

Plans Completed For Swine Show

All swine to be entered in the annual show, to be held at the Goldridge lumber company in Memphis next Wednesday, must be in Memphis by 10 o'clock in the morning, W. B. Hooser, county agent, said this week. Judging for the show will start at 1 o'clock in the afternoon.

Swine to be exhibited will be those won by 4-H club members whose essays on "diversified farming" were judged best in the ring contest. Eight of the 12 prizes awarded were given by Sears, Roebuck and company, two by O. (Doc) Saye, one by Durhams, and one by the Memphis Chamber of Commerce.

First-place winner of the gilt division in the group of eight given by Sears will be given an opportunity to show in the district contest to be held in Amarillo September 28. First-place winner in the boar division will also be shown at Amarillo, the county agent said. At the district show, registered jerseys, each valued at \$125, will be given, and only top 25 gilts will be entered. Other jerseys, also of the same value, will go to the owners of the two top boars.

The owners of the other four gilts in the local show will be (Continued on Page 12)

Carl Lance Lee of Turkey Second in Polio Victim

3-Year Old Youth Taken To Plainview Polio Clinic; Maddox Now Back Home

Carl Lance Lee, 3-year-old son of Mrs. Carl Lee of Turkey, became Hall County's second victim of the dreaded polio disease, and was admitted to the West Texas center in Plainview last week.

Reports this week indicated that young Lee's condition is improving since being taken to Plainview, but no reports on his condition were available Wednesday.

Young Lee's father was killed in service, and his mother is now making her home in Turkey.

The first polio victim of the county was Oscar Maddox Jr., 6-year-old son of Mr. and Mrs. O. S. Maddox of near Memphis. The youth became ill August 19, and was taken to the polio center for treatment August 21.

Dr. J. A. Odum, who first diagnosed the case here as polio, stated this week that young Maddox is now back home from the center, and has had no after effects of the disease. He was returned to his home last week, Dr. Odum said.

The Lee case is the second to be reported in Hall County, although other areas, particularly in the larger cities, have had a number of cases during the past few months.

TOO MUCH MUD DELAYS WORK ON CITY 'PORT

REPRESENTATIVES OF CAA VISITS HERE; NO APPROVAL YET

Too much mud caused delay in work on the construction of runways of the Memphis airport, but work will begin as soon as the field is sufficiently dry for scraping and dragging to commence, Lewis Foxhall, one of the two brothers who have leased the field, said this week.

The work was scheduled to begin last Friday, but the heavy rains soaked the field to such a point that the scrapers could not be used. Cloudy weather part of the week has further delayed the work, it was explained, since it has not dried out sufficiently as yet.

A representative of the Civilian Aeronautics Administration was in Memphis last week-end, and looked the site over, but no definite word on the CAA's approval has been received.

Funeral Services Held in Memphis For Robert R. Gill

60-Year-Old Resident Drops Dead Suddenly; Interment at Fairview

Robert Richard Gill, 60, who had lived in this area for a number of years, dropped dead suddenly Monday at the home of George Forgy.

Funeral services were held Wednesday afternoon at 3 o'clock at the First Baptist Church in Memphis, with Rev. Jeff Moore, pastor, officiating. Interment was in Fairview Cemetery under the direction of the Murphy-Spicer-Estes Funeral Home of Memphis.

Gill was born at Itasca, Hill County, January 24, 1886, and was 60 years, 7 months, and 22 days of age at the time of his death.

He had lived in this area, including Memphis, Lakeview, and Clarendon, for a number of years, and had been engaged in farming most of his years here. During the past few weeks, Gill had been selling his holdings in Memphis, and had planned to move to California in the near future to make his home.

Survivors include his wife, Mrs. Carrie Bell Gill; two daughters, Mrs. J. P. Parker of Memphis and Mrs. Fred Helton of Canyon; one son, Randolph Gill of Salinas, Calif.; a brother, J. T. Gill of Grand Prairie; and a sister, Mrs. Mary Etta Martin of Iuka, Miss.

Pallbearers were Thomas Clayton, O. E. Gardenhire, G. C. Stem, Clinton Strygley, Marion Long, Frank Winters, Horace DuVall, and J. E. Henry.

New Subscription Rates to Become Effective Oct. 6

Subscribers were reminded again this week by publishers of The Democrat of the advance in subscription rates, which will become effective after October 5.

New rates will be \$2.50 per year in Hall or surrounding counties, and \$3 per year to other points in the U. S. Present rates are \$2 and \$2.50, respectively. Price of single copies will go up from 5 to 7 cents.

In announcing the advance, publishers stated that the rise was caused by the great increase in the cost of newsprint and in the cost of production.

Herschel Combs Named President Of New Rifle Club

Group Votes to Affiliate With National Association; Meet Again September 30

Herschel Combs was selected as president of the local rifle club at a meeting held Tuesday night in the dining room of Bob's Cafe, when men interested in organizing such a club held their first session.

Other officers elected were Wendell Harrison, vice president; Frank VanPelt, chief instructor; Lynn Thompson, treasurer; Irvin S. Johnsey, secretary; and Jay Gould, executive officer.

Those present voted to meet again Monday night, September 30, for further organization plans. The group plans to apply for a charter and affiliate with the National Rifle Association as soon as possible.

A committee of Harrison, Ira McQueen, and W. P. Baten was named to select a site for the proposed firing range. The committee will report on the site at the second meeting.

Interested persons not present at the meeting were asked to contact any of those who were there for information. It was pointed out that the club will be open to any one interested, regardless of whether they live in Memphis. A representative of Lakeview was present, and stated that several people in that area were interested in belonging to the club.

After plans have been completed, local rifle and pistol matches under the sanction of the National Rifle Association are planned, and club members will also participate in state, district, regional, and national competitions.

Present were N. W. Durham, Wendell Harrison, Lynn Thompson, Frank VanPelt, J. A. Odum, H. J. Howell, Cecil L. McNeil, L. H. Reams, R. M. Saunders, W. H. Butler, Glenn T. Stilwell, Frank Phelan Jr., Jay Gould, W. P. Baten, R. G. Patrick, Albert Bernard, J. F. Miller, Ira McQueen, H. L. Davenport, Irvin S. Johnsey, and Herschel Combs.

RAINFALL HERE BRINGS TOTAL OF 2.47 INCHES

GENERAL IN COUNTY; CLOUDY DAYS BRING COOLER WEATHER

Total amount of the rainfall last Wednesday, Thursday, and Friday was 2.47 inches here in Memphis, J. J. McMickin, local weather observer, reported.

The rainfall was general throughout the county. Reports were received last week from Lesley, Lakeview, Harrell Chapel, and Estelline, with these points getting about the same amount of moisture as Memphis. Turkey also reported a heavy rain, to indicate that all points in the county were benefited by the moisture.

The week-end days continued to be cloudy, with the sun breaking through Sunday and Monday. Tuesday, however, light mist fell in Memphis, and Wednesday was another cloudy day.

The highest temperature of the week was reported by McMickin Monday, when the thermometer rose to 80 degrees. Sunday's (Continued on page 6)

Government Loan Rate on Cotton To Be 24.21 Cents

Middling White, Extra White 15/16" Made Base; Ten Cents Below Market

Government loans on the 1946 cotton crop will be made, despite the high market price, Lynn L. McKown, Hall County ACA secretary, has been informed.

The loan rate this year will be 24.21 cents per pound, based on middling white and extra white 15/16-inch, McKown said.

Market price in Dallas is at present 36.45 cents, McKown explained, in pointing out that only a few farmers will bother with the government loan this fall. This is the largest difference in the loan rate and the market price since the government loan program was first started.

With cotton of that grade bringing 36.45 in Dallas, dealers here can offer about 35.55 cents, McKown said, counting in the cost of the shipping.

A few farmers, however, who believe the market price will go even higher, intend to obtain the government loan on their cotton and use the money to pay off pickers. Then they will hold on to their equities to await a further increase in the price of cotton.

The government is also offering subsidies on alfalfa, McKown said, and some farmers are not aware of this fact. Seven cents per pound in subsidy is being paid, if the alfalfa is sold in commercial channels. Not much alfalfa was raised in the county this year, the ACA secretary explained, but some of the growers are not aware that the subsidies are being paid.

Earl Hill Named Sheriff of County

Earl E. Hill, World War II veteran and Democratic nominee for the office, was appointed sheriff of Hall County at a called meeting of the Hall County commissioners court Saturday afternoon. Hill replaces W. C. Anderson, sheriff since 1939, who resigned from the office, effective last Saturday, due to ill health.

