The Lakeview FFA held a poultry show Friday, with 31 pen entries of two hens and a rooster each. T. H. Scay, Lakeview agriculture teacher reports.

First place pen was won by Jimmy Ray Gowdy; second place pen, Bob Laird; third place, Don Johnson; fourth place, James Verden.

A. James Dies Saturday

A. James, 72, a resident of County for 35 years, died at Wichita Falls hospital Saturday afternoon.

Funeral services, under the direction of Rev. Lloyd Scheffler, will be held at the Murphy-Spicer Chapel Sunday afternoon at 2 o'clock. Burial was in the cemetery under the direction of Murphy-Spicer-Estes Funeral Home.

Estelline Negro Is Shot Five Times Sunday

Bud Brown, 63-year-old negro, was shot five times at about 2:30 o'clock Sunday morning. The shooting took place at the McClendon place south of Estelline. Robert Douglas, negro, is being held in the county jail, charged with the shooting. Deputy Sheriff Grant Evans said. Bond has been set at \$1,000.

Members of C of C Attend Meeting in Amarillo Tuesday

Four members of the Memphis chamber of commerce attended a joint meeting of Kiwanis Club and the Amarillo chamber of commerce in Amarillo Tuesday.

Ralph Bradford, general manager of the national chamber of commerce gave a talk "Looking Forward Backward." He had given the same address in Miami last July, and it was received with such enthusiasm that he was requested to repeat it. In the (Continued on page 4)

Fire Department Checks Flames Of Burning Truck

An Amarillo Russell trailer truck with a load of cattle caught fire as it was approaching the curve on North 10th street Tuesday night. The driver, Bert Aardal of Amarillo, received severe burns on the hands and minor burns about the face.

The driver reported that he did not notice the fire until it was well underway. He jumped out of the right door of the truck while it was still moving. The right gas tank exploded and the truck overturned, enveloping the (Continued on page 5)

TWO EAGLE SCOUT BADGES AWARDED AT LIONS CLUB MEETING WEDNESDAY

Carl Jack Smith and Billy Howard West were awarded their Eagle Scout badges and certificates in impressive ceremonies at the regular Lions Club luncheon Wednesday, when the local club was host to the regular Court of Honor of Troop 35.

Scout Smith is the son of Mr. and Mrs. Carl Smith, and West is the son of Mr. and Mrs. H. O. West.

Assistant Scoutmaster Gene Robertson was in charge of the program, assisted by Scoutmaster Ted Myers. Cub Scout Billy Roden gave the Scout oath, followed by the song, "My Darling Clementine. Future Eagle Scouts Jack Knight, Don Corley, Bobbie Taylor and Leroy Green were introduced.

J. Claude Wells, editor of The Memphis Democrat, made the principle address. Taking as his subject "The Meaning of Scouting," Wells praised the Lions Club and (Continued on page 5)

Contract to Be Let on Highway

The county is now receiving bids to the right-of-way on the highway from Clarendon through Brice, and contract to pave a portion of it will be let in January or February, providing all the titles are clear, according to Judge M. O. Goodpasture.

The section on which the contract will be let is part of the road surveyed between Clarendon and Turkey, with about five miles in Hall County and two and a half miles in Danley County. This will complete the paving from Clarendon to Highway 252 at the top of Mulberry Hill, south of Brice.

Group from Boys Ranch and Sponsors On Rotary Program

Three boys of the celebrated Boys Ranch near old Tascosa and two leading sponsors of the project, Swede Tolzein and Pinky Vineyard, president of the Amarillo chamber of commerce, presented the Rotary luncheon program here Tuesday. Horace Tardner was program chairman for the occasion.

Tolzein, a musician, and one of the boys gave some selections on the violin and piano. One of the boys acted as master of ceremonies and told the audience how the boys of Boys Ranch appreciate being called upon to furnish programs, and then introduced

Million Dollar Bonfire to Be Held December 24

Memphis will witness a million dollar bonfire between 2 and 3 o'clock Tuesday, December 24, at the south front of the court house.

A motion has carried authorizing the county judge, county treasurer, and members of the county commissioners court to burn and destroy cancelled Hall County bonds totaling around \$750,000, according to Judge M. O. Goodpasture.

The bonds represent paid off and retired court house and road bonds, but do not include school bonds.

Mrs. Cunningham Dies at Home Sunday Morning

Mrs. Minnie Cunningham, 60, who had lived in this county for three years, died Sunday morning at her home six miles east of Turkey.

Funeral services were conducted by Rev. Oval B. Cogdill at the Hope Baptist Church in Turkey, Monday afternoon at 2 o'clock. Burial was in the Turkey cemetery under the direction of the Murphy-Spicer-Estes Funeral Home of Memphis.

Mrs. Cunningham is survived by three daughters: Mrs. Jack Smith, Turkey; Mrs. Dolly Stamper, Lawton, Okla.; and Miss Juanita Cunningham, California.

Flower bearers were Naoma Franks, Dorothy Stephens, Christine Stapleton, and Ina Dee Stapleton.

Grand Jury Returns Five Indictments

The grand jury of the Hall County District Court met Saturday and returned five indictments for felonies, two for forgery, two for theft, and one for concealment of stolen goods, according to information from the district court clerk's office.

Trials will take place the latter part of December.

Cars Collide on West Noel Street

Cars driven by Charlie Gowan and Carl Nelson collided yesterday in front of Flowers Service Station on West Noel about 5:30 p. m.

Although the cars were badly damaged the drivers received only minor cuts and bruises.

McKnown Announces Saturday Deadline On AAA Approval

All farmers who have applications for the practice of leaving stalks or grain sorghums on the land are being asked to return these approvals to the local AAA office not later than Saturday, Lynn McKown, ACA secretary, says.

No payment can be made for this practice unless the approvals are returned before December 15.

Mayor C. C. Hodges To Turn on Lights Saturday Night

Mayor C. C. Hodges will throw the switch at 7 o'clock Saturday night turning on all the new lights of the white way, Mack Wilson, utilities manager has announced.

The ceremony will be held on the north side of the court house lawn. The switch will be thrown from a truck, on which will be seated members of the city council and representatives of the West Texas Utilities company.

All citizens of Memphis and Hall County are invited, Mayor Hodges says. The Memphis High School Band will play during the ceremony.

Rev. C. R. Tennison And Family Move to Memphis

Rev. and Mrs. Clifton R. Tennison and baby daughter moved to Memphis this week from Ozona. Rev. Tennison succeeds Rev. Jeff Moore as pastor of the local First Baptist Church.

