AMARILLO TRADE TRIPPERS TO BE HERE MONDAY

North C of C Will Meet Tuesday

Miller, president of the chamber of commerce, is expected to bring greetings from the special train through West Texas Business Executives into Memphis this afternoon, it was announced.

Several hundred dollars in favors will be brought along for distribution to school children welcoming the delegation, it was announced, and as a special attraction for all, a 40-piece band from West Texas State College at Canyon will give a free concert.

Mayor C. C. Hodges has decreed the official parade route for the visitors to be from the depot along the south side of the square, thence north to the next block, then east to the east steps of the court house.

The eight-car Fort Worth and Denver special train will remain in Memphis longer than any stop on the trip other than the overnight visit in Childress, Rex Baxter, vice president and general manager of the Amarillo chamber of commerce, has announced.

Most stops along the route are brief with a short band concert at the depot, he added.

The good-will delegation will be headed by Virgil Patterson, president of the Amarillo chamber of commerce, and Bob Howie, chairman of the chamber's goodwill and reception committee.

"The Amarillo wholesalers and jobbers welcome this opportunity to meet with our Memphis friends, associates and customers, to express our thanks for cooperation," Mr. Patterson said.

The directors also pledged support to the municipal airport dedication program July 26, the VFW rodeo, July 24-26, the organization of a Hereford Breeder's Association, and other events announced on the calendar of civic activities.

Flynn and Hooser will confer with textile, agricultural, clay products, nursery officials, industrial here October 3-4.

The kiddies are invited and urged to bring their parents to Memphis Monday when 100 Amarillo wholesalers and jobbing representatives arrive at 1:25 o'clock in the afternoon and will spend the next one hour and 20 minutes getting acquainted.

County May Vote Ad Valorem Tax To 30 Cents

The Fiftieth Texas Legislature has passed House Joint Resolution 24 which will permit the people of Texas to repeal the 35-cent ad valorem tax which now goes into the general revenue fund, and to vote in its place an ad valorem tax in each county up to 30 cents.

County Judge John Russell received a letter this week from Representative Sheffy Mahan in which Mahan stated that he believed this to be the most beneficial of the proposed amendments to the constitution to come out of this legislative session.

Mahan said, "Should this (Continued on page 5)

Win Quannah Game, Meet Canyon Nine Here Saturday

The Quannah Indians went down in a hard fought 5-4 game here Tuesday night in a contest that was all baseball.

Glendenning and McKnight came in for the first two Memphis scores in the third inning. Glendenning had singled to left, McKnight doubled to left to bring him in, and McKnight came in as Stidger made first on a third base error.

The one double play of the game came in the first of the fourth, from Moyer to Watkins to Glendenning, taking a Quannah man at second and at first.

In the seventh Moyer hit a triple to left field. The next two men up fanned, and then Stidger (Continued on page 5)

Plane "Armada" To Be On Hand For July Dedication

Planes and pilots from as far distant as Dallas, El Paso, and Roswell, N. M., have been invited for the official dedication of the Memphis Municipal Airport on July 26, it was announced here today.

Additional planes from Amarillo, Pampa, Borger, Perryton, Vernon, Plainview, Childress, Lubbock, and Tahoka have also announced intention of attending the gala program and Lewis Foxhall, airport managers have planned.

Betty Gose, aviation editor of the Amarillo Globe-News, told Pat Flynn, manager of the Memphis chamber of commerce this week the city might expect "a veritable armada of planes for the dedication and celebration." Miss Gose is extending invitations to all pilots of the region to make Memphis headquarters and the municipal airport hangar base for the occasion, through her column and by contacts.

From El Paso came word, according to Flynn, that planes of that area, weather permitting, would attend the official functions.

The pilots are being invited to arrive here the morning of July 26, attend a luncheon where official dedication ceremonies will be held, and later to be special guests at the VFW rodeo finals, before winding up props for the homeward journeys.

Raymond Ballew Pleads Guilty, Pays Fine of \$8,193.90

Raymond Ballew, Memphis business man, pleaded guilty to eight charges of illegal sale of liquor at a session of the Hall County Court Monday.

County Judge John Russell assessed a fine of \$1,000 and costs in each case, Ballew paying a total fine and costs of \$8,193.90. According to information from the county clerk's office, this is (Continued on page 5)

MAY RAINFALL TOTALS 9.41 HERE FOR RECORD IN MEMPHIS AREA

Rainfall since last Thursday has totaled 1.78 inches, to bring the May rainfall to a record 9.41 inches, one of the heaviest rainfalls ever recorded here in May, reports J. J. McMickin, local weather recorder.

Rainfall last Thursday was .27-inch, Friday 1.07 inches, Saturday .24-inch, Monday .20-inch, and Tuesday .24-inch.

What You-all Pay For Cotton Pickin'

This item is dedicated to Ed, a negro of Vernon, Texas.

Pat Flynn, manager of the Memphis chamber of commerce, received a letter this week from a man in Vernon who signed his name as Ed, asking for important information. The letter was not unusual but the writer did not sign his last name nor did he give an address. He merely wrote:

"Please tell me what you-all pay for picking cotton and does you want any hole pickers and does you feed your help. Thanks, Ed. P. S. We has six in our party, all colored."

Memorial Day Poppy Sales To Be Held Saturday

Saturday, May 24, will be Poppy Day in Memphis and throughout the United States, Mrs. Oren Jones, chairman of the American Legion Auxiliary committee sponsoring the sales here, announced this week.

On that day everyone will be asked to wear a memorial poppy in honor of the dead of two world wars and to make a contribution for the welfare of disabled veterans, their families, and the families of the dead.

Poppies have been worn in memory of the war dead since the close of World War I. They are replicas of the wild flowers which grew on the battle fields of France and Belgium, fought over in both wars, and they have come to symbolize memory for those who died in any part of the world.

The poppies which the Auxiliary will distribute are all handmade, shaped from crepe paper by disabled veterans working in hospitals and convalescent workshops over the country. The disabled men take special pride in making the flowers to honor their fallen comrades and the work is valuable to them as occupational therapy, besides bringing them much needed earnings.

Plan To Make It An Annual Affair

THE TIME: October 3-4.
THE PLACE: Memphis, Texas.
THE EVENT: The First Annual West Texas Cotton, Ceramics, and Chemurgic Carnival.

ADMISSION: Free to everyone.
The Memphis chamber of commerce has announced plans for one of the largest proposed educational and entertainment attractions yet staged in West Texas in revealing plans for the Cotton Carnival to be held here next October 3-4.

Hereford Breeders May Organize Chapter Here

Due to the increased interest of farmers and livestock men in Hall County, an attempt will be made to organize a chapter of the Hereford Breeders Association, the Memphis chamber of commerce has announced.

All farmers and livestock men interested in such an organization are requested to register their names and addresses with the local chamber office in order that a general meeting may be called soon for organizational plans.

W. M. Gouddy, secretary of the Panhandle Hereford Breeders Association, is being invited to assist in such an organization for Hall County, it was announced this week.

J. A. Scofield, Vernon, district agricultural agent, visited in Memphis Wednesday, making an inspection tour with county agent W. B. Hooser.

While in Memphis, Scofield discussed plans with the chamber of commerce in relation to organizing the Hereford Breeders Association chapter and pledged his (Continued on page 5)

Booster Club Has Organization Meet

An organization meet of the Memphis Cyclone Booster Club was held Wednesday of last week. Officers were elected and a by-law committee was appointed to work out details to be presented at the next meeting of the club June 9.

