Issues Statement Of Announcement

Raymond G. Cheves, who announced his candidacy for the office of County Clerk of Hall County last week, this week made the following formal statement:

Citizens of Hall County: After carefully considering the many solicitations I have had to seek office, I take this means of announcing my candidacy for the office of County Clerk of Hall County.

As a matter of introduction to those who may not know me, I should like to present these facts. I am a graduate of North Texas State Teachers College, with a bachelor of science degree, majoring in the field of government. I have had four years teaching experience in Texas public schools. During the summer months, I was associated with my father in the grocery business in Newlin. I have been married four years to the former Othereene Curry of Memphis.

I entered the armed forces in April of '43, receiving part of my training in the states. I was shipped overseas in January of 1944, completing my training in England. I went into France soon after D-Day with the 6th armored division, which was a part of General Patton's 3rd army, and was wounded in action October 1, 1944.

I have not been discharged from the service yet, since I have been hospitalized, due to wounds, since October 1, 1944; but I expect to be discharged from the service and the hospital in the near future, as I have now reached a maximum of improvement.

It is my intention to see each of you before election time, but in case I should miss seeing any of you, I take this means of soliciting your support in the coming election.

Respectfully,
Raymond G. Cheves.

H A. Lee to Seek Election to Office Of Representative

Hubert A. Lee of Paducah has authorized The Democrat to announce his candidacy for re-election to the office of state representative of the 121st district. In announcing, he made the following statement:

I offer myself as a candidate for re-election to the office of state representative from the 121st district for a second term. It is a foregone conclusion that any man who is elected to serve in any office whether local, state, or national, should be familiar with his duties in order to best serve the district and area which he represents. He should be especially familiar with the desires of all the people and with the problems peculiar to his particular section and district; and above all, he should have the best possible knowledge of the principal businesses of that district and the best and only way to gain that knowledge is by practical experience. From my experience I find that man must without reservation be morally strong and able to withstand all sorts of temptations.

I have been in the farming and stock-raising business all my life and have had several years experience as a merchant in Paducah. This, together with my experience of one term in the legislature, I believe makes me qualified to serve this district in the 50th legislature, which will beyond doubt be the most important session in the last score of years.

I earnestly solicit your support and influence in the months ahead, and will appreciate every kind word spoken in my behalf; and in return for that I promise a personal record of conduct consistent with good representation.

Signed,
Hubert A. Lee.

WHERE IS YOUR NEW HOME NOW!

Right now the home you want to build is in the tree, the iron ore pits, the clay banks and the quarry.

Legislation, HH priorities, allocations, preference ratings, will not build a home. Neither will such legal juggling of a meagre supply of materials produce building materials. An HH priority may mean little more than a license to hunt home-building materials.

Lumber and building material dealers and contractors can build all the homes America needs—if building materials are available. But unless production of materials is unblocked, no one can build homes. Whether a house is labeled "Public Housing" or "Prefabricated Housing" or a "Privately Built Home"—all are bidding for the same supply of materials.

Here are the materials that must be produced. These are the materials in short supply which are subject to distribution controls through priorities:

- | | |
|----------------------|--------------|
| LUMBER | MILLWORK |
| CONCRETE BLOCK | COMMON BRICK |
| CLAY SEWER PIPE | FACE BRICK |
| STRUCTURAL CLAY TILE | GYPSUM BOARD |
| CAST IRON SOIL PIPE | GYPSUM LATH |
| CAST IRON RADIATION | BATH TUBS |

Any Government program that does not FIRST remove the obstacles blocking production of materials will simply add additional difficulties to the problem facing the building industry.

What has happened that all these essential building materials are lacking? Have we exhausted raw material supply? Or plant production? NO! But the irresistible force of industry has run into an immovable body!

In the case of Brick and Tile, for example, it took OPA six months to grant a price adjustment that allowed 125 of 400 closed plants to reopen. This action resulted in a 35% increase in production within the following three months.

Similarly, OPA's unrealistic pricing policies blocked adequate production of Gypsum board and lath, cast iron soil pipe, and clay sewer pipe for months.

Although price adjustments have been granted in the above-mentioned fields lumber production still remains under wartime pricing formulas.

