Tax Collections Higher Than '45

Tax collections by three agencies of Hall County are well above half-way mark since collection of 1945 taxes began several weeks ago. City taxes are leading with 72 per cent collections, followed by 71 per cent of school taxes for the Memphis Independent School District, and 67 per cent of state and county taxes. Collections by Glen Carlos of taxes on 1946 taxes is \$29,000, or 72 per cent. Total on tax roll this year is \$40,000. Real estate valuation for Memphis was listed at \$34,319 as compared to \$2,688 last year. Mr. Carlos reported that collections are much higher this fall than last. School taxes collected total \$2,275, according to figures issued by George E. Forgy, collector for the Memphis Independent School District. This is 71 per cent of the amount to be collected, or nearly three-fourths of total. On the school tax rolls for 1946 there is listed \$34,319. This compares with \$2,688 for 1945. Forgy said that collections this year are much better than in 1945. R. Springer, county tax assessor-collector, reported collection state and county taxes to be \$45,419, or 67 per cent. State and county tax roll is \$67,647.30. In 1945 the roll was \$71,980.81. Collections are the same as they were at same time last year.

57 Bales Cotton Ginned in County for Nov. 1

On November 1, the number of bales of cotton ginned in county from the 1946 crop was 57 as compared with 10 bales for the crop of 1945, according to A. L. Gailley, special agent for the U. S. Census Bureau. The heavy frost of November 11, the weather has been generally good for cotton and harvesting, and the high prices on the cotton crop at the beginning of the season have increased their guesses downward considerably in the past few weeks.

Club Now Organized With National Group

Memphis Rifle and Pistol Club has been approved for affiliation with the National Rifle Association, Irvin Johnson, secretary, announced this week. In a letter received recently, the club was advised that their charters are being prepared, and all of the national organization's requirements are now available. In the past two weeks, arrangements have been made by members of Memphis. The small club will be completed by shooting will start on its next week. A meeting was set up last week, and members were using guns Sunday afternoon. Arrangements are being made to organize programs, and the club shooting contest will be held within the next few weeks, officials of the club said.

Funeral Services for A. Hudgins in Fort Worth

A. Hudgins, sister-in-law of Mrs. Anna Dickson, died Friday of last week in Fort Worth and funeral services were conducted in that city. Mrs. Hudgins lived in Memphis for several years ago and moved to Fort Worth several years ago. Mrs. Dickson had been making her home with her son, who was killed by two children, one of Fort Worth and one of Lakewood. Mrs. Dickson attended the funeral.

Rev. Tennon Is New Pastor of Baptist Church

Rev. Clifton R. Tennon of Ozona has been named pastor of the First Baptist Church of Memphis, Weldon Lewis, educational director announced this week. Rev. Tennon will replace Rev. Jeff Moore who resigned about four weeks ago to accept the pastorate of a Baptist church in Mangum, Okla.

Rev. Tennon is a graduate of Wayland College and holds a bachelor of arts degree from Howard Payne, and a Th. M. degree from the Baptist Seminary at Fort Worth. He has been preaching for seven and one-half years, and was pastor of the Central Baptist Church, Wichita Falls, and the First Baptist Church at Shamrock before going to Ozona. Following Rev. Tennon's visit here on November 10, members were called into conference to determine their wishes as to having Rev. Tennon come here as pastor. For the first time in the history of the church, ballots cast were 100 per cent in the affirmative, Mr. Lewis stated.

Mrs. Tennon attended the Southwestern Seminary at Fort Worth where she studied religious education. She is an active worker in the church and at this time is serving as president of the association of Women's Missionary Union at Ozona. Rev. and Mrs. Tennon and their 13-month-old daughter will move to Memphis about the first of December to assume their work with the local church.

T. E. Noel Heads House and Yard Contest Committee

The committee to work on the "House and Yard Lighting Contest" to be sponsored by the Memphis chamber of commerce for Christmas has been announced by Manager J. B. Crockett. The committee is composed of T. E. Noel, chairman, J. M. Ferrel Jr., and Ace Gailley.

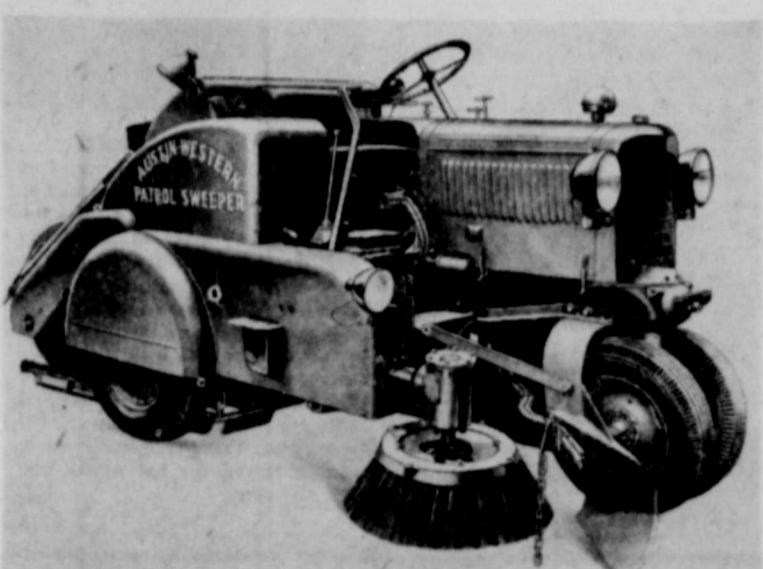

The committee will make definite plans for the contest, choose the judges, assist in the registration of contestants, and arrange all details for the successful operation of the contest as well as assist in awarding the prizes to winners.

Chairman Noel said: "We hope this contest will appeal to the people of Memphis and that a large number of homes and yards will be decorated. We would like to see no less than 100 homes entered for the prizes. Memphis has all the requirements for a beautifully decorated town during the Christmas season and it can be a delight to the local people as well as a pleasure to visitors and to those who may be driving through our city. Some of the small children will be able to see our town really decorated for the first time since the war prevented extensive decorating for a number of years. The citizenship is invited to participate in the contest."