Farmers Reminded Cotton Under 1945 Loan to Be Pooled

Texas Farmers Advised To Consider Marketing While Price Is High

All cotton still under the 1945 crop loan on October 1, 1946, will be pooled for producers' account by the Commodity Credit Corporation, Lynn L. McKown, Hall County ACA secretary, reminded farmers this week.

According to F. C. Elliott, cotton work specialist of the Texas A. and M. College extension service, Texas farmers who have 1945 crop cotton under loan now should give serious consideration to marketing the cotton before it is placed in pools. The average 1945 loan rate for 15/16-inch middling cotton, gross weight, was 21.09 cents per pound. Since the price now has climbed considerably, producers should be able to dispose of this cotton at prices that will give them a substantial profit.

The 1945 crop loan cotton which is not redeemed before October 1 will, as provided in the loan agreements, go into pools. Not until all the cotton in the pools is liquidated will the producer receive any payment. Net proceeds, if any, will then be distributed among the producers whose cotton was placed in the pools in proportion to their interest.

From the proceeds of the pool cotton will be deducted all advances and accrued costs—including storage, insurance and handling charges. No payment will be made to producers at the time their cotton is placed in pools and after October 1, farmers will not be entitled to order the sale of cotton now under loan.

Local Pep Squad Leaders Chosen

The girls of Memphis High School were called together Thursday of last week to organize their Cyclone pep squad for the season, and chose Marianne Lee, Tommie Alexander, Marian Long, and Gayle Stilwell as leaders.

The pep squad, under the sponsorship of Mrs. Pansy Strygley, will go to the McLean, Wellington, and Wheeler games.

Many activities are being planned for the girls during the year, announced Mrs. Strygley, who said the girls are all ready to back the boys in their fight with the Paducah Dragons here Friday night.

The new sheriff was sworn in on the same day, and began his active duty immediately.

Anderson, who has been in ill health for the past several months, has been connected with the sheriff's office since January 1, 1937, when he was appointed deputy under Sheriff Lindsey Hill. When Lindsey Hill resigned, Anderson was appointed as sheriff in October, 1939. He served the remainder of Hill's term, about 15 months, and since then had been elected to the office three times, twice with opposition.

In announcing his resignation last week, Anderson stated that he and his family are moving to Denton, where they have bought a home. Mrs. Anderson left last week after he had turned the office over to the new sheriff.

Anderson stated that he has no immediate plans for the future, although he intends to rest and attempt to regain his health before becoming active in work again.

The new sheriff named Grant Evans of Memphis as his deputy here. A. B. Steuart will continue to serve as deputy in Estelline, and Roy Edwards will remain as deputy in Turkey.

In taking over the duties of the (Continued on Page 12)

Nobody Knows, But USDA Predicts 9,171,000-Bale Crop

If Nation's Production Varies as Hall Guessing, Anybody Can Be Right

The U. S. department of agriculture has predicted that the 1946 cotton crop will be 9,171,000 bales of 500 pounds each, but judging from the guessing in The Democrat's contest which ended Wednesday of last week the production could wind up at almost any figure—if opinions run everywhere as they did here.

Hall County guessers were both optimistic and pessimistic, with the guesses ranging from slightly under 14,000 bales to more than 42,000. But perhaps the department of agriculture has a better chance at its prediction due to the wide territory covered.

The estimate given for the nation compares with a forecast of 9,290,000 bales a month ago, and with last year's crop of 9,015,000. Production for the 1935-44 period averaged 12,553,000—but then the price wasn't as high then either.

The yield per acre was estimated at 247.6 pounds, which is much more than a lot of cotton in Hall County will yield this year. Some county farmers say they will get a half a bale to the acre, but these are few. Most farmers expect to get one bale from every five or six acres.

The acreage for harvest in the nation was estimated at 17,776,000 acres compared with 17,241,000 last year. Hall County is in line here, since this county has the largest acreage in cotton in many years.

Texas, the department of agriculture says, has 6,064,000 acres in cotton, and will yield 1,775,000 bales, and farmers are expected to get about 141 pounds of cotton per acre. This yield, however, is a decrease from the August prediction.

Negro Is Injured In Shooting Affray

Jack Lindsey, Negro, was injured early Sunday morning in a pistol-shooting affray at the oil mill quarters. He was shot in the arm, and the injury was not serious, it was reported.

Arrested in connection with the shooting was Dennis Davis, another Negro. He was charged with assault with intent to murder.

Memphis, Lakeview Gridmen Have Home Tilts; Estelline Idle

At Memphis—

The Memphis Cyclone, after being out-hit and out-smarted to the tune of 24 to 0 by the Quannah Indians, were working diligently this week to patch up the weak spots in preparation for the game in Memphis Friday night with the Paducah Dragons.

The game here, a non-conference tilt, will begin at 8 o'clock, and was announced. Tickets will be 5 cents for children; 35 cents for high school students; and 60 cents for adults. The prices were set by the District 3-A executive committee.

The Dragons, rated as one of the top teams in District 4-A, suffered a 6 to 0 defeat at the hands of the Chillicothe eleven on Friday night. Chillicothe is a District 12-A team.

In the Quannah game, the Memphis were extremely weak on offensive blocking, and the backfield lacked the spark necessary to gain the needed yardage. Jimmy McElreath was the standout player, consistent with his run-

At Estelline—

The Estelline eleven will rest up this week, having no scheduled game on the calendar. After several years of 6-man football, the Estelline school found itself with only a few experienced men, and took a resounding defeat at the hands of the Clarendon Broncs last Friday night. The score was Estelline 0, Clarendon 55.

ning ability, but other backfield men failed to click as well as they should.

This week Coaches Curtis Kelley and Lawrence McCulloch were ironing out the weak spots in the offensive play. On the defense in the Quannah game, with the exception of the two long touch-down runs by a fleet Quannah back, Memphis showed up fairly well. The Cyclone "held that line" better than expected, but that needed spark and offensive blocking failed to materialize.

The Quannah eleven, rated as (Continued on Page 12)

At Lakeview

The light-in-weight but fighting Lakeview Eagles will face their second conference opponents, the powerful Wellington Skyrockets, on the Lakeview gridiron Friday night. Game time is 8 o'clock.

GAME SITE CHANGED

The Democrat was informed this morning that the site of the Wellington-Lakeview game has been changed, and will be played at Wellington Friday night instead of at Lakeview. The change was made since both Lakeview and Memphis were scheduled for home games and such a conflict affects attendance at each of the two games.

The only conference game of the district last week-end was that between the Eagles and the Wheeler Mustangs, when the Mustangs edged out a 12 to 0 victory over Lakeview.

In the Wheeler game, the Lake- (Continued on Page 12)

Caravan Boosts Fair at Childress

A caravan of about 20 cars boosting the Childress State Fair, to be held in that city Thursday, Friday, and Saturday, September 26, 27, and 28, were in Memphis Monday afternoon.

The fair this year will feature a wedding on horseback, with the identity of the couple to be married unknown until the time of the ceremony.

In addition, the show will have farm exhibits, including a poultry and stock show. Saturday night a square dance team will perform, and a fireworks display will be featured.

Lakeview Eagles Drop Conference Game to Wheeler Mustangs 12 to 0

Too much "beef" in the form of the Wheeler Mustangs proved disastrous for the fighting Eagles of Lakeview as they went down in the opening conference game of District 3-A by a score of 12 to 0.

Led by the driving power of huge Johnny Barr and scrapping Bob Lowrie, the Mustangs pushed over two touchdowns, one in the first quarter and one in the last.

The Eagles' fast halfback, Bob Laird, ably aided by right half, K. D. Nabers, penetrated the Mustangs 20-yard line three times, losing the ball twice on downs and one on a fumble.

The game was close most all the way, however, with the greater part of the play in the middle of the field. Both teams racked up eight first downs.

The initial score came when Lowrie carried the ball from the Wheeler 40-yard marker to the Lakeview 30. Barr then crashed through for another 15 yards, and a running play netted no gain. Then Barr carried the ball over. Gene Hubbard's try for the extra point was no good, to give the Wheeler eleven a 6 to 0 lead.

Late in the third quarter, fast-stepping Lowrie set up another score, when he ran around right end for 31 yards to place the ball on Lakeview's 4-yard line. The quarter ended there. Opening the last quarter, Richard Gaines, Wheeler substitute back, tried one play for no gain, and then Hubbard tore through the line to score. Hubbard's kick was again no good.