Preparatory to their coming the parsonage was completely redecorated on the inside; a new automatic floor furnace and an automatic hot water system was installed, Weldon Lewis, educational director of the church, said. Because it was impossible to hire the needed laborers, a group of the members met Thursday evening of last week and varnished the woodwork, polished the floors, and had everything in readiness for furniture to be unloaded.

Although the church has been virtually without a pastor for more than two months, attendance at all services has been exceptionally good, Lewis said. Barring inclement weather it is expected by church officials that the largest crowd in the history of the church will be present at the morning services Sunday.

County Committee Is Re-Elected

Delegates from five AAA communities met Saturday and elected the county committee for 1947, according to Lynn McKown, ACA secretary.

The present committee was re-elected by acclamation. Those on the committee are Richard A. Edleman, chairman, Estelline; Alga Turner, vice chairman, Turkey; Star D. Johnson, regular member, Brice; Carl C. Hill, first alternate, Parnell; and Marion Cross, second alternate, Brice.

The county committee, assisted by 18 community committeemen will supervise and direct the allocation of approximately \$140,000 in federal funds which will be allocated to Hall County for soil conservation work in 1947, McKown stated.

Tenth Street Gets Gravel, Embankment

Work was started Tuesday on an approximate 100-foot stretch of the 10th street curve of Highway 287. Weather permitting, it should be finished this week, Mayor C. C. Hodges said.

The city bought the triangle of land several months ago, and the State Highway Department is doing the work. The street will be graveled, and an embankment will be erected on the curve. Blinker lights to be placed at the curve have been ordered since March, Mayor Hodges says, and they will be put up as soon as they arrive.

Mail Gifts Early, Some Unavailable Says Postmaster

Mail those Christmas packages early and avoid the last minute mailing rush and congestion, advises Postmaster J. H. Vallance. Some material is unavailable, Mr. Vallance says. Postal laws provide severe penalties for the mailing of intoxicating beverages; inflammable mater such as matches, lighter fluid, and other articles likely to cause fire through absorption of moisture, or self-ignition through friction or spontaneous chemical changes; ammunition and all other explosives; firearms, such as revolvers, which are capable of being concealed on the person; obscene matter; poisons; narcotics; extortion letters; lottery and fraudulent ma...

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer sagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder dis-ease.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. An eminent doctor says: "Doan's Pills are sold at all drug stores."

age to regulate the flow of the product. More Presses The hulling and separating room takes the cottonseed after desinting, cracking the seed and separating the meat from the hulls. Hulls are conveyed by air to storage and eventual use as feed mix.

Hulls removed, the seed is conveyed to a press room where it is cooked for about 80 minutes at a temperature of around 230 degrees, and then under a 4,000 pound pressure, made into cakes. The mill is now equipped with 16 hydraulic presses. The average

ton of seed yields 290 pounds of oil which goes to storage tanks to await shipment in tank cars. Storage facilities at the mill can take care of around 10 cars of oil. It is shipped to refineries for eventual manufacture into shortening, margarine, soap, etc.

The cakes are broken up and conveyed to the sacking department where they are ground into meal or ground and made into pellets for range feeding.

The spacious sacking department is equipped to make a standard line of mixed feeds. The cracked cottonseed cake used in the past, which was hard and difficult to feed, has been replaced by cottonseed pellets which are soft enough for cattle to eat and still hard enough to prevent waste," Mr. Page said.

Personnel Facilities "As we proceed with the construction of the new mill at this time, we find prices considerably different to what they were when the original mill was built," Mr. Page continued. "Cottonseed is now selling for about \$110 per ton, cake about \$100, oil about 25 cents per pound, and first cut lint 15 cents per pound."

The new mill is completely modern throughout its vast operational chain, but it is just as modern and forward-looking in the facilities for its personnel. The mill furnishes sanitary crew rooms with steel lockers and adequate fountains. The first aid equipment is complete, and officials at the mill stress accident prevention. Proper first aid material and treatment is always on hand.

The original mill was destroyed by fire in 1922 and was rebuilt by the owners at that time. The mill which was built in 1922 was destroyed by fire in 1943, and the property was sold to the present owners, West Texas Cottonoil Company, a subsidiary of Anderson, Clayton and Company, of Houston.

Officers of Memphis Business and Professional Women's Club

Pictured above are the newly elected officers of the Business and Professional Women's Club of Memphis. This club was organized in March but has only recently become affiliated with the National Federation of Business and Professional Women's Clubs. From left to right: Maurine Scott, president; Lois McCulloch, vice president; Roselyn Williams, recording secretary; and Connie Saye, treasurer.

B. & P. W. Club Affiliates With National Federation; Local Officers Are Named

The 1946 Luncheon Club, which was organized in March of this year, has become affiliated with the National Federation of Business and Professional Women's Clubs, Maurine Scott, president, announced this week.

The membership of the club decided to become affiliated with the national organization following a recent visit of Mrs. Louise Bowers of Childress, chairman of the 10th district of Texas Business and Professional Women, who outlined the advantages to be derived from becoming affiliated with the national organization and discussed in full the work, programs, and entertainment of the organization. Mrs. Bowers

was accompanied to Memphis by Misses Alyceen Adler, Grace Powell, Colene Clift, Nell Rogers, Joyce Sheats, Julia Ross, and Mrs. Frances Ballaw, all members of the Childress Club.

Maurine Scott, who served as president of the luncheon club, has also been chosen to head the new organization. Officers elected to serve with Mrs. Scott are Lois McCulloch, vice president; Roselyn Williams, recording secretary; and Connie Saye, treasurer. Special appointees are Ella Mae Kercheville, social secretary; Mary Foreman, parliamentarian; and Inez Mason, master file.

The committees appointed include the following:

Education: Audrey Beth Boggs and Vernice Spencer. Finance: Connie Saye and Ella Mae Kercheville. Health and Safety: Janice Morgan and Zada Goodpasture. Legislation: Una Loard and Sybil Gurley. Membership: Mollie Carlos and Frances Phelps. News Service and Publicity: Inez Mason and Elsie Spicer. Program Co-ordination: Lois McCulloch, Florence Womack, and Mary Foreman.

Public Affairs: Hester Bownds and Irma Hale. Telephone: Annette Boswell and Kathleen McMaster. International relations: Avis Kilpatrick and Mabel Lavender. Associate members: Irene Lee and Helen Combs.

"The purpose of the Texas Federation of B&PW Clubs is to promote the interests of business and professional women, to gather and disseminate information in relation to vocational opportunities, to stimulate local organizations and to encourage their participation in community and public affairs, to bring about a spirit of cooperation among the business and professional women of Texas and to strive for higher ethical standards among women," the president stated.