MEMPHIS ALL-STARS WILL PLAY CLARENDON JUNIOR COLLEGE NOV. 22

The Memphis All Stars football team will start their grid season Friday at 8 p. m. when they meet the Clarendon Junior College eleven at Broncho Stadium in Clarendon. Coaches Wendell Harrison and Euster Helm stated after Sunday's workout that they have plenty of material to pick from and that they expect to have a strong team as all the boys turning out for practice are working hard for a place on the starting team. Probable starting line-up for the local All Stars will be: W. H. Butler, B; Frank Smith (all district back), B; Clifford (Swoon) Vandevanter, B; Coach Curtis Kelly, B; Alonzo Robertson (all district), LE; G. Carman, LT;

CITY'S NEW STREET SWEEPER

Above is pictured the city's new \$4700 street sweeper which is already being used in the regular cleanup program announced recently by members of the City Council.

REGULAR STREET CLEAN-UP BEGINS WITH ARRIVAL OF NEW SWEEPER

Cleaning of city streets started Monday afternoon, following the arrival of a new street sweeper. The sweeper was ordered over a year ago by the city, and delivery was delayed several months after date it was promised.

"Now we're going to keep our streets clean," R. C. Cummings, street commissioner stated. "We have two men regularly employed on street work, and have hired another. And the new sweeper will run night and day until the job is finished."

The square will be cleaned three times each week, or more often if necessary, Cummings said. Every paved street in the residential district will be gone over once each week, but if conditions warrant, the paved streets will receive the attention of the street cleaning crew more often.

During the past few days, a crew of workmen have been busy hauling off dirt which has been collecting on the paved streets. Shovels were used and the dirt was loaded into city trucks. Monday afternoon the new sweeper cleaned part of 10th street, and picked up two loads of dirt.

The new machine is known as an Austin-Western patrol sweeper, and is equipped with a 150-gallon water tank. Streets are sprinkled as the sweeper moves along in order to settle the dust. Its speed is 8 miles per hour. A representative from the factory is in Memphis this week instructing city employees in the use of the sweeper.

The new sweeper cost the city \$4,731.65, and was paid for upon its arrival, city officials said.

Herrington Trio To Give Program

Be sure to leave Friday night open for the Herrington Trio, noted for their gags and music, will be at the Memphis High School auditorium on that night. Their show consists of the trio, the country boy, and Sid Grayson, master of ceremonies. It will be a full 1-1/2 hour of music and fun with coasts and free prizes. The trio broadcasts regularly over station KWFT, Wichita Falls. The senior class will get a percentage of the proceeds.

Democrat To Be Published One Day Earlier Next Week

To make it possible for the members of the staff to observe Thanksgiving, The Democrat will be published one day early—Wednesday instead of Thursday—next week.

Club reporters are urged to turn in their reports in advance of the usual time so that the reports can be published. Correspondents are likewise requested to send in their columns early. Publishers also ask that advertisers have copy for their ads prepared a day in advance so that the newspaper may be mailed earlier.

Memphians Urged To Attend Union Service Nov. 28

A union Thanksgiving service will be held at the First Methodist Church in Memphis Thursday morning of next week at 8 o'clock, Rev. Aubrey C. Haynes, announced this week. "This is an early hour but the service has been placed at this time so that those who desire to go out of town or have other engagements planned may be able to attend the service first," Rev. Haynes added.

Rev. B. L. Peacock, pastor of the First Presbyterian Church, will bring the message.

The entire citizenship of Memphis and surrounding area is urged to attend this union service, Rev. Haynes stated.

Thomas P. Fancher Dies at Lakeview Monday, Nov. 18

Funeral services for Thomas Pinckney Fancher were held at the First Baptist Church at Lakeview at 2:30 o'clock Wednesday afternoon, conducted by Rev. L. M. Clements. Burial was made in the Lakeview cemetery with Womack Funeral Home in charge of arrangements.

Fancher was born in Louisiana June 15, 1881, and died at his home at Lakeview November 18, at the age of 65 years, 5 months, and 3 days. He was married to Miss Frances L. Amason at Altus, Okla., November 4, 1907. He moved with his family to Hall County in 1926, and had been engaged in farming.

Survivors are the wife; two daughters, Mrs. Ruby Perkins of Silverton, and Mrs. Jewel Grand of Amarillo; five sons, Lawrence Fancher of Vallejo, Calif., Andrew, William, Walter, and Henry Fancher of Amarillo; a sister, Mrs. Burt Strothers of Martha, Okla.; and 18 grandchildren. Pallbearers were Roy Gilbreath, Del Wells, Charlie Crozier, Fred Brown, George Blewer, and Walter Bownds.

Jury Frees Negro Tues. On Charge of Murder

A verdict of "not guilty" was rendered Tuesday of this week by the jury in the second trial of Gabriel Smith, negro, who was charged with the murder of McKinley Smith, another negro.

A previous trial resulted in a hung jury on October 10. Smith pleaded guilty to the shooting, and his defense argument was based on the plea that he shot McKinley Smith in self-defense.

J. O. Fitzjarrald, defense attorney, introduced a number of witnesses during the trial, and a number were introduced by the State. The court room was crowded during the giving of testimony.

The jury deliberated only 15 minutes after being charged by Judge Gribble, before returning to the court room to render their verdict.

Letters to Santa To Be Published Before Christmas

Already, letters to Santa Claus are being received at The Democrat office in response to the request printed in last issue of The Democrat.

Boys and girls of this area are urged to get their letters in as soon as possible in order that they may be published about December 19.

By turning the letters in early the compositors will have time to get them set in type for The Democrat, and then sent to Santa Claus in order that he may know the wants of all the boys and girls.