Wendell Harrison was elected president of the group, Doyle Bunch, vice president, and Ace Gailey was named secretary-treasurer. Buster Helm was appointed chairman of the by-laws committee.

The purpose of the organization, a spokesman stated, is to promote athletic activity and assist with tasks other than those handled by the school system.

The Cyclone coaches were present and expressed themselves on the function of such a club. Ray Newton, assistant coach, will work with the group, it is reported.

Those present at the meeting were Jack Boone, Ace Gailey, J. W. Coppedge, Ray Newton, C. L. Pierce, L. E. McCulloch, Buster (Continued on page 8)

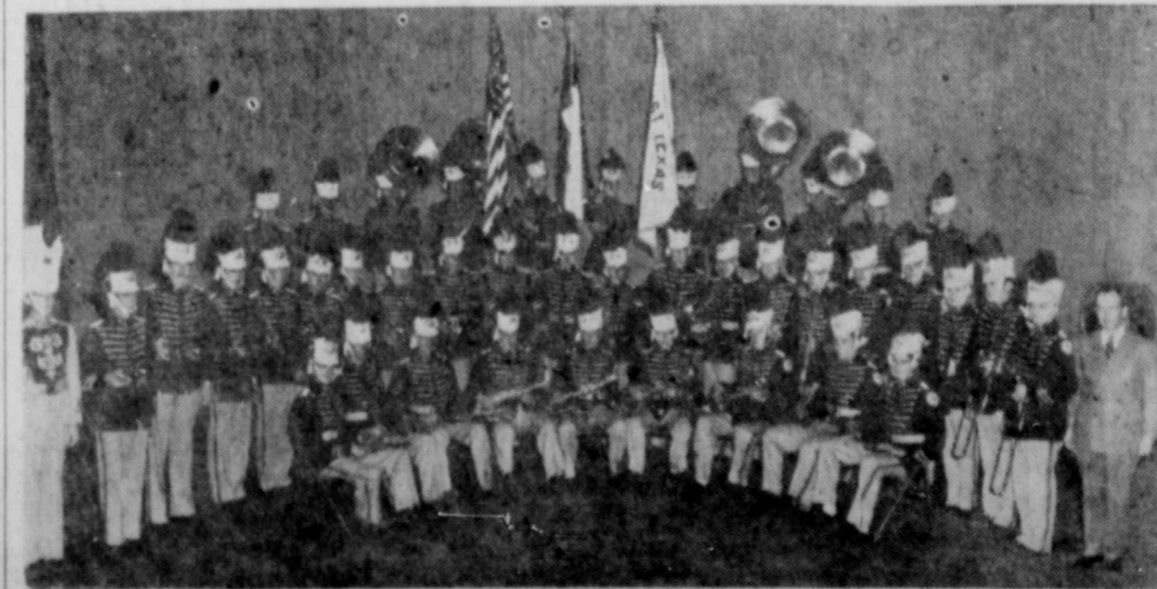

LAUDE'S COMMENTS

By J. C. W.
Hall County has never looked so promising in the way of crop prospects, all due to the fine season coming in May. Wheat is practically made and the moisture will insure a good start on all row crops. Ten days of rain makes one feel that he has moved to the everglades of Florida, and ten days of sunshiny weather will bring us back to normal living. Some of the thunder showers in the last few nights made a lot of folks jittery.

Rev. Aubrey C. Haynes, who served as chaplain in the Army says it never thunders on the Pacific Ocean, but it does thunder on the larger Pacific islands. When a cloud comes up it starts raining without any preliminary fireworks, he said.

Due to the wet weather the cleanup campaign bogged down. Weeds and wild rye have a good start and it will take a lot of work to get them out of the way before the inhabitants can get down to a real clean up of their premises. But, let's keep it in mind.

Ranchers and livestock growers say that grass pastures are getting real good due to the fine season. (Continued on page 5)

"Aloha Oe" is Theme For Junior-Senior Banquet of Lakeview High School May 9

Draped crepe paper and silver stars suspended by blue cellophane ribbon from the ceiling, and artistically decorated walls depicting a night sky with the moon rising in the east formed the background for the Junior-Senior banquet of Lakeview High School, Friday evening, May 10.

"Aloha Oe" was the banquet theme and as the guests entered the study hall on a quest into the land of beautiful Hawaii, they

were greeted by sailors, David DuVall and Hendrix Williams, who draped leis about the necks of all.

Garlands of cut flowers decorated the banquet tables and mint cups were silver clam shells. "Aloha 1947, L. H. S." was printed on the napkins, and each guest received a booklet containing class rolls, menu, program, names of faculty members, and autograph

sheets. Place cards marked places for approximately 54 voyagers.

The meal was prepared by mothers of the Junior class and the menu consisted of fruit cocktail, fried chicken, diced potatoes, gold corn, pineapple salad, hot rolls, radishes, rolls topped with strawberries and whipped cream, iced tea, and mints. Richard Woods, Floy Lee Driver, Billy Salmon, Lynn Cunningham, Flora Hall, and Willie Pearl Gillespie, dressed in typical Hawaiian fashion, waited tables.

The following program was given: "Hawaiian Breezes," by the sophomores; "The Gardener Dreams," by Alene Cunningham; "Products of the Island," by Grace Sanders; "Hawaiian Dance," Willie Pearl Gillespie; "Prophecy of Seniors," Leon Hoggatt; "Distinguished Guests," the junior and senior class officers and the faculty and their wives and husbands, by Lynn Cunningham; "Hawaiian War Chant," sophomore girls; "The Islander," Supt. Loran Denton; "Volcanic Eruptions," David DuVall; "Hawaiian Breezes," Peggy Davenport; "Exploring the Islands," Harold Rumpy; "Senior Will," K. D. Nabers Jr.; "Farewell to These," by audience; and prayer by Rev. R. M. McAnally.

*Enjoying the evening were members of the senior class, junior class, and faculty members and their wives and husbands.

Following the banquet members of the senior and junior classes and other guests attended the dance at the Country Club in Memphis.

Mr. and Mrs. Henry Newman of Memphis visited over the weekend in Clovis, N. M., with their son, Henry B. Newman, Mrs. Newman and daughter. Their son, formerly connected with drug firms in Memphis and Amarillo, has recently bought an interest in a drug business in Clovis.

U. D. C. Chapter Elects Officers At Recent Meeting

Officers for the coming year were elected at the regular meeting of the Winnie Davis Chapter of U. D. C. held May 13 in the home of Mrs. Joe DeBerry, with Mrs. Sam West as co-hostess.

The officers elected were Mrs. J. H. Norman, president; Mrs. C. W. Broome, first vice president; Mrs. Claud Johnson, second vice president; Mrs. R. E. Clark, secretary; Mrs. D. J. Morgenson, treasurer; Mrs. Emma Baskerville, reporter; Mrs. Joe DeBerry, historian; Mrs. M. McNeely, parliamentarian; and Mrs. Glynn Thompson, registrar.

During the business session, the secretary read several interesting reports in favor of the good work the Memphis Chapter had done during the year. All committees turned in reports.