Mrs. Robert F. Cummings, Recent Bride, Is Complimented at Tea and Shower

Mrs. R. C. Cummings entertained with a tea in her home at 1020 Montgomery street Monday afternoon complimenting her daughter-in-law, Mrs. Robert F. Cummings of Lubbock, who with her husband is visiting in Memphis. Mrs. Cummings was before her marriage on December 5, Miss Helen LaNell Headstream.

Mrs. T. J. Hampton and Mrs. Claud Johnson alternated at greeting the guests and Mrs. R. C. Cummings headed the receiving line which was formed by the honoree, Mrs. Cummings, and Mrs. Louie Goffinett.

Members of the house party were Mesdames C. C. Hodges, J. L. Barnes, T. J. Hampton, Claud Johnson, Sidney Baker, Brice Webster, Bess Crump, Earl Pritchett, Burl Smith, Frank Wright, Louie Goffinett, and Dan McCollum.

Mrs. Earl Pritchett presided at the register.

The tea table was laid with a filet lace cloth and appointed with china and silver. A miniature bride, dressed in pink, placed on a reflector surrounded by pastel gladioli formed a lovely centerpiece for the table. Miss Mary Beth Thornton poured tea from the silver tea service.

Pink and white corsages, denoting the bride's chosen colors, were worn by members of the

house party. Lighted tapers in pink and white completed the decorations.

Mrs. L. G. Rasco and Mary Frank Garrett played appropriate musical selections during the entertaining hours. Miss Laverne Dodson, accompanied at the piano by Mrs. Rasco, sang "I'm Loving You Always."

More than 70 guests called between the hours of 3 and 5 o'clock.

SHOWER IN LUBBOCK

On Wednesday, December 4, Mrs. Cummings was named honoree at a shower at the home of Mrs. Wade Eller in Lubbock. Hostesses on this occasion were girl friends of Mrs. Cummings who are employees of the First National Bank in Lubbock.

The honoree received many lovely gifts which included china, crystal, linens, blankets, etc.

The United Daughters of the Confederacy met Tuesday in the home of Mrs. Emma Baskerville, Mrs. Glynn Thompson as co-hostess.

The Christmas program for the afternoon. Mrs. DeBerry spoke on "True Christmas Spirit Dwells in the Heart." This was followed by the singing of Christmas carols by the members of the club. "White Christmas" was sung by Mrs. DeBerry and Mrs. Thompson.

During the social hour, members exchanged gifts from the Christmas tree. Delicious refreshments were served to 13 members were in attendance.

Cub Scouts to Have Christmas Party Sunday, December 22

Announcement was made this week that the Cub Scouts of Pack No. 35 will have a Christmas party December 22 in the home of Cubmaster Boaz Stotts, 315 North 4th street.

The party will begin at 4 o'clock in the afternoon and the following program is being planned for the occasion: The pledge to the flag, led by Wayne Limer, and the Cub Advancement song, led by Billy Combs; Christmas carols, the cub pack; games that all members will take part in; Christmas tree; Jimmie West will read "The Night Before Christmas"; surprise packages will be given to the cubs by the cubmaster; and the party will close with the Living Circle.

All cubs are urged to attend the meeting Monday of next week, for games will be drawn for the Christmas party, Cubmaster Stotts stated.

Mrs. Jeff Ray Is Hostess to Members Of Atlantean Club

Mrs. Jeff Ray was hostess to members of the Atlantean Club Wednesday of last week in the home of her mother, Mrs. H. A. Finch.

Mrs. W. C. Dickey, president, conducted the business discussion, during which plans were made for a Christmas party to be given December 13 in the home of Mrs. Myrtis Phelan. Mrs. Harold Hightower was a guest for the afternoon.

Roll call was responded to with items of interest in keeping with the topic of the lesson.

Mrs. J. A. Odom, program chairman, opened the lesson by reading a paper prepared by Miss Gertrude Rasco. The paper was entitled "The Ways of the South" and stresses music and literature of the Ante Bellum days. The second speaker for the day was Mrs. J. H. Norman who gave a review of the "Changing South." She pointed out that the South is progressing in many phases of industries. The club sang songs that were written by Stephen C. Foster.

Refreshments were served to one guest, Mrs. Harold Hightower, and the following members: Mesdames Troy Brome, W. C. Dickey, H. B. Estes, N. A. Hightower, H. J. Howell, T. M. Isham, Claud Johnson, C. Christmas Program Given by Seventh Grade Wednesday

Parents of pupils in Junior High School are invited to visit the school for a special Christmas program at 2:30 Wednesday afternoon of next week, Mrs. C. S. Compton, principal of the school announced this week.

Pupils of Mrs. Carr's seventh grade section will present the following program:

"Silent Night," cornet duet, Jacky Gilbert and Carl Lee (background of singing); "Twas the Night Before Christmas," reading, Billy Wheeler; "O Holy Night," piano solo, Patsy Ruth Jarrell; "Adeste Fideles," bell lyre solo, Margaret Ann Massey; Christmas Eve Song, girls' chorus; "Christmas Carol," piano solo, Carnis Durham; "Jest 'Fore Christmas," reading, Edgar Yager; "Hark, the Herald Angels," cornet solo, Max Kennedy; "A Christmas Wish," reading Joyce Benton; "Jingle Bells," group song.

Following the program parents are invited to visit the individual classrooms to see the Christmas decorations made by the art classes.

Mrs. Compton stated that 21 new pupils have been enrolled in junior high and one pupil re-entered during the past two weeks.

Social Security for Part Time Employee Often Overlooked

Employers who expect to hire help for the Christmas holiday season are urged to obtain the social security account number of each employee, according to a statement from J. R. Sanderson, manager of the Amarillo social security field office.

It is the part time employee, Sanderson pointed out, whose account number is most often missed. Consequently, each employer should make a record of each new employee's number the same day he is hired. This will enable the employer to submit correct and complete social security returns, will insure that the worker will get benefit for the wages earned, and will save the employer, the employee, and the local social security field office time and expense in trying to locate missing account numbers.

Estelline Students Give Choral Recital

The Estelline High School choral group will present their Christmas recital Wednesday evening of next week at 7:30 o'clock in the high school auditorium, according to school officials.

Admission will be 10 and 25 cents. The money will be used to pay for music used during the remainder of the year. The public is invited to attend.

Card of Thanks

We desire to express our appreciation for the sympathy and kindness shown us at the time of the passing of our beloved uncle, H. A. James. May you be blessed and comforted as we were by devotion of friends.

Patsy Richards Crowned Queen of Memphis High

Queen of Memphis High

Patsy Richards was crowned queen of Memphis High School last night when the senior class vote topped all others as the date was counted.

Richards was led to a decorated throne, where she was crowned by the senior representative, Larry Mc-

The crown bearer was Frank Garrett.