The Eagles were outweighed both on the line and in the backfield, but they still managed to give the big Mustangs a fight for the game. Outstanding man on the Lakeview line was Junior Poyner, guard, who time after time tore through to snare a Wheeler back, and who maintained an alertness all during the game. Backfield standouts were Laird, Nabers, and Bob Wiginton.

The Eagles will face their second conference opponent on the Lakeview gridiron Friday night, when the powerful Wellington Skyrockets invade the city.

Starters for Lakeview against Wheeler were as follows: Carroll Fowler, RE; Henry Fancher, RT; Jimmy Bullock, RG; Floy Driver,

C; Poyner, LG; Mott Clark, LT; Harold Rampy, LE; Laird, LH; David DuVall, FB; Nabers, RB; and Don Hancock, QB.

Legal Notice

CITATION BY PUBLICATION THE STATE OF TEXAS

To: S. H. Cope, C. O. Jones, Mable Jones, Pearl Kemp, E. Kemp, Maude McWhorter, M. McWhorter, Ralph Graham, Effie Graham, Eva Graham, Ester Stokes, and the unknown heirs and legal representatives of S. H. Cope, C. O. Jones, Mable Jones, Pearl Kemp, E. Kemp, Maude McWhorter, M. McWhorter, Ralph Graham, Effie Graham, Eva Graham, Ester Stokes, deceased, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Hall County at the Court House thereof, in Memphis, Texas, at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of October, A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 31st day of August, A. D.

1946, in this cause, numbered 3010 on the docket of said court and styled F. M. Armstrong, Plaintiff, vs. S. H. Cope, C. O. Jones, Mable Jones, Pearl Kemp, E. Kemp, Maude McWhorter, M. McWhorter, Ralph Graham, Effie Graham, Eva Graham, Ester Stokes, deceased, Defendants. A brief statement of the nature of this suit is as follows, to wit: Plaintiff sues in statutory trespass to try title for the title to and possession of Lots 19-20-21-22-23 and 24, in Block No. 60,

of the Original Town of Memphis, Hall County, Texas, alleging that he and those whose title he holds, have had peaceable, adverse possession of said lands and premises, cultivating, using and enjoying the same for more than 10 years next prior to the commencement of this suit and that if defendants, or any of them, ever had any interest in said lands and premises, which is not admitted, but is denied, same is barred by the statute of limitations of 10 years, as is more fully shown by Plaintiff's Petition on file in this suit. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my

hand and the Seal of said Court at office in Memphis, Texas, on the 31st day of August, 1946. Attest: ISABELL CYPERT, Clerk, District Court, Hall County, Texas. T. M. Harrison was a visitor in White Flat last week.

MECHANICAL MIXING

Helps You Get Best Results From Your Grain!

OLD WAY (Shovel Mix) **NEW WAY** (Machine Mix)

TWO things are necessary to cash in on the full feeding value of your grain. First, select the proper supplement for the kind of stock you intend to feed. Second, mix the supplement so thoroughly with the grain that every quart of mixed ration is in the same balanced form as every other quart. This is absolutely essential when correct feeding is so vital to the cause of capacity food production today.

Shovel mixing is tedious and cannot possibly provide the necessary uniformity. But accurate mechanical mixing — such as is available to you through our NEW Approved Purina Custom Mixing Service — makes the mixture much more uniform and dependable.

Our Formulas are thoroughly tested and proved for turning your grain into balanced feeds for poultry, hogs, cows and steers. Our grinding and mixing machinery is operated by trained men. Bring in your grain for proper balancing to help step it up to capacity feeding value.

Vota Veta Class Has Meeting With Mrs. S. Graziani

Mrs. Sante Graziani was hostess to members of the Vota Veta Sunday school class Tuesday in the home of her mother, Mrs. J. McMurry.

Florence Gilliam presided at the business session and new officers were elected. They include Martha Lou Moss, president; Kathryn Jones, first vice president; Naomi Pounds, second vice

president; and Geneva Gilreath, secretary. Martha Lou Moss was program leader. Mrs. Harry Womack brought the devotional, "Building Our Lives for God; Seek Kingdom First." Martha Lou Moss was in charge of games and Jerry Gailey led the singing. The members presented Jacqueline Graziani with a going-away gift. Attending were Florence Gilliam, Louise Gardner, Martha Lou Moss, Peggy Moss, Mildred Shockley, Ruth Smith, Rebecca Ray Turner, Elma Fay Murdock, Naomi Pounds, Florence Womack, Jerry Gailey, and hostess.

GLORIA HOWARD

Miss Howard to Study Piano Under Russian Teacher

Gloria Virginia Howard, daughter of Mr. and Mrs. A. W. Howard of Memphis, left recently for Chicago where she will study piano under Leo Podolsky, world renowned Russian concert pianist and teacher, Sherwood Music company, 410 South Michigan avenue.

Miss Howard for the past two years attended Hockaday college preparatory school of Dallas where she participated in a number of social and school activities. While in Hockaday she studied piano under Miss Bernea Rhea, piano instructor with the Fine Arts Institute of Hockaday.

She was accompanied to Chicago by her parents, Mr. and Mrs. A. W. Howard. They were honored with a dinner in the Podolsky home September 6, and following the dinner Mr. Podolsky displayed his prized collection of gifts for the group. His collection includes gifts from the European countries as well as many countries in the far east which were presented to him at concerts.

In addition to her studies under Mr. Podolsky, Miss Howard will attend Town School for Girls, 1106 Lake Shore Drive, Michigan avenue, and continue with her academic work.

R. C. Vinson attended the funeral of his brother, V. J. Vinson, in Morgan, Okla., Friday of last week. He was accompanied by another brother, M. D. Vinson of Childress, who formerly lived in Memphis.

Johny C. Turner Honored at Party On 1st Birthday

Mrs. John C. Turner entertained Wednesday, September 4, honoring her son, Johny Charles, on his first birthday anniversary.

Following picture-making, a decorated birthday cake holding one candle was cut and served with ice cream. Lollypops were given as favors.

Attending were Pamela Lindsey, Kathryn Fitzjarrald, Jeanette Morrison, Bill Jay Pounds, and honoree, Johny Charles. Mothers present were Mrs. Gene Lindsey, Mrs. Otho Fitzjarrald, Mrs. Frank Morrison, Mrs. Talmadge Pounds, and Mrs. Turner.

West Ward P-TA First Meeting Is Held at School

The West Ward P-T. A. met for the first meeting of the 1946-47 term Thursday afternoon, September 12, in the West Ward auditorium. The president, Mrs. R. C. Lemons, presided at the business session.

Mrs. Carl Smith entertained the group with special music and Supt. W. C. Davis spoke on "Knowing Your School."

Mrs. Ward Gurley's room won the award for having the largest percentage of mothers present. Members voted to buy an electric record player for West Ward school.

During the social hour, refreshments of punch and cookies were served to 39 members.

Needle Club Has Meeting in Home of Mrs. C. J. Wynn

The Harrell Chapel Needle Club met Tuesday afternoon of last week in the home of Mrs. C. J. Wynn. The afternoon was spent quilting a quilt for the hostess.

Refreshments of ice cream and cake were served to Mesdames Lucille Walls, J. Robertson, Dude Helm, Orval Phillips, Louis Richards, O. D. Phillips, George Mason, Bonnie Mason, E. R. Daugherty, and Miss Corene Phillips.

The club will meet September 23 in the school auditorium with Mrs. E. R. Daugherty as hostess.

Mr. and Mrs. W. D. McCool and daughter Mary Rachel visited in Memphis Sunday with relatives and friends. The McCools made their home in Memphis until about two months ago when they moved near Lefors.

Helen Nadine Downing Is Wed to E. H. Lindsey

Nuptial vows were exchanged by Miss Helen Nadine Downing, daughter of Mr. and Mrs. H. G. Downing of Dallas, and Ernest Hildon Lindsey, son of Mr. and Mrs. N. M. Lindsey of Memphis, Wednesday morning at 10 o'clock.

Rev. Jeff Moore, pastor of the First Baptist Church, read the double-ring ceremony in the home of the groom's parents at 1220 Montgomery, before an improvised altar of greenery and baskets of white gladioli. J. C. Baker assisted in the ceremony.

For her wedding, the bride chose an aqua wool street-length dress with brown accessories and wore a corsage of sweetheart roses.

Mrs. J. C. Baker, sister of the groom, attended the bride as matron-of-honor. She wore a black and white shepherd-check wool suit with black accessories. Her corsage was of white gladioli.

L. F. Jones was best man.

The bride's mother wore a black crepe dress with a white carnation corsage, and the mother of the groom chose a navy blue dress and a corsage of red carnations.