To introduce the program hour, Mrs. Joe DeBerry favored the chapter with a number of Southern songs, and Mrs. R. E. Clark gave "The Ambition of Two Virginians." Mrs. Emma Baskerville closed the program with a medley of Southern songs.

During the social hour, the hostess served ice cream to the members and one guest, Mrs. Brown of Amarillo.

Mrs. H. W. Spear Presents Pupils In Spring Recital

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Delphian Club Closes Season with Meeting Tuesday

Members of the Delphian Club met Tuesday afternoon in the home of Mrs. O. R. Saye to terminate the club year of 1944-47.

After a short business session, Mrs. Harry Womack, outgoing president, installed the new officers, using in connection with her theme pink and white ribbon streamers tied together in knots representing the duties of each officer. As each officer held the knot, the entire group sang "Blessed Be the Tie."

Taking over their official duties were Mrs. C. C. Hodges, president; Mrs. Henry Hays, vice president; Mrs. Robert Queener, second vice president; Mrs. Ross Gentry, recording secretary; Mrs. Jack Boone, treasurer; Mrs. Billy Thompson, corresponding secretary; Mrs. J. L. Barnes, parliamentarian; and Miss Zady Belle Walker, reporter.

Mrs. C. C. Hodges presented Mrs. Womack with a beautiful gift from the club in appreciation for the work she has done during the past year.

The program, under the leadership of Mrs. J. L. Barnes, was based on the theme "Women." Mrs. J. W. True, Mrs. Barnes, and Miss Zady Belle Walker gave interesting talks on "Women as a Force in History," "Women Organizing for Citizenship," and "Take Your Place at the Peace Table."

Members present were Mesdames Sidney Baker, J. L. Barnes, Jack Boone, Hal Goodnight, Henry Hays, C. C. Hodges, H. J. Howell, Lynn McKown, J. C. McMurry, Robert Queener, O. R. Saye, Clarence Stroehle, Annie Stone, Billy Thompson, J. W. True, R. H. Wherry, Harry Womack, Aubrey Haynes, Gordon Gilliam, V. L. McGlocklin, and Misses Maud Milam and Zady Belle Walker. School Entertains With Mother and Daughter's Tea

A Mother and Daughter's tea was given Friday evening, May 9, in the Lakeview High School study hall.

In the receiving line were Frances Brewer, Betty Hulsey, Bobbie Adams, Ima Gowdy, Wilma Hall, Grace Sanders, and Mrs. A. L. Hall.

Mary Davenport, Betty Hall, and Avylee Weddle served as ushers.

After the guests were seated, a program in keeping with the Mother's Day theme was presented. Miss Gertrude Rasco of Memphis played several numbers on a xylophone, and Miss Mary Foreman, county superintendent, showed several pictures of various Mother's Day poems. Ginger Porter gave a reading, "Teen Agers," and Rexy Hulsey read "Where's Mother." Ella Barbee and Jerry Williams gave "Oh! What It Seemed to Be," and Peggy Davenport concluded the program with several piano selections.

The refreshment table was covered with a lace cloth and centered with an arrangement of seasonal flowers placed on a reflector and flanked by lighted tapers. Pot plants and bouquets of cut flowers placed at vantage points in the room completed the floral decorations.

Patsy Byars, Bennie Earl DuVall, Flora Hall, and Edith Driver alternated at the punch service. Serving as waiters were Don Hillis, Carroll Fowler, and Harold Rumpy.

The corporation has scheduled \$218,373.50 in insurance payments on last year's crop here. The farmers paid in \$115,771.33 in premiums, the net loss to the corporation being \$102,602.17, it is reported.

The insurance payments are being made on crop losses due to the extremely dry season last year.

Estelline Y. W. A. Entertains With Banquet May 7

Members of the Y. W. A. of Estelline entertained with a Mother-Daughter banquet May 7 in the home economics department of the high school. The social commemorated the 50th anniversary of the organization.

Gold covered pots filled with red flowers and lighted tapers were used to decorate the hall. Places were marked for 32 guests with miniature flags. At each place was an attractive program, white carnation and mint cup.

After the guests were seated, Ellen Hayes gave "an Appreciation of Our Mothers" and each girl pinned a corsage on her mother.

Mrs. Loftin, Y. W. A. sponsor, gave the invocation and the response was given by Mrs. Moore. Aleene Russell played a piano solo, and "Mother" was sung by Yvonne Moore, Louise May, Jimmie Hayes, Wanda Reed, and Fae and Nell McLean. Yvonne Moore played a piano solo, and "Mother Machree" was given by Ellen Hayes, Janet Gilbert, Elizabeth Rollins, LaVerne Rollins, and Margaret Longvine. Wanda Reed gave a reading and Mrs. Albert Bailey gave the address.

A delicious meal was prepared by the women of the Baptist church. Waiters were Billy Gilbert, Billy Haynes, Don Greer, and Donald Ray Nivens.

Farmers Urged To Give Requirements For Winter Peas

All farmers who want to plant Austrian winter peas under the ACA program this year are urged to turn in the amount of their re-

quirements to the ACA office before June 1, Lynn McKown, ACA secretary, announced Wednesday.

McKown also asked that those wishing to place orders for super phosphate bring the orders to the office before June 1.

The peas must be ordered from the Pacific Northwest and it is important that the order be placed as early as possible if the peas are to be available by September 1, McKown said.

McKown said he hoped enough orders would be placed to justify ordering a car load, as better rates and prompter service could be obtained by ordering carload lots.

The payment rate for last year

was \$5 per hundred farmer paying \$1.25 total cost \$6.25 per the seed, the ACA percent. Indications price will be near the year, McKown said. Around 900 acres to Austrian winter peas and McKown said 1,800 acre crop would this fall.

At the present county evaluation, the amendment would mean an extra approximate \$27,000 for county use in lateral road building and flood control, if the maximum 30-cent tax is voted locally, Judge Russell said.

Judge Russell pointed out that while this money could be used to advantage, the \$27,000 would not go far in building hard surface roads.

Rent Control New Function of Housing Expediter's Office

OPA rent control was transferred to the office of the Housing Expediter May 4. This will not change any of the regulations concerning evictions or ceilings on rent, according to an announcement from the Childress office.

Housing Expediter Frank Creedon has already said that he intends to administer the program effectively and within the spirit and letter of the law. All regulations and procedures remain in effect, and the rent control program will go forward with an adequate program in all areas, it was announced.

"For the convenience of those of the public who need to confer with the office the rental office will remain at 129 1-2 Commerce street in Childress, the report stated. "It has been impossible to be in Memphis on the regular days in May because of the illness of a representative. However, his condition is reported improved and we hope to be back on schedule in the near future. In the meantime, if you need forms or advice contact the Area Rent Office, P. O. Box 150, in Childress."

I want to call the attention of the readers to the many articles in this issue concerning the chamber of commerce's program for work this year. Right now it seems a fine time for every person in the county to get into a cooperative mood, lend all assist-

ance possible to the many things the chamber of commerce has laid out. Since Hall County is in the very heart of the cotton belt of West Texas, and since through improvement of cotton, and the improvement of marketing conditions for same, each and all will profit from anything that makes for the betterment of conditions.

Social Security Amendment Will Benefit Worker

A change in the Social Security Act that will benefit a number of retired workers in the Texas Panhandle area was made by the 1946 amendments to the act, according to an announcement made this week by John R. Sanderson, manager of the Social Security Administration office in Amarillo.

