Plaska, Memphis, Eli Consolidate

Although the county commissioners have not met for official canvassing of returns on voting last Saturday in three communities on the Plaska, Eli and Memphis schools consolidation, unofficial returns indicated the consolidation had carried with very little opposition.

Yannigans To Play Here Friday In Second Grid Meet

The Amarillo Yannigans will meet the Memphis Cyclone here Friday night under the lights in the second scheduled contest for the Cyclone this season.

The Yannigans, Sandstorm B team, have always had power and drive, and from the wealth of

Reserve seat tickets are on sale, and may be obtained at Harrison Hardware, Supt. W. C. Davis said today. The entire east side stadium has been set aside for reserve seats, which are being sold by members of the Cyclone Booster Club.

Amarillo football talent apparent this year the Yannigans are certain to offer a heavy contest.

The Cyclone attack will be weakened somewhat Friday. West, who left the game on an injury at Quannah last Friday, will not see much action, if any, Coach Ezell indicated Wednesday.

The next contest will also be a home game as McLean plays here October 3. Memphis lost to Quannah last Friday 20 to 6, while McLean lost to Panhandle 26 to 0.

Motorists Warned About Careless Parking Practice

Mayor C. C. Hodges called attention this week to the practice of a number of Memphis motorists of blocking alleys and driveways near churches during funeral services and church services.

Even driveways at homes have been blocked recently, Hodges said, during church and funeral services. Special care should be used in parking near a church during funeral or church services, so that entrances and exits will

SCHOOL BUS DRIVERS FROM FOUR COUNTIES TO MEET IN MEMPHIS

Memphis will be host to school bus drivers from four counties as they convene at Memphis High School for a full day of lectures, study, and safety discussions, Mary Foreman, county superintendent of schools, announced Wednesday. The date for the all-day session has been tentatively set as September 27.

The program will begin at 9 a. m. and will continue through 4 p. m., Miss Foreman said. Bus drivers from Hall, Donley, Collingsworth, and Childress counties will meet in the school auditorium for the program which will include talks by highway patrolman, safety education and instruction and discussions on care of buses.

First Hall Rural Colored School Is Established

Hall County's first rural colored school has been established, with temporary location at Deep Lake, Mary Foreman, county superintendent of schools, announced Wednesday.

Mrs. Rose Etta Forge, who is a bachelor of arts graduate from Sam Houston College, is serving as instructor. Mrs. Forge has 13 years of teaching experience.

The school, which serves eight grades, reported a first day enrollment of 27, and a later unofficial report indicates 37 are now enrolled.

According to the unofficial statement Memphis carried the consolidation 39 to 1. Eli voted 28 for, 1 against, and although the number of votes cast at Plaska was not available, it was believed to have carried at the polls there by not more than one vote opposition.

The schools will be officially consolidated with Memphis after the county commissioners meet. Under the new set up the school will remain open at Plaska. The school will still have two teachers and serve seven grades, but it will be as a ward school to Memphis.

Eli has not had a school in operation for a number of years, students attending at Memphis. This will merely effect a permanent consolidation for Eli, it was announced.

The consolidation will make no change in the number of teachers in the Memphis district, according to the report.

Guessing On '47 Cotton Crop To Close Monday

You have until Monday, September 22, to turn in your estimate on the 1947 cotton crop to The Democrat and become eligible for subscription prizes to be awarded after the total number of bales ginned in the county from the 1947 crop has been determined.

Dozens of guesses have come in this week. They have been brought in, mailed in by letter and by post card. Be sure to include your address with the guess and turn it in before Monday. The Democrat would like to have as many guesses as possible.

So far the lowest estimate turned in is 22,850 bales, the highest estimate being 48,500. But whether you are a pessimist or an optimist, you have just as good a chance this year as the experts. It's anybody's guess.

Mrs. Harrison Dies Saturday Following Stroke

Mrs. S. T. Harrison, pioneer resident of Hall County and wife of the late Sam T. Harrison, died Saturday after being taken to a local hospital following a stroke early Thursday morning of last week.

Funeral services were conducted in the First Baptist Church Sunday at 2:30 p. m., with Rev. C. R. Tension and Rev. B. L. Peacock officiating.

Interment was in Fairview Cemetery, with arrangements under the direction of the Murphy-Spicer-Estes Funeral Home.

Mrs. Harrison, daughter of Mr. and Mrs. William R. Smith, was born in Huntsville, Ala., March 18, 1880.

She was a member of the Baptist church, the Mystic Weavers Club, and was very active in civic and church work.

Mr. Harrison, well-known in the hardware business throughout the Panhandle, preceded his wife in death in October of 1940.

Surviving are her sons, Carl and Wendell Harrison of Memphis; her daughter, Mrs. Ruth Hawkins of Memphis; a brother, Mood Smith of Lovington, N. M.; two sisters, Mrs. D. C. Maupin of Big Spring and Mrs. E. N. Clabaugh of Mangum, Okla.

Palbearers were Ted Reed, Jack Boone, L. W. Stanford, Byron Baldwin, Paul Montgomery, R. C. Lemons, Allen Dunbar, and Buster Helm.

Members of the Mystic Weavers Club were in charge of the flowers.

Relatives and friends from out of town attending the services were: Mrs. E. N. Clabaugh and Mr. and Mrs. Ralph Clabaugh of Mangum, Okla., Mrs. Walter Smoot of Childress, Mr. and Mrs. J. C. Alexander of Amarillo, Mrs. Daisy Coleman, Mary Coleman, Thompson Coleman, and Leon Lester of Wills Point, P. S. Walker, Harrison Walker, and T. R. Harrison of Dallas.

Mr. and Mrs. Andrew Jay, Mr. (Continued on Page 8)

Seeding Wheat Approvals Are Issued By AAA

Lynn McKown, ACA secretary, said this week approvals on seeding wheat on trenched land were being issued up to October 15. The practice must be reported by December 15, he said.

Approximately 40 per cent of the farmers in Hall County have not earned any AAA payment this year, and these are especially urged to take advantage of fall practices, McKown said.

The local AAA office reported arrangements were ready to go ahead with the winter legume program, but continued dry weather had kept farmers from participation in this practice.

Fire Department Answers Four Calls

The Memphis fire department answered four calls to minor fires this week.

Two calls were made Saturday to the Phillips 66 station where a wiring short had caused a small blaze. Monday firemen helped extinguish a small fire started in cross ties piled near the Memphis compress, the fire having been brought under control by a fire extinguished from the compress, it was reported.

Tuesday about 1 p. m. a fire in the roof of the library park (Continued on page 8)

SET CARNIVAL RALLY FOR MONDAY

A Carnival rally will be held in Memphis Monday night on the courthouse lawn. James F. Smith, chamber of commerce president, announced today. The rally is to begin at 7:30 Smith urges all people of Memphis and of the area to attend the meeting. Reports of final plans for the Carnival to be held October 3 and 4 will be made, together with an outline of the program for those days. The Memphis High School band will play, and all who attend may be assured of a general good time at the rally, Smith said.

Mrs. Goodnight Funeral Services Are Held Tuesday

Funeral services for Mrs. Jimmie Goodnight, wife of Hal Goodnight, were conducted in the First Methodist Church at 10:30 a. m. Tuesday with Rev. C. C. Armstrong and Rev. B. L. Peacock officiating. Mrs. Goodnight died Sunday, after a short illness.

Interment was in the Fairview Cemetery of Memphis, with arrangements under the direction of the Murphy-Spicer-Estes Funeral Home.

Mrs. Goodnight was born May 22, 1907, at Hulver. She married Hal Goodnight May 14, 1928.

She was a member of the Methodist church, the Missionary society of the church, and was a member of the Delphinia Club.