Mrs. Lindsey is a graduate of the Sunset High School in Dallas and later attended Howard Payne College. For the past two years she has been employed as a secretary in Dallas.

The groom is a graduate of the Memphis High School and attended Howard Payne College before entering the armed service. He received his discharge in April.

Immediately following the wedding, the groom's parents, Mr. and Mrs. N. M. Lindsey, were hosts at a wedding breakfast to members of the bridal party and close friends and relatives.

The dining table was laid with

MRS. HILDON LINDSEY

a white damask cloth and appointed with china. Centering the table was the three-tiered wedding cake topped with a miniature bride and groom and encircled by an arrangement of greenery.

After the breakfast the couple left for a short wedding trip to New Mexico. The couple will make their home in Canyon where they will enroll in West Texas State College.

Guests attending the wedding were Mr. and Mrs. H. G. Downing, parents of the bride of Dallas, Mr. and Mrs. J. C. Baker Jr. and Shirley Jeanne of Roswell, N. M., Mrs. Robert Carlton and Norma Jean of Wadburn, Mr. and Mrs. Talmadge Pounds, Gene Hughs, Curtis Harrell, L. F. Jones, and Mrs. Mabel Smith.

Mr. and Mrs. J. G. Kunkler have had as their guests Mr. and Mrs. Bedford Wilson and son Jack of Fresno, Calif., and Mrs. Henry Rogers, Mr. and Mrs. C. E. Wilson, and Mr. and Mrs. W. M. Burgner of Fort Worth. Mr. and Mrs. Bedford Wilson, who are the parents of Mrs. Kunkler, were here for ten days and the other guests visited over the week-end.

Dorothy Hayes of Estelline Weds J. C. Huckaby in Arizona Ceremony

Mr. and Mrs. J. H. Hayes of Estelline announce the marriage of their daughter, Dorothy, to J. C. Huckaby, son of Mr. and Mrs. Ira Huckaby of Amarillo. Rev. J. G. Anderson read the marriage vows in the parlor of the Gretna Green wedding chapel in Yuma, Ariz., Saturday, August 24.

The bride wore a powder blue crepe dress with white accessories. The groom is a chief aviation machinist mate stationed on the USS Saldor, which has just returned from "operations cross roads," Bikini Atoll.

The couple are living in National City, Calif., at the present time.

Wives of Firemen Attend Convention Held in Quanah

A group of Memphis firemen and their wives attended the Panhandle firemen's convention held in Quanah Tuesday of last week.

Following the registration and receiving of badges the local women were sent to the "Wig-Wam," the Quanah teen-ager's canteen, which the Quanah ladies were using as headquarters for the day. The canteen, a modern air-conditioned building, with powder room, and many other conveniences, is pretty as well as comfortable, the Memphis women said.

In the afternoon a social hour was enjoyed and the visitors were served cookies and iced punch.

The convention came to a close in the evening with a barbecue and dance.

Attending from Memphis were Chief and Mrs. Thomas Clayton, Mr. and Mrs. Alvin Massey, Mr. and Mrs. Bill Vardeman, Mr. and Mrs. Frank Richie, Mr. and Mrs. Earl Briscoe, Mr. and Mrs. Hooper Shaw, Mr. and Mrs. Thurman Alexander, Mr. and Mrs. Harry Aspren, Doc Saye, Odie Sturdevant, Lester Grimes, and Clifton Neelley.

ACTS ON THE KIDNEYS
To increase flow of urine and relieve irritation of the bladder from excess acidity in the urine

Are you suffering unnecessary distress, backache, run-down feeling and discomfort from excess acidity in the urine? Are you disturbed nights by a frequent desire to pass water? Then you should know about that famous doctor's discovery — **DR. KILMER'S SWAMP ROOT** — that thousands say gives blessed relief. Swamp Root is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Dr. Kilmer's is not harsh or habit-forming in any way. Many say its marvelous effect is amazing. All druggists sell Swamp Root.

Warning for Scarlet Fever Draws Near; Warning Is Given

The state department of health issued a warning in regard to scarlet fever, as the number of cases usually increases during the months. The majority of cases from this disease occur in October through February. Scarlet fever is a very contagious and serious disease. Grown-ups may contract it, but children under 15 years are especially apt to have it, if exposed. It is especially dangerous for children under 5 years, and Dr. Geo. Cox, state health officer, asks mothers to "not let your children take any chances with scarlet fever. Call the doctor as soon as the first symptoms appear."

If your child has contracted scarlet fever, the first signs you notice are that he seems restless and out of sorts. Usually, there is a sore throat, vomiting, or convulsions. His skin is dry and his tongue is furred, and over this white covering, it is red and swollen. In ordinary cases, these early signs are followed in a day or two by a rash. The flat red points, close together, appear first on the neck.

Chickens - Turkeys
Parasitical worms and germs cause all diseases and loss in egg production. STAR SULPHUR POWDER given in water or destroys these worms and as they enter fowls with preventing most all diseases. Rids them of blood-sucking mites, fleas, blue-bugs that vitality, reduce egg production and kill many baby chicks. Very little. Money back if satisfied. For sale at RHAM-JONES PHARMACY

and chest and soon the rash, very red in color, spreads over most of the body.
The doctor is required by law to report the case to the local health officer. Do your part by following carefully the quarantine instructions which the health officer will give you, since a severe or fatal case of scarlet fever may develop from contact with some one who has only a light attack. Children who have had scarlet fever, or who have been exposed, must not return to school until permission is given by the health officer and physician.

LIBERTY

By MRS. W. F. HODNETT

Mr. and Mrs. Dean Lane of Borger visited her parents, Mr. and Mrs. Scott Hancock, Saturday night and Sunday.

Mr. and Mrs. E. L. Kilgore and family, and Mr. and Mrs. A. C. Hodnett were dinner guests in the home of Mr. and Mrs. Van McGuire Sunday.

Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over, insist on Doan's. Sold at all drug stores.

Gin Your COTTON with the Paymaster Gin

This is your invitation to bring your cotton to this gin this year. We will give you the sample and turnout you want—the kind that will mean more dollars in your pocket when the season is over. Here's the reason we can do this:

- Last year new equipment was installed in the plant. This means that with the tuning up we did during the past few months, this gin is in fine shape throughout.
- Our Thermo Dryer is getting the job done in good style on the bolls we have already ginned this season.
- The crew you will find here are all experienced gin men, and every one of them knows his business.

We want to gin your cotton this year. Ask your neighbor who has already brought us a bale what to expect, then drive in and give us a trial. You won't be disappointed.

Paymaster Gin

Childress Youth Injured in Wreck

Charley Halford, 8-year-old son of Mr. and Mrs. J. N. Halford of near Childress, was in a local hospital Saturday night and Sun-

day suffering from injuries on his head and back following a wreck about two miles south of Childress Saturday night. He was taken to his home Sunday.

Mrs. Halford and her son had gone to Childress in their wagon, and joined Mr. Halford there. Mr. and Mrs. Halford were en route to their home in the car, and

the son in the wagon, when the wagon was struck by another car. Young Halford was brought here in a Murphy-Spicer-Estes ambulance.

Both the wagon and the car were badly damaged. Four persons were in the car, but it was not learned whether any of them were badly injured.

Mineral wells were week-end guests in the T. J. Cope home.

The social at the Parnell school building Friday night was well attended. They sold different things and played games.

Mr. and Mrs. T. J. Cope had as dinner guests Sunday Rev. Hendricks of Estelina, Rev. and Mrs. McKinsey, Baptist missionary, and Mr. and Mrs. Frank Cope of Mineral Wells. Rev. McKinsey will preach at Parnell Sunday, September 22.

Mr. and Mrs. Elmer Price and Vance of Hollis, Okla., and Mr. and Mrs. Bill Tom Drake of South Texas were week-end visitors in the J. R. Mothershed home.

Mrs. L. T. Winn spent Monday with Mrs. Parge Winn.

Mr. and Mrs. Leroy Hutcheson were Quittaque visitors Sunday.

Parge Winn and Carl Hill attended the ball game in Pampa Monday night.

Mr. and Mrs. Burl Bruce left for Amarillo Sunday to work. Mrs. Bruce will be employed at Montgomery Ward, and Mr. Bruce will work for Armstrong Moving Van company.

The pupils put on a nice program at School Friday afternoon.

Mrs. Rube Canada and Mary Ruth, Mrs. J. W. Franklin, and Mrs. Willie Payne attended the movie in Memphis Sunday afternoon.

Mrs. Carl Hill, Rita Jean, Sylvia, and Nelvie Parker, and Mrs. Dorothy Wright and children were Estelina visitors Sunday afternoon.