It is still more profitable for the lumber mill to cut items for export to foreign countries, or to cut logs into sizes used by industry than it is to manufacture lumber for home construction. Premium prices for industrial items have been granted in some instances during the war, but now that peace has come, price adjustments encouraging home construction lumber have not been made by OPA.

Price adjustments are needed to obtain maximum production of hardwood flooring, millwork, ceiling, siding, and plywood.

Recommendations have been made to the OPA repeatedly, but action is not forthcoming.

The Building Industry stands ready to build the homes America needs. But until the production and flow of materials is unblocked by OPA, thousands upon thousands of homes for Americans and veterans will remain unbuilt!

Booklets for Vets Offered by Worley

House document 134, a pam-
phlet designed to answer questions
which may arise in the minds of
veterans returning to civilian life,
may be obtained by writing Con-
gressman Gene Worley, Washing-
ton, D. C.

"Almost daily I receive many
inquiries from veterans who are
being released from the service
and returning home to Texas,"
Worley writes. "Most of these
questions concern their benefits
under the G. I. bill of rights pe-
taining to educational privilege,
procedure in securing loans for
the purchase of houses, farms, or
to enter private business. In ad-
dition, there are questions an-
swering problems concerning family
allowances, government insuranc-
e, and a large number of other mat-
ters with which the average ci-
vilian is not familiar.

"Congress has authorized the
publication of House docu-
ment 134 which is designed to give
a complete picture of veterane
rights, benefits, and privileges.
I have already sent out severa
thousands of these booklets and
have bought a fresh supply. If
you would like one, just drop m
a note, giving your name and ad-
dress and I'll send one to you b
the following mail."

Turkeys Increase In Kerrville Area

Wild turkeys appear to be in-
creasing in the Turtle Creek cen-
sus area, according to the Kerr-
ville Wildlife Association. Offi-
cers of the association have been
informed of results of the last
count, made November 7-9, 1945,
by J. D. Bankston of Mason in be-
half of the Texas cooperative
wildlife research unit at A. and
M. college of Texas and the game,
fish, and oyster commission.

The figures are based on actual
counts of toms and hens observed
by the census takers, plus actual
counts of those which could not
be classified as to sex and reliable
estimates by local observers
where the wild turkey populations
were missed on the census dates.
The count for November, 1945,
was 1079 birds compared to 579

in December, 1944, a
December, 1943.

It is of interest
figures, indicating the
holding their own and
increasing, were record
of the prevalence and
crease during the war
predatory animals in.
Seemingly, when weat-
ions, food, and shelte
turkeys are favorable, N
the birds are not overshot, they will
increase in spite of the predat-
it was pointed out by Dr. W. P.
Taylor, head of the research unit.

Advertisement for F. E. Monzingo, AS DEALER FOR THE JEOFFROY "SOIL CONTROL CULTIVATOR" IN THIS TERRITORY. Includes an illustration of a man sitting at a desk and a large image of the cultivator machine.

The Jeffroy "Soil Control Cultivator" is so designed that it will perform practically all the work required on a well operated farm. Its chisel-type cultivator combats soil erosion by wind and water. It conserves moisture as and where it falls. The Soil Control Cultivator does not pulverize the ground, but cultivates Nature's way by breaking up the topsoil and opening the way for moisture to go into the subsoil for storage. The Soil Control Cultivator is ideal for breaking stubble land after harvest, maintaining summer fallow ground, or, with sweeps, for killing vegetation.

- * Plows and cultivates the natural way. * Conserves moisture. * Prevents blowing. * Stops erosion. * Cuts plowing cost in half. * Constructed to last a lifetime. * Pre-war prices. * Made in 4 sizes to fit your power: 7 ft. - 10 ft. - 13 ft. - 16 ft.

This Plow Sells for Less Than Other Plows of Similar Type. It is Heavy and Will Perform to Any Farmer's Satisfaction.

County 4-H and FFA Members Dined at 2nd Omer Hill Banquet

County 4-H and FFA members were honored by Omer Hill at an evening preceding the show at the 2nd annual banquet. The dinner was served at Banta's Cafe.

Following the dinner, the group went to the district courtroom for the program, of which Billy Hancock was in charge.

Hancock introduced Carroll Fowler, a 7-year 4-H club member, who made a report on his trip to the National 4-H Congress at Chicago. The next speaker was Bruce Gibson, who also made the trip to the congress.