Surviving are her husband; two daughters, Patsy Ann and Jan Goodnight; a son, Sammy Hal Goodnight; her mother, Mrs. S. S. Cooper of Hulver; three brothers, Olen Cooper of Memphis, Frank Cooper of Hulver, and James Cooper of Los Angeles; and three sisters, Mrs. Tom Ballew of Los Angeles, Mrs. Gilbert Hunter and Miss Jo Cooper of Denver.

Palbearers were W. B. Hooser, Don Wright, Oattie Jones, M. G. Tarver, Allen Dunbar, and Guthrie Bennett.

Lakeview Eagles, Estelline Cubs Meet Tomorrow

The Lakeview and Estelline football teams will meet in a conference opener tomorrow night at the Eagle stadium at Lakeview.

The Lakeview Eagles bowed out to Clarendon in their game last Friday by a score of 32-0. The Estelline Cubs lost to Shamrock last Friday night 39-0, so the Eagle-Cub tilt is close to a toss-up, with the Eagles being given a slight nod on the advantage of being at home.

This is the first time the Eagles (Continued on Page 8)

Rifle Match With Shamrock Is Set For Sunday Here

Memphis and Shamrock rifle club members will meet here Sunday afternoon for their first official small bore rifle match, according to an announcement by Herschel Combs, president of the local club.

First relays of the two clubs are to line up for the opening of the contest at 2 p. m., and the public has been invited to attend the match.

Riflemen will fire on 50-yard and 100-yard ranges and official National Rifle Association rules will be used throughout the match, according to Jay Gould, executive officer of the Memphis club.

After completion of the .22 calibre small bore match, the visiting team will be invited to take part in a pistol match.

An invitation has also been extended to the Shamrock team to bring a five-man trap team, Combs said. If this last feature is worked out, 25 shots will be fired by each contestant on the trap range.

SIGHT AND BLIND AID DRIVE IS TERMED SUCCESSFUL BY SPONSORS

Ben Wilson Jr., chairman of the Lions Club drive to collect funds during Sight and Blind Aid drive here, after conclusion of the drive this week said local response to the call for funds had been excellent.

Around \$250 was netted, all of which will be used locally, Wilson said.

He expressed his thanks in behalf of the Lions Club to the scouts, to the students of West Ward Junior and Senior high schools for aid in soliciting funds, and he thanked all who contributed so readily to this worthwhile cause.

Must Report Peanut Acreage To AAA Office

Any farmer who harvested peanuts during the period 1944 to 1947 must report the acreage to the local AAA office before an acreage allotment for 1948 can be made, according to an announcement by the ACA secretary, Lynn McKown.

Peanuts is the only crop of which there is a surplus, McKown said, here being around 25 per cent more peanuts than available market. For this reason there must be an acreage control before there can be a government price guarantee for the '48 crop, he said.

WEATHER

After a few days of fall-like weather with the thermometer in the 80's, a high of 99 degrees was reached Tuesday, with 102 degrees as the top Wednesday, to bring back out summer clothes prematurely put away.

The low temperature of the week was 50 degrees recorded Saturday night, with the lowest high being 80 degrees Sunday, followed by 82 degrees Monday.

Charlie Franz of Turkey has been named exhibit judge, pending his acceptance of the post. Franz is a well-known breeder of Duroc, Poland-China, and Hampshire hogs.

The prize list totals \$52.50. Local prizes, to be awarded on competition among pigs donated locally, by Doc Saye, Durham Pharmacy, and the chamber of commerce, have been set at, first, \$7; second, \$5.50; third, \$4.50; fourth, \$3.50, and fifth, 2. The Sears contest winners will be awarded payments for hog lot equipment in the following amounts: first boar, \$7.50; first gilt, \$7.50; second, \$6; third, \$5; fourth, \$4.

Hooser emphasized that every member of the contest must furnish receipts in triplicate for hog lot equipment used. He said this included such things as pasture seed, nails, hog wire, fence posts, lumber, cement, sand or gravel for concrete hog lot equipment. If the bill for the equipment is marked paid, the prize check will be made payable to the boy. If the bill has been charged, the prize check will be made payable to the seller of the equipment, according to the contest rules.

Those participating in the contest for swine donated locally are Rita Jean Hill of Parnell, David and Irene Francis of Parnell, Leon and Archie Martin of Newlin. (Continued on Page 8)

Foy Mullin Rites Held At Newlin

George Foy Mullins died Tuesday at his home in Newlin. Funeral services were conducted Wednesday at 3 p. m. in the Methodist Church at Newlin, with Rev. A. V. Hendricks officiating, assisted by Rev. Scott Crawford.

Interment was in the Newlin cemetery with funeral arrangements under the direction of the Murphy-Spicer-Estes Funeral Home.

Mr. Mullins was born in Brown County, Texas, May 28, 1897. Surviving are his father, (Continued on Page 8)

Cotton Loan Forms Available At AAA

Cotton loan forms are available at the AAA office for ginners and any others who may need them, it was reported this week.

Since the loan rate is now about 27.24 cents for middling 15-16 cotton and the market price generally is down a little, more farmers are expected to take advantage of the loan this fall.

Little or no wheat was held over in the county this year, it was noted by officials who commented on the steady advance of wheat market prices during the past month and a half.

Hall, Childress Schools To Be In New District

The Hall and Childress county school districts have been redesignated and placed in the Panhandle district, Mary Foreman, county school superintendent, announced this week.

This move leaves the district temporarily without a state deputy superintendent, Miss Foreman said.

The state was recently re-districted into 18 districts instead of 12, and this required new appointments of deputy superintendents.

Miss Foreman received a letter from L. R. Burckett of Haskell, who has up to now been the state deputy superintendent for Hall County, and part of the letter is quoted:

"I am sorry to report to you (Continued on Page 8)

Dr. Newman Will Preach Sunday at Baptist Church

Dr. Stewart A. Newman, registrar of Southwestern Baptist Theological Seminary of Fort Worth, and one of the outstanding theologians in the South, will speak at both services of the First Baptist Church Sunday in the absence of the pastor, Rev. Clifton R. Tension, according to a church announcement made Wednesday.

Rev. Tension, a graduate of the seminary, will begin work on (Continued on Page 8)

Memphian's Mother Dies Tuesday

Mrs. R. H. Beeson of Olton, mother of Jim Beeson of Memphis, died about 1 p. m. Tuesday at Turkey, where she had been visiting Mrs. J. E. Barnhill and other relatives.

Mrs. Beeson, 62, died shortly after having a stroke.

Funeral services were conducted at 3 p. m. Wednesday in Turkey.

Mrs Stennett Is Complimented With Bridal Shower

Mrs. Weldon Stennett, who before her marriage on August 9 was Miss Wilma Jean McMaster, was complimented with a beautifully planned bridal shower in the home of Miss LaVern Orr of Plaska Friday, September 5, at 2 o'clock in the afternoon.

West Ward P.-T. A. Starts Year With Record Attendance

Sixty-four parents and teachers gathered in the West Ward School auditorium Thursday afternoon of last week for the opening session of the West Ward Parent-Teacher Association.

A program of songs and a very interesting talk on "The More We Get Together," given by Mrs. D. L. C. Kinard, was enjoyed by the group.

Members of the social committee had arranged for a social hour following the program and those present enjoyed visiting and getting better acquainted as they were served delicious refreshments by the social committee.

"We urge all parents to be present at our next meeting which will be October 9," those in charge stated.

Mrs. Bobby Jack McMurry, Recent Bride Is Honoree at Lovely Tea and Shower

Gifts of china, crystal, and silver were presented to Mrs. Bobby Jack McMurry, recent bride, during a lovely tea-shower given in her honor Tuesday evening at the home of Mrs. Allen Monzingo. Mrs. McMurry was before her marriage on August 29, Miss Marie Morris.

Assisting Mrs. Monzingo with hostess duties were Mesdames Frank Monzingo, M. C. Allen, T. H. Everett, J. M. Ferrel, Alice Crawford, Therman Eller, H. W. Edmondson, Claude Hickey, Gerald Hickey, Hubert Jortez, Roy Coleman, Clifton Burnett, Lester Bowman, and Misses Ruth Jones and Mary Jo Lamb.