Mrs. Joe Mothershed and Nancy Ann of Memphis were Sunday guests in the R. N. Mothershed home.

PARNELL

By MAE PAUL

Mr. and Mrs. Hoyt Cowart and family of Bakersfield, Calif., visited in the J. R. Morehead home the past week.

Miss Mary Lou Orcutt of Amarillo spent Tuesday night and Wednesday of last week with her parents, Mr. and Mrs. Bill Orcutt.

Mrs. Dorothy Wright and children of California are here visiting in the Parker and Earl Wright homes.

Opal Braidfoot of Amarillo visited Henry Paul Sunday afternoon.

Mrs. Maggie McGlocklin and Mrs. W. H. Neely visited Sunday afternoon in the L. T. Winn home.

Mr. and Mrs. Ernie Trapp left Saturday night for Marshall.

Mr. and Mrs. Rigby of Estelina visited Sunday in the D. T. Eddins home.

Mr. and Mrs. Frank Cope of

Rainfall Here—

(Continued from page 1) high was 77 degrees, and both Saturday and Sunday night found the temperature dropping to 62 degrees for the lows of the week. Last week's rain brought the total for a period of about five weeks to 5.69 inches. The showers commenced August 13.

Although the rains were two or three weeks late to do the most good, farmers were nevertheless glad to see the moisture. Had the rains come about August 1, observers pointed out, the cotton production in the county might have been from ten to thirty thousand more bales than is now expected.

Needed now, farm leaders say, is a seige of good sunshine to give the cotton and feed an opportunity to use the moisture. Without clear and warm weather, farmers fear that boll worms may bring on more troubles.

DURRETT-BROWN
POST NO. 7109

TO INTERVIEW APPLICANTS FOR WORK
Eldrid G. Travis, manager of the U. S. employment service office at Childress, will be in Memphis Thursday, September 26, at the court house with a representative of the American Zinc company to interview applicants for work with the company. Jobs to be filled include those of furnace stuffer, furnace bumper, furnace connie boy, furnace first charger, furnace stamper, furnace shoveler, furnace second charger, furnace metal drawer, and furnace fireman.

"Doggone, Mrs. Spaniel, you've got a fortune there!"

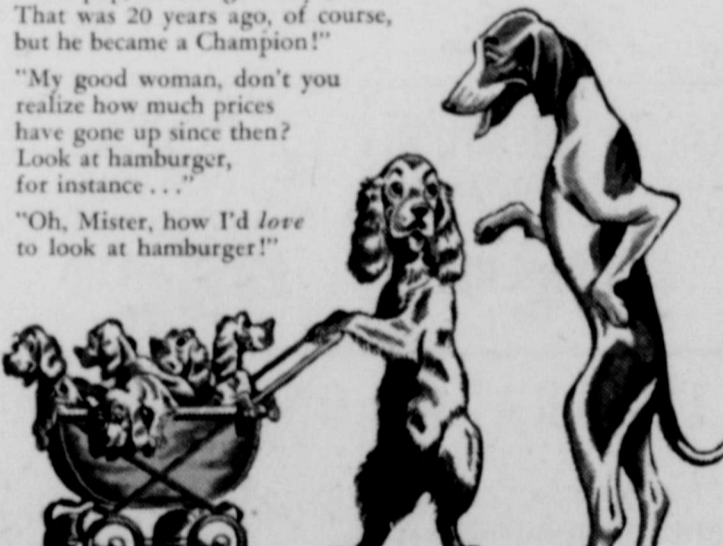

"Wonder how much, friend Foxhound?"

"I'd say a hundred bucks apiece, charming lady!"

"Flatterer! Why, when my grandpa was a pup, he brought only \$25. That was 20 years ago, of course, but he became a Champion!"

"My good woman, don't you realize how much prices have gone up since then? Look at hamburger, for instance..."

"Oh, Mister, how I'd love to look at hamburger!"

"Stop it—please! My point is that the price of nearly everything has gone way up in the last 20 years. Except electricity. And us dogs don't use electricity. That's unfair. I'm going to raise a howl about it!"

"But we do use electricity in lots of ways. It cooks our food and warms our baths and whisks our spare hairs off the furniture."

"H-m—guess you're right, gorgeous gal... And it'll please you to know that the average family gets twice as much electricity for its money today as it did 20 years ago!"

"Twenty years ago—when Grandpa was a pup—and hamburger was... how much did you say hamburger was?"

"I'll have to scratch up the exact figure for you. But now I must run along and pick up a scent. Electricity and I—forgive me—do a great deal of work for a cent. Yip, yip! Good day, Mrs. Spaniel."

Though this story's all fun, its facts are all true. Many things are scarce and expensive these days, but electricity is plentiful and cheap. One reason it's so cheap is because of your wider use—but another big reason is because America's business-managed electric companies constantly seek and find new ways to keep it so.

Clarendon Girl Killed in Amarillo

Nancy Nell LaGrone, young daughter of Mr. and Mrs. C. C. Clarendon who are members of a number of Hall County organizations, was killed late Saturday in a grade-crossing accident in Amarillo.

Thomas Henry Fender of Amarillo, 21, was charged with "murder without malice" in connection with the accident. Witnesses

stated that the LaGrone car had stopped at a train crossing, and that Fender pulled his car around another behind the LaGrone car and crashed into the LaGrone car, pushing it forward into the path of the train.

New Racket—

(Continued from page 1)

where all the stamps are carefully examined. If any false stamps are found, the merchant is the loser, for his allotment of sugar is cut by the amount of the false stamps.

So sugar buyers, don't be embarrassed if a local merchant examines your sugar stamp closely—he can hardly afford to take chances on losing any of his small allotment of sugar.

Wisconsin is Sak for "wild rushing channel."

Future Readers of The Democrat

A daughter was born to Mr. and Mrs. Gordon Maddox September 7. She weighed 6 pounds, 4 ounces and has been named Vivian Faye.

Mr. and Mrs. B. W. Bragg of Estelline are the parents of a daughter born September 9, weighing 7 pounds, 8 ounces. She has been named Julia Darlene.

A son, Dan Eugene, was born September 5 to Mr. and Mrs. B. B. Gibson of Lakeview.

Mr. and Mrs. William S. Camp of Route 2, Memphis, are the parents of Albert Eugene, born September 12.

A son, Jerry Don, weighing 8 pounds, was born to Mr. and Mrs. Homer Barleson September 13.

Mr. and Mrs. W. H. Goodnight are the parents of a daughter born September 14. She has been named C. J., and weighed 6 pounds, 13 ounces at birth.

Lora Jeanette was born to Mr. and Mrs. Leo Davis of Plaska September 3.

Morgensens Go to Meeting in Vernon

Mr. and Mrs. D. J. Morgensen attended a two-day wallpaper show at Vernon for all the Wm. Cameron Stores of the Northern district September 8 and 9.

Roy Jacobs, the buyer for the Cameron stores, Waco, who has recently returned from a trip back east, was present demonstrating a complete new line of wall paper.

Locals and Personals

Dr. and Mrs. V. G. Martin of Amarillo visited Sunday in Memphis with Mr. and Mrs. R. C. Lemons. Mrs. Martin is a sister of Mr. Lemons.

Dean Morgensen returned to Norman, Okla., Friday of last week to resume classes in the University of Oklahoma. Dean is a senior in the university this fall.

Mr. and Mrs. W. B. Stargel returned Saturday after visiting during the past week in Amarillo with their son, Roy Stargel and family, and in Oklahoma City with another son, T. G. Stargel and his family.

Mrs. G. E. Ricker of Kansas City, Mo., is visiting here with her parents, Mr. and Mrs. S. S. Montgomery, and sister, Mrs. Allen Grundy.

Mr. and Mrs. A. E. Ward of Lakeview returned last week from California where they visited relatives for several weeks.

Mr. and Mrs. J. A. Whaley are in Oklahoma City where Mr. Whaley is receiving medical treatment. Friends reported Wednesday that he is recovering nicely and they will be home the latter part of the week. Mrs. John Browder of Mineral Wells accompanied them on the trip.

Mr. and Mrs. Sam Moore and family of Wellington were guests Sunday in the home of Mr. and Mrs. George Bass.

Larry Grundy, and Laura Mai and Jack Hightower will attend Baylor University this year. They left Memphis Sunday night for Waco.