Richards received the highest number of votes. Friday night program with a pie-eating contest, class represented by its "pie-eater." Raymond, freshman took the honors event, with Senior Jimmy second, and Dell Richie, third. First place winner received 2,000 votes, second place 1,900, and third place worth 500 votes.

She was followed by a lively auction, each buyer giving the bid to his chosen class.

There was no open bidding on next event, the cake sale. The class had a five-minute time in which to get in their bids. The seniors "baked the cake." One cent count-

Nance Explains Vet Insurance Reinstatement

If veterans have let their National Service Life Insurance lapse, it can be reinstated, according to Luther T. Nance, Veterans Administration contact representative.

If it is term insurance, it is not necessary to pay all the missed premiums—two monthly premiums will reinstate the policy. One of the two premiums pays for the 51-day grace period when the policy lapsed, and the other pays for the current month. It is not necessary to reinstate a full \$10,000 policy, but at least \$1,000 and any multiple of \$500 must be reinstated.

Veterans with lapsed insurance should take care of this problem before February 1, 1947. Up to this date reinstatement may be accomplished without a physical examination, Mr. Nance said.

There are now six converted plans or permanent plans of National Service Life Insurance: Ordinary Life, 20 Payment Life, 30 Payment Life, 20 Year Endowment, Endowment at Age 60, and Endowment at Age 65.

Four options for payment at maturity by death are: Option 1—In one sum; Option 2—In equal monthly installments of from 36 to 240 in number, in multiples of 12; Option 3—In equal monthly installments for 120 months certain, with such payments continuing during the remaining lifetime of the first beneficiary; Option 4—As a refund life income in continuous monthly installments with total monthly installments certain, equal to face value of policy less indebtedness, provided such settlement would not result in payments of installments over a shorter period than 120 months.

The Insurance Act of August 1, 1946, passed by the 79th Congress, provided a disability rider, Mr. Nance stated. This Act provides that by the payment of a small additional premium the insured may be paid \$5 per month for each \$1,000 of National Service Life Insurance for total disability after a six months' duration. A veteran's eligibility for disability benefits begins on the first day of the seventh month of total disability.

Example: A veteran with \$10,000 life insurance, with the disability rider, would become eligible for \$50 per month beginning with the first day of the seventh month of total disability.

Premiums are waived while the insured is in total disability status. Because this insurance is government supported, it is a bargain without duplication, Mr. Nance says.

Veterans may go to the nearest Veterans Administration contact office for information and assistance with insurance problems.

Cyclone Wins One, Loses One

Memphis and Carey tangled in a double-header Thursday night of last week, with Memphis dropping one game and winning one. The Memphis B team won, 27-14, while the Carey Cardinals outscored the A squad 38-25.

In the A squad game, Memphis took the tilt and went down for a quick score. After a lag, the Cards had a flurry of quick scores that gave them the edge at the end of the quarter, 13-6.

The Cardinals led off the second quarter scoring for a lively session, but it was a Memphis game for a few minutes as the Cyclone started finding the basket with quick, play shots and with two or three long ones made the hard way. They took some of the slack out of the Cardinal lead, but the half ended Cardinals—22, Memphis—20.

The lanky Cardinals did some heavy playing in the last half, and they ran up a third quarter score of 29-23. The ending tally was Cardinals—38, Cyclone—25.

The Cyclone B squad gave a lively performance. The Cyclone quickly took the offensive and led the scoring for a quarter end of 9 to 1.

Memphis threw a number of wild shots at the beginning of the second quarter, but found their stride again to make it 15-6 when the half whistle sounded. The scoring slowed somewhat in the third quarter, due partly to the efforts of the Cardinal sparring, little Joe Arnold.

Starting for the Cyclone B squad were Don Morrison, Charles Morrison, Bill Stewart, C. Jenkins, and Kilgore.

Starting for the Cyclone A squad were: RF—Dink Miller, LF—Bill Hickey, C—McQueen, RG—Jimmy McElreath, LG—Bill Davis. Going in later were Don Morrison, Stewart, and West. McElreath went high in the scoring, with 10 points to his credit.

Four Memphis Boxers Make Amarillo Finals

Four Memphis High School boxers entered the Maverick Club tournament in Amarillo last weekend, and all four went to the finals Saturday night, Coach Curtis Kelley reports.

Friday night Carlee Young won a decision over Reuben Noel of Amarillo.

Wendell Oran TKO'd Kib Burnett of Amarillo in one minute and 35 seconds of the second round. Burnett was a good boxer, but Wendell caught him in the second round with hard lefts and he went down for the count.

In the Saturday night finals Oran fought Jack Word, one of the outstanding boxers in this area, according to fight fans. Oran was giving a good fight until he caught a heavy punch. "Oran will be a boxer to watch this season," Coach Kelley says.

Elmo Sams, hard-hitting, fast 105 pounder, had Bob Celey of Amarillo outclassed from start to finish.

In the 112 pound class Carlee Young lost a match which for a while could have gone either way. He fought the Golden Gloves

Childress Legion Members Start Basketball League

American Legionnaires of Childress have organized a basketball team and wish to arrange schedules with towns within a radius of 50 or 60 miles, according to a letter received from Charley Buster of the Childress Index.

Any civic or fraternal order is invited to join this non-school league, and representatives from surrounding towns are urged to attend a league organization meeting in Childress Monday, December 15.

The proposal has been made to Memphis, Paducah, Quanah, Mador, Chillicothe, Crowell, Turkey, Wellington, Shamrock, and Hollis.

Gloves champion of last year, Kenneth Davis of Clarendon, a boy who has gone undefeated all the way through.

Ray Grimes is a much improved fighter over last year, Coach Kelley says. He had his opponent in a losing slot for a little while, but lost his match due to inexperience.

Bob Ellis, Bud Henry, and Marion Posey also made the trip to Amarillo.

Kelley was enthusiastic about the fighting spirit and sportsmanship of his boxers and says his 23-man squad is in top condition.

Mr. and Mrs. Clyde Reed and Mrs. T. O. Pounds attended the Wichita Falls-Amarillo football game in Amarillo Saturday.

Buy Xmas Seals, Help Save Lives

Are you willing to spend a few cents to help save a life? Possibly your own life, or the life of a member of your family, or of a friend?

If you are, buy as many as you can afford of the Christmas Seals now being sold by the National Tuberculosis Association. This suggestion for a healthful Christmas was made today by the Memphis chamber of commerce health committee.