Hancock then reviewed his trip to Mexico, and also told of the tour of Texas which he traveled as host to a group of Mexican youths.

County Agent W. B. Hooser spoke briefly, and introduced Roy Snyder, Texas A. and M. extension service meat specialist, who served as judge of the stock show.

W. J. Bragg Gets Doctor's Degree

William J. Bragg Jr. was among those who received their doctor of medicine degree in a ceremony at the auditorium municipal pier in Galveston last week from the medical branch of the University of Texas.

A total of 98 students received their doctor of medicine degrees. In Austin, 526 degrees were conferred, including 21 master degrees, 3 doctor degrees, and 130 commissions or degrees of Naval ROTC or V-12 students.

Plans for a party, to be held next Monday, were made at the regular monthly meeting of the Memphis Fire Department Monday night. Car membership plates have been received, and were shown to members at the meeting.

J. O. Fitzjarrald To Seek Office of County Attorney

J. O. Fitzjarrald, Memphis attorney, has authorized The Democrat to announce his candidacy for the office of County Attorney of Hall County, subject to the action of the democratic primaries next summer.

Fitzjarrald was recently released from the U. S. Navy, with the rank of lieutenant. He served almost four years in the navy. The candidate is well-known in Memphis, since he practiced law here before entering the service. In making his announcement, Fitzjarrald said it is his intention to see each voter before election time, although at this time he wishes to solicit the support and consideration in the coming election.

ESTELLINE

By MRS. FRED BERRY

Mr. and Mrs. Frank Cox of New Mexico spent last week here with her sister, Mrs. C. T. Jarvis. Mr. and Mrs. Bill Holland went to Borger Sunday to visit his mother.

Several from here attended the funeral Saturday in Memphis for Mrs. McIntire.

Rev. and Mrs. Clarence Bownds of Richerson spent the week-end here with their daughters, Mrs. Burl Bell and Mrs. W. B. Davidson. Rev. Bownds preached Sunday night here at the Methodist church.

Mrs. Red Spradlin and daughter visited relatives here over the week-end.

Mrs. M. E. Chandler is visiting in Waco this week.

Arthur Gilbert, son of Mr. and Mrs. Rich Gilbert, called from New York Monday night saying he would be home soon. He has his discharge after serving overseas for two years.

Durwood Moorehead has his discharge and is home. He has accepted a job in Brownfield.

Ottie Happy—Sons Now on Way Home

Mr. and Mrs. Ottie Jones had one of the thrills of their lives Monday and Tuesday when they got word that their two sons were back in the states.

The first good news came when S-Sgt. Hubert Jones wired that he had arrived in San Francisco on Monday from Hawaii. He returned on the aircraft carrier Attu. Hubert served 11 months in Hawaii with the 251st Ordnance. He has been in the army since October of 1943.

Sgt. L. F. (Chuck) Jones called Tuesday from San Francisco that he had arrived by plane after only 11 hours travel time and that it was much nicer than the 12 days it took him to go over. Chuck went in the Army in January of 1944 and served 17 months in Hawaii with the 688th Ordnance. Both boys expect to be in Memphis within their discharge within the next few days.

JUANITA EPPERS ILL

New Methodist Pastor Delivers First Sermon Here

Rev. Aubrey Haynes, new pastor of the First Methodist Church in Memphis arrived here last week-end to assume his new charge and delivered his first sermon Sunday morning.

Mrs. Haynes and their 14-year-old son will remain in Cleburne, where Rev. Haynes was serving as pastor of the Methodist church, until the end of the school term. The son, Hugh Haynes, is a junior in high school this year.

Rev. Haynes was reared in Cleburne, and attended high school there. He later went to Meridian College at Meridian, and then to Southwestern University at Georgetown. He also attended Southern Methodist University in Dallas.

Following his college work, Rev. Haynes taught for five years in Hillsboro Junior College, Clarendon College, and Panhandle A. and M. At each of these schools he was an instructor in education and religious education.

Then he assumed the pastori-

ship of the Methodist church at Panhandle, and later Canadian. He was pastor of the church in Shamrock when he entered the army, where he served as an army chaplain.