Dinner guests in the home of Mr. and Mrs. Guy Kercheville Friday were Dr. and Mrs. Wall of San Antonio, Mrs. R. J. Sledge of Kyle, Mrs. W. B. Morrison, and Mrs. A. A. Odom of Memphis. Mr. Kercheville, Mrs. Odom, Mrs. Morrison, and Mrs. John Chaudoin of Estelline are nieces and nephews of Mrs. Sledge and Mrs. Wall.

Attorney and Mrs. Sam J. Hamilton returned Friday from a two-week vacation at Hot Springs, Ark.

Methodist Class Meets in Home of Mrs. C. E. Hankins

The Truth Seekers Sunday School class of the First Methodist Church met Wednesday, September 11, in the home of Mrs. C. E. Hankins, with Mrs. C. W. Broome as co-hostess.

The class enjoyed a short program after which the following officers and teachers were elected for the coming year: Teacher, Mrs. W. I. Glosson; first assistant teacher, Mrs. J. M. Baker; second assistant teacher, Mrs. C. W. Broome; president, Mrs. A. B. Jones; vice president, Mrs. C. E. Gowan; secretary and treasurer, Mrs. Anna Dickson; assistant secretary and treasurer, Mrs. A. Womack; chairman program committee, Mrs. Bob Roberts; press reporter, Mrs. C. Gerlach.

Refreshments were served to Mesdames W. I. Glosson, A. B. Jones, C. E. Gowan, E. S. West, A. C. Hoffman, W. Gerlach, C. Gerlach, C. E. Morris, and the hostesses, Mrs. Hankins and Mrs. Broome.

Miss Devie Smith And Kelly Gable Wed in Memphis

Miss Devie Smith of Memphis became the bride of Kelly Gable, also of Memphis, Saturday, September 7.

Rev. Aubrey C. Haynes, pastor of the First Methodist Church, read the single-ring ceremony at the parsonage in Memphis.

Editorial

DON'T LOOK NOW— OUR NECK'S OUT AGAIN

A FEW MONTHS ago, The Democrat published an editorial advocating a youth canteen, or youth center, which might be organized and established to give the youth of this city and the surrounding area a place for night entertainment.

This idea has not been forgotten by us, and on two or three occasions since then, this same idea has been brought out by other people.

Last week before a meeting of the Memphis Lions Club, Rev. T. T. Posey, in an address similar to one which he delivered before the local Rotary Club, pointed out the need for a youth center in this community.

In his address, Rev. Posey stated that any such plan would meet with opposition, mainly for two reasons: namely, such a center would cost too much; and secondly, there would be dancing at the center.

It is true that such a center would cost money. Either a building would have to be rented, or one would have to be built. With business in its present booming stage, a suitable building which might be rented would be hard to find. It would be necessary to build one, and a suitable structure, to take care of the needs which a community building should take care of, would be rather costly. But if enough people got behind the movement, sufficient money could be raised to build a suitable structure.

Yes, it must be agreed that there would be dancing at a youth center. Rev. Posey, in making his statement, pointed out that he did not, and could not, sanction dancing. Rev. Posey, as most all pastors, simply does not believe in dancing, but Rev. Posey went on to say that he had rather, much rather, see his children attending a supervised dance, one that would be well-chaperoned, than to see his children going to any sort of "rat race" that came along. In his address, Rev. Posey pointed out that teen-agers in Memphis now can easily run over to "Hollis for a few beers" and be back before the show at the local theaters is over. A youth canteen, if operated properly, would close at the same hour each evening, and parents would know when to expect their children home.

Most youth canteens, as operated in other towns and cities, are run by a council consisting of the young people themselves, with an adult counselor on the council. In some places, the canteens are financed by dues or fees, and in others, there is sufficient patronage for the "coke" or sandwich bar to pay off well enough to finance the canteen. The plan for operating the center would have to be decided upon after the canteen had come along far enough in its actuality.

There is a great need for something to take care of the youth now—before it is too late. If Memphis and Hall County are to grow and prosper, then this growth should go on within—as well as without.

What are your ideas?

YOUR SUPPORT NEEDED

FOOTBALL season has now opened, and your presence at one of the games played by Hall County teams is needed each week.

It has been a long time since Memphis or Lakeview has had a good team in the District 3-A play, and one reason for that fact is that the players get no support from the citizens of their respective areas. Estelline is again starting its 11-man football play this year, after going through several years with 6-man teams.

No matter where you live, no matter which game you see, you will be helping the gridmen when you go and yell for them. A ditch digger will do a much better and faster job when he has an audience. A football team will play better if they believe someone is for them.

Today every car has a price on its head. Keep your car in perfect condition and you will increase its trade-in value. We repair, rebuild and recondition cars so they look and run like new. Put your car on the top of the bidding list! See us for an expert repairing job today!

Any Port In A Storm

While perhaps people (if they think of me at all) think of me as a writer of humor, as a matter-of-fact, my first two books were of a serious nature—and not particularly successful, from a sales standpoint.

The first was "Were You in Ranger?", an account of the great oil rush of 1918-20, which began with the McCleskey gusher and transformed Ranger, Eastland, Cisco, and Breckenridge from villages into cities almost overnight. Ten years spent in Eastland County in editing newspapers gave opportunity for gathering the material that went into this book, which sold about 3,600 copies, which is not bad for a "first book," but not particularly good, either. Incidentally, "Were You in Ranger?" is out-of-print and dealers ask \$6 a copy (the original price was \$1.50).

Next book was "Oil Boom," an account of six Southwestern oil rushes—Spindletop, Ranger, Demonion, Burkburnett, Smackover (Arkansas) and Mexia. Two of the chapters appeared in the Saturday Evening Post, before the book came out. "Oil Boom" received a fair amount of attention from some of the national critics and received an award or two—but sold fewer copies than "Were You in Ranger?"

For a long time, just as a hobby, I had been gathering Texas jokes and, just for the fun of it, sat down and dashed off 500 of them. Half a dozen publishing houses in the North and East turned the manuscript down. Finally, Joe Naylor of San Antonio brought it out—and the two most surprised men in Texas were the publisher and the author when folks began buying it.

NURSE LOSES FAT SAFELY AYDS WAY

About 115,000 copies have been sold.

Then came "Tall Talk from Texas" (70,000 copies) and "Texas—Proud and Loud" (35,000 copies). Really, the humor books were just a sort of sideline or by-

product—and they happened to catch the fancy of the public. My next book? It will be out soon; it's called "Cowtown Columnist"—and there's not a joke in it!

And will someone please ex-

This Week in WASHINGTON

WASHINGTON — The report of the Bureau of Agricultural Economics, pointing out the tremendous record of achievement made by the nation's farm population in the war years, and predicting a continuation of the factors which contributed to that record until 1950, was an interesting feature of this week in Washington.

With practically the same acreage and with fewer men employed, the farm industry production soared to new heights and the coming four years should even raise this goal by 11 percent, the Bureau reported. Although the report indicated that increased fertilization, development of new disease resistant seeds and such new seeds as hybrid corn and mechanization of farms were responsible, probably the most significant factor was the turning of thousands of acres of land from production of food for animals to food production for man.

On the labor front the question of how and how soon the government can turn back the coal mines to their owners occupied the attention of those agencies, labor and interior, who are responsible. Both government and John L. Lewis, the mine boss would like to see the mines go back to their owners. Government has operated them for more than three months. As a matter of practical operation, the nation's coal mines are, under present conditions, nationalized much as are those in England. The government knows that if it holds on to the mines indefinitely there will be political repercussions. On the other hand, it

is afraid that if it turns them back to the private owners before the owners and the miners have reached an agreement, there will be further coal strikes which will slow up the rapidly expanding reconversion industrial machinery.

Faced with this fact, the government called a conference of the mine workers committee and the owners here in Washington to see if they could get together. Interior Secretary Krug has made an agreement with John Lewis. The question is with the mine owners take over this agreement? If they do will Lewis be satisfied, since there is a persistent rumor that when the time comes he will ask for additional concessions.

The unions declare they want to get rid of government operation, if they are just as opposed to it as the owners, all of it probably true, and the present set-up does not fit in with John Lewis' philosophy of the enterprise.

The Russian situation continues to get grave and official Washington is not sanguine either about the present conference nor a successful session of United Nations at Lake Success, N. Y., now in progress. Report of a congressional committee urging the establishment of huge naval bases in Korea or in Alaska for fear of another "Pearl Harbor attack" does not help matters, insofar as ending peace talk is concerned. Officially, however, declare that so long as there is the present situation of suspicion and distrust among nations they would be derelict in their duty not to point out the dangers to the country and to prepare for its eventualities.

plain why, a year and a half after shortage? Is John L. Lewis the war, we still have a sugar blame for that, too-

You, too, need the Extra Safety of the tire that OUTWEARS PREWAR TIRES

Before the new B.F. Goodrich passenger car tire was offered for public sale, it had passed over 17 million miles of the roughest, toughest type of testing... in service on taxi fleets (as Mr. Thomas describes above)... on police cars, and on the B.F. Goodrich tire test fleet, even at high speeds.

miles of user-service support the results. B.F. Goodrich perfected a stronger tire body by using stronger cords and more of them... extra strength that means better resistance to bruising and damage from accidents.