Contact Office To Aid Veterans Will Open Here

Veterans of Hall County who need information will soon be able to secure that aid in Memphis, Luther T. Nance, field manager of the Veterans Administration contact office in Childress, stated when he was in Memphis Monday. "We are opening an office in Memphis beginning the first Thursday in December," Nance stated. "This office will be located in the county court house in the commissioners court room, and will be open the first and third Thursday of each month from 9 a. m. to 4 p. m."

Frank S. Broseham, contact representative, will be in charge of the Childress office. Nance will serve 11 counties in this area. Counties included in his territory include Collingsworth, Donley, Hall, Motley, Cottle, Hardeman, Hard, Dickens, King, and Knox.

"We want the veterans of this county to feel free to come to us for any information or aid they might need," Nance stated. "Any benefits veterans are entitled to under laws passed by congress and handled by the Veterans Administration can be handled through our office."

Nance also urged any veteran needing immediate assistance in case of an emergency to contact the office in Childress, which is located in the court house. The telephone number of the Childress office is 880.

Robert W. Sisson is regional manager of veterans affairs in West Texas, with headquarters in Lubbock.

Nance explained the desire of all contact representatives of the Veterans Administration to help veterans apply for educational or on-the-job training benefits, hospitalization or medical care, loan guaranty or disability compensation.

Cyclone Is Defeated By Bronchos Here Last Friday Night

The 1946 Cyclone grid season ended last Friday night with the Clarendon Bronchos nosing out the Memphis team by the slim margin of 14 to 13.

The first period proved to be the most exciting of the game. Bilbo of Clarendon received the opening kick-off from Lamkin and raced 70 yards for a touchdown. The kick for extra point was good making the score 7 to 0 in the first minute of play.

Then Memphis received, and the first play crashed through the middle of the line and raced 60 yards for a touchdown. Memphis tried a running play for the conversion, but failed, leaving the score 7 to 6 in the first two minutes of play.

The second quarter found the Cyclone in possession of the ball most of the time. Late in the quarter the Cyclone, on a series of line plays and end runs by Lamkin and McQueen, aided by excellent blocking, drove from their own 40 yard line to the Bronchos 10 to be stopped by the half period whistle.

The Cyclone came back in the third quarter determined to strike pay dirt, and on a series of line plays Lamkin and McQueen picked up 70 yards for a touchdown. (Continued on page 7)

Plans Complete For Thanksgiving All-Star Game

Plans are now complete for the Thanksgiving all-star football game Thursday of next week, between Memphis and Wellington, Herbert Curry, local all-star manager, announced this week.

The game is being sponsored by the local VFW post, and all proceeds taken in from ticket sales will be placed in the unit's building fund.

The game will highlight local Thanksgiving activities. It is expected that most business firms will be closed during the day, and a record turnout is expected. Admission charges will be the same as charged for high school games of this season.

Greenbelt Water Association Has Meeting Nov. 20

The monthly meeting of the Greenbelt Waterworks and Sewerage Association was held in Memphis at Bob's Cafe Wednesday night with representatives from Wellington, Childress, Paducah, Matador, Turkey, Quitaque, Estelline, Clarendon, and Memphis present.

A steak dinner was served, after which a business program was held. F. M. Aid of Johns Manville showed a film, "Evolution of Johns Manville Water Pipe," in which the various steps of making and laying pipe were shown.

The Community Public Service company of Memphis was host for the occasion.

Duck Season Opens Nov. 23; Hunters May Purchase Stamps at Post Office

Local duck hunters will be taking to the fields and streams of this area after Saturday, November 23, the day the season opens in Texas. And the only limitation on hunting will be lack of shotgun ammunition as well as lack of migrating game.

migratory bird hunting stamps (duck stamps) can now be obtained at the local post office. They cost each hunter \$1.00 each. "This money is not a tax," Thompson explained. "Every cent of it goes to the U. S. Department of the Interior, Wildlife Service. And all monies collected will be spent in the conservation of wildlife."

National authorities predict the greatest number of sportsmen will attempt to take their bag limit this season, due to the pent-up desire brought on by the war years. Ammunition is scarce in all local stores, although some hunters have been shopping for shells for many months, and report they are well supplied.

Here is a review of information released recently by the United States Department of the Interior pertaining to duck hunting:

The season opens November 23 in Texas; closes evening of January 6, 1947.

Ducks may be taken one-half hour before sunrise to one-half hour before sunset during the open season.

The daily bag limit is seven of

EMPTY CHRISTMAS STOCKINGS . . .

The children of Italy will wake up Christmas morning with empty stockings unless American children donate their old dolls, wooden and tin toys, pencils, writing pads, picture books and other gifts to the God-Parents for Italian War Orphans' committee. They will be shipped overseas immediately by American Relief for Italy, Inc. This Italian youngster shows his pleasure at gift of clothes he recently received.

any kind or in any combination of all kinds.

Any hunter may have in his possession not more than 14 ducks of any kind or combination of all kinds.

Ducks may be taken with or by use of a shotgun not larger than No. 10 gauge fired from the shoulder; or by bow and arrow, and by dog. The use of automobile or aircraft is prohibited.

Automatic-loading or hand-operated repeating shotguns must be plugged to limit capacity to only three shells.

Violation of the Migratory Bird Treaty Act, non compliance with any regulation thereunder, or failure of a waterfowl hunter over the age of 16 years to have a properly signed migratory-bird hunting stamp of current issue on his person while hunting will subject the offender to a fine of not more than \$500, imprisonment for not more than six months, or both. Hunting stamps are obtainable at all post offices.

NATIONAL FLOWER WEEK . . .

November 3-10 has been named as National Flower Week, in which to pay tribute to flowers and the inspiration they bring to our everyday lives. Mums will play an important part in winter decorations and will be a favorite at all football games. The smiling girl above wears a mum with her roo'tin' colors. Mums are one of the oldest flowers known, and can be traced back to China more than 3,000 years ago. The girl with the smile can be traced—by her mums and her cheering.

Duncan is out of the dog-house!

Mrs. DUNCAN has just finished her Fall housecleaning, and Duncan is welcome in his own home again.