Rev. Haynes was released from the army February 9, after serving in the Pacific theater. He rated wearing the American theater ribbon, Asiatic-Pacific ribbon with four stars, the Philippines liberation ribbon, and the victory medal. The four stars are for the Philippines, Central Pacific, Luzon, and Ryukus campaigns.

The new pastor was on the U. S. S. Comfort, an army hospital ship, when she was hit by a kamikaze plane. He received wounds when the plane hit, but as yet has not received the purple heart medal.

His Sunday sermon will be "Radiant Certainty," and in the evening he will speak on "God's Grace."

WAKE UP AND LIVE —OR SHOVEL IN THE DIRT

A FEW DAYS ago a stranger in Memphis, here with the intention of establishing a business house, came to the Democrat office trying to locate a certain address from a street number given him.

He had no idea just where the street was, and if it hadn't been for a chart in the office showing the names of streets, more than likely the Democrat staff would have been unable to point out the address for him and direct him on his way.

This proves that among other things, Memphis is badly in need of street markers. Strangers here cannot find any place simply because they happen to have the street address, and that's easy to understand since the streets are NOT MARKED.

What the cost of street markers is we haven't the slightest idea, but that cost must not be too great. It is a city project, one that is badly needed, and one which shouldn't cause an enormous outlay of cash.

As for county projects, we are elated to notice that the courthouse lawn is being rejuvenated. Whether our recent editorial commenting on the state of the lawn had anything to do with it is not known, and furthermore, is not important.

The important thing is that improvement on the lawn has started, and by summer, the lawn undoubtedly will look at least 90 per cent better. And this improvement in the appearance of the lawn will make Memphis look at least 50 per cent better, and give Hall County something to be proud of, instead of hamed of.

Furthermore, we don't know who is responsible for the lawn work, but whoever is responsible is to be commended. A good-appearing lawn will improve the looks of the city and county more than one would think at first.

So now that the lawn is on its way to beauty, barring freaks of Mother Nature, let's do something about the rest of the city. First, the street markers should go up in the near future; and secondly (here we go again on this), more lights should be displayed.

The subject of lights may be boring to you, but we can't get it off our mind. Not only is the business district ill-lighted, but the entire town. The city looks fair during the day, considering the lack of materials for home improvement, but at night, it becomes just a loom out of the darkness.

If we're to be proud of our city, let's mark the streets for daytime visitors, and put a little light on the subject for the night-owls. Or else go ahead and shovel in the dirt and bury the

THE STOCK SHOW— GREAT SUCCESS

HOW IT CAN BE SAID that the ninth annual 4-H and FFA stock show for Hall County was a decided success.

Never before in the history of the annual event have such a large number of finished calves been shown, and never before have so many people, both in-town and out-of-town, been present. And never before has bidding on the calves at the annual auction been so well-attended and well-done.

Those people who know calves (that is, what a good calf should look like) were proud of the animals shown here. Visitors at the show who are in the cattle business expressed great satisfaction with the entries, and commended the boys and girls in their year's work.

Congratulations are certainly in order for all the club members who worked hard during the year to produce such fine calves, and congratulations are also in order for those aiding in young boys and girls in their work.

Yes, it was a good show, and all Hall Countians should be proud of the young men and women who exhibited their calves. We sincerely hope that some of the calves will go on to other and bigger shows and take top prizes—we wish all of them could do this, but like the club members, we realize that every one cannot be a grand champion.

Press Paragraphs

SELECTED FROM THE
 DEMOCRAT'S EXCHANGES

Price Control Again

The Amarillo News: But it should be apparent by now that only all-out production will cure our economic ills and halt definitely the march of inflation. . . . These laws cannot operate in our present artificially regulated economy. The only alternative is price control. But provision should be made to remove these controls, business by business, as rapidly as production brings the normal economic laws back into operation.

Weeklies

Douglas Meador in the Matador Tribune: Night had buried the little town under piles of darkness except the remote street lights which seemed futile as they reflected against the winter clouds. Somewhere in the low outline of buildings was the small newspaper shop which was without an owner. There was pain in the thought. Small weekly newspapers are like little children that are to be loved.

Quite True

The Turkey Enterprise: The Enterprise sorta "misrated" Sgt. Wayne Hunter last week when announcement was made that he had returned home with a discharge. We called him Lieutenant. This was not the fault of the reportorial staff, however, but due more particularly to the enthusiasm of his gran-in-law, Mrs. Nora Hunter. In her happiness over Wayne's return after two years overseas, he could just as easily have been a general in her opinion—and this is no reflection on the dear little lady.