Supplies of this new tire are still limited. However, we'll do our best to keep your car rolling until we can get new tires for you.

Class AA Quana Indians Overpower Memphis Cyclone 24-0 in Game There

Quana's Class AA Indians, last Friday night when they overran the Memphis Cyclone in a non-conference tilt at Quana. The score was Quana 24, Memphis 0.

It was disastrous all the way for the Cyclone, with the Indians overpowering the local ball-carriers throughout the game. Quana scored one tally in every quarter, but never managed to make an extra point.

The Indians' power showed up in the first downs, with Quana getting eight to two for the local team.

The scoring was started shortly after the game opened, when Garland Chesshir carried the ball 65 yards for the initial thrust to pay dirt. Memphis had kicked off to Quana, and Chesshir made his sparkling run on the third play.

The next score came in the second quarter, with Johnson and Watkins alternating to push the ball to the Memphis two-yard stripe, from where Watkins car-

ried it over. The third tally came in the third quarter, with Johnson doing most of the running.

In the fourth quarter, Chesshir again got through for a long run, this time 40 yards, to place the ball on the Memphis four. Watkins then carried the ball over for the last score of the game.

Starters for Memphis were as follows: Bill Hickey, LE; M. L. Evans, LT; Jack Monzingo, LG; A. C. Sams, C; Fuzzy Martin, RG; Gerlach, RT; Duane Vickers, RE; Larry McQueen, QB; Mark Lamkin, LH; Jimmy Gilreath, RH; and Bill Davis, FB.

ELI

By MRS. MILTON SMITH

Mr. and Mrs. Bennie Evans and daughters, Ruby and Shirley, and son Johnnie, of Fort Worth visited his sister, Mrs. Frank Smith and family, during the week-end.

Valda, Louise, Melba, and Velma Smith of Amarillo visited their parents, Mr. and Mrs. Frank Smith, over the week-end.

R. B. Smith visited Carlyle Young Saturday night and Sunday.

Mrs. M. L. Smith visited her daughter, Mrs. Jake Merrill, at Quitaque last week.

Mr. and Mrs. J. J. Hall visited Mr. and Mrs. Joe Faulkner in

Memphis Sunday.

Rev. and Mrs. Hendry of Roosevelt, Okla., visited Mr. and Mrs. J. J. Hall Tuesday night.

Pat Holland of Lakeview left last week for Lubbock where she will enter Texas Tech.

MOVE TO MEMPHIS

Mr. and Mrs. Eugene Noah and daughter of Seymour have moved to Memphis to make their home, and will live at 613 South 7th street. He will work in the mill department office of the West Texas Cottonoil company here.

The Force that Holds a Giant Stalactite Up... OIL-PLATES Your Engine!

THE tons-heavy stalactite—the giant "icicle" of stone—is held tight to its cavern roof by the tremendous attractive force of molecules pulling up against gravity. Utilizing the force of molecular attraction (basic force that holds things together) Conoco scientists bring to America's motorists the benefits of new and better oils.

By molecular attraction, a special ingredient of Conoco Nth motor oil is bonded so strongly throughout your engine that cylinder walls and other parts are OIL-PLATED! And because molecular attraction holds Conoco OIL-PLATING up where it belongs ... prevents it from all draining down to the crankcase, even overnight ... you get these benefits:

- added protection when your engine starts up
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

LUBRICATES

Out of the war came a new standard of motor oil performance ... an all-purpose lubricant developed to specifications more exacting than any motor oil produced before.

Used in all theaters of war, in all types of equipment and under severest conditions ... tropical heat and arctic cold, this oil was an outstanding success.

West Ward School Has 315 Enrolled

A total of 315 children have enrolled in the West Ward school, and included in the number are 22 children who have never at-

tended the Memphis schools before. West Ward P.-T. A. has presented the school with an electric record player, long-needed by the school.

School Musicians Organize for Year

Activities of musicians and would-be musicians got underway

this week in the Memphis High School with organization of the choral club and the school bands. Chosen president of the senior choral club was Edith Compton; secretary-treasurer, Peggy Mitchell; and librarian, Billie Randolph. Officers elected for the beginning high school band were Joan Lockhart, president; Peggy Mitchell, secretary-treasurer; and Bobby Young and Martha Aduddell, librarians. Named on the band honor roll for the week were Barbara Brewer, Diane Meacham, Faye Patrick, Murita Gibson, Jeanine Adams, Gladys Bowads, and Jan Monzingo.

Locals and Personals

Mr. and Mrs. Garvis Davis and children, Mr. and Mrs. Eugene Davis and children, and Miss Wanda Davis of Newlin visited in the home of Minister J. D. Rothwell at Chickasha, Okla., Wednesday and Thursday of last week.

Mrs. D. J. Bulls is a guest this week in the home of Rev. and Mrs. Aubrey C. Haynes. Mr. and Mrs. Bulls have recently moved from Shamrock to Commerce and Mrs. Bulls was en route to her new home.

Dwight Kinard left Saturday for Waco where he has enrolled in Baylor University. He attended Baylor before entering military service.

Mr. and Mrs. Henry Newman visited his mother, Mrs. B. R. Newman, in Nocona, and other relatives in St. Jo Sunday and Monday.

E. S. Browning is an Austin visitor this week. The Brownings plan to move to Austin in the near future, where he will be associated with his brother in business.

THE BLUE RIBBON WINNER

For smooth, even Power all year 'round— You've got to hand the prize to Phillips 66!*

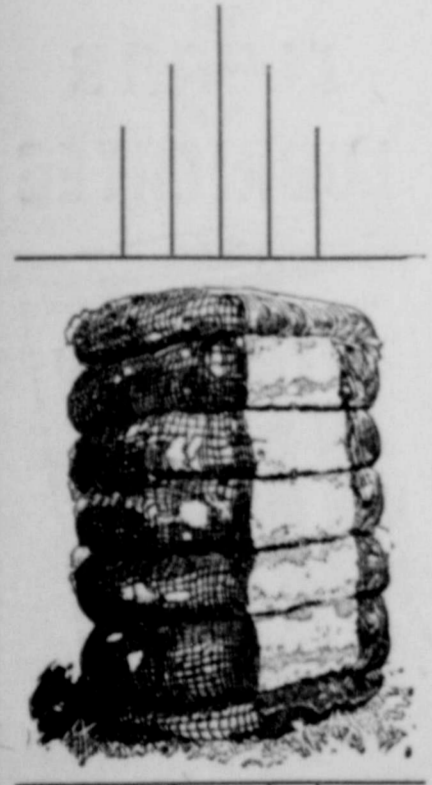

Phillips engineers and scientists control Phillips 66—match it to your driving conditions for greater efficiency each season of the year! Try this "laboratory-controlled" gasoline. See if it doesn't mean smoother operation in hot weather, quicker starts in cold. Get it at the orange-and-black sign of "66".

IRA FOSTER, Manager Memphis, Texas

Clarendon Broncs Defeat Estelline

Lack of practice and lack of experienced men brought on a drubbing for the Estelline eleven when they met the Clarendon Broncs last Friday night at Clarendon.

The Broncs won over the Estelline Bulldogs by the overwhelming score of 55 to 0.

The Bulldogs, who played 6-man football for several years, this year started 11-man football again. As yet they are in no district, but will probably be in Class B football as they were in the past.

The Broncs scored two touchdowns in the first quarter, three in the second, two in the third, and two in the fourth.

190 Pupils Enroll At Junior High

A total of 190 students have enrolled in junior high school, and for the first time in a number of years students are being offered classes in chorus, band, and art.

Mrs. Gordon Gilliam and Miss Margarite McCoy are new members of the teaching staff, and Mrs. Buren Carr is back after a year's absence. Other teachers are Mrs. Compton, principal; Mrs. F. L. Hall, Mrs. L. G. DeBerry, Miss Zady Belle Walker, and Miss Frances Kinard.

Four new pupils enrolled at junior high during the past week, with three from other Texas schools, and one, Earl Thomas, from Fresno, Calif.

The first Junior High School P.-T. A. meeting for the school year is being held today. A membership drive is underway, with a prize offered to the section obtaining the greatest number of paid members.