Curtains, crisply ironed, hang at the windows. Rugs are bright and clean. Blankets, sweetened by sun and suds, loll contentedly on the beds. Everything's fresh and shining. Mrs. Duncan is tired, but happy. Mr. Duncan is happier. The dog is happiest of all.

Once housecleaning was the housewife's horror. Now, with modern electric gadgets, the semi-annual cyclone is finished in half the time with half the effort.

And not only housecleaning—but all household chores—are easier, simpler, when electricity lends a willing hand. This versatile servant cooks, cleans, washes and irons, brightens the home, guards health, scoops entertainment from the very air—and all for the cost of a bar of soap daily.

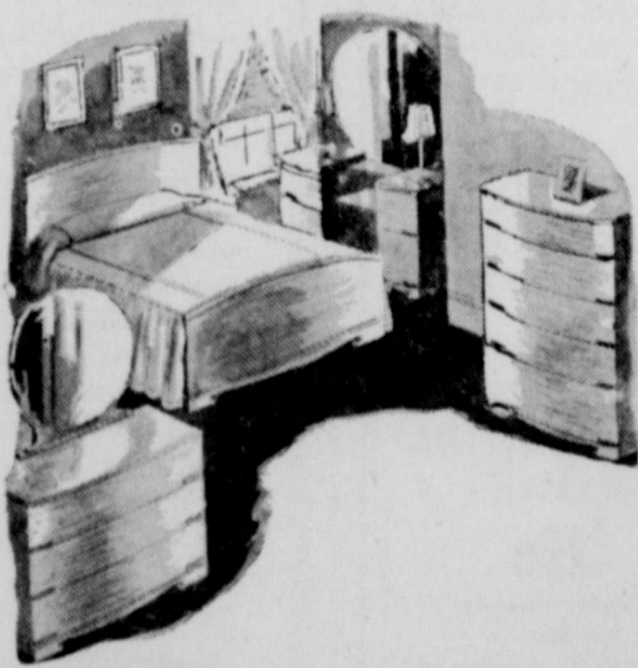

This greatest of household bargains comes to you through the practical experience of your friends and neighbors in this company, under sound business management.

Don't Catch Them, Don't Spread Them— Health Committee Gives Suggestions For Controlling Common Winter Colds

Do you have a cold? If you don't, try to avoid getting one. If you do have a cold try to avoid passing it on to others. This timely advice was issued by the Health Committee of the Memphis chamber of Commerce.

"Most persons have one or more colds a year," members of the committee said. "Colds are spread by coughing, sneezing, and explosive speaking, all of which cause a fine spray of droplets from the

mouth and nose of infected persons to fall upon any unfortunate victim within short range. These droplets carry the minute viruses which are the cause of colds. Colds also are transmitted indirectly by handkerchiefs, eating utensils, or other articles freshly soiled by the discharges from the nose or mouth of an infected person."

The Health Advisory Council of the U. S. chamber of Commerce has called to the attention of local chambers of commerce throughout the country, the recommendations of the U. S. Public Health Service and the American Public Health Association for the control of the common cold. These recommendations include the following suggestions:

As soon as a person recognizes

that he is catching a cold, he should avoid direct or indirect exposure of others, particularly young children, feeble or aged persons.

Rest in bed during the acute stage of a cold is good for the patient and helps protect others from exposure.

Soft paper handkerchiefs which can be burned or flushed away, should be used to avoid contamination of hands and articles of common use. Cloth handkerchiefs that are to be laundered should not be used by persons with colds.

Cover your cough or sneeze with a paper handkerchief — to avoid spraying others with infected droplets.

If you have frequent colds, an unusually severe cold, or a cough or cold that persists, consult your doctor and follow his advice.

NOTICE OF SHERIFF'S SALE THE STATE OF TEXAS, County of Hall SHERIFF'S SALE

Whereas, on the 21 day of September, 1946, in Cause No. 2997, in the District Court of Hall County, Texas, where The City of Memphis, Texas, Plaintiff, State of Texas, County of Hall, and Memphis Independent School District, Impleaded Party Defendants, were Plaintiff, Impleaded Party Defendant, recovered judgment against A. L. Stovall and Ruby Stovall, husband and wife, Lyde B. Crain, Harry Tackett, Mrs. Ellen Farquhar, a widow, W. S. Posey, W. X. Hazzard, deceased, F. O. Griffith, and the unknown heirs and legal representatives of each of said defendants are Defendants, for taxes, penalty, interest, and cost against the hereinafter described property:

Whereas, on the 4th day of November, 1946, by virtue of said judgment and the mandates thereof the clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

Whereas, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 4th day of November, 1946, seize and levy upon as the property of the above defendants the following described property, situated in Hall County, Texas, to-wit:

First Tract: All of Lots Numbers 7 and East 1-2 of Lot No. 8 in Block No. 67 of the Original town of Memphis in Hall County, Texas;

Second Tract: All of Lot No. 1 in Block No. 4 of L & R (Lorraine & Reimold's) Addition to the town of Memphis in Hall County, Texas.

And I will on the first Tuesday in the month of December, 1946, the same being the 3rd day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Memphis, Texas, between the hours of 2:00 p. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the defendants to have said property divided and sold in less divisions than the whole.

Dated at Memphis, Texas, this 4th day of November, 1946.

Hall County, Texas. 22-3c

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, neuraches, dizziness, getting up nights, red pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

Sister Kenny Day Is Proclaimed in State

Saturday, November 23, has been designated Sister Kenny Day in Texas, in a proclamation issued by Governor Coke R. Stevenson. Campaigns now being conducted in more than 150 Texas counties will put forth special efforts to complete their county quotas on this day and make their reports to State Headquarters at Driskill Hotel in Austin, it was announced by George C. Francisco Jr., of Houston, chairman of the Texas chapter, Sister Elizabeth Kenny Infantile Paralysis Foundation.

Chairman Francisco has announced the Texas quota as \$150,000. These funds will be used in training technicians, and building up a fund which will be used in establishing a Kenny clinic in Texas where the Kenny method of treating polio, the most successful yet known, will be available to all victims.