Guests called between the hours of 7:30 and 9:30 o'clock and were greeted by Mrs. Clifton Burnett, the honoree, Mrs. McMurry, the bride's mother, Mrs. Clyde Morris, the groom's mother, Mrs. Ernest McMurry, and the groom's grandmother and aunt, Mrs. H. M. Guest and Mrs. Myrtle Howard.

Mrs. Hubert Jones secured signatures of guests for the bride's book. Other members of the house party, Mrs. J. M. Ferrel, Mrs. H. W. Edmondson, and Mrs. Lester Bowman, were in charge of the gift display, and Misses Ruth Jones, Mary Jo Lamb, and Mrs. Gerald Hickey, who assisted with serving duties. All members of the house party wore lovely corsages of blue cornflowers and white carnations tied with white satin ribbon ties.

The color scheme of white and blue, chosen by the bride, were noted in the artistic decorations used throughout the reception suite. In the dining room the handsomely appointed refreshment table was laid with a lace cloth over blue, and was adorned with a centerpiece of blue cornflowers arranged in a low crystal bowl. At one end of the table was a large crystal punch bowl and other dainties served with the punch included sandwiches, nuts, cookies, and heart-shaped mints. Also used on the table were blue and white candles which gave a soft glow of light for the table setting.

The invitation list for the party included approximately 120 friends of the couple.

Mack Wilson Jr., son of Mr. and Mrs. Mack Wilson of Memphis, is again a student at NTAC, Arlington.

THE POLITICAL EVIL

"Well, mister," the farm woman replied, when the census-taker inquired about the political faith of her family. "We'uns is kind o' mixed up. I'm a Republican, my husband's a Democrat, the baby's a Wet, the cow's Dry, and the dog belongs to the Reform Party."

"To the Reform Party?" queried the solicitor.

"Yes," the woman affirmed; "he don't do nothing but set around all day and howl."—The Texas Outlook.

Federated Clubs To Entertain Carnival Queens

The Memphis Federation of Women's Clubs, composed of eight organizations of women, will serve as official hostess to visiting queen candidates at at the West Texas Cotton, Chemurgic, and Ceramics Carnival here October 2-4. The executive committee of the federation met with chamber of commerce manager Pat Flynn this week and volunteered their services.

The Federation will arrange entertainment for the regal visitors and their chaperones, furnish transportation and otherwise assist in accommodating the candidates. More than 35 queens from as many cities have been entered in the "Maid of West Texas" contest and several additional sponsors are expected to file queens before the deadline of October 2.

The committee, representing the Federation, meeting with Flynn included Mrs. T. J. Dunbar, president and members of the 1913 Study Club; Mrs. C. R. Webster, vice president and members of the Atalantean Club; Mrs. Harry Womack, recording secretary and member of the Delphian Club; Mrs. J. H. Norman, corresponding secretary and member of the United Daughters of the Confederacy; Mrs. Earl Pritchett, treasurer and member of the Pathfinders' Council; and Mrs. Herschel Combs, reporter and member of the Woman's Culture Club.

Estelline Plans Many Exhibits

Estelline will attend the Cotton Carnival with a bang, it was announced Tuesday night by Superintendent of Schools J. B. Riddle.

Not only will Estelline have a high school exhibit, FFA exhibit, and a queen candidate, but will offer still another display of unique possibilities—the G. I. vocational agricultural exhibit.

A group of Memphis boosters met with farmers and business men Tuesday night to launch the plans and Pat Flynn, manager of the Memphis chamber of commerce and Hall County board of development, will address the general school assembly Friday morning to aid in selecting the queen.

Miss Nan Nolte, 20-year-old Tullia beauty, has been named "Miss Tullia" for the Cotton Carnival here October 2-4, according to Henry Teubel, president of the Swisher County chamber of commerce. She will be accompanied here by the Tullia band, a host of Tullia boosters and exhibit personnel. Miss Nolte is the daughter of Mrs. Myrtle Goldman, a former resident of Memphis.

Richard Ford Opens Lariat Cafe Sept. 20

Mr. and Mrs. Richard Ford, formerly of Houston, announced this week that they will open the Lariat Cafe Saturday. The cafe is located on West Noel street, and was formerly known as Cafe 13.

Mr. Ford, who was reared in this county, has spent the past 13 years in the restaurant business. During the past several days the cafe has been remodeled, and new fixtures have been installed.

The first advertisement to appear in magazines was printed in Scribner's Monthly in 1870.

Borger Announces Carnival Delegation

Borger will be represented at the Cotton Carnival October 2-4 with a queen, band, and a huge delegation, Joe Cooley, manager of the Borger chamber of commerce, has advised. The city is now in the process of selecting the queen, he said.

The first systematic attempt to educate the American Indian was made by John Eliot in 1846. Eliot learned the language of the tribes, translated the bible into this language and had copies of it printed on the first printing press set up in the United States.

Independence, Mo., the home town of President Truman, is a popular residence suburb of Kansas City, Mo., and is, also a busy business district. It was first settled in 1827.

First Baptist Church is Scene of Jones-Crisman Wedding September 12

An arch entwined with greenery and centered with a tall altar basket filled with pink and white asters market the impressive background for the wedding of Miss Helen Ruth Jones, daughter of Mr. and Mrs. Lynn B. Jones of this city, and Fred Clark Crisman, son of Mr. and Mrs. J. E. Crisman of Estelline, at 8:30 o'clock Friday evening, September 12, in the First Baptist Church.

Gleaming cathedral tapers in pyramid formation completed the setting for the ceremony. Rev. C. R. Tension, pastor of the church, was the officiating minister for the double-ring service.

Music for the wedding was provided by Miss Lois Wines, pianist, and Miss Billie Ruth Randolph, vocalist. The latter sang "I Love You Truly" with accompaniment by Miss Wines who also played the processional, gave a muted interpretation of "Always" during the ceremony, and concluded her offerings with the recessional by Mendelssohn.

The bride, given in marriage by her father, was a dainty picture in a gown of white marquisette designed with a fitted bodice, high neckline, and long sleeves, petal pointed. The bridal veil of lace-edged illusion fell from a beaded coronet, and she carried a white bible topped with a bridal bouquet of white gladioli and tube-roses caught with a shower of white satin tulle.

Miss Dorothy Jones, sister of the bride and maid-of-honor, was gowned in white net with a cape of black velvet. She carried an

arm bouquet of asters tied with satin ribbon. Bridesmaids were Margaret Johnson of Giles, Billie Jo Bradley, and Johnnie Mae Clark. The bridesmaids wore gowns featuring pastel shades of orchid, peach, and blue, and carried colonial bouquets of asters tied with matching satin ribbons.

Elmer Spruill attended the groom as best man, and ushers were Johnny Boyd Ward, Weldon Lewis, and W. R. Parker. Male members of the wedding party wore boutonnières of white carnations.

Clinton Jones, brother of the bride, and Betty Lou Crisman, sister of the groom, lighted the candles.

The bride's brother, Winston Mason Jones, and Lois Ann Clark carried the rings to the chancel on identical white satin pillows. Trainbearers were Lera Kate Hutcherson and Johnnie Kay McWhorter.

The bride's mother, Mrs. Jones, wore a dress of pink jersey and the groom's mother, Mrs. Crisman, was attired in a floral print crepe. They both wore corsages of white carnations.

Both the bride and groom attended Memphis High School, and the bride graduated with the class of '47. The groom is employed with Wooldridge Lumber Company and the couple will make their home in Memphis.

Immediately following the ceremony, a reception was held in the home of the bride's parents, Mr. and Mrs. Lynn B. Jones, for members of the wedding party and guests. The serving table was laid with a linen table cloth, which had belonged to the bride's

grandmother, Mrs. Kennon, and had for its centerpiece the traditional three-tiered wedding cake, topped with a miniature bride and groom. The wedding cake was encircled with a garland of clematis and flanked by pink candles in blue holders. Bouquets of pink dahlias and asters provided the floral decor for the entertaining suite.