The amendment provides that the retirement payment may now be refigured as of the date which will give the highest benefit rate. This provision will provide a raise for those who waited for some months after retirement or after leaving covered employment before filing their social security applications. Retired workers who think that this provision might cause an increase in their payments should get in touch, in person or by mail, with the nearest Social Security Administration office at once.

Although this amendment gives added protection to the retired

worker, it is still advisable for each worker to contact the Social Security Administration when he becomes 65 years of age and to file his claim as soon as possible after retirement. Any Social Security Administration field office will furnish assistance in filing claims.

Legal Notice

Notice is here given that on the 12th day of May 1947, the Commissioners Court of Hall County, Texas, entered its order authorizing and directing the sale of the following described real property:

The South one-half of Lots Nos. 19, 20, 21, 22, 23 and 24 in Block No. 9, Original Town of Memphis, Hall County, Texas.

That John Russell, County Judge of Hall County, Texas, was appointed Commissioner to sell said property at Public Auction.

That the date and time of said sale is the 9th day of June 1947, at 2:30 o'clock P. M.

The place of the sale is the North Door of the Court House in Memphis, Hall County, Texas.

florals and ribbon streamers. The programs, which were in the shape of miniature aprons, further accentuated the chosen motif.

After an entertaining "Mother's Day" program, Mrs. C. R. Tension poured tea.

Enjoying the affair were Mesdames Dot Webster, B. H. Hays, Byrd, Ottie Jones, D. A. Grundy, Bud Godfrey, Frank Ellis, Henderson Smith, T. B. Rogers, Sam Hamilton, Chas. Oren, H. W. Stringer, May Mason, Byron Baldwin, Linnie Cauthen, W. E. Beckham, Henry Hays, A. G. Rasco; and class members: Mrs. George Cullin, teacher, Lucille Gable, Estelle Stewart, Bonnie Patterson, Opal Miller, Clara McMurry, Daphne Tension, Floe Corley, Frances McGlocklin, Ruby Lee Gentry, Fern Durham, Evelyn Stilwell, Marilea Miller, Lola Faye Stanley, Blanch Lewis, and the hostesses: Margaret Phillips, Velma Piland, Jerline Hill, and Lois Goffinet.

Mr. and Mrs. Charles Tuggles and Jeanne of Los Angeles are visiting her parents, Mr. and Mrs. T. E. Davis of Newlin.

THE FOUR PRETTIEST GIRLS at Texas State College for Women, according to bandleader Frankie Masters, are top, Shirley Shoemaker, Waxahachie, freshman, Alice Barrett, Lorenzo, senior, and bottom, Kathryn Tice Blankenship, Gainsville, junior, and Hilda Harkness, Texarkana, sophomore. Chosen by Masters in February the winners were not announced until Saturday night at TSCW, according to a news release by the school.

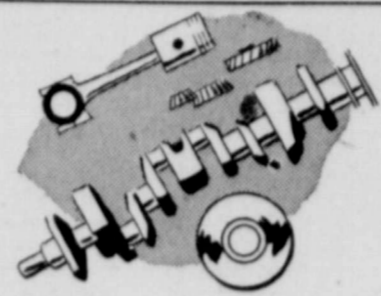

Locals and Personals

Mr. and Mrs. L. L. Doss of Quinault, Wash., are visiting here with Mrs. Doss' mother, Mrs. Cora Davis, and friends. Mr. and Mrs. Doss, who are former Memphians, moved to Washington from Lubbock about a year ago and bought

a ranch 14 miles from Quinault. The Dosses spent the past week-end visiting in Mineral Wells with Mr. Doss' relatives. Gene Gibson of Texas Tech at Lubbock was home over the week-end visiting his father, F. E. Gibson, and two sisters, Mrs. Berdie Sanderson and Mary Baten. Mitchel Sidney King of Ama-

riilo spent the week-end here with his grandparents, Mr. and Mrs. M. W. Paschall. Mr. and Mrs. J. G. Garner of Memphis visited in the home of Mr. and Mrs. Watson Garner of Childress Sunday.

THE SIGN OF BETTER SERVICE

Neta Bess Daniels, Bride-Elect, Is Complimented With Bridal Shower

Neta Bess Daniels, who became the bride of J. W. Coppedge on Saturday morning, was complimented with a bridal shower last

Friday evening in the basement of the First Methodist Church of Estelina.

Hostesses on the occasion were Mesdames Mary Clifton, L. Richberg, E. Kennedy, C. Wilkinson, A. Jones, L. A. Tucker, and Budie Holland.

The church was decorated with a profusion of garden flowers. As the guests assembled, Mrs. Clyde Wilkinson played piano selections.

Mrs. Susie Rapp and Mrs. D. Britt gave appropriate readings during the evening and Mrs. J. E. Masterson and Mrs. Clyde Wilkinson sang two songs. Other vocal selections were given by Pat Sloan, Wanda Reed, and Faye McLean.

The honoree was the recipient of many lovely gifts and her mother, Mrs. J. W. Hawkins of Moran, and Mrs. Bess Coppedge, mother of the groom-to-be, assisted the honoree in opening and displaying the gifts.

Refreshments of punch and cake were served to approximately 60 guests.

Mother's Club Of Newlin Meets In Jarrell Home

The Newlin Mothers' Club met Thursday afternoon of last week in the home of Mrs. Felix Jarrell, with Mrs. J. B. Moore as co-hostess.

Members devoted the afternoon to piecing a quilt and hemming tea towels.

Refreshments of cake, sandwiches, and punch were served to Mesdames C. W. Moore, M. P. Moore, D. W. Lawrence, Ralph Pavillard, Henry Wasson, Fred Hemphill, A. A. Kinard, Bob Sweat, W. R. Grover, D. C. Messick, and the hostess and co-hostess, Mrs. Jarrell and Mrs. Moore. The next meeting will be in the home of Mrs. B. L. Gresham.

Mr. and Mrs. Lester Campbell visited here Saturday afternoon with friends and relatives. They were en route from their home in McLean to Turkey to spend the week-end with Mr. Campbell's mother, Mrs. Laura Campbell, and sister, Mrs. Tom Salem and Mr. Salem.

 trial engineers, chemurgic officials, state officials, and cotton industrialists on the authorized trip, President Smith said.
 Those attending the meeting included, other than Smith and Flynn, R. C. Lemons, Tommie M. Potts, Roy L. Coleman, Herschel Combs, T. W. Harrison, O. V. Alexander, M. C. Allen, H. J. Howell, and T. H. Deaver.
 The chamber of commerce has released a "Calendar of Events" listing some important and colorful attractions on the home front. While not completed, the calendar reveals the following attractions:
 Monday: Amarillo Trade Trippers arrive at 1:25 p. m.
 Tuesday: Fort Worth Trade Trippers arrive at 5:50 p. m.
 June 9: Opening of summer recreational program.
 June 10-12: Yankee rookie try-out school.
 July 11: Miss Memphis and boosters to Shamrock for Plains AAU swimming meet.
 July 24-26: VFW Rodeo and Pioneer Day Celebration.
 July 26: Dedication of Memphis Municipal Airport.
 August 6-8: District 4-H Club encampment.
 September 9: Panhandle Firemen's convention.
 October 3-4: Cotton, Ceramics, and Chemurgic Carnival.
 Organizations, clubs, or individuals planning special events for the remainder of the year are urged to register such dates with the chamber of commerce to complete the events calendar.