The O'Daniel News

Ed Bishop in the Dalhart Texan: Another O'Daniel fan writes: "Dear Ed-Aches: Perhaps you have already made your decision on the subject of accepting the Lee O'Daniel News in exchange for the Texan. Our Texan is several days late reaching us. I hope that you take a sound piece of advice from one who has read the 'News' since its beginning. Don't be a 'fraidie-cat.' Above all, take the O'Daniel News and insist on all the Texan staff reading it. If you have never read the paper over a period of time, at least a few weeks, you will be surprised at the straight forward way in which it tells of the happenings which go on in our nation's capital." Thanks. I might take the News, go so far as to read it myself. But, insisting upon the Texan staff reading it, oh! oh! oh!

Chewing Gum

The Quanah Tribune-Chief: It is our business to investigate whenever we see a crowd gather, so when a group of high school students gathered around a truck in downtown Quanah the other noon, we rushed to the point of interest. It was a let-down when we discovered that the center of focus was six cases of Wrigley's spearmint chewing gum consigned to local wholesalers. It was the first time we had realized that the genuine mint flavored chicle had disappeared during the war and was making a reappearance. There must be a difference in the vicious wads we see other people enjoying as they chew.

Just the Thing

The Paducah Post: It appears the "fairer sex" will not have to worry about getting her coiffure wet in the future—that is if she wears the new rain repellent plastic transparent chapeau. It is reported the new style hat will shed water quicker than a duck's back.

Flour

The Floyd County Hesperian: The fact is that most everybody knows where there is enough wheat in their own or some neighboring community to last that particular area for a good, long while, and they will be inclined

to wonder, too, how the shortage comes about in their particular part of the world instead of some other, as for instance, in northern states. Anyway, call it selfish or not, there is more flour in Floyd County homes than needed for a good time. If it turns out that the baker can't deliver the folks their white bread they'll have a little of their own when pap and the kids put up a holler.

Material Needed

The Canyon News: A drive around Canyon convinces one that a real building boom would be on here if building materials were available. As it stands, there is much construction underway. Whenever a residence sells, and there are many sales every month, a rent house is usually eliminated. Canyon is a town of nearly 100 per cent owner occupied residences. That is fine so far as the future is concerned, but very bad today when people need to rent homes and can find none available.

Not a Bad Idea

The Tulia Herald: A Virginia chief of police has given his city policemen orders to shoot on sight anyone they see knocking out the town lights. He ordered his men to shoot first and arrest afterward. Most taxpayers will welcome an official who views the situation so realistically. If there is any act that is completely indefensible it is that of breaking out street lights.

Idlers

The Foard County News: We are becoming a nation of idlers. There are too many people more concerned about drawing unemployment compensation than they are about working. There are too many people too particular about the kind of work they do and all the incidental details in connection with it. The country was made great by work and only work is going to keep it great. We can't find exactly the job we want at the time we want it we are going to have to take the next best thing until work to our liking shows up.

Representative government should be restored in Texas.

In my judgment, we do not have representative government when our laws are made by men who come from districts that are not based on the latest federal census—as our state constitution directs—but that are based on what the population was 26 long years ago.

We do not have representative government when state boards and bureaus are not truly representative in their membership.

For example, there is no member of the state Game, Fish and Oyster Commission from the Gulf Coast area, though that is where most of the fish and all the oysters are. Also, there is not one educator on the State Board of Education. And still another example, although half the student body of the University of Texas consists of young women and there are nine places on the board of regents of the State University, not one of those nine places is occupied by a woman.

We do not have representative government and it is almost impossible that it will be truly and fully so until we have a really secret ballot in Texas so that every man can feel free to vote his own convictions, without fear that someone can examine his ballot and see how he voted.

We do not have representative government in Texas when hundreds of thousands of Texans who served their country are unable to buy clothes or a home and the government of their state is so little interested in their welfare

that about all it has done is to give them a free vote after having, in effect, disfranchised them all during the war. The men in the service who are still overseas are, in effect, still disfranchised. In fact, the whole situation is so clouded with doubt that many of the veterans who have returned paid their poll tax so that they could be sure of a vote.