Miss Margaret Johnson, Miss Billie Jo Bradley, and Miss Johnnie Clark presided at the register. Out-of-town wedding guests included Mr. and Mrs. H. C. Crow of Plainview, Mr. and Mrs. Ernest Lindsey and daughters of Lubbock, Mrs. Forrest McCreary and Mrs. William Cook III of Clarendon, and Mr. and Mrs. J. C. Bradley of Dallas.

Mystic Weavers Meet for First Fall Meeting

Members of the Mystic Weavers Club met in the home of Mrs. C. W. Kinslow for the first meeting of the season Wednesday afternoon of last week. Following the business session presided over by the president, Mrs. Jim McMurry, the afternoon was spent sewing.

Refreshments were served to the following members: Mesdames S. T. Harrison, Lee Thornton, Seth Pallmeyer, Bill Kesterson, Myrtle Phelan, Brice Webster, R. C. Walker, J. L. Barnes, Jim McMurry, H. A. Finch, D. A. Neeley, R. H. Wherry, D. A. Grundy, J. W. Stokes, W. W. Beaty; three guests, Mesdames Dock Fowler, Ben Kendrick, P. Garner of Houston; and the hostess, Mrs. Kinslow.

Ross Springer Is Named New Manager Of Paymaster Gin

Ross Springer has been named manager of the Memphis Paymaster gin, to fill the vacancy left by the resignation of Carroll Berryman, according to an announcement by L. B. Merrell, district manager of the gin department of West Texas Cotton Oil Company.

Springer, well-known to most cotton farmers in the county, is well acquainted with the problems of caring for cotton during the ginning process, the announcement said.

You need the church and the church needs you. A cordial welcome awaits you at the services of this church. Come, worship God with us.

Guthrie Birds To Enter Fall Shows

birds that take a major part of his time not spent working at the post office here. Also busy with the birds are Mrs. Guthrie, and her father, George M. Bass, both of whom are ardent bird fanciers.

The Guthries are working with other bird enthusiasts to try to get more pheasants stocked on farms and ranches in Texas. They explained that birds over 16 weeks old could not be placed on a ranch because they would migrate.

Wild bird enthusiasts believe this method of game bird stocking will add much to Texas wildlife, and to the pleasure and profit of the rancher or farmer.

He also explained that farmers, florists, and others found pheasants invaluable as "mousers." Guthrie often demonstrates by turning a mouse loose in a pheasant pen.

This table delicacy actually costs little more than chicken.

HEADS LEGION AUXILIARY... Mrs. Ruth Hutton, Excelsior, Minn., as she acknowledged cheers following announcement that she had been elected national commander of the American Legion Auxiliary at New York convention.

RECORD FISH... Alois Hanser, Milwaukee, Wis., displaying his world record 64-pound muskie, caught in Favel or Halfway lake in the western part of the Lac Du Flambeau Indian reservation.

Guthrie explained because a pheasant will dress out around 84 per cent, while a hen dresses only 54 per cent, because of heavy feathers, feet, head, and comb on the hen.

Ordinary ringnecks sell for around \$4 each, Guthrie said, while Golden, Amherst, or Silver pheasants sell for around \$15 a pair, with Reeves pheasants selling for \$10 per bird.

The pheasant costs more than the domesticated fowl because it is harder to hatch and more difficult to raise. A fifty per cent hatch on the eggs is considered good and one is considered lucky to raise fifty per cent of the remainder, it was explained.

The mature birds are so excited and wild that any slight disturbance may cause them to damage themselves. The barking of a dog, appearance of a stranger; sometimes the birds fly against the tops of the pens in fright if an accustomed handler comes in wearing a white shirt or something they are not used to.

Many are the incentives for raising pheasants, Guthrie declares. The Golden, Amherst, and Silver, all ornamental breeds, are the most popular. The crown tufts of the Golden pheasants are in great demand by fishing fly makers.

During this interview, Elmo Harlow of Shamrock, who has started a few pens of birds this year, dropped by to talk pheasants for a "few minutes."

37 Towns Enter Queen Contests

West Texas royalty and its most beautiful girls will compete here October 2-4 for the title, "Maid of West Texas" and an all-expense-paid vacation for the winner.

Miss Beverly Besancon has been named "Miss Seminole"; Miss Gloria Holmes will be "Miss Shamrock"; Miss Wanda Johnson is "Miss Childress"; and Miss Patsy Holman is "Miss KCTX, Childress."

All single girls, 16 years of age or older, are eligible to compete with the exception of local residents. Each girl should be sponsored by a city, school, civic or social club, organization, or business firm.

All candidates are to report to the Memphis chamber of commerce office by 6 p. m. October 2 in readiness for their first appearance that night.

Women's Clubs of Memphis Organize City Federation

The organization of the City Federation of Women's Clubs was completed when representatives from eight clubs of the city met in the home of Mrs. D. L. C. Kinard last Saturday afternoon.

A constitution and by-laws for the organization was adopted and officers were elected at this time. Named to serve as president of the Federation was Mrs. T. J. Dunbar, a member of the 1913 Study Club. Other officers elected were Mrs. C. R. Webster, vice president and member of the Atlantean Club; Mrs. Harry Womack, recording secretary and member of the Delphian Club; Mrs. J. H. Norman, corresponding secretary and member of the U. D. C.; Mrs. Earl Pritchett, treasurer and member of the Pathfinder's Council; and Mrs. Herschel Combs, reporter and member of the Woman's Culture Club.

"The object of this organization shall be to promote cooperation among the various clubs of Memphis in serving our community and to cultivate and extend social, civic, and cultural progress," Mrs. Dunbar stated.

The membership of the Federation will be made up of three representatives from each club.

Mizpah Guild Meets in Home of Mrs. Ira Foster

The Mizpah Guild of the First Presbyterian Church met in the home of Dorcas Ruth Foster September 14.

After the business session the following program was given: Devotional, "Choose You This Day Jesus," by Dorcas Ruth Foster; special article, selected from the first chapter of "Going God's Way," by Harold Blake Walker was given by Gertrude Rasco; Bible study conducted by Pearl Ward; prayer, Boodie Grundy; and the Mizpah benediction.

During the social hour dainty refreshments were served to Laura Finch, Boodie Grundy, Margaret Jones, Mary Noel, Tommie Noel, Gertrude Rasco, Pearl Ward, Pauline Wilson, Grace Wilson, and Ora Denny.

Mrs. O. R. Saye is Hostess For Delphian Meeting

The Delphian Club met Tuesday afternoon in the home of Mrs. O. R. Saye. The meeting was opened with a prayer by Mrs. Sid Baker.

Mrs. C. C. Hodges presided over the business meeting. Mrs. Baker read the constitution of the newly formed City Federation of Women's Clubs and members voted to participate in this organization.

In keeping with the course of study "World Neighbors," Mrs. Clarence Stroeble discussed "Homes of the United Nations." She presented the plans for the permanent home of the United Nations in Manhattan made possible by the gift of the Rockefeller family.

Mrs. Lynn McKown discussed the present home of the United Nations at Lake Success, N. Y., and presented the problem of "Housekeeping for the Family of Nations." This included housing, salaries, food, language difficulties and the interpreter system, police system, and personnel.

Since so much depends on the diplomatic feeling in keeping a neighborly feeling among nations, Mrs. Robert Queener discussed "A Day With a Diplomat."

U. D. C. to Enter Float in Cotton Carnival Parade

Mrs. Glynn Thompson was hostess for the September meeting of the Winnie Davis Chapter of the U. D. C. at her home, 214 North 8th street, Tuesday of last week. Assisting Mrs. Thompson was Mrs. Emma Baskerville, who served as co-hostess.

Lovely arrangements of garden flowers were used to decorate the entertaining rooms.