"The Health Advisory Council of the U. S. chamber of commerce, and local chambers throughout the country are calling attention to the U. S. Public Health Service estimate that tuberculosis kills more than 50,000 Americans each year," said the health committee. "Buying Christmas seals helps the nation-wide tuberculosis control program in which the National Tuberculosis Association, state, and local tuberculosis associations, the public health

service, state and local health departments, and doctors throughout the county are cooperating.

"The national tuberculosis control program has three major objectives. These are, first, the discovery of every person in the country infected with tuberculosis; second, isolation and medical care for every patient needing treatment; and third, after-care and rehabilitation of patients who have been treated.

"The money obtained from the sale of the Christmas seals is used to help achieve these objectives by giving financial aid to states, by supporting demonstrations and services, by financing research, and by paying for training of experts in the many tasks in tuberculosis control.

"During recent years, many thousands of persons with tuberculosis infections have been found and treated, and their lives, as well as the lives of others who might have caught the disease from them, have been saved—and some of his saving of lives is made possible by people who buy Christmas seals.

part of collective bargaining but the proof that collective bargaining has broken down. Every picket line is a symbol of frustration and failure. It is an advertisement of stupid and blundering human relations in the economic domain," Mr. Jackson continued.

Mr. Jackson said that American economy—meaning employers and employed, farmers and investors, managers and union officials—must prosper together or not at all. In modern industrial society economic health, like peace, is indivisible.

"The buccaneering capitalist, cutting his swath in a public-be damned spirit, is a memory. He has been outlawed," Mr. Jackson declared. "But the buccaneering union official is with us, self-righteous, arrogant and utterly irresponsible."

Having curbed monopoly in business, Mr. Jackson said, the public must now curb monopoly practices in labor organization. Having made corporate capital accountable and liable for its acts and the acts of its members it must insist on an equivalent accountability and liability for corporate labor. Unfair trade practices, direct and secondary boycotts, and restraints of trade cannot forever remain sanctified because those who indulge in them represent labor.

Military Uniform Wearers Warned

A friendly warning was issued this week to faddists who might be wearing portions of armed services uniforms without authorization.

The law provides a heavy penalty for any person not an officer or enlisted man of the United States Army, Navy, Marine Corps, or Coast Guard who wears "a uniform any part of which is similar to a distinctive part of the duly prescribed uniform" of the military services, Eighth Naval district headquarters, New Orleans, said.

Commenting on the recent fad among high school girls in New Orleans for wearing portions of uniforms brought back from service by friends and relatives, the district legal office quoted a section on "protection of the uniform" in the federal law governing military dress. It provides that convicted offenders "be punished by a fine not exceeding \$300, or by imprisonment not exceeding six months, or by both such fine and imprisonment."

The law allows for wearing of military uniform by such organizations as the Boy Scouts, militia, and cadet corps, and by veterans on occasions of ceremony, Cdr. L.

N. Klein, USN, acting district legal officer, said. However, he warned, it specifically prohibits the wearing of insignia of the armed forces by civilians.

The Bookshelf

Big news in Texas books last week was "The Years of the Locust." Loula Grace Erdman, instructor in creative writing at West Texas State College, was awarded the \$10,000 Dodd-Mead-Red Book prize. The novel is scheduled for publication in Red Book in the spring. Dodd-Mead will publish the book in September. She has previously written two books, but this is her first successful novel.

This announcement comes on the heels of the Texas awards

made in Dallas where many Texas books made news, notably the first place winner "San Antonio, City in the Sun." Texas Week magazine has chronicled these events accurately and well during its short period of operation, and Panhandle and Plains people, especially those who have had some connection with West Texas State College, hope Miss Erdman's book, "The Years of the Locust," will be given comparable publicity.

Miss Erdman adds her name to the list of prominent Panhandle writers begun by J. Evetts Haley and John McCarty.

Several new books have arrived at the Carnegie Library, Mrs. W. V. Coursey, librarian, reports.

THE HERDSMEN

By Dorothy Clark Wilson The story of the Hebrew prophet, Amos, who lived in Tekon in the eighth century before the Christian Era, and who preached that Yahweh was a God, not of wrath and vengeance, but of justice and compassion. The book rises beyond the confines of sect or creed to deal with the simple fundamentals of humanity. It compels the reader's attention on many levels, arousing his curiosity, stirring his emotions, delighting his sensibilities.

EAST RIVER

By Sholem Asch The tragic and momentous scenes of "The Nazarene" and "The Apostle" are turned to a smaller canvas—a single street in New York City during the early years of this century. "East River" is a noble book, deeply felt and skillfully written, a major work of a major novelist.

THE SALEM FRIGATE

By John Jennings The heroic years which ended with the War of 1812. Here also is the story of the 32-gun frigate Essex. Through the brief and glorious career of the ship, and running parallel, is the tale of the ship's carpenter, Ben Price, who for all his villainy, nailed his heart to the keel of the Essex

when he helped build her at Salem. Against the background of the War of 1812, John Jennings has written a great sea story and a great love story.

OUT ON A LIMB

By Louise Baker This autobiography tells how Louise Baker has been on crutches since at the age of eight she lost her leg in a bicycle accident. She learns to skate, to play tennis, and later to follow a career and marriage. The book is a wonderful tonic for veterans similarly afflicted or for anyone suffering from a handicap which inevitably sets him apart from the normal world.

GRANDFATHER OBJECTS

By Walter Beebe Wilder Grandfather is the pivot of the story, but the real hero and heroine are Walter, age eleven, and the wonderful, terrible Sis. Mother and father are in Europe and grandfather, a man of philosophy, is running a farm and six children in his own lax way. Walter and Sis live in their usual normal grooves, but somehow this entirely uneventful existence always seems to result in dreadful incidents to confound grandma and cousin Jenny.

TOGETHER

By Katherine Tupper Marshall The annals of an army wife, and one of the most heartening books of a dark decade. And, since General Marshall will not write his own memoirs, it is a most important book. Aside from its topical subject matter, it is a great love story.

See that trademark! It stands for today's 'Big Tire's-Worth' ... and it's on the tire that OUTWEARS PREWAR TIRES

"As your local B.F. Goodrich retail merchant, I bring to car owners of this community products of the highest reputation for quality, service and value. Seventy-five achievement-filled years have earned for B.F. Goodrich and its products the distinctive title, 'First in Rubber.'

"First in America to establish a rubber research laboratory, B.F. Goodrich was, naturally, first to build a pragmatic tire for America's first autos built for sale. First American company, also to make cord tires for automobiles. First American com-

pany to introduce carbon black in tire treads for longer wear... saving a quarter of a billion dollars for American car owners. And first to design and build an entirely new postwar tire that outwears prewar tires. B.F. Goodrich 'firsts' would fill a book. As for me, you can take my word for it, I'll do my best to be first in service to this community's motoring public. That's why I sell B.F. Goodrich products."