Locals and Personals

Mr. and Mrs. Carl Harrison and family made a business trip to Plainview and Muleshoe last week.

Mr. and Mrs. Horace Tarver took their son, Don Q., to Amarillo Sunday. From Amarillo he went to Manhattan, Kans., where he will attend Kansas State College.

Mr. and Mrs. Ed Barrett and son Terry Edward left for their home in Denver last week. They had spent a two-weeks vacation visiting in Memphis with Mrs. Barrett's parents, Mr. and Mrs. Leo Hendrickson.

Mr. and Mrs. Guy Haverstock of Lubbock were dinner guests Saturday evening in the home of their aunt, Mrs. C. C. Allen. Wanda Jo Reynolds left last week for Denton where she will attend TSCW this year.

Legal Notice

CITATION BY PUBLICATION THE STATE OF TEXAS

To: Raymond L. Kirkwood, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 30th day of September, A. D. 1946, at or before 10 o'clock a. m., before the Honorable District Court of Hall County, at the Court House in Memphis, Texas.

Said plaintiff's petition was filed on the 17th day of August, 1946. The file number of said suit being No. 3006. The names of the parties in said suit are Lois Odeman Kirkwood as Plaintiff, and Raymond L. Kirkwood as Defendant.

The nature of said suit being substantially as follows, to wit: Petition for divorce upon the grounds of 3 years abandonment with intention of finally separating and living apart from plaintiff.

Issued this the 17th day of August, 1946.

Given under my hand and seal of said Court, at office in Memphis, Texas, this the 17th day of August, A. D. 1946.

ISABELL CYPERT, Clerk, District Court, 11-4e Hall County, Texas.

The House of Quality

THANKS TO ALL HALL COUNTIANS

As most of you know, my health has been bad during the past months, and it is with regret that I feel compelled to resign as sheriff of Hall County. I have deeply appreciated your cooperation, and have enjoyed the very much until my health began to fail. I have bought a home in Denton and plan to move there in the future, although I have no plans to work until I am physically able to do so.

As Will Rogers once said, I love everybody, and want all of you to know that I have no hard feelings toward anyone in Hall County.

It is with a great deal of sincerity that I ask you to give your whole-hearted cooperation to my successor in the office, and aid him in making his tenure in office successful one, for without your help he cannot do his job himself.

W. C. ANDERSON

Now women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardui. If it helps, you'll be glad you did.

Stamps Quartet To Be at Hedley

The Stamps-Baxter men's quartet of Dallas will give a concert at Hedley Friday night, September 27, in the high school auditorium.

The quartet is composed of Gene Moss, a man well known in the Panhandle as a singer, Glenn Sessions, Clarence Campbell, and Clyde Roach, with Robert Christian at the piano.

This quartet is a part of the Stamps-Baxter Music and Printing Company, of Dallas, the largest song book publishing house of gospel song books in the entire southwest.

Howards Return From Trip North

Mr. and Mrs. A. W. Howard returned Friday from Chicago, Ill., where they took their daughter, Gloria Virginia, to enter Town School.

En route to Chicago they visited in Oklahoma City with Mrs. Howard's sister, Mrs. L. G. Doster and family, and in Tulsa with other relatives.

From Tulsa they went to Kansas City, Mo., where they spent several days with their son-in-law and daughter, Mr. and Mrs. Charles Imbortino.

"We spent about a week sight-seeing in Chicago and all had a most enjoyable trip," Mrs. Howard stated. They returned home by way of St. Louis.

Kutch Back From West Coast Trip

J. A. Kutch, who has been engaged in Memphis in the real estate business until a few months ago, has returned from a trip to the West Coast and is now making his home in Hedley.

Kutch said this week that he is in the real estate business there. He spent several weeks traveling in California, Arizona, and New Mexico, and returned to this area only recently.

GOODYEAR TUBES
Tougher than ordinary rubber. Hold air longer! The finest tube we can build. **\$3.65** 6.00x16 plus tax

You don't stay FIRST unless you're BEST

It's Boll Pullin' Time and... This Gin Is Now Ready to Go!

We are now ginning the cotton of farmers in the Lakeview Community following months of work in making this plant one of the best to be found anywhere. During the past several months we have added new equipment, and pieces which were not installed new have been completely overhauled and put in A-1 shape. The following equipment has been installed:

New Continental Dryer **New Burr Machine**
New Import Cleaner **New Press**

The above, along with the new stands which were installed two years ago makes this plant as good as a new gin.

Yes, we have spent a lot of money getting this gin ready to handle your cotton. And now we can say that we can give our customers as good a ginning service as they can get anywhere. A full crew is on the job, and we shall appreciate ginning the cotton of the farmers in this community.

Plan now to bring your cotton to this gin this season. You won't be disappointed with the results.

Plans Completed—
 (Continued from page one)
 given either cash awards or awards of baby chicks, Hooser said, since they will not be eligible for the district show.

Second-place winner in the Sears group will receive 125 baby chicks; third, 100 chicks; fourth, 100 chicks; and fifth, 100 chicks.

In the district show, Hall County boys have entered swine only during the past three years, taking five registered jerseys in the three years. Last year, Carroll Fowler took first in the gilt division, and Bruce Gibson first in the boar division.

Winners of the Sears pigs last spring were Harold Burks, Parnell; Doyce Jonett, Parnell; Marshall Ellis, Plaska; Joe Booth, Lakeview; Jim Moore, Newlin; Alta Wayne Jenkins, Memphis; Billy Wayne Fowler, Lakeview; and Don Davis, Newlin.

Kenneth Cheek won the Durham-Jones award; Gayle Fowler and David Spivey, the Saye awards; and Barbara Myers, the C. of C. award.

At Memphis

(Continued from page one)
 weak in pre-season dope, played a different brand of football than the Cyclone—hitting hard and fast, and outsmarting the local eleven.

The strength of the Paducah Dragons is not known, although they are rated high in District 4-A. Whether the defeat from Chillicothe means they have been over-rated is yet to be seen, since first games of the season often find good teams off form.

Memphis will get into conference play the following week-end, when they travel to McLean to meet the Tigers. McLean suffered a 33 to 0 defeat from Panhandle last Friday night. Panhandle, however, is rated to be very strong this season, and slated by some to be able to overcome the always-potent Phillips Blackhaws.

Earl Hill

(Continued from page 1)
 office, Hill said: "I know that I will need the cooperation of all the citizens to perform the duties of this office efficiently. As yet, there are many details of the work with which I am not familiar, since I have not yet had time to become acquainted with them. However, I will do my best to enforce the law, and give you an efficient administration as a peace officer."

Harold Vandiver underwent a major operation in a local hospital Monday. He expects to be in bed for about ten days, and will be unable to return to work for several weeks.

At Lakeview

(Continued from page 1)
 view team showed a great deal of fighting spirit but the heavier Mustangs managed to push the hardest in the needed spots. The Eagles penetrated the Wheeler 20-yard line on three occasions, but were never able to push across a score.

Wellington warmed up with a non-conference game last Friday night, when the Perryton eleven, from district 2-A journeyed to Wellington for a 19 to 7 loss. The Rockets have back this year the two outstanding backfield men, I. D. Russell and Tim Hatch, the first a hard-driving and hard-hitting back, and the second a smart backfield general.

Bobby Hancock underwent an Tuesday, and is reported to have had an appendectomy in a local hospital recovering nicely.

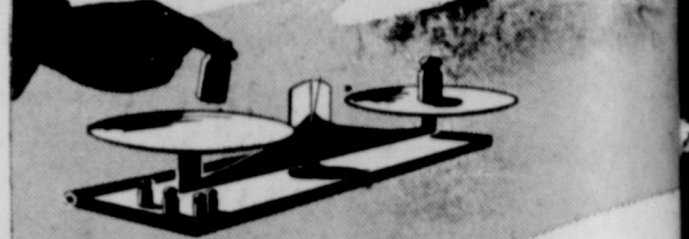

USED CLOTHING FOR SALE

I again have my used clothing business open and am located in the Pounds Hotel Building on Noel Street.

We buy and sell used clothing for men, women and children.

MRS. LEONARD WILSON

To keep it in balance...

Think of your checking account as a scale. On one side is the service you receive: safety for your funds, convenience in paying bills, a complete record of money transactions, and cancelled checks that are valuable evidence of payments.

On the other side are the earnings our bank obtains by investing a part of the money you have on deposit. When this isn't enough to even up the scales, you pay a small amount to put them in balance. And that's the why and wherefore of service charges!