The picture, "Sister Kenny," in which Rosalind Russell plays the role of the famous Australian nurse, will be shown in more than 50 Texas towns during the first week in December.

News Items From Junior High School

By SCHOOL REPORTER

Education Week was observed in various ways by children, parents, and teachers of Junior High School. Thursday of last week school was dismissed at noon and the children were asked to return, with their parents if possible, for the usual afternoon classes. Parents were invited to meet the teachers and to observe the work being done by the children.

Demonstrations were given in the use of the opaque machine and of the movie projector as aids in our schools of today. A display of some of the work done by the pupils this year was exhibited in the library and in the class rooms. After the last classes, visitors were invited to see this display. Doughnuts and coffee were served by the Junior High Club. Approximately 70 per cent of the homes of our pupils were represented by one or both of the parents.

Although football season is almost ended, interest is still high in Junior High. Both captains and co-captains have been elected for each section. Each day at noon a matched game is played. The boys of each section are backed by pep squads who really have the pep.

Friday, Mr. Hooser, organized the Junior High 4-H Club. Fifty boys have joined, each planning to work on two or more projects. Ralph Lockhart was chosen reporter.

We have had four new pupils

enroll during the last week. They are Richard McGlocklin whose parents are former residents of Memphis; Iris Ann Cryer from Houston; and Harvey and Max Kennedy from Hereford. Max is in the seventh grade, the others are in the fifth grade.

The language class of section 51 has made a very interesting museum of old things. Among the items brought are an Indian corn grinder brought by Marthlyn Burnett, a doll 57 years old brought by Shirley Annette Miller, a 62-year-old hymn book brought by Patsy Pryor. Other things are Indian head pennies made in 1890, an old sugar bowl, and shells from the Pacific Ocean made of mother-of-pearl.

Classes Choose Queen Candidates

Candidates for queen of the Memphis High School were chosen Monday when all five classes met to elect a girl to represent their class. Patsy Richards was chosen as senior candidate, Nadine Hancock, junior candidate; Leota Sturdevant, sophomore; Joyce McDaniel, freshman; and Patricia Alexander, pre-freshman.

The high school queen will be determined at the customary pie supper which is held each year. The date for this affair has not been set.

Each class has appointed a campaign committee and various activities are being carried out in order to raise money to aid their candidate. All classes have high hopes of winning this year and are working harder than ever before, school officials stated.

Proclamation

WHEREAS, Thursday, November 28, 1946, is Thanksgiving Day in the United States, and

WHEREAS, this is a day set aside to offer prayers of thankfulness for our American blessings; for the present gift of courage and strength to work and progress; for the future with its promise of a brighter, better world; and

WHEREAS, it is fitting that we pause in our many and varied tasks, and join in observing our second peace-time Thanksgiving since the end of World War II;

NOW, THEREFORE, I, C. C. Hodges, mayor of the City of Memphis, respectfully request all business firms to close Thursday, November 28, 1946.

Mayor, City of Memphis

Victory Climaxes B Squad Season

By SCHOOL REPORTER

The Estelline Bear Cubs journey to Cyclone Stadium last week to engage in a gridiron skirmish with the Whirlwind, the B team of the Cyclone, and were beaten by a score 39 to 0.

The victory, only one of many for the Whirlwind, climaxed a very successful season for the Memphis team. In five games played by the B team they ran up a total score of 111 to their opponents 13.

The season's record is as follows:

- Memphis B, 27, Lakeview 0.
- Memphis 19, Estelline 7.
- Memphis 9, Childress 6.
- Memphis 26, Estelline 6.
- Memphis 39, Estelline 0.

Sparking the backfield in the final game were the two Morrison cousins, Don and Charlie. Many sensational runs were made by each "horseman."

If records mean anything, part of the B team should make themselves known as members of the Cyclone next year.

Starting the game were C. Morrison, D. Morrison, Pycatt, and Grgen in the backfield; Rasco and Jarrell, ends; McQueenand Clark, tackles; Messer and Childress, guards; and Knight, center.

tunate in having the able and high type leadership and teaching personnel as we have in our schools at this time," H. E. Tarver, chamber of commerce president, said.

"Mr. Davis is to be congratulated on the splendid program his education committee developed and executed.

"The chamber of commerce is vitally interested in maintaining the present education program and developing it to the highest possible point. The support of the business men of the city and the patrons of the schools was an encouraging sign of increasing interest in school work by these groups. An increasing interest in teacher pay all over the United States indicates that there should be a revision upward in this weak spot in education in a very short time."

Lakewood Farms Chooses Directors

A meeting of members of the Lakewood Farms, Inc. was held Thursday, November 7, for the purpose of selecting officers and directors, it was reported this week.

Officers and directors elected are G. H. Hattenbach, president; D. A. Neeley, vice president; W. V. Coursey, T. D. Weatherly, B. E. Davenport, M. M. Lewis, C. R. Webster, T. M. Potts, G. L. Watson, E. E. Cudd, Oren Jones, W. A. Simmons, and E. P. Thompson.

Committees were named as follows: Finance—T. M. Potts and F. N. Foxhall; Grounds—J. I. Barnes and James F. Smith.

FFA Boys Making Plans to Attend Fat Stock Show

By SCHOOL REPORTER

Twenty-six FFA members pulled 5,323 pounds of cotton last Thursday, and made \$106 to help pay their way to the Fort Worth fat stock show next March 6.

The boys were paid \$2 per hundred for pulling by their employer, Olar Wynn, and each boy tried to make at least \$4. The boys were allowed to keep anything they made over that amount out had to make up the \$4 if they did not pick the required amount.

Some of the smaller boys were only required to pull 150 pounds. Instructor McCreary did most of the weighing, was well pleased

with the boys' work, and states that the boys have big plans for the show.

Miss Billy Joe Prater attended the Texas-TCU football game at Fort Worth last Saturday.

A STEP IN THE RIGHT DIRECTION

WHAT MAY PROVE to be one of the most beneficial moves as far as veterans of World War II are concerned, is the announcement this week of contact offices being set up all over West Texas.