Attend Area Meet
 (Continued from page 1)
 The conference included H. C. Custard, president; Grady Mitchell and C. P. Dodson, vice presidents; M. M. Meek, treasurer; D. A. Bandeen, manager; J. A. Rix, assistant manager; and Max Bentley, activities manager.
 At least five officials of the Burlington System, including two from Chicago, and Y. E. Juge of Fort Worth, and C. S. Edmonds of Houston are attending the meeting.
 Purpose of the meeting is to discuss and convince the railroads of selling West Texas as the natural home for industry and working with the industrial and advertising departments of the lines serving the area in surveying, developing and advertising our raw material resources and potentials which can be put through factories and turned into finished goods, it is reported.
 "Our opportunity now has been given enormous impetus by the recent decision of the U. S. Supreme Court upholding the May 15, 1945, findings and orders of the ICC pointing the way to early total parity with the North and East in freight rates on manufactured goods," Custard told committeemen.
 The Memphis chamber of commerce already has several surveys under way toward such a goal with more promised for the summer months, local committeemen report. The Burlington System officials have also pledged support in Hall County surveys, Flynn said.

Funeral Rites for Former Resident Held Here Today
 Funeral services for Mrs. Cordelia Hawkins of Norman, Okla., were held in the Church of Christ here this morning at 10:30 o'clock. She died at Norman Monday.
 Funeral services were conducted by Minister Carlos D. Speck, and the Murphy-Spicer-Estes Funeral Home was in charge of arrangements.
 Mrs. Hawkins lived in Memphis from 1927 to 1941. She was born August 17, 1874, in Terre Haute, Ind.
 She was married to N. E. Hawkins at Corinth Church, Okla., in 1906. Mr. Hawkins preceded his wife in death in 1936.
 Mrs. Hawkins was baptized into the Church of Christ at Cloverdale, Okla., in 1905.
 Survivors are one son, C. G. Rives of Purcell, Okla.; two daughters, Mrs. Lorena Weghorst of Colorado Springs, Colo., and Mrs. Uetta Haignrove of Lubbock; one step-son, A. L. Hawkins of Trinidad, Colo.; three step-daughters, Mrs. Alpha Jenkins of Westwood, Calif., Mrs. Oma Lampton of Colorado Springs, Mrs. Alice Terry of Oregon; two sisters, Mrs. Justine Neal of Maysville, Okla., and Mrs. Mary Davis of Wanette, Okla.; two brothers, Tom Sanders of Wanette and Jim W. Sanders of Coger, Okla.; and four grandchildren.

 which will benefit the majority of West Texas farmers through premium crops.
 Elliston, who accompanied members of the industrial committee of Memphis to Wichita Falls Thursday to attend the Burlington Railroad System-West Texas Chamber of Commerce's Industrial Conference, said he would return to Memphis early in June to confer with agricultural committees along chemurgic enterprises.
 The Cotton Carnival will be covered by various leased wire press associations, radio broadcasts, news reel cameramen, and possibly magazine writers to insure the event of national publicity, Flynn said.
 Ceramic authorities will have on display here finished clay products which originated in pits in Hall County and vicinity.
 One of the world's two unique cotton testers has been assured for public display, a combination spinning wheel, strength meter, other combinations within the single machine.
 The commerce directors explained the plan of the carnival was to publicize the natural resources of Hall County and West Texas and acquaint the producers with industrial problems relative to local crops. It will also create an opportunity for industry and producer to meet on a common ground, at the source of supply, to discuss future expansion and production as well as offer visual evidence of what the area can support in industrialization of present assets, a director said.
 An appeal is being made by the steering committee of the carnival asking Memphis residents to notify the chamber of commerce if rooms or other sleeping accommodations may be had for the October dates. "We know Memphis will entertain a record crowd of guests on those days," Flynn said, "but we must know how many we can accommodate over night."

Win Clarendon Game 10 to 8

Clarendon made a hard try to get out of the cellar slot in the RRV league Sunday, but the favored Memphis nine edged out a hard-fought 10 to 8 victory. Putnam, Clarendon centerfielder, hit a homer in the second with three men on. Mooring, Clarendon leftfielder, came through for another in the eighth. Parker got seven strikeouts, while Head, the Clarendon pitcher, got six. Gibson and Stidger got 2-base hits.

VFW Nips Quitaque 11-6 Here Sunday

The Memphis Vets won 11 to 6 over Quitaque in the contest here Sunday afternoon. Womack, the pink-sized Quitaque hurler, held the home team to no hits up to the third inning, while the visitors brought in five runs. Vandeventer, Memphis pitcher, came in for the first Memphis run. In the second of the fifth, two men came in on a two bagger by J. C. Henry, then Henry scored on a base hit by Vandeventer. After Womack began to throw a little wild Quitaque sent in a relief pitcher in the first of the eighth, the new man proving an easy mark for the Memphis hitters as Henry, McElreath, and Vandeventer came in to score. The score by innings:

Memphis	000	230	15x
Quitaque	140	001	000

Sport-Scope

Carroll Berryman, the Memphis fielder who went to Pampa a few weeks ago, is looking plenty good with the Oilers—just as he looked good with the Memphis nine. At the game at Abilene last week he hit in some winning runs and was given space in the Abilene paper as an outstanding Pampa player. More power to him—although, according to demonstrations, he has plenty.

Three Memphis men are listed among the twenty top batting averages of the RRV league—McKnight, with .500; Stewart, with .400; and Watkins, with a .364. Metz LaFollette, that big Mohebtie pitcher, leads the league in both hurling and hitting, batting the top .700. Howerton, the Clarendon left fielder, member of the bottom team in the league, was leading at the bat, but has now dropped to second place.

The league averages before the week-end play:

GI Tries To Locate Leonard Hortman During Stop Here

There was a disappointed G. I. in Memphis Sunday night. T-Sgt. James C. Crews, en route to Wichita Falls after serving four years and nine months in the South Pacific wars, arrived in Memphis on an early bus Sunday evening, tired but anxiously awaiting his reunion with buddies at his destination. He asked the Continental bus driver how long the bus would stop in Memphis. "About five minutes," replied the driver. "Please stay here until I can check the telephone directory," pleaded the veteran. The driver agreed. But the check proved of no avail. Sergeant Crews was seeking the whereabouts of Leonard Hortman, whom he said formerly farmed in Hall County, near Memphis. "I told some of Hortman's friends I would look him up when I came through Memphis," Crews explained. "If you see him tell him I tried," he added.

Memphians Enter Greenbelt Golf Tournery at Quannah

Qualifying in the four-day Greenbelt Golf Association tournery takes place today at Quannah. The 6,800-yard, 18-hole, course has many natural hazards and a deep rough, it is reported, and it has been readied to receive golfers from all over this area. Among those from Memphis entering the tournery are O. B. Smith, Louis Saied, George Carter, Al Costanzo, James Smith, Jack Boone, Bobby Lindsey, Elmer Siddle, Ray Childress, Jim Morris, and Al Burks. Suitable prizes will be awarded in all flights and this year a new trophy is being added by the Greenbelt Association. It is the L. S. (City) Walker Cup which will be given to the best six-man team from any town. The late City Walker was Quannah's outstanding golfer, several times winner of the Greenbelt tournery. Golfers are expected to enter from Childress, Shamrock, Vernon, Crowell, Seymour, Paducah, Memphis, Pampa, and Sayre, Frederick, and Altus, Okla.