During the business session, at which Mrs. J. H. Norman, president, presided, reports were given by officers of the chapter, and members voted to decorate a float for the cotton carnival parade. Mrs. Glynn Thompson was named to serve as chairman of the decoration committee.

"Virginia Plantations" was the theme of the program for the afternoon and numbers were introduced by Mrs. L. G. DeBerry, historian.

The following program was presented: U. D. C. Ritual, Pledge to the Flag; roll call, "What Grows in My Garden"; greetings from the president, Mrs. J. H. Norman; "The Private Life of a Statue," Mrs. Herley Moreman; "Offerings of the Old Dominion," Mrs. J. A. Odom; "Virginia's Golden Age," Mrs. M. McNeely; "On Looking Upward," Mrs. O. R. Goodall; "In the Garden," sung by the chapter with accompaniment by Mrs. Glynn Thompson.

Wheat Crop

100% HIGH MILLING QUALITY.

Hall County had only 81% high milling quality wheat this year, but even this record must be improved if marketing difficulties are to be avoided in the future. Penalties were imposed on poor milling quality wheat this year in several sections of the country, and it has been pointed out that once the current export program is reduced there will be no market for poor milling quality wheat.

Rabid Coyotes Are Found In Turkey Area

It was learned this week that rabid coyotes are present in the Turkey area, following a positive report on a coyote head sent to Austin last week.

County Judge John Russell said the Livestock Sanitary Commission has been notified, and the county may secure an emergency poisoning program to control the outbreak.

Although the \$2 bounty for coyote scalps was discontinued September 1, it was placed in effect again last week and will continue to September of 1948, Judge Russell said, following many reports of coyotes in the county.

"Several coyotes have been killed recently near residences in the Turkey area."

BOSSY SAYS

When I am alive, I'm useful. When I'm dead, I am still useful—if picked up in 24 hours. I am harmful if allowed to lay and be drenched in the rain—and my remains washed into the creeks and water ponds. Or if I'm allowed to lay in the hot sun and deteriorate and be blown through the air on small particles of dust, I will carry harmful diseases over the country.

B.F. Goodrich Tires Now at LESS than PREWAR PRICES!

Better come a'running at fire engine speed because every mile you're not on B. F. Goodrich Silvertowns you're the loser. People say we're prejudiced when we tell them the new Silvertown is the king pin of the highway; that is, they do until they find their car rolls thousands of miles farther than on any tire they ever used. They are flabbergasted when we tell them Silvertowns are sold at less than prewar prices.

OUTWEAR PREWAR TIRES!

There's a secret to the Silvertown's superior performance... it's the wider, huskier "road level" tread. Better stopping! Less wear! More mileage! Lower cost per mile! Put your car on B. F. Goodrich Silvertowns.

B.F. Goodrich FIRST IN RUBBER

MR. FARMER:
Gin Your Cotton Here And Get A Dividend Check Next Fall

Your gin has spent \$5,000.00 during the summer months in putting the gin in tip-top shape. New saw cylinders have been installed, a new bur fan has been added, as well as other smaller pieces of equipment. In addition to this, all equipment has received a thorough overhauling. Your gin is now in shape to give you this season and give you the very best of turnouts. All this adds up to fact we can promise the farmers first class ginning in every respect.

QUARTERS FOR BOLL PULLERS

We are now completing a large housing unit for boll pullers, which will be ready within a few days, and also have other housing facilities to take care of 300 pullers. WE WILL HELP YOU GET HANDS! Let us know if you need help to gather your crop this year. Tell us how many hands you need, how many acres you have, and how you are fixed to take care of them. We're leaving this week for south Texas, and will try to get hands for our customers.

REMEMBER YOUR REBATE NEXT SPRING

Don't forget the rebate check you will receive next spring if you gin cotton here. The more cotton ginned here—the larger will be this check. We invite the farmers of this area to gin with us this fall. We have a good crew know the ginning business, and everyone of them is anxious to take care of gin's customers. The big Murray Drier, which was installed last year, needs introduction to the farmers. It will continue to aid in giving our customers good turnout and sample.

out reservation that this will be one of the most spectacular parades ever staged in the South-west.

"The great attraction for the kiddies will be the giant grotesque, fantastic balloon parade which will require the strength of 200 high school boys to anchor the balloon dragon, balloon clowns, huge pigs, clowns, and train. The inflated rubber train will require 30 boys.

"Jean Gros, producer of the parade, says 150 boys are enough, but this is a windy country and we don't want to have to pull a dragon off the 14th floor of the Santa Fe Building," King said.

He singled out the Tri-State All-Girl Rodeo performers as a stellar parade attraction.

"I don't believe there has ever been a parade in this part of the country with 80 girls in it," King said. The Range Riders will supply horses to the girl performers who do not bring their own mounts. "They can have their pick," said Delbert Dalby, parade committeeman.

The parade is scheduled to start at 10:30 o'clock Monday morning, September 22. It will form at the high school parade ground at 14th and Polk. "All who participate in the parade should be on hand not later than 9 o'clock," King cautioned.

Tri-State Fair exhibits will rank high on the cultural ladder this year. Maude L. Fletcher,

Mrs. Pavillard Describes Voyage

Editor's Note: A letter from Mrs. Jerry Pavillard to her mother, Mrs. D. W. Lawrence of Newlin, describes life aboard ship on Mrs. Pavillard's trip from the states to Japan, where she and her daughter, Phyllis Kay, joined her husband, Ralph Pavillard.

"We sailed out at exactly 12 noon. We are quite a ways out and seem to be making good time. The ocean is smooth, so only a minimum of rocking. However, some are very dizzy, in fact two are sick so far. Kay is all agog over it, and doesn't seem to notice the rocking. . . .

Saturday night. There's quite a few on board seasick, but I'm keeping my fingers crossed. A lady I met up with at the hostess house is sick and I've been taking care of her children. She and I have come to be very good friends. . . . The food is very good. . . .

Sunday. We got up, ate a good breakfast, dressed and went to church services. Enjoyed it, really have a nice chaplain aboard ship. Took Kay and my friend's two children to the show at 6:30. The show was "Big Town."

Monday. We docked in Whittier, Alaska, at 6:00. We are scheduled to leave out in the morning at 8:00. . . . It certainly was a sight to behold, as we came through the pass, all the glaciers covered in snow and where we are now all the mountains have snow on them. . . .

Tuesday. We left Whittier, Alaska, this morning at 8:00. This afternoon the boat got pretty rough, but I am surviving it just fine. . . . We started a bridge tournament this afternoon.

Wednesday. We played the second round of the bridge tournament today. . . . My score wasn't so good today. Very foggy all day, visibility isn't very far out.

Friday. We cross the International Date Line tonight and when we wake up in the morning it will be Sunday. Then we'll be in Japanese water.

Sunday. We were in the edge of the storm yesterday and really hit it last night. . . . Tomorrow is my wash day. They have a wash room with two washing machines. . . . They are having an amateur show tonight, thought we'd go up.

Tuesday. Tuesday just about superintendent of the art department, has announced that 15 regional, national, and international artists who are identified with the famous Taos art colony will be shown at the Tri-State Fair September 22-27.

gone, and at noon today we were 1,100 miles from Yokohama. Really sounds good to me.

Wednesday. After lunch the chaplain took a group of us on a tour of the ship. It really was interesting. First he took us down where the troops ride. There I saw where Ralph always had to ride and it was everything but exciting. It's hot and stuffy down there and I imagine it really is when it's full. Then we went into the troop mess hall and kitchen. . . . We went into the bakery shop, butcher shop, frozen food lockers, and gee it's amazing how much room there is on one of these ships.

Thursday. Guess this will be the last as we get off so early in

Quanah Indians Take Memphis Cyclone 20-6 Friday Night

Injuries received by Gayle West, Cyclone quarterback, disrupted the smooth play with which the Cyclone had performed and helped lead to defeat by the Quanah Indians at Quanah Friday night, 20-6, in the season's first game for both teams.