The Veterans Administration has received criticism from all sources during the last several months. One of the most common "gripes" coming from veterans was the delay caused by "red tape." Many complain because administration employees showed very little interest in their problems.

Contact offices are trained in assisting veterans in filling out forms of all types. They are a source of information in all things pertaining to education, training, loans, medical care, disability compensation, etc. In any case these men know how to apply their specialized knowledge in the best way suited to the needs of the veterans who go to them for an intelligent and workable solution to any problem.

Now the veteran will not be sent from one place to another to receive whatever information he might wish, but may consult the nearest contact representative. If necessary these representatives will go to the veteran's home.

Time will prove how beneficial this new setup is. We believe it is a step in the right direction.

CAUTION THE YOUNGSTERS ABOUT FIREWORKS

WITH FIREWORKS again available, and the desire of every youngster to make a "big noise," it's timely to point out again that the shooting of fireworks within the fire zone of the city is prohibited.

Every parent is conscious of the danger of handling fireworks, but many of us need to be reminded again about the stories published each year about careless youngsters who receive mutilated hands, or other injury from indulging in "shooting firecrackers." It is up to the fathers and mothers to caution the youngsters about the danger of handling these toy explosives. Then if these young men (and young women) do go in for fireworks, they will take all possible safety measures to prevent a regrettable accident to themselves or to others.

The ordinance, which prohibits the shooting of fireworks in the fire zone, will be enforced. This is as it should be due to the danger to property and persons in the congested area.

We can still have the traditional firecracker shooting during the holiday season, and do it safely. It is a recurrence of an old problem, and should receive some thought by all citizens.

Bank loans on Life Insurance

Most life insurance policies have what is called a "loan value," meaning the amount of money that the insured person may borrow on his policy at a given time. How much this amount may depend upon the size and type of policy and the length of time it has been in force.

Policies that have a loan value are good security for a low-cost loan at our bank. Such loans are promptly and conveniently arranged without red tape. Ask us for details.

Pensions and Promises

Pension supporters didn't miss the boat in the last gubernatorial election in Texas. Beauford Jester is the only candidate for governor who ever went back to the pensioners after his election. Last Saturday the soon-to-be governor spoke to a group of pensioners at Dallas. He said that he favored the \$40 ceiling on pensions and would, if necessary, ask for removal of the present ceiling in order to pay the full amount. Mr. Jester could have overlooked the meeting without dire consequences to himself. The fact that he didn't indicates that the incoming governor is a man who doesn't forget promises easily.—Dalhart Texas.

Free Publicity

Not so long ago The News received a year's subscription form a government bureau located down at Fort Worth. A few days after the check was received, in

asked a well dressed, but seemingly brainless bureaucrat. He asked why we had not been publishing the releases which were sent to us. We asked if this agency expected to receive \$100 worth of advertising in exchange for the \$2.00 subscription, and if this was his game we would gladly refund the money. So far no reply.—Canyon News.

Back in the days, when, outside the South, the country was almost solidly Republican (in the Coolidge era), Amon Carter was riding on the train with his friend, Will Rogers. The cowboy philosopher met another passenger, who had recently made the race for Governor of a Mid-Western state as the Democratic nominee. That day, Will wrote in his column, "On the train today had the pleasure of meeting the man who ran for governor of Iowa on the Democratic ticket. Also on the train

were the two men who voted for him."

This Week in WASHINGTON

Washington, D. C. THE smashing Republican victory at the polls November 5 has left official Washington gasping for breath. Although there was a pessimistic feeling throughout the various governmental agencies and many believed that the GOP would capture the house, the feeling was that the Democrats would retain control of the senate, and the results are being viewed as a repudiation of the Truman administration.

So serious is this view taken that one Democratic senator, Fulbright of Arkansas, has suggested that President Truman resign. The Washington Post, Independent, while castigating the Fulbright suggestion, goes so far as to declare that President Truman owes it to the people to name a new cabinet composed of Republicans.

Insofar as the 80th congress is concerned, however, there is likely to be little difference except for the new faces and new committee chairmanships. As a matter of fact, due to the Republican-Democratic coalition which negatively controlled the 79th congress, the records show that there will be little difference in the attitude of the new Republican chairmen to the old Democratic chairmen and on all but a handful of the 19 committees in the house and 15 in the senate, conservative Democratic chairmen will be replaced by conservative Republicans and liberal Democrats by liberal Republicans.

There is indeed belief expressed freely here that the new congress may either repudiate the new congressional organization act which slashes the number of committees, or ignore that portion of the act which does reduce the committees and go ahead with the reorganization on the old grandiose scale.

The most conspicuous exception to the sameness in thinking, however, will be in the house banking and currency committee which handles such measures as price control, housing and foreign loans. Brent Spence (D. Ky.), thorough New Dealer, who went down the line for OPA and other administration bills, will be succeeded by Jesse P. Wolcott (R. Mich.), party-line Republican who sponsored many of the restrictive amendments to the OPA bill.

The policy change involved in this important and powerful house rules committee likely will be more apparent than real when the veteran Adolph J. Sabath (D., Ill.) is replaced by Leo E. Allen (R., Ill.). Anti-administration Democrats on this committee have long been combining with Republicans to block administration measures, so although the viewpoints of the chairmen may differ, actually the policy of the committee will shift but slightly.

In the senate, Arthur Capper, 81-year-old Kansas Republican and veteran of the senate since 1919 may become president pro tem replacing Kenneth McKellar (D., Tenn.). This place may fall to Wallace White (R., Maine) or Vandenberg (R., Mich.). Sen. Robert A. Taft (R., Ohio), chairman of the GOP steering committee is the logical choice for the majority leader but may refuse it and it may fall to Kenneth S. Wherry (R., Neb), relentless New Deal foe.

Of course Joe Martin, Jr. (R., Mass.) will take over the speakership from the veteran Sam Rayburn of Texas and either Charles A. Halleck (R., Ind.) or Clarence Brown (R., Ohio) may become house majority leader.