Joint Resolution

Amendment to Article VII of the Constitution of Texas by adding thereto sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated

tax on property of Two (2c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied. "Also There Is Hereby levied, in addition to all other taxes permitted by the constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Exes Win Over Cyclone 6 to 0

The Exes plowed through a muddy, rain-soaked field to win over the Cyclone Friday night as Jimmy McElreath went over for the game's lone touchdown late in the third quarter. In the last quarter the Cyclone's Gayle West returned an Exes kick thirty yards to the five yard line. Coach Ezell's boys advanced four more yards, and then the Exes held solid for three downs, the Cyclone fumbling on

the fourth. Ted Graham, Cyclone guard, left the game on an injury in the last quarter. Each team completed one pass, the Exes connection being from Vandeventer to Hancock for a 15 yard gain in the second quarter. The Cyclone repeatedly rushed to break up attempted Exes passes. Only three fumbles were made by the Cyclone during the entire game. (Continued on Page 8)

Earl Hill Attends Sheriff's Meet

Mr. and Mrs. Earl Hill were in El Paso last week where they attended the joint convention of the Texas Police Association and Texas Sheriff's Association May 13, 14, and 15, with headquarters in Hotel Cortez.

More than 400 sheriffs and policemen including members of the public safety department at Austin and highway patrolmen were featured on the program, and subject topics included "Objectives of Law Enforcement," "Our Mutual Problems," "The Citizen—Why Keep Him in the Dark," "Juvenile Control," and others pertaining to peace officers' problems.

Highlighting the social functions were the Texas Sheriffs' Association banquet, held in the Hotel Paso Del Norte room garden, May 13, and the Texas Police Association banquet at the Hotel Cortez crystal ballroom May 14.

In speaking of the trip, Mrs. Hill said, "The visiting police officers' wives were certainly treated royally by the people of that vicinity."

"On Wednesday morning the wives of the visiting police officers joined the local women members of the Police Benefit Association for a tour of Juarez and a luncheon in the Tivoli.

"The tour included Our Lady of Guadalupe Mission, the recently opened Plaza Theater, and historical points along the border.

"We, a group of about 75 women, left in a special bus accompanied by an El Paso guide and were met by a Mexican escort for our

Publish New Edition Of State Hiway Map

A new edition of the official state highway map is just off the press to aid Texas travelers in finding their way over the state's rapidly expanding road system, it was announced this week.

Color photographs of things to see and do in the Lone Star state are featured on the map to help lure tourists from other states and inspire Texans to "See Texas First."

Progress on the postwar building program is graphically indicated on the new map which carries more than 1,100 miles of new paved roads which were not shown on the former edition, it is reported.

"At the Tivoli the tables were elaborately decorated and included special bouquets presented by Mayor Carlos Villareal, Colonel de Anda, and Antonio Macese, Juarez police chief. A Tipica orchestra played during the luncheon."

"The graciousness of the Mexican people made our visit to their country one that will long be remembered," Mrs. Hill added.

That Nagging Backache

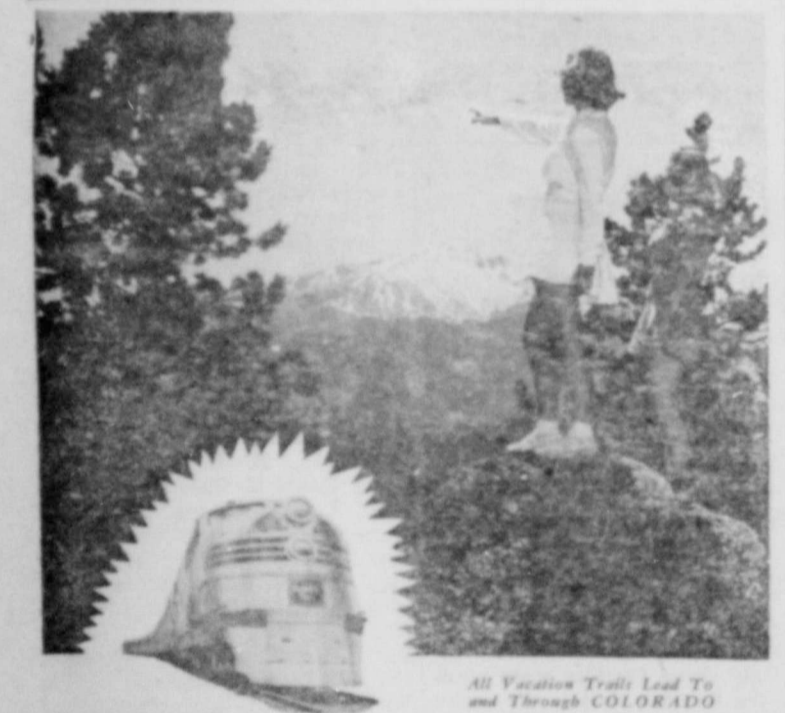

May Warn of Disordered Kidney Action

Modern life with its busy and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to ease off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

If Natural Gas could be carried in Buckets . . .

Every family within reach of a gas well could have natural gas service... every Jack and Jill in Texas would be fetching a painful... if gas could be carried in buckets!

But that's impossible, of course.

The only way to move natural gas from wells to markets is through pipe lines—great steel arteries that wind over hills and under rivers, through swamps and wastelands, linking enormous underground reservoirs with the burners in your home and factory

United Gas has more than 6,000 miles of such lines, connected to more than 100 fields in Texas, Louisiana and Mississippi. At the outlet ends of United's pipe lines are 322 southern cities and towns, many of which are served by United Gas distribution systems. By providing this link between wells and markets, by making this gas available for use, United is giving value to gas that might otherwise remain worthless in the ground... is helping to bring the comfort and convenience of natural gas service into your home and that of your neighbor.

Clay Samples Are Brought In For Commercial Tests

At least three distinct types of clay have been delivered to the Memphis chamber of commerce this week with other samples promised for commercial testing, according to Pat Flynn, local manager.

Deposits were brought in by T. T. Loard, Memphis; Porter Johnson, Star Route; and M. E. Drake, Route 1, Lakeview.

"Each sample is different," Flynn said, "and we are hopeful of receiving many additional samples of varied consistency for expert laboratory testing. We desire to determine once and for all the exact potentialities of Hall County clay deposits and if the tests warrant commercial development, to exert every effort for such industrial development."

The samples will be tested by

Funeral services were held at Goldwaite Saturday afternoon at 4 o'clock.

state laboratories as to exact commercial value, Flynn added.

Those submitting samples should bring in enough clay to fill an ordinary cigar box. This will afford at least two laboratory tests, Flynn explained.

Chevrolet Slates "Oldest Truck" Contest In June

Owners of early-model Chevrolet trucks in this area were invited this week by Tomie M. Potts to participate in a nationwide search by the Chevrolet Motor Division to locate the oldest Chevrolet truck still in active service in the United States.

"The owner of the oldest truck will be presented with a brand-new Advance-Design Chevrolet truck and may choose any standard model in the current line of Chevrolet commercial cars and trucks," Potts said.

Trucks entered in the search must be driven to a Chevrolet dealership, where official entry blanks are available. The search ends June 15 and the winner will be notified on or before June 20.