Slightly outweighed, the Memphis team scored first in the opening period, putting Morrison around right end for six yards and a touchdown after a steady

drive from their own end of the field. Davis' try for point failed. Taking the next kickoff, Quanah went 72 yards without being halted, Johnson circling right end for 10 yards and the score. Effort to add the extra point through the Cyclone line failed.

After West was removed to a hospital in the third period, the Indians sewed up the victory with two fourth period touchdowns.

Early in the period, a 35-yard drive was climaxed with Tidmore passing to Boyington from 12 yards out for the score. Tidmore then flipped one to Norton for the extra point. A few moments later, Johnson went around left end for 23 yards and a score, climaxing a 50-yard drive. Tidmore added the point from placement.

West not only had been the spark-plug of the Memphis attack, but had been a bulwark on defense. After his injury, the Cyclone was forced to abandon the use of the T-formation, reverting to single-wing tactics. The Quanah Indians used the T for the first time, and showed Coach Weldon Bibb a promising performance. Bibb's assistant is Foster Watkins, formerly a member of the Philadelphia Eagles, pro team, and a member of the Memphis baseball nipe.

Memphis led in first downs, 9 to 7. The lineups:

Game Schedule

Football: Amarillo Yannigans here Friday night. Baseball: Mobeetie here, Saturday night and Sunday.

Mobeetie won the finals at Pampa Sunday, but not without bringing back their old ace hurler and standby, Metz Lafollette, who had not played for them since being tagged by the Yanks in June. While Metz did not seem to have the fire he displayed earlier in the season, he was fiery enough.

A good turnout of fans from Hall County and Mobeetie saw the game at Pampa. A group who call themselves "the bald-headed cheering section" was very much in evidence Sunday. Cheer leader Bill Hart is said to have led the vocal support of the Memphis nine, which consisted mostly of detailed instructions yelled to Metz Lafollette, along with queries as to his status in the major leagues, the state of his health, etc. The cheering, though fluent, was less coherent near the end of the game.

Friday night was not football night for Hall County as Memphis lost to Quanah 20 to 6, Lakeview lost to Clarendon 32 to 0, and Estelline lost to Shamrock 39 to 0.

The Cyclone played a smooth game during the first quarter, and although the loss of West in the third quarter was credited the factor that turned the tide, it was unfortunate that no one else had been drilled to take over that slot in T-formation play.

It is interesting to note, however, that Memphis led in first downs, 9 to 7.

The Lakeview team is to be congratulated, win, lose, or draw. Having no coach, those boys determined to play football anyway, and have been going through conditioning by ex-players Barney Bevers and Clyde Barnett.

Estelline stepped out of size and class of Class B football to play Shamrock. While Estelline is thought to have had difficulty in scheduling a Class B team or one of similar rating, a runaway contest is rough on a budding team.

McLean is slated for a game here October 3. They lost the Friday night game to Panhandle 26 to 0, and the Cyclone will no doubt handle them. Wellington dropped a game to Perryton 6 to 0; White Deer tied Lefors 7 to 7.

A Quanah coach has pointed out an error which appeared in Sportscope last week. We stated that Quanah had eight returning lettermen, information which we had gleaned from a previous issue of the Quanah Tribune-Chief. The coach pointed out that Quanah had a system of giving football jackets to all squad members, and that although there is a difference in the jackets given to squadmen and lettermen, the public sometimes is confused by this practice. The coach said Quanah did not have that many returning lettermen.

Larry Grundy, son of Mrs. Allen Grundy, left Tuesday morning for Waco where he plans to re-enter Baylor University.

Miss Laura Mai Hightower, daughter of Mr. and Mrs. W. T. Hightower, returned to Waco Sunday to resume her studies at Baylor University.

Dwight Kinard, son of Mr. and Mrs. D. L. C. Kinard, left Monday for Austin where he will enter Texas University. He was accompanied as far as Waco by Jack Hightower who will continue his studies at Baylor University.

Clarendon Broncs Win 32 to 0 Over Lakeview Friday

The Clarendon Broncs ran roughshod over a scrappy but out-classed Lakeview eleven at Clarendon Friday night and took the first game of the '47 season by a score of 32 to 0.

The Bronchos scored the first time they had the ball in the first period when Wayne Lowe, left half, swivelled 63 yards from the Eagles' 37-yard line to pay dirt.

Another marker was scored in mid-quarter with Bronc right-half Henson skirting left end for 34 yards. The conversion attempt failed after both counters.

After a scoreless second quarter the Broncs roared back in the third when Lowe powerhoused center for two yards and then

took a pass from Captain Gene Bulman for the conversion.

In the fourth quarter Lowe heaved a pass to Bulman for 31 yards for one touchdown and then duplicated the feat a few moments later for 43 yards and the second marker. After the first touchdown Bradford, a substitute, plunged over for the extra point.

A crowd of approximately 1,500 witnessed the game in beautiful football weather.

Mobeetie's two other runs came in the fifth, when Lafollette singled in Elmore, and in the seventh, as Gregory singled in Stephens.

Memphis seemed set to score two or three times, and the sure thing seemed apparent in the fourth, with but one away and three on. But it was Casey at the bat as two erstwhile heavy hitters, Gibson and McKnight, fanned out. Berryman died on third in the sixth, having reached third with but one away, as ditto Gibson in the ninth.

Lafollette fanned 10, hit two batters and walked none; Keller fanned 1 and walked 1, and Bass struckout 4 and walked 1.

Heavy hitters for Mobeetie were Lafollette, with 2 for 2, and Riley, with 2 for 4. Slugging for Memphis were Howard Stewart with a single, Moyer with a single, Berryman with a double, Gibson with a double turned triple by an error, and Keller with a single.

Irish Trample Estelline 39-0 At Shamrock

The Shamrock Irish rampled the Estelline Class B football team at Shamrock Friday night in a runaway, 39-0.

Shamrock scored quickly in the first quarter when Fullback Lile ran 45 yards for a touchdown. Close converted the extra point. The only other score in the first half came in the last of the first quarter when Close went through the center of the Estelline line for 21 yards and a touchdown.

Shamrock scored three times in the third quarter and once in the fourth. Reeves, McLemore, Close, and Lea each getting a six-pointer.

The only Estelline threat came in the first quarter when Walker recovered an Irish fumble on Shamrock's 36-yard line, but the Estelline team was unable to advance the ball past that point.

Law Now Requires Night Drivers To Dim Lights

Two heels don't make a right. That's legal double-talk straight from Col. Homer Garrison, director of the Department of Public Safety, who pointed out recently that the new Texas traffic law which became effective September 5 requires a driver to dim his lights at night when meeting another vehicle.

"If the other fellow refuses to dim his lights, don't you be a heel and refuse to dim yours, too," Garrison said in a warning to motorists.

"As for the other fellow, he'll meet a police car somewhere down the road."

Greenbelt FFA Elects Officers At District Meet

(By Reporter)
Election of Greenbelt District FFA officers was held in Memphis Saturday.

The following boys were elected to office: President, Carter of Clarendon; vice president, Wayne Hutcherson of Memphis; vice president, Parrish of Childress; secretary, Samnorwood; treasurer, Peters of Hedley; reporter, Fulton of Estelline; and sentinel, Strowd of Turkey.

Plans were made concerning programs of work. Educational exhibits will be shown at the Cotton Carnival, November 4 a district banquet will be held at Memphis, December 2 a farm demonstration will be held at Memphis. A livestock judging contest will be held at Pampa February 23. A poultry and crops judging contest will be held at Clarendon March 28.

Let There Be Light

Afraid of the dark? You should be, for your own safety. Paradoxically, during the hours when there are fewer automobiles on the streets more people are killed in traffic accidents. Traffic during the hours of darkness is less than half as heavy as by daylight, traffic and safety experts say, yet 60 per cent of the persons who lose their lives in traffic accidents are killed at night.