If the reorganization act is followed and strict seniority rules apply, Capper will get the senate agricultural committee; Styles Bridges (R., N. H.), the senate appropriations; Chan Gurney (R., S. D.), armed services; Charles W. Tobey (R., N. H.) will get banking and currency; William Langer (R., N. D.) or Clyde M. Reed (R., Kan.) will get civil service; Taft will get senate finance; Vandenberg will get foreign relations; Wallace White, interstate and foreign commerce; Alexander Wiley (R., Wis.), judiciary; Owen Brewster (R., Maine) is in line for public works and C. Wayland Brooks (R., Ill.) for rules and administration.

In the house, Clifford R. Hope (R., Kan.) likely will succeed John W. Flanagan, (D., Va.) as house agricultural chairman; John Taber (R., N. Y.) will be appropriations chairman; Richard Welch (R., Cal.), education and labor; Charles A. Eaton (R., Pa.), foreign affairs; Charles A. Wolverton (R., N. J.), interstate and foreign commerce and either Peter G. Holmes (R., Mass.) or George A. Dondero (R., Mich.) chairman of the public works committee.

of Fort Worth who ran a boarding house. This citizen decided to run for mayor and received 11 votes. The ex-candidate put a notice in the paper that if those who voted

for him would come by, he would be glad to have them as his guests for Sunday dinner. So many came that it took three hours to feed them all!

WHAT TO DO UNTIL YOU CAN GET A NEW CAR

NEW CARS are still very scarce. It may be a long time before there are enough to fill orders. Therefore your present car—no matter what its age—is a very valuable piece of property. Treat it as such.

IF IT IS A DeSoto or Plymouth, we urge you to bring it in for a periodic check and tune-up. This is an economical service and will surely save you money in the long run. Mrs. W. Wilson Is Speaker at Auxiliary Meeting

Mrs. W. Wilson spoke to members of the Woman's Auxiliary of the American Legion when it met in regular session Thursday of last week in the home of Mrs. Charles Drake. Mrs. Emma Bas-

kerville was co-hostess. Mrs. Wilson gave an interesting and instructive talk pertaining to the attitude one should assume in the treatment of the blind. Her lecture was based on an article entitled "Fearless Eye" written by Ruth Downing. Miss Downing is a nurse and her article was written following a study of veterans who have lost their eye sight.

Mrs. M. G. Tarver, vice president, presided at the business session in the absence of the president, Mrs. Oren Jones. At this time Mrs. O. V. Alexander was appointed as delegate to the district convention in Amarillo which was held November 16-17.

A refreshment plate was served to Mesdames Betty Frank, Herbert Curry, Lucille Randal, Genevieve Gilreath, Ray Childress, M. G. Tarver, E. E. Lane, W. Wilson, O. V. Alexander, E. T. Prater, Pearle Massey, Banta McClure, Ottie Jones, H. H. Lindsey, Emma Baskerville, Chas. Drake, Gene Lindsey and Pamela, Dink Dennis, and one guest, Mrs. Moreman.

MR. AND MRS. LEO THOMPSON

Watts-Thompson Vows Are Exchanged In Amarillo Ceremony Friday, Nov. 8

Miss Faye Watts, daughter of Mr. and Mrs. Wayne Watts of Earth, became the bride of Leo Thompson, son of Mrs. E. O. Patrick of Amarillo and Glynn Thompson of Memphis, Friday evening, November 8, in the First Christian Church of Amarillo. The double-ring ceremony was spoken at 8 o'clock by M. C. Cuthberton, minister of the Central Church of Christ, in the presence of about 70 relatives and friends.

The bridal party entered the church parlor to stand before an improvised altar of white chrysan-

themums and greenery. Pre-nuptial selections played by Mrs. Wayne Taylor, pianist, were "Always," "I Love you Truly," "Till the End of Time," "This Is Always," and the traditional wedding marches.

The bride, given in marriage by her father, was attired in an aqua suit with luggage tan accessories and wore a shoulder corsage of white carnations with flocked plumpus fern.

Miss Betty Killian, maid-of-honor, wore a pastel blue suit with British tan accessories and a corsage of white carnations and fern.

J. W. Harrison served as best man. Mrs. Watts, the bride's mother, wore a gray pin striped suit with brown accessories and a corsage of white carnations. Mrs. Thompson, step-mother of the groom, wore a black crepe dress trimmed in fuchsia complemented with black accessories and a white carnation corsage.

The bride was graduated from Ralls High School and at the time of her marriage was employed by Lockhart Cleaners in Amarillo as a silk and wool finisher.

The groom is a graduate of the Memphis High School. He entered the U. S. Army air corps and served most of three years overseas in England, France and Germany. He received his discharge about a year and a half ago and is now a civilian employee at the Army Air Field in Amarillo.

Immediately following the wedding, the bridal party was honored at a reception in the home of Mr. and Mrs. Doc Vaughn, 721 West 16th. A three-tiered wedding cake, topped with a miniature bride and groom, centered the dining table which was covered with an imported lace cloth.

The couple will make their home at 501 North Johnson Amarillo.

Attending the wedding from Memphis were Mr. and Mrs. Glynn Thompson, father and step-mother of the bridegroom, Glenn Stilwell and Bobbie Jack McMurry.

Polio Epidemic Greatest Since 1916, Says Basil O'Connor, National Foundation Head, in Annual Report

Officials of Howard County, Brownwood, Texas, has been a member of Alpha Phi Omega, an honor society, and is now a member of the college and is receiving ten per cent of the proceeds of the junior and senior prom to be elected as organization.

Just how serious the disease really has been was revealed last week in a report on the 1946 Polio Epidemic by Basil O'Connor, president of the National Foundation for Infantile Paralysis.

The epidemic this year is second in severity to the polio epidemic of 1916, when 27,363 cases were reported in 28 states, and 10,000 deaths were reported.