"We have a large number of old Chevrolet trucks still in every-day service in this area," Potts said, "and the winning vehicle may be on a farm or engaged in some other hauling work right in our own community."

The winning truck, Potts said, must carry 1947 license plates. The oldest Chevrolet truck will be determined by the earliest serial numbers. In cases where the serial number is lost or illegible, the number may be established by an original bill of sale or other legal documents showing the original serial number.

Entries must be filed with a Chevrolet dealer by midnight June 15, Potts emphasized. Only vehicles manufactured as trucks by Chevrolet are eligible, and the search is open to all truck owners with the exception of employees of the Chevrolet Motor Division, dealers in cars and trucks and their employees.

Scout News

(By Reporter)

Scouts of Troop 35 of Memphis will leave Friday morning at 10:30 a. m. for a week-end encampment in Palo Duro Canyon which is located 12 miles east of Canyon.

The scouts plan to reach the camp about 5 p. m. Friday evening. They will then pitch camp and cook their meals over open camp fires before darkness sets in. The scouts will explore Palo Duro Canyon during the late afternoon and Saturday morning. They will hike through the canyon in patrols, with their leaders. Assistant Scoutmaster Winfred Messer and Cubmaster Boaz Stotts. Temporary plans are that after the scouts finish exploring the canyon they will leave for West Texas State College and visit the Panhandle museum and the college indoor swimming pool and gym. The scouts will then leave for Amarillo where plans are being made for the boys to spend the second night.

The boys will return to Memphis Sunday morning.

It is requested that the boys have their bedrolls, food and camping equipment, canteens filled with water, hatchets, and all necessary equipment at the library building by 8 a. m. Friday, so that this equipment can be loaded by the time set for departure.

After the scouts receive their report cards and finish at the high school, they should go to the library building and get everything ready as quickly as possible so we can leave and try to get to Amarillo for a late dinner.

NOTICE OF SHERIFF'S SALE
THE STATE OF TEXAS
COUNTY OF HALL
SHERIFF'S SALE

Whereas, on the 8th day of February, 1947, in Cause No. 3038, in the District Court of Hall County, Texas, wherein The City of Memphis, Texas, Plaintiff, State of Texas and County of Hall, and Memphis Independent School District, Impleaded Party Defendants, were Plaintiff, Impleaded Party Defendants, recovered judgment against Mrs. H. S. (Mrs. Lucile) Randall, Defendant, for taxes, penalty, interest, and cost against the hereinafter described property:

Whereas, on the 5th day of May, 1947, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

Whereas, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 6th day of May, 1947, seize and levy upon as the property of the above defendant the following described Property, sit-

uated in Hall County, Texas, to-wit:

First Tract: All of Lots Nos. 16 to 24 inclusive in Block No. 7, Noel's Addition to the town of Memphis in Hall County, Texas.

And I will on the first Tuesday in the month of June, 1947, the same being the 3rd day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Memphis, Texas, between the hours of 2:00 p. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

Dated at Memphis, Texas, this 6th day of May, 1947.

Baptist Groups Hold Meetings, Elections

Twenty-eight Baptist pastors and laymen of the North Fork and Panhandle Associations met at the Pan-Fork encampment grounds northeast of Wellington Tuesday of last week to incorporate, elect a board of directors, and to make definite plans for the future of the encampment, according to a church announcement.

Those attending the meeting from Memphis were Sam J. Hamilton, Rev. C. R. Tension, and Weldon W. Lewis.

A business session was held in the afternoon. A board of nine directors—four from each association and one at large—was elected to serve as follows: four were elected to serve one year, and four to serve two years; the member at large will be elected each year.

Five trustees were elected board members to serve one year. They are Henry Davidson, president, Wellington; Sam J. Hamilton, Memphis; R. A. Smith, Turkey; Duard Price, Shamrock; and O. B. Rayburn, Wellington. Members elected to serve two years are Rev. Edward C. Derr, Shamrock; Rev. Dan Beltz, Lefors; Andy Moore, Clarendon; and M.

Industrialists Slate Surveys For Hall County

Field men in at least three industrial fields will survey Hall County this summer to ascertain if their companies will open branches in Memphis, according to the chamber of commerce.

One crew will check the potential alfalfa production in reference to a mill for this vicinity. Another will check dairy possibilities among farmers to determine if a grade A creamery and possibly an ice cream plant is needed. Still another survey will be made by a glazed tile concern to determine the extent of clay de-

W. Mosely, Hedley. The camp site is the quarter section of land formerly owned by the City of Wellington and known as the Wellington Country Club. It was bought and paid for last year with offerings from the two associations and will be used jointly or otherwise for all kinds of gatherings of a religious nature, it was reported. Permanent improvements already on the grounds include a large house and a 20x40 foot swimming pool, and it is expected that many other improvements will be completed before the annual encampment which will begin this year on July 21, officials stated.

Last year nearly 400 boys and girls attended the encampment.

Harvesting at the right time means better vegetables on the dinner table. Good harvesting tips: summer squash is ready when about half grown, when the shell can easily be punctured with the thumbnail; beets are ready when 1 1/2 to 2 inches in diameter; sweet corn when the silk is dried almost back to the husk.

How many do you have in your house?

How many on your fingers is fair. But first, make a quick guess: How many electric motors do your home-work for you? Would you say maybe 10?

Count 'em up. It's easier if you think of them room by room. How many in the bedrooms? Electric clocks and shavers each have a motor. So do the fans you use in summer.

How many in the kitchen is a gold mine. There's a motor in the electric refrigerator, the food mixer, the ventilating fan. (The list below will give you a good idea of others.) Don't skip any rooms. Even the basement and attic may be rich picking.

How many in the bathroom? How does the count compare with your guess? Most people are way low. Actually 10 motors per house is common—20 is usual!

Whatever the number, the point is true. We seldom realize how much electricity does for us, because it does them so dependably, so cheaply.

Let us help bring this about by taking advantage of so many electric opportunities. And the men and women of the business-manufacturing companies are always working to bring you better service at lower cost. That's one reason why the price of electricity has gone down and down, while the price of almost everything else has gone up.

TO HALL COUNTY SENIORS

This week seniors in Hall County are having graduation exercises. It is a solemn occasion. Associations are severed. Goals must be confirmed. A new way of life must be made.

Advice to seniors will be plentiful. Baccalaureate speakers, commencement speakers, teachers, parents, friends, fellow students, publications—there will be no dearth of suggestion.

The advice will be good; and most of it the seniors will have heard before.

We won't attempt to add to it, youth guidance and counseling being too ambitious a function for a small newspaper.

All we wish to do is call the seniors' attention to something else they have heard many times, but which has held true as the most valuable precept for as long as youth has entered maturity. In various phrasings, the words written by Emerson, by Shakespeare, by Plato, and perhaps before: "To thine own self be true, then thou canst not be false to any man."

Press Paragraphs—

QUOTING OUR NEIGHBORS

Perryton Hospital

The formal opening of the new \$225,000 Sanford Hospital and Clinic was held in Perryton Saturday, Drs. Roy K. and Herbert M. Sanford have announced. A public open house was held on Saturday and Sunday, and the entire plant was open for inspection. The hospital began actual operation and began admitting patients Monday.

Everything in the hospital is new and modern. The latest developments in medical equipment are found in the hospital and nothing has been spared to make it one of the best equipped hospitals in the Panhandle.—The Ochiltree County Herald.