We do not have representative government in Texas when a crickily-worked amendment is submitted which holds out the promise of \$40 a month to the needy elderly and then breaks that promise and shatters that hope by refusing to provide the necessary money.

We do not have representative government when Texas newspapermen are rushed to jail for something they wrote while men who committed murders and robberies are being turned out of the penitentiary by the hundreds, on pardons and paroles, to resume their criminal activities against the property and lives of law-abiding citizens.

Let's restore representative government in Texas.

 an OIL-PLATED engine!"**

You want an eyeful of 1946 style. . . . And you're taking in many a careful on chassis features. . . . And you can have an OIL-PLATED engine—a wear-fighter!—by saying one mouthful. . . . Just say you want Conoco Nth motor oil—because you want minimum carbon and sludge, plus fat mileage. Those gains depend largely on wear-resistance, and that's what OIL-PLATING is for. Here is how it works. . . .

In any make of new car—or equally well in your old car—OIL-PLATING will make an addi-

tion to inner engine surfaces. That's where it's fastened durably—across the path of wear—by Conoco Nth oil's magnet-like action. This power to OIL-PLATE and protect comes from the added Conoco Nth ingredient. It will add to the safety of your new car investment. . . . It will add to your veteran car's chances! . . . And the cost it adds is a few cents! Get your correct grade of Conoco Nth oil for Spring; see Your Conoco Mileage Merchant. Continental Oil Company

Hole-Watching Dog Relieved Shifts by Beta Fraternity Pledges

Phi Rho Beta fraternity now taking over the shifts so that "Spots," Texas State College's hole-dog, can get a little rest and leave his sewerage for food.

who has gained notoriety in the past two weeks guarding a sewer hole on the TSC campus constantly during the past two weeks, was looking a little and undernourished this week. The Beta fraternity pledges new shifts to relieve him and he could get some rest.

Magazine photographers and newspaper reporters have made the hole a public-sensational story. Pictures of the dog, and stares down the hole, were carried in newspapers throughout the States and Life Magazine. Telephone calls, wires,

and letters have come from Minnesota, Canada, New York, California, and all sections of the Southwest concerning the identity and purpose of the dog "Spots." He was tentatively identified by a Minneapolis woman as her dog, but "Spots" did not turn out to be the Minnesota "Jiggs."

And still no one knows what "Spots" is looking at down the drain hole—not even the Beta pledges who have been on the swing shifts this week.

Women and girls get wanted relief

Functional periodic pain

is a liquid medicine which women say has brought relief from cramp-like agony and nervousness of functional periodic pain. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time," it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Miss Marjorie Aull Becomes Bride Of C. R. Cross Jr. in Tucumcari Vows

In an impressive candle-light ceremony Sunday, February 24, marriage vows for Miss Marjorie Aull and C. R. Cross Jr. were read in the home of the bride's parents, Mr. and Mrs. C. D. Aull, 424 East Aber street, Tucumcari, N. M.

Rev. Millard Murphey, pastor of the First Presbyterian Church, read the single-ring service at 2:30 o'clock before a white wicker altar flanked with large baskets of gladioli in pastel colors. Tall seven-branch candelabra with lighted white tapers were at each side. Kirk DeWees served as best man and Miss Betty Whitlock of El Paso attended the bride.

Mrs. C. W. Cory Jr., and her sister, Mrs. Margaret English, sang Carrie Jacobs Bond's "I Love You Truly," preceding the ceremony. The wedding party entered to the strains of Lohengrin's "Wedding March" played by Mrs. Cory.

Given in marriage by her father, the bride was attired in a soft green dressmaker suit with black accessories. She carried a bridal bouquet of American beauty roses and tiny orchid-colored ostrich feathers. Her attendant wore a two piece orchid suit with a corsage of roses.

Following the ceremony a reception was held. In the traditional fashion, the bride and groom cut the first piece of cake, after which the bride's sister, Mrs. Gerald E. Floeck Jr., assisted by her nieces, little Misses Beverly Sue and Joyce, served the cake. Miss Betty Whitlock and Mrs. Kenneth Randle, the bride's sister, served the punch. Mrs. D. R. Burnham presided at the guest book.