Headstream-Cummings Vows Are Exchanged In Lubbock Ceremony

In a candlelight ceremony read at 6 o'clock Thursday evening of last week at the St. John's Methodist Church of Lubbock, Miss Helen LaNell Headstream, daughter of Mrs. C. E. Headstream, of Roby, became the bride of Robert F. Cummings, only son of Mr. and Mrs. R. C. Cummings of Memphis.

Rev. Aubrey C. Haynes, pastor of the First Methodist Church of Memphis, read the double-ring ceremony before an improvised altar decorated with palms, gladioli, and candelabras.

The bride, who was given in marriage by her brother, James Headstream, wore an original Hollywood creation wool beige suit with purple lizard accessories. She carried out the traditional custom of wearing "something old, new, borrowed, and blue." For something old she wore a brooch which belonged to Mrs. T. J. Hampton of Memphis; the something borrowed, a jeweled pin of her sister. To complete

her costume, the bride carried a white Bible topped with a bridal bouquet of American Beauty roses.

Miss Alma L. Sturges, maid-of-honor, wore a royal blue jersey dress with brown alligator accessories. Her corsage was of white carnations.

Chris P. Hodgson, cousin of the bridegroom, served as best man. Eddie Moore of Lubbock was usher.

Bob Scoggins, organist, played Chopin's Prelude in A, "Indian Love Call," "I Love You Truly," and the traditional wedding march. He also accompanied Miss Joyce Watson who sang "Always" and "Because."

Immediately following the ceremony, a reception was held in the home of Mrs. Wade Eller Sr., 2506 Avenue U, for members of the wedding party and immediate friends. Mrs. Eller greeted the guests and the receiving line was

MRS. ROBERT F. CUMMINGS

formed by Mrs. C. E. Headstream, the bride's mother; the bride and bridegroom, and the groom's parents, Mr. and Mrs. R. C. Cummings.

The bride's table was laid with a hand-embroidered madeira linen cloth. A three-tiered wedding cake, topped with a miniature bride and groom, formed a center piece for the table. Floral decorations of pink and white gladioli carried out the bride's color scheme. Mrs. T. M. Tucker of Lubbock, sister of the bride, presided at the silver tea service. She was assisted in the serving by Miss Alma Sturges and Miss Margaret Hughes.

The bride has been employed at the First National Bank in Lubbock for the past three years. The groom, who served three years in the U. S. Navy, is an employee of

the Berryhill Equipment Company at Lubbock.

Following a wedding trip to New Mexico, the couple will be at home at 1907 17th street in Lubbock.

Attending the wedding from Memphis were Mr. and Mrs. R. C. Cummings, Mr. and Mrs. C. C. Hodges, Mrs. T. J. Hampton, Mrs. Louie Goffnett, and Mrs. Bess Crump.

Annual Christmas Party Is Held At City Hall, Dec. 9

The annual Christmas party for members of the Memphis Fire Department and their families was

held Monday evening at the city hall. The group enjoyed games of bingo with grab-bag prizes for the winners.

Refreshments of fruit cake topped with whipped cream and coffee were served to Chief and Mrs. Thomas Clayton and daughter, Mr. and Mrs. J. P. Godfrey and daughter, Mr. and Mrs. Bill Coursey, Mr. and Mrs. Glenn Carlos, Mr. and Mrs. O. R. Saye, Mr.

and Mrs. Earl Briscoe, Mr. and Mrs. Hooper Shaw and son, and Mrs. Lester Higgins, Mr. and Mrs. Lloyd Ward, Mr. and Mrs. W. P. Bates and daughter, and Mrs. Harry Asprey and daughter, Frank Ritchie, R. L. Duncan, George Kesterson, and Glenn Well.

Estelline Club Book Reviews and Drama reading

continuing the study of new books in American literature the Culture Club of Estelline enjoyed two book reviews and reading of a drama at the three meetings.

On November 5 the club met at the home of Mrs. D. T. Eddins. Mrs. Gertrude reviewed "Washington" by Olive Clapper. Delicious pie and coffee were served to 17 members and 1 guest. Mrs. Leon Phillips was hostess

for the meeting on November 19. "The Salem Frigate" by John Jennings was reviewed by Mrs. E. F. Kennedy. Fruit cake and coffee were served to all members and two guests. Mesdames Phillips and James Cooper.

The club met December 3 in the home of Mrs. J. A. Ballard. Mrs. E. F. Kennedy read the drama, "Deep Are the Roots," by Arnaud d'Usseau and James Gow. This is a drama built upon the theme of racial prejudice. Refreshments of pink and green sandwiches, fruit cake, and mints were served from a beautifully arranged serving table graced by tall red tapers and Christmas centerpiece. Mrs. C. E. Wilkinson, president, poured coffee.

The next project of the club is spreading of Christmas cheer by sponsoring a Christmas tree for the colored school. At this meeting contribution was made to the tuberculosis drive.

Bobbie Davenport United in Marriage To Olton Pate in Ceremony at Lakeview

MRS. OLTON PATE

Miss Bobbie Davenport, daughter of Mr. and Mrs. B. E. Davenport of Lakeview, and Olton Pate, son of Mr. and Mrs. E. W. Pate of Lakeview, were united in marriage at 3 o'clock Sunday afternoon in the home of the bride's parents. The double ring ceremony was read by Rev. L. M. Clements, pastor of the First Baptist Church of Lakeview, before an altar of gladioli and greenery in the presence of a few friends and relatives.

Prenuptial selections played by Miss Davenport, sister of the bride, were "At Dawning" and "I Love You Truly," followed by the traditional wedding march. The bride wore a brown and aqua crepe dress with brown accessories. In her hair she wore a tiara made of talisman roses, and carried a white Bible topped with an orchid and satin ribbons. For "something old" the bride carried a linen handkerchief belonging to her maternal grandmother.

Miss Pat Holland of Brice was the bride's only attendant. She wore an aqua crepe dress with a snoulder corsage of pink carnations. Elwyn Pate served his brother as best man. After a short wedding trip to

Carlsbad and various other points of interest in New Mexico, the couple will be at home in Lakeview, where the groom is engaged in farming.

For traveling the bride wore a brown and beige dressmaker's suit with harmonizing accessories.

The bride graduated from Lakeview High School in 1943 and attended Texas Technological College at Lubbock for two years. The groom, also a graduate of Lakeview High School, was a student of Texas Tech, lacking only a few hours having his degree in agriculture.

A reception was held immediately following the ceremony.

The table, laid with a lace cloth, was centered with a three-tiered wedding cake, topped with a miniature bride and groom. Mrs. Harold F. Gatlin, sister of the bride, and Mrs. Kenneth H. Neal assisted in the dining room.