Floyd Pioneer Reunion

Pioneers of Floyd County, who will hold their annual reunion on Wednesday, May 28, announced this week that District Attorney John B. Stapleton will make the principal speech of their gathering. He is the son of a pioneer physician, the late Dr. G. J. Stapleton, and his mother resides at the family home in Lockney.

Glad Snodgrass is chairman of the committee which asked the district attorney to make the principal talk.—The Floyd County Hesperian.

A bill has passed the House almost unanimously to appropriate \$1,500,000 to create a new four-year technological college. Whose idea is this? Had you heard anything about it? Texas Tech at Lubbock is a great school; so is Texas College of Arts and Industries at Kingsville. Why not send tech students to one of these highly successful colleges?

Just a few weeks ago, this columnist visited A. & I. and it is a fine school but is greatly in need of buildings for the excellent technological equipment it has—electrical, aviation, oil and gas equipment.

Instead of starting a new four-year college, why don't we first provide the buildings and other needs of the colleges already in existence? The University of Texas, A. and M., and our other state schools have largely gone without new buildings since 1941. They are bursting at the seams. They are crowded with veterans enrolled under the G. I. Bill of Rights.

Another thing: This legislature has appropriated \$2,000,000 for a new university for the negroes. Isn't one big school in one year enough for the state to start? And that \$1,500,000 for the

proposed new technological college will only be a starter. Don't doubt it; give 'em that and it won't be long till they'll be back for more.

The governor warns that the state treasury is not going to have enough money to pay for all the things the legislature is voting. Which do the people of Texas want: a new technological college—or more pay for our public school teachers?

A new technological college—or some farm-to-market roads?

Do the people want another four-year state college—or doing something for the elderly who are having to get by on 80 cents a day when the cost of living has gone up 75 per cent in the last few years?

This Week in WASHINGTON

THE department of the Interior already is preparing to curtail its activities, particularly in the western states, due to the drastic cuts in appropriations for field operations. The bureau of land management already has issued orders to close 41 offices in 10 western states, leaving only one office in each state where some 20,000 stockmen may conduct their business in connection with the use of 140 million acres of federal range land.

Interior Secretary Krug stated also that the budget cuts would necessitate curtailment in the field program for protection and feeding of 500,000 wild animals on the public range lands.

THE RENT CONTROL bill passed by the house in a narrow squeak, which saw the use of the big stick by Republican leaders in forcing some members to change their vote, is a hodgepodge. While not granting any specific rent increase, the bill provides that local rent control of offices may or may not grant increases up to a point. So whether there is rent control or not remains to be seen, since it depends upon who controls the local rent boards.

THE SENATE, by a vote of 59 to 35, refused to split up its omnibus labor bill into four separate bills as asked by some senators who want to see reforms made in labor laws but who do not want to punish labor. Such senators as Morse of Oregon, Murray of Montana, Pepper of Florida and some others, declared that if the Republicans persisted in keeping the whole labor picture in one omnibus bill it likely would be vetoed by the President, and thus there would be actually no labor reform legislation at this session of congress, since there likely are insufficient votes in the senate to pass the law over the President's veto.

They argued that if the actual labor reforms such as those relating to jurisdictional strikes, secondary boycotts, forcing the union to make public its finances, giving management an equal voice with the unions, et cetera, all more or less agreed reforms, were kept in one bill, the President would sign it. They argued, however, that he likely would not sign a bill which outlawed closed shops or industry-wide bargaining for the unions. Hence if he vetoed such a bill, needed labor reform laws would at least remain on the

statutes. GOP leaders seemed to feel that to keep everything in one bill then pass the blame to the labor union if there is no labor law.

IN OUTLINING the nation policy for agriculture, Clinton P. Anderson, agricultural commissioner, outlined a farm program policy of "organized production" which included the stability of production, improvement of farm income and extension to the farm families and facilities, telephone, electricity, flood protection; agricultural floor under commodity products which would plus distribution and program; an even-storage loans and management, of which the agreements are only

National Cotton Week

for women and state home demonstration agent of the Texas A. and M. College extension service, is serving as state chairman of the National Cotton Week Committee of Texas.

"National Cotton Week," Miss Hearn says, "is being observed to focus attention on cotton as being one of our most versatile and resourceful crops. During the national week, as during any week, we want to spread the word about what needs to be done to put Texas cotton on an equal basis with all fibers on world markets, to bring to the attention of the public what the crop means to our national economy and what can be done to boost cotton yields and cotton uses. We want to put cotton—perhaps not back on the throne here in Texas—but certainly we want to put it in its rightful place as a part of balanced farming."

Winning 4-H Essays

Editor's Note: This is the second in a series of prize-winning essays on diversified farming, from the contest conducted in the county last month. Bobby Joe Myers of Briton wrote the following paper on "The Advantages of Diversified Farming."

One of the advantages of diversified farming is if that one crop fails then you have another to count on. Don't ever plant all cotton and not some kind of grain. Because if your cotton crop fails then you have your grain crop to count on. If you raise chickens they produce eggs and meat for your family. The hog also produces meat and lard. Then you take the cow she produces milk, butter, and several other products or items for the table. The raising of chickens and cows may also be a help in selling eggs and butter, cream and milk.

Advantage to farmers because it keeps the top soil from washing away. The shelter belts would be an advantage to farmers too because they help to keep the top soil from blowing away but on the other hand the trees sap up the much moisture so they take out too many acres of land. A garden is also a helpful project because you can produce fresh vegetables for the table. If you have a big enough garden you might sell fresh vegetables to be sold at grocery stores.

up by the rushing Cyclone line. The boys were holding on to the rigids under trying conditions, finishing but three times during the game. A T. C. U. scout attending the game is reported to have been impressed with the low double record on the sloppy field. He said six or seven flights would be expected on the average for college play under the same conditions. The well-drilled Cyclone showed spirit, coordination, and the makings of one of the best teams here in several seasons.

Ray Newton, new Memphis High School assistant coach, will be seen soon in action with the local nine. Manager Hutchinson reveals. His application was forwarded to league officials a week or two ago, and he should be eligible for play in the near future.

Mr. and Mrs. L. W. Price of Oakland, Calif., are here this week visiting with Mrs. Price's parents, Mr. and Mrs. E. L. Spencer.

play, in spite of the slippery and difficult field.
The Cyclone gained more first downs during the first half than the Exes, and the well-drilled team showed great promise of things to come this fall in both the line and the backfield. The backfield was flat and stiff, the blocking and tackling was good as the Cyclone line came in repeatedly to break up Exes plays.

Coach Doyle Bunch had an outstanding collection of former Cyclone stars, having an edge over the Cyclone in weight, both in the line and in the backfield, but "Misses Who Is not a Christian." The great need of the world is God. The purpose of the church is to present Jesus Christ to humanity. You will find a sincere, cordial welcome at the services of this church. Jeepers Creepers!
as she sews— does it creep?
NOT IF IT'S COTTON
That's one of the many reasons why women who sew prefer Cotton—it doesn't slip and slide—it isn't needle-shy or seam-conscious. Seams stay put in Cotton.
Machine operators in large factories charge less for sewing Cotton, because it is easier and faster to handle. When it comes to value—no other fabric gives as much in return for time and labor required in sewing and in upkeep as does Cotton—America's favorite fabric, 4 to 1.