Immediately following the reception the bride and groom left for Clarendon where they will visit with the groom's parents, Mr. and Mrs. C. R. Cross Sr. They will also visit in Amarillo before returning to Tucumcari.

Mrs. Cross is a native of Tucumcari, graduating from the high school there with the class of '39. She attended the state college at Las Cruces where she became affiliated with Chi Omega sorority, and the West Texas

State College at Canyon. She is a member of the city's business and professional womens club, the Panhellenic council and is captain of the women's auxiliary cadet corps. She has been employed with the First National Bank in Tucumcari for the past three and one-half years, taking active part in the war loan drives.

The groom is a graduate of the Lakeview High School. He attended West Texas State College, coming later to Tucumcari. He left here in October, 1940, with the New Mexico national guard unit which became the famous Company C of the 804th tank destroyer battalion which was active in the African and Italian campaigns. He served in the European theater for more than three years and was awarded the EAME campaign ribbon, the American defense medal, and three battle stars.

They will be at home in Tucumcari where Mr. Cross plans to enter business in the near future. Mrs. Cross will continue with her work with the bank.

ALL THEY ASKED WAS AN EVEN BREAK

Building a new country was no easy job. But there were men and women willing to tackle it—to turn their backs on the government managed way of life and their faces toward new frontiers. All they asked was an even break.

Free enterprise is another way of saying "an even break." It's the basic American principle of vision and private initiative. Just give an American an even break—a chance to get ahead—and he'll go on from there.

But when government goes into business, in competition with its citizens, the American ideal of an even break is destroyed—for government in business enjoys special privileges that are denied the people.

Take the case of government-owned power plants, for example. They pay no taxes; get money from the U. S. Treasury at little or no interest; make up losses out of the pockets of the taxpayers.

On the other hand, America's business-managed power companies—owned and operated by millions of folks like you—are on their own. They pay their full share of taxes, and they pay fair interest on loans.

The same forethought and experience which furnished electric power for a global war will assure America dependable—and cheap—electric service for a post-war world. There are still new frontiers in electric living to be opened. And business men can do the job better than bureaucrats.

Income Taxes

My withholding receipt has place to list deductions. Why?

A. If you use your withholding Receipt as a return you get an automatic allowance equal to about 10 per cent of your income. If you are entitled to a larger amount of deductions, you should file on Form 1040.

On the old form of withholding receipt, there was a space listing exemptions for myself, my wife, as well as our dependents. Why does the new form receipt have only space for dependents? A. To simplify the new form, provision was made so that exemptions for yourself and wife (unless she had income not shown on your return) counted automatically.

My wife and I both worked last year. Is it cheaper for us to separate returns or a combined return on a withholding receipt? A. If your combined income is less than \$5,000 you can a combined return on your withholding receipt, and the collector will figure your tax on either the separate or combined, whichever method would give you the smallest tax or largest refund.

I worked several different jobs last year and have a different receipt from each employer. How do I use them in filing return? A. Add up your earnings from all the jobs and fill the last receipt you received, not fill out the other receipts, be sure to attach them securely to the receipt you fill out.

Are there any special points to watch in filling out a withholding receipt? A. Write clearly, answer every question that applies to you, and be sure to sign your name in the signature space, be sure your correct address is shown on the face of your return.

Who can use Form 1040 as "short form"? A. Anyone whose income was less than \$5,000, regardless of the type of income. It is called "short" because you tear off pages 3 and 4.

What is the advantage of using the short form? A. You receive an automatic allowance

equal to about 10 per cent of your income in place of listing personal deductions and you can find your tax in a table instead of figuring it by percentages.

Q. Does the 10 per cent allowance cover all kinds of deductions? A. No. There are two kinds of deductions—personal and business. The 10 per cent allowance covers only personal deductions, such as charitable contributions, taxes, interest, medical expenses, and union dues. Purely business deductions such as travel expenses of an employee, repairs of a landlord, cost of goods of a merchant, and seed of a farmer (subject to legal limits explained on Form 1040) can be deducted on either a short form or long form return (but not on a withholding receipt).

Q. Do I count my own exemption when I select the exemption column of the tax table which applies to me? Yes. Count the names you are eligible to list in Item 1, Page 1, of Form 1040. As an example of how to count exemptions, a family composed of a husband, wife, and two children, usually is entitled to four exemptions.