Blue Bonnet Club Meets in Home of Mrs. Herschel Combs

The Blue Bonnet Sewing Club met Friday afternoon of last week in the home of Mrs. Herschel Combs, 806 North 10th street. Mrs. Lloyd Phillips, president, presided during a short

business session, after which the members did needlework.

Enjoying the social hour and refreshment service were Mesdames Florence Fitzjarrald, Winnie Johnson, Blanche Hooser, Hucie Lindsey, Kathryn Morgensen, Fernie Boone, Ethel Gregory, Minnie Vallance, Gussie Jones, Essie Cullin, Florence Womack, Minnie Lou Potts, Susie Coleman, Margaret Phillips, hostess, Mrs. Combs, and one guest, Mrs. J. E. Norman of Childress.

Red Rogers of Marysville, Calif., arrived last week to visit his brother, Ab Rogers at Estelline.

TAX REDUCTION MEANS BUDGET REDUCTION

A GREAT MANY of the members of the coming Congress have pledged themselves to early income tax reduction. That, if it is done, will come as an enormous relief to a tax-weary country. But it obviously cannot be done so long as we stagger along under a \$40,000,000,000 annual national budget in a time of peace and record employment. The inescapable prelude to tax reduction is a very sharp and drastic reduction in Federal spending.

The details of the budget are the function of the budget bureau and Congress. But there are certain directions in which many millions can be pared from the budget which are obvious to any citizen. Further Federal development of power dams is one. At the present time, the managers of such socialistic enterprises as TVA are crying for more funds. Eager advocates of new and immensely costly ventures, such as the Columbia Valley and Missouri Valley authorities are pelting Senators and Representatives with their demands. And the fact is that none of these tax-exempt proposals would give the nation a single, solitary thing that highly-taxed private enterprise cannot give it if it is permitted to go ahead, free of the fear of destruction through socialization.

Private money, instead of tax money, will give us all the electric resources we can employ now or in the future. And private money would create vast new taxable resources for communities, the states and the Federal government. Socialized plants, on the other hand, remove property from the tax rolls and demand more taxes from all remaining taxpayers.

Congress, if supported by the people, can make an excellent start in the direction of tax reduction through expense reduction by saying a firm "no" to all such schemes.

NO MILLENNIUM BY LAW

ONE GRAVE FAULT with all "cradle-to-grave" security proposals is that they are based on the dubious principle of producing the millennium overnight. All you have to do, their hopeful proponents seem to reason, is pass a law, toss in a few billion dollars of public money to pay the freight, and then sit back and watch the miracles occur.

The compulsory public health bill before Congress is an example of this kind of thinking. At a cost of from \$4,000,000,000 to \$6,000,000,000 a year, it would, in theory, produce wonderful improvements in the physical well-being of our people. But the plain fact is there is much more to public health than a law.

For example, public health is tied in with such problems as housing and nutrition—and the proposed bill does nothing about those problems. Improved public health also involves preventive medicine which will keep the individual from being attacked by disease—and the bill in question cannot speed medical experiment and progress. To the contrary, by regimenting the doctor the bill would undoubtedly hamper progress.

So far as availability of medical attention is concerned—which is what the bill covers—this country is already in an excellent position. The various voluntary, prepaid medical plans make first class attention available to most people if they so desire—and at a very low rate. And here, as in preventive medicine, orderly and rapid progress is being made. We are now solving what medical problems we still have without endangering our system of free medicine which is the best on earth.

Supt. L. A. Woods, in addressing the teachers convention, advocated school twelve months in the year. First hand, just don't seem like it would be a good idea to me. I always got a lot of pleasure looking forward to school being out. the royalty. The bidders offering the highest royalty were given the leases.

But after a number of wells had been drilled, some of the companies wanted the royalty reduced and the state agreed. That was the situation until, as a newspaperman studying public affairs in Austin, your columnist found out about it and, through the press, revealed the story.

School leaders, school trustees, and the public joined in, and we insisted until the original royalty was reinstated and thereby the schools benefitted, and will benefit, to the extent of millions of dollars.

Changes in the heads of large farm organizations in Washington

The old-time writers, in sketching the life of some great man, would write, "He was born of poor but honest parents." Why "poor BUT honest"? Most folks are poor and honest, too. The fact that a man is poor is a pretty good sign he's honest—because if he was dishonest and stole very much, he wouldn't be poor, would he?

A note from Frank Baldwin, colorful Waco editor: "If you ever get in trouble, call me collect. Get in trouble, too. My experience has been that it's a lot of fun."

Fact of the matter is, controversy appeals to me, especially when there is an opportunity to render public service, along with the joy of a good scrap. As an illustration: Winding through the great East Texas oil field is the Sabine river. Under that riverbed, nature stored a vast amount of oil, which belongs to the state permanent school fund. The state invited bids from oil companies so that leases might be awarded, the oil produced, and the schools receive

This Week in WASHINGTON

WASHINGTON, D. C.—The coal strike and the contempt trial of John L. Lewis have fanned to white heat a determination by many members of the new 80th congress, both Democrats and Republicans, to pass laws curbing the power of labor unions and labor leaders.

Of course the Republicans, who have the majority of votes in both house and senate, are taking the lead in advancing proposals expected to be passed, and the GOP leaders have committed themselves to a series of proposals which add up to the following:

For immediate action—An amendment to the Wagner act to outlaw closed shop contracts, and reenactment of the Case bill in much the same form in which it passed the 79th congress and was vetoed by the President. These provisions would establish an independent 5-man mediation board to take over functions of the U. S. conciliation service; prohibit strikes and lock-outs for 60 days after request for collective bargaining conference; prohibit strikes and lock-outs involving public utilities until five days after recommendations by an emergency commission named by the President; make unions legally liable for contract violations; apply anti-trust laws to unions engaging in price-fixing, boycotts or restrictive practices and remove law's protection for employees engaged in unauthorized strikes.

Then for later consideration the program calls for amendments to the Wagner act to make NLRB findings of fact reviewable by the courts; assure employers' right to discuss with employees issues involved in employment contract; impose obligation to bargain collectively upon unions as well as employees and assure the employer the right to petition for an election among employees to determine their bargaining representatives.

Other labor legislation which will come up for discussion include the question of industry-wide contracts, compulsory arbitration, a federal labor court to take over judicial functions of NLRB, a fair employment practices bill, minimum wage bill and unemployment compensation bill.