Several factors contribute to this paradox. First, there is the fact that drivers and pedestrians are generally more fatigued at the end of the day and as darkness approaches. Too—and an important point—there is more drinking at night and consequently more drivers under the influence of alcohol and more pedestrians who are less alert when crossing the street.

Then comes a long list of contributing factors brought on by darkness itself—poor vision, glaring headlights, misdirected street lighting, and on and on.

Many of the latter hazardous elements can be eliminated by proper traffic engineering and improved lighting of streets and directional signs. Every community in the country should do all within its power to see that its street and surrounding highways are properly lighted and made more safe for its citizens.

But the most important remedy for the tragic annual toll of night accidents, and the responsibility for that remedy, rests with the individual driver and pedestrians. All the improved lighting and engineering in the world will not correct the evil of the driver who persists in driving too fast. Nor will good lighting rid us of the inexcusable peril of the driver who refuses to dim his lights when approaching oncoming traffic, or the would-be killer who drinks too much, or the goon and grave-digger who ignores traffic signals and ordinary courtesy of the road.

Likewise, we will not be rid of the candidates for suicide who walk along or cross the street deliberately disregarding the rules of safety or with too many hooks under their belts.

So, you see, until every individual responsible becomes more careful, especially at night, we will always suffer the loss of the lives of our friends, our relatives—or ourselves. Until the entire American public becomes overwhelmingly conscious of the need for safety on our streets and highways, we have every reason to be afraid of the dark.

QUOTING OUR NEIGHBORS

The Harvest Festival to be held in Quannah September 26 and 27 will give all 4-H clubs within the county an opportunity to exhibit the results of their year's work. Also all local civic clubs are being urged to prepare displays emphasizing their various activities. The various concessions will be in charge of the Home Demonstration Clubs, the Business and Professional Women's Club and the Teen Age Club. . . . Although this is the first festival to be held in Quannah in several years, an interesting variety of exhibits is expected.—Quannah Tribune-Chief.

Crooked World

The school teacher asked Jimmy if the world was round and he answered "No."
 "Then is it flat?" persisted the teacher.
 "No."
 "If it isn't round and it isn't flat, what is it?"
 Jimmy was very confident as he replied: "Dad says it's crooked."—The Groom News.

Smart Talk

You are pretty smart, but can you answer this: Why is it that a black cow can eat green grass and give white milk that makes yellow butter, the price of which leaves a dark brown taste in our mouths, making us blue and so mad we see red?—The Texas Outlook.

Your hard-headed, "practical" man says, "Seeing is believing." Well, as an automobile speeds away from you, it gets smaller and smaller; do you rally believe it changes size? If you look down a railroad track, the rails finally run together. You see it; do you believe it?

And did you ever notice that the man who belittles humor and pooch-pooches the ability to make people laugh is usually a sourpuss himself? Like the rooster who was about to have a fight with a horse and the rooster said, "Before we start, let's agree not to step on each other's feet."

BOYCE HOUSE

An advertiser in an Eastland paper says he will haul away the carcasses of dead livestock and signs himself, "Your used cow dealer."

And an equipment house in San Antonio has a jolly style of advertising. For instance, "blue denims—if you bought 'em down town, they'd be trousers and cost you 50 cents more" and "army cot—have trouble sleeping? Then you're sure to enjoy lying awake on this cot" and "fountain pen—if you can't write, this'll keep the cigars in your pocket from getting broken."

TRI-STATE FAIR Amarillo, Texas

This Week in WASHINGTON

With congressional approval or disapproval of the Marshall plan looming more and more important in both the future of Europe and our own country, work of the 18-man house select committee on foreign aid assumes added significance, particularly in view of rumors of a special session in November.

The house committee which set out on its own to learn the truth about economic conditions in western Europe met at Frankfort on Main on September 6 and split up into five sub-committees to spread the work of the committee. Anderson, Minnesota and Cooley, North Carolina will probe European agriculture; Kunkel and Walter, both of Pennsylvania will investigate finance; Case, South Dakota; Vorys, Ohio; Vursell, Illinois; Cox of Georgia, and Brooks of Louisiana will take Austria and Germany; Wolverson, New Jersey; Macy, New York; Keogh, New York, and Monroney, Oklahoma will investigate France, Holland, Belgium and Luxembourg, and Jenkins, Ohio; Nixon, California; Richards, South Carolina and Mahon, Texas will tour Italy, Greece and Trieste. Repr. Christian A. Herter will act as chairman in the absence of chairman Charles A. Eaton of the house foreign affairs committee.

On the basis of a two-day hearing the house small business sub-committee chaired by Congr. Walter Ploeser, Republican of St. Louis has declared that the Greenbelt consumer cooperative in Maryland is monopolistic.

And just to make this probe of cooperatives, particularly farm cooperatives, more interesting, chairman Clifford R. Hope, (R-Kans.) chairman of the house agricultural committee, took the opposite tack and said farm cooperatives were the answer to the growth of monopolies and he deplored the position of Rep. Ploeser and his small business committee probe. The Missouri Farmers association, with 117,000 members adopted a resolution urging its members to turn out election day to see that "farmers friends are elected regardless of political party and that the known enemies of the farmer now in office are retired

to private life." That was if it was lifted bodily from labor union resolutions.

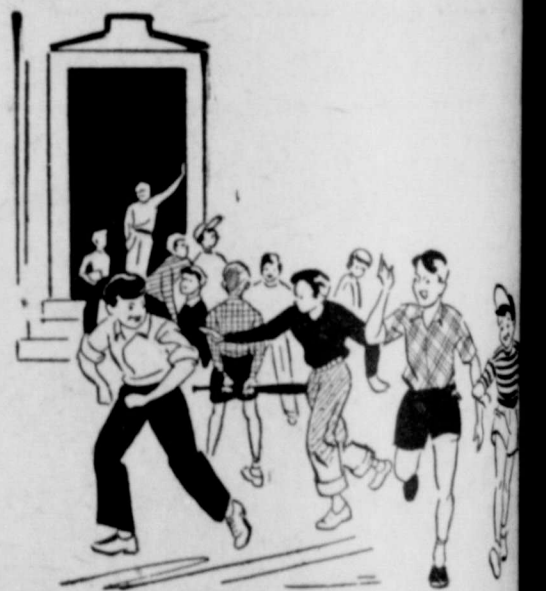

Three more war veterans were added to the house special elections committee late Joseph J. Mansfield, Regan succeeds Repr. Thompson (D-Texas) who became a federal judge. A legless veteran, Charles Fred Bradley, Republican, May 24. Even though the new congressmen will not go into office until after November 3, they will receive all special elections assignments, will receive all special congressmen including the space and help and expense money.

There may be some news here. While Senator Ploeser's senate committee is probing the cause of high prices, congress passed legislation to raise prices on rents, sugar and wool. In the case of sugar, their political importance all proportion to their role in the national economy called deficit crops subsidies and American sugar imports and American sugar, both case and wool, as an industry in the income of about 120,000 persons. The wool producers the same in income as ment, or each representing thousandth of our economy. But 19 states grow wool and in all, 24 representatives from these states and the added influence of manufacturers in the land states and the which process but sugar, make a big fat Under the new sugar manage and prices are 34 million dollars in to the industry.

The new wool bill price control and a voluntary increase up for the benefit of some lords and at the expense 15 million tenants.

First, we must see that our
headlamps are in good condition.
Motorists are fortunate who live
in a state or a city having a well
administered system of periodic
vehicle inspection. In any case,
the prudent driver will watch his
lights carefully for any sign that
they are aimed too high or too
low, or that an over-age bulb,
dirty lens or tarnished reflector is
giving him less light than he
needs. Even with no visible sign
of trouble a periodic check of
headlamps—and of the entire car
—by a competent-serviceman is a
good investment.

Then, proper use is just as im-
portant. Always change to the
lower beam when meeting another
car. That's what you want the
other fellow to do, isn't it?