Q. Should husbands and wives file separate returns or joint returns? A. Usually if their incomes are small, joint returns are convenient and do not increase their tax. If their incomes are large, separate returns usually result in less tax. When using Form 1040, couples must decide for themselves which method they prefer. (Note: On withholding receipt returns, a combined return is best because the collector will figure the tax by whichever method results in smallest tax.) Texas is a community property state and, if taxpayers desire to file separate returns, Form 1040 must be used in order to divide the community property income and deductions equally.

Mr. and Mrs. Billy Thompson and Mrs. Lester Campbell visited in Lubbock last Thursday in the home of Mr. and Mrs. Fred Clark, former residents of Memphis.

Mrs. Sidney Mayfield and Mrs. Albert Gerlach were Childress visitors Tuesday.

Rita Ray Johnson of Hedley spent the week-end with her aunt, Avis Kilpatrick.

Friona Winner of District Tourney

Friona took first place in the district girls basketball tournament held at Hedley last Friday and Saturday, and won the right to represent this district in the regional tilts.

Hall County's entry in the tourney, the Lakeview Eagles, were ousted by Panhandle. In the consolation rounds, the Eagles lost to Dimmitt, consolation winners.

Alton Dewlin left Saturday for Baylor to enter school there.

Sentinels of Health

Don't Neglect Them! Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood streams free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

Mrs. J. A. McIntire
 (Continued from page 1)

Aubrey Haynes of the local Methodist church. Interment was in the Estelline cemetery under the direction of the Estes Funeral Home of Memphis.

Mrs. McIntire died in a local hospital Friday morning at 4:25 o'clock. She was 73 years, 8 months, and 13 days of age at the time of her death.

The daughter of the late Mr. and Mrs. R. C. Grundy, pioneer residents of Hall County, Mrs. McIntire was born in Mulenburg County, Ky., June 12, 1872. She was united in marriage to Joe A. McIntire in March of 1887, and they moved to Hall County to make their home in 1893. She was a life long member of the Methodist church and had been an active worker in that organization.

Survivors include her husband; two daughters, Mrs. Henry W. Mitchell of Fort Worth and Mrs. V. V. Clark of Lubbock; and two grandsons, Kent and Dr. R. M. Clark of Lubbock. Mrs. McIntire was a sister of Dave and Joe Grundy, both deceased, who were well-known pioneer residents of the county.

Pallbearers were Sam J. Hamilton, Chas. M. Meacham, Chas. R. Webster, Buri Bell, John Russell, and Hulen Clifton.

Exams Are Given To Hall Countians

Five more Hall County men took their preinduction examinations in Oklahoma City March 2. They were Robert Henry Hargett, George Delbert McGiver, Charles Lindbergh Smith, Merle Wayne Peabody, and Arlin Lemul Jenkins.

Eleven 18-year-olds registered this month for the selective service. They were J. C. Webster Jr., Glynn Darrell Baker, Charles Kenneth Anglin, A. D. Galyean Jr., George Price Plaster, James Harris Francis, Lorenzo Graves, Clipse Punch, Bennie Gean Jordan, Henry Chester Henderson, and Goldie T. Taylor (colored).

Returning veterans registering with the selective service board were Loy Edward Plaster, Richard Stephen Cochran, Jim Pat Johnson, and A. B. Stuart Jr.

county group of 15 calves class, taking first place in this event. Swisher County placed second in this class.

Harold Rampy of Lakeview came through with second-place honors in the junior club calf division. His calf was beaten by one owned by the Oklahoma boy, Jack Waters, which took grand champion honors.

Moreman also won 6th place with another entry in the senior club calf division.

In judging the day before, Monday, Tommie M. Potts, local Chevrolet dealer, took top-place honors with his entry in the summer yearling heifer division. Potts assigned two of his registered herefords to the Panhandle Breeders auction sale Wednesday afternoon. The two heifers brought \$610 and \$505.

Bill Browning Gets Army Discharge

Corporal Bill Browning has received his honorable discharge from the U. S. army air corps and arrived in Memphis last week.

Browning, son of Mr. and Mrs. E. S. Browning of Memphis, has been a navigation instructor at Westover Field, Mass. He was on active duty for 31 months.