On October 12, a total of 100 instances of polio infection were reported throughout the country—almost doubling the year's total. Deaths from the disease, however, will average less than 5 per cent, O'Connor predicted, as compared with 10 per cent in 1916.

"There was no place where it would break out and wherever polio struck,

it spread in ever increasing concentric circles, like the ripples from a stone splashing in a pool."

Pre-seasonal incidence — epidemics usually break out from late June through September — occurred in Texas and Alabama, as well as in Florida. By the end of June, the number of cases being rising in Minnesota and Colorado, and by the middle of July, the entire Mississippi Valley was experiencing a major increase in the number of cases.

The eastern seaboard states, where the 1916 epidemic struck most heavily, were relatively free of polio this year.

Virtually every epidemic in the country this summer has been studied first hand by scientists working under March of Dimes grants through the National Foundation, O'Connor reports.

A new field service unit, consisting of a truck and trailer containing laboratory equipment, was put in use this summer by the National Foundation.

Interchange of equipment between all sections of the country greatly aided the polio fight this year. Equipment such as iron

lungs and hot pack machines were sent out to trouble spots by the Foundation, and were shifted rapidly around the country as the need arose.

So far this year, up to October 16, national headquarters had sent \$3,532,335 in epidemic aid alone to chapters whose local funds were exhausted by demands of the epidemic.

This, of course, the report continues, is not the whole story of the 1946 epidemic. Not only is incidence continuing, but the care and treatment of some of the victims will go on for months.

With the current epidemic infecting more than 20,000 persons, the Foundation's epidemic aid reserve of \$4,000,000, undoubtedly will be soon wiped out, O'Connor reported.

State Tractors Seen Numbering 200,220 by 1950

Texas may have as many as 200,220 tractors rumbling over its farm lands by 1950 under the impetus of a vigorous nation-wide drive toward complete agricultural mechanization.

This number would be the state's quota of the 3,000,000 tractors expected to be in use on all U. S. farms by 1950, according to a study by SKF Industries, Inc. This full total is dependent, however, upon the South mechanizing to the same degree now prevailing

in the Middle Atlantic states.

"The demand for farm machinery, particularly tractors, is the heaviest in history," said C. W. Moore, market analyst for the ball and roller bearing company. Tractors are sorely needed to help the farmer to offset lost manpower and increased acreage and to continue to meet high food production goals."

Texas farms had an estimated 158,066 tractors on July 1, the study disclosed. Of these, between 20,307 and 26,981 are past their normal junking period and 7,003 more are wearing out annually.

"The farmer is in the best financial condition he has ever known," Moore said. "The demand for, and supply of, farm equipment are expected to con-

tinue a profitable relationship for some time," he added, pointing out that the state had a record gross farm income last year of \$1,189,301,000 from crops and livestock.

Moore said tractors and other farm machinery now in production or on drafting boards would enable the farmer to stretch his income dollar.

"Not only will this equipment be lighter in weight, but it will have better resistance to wear and corrosion," he said. "It will be equipped with anti-friction bearings that require fewer repairs and less frequent lubrication, and it will be easier and less expensive to operate."

"We've Never Had a Tire that Sold as Fast as the Tire that... OUTWEARS PREWAR TIRES"

"When you've got a good thing, word gets around fast... and word about the new B. F. Goodrich postwar Silvertown is certainly spreading around here.

"Seems everyone wants the tire that *Outwears Prewar Tires!* That's why it's so hard to keep them in stock—even with the factory's outstanding production.

"B. F. Goodrich users have been telling their friends about the wonderful tire mileage they are getting from the broader, flatter Silvertown tread... how it covers more road surface, hugs the road better, helps prevent skidding and slipping.

"... And they've mentioned the 35% stronger tire body, the result of an entirely new type stronger cord with more cords per ply. All this, you know, means greater safety—better resistance to bruises and road shocks.

"Any way you look at it, the new Silvertown is today's most-for-the-money tire for your car... well worth waiting for.

"If your order isn't in, place it now. In the meantime, if your tires are smooth, see us... we'll do our best to keep you rolling."

Church Ceremony in Houston Unites Juanita Terry and R. L. Adams, Jr.

The chapel of St. Paul's Methodist church of Houston was the scene of the wedding of Miss Juanita Terry, daughter of Mr. and Mrs. June Terry of Lufkin, and R. L. Adams, Jr., son of Mr. and Mrs. R. L. Adams of Lakeview, which was solemnized at 8 p. m. Sunday.

Dr. Dawson C. Bryan officiated before an altar banked with arrangements of bronze chrysanthemums in crystal vases, flanked by gleaming bronze tapers. Roger Williams sang the bridal solos, "Because" and "At Dawning."

The bride, given in marriage by her father, was attired in a blue suit trimmed with silver buttons, bronze accessories and a hat adorned with salmon feathers. She carried a white Bible overlaid with blue orchids showered with stephanotis and satin ribbon streamers.

Mrs. Fred Huston, sister of the bride and her only attendant, was gowned in a brown suit with matching accessories and carried a nosegay of bronze chrysanthemums.

Bailey Adams of Fort Worth served his brother as best man. Mrs. Terry, mother of the bride, wore black with a corsage of white gardenias and Mrs. Adams, the groom's mother, wore navy blue with a corsage of the same blossoms.

A reception honoring the couple was held following the ceremony at the home of the bride's uncle and aunt, Mr. and Mrs. George C. Turley. The lace-laid table held the ring cake embossed with orchids, flanked by white tapers, and the bride laid her bouquet on a mirrored plaque in the center to complete the decor.

Assisting were Mrs. Roger Williams and Miss Joleen Adams, sisters of the groom, and Mrs. J. O. Terry. After a wedding trip to New Orleans, the couple will make their home in Houston.

The groom, who was reared at Lakeview, served four years in the U. S. air corps.

Out-of-town guests attending the wedding were Mr. and Mrs. R. L. Adams and Bobby of Lakeview, Mrs. Earl Knight of Athens, Ga., Mrs. H. A. Donahoe, and Mr. and Mrs. Shirley Dickenson of Lufkin.