Finally, remember that with
even the best headlamps you can-
not safely drive as fast in the
dark as by daylight. The basic
rule of safe driving is this: Al-
ways keep your speed sufficiently
low, and your car under such con-
trol, that you can avoid any pos-
sible emergency ahead—any ve-
hicle, person or object suddenly
appearing in your path, any curve
or turn or defect in the highway
itself. Slow down at sundown!

At 50 miles an hour, the aver-
age driver in the average car
needs about 300 feet—nearly a
city block—to recognize danger
ahead and come to a stop, any
headlamps do not give good vis-
ibility over that distance. Any
night speed over 50, unless on
an exceptionally well lighted high-
way, is courting suicide or man-
slaughter.

A firm grip with both hands

This unlighted trailer, moving slowly along the darkened highway, was completely invisible to an overtaking motorist as he came suddenly upon it from around a corner. He crashed into it and was fatally injured. Just one more of the many bitter ironies of highway deaths, where a lawbreaker who was indifferent to his own safety and the safety of others escaped injury, while an innocent victim paid for that indifference with his life.

on the steering wheel is even
more important at night than by
day.

Fatigue at the end of the day
impairs your judgment and de-
lays your perception of trouble
ahead and your reaction to it. The

obvious remedy—more caution
and lower speed. At quitting
time, even if you are not tired,
remember that other drivers and
pedestrians are.

Even a couple of drinks are
harmful to the judgment, the

quick reaction, the nervous and
muscular control which are es-
sential to safe driving at night.
The more drinks, the greater the
damage. "If you drink, don't
drive" is the only really safe
rule. If circumstances require
you to drive after one or two
drinks, reduce your normal speed
by at least five miles per hour
for each drink.

Pedestrians, the victims in
nearly half of the fatal night ac-
cidents, can do much to protect
themselves. The man or woman
crossing the street on foot, when
over-tired or especially after
drinking, should use the same ex-
tra measure of caution enjoined
on the driver in similar condition.
You can always see an approach-
ing car because of its headlights;
remember that the driver often
can't see you, if you step into
his path, until it's too late.

It is especially important that
pedestrians cross streets at night
only at intersections, where
drivers expect them. If you must
walk along a highway at night,
carry a light or wear something
white, and be especially careful
to walk on the left, facing traffic,
so you can step out of the way
if the oncoming driver doesn't see
you.

May Move Cars Illegally Parked New Traffic Code

Anyone who leaves a car or
truck parked illegally on a street
or highway since September 5
may come back and find it gone.
Director Homer Garrison of the
Department of Public Safety
warned this week.

"The new Uniform Traffic
Code, effective from September
5, provides that officers may
have such illegally parked ve-
hicles hauled away," Garrison
said, "in order to remove a pub-
lic hazard."

The only justification for park-

ing a vehicle on the main traveled
portion of a street or highway is
that the vehicle cannot be moved
because of mechanical failure.

The driver pulling into or out
of a parking space must be strict-
ly on the defensive, for all other
drivers have the right-of-way
over him, Garrison pointed out.

BEWARE THE BLIND SPOT!

Oncoming bright headlights can momentarily blind the best of driv-
ers. It requires *seven seconds* after passing glaring lights for your
eyes to dilate again to the darkened road. Even in this brief space of
time you may not see the dim figure in the road ahead of you until
it is too late.

It's the early hours of darkness, especially in the Fall and Win-
ter when traffic is still heavy, that produce the heaviest fatalities in
driver-pedestrian accidents. The three hours after sunset are three
times more dangerous than daylight hours.

A safe driver reduces his average speed at night. He looks away
from glaring lights, watching the edge of the road on his side. He
never "overdrives" his lights and can stop at any time within his
headlight range. He is especially careful at intersections and is on
the watch for unlighted vehicles, and motorists changing tires at
the side of the road.

Pedestrians, for your own safety, walk to the *left facing traffic*,
carry something white. Be *extra cautious* at night. Never forget,
the life you save may be your own.

Fourth Army Says City Decoration— Units May Be Sent To Carnival

MEMPHIS.—The Fourth Army headquarters at San Antonio has advised that while it will not be able to send huge contingents of soldiers here for the West Texas Cotton, Chemurgic, and Ceramics Carnival, October 2-4, it had asked the El Paso commandant to have as many units as possible at the Carnival occasion and to assist in "all ways possible" in making the first such "Mardi Gras" a success.

Auto Title And Registration Law Goes Into Effect

Changes in title and registration laws made by the 50th legislature will sooner or later affect all owners of motor vehicles, Texas Highway Department spokesmen say.

A number of these new laws became effective September 5. Since that date, for example, the Texas Highway Department is required to charge a fee of \$1 for assigning motors to new or reconditioned motors. A similar fee is required for serial numbers on house trailers.

The growing practice of installing new and rebuilt motors, some bearing no identification number, demands a strict accounting of both motor and serial numbers on vehicles to assure valid titles in the name of rightful owners.

New laws outline a procedure giving maximum protection to legal owners of all motor vehicles. When motors are exchanged, the vehicle owner must apply promptly to the Texas Highway Department for a correction of his certificate of title. Otherwise the title to his vehicle is clouded because its motor number does not correspond to his title, an awkward situation to handle when he tries to sell his car.

If the new or reconditioned motor bears a manufacturer's number, it should be used. If it is blank, as many are nowadays, the purchaser must apply direct to the Texas Highway Department at Austin for an assigned number. Forms for this practice may be obtained from any county tax collector's office. It is illegal to stamp any number on a motor other than a number assigned by the highway department.

A new service has been provided for Texans who wish to take delivery on a new vehicle at the factory or from a dealer in another state. Temporary license plates for the exclusive use of buyers while driving their new car back home are now issued under another of the 50th session's new laws.

Suggested by highway department officials for the convenience of purchasers wishing to drive their new car back from the factory, the new law eliminates many thorny legal technicalities formerly incident to the practice. Temporary plates, good for thirty days, can now be secured without delay at the county tax collector's office, and carried to the factory or other out-of-state delivery point. The owner may secure certificate of title to his new car and regular registration plates after returning to Texas.

Mr. and Mrs. Temple Deaver Jr. returned to their home in Austin Monday after visiting two weeks here with their parents, Mr. and Mrs. Temple Deaver and Mr. and Mrs. J. H. Morris. Mrs. Temple Deaver Jr. is the former Miss Cassandra Morris.

For the Best TURNOUT and SAMPLE Gin at the FARMERS UNION GINS

As you know, we built a NEW all metal, all electric gin plant at Memphis last year, which is modern in every respect. You also remember the excellent turnout and sample which farmers received by ginning with us last season. This year we believe we are able to do EVEN BETTER GINNING. Ask the farmers who have already brought their cotton here this season. They will tell you about the kind of grade this gin plant is turning out.

TO THE FARMERS OF THE PLASKA COMMUNITY:

During the past months we have built a complete new gin plant at Plaska, and have incorporated improvements which are sure to meet with the approval of cotton farmers. Make your plans now to gin with us. This plant is conveniently located, and a competent crew is ready to render an excellent ginning service, working under the management of Earl Rickards.

DO YOU NEED BOLL PULLERS?

We have already been able to get boll pullers for several farmers, and will continue to work with our customers. Come in and let us know what you need. We want to aid you in every way, and will help in obtaining and placing crews to gather the 1947 crop.

Your home needn't be NEW
to be ALL-ELECTRIC

IT IS not necessary to build a new home to enjoy all the comforts and conveniences of living electrically. Your present home—whether it's castle or cottage—can be an ALL ELECTRIC home. With adequate wiring, and the new electrical appliances now coming on the market in ever increasing numbers, any home can be made a modern, all electric home with the resulting time and labor saving advantages—the added beauty, comfort and convenience.

Electric service is today's biggest bargain! The average cost of a kilowatt hour of service to residential customers has decreased 32.6 per cent since 1933.