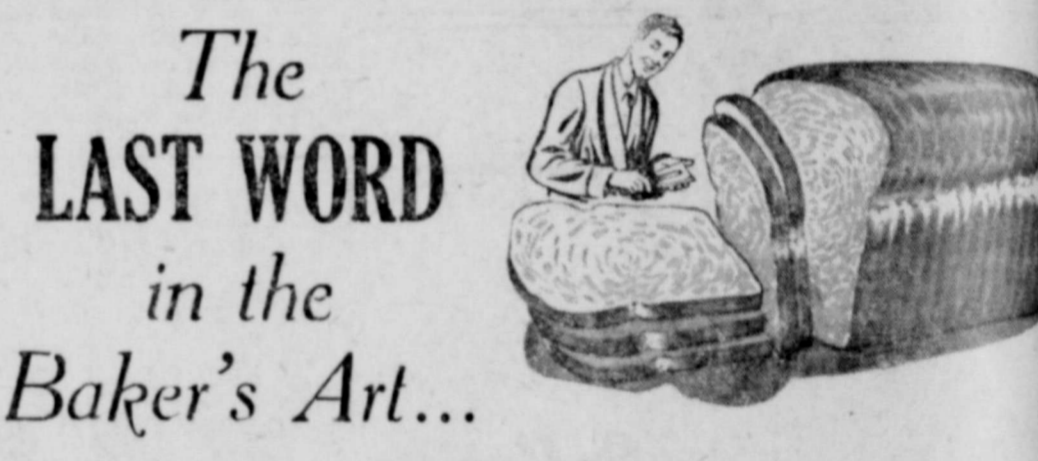

Changes in the heads of large farm organizations in Washington are expected to be hurried somewhat by results of the last election, according to observers close to farm leadership here. Ed O'Neal, president of the Farmers Bureau, is an Alabama Democrat and has another year to serve, the prediction is that he will be replaced in favor of Allan Kline, a Republican from Iowa.

The prediction is that Albert G. Brown, master of the National Grange, will retire at the end of his present term, although his successor has not yet been determined upon. James P. Hays, president of the Farmers Union, is in opposition among warring factions within the union although he is expected to be able to win out.

John Davis, executive secretary of the National Cooperative Council, the only one of the so-called "Big Four" farm leaders who will definitely remain in the picture, for he presently has no opposition as leader of the cooperatives.

Of the many blasts aimed at the Federal Housing Administration, the report of the American Legion committee, approved by the Legion's national governing body and delivered to President Truman this week, is probably the most stinging of all. It recommends abolition of the National Housing Agency, the office of housing expedient, the priority system, of the guaranteed market system for pre-fabricated houses, of building material subsidies, transfer of OPA rent control to Federal Housing Administration, return of FPHA to Federal Reserve Agency, immediate 10 percent increase in rents with elimination of rent control when four million veterans housing units have been constructed.

After blasting the federal housing agencies as incompetent, understaffed, unable to function properly and many other charges, the report declares: "The administration's controls has made for a slow-down of operations and a cost of doing business, which is a final analysis has been reflected in the partial paralysis, incomplete and high cost of housing the nation."

Cotton Industry Facing Crisis With Synthetics

The cotton industry which produces 25 per cent of Texas' and provides employment for 15,000,000 people in 18 states is facing a synthetic cockle burr, according to Charles E. McDaniel, representative of the National Cotton Council.

Women and girls get wanted relief

Cardui is a liquid medicine which relieves the cramp-like agony and nervous strain of functional periodic pains. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

McDaniel declared in a recent address at Matador. "Despite all the claims of synthetics, cotton is still the best fiber in the world. New uses are being found for it every day."

"At present a firm is making a building material from cotton which is stronger than steel, lighter than aluminum, and which can be produced economically. The material is composed of 75 per cent cotton. We must find a way to use the vast amount of low grade, short staple cotton which causes our market to fluctuate between six cents and forty cents a pound."

He declared a new process has been perfected by which 24 yards of soft paper material can be produced from one pound of cotton. Mr. McDaniel demonstrated the many uses of cotton, including that of insulation whereby the material is not affected by fire. He urged all interested in the near future of cotton, to think, talk, and use cotton in every possible way.

He said that although the industry is facing a crisis because of the threat of still cheaper production of synthetics, he believed the future would prove the natural fiber superior to the extent that it would receive its deserved place in our national economy. — From the Matador Tribune.

Six-Inch Sermon

REV. ROBERT H. HARPER

Paul Ministers to the Thessalonians. Lesson for December 15: Acts 17:1-7; I Thessalonians 1:2-8. Memory Selection: II Thessalonians 3:11.

After his release from prison in Philippi, Paul and his companions passed through Amphipolis and Apollonia to Thessalonica. For three Sabbaths Paul reasoned with his hearers. Some were persuaded and "consorted with Paul and Silas"; also a "great multitude" of Greeks, and "chief women not a few."

The Jews, with certain base fellows, assaulted the house of Jason; not finding Paul there, they dragged Jason before the city rulers, charging that he had harbored men who were turning the world upside down and were declaring that Christ was a King. The charge was literally true—they were turning the world upside down, and they were preaching Christ as a spiritual King. After taking security of Jason, the rulers released him.

Now Paul, through the help of friends, had escaped. They went to Berea, where they had some success. But Jews from Thessalonica, going there and making trouble, Paul went by way of Athens to Corinth. His letters to the Thessalonians were written from that city.

The lesson text closes with a passage from I Thessalonians in which Paul wrote of giving thanks always to God for the Christians in Thessalonica because of their word of faith and labor of love, and declared that they had become "an ensample to all the believed in Macedonia and in Achaia," and had "sounded forth the word of the Lord." In every place the gospel can save men. Let us make sure that the tidings find lodgment in our hearts.

Wellington Wins Over Floydada Friday, 38-7

The Wellington Skyrockets defeated Floydada Friday, 38-7, and sewed up the bi-district title. The Skyrockets now meet the Phillips Blackhawks for the regional championship Friday afternoon at Wellington.

I. D. Russell, substitute full-back for the Skyrockets, personally accounted for 14 points. Nearly 4,000 people attended the game at Floydada's Webster Field.

The scoring really started in the second period, when Wellington launched a 65-yard drive that resulted in the first score.

The Whirlwinds made their only score in the last moments of the last quarter.

Memphis Gets New Street Marker

Memphis acquired a new street marker Monday, Mayor C. C. Hodges and Street Commissioner E. C. Cummings report. It will go into use within the next few days.

The marker is equipped with motorcycle type handle grips for turning paint off or on. The marking speed is 75 to 150 feet per minute, and the adjustable guide shoes on the machine may be set to mark sharp lines from three to five inches wide—center-lines, crosswalks, parking zones, etc.

The machine is filled with compressed air, with the necessary pressure to spray a three gallon paint supply.
